

VICTOR VIGGIANI

DISCUSSES THE PENTAGON,
CONGRESS, THE MEDIA AND
DISCLOSURE, NORAD, FOIA, JOHN
MACK AND PAUL HELLYER

UFONN
SUNDAY

1
00:01:00,790 --> 00:00:16,500

[Music]

2
00:01:05,189 --> 00:01:03,270

and good evening from philadelphia frank

3
00:01:07,910 --> 00:01:05,199

here with another episode of

4
00:01:09,990 --> 00:01:07,920

ufo news network sunday uh we're all set

5
00:01:12,710 --> 00:01:10,000

to go with another fabulous show

6
00:01:13,270 --> 00:01:12,720

let me bring in my co-host the one the

7
00:01:16,230 --> 00:01:13,280

only

8
00:01:18,070 --> 00:01:16,240

chant hannah how are you tonight chant

9
00:01:19,590 --> 00:01:18,080

i'm doing well frank and thank you so

10
00:01:22,149 --> 00:01:19,600

much for the show tonight

11
00:01:23,590 --> 00:01:22,159

we are going to engage with a really

12
00:01:26,950 --> 00:01:23,600

wonderful person

13
00:01:27,270 --> 00:01:26,960

and a very special guest and our guest

14

00:01:30,149 --> 00:01:27,280

is

15

00:01:33,190 --> 00:01:30,159

victor vigiani a former elementary

16

00:01:34,950 --> 00:01:33,200

school principal in toronto canada

17

00:01:36,310 --> 00:01:34,960

victor is currently the news director z

18

00:01:39,270 --> 00:01:36,320

land communications

19

00:01:41,510 --> 00:01:39,280

znn an international news service his

20

00:01:43,670 --> 00:01:41,520

study of anomalous aerial phenomenon

21

00:01:46,310 --> 00:01:43,680

research and analysis of extra

22

00:01:48,230 --> 00:01:46,320

terrestrial issues spans over 40 years

23

00:01:50,469 --> 00:01:48,240

his experience involves ufo

24

00:01:52,149 --> 00:01:50,479

sightings report investigation academic

25

00:01:54,710 --> 00:01:52,159

and radio journalism

26
00:01:56,149 --> 00:01:54,720
with the primary focus on ufo slash et

27
00:01:57,749 --> 00:01:56,159
government disclosure

28
00:01:59,590 --> 00:01:57,759
victor has addressed the media and

29
00:02:02,069 --> 00:01:59,600
audiences in sydney and brisbane

30
00:02:04,230 --> 00:02:02,079
australia vancouver british columbia

31
00:02:05,429 --> 00:02:04,240
washington dc at the washington dc

32
00:02:08,710 --> 00:02:05,439
national press club

33
00:02:10,790 --> 00:02:08,720
he's also appeared on cbc television

34
00:02:13,830 --> 00:02:10,800
toronto global television news

35
00:02:15,830 --> 00:02:13,840
toronto and ctv television toronto

36
00:02:17,510 --> 00:02:15,840
he has presented several lecture series

37
00:02:19,030 --> 00:02:17,520
at the university of toronto

38
00:02:20,790 --> 00:02:19,040

victor served as one of the leading

39

00:02:22,630 --> 00:02:20,800
coordinators of the symposium

40

00:02:23,910 --> 00:02:22,640
on ufo disclosure and planetary

41

00:02:24,869 --> 00:02:23,920
directions at the university of

42

00:02:27,910 --> 00:02:24,879
toronto's

43

00:02:28,790 --> 00:02:27,920
convocation hall in september of 05 at

44

00:02:31,589 --> 00:02:28,800
this event

45

00:02:32,309 --> 00:02:31,599
the honorary paul hellyer former deputy

46

00:02:34,710 --> 00:02:32,319
minister

47

00:02:36,630 --> 00:02:34,720
and of canada came forward to challenge

48

00:02:38,710 --> 00:02:36,640
the canadian government to release what

49

00:02:40,869 --> 00:02:38,720
it knows about the uap phenomenon

50

00:02:42,470 --> 00:02:40,879
the symposium marked the first time a

51
00:02:45,190 --> 00:02:42,480
democratically elected

52
00:02:47,190 --> 00:02:45,200
member of a north american cabinet and

53
00:02:48,949 --> 00:02:47,200
former minister of national defense has

54
00:02:50,470 --> 00:02:48,959
come forward publicly to present his

55
00:02:52,869 --> 00:02:50,480
views on this topic

56
00:02:54,229 --> 00:02:52,879
many in the ufo research community

57
00:02:56,070 --> 00:02:54,239
credit this event as being one of the

58
00:02:57,270 --> 00:02:56,080
most significant occurrences in the area

59
00:02:59,430 --> 00:02:57,280
of disclosure

60
00:03:01,110 --> 00:02:59,440
victor has also engaged in extensive

61
00:03:03,430 --> 00:03:01,120
on-site ufo research

62
00:03:05,589 --> 00:03:03,440
in the american southwest including

63
00:03:07,990 --> 00:03:05,599

locations such as area 51

64

00:03:10,229 --> 00:03:08,000

1 groom lake nevada corona new mexico

65

00:03:13,110 --> 00:03:10,239

roswell new mexico socorro new mexico

66

00:03:13,750 --> 00:03:13,120

the very large array in new mexico white

67

00:03:16,830 --> 00:03:13,760

sands

68

00:03:18,070 --> 00:03:16,840

los alamos and dulce all located in new

69

00:03:20,070 --> 00:03:18,080

mexico

70

00:03:21,670 --> 00:03:20,080

victor has a bachelor of arts degree in

71

00:03:23,430 --> 00:03:21,680

sociology and psychology

72

00:03:25,030 --> 00:03:23,440

and a master's of education

73

00:03:26,070 --> 00:03:25,040

administration and curriculum

74

00:03:29,350 --> 00:03:26,080

development

75

00:03:32,789 --> 00:03:29,360

victor is currently a co-host of the

76

00:03:36,390 --> 00:03:32,799

conspiracy show with richard cirot on

77

00:03:37,830 --> 00:03:36,400

am 740 radio in toronto he resides in

78

00:03:40,390 --> 00:03:37,840

ontario canada

79

00:03:41,830 --> 00:03:40,400

and i cannot pronounce the name of that

80

00:03:43,350 --> 00:03:41,840

place for you live victor

81

00:03:47,030 --> 00:03:43,360

welcome to the show can you pronounce it

82

00:03:48,789 --> 00:03:47,040

for me mississauga wonderful well we are

83

00:03:51,990 --> 00:03:48,799

so grateful to have you on the show

84

00:03:54,229 --> 00:03:52,000

i had a question for you oh what was

85

00:03:55,990 --> 00:03:54,239

uh the reasoning and the impetus for

86

00:03:59,190 --> 00:03:56,000

wanting to create

87

00:04:00,949 --> 00:03:59,200

the z land uh publication and platform

88

00:04:02,470 --> 00:04:00,959

that you have can you please give us a

89

00:04:06,229 --> 00:04:02,480

little run down on that

90

00:04:06,869 --> 00:04:06,239

thanks so the idea and we can get into

91

00:04:09,670 --> 00:04:06,879

this

92

00:04:11,030 --> 00:04:09,680

um i guess a little bit later with

93

00:04:14,789 --> 00:04:11,040

respect to the way

94

00:04:17,749 --> 00:04:14,799

we get information out i have decided

95

00:04:18,550 --> 00:04:17,759

among all of the ufo groups so-called

96

00:04:22,390 --> 00:04:18,560

that are out there

97

00:04:22,790 --> 00:04:22,400

organizations um at least in canada and

98

00:04:25,189 --> 00:04:22,800

i can

99

00:04:26,150 --> 00:04:25,199

even say through maybe the united states

100

00:04:29,830 --> 00:04:26,160

and even in europe

101

00:04:32,469 --> 00:04:29,840

there's no news agency specifically

102

00:04:33,990 --> 00:04:32,479

uh directed towards the dissemination of

103

00:04:35,590 --> 00:04:34,000

information is that work we're going to

104

00:04:37,270 --> 00:04:35,600

discuss tonight there's no other

105

00:04:38,629 --> 00:04:37,280

new service okay let's put it that way

106

00:04:40,469 --> 00:04:38,639

not a reuters

107

00:04:42,070 --> 00:04:40,479

or anything like that but just a new

108

00:04:44,790 --> 00:04:42,080

service that's dedicated just to

109

00:04:47,430 --> 00:04:44,800

get get the news out get what's current

110

00:04:49,110 --> 00:04:47,440

get some opinions out there

111

00:04:50,550 --> 00:04:49,120

and just make people aware of that

112

00:04:52,710 --> 00:04:50,560

journalistic approach

113

00:04:54,710 --> 00:04:52,720

was something that i felt um there was a

114

00:04:56,070 --> 00:04:54,720

void in here in canada and even as it

115

00:04:58,390 --> 00:04:56,080

turns out in the states

116

00:04:59,909 --> 00:04:58,400

so you have to look at not taking inside

117

00:05:01,749 --> 00:04:59,919

just getting the information out

118

00:05:03,749 --> 00:05:01,759

and allowing people to see what the

119

00:05:05,510 --> 00:05:03,759

issues really really are with respect

120

00:05:08,150 --> 00:05:05,520

to this entire matter because it's so

121

00:05:09,510 --> 00:05:08,160

diverse and we can't do everything all

122

00:05:11,510 --> 00:05:09,520

at once you know a great

123

00:05:13,430 --> 00:05:11,520

podcast like this help get the

124

00:05:16,070 --> 00:05:13,440

information out but up here in canada

125

00:05:17,430 --> 00:05:16,080

i really relied on the fact that this

126

00:05:20,150 --> 00:05:17,440

needs to be canadian

127

00:05:22,629 --> 00:05:20,160

and it needs to have a direction towards

128

00:05:24,950 --> 00:05:22,639

informing people and educating

129

00:05:26,469 --> 00:05:24,960

all of them with respect to the to the

130

00:05:28,150 --> 00:05:26,479

ufo et issue

131

00:05:29,909 --> 00:05:28,160

uh victor let me jump in really quick

132

00:05:31,430 --> 00:05:29,919

and that can you go over the the

133

00:05:36,070 --> 00:05:31,440

platforms that you have for

134

00:05:38,629 --> 00:05:36,080

zland and are you making contact with

135

00:05:39,510 --> 00:05:38,639

the larger mainstream outlets there like

136

00:05:41,590 --> 00:05:39,520

cbc

137

00:05:43,749 --> 00:05:41,600

and uh the newspapers and all that i

138

00:05:46,070 --> 00:05:43,759

mean uh what the uh what specifically uh

139

00:05:47,909 --> 00:05:46,080

does what you're doing entail

140

00:05:49,430 --> 00:05:47,919

well actually the the platform we just

141

00:05:52,790 --> 00:05:49,440

have a very very simple

142

00:05:54,390 --> 00:05:52,800

website um and it's uh that's the only

143

00:05:56,230 --> 00:05:54,400

platform that i operated if i have

144

00:05:57,430 --> 00:05:56,240

i have a facebook account that you know

145

00:05:59,990 --> 00:05:57,440

but that's not really

146

00:06:01,870 --> 00:06:00,000

germane to that at this point but we do

147

00:06:03,590 --> 00:06:01,880

have the one website at

148

00:06:05,990 --> 00:06:03,600

zlandcommunications.com

149

00:06:06,629 --> 00:06:06,000

and if you go there you'll be confronted

150

00:06:09,110 --> 00:06:06,639

by a

151
00:06:10,309 --> 00:06:09,120
you know a press release or an editorial

152
00:06:13,749 --> 00:06:10,319
or something like that

153
00:06:15,430 --> 00:06:13,759
that's relevant current information

154
00:06:17,270 --> 00:06:15,440
that that people need to know about and

155
00:06:18,309 --> 00:06:17,280
you can scroll through all of the press

156
00:06:21,029 --> 00:06:18,319
releases

157
00:06:21,830 --> 00:06:21,039
and editorials and other things that i

158
00:06:23,749 --> 00:06:21,840
write about

159
00:06:25,350 --> 00:06:23,759
generally it's press oriented and

160
00:06:27,430 --> 00:06:25,360
getting information out

161
00:06:28,629 --> 00:06:27,440
now as far as contact with other

162
00:06:31,110 --> 00:06:28,639
agencies

163
00:06:31,909 --> 00:06:31,120

um i personally have had a lot of

164

00:06:35,510 --> 00:06:31,919

contact

165

00:06:37,990 --> 00:06:35,520

with virtually as as as chant

166

00:06:39,670 --> 00:06:38,000

indicated in the um in the introduction

167

00:06:41,350 --> 00:06:39,680

i've engaged this uh canadian

168

00:06:44,629 --> 00:06:41,360

broadcasting corporation

169

00:06:45,189 --> 00:06:44,639

and ctv uh both of them have had me on

170

00:06:48,150 --> 00:06:45,199

their

171

00:06:49,430 --> 00:06:48,160

tv outlets global news which is a very

172

00:06:51,589 --> 00:06:49,440

incisive uh

173

00:06:52,710 --> 00:06:51,599

organization right across canada and

174

00:06:54,950 --> 00:06:52,720

i've been on there

175

00:06:55,909 --> 00:06:54,960

exposing some of the norad stories and i

176

00:06:57,430 --> 00:06:55,919

know about

177

00:06:59,589 --> 00:06:57,440

uh through freedom of information

178

00:07:01,510 --> 00:06:59,599

requests and they had a lot to do with

179

00:07:01,990 --> 00:07:01,520

getting that out on national news it's

180

00:07:05,670 --> 00:07:02,000

never happened

181

00:07:06,550 --> 00:07:05,680

before no network has gone to the extent

182

00:07:09,749 --> 00:07:06,560

of getting

183

00:07:12,230 --> 00:07:09,759

something like the norad incursions

184

00:07:13,189 --> 00:07:12,240

that happened in 2001 no one knew about

185

00:07:14,950 --> 00:07:13,199

these things

186

00:07:17,670 --> 00:07:14,960

and it was the first network that took

187

00:07:20,390 --> 00:07:17,680

the risk of getting that information out

188

00:07:23,029 --> 00:07:20,400

and as a result of that many many

189

00:07:25,990 --> 00:07:23,039

inquiries are being made about how

190

00:07:29,110 --> 00:07:26,000

information is shared among norad and

191

00:07:30,390 --> 00:07:29,120

agencies and military outlets

192

00:07:32,150 --> 00:07:30,400

in the states and how that information

193

00:07:34,550 --> 00:07:32,160

is shared and how it goes forward

194

00:07:36,629 --> 00:07:34,560

and so norway plays a huge role in all

195

00:07:38,870 --> 00:07:36,639

that and it's a canadian organization

196

00:07:40,390 --> 00:07:38,880

that's well respected but

197

00:07:41,830 --> 00:07:40,400

there are things that they know that we

198

00:07:42,710 --> 00:07:41,840

should know and that's exactly what i

199

00:07:44,629 --> 00:07:42,720

was getting at

200

00:07:46,550 --> 00:07:44,639

with respect to all of these news

201
00:07:47,589 --> 00:07:46,560
agencies and getting that information

202
00:07:49,670 --> 00:07:47,599
out

203
00:07:51,189 --> 00:07:49,680
great um victor i wanted to mention

204
00:07:52,469 --> 00:07:51,199
something that's kind of important for

205
00:07:55,990 --> 00:07:52,479
our listeners to

206
00:07:58,150 --> 00:07:56,000
know more about if they are not uh

207
00:08:00,390 --> 00:07:58,160
privy to it or have not educated

208
00:08:02,390 --> 00:08:00,400
themselves on this topic and that is

209
00:08:05,029 --> 00:08:02,400
as you know so well on december 16th of

210
00:08:07,270 --> 00:08:05,039
2017 helen cooper ralph blumenthal and

211
00:08:10,230 --> 00:08:07,280
leslie keane wrote a wonderful article

212
00:08:12,070 --> 00:08:10,240
uh titled glowing arrows and black money

213
00:08:12,390 --> 00:08:12,080

the pentagon's mysterious ufo program

214

00:08:15,029 --> 00:08:12,400

now

215

00:08:17,270 --> 00:08:15,039

frank and i have covered this topic uh

216

00:08:20,550 --> 00:08:17,280

many many times as i know you have

217

00:08:22,070 --> 00:08:20,560

and uh to some folks uh in and out of

218

00:08:24,869 --> 00:08:22,080

the ufo community

219

00:08:26,790 --> 00:08:24,879

they feel that this topic is a form of

220

00:08:29,430 --> 00:08:26,800

disclosure

221

00:08:30,309 --> 00:08:29,440

and to them some of these folks they

222

00:08:33,670 --> 00:08:30,319

believe that is

223

00:08:36,149 --> 00:08:33,680

the disclosure from the u.s government

224

00:08:37,430 --> 00:08:36,159

now um not so much for me i would like

225

00:08:40,149 --> 00:08:37,440

to say i feel

226

00:08:42,230 --> 00:08:40,159

it's a little lacking uh it's it's if

227

00:08:43,110 --> 00:08:42,240

that is full disclosure from the us

228

00:08:46,630 --> 00:08:43,120

government

229

00:08:49,670 --> 00:08:46,640

that is uh uh that is not enough

230

00:08:52,550 --> 00:08:49,680

for me both emotionally and more

231

00:08:53,030 --> 00:08:52,560

i don't mean to sound so so whiny about

232

00:08:55,430 --> 00:08:53,040

it

233

00:08:56,310 --> 00:08:55,440

but i wanted to ask you uh you know how

234

00:08:57,750 --> 00:08:56,320

do you feel

235

00:08:59,750 --> 00:08:57,760

and i wanted to find out more from you

236

00:09:01,509 --> 00:08:59,760

too by the way but what are your

237

00:09:03,110 --> 00:09:01,519

thoughts when people say oh that was

238

00:09:05,110 --> 00:09:03,120

that was full disclosure from the us

239

00:09:07,750 --> 00:09:05,120

government

240

00:09:09,269 --> 00:09:07,760

you mean that article specifically and

241

00:09:12,389 --> 00:09:09,279

how it originated

242

00:09:14,150 --> 00:09:12,399

um well that's it's

243

00:09:15,990 --> 00:09:14,160

it's a it's a really good way of looking

244

00:09:19,509 --> 00:09:16,000

at what happened

245

00:09:21,110 --> 00:09:19,519

back in 2017 in december and why it

246

00:09:24,150 --> 00:09:21,120

happened what what brought about

247

00:09:26,790 --> 00:09:24,160

that the decision to go to the extent

248

00:09:28,070 --> 00:09:26,800

of um the new york times making the

249

00:09:29,190 --> 00:09:28,080

critical decision to send three

250

00:09:32,310 --> 00:09:29,200

reporters after this

251

00:09:33,110 --> 00:09:32,320

and talk about what um senator harry

252

00:09:34,790 --> 00:09:33,120

reid did

253

00:09:36,389 --> 00:09:34,800

with his colleagues in the senate to get

254

00:09:37,910 --> 00:09:36,399

22 million dollars

255

00:09:39,509 --> 00:09:37,920

from the senate and it's still to this

256

00:09:40,949 --> 00:09:39,519

day there's no one who

257

00:09:42,710 --> 00:09:40,959

i know of who knows where that money

258

00:09:45,110 --> 00:09:42,720

exactly came from but it was

259

00:09:47,190 --> 00:09:45,120

completely guaranteed funding for the

260

00:09:50,070 --> 00:09:47,200

for the the pentagon program

261

00:09:51,110 --> 00:09:50,080

so that has never ever happened before

262

00:09:53,509 --> 00:09:51,120

and the thing is

263

00:09:55,030 --> 00:09:53,519

uh we only found out about it and 17 had

264

00:09:57,829 --> 00:09:55,040

been going on for

265

00:09:59,670 --> 00:09:57,839

more than 10 years so you can see the

266

00:10:00,310 --> 00:09:59,680

the amount of secrecy involved in all of

267

00:10:04,310 --> 00:10:00,320

this

268

00:10:06,310 --> 00:10:04,320

public really germinate the question so

269

00:10:07,350 --> 00:10:06,320

who knows what and when are we going to

270

00:10:09,350 --> 00:10:07,360

find out

271

00:10:11,110 --> 00:10:09,360

now there's no way this is completely

272

00:10:13,269 --> 00:10:11,120

full disclosure i mean it may be

273

00:10:15,670 --> 00:10:13,279

acknowledgment there's a big difference

274

00:10:16,710 --> 00:10:15,680

acknowledgement means well okay yeah

275

00:10:19,110 --> 00:10:16,720

it's there

276

00:10:20,310 --> 00:10:19,120

but disclosure is another phase of

277

00:10:21,829 --> 00:10:20,320

acknowledgement

278

00:10:24,230 --> 00:10:21,839

and that's where i think you're right

279

00:10:26,069 --> 00:10:24,240

chant we it's not enough

280

00:10:27,670 --> 00:10:26,079

what they spoke to us about or what's

281

00:10:29,750 --> 00:10:27,680

proven in the new york times

282

00:10:31,829 --> 00:10:29,760

and admitted to by the pentagon and the

283

00:10:33,030 --> 00:10:31,839

us navy the things that they are

284

00:10:36,069 --> 00:10:33,040

admitting to

285

00:10:38,310 --> 00:10:36,079

are a form it's a small little corner

286

00:10:39,430 --> 00:10:38,320

of that sort of puzzle called uh

287

00:10:41,670 --> 00:10:39,440

disclosure so

288

00:10:42,470 --> 00:10:41,680

it is disclosure but it's not full

289

00:10:45,350 --> 00:10:42,480

disclosure by

290

00:10:46,790 --> 00:10:45,360

any imagination i can think of i also

291

00:10:47,590 --> 00:10:46,800

wanted to bring up something that i

292

00:10:51,269 --> 00:10:47,600

think is

293

00:10:54,710 --> 00:10:51,279

relatively important and that is um

294

00:10:55,590 --> 00:10:54,720

for some reason uh folks uh i i don't

295

00:10:57,590 --> 00:10:55,600

know why

296

00:10:59,670 --> 00:10:57,600

i i have a very biased opinion i want to

297

00:11:00,150 --> 00:10:59,680

share and that is i don't know why folks

298

00:11:02,710 --> 00:11:00,160

really

299

00:11:04,949 --> 00:11:02,720

think that the u.s government would have

300

00:11:06,710 --> 00:11:04,959

studied ufos for say five or seven years

301
00:11:09,910 --> 00:11:06,720
and then just dropped the program

302
00:11:10,550 --> 00:11:09,920
um i think anything that traverses our

303
00:11:13,430 --> 00:11:10,560
skies

304
00:11:14,230 --> 00:11:13,440
both in the u.s or anywhere outside of

305
00:11:16,550 --> 00:11:14,240
the u.s

306
00:11:18,310 --> 00:11:16,560
the government would want to know uh

307
00:11:19,430 --> 00:11:18,320
when i say the government i mean any

308
00:11:20,550 --> 00:11:19,440
first through third world government

309
00:11:23,030 --> 00:11:20,560
around the planet

310
00:11:24,230 --> 00:11:23,040
they would all want to know uh what is

311
00:11:26,069 --> 00:11:24,240
up in the sky

312
00:11:28,150 --> 00:11:26,079
and they would want to study it and they

313
00:11:31,269 --> 00:11:28,160

would have programs to do so

314

00:11:33,990 --> 00:11:31,279

now um so in this article

315

00:11:35,750 --> 00:11:34,000

that was published on december 16 2017

316

00:11:38,710 --> 00:11:35,760

indicates that that uh

317

00:11:39,269 --> 00:11:38,720

uap related program was only on for

318

00:11:43,590 --> 00:11:39,279

really

319

00:11:45,829 --> 00:11:43,600

for that long

320

00:11:47,190 --> 00:11:45,839

i don't believe that i don't even think

321

00:11:48,870 --> 00:11:47,200

that's possible

322

00:11:51,030 --> 00:11:48,880

what are your thoughts on that do you

323

00:11:52,710 --> 00:11:51,040

think that we only had a uap program for

324

00:11:54,550 --> 00:11:52,720

so many years and then stopped

325

00:11:56,790 --> 00:11:54,560

i personally think we never stopped

326

00:11:59,590 --> 00:11:56,800

having one

327

00:12:00,870 --> 00:11:59,600

well uh he we get back to the uh to the

328

00:12:02,710 --> 00:12:00,880

idea of the acknowledgement

329

00:12:04,310 --> 00:12:02,720

and and and disclosure if you look back

330

00:12:07,509 --> 00:12:04,320

in history um

331

00:12:08,150 --> 00:12:07,519

19 i think it's 1967 and 68 when the the

332

00:12:11,269 --> 00:12:08,160

congress

333

00:12:13,670 --> 00:12:11,279

actually held ufo hearings and that's

334

00:12:16,949 --> 00:12:13,680

that was the first and only

335

00:12:18,870 --> 00:12:16,959

um congressional congressional hearing

336

00:12:20,069 --> 00:12:18,880

on this subject matter that to which

337

00:12:22,949 --> 00:12:20,079

many many people

338

00:12:24,470 --> 00:12:22,959

gave testimony to um jaylen heineck

339

00:12:26,710 --> 00:12:24,480

being one of them

340

00:12:27,750 --> 00:12:26,720

and uh it's it's really important that

341

00:12:30,150 --> 00:12:27,760

it came from

342

00:12:30,870 --> 00:12:30,160

the initiative of a very very unlikely

343

00:12:34,389 --> 00:12:30,880

soul

344

00:12:35,269 --> 00:12:34,399

um mr rumsfeld former secretary of

345

00:12:37,829 --> 00:12:35,279

defense

346

00:12:40,629 --> 00:12:37,839

he introduced jaylen heineck and

347

00:12:43,430 --> 00:12:40,639

rumsfeld at the time was a senator

348

00:12:44,710 --> 00:12:43,440

and i find it very interesting that this

349

00:12:48,629 --> 00:12:44,720

kind of individual

350

00:12:51,269 --> 00:12:48,639

would support advance or whatever

351
00:12:53,269 --> 00:12:51,279
you know an operator like jaylen heineck

352
00:12:55,030 --> 00:12:53,279
who was told to do one thing in project

353
00:12:55,910 --> 00:12:55,040
blue book but it turned out he did

354
00:12:59,269 --> 00:12:55,920
another

355
00:13:00,310 --> 00:12:59,279
okay so when you look at how all of this

356
00:13:02,310 --> 00:13:00,320
unfolds

357
00:13:03,670 --> 00:13:02,320
you have to come to the conclusion that

358
00:13:07,110 --> 00:13:03,680
there is a level of

359
00:13:09,430 --> 00:13:07,120
of suppression in this information and

360
00:13:11,190 --> 00:13:09,440
to even acknowledge one little small bit

361
00:13:14,389 --> 00:13:11,200
of it like what's going on right now

362
00:13:17,030 --> 00:13:14,399
i think it's absolutely uh devastating

363
00:13:18,949 --> 00:13:17,040

information that we need to know about

364

00:13:21,110 --> 00:13:18,959

interesting i wanted to jump to another

365

00:13:23,269 --> 00:13:21,120

topic and just ask you about it

366

00:13:26,150 --> 00:13:23,279

and that is the canadian norad air

367

00:13:28,550 --> 00:13:26,160

traffic control logs of 2001.

368

00:13:30,629 --> 00:13:28,560

um you know before i delve into this

369

00:13:32,389 --> 00:13:30,639

topic can you just go ahead and give us

370

00:13:33,670 --> 00:13:32,399

a little summary of it so that our

371

00:13:36,150 --> 00:13:33,680

listeners can be better

372

00:13:37,670 --> 00:13:36,160

more familiarized with it yeah with with

373

00:13:40,230 --> 00:13:37,680

norad itself

374

00:13:41,910 --> 00:13:40,240

yeah the topic with regards to uh

375

00:13:43,990 --> 00:13:41,920

specifically cor

376

00:13:45,910 --> 00:13:44,000

canadian norad air traffic control logs

377

00:13:48,230 --> 00:13:45,920

of 2001

378

00:13:49,430 --> 00:13:48,240

right right well people have to

379

00:13:51,350 --> 00:13:49,440

understand

380

00:13:52,790 --> 00:13:51,360

and your audience probably some of them

381

00:13:55,189 --> 00:13:52,800

actually know but norad

382

00:13:56,870 --> 00:13:55,199

is a sort of a radar defense system that

383

00:13:58,949 --> 00:13:56,880

covers the entire

384

00:13:59,910 --> 00:13:58,959

continent of the united states and

385

00:14:02,949 --> 00:13:59,920

canada together

386

00:14:06,629 --> 00:14:02,959

it's a joint operation um our jets

387

00:14:08,470 --> 00:14:06,639

are are all designated to um to norad as

388

00:14:09,189 --> 00:14:08,480

an entity so when anything happens in

389

00:14:11,910 --> 00:14:09,199

the skies

390

00:14:13,590 --> 00:14:11,920

it's international in in scope these

391

00:14:15,509 --> 00:14:13,600

jets are up in the sky

392

00:14:17,750 --> 00:14:15,519

automatically and they report back down

393

00:14:20,870 --> 00:14:17,760

to say whatever was going on

394

00:14:23,189 --> 00:14:20,880

in the in the airspace so they

395

00:14:24,710 --> 00:14:23,199

look at all kinds of radar stuff going

396

00:14:28,230 --> 00:14:24,720

on satellite stuff

397

00:14:30,949 --> 00:14:28,240

so norad is a very very important entity

398

00:14:32,870 --> 00:14:30,959

both in the united states and canada so

399

00:14:35,750 --> 00:14:32,880

what happened in 2001

400

00:14:39,189 --> 00:14:35,760

was i discovered uh that i learned about

401
00:14:41,750 --> 00:14:39,199
it and i think it was 2006 or 2007.

402
00:14:42,629 --> 00:14:41,760
i made a request to the uh uh to our

403
00:14:44,949 --> 00:14:42,639
which

404
00:14:47,030 --> 00:14:44,959
the counterpart is the the foia the

405
00:14:47,590 --> 00:14:47,040
freedom information act up here we call

406
00:14:50,230 --> 00:14:47,600
it the

407
00:14:51,430 --> 00:14:50,240
access to information process so i

408
00:14:54,550 --> 00:14:51,440
applied to that

409
00:14:56,949 --> 00:14:54,560
and got back 101 pages

410
00:14:58,550 --> 00:14:56,959
of information of what i wanted to look

411
00:14:59,269 --> 00:14:58,560
for and it took me five attempts to do

412
00:15:02,230 --> 00:14:59,279
that because

413
00:15:03,670 --> 00:15:02,240

i wasn't using the right language that i

414

00:15:05,030 --> 00:15:03,680

talked about ufos and they didn't want

415

00:15:07,110 --> 00:15:05,040

to hear about ufos

416

00:15:08,230 --> 00:15:07,120

so i had to find out what their language

417

00:15:09,990 --> 00:15:08,240

was

418

00:15:10,949 --> 00:15:10,000

so if you ask the right question with

419

00:15:13,110 --> 00:15:10,959

the right language you're going to get

420

00:15:15,030 --> 00:15:13,120

the right answer i was using

421

00:15:17,189 --> 00:15:15,040

yeah it's it's they didn't they didn't

422

00:15:17,829 --> 00:15:17,199

want to you know we can't respond to ufo

423

00:15:20,110 --> 00:15:17,839

stuff

424

00:15:21,750 --> 00:15:20,120

in any case they sent me this report of

425

00:15:23,829 --> 00:15:21,760

101 pages

426

00:15:27,670 --> 00:15:23,839

and within that there were six pages

427

00:15:31,350 --> 00:15:27,680

where uh it described the flight in 2001

428

00:15:33,189 --> 00:15:31,360

september of two safe 18 jets

429

00:15:34,870 --> 00:15:33,199

they were scrambled out of comox air

430

00:15:35,189 --> 00:15:34,880

force base in british columbia up here

431

00:15:38,230 --> 00:15:35,199

in

432

00:15:41,910 --> 00:15:38,240

northwest canada and they were

433

00:15:45,110 --> 00:15:41,920

tasked to chase three unidentified

434

00:15:47,749 --> 00:15:45,120

objects as they call them unknowns or

435

00:15:49,189 --> 00:15:47,759

tois tracts of interest they're

436

00:15:52,310 --> 00:15:49,199

automatically scrambled

437

00:15:53,430 --> 00:15:52,320

these jets took off and began to climb

438

00:15:56,470 --> 00:15:53,440

to about

439

00:15:57,670 --> 00:15:56,480

000 pardon me 35 000 feet and they

440

00:15:59,350 --> 00:15:57,680

encountered

441

00:16:02,069 --> 00:15:59,360

these three objects and as this was

442

00:16:03,910 --> 00:16:02,079

going on a medical evacuation jet in the

443

00:16:07,110 --> 00:16:03,920

same area at the same time

444

00:16:08,629 --> 00:16:07,120

saw the three objects and went to take

445

00:16:10,629 --> 00:16:08,639

off towards them

446

00:16:12,389 --> 00:16:10,639

but they couldn't catch them is what was

447

00:16:13,430 --> 00:16:12,399

reported to norad by the medical

448

00:16:15,110 --> 00:16:13,440

evacuation

449

00:16:16,629 --> 00:16:15,120

uh pilot they just could not keep up

450

00:16:17,509 --> 00:16:16,639

with these three objects they didn't

451
00:16:21,829 --> 00:16:17,519
know what they

452
00:16:27,430 --> 00:16:21,839
were but then it eventually turned out

453
00:16:30,629 --> 00:16:29,269
it looks like our connection is a little

454
00:16:32,550 --> 00:16:30,639
intermittent there

455
00:16:34,150 --> 00:16:32,560
but i know he'll catch up with us in

456
00:16:36,230 --> 00:16:34,160
just a second

457
00:16:37,590 --> 00:16:36,240
uh while we're waiting oh there you go

458
00:16:38,550 --> 00:16:37,600
there you go victor you broke up a

459
00:16:41,030 --> 00:16:38,560
little bit

460
00:16:42,870 --> 00:16:41,040
yeah when you were talking about the uh

461
00:16:45,189 --> 00:16:42,880
medical plane

462
00:16:46,629 --> 00:16:45,199
okay um the part where the medical

463
00:16:50,150 --> 00:16:46,639

evacuation jet came in

464

00:16:51,189 --> 00:16:50,160

right right when the cf-18s were chasing

465

00:16:55,269 --> 00:16:51,199

these three things

466

00:16:57,670 --> 00:16:55,279

uh the medical evacuation um

467

00:17:00,710 --> 00:16:57,680

uh was in a better position to see what

468

00:17:06,949 --> 00:17:04,549

and then in the back yeah

469

00:17:08,949 --> 00:17:06,959

and then several lines down from that

470

00:17:10,630 --> 00:17:08,959

it's it reads that the cf-18 pilot

471

00:17:13,909 --> 00:17:10,640

reports to the air traffic control

472

00:17:17,110 --> 00:17:13,919

contact made at 35 000 feet

473

00:17:20,470 --> 00:17:17,120

and then there's a line that's redacted

474

00:17:21,270 --> 00:17:20,480

yeah and uh after that um contact lost

475

00:17:23,270 --> 00:17:21,280

and then it all

476
00:17:24,870 --> 00:17:23,280
it went through a whole protege each

477
00:17:25,669 --> 00:17:24,880
line is like two or three milliseconds

478
00:17:28,069 --> 00:17:25,679
apart

479
00:17:28,870 --> 00:17:28,079
so this was very clear this pilot saw

480
00:17:32,390 --> 00:17:28,880
something

481
00:17:34,390 --> 00:17:32,400
at 35 000 feet but it disappeared so

482
00:17:36,070 --> 00:17:34,400
um that is significant and there's no

483
00:17:37,270 --> 00:17:36,080
report on it and there's no gun camera

484
00:17:39,110 --> 00:17:37,280
information but

485
00:17:40,630 --> 00:17:39,120
the really unique thing about this i

486
00:17:42,470 --> 00:17:40,640
asked for all of these kinds of

487
00:17:45,270 --> 00:17:42,480
encounters all of them

488
00:17:46,870 --> 00:17:45,280

oh just to jump in really quick victor

489

00:17:48,870 --> 00:17:46,880

uh just to jump in really quick uh do

490

00:17:49,590 --> 00:17:48,880

you have the specs on the fighter jet i

491

00:17:50,950 --> 00:17:49,600

mean what's the

492

00:17:52,549 --> 00:17:50,960

what was the top speed on that

493

00:17:53,669 --> 00:17:52,559

particular jet did they get anywhere

494

00:17:57,110 --> 00:17:53,679

near that do you know

495

00:18:00,789 --> 00:17:57,120

oh to uh the the cfa teams can go

496

00:18:03,830 --> 00:18:00,799

up to probably oh gosh 600

497

00:18:06,310 --> 00:18:03,840

670 miles per hour okay top speed

498

00:18:07,350 --> 00:18:06,320

yeah top speed i just want to let our

499

00:18:08,950 --> 00:18:07,360

listeners know

500

00:18:10,710 --> 00:18:08,960

uh what norad stands for because

501
00:18:12,710 --> 00:18:10,720
sometimes we will actually

502
00:18:14,549 --> 00:18:12,720
make liberal use of acronyms on our

503
00:18:15,750 --> 00:18:14,559
shows and not ever really explain what

504
00:18:17,190 --> 00:18:15,760
there but it's the north american

505
00:18:19,350 --> 00:18:17,200
aerospace defense command

506
00:18:20,470 --> 00:18:19,360
just a little background on it it was

507
00:18:23,029 --> 00:18:20,480
known until a

508
00:18:23,750 --> 00:18:23,039
march of 81 as a north american air

509
00:18:26,310 --> 00:18:23,760
defense

510
00:18:28,150 --> 00:18:26,320
command and it's a combined organization

511
00:18:30,230 --> 00:18:28,160
of the us and canada that provides

512
00:18:31,830 --> 00:18:30,240
aerospace warning air sovereignty and

513
00:18:34,950 --> 00:18:31,840

protection for northern

514

00:18:36,070 --> 00:18:34,960

uh america now uh you said that you had

515

00:18:37,830 --> 00:18:36,080

asked five was it

516

00:18:40,390 --> 00:18:37,840

five different you asked five times

517

00:18:41,990 --> 00:18:40,400

regarding the information can you just

518

00:18:44,230 --> 00:18:42,000

inform us a little bit more about what

519

00:18:47,909 --> 00:18:44,240

you're about to say regarding that

520

00:18:49,990 --> 00:18:47,919

yeah uh the the the language that i was

521

00:18:50,310 --> 00:18:50,000

using to ask to make the request from

522

00:18:53,110 --> 00:18:50,320

the

523

00:18:53,990 --> 00:18:53,120

access to information people yeah well i

524

00:18:55,909 --> 00:18:54,000

used the term

525

00:18:57,270 --> 00:18:55,919

ufo and i shouldn't have you guys i

526

00:18:58,549 --> 00:18:57,280

didn't know i didn't realize what you're

527

00:19:00,950 --> 00:18:58,559

doing

528

00:19:02,470 --> 00:19:00,960

were you not even not even yeah this was

529

00:19:04,870 --> 00:19:02,480

back further did not even

530

00:19:05,669 --> 00:19:04,880

even be long before that term uap came

531

00:19:08,549 --> 00:19:05,679

out

532

00:19:10,230 --> 00:19:08,559

long before that yeah okay well i i just

533

00:19:11,510 --> 00:19:10,240

want to let you know frank and i have

534

00:19:14,230 --> 00:19:11,520

covered the foyer topic

535

00:19:16,230 --> 00:19:14,240

quite a few times um probably with

536

00:19:19,430 --> 00:19:16,240

christian lambright who has

537

00:19:21,190 --> 00:19:19,440

um and rightfully so along paul dean

538

00:19:22,070 --> 00:19:21,200

we've also talked to him about this

539

00:19:25,669 --> 00:19:22,080

topic

540

00:19:28,870 --> 00:19:25,679

jen aldrich as well all historians

541

00:19:29,510 --> 00:19:28,880

epic uh who actually were very hard like

542

00:19:32,950 --> 00:19:29,520

you do

543

00:19:35,750 --> 00:19:32,960

on requesting foias regularly

544

00:19:36,710 --> 00:19:35,760

and that is basically the basis of much

545

00:19:39,430 --> 00:19:36,720

of their work

546

00:19:39,909 --> 00:19:39,440

and talking about how difficult it can

547

00:19:41,830 --> 00:19:39,919

be

548

00:19:43,350 --> 00:19:41,840

i know you know what they're talking

549

00:19:46,390 --> 00:19:43,360

about to just receive

550

00:19:48,310 --> 00:19:46,400

anything um much less a reaction and

551

00:19:52,150 --> 00:19:48,320

most the time as you probably

552

00:19:54,230 --> 00:19:52,160

know it's it's no or some kind of uh

553

00:19:55,830 --> 00:19:54,240

irrational or strange response that

554

00:19:57,029 --> 00:19:55,840

makes no sense regarding the topics

555

00:19:58,870 --> 00:19:57,039

they're requesting

556

00:20:00,950 --> 00:19:58,880

and so it's just very interesting that

557

00:20:04,230 --> 00:20:00,960

you actually got any information

558

00:20:06,630 --> 00:20:04,240

yeah so i'm glad you kept trying well

559

00:20:08,149 --> 00:20:06,640

i had to because it's like you know that

560

00:20:08,789 --> 00:20:08,159

you have to fight remember the old thing

561

00:20:11,270 --> 00:20:08,799

on your

562

00:20:11,830 --> 00:20:11,280

tv dial where you could fine-tune the

563

00:20:14,870 --> 00:20:11,840

channel

564

00:20:16,230 --> 00:20:14,880

you know yeah it was a little bit gray

565

00:20:17,510 --> 00:20:16,240

or a little bit grainy or something and

566

00:20:19,990 --> 00:20:17,520

as you fine-tuned it

567

00:20:20,630 --> 00:20:20,000

you get the nice picture that's what

568

00:20:23,110 --> 00:20:20,640

that's what those

569

00:20:24,950 --> 00:20:23,120

four or five requests were i was trying

570

00:20:27,590 --> 00:20:24,960

to fine-tune

571

00:20:29,669 --> 00:20:27,600

what what they wanted me to use as

572

00:20:31,669 --> 00:20:29,679

language to describe what i wanted and i

573

00:20:34,310 --> 00:20:31,679

didn't know their language i didn't know

574

00:20:36,470 --> 00:20:34,320

toi's tracks of interest i didn't know

575

00:20:37,110 --> 00:20:36,480

uncorrelated targets i didn't know what

576
00:20:39,270 --> 00:20:37,120
unknown

577
00:20:41,029 --> 00:20:39,280
tracks were so but if i'd have asked for

578
00:20:43,029 --> 00:20:41,039
those to begin with

579
00:20:45,029 --> 00:20:43,039
they might have been more more more

580
00:20:48,230 --> 00:20:45,039
quick of a response

581
00:20:50,470 --> 00:20:48,240
but i just didn't know those things yeah

582
00:20:51,510 --> 00:20:50,480
so and then on top of what you mentioned

583
00:20:53,669 --> 00:20:51,520
there's a little bit of

584
00:20:55,029 --> 00:20:53,679
uh well we'll wait to see about that

585
00:20:57,270 --> 00:20:55,039
we've done this and done that

586
00:20:59,669 --> 00:20:57,280
and you're gonna reappeal sometimes you

587
00:21:03,990 --> 00:20:59,679
just have to go after them again

588
00:21:07,669 --> 00:21:05,990

yeah one last thing i want to mention

589

00:21:08,470 --> 00:21:07,679

before we move on to another topic and

590

00:21:11,750 --> 00:21:08,480

that is i think

591

00:21:13,750 --> 00:21:11,760

john or sorry david pilates mentioned

592

00:21:15,590 --> 00:21:13,760

at one time when i was listening to him

593

00:21:19,029 --> 00:21:15,600

on a show um

594

00:21:21,190 --> 00:21:19,039

that he had been faced with having um

595

00:21:22,390 --> 00:21:21,200

a bill presented to him if he wanted to

596

00:21:25,669 --> 00:21:22,400

go through with receiving

597

00:21:28,470 --> 00:21:25,679

certain foias that was like

598

00:21:30,070 --> 00:21:28,480

the amount was just astronomical and it

599

00:21:32,710 --> 00:21:30,080

was just because he was a

600

00:21:34,390 --> 00:21:32,720

private citizen asking for information

601
00:21:36,070 --> 00:21:34,400
and not an organization or something

602
00:21:38,549 --> 00:21:36,080
like that but anyway i wanted to

603
00:21:39,110 --> 00:21:38,559
bring up our next topic and that is john

604
00:21:42,549 --> 00:21:39,120
mack

605
00:21:42,950 --> 00:21:42,559
talk to you about something first before

606
00:21:46,070 --> 00:21:42,960
we

607
00:21:48,870 --> 00:21:46,080
go over him and that is this there

608
00:21:50,310 --> 00:21:48,880
are a few different categories in the

609
00:21:52,390 --> 00:21:50,320
realm of ufology

610
00:21:53,430 --> 00:21:52,400
and that is abductees contact these

611
00:21:56,710 --> 00:21:53,440
witnesses

612
00:21:58,390 --> 00:21:56,720
and uh uh there is another one it'll

613
00:22:01,590 --> 00:21:58,400

come to me in just a moment

614

00:22:03,350 --> 00:22:01,600

but uh experiencers now i had a talk

615

00:22:05,430 --> 00:22:03,360

with uh

616

00:22:06,470 --> 00:22:05,440

actually a well-known historian last

617

00:22:09,190 --> 00:22:06,480

night uh

618

00:22:10,950 --> 00:22:09,200

regarding the ufo topic and we discussed

619

00:22:14,070 --> 00:22:10,960

how interestingly

620

00:22:16,870 --> 00:22:14,080

uh these these these topics actually are

621

00:22:17,990 --> 00:22:16,880

intricately connected and they change

622

00:22:20,310 --> 00:22:18,000

for a person

623

00:22:22,789 --> 00:22:20,320

so a person can that's an abductee can

624

00:22:25,110 --> 00:22:22,799

become a contact or an experiencer

625

00:22:25,990 --> 00:22:25,120

um and vice versa for some of these

626
00:22:29,190 --> 00:22:26,000
other categories

627
00:22:30,230 --> 00:22:29,200
again experiencer contacty abductee and

628
00:22:33,350 --> 00:22:30,240
witness

629
00:22:36,710 --> 00:22:33,360
topics

630
00:22:40,310 --> 00:22:36,720
so wanted to ask you have you ever

631
00:22:43,029 --> 00:22:40,320
encountered any abductees that were ever

632
00:22:44,470 --> 00:22:43,039
just they began as witnesses or

633
00:22:47,430 --> 00:22:44,480
contactees

634
00:22:49,350 --> 00:22:47,440
or you know experiencers because being

635
00:22:51,029 --> 00:22:49,360
an experiencer you can actually have it

636
00:22:52,710 --> 00:22:51,039
happen to you intangibly you don't have

637
00:22:55,909 --> 00:22:52,720
to physically be abducted

638
00:22:58,230 --> 00:22:55,919

can you touch on those topics

639

00:22:59,590 --> 00:22:58,240

yeah the the process of going through

640

00:23:02,710 --> 00:22:59,600

that with individuals

641

00:23:03,990 --> 00:23:02,720

is really uh unique uh it's it's uh

642

00:23:05,990 --> 00:23:04,000

the more you get into it the more

643

00:23:08,310 --> 00:23:06,000

questions you have but

644

00:23:09,909 --> 00:23:08,320

essentially what happens is that

645

00:23:11,190 --> 00:23:09,919

depending on the context of how one

646

00:23:13,590 --> 00:23:11,200

person meets another

647

00:23:14,870 --> 00:23:13,600

do you meet together in a group with two

648

00:23:16,390 --> 00:23:14,880

or three people who want to talk about

649

00:23:18,710 --> 00:23:16,400

this you want to just meet with

650

00:23:20,710 --> 00:23:18,720

one individual who wants to share their

651
00:23:22,070 --> 00:23:20,720
information

652
00:23:23,830 --> 00:23:22,080
it's hard to tell what the motivation

653
00:23:25,270 --> 00:23:23,840
really is um

654
00:23:26,950 --> 00:23:25,280
if you want to speak at the at the

655
00:23:28,310 --> 00:23:26,960
individual level if i get a phone call

656
00:23:30,630 --> 00:23:28,320
from someone because they

657
00:23:31,909 --> 00:23:30,640
know they knew me and this is back eight

658
00:23:34,390 --> 00:23:31,919
or ten years now

659
00:23:35,510 --> 00:23:34,400
um through the contacts that i have and

660
00:23:37,110 --> 00:23:35,520
the work that i do

661
00:23:38,950 --> 00:23:37,120
i'd get a call and say i'd like to talk

662
00:23:40,950 --> 00:23:38,960
about something what is it well

663
00:23:43,029 --> 00:23:40,960

i think i've had some experiences like

664

00:23:45,510 --> 00:23:43,039

just find out what's going on

665

00:23:47,830 --> 00:23:45,520

so i'd uh i usually would invite them to

666

00:23:50,070 --> 00:23:47,840

our group we had a group at the time of

667

00:23:51,029 --> 00:23:50,080

a bunch of experiences and the more

668

00:23:52,789 --> 00:23:51,039

people that came

669

00:23:54,390 --> 00:23:52,799

together to talk about their experiences

670

00:23:55,750 --> 00:23:54,400

it became obvious

671

00:23:57,510 --> 00:23:55,760

that these people did not want any

672

00:23:58,950 --> 00:23:57,520

notoriety

673

00:24:00,470 --> 00:23:58,960

they did not want to go and show them

674

00:24:02,710 --> 00:24:00,480

their rooftops they just want to

675

00:24:06,630 --> 00:24:02,720

understand what the hell was going on

676

00:24:08,230 --> 00:24:06,640

so it it boiled down to um

677

00:24:09,590 --> 00:24:08,240

these people wanting to share the

678

00:24:11,750 --> 00:24:09,600

experience and knowing that it's

679

00:24:13,269 --> 00:24:11,760

authentic and that's the key word

680

00:24:14,630 --> 00:24:13,279

they knew that this was authentic it

681

00:24:15,909 --> 00:24:14,640

wasn't somebody pulling the wool over

682

00:24:17,590 --> 00:24:15,919

their eyes

683

00:24:19,510 --> 00:24:17,600

or different kinds of experiences like

684

00:24:22,710 --> 00:24:19,520

sleep deprivation

685

00:24:24,630 --> 00:24:22,720

or or whatever you want to call it it's

686

00:24:26,230 --> 00:24:24,640

nothing to do with that it's to do with

687

00:24:26,870 --> 00:24:26,240

real experiences and the more you talk

688

00:24:28,710 --> 00:24:26,880

to people

689

00:24:29,909 --> 00:24:28,720

about it who have had them the more you

690

00:24:32,470 --> 00:24:29,919

become convinced

691

00:24:33,430 --> 00:24:32,480

that in my estimation contact has

692

00:24:35,830 --> 00:24:33,440

already been made

693

00:24:37,990 --> 00:24:35,840

i know that's a pretty facile way to put

694

00:24:39,510 --> 00:24:38,000

it in one sense but that's the reality

695

00:24:42,070 --> 00:24:39,520

we have been contacted and these

696

00:24:44,230 --> 00:24:42,080

experiencers have chosen to be the

697

00:24:45,269 --> 00:24:44,240

conduits through which this contact is

698

00:24:47,190 --> 00:24:45,279

happening right now

699

00:24:48,390 --> 00:24:47,200

now that's a pretty big pill to swallow

700

00:24:50,390 --> 00:24:48,400

for a lot of people

701
00:24:52,470 --> 00:24:50,400
in ufology i mean they don't really want

702
00:24:54,789 --> 00:24:52,480
to admit that contact has been made

703
00:24:56,470 --> 00:24:54,799
and even if we go into the media and if

704
00:24:59,029 --> 00:24:56,480
we profess the idea that well

705
00:25:00,149 --> 00:24:59,039
you know what folks there's a really

706
00:25:02,310 --> 00:25:00,159
interesting phenomenon

707
00:25:03,909 --> 00:25:02,320
going on these these extraterrestrial

708
00:25:04,549 --> 00:25:03,919
beings are taking our people and talking

709
00:25:06,390 --> 00:25:04,559
to them and

710
00:25:08,230 --> 00:25:06,400
and giving them information how about

711
00:25:11,430 --> 00:25:08,240
you cover that instead of uh

712
00:25:12,230 --> 00:25:11,440
dancing with the stars right you know

713
00:25:15,669 --> 00:25:12,240

what i'm saying

714

00:25:17,269 --> 00:25:15,679

i do oh let me just uh okay finish up

715

00:25:19,110 --> 00:25:17,279

victor please but i do want to jump in

716

00:25:22,149 --> 00:25:19,120

with a quick question sure

717

00:25:24,630 --> 00:25:22,159

uh yeah just uh uh you know where we're

718

00:25:27,590 --> 00:25:24,640

making some headway as far as the

719

00:25:29,750 --> 00:25:27,600

nuts and bolts ufo kind of cases where

720

00:25:31,510 --> 00:25:29,760

yeah we've got radar tracks so we've got

721

00:25:32,149 --> 00:25:31,520

uh good military witnesses coming

722

00:25:34,070 --> 00:25:32,159

forward

723

00:25:36,470 --> 00:25:34,080

uh talking about these extraordinary

724

00:25:39,190 --> 00:25:36,480

cases uh is it a good idea

725

00:25:40,710 --> 00:25:39,200

at all to really be uh even talking

726

00:25:42,870 --> 00:25:40,720

about this sort of thing at

727

00:25:43,750 --> 00:25:42,880

this particular point in time i mean uh

728

00:25:45,190 --> 00:25:43,760

how do you uh

729

00:25:46,630 --> 00:25:45,200

you know do you connect the two do you

730

00:25:49,029 --> 00:25:46,640

pretend it's not happening what do you

731

00:25:50,950 --> 00:25:49,039

think is the best course of action

732

00:25:52,310 --> 00:25:50,960

uh yeah let me just get the distinction

733

00:25:53,430 --> 00:25:52,320

you're trying to make you you're asking

734

00:25:55,909 --> 00:25:53,440

me what again

735

00:25:58,390 --> 00:25:55,919

uh well yeah yeah i mean uh between the

736

00:26:01,029 --> 00:25:58,400

uh the experimenter cases uh which are

737

00:26:02,870 --> 00:26:01,039

quite extraordinary and as compared with

738

00:26:05,590 --> 00:26:02,880

uh the easier to grasp

739

00:26:07,510 --> 00:26:05,600

sort of nuts and bolts uh radar uh

740

00:26:08,070 --> 00:26:07,520

military pilot sightings that type of

741

00:26:10,310 --> 00:26:08,080

thing

742

00:26:11,110 --> 00:26:10,320

yeah how does that melt together yeah

743

00:26:12,950 --> 00:26:11,120

well

744

00:26:14,549 --> 00:26:12,960

the more it's really a great question

745

00:26:16,710 --> 00:26:14,559

that the more you get to know this

746

00:26:18,630 --> 00:26:16,720

this this topic the more you get to

747

00:26:20,950 --> 00:26:18,640

realize that the kinds of information

748

00:26:24,390 --> 00:26:20,960

that are coming to us

749

00:26:26,630 --> 00:26:24,400

or coming through to us are so um

750

00:26:29,590 --> 00:26:26,640

complex and we're getting information

751
00:26:31,350 --> 00:26:29,600
from sources we've never gotten before

752
00:26:33,350 --> 00:26:31,360
and people have to understand that

753
00:26:33,909 --> 00:26:33,360
regular science says no that can't be

754
00:26:35,909 --> 00:26:33,919
the case

755
00:26:37,590 --> 00:26:35,919
we cannot be communicating with beings

756
00:26:38,230 --> 00:26:37,600
that are beyond our own psychic

757
00:26:40,870 --> 00:26:38,240
abilities

758
00:26:42,710 --> 00:26:40,880
that's just not happening and and the

759
00:26:43,750 --> 00:26:42,720
validation of that fact through the

760
00:26:45,750 --> 00:26:43,760
experiencers

761
00:26:48,390 --> 00:26:45,760
is becoming stronger and stronger and

762
00:26:51,430 --> 00:26:48,400
stronger and what's happening is these

763
00:26:54,149 --> 00:26:51,440

so-called craft whatever these craft are

764

00:26:55,110 --> 00:26:54,159

are being seen either doing these kinds

765

00:26:57,909 --> 00:26:55,120

of things

766

00:26:59,669 --> 00:26:57,919

or injecting situations like the missile

767

00:27:00,789 --> 00:26:59,679

shutdowns for example it's all the same

768

00:27:03,350 --> 00:27:00,799

thing

769

00:27:04,789 --> 00:27:03,360

whatever happens with these these beings

770

00:27:08,070 --> 00:27:04,799

and our nuclear arms and

771

00:27:11,269 --> 00:27:08,080

our people it's synchronous they have

772

00:27:14,470 --> 00:27:11,279

strong powers to eliminate nuclear

773

00:27:16,630 --> 00:27:14,480

weapons to put them down in a no-go

774

00:27:17,669 --> 00:27:16,640

situation they've shown that multiple

775

00:27:19,830 --> 00:27:17,679

numbers of time

776

00:27:21,669 --> 00:27:19,840

why they're doing it who the heck knows

777

00:27:23,669 --> 00:27:21,679

but the fact that matters they

778

00:27:25,350 --> 00:27:23,679

have control over that stuff or they've

779

00:27:28,630 --> 00:27:25,360

shown that they can control it

780

00:27:30,710 --> 00:27:28,640

now the other side of that coin is that

781

00:27:32,710 --> 00:27:30,720

some of these beings whoever the heck

782

00:27:33,430 --> 00:27:32,720

they are they are also interacting with

783

00:27:36,630 --> 00:27:33,440

our people

784

00:27:38,549 --> 00:27:36,640

and that's news to a lot of people or

785

00:27:39,669 --> 00:27:38,559

they they find it very difficult to

786

00:27:42,549 --> 00:27:39,679

accept that fact

787

00:27:43,830 --> 00:27:42,559

they are actually engaging people here

788

00:27:46,789 --> 00:27:43,840

on the planet

789

00:27:48,870 --> 00:27:46,799

and to mesh those two things together is

790

00:27:50,950 --> 00:27:48,880

very difficult

791

00:27:52,310 --> 00:27:50,960

and the abduction phenomenon has kind of

792

00:27:56,149 --> 00:27:52,320

risen to the forefront

793

00:27:58,149 --> 00:27:56,159

as being the way these craft of unknown

794

00:27:58,630 --> 00:27:58,159

origin are being manifested in physical

795

00:28:00,630 --> 00:27:58,640

terms

796

00:28:02,070 --> 00:28:00,640

and these people are talking about it so

797

00:28:04,149 --> 00:28:02,080

there's a there's a good

798

00:28:06,149 --> 00:28:04,159

connect there now people don't really

799

00:28:08,310 --> 00:28:06,159

want to do that right now

800

00:28:09,590 --> 00:28:08,320

uh and i can understand why not i can

801
00:28:10,310 --> 00:28:09,600
understand why people don't want to mesh

802
00:28:12,070 --> 00:28:10,320
those too

803
00:28:13,430 --> 00:28:12,080
the people who are in charge of the

804
00:28:15,350 --> 00:28:13,440
collection of data nope

805
00:28:16,630 --> 00:28:15,360
not so not so important to us right now

806
00:28:19,830 --> 00:28:16,640
we have to control

807
00:28:21,430 --> 00:28:19,840
the message we have to make it

808
00:28:23,029 --> 00:28:21,440
yeah we have to make it common to

809
00:28:24,950 --> 00:28:23,039
everyone and the best way to do it right

810
00:28:25,590 --> 00:28:24,960
now is just accept the presence of these

811
00:28:27,110 --> 00:28:25,600
craft

812
00:28:29,350 --> 00:28:27,120
and they're not from here once we can

813
00:28:31,830 --> 00:28:29,360

get that issue by the general public

814

00:28:33,590 --> 00:28:31,840

and get them to understand that then we

815

00:28:35,830 --> 00:28:33,600

move on to the more esoteric

816

00:28:37,909 --> 00:28:35,840

and very more difficult to understand so

817

00:28:40,630 --> 00:28:37,919

let's put them in perspective but

818

00:28:41,269 --> 00:28:40,640

we've got to put first priorities first

819

00:28:43,590 --> 00:28:41,279

and

820

00:28:44,310 --> 00:28:43,600

an explanation as to a the to end

821

00:28:45,750 --> 00:28:44,320

secrecy

822

00:28:50,149 --> 00:28:45,760

and tell us that we're being engaged by

823

00:28:55,430 --> 00:28:53,350

thank you very very great explanation

824

00:28:58,549 --> 00:28:55,440

thank you for that wanted to just

825

00:29:01,590 --> 00:28:58,559

familiarize our listeners with john

826

00:29:02,630 --> 00:29:01,600

mack i know they know who he is but

827

00:29:04,870 --> 00:29:02,640

still just want to

828

00:29:06,230 --> 00:29:04,880

go ahead and go over a few uh important

829

00:29:08,230 --> 00:29:06,240

things regarding him

830

00:29:09,590 --> 00:29:08,240

and that is he was born in october of

831

00:29:12,950 --> 00:29:09,600

1929

832

00:29:14,389 --> 00:29:12,960

and he uh passed away in 2004 and was an

833

00:29:15,830 --> 00:29:14,399

american psychiatrist writer and

834

00:29:18,070 --> 00:29:15,840

professor and the head of the department

835

00:29:20,630 --> 00:29:18,080

of psychiatry at harvard medical school

836

00:29:22,389 --> 00:29:20,640

in 77 mack won the pulitzer prize for

837

00:29:25,510 --> 00:29:22,399

his book a prince of our disorder

838

00:29:26,070 --> 00:29:25,520

on the lawrence and he also wrote other

839

00:29:29,029 --> 00:29:26,080

material

840

00:29:30,789 --> 00:29:29,039

as well um and i wanted to mention

841

00:29:33,830 --> 00:29:30,799

regarding abductees by the way and

842

00:29:37,190 --> 00:29:33,840

a few other topics i believe but uh

843

00:29:40,470 --> 00:29:37,200

i wanted to uh quote him he

844

00:29:42,789 --> 00:29:40,480

did an interview with nova

845

00:29:44,149 --> 00:29:42,799

which is connected with pbs the

846

00:29:49,269 --> 00:29:44,159

organization

847

00:29:51,190 --> 00:29:49,279

nova asked him let's talk about your own

848

00:29:54,630 --> 00:29:51,200

personal evolution from perhaps

849

00:29:57,029 --> 00:29:54,640

skepticism to belief his response

850

00:29:58,230 --> 00:29:57,039

when i first encountered this phenomenon

851
00:30:00,149 --> 00:29:58,240
or particularly

852
00:30:01,669 --> 00:30:00,159
even before i had actually seen the

853
00:30:03,669 --> 00:30:01,679
people themselves

854
00:30:05,110 --> 00:30:03,679
i had very little place in my mind to

855
00:30:07,350 --> 00:30:05,120
take this seriously

856
00:30:09,029 --> 00:30:07,360
i like most of us were raised to believe

857
00:30:11,669 --> 00:30:09,039
that if we were going to discover

858
00:30:12,870 --> 00:30:11,679
other intelligence we'd do it radio

859
00:30:14,789 --> 00:30:12,880
waves or some

860
00:30:15,909 --> 00:30:14,799
or through signals or something of that

861
00:30:18,389 --> 00:30:15,919
kind the

862
00:30:19,269 --> 00:30:18,399
idea that we could be reached by some

863
00:30:22,070 --> 00:30:19,279

other kind of

864

00:30:22,630 --> 00:30:22,080

being creature intelligence that could

865

00:30:25,029 --> 00:30:22,640

actually

866

00:30:27,029 --> 00:30:25,039

enter our world and have physical

867

00:30:29,590 --> 00:30:27,039

effects as well as emotional effects

868

00:30:31,350 --> 00:30:29,600

was simply not part of the world view

869

00:30:34,230 --> 00:30:31,360

that i had been raised in

870

00:30:35,350 --> 00:30:34,240

so that i came very reluctantly to the

871

00:30:37,669 --> 00:30:35,360

conclusion

872

00:30:38,470 --> 00:30:37,679

that this was a true mystery in other

873

00:30:41,750 --> 00:30:38,480

words

874

00:30:42,389 --> 00:30:41,760

that i i did everything i could to rule

875

00:30:45,510 --> 00:30:42,399

out other

876

00:30:48,950 --> 00:30:45,520

sources or sexual abuse some people

877

00:30:51,110 --> 00:30:48,960

are abused but they're able to tell

878

00:30:53,190 --> 00:30:51,120

distinguish clearly the abduction trauma

879

00:30:55,269 --> 00:30:53,200

from other arms of abuse

880

00:30:56,389 --> 00:30:55,279

some forms of psychosis or people making

881

00:30:58,389 --> 00:30:56,399

up stories

882

00:30:59,830 --> 00:30:58,399

i could reject on that basis that there

883

00:31:01,669 --> 00:30:59,840

was no gain in this for the vast

884

00:31:02,630 --> 00:31:01,679

majority of these people now but i have

885

00:31:05,190 --> 00:31:02,640

a question that

886

00:31:07,350 --> 00:31:05,200

maybe not be tough for you but would be

887

00:31:09,830 --> 00:31:07,360

for other people and that is

888

00:31:10,470 --> 00:31:09,840

too often because i talk to folks who

889

00:31:12,630 --> 00:31:10,480

are

890

00:31:14,950 --> 00:31:12,640

they they actually align themselves with

891

00:31:17,430 --> 00:31:14,960

the categories of abductees experiencers

892

00:31:20,950 --> 00:31:17,440

contactees or witnesses all the time

893

00:31:24,310 --> 00:31:20,960

and i talked to them frequently and

894

00:31:27,029 --> 00:31:24,320

allah complained to me and rightfully so

895

00:31:27,990 --> 00:31:27,039

because they have bipolar disorder or

896

00:31:31,990 --> 00:31:28,000

depression

897

00:31:35,509 --> 00:31:32,000

mental

898

00:31:38,549 --> 00:31:35,519

related disorder that

899

00:31:39,830 --> 00:31:38,559

they cannot actually talk in confidence

900

00:31:42,710 --> 00:31:39,840

to their counselor

901
00:31:43,590 --> 00:31:42,720
or psychiatrist or psychologist and be

902
00:31:46,470 --> 00:31:43,600
considered

903
00:31:49,350 --> 00:31:46,480
seriously due to these disorders that

904
00:31:52,070 --> 00:31:49,360
they have already been diagnosed with

905
00:31:53,669 --> 00:31:52,080
my personal belief is it doesn't matter

906
00:31:55,590 --> 00:31:53,679
what kind of disorder

907
00:31:57,830 --> 00:31:55,600
somebody has or has not been diagnosed

908
00:32:03,909 --> 00:31:57,840
with it's important to listen to them

909
00:32:10,310 --> 00:32:07,269
oh victor victor's uh

910
00:32:12,310 --> 00:32:10,320
victor's uh mike go ahead there you go

911
00:32:17,110 --> 00:32:12,320
sorry he dropped for a second he's back

912
00:32:23,430 --> 00:32:21,110
we thought you got abducted yeah right

913
00:32:25,990 --> 00:32:23,440

it was a quick one right uh in any case

914

00:32:27,909 --> 00:32:26,000

um yeah

915

00:32:29,830 --> 00:32:27,919

the idea of mental stability in all of

916

00:32:30,950 --> 00:32:29,840

this is a severe question especially if

917

00:32:32,149 --> 00:32:30,960

you're looking at it from a scientific

918

00:32:33,909 --> 00:32:32,159

point of view

919

00:32:35,830 --> 00:32:33,919

if you're not looking at it necessarily

920

00:32:37,430 --> 00:32:35,840

from a scientific point of view

921

00:32:39,350 --> 00:32:37,440

you you have to take the perspective of

922

00:32:42,470 --> 00:32:39,360

this is going on beyond

923

00:32:43,350 --> 00:32:42,480

the realm of reality and as john matt

924

00:32:44,950 --> 00:32:43,360

calls it

925

00:32:46,710 --> 00:32:44,960

in that section that you that you read

926
00:32:48,070 --> 00:32:46,720
it it eventually alludes to the fact

927
00:32:51,190 --> 00:32:48,080
that he calls it

928
00:32:53,269 --> 00:32:51,200
a contact with the subtle realm and that

929
00:32:56,389 --> 00:32:53,279
whole idea of the settled realm

930
00:32:58,950 --> 00:32:56,399
is based on the idea that these

931
00:32:59,509 --> 00:32:58,960
beings of non-corporeal as far as we're

932
00:33:03,029 --> 00:32:59,519
concerned

933
00:33:05,990 --> 00:33:03,039
existence uh or they exist in a non-uh

934
00:33:06,710 --> 00:33:06,000
corporeal world are able to intrude upon

935
00:33:10,070 --> 00:33:06,720
our

936
00:33:11,110 --> 00:33:10,080
physical world and how they do that and

937
00:33:14,549 --> 00:33:11,120
how they become

938
00:33:17,269 --> 00:33:14,559

manifest to it is is

939

00:33:18,630 --> 00:33:17,279

is the juxtaposition of everything that

940

00:33:21,669 --> 00:33:18,640

you need to know between

941

00:33:22,470 --> 00:33:21,679

psychosis and something that's actually

942

00:33:24,389 --> 00:33:22,480

happened

943

00:33:26,630 --> 00:33:24,399

now you can say that people who have the

944

00:33:29,350 --> 00:33:26,640

psychosis have it but people who are

945

00:33:29,830 --> 00:33:29,360

completely a sound mind and sound body

946

00:33:32,789 --> 00:33:29,840

are having

947

00:33:33,430 --> 00:33:32,799

exactly the same experiences so that's a

948

00:33:34,870 --> 00:33:33,440

great

949

00:33:37,909 --> 00:33:34,880

yeah let me uh let me jump in here

950

00:33:38,310 --> 00:33:37,919

really quick and run this by you uh you

951
00:33:41,590 --> 00:33:38,320
know

952
00:33:44,549 --> 00:33:41,600
we're seeing so much these days uh it

953
00:33:46,870 --> 00:33:44,559
used uh for fun now largely uh used as a

954
00:33:48,070 --> 00:33:46,880
a bit of a toy is a part of gaming and

955
00:33:51,430 --> 00:33:48,080
that type of thing

956
00:33:53,430 --> 00:33:51,440
but our own technology is uh really

957
00:33:54,470 --> 00:33:53,440
jumping into the world of virtual

958
00:33:57,430 --> 00:33:54,480
reality

959
00:33:59,110 --> 00:33:57,440
and is a lot of these experiences is it

960
00:34:00,710 --> 00:33:59,120
really that much different

961
00:34:05,350 --> 00:34:00,720
than what we're seeing with our own

962
00:34:09,109 --> 00:34:06,549
i'm not sure where you're going with

963
00:34:11,829 --> 00:34:09,119

that question

964

00:34:12,710 --> 00:34:11,839

yeah well i i mean uh but basically

965

00:34:14,950 --> 00:34:12,720

basically what i'm

966

00:34:16,389 --> 00:34:14,960

what i'm suggesting is that uh do we

967

00:34:18,389 --> 00:34:16,399

know that a lot of this

968

00:34:20,869 --> 00:34:18,399

uh a lot of these interactions are in

969

00:34:21,829 --> 00:34:20,879

fact the kind of advanced technology

970

00:34:24,389 --> 00:34:21,839

that we're seeing

971

00:34:25,430 --> 00:34:24,399

uh in the skies applied to these

972

00:34:27,589 --> 00:34:25,440

interactions that

973

00:34:30,950 --> 00:34:27,599

what the the folks are experiencing is

974

00:34:33,589 --> 00:34:30,960

uh basically a technological experience

975

00:34:34,230 --> 00:34:33,599

ah gotcha that's that's exactly right

976
00:34:36,230 --> 00:34:34,240
that's that's

977
00:34:37,589 --> 00:34:36,240
it's a technology that's so far beyond

978
00:34:41,389 --> 00:34:37,599
our understanding

979
00:34:43,909 --> 00:34:41,399
that it becomes um uh

980
00:34:44,550 --> 00:34:43,919
unrecognizable to the to the ordinary

981
00:34:48,069 --> 00:34:44,560
person

982
00:34:51,030 --> 00:34:48,079
that cannot possibly be and we've been

983
00:34:52,790 --> 00:34:51,040
uh inbred notion in all of us throughout

984
00:34:53,829 --> 00:34:52,800
the centuries that we are the top of the

985
00:34:57,430 --> 00:34:53,839
cosmic heap

986
00:35:00,069 --> 00:34:57,440
and we're not we have you know

987
00:35:01,990 --> 00:35:00,079
severe problems and we have difficulties

988
00:35:05,270 --> 00:35:02,000

in maintaining our own bodies and this

989

00:35:07,349 --> 00:35:05,280

but there are civilizations out there um

990

00:35:08,310 --> 00:35:07,359

who have not made them the same mistakes

991

00:35:10,470 --> 00:35:08,320

as we are

992

00:35:12,790 --> 00:35:10,480

okay are destroying our environment for

993

00:35:14,550 --> 00:35:12,800

example they are way past that

994

00:35:16,069 --> 00:35:14,560

we i consider things like that

995

00:35:18,710 --> 00:35:16,079

destroying the environment and

996

00:35:20,390 --> 00:35:18,720

and and bad governance and all the their

997

00:35:24,230 --> 00:35:20,400

extinction behavior

998

00:35:25,829 --> 00:35:24,240

okay and it's it's

999

00:35:27,670 --> 00:35:25,839

we're teaching our people to become

1000

00:35:30,230 --> 00:35:27,680

extinct is what we're doing

1001
00:35:31,510 --> 00:35:30,240
okay whether we realize that or not by

1002
00:35:33,990 --> 00:35:31,520
you know polluting our water

1003
00:35:34,710 --> 00:35:34,000
polluting our air and messing with our

1004
00:35:36,310 --> 00:35:34,720
governance

1005
00:35:38,710 --> 00:35:36,320
and creating situations where people

1006
00:35:40,550 --> 00:35:38,720
just don't trust anything anymore

1007
00:35:42,230 --> 00:35:40,560
you're in a position of really really

1008
00:35:44,069 --> 00:35:42,240
having to look at what direction are we

1009
00:35:45,990 --> 00:35:44,079
headed as a society

1010
00:35:47,190 --> 00:35:46,000
well you're you're tough on humans there

1011
00:35:48,710 --> 00:35:47,200
victor they may have

1012
00:35:50,870 --> 00:35:48,720
gone through the same growing pains that

1013
00:35:53,030 --> 00:35:50,880

we're going through well

1014

00:35:54,069 --> 00:35:53,040

actually it's my story about that i'm a

1015

00:35:56,790 --> 00:35:54,079

former teacher

1016

00:35:58,710 --> 00:35:56,800

i taught school for uh i was involved in

1017

00:36:01,030 --> 00:35:58,720

education for 35 years

1018

00:36:02,550 --> 00:36:01,040

and you get to know when you're standing

1019

00:36:04,630 --> 00:36:02,560

in front of a group of children

1020

00:36:06,150 --> 00:36:04,640

30 of them every single day from you

1021

00:36:08,710 --> 00:36:06,160

know september to june

1022

00:36:10,470 --> 00:36:08,720

you get to know people pretty well and

1023

00:36:11,990 --> 00:36:10,480

you get to know what motivates learners

1024

00:36:15,349 --> 00:36:12,000

to find out things that they either

1025

00:36:18,150 --> 00:36:15,359

don't know about can't accept or

1026
00:36:19,670 --> 00:36:18,160
just need reinforcement about how do you

1027
00:36:21,390 --> 00:36:19,680
get people to understand

1028
00:36:23,829 --> 00:36:21,400
that there are things beyond their own

1029
00:36:26,069 --> 00:36:23,839
eyes that need to be

1030
00:36:27,190 --> 00:36:26,079
addressed as well as the concrete world

1031
00:36:29,510 --> 00:36:27,200
and once you get past

1032
00:36:31,190 --> 00:36:29,520
that then you can talk about the

1033
00:36:33,349 --> 00:36:31,200
dialogue then you can get into that

1034
00:36:34,710 --> 00:36:33,359
until you get there it's tough to really

1035
00:36:37,750 --> 00:36:34,720
make people understand

1036
00:36:40,150 --> 00:36:37,760
the how can i put the

1037
00:36:41,430 --> 00:36:40,160
awesome the awesome belief system or

1038
00:36:43,190 --> 00:36:41,440

change in belief system

1039

00:36:44,550 --> 00:36:43,200

that you have to get to in order to

1040

00:36:46,230 --> 00:36:44,560

accept that fact

1041

00:36:47,990 --> 00:36:46,240

and you have to completely do a 180 in

1042

00:36:48,790 --> 00:36:48,000

your whole life and it's that not easy

1043

00:36:50,710 --> 00:36:48,800

things for

1044

00:36:52,630 --> 00:36:50,720

especially for people in high places in

1045

00:36:55,510 --> 00:36:52,640

the media so on and so forth

1046

00:36:57,349 --> 00:36:55,520

and government you can understand why

1047

00:36:59,109 --> 00:36:57,359

it's such a big reach for them so

1048

00:37:00,870 --> 00:36:59,119

i don't really see that as a problem

1049

00:37:02,310 --> 00:37:00,880

it's just that we're just not there yet

1050

00:37:03,589 --> 00:37:02,320

in terms of understanding this as a

1051
00:37:05,190 --> 00:37:03,599
species

1052
00:37:07,109 --> 00:37:05,200
i wanted to bring up something

1053
00:37:10,230 --> 00:37:07,119
interesting with you

1054
00:37:12,790 --> 00:37:10,240
and that is uh regarding the uh narcap

1055
00:37:13,750 --> 00:37:12,800
founder dr richard haynes uh also a

1056
00:37:16,790 --> 00:37:13,760
former nasa

1057
00:37:18,870 --> 00:37:16,800
scientist and uh

1058
00:37:19,910 --> 00:37:18,880
this is an excerpt from an interview

1059
00:37:21,910 --> 00:37:19,920
that he did

1060
00:37:23,670 --> 00:37:21,920
he states i like and i know you know who

1061
00:37:25,990 --> 00:37:23,680
this is dr leo sprinkle

1062
00:37:28,230 --> 00:37:26,000
he says i like leo sprinkle's idea of

1063
00:37:29,109 --> 00:37:28,240

initiation is cosmic consciousness

1064

00:37:31,109 --> 00:37:29,119

conditioning

1065

00:37:33,190 --> 00:37:31,119

it's a one-way change that seems to be

1066

00:37:35,109 --> 00:37:33,200

going on i have interviewed a lot of

1067

00:37:36,950 --> 00:37:35,119

people who claim to be abducted

1068

00:37:39,190 --> 00:37:36,960

and in those cases the rubric of

1069

00:37:40,550 --> 00:37:39,200

recruitment is much more valid

1070

00:37:42,950 --> 00:37:40,560

there's something else going on that

1071

00:37:45,910 --> 00:37:42,960

these people did not ask for mostly

1072

00:37:47,750 --> 00:37:45,920

in ce5 it's people who voluntarily go

1073

00:37:50,310 --> 00:37:47,760

out and try to establish communication

1074

00:37:51,750 --> 00:37:50,320

in themselves and bring the phenomenon

1075

00:37:54,310 --> 00:37:51,760

under their control

1076
00:37:55,829 --> 00:37:54,320
in these 200 cases they claim a reply or

1077
00:37:57,510 --> 00:37:55,839
closing of the loop which i interpret as

1078
00:37:59,190 --> 00:37:57,520
a sign of intelligence

1079
00:38:00,790 --> 00:37:59,200
the case is quite strong for an

1080
00:38:03,589 --> 00:38:00,800
intelligence of some form

1081
00:38:05,349 --> 00:38:03,599
a programmed robot or actual localized

1082
00:38:06,150 --> 00:38:05,359
intelligence the evidence speaks for

1083
00:38:11,270 --> 00:38:06,160
itself

1084
00:38:18,069 --> 00:38:14,550
i think you just need to

1085
00:38:20,230 --> 00:38:18,079
there you go go ahead

1086
00:38:21,190 --> 00:38:20,240
i'm i'm so intense on listening to you

1087
00:38:28,630 --> 00:38:21,200
to

1088
00:38:30,790 --> 00:38:28,640

understanding of where your information

1089

00:38:33,589 --> 00:38:30,800

comes from

1090

00:38:34,069 --> 00:38:33,599

and when you think about it information

1091

00:38:37,349 --> 00:38:34,079

flow

1092

00:38:39,190 --> 00:38:37,359

is very significant in that um how you

1093

00:38:41,270 --> 00:38:39,200

how you put that information in front of

1094

00:38:43,190 --> 00:38:41,280

people is so is so critical

1095

00:38:46,550 --> 00:38:43,200

so where do we get most of our

1096

00:38:48,870 --> 00:38:46,560

information from the media and

1097

00:38:50,069 --> 00:38:48,880

once we allow the media to tell the

1098

00:38:51,430 --> 00:38:50,079

story that they're telling we're

1099

00:38:54,950 --> 00:38:51,440

completely distracted

1100

00:38:55,990 --> 00:38:54,960

by what's going on and that level of

1101
00:38:59,430 --> 00:38:56,000
distraction

1102
00:39:01,270 --> 00:38:59,440
is so important in in in lessening that

1103
00:39:03,349 --> 00:39:01,280
kind of distractions going on

1104
00:39:04,390 --> 00:39:03,359
and focus people on what the real issues

1105
00:39:06,470 --> 00:39:04,400
are what in fact

1106
00:39:08,470 --> 00:39:06,480
are the real issues of our of our our

1107
00:39:08,870 --> 00:39:08,480
existence and once you inject the sort

1108
00:39:11,990 --> 00:39:08,880
of

1109
00:39:13,670 --> 00:39:12,000
uh you know absolutely uh

1110
00:39:16,230 --> 00:39:13,680
crazy notion that we're being contacted

1111
00:39:18,310 --> 00:39:16,240
by off-world civilizations

1112
00:39:19,750 --> 00:39:18,320
it's it is so difficult to change the

1113
00:39:20,710 --> 00:39:19,760

mindset especially in the current

1114

00:39:23,190 --> 00:39:20,720

context of

1115

00:39:24,230 --> 00:39:23,200

of our problem system uh with regard to

1116

00:39:25,829 --> 00:39:24,240

politics i mean

1117

00:39:28,150 --> 00:39:25,839

there's no there's no dialogue about

1118

00:39:29,670 --> 00:39:28,160

this kind of understanding

1119

00:39:31,910 --> 00:39:29,680

so i think it's important that we if we

1120

00:39:34,630 --> 00:39:31,920

don't create the dialogue

1121

00:39:35,030 --> 00:39:34,640

or the conditions around that dialogue

1122

00:39:36,870 --> 00:39:35,040

uh

1123

00:39:39,430 --> 00:39:36,880

we're just going to be going around in

1124

00:39:40,550 --> 00:39:39,440

circles and and extinguishing ourselves

1125

00:39:42,150 --> 00:39:40,560

right that's exactly what you know

1126

00:39:43,349 --> 00:39:42,160

frankly were talking about we will

1127

00:39:46,790 --> 00:39:43,359

extinct ourselves

1128

00:39:49,349 --> 00:39:46,800

so just uh jump in really quick victor

1129

00:39:49,990 --> 00:39:49,359

uh you made a very interesting point

1130

00:39:51,910 --> 00:39:50,000

about uh

1131

00:39:53,910 --> 00:39:51,920

expanding that dialogue and largely

1132

00:39:55,750 --> 00:39:53,920

through the media uh

1133

00:39:57,270 --> 00:39:55,760

it's been three years now since that new

1134

00:40:00,150 --> 00:39:57,280

york times story came out and

1135

00:40:02,790 --> 00:40:00,160

really changed a lot of things yet uh

1136

00:40:05,270 --> 00:40:02,800

there's not this uh enormous groundswell

1137

00:40:06,710 --> 00:40:05,280

of interest i mean it's gone up for sure

1138

00:40:08,710 --> 00:40:06,720

there's no doubt about it these are good

1139

00:40:11,750 --> 00:40:08,720

times if you're in the ufo field

1140

00:40:13,430 --> 00:40:11,760

but by and large uh

1141

00:40:16,470 --> 00:40:13,440

i got to say it i i think uh the

1142

00:40:19,030 --> 00:40:16,480

majority of people just don't care

1143

00:40:20,069 --> 00:40:19,040

and firstly do you agree with that or

1144

00:40:21,670 --> 00:40:20,079

not and if you do

1145

00:40:23,190 --> 00:40:21,680

does it really matter just so long as

1146

00:40:25,910 --> 00:40:23,200

enough people care

1147

00:40:27,510 --> 00:40:25,920

uh that's a great and people ask me that

1148

00:40:30,790 --> 00:40:27,520

all the time and i think it's an

1149

00:40:33,190 --> 00:40:30,800

um it it really is

1150

00:40:34,470 --> 00:40:33,200

uh it's a benchmark what happened there

1151

00:40:37,750 --> 00:40:34,480

was a benchmark

1152

00:40:40,790 --> 00:40:37,760

and it got the dialogue going now

1153

00:40:42,630 --> 00:40:40,800

you say people just don't care uh

1154

00:40:44,150 --> 00:40:42,640

you're right the general majority of

1155

00:40:45,910 --> 00:40:44,160

people like we go back to the you know

1156

00:40:48,069 --> 00:40:45,920

topic i just talked about earlier

1157

00:40:49,190 --> 00:40:48,079

they're mesmerized by other things you

1158

00:40:50,630 --> 00:40:49,200

know

1159

00:40:52,069 --> 00:40:50,640

if your limit of understanding is the

1160

00:40:54,069 --> 00:40:52,079

young and restless and dancing with the

1161

00:40:55,910 --> 00:40:54,079

star you've got problems

1162

00:40:57,349 --> 00:40:55,920

so i think once you get past those

1163

00:41:00,470 --> 00:40:57,359

realities and get them down

1164

00:41:02,309 --> 00:41:00,480

to the really good point of information

1165

00:41:03,750 --> 00:41:02,319

where you get it from what that

1166

00:41:06,150 --> 00:41:03,760

information actually is

1167

00:41:07,829 --> 00:41:06,160

then you can start speaking to them and

1168

00:41:11,510 --> 00:41:07,839

it's it's difficult to convince

1169

00:41:14,150 --> 00:41:11,520

that many people and the i don't care

1170

00:41:15,589 --> 00:41:14,160

can only be replaced with what i call

1171

00:41:18,470 --> 00:41:15,599

the slap in the face

1172

00:41:19,430 --> 00:41:18,480

the big whack what's the big one hunk of

1173

00:41:21,349 --> 00:41:19,440

information

1174

00:41:23,829 --> 00:41:21,359

that you people need to know that's

1175

00:41:25,670 --> 00:41:23,839

going to say holy smoke you're right

1176

00:41:27,510 --> 00:41:25,680

what just tell me what piece of

1177

00:41:30,710 --> 00:41:27,520

information you want

1178

00:41:32,309 --> 00:41:30,720

and we'll give it to you now in the

1179

00:41:33,190 --> 00:41:32,319

giving there is taking so they've got to

1180

00:41:34,630 --> 00:41:33,200

understand it

1181

00:41:37,190 --> 00:41:34,640

and that's we're all about trying to

1182

00:41:39,109 --> 00:41:37,200

make people understand the distinctions

1183

00:41:41,030 --> 00:41:39,119

yeah i wanted to bring up the nord topic

1184

00:41:42,309 --> 00:41:41,040

again just for a moment before we move

1185

00:41:44,309 --> 00:41:42,319

on to the next topic

1186

00:41:46,069 --> 00:41:44,319

and that is dr richard haynes in this

1187

00:41:49,109 --> 00:41:46,079

interview

1188

00:41:50,870 --> 00:41:49,119

indicates he said now please understand

1189

00:41:52,150 --> 00:41:50,880

i'm cutting right into conversation he's

1190

00:41:55,349 --> 00:41:52,160

having with somebody here

1191

00:41:57,589 --> 00:41:55,359

so if it sounds um like that

1192

00:41:59,589 --> 00:41:57,599

it's because it is so here here it goes

1193

00:42:01,190 --> 00:41:59,599

now from the nuts and bolts point of

1194

00:42:03,750 --> 00:42:01,200

view that we discussed

1195

00:42:05,990 --> 00:42:03,760

i would have to agree that norad would

1196

00:42:08,790 --> 00:42:06,000

have everything under surveillance

1197

00:42:10,710 --> 00:42:08,800

from my knowledge of radar and so forth

1198

00:42:12,230 --> 00:42:10,720

but from the second point of view i

1199

00:42:14,309 --> 00:42:12,240

don't have to agree with it

1200

00:42:16,630 --> 00:42:14,319

there might be a component slipping in

1201
00:42:18,069 --> 00:42:16,640
wavelengths that norad has not even

1202
00:42:20,550 --> 00:42:18,079
thought of yet

1203
00:42:21,510 --> 00:42:20,560
standing ground waves long wavelengths

1204
00:42:24,630 --> 00:42:21,520
etc

1205
00:42:26,630 --> 00:42:24,640
they don't measure those norad really

1206
00:42:27,270 --> 00:42:26,640
has a very narrow spectrum that they

1207
00:42:29,430 --> 00:42:27,280
monitor

1208
00:42:30,950 --> 00:42:29,440
and has to do with infrared because of

1209
00:42:32,950 --> 00:42:30,960
ballistic missiles

1210
00:42:35,750 --> 00:42:32,960
metal reflecting surfaces which is how

1211
00:42:38,069 --> 00:42:35,760
we make missiles awfully anthropomorphic

1212
00:42:39,109 --> 00:42:38,079
i hope norad is monitoring all those

1213
00:42:40,630 --> 00:42:39,119

things in space

1214

00:42:42,390 --> 00:42:40,640

but there could be all kinds of

1215

00:42:44,069 --> 00:42:42,400

wavelengths in the electromagnetic

1216

00:42:47,750 --> 00:42:44,079

spectrum that are completely ignored

1217

00:42:48,630 --> 00:42:47,760

overlooked forgotten i mean isn't that

1218

00:42:51,190 --> 00:42:48,640

amazing that

1219

00:42:52,470 --> 00:42:51,200

there's so many different kinds of

1220

00:42:55,589 --> 00:42:52,480

things that could be happening

1221

00:42:57,430 --> 00:42:55,599

right in front of darpa norad every

1222

00:42:58,150 --> 00:42:57,440

country on the planet regarding every

1223

00:43:00,470 --> 00:42:58,160

technology

1224

00:43:01,990 --> 00:43:00,480

that they utilize and they're missing

1225

00:43:05,430 --> 00:43:02,000

those different spectrums

1226

00:43:06,790 --> 00:43:05,440

yeah possibilities it's it's really a

1227

00:43:09,030 --> 00:43:06,800

great way to frame how and

1228

00:43:10,230 --> 00:43:09,040

once again how information gets to

1229

00:43:14,550 --> 00:43:10,240

people

1230

00:43:17,510 --> 00:43:14,560

just doing things to monitor stuff in

1231

00:43:17,750 --> 00:43:17,520

in airspace uh they're they're looking

1232

00:43:21,349 --> 00:43:17,760

in

1233

00:43:23,190 --> 00:43:21,359

know and that's why they have a problem

1234

00:43:24,829 --> 00:43:23,200

if they understood these electromagnetic

1235

00:43:27,750 --> 00:43:24,839

influences a little bit more

1236

00:43:28,550 --> 00:43:27,760

finely they would see that this stuff

1237

00:43:31,750 --> 00:43:28,560

perpetrates

1238

00:43:33,270 --> 00:43:31,760

everything underground and in our waters

1239

00:43:35,670 --> 00:43:33,280

and that's an important thing that we

1240

00:43:37,030 --> 00:43:35,680

need to understand some of this stuff

1241

00:43:38,630 --> 00:43:37,040

some of the communication of the

1242

00:43:39,349 --> 00:43:38,640

vibrations or the electromagnetic

1243

00:43:41,510 --> 00:43:39,359

spectrum

1244

00:43:42,790 --> 00:43:41,520

is being influenced within the ground

1245

00:43:45,750 --> 00:43:42,800

there's just no doubt about it

1246

00:43:46,790 --> 00:43:45,760

and in the water and that's testified to

1247

00:43:48,550 --> 00:43:46,800

by

1248

00:43:51,589 --> 00:43:48,560

the idea that some of these craft can

1249

00:43:53,829 --> 00:43:51,599

actually function in water

1250

00:43:56,150 --> 00:43:53,839

it's the prime way of moving and that

1251

00:43:58,230 --> 00:43:56,160

was born out quite well

1252

00:43:59,910 --> 00:43:58,240

in the shag harbor incident here up here

1253

00:44:00,790 --> 00:43:59,920

in canada as well as one of the

1254

00:44:03,510 --> 00:44:00,800

incidents uh

1255

00:44:04,950 --> 00:44:03,520

uh that happened with respect to the the

1256

00:44:06,710 --> 00:44:04,960

f-16s that found these things off

1257

00:44:09,829 --> 00:44:06,720

catalina island

1258

00:44:12,710 --> 00:44:09,839

underwater foam movement of craft under

1259

00:44:13,430 --> 00:44:12,720

water breaking the water that kind of

1260

00:44:16,470 --> 00:44:13,440

thing

1261

00:44:18,230 --> 00:44:16,480

so when you get right down to it the the

1262

00:44:18,950 --> 00:44:18,240

the idea that they're here is so

1263

00:44:21,109 --> 00:44:18,960

pervasive

1264

00:44:22,630 --> 00:44:21,119

it's in our air space and in our in our

1265

00:44:25,270 --> 00:44:22,640

earth and our water

1266

00:44:26,870 --> 00:44:25,280

and that's uh a phenomenal understanding

1267

00:44:28,069 --> 00:44:26,880

that most people don't really want to

1268

00:44:31,109 --> 00:44:28,079

grabble on to

1269

00:44:32,870 --> 00:44:31,119

at this point great and before we move

1270

00:44:34,550 --> 00:44:32,880

on to that i do want to let folks know

1271

00:44:37,990 --> 00:44:34,560

about a wonderful book

1272

00:44:40,069 --> 00:44:38,000

that uh john mack did write it's called

1273

00:44:41,510 --> 00:44:40,079

abduction human encounters with aliens

1274

00:44:43,270 --> 00:44:41,520

that i know that

1275

00:44:45,270 --> 00:44:43,280

our wonderful friend here victor has

1276

00:44:49,030 --> 00:44:45,280

probably read multiple times

1277

00:44:52,069 --> 00:44:49,040

and has a copy an over overly worn copy

1278

00:44:54,550 --> 00:44:52,079

in his bookshelf now moving along here

1279

00:44:56,710 --> 00:44:54,560

uh wanted to go ahead and touch on the

1280

00:44:59,190 --> 00:44:56,720

incredible life of paul

1281

00:45:01,670 --> 00:44:59,200

hellyer and i wanted to just let our

1282

00:45:03,990 --> 00:45:01,680

folks know a little bit about him

1283

00:45:06,230 --> 00:45:04,000

actually you know the expert on paul

1284

00:45:09,589 --> 00:45:06,240

hillier is victor so why don't you let

1285

00:45:11,510 --> 00:45:09,599

us know about him please thank you

1286

00:45:12,870 --> 00:45:11,520

well first of all thank you thank you

1287

00:45:15,190 --> 00:45:12,880

for asking that

1288

00:45:17,109 --> 00:45:15,200

um yes the the story behind my

1289

00:45:21,030 --> 00:45:17,119

relationship with paul

1290

00:45:23,190 --> 00:45:21,040

goes back to 2005 and uh

1291

00:45:24,390 --> 00:45:23,200

at that time a colleague and i were

1292

00:45:27,109 --> 00:45:24,400

planning to

1293

00:45:29,030 --> 00:45:27,119

do a symposium up here in toronto and

1294

00:45:31,910 --> 00:45:29,040

that symposium was going to be

1295

00:45:34,150 --> 00:45:31,920

speakers and you know slideshows so on

1296

00:45:36,790 --> 00:45:34,160

and so forth

1297

00:45:39,109 --> 00:45:36,800

at the time i was doing a radio program

1298

00:45:41,910 --> 00:45:39,119

called strange days indeed in toronto

1299

00:45:43,750 --> 00:45:41,920

and um i was finished one evening at the

1300

00:45:45,589 --> 00:45:43,760

interviews after we finished

1301

00:45:47,190 --> 00:45:45,599

and i got a call in the um in the

1302

00:45:48,390 --> 00:45:47,200

control room

1303

00:45:49,990 --> 00:45:48,400

victor there's a guy who wants to talk

1304

00:45:51,270 --> 00:45:50,000

to you i said well i'm tired it's 2

1305

00:45:54,230 --> 00:45:51,280

o'clock in the morning

1306

00:45:55,670 --> 00:45:54,240

but i took the call and the the person

1307

00:45:57,030 --> 00:45:55,680

at the other end of the line identified

1308

00:45:59,190 --> 00:45:57,040

himself very clearly

1309

00:46:01,030 --> 00:45:59,200

and indicated and he said to me you have

1310

00:46:04,069 --> 00:46:01,040

to talk to paul hellyer

1311

00:46:06,150 --> 00:46:04,079

and at the time i mean i i i knew had

1312

00:46:07,430 --> 00:46:06,160

i'd known that helya was a very official

1313

00:46:07,990 --> 00:46:07,440

kind of person in the canadian

1314

00:46:11,190 --> 00:46:08,000

government

1315

00:46:13,750 --> 00:46:11,200

but that's all i knew i had no idea that

1316

00:46:15,910 --> 00:46:13,760

he might be interested in this topic

1317

00:46:17,589 --> 00:46:15,920

so i said okay fine thank you uh give me

1318

00:46:18,630 --> 00:46:17,599

the contact information i'll try my best

1319

00:46:20,950 --> 00:46:18,640

and at the time we're

1320

00:46:22,630 --> 00:46:20,960

doing the symposium i'm trying to

1321

00:46:24,870 --> 00:46:22,640

contact mr hellyer

1322

00:46:26,710 --> 00:46:24,880

and i eventually um contact him and say

1323

00:46:28,550 --> 00:46:26,720

you know paul my name is victor virgin

1324

00:46:31,270 --> 00:46:28,560

he was given your name by sergeant

1325

00:46:32,790 --> 00:46:31,280

such and i just need to ask you you've

1326

00:46:34,150 --> 00:46:32,800

just finished reading the the book the

1327

00:46:35,910 --> 00:46:34,160

day after roswell

1328

00:46:37,829 --> 00:46:35,920

and that you want to talk about it well

1329

00:46:38,790 --> 00:46:37,839

we just happen to be doing a symposium

1330

00:46:43,589 --> 00:46:38,800

on that

1331

00:46:46,470 --> 00:46:43,599

would you like to be our keynote speaker

1332

00:46:47,990 --> 00:46:46,480

and he him hard um he said call me back

1333

00:46:49,030 --> 00:46:48,000

in a few days i have to kind of work on

1334

00:46:53,430 --> 00:46:49,040

this

1335

00:46:55,670 --> 00:46:53,440

him back

1336

00:46:56,550 --> 00:46:55,680

about a week later and he said yes i

1337

00:46:57,990 --> 00:46:56,560

consent to

1338

00:47:00,230 --> 00:46:58,000

coming forward and being the keynote

1339

00:47:00,950 --> 00:47:00,240

speaker at an address at university of

1340

00:47:04,710 --> 00:47:00,960

toronto

1341

00:47:06,309 --> 00:47:04,720

convocation hall in 2005. and he just

1342

00:47:09,589 --> 00:47:06,319

blew the doors off the whole place this

1343

00:47:13,190 --> 00:47:09,599

is this a huge monumental

1344

00:47:13,829 --> 00:47:13,200

building 550 people and press all over

1345

00:47:15,510 --> 00:47:13,839

the place

1346

00:47:18,349 --> 00:47:15,520

and he shook the world with his

1347

00:47:21,109 --> 00:47:18,359

announcement that uh

1348

00:47:22,549 --> 00:47:21,119

airplanes rather ufos are as real as the

1349

00:47:24,870 --> 00:47:22,559

airplanes that fly over your head

1350

00:47:26,710 --> 00:47:24,880

and that was his big statement and from

1351
00:47:27,430 --> 00:47:26,720
there he's gotten himself and he's blame

1352
00:47:29,190 --> 00:47:27,440
he blames for

1353
00:47:31,030 --> 00:47:29,200
he blames me for this all the time he's

1354
00:47:33,349 --> 00:47:31,040
got himself into a lot of

1355
00:47:34,710 --> 00:47:33,359
situations where victor what did you get

1356
00:47:36,790 --> 00:47:34,720
me into you know

1357
00:47:38,390 --> 00:47:36,800
he told actually he told his wife at the

1358
00:47:39,910 --> 00:47:38,400
time that this was just going to be a

1359
00:47:42,710 --> 00:47:39,920
one-off thing just the the

1360
00:47:44,630 --> 00:47:42,720
one lecture and that was it and uh that

1361
00:47:48,390 --> 00:47:44,640
just turned out not to be true

1362
00:47:54,870 --> 00:47:48,400
now some interesting anecdotal

1363
00:48:00,150 --> 00:47:58,150

uh chant you're breaking up

1364

00:48:02,390 --> 00:48:00,160

yeah let me let me jump in real quick

1365

00:48:04,390 --> 00:48:02,400

until uh the sound improves but

1366

00:48:05,910 --> 00:48:04,400

uh just to give a little background on

1367

00:48:07,510 --> 00:48:05,920

paul hell you're a chant you're breaking

1368

00:48:08,950 --> 00:48:07,520

up a little bit so let uh let me keep

1369

00:48:09,750 --> 00:48:08,960

going a little bit so i can fill in some

1370

00:48:12,470 --> 00:48:09,760

space

1371

00:48:12,790 --> 00:48:12,480

uh uh basically uh paul hellyer is sort

1372

00:48:16,630 --> 00:48:12,800

of

1373

00:48:18,549 --> 00:48:16,640

defense for the united states he was the

1374

00:48:21,829 --> 00:48:18,559

minister of defense for canada

1375

00:48:23,750 --> 00:48:21,839

in the 60s and also i had another uh

1376

00:48:25,109 --> 00:48:23,760

i guess would be analogous to the an

1377

00:48:27,510 --> 00:48:25,119

american cabinet post

1378

00:48:29,510 --> 00:48:27,520

uh the secretary of uh transportation or

1379

00:48:31,910 --> 00:48:29,520

minister of transportation up there

1380

00:48:34,069 --> 00:48:31,920

so uh just to give the folks an idea uh

1381

00:48:36,150 --> 00:48:34,079

that's a pretty big deal obviously if

1382

00:48:37,109 --> 00:48:36,160

we had here in the states a former uh

1383

00:48:39,510 --> 00:48:37,119

secretary of

1384

00:48:40,870 --> 00:48:39,520

defense coming forward and uh revealing

1385

00:48:42,870 --> 00:48:40,880

that kind of information

1386

00:48:43,910 --> 00:48:42,880

it would create some huge news here in

1387

00:48:45,990 --> 00:48:43,920

the states and

1388

00:48:47,910 --> 00:48:46,000

when paul did come forward it created

1389

00:48:49,430 --> 00:48:47,920

quite a buzz here in the states as well

1390

00:48:50,710 --> 00:48:49,440

so uh victor you sound like you're

1391

00:48:52,549 --> 00:48:50,720

coming in okay so

1392

00:48:53,829 --> 00:48:52,559

yeah you want to uh want to keep going

1393

00:48:57,190 --> 00:48:53,839

from there

1394

00:48:59,510 --> 00:48:57,200

yeah well actually uh what happened was

1395

00:49:00,230 --> 00:48:59,520

after he came forward and did what he

1396

00:49:02,549 --> 00:49:00,240

did

1397

00:49:04,470 --> 00:49:02,559

um you know we i want to i want to

1398

00:49:06,950 --> 00:49:04,480

continue the dialogue about that

1399

00:49:08,790 --> 00:49:06,960

now people should understand that paul

1400

00:49:10,630 --> 00:49:08,800

also served as a deputy prime minister

1401

00:49:12,950 --> 00:49:10,640

of canada under pierre tudo

1402

00:49:14,150 --> 00:49:12,960

which is like a vice president um kind

1403

00:49:18,230 --> 00:49:14,160

of position which is okay

1404

00:49:23,030 --> 00:49:21,430

as it turns out um the way paul decided

1405

00:49:24,790 --> 00:49:23,040

to play these cards

1406

00:49:26,390 --> 00:49:24,800

in terms of my goodness why are you come

1407

00:49:29,430 --> 00:49:26,400

for coming forward and why now

1408

00:49:29,990 --> 00:49:29,440

what's going on and he makes the

1409

00:49:33,270 --> 00:49:30,000

statement

1410

00:49:36,470 --> 00:49:33,280

that uh if we do not unveil this

1411

00:49:38,710 --> 00:49:36,480

veil of secrecy that's going on and and

1412

00:49:40,230 --> 00:49:38,720

looking at the economic situation

1413

00:49:43,589 --> 00:49:40,240

as to how it's also playing out because

1414

00:49:46,470 --> 00:49:43,599

he's also a economic expert

1415

00:49:48,309 --> 00:49:46,480

and he sees these issues as intertwined

1416

00:49:50,390 --> 00:49:48,319

and that the global politics and the

1417

00:49:52,950 --> 00:49:50,400

global economic situation are

1418

00:49:54,790 --> 00:49:52,960

are very very closely linked especially

1419

00:49:56,470 --> 00:49:54,800

in terms of fossil fuels

1420

00:49:58,309 --> 00:49:56,480

and the control over fossil fuels and

1421

00:50:00,549 --> 00:49:58,319

all of that affecting our economy

1422

00:50:01,750 --> 00:50:00,559

and what's the thing that needs to be

1423

00:50:10,309 --> 00:50:01,760

understand

1424

00:50:14,150 --> 00:50:12,230

victor will come back on in a moment

1425

00:50:15,829 --> 00:50:14,160

there we go

1426

00:50:17,430 --> 00:50:15,839

you just said the thing we need to

1427

00:50:18,950 --> 00:50:17,440

understand about a civilization that

1428

00:50:21,190 --> 00:50:18,960

part we didn't hear

1429

00:50:22,069 --> 00:50:21,200

okay yet the thing we need to understand

1430

00:50:23,349 --> 00:50:22,079

about us

1431

00:50:25,589 --> 00:50:23,359

as a civilization that we're burning

1432

00:50:27,910 --> 00:50:25,599

fossil fuels and it is

1433

00:50:28,710 --> 00:50:27,920

eliminating us and not just us but all

1434

00:50:30,390 --> 00:50:28,720

forms of

1435

00:50:32,870 --> 00:50:30,400

other kinds of life both in flora and

1436

00:50:34,069 --> 00:50:32,880

fauna so once we get to a point where we

1437

00:50:36,790 --> 00:50:34,079

can eliminate

1438

00:50:37,910 --> 00:50:36,800

uh fossil fuels and take on these new

1439

00:50:41,270 --> 00:50:37,920

energy systems that

1440

00:50:42,230 --> 00:50:41,280

are in fact in play we can we can change

1441

00:50:45,750 --> 00:50:42,240

the genre

1442

00:50:48,470 --> 00:50:45,760

of the uh uh of the of the i guess the

1443

00:50:49,430 --> 00:50:48,480

the agenda of the planet not relying on

1444

00:50:52,150 --> 00:50:49,440

fossil fuels

1445

00:50:54,309 --> 00:50:52,160

and paul kept on harping at that and and

1446

00:50:55,990 --> 00:50:54,319

the idea behind us understanding

1447

00:50:57,910 --> 00:50:56,000

that we have to get to an economic

1448

00:50:59,349 --> 00:50:57,920

system where we can afford other kinds

1449

00:51:01,349 --> 00:50:59,359

of propulsion systems

1450

00:51:02,630 --> 00:51:01,359

other kinds of energy and that's where

1451

00:51:04,950 --> 00:51:02,640

he was headed with

1452

00:51:05,750 --> 00:51:04,960

uh most of his thinking that is

1453

00:51:07,349 --> 00:51:05,760

interesting

1454

00:51:09,349 --> 00:51:07,359

and i just wanted to mention that

1455

00:51:11,829 --> 00:51:09,359

anecdotal story about

1456

00:51:13,510 --> 00:51:11,839

helya which is actually uh you know the

1457

00:51:15,510 --> 00:51:13,520

word anecdotal might sound

1458

00:51:16,549 --> 00:51:15,520

uh like it trivializes what he did but

1459

00:51:19,750 --> 00:51:16,559

it certainly is not

1460

00:51:21,670 --> 00:51:19,760

trivial in june of 67 helyer flew in by

1461

00:51:22,710 --> 00:51:21,680

helicopter to officially inaugurate an

1462

00:51:25,190 --> 00:51:22,720

unidentified

1463

00:51:26,150 --> 00:51:25,200

flying object landing pad in saint paul

1464

00:51:28,950 --> 00:51:26,160

alberta

1465

00:51:31,109 --> 00:51:28,960

the town had built it uh as its canadian

1466

00:51:33,829 --> 00:51:31,119

centennial celebration project

1467

00:51:34,950 --> 00:51:33,839

and is assembled keeping space free from

1468

00:51:37,190 --> 00:51:34,960

human warfare

1469

00:51:39,670 --> 00:51:37,200

the sign beside the pad reads the area

1470

00:51:41,990 --> 00:51:39,680

under the world's first ufo landing pad

1471

00:51:43,349 --> 00:51:42,000

was designated international by the town

1472

00:51:45,190 --> 00:51:43,359

of saint paul as a

1473

00:51:47,109 --> 00:51:45,200

symbol of our faith that mankind will

1474

00:51:48,710 --> 00:51:47,119

maintain the outer universe free from

1475

00:51:51,270 --> 00:51:48,720

national wars and strife

1476

00:51:53,829 --> 00:51:51,280

the future future travel and space will

1477

00:51:55,990 --> 00:51:53,839

be safe for all intergalactic beings

1478

00:51:57,750 --> 00:51:56,000

all visitors from earth or otherwise are

1479

00:51:59,030 --> 00:51:57,760

welcome to this territory and to the

1480

00:52:01,990 --> 00:51:59,040

town of saint paul

1481

00:52:04,069 --> 00:52:02,000

moving on in september of 05 hellyer

1482

00:52:05,270 --> 00:52:04,079

made headlines by publicly announcing as

1483

00:52:07,910 --> 00:52:05,280

we already discussed

1484

00:52:10,150 --> 00:52:07,920

he believed in the existence of ufos now

1485

00:52:12,630 --> 00:52:10,160

uh it looks like hellyer

1486

00:52:13,430 --> 00:52:12,640

has really been working for a very long

1487

00:52:17,190 --> 00:52:13,440

time

1488

00:52:18,870 --> 00:52:17,200

to prize the planet uh of the ufo uh

1489

00:52:23,109 --> 00:52:18,880

phenomenon

1490

00:52:23,510 --> 00:52:23,119

and e.t topic uh you know i just want to

1491

00:52:25,190 --> 00:52:23,520

know

1492

00:52:27,270 --> 00:52:25,200

let me put it this way if i had him in

1493

00:52:29,510 --> 00:52:27,280

front of me i would ask him why did he

1494

00:52:31,910 --> 00:52:29,520

have the wherewithal to even bother

1495

00:52:34,069 --> 00:52:31,920

because it's a very difficult thing you

1496

00:52:35,510 --> 00:52:34,079

know it's a difficult platform to take

1497

00:52:38,230 --> 00:52:35,520

up and talk

1498

00:52:38,870 --> 00:52:38,240

to folks about so why did he bother

1499

00:52:40,549 --> 00:52:38,880

doing it

1500

00:52:41,990 --> 00:52:40,559

is he that passionate about it what

1501
00:52:45,190 --> 00:52:42,000
happened

1502
00:52:47,990 --> 00:52:45,200
well the idea behind the passion

1503
00:52:49,430 --> 00:52:48,000
essentially comes from the fact that uh

1504
00:52:58,150 --> 00:52:49,440
he

1505
00:53:00,470 --> 00:52:58,160
was elected uh as a liberal in

1506
00:53:02,150 --> 00:53:00,480
in the uh he's actually one of the the

1507
00:53:05,270 --> 00:53:02,160
youngest liberals ever elected

1508
00:53:05,990 --> 00:53:05,280
uh to the uh to the house of commons and

1509
00:53:09,270 --> 00:53:06,000
from there

1510
00:53:11,910 --> 00:53:09,280
um he began to show his elbows

1511
00:53:14,309 --> 00:53:11,920
or how sharp they were and he um he

1512
00:53:16,470 --> 00:53:14,319
irritated a lot of people

1513
00:53:17,990 --> 00:53:16,480

to the point where sometimes uh people

1514

00:53:19,910 --> 00:53:18,000

thought well maybe your idea is a little

1515

00:53:21,829 --> 00:53:19,920

bit too far this way or that way

1516

00:53:23,990 --> 00:53:21,839

and he said well okay fine i'll i will

1517

00:53:27,430 --> 00:53:24,000

become a conservative then

1518

00:53:29,349 --> 00:53:27,440

so he flipped he flipped okay and he did

1519

00:53:30,790 --> 00:53:29,359

that several times in his career

1520

00:53:32,790 --> 00:53:30,800

to the point where he eventually he

1521

00:53:35,829 --> 00:53:32,800

started the uh that was

1522

00:53:38,069 --> 00:53:35,839

the what was the name the canadian

1523

00:53:39,030 --> 00:53:38,079

the canadian action party okay he

1524

00:53:40,390 --> 00:53:39,040

created that

1525

00:53:41,910 --> 00:53:40,400

and they attempted to get seats in

1526
00:53:42,309 --> 00:53:41,920
parliament and they were unsuccessful

1527
00:53:45,910 --> 00:53:42,319
they could

1528
00:53:48,470 --> 00:53:45,920
has been compelled

1529
00:53:49,270 --> 00:53:48,480
all of his life to challenge the system

1530
00:53:52,150 --> 00:53:49,280
and uh

1531
00:53:53,589 --> 00:53:52,160
in answer to your question chad it was

1532
00:53:56,470 --> 00:53:53,599
his duty he felt

1533
00:53:57,190 --> 00:53:56,480
compelled to do this because um the

1534
00:53:59,750 --> 00:53:57,200
system just

1535
00:54:01,349 --> 00:53:59,760
is was wrought into the core and he was

1536
00:54:04,390 --> 00:54:01,359
just he could not abide by that

1537
00:54:06,950 --> 00:54:04,400
that's what motivated him understood

1538
00:54:08,630 --> 00:54:06,960

now i wanted to move on to another topic

1539

00:54:10,309 --> 00:54:08,640

which is something that you spent quite

1540

00:54:14,150 --> 00:54:10,319

a bit of time um

1541

00:54:16,470 --> 00:54:14,160

going over and uh so i'll just go ahead

1542

00:54:18,069 --> 00:54:16,480

and i'm on zlan communications news

1543

00:54:19,430 --> 00:54:18,079

network i just want to let our

1544

00:54:21,750 --> 00:54:19,440

listeners know and i will at the end of

1545

00:54:22,870 --> 00:54:21,760

the show also know let them know where

1546

00:54:25,510 --> 00:54:22,880

this website is

1547

00:54:28,990 --> 00:54:25,520

that victor has created and he's head of

1548

00:54:34,069 --> 00:54:30,470

zlandcommunications.blogspot.com

1549

00:54:35,670 --> 00:54:34,079

and on november 19th the of this year

1550

00:54:37,589 --> 00:54:35,680

there's an interesting article that you

1551

00:54:39,990 --> 00:54:37,599

have it says u.s select

1552

00:54:41,910 --> 00:54:40,000

senate intelligence committee directs

1553

00:54:43,030 --> 00:54:41,920

department of national intelligence to

1554

00:54:45,109 --> 00:54:43,040

report on an

1555

00:54:46,470 --> 00:54:45,119

unidentified aerial phenomenon also

1556

00:54:49,190 --> 00:54:46,480

known as uaps

1557

00:54:49,750 --> 00:54:49,200

senator marco rubio's reference to uap

1558

00:54:52,230 --> 00:54:49,760

catches

1559

00:54:53,829 --> 00:54:52,240

observers off guard can you go ahead and

1560

00:54:56,230 --> 00:54:53,839

fill our listeners in on

1561

00:54:57,829 --> 00:54:56,240

what you discussed in that topic there

1562

00:55:01,030 --> 00:54:57,839

victor

1563

00:55:02,230 --> 00:55:01,040

yeah that's that's a biggie um we talked

1564

00:55:05,430 --> 00:55:02,240

earlier in the evening

1565

00:55:09,750 --> 00:55:05,440

about the december 17th

1566

00:55:11,589 --> 00:55:09,760

rather yeah december 17th 2017

1567

00:55:14,789 --> 00:55:11,599

announcement by the new york times with

1568

00:55:16,470 --> 00:55:14,799

leslie kane and blumenthal

1569

00:55:17,910 --> 00:55:16,480

you we we talked about that as being

1570

00:55:20,950 --> 00:55:17,920

sort of a benchmark

1571

00:55:23,430 --> 00:55:20,960

okay in terms of what really uh

1572

00:55:24,630 --> 00:55:23,440

kick-started this thing it has evolved

1573

00:55:27,829 --> 00:55:24,640

so quickly

1574

00:55:29,670 --> 00:55:27,839

i cannot tell you uh uh how it's

1575

00:55:30,309 --> 00:55:29,680

unanimous in the in the ufo research

1576

00:55:32,390 --> 00:55:30,319

community

1577

00:55:34,630 --> 00:55:32,400

how think fast things have come along

1578

00:55:37,510 --> 00:55:34,640

it's been light speed

1579

00:55:39,670 --> 00:55:37,520

and that's important because these these

1580

00:55:40,309 --> 00:55:39,680

movements towards the politicization of

1581

00:55:43,670 --> 00:55:40,319

this whole

1582

00:55:46,789 --> 00:55:43,680

idea has not as is unheard of

1583

00:55:47,990 --> 00:55:46,799

to the point now we are having the u.s

1584

00:55:50,309 --> 00:55:48,000

navy admit these things

1585

00:55:51,109 --> 00:55:50,319

are real their officials have admitted

1586

00:55:52,309 --> 00:55:51,119

it

1587

00:55:55,589 --> 00:55:52,319

and there's just no doubt that these

1588

00:55:57,750 --> 00:55:55,599

things are in fact real nothing we have

1589

00:55:59,670 --> 00:55:57,760

could climb from 50 feet over the water

1590

00:56:02,390 --> 00:55:59,680

to 85 000 feet

1591

00:56:04,390 --> 00:56:02,400

above the water in less than one second

1592

00:56:06,870 --> 00:56:04,400

that is astounding information and the

1593

00:56:07,750 --> 00:56:06,880

and the navy has had the the courage to

1594

00:56:09,589 --> 00:56:07,760

admit that

1595

00:56:11,510 --> 00:56:09,599

and then from there there are several um

1596

00:56:15,190 --> 00:56:11,520

uh political representatives

1597

00:56:17,510 --> 00:56:15,200

and marco rubio um uh he is one of them

1598

00:56:18,630 --> 00:56:17,520

and rubio is fundamentally important

1599

00:56:21,510 --> 00:56:18,640

because he has come

1600

00:56:22,309 --> 00:56:21,520

forward and admitted his interest in

1601
00:56:23,990 --> 00:56:22,319
this issue

1602
00:56:26,150 --> 00:56:24,000
in an interview with one of the cbs

1603
00:56:27,750 --> 00:56:26,160
stations he says these are things he

1604
00:56:29,109 --> 00:56:27,760
didn't call them ufos or aliens he

1605
00:56:31,109 --> 00:56:29,119
didn't use that word

1606
00:56:32,789 --> 00:56:31,119
but he expressed the interest that he

1607
00:56:35,270 --> 00:56:32,799
knew

1608
00:56:37,190 --> 00:56:35,280
the craft of unknown origin were making

1609
00:56:38,069 --> 00:56:37,200
unauthorized incursions into the united

1610
00:56:39,750 --> 00:56:38,079
states airspace

1611
00:56:41,990 --> 00:56:39,760
and that's a big deal it's national

1612
00:56:43,030 --> 00:56:42,000
security so when you are involved in

1613
00:56:44,789 --> 00:56:43,040

making

1614

00:56:46,789 --> 00:56:44,799

unauthorized incursions you have to

1615

00:56:48,230 --> 00:56:46,799

investigate it and he has come to the

1616

00:56:49,430 --> 00:56:48,240

conclusion that some of these things

1617

00:56:52,230 --> 00:56:49,440

that are coming in tomorrow

1618

00:56:52,789 --> 00:56:52,240

into our airspace are not from here and

1619

00:56:54,630 --> 00:56:52,799

that's the

1620

00:56:57,349 --> 00:56:54,640

the conclusion that he and and mark

1621

00:56:59,510 --> 00:56:57,359

warner have made right

1622

00:57:01,030 --> 00:56:59,520

very key and very important and

1623

00:57:02,549 --> 00:57:01,040

noteworthy uh actually more than

1624

00:57:03,349 --> 00:57:02,559

noteworthy but i wanted to mention

1625

00:57:05,270 --> 00:57:03,359

something

1626
00:57:07,829 --> 00:57:05,280
uh that is important for our listeners

1627
00:57:09,750 --> 00:57:07,839
to look up and that victor uh

1628
00:57:11,349 --> 00:57:09,760
uh and i were discussing earlier in the

1629
00:57:15,309 --> 00:57:11,359
evening before the show

1630
00:57:17,510 --> 00:57:15,319
and that is if you go listeners to

1631
00:57:20,230 --> 00:57:17,520
intelligence.senate.gov

1632
00:57:21,190 --> 00:57:20,240
or you just go on google and you google

1633
00:57:25,829 --> 00:57:21,200
intelligence

1634
00:57:28,710 --> 00:57:25,839
authorization act for fiscal year 2021

1635
00:57:30,069 --> 00:57:28,720
you'll see an interesting report and

1636
00:57:31,670 --> 00:57:30,079
victor knows this report very well i

1637
00:57:35,190 --> 00:57:31,680
know he's gone over it extensively and

1638
00:57:37,910 --> 00:57:35,200

that is calendar number 477 report

1639

00:57:39,030 --> 00:57:37,920

and it's uh uh goes on to explain

1640

00:57:41,990 --> 00:57:39,040

something interesting i'll

1641

00:57:43,589 --> 00:57:42,000

read it to you here it says advanced

1642

00:57:45,270 --> 00:57:43,599

aerial threats

1643

00:57:47,670 --> 00:57:45,280

and then under that says the committee

1644

00:57:49,990 --> 00:57:47,680

supports the efforts of the unidentified

1645

00:57:53,109 --> 00:57:50,000

aerial phenomenon task force

1646

00:57:55,270 --> 00:57:53,119

at the office of naval intelligence to

1647

00:57:58,230 --> 00:57:55,280

standardize collection and reporting on

1648

00:58:00,069 --> 00:57:58,240

unidentified aerial phenomenon any links

1649

00:58:01,910 --> 00:58:00,079

they have to adversarial foreign

1650

00:58:02,309 --> 00:58:01,920

governments and the threat they pose to

1651
00:58:04,870 --> 00:58:02,319
u.s

1652
00:58:05,750 --> 00:58:04,880
military assets and installations

1653
00:58:07,910 --> 00:58:05,760
however

1654
00:58:09,829 --> 00:58:07,920
the committee remains concerned that

1655
00:58:11,349 --> 00:58:09,839
there is no unified comprehensive

1656
00:58:13,670 --> 00:58:11,359
process within the federal

1657
00:58:14,710 --> 00:58:13,680
government for collecting and analyzing

1658
00:58:17,910 --> 00:58:14,720
intelligence

1659
00:58:19,990 --> 00:58:17,920
on unidentified aerial phenomena despite

1660
00:58:21,430 --> 00:58:20,000
the potential threat

1661
00:58:23,349 --> 00:58:21,440
the committee understands that the

1662
00:58:25,109 --> 00:58:23,359
relevant intelligence may be sensitive

1663
00:58:26,630 --> 00:58:25,119

nevertheless the committee finds

1664

00:58:28,390 --> 00:58:26,640

that the information sharing the

1665

00:58:29,349 --> 00:58:28,400

coordination across the intelligence

1666

00:58:32,150 --> 00:58:29,359

community has been

1667

00:58:33,030 --> 00:58:32,160

inconsistent and this issue has lacked

1668

00:58:35,670 --> 00:58:33,040

intel

1669

00:58:37,190 --> 00:58:35,680

attention from senior leaders and then

1670

00:58:39,030 --> 00:58:37,200

it just goes on to a very detailed

1671

00:58:40,230 --> 00:58:39,040

analysis and breakdown of what they're

1672

00:58:42,950 --> 00:58:40,240

talking about

1673

00:58:43,750 --> 00:58:42,960

now i wanted to uh ask you a question

1674

00:58:45,670 --> 00:58:43,760

all right before

1675

00:58:47,270 --> 00:58:45,680

before you move on that chant let me uh

1676

00:58:48,950 --> 00:58:47,280

let me follow up on this particular

1677

00:58:50,710 --> 00:58:48,960

subject

1678

00:58:52,150 --> 00:58:50,720

i'm going to stick with this topic first

1679

00:58:54,069 --> 00:58:52,160

okay but uh victor

1680

00:58:55,910 --> 00:58:54,079

uh really quick i just want to jump in

1681

00:58:57,670 --> 00:58:55,920

and ask uh you've been uh

1682

00:58:59,430 --> 00:58:57,680

talking about some of the initiatives

1683

00:59:00,069 --> 00:58:59,440

that have taken place on the american

1684

00:59:02,470 --> 00:59:00,079

side

1685

00:59:03,190 --> 00:59:02,480

and uh what has kind of surprised me a

1686

00:59:05,829 --> 00:59:03,200

little bit

1687

00:59:06,309 --> 00:59:05,839

is we haven't heard too much comment uh

1688

00:59:08,309 --> 00:59:06,319

from

1689

00:59:10,789 --> 00:59:08,319

other allied governments you know uh

1690

00:59:14,390 --> 00:59:10,799

obviously canada fits that the uk

1691

00:59:16,870 --> 00:59:14,400

france uh germany uh save for the

1692

00:59:19,589 --> 00:59:16,880

japanese and i was wondering if uh

1693

00:59:20,630 --> 00:59:19,599

are you aware of any kind of canadian

1694

00:59:22,069 --> 00:59:20,640

initiatives that would

1695

00:59:24,789 --> 00:59:22,079

mirror what we're seeing here in the

1696

00:59:26,470 --> 00:59:24,799

states and uh if not uh why do you think

1697

00:59:28,549 --> 00:59:26,480

that's the case

1698

00:59:30,150 --> 00:59:28,559

you mean understanding that the flow of

1699

00:59:32,630 --> 00:59:30,160

information politically

1700

00:59:34,069 --> 00:59:32,640

uh yeah i mean just uh any any moves

1701

00:59:34,870 --> 00:59:34,079

within the canadian government or

1702

00:59:37,109 --> 00:59:34,880

anywhere else

1703

00:59:39,349 --> 00:59:37,119

yeah it's happening in other places um

1704

00:59:41,670 --> 00:59:39,359

if you have an um

1705

00:59:42,630 --> 00:59:41,680

a broad understanding of how global this

1706

00:59:45,270 --> 00:59:42,640

issue is

1707

00:59:47,109 --> 00:59:45,280

uh you've got countries like peru and it

1708

00:59:48,710 --> 00:59:47,119

proves a really good example because

1709

00:59:50,470 --> 00:59:48,720

the individual that i know that worked

1710

00:59:55,430 --> 00:59:50,480

as an advisor in the

1711

00:59:58,710 --> 00:59:55,440

peruvian air force they have always been

1712

01:00:00,710 --> 00:59:58,720

pride i guess is the only word

1713

01:00:01,829 --> 01:00:00,720

of the fact that um they have a

1714

01:00:03,510 --> 01:00:01,839

relationship

1715

01:00:04,950 --> 01:00:03,520

with the air force both the government

1716

01:00:06,470 --> 01:00:04,960

and the air force have always had an

1717

01:00:08,470 --> 01:00:06,480

ongoing relationship in this

1718

01:00:09,510 --> 01:00:08,480

in this thing and they understand the

1719

01:00:12,470 --> 01:00:09,520

issues

1720

01:00:14,230 --> 01:00:12,480

and so for that reason that kind of

1721

01:00:17,349 --> 01:00:14,240

relationship between the air force

1722

01:00:19,750 --> 01:00:17,359

and and in government

1723

01:00:20,789 --> 01:00:19,760

and the people too is reflected by the

1724

01:00:22,630 --> 01:00:20,799

fact that ufo

1725

01:00:24,150 --> 01:00:22,640

the ufo community down there is fully

1726

01:00:26,390 --> 01:00:24,160

aware of what's going on

1727

01:00:27,829 --> 01:00:26,400

so it's a good model for us to work on

1728

01:00:29,109 --> 01:00:27,839

and that's what that's exactly what

1729

01:00:30,789 --> 01:00:29,119

we're trying to do is

1730

01:00:32,150 --> 01:00:30,799

create a dialogue among all those

1731

01:00:35,030 --> 01:00:32,160

partners so we can have

1732

01:00:36,710 --> 01:00:35,040

a canadian ufo office in in you know or

1733

01:00:37,990 --> 01:00:36,720

someone in the cabinet who represents

1734

01:00:39,990 --> 01:00:38,000

these interests

1735

01:00:41,510 --> 01:00:40,000

you know or a minister of of off-world

1736

01:00:43,750 --> 01:00:41,520

affairs or whatever

1737

01:00:45,349 --> 01:00:43,760

to the point where you get um an open

1738

01:00:46,870 --> 01:00:45,359

dialogue and admission that this stuff

1739

01:00:48,470 --> 01:00:46,880

is real and it needs to be

1740

01:00:49,910 --> 01:00:48,480

um within the framework of our

1741

01:00:51,750 --> 01:00:49,920

governance

1742

01:00:53,030 --> 01:00:51,760

which brings me to a whole other issue

1743

01:00:54,390 --> 01:00:53,040

on this and it sounds rather

1744

01:00:55,430 --> 01:00:54,400

contradictory but i can get to that

1745

01:00:57,670 --> 01:00:55,440

later if you wish

1746

01:00:58,470 --> 01:00:57,680

uh why don't you get to it now we're on

1747

01:01:02,150 --> 01:00:58,480

a roll here

1748

01:01:05,190 --> 01:01:02,160

[Laughter]

1749

01:01:07,910 --> 01:01:05,200

oh my goodness um

1750

01:01:08,309 --> 01:01:07,920

yeah look i know it's an extensive topic

1751

01:01:09,829 --> 01:01:08,319

so

1752

01:01:12,069 --> 01:01:09,839

if you feel like you can cover it with

1753

01:01:14,470 --> 01:01:12,079

brevity it's you're most welcome to

1754

01:01:15,270 --> 01:01:14,480

but i did want to ask you uh and frank

1755

01:01:16,630 --> 01:01:15,280

actually

1756

01:01:18,470 --> 01:01:16,640

and i have covered this topic

1757

01:01:21,510 --> 01:01:18,480

extensively on our shows

1758

01:01:24,390 --> 01:01:21,520

and that is what uh

1759

01:01:25,510 --> 01:01:24,400

what equals evidence now i know frank

1760

01:01:28,390 --> 01:01:25,520

specializes in

1761

01:01:30,069 --> 01:01:28,400

researching this topic extensively and

1762

01:01:32,870 --> 01:01:30,079

regarding the uap

1763

01:01:34,630 --> 01:01:32,880

topic and uh this is actually related to

1764

01:01:36,870 --> 01:01:34,640

the report i just read by the way so

1765

01:01:39,589 --> 01:01:36,880

this is not uh

1766

01:01:40,470 --> 01:01:39,599

unentangled from it but i did want to

1767

01:01:43,750 --> 01:01:40,480

ask you

1768

01:01:46,309 --> 01:01:43,760

uh in your opinion what is radar proof

1769

01:01:47,109 --> 01:01:46,319

or radar evidence uh what does that mean

1770

01:01:49,430 --> 01:01:47,119

to you

1771

01:01:51,109 --> 01:01:49,440

regarding the uap topic i know frank has

1772

01:01:53,030 --> 01:01:51,119

some interesting examples to share

1773

01:01:55,270 --> 01:01:53,040

regarding that but do you have anything

1774

01:01:57,430 --> 01:01:55,280

share on that topic because this report

1775

01:02:00,549 --> 01:01:57,440

indicates that they want folks to

1776

01:02:04,069 --> 01:02:00,559

collect and uh collect all that uap

1777

01:02:06,710 --> 01:02:04,079

data um and uh and more so go ahead

1778

01:02:08,549 --> 01:02:06,720

well that's you know that's a a an

1779

01:02:09,589 --> 01:02:08,559

ongoing controversy within the ufo

1780

01:02:11,029 --> 01:02:09,599

research community

1781

01:02:12,870 --> 01:02:11,039

there's a community of people who just

1782

01:02:14,309 --> 01:02:12,880

go out and look for data

1783

01:02:16,309 --> 01:02:14,319

and just say well what was the sighting

1784

01:02:17,750 --> 01:02:16,319

like uh how bright was it what was the

1785

01:02:19,829 --> 01:02:17,760

weather

1786

01:02:20,789 --> 01:02:19,839

was it an individual contact was a group

1787

01:02:23,990 --> 01:02:20,799

contact

1788

01:02:24,000 --> 01:02:29,430

had you been drinking uh all this

1789

01:02:33,750 --> 01:02:31,829

okay victor just broke out for a moment

1790

01:02:34,470 --> 01:02:33,760

but he'll be right back in just a sec

1791

01:02:37,589 --> 01:02:34,480

it's just an

1792

01:02:39,029 --> 01:02:37,599

intermittent internet connection sorry

1793

01:02:43,750 --> 01:02:39,039

we lost her for a moment

1794

01:02:56,950 --> 01:02:45,750

we lost you for a moment for about maybe

1795

01:03:00,230 --> 01:02:58,870

and when i first began in this whole

1796

01:03:02,309 --> 01:03:00,240

field i i was part of that

1797

01:03:03,990 --> 01:03:02,319

that but i got to realize that this

1798

01:03:07,029 --> 01:03:04,000

story was more than just

1799

01:03:07,510 --> 01:03:07,039

data okay it's just not the collection

1800

01:03:09,029 --> 01:03:07,520

of data

1801

01:03:10,710 --> 01:03:09,039

it's the data and how you convince

1802

01:03:12,470 --> 01:03:10,720

people that this this is this is going

1803

01:03:14,710 --> 01:03:12,480

on

1804

01:03:16,069 --> 01:03:14,720

that's been sort of the the angst

1805

01:03:17,589 --> 01:03:16,079

between the people who want to push this

1806

01:03:18,870 --> 01:03:17,599

thing forward and then just the ones who

1807

01:03:20,150 --> 01:03:18,880

want to just collect data and that's as

1808

01:03:22,789 --> 01:03:20,160

far as they go

1809

01:03:24,870 --> 01:03:22,799

and there's so much research going on uh

1810

01:03:27,109 --> 01:03:24,880

that is not politically motivated

1811

01:03:29,270 --> 01:03:27,119

to change politicians minds about this

1812

01:03:30,549 --> 01:03:29,280

stuff they're not using the data to do

1813

01:03:32,390 --> 01:03:30,559

that now

1814

01:03:34,069 --> 01:03:32,400

when you're going back to rubio now you

1815

01:03:34,549 --> 01:03:34,079

use that as an example you mentioned it

1816

01:03:37,109 --> 01:03:34,559

earlier

1817

01:03:38,069 --> 01:03:37,119

he is a politician who's been he's been

1818

01:03:41,349 --> 01:03:38,079

probably

1819

01:03:43,910 --> 01:03:41,359

closed doors about this whole

1820

01:03:44,470 --> 01:03:43,920

this whole thing i'm absolutely sure

1821

01:03:46,870 --> 01:03:44,480

about it

1822

01:03:47,750 --> 01:03:46,880

he knows if not the full story he knows

1823

01:03:49,910 --> 01:03:47,760

that there's something that the

1824

01:03:51,670 --> 01:03:49,920

government is hiding

1825

01:03:53,430 --> 01:03:51,680

right with him i know the senate

1826
01:03:53,829 --> 01:03:53,440
intelligence committee will need more

1827
01:03:56,789 --> 01:03:53,839
than

1828
01:03:58,870 --> 01:03:56,799
say our word or some some joe schmoe's

1829
01:04:01,349 --> 01:03:58,880
word for example or

1830
01:04:02,950 --> 01:04:01,359
they're uh hey i know it's real type

1831
01:04:05,910 --> 01:04:02,960
thing i know you know that i'm just

1832
01:04:06,950 --> 01:04:05,920
saying that a detailed analysis of any

1833
01:04:09,109 --> 01:04:06,960
kind of

1834
01:04:11,510 --> 01:04:09,119
hard data would definitely want to be

1835
01:04:14,950 --> 01:04:11,520
collected collated and amassed by

1836
01:04:16,630 --> 01:04:14,960
these folks and so moving along frank

1837
01:04:18,470 --> 01:04:16,640
i wanted to mention something to you and

1838
01:04:20,390 --> 01:04:18,480

maybe you can talk to us about this just

1839

01:04:23,589 --> 01:04:20,400

a little bit and victor can chime in

1840

01:04:26,630 --> 01:04:23,599

and that is that uaps have reportedly

1841

01:04:28,230 --> 01:04:26,640

or purportedly accelerated to have

1842

01:04:31,510 --> 01:04:28,240

accelerations that range from

1843

01:04:34,470 --> 01:04:31,520

almost 100 g's to thousands of g's far

1844

01:04:35,349 --> 01:04:34,480

higher than a human pilot could survive

1845

01:04:37,029 --> 01:04:35,359

and there's no

1846

01:04:38,470 --> 01:04:37,039

air disturbance visible they don't

1847

01:04:40,390 --> 01:04:38,480

produce sonic booms

1848

01:04:42,230 --> 01:04:40,400

these and other oddities have captured

1849

01:04:44,549 --> 01:04:42,240

the attention of i told you so

1850

01:04:46,390 --> 01:04:44,559

they're uh here ufo believers so by the

1851
01:04:49,589 --> 01:04:46,400
way i'm reading this from space.com

1852
01:04:52,710 --> 01:04:49,599
uh frank what what kind of

1853
01:04:54,789 --> 01:04:52,720
radar proof or radar evidence do we have

1854
01:04:56,630 --> 01:04:54,799
of ufos or uaps

1855
01:04:58,150 --> 01:04:56,640
that you can mention off the top of your

1856
01:04:59,990 --> 01:04:58,160
head well

1857
01:05:01,670 --> 01:05:00,000
there's not too many actual radar

1858
01:05:04,150 --> 01:05:01,680
reports uh that are uh

1859
01:05:04,950 --> 01:05:04,160
let loose but uh we do know that the

1860
01:05:07,190 --> 01:05:04,960
radar has

1861
01:05:09,910 --> 01:05:07,200
picked up these things that we do have

1862
01:05:12,470 --> 01:05:09,920
uh accounts from our radar operators

1863
01:05:13,829 --> 01:05:12,480

like kevin day and gary voorhees they've

1864

01:05:18,230 --> 01:05:13,839

seen these uh

1865

01:05:21,829 --> 01:05:18,240

objects create these uh maneuvers

1866

01:05:23,670 --> 01:05:21,839

do these types of things and uh you know

1867

01:05:26,950 --> 01:05:23,680

radar is physical evidence

1868

01:05:29,910 --> 01:05:26,960

uh it's a form of remote sensing uh

1869

01:05:30,470 --> 01:05:29,920

not uh so terribly different than uh how

1870

01:05:33,190 --> 01:05:30,480

we have

1871

01:05:33,589 --> 01:05:33,200

discovered exoplanets you know we look

1872

01:05:36,069 --> 01:05:33,599

at

1873

01:05:37,270 --> 01:05:36,079

the uh the dimming of the stars and the

1874

01:05:39,829 --> 01:05:37,280

deuce that

1875

01:05:40,390 --> 01:05:39,839

uh planet is uh crossing the plane

1876

01:05:42,870 --> 01:05:40,400

between

1877

01:05:44,150 --> 01:05:42,880

where we're looking and uh the stars so

1878

01:05:46,870 --> 01:05:44,160

where we can determine

1879

01:05:48,069 --> 01:05:46,880

uh the the size of the planet and so on

1880

01:05:50,470 --> 01:05:48,079

and so forth also

1881

01:05:51,510 --> 01:05:50,480

i'll look at the the wobble method uh

1882

01:05:53,109 --> 01:05:51,520

but again we don't

1883

01:05:55,109 --> 01:05:53,119

we don't have a rock for many of these

1884

01:05:57,990 --> 01:05:55,119

exoplanets we don't uh

1885

01:06:00,390 --> 01:05:58,000

have a sample of gas from any of these

1886

01:06:03,190 --> 01:06:00,400

exoplanets

1887

01:06:04,150 --> 01:06:03,200

directly we don't have any in hand

1888

01:06:06,230 --> 01:06:04,160

physical evidence

1889

01:06:08,309 --> 01:06:06,240

but the remote sensing that these

1890

01:06:10,390 --> 01:06:08,319

telescopes the space telescopes the

1891

01:06:12,309 --> 01:06:10,400

ground-based telescopes do

1892

01:06:13,510 --> 01:06:12,319

they provide physical evidence through

1893

01:06:16,150 --> 01:06:13,520

remote sensing

1894

01:06:17,910 --> 01:06:16,160

and radar is in the same class of

1895

01:06:18,309 --> 01:06:17,920

providing that kind of physical evidence

1896

01:06:20,390 --> 01:06:18,319

uh

1897

01:06:21,670 --> 01:06:20,400

people ask for physical evidence radar

1898

01:06:23,910 --> 01:06:21,680

is physical evidence and

1899

01:06:25,349 --> 01:06:23,920

uh i've been convinced of that for a

1900

01:06:27,430 --> 01:06:25,359

long time and uh

1901

01:06:28,870 --> 01:06:27,440

every time i ask a physicist the same

1902

01:06:30,230 --> 01:06:28,880

question uh they're

1903

01:06:32,069 --> 01:06:30,240

you know they're right on board yeah

1904

01:06:33,829 --> 01:06:32,079

radar is physical evidence and it's a

1905

01:06:37,029 --> 01:06:33,839

really important part of the evidence

1906

01:06:38,870 --> 01:06:37,039

and unfortunately uh the organizations

1907

01:06:40,069 --> 01:06:38,880

uh not too many independent ufo

1908

01:06:41,990 --> 01:06:40,079

researchers

1909

01:06:44,230 --> 01:06:42,000

have their own radar installation that's

1910

01:06:44,950 --> 01:06:44,240

something for a nation that's something

1911

01:06:51,349 --> 01:06:44,960

that

1912

01:06:54,150 --> 01:06:51,359

you know a very uh very well-heeled uh

1913

01:06:56,549 --> 01:06:54,160

for the the commercial uh aviation

1914

01:06:57,589 --> 01:06:56,559

that they have but we don't have it and

1915

01:06:59,589 --> 01:06:57,599

that really is

1916

01:07:01,829 --> 01:06:59,599

uh some of the best evidence that that

1917

01:07:03,910 --> 01:07:01,839

would create quite a little pile

1918

01:07:06,069 --> 01:07:03,920

uh that would be out there and

1919

01:07:08,230 --> 01:07:06,079

unfortunately we don't have access to it

1920

01:07:10,390 --> 01:07:08,240

well the senate intelligence committee

1921

01:07:11,910 --> 01:07:10,400

has a really a huge uh burden placed

1922

01:07:14,309 --> 01:07:11,920

upon them to try and

1923

01:07:16,470 --> 01:07:14,319

expect folks to bring forth any kind of

1924

01:07:17,670 --> 01:07:16,480

objective and high quality data now uh

1925

01:07:20,150 --> 01:07:17,680

highneck mentioned

1926

01:07:21,109 --> 01:07:20,160

that if these uh this phenomenon is

1927

01:07:23,430 --> 01:07:21,119

millions of years

1928

01:07:24,950 --> 01:07:23,440

ahead of us regarding its technology it

1929

01:07:27,990 --> 01:07:24,960

would be quite easy for

1930

01:07:31,029 --> 01:07:28,000

that technology to ignore us so to speak

1931

01:07:34,549 --> 01:07:31,039

and cloak its itself is my is my

1932

01:07:38,470 --> 01:07:34,559

belief and uh facilitate the ability to

1933

01:07:40,950 --> 01:07:38,480

not be actually detected hence the hence

1934

01:07:42,470 --> 01:07:40,960

are not having much on the uap

1935

01:07:44,710 --> 01:07:42,480

phenomenon

1936

01:07:46,230 --> 01:07:44,720

yeah well what we're interested in is

1937

01:07:48,789 --> 01:07:46,240

when it is detected

1938

01:07:50,549 --> 01:07:48,799

those instances when it is so you know

1939

01:07:53,190 --> 01:07:50,559

you don't know what you don't know if

1940

01:07:54,789 --> 01:07:53,200

uh they're a lot more ubiquitous and uh

1941

01:07:56,950 --> 01:07:54,799

they're just flying around not being

1942

01:07:57,990 --> 01:07:56,960

detected well they're not being detected

1943

01:08:00,470 --> 01:07:58,000

so we don't know about it

1944

01:08:01,990 --> 01:08:00,480

but obviously there are some uh serious

1945

01:08:03,750 --> 01:08:02,000

instances when they are and those are

1946

01:08:05,430 --> 01:08:03,760

the ones that we're really interested in

1947

01:08:07,430 --> 01:08:05,440

uh those are the ones that we really

1948

01:08:10,150 --> 01:08:07,440

want to know more about

1949

01:08:11,670 --> 01:08:10,160

great well so victor uh did you have

1950

01:08:13,510 --> 01:08:11,680

anything you want to touch upon

1951

01:08:15,190 --> 01:08:13,520

regarding the aliens in hiding until

1952

01:08:18,630 --> 01:08:15,200

mankind is ready says

1953

01:08:20,309 --> 01:08:18,640

x-rays ex-israeli space head that was an

1954

01:08:22,950 --> 01:08:20,319

interesting article

1955

01:08:23,990 --> 01:08:22,960

i know i see you laughing there please

1956

01:08:27,669 --> 01:08:24,000

do touch on that

1957

01:08:30,390 --> 01:08:27,679

topic to be really honest with you

1958

01:08:32,470 --> 01:08:30,400

i've i've i know that the the article

1959

01:08:35,189 --> 01:08:32,480

did come out

1960

01:08:36,390 --> 01:08:35,199

i must admit i have not read the entire

1961

01:08:38,309 --> 01:08:36,400

articles because

1962

01:08:39,590 --> 01:08:38,319

i i first got into the first couple of

1963

01:08:42,070 --> 01:08:39,600

paragraphs of it

1964

01:08:42,709 --> 01:08:42,080

and i began to realize that uh something

1965

01:08:45,990 --> 01:08:42,719

really really

1966

01:08:47,990 --> 01:08:46,000

strange was going on and um

1967

01:08:49,269 --> 01:08:48,000

and if people want to find out more

1968

01:08:52,070 --> 01:08:49,279

about this and

1969

01:08:53,990 --> 01:08:52,080

and try to get to the bottom of his

1970

01:08:56,229 --> 01:08:54,000

assumption that

1971

01:08:57,349 --> 01:08:56,239

the extraterrestrials have in some way

1972

01:08:59,269 --> 01:08:57,359

told us uh

1973

01:09:00,950 --> 01:08:59,279

back off folks we'll we'll do this when

1974

01:09:01,590 --> 01:09:00,960

when when we're ready not when you're

1975

01:09:05,510 --> 01:09:01,600

ready

1976

01:09:07,110 --> 01:09:05,520

um we start to talk right now you're not

1977

01:09:09,110 --> 01:09:07,120

ready to get the message

1978

01:09:11,990 --> 01:09:09,120

so from that position of that point of

1979

01:09:15,269 --> 01:09:12,000

view um

1980

01:09:16,950 --> 01:09:15,279

that that is a very important to make

1981

01:09:18,550 --> 01:09:16,960

but i think the way he goes about it is

1982

01:09:21,189 --> 01:09:18,560

a little a little

1983

01:09:22,149 --> 01:09:21,199

dodgy that's all victor when when this

1984

01:09:23,749 --> 01:09:22,159

story came out

1985

01:09:26,070 --> 01:09:23,759

it's kind of funny because uh here's a

1986

01:09:27,030 --> 01:09:26,080

gentleman who had uh some very serious

1987

01:09:30,309 --> 01:09:27,040

positions in

1988

01:09:31,030 --> 01:09:30,319

the israeli uh military and uh space uh

1989

01:09:33,269 --> 01:09:31,040

areas

1990

01:09:35,030 --> 01:09:33,279

uh he's a you know an older gentleman

1991

01:09:37,510 --> 01:09:35,040

his career is behind him

1992

01:09:38,870 --> 01:09:37,520

and i i kind of even though he obviously

1993

01:09:40,870 --> 01:09:38,880

goes a little bit further i kind of

1994

01:09:42,070 --> 01:09:40,880

thought immediately of paul hellyer when

1995

01:09:44,149 --> 01:09:42,080

i saw this

1996

01:09:46,470 --> 01:09:44,159

bit of news come out i was wondering if

1997

01:09:48,950 --> 01:09:46,480

you have any thoughts on that

1998

01:09:50,870 --> 01:09:48,960

yeah uh well paul when he first came

1999

01:09:53,590 --> 01:09:50,880

forward this is uh you know he was uh

2000

01:09:56,229 --> 01:09:53,600

i guess in his early 80s when he first

2001

01:09:59,270 --> 01:09:56,239

came forward he's 97 right now

2002

01:10:00,470 --> 01:09:59,280

and uh still going strong a lot of times

2003

01:10:02,630 --> 01:10:00,480

what happens with

2004

01:10:03,990 --> 01:10:02,640

men of this kind of stature is that they

2005

01:10:05,830 --> 01:10:04,000

reach a point in their life

2006

01:10:07,590 --> 01:10:05,840

where they say well you know i might as

2007

01:10:09,189 --> 01:10:07,600

well just let everybody know what i'm

2008

01:10:11,430 --> 01:10:09,199

thinking and i don't care what they say

2009

01:10:12,870 --> 01:10:11,440

or i don't i really don't care whether

2010

01:10:14,630 --> 01:10:12,880

they believe me or not

2011

01:10:16,070 --> 01:10:14,640

and you reach a point in your life or a

2012

01:10:17,750 --> 01:10:16,080

level of maturity

2013

01:10:19,830 --> 01:10:17,760

or age wisdom whatever you want to call

2014

01:10:20,950 --> 01:10:19,840

it they just say well here are the cars

2015

01:10:21,510 --> 01:10:20,960

and i'm going to put all my cars in the

2016

01:10:23,669 --> 01:10:21,520

table

2017

01:10:24,550 --> 01:10:23,679

and this guy's done that and i applaud

2018

01:10:25,590 --> 01:10:24,560

him for doing it

2019

01:10:27,750 --> 01:10:25,600

and i also like the fact that it's

2020

01:10:31,189 --> 01:10:27,760

getting as much attention as it is

2021

01:10:32,950 --> 01:10:31,199

so overall i don't think it's helpful

2022

01:10:34,470 --> 01:10:32,960

the way the whole thing goes on about

2023

01:10:38,070 --> 01:10:34,480

mars and all that other stuff

2024

01:10:38,630 --> 01:10:38,080

yeah i i see the public is not ready for

2025

01:10:41,189 --> 01:10:38,640

that

2026

01:10:43,910 --> 01:10:41,199

and i and it may well in fact be going

2027

01:10:44,950 --> 01:10:43,920

on i know i will not rule out anything

2028

01:10:47,590 --> 01:10:44,960

but right now

2029

01:10:48,790 --> 01:10:47,600

if we have to you know convince people

2030

01:10:49,830 --> 01:10:48,800

that there are actually underground

2031

01:10:51,110 --> 01:10:49,840

bases on mars or

2032

01:10:53,270 --> 01:10:51,120

there's huts there or there are people

2033

01:10:54,950 --> 01:10:53,280

there already uh that's going to be a

2034

01:10:57,430 --> 01:10:54,960

big cell that people are going to say

2035

01:10:57,990 --> 01:10:57,440

why what what are you talking about we

2036

01:10:59,590 --> 01:10:58,000

have to get

2037

01:11:01,110 --> 01:10:59,600

people to understand the more basic

2038

01:11:03,910 --> 01:11:01,120

issues about what this

2039

01:11:05,030 --> 01:11:03,920

this whole problem really is if they're

2040

01:11:07,590 --> 01:11:05,040

not from here

2041

01:11:08,390 --> 01:11:07,600

and we're being engaged by them and once

2042

01:11:11,270 --> 01:11:08,400

we get that

2043

01:11:12,310 --> 01:11:11,280

into the the public narrative then i

2044

01:11:14,310 --> 01:11:12,320

think it's going to be

2045

01:11:15,510 --> 01:11:14,320

a bit of an easier easier sell for

2046

01:11:19,189 --> 01:11:15,520

everybody well

2047

01:11:22,149 --> 01:11:19,199

and see there are a few different uh

2048

01:11:23,510 --> 01:11:22,159

camps out there that might uh wrestle

2049

01:11:24,870 --> 01:11:23,520

with you a little bit on what you just

2050

01:11:26,709 --> 01:11:24,880

said let me explain

2051
01:11:28,070 --> 01:11:26,719
when you say they're not from here as

2052
01:11:29,830 --> 01:11:28,080
you know so well because you've studied

2053
01:11:32,870 --> 01:11:29,840
this topic for decades

2054
01:11:33,510 --> 01:11:32,880
there's a group of folks out there that

2055
01:11:36,630 --> 01:11:33,520
believe

2056
01:11:37,430 --> 01:11:36,640
that they uh whoever they are have been

2057
01:11:39,990 --> 01:11:37,440
here

2058
01:11:40,709 --> 01:11:40,000
since uh the inception of humanity or

2059
01:11:44,070 --> 01:11:40,719
even

2060
01:11:46,070 --> 01:11:44,080
millions of you know well before that

2061
01:11:48,070 --> 01:11:46,080
and that they may have even designed us

2062
01:11:48,950 --> 01:11:48,080
now i know that's actually very fringe

2063
01:11:51,430 --> 01:11:48,960

related

2064

01:11:53,110 --> 01:11:51,440

well the whole topic of the ufo and et

2065

01:11:55,750 --> 01:11:53,120

uh subjects uh

2066

01:11:57,910 --> 01:11:55,760

is french related however that's kind of

2067

01:11:58,310 --> 01:11:57,920

kind of jumping down the rabbit hole a

2068

01:12:01,270 --> 01:11:58,320

lot

2069

01:12:02,630 --> 01:12:01,280

deeper uh so i wanted to ask you do you

2070

01:12:05,189 --> 01:12:02,640

think it's possible that

2071

01:12:06,070 --> 01:12:05,199

they i'm using air quotes listeners when

2072

01:12:09,910 --> 01:12:06,080

i say that

2073

01:12:16,709 --> 01:12:13,270

i remain convinced first of all that um

2074

01:12:19,830 --> 01:12:16,719

that any any theory that um

2075

01:12:22,149 --> 01:12:19,840

uh how can i put it uh is so

2076

01:12:22,870 --> 01:12:22,159

so narrow in focus that it won't allow

2077

01:12:25,910 --> 01:12:22,880

for

2078

01:12:27,189 --> 01:12:25,920

a new world view is difficult to

2079

01:12:29,990 --> 01:12:27,199

understand

2080

01:12:32,390 --> 01:12:30,000

and uh it's it's it's a matter of how we

2081

01:12:35,110 --> 01:12:32,400

present the information to the public

2082

01:12:36,310 --> 01:12:35,120

and and that's that's more than crucial

2083

01:12:37,750 --> 01:12:36,320

that manner of

2084

01:12:39,350 --> 01:12:37,760

putting it forward so that people will

2085

01:12:41,510 --> 01:12:39,360

understand it is

2086

01:12:43,510 --> 01:12:41,520

um something that we're wrestling with

2087

01:12:44,950 --> 01:12:43,520

and so you see all the controversy that

2088

01:12:46,709 --> 01:12:44,960

surrounds the whole issue

2089

01:12:49,430 --> 01:12:46,719

and that's what's really lacking is a

2090

01:12:51,750 --> 01:12:49,440

consensus that we have to come forward

2091

01:12:53,910 --> 01:12:51,760

okay great thank you so much for uh

2092

01:12:56,790 --> 01:12:53,920

touching on those topics still

2093

01:12:57,990 --> 01:12:56,800

just want to remind folks that earth is

2094

01:13:00,470 --> 01:12:58,000

four and a half

2095

01:13:03,430 --> 01:13:00,480

uh billion years old and humans have

2096

01:13:05,910 --> 01:13:03,440

been around for 200 000 years so if

2097

01:13:07,030 --> 01:13:05,920

aliens or et's whatever you want to

2098

01:13:08,870 --> 01:13:07,040

refer to them as

2099

01:13:10,390 --> 01:13:08,880

have been here longer than us uh they

2100

01:13:10,950 --> 01:13:10,400

would have had to been here longer than

2101

01:13:14,470 --> 01:13:10,960

200

2102

01:13:17,110 --> 01:13:14,480

000 years ago um anyway moving along

2103

01:13:18,550 --> 01:13:17,120

i wanted to touch on another topic here

2104

01:13:20,070 --> 01:13:18,560

let me just go ahead and bring that up

2105

01:13:22,229 --> 01:13:20,080

that's the foia work of christian

2106

01:13:24,709 --> 01:13:22,239

lambright now although you may be

2107

01:13:26,790 --> 01:13:24,719

uh familiar or not familiar with this

2108

01:13:29,430 --> 01:13:26,800

work i just want to let folks know

2109

01:13:30,870 --> 01:13:29,440

how they would look that topic up and

2110

01:13:34,149 --> 01:13:30,880

that is they would look up

2111

01:13:34,950 --> 01:13:34,159

ufos uh gravely damaged u.s national

2112

01:13:37,430 --> 01:13:34,960

security

2113

01:13:39,510 --> 01:13:37,440

you do a google search on grave damage

2114

01:13:40,470 --> 01:13:39,520

national security ufos and you will find

2115

01:13:42,550 --> 01:13:40,480

that

2116

01:13:43,590 --> 01:13:42,560

now this is an interesting topic i just

2117

01:13:44,709 --> 01:13:43,600

i'm going to go ahead and read the

2118

01:13:46,310 --> 01:13:44,719

headline to you

2119

01:13:47,910 --> 01:13:46,320

christian lambricht by the way let me go

2120

01:13:49,270 --> 01:13:47,920

ahead and preface it with this topic

2121

01:13:51,910 --> 01:13:49,280

with this information

2122

01:13:53,990 --> 01:13:51,920

christian lambricht is a well-known uh

2123

01:13:55,990 --> 01:13:54,000

historian and researcher of the ufo

2124

01:13:59,270 --> 01:13:56,000

topic he goes back decades

2125

01:14:02,790 --> 01:13:59,280

and uh he actually as he always does

2126
01:14:04,709 --> 01:14:02,800
foid a u.s government agency or agencies

2127
01:14:06,950 --> 01:14:04,719
regarding the ufo topic

2128
01:14:08,470 --> 01:14:06,960
and the response from them was

2129
01:14:09,590 --> 01:14:08,480
astounding and it was covered by

2130
01:14:12,310 --> 01:14:09,600
mainstream

2131
01:14:14,310 --> 01:14:12,320
media outlets worldwide this article

2132
01:14:16,229 --> 01:14:14,320
that was published on january 13th it's

2133
01:14:18,630 --> 01:14:16,239
on fox news but you can find it on many

2134
01:14:19,990 --> 01:14:18,640
other sites it says top secret ufo files

2135
01:14:23,030 --> 01:14:20,000
could gravely damage u.s

2136
01:14:25,110 --> 01:14:23,040
national security navy says the first

2137
01:14:27,430 --> 01:14:25,120
paragraph here the department of defense

2138
01:14:29,669 --> 01:14:27,440

has top secret classified briefings in a

2139

01:14:31,750 --> 01:14:29,679

classified video about a ufo incident

2140

01:14:33,350 --> 01:14:31,760

the us navy acknowledged the existence

2141

01:14:36,149 --> 01:14:33,360

of the information which concerns the

2142

01:14:38,310 --> 01:14:36,159

2004 encounter between the uss nimitz

2143

01:14:39,750 --> 01:14:38,320

and strange unknown aerial objects in

2144

01:14:42,950 --> 01:14:39,760

response to public

2145

01:14:44,470 --> 01:14:42,960

records requests um and last year the

2146

01:14:44,790 --> 01:14:44,480

navy for the first time acknowledged

2147

01:14:46,470 --> 01:14:44,800

that

2148

01:14:49,030 --> 01:14:46,480

three videos which you know so well

2149

01:14:51,590 --> 01:14:49,040

victor uh one from the

2150

01:14:54,310 --> 01:14:51,600

2004 uss nimitz incident and two from

2151
01:14:55,270 --> 01:14:54,320
2015 were real videos of unidentified

2152
01:14:56,950 --> 01:14:55,280
flying objects

2153
01:14:59,270 --> 01:14:56,960
i think what they're talking about of

2154
01:15:02,229 --> 01:14:59,280
course is the tic tac gimbal and go fast

2155
01:15:02,790 --> 01:15:02,239
videos now i wanted to ask you do you

2156
01:15:04,870 --> 01:15:02,800
agree

2157
01:15:06,070 --> 01:15:04,880
that if the u.s government were to

2158
01:15:08,070 --> 01:15:06,080
reveal anything

2159
01:15:10,149 --> 01:15:08,080
regarding the uap topic that it would

2160
01:15:12,310 --> 01:15:10,159
actually cause grave damage to u.s

2161
01:15:15,510 --> 01:15:12,320
national security as the u.s naval

2162
01:15:18,070 --> 01:15:15,520
navy uh or u.s naval intelligence uh

2163
01:15:19,590 --> 01:15:18,080

indicated yeah there's two points to

2164

01:15:21,910 --> 01:15:19,600

that um

2165

01:15:23,750 --> 01:15:21,920

one point is who who owns this

2166

01:15:26,390 --> 01:15:23,760

information we can get into that

2167

01:15:27,990 --> 01:15:26,400

in a minute and please let's talk about

2168

01:15:30,709 --> 01:15:28,000

who owns this information

2169

01:15:31,510 --> 01:15:30,719

and the other part of it is the is the

2170

01:15:34,390 --> 01:15:31,520

dominated

2171

01:15:35,510 --> 01:15:34,400

uh uh cyclical war economy that we're

2172

01:15:38,790 --> 01:15:35,520

operating under

2173

01:15:42,870 --> 01:15:38,800

uh we on the planet uh thrive by

2174

01:15:45,510 --> 01:15:42,880

um a cyclical war attitude towards

2175

01:15:47,430 --> 01:15:45,520

our being conflict seems to be the thing

2176

01:15:51,270 --> 01:15:47,440

that we're really really really good at

2177

01:15:53,430 --> 01:15:51,280

drawing borders and um encouraging

2178

01:15:54,630 --> 01:15:53,440

on other people's borders we're really

2179

01:15:57,189 --> 01:15:54,640

really good at that

2180

01:15:58,310 --> 01:15:57,199

and when you look at what kind of

2181

01:16:01,110 --> 01:15:58,320

behavior

2182

01:16:02,630 --> 01:16:01,120

is necessary to evolve into a better

2183

01:16:04,870 --> 01:16:02,640

species

2184

01:16:07,430 --> 01:16:04,880

it's incumbent on us to believe that

2185

01:16:09,430 --> 01:16:07,440

there are other civilizations out there

2186

01:16:11,669 --> 01:16:09,440

and that if we don't pay attention to

2187

01:16:13,270 --> 01:16:11,679

the fact that we can

2188

01:16:15,669 --> 01:16:13,280

understand this issue if we just

2189

01:16:17,189 --> 01:16:15,679

internalize it to a point where

2190

01:16:19,189 --> 01:16:17,199

it makes a difference in our day-to-day

2191

01:16:20,950 --> 01:16:19,199

life right now it doesn't make a big

2192

01:16:21,830 --> 01:16:20,960

difference in most people's day-to-day

2193

01:16:23,669 --> 01:16:21,840

lives

2194

01:16:24,950 --> 01:16:23,679

and that's a that's that's a real shame

2195

01:16:26,390 --> 01:16:24,960

especially in the conditions that we're

2196

01:16:28,470 --> 01:16:26,400

operating under now with the pandemic

2197

01:16:31,510 --> 01:16:28,480

it makes it very difficult for people to

2198

01:16:32,950 --> 01:16:31,520

focus on other things especially this

2199

01:16:35,430 --> 01:16:32,960

but in fact it's the biggest story in

2200

01:16:36,709 --> 01:16:35,440

human history and if if we don't get it

2201

01:16:38,390 --> 01:16:36,719

out there then

2202

01:16:39,910 --> 01:16:38,400

boy we're gonna do a lot of suffering

2203

01:16:40,709 --> 01:16:39,920

between now and the time we realized we

2204

01:16:42,790 --> 01:16:40,719

made a big

2205

01:16:44,709 --> 01:16:42,800

big big mistake wanted to mention

2206

01:16:45,350 --> 01:16:44,719

something very interesting we had cheryl

2207

01:16:48,950 --> 01:16:45,360

costa

2208

01:16:52,470 --> 01:16:48,960

the ufo uh what she does is she

2209

01:16:55,910 --> 01:16:52,480

likes to collect collate and

2210

01:16:57,750 --> 01:16:55,920

basically organize and amass as much ufo

2211

01:16:58,550 --> 01:16:57,760

related data as possible she's done this

2212

01:17:00,149 --> 01:16:58,560

for years

2213

01:17:01,830 --> 01:17:00,159

and she indicated that during the

2214

01:17:03,590 --> 01:17:01,840

pandemic

2215

01:17:05,669 --> 01:17:03,600

she knows that folks would that have

2216

01:17:07,990 --> 01:17:05,679

gone out on their smoke breaks

2217

01:17:08,790 --> 01:17:08,000

meaning from their houses because

2218

01:17:10,950 --> 01:17:08,800

they're at home

2219

01:17:13,110 --> 01:17:10,960

in their telecommunity they'll go

2220

01:17:14,470 --> 01:17:13,120

outside for whatever reason to take a

2221

01:17:17,590 --> 01:17:14,480

break from their work

2222

01:17:18,510 --> 01:17:17,600

from other computer and uh they've

2223

01:17:21,030 --> 01:17:18,520

noticed more

2224

01:17:22,709 --> 01:17:21,040

uap-related activity now that could of

2225

01:17:25,830 --> 01:17:22,719

course be drones venus

2226

01:17:27,750 --> 01:17:25,840

uh starlink uh elon musk

2227

01:17:29,669 --> 01:17:27,760

starlink and stuff like that but people

2228

01:17:31,910 --> 01:17:29,679

are noticing the skies more

2229

01:17:34,070 --> 01:17:31,920

so i think that there's misunderstanding

2230

01:17:35,430 --> 01:17:34,080

um this is just my bias opinion

2231

01:17:38,470 --> 01:17:35,440

that people actually feel they're

2232

01:17:40,550 --> 01:17:38,480

noticing uaps more uaps now

2233

01:17:42,149 --> 01:17:40,560

but i think that they whoever they are

2234

01:17:44,070 --> 01:17:42,159

have been around forever

2235

01:17:45,189 --> 01:17:44,080

so to speak so i don't think they're out

2236

01:17:46,790 --> 01:17:45,199

more now

2237

01:17:48,229 --> 01:17:46,800

i think they've just been around a lot

2238

01:17:49,189 --> 01:17:48,239

people are noticing more what do you

2239

01:17:51,189 --> 01:17:49,199

think about that

2240

01:17:52,229 --> 01:17:51,199

no that you're right uh the whole the

2241

01:17:54,790 --> 01:17:52,239

whole um

2242

01:17:55,430 --> 01:17:54,800

sociological and anthropological issues

2243

01:17:58,470 --> 01:17:55,440

surrounding

2244

01:18:00,950 --> 01:17:58,480

exactly what you're talking about is uh

2245

01:18:02,630 --> 01:18:00,960

if if this has been going on for as long

2246

01:18:04,310 --> 01:18:02,640

as you and i think it has been going on

2247

01:18:06,149 --> 01:18:04,320

and they've been watching us or being

2248

01:18:07,430 --> 01:18:06,159

part of us for as long as they have been

2249

01:18:09,030 --> 01:18:07,440

doing that and we're just discovering

2250

01:18:11,350 --> 01:18:09,040

that now

2251

01:18:13,350 --> 01:18:11,360

what does that tell us about our species

2252

01:18:14,470 --> 01:18:13,360

and our capacity to understand what what

2253

01:18:16,550 --> 01:18:14,480

they really want

2254

01:18:18,070 --> 01:18:16,560

or what they could want or the even

2255

01:18:20,470 --> 01:18:18,080

better stated than that

2256

01:18:22,070 --> 01:18:20,480

that if they're they are in fact

2257

01:18:24,149 --> 01:18:22,080

responsible for being us here

2258

01:18:25,430 --> 01:18:24,159

and uh they just sort of let us go okay

2259

01:18:26,630 --> 01:18:25,440

just evolve

2260

01:18:27,990 --> 01:18:26,640

do whatever you need to do knock

2261

01:18:28,950 --> 01:18:28,000

yourself out and we've kind of made a

2262

01:18:32,790 --> 01:18:28,960

mess of it

2263

01:18:34,149 --> 01:18:32,800

now um they had a choice if they could

2264

01:18:36,790 --> 01:18:34,159

intervene why not and steer the

2265

01:18:39,510 --> 01:18:36,800

civilization in the right direction

2266

01:18:40,550 --> 01:18:39,520

and i i just get the funny feeling i'm

2267

01:18:43,110 --> 01:18:40,560

not sure why i

2268

01:18:43,830 --> 01:18:43,120

i know this or feel this but the

2269

01:18:46,709 --> 01:18:43,840

admission by

2270

01:18:48,950 --> 01:18:46,719

them that these guys are just not ready

2271

01:18:50,630 --> 01:18:48,960

they're only 17 years old

2272

01:18:52,070 --> 01:18:50,640

and right let me just take a look what's

2273

01:18:53,669 --> 01:18:52,080

going on we are not

2274

01:18:55,430 --> 01:18:53,679

ready for this now i think it would help

2275

01:18:57,030 --> 01:18:55,440

if they did give us a slap in the face i

2276

01:18:59,830 --> 01:18:57,040

it would really help us a lot

2277

01:19:01,350 --> 01:18:59,840

right now especially now but the fact of

2278

01:19:01,990 --> 01:19:01,360

the matter is if we're not ready for

2279

01:19:03,910 --> 01:19:02,000

this

2280

01:19:05,430 --> 01:19:03,920

it could cause problems beyond belief

2281

01:19:06,470 --> 01:19:05,440

and i think that that's part of the

2282

01:19:08,870 --> 01:19:06,480

whole scenario

2283

01:19:10,310 --> 01:19:08,880

yeah just a personal thing i wanted to

2284

01:19:11,750 --> 01:19:10,320

share is that my boyfriend said

2285

01:19:13,669 --> 01:19:11,760

something very interesting recently he

2286

01:19:15,830 --> 01:19:13,679

said you know we're not babies

2287

01:19:16,709 --> 01:19:15,840

i think we're adult enough to know if an

2288

01:19:19,990 --> 01:19:16,719

individual

2289

01:19:24,149 --> 01:19:20,000

who actually has uh the ability to

2290

01:19:27,350 --> 01:19:24,159

covet or have access to

2291

01:19:28,550 --> 01:19:27,360

to restricted confidential secret or top

2292

01:19:31,830 --> 01:19:28,560

secret information

2293

01:19:32,709 --> 01:19:31,840

can handle it so can we because we're

2294

01:19:35,990 --> 01:19:32,719

all humans

2295

01:19:39,030 --> 01:19:36,000

and folks will handle it in their own

2296

01:19:41,110 --> 01:19:39,040

way and we should let them

2297

01:19:43,350 --> 01:19:41,120

react to it in their own manner now

2298

01:19:45,669 --> 01:19:43,360

there are those who will actually deny

2299

01:19:48,390 --> 01:19:45,679

the existence of an e.t if there was one

2300

01:19:50,390 --> 01:19:48,400

actually there land on their front lawn

2301

01:19:52,790 --> 01:19:50,400

they'll still deny it's there victor you

2302

01:19:54,950 --> 01:19:52,800

know there's people out there like that

2303

01:19:56,630 --> 01:19:54,960

there's always an explanation but you're

2304

01:20:00,630 --> 01:19:56,640

gonna say something go ahead

2305

01:20:02,310 --> 01:20:00,640

no no you're you're exactly right um

2306

01:20:04,790 --> 01:20:02,320

the first time this kind of stuff

2307

01:20:07,430 --> 01:20:04,800

happens to a species

2308

01:20:08,550 --> 01:20:07,440

when they've reached a point of no

2309

01:20:12,149 --> 01:20:08,560

return

2310

01:20:14,070 --> 01:20:12,159

and the collectivity of the notion of us

2311

01:20:15,350 --> 01:20:14,080

being in trouble is not severe enough at

2312

01:20:16,870 --> 01:20:15,360

this point in time

2313

01:20:18,870 --> 01:20:16,880

people really don't think we're in all

2314

01:20:20,950 --> 01:20:18,880

that kind of trouble and that we don't

2315

01:20:24,070 --> 01:20:20,960

really need to become a space faring uh

2316

01:20:25,990 --> 01:20:24,080

species the admission of that

2317

01:20:27,830 --> 01:20:26,000

and but then you look at the conduit of

2318

01:20:28,950 --> 01:20:27,840

information that's telling another

2319

01:20:31,350 --> 01:20:28,960

narrative

2320

01:20:32,709 --> 01:20:31,360

becomes such a crucial part of our

2321

01:20:34,790 --> 01:20:32,719

social discourse

2322

01:20:36,390 --> 01:20:34,800

that the less we talk about it and

2323

01:20:37,430 --> 01:20:36,400

that's why programs like this are

2324

01:20:39,510 --> 01:20:37,440

exactly what we need

2325

01:20:41,350 --> 01:20:39,520

we need to get this kind of language out

2326

01:20:41,830 --> 01:20:41,360

there so that people understand what it

2327

01:20:43,110 --> 01:20:41,840

is

2328

01:20:44,790 --> 01:20:43,120

and when they you know as you said

2329

01:20:46,149 --> 01:20:44,800

earlier when they look up at the stars

2330

01:20:48,070 --> 01:20:46,159

rather than thinking it's

2331

01:20:49,910 --> 01:20:48,080

something weird or something it's not

2332

01:20:51,270 --> 01:20:49,920

they ponder it more carefully

2333

01:20:52,709 --> 01:20:51,280

whether they're right or wrong or they

2334

01:20:53,030 --> 01:20:52,719

saw something that was physical or just

2335

01:20:56,790 --> 01:20:53,040

a

2336

01:20:59,590 --> 01:20:56,800

question

2337

01:21:01,590 --> 01:20:59,600

we just might not be alone now before we

2338

01:21:03,110 --> 01:21:01,600

talk about who owns that information by

2339

01:21:04,149 --> 01:21:03,120

the way that was fabulous what you just

2340

01:21:06,390 --> 01:21:04,159

said thank you

2341

01:21:07,189 --> 01:21:06,400

um before we talk about who owns this

2342

01:21:10,709 --> 01:21:07,199

information

2343

01:21:13,350 --> 01:21:10,719

um uh wanted to ask you something that i

2344

01:21:15,430 --> 01:21:13,360

that is important to me and regarding

2345

01:21:16,070 --> 01:21:15,440

what your thought process is on this

2346

01:21:20,070 --> 01:21:16,080

topic

2347

01:21:23,350 --> 01:21:20,080

and that is lou elizondo indicated

2348

01:21:26,629 --> 01:21:23,360

a while back that there are

2349

01:21:28,629 --> 01:21:26,639

allegedly officials in our u.s

2350

01:21:29,910 --> 01:21:28,639

government who believe that anything

2351

01:21:33,430 --> 01:21:29,920

that is uh uap

2352

01:21:36,229 --> 01:21:33,440

related et related that it is satanic

2353

01:21:36,709 --> 01:21:36,239

in nature now uh i have an issue with

2354

01:21:40,229 --> 01:21:36,719

that

2355

01:21:43,430 --> 01:21:40,239

actually

2356

01:21:45,910 --> 01:21:43,440

maybe related to the uap program

2357

01:21:46,550 --> 01:21:45,920

the aatip program that he was a member

2358

01:21:50,550 --> 01:21:46,560

of

2359

01:21:53,270 --> 01:21:50,560

uh how did they actually handle

2360

01:21:56,550 --> 01:21:53,280

that topic in a manner that would be

2361

01:21:58,709 --> 01:21:56,560

judicious or responsible for that matter

2362

01:21:59,990 --> 01:21:58,719

um now a lot of people might take issue

2363

01:22:01,910 --> 01:22:00,000

with what i just said but

2364

01:22:03,590 --> 01:22:01,920

uh victor what are your thoughts on that

2365

01:22:05,430 --> 01:22:03,600

well i'd you know what to be really

2366

01:22:06,629 --> 01:22:05,440

honest with you i i'm not sure i've

2367

01:22:10,709 --> 01:22:06,639

heard

2368

01:22:13,910 --> 01:22:10,719

we interviewed him

2369

01:22:16,229 --> 01:22:13,920

our program

2370

01:22:17,830 --> 01:22:16,239

yeah for an hour and a half and i but

2371

01:22:19,189 --> 01:22:17,840

then again you know i haven't read every

2372

01:22:21,110 --> 01:22:19,199

single thing that he said and done

2373

01:22:22,709 --> 01:22:21,120

yeah it may not have come up but uh

2374

01:22:26,149 --> 01:22:22,719

there's a

2375

01:22:29,750 --> 01:22:26,159

sort of a right-wing fundamentalist uh

2376

01:22:31,030 --> 01:22:29,760

element within the military uh known as

2377

01:22:34,229 --> 01:22:31,040

the collins elite

2378

01:22:34,709 --> 01:22:34,239

and uh they may yeah they may or may not

2379

01:22:37,189 --> 01:22:34,719

have

2380

01:22:38,870 --> 01:22:37,199

that level of influence um he has

2381

01:22:41,270 --> 01:22:38,880

discussed in the past

2382

01:22:42,310 --> 01:22:41,280

where uh the uh the previo his

2383

01:22:45,110 --> 01:22:42,320

predecessor

2384

01:22:45,510 --> 01:22:45,120

in terms of uh running uh the the ufo uh

2385

01:22:49,270 --> 01:22:45,520

uh

2386

01:22:51,350 --> 01:22:49,280

issues with them

2387

01:22:53,110 --> 01:22:51,360

and was basically sort of forced out

2388

01:22:54,790 --> 01:22:53,120

because i guess they didn't like the

2389

01:22:56,629 --> 01:22:54,800
direction that he wanted to go in

2390

01:22:58,629 --> 01:22:56,639
uh regarding skinwalker ranch so that

2391

01:23:01,590 --> 01:22:58,639
yeah that stuff did come up

2392

01:23:02,870 --> 01:23:01,600
interesting now uh who who owns the

2393

01:23:06,149 --> 01:23:02,880
information

2394

01:23:06,550 --> 01:23:06,159
please touch on that yes uh well we've

2395

01:23:10,709 --> 01:23:06,560
been

2396

01:23:12,629 --> 01:23:10,719
night now yeah we just don't know it yet

2397

01:23:15,750 --> 01:23:12,639
um but the fact of the matter is

2398

01:23:17,750 --> 01:23:15,760
um when you look at who we are as a

2399

01:23:19,669 --> 01:23:17,760
species and what we represent as

2400

01:23:20,790 --> 01:23:19,679
as corporeal beings and our ways of

2401
01:23:22,790 --> 01:23:20,800
thinking

2402
01:23:23,830 --> 01:23:22,800
we we set up boundaries about it with

2403
01:23:26,629 --> 01:23:23,840
everything that we do

2404
01:23:27,189 --> 01:23:26,639
and uh we have personal boundaries we

2405
01:23:29,990 --> 01:23:27,199
have

2406
01:23:31,189 --> 01:23:30,000
you know familial boundaries uh social

2407
01:23:32,709 --> 01:23:31,199
boundaries uh

2408
01:23:34,709 --> 01:23:32,719
technical boundaries all these things we

2409
01:23:37,910 --> 01:23:34,719
set these things up we call them borders

2410
01:23:40,070 --> 01:23:37,920
and countries do the same thing and

2411
01:23:41,990 --> 01:23:40,080
what what we're faced with is a lack of

2412
01:23:43,030 --> 01:23:42,000
consensus about how we need to come

2413
01:23:46,629 --> 01:23:43,040

together

2414

01:23:49,189 --> 01:23:46,639

uh about about this issue and it comes

2415

01:23:51,830 --> 01:23:49,199

to mind that um

2416

01:23:53,590 --> 01:23:51,840

i guess good civilizations when they

2417

01:23:54,470 --> 01:23:53,600

reach a point where they need to make a

2418

01:23:56,950 --> 01:23:54,480

change

2419

01:23:58,070 --> 01:23:56,960

a lot of people suffer ideologically and

2420

01:24:00,390 --> 01:23:58,080

politically

2421

01:24:01,990 --> 01:24:00,400

and that change is not there yet and i

2422

01:24:05,270 --> 01:24:02,000

just keep on asking the questions

2423

01:24:07,830 --> 01:24:05,280

why is the will of the people not that

2424

01:24:08,870 --> 01:24:07,840

strongly uh not imposed but uh

2425

01:24:11,590 --> 01:24:08,880

recognized

2426

01:24:13,270 --> 01:24:11,600

uh in in the social order and it just

2427

01:24:15,270 --> 01:24:13,280

never ceases to amaze me that the

2428

01:24:16,149 --> 01:24:15,280

controlling factors within the cyclical

2429

01:24:17,590 --> 01:24:16,159

war economy

2430

01:24:19,510 --> 01:24:17,600

keep on doing this all the time and

2431

01:24:22,470 --> 01:24:19,520

repressing this notion

2432

01:24:23,430 --> 01:24:22,480

so i guess our job is to try to lessen

2433

01:24:25,669 --> 01:24:23,440

that pressure

2434

01:24:27,030 --> 01:24:25,679

and and have them recognize that they

2435

01:24:29,430 --> 01:24:27,040

need to become part of the dialogue

2436

01:24:32,550 --> 01:24:29,440

rather than repressing it

2437

01:24:33,669 --> 01:24:32,560

okay now i just want to get real literal

2438

01:24:37,110 --> 01:24:33,679

and technical here

2439

01:24:38,950 --> 01:24:37,120

about uh owning information and how the

2440

01:24:39,750 --> 01:24:38,960

u.s government or another first or

2441

01:24:41,510 --> 01:24:39,760

second

2442

01:24:42,870 --> 01:24:41,520

or even third world government might

2443

01:24:46,149 --> 01:24:42,880

view uh

2444

01:24:49,430 --> 01:24:46,159

their information and that might be uh

2445

01:24:52,229 --> 01:24:49,440

a branded classified information

2446

01:24:54,070 --> 01:24:52,239

a category you know very well and the

2447

01:24:55,750 --> 01:24:54,080

definition of that it's material that a

2448

01:24:58,070 --> 01:24:55,760

government body deems to be sensitive

2449

01:25:00,390 --> 01:24:58,080

information that must be protected

2450

01:25:02,149 --> 01:25:00,400

uh i presume by that sentence they mean

2451
01:25:04,310 --> 01:25:02,159
owned

2452
01:25:06,149 --> 01:25:04,320
and access is restricted by law

2453
01:25:08,149 --> 01:25:06,159
regulation particular groups of people

2454
01:25:09,990 --> 01:25:08,159
with the necess

2455
01:25:11,590 --> 01:25:10,000
necessary security clearance and need to

2456
01:25:12,629 --> 01:25:11,600
know and mishandling of the material can

2457
01:25:15,030 --> 01:25:12,639
incur in criminal

2458
01:25:16,629 --> 01:25:15,040
penalties would it be silly of me to

2459
01:25:18,950 --> 01:25:16,639
think that they're actually being rented

2460
01:25:21,910 --> 01:25:18,960
this information now let me explain

2461
01:25:23,590 --> 01:25:21,920
if you're a top secret agent or whatever

2462
01:25:25,590 --> 01:25:23,600
they're called okay

2463
01:25:27,510 --> 01:25:25,600

uh has some double oh seven guy that's

2464

01:25:29,590 --> 01:25:27,520

working for a government

2465

01:25:30,629 --> 01:25:29,600

uh the information you have that you're

2466

01:25:33,350 --> 01:25:30,639

privy to

2467

01:25:33,910 --> 01:25:33,360

in a compartmentalized fashion you are

2468

01:25:37,750 --> 01:25:33,920

actually

2469

01:25:41,030 --> 01:25:37,760

you do not own you're just allowed to

2470

01:25:44,790 --> 01:25:41,040

know it but then you're never allowed to

2471

01:25:47,030 --> 01:25:44,800

share it so so who owns it then if a

2472

01:25:48,629 --> 01:25:47,040

human doesn't can you explain that is it

2473

01:25:50,629 --> 01:25:48,639

just the organization what

2474

01:25:52,070 --> 01:25:50,639

it's it's that you raise a really really

2475

01:25:54,730 --> 01:25:52,080

good point um

2476

01:25:55,910 --> 01:25:54,740

the idea that um

2477

01:25:57,990 --> 01:25:55,920

[Applause]

2478

01:25:59,350 --> 01:25:58,000

we as a species and i keep on using that

2479

01:26:00,629 --> 01:25:59,360

word i don't want to you know

2480

01:26:02,550 --> 01:26:00,639

characterize itself as anything else so

2481

01:26:07,189 --> 01:26:02,560

we're an evolving group of people

2482

01:26:09,990 --> 01:26:07,199

yes and it's it's just it's it's

2483

01:26:10,550 --> 01:26:10,000

i i guess this kind of classic denial

2484

01:26:13,590 --> 01:26:10,560

that we're

2485

01:26:17,350 --> 01:26:13,600

do this

2486

01:26:18,310 --> 01:26:17,360

and um that is that is really repressing

2487

01:26:20,470 --> 01:26:18,320

the idea

2488

01:26:22,550 --> 01:26:20,480

that we can grow as a space fairing

2489

01:26:25,750 --> 01:26:22,560

nation or other species

2490

01:26:27,350 --> 01:26:25,760

and it it really kind of it shocks me

2491

01:26:29,189 --> 01:26:27,360

when um this kind of information is

2492

01:26:30,950 --> 01:26:29,199

repressed and

2493

01:26:32,310 --> 01:26:30,960

i mean i don't know what what how do you

2494

01:26:34,950 --> 01:26:32,320

think we should handle it

2495

01:26:35,430 --> 01:26:34,960

to me it um it completely puzzles me

2496

01:26:37,110 --> 01:26:35,440

well

2497

01:26:38,629 --> 01:26:37,120

you know and i'm glad you asked me thank

2498

01:26:41,350 --> 01:26:38,639

you i i

2499

01:26:42,550 --> 01:26:41,360

i am not as educated as as other folks

2500

01:26:43,910 --> 01:26:42,560

are on this topic

2501

01:26:45,830 --> 01:26:43,920

there's always somebody that might know

2502

01:26:46,790 --> 01:26:45,840

more than the next person so to speak

2503

01:26:48,629 --> 01:26:46,800

however

2504

01:26:50,149 --> 01:26:48,639

of the what i view is there's a lot of

2505

01:26:53,189 --> 01:26:50,159

pros and cons

2506

01:26:56,550 --> 01:26:53,199

um no matter how we approach

2507

01:26:57,430 --> 01:26:56,560

this topic so if we decide let's just

2508

01:27:00,070 --> 01:26:57,440

pretend

2509

01:27:01,430 --> 01:27:00,080

for the sake of discussion you and i are

2510

01:27:04,790 --> 01:27:01,440

the u.s government

2511

01:27:06,470 --> 01:27:04,800

okay and we say you know what uh let's

2512

01:27:06,790 --> 01:27:06,480

just throw caution in the wind and let's

2513

01:27:10,229 --> 01:27:06,800

let

2514

01:27:13,430 --> 01:27:10,239

everybody know everything we have well

2515

01:27:14,149 --> 01:27:13,440

uh you know we might find there might be

2516

01:27:16,870 --> 01:27:14,159

some kind of

2517

01:27:18,629 --> 01:27:16,880

chaotic response from some folks and

2518

01:27:20,149 --> 01:27:18,639

some folks who really just could care

2519

01:27:22,709 --> 01:27:20,159

less they continue going on to their

2520

01:27:25,030 --> 01:27:22,719

nine-to-five job and

2521

01:27:26,550 --> 01:27:25,040

drinking coffee or beer or whatever and

2522

01:27:29,830 --> 01:27:26,560

watching their shows

2523

01:27:30,229 --> 01:27:29,840

um or they they the u.s government or

2524

01:27:32,550 --> 01:27:30,239

other

2525

01:27:34,629 --> 01:27:32,560

governments worldwide can take the safe

2526

01:27:36,390 --> 01:27:34,639

route and just not let anybody know

2527

01:27:38,629 --> 01:27:36,400

anything at all

2528

01:27:40,070 --> 01:27:38,639

what seems to be the best alternative

2529

01:27:42,550 --> 01:27:40,080

for a government

2530

01:27:44,709 --> 01:27:42,560

it seems to be the latter so right that

2531

01:27:46,550 --> 01:27:44,719

seems to be less cons for them

2532

01:27:47,990 --> 01:27:46,560

it always seems like it's to the benefit

2533

01:27:50,470 --> 01:27:48,000

of a government to not let them

2534

01:27:52,229 --> 01:27:50,480

anybody know anything and it's never to

2535

01:27:55,270 --> 01:27:52,239

the benefit of the people

2536

01:27:57,590 --> 01:27:55,280

but their excuses they're helping

2537

01:27:58,550 --> 01:27:57,600

they're saving us and protecting us by

2538

01:28:00,550 --> 01:27:58,560

not sharing

2539

01:28:03,030 --> 01:28:00,560

information that's proprietary to our

2540

01:28:03,350 --> 01:28:03,040

governments so do you fall for that is

2541

01:28:06,790 --> 01:28:03,360

that

2542

01:28:08,470 --> 01:28:06,800

they're really protecting us from our

2543

01:28:09,990 --> 01:28:08,480

own information that we don't need to

2544

01:28:12,470 --> 01:28:10,000

know about

2545

01:28:13,270 --> 01:28:12,480

there are two sides of that coin and i i

2546

01:28:16,470 --> 01:28:13,280

try to make this

2547

01:28:17,990 --> 01:28:16,480

um clear as often as i can

2548

01:28:19,830 --> 01:28:18,000

not the government knows everything they

2549

01:28:21,110 --> 01:28:19,840

they may know 95

2550

01:28:23,270 --> 01:28:21,120

of what's going on let's just give it

2551

01:28:26,390 --> 01:28:23,280

give them that there's the other 5

2552

01:28:29,110 --> 01:28:26,400

that they're not aware of and if

2553

01:28:29,830 --> 01:28:29,120

it were up to them uh to completely

2554

01:28:33,189 --> 01:28:29,840

release

2555

01:28:35,510 --> 01:28:33,199

all that information and um

2556

01:28:37,350 --> 01:28:35,520

and and by doing so what they're doing

2557

01:28:39,910 --> 01:28:37,360

is they're giving up power and rain

2558

01:28:42,310 --> 01:28:39,920

over the information okay they're giving

2559

01:28:44,070 --> 01:28:42,320

up the ownership of that information

2560

01:28:45,990 --> 01:28:44,080

but there is a point of view that

2561

01:28:47,750 --> 01:28:46,000

espouses the fact that this kind of

2562

01:28:49,430 --> 01:28:47,760

information because it comes from

2563

01:28:51,270 --> 01:28:49,440

places that we're not sure about you

2564

01:28:52,950 --> 01:28:51,280

know beyond our own solar system

2565

01:28:54,310 --> 01:28:52,960

beyond our galaxy the fact that

2566

01:28:55,830 --> 01:28:54,320

intelligent life

2567

01:28:57,189 --> 01:28:55,840

is out there and they're visiting us

2568

01:28:57,669 --> 01:28:57,199

irrespective of how you want to throw

2569

01:28:59,990 --> 01:28:57,679

the

2570

01:29:00,950 --> 01:29:00,000

you know sprinkle politics over it okay

2571

01:29:03,510 --> 01:29:00,960

the fact of the matter is

2572

01:29:05,270 --> 01:29:03,520

these are things that are coming from uh

2573

01:29:09,110 --> 01:29:05,280

off-world civilizations

2574

01:29:10,390 --> 01:29:09,120

and we as a as a species are entitled

2575

01:29:12,550 --> 01:29:10,400

to that information it's not the

2576

01:29:13,750 --> 01:29:12,560

government's information they do not own

2577

01:29:16,229 --> 01:29:13,760

this information

2578

01:29:17,510 --> 01:29:16,239

people who are the contactees now we're

2579

01:29:19,830 --> 01:29:17,520

talking ownership

2580

01:29:20,950 --> 01:29:19,840

i mean yeah what kind of dialogue is is

2581

01:29:23,430 --> 01:29:20,960

so necessary

2582

01:29:23,990 --> 01:29:23,440

for people to understand that we own

2583

01:29:25,750 --> 01:29:24,000

this

2584

01:29:27,910 --> 01:29:25,760

as a species not as a governmental

2585

01:29:29,430 --> 01:29:27,920

organization great answer now i did want

2586

01:29:33,590 --> 01:29:29,440

to throw something interesting at you

2587

01:29:38,790 --> 01:29:36,709

so if they're traversing the skies and

2588

01:29:41,910 --> 01:29:38,800

they know what they're doing and they

2589

01:29:44,950 --> 01:29:41,920

land they can say to any private citizen

2590

01:29:45,750 --> 01:29:44,960

hey we know we're here here's where we

2591

01:29:47,750 --> 01:29:45,760

went today

2592

01:29:49,990 --> 01:29:47,760

i'm not saying that they do that we own

2593

01:29:52,470 --> 01:29:50,000

this information by the way this is our

2594

01:29:53,030 --> 01:29:52,480

itinerary for the last whatever amount

2595

01:29:54,790 --> 01:29:53,040

of time

2596

01:29:57,430 --> 01:29:54,800

hey do you want to check it out you know

2597

01:29:59,750 --> 01:29:57,440

because they own that information

2598

01:30:00,790 --> 01:29:59,760

they can bypass whatever our governments

2599

01:30:03,030 --> 01:30:00,800

around the world are saying is

2600

01:30:06,310 --> 01:30:03,040

proprietary or classified in

2601
01:30:07,270 --> 01:30:06,320
whatever form and say hey uh by the way

2602
01:30:10,790 --> 01:30:07,280
here's our e.t

2603
01:30:12,709 --> 01:30:10,800
technology want to check it out you know

2604
01:30:14,629 --> 01:30:12,719
victor that there are abductees contact

2605
01:30:17,910 --> 01:30:14,639
these witnesses and experiencers

2606
01:30:21,350 --> 01:30:17,920
who have stated that they have had a uh

2607
01:30:24,149 --> 01:30:21,360
some kind of uh communication with

2608
01:30:26,870 --> 01:30:24,159
other worldly beings that have let them

2609
01:30:29,990 --> 01:30:26,880
know about uh

2610
01:30:33,990 --> 01:30:30,000
et technology underground bases

2611
01:30:36,709 --> 01:30:34,000
uh uh gosh weaponry there are people who

2612
01:30:37,830 --> 01:30:36,719
claim to have uh made discoveries uh uh

2613
01:30:40,310 --> 01:30:37,840

based on uh

2614

01:30:41,510 --> 01:30:40,320

this sort of contact who've ended up

2615

01:30:44,149 --> 01:30:41,520

with patents uh

2616

01:30:45,350 --> 01:30:44,159

uh one fellow with a uh nobel prize i

2617

01:30:48,070 --> 01:30:45,360

mean uh it

2618

01:30:49,110 --> 01:30:48,080

it's been discussed in the past and uh

2619

01:30:50,709 --> 01:30:49,120

maybe some people have

2620

01:30:52,149 --> 01:30:50,719

come up with some pay dirt as a result

2621

01:30:54,629 --> 01:30:52,159

of contact

2622

01:30:55,830 --> 01:30:54,639

yes so he's on it too is that right

2623

01:31:00,390 --> 01:30:55,840

victor

2624

01:31:01,750 --> 01:31:00,400

well what's the own here

2625

01:31:03,430 --> 01:31:01,760

you've turned the argument right on his

2626

01:31:05,990 --> 01:31:03,440

head no you're right

2627

01:31:07,669 --> 01:31:06,000

though i was just not here but anyway

2628

01:31:08,470 --> 01:31:07,679

yeah you may be saying that tug and

2629

01:31:10,629 --> 01:31:08,480

cheek

2630

01:31:11,750 --> 01:31:10,639

well it's it's they own the information

2631

01:31:14,149 --> 01:31:11,760

because essentially

2632

01:31:16,149 --> 01:31:14,159

it's coming from them and in a way they

2633

01:31:17,750 --> 01:31:16,159

they can either be benevolent about

2634

01:31:20,070 --> 01:31:17,760

how they proffer this information and

2635

01:31:21,270 --> 01:31:20,080

assist us as as fellow creatures in in

2636

01:31:23,430 --> 01:31:21,280

the cosmos

2637

01:31:25,750 --> 01:31:23,440

or they can withhold it from us you know

2638

01:31:28,149 --> 01:31:25,760

and as long as the government

2639

01:31:28,790 --> 01:31:28,159

continues to be speculative about this

2640

01:31:30,390 --> 01:31:28,800

fact

2641

01:31:31,830 --> 01:31:30,400

that these people in here here we go

2642

01:31:33,990 --> 01:31:31,840

again

2643

01:31:34,950 --> 01:31:34,000

that these these ets own the information

2644

01:31:36,790 --> 01:31:34,960

and we need to

2645

01:31:38,550 --> 01:31:36,800

share it with them and the longer

2646

01:31:39,910 --> 01:31:38,560

government represses that notion

2647

01:31:41,590 --> 01:31:39,920

the longer it's going to be before we

2648

01:31:42,550 --> 01:31:41,600

grow as the species not before we get

2649

01:31:44,390 --> 01:31:42,560

the information

2650

01:31:46,470 --> 01:31:44,400

we have to grow the species and meet our

2651

01:31:47,990 --> 01:31:46,480

challenges and i think perhaps

2652

01:31:49,750 --> 01:31:48,000

that might be i mentioned that earlier

2653

01:31:51,430 --> 01:31:49,760

that might be the the thing that really

2654

01:31:53,030 --> 01:31:51,440

flips us around once we realize that we

2655

01:31:53,830 --> 01:31:53,040

have to grow get to a certain point in

2656

01:31:55,510 --> 01:31:53,840

our revolution

2657

01:31:56,950 --> 01:31:55,520

where these beings whoever the heck they

2658

01:31:58,709 --> 01:31:56,960

are are gonna say okay i think these

2659

01:32:00,790 --> 01:31:58,719

guys are ready let's kind of

2660

01:32:02,070 --> 01:32:00,800

make this a little bit more obvious but

2661

01:32:03,750 --> 01:32:02,080

in the meantime let's just let them

2662

01:32:05,510 --> 01:32:03,760

guess let them hold their hearings

2663

01:32:07,350 --> 01:32:05,520

let them make up their little documents

2664

01:32:09,110 --> 01:32:07,360

and take their fake near their pictures

2665

01:32:10,390 --> 01:32:09,120

with radar and watch us come and go

2666

01:32:13,510 --> 01:32:10,400

there's nothing do that for now

2667

01:32:14,070 --> 01:32:13,520

it's okay that's where they're at right

2668

01:32:15,830 --> 01:32:14,080

now

2669

01:32:17,669 --> 01:32:15,840

there's a bigger picture out there you

2670

01:32:19,510 --> 01:32:17,679

see what i'm saying all right yes i do

2671

01:32:22,790 --> 01:32:19,520

now you uh actually shared an

2672

01:32:26,470 --> 01:32:22,800

interesting pictogram or graph with me

2673

01:32:29,430 --> 01:32:26,480

it's an octagon shaped uh

2674

01:32:30,470 --> 01:32:29,440

symbol that has uh information embedded

2675

01:32:31,990 --> 01:32:30,480

in it

2676

01:32:33,669 --> 01:32:32,000

is it okay with you if i read a few

2677

01:32:35,830 --> 01:32:33,679

categories from it is sure

2678

01:32:37,910 --> 01:32:35,840

yeah yeah i've got it up now so people

2679

01:32:41,590 --> 01:32:37,920

uh the folks watching can see it

2680

01:32:44,390 --> 01:32:41,600

yes so thank you frank um so a few of

2681

01:32:47,590 --> 01:32:44,400

the categories on this fascinating um

2682

01:32:47,910 --> 01:32:47,600

uh geometric shaped object that you sent

2683

01:32:51,030 --> 01:32:47,920

me

2684

01:32:53,350 --> 01:32:51,040

says society earth health

2685

01:32:55,270 --> 01:32:53,360

military secret government solar system

2686

01:32:57,669 --> 01:32:55,280

technology financial

2687

01:32:59,270 --> 01:32:57,679

and then in the uh middle of that the

2688

01:33:01,750 --> 01:32:59,280

core of it it says

2689

01:33:03,430 --> 01:33:01,760

individual and quantum presence now this

2690

01:33:06,470 --> 01:33:03,440

sounds very kind of

2691

01:33:07,270 --> 01:33:06,480

new agey slightly and also a little bit

2692

01:33:09,990 --> 01:33:07,280

maybe

2693

01:33:11,910 --> 01:33:10,000

uh i don't know what is this informative

2694

01:33:15,510 --> 01:33:11,920

what is this that we're looking at

2695

01:33:17,750 --> 01:33:15,520

well it's uh it's a diagram that i got

2696

01:33:22,229 --> 01:33:17,760

at a conference several years ago

2697

01:33:24,229 --> 01:33:22,239

um and a close colleague of mine was was

2698

01:33:25,590 --> 01:33:24,239

sort of saying well here's the kind of

2699

01:33:28,629 --> 01:33:25,600

model we're going to put forward

2700

01:33:31,189 --> 01:33:28,639

and try to encapsulate

2701
01:33:32,470 --> 01:33:31,199
in in a quantum sense and to gather all

2702
01:33:34,310 --> 01:33:32,480
the information possible to put it

2703
01:33:36,629 --> 01:33:34,320
together to a meaningful whole

2704
01:33:38,709 --> 01:33:36,639
and we'd like to kind of segment it in

2705
01:33:40,709 --> 01:33:38,719
terms of about eight different

2706
01:33:42,470 --> 01:33:40,719
aspects of of the reality and that's the

2707
01:33:45,030 --> 01:33:42,480
outer ring to it the earth

2708
01:33:46,550 --> 01:33:45,040
uh and health and the military and

2709
01:33:47,430 --> 01:33:46,560
secret government here are all the

2710
01:33:50,470 --> 01:33:47,440
issues

2711
01:33:51,910 --> 01:33:50,480
uh that surround that common

2712
01:33:54,550 --> 01:33:51,920
thing that's in the middle the quantum

2713
01:33:56,870 --> 01:33:54,560

presence and then the next line is

2714

01:33:58,390 --> 01:33:56,880

under each one under society for example

2715

01:34:01,910 --> 01:33:58,400

the issue of social justice

2716

01:34:03,750 --> 01:34:01,920

how do we deal with ideological

2717

01:34:04,470 --> 01:34:03,760

polarization how do we deal with

2718

01:34:06,790 --> 01:34:04,480

resource

2719

01:34:08,229 --> 01:34:06,800

theft all of these social issues and

2720

01:34:09,910 --> 01:34:08,239

that's in one segment and then you go to

2721

01:34:11,510 --> 01:34:09,920

earth you look at superstorms and

2722

01:34:13,189 --> 01:34:11,520

extinction of animals then you go on to

2723

01:34:15,830 --> 01:34:13,199

the next one health and in each

2724

01:34:16,790 --> 01:34:15,840

section of the pie you get issues that

2725

01:34:18,550 --> 01:34:16,800

are germane

2726
01:34:20,310 --> 01:34:18,560
to human beings and that are also

2727
01:34:22,870 --> 01:34:20,320
germane to the individual

2728
01:34:24,149 --> 01:34:22,880
and to the group and that coalesces into

2729
01:34:26,709 --> 01:34:24,159
the meaning behind the

2730
01:34:28,390 --> 01:34:26,719
the the diagram we are the quantum

2731
01:34:30,470 --> 01:34:28,400
presence that the collectivity of us

2732
01:34:31,750 --> 01:34:30,480
is us this is what we believe this is

2733
01:34:33,350 --> 01:34:31,760
the way we see the world

2734
01:34:35,430 --> 01:34:33,360
now there may be things in there that

2735
01:34:36,950 --> 01:34:35,440
people don't agree to

2736
01:34:39,189 --> 01:34:36,960
things that should be added things

2737
01:34:40,070 --> 01:34:39,199
should be taken away but this is the

2738
01:34:42,310 --> 01:34:40,080

theory that

2739

01:34:43,910 --> 01:34:42,320

that once we integrate our being into

2740

01:34:47,189 --> 01:34:43,920

the understanding that we're all

2741

01:34:47,990 --> 01:34:47,199

in this together yeah okay and that's

2742

01:34:49,590 --> 01:34:48,000

the bottom line

2743

01:34:50,870 --> 01:34:49,600

if we don't understand all these issues

2744

01:34:51,669 --> 01:34:50,880

we're never going to be able to move

2745

01:34:54,550 --> 01:34:51,679

forward

2746

01:34:55,990 --> 01:34:54,560

and within that quantum presence creates

2747

01:34:56,709 --> 01:34:56,000

a notion for change and that's what the

2748

01:35:00,070 --> 01:34:56,719

idea of

2749

01:35:02,229 --> 01:35:00,080

of um connectivity is all

2750

01:35:04,790 --> 01:35:02,239

um is all about where every single piece

2751

01:35:06,550 --> 01:35:04,800

of matter in the universe

2752

01:35:08,229 --> 01:35:06,560

has an attraction or an influence on

2753

01:35:11,189 --> 01:35:08,239

another one every single

2754

01:35:11,750 --> 01:35:11,199

particle in the cosmos does that so we

2755

01:35:14,950 --> 01:35:11,760

can

2756

01:35:18,470 --> 01:35:14,960

in fact affect the change within us

2757

01:35:20,709 --> 01:35:18,480

now i i thank you i have a question for

2758

01:35:22,950 --> 01:35:20,719

you what would you say to a seemingly

2759

01:35:23,910 --> 01:35:22,960

obstinate individual that would look at

2760

01:35:26,470 --> 01:35:23,920

you and go

2761

01:35:28,709 --> 01:35:26,480

i'm not a part of this i don't have

2762

01:35:29,910 --> 01:35:28,719

anything to do with pandemics or

2763

01:35:32,229 --> 01:35:29,920

underground bases

2764

01:35:34,229 --> 01:35:32,239

those aren't real i don't have anything

2765

01:35:37,030 --> 01:35:34,239

to do with nasa cover-ups or

2766

01:35:39,189 --> 01:35:37,040

or global recession i i don't even time

2767

01:35:40,470 --> 01:35:39,199

for that anyway work nine to five i work

2768

01:35:43,430 --> 01:35:40,480

seven days a week i have

2769

01:35:45,430 --> 01:35:43,440

three jobs i have five kids and i can

2770

01:35:46,950 --> 01:35:45,440

barely have time to take a breath and

2771

01:35:48,629 --> 01:35:46,960

think for myself

2772

01:35:51,430 --> 01:35:48,639

what do you have to say to somebody like

2773

01:35:59,270 --> 01:35:54,950

well my first inclination would be to

2774

01:36:03,109 --> 01:35:59,280

to prac uh suggest some psychiatric help

2775

01:36:05,830 --> 01:36:03,119

my first um you know under denialism

2776

01:36:06,950 --> 01:36:05,840

uh no i i understand that that feeling

2777

01:36:08,390 --> 01:36:06,960

is strong and

2778

01:36:10,310 --> 01:36:08,400

and real and there are other other

2779

01:36:12,310 --> 01:36:10,320

aspects to our reality

2780

01:36:14,310 --> 01:36:12,320

this does you know address the idea of

2781

01:36:15,189 --> 01:36:14,320

spirituality and who we are as spiritual

2782

01:36:17,669 --> 01:36:15,199

beings

2783

01:36:19,590 --> 01:36:17,679

and but that to someone who's trying to

2784

01:36:21,430 --> 01:36:19,600

put bread on the table every single day

2785

01:36:23,189 --> 01:36:21,440

really is not all that meaningful and

2786

01:36:26,070 --> 01:36:23,199

and that goes back to my

2787

01:36:27,030 --> 01:36:26,080

earlier statements about how we describe

2788

01:36:28,790 --> 01:36:27,040

our world views

2789

01:36:30,550 --> 01:36:28,800

and if your world view is such that well

2790

01:36:31,109 --> 01:36:30,560

i don't need information i don't need

2791

01:36:32,629 --> 01:36:31,119

anything

2792

01:36:34,070 --> 01:36:32,639

i just i just want to be a person and

2793

01:36:35,270 --> 01:36:34,080

just come and go as i please and i don't

2794

01:36:36,629 --> 01:36:35,280

want to deal with anything else that's

2795

01:36:38,470 --> 01:36:36,639

extraneous to my life

2796

01:36:40,070 --> 01:36:38,480

i mean if that's your attitude towards

2797

01:36:42,790 --> 01:36:40,080

life and that

2798

01:36:44,470 --> 01:36:42,800

kind of belief system encroaches on us

2799

01:36:45,910 --> 01:36:44,480

as a species to evolve

2800

01:36:47,830 --> 01:36:45,920

that runs again you know we're going to

2801

01:36:50,470 --> 01:36:47,840

be making a real mess of that

2802

01:36:51,350 --> 01:36:50,480

so rather than trying to set yourself

2803

01:36:52,950 --> 01:36:51,360

apart

2804

01:36:54,709 --> 01:36:52,960

and this is the problem with with the

2805

01:36:55,350 --> 01:36:54,719

the the american politic if i could get

2806

01:36:58,390 --> 01:36:55,360

to that

2807

01:37:00,470 --> 01:36:58,400

in a minute that that

2808

01:37:01,510 --> 01:37:00,480

you as an individual have the right to

2809

01:37:04,390 --> 01:37:01,520

do whatever

2810

01:37:05,750 --> 01:37:04,400

the hell you want and i don't care what

2811

01:37:08,070 --> 01:37:05,760

anybody else says

2812

01:37:08,950 --> 01:37:08,080

and don't tell me that i can't do it

2813

01:37:10,310 --> 01:37:08,960

because if you do

2814

01:37:12,390 --> 01:37:10,320

i've got a gun in my back pocket it's

2815

01:37:15,430 --> 01:37:12,400

going to prove me right you knew wrong

2816

01:37:17,669 --> 01:37:15,440

that kind of thinking is um

2817

01:37:18,870 --> 01:37:17,679

is in opposition to everything that's in

2818

01:37:20,070 --> 01:37:18,880

the quantum presence that we share

2819

01:37:22,870 --> 01:37:20,080

information we share

2820

01:37:23,430 --> 01:37:22,880

the capacity to understand our species

2821

01:37:25,189 --> 01:37:23,440

rather than

2822

01:37:26,950 --> 01:37:25,199

you know resist it or bring up ideas

2823

01:37:29,669 --> 01:37:26,960

that are going to set us apart

2824

01:37:30,790 --> 01:37:29,679

so the the the the thinking that you

2825

01:37:34,470 --> 01:37:30,800

outline there

2826

01:37:36,149 --> 01:37:34,480

is a form of escapism and

2827

01:37:38,550 --> 01:37:36,159

there's so many people involved in it

2828

01:37:39,109 --> 01:37:38,560

that it's just it's becoming a pandemic

2829

01:37:41,430 --> 01:37:39,119

itself

2830

01:37:42,950 --> 01:37:41,440

for crying out loud victor uh yeah let

2831

01:37:43,590 --> 01:37:42,960

me jump in here chant that victory you

2832

01:37:46,629 --> 01:37:43,600

would mention

2833

01:37:49,430 --> 01:37:46,639

time and that is probably the most

2834

01:37:53,030 --> 01:37:49,440

valuable resource any of us really have

2835

01:37:55,030 --> 01:37:53,040

and it is a finite resource to be sure

2836

01:37:57,430 --> 01:37:55,040

but uh the amount of time it takes to

2837

01:37:59,990 --> 01:37:57,440

really dig in on this subject

2838

01:38:01,109 --> 01:38:00,000

and get a get your head around it and

2839

01:38:02,790 --> 01:38:01,119

even then

2840

01:38:04,629 --> 01:38:02,800

there really isn't a there really isn't

2841

01:38:06,470 --> 01:38:04,639

enough time you know that to know

2842

01:38:08,870 --> 01:38:06,480

everything that's going on with this uh

2843

01:38:10,310 --> 01:38:08,880

uh you you hope to have at least some

2844

01:38:11,750 --> 01:38:10,320

idea of what's going on

2845

01:38:13,590 --> 01:38:11,760

i mean that's uh that's basically my

2846

01:38:14,709 --> 01:38:13,600

goal i have an idea what's going on you

2847

01:38:17,590 --> 01:38:14,719

know that's about it

2848

01:38:21,189 --> 01:38:17,600

uh but uh time is such a huge factor and

2849

01:38:23,990 --> 01:38:21,199

most folks are really not going to

2850

01:38:24,629 --> 01:38:24,000

invest the amount of time that it takes

2851

01:38:27,669 --> 01:38:24,639

to

2852

01:38:30,870 --> 01:38:27,679

that

2853

01:38:32,070 --> 01:38:30,880

uh you and i and chant and uh obviously

2854

01:38:35,350 --> 01:38:32,080

a few other people

2855

01:38:38,470 --> 01:38:35,360

uh to get again uh to try to get a grip

2856

01:38:41,109 --> 01:38:38,480

on this subject it's it's really a uh

2857

01:38:42,390 --> 01:38:41,119

a daunting undertaking i i never

2858

01:38:44,870 --> 01:38:42,400

expected it would

2859

01:38:46,390 --> 01:38:44,880

fill as much time as it as it has for me

2860

01:38:49,109 --> 01:38:46,400

when i got started in it

2861

01:38:53,669 --> 01:38:49,119

and uh just any any thoughts i mean you

2862

01:38:59,189 --> 01:38:57,350

yeah the that whole idea of um how deep

2863

01:39:00,149 --> 01:38:59,199

do you want to get stuck down the rabbit

2864

01:39:02,870 --> 01:39:00,159

hole

2865

01:39:03,669 --> 01:39:02,880

it's a fear of a lot of people and that

2866

01:39:06,310 --> 01:39:03,679

whole idea is

2867

01:39:07,109 --> 01:39:06,320

is um so counterproductive that if you

2868

01:39:08,550 --> 01:39:07,119

don't at least

2869

01:39:10,229 --> 01:39:08,560

step your foot in the rabbit hole to

2870

01:39:11,510 --> 01:39:10,239

begin with or at least information that

2871

01:39:12,310 --> 01:39:11,520

you're not comfortable with let's put it

2872

01:39:15,590 --> 01:39:12,320

that way

2873

01:39:16,629 --> 01:39:15,600

how well can we acclimatize our children

2874

01:39:18,310 --> 01:39:16,639

in schools

2875

01:39:20,470 --> 01:39:18,320

to acquaint themselves with information

2876

01:39:21,990 --> 01:39:20,480

that they they just find so hard to

2877

01:39:24,070 --> 01:39:22,000

understand or accept

2878

01:39:25,590 --> 01:39:24,080

and more so accept and understand you

2879

01:39:26,470 --> 01:39:25,600

can understand it but still not accept

2880

01:39:28,070 --> 01:39:26,480

it

2881

01:39:29,590 --> 01:39:28,080

how can we get people to think about

2882

01:39:30,229 --> 01:39:29,600

accepting information that's coming from

2883

01:39:32,709 --> 01:39:30,239

everybody

2884

01:39:33,750 --> 01:39:32,719

that's coming to us from the cosmos in

2885

01:39:35,430 --> 01:39:33,760

order to survive

2886

01:39:37,350 --> 01:39:35,440

who we are as a species and evolve to

2887

01:39:39,669 --> 01:39:37,360

whatever we we can be

2888

01:39:41,830 --> 01:39:39,679

is is is that is that the goal behind

2889

01:39:43,669 --> 01:39:41,840

everything or is just the universe is

2890

01:39:45,669 --> 01:39:43,679

coming apart

2891

01:39:47,350 --> 01:39:45,679

you know scene by seam you know with an

2892

01:39:49,510 --> 01:39:47,360

expanding universe and going to

2893

01:39:50,950 --> 01:39:49,520

into hell in that in a hand basket and

2894

01:39:52,229 --> 01:39:50,960

you just better get as much as you can

2895

01:39:55,030 --> 01:39:52,239

as fast as you can

2896

01:39:56,790 --> 01:39:55,040

as long as those kinds of of of of modes

2897

01:40:00,310 --> 01:39:56,800

of reasoning are used

2898

01:40:02,070 --> 01:40:00,320

uh we're stuck we're number one

2899

01:40:04,390 --> 01:40:02,080

uh yeah let me ask you this real quick

2900

01:40:05,750 --> 01:40:04,400

victor uh you talked about uh having an

2901
01:40:07,590 --> 01:40:05,760
education background

2902
01:40:08,790 --> 01:40:07,600
and in the schools i mean forgetting

2903
01:40:11,750 --> 01:40:08,800
completely the

2904
01:40:13,590 --> 01:40:11,760
ufo et topic and just talking about the

2905
01:40:16,390 --> 01:40:13,600
the geography of

2906
01:40:17,750 --> 01:40:16,400
uh the universe the the planets and then

2907
01:40:19,990 --> 01:40:17,760
the galaxy and the

2908
01:40:22,629 --> 01:40:20,000
uh the the string of galaxies that are

2909
01:40:25,030 --> 01:40:22,639
out there i mean how much

2910
01:40:26,550 --> 01:40:25,040
at least in your experience how much is

2911
01:40:28,310 --> 01:40:26,560
a subject like that even covered in

2912
01:40:30,310 --> 01:40:28,320
schools

2913
01:40:32,229 --> 01:40:30,320

it's it's covered in a very superfluous

2914

01:40:35,750 --> 01:40:32,239

way and i know because i taught it

2915

01:40:38,470 --> 01:40:35,760

right right exactly exactly you know

2916

01:40:39,189 --> 01:40:38,480

yeah the idea that you can graph

2917

01:40:40,870 --> 01:40:39,199

everything and

2918

01:40:42,870 --> 01:40:40,880

you can draw it you can sort of point

2919

01:40:44,229 --> 01:40:42,880

out everything in a in a very austere

2920

01:40:45,990 --> 01:40:44,239

mechanical way as to how

2921

01:40:48,149 --> 01:40:46,000

the cosmos operates and that's you know

2922

01:40:51,350 --> 01:40:48,159

a great

2923

01:40:53,189 --> 01:40:51,360

with uh

2924

01:40:55,030 --> 01:40:53,199

and and you always have to do that with

2925

01:40:58,470 --> 01:40:55,040

learners like you know i'll use your

2926

01:41:00,470 --> 01:40:58,480

example of my example being an educator

2927

01:41:01,669 --> 01:41:00,480

you really have to give people a chance

2928

01:41:04,550 --> 01:41:01,679

to uh

2929

01:41:05,750 --> 01:41:04,560

um how can i put it become uncomfortable

2930

01:41:08,070 --> 01:41:05,760

with the information

2931

01:41:10,310 --> 01:41:08,080

you can't give the information to people

2932

01:41:13,430 --> 01:41:10,320

and say oh yeah that's okay

2933

01:41:15,350 --> 01:41:13,440

oh okay yeah that's all right okay if

2934

01:41:18,390 --> 01:41:15,360

you keep on doing that they become

2935

01:41:20,709 --> 01:41:18,400

placid and they become acceptant

2936

01:41:22,070 --> 01:41:20,719

to anything and everything but if you

2937

01:41:23,910 --> 01:41:22,080

give them information it's going to

2938

01:41:26,070 --> 01:41:23,920

upset them

2939

01:41:27,109 --> 01:41:26,080

that's when returning happens you push

2940

01:41:29,189 --> 01:41:27,119

their crank a little bit

2941

01:41:30,229 --> 01:41:29,199

you tell them things that oh sir that

2942

01:41:33,750 --> 01:41:30,239

can't be true

2943

01:41:35,109 --> 01:41:33,760

no it's true you can have water at zero

2944

01:41:37,990 --> 01:41:35,119

degrees centigrade

2945

01:41:39,189 --> 01:41:38,000

and you could have ice at zero degrees

2946

01:41:41,590 --> 01:41:39,199

centigrade

2947

01:41:43,750 --> 01:41:41,600

how the heck is that possible you tell

2948

01:41:44,229 --> 01:41:43,760

me how that's possible you think about

2949

01:41:45,669 --> 01:41:44,239

that

2950

01:41:48,390 --> 01:41:45,679

now those kinds of questions aren't

2951
01:41:50,229 --> 01:41:48,400
asked in our public school system

2952
01:41:52,070 --> 01:41:50,239
when you get into that whole fine line

2953
01:41:54,229 --> 01:41:52,080
about when freezing happens and when

2954
01:41:57,030 --> 01:41:54,239
liquid liquefaction happens

2955
01:41:58,229 --> 01:41:57,040
that opens up a can of worms that are

2956
01:42:01,350 --> 01:41:58,239
it's universal

2957
01:42:02,790 --> 01:42:01,360
it's in those kinds of of um

2958
01:42:04,709 --> 01:42:02,800
the middle ground of information where

2959
01:42:07,350 --> 01:42:04,719
you don't tread uh

2960
01:42:08,629 --> 01:42:07,360
the story is is this a a piano player an

2961
01:42:11,350 --> 01:42:08,639
expert piano player

2962
01:42:11,669 --> 01:42:11,360
world famous is asked by somebody you

2963
01:42:14,390 --> 01:42:11,679

know

2964

01:42:15,590 --> 01:42:14,400

uh mr jones why are you such a great

2965

01:42:17,350 --> 01:42:15,600

pianist what

2966

01:42:19,669 --> 01:42:17,360

what makes you so fantastic at playing

2967

01:42:23,270 --> 01:42:19,679

the piano and he responds

2968

01:42:26,830 --> 01:42:23,280

well anybody can press on a key

2969

01:42:28,870 --> 01:42:26,840

but it's this space that i put between

2970

01:42:31,350 --> 01:42:28,880

them and if you think about

2971

01:42:32,149 --> 01:42:31,360

at you know our ways of knowing at that

2972

01:42:34,149 --> 01:42:32,159

level

2973

01:42:35,189 --> 01:42:34,159

then everything becomes fair game

2974

01:42:37,189 --> 01:42:35,199

everything becomes

2975

01:42:38,950 --> 01:42:37,199

uh shareable it becomes information that

2976

01:42:40,470 --> 01:42:38,960

belongs to everyone

2977

01:42:41,910 --> 01:42:40,480

and that there is another realm out

2978

01:42:43,430 --> 01:42:41,920

there the subtle realm as john matt

2979

01:42:46,229 --> 01:42:43,440

calls it i'll say it again

2980

01:42:48,229 --> 01:42:46,239

where it's the difference between this

2981

01:42:48,629 --> 01:42:48,239

corporeal notion of who we are this is

2982

01:42:52,070 --> 01:42:48,639

these

2983

01:42:54,790 --> 01:42:52,080

dense grossly dense bags of water

2984

01:42:56,629 --> 01:42:54,800

as opposed to the more ethereal and

2985

01:42:57,830 --> 01:42:56,639

non-corporeal entities that we think

2986

01:42:59,910 --> 01:42:57,840

that we're engaging with

2987

01:43:01,270 --> 01:42:59,920

or at least they have the capacity to be

2988

01:43:03,430 --> 01:43:01,280

that way

2989

01:43:05,510 --> 01:43:03,440

they may be able to vibrate their

2990

01:43:17,669 --> 01:43:05,520

apologies i couldn't hear what you said

2991

01:43:20,790 --> 01:43:19,910

yeah so i have a question for you or

2992

01:43:23,910 --> 01:43:20,800

siri

2993

01:43:25,590 --> 01:43:23,920

okay and that is if

2994

01:43:27,109 --> 01:43:25,600

i asked you this actually in a

2995

01:43:29,669 --> 01:43:27,119

pre-interview and your

2996

01:43:31,910 --> 01:43:29,679

answer was really interesting and that

2997

01:43:34,550 --> 01:43:31,920

is uh if you could ask

2998

01:43:36,629 --> 01:43:34,560

an et or an et civilization or

2999

01:43:38,390 --> 01:43:36,639

civilizations a question what would you

3000

01:43:41,430 --> 01:43:38,400

ask them

3001

01:43:44,550 --> 01:43:41,440

um yeah uh

3002

01:43:45,750 --> 01:43:44,560

how could i put it i don't know if i'd

3003

01:43:49,030 --> 01:43:45,760

ask them anything

3004

01:43:51,669 --> 01:43:49,040

i really i that would come next

3005

01:43:52,229 --> 01:43:51,679

but i would yeah i guess it would it i

3006

01:43:53,510 --> 01:43:52,239

could put in

3007

01:43:55,510 --> 01:43:53,520

in the form of a question but i would

3008

01:43:58,629 --> 01:43:55,520

tell them something and

3009

01:44:00,149 --> 01:43:58,639

said that you're you're being um you're

3010

01:44:03,510 --> 01:44:00,159

being really stubborn here

3011

01:44:05,270 --> 01:44:03,520

okay we are corporeal beings and we need

3012

01:44:07,430 --> 01:44:05,280

something more than just

3013

01:44:10,390 --> 01:44:07,440

this fooling around that you're doing

3014

01:44:13,350 --> 01:44:10,400

with these lights in the sky

3015

01:44:14,070 --> 01:44:13,360

what's all the the the the hidden uh

3016

01:44:15,750 --> 01:44:14,080

agenda here

3017

01:44:17,990 --> 01:44:15,760

what's going on why don't we know the

3018

01:44:20,229 --> 01:44:18,000

full story from you not our government

3019

01:44:21,030 --> 01:44:20,239

why is it that you are keeping your

3020

01:44:23,590 --> 01:44:21,040

information

3021

01:44:25,910 --> 01:44:23,600

away from us what what is it about are

3022

01:44:29,189 --> 01:44:25,920

we not worthy yet are we not ready yet

3023

01:44:31,109 --> 01:44:29,199

why is that information not flowing to

3024

01:44:32,950 --> 01:44:31,119

us in ways that everyone understands it

3025

01:44:34,709 --> 01:44:32,960

and that would be the question that i'd

3026

01:44:37,030 --> 01:44:34,719

ask and what would you say

3027

01:44:38,709 --> 01:44:37,040

if they told you well we have we have

3028

01:44:40,390 --> 01:44:38,719

shared it we shared it with various

3029

01:44:43,430 --> 01:44:40,400

folks here on the planet

3030

01:44:43,669 --> 01:44:43,440

and uh probably uh hundreds of thousands

3031

01:44:47,990 --> 01:44:43,679

and

3032

01:44:50,629 --> 01:44:48,000

that you want them to share it with the

3033

01:44:51,910 --> 01:44:50,639

whole planet is that what your point is

3034

01:44:53,590 --> 01:44:51,920

well

3035

01:44:55,270 --> 01:44:53,600

one way or another eventually it's going

3036

01:44:57,510 --> 01:44:55,280

to land up to be that way

3037

01:44:58,310 --> 01:44:57,520

it's it's like the the common knowing of

3038

01:45:01,669 --> 01:44:58,320

something

3039

01:45:03,830 --> 01:45:01,679

it becomes infectious um so it's

3040

01:45:04,790 --> 01:45:03,840

it's it's like it is it's a lot to do

3041

01:45:07,270 --> 01:45:04,800

with connectivity

3042

01:45:07,990 --> 01:45:07,280

uh with within within the cosmos that

3043

01:45:11,270 --> 01:45:08,000

once

3044

01:45:13,669 --> 01:45:11,280

one particle information

3045

01:45:15,430 --> 01:45:13,679

uh knows what the other particle of

3046

01:45:16,070 --> 01:45:15,440

information is is it doing or thinking

3047

01:45:18,229 --> 01:45:16,080

or how it can

3048

01:45:19,990 --> 01:45:18,239

influence it once those two particles

3049

01:45:23,350 --> 01:45:20,000

make that connection

3050

01:45:24,870 --> 01:45:23,360

everything is possible so um

3051

01:45:26,550 --> 01:45:24,880

we have to start making the kind of

3052

01:45:28,310 --> 01:45:26,560

connections that tell us

3053

01:45:30,629 --> 01:45:28,320

that we are more than these corporeal

3054

01:45:32,629 --> 01:45:30,639

beings and that these

3055

01:45:34,229 --> 01:45:32,639

four of these beings are have the

3056

01:45:35,270 --> 01:45:34,239

answers to these kinds of questions or

3057

01:45:37,270 --> 01:45:35,280

at least they may

3058

01:45:38,629 --> 01:45:37,280

allow us to explore the notions it might

3059

01:45:39,430 --> 01:45:38,639

take a hundred years to understand the

3060

01:45:41,750 --> 01:45:39,440

whole thing

3061

01:45:43,030 --> 01:45:41,760

but eventually get to the point where we

3062

01:45:44,470 --> 01:45:43,040

come to believe that there's more than

3063

01:45:46,310 --> 01:45:44,480

just us and his cosmos

3064

01:45:47,910 --> 01:45:46,320

and as a human species we haven't really

3065

01:45:48,629 --> 01:45:47,920

got there yet to understand that full

3066

01:45:51,030 --> 01:45:48,639

notion

3067

01:45:52,709 --> 01:45:51,040

completely interesting well before we

3068

01:45:53,830 --> 01:45:52,719

let you go i do want to let our

3069

01:45:56,870 --> 01:45:53,840

listeners know

3070

01:46:02,910 --> 01:45:56,880

how they can actually go to your website

3071

01:46:06,230 --> 01:46:04,229

zlandcommunications.blogspot.com

3072

01:46:07,629 --> 01:46:06,240

i'll repeat that

3073

01:46:08,870 --> 01:46:07,639

[Music]

3074

01:46:11,109 --> 01:46:08,880

zlandcommunications.blogspot.com and

3075

01:46:13,510 --> 01:46:11,119

frank will also put that url

3076
01:46:14,550 --> 01:46:13,520
in the summary underneath the show and

3077
01:46:16,070 --> 01:46:14,560
did you have any

3078
01:46:18,870 --> 01:46:16,080
last things that you'd like to share

3079
01:46:21,990 --> 01:46:18,880
with us victor before we end the show

3080
01:46:23,109 --> 01:46:22,000
um not really not specifically uh

3081
01:46:25,030 --> 01:46:23,119
i just want to thank you for this

3082
01:46:27,750 --> 01:46:25,040
opportunity to share some of these thank

3083
01:46:28,070 --> 01:46:27,760
you some of these ideas it's not often

3084
01:46:32,070 --> 01:46:28,080
that

3085
01:46:34,550 --> 01:46:32,080
quite often say to people

3086
01:46:35,430 --> 01:46:34,560
um you go for dinner someplace or

3087
01:46:37,350 --> 01:46:35,440
whatever

3088
01:46:38,550 --> 01:46:37,360

and this question comes up you know

3089

01:46:39,990 --> 01:46:38,560

there's four or five

3090

01:46:41,750 --> 01:46:40,000

of us sitting around just discussing

3091

01:46:44,070 --> 01:46:41,760

like we are and

3092

01:46:45,590 --> 01:46:44,080

it it always brings up the notion to me

3093

01:46:45,990 --> 01:46:45,600

that okay we're in a restaurant of busy

3094

01:46:49,430 --> 01:46:46,000

people

3095

01:46:51,510 --> 01:46:49,440

happening right now because of

3096

01:46:52,870 --> 01:46:51,520

the crazy conditions but in the times

3097

01:46:54,629 --> 01:46:52,880

when restaurants were full

3098

01:46:56,709 --> 01:46:54,639

we'd sit there and just you know discuss

3099

01:46:57,590 --> 01:46:56,719

this stuff and so i always asked them

3100

01:47:00,149 --> 01:46:57,600

the question i said

3101

01:47:02,229 --> 01:47:00,159

you know what what are the odds that

3102

01:47:04,310 --> 01:47:02,239

were the only people in this whole

3103

01:47:07,030 --> 01:47:04,320

restaurant talk

3104

01:47:08,470 --> 01:47:07,040

about this and the conclusion obviously

3105

01:47:09,669 --> 01:47:08,480

is

3106

01:47:12,470 --> 01:47:09,679

i don't think there's any table out

3107

01:47:14,390 --> 01:47:12,480

there that's talking about 100

3108

01:47:15,669 --> 01:47:14,400

they're not they're not so if you if you

3109

01:47:19,109 --> 01:47:15,679

extrapolate that to

3110

01:47:20,149 --> 01:47:19,119

a more global perspective on that whole

3111

01:47:21,830 --> 01:47:20,159

issue of

3112

01:47:23,590 --> 01:47:21,840

what are we talking about and how we can

3113

01:47:24,629 --> 01:47:23,600

get other people to talk about it and

3114

01:47:26,229 --> 01:47:24,639

accept it

3115

01:47:28,470 --> 01:47:26,239

that's when we really do the job that we

3116

01:47:29,350 --> 01:47:28,480

need to be doing and that's i guess the

3117

01:47:31,189 --> 01:47:29,360

role of of

3118

01:47:32,550 --> 01:47:31,199

z land communications and trying to get

3119

01:47:35,030 --> 01:47:32,560

that that idea

3120

01:47:36,550 --> 01:47:35,040

to create the dialogue or the conditions

3121

01:47:36,950 --> 01:47:36,560

under which we can all talk about this

3122

01:47:38,950 --> 01:47:36,960

issue

3123

01:47:40,470 --> 01:47:38,960

and not be afraid of it well thank you i

3124

01:47:42,629 --> 01:47:40,480

would like to make a comment regarding

3125

01:47:44,070 --> 01:47:42,639

what you said and that is uh

3126

01:47:45,510 --> 01:47:44,080

they might not be talking about it

3127

01:47:50,870 --> 01:47:45,520

because they don't remember having been

3128

01:47:53,270 --> 01:47:50,880

abducted last night

3129

01:47:54,550 --> 01:47:53,280

you know it's really you know the whole

3130

01:47:56,950 --> 01:47:54,560

idea of of

3131

01:47:58,310 --> 01:47:56,960

knowing someone has been abducted or

3132

01:47:59,430 --> 01:47:58,320

taken or had experience that's put it

3133

01:48:01,750 --> 01:47:59,440

that way experiences

3134

01:48:03,910 --> 01:48:01,760

it's almost become easy for me to to to

3135

01:48:05,430 --> 01:48:03,920

identify the individuals in a room who

3136

01:48:07,430 --> 01:48:05,440

who may have had something

3137

01:48:08,709 --> 01:48:07,440

uh different happen to them it's i don't

3138

01:48:10,070 --> 01:48:08,719

know what it is maybe it's an innate

3139

01:48:11,189 --> 01:48:10,080

sense that i've developed

3140

01:48:13,270 --> 01:48:11,199

but all you have to do is talk to

3141

01:48:16,149 --> 01:48:13,280

someone for 15 minutes and this

3142

01:48:18,470 --> 01:48:16,159

situation creeps into the conversation

3143

01:48:21,030 --> 01:48:18,480

you can tell within 10 seconds that

3144

01:48:21,830 --> 01:48:21,040

oh something happened there and then

3145

01:48:24,870 --> 01:48:21,840

other people

3146

01:48:26,870 --> 01:48:24,880

don't get to that point but uh

3147

01:48:28,470 --> 01:48:26,880

there are so many more people out there

3148

01:48:30,709 --> 01:48:28,480

like that that have been

3149

01:48:32,550 --> 01:48:30,719

um introduced to these beings in a way

3150

01:48:33,910 --> 01:48:32,560

that's a little nefarious as far as i'm

3151

01:48:34,870 --> 01:48:33,920

concerned i wish they become more clean

3152

01:48:36,550 --> 01:48:34,880

than that but

3153

01:48:37,910 --> 01:48:36,560

uh the fact that matters these people

3154

01:48:39,350 --> 01:48:37,920

are going to tell their story

3155

01:48:40,550 --> 01:48:39,360

and we're going to give them the

3156

01:48:41,510 --> 01:48:40,560

opportunity to tell their story and

3157

01:48:44,070 --> 01:48:41,520

become acceptable

3158

01:48:45,990 --> 01:48:44,080

uh to the rest of human society so

3159

01:48:47,270 --> 01:48:46,000

that's what we're all about and uh

3160

01:48:48,709 --> 01:48:47,280

thanks for the opportunity to share this

3161

01:48:49,350 --> 01:48:48,719

stuff with you yeah thanks so much

3162

01:48:51,189 --> 01:48:49,360

victor

3163

01:48:52,870 --> 01:48:51,199

yes uh we're very appreciative of your

3164

01:48:54,550 --> 01:48:52,880

time and uh it was just

3165

01:48:55,910 --> 01:48:54,560

a really wonderful discussion we look

3166

01:48:58,229 --> 01:48:55,920

forward to the privilege in

3167

01:49:00,070 --> 01:48:58,239

interviewing you again i look forward to

3168

01:49:03,830 --> 01:49:00,080

that too thank you very much

3169

01:49:05,990 --> 01:49:03,840

thank you so uh that is it

3170

01:49:06,950 --> 01:49:06,000

a great interview with victor uh thanks

3171

01:49:09,030 --> 01:49:06,960

so much chant

3172

01:49:10,390 --> 01:49:09,040

and i'm gonna wrap things up here uh

3173

01:49:13,990 --> 01:49:10,400

we're getting into the

3174

01:49:15,589 --> 01:49:14,000

home stretch as far as me having to work

3175

01:49:16,629 --> 01:49:15,599

for the rest of the year coming up on

3176

01:49:18,870 --> 01:49:16,639

christmas break

3177

01:49:20,390 --> 01:49:18,880

so i think i will probably be picking up

3178

01:49:22,709 --> 01:49:20,400

the pace a little bit and doing more of

3179

01:49:25,830 --> 01:49:22,719

these shows

3180

01:49:28,390 --> 01:49:25,840

that sound okay to you chant that sounds

3181

01:49:29,990 --> 01:49:28,400

fabulous and i really appreciate this

3182

01:49:30,950 --> 01:49:30,000

wonderful guest that we've had on

3183

01:49:32,390 --> 01:49:30,960

tonight

3184

01:49:34,229 --> 01:49:32,400

very grateful that we've had the

3185

01:49:35,990 --> 01:49:34,239

opportunity to speak with him and

3186

01:49:37,669 --> 01:49:36,000

also would like to thank victor he has

3187

01:49:40,070 --> 01:49:37,679

spent four decades working very

3188

01:49:42,229 --> 01:49:40,080

diligently and meticulously on this

3189

01:49:43,109 --> 01:49:42,239

these topics that we went over the ufo

3190

01:49:46,470 --> 01:49:43,119

slash et

3191

01:49:48,310 --> 01:49:46,480

topic and more and also has dedicated a

3192

01:49:49,109 --> 01:49:48,320

good part of his life to listening to

3193

01:49:51,189 --> 01:49:49,119

people

3194

01:49:52,470 --> 01:49:51,199

that have been involved in the ufo slash

3195

01:49:54,629 --> 01:49:52,480

ut topic

3196

01:49:56,229 --> 01:49:54,639

and uh just really feel like you're very

3197

01:49:57,990 --> 01:49:56,239

special person we're very grateful to

3198

01:50:00,390 --> 01:49:58,000

you so thank you so much

3199

01:50:01,270 --> 01:50:00,400

thanks again victor thank you again

3200

01:50:03,510 --> 01:50:01,280

thank you

3201

01:50:04,709 --> 01:50:03,520

and uh that is it i'm gonna wrap things

3202

01:50:06,790 --> 01:50:04,719

up now and

3203

01:50:08,149 --> 01:50:06,800

enjoy the rest of your weekend everybody

3204

01:50:10,070 --> 01:50:08,159

and uh we will uh
