i guess that that means twice we'll have

42

00:02:25,270 --> 00:02:23,040

to ask tom about that in a bit

43

00:02:27,350 --> 00:02:25,280

44

00:02:28,390 --> 00:02:27,360

00:02:32,630 --> 00:02:30,720

tom has been fascinated by military and

47

00:02:34,150 --> 00:02:32,640

intelligence agencies interactions with

48

00:02:36,229 --> 00:02:34,160

the ufo public

he has undertaken a research study of

50

00:02:39,589 --> 00:02:37,280

the history of the

51  
00:02:41,830 --> 00:02:39,599  
mj12 controversy and intends to

52  
00:02:43,830 --> 00:02:41,840

54  
00:02:47,509 --> 00:02:45,200  
mj12 topic

56  
00:02:50,949 --> 00:02:49,840  
groups appearing on internet podcasts

57  
00:02:53,589 --> 00:02:50,959  
and radio shows

63  
00:03:04,869 --> 00:03:02,159

and the library of congress he recently

64

00:03:09,470 --> 00:03:04,879

published a paper titled mj12

65

00:03:15,190 --> 00:03:11,509

tomwitmoreblog.wordpress.com

66

00:03:16,949 --> 00:03:15,200

the uh first of all welcome to the show

67

00:03:18,149 --> 00:03:16,959

tom thank you so much for joining us

68

00:03:20,309 --> 00:03:18,159

again

69

00:03:21,990 --> 00:03:20,319

champ and frank thank you for having me

70

00:03:24,789 --> 00:03:22,000

today i'm glad to be here

71

00:03:25,190 --> 00:03:24,799

we appreciate your time i wanted to uh

72

00:03:28,789 --> 00:03:25,200

talk

73

00:03:30,710 --> 00:03:28,799

about something that took i

74

00:03:33,110 --> 00:03:30,720

i took a keen interest and that you took

75

00:03:34,710 --> 00:03:33,120

a lot of time and it was a lot of hard

76

00:03:36,229 --> 00:03:34,720

work putting together

77

00:03:37,830 --> 00:03:36,239

there's an article in particular we're

78

00:03:40,070 --> 00:03:37,840

going to discuss and

79

00:03:42,149 --> 00:03:40,080

focus on that you wrote on at 9 10 of

80

00:03:44,550 --> 00:03:42,159

this year it was titled mj 12 the

81

00:03:47,670 --> 00:03:44,560

counterintelligence angle

82

00:03:50,710 --> 00:03:47,680

could you please uh go over that article

83

00:03:57,270 --> 00:03:55,270

i was listening to a podcast i listened

84

00:03:59,429 --> 00:03:57,280

to a lot of podcasts and i try to keep

85

00:04:00,390 --> 00:03:59,439

up with what's going on in the ufo field

86

00:04:03,270 --> 00:04:00,400

of course

87

00:04:04,630 --> 00:04:03,280

but this particular podcast was an

88

00:04:08,710 --> 00:04:04,640

interview

89

00:04:11,990 --> 00:04:08,720

uh with with greg bishop and greg bishop

90

00:04:15,030 --> 00:04:12,000

uh has been a friend of bill bill moore

91

00:04:18,310 --> 00:04:15,040

for many years and in this uh

92

00:04:21,349 --> 00:04:18,320

interview greg bishop explained that

93

00:04:24,710 --> 00:04:21,359

apparently bill moore explained to him

94

00:04:26,390 --> 00:04:24,720

that the activities that bill moore who

95

00:04:29,030 --> 00:04:26,400

is a very prominent

96

00:04:31,110 --> 00:04:29,040

even brilliant ufo researcher during the

97

00:04:33,030 --> 00:04:31,120

80s and part of the 90s

98

00:04:34,870 --> 00:04:33,040

but that bill moore explained to him

99

00:04:37,909 --> 00:04:34,880

that he felt that

100

00:04:40,270 --> 00:04:37,919

he was being used

101  
00:04:43,030 --> 00:04:40,280  
as a source of information in a

102  
00:04:46,070 --> 00:04:43,040  
counter-intelligence operation

103  
00:04:50,310 --> 00:04:46,080  
specifically the thing that

104  
00:04:51,830 --> 00:04:50,320  
bill moore was involved in was a series

105  
00:04:53,670 --> 00:04:51,840  
of counter-measures

106  
00:04:55,590 --> 00:04:53,680  
against an individual by the name of

107  
00:04:59,430 --> 00:04:55,600  
paul benowitz

108  
00:05:01,830 --> 00:04:59,440  
now what bill moore did was he was

109  
00:05:02,870 --> 00:05:01,840  
interested in getting to the bottom of

110  
00:05:05,990 --> 00:05:02,880  
what the government

111  
00:05:09,430 --> 00:05:06,000  
knew about the ufo problem

112  
00:05:13,510 --> 00:05:09,440  
and at the time in the late 70s

113  
00:05:17,430 --> 00:05:13,520

ufo researchers had begun filing many

114

00:05:20,550 --> 00:05:17,440

freedom of information act requests

115

00:05:22,550 --> 00:05:20,560

and even a lawsuit had come up by

116

00:05:23,590 --> 00:05:22,560

peter gersten an attorney out of new

117

00:05:26,870 --> 00:05:23,600

york

118

00:05:29,990 --> 00:05:26,880

so as well bill

119

00:05:30,790 --> 00:05:30,000

moore had published his book the roswell

120

00:05:34,710 --> 00:05:30,800

incident

121

00:05:37,430 --> 00:05:34,720

in 1980 so in addition to that

122

00:05:37,990 --> 00:05:37,440

leonard stringfield had been publishing

123

00:05:41,350 --> 00:05:38,000

stories

124

00:05:43,350 --> 00:05:41,360

of crash saucers recovered ufos and

125

00:05:46,150 --> 00:05:43,360

alien bodies so

126  
00:05:46,629 --> 00:05:46,160  
what was happening was the ufo field was

127  
00:05:52,469 --> 00:05:46,639  
really

128  
00:05:53,270 --> 00:05:52,479  
researching the roswell incident bill

129  
00:05:55,749 --> 00:05:53,280  
moore

130  
00:05:56,710 --> 00:05:55,759  
and stanton friedman i think believed

131  
00:05:58,870 --> 00:05:56,720  
that it was

132  
00:05:59,990 --> 00:05:58,880  
possible that the government had

133  
00:06:02,870 --> 00:06:00,000  
recovered

134  
00:06:05,110 --> 00:06:02,880  
at least one ufo and alien bodies and

135  
00:06:07,430 --> 00:06:05,120  
maybe even a live alien

136  
00:06:09,110 --> 00:06:07,440  
so bill moore was in a frame of mind to

137  
00:06:11,749 --> 00:06:09,120  
get to the bottom of what the government

138  
00:06:13,430 --> 00:06:11,759

knew about ufos

139

00:06:14,790 --> 00:06:13,440

now the story goes that he was

140

00:06:18,150 --> 00:06:14,800

approached

141

00:06:21,909 --> 00:06:18,160

by uh one or more individuals

142

00:06:24,950 --> 00:06:21,919

to kind of make a deal he would inform

143

00:06:26,150 --> 00:06:24,960

on certain individuals and certain ufo

144

00:06:29,110 --> 00:06:26,160

groups

145

00:06:29,990 --> 00:06:29,120

and report back to his quote unquote

146

00:06:35,270 --> 00:06:30,000

controller

147

00:06:38,870 --> 00:06:35,280

would pass

148

00:06:39,270 --> 00:06:38,880

to him certain documents now they warned

149

00:06:42,150 --> 00:06:39,280

him

150

00:06:42,710 --> 00:06:42,160

that these documents might be partly

151  
00:06:45,909 --> 00:06:42,720  
true

152  
00:06:48,950 --> 00:06:45,919  
and partly false so through

153  
00:06:51,029 --> 00:06:48,960  
this whole sequence of events in the

154  
00:06:55,189 --> 00:06:51,039  
1980s

155  
00:06:59,029 --> 00:06:55,199  
bill moore did come across several

156  
00:07:02,390 --> 00:06:59,039  
so-called mj-12 related documents the

157  
00:07:04,390 --> 00:07:02,400  
so-called aquarius telex and the carter

158  
00:07:07,670 --> 00:07:04,400  
briefing document

159  
00:07:09,589 --> 00:07:07,680  
and then the uh the actual mj12

160  
00:07:10,230 --> 00:07:09,599  
documents the eisenhower briefing

161  
00:07:12,870 --> 00:07:10,240  
document

162  
00:07:14,710 --> 00:07:12,880  
and the truman force stall memo and the

163  
00:07:17,510 --> 00:07:14,720

color twining memo

164

00:07:21,189 --> 00:07:17,520

and while all this was going on this

165

00:07:23,830 --> 00:07:21,199

individual by the name of paul benowitz

166

00:07:25,510 --> 00:07:23,840

who was living right next to kirtland

167

00:07:27,749 --> 00:07:25,520

air force base

168

00:07:28,790 --> 00:07:27,759

was taking pictures he was taking

169

00:07:31,830 --> 00:07:28,800

photographs

170

00:07:34,550 --> 00:07:31,840

he was taking a movie film

171

00:07:35,350 --> 00:07:34,560

he was taking scientific measurements

172

00:07:38,469 --> 00:07:35,360

such as

173

00:07:41,749 --> 00:07:38,479

fluctuations in magnetic fields on

174

00:07:44,950 --> 00:07:41,759

kirtland air force base and he was

175

00:07:45,909 --> 00:07:44,960

maybe monitoring electronic signals well

176

00:07:49,589 --> 00:07:45,919

paul benowitz

177

00:07:51,990 --> 00:07:49,599

had become a very firm ufo believer

178

00:07:54,469 --> 00:07:52,000

he had gotten interested in the cattle

179

00:07:56,950 --> 00:07:54,479

mutilation problem in the 70s

180

00:07:58,150 --> 00:07:56,960

and there was a lot of cattle mutilation

181

00:07:59,909 --> 00:07:58,160

activity

182

00:08:02,629 --> 00:07:59,919

in the western united states and

183

00:08:06,070 --> 00:08:02,639

particularly in new mexico

184

00:08:07,270 --> 00:08:06,080

paul benowitz was associating with gabe

185

00:08:10,550 --> 00:08:07,280

valdez

186

00:08:13,909 --> 00:08:10,560

who was a state policeman for new mexico

187

00:08:18,550 --> 00:08:13,919

in the dulce archuleta mesa

188

00:08:20,710 --> 00:08:18,560

area so by the time that paul benowitz

189

00:08:22,790 --> 00:08:20,720

started thinking that he was seeing ufos

190

00:08:25,110 --> 00:08:22,800

on kirkland air force base

191

00:08:26,550 --> 00:08:25,120

and taking these measurements and photos

192

00:08:29,749 --> 00:08:26,560

etc etc

193

00:08:32,790 --> 00:08:29,759

he actually approached kirtland

194

00:08:35,909 --> 00:08:32,800

and he spoke with this mr

195

00:08:39,190 --> 00:08:35,919

or major edwards who was

196

00:08:41,829 --> 00:08:39,200

in charge of security at the time

197

00:08:43,829 --> 00:08:41,839

and he approached him well to make a

198

00:08:46,389 --> 00:08:43,839

long story short he ended up

199

00:08:47,590 --> 00:08:46,399

working with richard doty and richard

200

00:08:51,509 --> 00:08:47,600

doty was

201  
00:08:52,310 --> 00:08:51,519  
a special special agent for the air

202  
00:08:55,350 --> 00:08:52,320  
force office

203  
00:08:57,590 --> 00:08:55,360  
special investigations and richard dodie

204  
00:09:00,070 --> 00:08:57,600  
was one of the main contacts

205  
00:09:01,110 --> 00:09:00,080  
that bill moore was working with during

206  
00:09:04,949 --> 00:09:01,120  
this whole

207  
00:09:08,949 --> 00:09:04,959  
least

208  
00:09:12,310 --> 00:09:08,959  
one meeting with dodie and a person that

209  
00:09:13,030 --> 00:09:12,320  
bill moore uh codenamed falcon he had at

210  
00:09:16,150 --> 00:09:13,040  
least one

211  
00:09:19,590 --> 00:09:16,160  
meeting with them reporting back to them

212  
00:09:21,750 --> 00:09:19,600  
how how paul bennowitz was reacting

213  
00:09:23,030 --> 00:09:21,760

to the information that was being fed to

214

00:09:26,150 --> 00:09:23,040

him

215

00:09:28,470 --> 00:09:26,160

and it's it's it's the conventional

216

00:09:31,750 --> 00:09:28,480

wisdom in the ufo community

217

00:09:33,750 --> 00:09:31,760

that richard doty and company fed

218

00:09:37,030 --> 00:09:33,760

information to paul benowitz

219

00:09:39,670 --> 00:09:37,040

so that he became so obsessed

220

00:09:40,949 --> 00:09:39,680

with this idea that there were ufos and

221

00:09:45,430 --> 00:09:40,959

aliens

222

00:09:48,630 --> 00:09:45,440

abducting people

223

00:09:49,670 --> 00:09:48,640

uh that paul benowitz eventually reached

224

00:09:52,310 --> 00:09:49,680

the point

225

00:09:53,670 --> 00:09:52,320

to where he had a complete nervous

226

00:09:57,910 --> 00:09:53,680

collapse

227

00:10:00,310 --> 00:09:57,920

and the conventional

228

00:10:02,069 --> 00:10:00,320

wisdom in the ufo community is it's all

229

00:10:05,829 --> 00:10:02,079

richard dodie's fault

230

00:10:08,389 --> 00:10:05,839

now the the reason why i gave such a

231

00:10:10,470 --> 00:10:08,399

long explanation about all this is that

232

00:10:14,069 --> 00:10:10,480

richard dodie has said

233

00:10:16,389 --> 00:10:14,079

and greg bishop said in his interview

234

00:10:18,509 --> 00:10:16,399

that all of this that was going on was

235

00:10:21,110 --> 00:10:18,519

really part of a much larger

236

00:10:22,150 --> 00:10:21,120

counterintelligence effort by the us

237

00:10:25,990 --> 00:10:22,160

government

238

00:10:29,110 --> 00:10:26,000

and the idea being how many spies

239

00:10:32,150 --> 00:10:29,120

particularly soviet spies or agents

240

00:10:34,790 --> 00:10:32,160

are there actually in the united states

241

00:10:35,670 --> 00:10:34,800

and i think that bill moore has hinted

242

00:10:37,990 --> 00:10:35,680

that

243

00:10:40,470 --> 00:10:38,000

what he was involved in was part of a

244

00:10:42,949 --> 00:10:40,480

larger counterintelligence effort

245

00:10:44,470 --> 00:10:42,959

and what i pointed out in my papers yeah

246

00:10:47,269 --> 00:10:44,480

and frank was the

247

00:10:49,190 --> 00:10:47,279

if you look at the whole situation the

248

00:10:52,069 --> 00:10:49,200

aerospace industry

249

00:10:53,829 --> 00:10:52,079

the military the scientific community

250

00:10:56,150 --> 00:10:53,839

the government contractors

251  
00:10:58,389 --> 00:10:56,160  
there's a whole lot of there are a whole

252  
00:11:02,710 --> 00:10:58,399  
lot of opportunities

253  
00:11:04,150 --> 00:11:02,720  
for uh the soviets to possibly makes uh

254  
00:11:06,949 --> 00:11:04,160  
you know penetrate

255  
00:11:07,670 --> 00:11:06,959  
these organizations yeah so uh a couple

256  
00:11:10,870 --> 00:11:07,680  
things

257  
00:11:13,590 --> 00:11:10,880  
number one

258  
00:11:14,310 --> 00:11:13,600  
if what moore is saying is accurate and

259  
00:11:17,030 --> 00:11:14,320  
that

260  
00:11:18,150 --> 00:11:17,040  
uh this whole effort is uh counter intel

261  
00:11:21,030 --> 00:11:18,160  
uh doesn't it uh

262  
00:11:23,190 --> 00:11:21,040  
uh pretty well expose any majestic 12

263  
00:11:26,829 --> 00:11:23,200

documents as being part of that effort

264

00:11:27,990 --> 00:11:26,839

and therefore uh just being essentially

265

00:11:30,790 --> 00:11:28,000

fiction

266

00:11:32,710 --> 00:11:30,800

why i titled it mj 12 the counter

267

00:11:35,910 --> 00:11:32,720

intelligence angle because

268

00:11:38,470 --> 00:11:35,920

i think that these documents uh

269

00:11:39,670 --> 00:11:38,480

there may be a grain of truth in some of

270

00:11:42,550 --> 00:11:39,680

them

271

00:11:43,110 --> 00:11:42,560

and whether the documents are phony and

272

00:11:46,230 --> 00:11:43,120

whether

273

00:11:47,030 --> 00:11:46,240

mj 12 or something like it existed or

274

00:11:50,310 --> 00:11:47,040

exists

275

00:11:53,670 --> 00:11:50,320

are really two different issues then i

276

00:11:54,710 --> 00:11:53,680

but uh craig bishop left me with the

277

00:11:57,110 --> 00:11:54,720

impression and i think

278

00:11:58,230 --> 00:11:57,120

he left the audience with the impression

279

00:12:00,629 --> 00:11:58,240

that bill moore

280

00:12:02,150 --> 00:12:00,639

after investigating all of this

281

00:12:03,110 --> 00:12:02,160

information that he found on these

282

00:12:04,870 --> 00:12:03,120

documents

283

00:12:07,910 --> 00:12:04,880

eventually came to the conclusion that

284

00:12:10,310 --> 00:12:07,920

most of it was not useful

285

00:12:12,310 --> 00:12:10,320

okay and now yeah and again uh just uh

286

00:12:14,710 --> 00:12:12,320

uh additionally following up

287

00:12:16,069 --> 00:12:14,720

uh what evidence exists other than uh

288

00:12:18,710 --> 00:12:16,079

the claims of more

289

00:12:22,069 --> 00:12:18,720

uh that the effort is in fact uh

290

00:12:25,829 --> 00:12:24,230

well that evidence exists yeah i mean

291

00:12:27,750 --> 00:12:25,839

other than his claiming it and now he

292

00:12:30,629 --> 00:12:27,760

came to that conclusion

293

00:12:31,110 --> 00:12:30,639

richard doty in in many interviews and i

294

00:12:33,509 --> 00:12:31,120

i've

295

00:12:35,269 --> 00:12:33,519

taken notes on at least 13 interviews

296

00:12:38,710 --> 00:12:35,279

that richard dodie has given

297

00:12:40,629 --> 00:12:38,720

on in various uh capacities on the

298

00:12:41,829 --> 00:12:40,639

internet and so on and so forth but he

299

00:12:45,190 --> 00:12:41,839

has repeatedly

300

00:12:45,670 --> 00:12:45,200

stated that the uh paul benowitz affair

301  
00:12:47,990 --> 00:12:45,680  
was

302  
00:12:50,069 --> 00:12:48,000  
part of a larger counter intelligence

303  
00:12:52,949 --> 00:12:50,079  
operation

304  
00:12:53,350 --> 00:12:52,959  
now again uh what the evidence does he

305  
00:12:56,230 --> 00:12:53,360  
have

306  
00:12:57,829 --> 00:12:56,240  
that it was part of a larger operation

307  
00:12:59,829 --> 00:12:57,839  
and it wasn't just the fact that

308  
00:13:01,430 --> 00:12:59,839  
dodie happened to be working at kirtland

309  
00:13:04,310 --> 00:13:01,440  
he was a uh counter

310  
00:13:05,750 --> 00:13:04,320  
intel uh fosee guy uh benedicts happened

311  
00:13:07,430 --> 00:13:05,760  
to live across the street

312  
00:13:08,790 --> 00:13:07,440  
and that it wasn't something just larger

313  
00:13:10,069 --> 00:13:08,800

it was just

314

00:13:11,509 --> 00:13:10,079

something that popped up in their

315

00:13:12,949 --> 00:13:11,519

neighborhood and they had to deal with

316

00:13:14,949 --> 00:13:12,959

it and it didn't go any further than

317

00:13:16,949 --> 00:13:14,959

that

318

00:13:18,829 --> 00:13:16,959

well one of the clues and i mentioned

319

00:13:23,829 --> 00:13:18,839

this in my paper

320

00:13:27,910 --> 00:13:23,839

but ron pandolfi who was a cia

321

00:13:31,150 --> 00:13:27,920

employee told bruce mcabee

322

00:13:33,110 --> 00:13:31,160

a well-known ufo researcher that in the

323

00:13:36,310 --> 00:13:33,120

1970s

324

00:13:39,509 --> 00:13:36,320

the cia was concerned that the soviets

325

00:13:41,030 --> 00:13:39,519

might be trying to exploit ufo

326

00:13:44,389 --> 00:13:41,040

enthusiasts

327

00:13:47,189 --> 00:13:44,399

to get certain information and that

328

00:13:49,030 --> 00:13:47,199

is not just a rumor because that is

329

00:13:52,069 --> 00:13:49,040

actually mentioned

330

00:13:53,269 --> 00:13:52,079

in a history of the cia and ufos that

331

00:13:56,470 --> 00:13:53,279

you can get off

332

00:13:58,069 --> 00:13:56,480

the internet that was written by richard

333

00:14:01,590 --> 00:13:58,079

haynes who is a

334

00:14:03,750 --> 00:14:01,600

national reconnaissance office historian

335

00:14:05,670 --> 00:14:03,760

so those are two clues right there that

336

00:14:08,470 --> 00:14:05,680

there there was concern about that

337

00:14:09,910 --> 00:14:08,480

yes he also worked for nasa i wanted to

338

00:14:12,629 --> 00:14:09,920

go over some of the

339

00:14:14,310 --> 00:14:12,639

names that you've mentioned and i'm just

340

00:14:16,069 --> 00:14:14,320

going to give our listeners a little bit

341

00:14:18,790 --> 00:14:16,079

of background information regarding

342

00:14:20,870 --> 00:14:18,800

some of the uh folks that you have

343

00:14:23,829 --> 00:14:20,880

injected into the topic here

344

00:14:24,150 --> 00:14:23,839

uh paul benowitz uh there was a little

345

00:14:27,509 --> 00:14:24,160

bit

346

00:14:28,150 --> 00:14:27,519

of a blurb written by greg bishop for

347

00:14:31,670 --> 00:14:28,160

his book

348

00:14:34,629 --> 00:14:31,680

titled project beta and uh it goes like

349

00:14:37,030 --> 00:14:34,639

this in 1978 paul benowitz an electrical

350

00:14:39,110 --> 00:14:37,040

physicist living in albuquerque new

351  
00:14:41,030 --> 00:14:39,120  
mexico became convinced that the strange

352  
00:14:42,389 --> 00:14:41,040  
lights he saw hovering in the night sky

353  
00:14:44,310 --> 00:14:42,399  
were extraterrestrial

354  
00:14:45,910 --> 00:14:44,320  
he reached out to newspapers senators

355  
00:14:46,790 --> 00:14:45,920  
and even the president before anyone

356  
00:14:48,389 --> 00:14:46,800  
responded

357  
00:14:50,389 --> 00:14:48,399  
air force investigators listened to a

358  
00:14:52,069 --> 00:14:50,399  
story as did bill moore the author of

359  
00:14:54,629 --> 00:14:52,079  
the first book of the

360  
00:14:55,509 --> 00:14:54,639  
on the infinite infamous roswell ufo

361  
00:14:57,590 --> 00:14:55,519  
incident

362  
00:14:59,430 --> 00:14:57,600  
unbeknownst to bennewitzmore was hired

363  
00:14:59,829 --> 00:14:59,440

by a group of intelligence agents to

364

00:15:02,310 --> 00:14:59,839

keep

365

00:15:03,750 --> 00:15:02,320

tabs on benowitz while the air force ran

366

00:15:05,590 --> 00:15:03,760

a psychological profile and

367

00:15:08,310 --> 00:15:05,600

disinformation campaign

368

00:15:10,389 --> 00:15:08,320

on the unsuspecting physicist in return

369

00:15:13,030 --> 00:15:10,399

air force intelligence would let more

370

00:15:13,750 --> 00:15:13,040

in on classified ufo material moving

371

00:15:17,269 --> 00:15:13,760

along

372

00:15:19,030 --> 00:15:17,279

we also have rick doty

373

00:15:21,910 --> 00:15:19,040

rick doty according to his linkedin

374

00:15:25,030 --> 00:15:21,920

profile we have here he says

375

00:15:26,470 --> 00:15:25,040

state sergeant with the new mexico state

376

00:15:28,949 --> 00:15:26,480

police and

377

00:15:30,389 --> 00:15:28,959

that was for 22 years and six months

378

00:15:33,990 --> 00:15:30,399

regarding his having been

379

00:15:37,670 --> 00:15:34,000

a staff sergeant um then as far as the

380

00:15:40,790 --> 00:15:37,680

new mexico police that goes back to

381

00:15:43,430 --> 00:15:40,800

1988 but i think that he served longer

382

00:15:45,189 --> 00:15:43,440

for the new mexico state police for i

383

00:15:45,670 --> 00:15:45,199

think it was 26 years and seven months

384

00:15:47,829 --> 00:15:45,680

because

385

00:15:50,230 --> 00:15:47,839

he wasn't sergeant for the entire time

386

00:15:52,629 --> 00:15:50,240

and then he was also a combat controller

387

00:15:55,430 --> 00:15:52,639

for the united states air force employed

388

00:15:57,350 --> 00:15:55,440

from 1977 to a 79

389

00:15:58,470 --> 00:15:57,360

and that was in mccord air force base

390

00:16:01,350 --> 00:15:58,480

washington

391

00:16:02,550 --> 00:16:01,360

and then also i think you also mentioned

392

00:16:03,670 --> 00:16:02,560

bill moore i'll go ahead and read a

393

00:16:06,629 --> 00:16:03,680

little bit on him

394

00:16:08,310 --> 00:16:06,639

william leonard moore born in 1943 as an

395

00:16:09,430 --> 00:16:08,320

author and former ufo researcher

396

00:16:12,470 --> 00:16:09,440

prominent from the late

397

00:16:13,990 --> 00:16:12,480

1970s to the late 80s he co-authored two

398

00:16:15,829 --> 00:16:14,000

books as you know tom

399

00:16:17,350 --> 00:16:15,839

with uh charles berlitz including the

400

00:16:20,069 --> 00:16:17,360

roswell incident

401  
00:16:22,230 --> 00:16:20,079  
and that was from wikipedia and then we

402  
00:16:23,030 --> 00:16:22,240  
also have you follow just jamie chandera

403  
00:16:25,430 --> 00:16:23,040  
which you will

404  
00:16:26,710 --> 00:16:25,440  
hopefully touch on that topic if you so

405  
00:16:28,790 --> 00:16:26,720  
desire later on

406  
00:16:31,030 --> 00:16:28,800  
and we also had uh bruce mcabee you

407  
00:16:33,749 --> 00:16:31,040  
mentioned and he was

408  
00:16:35,030 --> 00:16:33,759  
he is he was born in 42 and is an

409  
00:16:37,430 --> 00:16:35,040  
optical optical

410  
00:16:39,430 --> 00:16:37,440  
american optical physicist formerly

411  
00:16:41,030 --> 00:16:39,440  
employed by the us navy and a leading

412  
00:16:43,670 --> 00:16:41,040  
ufologist

413  
00:16:45,269 --> 00:16:43,680

and then peter gershtin last person i'm

414

00:16:47,030 --> 00:16:45,279

going to mention for right now

415

00:16:49,110 --> 00:16:47,040

i will mention a few more later on in

416

00:16:52,389 --> 00:16:49,120

the podcast and that is

417

00:16:53,030 --> 00:16:52,399

he's an attorney he's was well known for

418

00:16:55,990 --> 00:16:53,040

having

419

00:16:56,870 --> 00:16:56,000

uh been director of citizens against ufo

420

00:16:58,949 --> 00:16:56,880

secrecy as you

421

00:16:59,990 --> 00:16:58,959

stated before which is cause that's the

422

00:17:02,150 --> 00:17:00,000

acronym for it

423

00:17:04,789 --> 00:17:02,160

which is a non-profit organization

424

00:17:08,069 --> 00:17:04,799

founded in 77 the headquarters were

425

00:17:10,069 --> 00:17:08,079

scottsdale arizona and uh it's a freedom

426

00:17:12,230 --> 00:17:10,079

citizens against ufo secrecy is a

427

00:17:13,829 --> 00:17:12,240

freedom of information activist group

428

00:17:16,309 --> 00:17:13,839

that advocates for the release of

429

00:17:18,789 --> 00:17:16,319

classified information regarding ufos

430

00:17:21,110 --> 00:17:18,799

um so that's just a little bit of

431

00:17:23,270 --> 00:17:21,120

background regarding that topic

432

00:17:24,630 --> 00:17:23,280

and i just want to jump in here a little

433

00:17:28,150 --> 00:17:24,640

bit more on dodie i mean

434

00:17:30,789 --> 00:17:28,160

we've also seen dodie uh recently on

435

00:17:31,510 --> 00:17:30,799

a national uh cable television show

436

00:17:33,470 --> 00:17:31,520

claim that

437

00:17:35,830 --> 00:17:33,480

the u.s government knows that the

438

00:17:36,470 --> 00:17:35,840

extraterrestrials are from zeta reticuli

439

00:17:39,190 --> 00:17:36,480

as well

440

00:17:40,390 --> 00:17:39,200

so he said a lot of things and i know

441

00:17:43,190 --> 00:17:40,400

you know this tom and

442

00:17:44,950 --> 00:17:43,200

ron pandolf he has as well with his uh

443

00:17:47,669 --> 00:17:44,960

with his princess and his uh

444

00:17:48,390 --> 00:17:47,679

portals and some of those other claims

445

00:17:51,830 --> 00:17:48,400

uh

446

00:17:55,270 --> 00:17:51,840

the kind of

447

00:17:56,950 --> 00:17:55,280

wild claims that uh doty has made and uh

448

00:17:59,430 --> 00:17:56,960

pandolfe is made too

449

00:18:00,789 --> 00:17:59,440

with some of the other maybe more

450

00:18:02,950 --> 00:18:00,799

grounded things

451  
00:18:04,230 --> 00:18:02,960  
that they've had to say but those things

452  
00:18:06,870 --> 00:18:04,240  
don't necessarily

453  
00:18:09,510 --> 00:18:06,880  
uh aren't necessarily backed up by

454  
00:18:12,310 --> 00:18:09,520  
anything other than they're saying it

455  
00:18:14,630 --> 00:18:12,320  
yes and that's but even for more

456  
00:18:17,430 --> 00:18:14,640  
conventional things frank like

457  
00:18:19,669 --> 00:18:17,440  
certain counter intelligence activities

458  
00:18:21,669 --> 00:18:19,679  
or counter measures

459  
00:18:23,270 --> 00:18:21,679  
it's it's unlikely that we can get to

460  
00:18:25,190 --> 00:18:23,280  
the root of that because

461  
00:18:27,430 --> 00:18:25,200  
all that information is likely going to

462  
00:18:30,870 --> 00:18:27,440  
be classified anyway

463  
00:18:33,190 --> 00:18:30,880

but richard doty has repeatedly stated

464

00:18:33,990 --> 00:18:33,200

in in a number of interviews and i've

465

00:18:37,110 --> 00:18:34,000

taken

466

00:18:40,710 --> 00:18:37,120

copious notes that he was br

467

00:18:43,430 --> 00:18:40,720

he received a briefing in 1979

468

00:18:44,789 --> 00:18:43,440

he had been certified as an afosi

469

00:18:47,190 --> 00:18:44,799

special agent

470

00:18:49,350 --> 00:18:47,200

and he's claimed he claims that a

471

00:18:52,549 --> 00:18:49,360

colonel flew down from washington

472

00:18:55,909 --> 00:18:52,559

i believe this is in the summer of 1979

473

00:18:58,470 --> 00:18:55,919

and briefed him and upwards of maybe

474

00:19:01,510 --> 00:18:58,480

five to ten other people in the room

475

00:19:02,710 --> 00:19:01,520

and they showed a film of the roswell

476  
00:19:05,750 --> 00:19:02,720  
recovery

477  
00:19:09,029 --> 00:19:05,760  
uh you know uh perhaps the

478  
00:19:11,590 --> 00:19:09,039  
uh bodies that were covered

479  
00:19:12,470 --> 00:19:11,600  
they showed that him they showed them

480  
00:19:15,590 --> 00:19:12,480  
photographs

481  
00:19:18,870 --> 00:19:15,600  
and film really substantive

482  
00:19:20,789 --> 00:19:18,880  
evidence of ufos in action showed them

483  
00:19:22,549 --> 00:19:20,799  
photographs of these very strange

484  
00:19:24,710 --> 00:19:22,559  
looking aliens

485  
00:19:26,710 --> 00:19:24,720  
and the way that richard dodie tells it

486  
00:19:29,590 --> 00:19:26,720  
was he he said he after he

487  
00:19:31,190 --> 00:19:29,600  
went through that he was driving home

488  
00:19:32,390 --> 00:19:31,200

and he had to pull over by the side of

489

00:19:35,830 --> 00:19:32,400

the road

490

00:19:37,029 --> 00:19:35,840

and he the he said that the people of

491

00:19:38,870 --> 00:19:37,039

the briefing

492

00:19:40,310 --> 00:19:38,880

we're asking the colonel is this some

493

00:19:42,870 --> 00:19:40,320

kind of a setup

494

00:19:43,990 --> 00:19:42,880

you know is this phony and and the

495

00:19:46,549 --> 00:19:44,000

colonel assured them

496

00:19:48,230 --> 00:19:46,559

that it's that it was true so i mean

497

00:19:49,270 --> 00:19:48,240

that's the story that richard dodie

498

00:19:52,549 --> 00:19:49,280

tells

499

00:19:55,029 --> 00:19:52,559

and there is no way i we can file

500

00:19:56,150 --> 00:19:55,039

foias until we're blue in the face and

501  
00:19:58,630 --> 00:19:56,160  
no way are they gonna

502  
00:19:59,990 --> 00:19:58,640  
if it is true are they ever gonna admit

503  
00:20:02,070 --> 00:20:00,000  
that

504  
00:20:04,310 --> 00:20:02,080  
and again uh just to jump in really

505  
00:20:04,870 --> 00:20:04,320  
quick uh i don't know how closely you

506  
00:20:07,270 --> 00:20:04,880  
followed

507  
00:20:08,070 --> 00:20:07,280  
the bob lazar story but a lot of the

508  
00:20:11,430 --> 00:20:08,080  
things that

509  
00:20:14,310 --> 00:20:11,440  
dodie has said and stated as being true

510  
00:20:16,070 --> 00:20:14,320  
lazar said he was briefed while he was

511  
00:20:18,390 --> 00:20:16,080  
working at area 51

512  
00:20:20,310 --> 00:20:18,400  
and was told a lot of the same things

513  
00:20:22,390 --> 00:20:20,320

have you looked into his story at all

514

00:20:23,830 --> 00:20:22,400

and uh do you think it's uh uh uh what

515

00:20:26,470 --> 00:20:23,840

he's had to say is a dis

516

00:20:27,669 --> 00:20:26,480

info counter intel that type of thing uh

517

00:20:29,270 --> 00:20:27,679

where

518

00:20:30,870 --> 00:20:29,280

how do you fit him into all this if you

519

00:20:32,950 --> 00:20:30,880

do it all

520

00:20:35,029 --> 00:20:32,960

well i don't know what to make of him

521

00:20:38,310 --> 00:20:35,039

and i'm reluctant to take

522

00:20:41,830 --> 00:20:38,320

a hard line on bob lazar now

523

00:20:44,710 --> 00:20:41,840

dodie has claimed that he

524

00:20:47,029 --> 00:20:44,720

worked at so-called area 51 on a couple

525

00:20:49,350 --> 00:20:47,039

of different occasions

526  
00:20:50,149 --> 00:20:49,360  
in a counter intelligence capacity and

527  
00:20:53,669 --> 00:20:50,159  
he's

528  
00:20:56,630 --> 00:20:53,679  
said dodie has said that he was not

529  
00:20:57,029 --> 00:20:56,640  
cleared to go anywhere except for maybe

530  
00:21:01,270 --> 00:20:57,039  
the

531  
00:21:04,470 --> 00:21:01,280  
that bob lazar

532  
00:21:06,950 --> 00:21:04,480  
worked further underground there so he

533  
00:21:07,590 --> 00:21:06,960  
he got a little bit specific about that

534  
00:21:10,950 --> 00:21:07,600  
now

535  
00:21:13,990 --> 00:21:10,960  
the problem with bob lazar is he he

536  
00:21:16,630 --> 00:21:14,000  
he doesn't really fit the mold of a some

537  
00:21:19,909 --> 00:21:16,640  
really top-rated physicist

538  
00:21:21,909 --> 00:21:19,919

and his uh academic background

539

00:21:25,430 --> 00:21:21,919

were unable to verify that stanton

540

00:21:26,710 --> 00:21:25,440

freeman went through all of that so that

541

00:21:30,390 --> 00:21:26,720

i would take it further than that and

542

00:21:32,870 --> 00:21:30,400

say he lied about that okay well i

543

00:21:33,909 --> 00:21:32,880

but i i i'm reluctant to take a hard

544

00:21:36,230 --> 00:21:33,919

line because

545

00:21:37,190 --> 00:21:36,240

we can't it's so difficult to get to the

546

00:21:40,230 --> 00:21:37,200

root

547

00:21:42,549 --> 00:21:40,240

information on on these claims and

548

00:21:45,190 --> 00:21:42,559

there have been a whole series of claims

549

00:21:47,830 --> 00:21:45,200

over many years

550

00:21:49,110 --> 00:21:47,840

okay tom i had a a question i wanted to

551  
00:21:50,149 --> 00:21:49,120  
ask you first i'm going to go ahead and

552  
00:21:52,549 --> 00:21:50,159  
read a quote

553  
00:21:55,190 --> 00:21:52,559  
an excerpt from your article that you

554  
00:21:55,750 --> 00:21:55,200  
wrote on the mj12 topic on 9 10 of this

555  
00:21:57,350 --> 00:21:55,760  
year

556  
00:22:00,310 --> 00:21:57,360  
i'm going to go ahead and break begin

557  
00:22:04,149 --> 00:22:02,549  
the period of the 80s were just the

558  
00:22:06,549 --> 00:22:04,159  
beginning of a pattern of question

559  
00:22:09,430 --> 00:22:06,559  
documents and claims appearing from

560  
00:22:11,430 --> 00:22:09,440  
through 2017 although a discussion of

561  
00:22:12,390 --> 00:22:11,440  
these items is beyond the scope of this

562  
00:22:14,549 --> 00:22:12,400  
paper

563  
00:22:16,310 --> 00:22:14,559

we are left with the question if the

564

00:22:19,029 --> 00:22:16,320

original mj12

565

00:22:19,990 --> 00:22:19,039

set were related to counterintelligence

566

00:22:22,070 --> 00:22:20,000

efforts

567

00:22:23,510 --> 00:22:22,080

are the same techniques being used up to

568

00:22:25,270 --> 00:22:23,520

the present day

569

00:22:26,630 --> 00:22:25,280

we are reminded of the game's

570

00:22:31,110 --> 00:22:26,640

intelligence

571

00:22:33,590 --> 00:22:31,120

agencies play in the following reference

572

00:22:35,110 --> 00:22:33,600

for example the published stories about

573

00:22:37,510 --> 00:22:35,120

our star wars program

574

00:22:39,190 --> 00:22:37,520

were replete with misinformation and

575

00:22:40,549 --> 00:22:39,200

forced the russians to expose their

576

00:22:42,710 --> 00:22:40,559

sleeper agents

577

00:22:44,310 --> 00:22:42,720

inside the american government by

578

00:22:44,950 --> 00:22:44,320

ordering them to make a desperate

579

00:22:47,909 --> 00:22:44,960

attempt

580

00:22:48,789 --> 00:22:47,919

to find out what the us was doing but we

581

00:22:51,350 --> 00:22:48,799

could not risk

582

00:22:53,350 --> 00:22:51,360

exposure of the administration's role

583

00:22:54,390 --> 00:22:53,360

and take the chance of another mccarthy

584

00:22:57,830 --> 00:22:54,400

period

585

00:22:59,750 --> 00:22:57,840

so there were no prosecutions we dried

586

00:23:02,149 --> 00:22:59,760

up and eliminated their access and left

587

00:23:04,870 --> 00:23:02,159

the spies withering on the vine

588

00:23:06,470 --> 00:23:04,880

nobody on the joint chiefs of staff ever

589

00:23:07,110 --> 00:23:06,480

believed we were going to build star

590

00:23:08,950 --> 00:23:07,120

wars

591

00:23:10,950 --> 00:23:08,960

but if we could convince the russians

592

00:23:14,149 --> 00:23:10,960

that we could survive a first strike

593

00:23:15,990 --> 00:23:14,159

we win the game ufo researchers like to

594

00:23:17,510 --> 00:23:16,000

think that they are being watched

595

00:23:19,909 --> 00:23:17,520

although they may have grounds to

596

00:23:21,750 --> 00:23:19,919

suspect such the reasons may be

597

00:23:24,470 --> 00:23:21,760

completely different from what they want

598

00:23:29,750 --> 00:23:27,270

you said you said a lot there did you

599

00:23:32,950 --> 00:23:29,760

want to talk about that a little bit

600

00:23:34,149 --> 00:23:32,960

well we've had it when when the mj-12

601  
00:23:36,710 --> 00:23:34,159  
documents

602  
00:23:38,630 --> 00:23:36,720  
started coming out in the 1980s it

603  
00:23:41,430 --> 00:23:38,640  
didn't stop there

604  
00:23:43,350 --> 00:23:41,440  
we also had the bob lazar claims that

605  
00:23:47,350 --> 00:23:43,360  
frank just mentioned

606  
00:23:50,470 --> 00:23:47,360  
we had a document mailed to don berliner

607  
00:23:53,350 --> 00:23:50,480  
who is another person in the ufo field

608  
00:23:54,470 --> 00:23:53,360  
and that document was mailed to him in a

609  
00:23:56,630 --> 00:23:54,480  
roll of film

610  
00:23:58,070 --> 00:23:56,640  
very similar to the way that a roll of

611  
00:24:00,710 --> 00:23:58,080  
film was was mailed to

612  
00:24:02,830 --> 00:24:00,720  
jamie chanderie and bill moore and this

613  
00:24:05,990 --> 00:24:02,840

this became known as the psalm

614

00:24:08,310 --> 00:24:06,000

1-01 manual and

615

00:24:09,350 --> 00:24:08,320

critics have found 20 things wrong with

616

00:24:12,230 --> 00:24:09,360

that

617

00:24:13,510 --> 00:24:12,240

then you have the timothy cooper

618

00:24:16,950 --> 00:24:13,520

documents

619

00:24:18,310 --> 00:24:16,960

and most of most of the mj-12 or most of

620

00:24:21,510 --> 00:24:18,320

the documents that are

621

00:24:26,789 --> 00:24:21,520

directly related to mj12 are on the

622

00:24:29,269 --> 00:24:26,799

woods website [mj12documents.com](http://mj12documents.com)

623

00:24:30,230 --> 00:24:29,279

and this is all these are a number of

624

00:24:32,549 --> 00:24:30,240

documents

625

00:24:34,470 --> 00:24:32,559

involved in that and then you have the

626

00:24:37,029 --> 00:24:34,480

claims from dan burrish

627

00:24:39,190 --> 00:24:37,039

who claimed that he was you know kind of

628

00:24:42,549 --> 00:24:39,200

in an analogous capacity

629

00:24:46,630 --> 00:24:42,559

uh working at area 51 with a live alien

630

00:24:48,789 --> 00:24:46,640

then we had some we then we had serpo

631

00:24:51,110 --> 00:24:48,799

right and then we've also had another

632

00:24:53,110 --> 00:24:51,120

document come out in 2017

633

00:24:54,149 --> 00:24:53,120

though i call it the ultra top secret

634

00:24:56,390 --> 00:24:54,159

document

635

00:24:58,830 --> 00:24:56,400

and then a few a few days ago i was

636

00:25:01,590 --> 00:24:58,840

watching one of linda howe's

637

00:25:02,470 --> 00:25:01,600

presentations and she was waving around

638

00:25:04,789 --> 00:25:02,480

this

639

00:25:06,310 --> 00:25:04,799

pretty thick document that she says was

640

00:25:07,909 --> 00:25:06,320

mj 12 related

641

00:25:10,390 --> 00:25:07,919

so what i'm trying to say is this is

642

00:25:12,789 --> 00:25:10,400

going on up to the present day

643

00:25:14,710 --> 00:25:12,799

with very similar techniques and this is

644

00:25:15,990 --> 00:25:14,720

why i asked ask the question

645

00:25:17,990 --> 00:25:16,000

if it was part of the counter

646

00:25:20,149 --> 00:25:18,000

intelligence program in the 80s

647

00:25:21,269 --> 00:25:20,159

are they still using the same you know

648

00:25:24,390 --> 00:25:21,279

the same tactics

649

00:25:26,710 --> 00:25:24,400

up to this day or

650

00:25:28,630 --> 00:25:26,720

or maybe the simpler explanation tom is

651  
00:25:29,909 --> 00:25:28,640  
it that dodie is still alive he's still

652  
00:25:32,789 --> 00:25:29,919  
doing this sort of thing

653  
00:25:34,549 --> 00:25:32,799  
and uh he's you know just acting as a

654  
00:25:37,830 --> 00:25:34,559  
private sector opportunist to

655  
00:25:40,310 --> 00:25:37,840  
gin up interest and uh in himself

656  
00:25:41,190 --> 00:25:40,320  
get interviews uh get attention for

657  
00:25:44,789 --> 00:25:41,200  
himself

658  
00:25:46,070 --> 00:25:44,799  
uh possibly uh try to sell a movie

659  
00:25:47,430 --> 00:25:46,080  
script uh which

660  
00:25:49,190 --> 00:25:47,440  
uh there have been some reports that

661  
00:25:51,029 --> 00:25:49,200  
he's been working on that uh

662  
00:25:52,310 --> 00:25:51,039  
maybe and uh for his own personal

663  
00:25:55,029 --> 00:25:52,320

entertainment

664

00:25:56,870 --> 00:25:55,039

i mean there's a that's that that's the

665

00:25:57,190 --> 00:25:56,880

direction that frankly i'm leaning in

666

00:25:59,430 --> 00:25:57,200

and

667

00:26:01,269 --> 00:25:59,440

what do you think about all that well

668

00:26:04,390 --> 00:26:01,279

it's a possibility i mean that's

669

00:26:05,909 --> 00:26:04,400

that's the pure hoax theory that one or

670

00:26:09,590 --> 00:26:05,919

more individuals are just

671

00:26:11,350 --> 00:26:09,600

creating hoaxes out of whole cloth so

672

00:26:13,430 --> 00:26:11,360

tom i would like for you to correct me

673

00:26:16,390 --> 00:26:13,440

on this if i'm incorrect so please do

674

00:26:17,350 --> 00:26:16,400

and frank also my understanding is rick

675

00:26:20,470 --> 00:26:17,360

doty

676

00:26:22,390 --> 00:26:20,480

uh admitted to the public that he was

677

00:26:23,269 --> 00:26:22,400

trying to deceive them in various ways

678

00:26:26,870 --> 00:26:23,279

regarding

679

00:26:29,190 --> 00:26:26,880

various topics um related to

680

00:26:32,710 --> 00:26:29,200

i believe it was the ufo topic i guess i

681

00:26:35,430 --> 00:26:32,720

could generalize in that manner

682

00:26:36,470 --> 00:26:35,440

now my question to you is if he has

683

00:26:40,070 --> 00:26:36,480

admitted that

684

00:26:43,669 --> 00:26:40,080

to the public why should we believe him

685

00:26:46,870 --> 00:26:43,679

at all on anything well

686

00:26:50,149 --> 00:26:46,880

in the first place a lot of

687

00:26:53,430 --> 00:26:50,159

the bad reputation that dodie

688

00:26:55,430 --> 00:26:53,440

received arose out of his activities

689

00:26:58,230 --> 00:26:55,440

during the 1980s

690

00:26:58,789 --> 00:26:58,240

both in his relationships with bill

691

00:27:01,750 --> 00:26:58,799

moore

692

00:27:03,029 --> 00:27:01,760

and other ufo researchers such as linda

693

00:27:06,070 --> 00:27:03,039

howe

694

00:27:09,830 --> 00:27:06,080

and with paul benowitz now

695

00:27:12,470 --> 00:27:09,840

when when we wouldn't even know

696

00:27:14,549 --> 00:27:12,480

about that if bill moore hadn't gone

697

00:27:17,590 --> 00:27:14,559

public in 1989

698

00:27:19,110 --> 00:27:17,600

he gave a talk at the mufon symposium in

699

00:27:22,710 --> 00:27:19,120

las vegas

700

00:27:24,230 --> 00:27:22,720

and he explained this relationship that

701  
00:27:27,110 --> 00:27:24,240  
i mentioned earlier

702  
00:27:27,590 --> 00:27:27,120  
he he had gotten into a relationship

703  
00:27:29,990 --> 00:27:27,600  
with

704  
00:27:30,950 --> 00:27:30,000  
one or more intelligence agencies

705  
00:27:32,830 --> 00:27:30,960  
apparently

706  
00:27:34,230 --> 00:27:32,840  
in exchange for getting certain

707  
00:27:37,909 --> 00:27:34,240  
information

708  
00:27:39,990 --> 00:27:37,919  
and the ufo community in one way he was

709  
00:27:43,510 --> 00:27:40,000  
trying to warn the community

710  
00:27:46,789 --> 00:27:43,520  
now i think that it's possible

711  
00:27:49,909 --> 00:27:46,799  
that bill moore was burned by

712  
00:27:53,269 --> 00:27:49,919  
by his controllers and that his

713  
00:27:56,870 --> 00:27:53,279

talk in 1989 was his revenge

714

00:27:58,950 --> 00:27:56,880

it was his touche okay because you feel

715

00:28:01,990 --> 00:27:58,960

that bill moore was double-crossed

716

00:28:05,350 --> 00:28:02,000

yes or where he he realized

717

00:28:08,870 --> 00:28:05,360

that he had been played okay now

718

00:28:11,190 --> 00:28:08,880

when so the ufo community gets wise

719

00:28:12,710 --> 00:28:11,200

to this whole idea that one they're

720

00:28:14,870 --> 00:28:12,720

being monitored

721

00:28:17,350 --> 00:28:14,880

two one or more individuals are

722

00:28:20,149 --> 00:28:17,360

spreading disinformation

723

00:28:21,269 --> 00:28:20,159

and so on and so forth so that then they

724

00:28:22,870 --> 00:28:21,279

go to richard doty

725

00:28:25,029 --> 00:28:22,880

and they start peppering him with

726

00:28:27,430 --> 00:28:25,039

questions and accusations

727

00:28:28,149 --> 00:28:27,440

and dodie is evasive because for one

728

00:28:31,269 --> 00:28:28,159

thing

729

00:28:33,110 --> 00:28:31,279

he's still under uh confidentiality

730

00:28:34,630 --> 00:28:33,120

he's still under non-disclosure at the

731

00:28:38,310 --> 00:28:34,640

time so he was

732

00:28:41,430 --> 00:28:38,320

evasive now dodie has explained that

733

00:28:44,230 --> 00:28:41,440

his non-disclosure agreement

734

00:28:46,549 --> 00:28:44,240

was for 25 years and you'll notice that

735

00:28:49,750 --> 00:28:46,559

after that 25-year period

736

00:28:53,269 --> 00:28:49,760

let's say if we take 1979 and add 29

737

00:28:54,149 --> 00:28:53,279

25 to it after that after that time

738

00:28:56,870 --> 00:28:54,159

period

739

00:28:59,269 --> 00:28:56,880

he started coming out public in public

740

00:29:01,909 --> 00:28:59,279

and started uh making these statements

741

00:29:02,470 --> 00:29:01,919

and making these claims uh really quick

742

00:29:05,669 --> 00:29:02,480

uh

743

00:29:07,110 --> 00:29:05,679

film mirage men

744

00:29:09,830 --> 00:29:07,120

and uh what were your thoughts about

745

00:29:12,070 --> 00:29:09,840

that if you had well

746

00:29:14,310 --> 00:29:12,080

mirage man of course you know at least

747

00:29:16,549 --> 00:29:14,320

uh it leaves you with a very negative

748

00:29:18,149 --> 00:29:16,559

impression of dodie yes and that's why i

749

00:29:20,710 --> 00:29:18,159

mentioned what i did

750

00:29:21,350 --> 00:29:20,720

but but this is this is the conventional

751  
00:29:24,710 --> 00:29:21,360  
wisdom

752  
00:29:27,590 --> 00:29:24,720  
now if you ask dodie about mirage men

753  
00:29:28,950 --> 00:29:27,600  
he'll he'll tell you that they really

754  
00:29:31,909 --> 00:29:28,960  
screwed him around

755  
00:29:34,149 --> 00:29:31,919  
on that deal and they edited it in such

756  
00:29:36,230 --> 00:29:34,159  
a way as to make him look bad

757  
00:29:40,389 --> 00:29:36,240  
so that's his side of the story but

758  
00:29:42,630 --> 00:29:40,399  
wouldn't it be fair to say that no

759  
00:29:44,870 --> 00:29:42,640  
matter what he said whether it was taken

760  
00:29:48,310 --> 00:29:44,880  
in or out of context

761  
00:29:51,510 --> 00:29:48,320  
that his statements stand alone

762  
00:29:55,190 --> 00:29:51,520  
as they are i think that

763  
00:29:58,549 --> 00:29:55,200

as researchers we need to be careful

764

00:30:01,430 --> 00:29:58,559

with the claims that dodee makes okay

765

00:30:02,149 --> 00:30:01,440

but at the same time i don't take the

766

00:30:05,909 --> 00:30:02,159

position

767

00:30:08,070 --> 00:30:05,919

that he's this sociopathic

768

00:30:09,269 --> 00:30:08,080

compulsive liar and you can't believe

769

00:30:12,230 --> 00:30:09,279

anything that he says

770

00:30:13,430 --> 00:30:12,240

i don't take that position either and uh

771

00:30:15,750 --> 00:30:13,440

just to follow up

772

00:30:16,470 --> 00:30:15,760

dodie's been featured a couple other

773

00:30:18,549 --> 00:30:16,480

times and

774

00:30:20,230 --> 00:30:18,559

my guess is that you have seen these

775

00:30:21,269 --> 00:30:20,240

yeah he was also featured rather

776

00:30:23,430 --> 00:30:21,279

extensively

777

00:30:24,870 --> 00:30:23,440

in not the most recent stephen grier

778

00:30:27,830 --> 00:30:24,880

film but the one before that

779

00:30:29,029 --> 00:30:27,840

unacknowledged where greer painted him

780

00:30:31,669 --> 00:30:29,039

quite differently than

781

00:30:33,190 --> 00:30:31,679

the way dodie claims he was uh portrayed

782

00:30:35,430 --> 00:30:33,200

in mirage men that he was

783

00:30:38,630 --> 00:30:35,440

a heroic whistleblower what are your

784

00:30:41,029 --> 00:30:38,640

thoughts on that if you saw it

785

00:30:43,510 --> 00:30:41,039

well there's there's one thing that i

786

00:30:44,830 --> 00:30:43,520

have noticed about dodie and he seems to

787

00:30:48,230 --> 00:30:44,840

be the only

788

00:30:50,230 --> 00:30:48,240

afosi special agent who is going

789

00:30:51,350 --> 00:30:50,240

out in public and making these claims

790

00:30:53,990 --> 00:30:51,360

that the government

791

00:30:56,149 --> 00:30:54,000

has all of the secret ufo knowledge you

792

00:30:58,470 --> 00:30:56,159

know why is he the only one

793

00:30:59,750 --> 00:30:58,480

uh that that's an unanswered question

794

00:31:03,269 --> 00:30:59,760

for me

795

00:31:05,909 --> 00:31:03,279

okay uh one and again also to follow up

796

00:31:07,269 --> 00:31:05,919

in the first season of unacknowledged in

797

00:31:09,029 --> 00:31:07,279

one of the later episodes i think it

798

00:31:11,430 --> 00:31:09,039

might have been episode five

799

00:31:12,630 --> 00:31:11,440

uh they seem to take a a lot of umbrage

800

00:31:15,509 --> 00:31:12,640

over dodie's work

801  
00:31:17,190 --> 00:31:15,519  
and that elizondo in particular uh sort

802  
00:31:19,269 --> 00:31:17,200  
of

803  
00:31:20,870 --> 00:31:19,279  
charged back at him uh saying that uh

804  
00:31:21,830 --> 00:31:20,880  
the accusations that he's just another

805  
00:31:23,750 --> 00:31:21,840  
richard dodie

806  
00:31:25,029 --> 00:31:23,760  
are false and that he's nothing like him

807  
00:31:26,549 --> 00:31:25,039  
at all your thoughts on that

808  
00:31:29,029 --> 00:31:26,559  
that they felt that they needed to

809  
00:31:30,389 --> 00:31:29,039  
address dodie uh in the show i mean i

810  
00:31:31,990 --> 00:31:30,399  
thought that was rather significant that

811  
00:31:34,710 --> 00:31:32,000  
they did it

812  
00:31:35,350 --> 00:31:34,720  
well i think that that's because things

813  
00:31:38,870 --> 00:31:35,360

have become

814

00:31:40,389 --> 00:31:38,880

circular frank and there was

815

00:31:43,029 --> 00:31:40,399

a lot there's been a lot of

816

00:31:46,149 --> 00:31:43,039

consternation and unhappiness

817

00:31:46,630 --> 00:31:46,159

about what happened during the 1980s you

818

00:31:49,830 --> 00:31:46,640

know with

819

00:31:51,269 --> 00:31:49,840

war and dodie and all that and now

820

00:31:53,750 --> 00:31:51,279

you have some people that have

821

00:31:57,990 --> 00:31:53,760

government backgrounds like elizondo

822

00:31:59,750 --> 00:31:58,000

christopher millen jim semivann etc etc

823

00:32:01,509 --> 00:31:59,760

and certain people are taking the

824

00:32:03,190 --> 00:32:01,519

position well they're from the

825

00:32:05,190 --> 00:32:03,200

government so they must be here to

826

00:32:08,310 --> 00:32:05,200

spread disinformation

827

00:32:09,830 --> 00:32:08,320

and you can't they can't be trusted i

828

00:32:11,750 --> 00:32:09,840

don't think that's right

829

00:32:13,990 --> 00:32:11,760

okay because for one thing that's

830

00:32:16,789 --> 00:32:14,000

fighting the last war

831

00:32:17,269 --> 00:32:16,799

and this is a different situation now

832

00:32:20,230 --> 00:32:17,279

and

833

00:32:23,269 --> 00:32:20,240

my personal opinion is that they have

834

00:32:26,470 --> 00:32:23,279

they have good intentions

835

00:32:29,029 --> 00:32:26,480

go ahead so that's that's okay

836

00:32:29,909 --> 00:32:29,039

so just wanted to uh uh frank brought up

837

00:32:32,230 --> 00:32:29,919

something really

838

00:32:33,509 --> 00:32:32,240

important i think and that's mirage man

839

00:32:34,950 --> 00:32:33,519

i watched that movie because frank

840

00:32:37,029 --> 00:32:34,960

recommended it i thought it was right

841

00:32:39,110 --> 00:32:37,039

to bug you to watch it and you finally

842

00:32:41,029 --> 00:32:39,120

did it i know well i do and

843

00:32:42,149 --> 00:32:41,039

i just want to say something personal

844

00:32:45,350 --> 00:32:42,159

here i actually do

845

00:32:47,990 --> 00:32:45,360

a lot of ufo slash et related

846

00:32:49,669 --> 00:32:48,000

research and so when somebody asked me

847

00:32:50,870 --> 00:32:49,679

to see something frank actually does

848

00:32:54,230 --> 00:32:50,880

know this to be true

849

00:32:56,630 --> 00:32:54,240

i spend every day and every night um

850

00:32:59,029 --> 00:32:56,640

in databases all over the world looking

851

00:33:02,310 --> 00:32:59,039

for as much ufo slash et related

852

00:33:04,470 --> 00:33:02,320

uh historical data as i can so it just

853

00:33:07,110 --> 00:33:04,480

adds to my list of other media

854

00:33:09,269 --> 00:33:07,120

uh for me to uh to watch but anyway i

855

00:33:10,950 --> 00:33:09,279

wanted to inject in this discussion

856

00:33:13,509 --> 00:33:10,960

a little bit about mirageman what it's

857

00:33:15,669 --> 00:33:13,519

about it says his 2013 documentary

858

00:33:16,789 --> 00:33:15,679

directed by john lenberg written by mark

859

00:33:19,430 --> 00:33:16,799

pilkington

860

00:33:21,830 --> 00:33:19,440

uh who did write a book on it and co-uh

861

00:33:25,269 --> 00:33:21,840

directed by roland denning and uh

862

00:33:27,430 --> 00:33:25,279

kip rosa capriano miragement is about

863

00:33:29,350 --> 00:33:27,440

how the us government used in mythology

864

00:33:30,470 --> 00:33:29,360

to cover up their advanced technology it

865

00:33:32,870 --> 00:33:30,480

prominently features

866

00:33:35,029 --> 00:33:32,880

rick richard dodi a retired special

867

00:33:36,789 --> 00:33:35,039

agent who worked for fosees you said tom

868

00:33:38,310 --> 00:33:36,799

the united states air force office's

869

00:33:41,190 --> 00:33:38,320

special investigation

870

00:33:42,870 --> 00:33:41,200

and uh mark pilkington's book about the

871

00:33:45,509 --> 00:33:42,880

project also called mirageman was

872

00:33:48,070 --> 00:33:45,519

published in 2010. now moving along

873

00:33:49,509 --> 00:33:48,080

i wanted to mention another topic

874

00:33:51,669 --> 00:33:49,519

there's an individual a little

875

00:33:53,350 --> 00:33:51,679

yeah before you do chat let me let me

876

00:33:56,070 --> 00:33:53,360

interrupt again really quick

877

00:33:57,830 --> 00:33:56,080

i believe that mirage men is available

878

00:33:59,269 --> 00:33:57,840

over on youtube for free with

879

00:34:01,110 --> 00:33:59,279

advertisements so

880

00:34:02,389 --> 00:34:01,120

people can watch it for themselves and

881

00:34:03,990 --> 00:34:02,399

make their own judgment

882

00:34:05,509 --> 00:34:04,000

and it's important frank did say that

883

00:34:05,990 --> 00:34:05,519

because uh not a lot of people

884

00:34:08,149 --> 00:34:06,000

especially

885

00:34:09,589 --> 00:34:08,159

during this period of time kind of uh

886

00:34:11,669 --> 00:34:09,599

economy that we have

887

00:34:13,750 --> 00:34:11,679

people can't just afford you know every

888

00:34:15,190 --> 00:34:13,760

movie for five or six bucks so

889

00:34:16,790 --> 00:34:15,200

being able to see it for free is really

890

00:34:17,589 --> 00:34:16,800

important thank you for uh letting us

891

00:34:20,230 --> 00:34:17,599

know that

892

00:34:22,149 --> 00:34:20,240

now tom wanted to let you know about a

893

00:34:24,389 --> 00:34:22,159

certain topic i wanted to bring up

894

00:34:25,190 --> 00:34:24,399

it sounds a little cloak and dagger

895

00:34:27,430 --> 00:34:25,200

shadowy

896

00:34:28,230 --> 00:34:27,440

individual possibly maybe you you tell

897

00:34:31,030 --> 00:34:28,240

me uh

898

00:34:33,270 --> 00:34:31,040

falcon which is one of the uh avian

899

00:34:34,790 --> 00:34:33,280

aviary related names that we hear often

900

00:34:37,190 --> 00:34:34,800

on the ufo community

901  
00:34:39,750 --> 00:34:37,200  
uh harry rositski can you give us a

902  
00:34:43,190 --> 00:34:39,760  
little bit of information on him

903  
00:34:45,109 --> 00:34:43,200  
harry rosicky i believe he had

904  
00:34:47,669 --> 00:34:45,119  
i don't know if he got a phd but he had

905  
00:34:49,909 --> 00:34:47,679  
a degree in linguistics from harvard

906  
00:34:51,270 --> 00:34:49,919  
and i i think i think he was an

907  
00:34:55,990 --> 00:34:51,280  
instructor there

908  
00:34:57,829 --> 00:34:56,000  
but he he was in the um

909  
00:34:59,270 --> 00:34:57,839  
whatever it was before the cia i'm

910  
00:35:01,990 --> 00:34:59,280  
having a senior moment

911  
00:35:03,589 --> 00:35:02,000  
and he was in the cia and he was he was

912  
00:35:06,710 --> 00:35:03,599  
a cia

913  
00:35:09,670 --> 00:35:06,720

case officer and his specialty was uh

914

00:35:11,829 --> 00:35:09,680

soviet soviet union so he was running

915

00:35:15,109 --> 00:35:11,839

agents in eastern europe

916

00:35:15,990 --> 00:35:15,119

and he also uh you know worked worldwide

917

00:35:19,750 --> 00:35:16,000

i believe that he

918

00:35:23,109 --> 00:35:19,760

was involved in a a uh

919

00:35:24,310 --> 00:35:23,119

situation in india and he had a long

920

00:35:28,150 --> 00:35:24,320

history of working

921

00:35:31,430 --> 00:35:28,160

with cia well the the idea is

922

00:35:33,589 --> 00:35:31,440

is that he was brought out of retirement

923

00:35:34,710 --> 00:35:33,599

to assist in this in these counter

924

00:35:37,190 --> 00:35:34,720

measures in this

925

00:35:38,310 --> 00:35:37,200

counterintelligence program and that

926  
00:35:40,950 --> 00:35:38,320  
bill moore

927  
00:35:41,589 --> 00:35:40,960  
uh never disclosed the identity of

928  
00:35:45,270 --> 00:35:41,599  
falcon

929  
00:35:46,230 --> 00:35:45,280  
until after uh harry rosenski passed

930  
00:35:49,510 --> 00:35:46,240  
away

931  
00:35:51,510 --> 00:35:49,520  
and greg bishop tells the story that

932  
00:35:53,430 --> 00:35:51,520  
he and bill moore had gone out to a

933  
00:35:56,470 --> 00:35:53,440  
location to look at something

934  
00:35:59,670 --> 00:35:56,480  
but that craig bishop had really

935  
00:36:02,230 --> 00:35:59,680  
tried to figure out who who falcon was

936  
00:36:03,910 --> 00:36:02,240  
andy and uh bill moore made him keep

937  
00:36:04,390 --> 00:36:03,920  
guessing but he finally admitted that it

938  
00:36:07,829 --> 00:36:04,400

was

939

00:36:12,950 --> 00:36:07,839

harry rosinski i understood another uh

940

00:36:16,630 --> 00:36:12,960

possible aviary member was bruce mcabee

941

00:36:20,950 --> 00:36:16,640

yeah he was he was skipping a navy or

942

00:36:22,870 --> 00:36:20,960

maybe these people were circulating

943

00:36:24,390 --> 00:36:22,880

you know with certain aspects of the

944

00:36:27,589 --> 00:36:24,400

government for example

945

00:36:31,510 --> 00:36:27,599

bruce mcabee would give brown bag lunch

946

00:36:33,510 --> 00:36:31,520

talks at the cia and so he had some

947

00:36:35,510 --> 00:36:33,520

connections at the c.i.a

948

00:36:37,430 --> 00:36:35,520

and we've heard about dodie and more

949

00:36:39,910 --> 00:36:37,440

peter gersten

950

00:36:41,109 --> 00:36:39,920

i think had been approached by by

951  
00:36:43,910 --> 00:36:41,119  
richard doty

952  
00:36:45,430 --> 00:36:43,920  
and in this you know you talk about

953  
00:36:48,470 --> 00:36:45,440  
mirage men

954  
00:36:50,790 --> 00:36:48,480  
but i've got at least 10 references 10

955  
00:36:51,589 --> 00:36:50,800  
sources that i'm using in working on

956  
00:36:54,870 --> 00:36:51,599  
this paper

957  
00:36:56,790 --> 00:36:54,880  
about this whole era and i found

958  
00:36:58,550 --> 00:36:56,800  
in my own in the timeline that i've been

959  
00:37:01,990 --> 00:36:58,560  
working on that it was

960  
00:37:02,470 --> 00:37:02,000  
peter gersten that suggested that linda

961  
00:37:05,190 --> 00:37:02,480  
hal

962  
00:37:06,950 --> 00:37:05,200  
get in touch with richard doty and then

963  
00:37:10,069 --> 00:37:06,960

we have the sequence where

964

00:37:11,910 --> 00:37:10,079

linda howe uh has this appointment with

965

00:37:12,550 --> 00:37:11,920

richard dodie at kirtland and she's

966

00:37:14,950 --> 00:37:12,560

shown

967

00:37:17,109 --> 00:37:14,960

you know this carter briefing document

968

00:37:18,310 --> 00:37:17,119

and then bill moore apparently was shown

969

00:37:20,150 --> 00:37:18,320

the same document

970

00:37:21,990 --> 00:37:20,160

but under much more cloak and dagger

971

00:37:24,230 --> 00:37:22,000

circumstances oh really quickly

972

00:37:25,910 --> 00:37:24,240

uh we know about the eisenhower briefing

973

00:37:26,550 --> 00:37:25,920

document that's obviously one of the

974

00:37:29,190 --> 00:37:26,560

more

975

00:37:30,870 --> 00:37:29,200

famous majestic 12 documents uh this

976

00:37:36,069 --> 00:37:30,880

carter briefing document

977

00:37:38,150 --> 00:37:36,079

is that readily available is new to this

978

00:37:39,829 --> 00:37:38,160

yes you can get you can find it on the

979

00:37:42,950 --> 00:37:39,839

internet um

980

00:37:46,470 --> 00:37:42,960

it's uh it's longer than the

981

00:37:49,109 --> 00:37:46,480

um than the eisenhower briefing document

982

00:37:49,990 --> 00:37:49,119

and it mentions a lot of these projects

983

00:37:53,109 --> 00:37:50,000

like project

984

00:37:54,310 --> 00:37:53,119

red light and project snowbird and so on

985

00:37:56,470 --> 00:37:54,320

and so forth

986

00:37:59,829 --> 00:37:56,480

and a lot of these project names ended

987

00:38:03,349 --> 00:37:59,839

up being spread around by

988

00:38:06,630 --> 00:38:03,359

william cooper later in the 80s so

989

00:38:07,670 --> 00:38:06,640

uh the carter it's called the carter

990

00:38:10,790 --> 00:38:07,680

briefing document

991

00:38:13,990 --> 00:38:10,800

but the the legend

992

00:38:15,349 --> 00:38:14,000

is that this is what uh uh president

993

00:38:16,950 --> 00:38:15,359

carter was briefed on

994

00:38:19,270 --> 00:38:16,960

when he became president of the united

995

00:38:21,349 --> 00:38:19,280

states and you had mentioned

996

00:38:22,310 --> 00:38:21,359

the serpo documents and one of those

997

00:38:25,990 --> 00:38:22,320

documents is

998

00:38:27,510 --> 00:38:26,000

allegedly a transcript of a briefing for

999

00:38:29,349 --> 00:38:27,520

president reagan have you had the

1000

00:38:31,990 --> 00:38:29,359

opportunity to look that over and

1001  
00:38:33,190 --> 00:38:32,000  
what are your thoughts about that i'm

1002  
00:38:36,150 --> 00:38:33,200  
not as familiar

1003  
00:38:37,829 --> 00:38:36,160  
with that frank i have not studied the

1004  
00:38:41,109 --> 00:38:37,839  
so-called reagan briefing

1005  
00:38:44,870 --> 00:38:41,119  
i've i've seen it brief you know briefly

1006  
00:38:48,150 --> 00:38:44,880  
um but you know we um

1007  
00:38:48,710 --> 00:38:48,160  
bob bob collins robert uh robert collins

1008  
00:38:52,710 --> 00:38:48,720  
who was

1009  
00:38:55,670 --> 00:38:52,720  
condor in the ufo cover-up live program

1010  
00:38:56,390 --> 00:38:55,680  
he claims that the ufo cover-up live

1011  
00:39:00,790 --> 00:38:56,400  
program

1012  
00:39:02,950 --> 00:39:00,800  
was the reagan disclosure and there's

1013  
00:39:04,630 --> 00:39:02,960

there's enough material in all this that

1014

00:39:07,190 --> 00:39:04,640

i think you have to study

1015

00:39:08,950 --> 00:39:07,200

study at all and look at it all

1016

00:39:11,430 --> 00:39:08,960

historically and try to

1017

00:39:12,710 --> 00:39:11,440

get up to 20 30 000 feet and try to see

1018

00:39:14,710 --> 00:39:12,720

the big picture

1019

00:39:16,470 --> 00:39:14,720

i i'm not saying that you shouldn't look

1020

00:39:21,109 --> 00:39:16,480

at mirage men but i don't think you

1021

00:39:25,030 --> 00:39:23,430

okay i wanted to go ahead and talk a

1022

00:39:28,310 --> 00:39:25,040

little bit about john lear

1023

00:39:30,069 --> 00:39:28,320

um and just mention a

1024

00:39:32,550 --> 00:39:30,079

little bit about him and then ask you a

1025

00:39:34,310 --> 00:39:32,560

question um

1026

00:39:36,069 --> 00:39:34,320

i hope i'm not incorrect in saying this

1027

00:39:36,790 --> 00:39:36,079

but i believe his father helped to

1028

00:39:39,030 --> 00:39:36,800

design the

1029

00:39:41,190 --> 00:39:39,040

the learjet or had a very significant

1030

00:39:44,790 --> 00:39:41,200

part to play regarding that

1031

00:39:47,589 --> 00:39:44,800

famous learjet that we have now

1032

00:39:49,109 --> 00:39:47,599

anyway uh john lehrer who is now 77

1033

00:39:51,109 --> 00:39:49,119

years old he spent 40 years as a

1034

00:39:53,109 --> 00:39:51,119

commercial pilot and holds most faa

1035

00:39:55,109 --> 00:39:53,119

airmen certificates ever issued by the

1036

00:39:57,670 --> 00:39:55,119

faa to a single pilot

1037

00:39:59,589 --> 00:39:57,680

including airline transfer pilot and

1038

00:40:03,589 --> 00:39:59,599

actually that list is very long so

1039

00:40:05,589 --> 00:40:03,599

moving along uh it sounds like and he

1040

00:40:07,190 --> 00:40:05,599

has quite a bio i mean it goes on for

1041

00:40:09,829 --> 00:40:07,200

actually many pages

1042

00:40:11,109 --> 00:40:09,839

um he's made quite a few claims in the

1043

00:40:16,470 --> 00:40:11,119

ufo community

1044

00:40:21,270 --> 00:40:18,390

i'll be frank with you i don't know that

1045

00:40:23,109 --> 00:40:21,280

i believe all of them

1046

00:40:25,030 --> 00:40:23,119

i wanted to ask you what part do you

1047

00:40:27,829 --> 00:40:25,040

feel that he had to play with the mj-12

1048

00:40:33,030 --> 00:40:30,870

according to christian lambricht john

1049

00:40:36,829 --> 00:40:33,040

lehrer went down and visited with paul

1050

00:40:40,710 --> 00:40:37,990

and

1051  
00:40:42,309 --> 00:40:40,720  
bill moore came out with his uh

1052  
00:40:43,910 --> 00:40:42,319  
information about the eisenhower

1053  
00:40:47,510 --> 00:40:43,920  
briefing document

1054  
00:40:50,150 --> 00:40:47,520  
and the truman force stall memo in 1987

1055  
00:40:52,630 --> 00:40:50,160  
and that's about when john lear started

1056  
00:40:55,109 --> 00:40:52,640  
coming out with his his

1057  
00:40:55,670 --> 00:40:55,119  
theories and i think he talked to some

1058  
00:40:58,790 --> 00:40:55,680  
people

1059  
00:41:00,950 --> 00:40:58,800  
i think he talked to maybe a couple of

1060  
00:41:03,349 --> 00:41:00,960  
people in the so-called aviary

1061  
00:41:05,589 --> 00:41:03,359  
maybe robert collins maybe you talked to

1062  
00:41:08,790 --> 00:41:05,599  
richard doty

1063  
00:41:12,230 --> 00:41:08,800

and and so on and so forth

1064

00:41:14,150 --> 00:41:12,240

and quite frankly i agree with you i'm

1065

00:41:17,430 --> 00:41:14,160

very very skeptical of just about

1066

00:41:18,630 --> 00:41:17,440

every claim that john lear makes uh he's

1067

00:41:20,630 --> 00:41:18,640

even said that there are

1068

00:41:21,750 --> 00:41:20,640

something like 5 million people living

1069

00:41:24,470 --> 00:41:21,760

inside the sun

1070

00:41:26,230 --> 00:41:24,480

you know something outrageous like that

1071

00:41:28,870 --> 00:41:26,240

so

1072

00:41:31,030 --> 00:41:28,880

i think he he came in late in the game

1073

00:41:32,550 --> 00:41:31,040

he didn't really become more prominent

1074

00:41:35,750 --> 00:41:32,560

until the later 80s

1075

00:41:37,910 --> 00:41:35,760

in fact it was in 1989

1076

00:41:40,710 --> 00:41:37,920

uh that he was supposed to be running

1077

00:41:44,309 --> 00:41:40,720

the mufon symposium in las vegas and

1078

00:41:45,430 --> 00:41:44,319

there was this bruh he wanted certain

1079

00:41:48,710 --> 00:41:45,440

people to talk

1080

00:41:50,630 --> 00:41:48,720

including william cooper and uh he

1081

00:41:53,510 --> 00:41:50,640

actually split off and had his own

1082

00:41:53,910 --> 00:41:53,520

little show you know las vegas separate

1083

00:41:56,309 --> 00:41:53,920

from

1084

00:41:57,109 --> 00:41:56,319

phones well wasn't that the same year

1085

00:41:59,750 --> 00:41:57,119

that

1086

00:42:00,870 --> 00:41:59,760

uh uh the uh the other bill i'm getting

1087

00:42:02,870 --> 00:42:00,880

confused with cooper

1088

00:42:05,030 --> 00:42:02,880

and uh the other bill uh the one who

1089

00:42:07,109 --> 00:42:05,040

worked with uh uh bill moore sorry about

1090

00:42:09,510 --> 00:42:07,119

that i i had my senior moment there

1091

00:42:11,030 --> 00:42:09,520

uh that was that wasn't that uh the same

1092

00:42:13,270 --> 00:42:11,040

wasn't that the same day

1093

00:42:14,470 --> 00:42:13,280

like uh the the one was sort of uh the

1094

00:42:16,150 --> 00:42:14,480

one with more was

1095

00:42:18,630 --> 00:42:16,160

sort of down the street from the one

1096

00:42:21,670 --> 00:42:18,640

with with lear in the late 80s when

1097

00:42:24,950 --> 00:42:21,680

uh moore made his uh his

1098

00:42:27,510 --> 00:42:24,960

revelation about uh uh being a used

1099

00:42:29,349 --> 00:42:27,520

as a counter intel tool you remember

1100

00:42:30,150 --> 00:42:29,359

that was either the same day or the same

1101

00:42:32,069 --> 00:42:30,160

week i mean

1102

00:42:35,190 --> 00:42:32,079

they were right you know right at the

1103

00:42:39,829 --> 00:42:37,349

so it was it would have been an

1104

00:42:42,470 --> 00:42:39,839

interesting day to be in vegas

1105

00:42:44,550 --> 00:42:42,480

yeah and that was i didn't actually get

1106

00:42:45,670 --> 00:42:44,560

active in the ufo field until a little

1107

00:42:48,390 --> 00:42:45,680

bit after that about

1108

00:42:50,950 --> 00:42:48,400

around 1990 or so um by the way part of

1109

00:42:53,270 --> 00:42:50,960

his bio states that in april of 1977

1110

00:42:55,190 --> 00:42:53,280

john penetrated the security area of 51

1111

00:42:57,349 --> 00:42:55,200

and took the only pictures ever taken by

1112

00:43:00,790 --> 00:42:57,359

a civilian of our russian fighter

1113

00:43:03,030 --> 00:43:00,800

uh in front of a hangar

1114

00:43:05,109 --> 00:43:03,040

anyway i wanted to mention something

1115

00:43:08,230 --> 00:43:05,119

else uh

1116

00:43:12,150 --> 00:43:08,240

and that is i believe that john lear was

1117

00:43:13,910 --> 00:43:12,160

a director for mufon las vegas

1118

00:43:16,950 --> 00:43:13,920

during the period of time that george

1119

00:43:20,230 --> 00:43:16,960

knapp was covering bob lazar

1120

00:43:22,230 --> 00:43:20,240

um okay so i just wanted to ask you a

1121

00:43:23,510 --> 00:43:22,240

few more questions a state director for

1122

00:43:26,710 --> 00:43:23,520

nevada

1123

00:43:29,349 --> 00:43:26,720

at the time of that thank you

1124

00:43:31,190 --> 00:43:29,359

thanks for confirming that uh now barry

1125

00:43:34,390 --> 00:43:31,200

greenwood who is well-known

1126  
00:43:36,950 --> 00:43:34,400  
ufo researcher he's a veteran researcher

1127  
00:43:39,750 --> 00:43:36,960  
we have a deep respect for him and his

1128  
00:43:40,550 --> 00:43:39,760  
his fantastic work on behalf of the ufo

1129  
00:43:42,790 --> 00:43:40,560  
community and

1130  
00:43:45,430 --> 00:43:42,800  
also just for every everybody really

1131  
00:43:48,790 --> 00:43:45,440  
who's a ufo enthusiast or

1132  
00:43:50,309 --> 00:43:48,800  
curious about the ufo topic um he wrote

1133  
00:43:51,910 --> 00:43:50,319  
a book clear intent the government

1134  
00:43:54,950 --> 00:43:51,920  
government cover-up of the ufo

1135  
00:43:57,990 --> 00:43:54,960  
experience which was published in 84

1136  
00:44:00,230 --> 00:43:58,000  
and his co-author lawrence fassett

1137  
00:44:02,230 --> 00:44:00,240  
that discussed that book discusses the

1138  
00:44:04,150 --> 00:44:02,240

government's top-secret investigations

1139

00:44:05,670 --> 00:44:04,160

of ufo sightings and argues

1140

00:44:07,750 --> 00:44:05,680

that the government possesses secret

1141

00:44:09,750 --> 00:44:07,760

proof of the existence of ufos

1142

00:44:13,270 --> 00:44:09,760

what part does he have to play regarding

1143

00:44:17,430 --> 00:44:16,950

he was involved in the publication of

1144

00:44:20,470 --> 00:44:17,440

the

1145

00:44:22,950 --> 00:44:20,480

just cause newsletter

1146

00:44:24,230 --> 00:44:22,960

and this came into play i think more in

1147

00:44:28,390 --> 00:44:24,240

the second half of the

1148

00:44:30,230 --> 00:44:28,400

1980s but later uh some years later with

1149

00:44:34,710 --> 00:44:30,240

brad sparks

1150

00:44:37,829 --> 00:44:34,720

brilliant paper

1151  
00:44:38,470 --> 00:44:37,839  
about the origins of mj12 and it was

1152  
00:44:42,150 --> 00:44:38,480  
based

1153  
00:44:45,430 --> 00:44:42,160  
on uh transcripts or tapes

1154  
00:44:48,470 --> 00:44:45,440  
that brought bob pratt had taken uh

1155  
00:44:52,069 --> 00:44:48,480  
of conversations with bill moore

1156  
00:44:54,470 --> 00:44:52,079  
the idea being that uh bill moore and

1157  
00:44:57,829 --> 00:44:54,480  
richard doty were interested in writing

1158  
00:45:00,069 --> 00:44:57,839  
a book about what uh

1159  
00:45:00,950 --> 00:45:00,079  
what bill moore believed what were the

1160  
00:45:02,790 --> 00:45:00,960  
secrets

1161  
00:45:05,510 --> 00:45:02,800  
that the government was keeping about

1162  
00:45:06,870 --> 00:45:05,520  
you know these recovered ufos and so on

1163  
00:45:09,589 --> 00:45:06,880

and so forth

1164

00:45:10,790 --> 00:45:09,599

and uh bob pratt apparently told him

1165

00:45:13,750 --> 00:45:10,800

that they

1166

00:45:14,870 --> 00:45:13,760

they they couldn't verify non-fiction

1167

00:45:17,589 --> 00:45:14,880

information and that

1168

00:45:17,990 --> 00:45:17,599

that it should be written as a fiction

1169

00:45:23,750 --> 00:45:18,000

uh

1170

00:45:25,030 --> 00:45:23,760

i don't know if bob pratt actually wrote

1171

00:45:27,190 --> 00:45:25,040

a draft but

1172

00:45:28,870 --> 00:45:27,200

it never came to anything a book was

1173

00:45:31,349 --> 00:45:28,880

never published but

1174

00:45:33,750 --> 00:45:31,359

uh greenwood and sparks really get into

1175

00:45:37,430 --> 00:45:33,760

some fascinating details

1176

00:45:39,990 --> 00:45:37,440

in this whole sequence and uh

1177

00:45:42,150 --> 00:45:40,000

it's one of the sources that i use both

1178

00:45:44,790 --> 00:45:42,160

in creating my benowitz timeline

1179

00:45:45,190 --> 00:45:44,800

and in writing this paper okay let's

1180

00:45:47,430 --> 00:45:45,200

talk

1181

00:45:49,430 --> 00:45:47,440

just a little bit about brad sparks uh

1182

00:45:50,230 --> 00:45:49,440

can you fill us in on his background

1183

00:45:52,710 --> 00:45:50,240

just a little bit

1184

00:45:54,230 --> 00:45:52,720

uh maybe uh so that our listeners are

1185

00:45:57,270 --> 00:45:54,240

become more familiar with him

1186

00:46:00,630 --> 00:45:57,280

regarding his being a researcher well

1187

00:46:04,390 --> 00:46:00,640

he's a very very very good researcher

1188

00:46:06,710 --> 00:46:04,400

and he goes i know he goes at least back

1189

00:46:10,230 --> 00:46:06,720

to the 70s

1190

00:46:13,589 --> 00:46:10,240

he he's been associated i think mainly

1191

00:46:16,950 --> 00:46:13,599

with the center for ufo studies

1192

00:46:19,109 --> 00:46:16,960

and some with mufon uh and

1193

00:46:21,589 --> 00:46:19,119

i've actually had conversations with him

1194

00:46:24,390 --> 00:46:21,599

in the hall at a mufon symposium

1195

00:46:25,670 --> 00:46:24,400

several years back i i was doing mostly

1196

00:46:27,910 --> 00:46:25,680

uh research

1197

00:46:28,870 --> 00:46:27,920

on the internet about mj-12 and i was i

1198

00:46:31,109 --> 00:46:28,880

was really

1199

00:46:33,109 --> 00:46:31,119

uh having a lot of questions and i had

1200

00:46:34,790 --> 00:46:33,119

conversations with stan freeman too

1201

00:46:37,589 --> 00:46:34,800

which is kind of comical

1202

00:46:39,910 --> 00:46:37,599

but uh i i can't really give you a

1203

00:46:40,710 --> 00:46:39,920

detailed biography about brad sparks

1204

00:46:43,510 --> 00:46:40,720

right here

1205

00:46:45,990 --> 00:46:43,520

but he is a very well established and a

1206

00:46:47,829 --> 00:46:46,000

very highly competent researcher

1207

00:46:49,270 --> 00:46:47,839

well i wanted to go ahead and talk a

1208

00:46:52,470 --> 00:46:49,280

little bit about

1209

00:46:54,230 --> 00:46:52,480

state police officer gabe valdez and

1210

00:46:56,470 --> 00:46:54,240

wanted to mention before i ask you my

1211

00:46:59,910 --> 00:46:56,480

question um that

1212

00:46:59,920 --> 00:47:03,750

he actually his son

1213

00:47:08,710 --> 00:47:07,270

wrote a book called dulce bass the truth

1214

00:47:12,870 --> 00:47:08,720

and evidence from the case

1215

00:47:17,510 --> 00:47:12,880

files of gabe valdez by his son greg

1216

00:47:22,230 --> 00:47:19,990

it's it's i'm not trying to act like a

1217

00:47:25,510 --> 00:47:22,240

grammar nazi here or anything but

1218

00:47:27,750 --> 00:47:25,520

um the book is not written that well if

1219

00:47:29,589 --> 00:47:27,760

you're into syntax and grammar and stuff

1220

00:47:33,589 --> 00:47:29,599

like that

1221

00:47:35,589 --> 00:47:33,599

i know guilty okay but anyway

1222

00:47:36,950 --> 00:47:35,599

i think he needed an editor for this

1223

00:47:38,790 --> 00:47:36,960

book but

1224

00:47:40,150 --> 00:47:38,800

just to mention a little bit about the

1225

00:47:43,349 --> 00:47:40,160

summary of this book

1226

00:47:45,109 --> 00:47:43,359

it states um in 1976

1227

00:47:47,270 --> 00:47:45,119

gabe valdez became one of the leading

1228

00:47:48,710 --> 00:47:47,280

investigators into the cattle mutilation

1229

00:47:49,109 --> 00:47:48,720

mystery that was spreading across the

1230

00:47:50,470 --> 00:47:49,119

u.s

1231

00:47:52,470 --> 00:47:50,480

based on his employment with the new

1232

00:47:54,710 --> 00:47:52,480

mexico state police as he started

1233

00:47:56,950 --> 00:47:54,720

investigating the mutilations on

1234

00:47:58,790 --> 00:47:56,960

the gomez ranch outside of dulce new

1235

00:47:59,829 --> 00:47:58,800

mexico he stumbled into much more than

1236

00:48:02,150 --> 00:47:59,839

he bargained for

1237

00:48:03,910 --> 00:48:02,160

his investigative findings led to a

1238

00:48:06,309 --> 00:48:03,920

close friendship with paul benowitz

1239

00:48:08,230 --> 00:48:06,319

who was involved in a massive gover

1240

00:48:10,309 --> 00:48:08,240

government authorized disinformation

1241

00:48:12,630 --> 00:48:10,319

campaign originating out of kirtland air

1242

00:48:14,710 --> 00:48:12,640

force base in albuquerque new mexico

1243

00:48:16,470 --> 00:48:14,720

the harrowing tale of paul benowitz led

1244

00:48:19,589 --> 00:48:16,480

to the story of the alleged underground

1245

00:48:21,349 --> 00:48:19,599

alien bases near dulce new mexico

1246

00:48:23,109 --> 00:48:21,359

for the first time you will see what

1247

00:48:24,790 --> 00:48:23,119

really happened in dulce i can't read

1248

00:48:27,910 --> 00:48:24,800

anymore i'm sorry

1249

00:48:32,309 --> 00:48:27,920

it's just anyway moving along

1250

00:48:35,910 --> 00:48:32,319

i wanted to ask you uh tom um

1251

00:48:39,670 --> 00:48:35,920

is it possible that uh

1252

00:48:43,109 --> 00:48:39,680

state police officer gabe valdez

1253

00:48:46,630 --> 00:48:43,119

may have innocently

1254

00:48:48,069 --> 00:48:46,640

and not just not meaning to in any way

1255

00:48:51,589 --> 00:48:48,079

shape or form

1256

00:48:54,710 --> 00:48:51,599

played on the paranoid flags

1257

00:48:57,750 --> 00:48:54,720

going off like sirens probably

1258

00:48:59,670 --> 00:48:57,760

for paul bennowitz

1259

00:49:02,230 --> 00:48:59,680

because here let me go ahead and give a

1260

00:49:06,870 --> 00:49:02,240

little bit more info on my question

1261

00:49:09,109 --> 00:49:06,880

i suspect it's possible that gabe valdez

1262

00:49:11,190 --> 00:49:09,119

was equally as stymied at times

1263

00:49:13,510 --> 00:49:11,200

regarding what was going on

1264

00:49:14,309 --> 00:49:13,520

and my understanding is he communicated

1265

00:49:16,309 --> 00:49:14,319

with paul

1266

00:49:17,990 --> 00:49:16,319

benowitz off and on so i'm just

1267

00:49:20,630 --> 00:49:18,000

wondering i'm guessing this is

1268

00:49:22,150 --> 00:49:20,640

this is not a fact it's just a question

1269

00:49:26,230 --> 00:49:22,160

on my part

1270

00:49:29,349 --> 00:49:26,240

is it possible that he may have

1271

00:49:32,549 --> 00:49:29,359

been as paranoid to a degree

1272

00:49:33,750 --> 00:49:32,559

about the topics we're discussing as

1273

00:49:36,309 --> 00:49:33,760

paul benowitz was

1274

00:49:39,750 --> 00:49:36,319

and that caused paul also become a

1275

00:49:41,349 --> 00:49:39,760

little bit more amped up in his paranoia

1276

00:49:44,630 --> 00:49:41,359

well here's here are a couple of things

1277

00:49:46,470 --> 00:49:44,640

that were going on

1278

00:49:48,950 --> 00:49:46,480

there like i mentioned there were there

1279

00:49:49,670 --> 00:49:48,960

were extensive cattle mutilation

1280

00:49:52,309 --> 00:49:49,680

problems

1281

00:49:52,710 --> 00:49:52,319

happening in the western united states

1282

00:49:55,430 --> 00:49:52,720

and

1283

00:49:58,150 --> 00:49:55,440

in new mexico gate valdez had been

1284

00:50:00,230 --> 00:49:58,160

investigating them

1285

00:50:01,750 --> 00:50:00,240

gabe valdez and maybe even paul

1286

00:50:04,069 --> 00:50:01,760

bennowitz as well

1287

00:50:05,829 --> 00:50:04,079

saw some strange things going on on

1288

00:50:09,910 --> 00:50:05,839

archie laden mesa

1289

00:50:13,030 --> 00:50:09,920

they saw lights and so on and so forth

1290

00:50:13,750 --> 00:50:13,040

richard doty claims that he when he was

1291

00:50:16,630 --> 00:50:13,760

working

1292

00:50:16,950 --> 00:50:16,640

with afosi out of kirtland that he went

1293

00:50:19,990 --> 00:50:16,960

up

1294

00:50:21,829 --> 00:50:20,000

and checked with a special operations

1295

00:50:24,630 --> 00:50:21,839

group in colorado

1296

00:50:26,309 --> 00:50:24,640

and they confirmed that they had been

1297

00:50:29,750 --> 00:50:26,319

conducting exercises

1298

00:50:32,790 --> 00:50:29,760

on archuleta mesa for example they had

1299

00:50:36,069 --> 00:50:32,800

spotlights that pointed straight up so

1300

00:50:39,750 --> 00:50:36,079

that the helicopters knew where to land

1301  
00:50:41,990 --> 00:50:39,760  
and and all this so if gabe valdez and

1302  
00:50:43,990 --> 00:50:42,000  
possibly paul benowitz were driving

1303  
00:50:46,470 --> 00:50:44,000  
around the archuleta mesa

1304  
00:50:48,150 --> 00:50:46,480  
area and they you know they saw these

1305  
00:50:48,870 --> 00:50:48,160  
hovering lights and they saw these

1306  
00:50:50,790 --> 00:50:48,880  
lights

1307  
00:50:51,910 --> 00:50:50,800  
shoot shooting up out of the mesa and so

1308  
00:50:54,549 --> 00:50:51,920  
on and so forth

1309  
00:50:55,270 --> 00:50:54,559  
you can understand how they might have

1310  
00:50:57,430 --> 00:50:55,280  
felt that

1311  
00:50:58,309 --> 00:50:57,440  
hey something really strange is going on

1312  
00:51:01,750 --> 00:50:58,319  
up there

1313  
00:51:04,390 --> 00:51:01,760

now it's one thing to realize that

1314

00:51:05,430 --> 00:51:04,400

uh it appears to be very strange it's

1315

00:51:08,390 --> 00:51:05,440

another thing

1316

00:51:10,150 --> 00:51:08,400

to become completely convinced that it's

1317

00:51:13,910 --> 00:51:10,160

an underground alien base

1318

00:51:16,549 --> 00:51:13,920

and that the aliens are invading right

1319

00:51:18,950 --> 00:51:16,559

now i can tell you from the study that

1320

00:51:21,190 --> 00:51:18,960

i've done on the paul benowitz affair

1321

00:51:23,190 --> 00:51:21,200

that i believe that by the time that he

1322

00:51:25,750 --> 00:51:23,200

was fully in touch

1323

00:51:27,430 --> 00:51:25,760

and had these meetings with actually a

1324

00:51:28,950 --> 00:51:27,440

fairly large number of people on

1325

00:51:32,790 --> 00:51:28,960

kirtland air force base

1326

00:51:35,430 --> 00:51:32,800

and this is around uh october 1980

1327

00:51:36,390 --> 00:51:35,440

that by the time that he got to that

1328

00:51:38,950 --> 00:51:36,400

point he was

1329

00:51:41,349 --> 00:51:38,960

well on his way to being really off

1330

00:51:43,990 --> 00:51:41,359

almost off the deep end about aliens

1331

00:51:44,549 --> 00:51:44,000

you know that deep end aspect which is

1332

00:51:47,270 --> 00:51:44,559

mentioned

1333

00:51:48,870 --> 00:51:47,280

often um and one of the authors i

1334

00:51:50,870 --> 00:51:48,880

mentioned

1335

00:51:52,950 --> 00:51:50,880

regarding their bios actually said he

1336

00:51:56,710 --> 00:51:52,960

went utterly insane

1337

00:52:00,230 --> 00:51:59,190

how do we know that i'm not saying it

1338

00:52:03,589 --> 00:52:00,240

didn't happen

1339

00:52:03,990 --> 00:52:03,599

but i want our listeners who are kind of

1340

00:52:07,270 --> 00:52:04,000

like

1341

00:52:09,109 --> 00:52:07,280

novice to this topic they this is the

1342

00:52:11,670 --> 00:52:09,119

first time they've heard about it

1343

00:52:13,829 --> 00:52:11,680

and they're wondering well gee why is

1344

00:52:15,750 --> 00:52:13,839

this poor person paul benowitz

1345

00:52:17,030 --> 00:52:15,760

being accused of having gone totally

1346

00:52:20,549 --> 00:52:17,040

insane

1347

00:52:22,470 --> 00:52:20,559

um and uh you know how do we know that

1348

00:52:24,870 --> 00:52:22,480

can you please for our listeners detail

1349

00:52:26,950 --> 00:52:24,880

why folks suspect that he may have gone

1350

00:52:29,750 --> 00:52:26,960

over the edge

1351  
00:52:30,470 --> 00:52:29,760  
well we don't i think we'd have to

1352  
00:52:34,230 --> 00:52:30,480  
interview

1353  
00:52:35,270 --> 00:52:34,240  
his family members and paul benowitz had

1354  
00:52:37,829 --> 00:52:35,280  
a business called

1355  
00:52:38,950 --> 00:52:37,839  
thunder scientific labs right and it's

1356  
00:52:42,069 --> 00:52:38,960  
still going today

1357  
00:52:43,829 --> 00:52:42,079  
you can look it up on the internet now i

1358  
00:52:45,349 --> 00:52:43,839  
don't know if his family members want to

1359  
00:52:48,950 --> 00:52:45,359  
talk to anybody about it

1360  
00:52:51,270 --> 00:52:48,960  
but richard dodie has said that uh

1361  
00:52:52,309 --> 00:52:51,280  
paul benowitz had become extremely

1362  
00:52:54,790 --> 00:52:52,319  
paranoid

1363  
00:52:56,309 --> 00:52:54,800

bill moore has said the same thing these

1364

00:52:58,390 --> 00:52:56,319

are people that visited

1365

00:53:00,549 --> 00:52:58,400

paul benowitz at his home and that knew

1366

00:53:03,670 --> 00:53:00,559

him even as a friend

1367

00:53:04,069 --> 00:53:03,680

uh leo sprinkle dr leo sprinkle said

1368

00:53:07,510 --> 00:53:04,079

that

1369

00:53:10,549 --> 00:53:07,520

benno's

1370

00:53:11,510 --> 00:53:10,559

house ben was carrying pistols and a

1371

00:53:13,270 --> 00:53:11,520

rifle

1372

00:53:15,030 --> 00:53:13,280

you know and he was paranoid that the

1373

00:53:17,829 --> 00:53:15,040

aliens were after him

1374

00:53:19,030 --> 00:53:17,839

uh i know that christian lambright uh

1375

00:53:21,270 --> 00:53:19,040

had the same

1376  
00:53:22,390 --> 00:53:21,280  
same impression about paul benoit so we

1377  
00:53:24,950 --> 00:53:22,400  
have three

1378  
00:53:26,790 --> 00:53:24,960  
four or five or more people saying who

1379  
00:53:27,270 --> 00:53:26,800  
knew paul benowitz who had visited with

1380  
00:53:29,430 --> 00:53:27,280  
him

1381  
00:53:32,710 --> 00:53:29,440  
saying that he he had reached this state

1382  
00:53:34,950 --> 00:53:32,720  
of really extreme paranoia and upset

1383  
00:53:36,710 --> 00:53:34,960  
well do we know if he was hospitalized

1384  
00:53:39,109 --> 00:53:36,720  
prior to his suicide or anything like

1385  
00:53:44,230 --> 00:53:42,150  
uh i have heard that he was that he's he

1386  
00:53:45,190 --> 00:53:44,240  
was hospitalized and maybe more than

1387  
00:53:47,510 --> 00:53:45,200  
once now

1388  
00:53:49,589 --> 00:53:47,520

i've heard the word suicide but i i

1389

00:53:51,589 --> 00:53:49,599

haven't heard very much about that

1390

00:53:53,349 --> 00:53:51,599

and i'm not inclined to believe that

1391

00:53:55,750 --> 00:53:53,359

until i see a death certificate and i

1392

00:53:57,910 --> 00:53:55,760

don't think you can get about

1393

00:54:02,309 --> 00:53:57,920

you know the state the state records

1394

00:54:07,990 --> 00:54:05,430

uh yeah actually uh dr leo sprinkle is

1395

00:54:11,349 --> 00:54:08,000

one reason why i got involved

1396

00:54:13,349 --> 00:54:11,359

in the ufo topic among many other folks

1397

00:54:14,390 --> 00:54:13,359

who dedicated their lives to the ufo

1398

00:54:17,270 --> 00:54:14,400

topic

1399

00:54:18,950 --> 00:54:17,280

um he actually studied a really

1400

00:54:20,950 --> 00:54:18,960

interesting case i just wanted to

1401

00:54:24,230 --> 00:54:20,960

mention a little bit about it

1402

00:54:27,670 --> 00:54:24,240

uh it was the case

1403

00:54:29,750 --> 00:54:27,680

of a an individual who lived in wyoming

1404

00:54:33,030 --> 00:54:29,760

which is where dr leo sprinkle

1405

00:54:35,109 --> 00:54:33,040

uh practiced um and

1406

00:54:36,710 --> 00:54:35,119

uh had his practice and it was a

1407

00:54:38,549 --> 00:54:36,720

first-person story

1408

00:54:40,549 --> 00:54:38,559

it's called by the way i'm going to

1409

00:54:42,950 --> 00:54:40,559

mention a book here

1410

00:54:44,390 --> 00:54:42,960

written by one of the relatives of the

1411

00:54:46,390 --> 00:54:44,400

individual who

1412

00:54:47,910 --> 00:54:46,400

allegedly went through this experience

1413

00:54:49,829 --> 00:54:47,920

that dr leo

1414

00:54:51,670 --> 00:54:49,839

sprinkle actually studied and spoke to

1415

00:54:53,270 --> 00:54:51,680

the individual as well

1416

00:54:55,349 --> 00:54:53,280

it's called alien abduction of the

1417

00:54:56,549 --> 00:54:55,359

wyoming hunter first person story of

1418

00:54:59,910 --> 00:54:56,559

carl higdon

1419

00:55:00,549 --> 00:54:59,920

uh which uh it says october 25th 1974 is

1420

00:55:03,589 --> 00:55:00,559

when uh

1421

00:55:04,870 --> 00:55:03,599

it happened and marjorie a higdon is the

1422

00:55:09,030 --> 00:55:04,880

author of that book

1423

00:55:10,870 --> 00:55:09,040

um he actually spoke to carl higdon and

1424

00:55:12,630 --> 00:55:10,880

when i heard about that case i was

1425

00:55:16,069 --> 00:55:12,640

absolutely mesmerized

1426

00:55:16,630 --> 00:55:16,079

and uh from that from that point on

1427

00:55:18,549 --> 00:55:16,640

among

1428

00:55:20,710 --> 00:55:18,559

many other stories i was researching

1429

00:55:23,829 --> 00:55:20,720

regarding the ufo et topic

1430

00:55:24,789 --> 00:55:23,839

um thank you to dr leo sprinkle for

1431

00:55:26,870 --> 00:55:24,799

having

1432

00:55:28,230 --> 00:55:26,880

published information on it that he did

1433

00:55:30,710 --> 00:55:28,240

because it really

1434

00:55:32,710 --> 00:55:30,720

it caused me to become more enthusiastic

1435

00:55:33,349 --> 00:55:32,720

and more acutely interested in the topic

1436

00:55:36,150 --> 00:55:33,359

but

1437

00:55:37,910 --> 00:55:36,160

anyway i wanted to ask did i just i'm

1438

00:55:40,710 --> 00:55:37,920

sorry could i just point out one thing

1439

00:55:42,150 --> 00:55:40,720

uh frank you mentioned uh paul benowitz

1440

00:55:44,309 --> 00:55:42,160

dying but

1441

00:55:45,589 --> 00:55:44,319

paul according to the information that i

1442

00:55:47,750 --> 00:55:45,599

have

1443

00:55:48,630 --> 00:55:47,760

paul benowitz reached the state of

1444

00:55:53,030 --> 00:55:48,640

complete

1445

00:55:56,069 --> 00:55:53,040

nervous and physical collapse in 1988.

1446

00:55:59,190 --> 00:55:56,079

richard doty left the air force in

1447

00:56:02,549 --> 00:55:59,200

october november 1988.

1448

00:56:05,670 --> 00:56:02,559

paul benowitz did not die until 2003

1449

00:56:07,109 --> 00:56:05,680

that was 15 years later yeah yeah

1450

00:56:08,470 --> 00:56:07,119

i'm glad you brought that up that's an

1451

00:56:09,990 --> 00:56:08,480

excellent point it's one that i've run

1452

00:56:13,190 --> 00:56:10,000

down in the past uh

1453

00:56:14,870 --> 00:56:13,200

uh appreciate that oh uh doubling back

1454

00:56:17,910 --> 00:56:14,880

uh you talked a little bit about

1455

00:56:18,789 --> 00:56:17,920

valdez's work with the dulce underground

1456

00:56:21,270 --> 00:56:18,799

base and

1457

00:56:22,870 --> 00:56:21,280

i know we're uh straying a little bit uh

1458

00:56:25,190 --> 00:56:22,880

but someone else who's gotten a little

1459

00:56:28,470 --> 00:56:25,200

bit of traction who's no longer with us

1460

00:56:30,069 --> 00:56:28,480

uh died under curious circumstances is a

1461

00:56:32,230 --> 00:56:30,079

fellow by the name of phil schneider

1462

00:56:33,589 --> 00:56:32,240

who got uh some mileage out of uh

1463

00:56:35,750 --> 00:56:33,599

recounting some tales

1464

00:56:37,829 --> 00:56:35,760

uh regarding uh the dulce bass uh

1465

00:56:38,630 --> 00:56:37,839

claimed he was maimed as a result of his

1466

00:56:40,630 --> 00:56:38,640

encounters

1467

00:56:41,910 --> 00:56:40,640

uh with aliens in there uh have you

1468

00:56:44,309 --> 00:56:41,920

looked at uh his

1469

00:56:47,430 --> 00:56:44,319

material at all and uh do you think it

1470

00:56:50,470 --> 00:56:47,440

uh has any merit whatsoever

1471

00:56:52,549 --> 00:56:50,480

yes i've i've heard his claims and i

1472

00:56:54,470 --> 00:56:52,559

know you don't like richard dodie frank

1473

00:56:55,349 --> 00:56:54,480

but dodie says that it's a bunch of

1474

00:56:57,589 --> 00:56:55,359

nonsense

1475

00:56:59,670 --> 00:56:57,599

yeah i don't care for uh phil schneider

1476

00:57:01,670 --> 00:56:59,680

uh regarding his story i think that

1477

00:57:03,030 --> 00:57:01,680

there are a few people who actually

1478

00:57:05,349 --> 00:57:03,040

really researched

1479

00:57:06,470 --> 00:57:05,359

his background and the stories he had to

1480

00:57:12,789 --> 00:57:06,480

uh

1481

00:57:14,069 --> 00:57:12,799

research or hard work they discovered

1482

00:57:14,870 --> 00:57:14,079

that there are a lot of holes in his

1483

00:57:16,549 --> 00:57:14,880

story

1484

00:57:18,150 --> 00:57:16,559

and that he was contradicting himself

1485

00:57:20,470 --> 00:57:18,160

and and the light and just stealing

1486

00:57:21,829 --> 00:57:20,480

material from old star trek episodes

1487

00:57:24,470 --> 00:57:21,839

if you actually look at his

1488

00:57:28,150 --> 00:57:24,480

presentations

1489

00:57:31,270 --> 00:57:28,160

on gabe valdez's son's book yes

1490

00:57:31,990 --> 00:57:31,280

the thing that got me about that book

1491

00:57:35,270 --> 00:57:32,000

was

1492

00:57:38,150 --> 00:57:35,280

he had photographs of these

1493

00:57:39,030 --> 00:57:38,160

small buildings on stilts in the

1494

00:57:42,069 --> 00:57:39,040

archuleta

1495

00:57:42,789 --> 00:57:42,079

mesa area and he was saying that they

1496

00:57:46,710 --> 00:57:42,799

were

1497

00:57:48,950 --> 00:57:46,720

surveillance platforms uh to surveil

1498

00:57:49,910 --> 00:57:48,960

these nefarious activities that were

1499

00:57:51,670 --> 00:57:49,920

going on there

1500

00:57:55,270 --> 00:57:51,680

i looked at those they're obviously

1501  
00:57:58,710 --> 00:57:55,280  
hunting blinds

1502  
00:58:01,430 --> 00:57:58,720  
that's hilarious um now there

1503  
00:58:02,470 --> 00:58:01,440  
do not appear to be that many folks

1504  
00:58:05,990 --> 00:58:02,480  
involved

1505  
00:58:08,390 --> 00:58:06,000  
on the mj 12 topic um

1506  
00:58:09,270 --> 00:58:08,400  
i believe that there was a book written

1507  
00:58:12,549 --> 00:58:09,280  
by a

1508  
00:58:15,589 --> 00:58:12,559  
well-known uh ufo well a well-known

1509  
00:58:18,950 --> 00:58:15,599  
researcher who also is involved in

1510  
00:58:20,309 --> 00:58:18,960  
um filling out uh foia's whenever he

1511  
00:58:21,990 --> 00:58:20,319  
feels he needs to

1512  
00:58:24,230 --> 00:58:22,000  
to find out more information from our

1513  
00:58:25,430 --> 00:58:24,240

government his name is christian

1514

00:58:27,990 --> 00:58:25,440

lambright

1515

00:58:29,910 --> 00:58:28,000

and believe he wrote a book called ex

1516

00:58:31,510 --> 00:58:29,920

descending

1517

00:58:33,109 --> 00:58:31,520

uh stanton friedman wrote a book about

1518

00:58:36,789 --> 00:58:33,119

it as well yes

1519

00:58:37,750 --> 00:58:36,799

and so wanted to ask i think i saw that

1520

00:58:40,150 --> 00:58:37,760

you had some

1521

00:58:42,230 --> 00:58:40,160

reference notes to a few folks uh

1522

00:58:45,589 --> 00:58:42,240

dedicated to them in your article

1523

00:58:48,230 --> 00:58:45,599

um how in how much

1524

00:58:50,230 --> 00:58:48,240

did what christian lambright wrote how

1525

00:58:52,630 --> 00:58:50,240

much did that influence the topic

1526  
00:58:53,270 --> 00:58:52,640  
and the mj 12 article topic that you

1527  
00:58:55,829 --> 00:58:53,280  
wrote

1528  
00:58:56,470 --> 00:58:55,839  
well in the interest of full disclosure

1529  
00:58:59,510 --> 00:58:56,480  
and to be

1530  
00:59:01,030 --> 00:58:59,520  
completely honest i had purchased x

1531  
00:59:04,549 --> 00:59:01,040  
descending

1532  
00:59:05,270 --> 00:59:04,559  
uh years ago and read it when i wrote my

1533  
00:59:07,750 --> 00:59:05,280  
paper

1534  
00:59:08,710 --> 00:59:07,760  
on the mj 12 the counterintelligence

1535  
00:59:10,870 --> 00:59:08,720  
angle

1536  
00:59:12,870 --> 00:59:10,880  
i completely forgotten that half of

1537  
00:59:13,910 --> 00:59:12,880  
christian lambright's book is about paul

1538  
00:59:17,190 --> 00:59:13,920

bennowitz

1539

00:59:19,030 --> 00:59:17,200

okay so you and i chant had had some

1540

00:59:21,109 --> 00:59:19,040

conversations about that

1541

00:59:23,030 --> 00:59:21,119

and this has spurred me to really dig

1542

00:59:25,670 --> 00:59:23,040

into the paul benoit's affair

1543

00:59:27,910 --> 00:59:25,680

and try to pull up uh all the readily

1544

00:59:31,030 --> 00:59:27,920

available information that's out there

1545

00:59:31,430 --> 00:59:31,040

so i have re-read christian lambricht's

1546

00:59:33,589 --> 00:59:31,440

book

1547

00:59:35,670 --> 00:59:33,599

you know you know very carefully and and

1548

00:59:37,589 --> 00:59:35,680

a lot of the information he has in there

1549

00:59:40,069 --> 00:59:37,599

about paul benoit's has gone into my

1550

00:59:42,950 --> 00:59:40,079

timeline yeah i didn't have much

1551  
00:59:45,589 --> 00:59:42,960  
and that yeah let me uh jump back in as

1552  
00:59:46,470 --> 00:59:45,599  
far as my opinions on dodie i would say

1553  
00:59:49,829 --> 00:59:46,480  
that

1554  
00:59:51,990 --> 00:59:49,839  
to say

1555  
00:59:54,470 --> 00:59:52,000  
i do believe that he was involved in the

1556  
00:59:56,230 --> 00:59:54,480  
concoction of the mj-12 documents

1557  
00:59:57,990 --> 00:59:56,240  
and uh they've actually been really

1558  
01:00:00,470 --> 00:59:58,000  
helpful to me when i first

1559  
01:00:01,990 --> 01:00:00,480  
started researching ufos a little bit

1560  
01:00:04,870 --> 01:00:02,000  
more than a decade ago

1561  
01:00:05,349 --> 01:00:04,880  
it was sort of a a cheat sheet where a

1562  
01:00:07,430 --> 01:00:05,359  
lot of

1563  
01:00:09,109 --> 01:00:07,440

that material was actually very helpful

1564

01:00:12,150 --> 01:00:09,119

to me trying to dig through

1565

01:00:14,230 --> 01:00:12,160

mountains of ufo information and even

1566

01:00:16,549 --> 01:00:14,240

though i always looked at it somewhat uh

1567

01:00:17,750 --> 01:00:16,559

more than a little skeptically and there

1568

01:00:20,549 --> 01:00:17,760

was enough

1569

01:00:22,390 --> 01:00:20,559

it's enough uh based on fact there's

1570

01:00:24,309 --> 01:00:22,400

enough based on fact there

1571

01:00:25,430 --> 01:00:24,319

that i actually found them very helpful

1572

01:00:27,030 --> 01:00:25,440

and i i actually

1573

01:00:28,870 --> 01:00:27,040

kind of have the same opinion towards

1574

01:00:30,470 --> 01:00:28,880

these uh wilson docks that have been

1575

01:00:31,109 --> 01:00:30,480

floating around over the last couple

1576

01:00:32,950 --> 01:00:31,119

years

1577

01:00:34,470 --> 01:00:32,960

that there's enough material in there

1578

01:00:36,390 --> 01:00:34,480

that provides leads

1579

01:00:37,829 --> 01:00:36,400

uh that is helpful it's all kind of

1580

01:00:40,309 --> 01:00:37,839

compiled into

1581

01:00:41,910 --> 01:00:40,319

one nice neat little package and it's

1582

01:00:43,670 --> 01:00:41,920

very helpful i think uh

1583

01:00:45,190 --> 01:00:43,680

the mistake and it's not one that you're

1584

01:00:45,670 --> 01:00:45,200

making but i think that a lot of people

1585

01:00:48,150 --> 01:00:45,680

do

1586

01:00:50,230 --> 01:00:48,160

is to either say yes this is a literal

1587

01:00:51,430 --> 01:00:50,240

truth these are actual documents as

1588

01:00:53,270 --> 01:00:51,440

compared with saying

1589

01:00:55,030 --> 01:00:53,280

well these are really well researched a

1590

01:00:57,510 --> 01:00:55,040

lot of this stuff

1591

01:00:59,190 --> 01:00:57,520

does actually check out it's interesting

1592

01:01:01,270 --> 01:00:59,200

they're well researched and

1593

01:01:03,190 --> 01:01:01,280

let's see where we can go from here

1594

01:01:05,589 --> 01:01:03,200

rather than just accepting them

1595

01:01:07,510 --> 01:01:05,599

as being a hundred percent legitimate so

1596

01:01:08,230 --> 01:01:07,520

uh just uh one to clear that up a little

1597

01:01:10,390 --> 01:01:08,240

bit

1598

01:01:12,470 --> 01:01:10,400

good i want to mention a few things one

1599

01:01:14,150 --> 01:01:12,480

is i had asked christian lambricht who's

1600

01:01:16,870 --> 01:01:14,160

a wonderful person

1601

01:01:19,510 --> 01:01:16,880

uh to uh join us on the show i don't

1602

01:01:23,030 --> 01:01:19,520

think he had the opportunity to do so

1603

01:01:25,190 --> 01:01:23,040

um however um

1604

01:01:26,470 --> 01:01:25,200

uh it would have been nice to be able to

1605

01:01:28,390 --> 01:01:26,480

hear a little bit of input

1606

01:01:30,470 --> 01:01:28,400

he may have been able to share regarding

1607

01:01:33,589 --> 01:01:30,480

his book and his past history

1608

01:01:37,510 --> 01:01:33,599

with uh having uh been able to

1609

01:01:39,109 --> 01:01:37,520

uh to give us his insight

1610

01:01:41,030 --> 01:01:39,119

having known a few of the folks

1611

01:01:42,150 --> 01:01:41,040

regarding this topic that we're talking

1612

01:01:44,789 --> 01:01:42,160

about today

1613

01:01:46,150 --> 01:01:44,799

um so i did share with tom that i was

1614

01:01:46,470 --> 01:01:46,160

hoping that christian lambright would

1615

01:01:48,390 --> 01:01:46,480

share

1616

01:01:50,870 --> 01:01:48,400

i would would actually join us on the

1617

01:01:54,870 --> 01:01:50,880

show but he was not able to do so

1618

01:01:55,829 --> 01:01:54,880

so um my having talked with tom whitmore

1619

01:01:57,750 --> 01:01:55,839

regarding

1620

01:01:59,190 --> 01:01:57,760

christian lambright was limited to that

1621

01:02:01,589 --> 01:01:59,200

respect and only

1622

01:02:03,270 --> 01:02:01,599

uh just talking about his book uh the

1623

01:02:04,630 --> 01:02:03,280

other thing i wanted to mention

1624

01:02:06,630 --> 01:02:04,640

is i thought it was interesting in

1625

01:02:09,990 --> 01:02:06,640

mirage men

1626

01:02:11,589 --> 01:02:10,000

how um and frank you'll have to

1627

01:02:13,270 --> 01:02:11,599

you'll have to correct me if i'm in if

1628

01:02:16,549 --> 01:02:13,280

i'm not right okay

1629

01:02:21,510 --> 01:02:16,559

but in that movie i i

1630

01:02:24,870 --> 01:02:21,520

almost was pretty sure i remember

1631

01:02:27,990 --> 01:02:24,880

that it was the the mutilations that

1632

01:02:31,750 --> 01:02:28,000

were occurring out there in new mexico

1633

01:02:35,190 --> 01:02:31,760

and the archuleta mesa were due to

1634

01:02:38,870 --> 01:02:35,200

a possible nuclear program

1635

01:02:41,750 --> 01:02:38,880

uh kind of a check on the radiation

1636

01:02:42,870 --> 01:02:41,760

levels and the only way to find out more

1637

01:02:46,390 --> 01:02:42,880

about that

1638

01:02:47,510 --> 01:02:46,400

is to actually have cut up these poor

1639

01:02:51,190 --> 01:02:47,520

creatures

1640

01:02:54,309 --> 01:02:51,200

to find out if the radiation levels

1641

01:02:57,829 --> 01:02:54,319

were at a certain point and evidently

1642

01:02:58,309 --> 01:02:57,839

in that area i guess allegedly they were

1643

01:03:00,549 --> 01:02:58,319

very

1644

01:03:03,270 --> 01:03:00,559

high can you fill us in a little bit

1645

01:03:05,029 --> 01:03:03,280

more on that i i like yeah

1646

01:03:06,470 --> 01:03:05,039

you know i have watched the movie but it

1647

01:03:09,670 --> 01:03:06,480

was a while ago

1648

01:03:12,150 --> 01:03:09,680

so i yeah don't remember that sorry

1649

01:03:13,270 --> 01:03:12,160

a little big if tom's memory is better

1650

01:03:16,150 --> 01:03:13,280

on that than mine is i

1651

01:03:18,150 --> 01:03:16,160

i don't recall well i just just this is

1652

01:03:19,829 --> 01:03:18,160

just an aside and i wanted tom's input

1653

01:03:21,990 --> 01:03:19,839

on it aside from yours

1654

01:03:23,029 --> 01:03:22,000

uh so whoever jumps in first that's on

1655

01:03:26,470 --> 01:03:23,039

you guys but

1656

01:03:29,109 --> 01:03:26,480

you know if it is true

1657

01:03:29,510 --> 01:03:29,119

that it turned out it was u.s air force

1658

01:03:32,470 --> 01:03:29,520

or

1659

01:03:34,230 --> 01:03:32,480

what whatever whatever branch of our

1660

01:03:36,710 --> 01:03:34,240

military was there

1661

01:03:37,829 --> 01:03:36,720

dissecting these poor creatures to find

1662

01:03:41,510 --> 01:03:37,839

out if there was

1663

01:03:44,710 --> 01:03:41,520

uh any level of radiation in their uh

1664

01:03:47,589 --> 01:03:44,720

tissues or organs or whatever um

1665

01:03:48,870 --> 01:03:47,599

and it was not you know some e.t

1666

01:03:51,829 --> 01:03:48,880

interference

1667

01:03:53,109 --> 01:03:51,839

uh you know some nefarious et related

1668

01:03:56,390 --> 01:03:53,119

program

1669

01:03:59,829 --> 01:03:56,400

at all then it turns out

1670

01:04:00,870 --> 01:03:59,839

that that mutilation uh that rash of

1671

01:04:02,789 --> 01:04:00,880

them going on

1672

01:04:05,190 --> 01:04:02,799

had nothing to do with that topic

1673

01:04:08,230 --> 01:04:05,200

thoughts on that

1674

01:04:10,549 --> 01:04:08,240

well i think this whole idea that the

1675

01:04:13,190 --> 01:04:10,559

government was behind

1676

01:04:14,549 --> 01:04:13,200

uh mutilating the cows because of

1677

01:04:16,230 --> 01:04:14,559

radiation i

1678

01:04:18,150 --> 01:04:16,240

have a lot of problems with that for a

1679

01:04:21,430 --> 01:04:18,160

couple of reasons

1680

01:04:23,430 --> 01:04:21,440

uh now chant i believe you're

1681

01:04:25,829 --> 01:04:23,440

familiar enough with new mexico i

1682

01:04:27,750 --> 01:04:25,839

believe that a lot of new mexico land as

1683

01:04:30,549 --> 01:04:27,760

bureau of land management

1684

01:04:32,630 --> 01:04:30,559

land so what's to stop the government

1685

01:04:34,950 --> 01:04:32,640

from putting as many cows as they want

1686

01:04:36,950 --> 01:04:34,960

wherever they think there's radiation

1687

01:04:39,670 --> 01:04:36,960

you know and then do their testing that

1688

01:04:42,870 --> 01:04:41,750

and another thing is why not just go up

1689

01:04:45,029 --> 01:04:42,880

to the ranchers

1690

01:04:46,470 --> 01:04:45,039

may we please buy we'd like to purchase

1691

01:04:49,349 --> 01:04:46,480

one or more of your

1692

01:04:50,789 --> 01:04:49,359

cows we're doing an environmental study

1693

01:04:53,510 --> 01:04:50,799

you know and they could pay them

1694

01:04:54,710 --> 01:04:53,520

10 times what the cows are worth and cut

1695

01:04:56,630 --> 01:04:54,720

them up to their hearts of

1696

01:04:58,309 --> 01:04:56,640

content you know it just doesn't make

1697

01:05:00,150 --> 01:04:58,319

any sense i i do have

1698

01:05:01,430 --> 01:05:00,160

it that way i do have something to say

1699

01:05:05,750 --> 01:05:01,440

that

1700

01:05:08,710 --> 01:05:05,760

um if if it was a top secret level

1701

01:05:09,430 --> 01:05:08,720

type of program that they were doing

1702

01:05:14,069 --> 01:05:09,440

being any

1703

01:05:16,630 --> 01:05:14,079

branch of our government or department

1704

01:05:18,150 --> 01:05:16,640

they would not want to ask them anything

1705

01:05:19,829 --> 01:05:18,160

at all meaning the farmers or the

1706

01:05:21,589 --> 01:05:19,839

ranchers because

1707

01:05:23,349 --> 01:05:21,599

they don't want them to be privy to that

1708

01:05:25,190 --> 01:05:23,359

kind of level of knowledge

1709

01:05:27,109 --> 01:05:25,200

that's a guess i'm not saying that's

1710

01:05:27,829 --> 01:05:27,119

true yeah i mean the simple work around

1711

01:05:29,270 --> 01:05:27,839

to that is they

1712

01:05:30,789 --> 01:05:29,280

they just set up some kind of a shell

1713

01:05:32,470 --> 01:05:30,799

company and they just stay i want to buy

1714

01:05:34,390 --> 01:05:32,480

a couple of your cows

1715

01:05:35,510 --> 01:05:34,400

you know it's very easy for them to do

1716

01:05:37,430 --> 01:05:35,520

that too so

1717

01:05:39,270 --> 01:05:37,440

yeah if they wanted to hide their tracks

1718

01:05:40,870 --> 01:05:39,280

you know that's been done before

1719

01:05:43,270 --> 01:05:40,880

there's something folks can look up if

1720

01:05:45,589 --> 01:05:43,280

they wish called crypto ag

1721

01:05:47,589 --> 01:05:45,599

there is a faction of our uh us

1722

01:05:50,309 --> 01:05:47,599

government that actually created a

1723

01:05:51,029 --> 01:05:50,319

a uh a company in the manner you just

1724

01:05:53,190 --> 01:05:51,039

stated

1725

01:05:54,470 --> 01:05:53,200

and they were actually uh on the stock

1726

01:05:57,349 --> 01:05:54,480

market

1727

01:05:59,190 --> 01:05:57,359

so that anyway yes that is totally

1728

01:06:01,510 --> 01:05:59,200

possible however

1729

01:06:02,829 --> 01:06:01,520

you know it's it's not unusual for a

1730

01:06:06,309 --> 01:06:02,839

rancher

1731

01:06:08,630 --> 01:06:06,319

um or a farmer or anybody who just has

1732

01:06:12,309 --> 01:06:08,640

one cow to milk okay out there

1733

01:06:14,950 --> 01:06:12,319

uh anywhere to say no i won't do it

1734

01:06:17,510 --> 01:06:14,960

and that's because they don't want to

1735

01:06:19,190 --> 01:06:17,520

share or sell their animals to anybody

1736

01:06:20,630 --> 01:06:19,200

they have a certain relationship with

1737

01:06:22,309 --> 01:06:20,640

them and that's just how it is

1738

01:06:23,829 --> 01:06:22,319

it's been for generations and their

1739

01:06:25,829 --> 01:06:23,839

families so

1740

01:06:27,670 --> 01:06:25,839

you know the it's quite possible that

1741

01:06:29,510 --> 01:06:27,680

the us government just felt like

1742

01:06:31,270 --> 01:06:29,520

they didn't want any rumors to fly

1743

01:06:33,349 --> 01:06:31,280

around at all about anything

1744

01:06:35,349 --> 01:06:33,359

or any new companies in the area you've

1745

01:06:38,549 --> 01:06:35,359

got to understand these are small

1746

01:06:41,349 --> 01:06:38,559

areas in the southwest i mean like

1747

01:06:42,309 --> 01:06:41,359

they probably have a few stop signs one

1748

01:06:45,670 --> 01:06:42,319

gas station

1749

01:06:46,069 --> 01:06:45,680

a very tiny population a new company in

1750

01:06:49,270 --> 01:06:46,079

any

1751

01:06:50,789 --> 01:06:49,280

area that small uh you know there's

1752

01:06:51,270 --> 01:06:50,799

going to be a lot of gossip flying

1753

01:06:53,190 --> 01:06:51,280

around

1754

01:06:55,349 --> 01:06:53,200

and people want to know all about them

1755

01:06:55,910 --> 01:06:55,359

that kind of thing i think that the us

1756

01:06:58,069 --> 01:06:55,920

government

1757

01:06:59,670 --> 01:06:58,079

if that story is true regarding their

1758

01:07:02,470 --> 01:06:59,680

having tested

1759

01:07:03,029 --> 01:07:02,480

and mutilated these poor creatures you

1760

01:07:05,589 --> 01:07:03,039

know

1761

01:07:09,349 --> 01:07:05,599

they they did it they just did it

1762

01:07:12,789 --> 01:07:11,270

you may be right i i have a lot of

1763

01:07:13,990 --> 01:07:12,799

problems with it now i've been out to

1764

01:07:15,829 --> 01:07:14,000

dulce new mexico

1765

01:07:17,750 --> 01:07:15,839

and believe me it's out in the middle of

1766

01:07:19,430 --> 01:07:17,760

nowhere yeah

1767

01:07:21,510 --> 01:07:19,440

now it's not unusual for the us

1768

01:07:23,589 --> 01:07:21,520

government to ask an entire town to not

1769

01:07:25,750 --> 01:07:23,599

say anything that's been done before

1770

01:07:27,510 --> 01:07:25,760

i think it may have been dulce folks

1771

01:07:30,789 --> 01:07:27,520

will have to check on that

1772

01:07:33,750 --> 01:07:30,799

but there were some uh top secret or

1773

01:07:35,589 --> 01:07:33,760

a secret level uh type of programs going

1774

01:07:36,950 --> 01:07:35,599

on somewhere in new mexico i believe it

1775

01:07:39,029 --> 01:07:36,960

may have been dulce where

1776

01:07:40,069 --> 01:07:39,039

uh towns folks were actually asked to

1777

01:07:43,190 --> 01:07:40,079

sign something

1778

01:07:45,670 --> 01:07:43,200

uh in order to not uh

1779

01:07:47,589 --> 01:07:45,680

share any any information they might uh

1780

01:07:50,150 --> 01:07:47,599

observe or find out about

1781

01:07:50,630 --> 01:07:50,160

um anyway uh so i'm really glad we were

1782

01:07:52,789 --> 01:07:50,640

able to

1783

01:07:53,670 --> 01:07:52,799

to cover that topic thank you so much

1784

01:07:55,190 --> 01:07:53,680

and uh

1785

01:07:56,630 --> 01:07:55,200

also tom did you have any more

1786

01:07:59,270 --> 01:07:56,640

information you wanted to share with us

1787

01:08:03,910 --> 01:07:59,280

on the mj12 topic

1788

01:08:08,630 --> 01:08:06,150

i i'm going to be working on a lot of

1789

01:08:11,510 --> 01:08:08,640

different papers and there are different

1790

01:08:13,589 --> 01:08:11,520

subjects for example uh i've told you

1791

01:08:14,710 --> 01:08:13,599

i've been working on this paul benowitz

1792

01:08:16,870 --> 01:08:14,720

paper but

1793

01:08:18,149 --> 01:08:16,880

i'm going to be working on a paper uh

1794

01:08:22,950 --> 01:08:18,159

that i'm going to title

1795

01:08:26,550 --> 01:08:22,960

before mj 12. and it's a series of

1796

01:08:29,910 --> 01:08:26,560

events and claims and stories

1797

01:08:32,789 --> 01:08:29,920

that occurred before this whole sequence

1798

01:08:34,870 --> 01:08:32,799

uh arose in the 1980s and this is going

1799

01:08:37,910 --> 01:08:34,880

back to the 40s and 50s

1800

01:08:39,189 --> 01:08:37,920

and up through the years now

1801

01:08:40,950 --> 01:08:39,199

yeah just that for a little

1802

01:08:44,390 --> 01:08:40,960

clarification does this

1803

01:08:46,390 --> 01:08:44,400

relate to uh goings-on within the ufo

1804

01:08:48,709 --> 01:08:46,400

field or are you talking more about

1805

01:08:50,229 --> 01:08:48,719

looking at it and the government and

1806

01:08:51,910 --> 01:08:50,239

what the government was actually doing

1807

01:08:54,630 --> 01:08:51,920

regarding ufos i mean it's a

1808

01:08:55,910 --> 01:08:54,640

it it's not a secret it's a matter of a

1809

01:08:58,149 --> 01:08:55,920

public record that

1810

01:08:58,950 --> 01:08:58,159

truman was briefed on a quarterly basis

1811

01:09:02,229 --> 01:08:58,960

by his uh

1812

01:09:03,030 --> 01:09:02,239

air force chief of staff uh general uh

1813

01:09:05,269 --> 01:09:03,040

landry

1814

01:09:06,070 --> 01:09:05,279

uh for example that there were meetings

1815

01:09:09,349 --> 01:09:06,080

in the white house

1816

01:09:10,149 --> 01:09:09,359

uh uh regarding uh ufo uh uh the ufo

1817

01:09:13,910 --> 01:09:10,159

incident

1818

01:09:15,030 --> 01:09:13,920

over washington dc in 1952 and uh you

1819

01:09:18,309 --> 01:09:15,040

know

1820

01:09:19,189 --> 01:09:18,319

the uh truman years are pretty well

1821

01:09:20,950 --> 01:09:19,199

covered

1822

01:09:22,950 --> 01:09:20,960

the truman library has done a really

1823

01:09:24,950 --> 01:09:22,960

nice job as far as

1824

01:09:26,229 --> 01:09:24,960

getting a lot of information together

1825

01:09:28,550 --> 01:09:26,239

and some of that

1826

01:09:29,829 --> 01:09:28,560

does include the ufo stuff the other

1827

01:09:32,229 --> 01:09:29,839

libraries maybe not

1828

01:09:33,749 --> 01:09:32,239

quite as well but that period is pretty

1829

01:09:35,590 --> 01:09:33,759

well covered and it's uh pretty

1830

01:09:38,390 --> 01:09:35,600

interesting

1831

01:09:40,229 --> 01:09:38,400

yes well there there are just some

1832

01:09:44,390 --> 01:09:40,239

things that

1833

01:09:48,630 --> 01:09:44,400

i think in terms of general public

1834

01:09:50,390 --> 01:09:48,640

uh perception could have helped to

1835

01:09:53,430 --> 01:09:50,400

contribute

1836

01:09:55,030 --> 01:09:53,440

to the idea that something like mj-12

1837

01:09:56,790 --> 01:09:55,040

could have existed

1838

01:09:58,390 --> 01:09:56,800

so i'm just going to go over a few of

1839

01:10:00,550 --> 01:09:58,400

those things that have occurred over the

1840

01:10:03,350 --> 01:10:00,560

years

1841

01:10:03,590 --> 01:10:03,360

there's also the the men in black angle

1842

01:10:11,430 --> 01:10:03,600

and

1843

01:10:14,070 --> 01:10:11,440

uh uh your classic men in black

1844

01:10:14,630 --> 01:10:14,080

but rather you know the government side

1845

01:10:18,070 --> 01:10:14,640

of it

1846

01:10:20,310 --> 01:10:18,080

and bill moore pointed out in a very

1847

01:10:22,070 --> 01:10:20,320

interesting but very obscure article and

1848

01:10:23,270 --> 01:10:22,080

i'm one of the very few people that has

1849

01:10:25,590 --> 01:10:23,280

a copy of it

1850

01:10:27,350 --> 01:10:25,600

that he pointed out these this

1851

01:10:30,550 --> 01:10:27,360

particular

1852

01:10:33,350 --> 01:10:30,560

uh group in the air force that that does

1853

01:10:35,510 --> 01:10:33,360

some nefarious things they have actors

1854

01:10:37,189 --> 01:10:35,520

they have con men that can deceive

1855

01:10:39,750 --> 01:10:37,199

people and do things

1856

01:10:40,709 --> 01:10:39,760

so i'm going to be looking at that as

1857

01:10:42,950 --> 01:10:40,719

well

1858

01:10:43,830 --> 01:10:42,960

and i'm going to be looking at mj 12

1859

01:10:46,790 --> 01:10:43,840

from the counter

1860

01:10:48,950 --> 01:10:46,800

from the uh psychological warfare angle

1861

01:10:51,350 --> 01:10:48,960

and so on and so forth so

1862

01:10:53,430 --> 01:10:51,360

i'm trying to refer to things that

1863

01:10:55,830 --> 01:10:53,440

actually exist

1864

01:10:57,189 --> 01:10:55,840

and and not make claims you know that i

1865

01:11:00,310 --> 01:10:57,199

can't support

1866

01:11:01,830 --> 01:11:00,320

understood now uh james carrion's name

1867

01:11:04,070 --> 01:11:01,840

has uh come up

1868

01:11:04,950 --> 01:11:04,080

in the past and uh you worked with him

1869

01:11:08,229 --> 01:11:04,960

as a

1870

01:11:10,070 --> 01:11:08,239

part of mufon uh for a time there he was

1871

01:11:12,709 --> 01:11:10,080

actually the mufon director

1872

01:11:15,110 --> 01:11:12,719

and he resigned he was uh rather upset

1873

01:11:18,070 --> 01:11:15,120

uh regarding uh the bigelow money that

1874

01:11:19,990 --> 01:11:18,080

we know now uh came uh from the pentagon

1875

01:11:23,110 --> 01:11:20,000

uh the bigelow money that was being

1876

01:11:25,510 --> 01:11:23,120

uh passed to mufon uh during the uh

1877

01:11:27,590 --> 01:11:25,520

during the run of the uh the atip

1878

01:11:30,229 --> 01:11:27,600

program uh you worked with carrion

1879

01:11:30,709 --> 01:11:30,239

and he is of the opinion that the entire

1880

01:11:33,030 --> 01:11:30,719

uh

1881

01:11:33,990 --> 01:11:33,040

ufo field i'm probably oversimplifying

1882

01:11:36,950 --> 01:11:34,000

but the entire

1883

01:11:37,510 --> 01:11:36,960

uh ufo field is a sort of a counter

1884

01:11:39,590 --> 01:11:37,520

intel

1885

01:11:41,510 --> 01:11:39,600

operation now uh can you give us your

1886

01:11:42,709 --> 01:11:41,520

thoughts on that carrying and having uh

1887

01:11:46,630 --> 01:11:42,719

work with him a little bit

1888

01:11:49,830 --> 01:11:46,640

and then on his uh uh his thesis there

1889

01:11:52,470 --> 01:11:49,840

yes well uh james carrion uh was in the

1890

01:11:54,950 --> 01:11:52,480

military and i think he worked

1891

01:11:57,110 --> 01:11:54,960

in intelligence in some way or another

1892

01:11:57,830 --> 01:11:57,120

now a lot of people in the military work

1893

01:12:03,750 --> 01:11:57,840

in

1894

01:12:07,669 --> 01:12:03,760

experience that

1895

01:12:10,790 --> 01:12:07,679

uh this uh caused him to be

1896

01:12:12,390 --> 01:12:10,800

to perceive certain things in in the

1897

01:12:15,350 --> 01:12:12,400

intelligence realm

1898

01:12:18,070 --> 01:12:15,360

and he ran across an article about a

1899

01:12:21,430 --> 01:12:18,080

study that was being done in new zealand

1900

01:12:24,229 --> 01:12:21,440

about creating tsunami tsunamis

1901

01:12:25,669 --> 01:12:24,239

with with nuclear bombs with atomic

1902

01:12:28,229 --> 01:12:25,679

bombs

1903

01:12:30,390 --> 01:12:28,239

and he found that to be coincidental

1904

01:12:34,310 --> 01:12:30,400

with certain other things that were

1905

01:12:37,189 --> 01:12:34,320

that were going on at the time and

1906

01:12:38,709 --> 01:12:37,199

he he ran with that and started working

1907

01:12:42,149 --> 01:12:38,719

on the thesis

1908

01:12:45,430 --> 01:12:42,159

that the whole well that at least much

1909

01:12:49,750 --> 01:12:45,440

of the ufo problem has arisen

1910

01:12:52,950 --> 01:12:49,760

out of psychological warfare uh

1911

01:12:56,229 --> 01:12:52,960

efforts by the air force and

1912

01:12:57,430 --> 01:12:56,239

he goes back to the time of the ghost

1913

01:13:00,630 --> 01:12:57,440

rockets

1914

01:13:01,669 --> 01:13:00,640

in in scandinavia uh i think he did a

1915

01:13:03,510 --> 01:13:01,679

lot of research

1916

01:13:04,790 --> 01:13:03,520

at the national archives he did some

1917

01:13:07,350 --> 01:13:04,800

good research

1918

01:13:08,630 --> 01:13:07,360

particularly concerning general

1919

01:13:11,590 --> 01:13:08,640

vandenberg

1920

01:13:13,189 --> 01:13:11,600

who he says was very involved in

1921

01:13:15,510 --> 01:13:13,199

psychological warfare

1922

01:13:18,070 --> 01:13:15,520

during world war ii and carried this

1923

01:13:20,709 --> 01:13:18,080

over into the 1950s

1924

01:13:21,669 --> 01:13:20,719

um i got the impression like you did

1925

01:13:23,750 --> 01:13:21,679

frank

1926

01:13:24,709 --> 01:13:23,760

that he thinks that the whole ufo

1927

01:13:26,310 --> 01:13:24,719

problem

1928

01:13:28,790 --> 01:13:26,320

was has been created by these

1929

01:13:31,669 --> 01:13:28,800

psychological warfare

1930

01:13:32,390 --> 01:13:31,679

efforts and it's similar to another

1931

01:13:33,990 --> 01:13:32,400

gentleman

1932

01:13:35,750 --> 01:13:34,000

and i can't remember his name right now

1933

01:13:38,790 --> 01:13:35,760

another senior moment

1934

01:13:39,430 --> 01:13:38,800

but he he believed that the cia had

1935

01:13:42,229 --> 01:13:39,440

created

1936

01:13:44,390 --> 01:13:42,239

the whole perception about ufos and that

1937

01:13:46,790 --> 01:13:44,400

they were creating phony radar returns

1938

01:13:51,350 --> 01:13:46,800

and so on and so forth so there is this

1939

01:13:54,950 --> 01:13:54,149

all right well thank you very much for

1940

01:13:57,430 --> 01:13:54,960

having gone

1941

01:13:59,189 --> 01:13:57,440

over the topic that we're all discussing

1942

01:14:02,870 --> 01:13:59,199

so comprehensively

1943

01:14:04,950 --> 01:14:02,880

tom we're very appreciative of your time

1944

01:14:06,149 --> 01:14:04,960

and uh really i'm very grateful that you

1945

01:14:08,070 --> 01:14:06,159

had the time

1946

01:14:09,990 --> 01:14:08,080

to spend with us today on the show and

1947

01:14:12,630 --> 01:14:10,000

frank did you have any other questions

1948

01:14:14,229 --> 01:14:12,640

uh yeah yeah i i had to cut my mic a

1949

01:14:15,910 --> 01:14:14,239

little bit there because uh the neighbor

1950

01:14:17,830 --> 01:14:15,920

decided to cut his lawn in the middle of

1951

01:14:19,270 --> 01:14:17,840

our shower here so

1952

01:14:21,030 --> 01:14:19,280

i wanted i wasn't sure if that was

1953

01:14:22,310 --> 01:14:21,040

getting picked up on the air or not but

1954

01:14:25,350 --> 01:14:22,320

i wanted to uh

1955

01:14:28,550 --> 01:14:25,360

uh

1956

01:14:31,189 --> 01:14:28,560

sounds like

1957

01:14:31,910 --> 01:14:31,199

you think he's a a serious credible guy

1958

01:14:34,310 --> 01:14:31,920

but

1959

01:14:36,229 --> 01:14:34,320

uh it seemed like if he really thought

1960

01:14:37,510 --> 01:14:36,239

that or at least he was leaning towards

1961

01:14:40,070 --> 01:14:37,520

that during his days

1962

01:14:41,669 --> 01:14:40,080

uh in terms of uh working with mufon i

1963

01:14:43,910 --> 01:14:41,679

guess he didn't know

1964

01:14:45,830 --> 01:14:43,920

that bigelow's moneybackers were

1965

01:14:46,229 --> 01:14:45,840

actually the pentagon at that point but

1966

01:14:51,270 --> 01:14:46,239

uh

1967

01:14:53,669 --> 01:14:51,280

to you why he took such umbrage

1968

01:14:55,030 --> 01:14:53,679

at uh i guess it was uh cliff clift at

1969

01:14:56,550 --> 01:14:55,040

that point in time

1970

01:14:58,470 --> 01:14:56,560

saying yeah we'll take that money and

1971

01:14:59,910 --> 01:14:58,480

we'll do something with it from bigelow

1972

01:15:01,750 --> 01:14:59,920

do you know why he was so upset about

1973

01:15:04,790 --> 01:15:01,760

that

1974

01:15:07,669 --> 01:15:04,800

like you said frank i was there and

1975

01:15:09,669 --> 01:15:07,679

we were presented with this opportunity

1976

01:15:12,950 --> 01:15:09,679

from mr bigelow

1977

01:15:14,550 --> 01:15:12,960

to have the opportunity to have a rapid

1978

01:15:18,229 --> 01:15:14,560

response team

1979

01:15:21,270 --> 01:15:18,239

so if there was a promising ufo sighting

1980

01:15:25,189 --> 01:15:21,280

or promising ufo event

1981

01:15:28,310 --> 01:15:25,199

it was our intention to be able to

1982

01:15:30,550 --> 01:15:28,320

send a team there immediately okay

1983

01:15:32,470 --> 01:15:30,560

now mufon does not have a lot of money

1984

01:15:35,669 --> 01:15:32,480

for that on its own

1985

01:15:37,270 --> 01:15:35,679

so mr bigelow came in with lots and lots

1986

01:15:39,669 --> 01:15:37,280

of money for this

1987

01:15:42,070 --> 01:15:39,679

and it was our intention i know that the

1988

01:15:45,030 --> 01:15:42,080

intentions were good on our side

1989

01:15:46,790 --> 01:15:45,040

now mr bigelow did not disclose the

1990

01:15:49,189 --> 01:15:46,800

source of the funds

1991

01:15:51,510 --> 01:15:49,199

and i can tell you being a board member

1992

01:15:54,229 --> 01:15:51,520

and knowing the other board members

1993

01:15:56,709 --> 01:15:54,239

we have we had the perception that the

1994

01:15:59,110 --> 01:15:56,719

money was coming from private interests

1995

01:16:00,149 --> 01:15:59,120

you know these uh lawrence roger feller

1996

01:16:02,630 --> 01:16:00,159

types the

1997

01:16:04,149 --> 01:16:02,640

crown prince of liechtenstein maybe

1998

01:16:06,870 --> 01:16:04,159

bigelow himself

1999

01:16:08,870 --> 01:16:06,880

yeah yeah and there was no reason to

2000

01:16:09,750 --> 01:16:08,880

think otherwise i mean bigelow has his

2001

01:16:11,510 --> 01:16:09,760

means and

2002

01:16:13,910 --> 01:16:11,520

uh do you remember the amount i mean it

2003

01:16:15,910 --> 01:16:13,920

wasn't uh it wasn't millions uh he was

2004

01:16:17,750 --> 01:16:15,920

offering up to move on

2005

01:16:19,990 --> 01:16:17,760

do you remember the exact amount i mean

2006

01:16:22,790 --> 01:16:20,000

it was a several thousand i guess

2007

01:16:27,990 --> 01:16:22,800

but there wasn't a fortune you know i'm

2008

01:16:32,630 --> 01:16:30,390

terms right right now it may have been

2009

01:16:35,990 --> 01:16:32,640

pocket change to him

2010

01:16:36,709 --> 01:16:36,000

but uh mr bigelow is very strict about

2011

01:16:38,709 --> 01:16:36,719

money

2012

01:16:40,229 --> 01:16:38,719

and he he wants an accounting for

2013

01:16:43,110 --> 01:16:40,239

everything

2014

01:16:44,149 --> 01:16:43,120

but uh i think james carrion got

2015

01:16:47,110 --> 01:16:44,159

suspicious

2016

01:16:47,669 --> 01:16:47,120

and he was hearing about this skinwalker

2017

01:16:50,070 --> 01:16:47,679

ranch

2018

01:16:52,149 --> 01:16:50,080

situation and i think that james

2019

01:16:54,310 --> 01:16:52,159

actually went to the location

2020

01:16:55,830 --> 01:16:54,320

and wanted to go on to the ranch and he

2021

01:16:58,229 --> 01:16:55,840

wasn't admitted

2022

01:16:59,430 --> 01:16:58,239

i think that he became suspicious of

2023

01:17:01,110 --> 01:16:59,440

bigelow

2024

01:17:03,110 --> 01:17:01,120

and that he may have believed that the

2025

01:17:03,590 --> 01:17:03,120

money was coming from the government so

2026

01:17:07,990 --> 01:17:03,600

he

2027

01:17:11,510 --> 01:17:08,000

out

2028

01:17:13,669 --> 01:17:11,520

in december 2017 in the new york times

2029

01:17:15,510 --> 01:17:13,679

i read that thing and i put two and two

2030

01:17:15,990 --> 01:17:15,520

together you know and realized where the

2031

01:17:19,830 --> 01:17:16,000

money was

2032

01:17:24,390 --> 01:17:22,630

fascinating well i think we i i think we

2033

01:17:24,870 --> 01:17:24,400

got a little uh some inside poop there

2034

01:17:27,910 --> 01:17:24,880

that was

2035

01:17:30,870 --> 01:17:27,920

thanks tom appreciate that

2036

01:17:31,430 --> 01:17:30,880

go ahead and recommend to everybody to

2037

01:17:34,630 --> 01:17:31,440

please

2038

01:17:37,830 --> 01:17:34,640

read that wonderful article that tom

2039

01:17:38,950 --> 01:17:37,840

took a lot of time doing uh research and

2040

01:17:41,430 --> 01:17:38,960

hard work on

2041

01:17:43,350 --> 01:17:41,440

he also has a complete list of citations

2042

01:17:44,630 --> 01:17:43,360

and references so folks can peruse

2043

01:17:46,310 --> 01:17:44,640

through those at the

2044

01:17:47,830 --> 01:17:46,320

i think the bottom of the article but

2045

01:17:48,470 --> 01:17:47,840

they are included in the article that he

2046

01:17:52,310 --> 01:17:48,480

wrote

2047

01:17:53,510 --> 01:17:52,320

on uh 9 10 of the this year it was

2048

01:17:56,870 --> 01:17:53,520

titled mg

2049

01:18:00,310 --> 01:17:56,880

12 the counter intelligence angle on

2050

01:18:02,950 --> 01:18:00,320

tom whitmoreblog.wordpress.com now i

2051

01:18:09,270 --> 01:18:02,960

want to spell that out for our listeners

2052

01:18:12,709 --> 01:18:09,280

so it's tom tom whitmore w-h-i-t-m-o-r-e

2053

01:18:18,070 --> 01:18:12,719

dot oh sorry tom whitmore

2054

01:18:20,870 --> 01:18:18,080

so that's t-o-m-w-h-i-t-m-o-r-e-blog

2055

01:18:21,510 --> 01:18:20,880

dot wordpress.com now if you need to

2056

01:18:23,910 --> 01:18:21,520

find that

2057

01:18:25,990 --> 01:18:23,920

and you can't what you can do is just

2058

01:18:29,830 --> 01:18:26,000

type in tom whitmore blog

2059

01:18:31,990 --> 01:18:29,840

and you can also type in mjspace12

2060

01:18:32,870 --> 01:18:32,000

and on google hit enter and you'll

2061

01:18:35,669 --> 01:18:32,880

you'll probably

2062

01:18:36,550 --> 01:18:35,679

find it but we'll include that link to

2063

01:18:38,870 --> 01:18:36,560

the article

2064

01:18:40,149 --> 01:18:38,880

underneath this podcast so that you can

2065

01:18:42,550 --> 01:18:40,159

find it and

2066

01:18:44,310 --> 01:18:42,560

uh yeah let me let me jump into it with

2067

01:18:47,030 --> 01:18:44,320

one last thing now that i've got that

2068

01:18:47,430 --> 01:18:47,040

my memory banks properly engaged here

2069

01:18:49,669 --> 01:18:47,440

now

2070

01:18:51,430 --> 01:18:49,679

i also want to go back uh since uh we're

2071

01:18:52,550 --> 01:18:51,440

talking about the bigelow's involvement

2072

01:18:55,110 --> 01:18:52,560

with mufon

2073

01:18:55,830 --> 01:18:55,120

and i i i still think that uh some of

2074

01:18:57,910 --> 01:18:55,840

the uh

2075

01:18:59,669 --> 01:18:57,920

the fine work that some of the finest

2076

01:19:02,149 --> 01:18:59,679

work that the mufan's ever done

2077

01:19:04,149 --> 01:19:02,159

uh was related to that stephenville case

2078

01:19:07,350 --> 01:19:04,159

back in 2009

2079

01:19:09,430 --> 01:19:07,360

and uh uh i would think that

2080

01:19:10,950 --> 01:19:09,440

bigelow was still involved with mufon

2081

01:19:12,550 --> 01:19:10,960

while that case was going on would that

2082

01:19:14,950 --> 01:19:12,560

be about right tom

2083

01:19:16,070 --> 01:19:14,960

i don't think so you don't think so okay

2084

01:19:18,229 --> 01:19:16,080

okay yeah

2085

01:19:19,669 --> 01:19:18,239

it ended during that at the same time

2086

01:19:23,030 --> 01:19:19,679

that that uh

2087

01:19:24,070 --> 01:19:23,040

james carrion left okay as as executive

2088

01:19:26,070 --> 01:19:24,080

director

2089

01:19:28,229 --> 01:19:26,080

and i'd just like to point out champ

2090

01:19:30,550 --> 01:19:28,239

thank you for quoting my blog

2091

01:19:31,430 --> 01:19:30,560

there's also an audio version of that if

2092

01:19:34,950 --> 01:19:31,440

you go on

2093

01:19:36,470 --> 01:19:34,960

youtube and type in tom whitmore mj12

2094

01:19:38,550 --> 01:19:36,480

you should see it there's a

2095

01:19:40,470 --> 01:19:38,560

there's an image of an mj12 document

2096

01:19:43,669 --> 01:19:40,480

there and you can listen to

2097

01:19:45,350 --> 01:19:43,679

a a audio version oh good yes then

2098

01:19:46,390 --> 01:19:45,360

that's important that you did say that

2099

01:19:47,990 --> 01:19:46,400

because

2100

01:19:50,070 --> 01:19:48,000

actually there are a lot of folks out

2101  
01:19:52,310 --> 01:19:50,080  
there who don't have the ability

2102  
01:19:53,830 --> 01:19:52,320  
for whatever reason whatever unknown or

2103  
01:19:56,950 --> 01:19:53,840  
known reasons they cannot

2104  
01:19:58,550 --> 01:19:56,960  
read articles on the internet so being

2105  
01:20:00,709 --> 01:19:58,560  
able to have the privilege of listening

2106  
01:20:02,830 --> 01:20:00,719  
to them by audio is very very important

2107  
01:20:04,310 --> 01:20:02,840  
so please do go on youtube type in tom

2108  
01:20:08,229 --> 01:20:04,320  
whitmore mj

2109  
01:20:09,430 --> 01:20:08,239  
space 12 and so that's mj and then add a

2110  
01:20:11,990 --> 01:20:09,440  
little space

2111  
01:20:13,830 --> 01:20:12,000  
and then type in 12 hit enter and you

2112  
01:20:16,229 --> 01:20:13,840  
should be able to find that audio if you

2113  
01:20:18,870 --> 01:20:16,239

cannot what you can also do is you can

2114

01:20:20,390 --> 01:20:18,880

a little trick here go on google type in

2115

01:20:23,030 --> 01:20:20,400

tom whitmore

2116

01:20:23,510 --> 01:20:23,040

and then type in mj and then add in a

2117

01:20:26,550 --> 01:20:23,520

space

2118

01:20:28,070 --> 01:20:26,560

type in 12 then add in youtube

2119

01:20:30,870 --> 01:20:28,080

and you should be able to find that

2120

01:20:33,110 --> 01:20:30,880

right away on google from google

2121

01:20:34,950 --> 01:20:33,120

all right well tom we thank you so much

2122

01:20:37,030 --> 01:20:34,960

for uh the time that you spent with us

2123

01:20:39,110 --> 01:20:37,040

today frank i appreciate it yeah it was

2124

01:20:40,790 --> 01:20:39,120

it was a very enlightening it was very

2125

01:20:42,709 --> 01:20:40,800

enlightening uh always great to have you

2126  
01:20:44,310 --> 01:20:42,719  
on tom i sure do appreciate it we always

2127  
01:20:44,870 --> 01:20:44,320  
enjoy having you on the show thank you

2128  
01:20:47,750 --> 01:20:44,880  
tom

2129  
01:20:49,270 --> 01:20:47,760  
thank you frank thank you jim so uh

2130  
01:20:51,189 --> 01:20:49,280  
thanks for joining us and

2131  
01:20:53,430 --> 01:20:51,199  
we do have the thanksgiving holiday

2132  
01:20:54,229 --> 01:20:53,440  
coming up towards the end of the month i

2133  
01:20:56,229 --> 01:20:54,239  
think we've got

2134  
01:20:58,229 --> 01:20:56,239  
a couple weekends before thanksgiving

2135  
01:21:01,189 --> 01:20:58,239  
weekend i don't think we have anything

2136  
01:21:02,629 --> 01:21:01,199  
quite firmed up yet on the agenda chant

2137  
01:21:05,830 --> 01:21:02,639  
uh is that about right

2138  
01:21:08,229 --> 01:21:05,840

oh you do oh you do but do we sure this

2139

01:21:10,629 --> 01:21:08,239

is not i mean it is for certain but i

2140

01:21:13,750 --> 01:21:10,639

don't always like saying oh this is

2141

01:21:15,590 --> 01:21:13,760

okay okay okay so so we may or may not

2142

01:21:16,709 --> 01:21:15,600

be back before thanksgiving and we

2143

01:21:18,390 --> 01:21:16,719

definitely won't do anything

2144

01:21:21,990 --> 01:21:18,400

thanksgiving weekend

2145

01:21:25,430 --> 01:21:22,000

next weekend i may be going somewhere

2146

01:21:27,350 --> 01:21:25,440

to actually cover a ufo related event

2147

01:21:30,070 --> 01:21:27,360

i'm not going to say what it is

2148

01:21:31,030 --> 01:21:30,080

okay but i will be talking to an

2149

01:21:33,270 --> 01:21:31,040

individual

2150

01:21:35,270 --> 01:21:33,280

uh hopefully that may happen if he has

2151

01:21:38,390 --> 01:21:35,280

the time who's known worldwide

2152

01:21:39,189 --> 01:21:38,400

regarding the ufo topic uh let me put it

2153

01:21:41,270 --> 01:21:39,199

this way

2154

01:21:42,629 --> 01:21:41,280

folks that are out of the ufo community

2155

01:21:45,910 --> 01:21:42,639

he's a household name they

2156

01:21:47,830 --> 01:21:45,920

they all know who he is hopefully i'll

2157

01:21:50,149 --> 01:21:47,840

have the opportunity to interview him

2158

01:21:52,229 --> 01:21:50,159

for for all of us to be able to listen

2159

01:21:53,590 --> 01:21:52,239

to what he has to say on the ufo slash

2160

01:21:56,149 --> 01:21:53,600

et topic it's a

2161

01:21:57,350 --> 01:21:56,159

it's a historical case okay okay sounds

2162

01:21:59,669 --> 01:21:57,360

good and uh

2163

01:22:00,870 --> 01:21:59,679

uh well one way or the other even if

2164

01:22:02,629 --> 01:22:00,880

that doesn't pan out that we'll

2165

01:22:03,510 --> 01:22:02,639

certainly try to get in one show before

2166

01:22:05,669 --> 01:22:03,520

thanksgiving holiday

2167

01:22:07,669 --> 01:22:05,679

absolutely yes yeah okay okay great uh

2168

01:22:08,550 --> 01:22:07,679

tom uh thanks again for everything and

2169

01:22:10,550 --> 01:22:08,560

uh everybody

2170

01:22:12,470 --> 01:22:10,560

thanks so much for listening i think it

2171

01:22:13,830 --> 01:22:12,480

was a great show full of surprises and

2172

01:22:16,629 --> 01:22:13,840

some new information

2173

01:22:18,470 --> 01:22:16,639

and uh we'll be back when we're back and

2174

01:22:20,310 --> 01:22:18,480

uh enjoy the rest of your weekend

2175

01:22:21,990 --> 01:22:20,320

uh thanks so much for joining us and
