NORQUIST TO LEAD PENTAGON UFO TASK FORCE  
TRUMP: WE NEED MORE TRANSPARENCY ON  
UFOS

**UFONN**  
**SUNDAY**

1  
00:00:33,120 --> 00:01:07,030

[Music]

2  
00:01:11,270 --> 00:01:09,109

and good afternoon from philadelphia

3  
00:01:11,990 --> 00:01:11,280

frank here with yet another episode of

4  
00:01:14,390 --> 00:01:12,000

ufo

5  
00:01:15,990 --> 00:01:14,400

news network sunday and it's been an

6  
00:01:18,390 --> 00:01:16,000

interesting couple weeks since i last

7  
00:01:20,070 --> 00:01:18,400

did a show a couple things have happened

8  
00:01:21,429 --> 00:01:20,080

and we're going to get to the really

9  
00:01:23,190 --> 00:01:21,439

interesting thing that happened

10  
00:01:25,270 --> 00:01:23,200

within the last week we've got a

11  
00:01:28,789 --> 00:01:25,280

specific individual

12  
00:01:31,910 --> 00:01:28,799

name to oversee the pentagon

13  
00:01:33,990 --> 00:01:31,920

ufo as we as i like to call them here or

14

00:01:35,990 --> 00:01:34,000

uap task force so we're going to get

15

00:01:38,710 --> 00:01:36,000

into some detail on all that

16

00:01:39,429 --> 00:01:38,720

but first let's go back in time a little

17

00:01:41,910 --> 00:01:39,439

bit

18

00:01:42,710 --> 00:01:41,920

and take a look at the most recent

19

00:01:45,429 --> 00:01:42,720

comments

20

00:01:45,990 --> 00:01:45,439

of the president of the united states uh

21

00:01:48,789 --> 00:01:46,000

he was

22

00:01:49,670 --> 00:01:48,799

on uh the fox business channel with lou

23

00:01:52,069 --> 00:01:49,680

dobbs uh

24

00:01:53,590 --> 00:01:52,079

about i guess about that ten days ago

25

00:01:56,709 --> 00:01:53,600

now let's listen in

26

00:01:59,670 --> 00:01:56,719

on his comments and uh

27

00:02:00,069 --> 00:01:59,680

provide a little bit of analysis after

28

00:02:03,030 --> 00:02:00,079

we

29

00:02:05,030 --> 00:02:03,040

give this the minute and a half uh where

30

00:02:08,229 --> 00:02:05,040

he was asked by lou dobbs

31

00:02:11,430 --> 00:02:08,239

about ufos

32

00:02:14,630 --> 00:02:11,440

let's go to that now

33

00:02:15,589 --> 00:02:14,640

and uh you are your administration you

34

00:02:18,949 --> 00:02:15,599

promised would be

35

00:02:20,550 --> 00:02:18,959

uh transparent and you have done your

36

00:02:24,150 --> 00:02:20,560

level best to do that

37

00:02:24,790 --> 00:02:24,160

uh despite the the deep state's efforts

38

00:02:26,949 --> 00:02:24,800

to

39

00:02:28,390 --> 00:02:26,959

bury everything about as deeply as they

40

00:02:30,390 --> 00:02:28,400

could uh

41

00:02:32,309 --> 00:02:30,400

but i've got one question as we conclude

42

00:02:36,070 --> 00:02:32,319

here uh because uh

43

00:02:37,990 --> 00:02:36,080

i uh actually a lot of my friends are

44

00:02:40,229 --> 00:02:38,000

very concerned about

45

00:02:41,350 --> 00:02:40,239

what the federal government is doing

46

00:02:44,550 --> 00:02:41,360

when it comes to

47

00:02:45,509 --> 00:02:44,560

ufos so if i could just ask you are we

48

00:02:49,350 --> 00:02:45,519

going to commit

49

00:02:52,390 --> 00:02:49,360

to to exploring a

50

00:02:53,589 --> 00:02:52,400

ufos and open the documents to the

51

00:02:55,509 --> 00:02:53,599

public

52

00:02:57,270 --> 00:02:55,519

well i think you're the probably in this

53

00:02:59,910 --> 00:02:57,280

country you're the ufo

54

00:03:01,589 --> 00:02:59,920

expert so i'm going to be totally guided

55

00:03:04,630 --> 00:03:01,599

by the great

56

00:03:07,990 --> 00:03:04,640

you that

57

00:03:08,309 --> 00:03:08,000

uh i'll do whatever you uh asked me to

58

00:03:11,430 --> 00:03:08,319

do

59

00:03:13,190 --> 00:03:11,440

including total transparency and i gotta

60

00:03:15,030 --> 00:03:13,200

tell you this probably some pretty good

61

00:03:17,990 --> 00:03:15,040

transparency needed there there's no

62

00:03:19,670 --> 00:03:18,000

doubt about that

63

00:03:21,830 --> 00:03:19,680

well mr president i i couldn't have

64

00:03:24,869 --> 00:03:21,840

asked for a better answer thank you

65

00:03:27,430 --> 00:03:24,879

thank you so much and i'll be calling uh

66

00:03:28,470 --> 00:03:27,440

your office soon to uh to get that uh

67

00:03:30,470 --> 00:03:28,480

underway

68

00:03:32,789 --> 00:03:30,480

uh it's been great talking with you sir

69

00:03:34,710 --> 00:03:32,799

and we appreciate your time mr president

70

00:03:35,910 --> 00:03:34,720

uh great to have you with us it's my

71

00:03:39,030 --> 00:03:35,920

great honor

72

00:03:41,110 --> 00:03:39,040

you've done a fantastic job well there

73

00:03:41,750 --> 00:03:41,120

you go hopefully dobbs does follow up

74

00:03:44,149 --> 00:03:41,760

and says

75

00:03:45,270 --> 00:03:44,159

dump it all that's that's what we really

76

00:03:47,509 --> 00:03:45,280

want to see here

77

00:03:49,670 --> 00:03:47,519

but again as always uh trump pretty

78

00:03:52,869 --> 00:03:49,680

consistent when he is asked about it

79

00:03:53,270 --> 00:03:52,879

sort of uh light-hearted not really not

80

00:03:55,509 --> 00:03:53,280

really

81

00:03:57,110 --> 00:03:55,519

ripping the the ufo subject or anything

82

00:04:00,470 --> 00:03:57,120

along those lines but

83

00:04:02,390 --> 00:04:00,480

uh doesn't express deep concern about it

84

00:04:03,750 --> 00:04:02,400

mentioned obviously something that we

85

00:04:06,309 --> 00:04:03,760

like we should have some

86

00:04:07,030 --> 00:04:06,319

greater transparency on the subject

87

00:04:08,789 --> 00:04:07,040

certainly

88

00:04:10,949 --> 00:04:08,799

i agree with him on that issue and i

89

00:04:12,149 --> 00:04:10,959

think most of you ufo nuts out there

90

00:04:13,910 --> 00:04:12,159

like myself

91

00:04:15,990 --> 00:04:13,920

feel the same way we do want to know

92

00:04:18,550 --> 00:04:16,000

more about what's going on with all this

93

00:04:20,469 --> 00:04:18,560

uh and again uh pretty light-hearted

94

00:04:23,030 --> 00:04:20,479

about it joked around a little bit

95

00:04:23,990 --> 00:04:23,040

said that uh dobbs is the guy he's going

96

00:04:25,590 --> 00:04:24,000

to listen to

97

00:04:27,270 --> 00:04:25,600

i kind of doubt that i think he was just

98

00:04:29,909 --> 00:04:27,280

joking around a little bit

99

00:04:31,670 --> 00:04:29,919

obviously but that so that was his

100

00:04:33,270 --> 00:04:31,680

comment there again pretty consistent

101  
00:04:35,510 --> 00:04:33,280  
with what he's been saying usually keeps

102  
00:04:38,070 --> 00:04:35,520  
it kind of light about the ufo subject

103  
00:04:39,030 --> 00:04:38,080  
without really denigrating it in any way

104  
00:04:41,270 --> 00:04:39,040  
shape or form

105  
00:04:43,270 --> 00:04:41,280  
so we kind of like that we don't know

106  
00:04:45,990 --> 00:04:43,280  
exactly what's going to happen

107  
00:04:48,710 --> 00:04:46,000  
over the next few months but we did have

108  
00:04:50,790 --> 00:04:48,720  
a very significant development to happen

109  
00:04:55,510 --> 00:04:50,800  
this past week and i want to go into

110  
00:05:00,469 --> 00:04:58,390  
this week the pentagon announced that uh

111  
00:05:02,710 --> 00:05:00,479  
deputy secretary of defense david

112  
00:05:06,150 --> 00:05:02,720  
norquist will help oversee the

113  
00:05:08,550 --> 00:05:06,160

uh ufo task force now uh

114

00:05:10,550 --> 00:05:08,560

this is not really a new task force as

115

00:05:13,749 --> 00:05:10,560

it was already mentioned in the

116

00:05:14,070 --> 00:05:13,759

senate intelligence committee's request

117

00:05:17,670 --> 00:05:14,080

for

118

00:05:19,909 --> 00:05:17,680

apparently uh norquist

119

00:05:21,830 --> 00:05:19,919

is the way i'm reading all this norquist

120

00:05:24,230 --> 00:05:21,840

is uh just being named to kind of

121

00:05:25,189 --> 00:05:24,240

oversee this task force that's already

122

00:05:27,510 --> 00:05:25,199

in existence

123

00:05:29,590 --> 00:05:27,520

so it's expected to be officially

124

00:05:31,990 --> 00:05:29,600

unveiled in the next few days so that

125

00:05:33,189 --> 00:05:32,000

that might come about this week we might

126

00:05:35,590 --> 00:05:33,199

get some more details

127

00:05:36,310 --> 00:05:35,600

in terms of what's actually going on but

128

00:05:41,029 --> 00:05:36,320

uh

129

00:05:42,950 --> 00:05:41,039

to look into what the pentagon dubs

130

00:05:46,230 --> 00:05:42,960

unidentified aerial phenomenon

131

00:05:46,870 --> 00:05:46,240

were led by the u.s navy as many of the

132

00:05:49,909 --> 00:05:46,880

document

133

00:05:51,670 --> 00:05:49,919

aircraft

134

00:05:53,909 --> 00:05:51,680

and then the next day there was a an

135

00:05:55,510 --> 00:05:53,919

official immediate release

136

00:05:57,590 --> 00:05:55,520

from the department of the defense

137

00:06:00,070 --> 00:05:57,600

department uh establishment

138

00:06:00,629 --> 00:06:00,080

of unidentified aerial phenomena task

139

00:06:03,110 --> 00:06:00,639

force

140

00:06:05,189 --> 00:06:03,120

again this is something that we know was

141

00:06:08,150 --> 00:06:05,199

already pre-existing

142

00:06:09,749 --> 00:06:08,160

but apparently norquist is being sort of

143

00:06:12,870 --> 00:06:09,759

added to the team to sort of

144

00:06:14,550 --> 00:06:12,880

uh oversee this and

145

00:06:17,350 --> 00:06:14,560

let's go to this let's take a closer

146

00:06:19,510 --> 00:06:17,360

look at david I norquist he is the

147

00:06:21,350 --> 00:06:19,520

united states deputy secretary of

148

00:06:22,629 --> 00:06:21,360

defense and he has an exceptionally

149

00:06:25,749 --> 00:06:22,639

interesting background

150

00:06:27,830 --> 00:06:25,759

now uh one

151

00:06:29,749 --> 00:06:27,840

a little uh sort of a family connection

152

00:06:31,110 --> 00:06:29,759

for this guy is he is the brother of

153

00:06:33,670 --> 00:06:31,120

grover norquist

154

00:06:35,029 --> 00:06:33,680

who is uh in conservative political

155

00:06:38,309 --> 00:06:35,039

circles here in the state

156

00:06:41,350 --> 00:06:38,319

a reasonably famous guy very much uh uh

157

00:06:41,990 --> 00:06:41,360

anti-tax uh keep government spending

158

00:06:44,469 --> 00:06:42,000

down

159

00:06:45,270 --> 00:06:44,479

uh very much a sort of a budget hawk

160

00:06:48,150 --> 00:06:45,280

politically

161

00:06:49,909 --> 00:06:48,160

uh has never seemed to be uh from the

162

00:06:53,430 --> 00:06:49,919

conservative side of things

163

00:06:56,390 --> 00:06:53,440

uh involving uh really supporting

164

00:06:57,510 --> 00:06:56,400

any kind of social conservatism uh which

165

00:07:00,469 --> 00:06:57,520

is uh

166

00:07:02,070 --> 00:07:00,479

sort of another wing of a conservative

167

00:07:03,909 --> 00:07:02,080

thought here in the states so

168

00:07:05,510 --> 00:07:03,919

uh sort of like uh the the religious

169

00:07:08,710 --> 00:07:05,520

right those types of folks

170

00:07:10,790 --> 00:07:08,720

he seems uh more at least uh

171

00:07:11,749 --> 00:07:10,800

grover does the brother does uh much

172

00:07:13,749 --> 00:07:11,759

more interested

173

00:07:15,029 --> 00:07:13,759

in the sort of the nuts and bolts the

174

00:07:17,270 --> 00:07:15,039

spending uh the

175

00:07:18,469 --> 00:07:17,280

the waste that sort of thing uh very

176

00:07:20,629 --> 00:07:18,479

much against that

177

00:07:21,990 --> 00:07:20,639

and uh david norquist seems to be cut

178

00:07:25,029 --> 00:07:22,000

from the same cloth too

179

00:07:25,830 --> 00:07:25,039

the reason why i think that is uh worth

180

00:07:28,390 --> 00:07:25,840

mentioning

181

00:07:30,710 --> 00:07:28,400

is that we have heard talk about this

182

00:07:32,469 --> 00:07:30,720

collins elite segment within the defense

183

00:07:35,270 --> 00:07:32,479

department within the pentagon

184

00:07:36,070 --> 00:07:35,280

uh very much uh right-wing religious

185

00:07:39,430 --> 00:07:36,080

types who

186

00:07:41,189 --> 00:07:39,440

uh have looked at the ufo phenomenon as

187

00:07:43,430 --> 00:07:41,199

a demonic in nature

188

00:07:44,710 --> 00:07:43,440

and uh have given at least the uh the

189

00:07:48,550 --> 00:07:44,720

the fellow who

190

00:07:49,110 --> 00:07:48,560

uh preceded uh lou elizondo on his job

191

00:07:52,790 --> 00:07:49,120

kind of a

192

00:07:55,029 --> 00:07:52,800

a rough ride out uh uh regarding uh

193

00:07:57,350 --> 00:07:55,039

his interest in the skinwalker ranch and

194

00:07:59,029 --> 00:07:57,360

so on so that doesn't seem to be playing

195

00:08:00,869 --> 00:07:59,039

into any of this this seems like a

196

00:08:03,350 --> 00:08:00,879

pretty straightforward

197

00:08:05,350 --> 00:08:03,360

as straightforward as politics and

198

00:08:06,790 --> 00:08:05,360

government can get but it seems like a

199

00:08:08,390 --> 00:08:06,800

pretty straightforward

200

00:08:10,390 --> 00:08:08,400

nuts and bolts uh let's take a look at

201  
00:08:12,469 --> 00:08:10,400  
this issue so let's take a little bit of

202  
00:08:14,390 --> 00:08:12,479  
a look at the resume of norquist

203  
00:08:16,469 --> 00:08:14,400  
he was the chief financial officer at

204  
00:08:19,909 --> 00:08:16,479  
the department of homeland security

205  
00:08:23,189 --> 00:08:19,919  
uh from uh mid-2006 to the end of 08.

206  
00:08:25,350 --> 00:08:23,199  
uh and that basically uh he had to uh

207  
00:08:27,430 --> 00:08:25,360  
leave that job over there he was a you

208  
00:08:29,510 --> 00:08:27,440  
know a republican guy so

209  
00:08:31,350 --> 00:08:29,520  
when obama came in there he was out over

210  
00:08:33,829 --> 00:08:31,360  
there at the homeland security

211  
00:08:34,469 --> 00:08:33,839  
i went back into the private sector and

212  
00:08:42,230 --> 00:08:34,479  
uh

213  
00:08:43,110 --> 00:08:42,240

secretary of defense were the

214

00:08:45,509 --> 00:08:43,120

comptroller

215

00:08:46,790 --> 00:08:45,519

uh as under secretary of defense chief

216

00:08:49,509 --> 00:08:46,800

financial officer

217

00:08:52,550 --> 00:08:49,519

he oversaw dod's first ever

218

00:08:55,110 --> 00:08:52,560

department-wide audit of 2.7 trillion in

219

00:08:57,590 --> 00:08:55,120

assets discovered the major flaws but no

220

00:09:00,550 --> 00:08:57,600

major cases of fraud or abuse

221

00:09:03,030 --> 00:09:00,560

again very much uh kind of a money guy

222

00:09:04,710 --> 00:09:03,040

an accountant basically by trade

223

00:09:06,870 --> 00:09:04,720

not necessarily a problem with that i'll

224

00:09:08,389 --> 00:09:06,880

get into that a little more detail about

225

00:09:10,389 --> 00:09:08,399

that as we finish up here

226

00:09:12,150 --> 00:09:10,399

and then norquist has pledged to shake

227

00:09:13,110 --> 00:09:12,160

up defense budget and place high

228

00:09:15,590 --> 00:09:13,120

priority

229

00:09:17,509 --> 00:09:15,600

on funding research and development of

230

00:09:20,070 --> 00:09:17,519

cutting-edge technologies like

231

00:09:21,350 --> 00:09:20,080

hypersonics and artificial intelligence

232

00:09:23,750 --> 00:09:21,360

so

233

00:09:25,509 --> 00:09:23,760

he's obviously uh not a scientist he's a

234

00:09:26,389 --> 00:09:25,519

he's sort of an accountant but uh he

235

00:09:30,710 --> 00:09:26,399

does see

236

00:09:32,470 --> 00:09:30,720

uh benefits to uh hypersonic technology

237

00:09:34,230 --> 00:09:32,480

and of course uh that's uh right up the

238

00:09:36,389 --> 00:09:34,240

alley of the ufo stuff

239

00:09:37,430 --> 00:09:36,399

and then of course with so much talk

240

00:09:39,829 --> 00:09:37,440

about uh

241

00:09:41,990 --> 00:09:39,839

unacknowledged special access programs

242

00:09:43,670 --> 00:09:42,000

and how much money is uh being spent on

243

00:09:45,430 --> 00:09:43,680

some of that stuff that uh

244

00:09:47,750 --> 00:09:45,440

that might also be of some interest to

245

00:09:51,030 --> 00:09:47,760

him so yeah he is an interesting guy

246

00:09:52,710 --> 00:09:51,040

i have seen comments that are sort of

247

00:09:54,790 --> 00:09:52,720

denigrating this particular move yeah

248

00:09:56,550 --> 00:09:54,800

he's just an accountant well

249

00:09:58,550 --> 00:09:56,560

again i i don't think that's a

250

00:10:01,430 --> 00:09:58,560

necessarily a big deal and i'll

251

00:10:03,110 --> 00:10:01,440

explain why uh basically nobody's an

252

00:10:05,269 --> 00:10:03,120

expert in every field and

253

00:10:07,110 --> 00:10:05,279

if you're you're the accountant uh you

254

00:10:07,670 --> 00:10:07,120

know and you happen to be overlooking

255

00:10:09,590 --> 00:10:07,680

this

256

00:10:12,069 --> 00:10:09,600

uh then you know you can go out now you

257

00:10:14,630 --> 00:10:12,079

can uh get science guys uh when the

258

00:10:15,509 --> 00:10:14,640

the under uh or the deputy secretary of

259

00:10:17,829 --> 00:10:15,519

defense uh

260

00:10:19,350 --> 00:10:17,839

asked you as a scientist hey uh what

261

00:10:20,710 --> 00:10:19,360

about this what about that well you know

262

00:10:23,350 --> 00:10:20,720

you're going to give them an answer

263

00:10:25,269 --> 00:10:23,360

and conversely if more of a science

264

00:10:27,750 --> 00:10:25,279

based guy is in the same position

265

00:10:28,710 --> 00:10:27,760

and he needs some back up on the numbers

266

00:10:30,710 --> 00:10:28,720

on the accounting

267

00:10:32,310 --> 00:10:30,720

you know you go out now you get yourself

268

00:10:34,630 --> 00:10:32,320

an accountant so i don't think

269

00:10:36,230 --> 00:10:34,640

that is necessarily a big deal and maybe

270

00:10:39,190 --> 00:10:36,240

a good thing because he does

271

00:10:39,910 --> 00:10:39,200

have these interests uh he is uh uh i

272

00:10:41,829 --> 00:10:39,920

would think

273

00:10:43,030 --> 00:10:41,839

it's safe to say he is a budget hawk and

274

00:10:46,710 --> 00:10:43,040

he is interested in

275

00:10:47,750 --> 00:10:46,720

hypersonics so he might well be a a very

276

00:10:50,230 --> 00:10:47,760

good choice and

277

00:10:51,030 --> 00:10:50,240

a very effective choice to oversee this

278

00:10:54,310 --> 00:10:51,040

uap

279

00:10:57,110 --> 00:10:54,320

task force now really important

280

00:10:58,310 --> 00:10:57,120

uh question here is why why do they feel

281

00:11:01,670 --> 00:10:58,320

the need

282

00:11:03,509 --> 00:11:01,680

to have somebody oversee this uh already

283

00:11:04,630 --> 00:11:03,519

existing task force and now there could

284

00:11:06,790 --> 00:11:04,640

be a few reasons

285

00:11:08,790 --> 00:11:06,800

uh one of them of course is somebody is

286

00:11:10,150 --> 00:11:08,800

very very interested and that somebody

287

00:11:13,509 --> 00:11:10,160

wants this to happen

288

00:11:15,110 --> 00:11:13,519

uh before i get into more detail on that

289

00:11:17,509 --> 00:11:15,120

i've seen some other comments made by

290

00:11:20,550 --> 00:11:17,519

some name researchers in the field that

291

00:11:22,949 --> 00:11:20,560

you don't know how government works well

292

00:11:24,710 --> 00:11:22,959

that that is a gross over simplification

293

00:11:26,870 --> 00:11:24,720

but uh one of the ways that

294

00:11:27,990 --> 00:11:26,880

government absolutely does work is

295

00:11:30,470 --> 00:11:28,000

because something

296

00:11:31,190 --> 00:11:30,480

happens because somebody in government

297

00:11:33,269 --> 00:11:31,200

wants it

298

00:11:34,710 --> 00:11:33,279

so there are only so many choices this

299

00:11:36,949 --> 00:11:34,720

guy only has so many uh

300

00:11:39,030 --> 00:11:36,959

so many bosses here basically he would

301

00:11:40,710 --> 00:11:39,040

answer to the secretary of defense

302

00:11:42,150 --> 00:11:40,720

and the president himself so there's

303

00:11:44,310 --> 00:11:42,160

only two people above him

304

00:11:45,990 --> 00:11:44,320

so you know who wants this does he want

305

00:11:46,550 --> 00:11:46,000

it is he interested enough in all this

306

00:11:48,550 --> 00:11:46,560

to say

307

00:11:49,590 --> 00:11:48,560

hey i want to oversee this thing he took

308

00:11:51,430 --> 00:11:49,600

the initiative and said

309

00:11:52,790 --> 00:11:51,440

i want a piece out of this well that

310

00:11:54,949 --> 00:11:52,800

could certainly be the case

311

00:11:57,030 --> 00:11:54,959

but if not only two people told him to

312

00:11:59,350 --> 00:11:57,040

do it uh and uh one is the

313

00:12:01,030 --> 00:11:59,360

the secretary of defense uh mike esper

314

00:12:01,750 --> 00:12:01,040

or the president of the united states

315

00:12:04,230 --> 00:12:01,760

himself

316

00:12:05,910 --> 00:12:04,240

donald trump uh another possibility

317

00:12:07,990 --> 00:12:05,920

would of course be

318

00:12:09,269 --> 00:12:08,000

the initiative on all this is coming

319

00:12:11,430 --> 00:12:09,279

from the navy

320

00:12:13,430 --> 00:12:11,440

we're getting nothing from the air force

321

00:12:15,030 --> 00:12:13,440

it could be somebody complained from the

322

00:12:16,870 --> 00:12:15,040

bottom up somebody's saying

323

00:12:18,629 --> 00:12:16,880

look the air force is not helping us at

324

00:12:21,590 --> 00:12:18,639

all they're dragging their feet

325

00:12:22,870 --> 00:12:21,600

these kind of things are uh historically

326

00:12:26,150 --> 00:12:22,880

known that there are these

327

00:12:28,949 --> 00:12:26,160

inner uh rivalries and difficulties and

328

00:12:30,310 --> 00:12:28,959

uh lines drawn and uh stove pipes

329

00:12:32,150 --> 00:12:30,320

developed where

330

00:12:33,750 --> 00:12:32,160

between the branches they just don't

331

00:12:35,509 --> 00:12:33,760

want to share information

332

00:12:37,350 --> 00:12:35,519

it could be that somebody in the navy

333

00:12:38,629 --> 00:12:37,360

who's looking at this and

334

00:12:40,389 --> 00:12:38,639

feeling that they're not getting the

335

00:12:41,110 --> 00:12:40,399

necessary cooperation from the air

336

00:12:43,269 --> 00:12:41,120

forces

337

00:12:44,470 --> 00:12:43,279

going upstairs and saying hey you know

338

00:12:45,829 --> 00:12:44,480

we need some help on this

339

00:12:48,069 --> 00:12:45,839

uh the air force isn't giving us

340

00:12:48,550 --> 00:12:48,079

anything that's certainly a possibility

341

00:12:51,509 --> 00:12:48,560

too

342

00:12:51,990 --> 00:12:51,519

so there are definitely a few

343

00:12:55,350 --> 00:12:52,000

interesting

344

00:12:57,110 --> 00:12:55,360

things in play in all this now uh

345

00:12:58,470 --> 00:12:57,120

a little bit more on norquist's

346

00:13:01,590 --> 00:12:58,480

background uh

347

00:13:02,389 --> 00:13:01,600

this is from a uh testimony before

348

00:13:05,430 --> 00:13:02,399

congress

349

00:13:07,350 --> 00:13:05,440

looking to shape up budget sharp eye on

350

00:13:09,269 --> 00:13:07,360

r d this is an older article

351  
00:13:11,750 --> 00:13:09,279  
norquist storing his testimony before a

352  
00:13:13,990 --> 00:13:11,760  
friendly senate armed services committee

353  
00:13:15,750 --> 00:13:14,000  
likely to fast-track his nomination

354  
00:13:17,990 --> 00:13:15,760  
reiterated the areas where the gap

355  
00:13:18,550 --> 00:13:18,000  
between the u.s and rivals china and

356  
00:13:21,110 --> 00:13:18,560  
russia

357  
00:13:22,710 --> 00:13:21,120  
is most notable including hypersonics

358  
00:13:24,790 --> 00:13:22,720  
artificial intelligence

359  
00:13:26,710 --> 00:13:24,800  
and cyber but there's a but one of the

360  
00:13:28,629 --> 00:13:26,720  
challenges that is facing the department

361  
00:13:30,550 --> 00:13:28,639  
even as we maintain readiness and the

362  
00:13:32,389 --> 00:13:30,560  
right force structure size

363  
00:13:34,389 --> 00:13:32,399

is to ensure that we are investing in

364

00:13:36,629 --> 00:13:34,399

those cutting cutting-edge technologies

365

00:13:37,750 --> 00:13:36,639

that not only are just advances to

366

00:13:39,829 --> 00:13:37,760

warfare

367

00:13:41,509 --> 00:13:39,839

but may change dramatically the way

368

00:13:43,670 --> 00:13:41,519

warfare is fought he said

369

00:13:45,269 --> 00:13:43,680

so this is a guy who does seem to have

370

00:13:45,670 --> 00:13:45,279

some interest in this he may have jumped

371

00:13:49,670 --> 00:13:45,680

in

372

00:13:52,150 --> 00:13:49,680

for sure

373

00:13:53,590 --> 00:13:52,160

but uh he's a guy who does seem to have

374

00:13:56,550 --> 00:13:53,600

uh some on the record

375

00:13:57,269 --> 00:13:56,560

interest in subjects that this uh ufo

376

00:14:00,629 --> 00:13:57,279

topic

377

00:14:02,710 --> 00:14:00,639

uh does sort of uh have some overlap

378

00:14:05,990 --> 00:14:02,720

with so there's all that okay

379

00:14:10,629 --> 00:14:09,110

one thing about norquist is that he is a

380

00:14:13,750 --> 00:14:10,639

political appointee

381

00:14:16,870 --> 00:14:13,760

and trump may not be in office uh come

382

00:14:19,910 --> 00:14:16,880

january of 2021 he may get voted out

383

00:14:21,269 --> 00:14:19,920

and if he does well uh then that means

384

00:14:23,990 --> 00:14:21,279

uh he goes

385

00:14:25,750 --> 00:14:24,000

he's gone so whatever interest whatever

386

00:14:28,710 --> 00:14:25,760

expertise he's developed

387

00:14:30,230 --> 00:14:28,720

uh that goes with him and uh there's

388

00:14:33,430 --> 00:14:30,240

going to be a new uh

389

00:14:35,269 --> 00:14:33,440

uh person in charge of this a new uh

390

00:14:36,470 --> 00:14:35,279

deputy secretary of defense who's going

391

00:14:38,790 --> 00:14:36,480

to be appointed by

392

00:14:40,310 --> 00:14:38,800

uh the the like the only person who

393

00:14:41,750 --> 00:14:40,320

really has a chance of beating trump and

394

00:14:44,310 --> 00:14:41,760

that's of course joe biden

395

00:14:45,110 --> 00:14:44,320

uh one little bit of a political news in

396

00:14:48,470 --> 00:14:45,120

the last week

397

00:14:50,870 --> 00:14:48,480

he did uh nominate uh uh paula or

398

00:14:52,550 --> 00:14:50,880

kamala harris i'm sorry i wasn't balaris

399

00:14:55,110 --> 00:14:52,560

uh kamala harris has his

400

00:14:57,110 --> 00:14:55,120

vice presidential nominee uh one

401  
00:14:59,750 --> 00:14:57,120  
interesting little thing about uh

402  
00:15:01,750 --> 00:14:59,760  
harris who's the senator from california

403  
00:15:03,829 --> 00:15:01,760  
is she is a member of the

404  
00:15:05,910 --> 00:15:03,839  
senate select committee on intelligence

405  
00:15:07,269 --> 00:15:05,920  
so obviously that the request for a

406  
00:15:10,710 --> 00:15:07,279  
report signed off on

407  
00:15:12,550 --> 00:15:10,720  
by rubio and likely also a catalyst

408  
00:15:14,470 --> 00:15:12,560  
behind that uh senator mark warner from

409  
00:15:15,590 --> 00:15:14,480  
virginia who's also up for re-election

410  
00:15:17,430 --> 00:15:15,600  
for his senate seat

411  
00:15:19,430 --> 00:15:17,440  
haven't seen any polls to see how he's

412  
00:15:20,710 --> 00:15:19,440  
doing but at least uh she's been briefed

413  
00:15:23,189 --> 00:15:20,720

she's in on all that

414

00:15:23,750 --> 00:15:23,199

and uh if there is a change in the oval

415

00:15:26,790 --> 00:15:23,760

office

416

00:15:29,269 --> 00:15:26,800

come november uh and uh then

417

00:15:31,030 --> 00:15:29,279

we we will see how that goes uh but uh

418

00:15:33,749 --> 00:15:31,040

it's looking right now as if

419

00:15:35,030 --> 00:15:33,759

we may have a few really interesting

420

00:15:37,509 --> 00:15:35,040

months ahead of us

421

00:15:38,790 --> 00:15:37,519

and uh uh we'll we will see what happens

422

00:15:41,509 --> 00:15:38,800

so that is really about oh

423

00:15:42,150 --> 00:15:41,519

one last thing one tool in the toolbox

424

00:15:43,829 --> 00:15:42,160

uh that

425

00:15:45,189 --> 00:15:43,839

all these people have in terms of

426

00:15:46,710 --> 00:15:45,199

getting to the truth all these people in

427

00:15:47,350 --> 00:15:46,720

government have in terms of getting to

428

00:15:50,230 --> 00:15:47,360

the truth

429

00:15:50,629 --> 00:15:50,240

uh there is some precedent for excuse me

430

00:15:58,069 --> 00:15:50,639

for

431

00:15:59,509 --> 00:15:58,079

it happened in the 1990s with the

432

00:16:02,470 --> 00:15:59,519

roswell report

433

00:16:03,030 --> 00:16:02,480

from the uh from the united states air

434

00:16:06,710 --> 00:16:03,040

force

435

00:16:09,509 --> 00:16:06,720

so it's basically on page 18

436

00:16:11,430 --> 00:16:09,519

and if you look at it team members all

437

00:16:13,110 --> 00:16:11,440

had the requisite security clearances

438

00:16:15,430 --> 00:16:13,120

for classified information

439

00:16:16,550 --> 00:16:15,440

and had the authority of the secretary

440

00:16:19,269 --> 00:16:16,560

of the air force

441

00:16:21,509 --> 00:16:19,279

to declassify any classified record they

442

00:16:23,749 --> 00:16:21,519

found that might be related to roswell

443

00:16:25,189 --> 00:16:23,759

so that kind of thing can be done if

444

00:16:26,629 --> 00:16:25,199

there are some stove pipes there that

445

00:16:27,590 --> 00:16:26,639

are sort of a squirreling away

446

00:16:29,590 --> 00:16:27,600

information

447

00:16:31,829 --> 00:16:29,600

uh somebody with enough authority can

448

00:16:33,430 --> 00:16:31,839

absolutely positively say hey

449

00:16:36,069 --> 00:16:33,440

we want to know about this we're waving

450

00:16:38,629 --> 00:16:36,079

security clearances uh we're waving

451  
00:16:40,550 --> 00:16:38,639  
we'll declassify information that we'll

452  
00:16:42,870 --> 00:16:40,560  
we'll do a number of things

453  
00:16:45,030 --> 00:16:42,880  
to get at the truth and uh maybe make it

454  
00:16:46,949 --> 00:16:45,040  
public we will see about all that

455  
00:16:48,790 --> 00:16:46,959  
so uh that is really about it a

456  
00:16:50,710 --> 00:16:48,800  
relatively short show today

457  
00:16:53,430 --> 00:16:50,720  
not a whole lot happened but i do think

458  
00:16:55,670 --> 00:16:53,440  
it's important and interesting to

459  
00:16:57,269 --> 00:16:55,680  
go through the the norquist appointment

460  
00:17:00,389 --> 00:16:57,279  
to oversee the task force

461  
00:17:00,870 --> 00:17:00,399  
uh that is something that uh i think is

462  
00:17:06,470 --> 00:17:00,880  
a

463  
00:17:08,630 --> 00:17:06,480

whole lot of time to

464

00:17:09,750 --> 00:17:08,640

to get much done uh we will see what

465

00:17:12,309 --> 00:17:09,760

happens with all that

466

00:17:13,510 --> 00:17:12,319

and uh we'll be back with you as soon as

467

00:17:14,870 --> 00:17:13,520

more comes up as soon as there's

468

00:17:17,189 --> 00:17:14,880

something else to talk about

469

00:17:17,990 --> 00:17:17,199

maybe uh the uh the formal announcement

470

00:17:20,309 --> 00:17:18,000

and some detail

471

00:17:21,189 --> 00:17:20,319

that's provided within that context

472

00:17:23,189 --> 00:17:21,199

maybe they'll

473

00:17:24,789 --> 00:17:23,199

actually take some questions on all this

474

00:17:25,429 --> 00:17:24,799

it would be nice to see it would be nice

475

00:17:28,870 --> 00:17:25,439

to see

476

00:17:31,029 --> 00:17:28,880

a deputy secretary uh of the defense uh

477

00:17:32,549 --> 00:17:31,039

standing up behind the podium

478

00:17:34,710 --> 00:17:32,559

in front of a press conference and

479

00:17:35,590 --> 00:17:34,720

getting some good solid questions about

480

00:17:38,549 --> 00:17:35,600

all this

481

00:17:40,630 --> 00:17:38,559

and if that happens well that will be uh

482

00:17:42,150 --> 00:17:40,640

quite interesting quite historic

483

00:17:43,510 --> 00:17:42,160

thank you very much and tune in next

484

00:17:45,350 --> 00:17:43,520

time sounds like somebody's doing some
