

# UFO NEWS UPDATE

FORMER DIRECTOR OF NATIONAL INTELLIGENCE: "WE HAVE MULTIPLE SENSORS THAT ARE PICKING UP THESE THINGS."

SEN. RUBIO: "I WANT TO KNOW WHAT THESE THINGS ARE."

PENTAGON UFO REPORT UPDATE

**UFONN**  
**SUNDAY**

1  
00:00:02,560 --> 00:00:17,109

[Music]

2  
00:00:21,109 --> 00:00:18,390

and good afternoon

3  
00:00:23,189 --> 00:00:21,119

frank here with yet another edition of

4  
00:00:25,349 --> 00:00:23,199

ufo news network sunday

5  
00:00:26,790 --> 00:00:25,359

uh we've got a lot of news to cover it's

6  
00:00:27,269 --> 00:00:26,800

uh things have really picked up a little

7  
00:00:29,910 --> 00:00:27,279

bit

8  
00:00:30,390 --> 00:00:29,920

rather surprising but always good to see

9  
00:00:32,709 --> 00:00:30,400

so

10  
00:00:33,670 --> 00:00:32,719

we've got a lot of news to cover let me

11  
00:00:36,549 --> 00:00:33,680

not waste

12  
00:00:37,590 --> 00:00:36,559

any time and bring in my co-host as

13  
00:00:40,069 --> 00:00:37,600

always the one

14

00:00:41,430 --> 00:00:40,079

the only chant hannah chan how are you

15

00:00:44,069 --> 00:00:41,440

today

16

00:00:45,029 --> 00:00:44,079

i'm just prepared to have a good time

17

00:00:47,590 --> 00:00:45,039

and argue with you

18

00:00:48,229 --> 00:00:47,600

also frank as per usual sounds good

19

00:00:49,990 --> 00:00:48,239

sounds good

20

00:00:51,510 --> 00:00:50,000

well uh you've been following uh just

21

00:00:53,029 --> 00:00:51,520

like i have we've been passing some

22

00:00:56,310 --> 00:00:53,039

notes back and forth

23

00:00:58,790 --> 00:00:56,320

and uh last week the former

24

00:01:00,069 --> 00:00:58,800

uh director of national intelligence

25

00:01:03,110 --> 00:01:00,079

john ratcliffe

26

00:01:05,750 --> 00:01:03,120

appeared on fox news with

27

00:01:08,070 --> 00:01:05,760

maria bartoromo and had some very

28

00:01:10,789 --> 00:01:08,080

interesting comments about ufos

29

00:01:11,990 --> 00:01:10,799

which kicked off a little bit of a a

30

00:01:14,550 --> 00:01:12,000

little bit of a flap

31

00:01:16,469 --> 00:01:14,560

regarding ufo news uh this is rather

32

00:01:19,670 --> 00:01:16,479

interesting uh ratcliffe made

33

00:01:21,830 --> 00:01:19,680

some uh very interesting claims about

34

00:01:24,149 --> 00:01:21,840

the the nature of the evidence that

35

00:01:25,830 --> 00:01:24,159

they have gathered over there uh in the

36

00:01:26,789 --> 00:01:25,840

intelligence community and in the

37

00:01:28,870 --> 00:01:26,799

pentagon

38

00:01:31,590 --> 00:01:28,880

and let's uh let's not waste any time

39

00:01:34,710 --> 00:01:31,600

and get to what ratcliffe had to say

40

00:01:36,789 --> 00:01:34,720

on the uh maria bartoromo show hang on a

41

00:01:39,990 --> 00:01:36,799

second here we go

42

00:01:42,230 --> 00:01:40,000

john you've seen in your role the most

43

00:01:43,429 --> 00:01:42,240

intelligence that anybody has seen other

44

00:01:45,429 --> 00:01:43,439

than the president

45

00:01:46,870 --> 00:01:45,439

as the director of national intelligence

46

00:01:48,630 --> 00:01:46,880

and i've been wanting to ask you this

47

00:01:51,190 --> 00:01:48,640

next question for a while

48

00:01:52,310 --> 00:01:51,200

i want to ask you about ufos

49

00:01:56,230 --> 00:01:52,320

unidentified

50

00:01:57,590 --> 00:01:56,240

flying objects the the pentagon is going

51  
00:02:00,870 --> 00:01:57,600  
to come out with a report

52  
00:02:02,950 --> 00:02:00,880  
by june 1st and in the 2.3 trillion

53  
00:02:04,469 --> 00:02:02,960  
omnibus appropriations legislation

54  
00:02:06,310 --> 00:02:04,479  
passed in january

55  
00:02:07,590 --> 00:02:06,320  
it includes the intelligence

56  
00:02:09,749 --> 00:02:07,600  
authorization act

57  
00:02:10,869 --> 00:02:09,759  
money for the pentagon to continue

58  
00:02:13,830 --> 00:02:10,879  
investigating

59  
00:02:14,790 --> 00:02:13,840  
ufos john we're going to get this report

60  
00:02:17,990 --> 00:02:14,800  
june 1st

61  
00:02:22,150 --> 00:02:18,000  
can you tell us have unidentified

62  
00:02:24,949 --> 00:02:22,160  
flying objects been seen

63  
00:02:25,350 --> 00:02:24,959

well sure we we have uh lots of reports

64

00:02:27,750 --> 00:02:25,360

about

65

00:02:29,990 --> 00:02:27,760

what we call uh unidentified aerial

66

00:02:31,589 --> 00:02:30,000

phenomenon and this actually

67

00:02:33,750 --> 00:02:31,599

is a program that's been in place for a

68

00:02:34,790 --> 00:02:33,760

few years in terms of a task force that

69

00:02:36,309 --> 00:02:34,800

that has been

70

00:02:37,990 --> 00:02:36,319

there under the national defense

71

00:02:39,030 --> 00:02:38,000

authorization act but as you correctly

72

00:02:41,030 --> 00:02:39,040

point out maria

73

00:02:42,790 --> 00:02:41,040

there's now a report that will be issued

74

00:02:44,470 --> 00:02:42,800

by the by the pentagon

75

00:02:46,070 --> 00:02:44,480

uh by the secretary of defense and the

76

00:02:47,670 --> 00:02:46,080

director of national intelligence i

77

00:02:49,509 --> 00:02:47,680

actually wanted to get this information

78

00:02:50,390 --> 00:02:49,519

out and declassified before i left

79

00:02:52,550 --> 00:02:50,400

office but

80

00:02:53,910 --> 00:02:52,560

we weren't able to get it down into an

81

00:02:56,070 --> 00:02:53,920

unclassified

82

00:02:57,509 --> 00:02:56,080

format that we could talk about quickly

83

00:02:58,470 --> 00:02:57,519

enough but but frankly there are a lot

84

00:03:00,309 --> 00:02:58,480

more sightings than

85

00:03:01,990 --> 00:03:00,319

have been made public some of those have

86

00:03:03,509 --> 00:03:02,000

been declassified when we talk about

87

00:03:03,990 --> 00:03:03,519

sightings we're talking about objects

88

00:03:06,790 --> 00:03:04,000

that have been

89

00:03:09,190 --> 00:03:06,800

seen by navy or air force pilots or have

90

00:03:12,229 --> 00:03:09,200

been picked up by satellite imagery

91

00:03:14,390 --> 00:03:12,239

that frankly engage in

92

00:03:15,350 --> 00:03:14,400

actions that are difficult to explain

93

00:03:20,869 --> 00:03:15,360

that

94

00:03:21,509 --> 00:03:20,879

technology for or traveling at speeds

95

00:03:23,110 --> 00:03:21,519

that

96

00:03:24,869 --> 00:03:23,120

you know exceed the sound barrier

97

00:03:27,750 --> 00:03:24,879

without a sonic boom so

98

00:03:28,229 --> 00:03:27,760

in short um things that we are observing

99

00:03:31,509 --> 00:03:28,239

that are

100

00:03:33,430 --> 00:03:31,519

difficult to explain um and so

101

00:03:34,789 --> 00:03:33,440

uh you know there's actually quite a few

102

00:03:36,470 --> 00:03:34,799

of those and i think that that

103

00:03:37,670 --> 00:03:36,480

information is being gathered and will

104

00:03:39,350 --> 00:03:37,680

will be put out

105

00:03:41,270 --> 00:03:39,360

um in a way that the american people can

106

00:03:43,110 --> 00:03:41,280

see we always when we when we see these

107

00:03:44,789 --> 00:03:43,120

things marie we always look for a

108

00:03:47,110 --> 00:03:44,799

plausible explanation

109

00:03:48,630 --> 00:03:47,120

you know weather can cause disturbances

110

00:03:50,309 --> 00:03:48,640

visual disturbances

111

00:03:52,789 --> 00:03:50,319

sometimes we wonder whether or not our

112

00:03:54,149 --> 00:03:52,799

adversaries have technologies

113

00:03:56,470 --> 00:03:54,159

that are a little bit further down the

114

00:03:58,710 --> 00:03:56,480

road than we thought or that we realized

115

00:04:00,470 --> 00:03:58,720

but there are instances where we don't

116

00:04:02,070 --> 00:04:00,480

have good explanations for some of the

117

00:04:04,309 --> 00:04:02,080

things that we've seen

118

00:04:05,910 --> 00:04:04,319

and you know when that information

119

00:04:09,750 --> 00:04:05,920

becomes declassified i'll be able to

120

00:04:09,760 --> 00:04:13,589

can you tell us where it was seen

121

00:04:16,629 --> 00:04:14,869

actually all over the world there have

122

00:04:18,150 --> 00:04:16,639

been sightings all over the world and

123

00:04:19,830 --> 00:04:18,160

and when we talk about sightings the

124

00:04:22,150 --> 00:04:19,840

other thing i will tell you is um

125

00:04:23,350 --> 00:04:22,160

it's not just a pilot or just a

126  
00:04:26,790 --> 00:04:23,360  
satellite or some

127  
00:04:27,189 --> 00:04:26,800  
um intelligence collection usually we

128  
00:04:29,110 --> 00:04:27,199  
have

129  
00:04:30,550 --> 00:04:29,120  
multiple sensors that are picking up

130  
00:04:32,629 --> 00:04:30,560  
these things and

131  
00:04:35,909 --> 00:04:32,639  
so uh you know again some of this are

132  
00:04:38,870 --> 00:04:35,919  
just their unexplained phenomenon

133  
00:04:40,870 --> 00:04:38,880  
and there's actually quite a few more

134  
00:04:42,710 --> 00:04:40,880  
than have been made public so

135  
00:04:44,150 --> 00:04:42,720  
i think it'll be healthy for as much of

136  
00:04:45,030 --> 00:04:44,160  
this information to get out there as

137  
00:04:47,510 --> 00:04:45,040  
possible

138  
00:04:48,710 --> 00:04:47,520

um so that the american people can see

139

00:04:51,909 --> 00:04:48,720

some of the things that

140

00:04:55,030 --> 00:04:51,919

that we've been dealing with okay

141

00:04:55,990 --> 00:04:55,040

well that that is pretty extraordinary

142

00:04:57,909 --> 00:04:56,000

we so appreciate

143

00:05:00,710 --> 00:04:57,919

that that you're talking to us about

144

00:05:04,230 --> 00:05:00,720

this can this year get any weirder

145

00:05:07,430 --> 00:05:04,240

pandemic shutdown ufos john radcliffe

146

00:05:11,110 --> 00:05:09,670

a really interesting interview and as

147

00:05:13,110 --> 00:05:11,120

far as i know

148

00:05:15,749 --> 00:05:13,120

he would be the highest ranking

149

00:05:19,189 --> 00:05:15,759

individual uh

150

00:05:20,310 --> 00:05:19,199

who is talked in some detail about what

151

00:05:22,310 --> 00:05:20,320

they have available

152

00:05:25,110 --> 00:05:22,320

as far as the multiple sensors and all

153

00:05:26,950 --> 00:05:25,120

that goes uh if it's happened before

154

00:05:27,670 --> 00:05:26,960

it's been a long time since it's

155

00:05:30,790 --> 00:05:27,680

happened

156

00:05:33,430 --> 00:05:30,800

so obviously we like this information

157

00:05:34,070 --> 00:05:33,440

getting out he was talking about wanting

158

00:05:37,270 --> 00:05:34,080

to get

159

00:05:39,510 --> 00:05:37,280

this out before he left office obviously

160

00:05:40,550 --> 00:05:39,520

you know he had to go after the election

161

00:05:43,110 --> 00:05:40,560

results

162

00:05:43,990 --> 00:05:43,120

but uh you know i like this uh

163

00:05:46,150 --> 00:05:44,000

information

164

00:05:47,990 --> 00:05:46,160

and it seems that they do have a lot

165

00:05:49,909 --> 00:05:48,000

there no reason to think that they don't

166

00:05:51,990 --> 00:05:49,919

again not talking about the multiple

167

00:05:54,629 --> 00:05:52,000

sensors ratcliffs is a

168

00:05:56,230 --> 00:05:54,639

name that has not really come up uh in

169

00:05:57,270 --> 00:05:56,240

our talking about the different people

170

00:05:59,430 --> 00:05:57,280

who are involved

171

00:06:00,629 --> 00:05:59,440

over at the the defense department i

172

00:06:02,870 --> 00:06:00,639

think it uh one

173

00:06:04,150 --> 00:06:02,880

real quick thing that i want to mention

174

00:06:07,110 --> 00:06:04,160

is that the

175

00:06:09,110 --> 00:06:07,120

director of national intelligence it was

176

00:06:10,790 --> 00:06:09,120

basically a position that was created

177

00:06:13,110 --> 00:06:10,800

after september 11th

178

00:06:14,390 --> 00:06:13,120

you had a lot of different intelligence

179

00:06:16,230 --> 00:06:14,400

organizations uh

180

00:06:18,550 --> 00:06:16,240

sometimes military sometimes law

181

00:06:21,590 --> 00:06:18,560

enforcement uh sometimes uh

182

00:06:23,350 --> 00:06:21,600

you know espionage related and that

183

00:06:25,189 --> 00:06:23,360

they've all got their their own little

184

00:06:25,909 --> 00:06:25,199

fiefdoms and they they don't often

185

00:06:29,749 --> 00:06:25,919

coordinate

186

00:06:30,950 --> 00:06:29,759

uh one of the criticisms of the position

187

00:06:33,270 --> 00:06:30,960

as it was laid out

188

00:06:34,150 --> 00:06:33,280

and i think this is pretty important was

189

00:06:37,430 --> 00:06:34,160

that

190

00:06:39,110 --> 00:06:37,440

what is uh not under the auspices of

191

00:06:41,830 --> 00:06:39,120

this particular office

192

00:06:43,670 --> 00:06:41,840

includes the uh the department of

193

00:06:45,990 --> 00:06:43,680

defense in charge of

194

00:06:47,430 --> 00:06:46,000

uh national security agency national

195

00:06:50,469 --> 00:06:47,440

reconnaissance office

196

00:06:53,589 --> 00:06:50,479

national geospatial intelligence agency

197

00:06:55,990 --> 00:06:53,599

those would still be over at the the

198

00:06:59,110 --> 00:06:56,000

pentagon and run through there

199

00:07:01,909 --> 00:06:59,120

but again interesting stuff

200

00:07:03,589 --> 00:07:01,919

and also it indicates uh based on what

201  
00:07:05,830 --> 00:07:03,599  
he's saying that he's uh received

202  
00:07:08,230 --> 00:07:05,840  
briefings on that this kind of material

203  
00:07:09,749 --> 00:07:08,240  
so uh this uh this is a big win it

204  
00:07:11,749 --> 00:07:09,759  
kicked off a lot of very interesting

205  
00:07:14,070 --> 00:07:11,759  
news uh uh chant your thoughts on all

206  
00:07:17,430 --> 00:07:16,870  
um i actually would like to hear more

207  
00:07:19,670 --> 00:07:17,440  
clips

208  
00:07:21,909 --> 00:07:19,680  
that you plan on playing in order to

209  
00:07:24,230 --> 00:07:21,919  
just discuss more on this topic

210  
00:07:25,110 --> 00:07:24,240  
okay yeah yeah i'd love to say i just

211  
00:07:27,430 --> 00:07:25,120  
would like to hear

212  
00:07:29,110 --> 00:07:27,440  
more okay okay well we have more more we

213  
00:07:30,790 --> 00:07:29,120

do have hang on a sec let me

214

00:07:32,309 --> 00:07:30,800

move forward a little bit here with our

215

00:07:34,950 --> 00:07:32,319

graphics and uh

216

00:07:35,830 --> 00:07:34,960

as a result of the attention that this

217

00:07:39,110 --> 00:07:35,840

particular

218

00:07:42,309 --> 00:07:39,120

interview got uh marco rubio was in the

219

00:07:42,710 --> 00:07:42,319

reagan airport in washington and i guess

220

00:07:50,710 --> 00:07:42,720

a

221

00:07:52,150 --> 00:07:50,720

they'll dip into politics when

222

00:07:55,670 --> 00:07:52,160

politicians are doing

223

00:07:57,909 --> 00:07:55,680

uh maybe some gossip related things but

224

00:08:00,070 --> 00:07:57,919

i guess a stringer for tmz happened to

225

00:08:01,189 --> 00:08:00,080

see uh rubio in the airport and he

226

00:08:04,710 --> 00:08:01,199

pinned him down

227

00:08:07,990 --> 00:08:04,720

and uh he asked rubio about the same

228

00:08:10,469 --> 00:08:08,000

issue so let's pull that up here

229

00:08:11,510 --> 00:08:10,479

what do we got oh there we go okay let's

230

00:08:17,350 --> 00:08:11,520

pull that up

231

00:08:23,110 --> 00:08:17,360

and go with rubio's comments

232

00:08:23,120 --> 00:08:28,309

rather slowly

233

00:08:32,630 --> 00:08:31,189

he decides to die oh you know what then

234

00:08:34,469 --> 00:08:32,640

we're going to have to sit through a 30

235

00:08:36,630 --> 00:08:34,479

second commercial here

236

00:08:38,709 --> 00:08:36,640

before we get to the uh the rubio video

237

00:08:41,509 --> 00:08:38,719

but yeah rubio is of course

238

00:08:41,990 --> 00:08:41,519

on the uh had been the the chairman of

239

00:08:43,430 --> 00:08:42,000

the

240

00:08:45,269 --> 00:08:43,440

senate uh select committee on

241

00:08:47,350 --> 00:08:45,279

intelligence and that

242

00:08:48,550 --> 00:08:47,360

is the senate committee that

243

00:08:51,750 --> 00:08:48,560

requisitioned

244

00:08:52,470 --> 00:08:51,760

this report on the ufos so he has

245

00:08:54,470 --> 00:08:52,480

publicly

246

00:08:56,230 --> 00:08:54,480

made some comments on a couple of

247

00:08:59,509 --> 00:08:56,240

occasions and

248

00:09:00,710 --> 00:08:59,519

now the stringer for tmz uh tracked him

249

00:09:04,070 --> 00:09:00,720

down at the airport

250

00:09:11,110 --> 00:09:04,080

and was able to ask him about it as well

251  
00:09:14,790 --> 00:09:12,630  
you're on that senate intel committee

252  
00:09:15,990 --> 00:09:14,800  
man i i saw you guys are supposed

253  
00:09:17,670 --> 00:09:16,000  
they're supposed to be the government is

254  
00:09:19,350 --> 00:09:17,680  
going to actually have to put out

255  
00:09:21,110 --> 00:09:19,360  
everything they know about ufos to the

256  
00:09:22,470 --> 00:09:21,120  
public i guess it's not

257  
00:09:23,750 --> 00:09:22,480  
well for me the whole thing was this and

258  
00:09:24,230 --> 00:09:23,760  
that's why we put that language in there

259  
00:09:25,750 --> 00:09:24,240  
and then

260  
00:09:27,269 --> 00:09:25,760  
people think about space aliens for me

261  
00:09:29,509 --> 00:09:27,279  
is there's stuff flying over

262  
00:09:31,430 --> 00:09:29,519  
military installations and no one knows

263  
00:09:32,870 --> 00:09:31,440

what it is and it isn't ours

264

00:09:34,230 --> 00:09:32,880

so for me that's logical you want to

265

00:09:34,870 --> 00:09:34,240

know what it is and that's common sense

266

00:09:36,150 --> 00:09:34,880

right stuff's

267

00:09:38,150 --> 00:09:36,160

flying over the top of your most

268

00:09:39,829 --> 00:09:38,160

sensitive installations and it's not

269

00:09:41,269 --> 00:09:39,839

ours and no one knows whose it is

270

00:09:42,949 --> 00:09:41,279

you should find out what it is and tell

271

00:09:45,509 --> 00:09:42,959

us i mean are we going to get like the

272

00:09:46,389 --> 00:09:45,519

friendly aliens you think if you think

273

00:09:48,070 --> 00:09:46,399

honestly

274

00:09:49,190 --> 00:09:48,080

should people be worried i mean i guess

275

00:09:50,790 --> 00:09:49,200

that's the better question i think the

276

00:09:51,910 --> 00:09:50,800

worry is there's stuff flying over our

277

00:09:53,269 --> 00:09:51,920

facilities and we don't know what they

278

00:09:53,750 --> 00:09:53,279

are you know what i mean so i mean

279

00:09:55,829 --> 00:09:53,760

that's the

280

00:09:57,509 --> 00:09:55,839

concern maybe maybe it's got a logical

281

00:09:58,710 --> 00:09:57,519

explanation to it but

282

00:10:00,070 --> 00:09:58,720

you know people want to know i want to

283

00:10:01,350 --> 00:10:00,080

know what it is i mean who's a bigger

284

00:10:02,230 --> 00:10:01,360

threat right now do you think i mean

285

00:10:03,829 --> 00:10:02,240

people are always talking about like

286

00:10:04,949 --> 00:10:03,839

china's a big threat but shouldn't we be

287

00:10:06,710 --> 00:10:04,959

also be worried about what the

288

00:10:08,310 --> 00:10:06,720

what's else out in the universe i

289

00:10:09,590 --> 00:10:08,320

wouldn't take it one step at a time you

290

00:10:10,949 --> 00:10:09,600

know what i mean i mean i'm not i'm not

291

00:10:12,230 --> 00:10:10,959

saying that's what it's all about

292

00:10:13,590 --> 00:10:12,240

like i told you i don't know i don't

293

00:10:14,470 --> 00:10:13,600

know the answer to what it is but it's

294

00:10:16,150 --> 00:10:14,480

stuff that's there

295

00:10:17,190 --> 00:10:16,160

and people so you're on an intel

296

00:10:18,630 --> 00:10:17,200

committee they don't even tell you

297

00:10:19,910 --> 00:10:18,640

what's going on well i think they tell

298

00:10:21,269 --> 00:10:19,920

us what's going on i mean there's stuff

299

00:10:22,310 --> 00:10:21,279

lying over the top of our military

300

00:10:23,430 --> 00:10:22,320

installations and they don't know who's

301

00:10:24,069 --> 00:10:23,440

flying it they don't even know what it

302

00:10:26,230 --> 00:10:24,079

is

303

00:10:27,190 --> 00:10:26,240

um so that's a problem we need to find

304

00:10:29,110 --> 00:10:27,200

out if we can

305

00:10:30,470 --> 00:10:29,120

so just a quick question everyone thinks

306

00:10:31,910 --> 00:10:30,480

you know we're the smartest

307

00:10:33,509 --> 00:10:31,920

out there in the universe but are the

308

00:10:34,790 --> 00:10:33,519

aliens possibly smarter than what we are

309

00:10:36,310 --> 00:10:34,800

right now is it

310

00:10:37,829 --> 00:10:36,320

uh well they made it all the way here

311

00:10:39,190 --> 00:10:37,839

they probably are yeah probably more

312

00:10:40,310 --> 00:10:39,200

advanced they can get here and we can't

313

00:10:41,990 --> 00:10:40,320

get there that tells you they're

314

00:10:43,430 --> 00:10:42,000

more advanced but i don't know there are

315

00:10:44,710 --> 00:10:43,440

aliens i don't know they've ever visited

316

00:10:46,389 --> 00:10:44,720

here i'm not you know when you talk

317

00:10:49,190 --> 00:10:46,399

about that stuff everybody gets

318

00:10:50,550 --> 00:10:49,200

uh you know stigmatized about it or no

319

00:10:52,790 --> 00:10:50,560

one wants to sound weird

320

00:10:54,150 --> 00:10:52,800

my thing is very simple we don't know

321

00:10:55,750 --> 00:10:54,160

what that stuff is that's flying over

322

00:10:57,110 --> 00:10:55,760

the top of our installations let's find

323

00:10:58,150 --> 00:10:57,120

out maybe it's another country and that

324

00:10:59,509 --> 00:10:58,160

would be bad news too

325

00:11:01,350 --> 00:10:59,519

but let's just say hypothetically one

326

00:11:03,750 --> 00:11:01,360

last question man

327

00:11:04,870 --> 00:11:03,760

hypothetically if somebody comes down

328

00:11:06,630 --> 00:11:04,880

there's aliens

329

00:11:07,990 --> 00:11:06,640

should should biden and should the

330

00:11:09,350 --> 00:11:08,000

government should we try to be friendly

331

00:11:10,550 --> 00:11:09,360

with these folks or should we look at it

332

00:11:11,829 --> 00:11:10,560

i haven't think given this we have so

333

00:11:13,269 --> 00:11:11,839

many problems going on as it is that

334

00:11:15,160 --> 00:11:13,279

would be that would be one heck of a way

335

00:11:16,630 --> 00:11:15,170

to top the last year and a half

336

00:11:19,670 --> 00:11:16,640

[Music]

337

00:11:22,389 --> 00:11:19,680

so uh there is rubio's comment there

338

00:11:22,790 --> 00:11:22,399

that also i got quite a bit of attention

339

00:11:26,790 --> 00:11:22,800

and

340

00:11:29,750 --> 00:11:26,800

apparently bartoromo over on fox

341

00:11:30,710 --> 00:11:29,760

decided to follow him and get even more

342

00:11:37,590 --> 00:11:30,720

comment from him

343

00:11:43,590 --> 00:11:39,190

radcliffe with me last week i've got to

344

00:11:47,030 --> 00:11:43,600

get your reaction to what's taking place

345

00:11:50,550 --> 00:11:47,040

have unidentified flying objects

346

00:11:54,829 --> 00:11:50,560

been seen well sure

347

00:11:57,430 --> 00:11:54,839

we have lots of reports about what we

348

00:11:59,590 --> 00:11:57,440

call call

349

00:12:01,269 --> 00:11:59,600

unidentified aerial phenomenon there are

350

00:12:02,870 --> 00:12:01,279

a lot more sightings

351  
00:12:04,710 --> 00:12:02,880  
have been made public sometimes we

352  
00:12:06,470 --> 00:12:04,720  
wonder whether or not our adversaries

353  
00:12:07,910 --> 00:12:06,480  
have technologies

354  
00:12:12,870 --> 00:12:07,920  
that are a little bit further down the

355  
00:12:17,750 --> 00:12:14,550  
so senator what about that what can you

356  
00:12:20,150 --> 00:12:17,760  
tell us about ufos

357  
00:12:22,389 --> 00:12:20,160  
well we have things flying over military

358  
00:12:23,190 --> 00:12:22,399  
installations over military exercises

359  
00:12:24,550 --> 00:12:23,200  
and other places

360  
00:12:26,470 --> 00:12:24,560  
and we don't know what it is it isn't

361  
00:12:27,670 --> 00:12:26,480  
ours it isn't anything that's registered

362  
00:12:29,670 --> 00:12:27,680  
with the faa

363  
00:12:31,269 --> 00:12:29,680

and in many cases exhibits attributes of

364

00:12:32,870 --> 00:12:31,279

things we've never seen

365

00:12:34,310 --> 00:12:32,880

technology the kinds of technology we

366

00:12:35,509 --> 00:12:34,320

haven't seen before or at least that's

367

00:12:36,949 --> 00:12:35,519

what it seems like

368

00:12:38,629 --> 00:12:36,959

i think you have to know what it is or

369

00:12:39,990 --> 00:12:38,639

we have to try to know what it is

370

00:12:41,269 --> 00:12:40,000

that's my view of it without any

371

00:12:42,710 --> 00:12:41,279

preconceived notions maybe there's a

372

00:12:44,629 --> 00:12:42,720

logical explanation

373

00:12:45,990 --> 00:12:44,639

uh maybe it's a you know something that

374

00:12:47,910 --> 00:12:46,000

can be explained away

375

00:12:49,509 --> 00:12:47,920

uh maybe it's a foreign adversary who's

376  
00:12:50,790 --> 00:12:49,519  
made a technological leap as you heard

377  
00:12:51,990 --> 00:12:50,800  
the former dna said

378  
00:12:53,590 --> 00:12:52,000  
whatever it is we need to know the

379  
00:12:55,030 --> 00:12:53,600  
answer to it the problem with this issue

380  
00:12:55,509 --> 00:12:55,040  
is every time you raise it people get

381  
00:12:57,269 --> 00:12:55,519  
all

382  
00:12:59,030 --> 00:12:57,279  
you know nervous or does this mean ufos

383  
00:13:00,550 --> 00:12:59,040  
and aliens an extraterrestrial

384  
00:13:02,389 --> 00:13:00,560  
we don't have to go that far it's very

385  
00:13:05,110 --> 00:13:02,399  
simple there are things flying

386  
00:13:06,230 --> 00:13:05,120  
over national security installations we

387  
00:13:08,310 --> 00:13:06,240  
don't know who they are

388  
00:13:09,150 --> 00:13:08,320

don't know what it is it isn't ours we

389

00:13:11,190 --> 00:13:09,160

need to find out

390

00:13:13,509 --> 00:13:11,200

[Music]

391

00:13:15,430 --> 00:13:13,519

well this is absolutely fascinating so i

392

00:13:17,509 --> 00:13:15,440

mean from from my standpoint when i

393

00:13:19,910 --> 00:13:17,519

heard john ratcliffe talk about that

394

00:13:22,389 --> 00:13:19,920

i went and i looked up what you've said

395

00:13:24,069 --> 00:13:22,399

about the pentagon report coming up

396

00:13:25,829 --> 00:13:24,079

june 1st what do you think we're going

397

00:13:27,509 --> 00:13:25,839

to learn from that pentagon report on

398

00:13:28,629 --> 00:13:27,519

june 1st

399

00:13:29,990 --> 00:13:28,639

well first i'm not sure they're going to

400

00:13:31,509 --> 00:13:30,000

come in on time to be honest with you

401  
00:13:32,710 --> 00:13:31,519  
because they miss a lot of deadlines in

402  
00:13:34,389 --> 00:13:32,720  
government on these sorts of things but

403  
00:13:35,829 --> 00:13:34,399  
we'll get a report at some point

404  
00:13:37,670 --> 00:13:35,839  
second is i don't know if we're going to

405  
00:13:39,189 --> 00:13:37,680  
know what what i mean i'm not sure that

406  
00:13:40,470 --> 00:13:39,199  
by june 1st i'll have reached a hard

407  
00:13:42,150 --> 00:13:40,480  
conclusion about what they're dealing

408  
00:13:43,269 --> 00:13:42,160  
with and there may be more questions or

409  
00:13:45,670 --> 00:13:43,279  
new questions

410  
00:13:47,189 --> 00:13:45,680  
than full answers after the fact i can

411  
00:13:48,550 --> 00:13:47,199  
tell you it's being taken more seriously

412  
00:13:50,150 --> 00:13:48,560  
now than it ever has been

413  
00:13:52,310 --> 00:13:50,160

and look there's a stigma associated

414

00:13:53,990 --> 00:13:52,320

with this all right when a navy pilot

415

00:13:55,269 --> 00:13:54,000

would report that they saw something

416

00:13:57,430 --> 00:13:55,279

they were told you need to go see the

417

00:13:58,790 --> 00:13:57,440

flight surgeon you know so

418

00:14:00,389 --> 00:13:58,800

to check out your head you know make

419

00:14:02,389 --> 00:14:00,399

sure you're not seeing things so there's

420

00:14:04,150 --> 00:14:02,399

a stigma associated with reporting it

421

00:14:05,030 --> 00:14:04,160

even talking to you about it now right i

422

00:14:06,310 --> 00:14:05,040

mean people are going to go out and say

423

00:14:07,750 --> 00:14:06,320

look what these people are focused on

424

00:14:09,269 --> 00:14:07,760

when the world is falling apart so

425

00:14:11,030 --> 00:14:09,279

there's a there's a stigma associated

426

00:14:11,670 --> 00:14:11,040

with it and that's i think needs to go

427

00:14:13,269 --> 00:14:11,680

away

428

00:14:14,710 --> 00:14:13,279

we don't have any preconceived notions

429

00:14:16,310 --> 00:14:14,720

about what this is or isn't

430

00:14:17,829 --> 00:14:16,320

we just need to know or we need to start

431

00:14:19,750 --> 00:14:17,839

we need to start trying to know

432

00:14:21,030 --> 00:14:19,760

i think the first step is to ask the

433

00:14:22,310 --> 00:14:21,040

question if you don't ask the question

434

00:14:24,389 --> 00:14:22,320

you're not going to get or begin to get

435

00:14:26,389 --> 00:14:24,399

answers

436

00:14:28,870 --> 00:14:26,399

so it's not necessarily like that we

437

00:14:31,189 --> 00:14:28,880

have you know little ets running around

438

00:14:32,389 --> 00:14:31,199

aliens but it could be technology that

439

00:14:34,550 --> 00:14:32,399

china or russia

440

00:14:36,310 --> 00:14:34,560

or somebody else has developed that

441

00:14:37,750 --> 00:14:36,320

could be ahead of the united states then

442

00:14:40,069 --> 00:14:37,760

that's even more worrying

443

00:14:41,430 --> 00:14:40,079

worrisome to me again i don't know it

444

00:14:42,790 --> 00:14:41,440

would be very worrisome i don't know

445

00:14:45,750 --> 00:14:42,800

that to be the case but we need to start

446

00:14:47,269 --> 00:14:45,760

finding out

447

00:14:48,949 --> 00:14:47,279

senator it's great to see you this

448

00:14:51,590 --> 00:14:48,959

morning and so uh there's

449

00:14:53,110 --> 00:14:51,600

that a couple of uh different interviews

450

00:14:55,910 --> 00:14:53,120

with marco rubio

451  
00:14:57,430 --> 00:14:55,920  
and basically saying the same thing in

452  
00:14:59,670 --> 00:14:57,440  
both he's concerned about it

453  
00:15:01,829 --> 00:14:59,680  
he does bring up when he's talking on

454  
00:15:04,150 --> 00:15:01,839  
fox a little bit more about the stigma

455  
00:15:05,269 --> 00:15:04,160  
he doesn't there they still don't want

456  
00:15:06,790 --> 00:15:05,279  
to go over there

457  
00:15:08,710 --> 00:15:06,800  
but i think at some point you've got to

458  
00:15:12,069 --> 00:15:08,720  
go and uh

459  
00:15:14,470 --> 00:15:12,079  
go back to sort of what michi okaku said

460  
00:15:15,350 --> 00:15:14,480  
prove that they're not from another

461  
00:15:17,750 --> 00:15:15,360  
planet

462  
00:15:19,269 --> 00:15:17,760  
and uh at least uh consider this as a

463  
00:15:21,509 --> 00:15:19,279

possibility obviously

464

00:15:22,790 --> 00:15:21,519

uh we think that's what it is at least

465

00:15:24,949 --> 00:15:22,800

some of these cases

466

00:15:26,150 --> 00:15:24,959

and you know that that's where it's at

467

00:15:28,389 --> 00:15:26,160

right now and those are the

468

00:15:29,350 --> 00:15:28,399

uh the full interviews with those

469

00:15:30,949 --> 00:15:29,360

particular people

470

00:15:33,590 --> 00:15:30,959

uh chant yeah you've heard what they had

471

00:15:35,269 --> 00:15:33,600

to say uh what do you think

472

00:15:37,189 --> 00:15:35,279

well i just have some general things

473

00:15:40,710 --> 00:15:37,199

just to say

474

00:15:43,590 --> 00:15:40,720

and um for example rubel rubio when he

475

00:15:46,710 --> 00:15:43,600

was speaking to tmz

476

00:15:50,150 --> 00:15:46,720

he was postulating a very

477

00:15:51,990 --> 00:15:50,160

simple idea and that is we don't know

478

00:15:54,629 --> 00:15:52,000

this is a quote of his we don't know

479

00:15:56,710 --> 00:15:54,639

what's flying above our military basis

480

00:15:59,509 --> 00:15:56,720

or our not so friendly skies for that

481

00:16:02,790 --> 00:15:59,519

matter and his colleagues

482

00:16:06,069 --> 00:16:02,800

on the senate committee of intelligence

483

00:16:07,910 --> 00:16:06,079

this article i was reading stated

484

00:16:09,590 --> 00:16:07,920

that they would need to figure it out

485

00:16:11,110 --> 00:16:09,600

too because maybe it's another country

486

00:16:14,790 --> 00:16:11,120

and that would be bad news

487

00:16:16,870 --> 00:16:14,800

so my the point i wanted to make is

488

00:16:19,350 --> 00:16:16,880

if there's a technological leap

489

00:16:23,030 --> 00:16:19,360

regarding another country

490

00:16:26,710 --> 00:16:23,040

we're talking about crafts that invade

491

00:16:28,230 --> 00:16:26,720

or trespass through any kind of

492

00:16:31,430 --> 00:16:28,240

sensitive

493

00:16:33,749 --> 00:16:31,440

military controlled ranges or designated

494

00:16:37,990 --> 00:16:33,759

airspace

495

00:16:41,110 --> 00:16:38,000

or classified areas top-secret areas

496

00:16:41,350 --> 00:16:41,120

our military-related equipment and i

497

00:16:43,590 --> 00:16:41,360

would

498

00:16:45,189 --> 00:16:43,600

also like to include not just our

499

00:16:47,430 --> 00:16:45,199

military-related equipment

500

00:16:48,310 --> 00:16:47,440

but canadian english or even other

501  
00:16:49,670 --> 00:16:48,320  
countries

502  
00:16:51,430 --> 00:16:49,680  
with highly developed military

503  
00:16:54,470 --> 00:16:51,440  
industrial complexes

504  
00:16:55,350 --> 00:16:54,480  
their military related equipment i'm

505  
00:16:59,110 --> 00:16:55,360  
going to assume

506  
00:17:01,829 --> 00:16:59,120  
cannot track these uaps

507  
00:17:04,230 --> 00:17:01,839  
and if you cannot track a uap invading

508  
00:17:05,909 --> 00:17:04,240  
the area of navy strike groups

509  
00:17:09,189 --> 00:17:05,919  
and other secretive and classified

510  
00:17:13,270 --> 00:17:09,199  
military formations and facilities

511  
00:17:17,350 --> 00:17:13,280  
then i would just say forget about

512  
00:17:19,110 --> 00:17:17,360  
the stigma of talking about the ufo

513  
00:17:20,710 --> 00:17:19,120

topic because we keep hearing people

514

00:17:23,029 --> 00:17:20,720

mock it

515

00:17:25,669 --> 00:17:23,039

we have to recognize that the impossible

516

00:17:28,630 --> 00:17:25,679

is possibly happening

517

00:17:29,350 --> 00:17:28,640

and that might be possible today

518

00:17:31,430 --> 00:17:29,360

although

519

00:17:32,789 --> 00:17:31,440

rubio seems pretty adamant he's saying

520

00:17:34,230 --> 00:17:32,799

uh it's not ours

521

00:17:36,470 --> 00:17:34,240

you know it's definitely not u.s

522

00:17:37,590 --> 00:17:36,480

military he's uh he's saying that uh

523

00:17:40,390 --> 00:17:37,600

pretty well outright

524

00:17:41,590 --> 00:17:40,400

in his comments so well is it that some

525

00:17:43,750 --> 00:17:41,600

foreign adversary well

526  
00:17:45,190 --> 00:17:43,760  
okay that's a possibility but what

527  
00:17:47,430 --> 00:17:45,200  
they're not talking about

528  
00:17:48,230 --> 00:17:47,440  
neither radcliff nor rubio brought up

529  
00:17:51,590 --> 00:17:48,240  
the fact

530  
00:17:53,190 --> 00:17:51,600  
that we've had these kind of reports

531  
00:17:55,990 --> 00:17:53,200  
with the same kind of flight

532  
00:17:59,430 --> 00:17:56,000  
characteristics

533  
00:18:01,110 --> 00:17:59,440  
hypersonic speeds maneuverability

534  
00:18:02,789 --> 00:18:01,120  
being able to make right angle turns at

535  
00:18:05,270 --> 00:18:02,799  
hypersonic speeds

536  
00:18:07,190 --> 00:18:05,280  
uh going straight up going straight down

537  
00:18:09,909 --> 00:18:07,200  
at extraordinary speeds

538  
00:18:10,230 --> 00:18:09,919

uh being there suddenly and then uh you

539

00:18:13,110 --> 00:18:10,240

know

540

00:18:15,750 --> 00:18:13,120

as soon as maybe a jet is scrambled and

541

00:18:17,750 --> 00:18:15,760

goes out for a taker a closer look

542

00:18:19,190 --> 00:18:17,760

it gets out of there again at the the

543

00:18:22,070 --> 00:18:19,200

hypersonic speeds

544

00:18:23,029 --> 00:18:22,080

and those kinds of cases that kind of

545

00:18:25,830 --> 00:18:23,039

behavior

546

00:18:26,870 --> 00:18:25,840

has been witnessed and documented and

547

00:18:29,830 --> 00:18:26,880

recorded through

548

00:18:31,350 --> 00:18:29,840

radar which is uh the the kind of

549

00:18:32,630 --> 00:18:31,360

censoring

550

00:18:34,070 --> 00:18:32,640

equipment that they're talking about

551  
00:18:34,630 --> 00:18:34,080  
here although they're not specifically

552  
00:18:37,029 --> 00:18:34,640  
saying it

553  
00:18:38,470 --> 00:18:37,039  
but it's radar i mean among others but

554  
00:18:41,510 --> 00:18:38,480  
radar is certainly one of them

555  
00:18:43,590 --> 00:18:41,520  
and they've been going back for 75 years

556  
00:18:45,750 --> 00:18:43,600  
where we can say with a lot more

557  
00:18:46,789 --> 00:18:45,760  
confidence that yeah at that point of

558  
00:18:50,150 --> 00:18:46,799  
time

559  
00:18:50,710 --> 00:18:50,160  
nobody had gear that could do aircraft

560  
00:18:53,110 --> 00:18:50,720  
that could

561  
00:18:56,150 --> 00:18:53,120  
perform those kinds of maneuvers and

562  
00:18:58,230 --> 00:18:56,160  
also where radcliffe had mentioned

563  
00:18:59,430 --> 00:18:58,240

getting uh the satellite information and

564

00:19:01,590 --> 00:18:59,440

that type of thing

565

00:19:03,669 --> 00:19:01,600

uh you know because obviously we've got

566

00:19:05,669 --> 00:19:03,679

stuff looking down from space

567

00:19:07,350 --> 00:19:05,679

we've got radar that can track up to

568

00:19:09,909 --> 00:19:07,360

very high altitudes

569

00:19:10,870 --> 00:19:09,919

so we've got this and another thing that

570

00:19:13,590 --> 00:19:10,880

they're not saying

571

00:19:14,070 --> 00:19:13,600

is that this is physical evidence if

572

00:19:17,110 --> 00:19:14,080

just

573

00:19:18,630 --> 00:19:17,120

as a way of comparing uh do we have any

574

00:19:20,630 --> 00:19:18,640

physical evidence that there are

575

00:19:22,630 --> 00:19:20,640

exoplanets i want to be clear here and i

576

00:19:24,710 --> 00:19:22,640

think we've discovered exoplanets but we

577

00:19:25,750 --> 00:19:24,720

don't have a rock from these exoplanets

578

00:19:28,390 --> 00:19:25,760

so we don't have

579

00:19:29,669 --> 00:19:28,400

a sample of a gas in the atmosphere from

580

00:19:32,310 --> 00:19:29,679

these exoplanets

581

00:19:33,270 --> 00:19:32,320

what we have is again remote sensing

582

00:19:35,430 --> 00:19:33,280

data

583

00:19:37,510 --> 00:19:35,440

that we've been able to use to deduce

584

00:19:39,190 --> 00:19:37,520

that those exoplanets are there

585

00:19:40,950 --> 00:19:39,200

you know sometimes uh several light

586

00:19:42,549 --> 00:19:40,960

years away many like years dozens

587

00:19:44,230 --> 00:19:42,559

hundreds of light years away

588

00:19:46,310 --> 00:19:44,240

uh through different methods like the

589

00:19:46,870 --> 00:19:46,320

wobble method and the transit method and

590

00:19:48,870 --> 00:19:46,880

so on

591

00:19:50,950 --> 00:19:48,880

i won't get into all that but uh

592

00:19:52,549 --> 00:19:50,960

basically it's remote sensing data that

593

00:19:54,950 --> 00:19:52,559

has allowed us to deduce

594

00:19:57,190 --> 00:19:54,960

that these exoplanets are there uh

595

00:20:00,310 --> 00:19:57,200

shouldn't the same type of thinking be

596

00:20:01,830 --> 00:20:00,320

applied to these ufos and there seems

597

00:20:05,510 --> 00:20:01,840

little doubt

598

00:20:07,190 --> 00:20:05,520

uh rubio did mention that uh you know

599

00:20:09,190 --> 00:20:07,200

the occasional maybe atmospheric

600

00:20:12,230 --> 00:20:09,200

phenomenon or that type of thing

601  
00:20:12,950 --> 00:20:12,240  
but um you know the remote sensing gear

602  
00:20:15,270 --> 00:20:12,960  
that they have

603  
00:20:16,149 --> 00:20:15,280  
can't it has to be a lot more reliable

604  
00:20:20,390 --> 00:20:16,159  
uh than

605  
00:20:21,909 --> 00:20:20,400  
which you know i don't doubt that does

606  
00:20:23,909 --> 00:20:21,919  
happen in some instances

607  
00:20:25,990 --> 00:20:23,919  
but even if you get through all that uh

608  
00:20:28,230 --> 00:20:26,000  
there are still some cases that

609  
00:20:29,669 --> 00:20:28,240  
uh you know again are interesting and

610  
00:20:31,430 --> 00:20:29,679  
that there are more cases

611  
00:20:33,430 --> 00:20:31,440  
uh than that we've been hearing about

612  
00:20:36,630 --> 00:20:33,440  
over the last few years so

613  
00:20:37,909 --> 00:20:36,640

uh so there's that so uh let's move on

614

00:20:39,990 --> 00:20:37,919

oh go ahead you want to say something

615

00:20:42,870 --> 00:20:40,000

yeah something uh

616

00:20:44,470 --> 00:20:42,880

very it's not as deep a conversation as

617

00:20:46,149 --> 00:20:44,480

what you just stated which was really

618

00:20:48,549 --> 00:20:46,159

excellent information

619

00:20:50,070 --> 00:20:48,559

but just something uh lightly anecdotal

620

00:20:52,230 --> 00:20:50,080

i was speaking to a friend of mine who's

621

00:20:52,870 --> 00:20:52,240

a well-known person in the ufo community

622

00:20:55,830 --> 00:20:52,880

and

623

00:20:57,510 --> 00:20:55,840

has dedicated probably 40 years of their

624

00:21:00,549 --> 00:20:57,520

life to the ufo topic

625

00:21:02,710 --> 00:21:00,559

uh with regards to researching it and

626  
00:21:07,110 --> 00:21:02,720  
two things he stated that

627  
00:21:09,590 --> 00:21:07,120  
um he really hopes that

628  
00:21:10,230 --> 00:21:09,600  
the physical reality of this uh the

629  
00:21:14,149 --> 00:21:10,240  
crafts

630  
00:21:16,549 --> 00:21:14,159  
that we're catching on video are uh

631  
00:21:18,870 --> 00:21:16,559  
is being considered as far as you know

632  
00:21:21,510 --> 00:21:18,880  
what the hell are these things made of

633  
00:21:23,110 --> 00:21:21,520  
and in addition to that um he probably

634  
00:21:26,390 --> 00:21:23,120  
meant more than that

635  
00:21:28,710 --> 00:21:26,400  
but he also joked around with something

636  
00:21:32,230 --> 00:21:28,720  
that is true and that is the media

637  
00:21:33,350 --> 00:21:32,240  
and also um folks who are spokespeople

638  
00:21:36,470 --> 00:21:33,360

for various

639

00:21:38,470 --> 00:21:36,480

folks um of authority in the us talking

640

00:21:41,110 --> 00:21:38,480

about the ufo topic

641

00:21:43,029 --> 00:21:41,120

they jockey or bandy in between the

642

00:21:45,510 --> 00:21:43,039

acronyms of ufo uap

643

00:21:47,430 --> 00:21:45,520

and uav all the time although the

644

00:21:49,669 --> 00:21:47,440

military industrial complex usually

645

00:21:51,029 --> 00:21:49,679

sticks with the term uap

646

00:21:53,669 --> 00:21:51,039

but he just found that kind of

647

00:21:54,310 --> 00:21:53,679

interesting that nobody can seem to just

648

00:21:57,590 --> 00:21:54,320

commit to

649

00:21:59,270 --> 00:21:57,600

one acronym consistently but that's just

650

00:22:02,630 --> 00:21:59,280

a minor irritation

651  
00:22:06,149 --> 00:22:02,640  
the real issue is we have a strange

652  
00:22:08,950 --> 00:22:06,159  
unidentified aircraft of some sort

653  
00:22:09,750 --> 00:22:08,960  
the physical reality of it we are not

654  
00:22:12,390 --> 00:22:09,760  
aware

655  
00:22:12,870 --> 00:22:12,400  
of regarding being able to nail down

656  
00:22:16,549 --> 00:22:12,880  
what

657  
00:22:17,990 --> 00:22:16,559  
it is made of um and also how it's

658  
00:22:20,310 --> 00:22:18,000  
coming and going

659  
00:22:22,470 --> 00:22:20,320  
and also in addition to that the fact

660  
00:22:26,549 --> 00:22:22,480  
that it is flying over sensitive

661  
00:22:29,190 --> 00:22:26,559  
military formations and facilities uh or

662  
00:22:30,149 --> 00:22:29,200  
a secret facilities that we have is of

663  
00:22:33,110 --> 00:22:30,159

deep concern

664

00:22:35,510 --> 00:22:33,120

and it should be because this is this

665

00:22:39,430 --> 00:22:35,520

issue we're talking about here

666

00:22:41,350 --> 00:22:39,440

is considered in my from my perspective

667

00:22:43,110 --> 00:22:41,360

um and i'm going to assume this is

668

00:22:44,310 --> 00:22:43,120

probably the perspective of the united

669

00:22:46,870 --> 00:22:44,320

states military

670

00:22:47,669 --> 00:22:46,880

and our government in general the number

671

00:22:50,950 --> 00:22:47,679

one

672

00:22:52,789 --> 00:22:50,960

or number two issue we should all

673

00:22:53,990 --> 00:22:52,799

have at the top of our list on this

674

00:22:57,110 --> 00:22:54,000

planet and

675

00:23:00,630 --> 00:22:57,120

we don't well i i i'm not

676

00:23:02,789 --> 00:23:00,640

i'm not as concerned about it as

677

00:23:04,549 --> 00:23:02,799

an anonymous source so why didn't they

678

00:23:06,549 --> 00:23:04,559

want their name attached to this or

679

00:23:08,070 --> 00:23:06,559

well whatever regardless i mean those

680

00:23:09,270 --> 00:23:08,080

are those kinds of ideas have been

681

00:23:12,230 --> 00:23:09,280

expressed before

682

00:23:13,029 --> 00:23:12,240

and the language changes uh it involves

683

00:23:14,789 --> 00:23:13,039

the acronym

684

00:23:16,390 --> 00:23:14,799

ufo i mean that's the one that i stick

685

00:23:17,990 --> 00:23:16,400

with obviously i got it slapped on

686

00:23:19,750 --> 00:23:18,000

everything i'm involved with

687

00:23:21,110 --> 00:23:19,760

because that's the one that most people

688

00:23:22,310 --> 00:23:21,120

are familiar with so you know

689

00:23:24,149 --> 00:23:22,320

whenever you want to communicate with

690

00:23:24,549 --> 00:23:24,159

people you want to communicate with them

691

00:23:28,870 --> 00:23:24,559

in a

692

00:23:31,270 --> 00:23:28,880

understand very easily

693

00:23:32,470 --> 00:23:31,280

and another thing they've thrown in this

694

00:23:34,789 --> 00:23:32,480

phenomena word

695

00:23:35,990 --> 00:23:34,799

which i think is a little bit misleading

696

00:23:38,070 --> 00:23:36,000

because of anything

697

00:23:40,070 --> 00:23:38,080

with the way they're describing uh the

698

00:23:41,830 --> 00:23:40,080

type of evidence especially this remote

699

00:23:44,390 --> 00:23:41,840

sensing evidence that they've got

700

00:23:46,630 --> 00:23:44,400

uh they're they're determining through

701  
00:23:48,710 --> 00:23:46,640  
this they're pretty well proving that

702  
00:23:50,630 --> 00:23:48,720  
these things are in fact flying objects

703  
00:23:52,310 --> 00:23:50,640  
so you know why gets the old acronym

704  
00:23:54,070 --> 00:23:52,320  
well because of stigma i mean that's why

705  
00:23:56,390 --> 00:23:54,080  
they did it let's not kid ourselves yeah

706  
00:23:57,350 --> 00:23:56,400  
so we already know that but uh right

707  
00:23:59,750 --> 00:23:57,360  
that's their problem

708  
00:24:01,510 --> 00:23:59,760  
it's not uh it's a source of endless

709  
00:24:03,269 --> 00:24:01,520  
fascination for me i'm not the least bit

710  
00:24:06,310 --> 00:24:03,279  
concerned with any stigma

711  
00:24:07,750 --> 00:24:06,320  
not worried about it at all but uh your

712  
00:24:09,350 --> 00:24:07,760  
friend also mentioned the media and i

713  
00:24:11,990 --> 00:24:09,360

think that we're going to get into that

714

00:24:12,710 --> 00:24:12,000

after we get a few through a couple more

715

00:24:15,110 --> 00:24:12,720

interviews

716

00:24:17,190 --> 00:24:15,120

of course former to the stars members

717

00:24:19,190 --> 00:24:17,200

lou elizondo and chris mellon

718

00:24:20,390 --> 00:24:19,200

also made themselves available for

719

00:24:22,789 --> 00:24:20,400

interview over

720

00:24:25,660 --> 00:24:22,799

at fox so let's uh let's go through

721

00:24:29,350 --> 00:24:25,670

elizondo's comments so let's get to that

722

00:24:32,950 --> 00:24:30,710

all right and now for something

723

00:24:34,149 --> 00:24:32,960

completely different the former national

724

00:24:36,630 --> 00:24:34,159

intelligence director

725

00:24:37,669 --> 00:24:36,640

is revealing a new government report on

726

00:24:41,029 --> 00:24:37,679

ufos

727

00:24:44,390 --> 00:24:41,039

will be full of never before seen

728

00:24:45,830 --> 00:24:44,400

or heard intel

729

00:24:47,430 --> 00:24:45,840

frankly there are a lot more sightings

730

00:24:49,830 --> 00:24:47,440

than have been made public

731

00:24:50,870 --> 00:24:49,840

we're talking about objects that um

732

00:24:53,190 --> 00:24:50,880

frankly um

733

00:24:54,789 --> 00:24:53,200

engage in actions that are difficult to

734

00:24:57,029 --> 00:24:54,799

explain that

735

00:24:58,230 --> 00:24:57,039

movements that uh that are hard to

736

00:25:00,710 --> 00:24:58,240

replicate that we don't have the

737

00:25:02,630 --> 00:25:00,720

technology forward

738

00:25:05,190 --> 00:25:02,640

okay joining us right now to discuss is

739

00:25:06,870 --> 00:25:05,200

lou elizondo he is the former director

740

00:25:09,190 --> 00:25:06,880

of the advanced aerospace threat

741

00:25:11,590 --> 00:25:09,200

identification program a pentagon unit

742

00:25:12,710 --> 00:25:11,600

that studied ufos lou good morning to

743

00:25:16,630 --> 00:25:12,720

you

744

00:25:18,470 --> 00:25:16,640

so part of the evidence apparently is

745

00:25:20,070 --> 00:25:18,480

going to show ufos or some

746

00:25:22,630 --> 00:25:20,080

you know they're just unidentified

747

00:25:26,830 --> 00:25:22,640

objects breaking the sound barrier

748

00:25:29,590 --> 00:25:26,840

without a sonic boom how is that

749

00:25:31,269 --> 00:25:29,600

possible well i think that's

750

00:25:33,029 --> 00:25:31,279

probably the crux of the problem that we

751  
00:25:34,390 --> 00:25:33,039  
are seeing these

752  
00:25:36,230 --> 00:25:34,400  
let's call them vehicles if you will

753  
00:25:37,269 --> 00:25:36,240  
that are incurring it to control u.s

754  
00:25:38,950 --> 00:25:37,279  
airspace

755  
00:25:40,549 --> 00:25:38,960  
that are displaying performance

756  
00:25:42,310 --> 00:25:40,559  
characteristics that are frankly well

757  
00:25:44,390 --> 00:25:42,320  
beyond anything that we can either

758  
00:25:45,830 --> 00:25:44,400  
replicate or in some cases really even

759  
00:25:47,669 --> 00:25:45,840  
understand

760  
00:25:48,870 --> 00:25:47,679  
so when when you're talking about that

761  
00:25:52,149 --> 00:25:48,880  
you're talking about

762  
00:25:54,310 --> 00:25:52,159  
how these things are able to do things

763  
00:25:56,149 --> 00:25:54,320

that we have no idea how it's possible

764

00:25:57,510 --> 00:25:56,159

given the speed and the altitude

765

00:25:59,269 --> 00:25:57,520

and things like that the turns and

766

00:26:02,549 --> 00:25:59,279

everything like that

767

00:26:05,430 --> 00:26:02,559

i'm sure you've got the top uh physics

768

00:26:08,310 --> 00:26:05,440

experts in the world working on this can

769

00:26:10,149 --> 00:26:08,320

they come up with any explanation

770

00:26:11,750 --> 00:26:10,159

you know i think as we begin to look at

771

00:26:12,310 --> 00:26:11,760

this we're beginning to realize that a

772

00:26:13,750 --> 00:26:12,320

lot of this

773

00:26:15,350 --> 00:26:13,760

really isn't breaking the laws of

774

00:26:17,350 --> 00:26:15,360

physics what it's doing is

775

00:26:19,909 --> 00:26:17,360

really breaking our understanding of the

776

00:26:22,470 --> 00:26:19,919

current laws of physics that we that we

777

00:26:23,990 --> 00:26:22,480

are looking at in essence um these

778

00:26:25,430 --> 00:26:24,000

things if you look at quantum physics

779

00:26:27,269 --> 00:26:25,440

there's a lot of modeling right now that

780

00:26:28,230 --> 00:26:27,279

suggests that a lot of this performance

781

00:26:31,430 --> 00:26:28,240

can be

782

00:26:33,110 --> 00:26:31,440

explained uh if you have a really deep

783

00:26:34,710 --> 00:26:33,120

understanding of quantum physics and by

784

00:26:36,310 --> 00:26:34,720

the way you're absolutely right there's

785

00:26:37,990 --> 00:26:36,320

there's five unique observables that

786

00:26:40,390 --> 00:26:38,000

these things are are displaying one

787

00:26:42,230 --> 00:26:40,400

is instantaneous acceleration the second

788

00:26:44,310 --> 00:26:42,240

one is hypersonic velocity

789

00:26:46,070 --> 00:26:44,320

the third one is a bit of an oxymoron

790

00:26:47,909 --> 00:26:46,080

but it's low observability

791

00:26:49,269 --> 00:26:47,919

and then the fourth one is transmedium

792

00:26:50,470 --> 00:26:49,279

travel the ability to operate in

793

00:26:52,549 --> 00:26:50,480

different environments

794

00:26:54,549 --> 00:26:52,559

and then the last observable is this if

795

00:26:56,230 --> 00:26:54,559

you will this weird positive lift or

796

00:26:56,950 --> 00:26:56,240

anti-gravity where you have these

797

00:26:59,590 --> 00:26:56,960

vehicles

798

00:27:01,430 --> 00:26:59,600

with no wings no control surfaces no

799

00:27:01,909 --> 00:27:01,440

engines and yet somehow they're able to

800

00:27:04,230 --> 00:27:01,919

fly

801  
00:27:05,430 --> 00:27:04,240  
and frankly outperform some of the very

802  
00:27:06,470 --> 00:27:05,440  
best aircraft that we have in our

803  
00:27:08,789 --> 00:27:06,480  
inventory

804  
00:27:09,669 --> 00:27:08,799  
unbelievable stuff so when lou when

805  
00:27:12,870 --> 00:27:09,679  
people say oh

806  
00:27:16,470 --> 00:27:12,880  
you're in that business uh how do you

807  
00:27:18,149 --> 00:27:16,480  
how do you explain these ufos

808  
00:27:20,149 --> 00:27:18,159  
sure well my business has always been

809  
00:27:22,630 --> 00:27:20,159  
that as an investigator uh

810  
00:27:24,549 --> 00:27:22,640  
i was an intelligence officer for the us

811  
00:27:26,149 --> 00:27:24,559  
government so my business was just

812  
00:27:28,549 --> 00:27:26,159  
to find the truth whatever the truth is

813  
00:27:30,950 --> 00:27:28,559

whether it's a terrorism investigation

814

00:27:32,389 --> 00:27:30,960

or counter-espionage yeah we applied the

815

00:27:34,950 --> 00:27:32,399

same methodologies we did

816

00:27:36,149 --> 00:27:34,960

investigating terrorist uh if you will

817

00:27:38,789 --> 00:27:36,159

uh operations

818

00:27:39,510 --> 00:27:38,799

and operatives as we we did with this

819

00:27:41,029 --> 00:27:39,520

and

820

00:27:43,510 --> 00:27:41,039

the information is very compelling it's

821

00:27:47,190 --> 00:27:43,520

it's real okay it's real

822

00:27:49,510 --> 00:27:47,200

are they from another planet

823

00:27:51,350 --> 00:27:49,520

well i i think it's too early to tell uh

824

00:27:52,710 --> 00:27:51,360

the real the three options are

825

00:27:54,789 --> 00:27:52,720

that have been presented that is our

826

00:27:56,470 --> 00:27:54,799

secret technology uh but we've done a

827

00:27:57,990 --> 00:27:56,480

terrible job at coordinating

828

00:27:59,830 --> 00:27:58,000

the testing of this technology for

829

00:28:00,549 --> 00:27:59,840

decades with ourselves which is highly

830

00:28:02,070 --> 00:28:00,559

unlikely

831

00:28:03,750 --> 00:28:02,080

the second option is that it's foreign

832

00:28:05,750 --> 00:28:03,760

adversarial technology

833

00:28:07,430 --> 00:28:05,760

which if you were to ask me would be a

834

00:28:08,630 --> 00:28:07,440

huge intelligence failure of this

835

00:28:10,870 --> 00:28:08,640

country because we've been

836

00:28:11,830 --> 00:28:10,880

technologically leapfrogged or the third

837

00:28:13,510 --> 00:28:11,840

option is that it's

838

00:28:15,590 --> 00:28:13,520

something completely different it's if

839

00:28:18,149 --> 00:28:15,600

it's not ours and it's not there as well

840

00:28:19,110 --> 00:28:18,159

then it's it's someone or something else

841

00:28:20,710 --> 00:28:19,120

i can't wait for this

842

00:28:22,470 --> 00:28:20,720

report to come out lou thank you very

843

00:28:25,909 --> 00:28:22,480

much for joining us today interesting

844

00:28:28,470 --> 00:28:25,919

sir my pleasure okay

845

00:28:30,870 --> 00:28:28,480

and then uh fox news later in the week

846

00:28:31,830 --> 00:28:30,880

tucker carlson had chris mellon back on

847

00:28:35,029 --> 00:28:31,840

his show

848

00:28:37,350 --> 00:28:35,039

and he was able to respond to

849

00:28:38,710 --> 00:28:37,360

ratcliffe's claims from a few days

850

00:28:40,389 --> 00:28:38,720

earlier fighting

851  
00:28:42,070 --> 00:28:40,399  
now john ratcliffe who is the director

852  
00:28:42,789 --> 00:28:42,080  
of national intelligence has said the

853  
00:28:45,269 --> 00:28:42,799  
report will have

854  
00:28:46,470 --> 00:28:45,279  
massive implications frankly he said

855  
00:28:48,070 --> 00:28:46,480  
there are a lot more settings that have

856  
00:28:49,430 --> 00:28:48,080  
been made public

857  
00:28:50,950 --> 00:28:49,440  
now chris mallon has been on this

858  
00:28:52,230 --> 00:28:50,960  
subject more carefully than maybe

859  
00:28:53,190 --> 00:28:52,240  
anybody in the united states he's a

860  
00:28:55,269 --> 00:28:53,200  
former pentagon

861  
00:28:56,950 --> 00:28:55,279  
official and he joins us tonight for a

862  
00:28:58,149 --> 00:28:56,960  
preview of what we may find out chris i

863  
00:28:59,029 --> 00:28:58,159

appreciate you coming on tonight

864

00:29:01,750 --> 00:28:59,039

what do you think we're going to learn

865

00:29:02,389 --> 00:29:01,760

in this report well thanks very much

866

00:29:03,750 --> 00:29:02,399

tucker and

867

00:29:05,669 --> 00:29:03,760

thanks for drawing attention to this

868

00:29:08,950 --> 00:29:05,679

issue i think it could be

869

00:29:09,830 --> 00:29:08,960

profound and transformative as as a

870

00:29:13,190 --> 00:29:09,840

former dni

871

00:29:15,510 --> 00:29:13,200

john ratcliff suggested because in 1970

872

00:29:17,830 --> 00:29:15,520

when project blue book concluded

873

00:29:19,430 --> 00:29:17,840

they concluded and told the american

874

00:29:21,269 --> 00:29:19,440

people we don't see any evidence of

875

00:29:23,190 --> 00:29:21,279

technological breakthroughs beyond

876

00:29:26,070 --> 00:29:23,200

anything that we can do ourselves

877

00:29:27,269 --> 00:29:26,080

we don't see any evidence of a threat to

878

00:29:28,870 --> 00:29:27,279

national security

879

00:29:31,029 --> 00:29:28,880

i don't think they can honestly say

880

00:29:33,190 --> 00:29:31,039

either of those things in this case

881

00:29:34,310 --> 00:29:33,200

and as people begin to digest that and

882

00:29:35,830 --> 00:29:34,320

they are going to address this at an

883

00:29:37,029 --> 00:29:35,840

unclassified level so that will be a

884

00:29:38,630 --> 00:29:37,039

public statement

885

00:29:42,070 --> 00:29:38,640

i think that's going to raise a lot of

886

00:29:43,430 --> 00:29:42,080

questions and send some shock waves

887

00:29:45,350 --> 00:29:43,440

so they've been lying i mean i think

888

00:29:47,510 --> 00:29:45,360

that's i think we can say that and

889

00:29:48,789 --> 00:29:47,520

you know who knows why but that really

890

00:29:50,470 --> 00:29:48,799

is the question why

891

00:29:52,630 --> 00:29:50,480

you know what why haven't we heard this

892

00:29:53,669 --> 00:29:52,640

before it's it's a it's a huge deal it

893

00:29:56,549 --> 00:29:53,679

could change our

894

00:29:58,310 --> 00:29:56,559

perception of our place in in the source

895

00:30:00,389 --> 00:29:58,320

in the universe really

896

00:30:01,830 --> 00:30:00,399

why hasn't anyone come forward with this

897

00:30:04,389 --> 00:30:01,840

prior to

898

00:30:05,750 --> 00:30:04,399

this coming june it's largely been a

899

00:30:07,669 --> 00:30:05,760

matter of stigma

900

00:30:09,350 --> 00:30:07,679

and people are afraid to discuss it you

901  
00:30:10,630 --> 00:30:09,360  
know it's shocking and this is how i got

902  
00:30:14,230 --> 00:30:10,640  
involved

903  
00:30:16,950 --> 00:30:14,240  
i became aware in 2016

904  
00:30:18,389 --> 00:30:16,960  
that u.s navy squadrons operating off

905  
00:30:19,510 --> 00:30:18,399  
the east coast of the united states were

906  
00:30:21,750 --> 00:30:19,520  
having recurring

907  
00:30:23,430 --> 00:30:21,760  
encounters with these vehicles and

908  
00:30:24,149 --> 00:30:23,440  
nobody in the intelligence community was

909  
00:30:25,909 --> 00:30:24,159  
responding

910  
00:30:28,310 --> 00:30:25,919  
nobody was supporting them nobody was

911  
00:30:29,990 --> 00:30:28,320  
backing them up nobody was investigating

912  
00:30:31,430 --> 00:30:30,000  
it was not being reported up the chain

913  
00:30:32,310 --> 00:30:31,440

of command the secretary of defense

914

00:30:33,909 --> 00:30:32,320

didn't know

915

00:30:35,990 --> 00:30:33,919

it wasn't a matter of concealing the

916

00:30:37,750 --> 00:30:36,000

information uh in the sense

917

00:30:39,190 --> 00:30:37,760

of they knew it and processed it and

918

00:30:41,750 --> 00:30:39,200

withheld it from the public

919

00:30:42,549 --> 00:30:41,760

it was a matter of hear no evil see no

920

00:30:44,470 --> 00:30:42,559

evil

921

00:30:45,830 --> 00:30:44,480

and that's okay as a personal choice

922

00:30:48,149 --> 00:30:45,840

perhaps but that's not what you want in

923

00:30:50,470 --> 00:30:48,159

the intelligence community

924

00:30:51,669 --> 00:30:50,480

no it's totally negligent and reckless

925

00:30:53,110 --> 00:30:51,679

actually um

926

00:30:54,950 --> 00:30:53,120

do you think that we'll find the

927

00:30:57,909 --> 00:30:54,960

government has physical evidence of

928

00:31:01,669 --> 00:31:00,230

we may uh i do want to temper

929

00:31:04,789 --> 00:31:01,679

expectations a little bit

930

00:31:07,750 --> 00:31:04,799

um the the request from the congress

931

00:31:08,789 --> 00:31:07,760

is not to release classified information

932

00:31:10,389 --> 00:31:08,799

but to review

933

00:31:12,070 --> 00:31:10,399

all of the classified information

934

00:31:15,190 --> 00:31:12,080

regardless of source

935

00:31:17,990 --> 00:31:15,200

and then render an unclassified judgment

936

00:31:19,750 --> 00:31:18,000

based on that review so it's not going

937

00:31:22,070 --> 00:31:19,760

to be a big document dump

938

00:31:24,470 --> 00:31:22,080

it's not going to be revealing uh

939

00:31:25,509 --> 00:31:24,480

necessarily new videos or anything of

940

00:31:27,509 --> 00:31:25,519

that nature

941

00:31:28,630 --> 00:31:27,519

but they will be reviewing all of the

942

00:31:30,549 --> 00:31:28,640

information if they

943

00:31:32,389 --> 00:31:30,559

if they do this in the manner that it's

944

00:31:34,470 --> 00:31:32,399

been requested and then they're going to

945

00:31:36,470 --> 00:31:34,480

has to off to also also have to address

946

00:31:38,149 --> 00:31:36,480

who's in charge how are we going to

947

00:31:40,549 --> 00:31:38,159

manage this issue going forward

948

00:31:42,070 --> 00:31:40,559

who do we think is behind this are there

949

00:31:44,070 --> 00:31:42,080

any technological breakthroughs here

950

00:31:47,430 --> 00:31:44,080

that we should be concerned about

951  
00:31:51,909 --> 00:31:47,440  
so uh there's a lot on the plate and um

952  
00:31:55,190 --> 00:31:53,830  
man it's just so frustrating i wish

953  
00:31:56,470 --> 00:31:55,200  
they'd just be honest about everything

954  
00:31:57,909 --> 00:31:56,480  
they're still they're still hiding

955  
00:31:59,350 --> 00:31:57,919  
material from the kennedy assassination

956  
00:32:00,950 --> 00:31:59,360  
almost 60 years ago it's just

957  
00:32:02,230 --> 00:32:00,960  
it's really remarkable chris mellon i

958  
00:32:03,909 --> 00:32:02,240  
appreciate you've done so much on this

959  
00:32:06,549 --> 00:32:03,919  
topic i hope you'll come back

960  
00:32:07,110 --> 00:32:06,559  
i thank you very much for having me

961  
00:32:08,710 --> 00:32:07,120  
first

962  
00:32:10,549 --> 00:32:08,720  
and a lot of it's bad but here's one

963  
00:32:12,470 --> 00:32:10,559

good thing

964

00:32:13,750 --> 00:32:12,480

so a couple things that we do know

965

00:32:16,549 --> 00:32:13,760

obviously just because

966

00:32:18,630 --> 00:32:16,559

melon and alexander will have left tsa

967

00:32:20,230 --> 00:32:18,640

they're still involved in the ufo stuff

968

00:32:22,789 --> 00:32:20,240

still available for interviews

969

00:32:23,350 --> 00:32:22,799

uh that's always good stuff to know and

970

00:32:25,669 --> 00:32:23,360

again

971

00:32:27,190 --> 00:32:25,679

melon brings up the stigma issue i

972

00:32:30,230 --> 00:32:27,200

thought that was very interesting

973

00:32:34,310 --> 00:32:30,240

and obviously you know

974

00:32:36,389 --> 00:32:34,320

that can't deny it again i don't feel it

975

00:32:38,710 --> 00:32:36,399

is a subject that should be stigmatized

976

00:32:39,830 --> 00:32:38,720

but obviously some people do for

977

00:32:42,389 --> 00:32:39,840

whatever reason

978

00:32:44,710 --> 00:32:42,399

and uh chant do you have any thoughts on

979

00:32:47,430 --> 00:32:44,720

the last couple interviews

980

00:32:49,990 --> 00:32:47,440

no i like to listen to you talk a little

981

00:32:52,389 --> 00:32:50,000

bit more on topics sometimes than just

982

00:32:53,990 --> 00:32:52,399

okay discuss things later yeah i mean

983

00:32:56,310 --> 00:32:54,000

it's good that everything is getting out

984

00:32:59,590 --> 00:32:56,320

there obviously it's not as full

985

00:33:01,509 --> 00:32:59,600

and complete again not talking he did

986

00:33:02,710 --> 00:33:01,519

melon did mention the history uh going

987

00:33:04,310 --> 00:33:02,720

back to blue book

988

00:33:06,630 --> 00:33:04,320

uh wrapping up i think it was actually

989

00:33:09,909 --> 00:33:06,640

the late 60s rather than 70.

990

00:33:10,710 --> 00:33:09,919

and there were some reasons for that uh

991

00:33:12,870 --> 00:33:10,720

the you

992

00:33:14,950 --> 00:33:12,880

at the time the air force was still also

993

00:33:16,630 --> 00:33:14,960

running down cases from the public

994

00:33:17,990 --> 00:33:16,640

and they definitely wanted to get out of

995

00:33:20,230 --> 00:33:18,000

that business so

996

00:33:22,149 --> 00:33:20,240

i think that was part of the reason that

997

00:33:24,070 --> 00:33:22,159

at least part of the reason maybe the

998

00:33:25,509 --> 00:33:24,080

main reason for shutting down blue book

999

00:33:25,909 --> 00:33:25,519

they just didn't want to get involved in

1000

00:33:28,630 --> 00:33:25,919

that

1001  
00:33:30,950 --> 00:33:28,640  
but of course so we've known all along

1002  
00:33:34,549 --> 00:33:30,960  
that they do investigate ufo cases

1003  
00:33:36,070 --> 00:33:34,559  
uh when they are directly involved

1004  
00:33:37,509 --> 00:33:36,080  
when their own planes go out and have

1005  
00:33:38,149 --> 00:33:37,519  
encounters or they pick up something in

1006  
00:33:39,669 --> 00:33:38,159  
radar

1007  
00:33:41,430 --> 00:33:39,679  
of course they take a closer look at

1008  
00:33:44,070 --> 00:33:41,440  
that the reason being is uh

1009  
00:33:45,509 --> 00:33:44,080  
literally it's their job to do it so

1010  
00:33:46,070 --> 00:33:45,519  
we've known all along that we've been

1011  
00:33:48,549 --> 00:33:46,080  
doing it

1012  
00:33:49,990 --> 00:33:48,559  
uh the comments uh from radcliffe again

1013  
00:33:52,549 --> 00:33:50,000

uh basically he

1014

00:33:53,590 --> 00:33:52,559

uh just came out and confirmed stuff

1015

00:33:55,430 --> 00:33:53,600

that

1016

00:33:57,669 --> 00:33:55,440

you know we're following along closely

1017

00:34:00,389 --> 00:33:57,679

that uh we've already known about uh

1018

00:34:01,190 --> 00:34:00,399

we are or surmised that uh that was the

1019

00:34:03,029 --> 00:34:01,200

case and

1020

00:34:04,870 --> 00:34:03,039

uh he confirmed it so it was very

1021

00:34:07,029 --> 00:34:04,880

significant and obviously it

1022

00:34:07,909 --> 00:34:07,039

uh kicked up a lot of interest so uh

1023

00:34:10,629 --> 00:34:07,919

yeah we're going to be

1024

00:34:11,270 --> 00:34:10,639

really interested to see uh rubio had

1025

00:34:13,349 --> 00:34:11,280

mentioned

1026

00:34:14,629 --> 00:34:13,359

that he thought that there was a

1027

00:34:17,270 --> 00:34:14,639

possibility that

1028

00:34:18,149 --> 00:34:17,280

the report might not get turned in on

1029

00:34:21,750 --> 00:34:18,159

time uh

1030

00:34:25,270 --> 00:34:21,760

maybe the dog eats it who knows but uh

1031

00:34:25,750 --> 00:34:25,280

but uh uh you know we will get it uh he

1032

00:34:27,510 --> 00:34:25,760

said that

1033

00:34:29,190 --> 00:34:27,520

that's not uncommon he also mentioned

1034

00:34:31,829 --> 00:34:29,200

that not necessarily

1035

00:34:33,510 --> 00:34:31,839

uh just uh about the ufo subject that

1036

00:34:36,389 --> 00:34:33,520

it's uh not uncommon that these

1037

00:34:37,990 --> 00:34:36,399

requisition reports often uh are delayed

1038

00:34:41,990 --> 00:34:38,000

or not turned in on time

1039

00:34:43,430 --> 00:34:42,000

um you know he seems to accept that i'm

1040

00:34:44,710 --> 00:34:43,440

not sure that i do i mean we're talking

1041

00:34:47,750 --> 00:34:44,720

about a report here

1042

00:34:49,190 --> 00:34:47,760

get us the report and lou elizondo over

1043

00:34:50,710 --> 00:34:49,200

on twitter has said that

1044

00:34:52,389 --> 00:34:50,720

uh yeah they should be given a little

1045

00:34:54,310 --> 00:34:52,399

bit more time to do it right

1046

00:34:55,510 --> 00:34:54,320

well i mean what what guarantee are you

1047

00:34:57,430 --> 00:34:55,520

going to have that

1048

00:34:58,790 --> 00:34:57,440

if you get another three months or six

1049

00:35:00,710 --> 00:34:58,800

months or even a year

1050

00:35:01,990 --> 00:35:00,720

how much better is that report going to

1051  
00:35:04,390 --> 00:35:02,000  
be let's see the report

1052  
00:35:06,710 --> 00:35:04,400  
now six months is plenty of time to put

1053  
00:35:09,990 --> 00:35:06,720  
in a uh to get in a report

1054  
00:35:11,990 --> 00:35:10,000  
so uh uh you know honestly i i think

1055  
00:35:15,349 --> 00:35:12,000  
they're going to put just as much effort

1056  
00:35:17,750 --> 00:35:15,359  
five minutes to midnight to turn in

1057  
00:35:19,829 --> 00:35:17,760  
some unidentified aerial phenomena task

1058  
00:35:23,589 --> 00:35:19,839  
force related report

1059  
00:35:26,710 --> 00:35:23,599  
on uh you know on

1060  
00:35:27,990 --> 00:35:26,720  
almost on time or on time they put just

1061  
00:35:30,390 --> 00:35:28,000  
as much effort

1062  
00:35:31,910 --> 00:35:30,400  
as if they were to do it now yeah i mean

1063  
00:35:33,490 --> 00:35:31,920

it doesn't that's pretty much

1064

00:35:35,430 --> 00:35:33,500

how i uh produce the show

1065

00:35:37,589 --> 00:35:35,440

[Laughter]

1066

00:35:39,589 --> 00:35:37,599

it makes no sense to me like why they

1067

00:35:42,230 --> 00:35:39,599

would really need all that time

1068

00:35:42,630 --> 00:35:42,240

i honestly uh i know it sounds biased

1069

00:35:45,270 --> 00:35:42,640

but

1070

00:35:47,349 --> 00:35:45,280

i don't believe that they don't uh that

1071

00:35:50,310 --> 00:35:47,359

they really need that much more time

1072

00:35:51,030 --> 00:35:50,320

i'll tell you why we've had 70 years

1073

00:35:54,790 --> 00:35:51,040

exactly

1074

00:35:57,910 --> 00:35:54,800

of ufo activity how much more

1075

00:35:59,750 --> 00:35:57,920

time do you guys need and yes i know

1076

00:36:03,109 --> 00:35:59,760

that your committee was just made

1077

00:36:06,310 --> 00:36:03,119

but so what really so what

1078

00:36:07,829 --> 00:36:06,320

let me let me explain further i'm gonna

1079

00:36:08,950 --> 00:36:07,839

i'm gonna just speak directly to the

1080

00:36:12,950 --> 00:36:08,960

audience here

1081

00:36:16,069 --> 00:36:12,960

if you really believe elizondo

1082

00:36:19,750 --> 00:36:16,079

was involved in a group that

1083

00:36:22,630 --> 00:36:19,760

studied ufo a related phenomena

1084

00:36:23,030 --> 00:36:22,640

i don't care if you call it a uas a uav

1085

00:36:26,470 --> 00:36:23,040

uh

1086

00:36:29,910 --> 00:36:26,480

uf a uap a ufo for

1087

00:36:33,109 --> 00:36:29,920

a few years five or eight years a decade

1088

00:36:36,230 --> 00:36:33,119

whatever and the u.s government just

1089

00:36:39,430 --> 00:36:36,240

started studying it back then

1090

00:36:41,510 --> 00:36:39,440

you're you're dumber than a rock okay

1091

00:36:44,870 --> 00:36:41,520

i'm sorry to say it but you are

1092

00:36:47,589 --> 00:36:44,880

i'll tell you why the one of the top

1093

00:36:48,710 --> 00:36:47,599

number one things in the u.s that the

1094

00:36:52,310 --> 00:36:48,720

military

1095

00:36:54,390 --> 00:36:52,320

is worried about is what is in our skies

1096

00:36:56,630 --> 00:36:54,400

they've never not worried about it it's

1097

00:36:59,030 --> 00:36:56,640

of paramount importance to us

1098

00:37:01,109 --> 00:36:59,040

and for anybody to just even go along

1099

00:37:04,470 --> 00:37:01,119

with the idea of the narrative

1100

00:37:07,670 --> 00:37:04,480

that um you know

1101  
00:37:08,550 --> 00:37:07,680  
we're just studying this now give me a

1102  
00:37:11,910 --> 00:37:08,560  
break

1103  
00:37:14,550 --> 00:37:11,920  
we've studied this for under a century

1104  
00:37:15,750 --> 00:37:14,560  
probably probably longer even without

1105  
00:37:17,349 --> 00:37:15,760  
when we didn't have the kind of

1106  
00:37:19,270 --> 00:37:17,359  
technology we have today

1107  
00:37:20,829 --> 00:37:19,280  
the us government was probably studying

1108  
00:37:23,990 --> 00:37:20,839  
as much as they could

1109  
00:37:25,990 --> 00:37:24,000  
um uh you know

1110  
00:37:27,750 --> 00:37:26,000  
a good three quarters of a century no

1111  
00:37:29,589 --> 00:37:27,760  
doubt about it he argued but i'm

1112  
00:37:31,349 --> 00:37:29,599  
fine with that i'm fine with somebody

1113  
00:37:33,589 --> 00:37:31,359

arguing with me on that point

1114

00:37:35,190 --> 00:37:33,599

i'm okay with it but we definitely know

1115

00:37:36,150 --> 00:37:35,200

it's a fact we've been studying it for

1116

00:37:38,950 --> 00:37:36,160

70 years

1117

00:37:40,550 --> 00:37:38,960

there is no need for us to wait any

1118

00:37:43,589 --> 00:37:40,560

longer on this report

1119

00:37:44,870 --> 00:37:43,599

you and i both knew as soon as we saw

1120

00:37:47,910 --> 00:37:44,880

this news

1121

00:37:49,910 --> 00:37:47,920

hit the airwaves regarding june 1st oh

1122

00:37:51,510 --> 00:37:49,920

june 1st oh we're going to on june 1st

1123

00:37:52,069 --> 00:37:51,520

we're going to find out about all this

1124

00:37:54,550 --> 00:37:52,079

stuff

1125

00:37:55,349 --> 00:37:54,560

we knew that was a bunch of bs you know

1126

00:37:57,589 --> 00:37:55,359

why

1127

00:37:58,790 --> 00:37:57,599

because the government is not known for

1128

00:38:02,230 --> 00:37:58,800

being efficient

1129

00:38:04,470 --> 00:38:02,240

or on time right when have they ever

1130

00:38:05,589 --> 00:38:04,480

been efficient or on time in general

1131

00:38:08,150 --> 00:38:05,599

never

1132

00:38:09,910 --> 00:38:08,160

so why would they do it now especially

1133

00:38:13,109 --> 00:38:09,920

with this topic

1134

00:38:15,109 --> 00:38:13,119

you know the uh glowing arrows and black

1135

00:38:18,069 --> 00:38:15,119

money article that was published i think

1136

00:38:19,430 --> 00:38:18,079

it was helen cooper ralph blumenthal and

1137

00:38:20,950 --> 00:38:19,440

leslie keane

1138

00:38:22,710 --> 00:38:20,960

you and i remember when that was dropped

1139

00:38:24,310 --> 00:38:22,720

that was dropped like on a friday or on

1140

00:38:25,589 --> 00:38:24,320

a weekend when everybody was just

1141

00:38:28,069 --> 00:38:25,599

getting out of work

1142

00:38:28,790 --> 00:38:28,079

they they and i'll explain who they

1143

00:38:32,150 --> 00:38:28,800

could be

1144

00:38:34,390 --> 00:38:32,160

but they the powers that be allowed that

1145

00:38:35,349 --> 00:38:34,400

leak or whatever you want to call it

1146

00:38:38,470 --> 00:38:35,359

that planned

1147

00:38:39,829 --> 00:38:38,480

leak to happen right then at that point

1148

00:38:43,750 --> 00:38:39,839

in time

1149

00:38:46,150 --> 00:38:43,760

for a reason and that is because

1150

00:38:48,150 --> 00:38:46,160

the powers that be do not want the

1151  
00:38:49,589 --> 00:38:48,160  
general public to be caught up on this

1152  
00:38:52,470 --> 00:38:49,599  
topic

1153  
00:38:54,550 --> 00:38:52,480  
why well you figure it out okay there's

1154  
00:38:57,670 --> 00:38:54,560  
plenty of conspiracies out there

1155  
00:39:00,870 --> 00:38:57,680  
to ruminate over to argue over regarding

1156  
00:39:02,870 --> 00:39:00,880  
why but you know look whatever

1157  
00:39:05,030 --> 00:39:02,880  
whatever the case is because we've seen

1158  
00:39:05,910 --> 00:39:05,040  
a lot of activity off and on regarding

1159  
00:39:08,630 --> 00:39:05,920  
this topic

1160  
00:39:09,109 --> 00:39:08,640  
intermingled with the the us government

1161  
00:39:11,990 --> 00:39:09,119  
and

1162  
00:39:12,390 --> 00:39:12,000  
various alphabet agencies names involved

1163  
00:39:14,550 --> 00:39:12,400

and

1164

00:39:15,430 --> 00:39:14,560

has anything ever happened or come to

1165

00:39:18,630 --> 00:39:15,440

fruition

1166

00:39:20,470 --> 00:39:18,640

not really so what's going to end up

1167

00:39:24,390 --> 00:39:20,480

happening with this situation

1168

00:39:26,069 --> 00:39:24,400

is nothing

1169

00:39:27,750 --> 00:39:26,079

and people keep saying oh this is going

1170

00:39:30,470 --> 00:39:27,760

to be the year of ufos

1171

00:39:32,710 --> 00:39:30,480

sorry no i don't see it now if you want

1172

00:39:35,270 --> 00:39:32,720

to talk about in the respect that yes

1173

00:39:36,950 --> 00:39:35,280

okay we are actually getting some

1174

00:39:39,510 --> 00:39:36,960

radar-related evidence

1175

00:39:40,069 --> 00:39:39,520

on our screens that we can stare at that

1176

00:39:41,750 --> 00:39:40,079

uh

1177

00:39:43,829 --> 00:39:41,760

evidently our military-industrial

1178

00:39:47,109 --> 00:39:43,839

complex is having issues

1179

00:39:49,109 --> 00:39:47,119

honing in on targeting visually it can't

1180

00:39:52,230 --> 00:39:49,119

keep up with the objects

1181

00:39:54,150 --> 00:39:52,240

okay that's exciting but we really want

1182

00:39:54,630 --> 00:39:54,160

this unidentified aerial phenomena task

1183

00:39:57,190 --> 00:39:54,640

force

1184

00:39:59,270 --> 00:39:57,200

to take the responsibility seriously and

1185

00:40:02,550 --> 00:39:59,280

don't miss that deadline

1186

00:40:05,270 --> 00:40:02,560

you know why because the public is tired

1187

00:40:05,829 --> 00:40:05,280

of being let down and but we're used to

1188

00:40:08,710 --> 00:40:05,839

it

1189

00:40:10,069 --> 00:40:08,720

but look i mean when you build up

1190

00:40:13,589 --> 00:40:10,079

momentum for something

1191

00:40:16,870 --> 00:40:13,599

you also build up morale if they

1192

00:40:20,150 --> 00:40:16,880

miss this june 1st deadline that morale

1193

00:40:24,069 --> 00:40:21,589

then we're going to have the same old

1194

00:40:26,470 --> 00:40:24,079

tired argument the ufo community

1195

00:40:27,109 --> 00:40:26,480

this the the the stage two is gonna

1196

00:40:30,150 --> 00:40:27,119

happen

1197

00:40:30,630 --> 00:40:30,160

oh disappointment sadness oh then

1198

00:40:32,150 --> 00:40:30,640

they're gonna

1199

00:40:34,309 --> 00:40:32,160

bring their hopes up high again we're

1200

00:40:35,030 --> 00:40:34,319

gonna have a whole new level of cliché

1201  
00:40:37,829 --> 00:40:35,040  
related

1202  
00:40:39,030 --> 00:40:37,839  
uh oriented uh uh discussion on it on

1203  
00:40:41,670 --> 00:40:39,040  
ufo twitter

1204  
00:40:43,589 --> 00:40:41,680  
it's big so what you know why because

1205  
00:40:45,670 --> 00:40:43,599  
it's a waste of energy

1206  
00:40:46,710 --> 00:40:45,680  
now i know that sounds you know like i'm

1207  
00:40:49,829 --> 00:40:46,720  
being a real

1208  
00:40:50,470 --> 00:40:49,839  
downer about it you are you are being a

1209  
00:40:53,430 --> 00:40:50,480  
downer

1210  
00:40:55,270 --> 00:40:53,440  
but that has been the reality of this

1211  
00:40:58,550 --> 00:40:55,280  
top

1212  
00:41:00,069 --> 00:40:58,560  
ad nauseam for seven decades now why is

1213  
00:41:02,630 --> 00:41:00,079

it going to be any different now

1214

00:41:03,829 --> 00:41:02,640

i guess well i'll find out june 4. well

1215

00:41:06,790 --> 00:41:03,839

we will find out

1216

00:41:08,790 --> 00:41:06,800

and this uh report is the ultimate

1217

00:41:11,670 --> 00:41:08,800

responsibility of a number of people

1218

00:41:13,109 --> 00:41:11,680

uh we heard uh from the the former team

1219

00:41:15,109 --> 00:41:13,119

the trump team uh from

1220

00:41:17,349 --> 00:41:15,119

ratcliffe and his comments were quite

1221

00:41:20,150 --> 00:41:17,359

interesting and uh of course uh

1222

00:41:21,270 --> 00:41:20,160

his uh his boss or no i'm sorry not his

1223

00:41:24,550 --> 00:41:21,280

boss but the

1224

00:41:26,790 --> 00:41:24,560

secretary of defense and uh the uh

1225

00:41:27,990 --> 00:41:26,800

deputy secretary of defense uh we talked

1226

00:41:31,030 --> 00:41:28,000

a little bit about

1227

00:41:32,790 --> 00:41:31,040

them what their backgrounds were and uh

1228

00:41:35,750 --> 00:41:32,800

what their interests might be

1229

00:41:36,390 --> 00:41:35,760

uh in the ufo stuff uh former secretary

1230

00:41:40,150 --> 00:41:36,400

of defense

1231

00:41:40,710 --> 00:41:40,160

mark esper uh had uh had had a publicly

1232

00:41:43,430 --> 00:41:40,720

avowed

1233

00:41:44,150 --> 00:41:43,440

interest in the hypersonics and as did

1234

00:41:47,430 --> 00:41:44,160

deputy

1235

00:41:50,390 --> 00:41:47,440

know that

1236

00:41:51,750 --> 00:41:50,400

esper talked about the ufo issue when he

1237

00:41:55,510 --> 00:41:51,760

met with the

1238

00:41:57,990 --> 00:41:55,520

japanese defense minister last year

1239

00:41:58,870 --> 00:41:58,000

the subject did come up that's as far as

1240

00:42:01,430 --> 00:41:58,880

we know

1241

00:42:02,550 --> 00:42:01,440

the only interaction that our government

1242

00:42:04,390 --> 00:42:02,560

has had with

1243

00:42:06,230 --> 00:42:04,400

any of our allies on this particular

1244

00:42:08,069 --> 00:42:06,240

issue we don't know if

1245

00:42:09,829 --> 00:42:08,079

anything else if there's been any back

1246

00:42:11,510 --> 00:42:09,839

and forth with the the brits or the

1247

00:42:12,470 --> 00:42:11,520

french or the canadians or whatever the

1248

00:42:14,630 --> 00:42:12,480

case may be

1249

00:42:16,390 --> 00:42:14,640

and of course we do know that that david

1250

00:42:20,230 --> 00:42:16,400

norquist was named

1251

00:42:23,430 --> 00:42:20,240

to head up the uap task force

1252

00:42:25,030 --> 00:42:23,440

he was also as the deputy secretary in

1253

00:42:27,910 --> 00:42:25,040

charge of the committee that

1254

00:42:29,829 --> 00:42:27,920

oversees the special access programs so

1255

00:42:30,710 --> 00:42:29,839

we kind of liked the background of those

1256

00:42:33,270 --> 00:42:30,720

two guys

1257

00:42:35,670 --> 00:42:33,280

uh norquist had also expressed some

1258

00:42:38,309 --> 00:42:35,680

interest in the hypersonics so

1259

00:42:39,349 --> 00:42:38,319

maybe there's a little bit in both

1260

00:42:41,430 --> 00:42:39,359

esperanto

1261

00:42:43,030 --> 00:42:41,440

there was a little bit nesper esper and

1262

00:42:46,950 --> 00:42:43,040

norquist's background

1263

00:42:48,630 --> 00:42:46,960

that might mean that the ufo issue is of

1264

00:42:50,710 --> 00:42:48,640

a particular interest to them

1265

00:42:52,309 --> 00:42:50,720

and then of course radcliff has said the

1266

00:42:54,390 --> 00:42:52,319

most but obviously

1267

00:42:55,910 --> 00:42:54,400

that's the old team the new team is in

1268

00:42:58,390 --> 00:42:55,920

that's basically

1269

00:42:59,030 --> 00:42:58,400

current president biden's team and what

1270

00:43:02,470 --> 00:42:59,040

we have

1271

00:43:04,950 --> 00:43:02,480

now is that we've got lloyd austin

1272

00:43:05,750 --> 00:43:04,960

uh we've got that who is now secretary

1273

00:43:08,630 --> 00:43:05,760

of defense

1274

00:43:11,109 --> 00:43:08,640

uh we've got catherine hicks who is in

1275

00:43:12,150 --> 00:43:11,119

norquist's old spot deputy secretary of

1276

00:43:15,349 --> 00:43:12,160

defense and

1277

00:43:18,550 --> 00:43:15,359

we've got avril haynes who is in the

1278

00:43:19,109 --> 00:43:18,560

position that ratcliffe held so i did

1279

00:43:21,589 --> 00:43:19,119

think it was

1280

00:43:22,230 --> 00:43:21,599

worth the time to go take a a somewhat

1281

00:43:24,630 --> 00:43:22,240

closer

1282

00:43:26,309 --> 00:43:24,640

look at the backgrounds of these three

1283

00:43:27,190 --> 00:43:26,319

individuals to see if there's anything

1284

00:43:31,030 --> 00:43:27,200

that

1285

00:43:32,870 --> 00:43:31,040

particular interest in ufos

1286

00:43:34,950 --> 00:43:32,880

uh there's not a whole lot there but a

1287

00:43:38,390 --> 00:43:34,960

couple things that are of interest

1288

00:43:40,550 --> 00:43:38,400

uh haynes is a longtime army guy

1289

00:43:42,470 --> 00:43:40,560

retired as a four-star general he's now

1290

00:43:44,069 --> 00:43:42,480

the secretary of defense of course

1291

00:43:45,589 --> 00:43:44,079

uh the only thing that i found that

1292

00:43:47,430 --> 00:43:45,599

would be a particular interest that

1293

00:43:51,349 --> 00:43:47,440

regarding the ufo stuff

1294

00:43:52,710 --> 00:43:51,359

uh regarding austin was when he retired

1295

00:43:54,550 --> 00:43:52,720

from the military

1296

00:43:55,750 --> 00:43:54,560

he joined the boards of a couple of

1297

00:43:58,230 --> 00:43:55,760

different companies

1298

00:44:00,230 --> 00:43:58,240

uh one of them is nucor and that is a

1299

00:44:00,790 --> 00:44:00,240

producer of steel and related products

1300

00:44:03,109 --> 00:44:00,800

so

1301

00:44:04,630 --> 00:44:03,119

you know if there is anything to all

1302

00:44:06,710 --> 00:44:04,640

this talk about materials

1303

00:44:07,750 --> 00:44:06,720

and it would even get to his desk he

1304

00:44:10,390 --> 00:44:07,760

might already

1305

00:44:10,870 --> 00:44:10,400

have enough of a knowledge base going in

1306

00:44:14,390 --> 00:44:10,880

to

1307

00:44:17,270 --> 00:44:14,400

understand uh what all that is about and

1308

00:44:18,309 --> 00:44:17,280

also he was on the board of raytheon

1309

00:44:20,390 --> 00:44:18,319

technologies

1310

00:44:21,510 --> 00:44:20,400

uh which is of course a defense

1311

00:44:24,710 --> 00:44:21,520

contractor

1312

00:44:25,510 --> 00:44:24,720

that built the the flear camera that was

1313

00:44:29,910 --> 00:44:25,520

able to

1314

00:44:32,309 --> 00:44:29,920

take those videos of the ufos so

1315

00:44:33,430 --> 00:44:32,319

that apparently that news came out

1316

00:44:35,750 --> 00:44:33,440

during the time that

1317

00:44:37,349 --> 00:44:35,760

he was with raytheon so is that

1318

00:44:38,870 --> 00:44:37,359

something that got his attention is that

1319

00:44:41,670 --> 00:44:38,880

something he's interested in

1320

00:44:42,069 --> 00:44:41,680

we don't know at this point now going

1321

00:44:45,670 --> 00:44:42,079

back

1322

00:44:47,910 --> 00:44:45,680

to uh kathleen hicks i really didn't see

1323

00:44:49,030 --> 00:44:47,920

anything in particular uh in her

1324

00:44:51,030 --> 00:44:49,040

background that

1325

00:44:53,030 --> 00:44:51,040

might lead her to have any particular

1326

00:44:54,710 --> 00:44:53,040

interest and she does seem to hold the

1327

00:44:57,109 --> 00:44:54,720

position that might be key

1328

00:44:58,630 --> 00:44:57,119

she's in charge of the uap task force

1329

00:45:01,109 --> 00:44:58,640

but i i can't say that

1330

00:45:02,309 --> 00:45:01,119

i saw anything that was uh particularly

1331

00:45:05,510 --> 00:45:02,319

interesting there

1332

00:45:06,550 --> 00:45:05,520

and avril haynes uh was uh uh the person

1333

00:45:08,870 --> 00:45:06,560

who took over

1334

00:45:10,550 --> 00:45:08,880

for ratcliffe and uh there were a couple

1335

00:45:13,190 --> 00:45:10,560

things in her background that

1336

00:45:14,230 --> 00:45:13,200

uh were kind of interesting uh a couple

1337

00:45:17,030 --> 00:45:14,240

things that uh

1338

00:45:19,349 --> 00:45:17,040

her undergraduate studies uh she did

1339

00:45:21,190 --> 00:45:19,359

study uh theoretical physics uh we heard

1340

00:45:23,190 --> 00:45:21,200

elizondo talk about the physics there

1341

00:45:24,710 --> 00:45:23,200

and does her have her undergraduate

1342

00:45:28,230 --> 00:45:24,720

degree in physics

1343

00:45:29,589 --> 00:45:28,240

and also uh she apparently took flying

1344

00:45:30,470 --> 00:45:29,599

lessons so i don't know if she took it

1345

00:45:33,430 --> 00:45:30,480

any further

1346

00:45:35,109 --> 00:45:33,440

if she is a licensed pilot at all or she

1347

00:45:37,109 --> 00:45:35,119

ever got her pilot's license

1348

00:45:38,870 --> 00:45:37,119

but she at least has enough of an

1349

00:45:40,470 --> 00:45:38,880

information uh that she actually took

1350

00:45:43,109 --> 00:45:40,480

some flying lessons so i thought

1351  
00:45:45,030 --> 00:45:43,119  
that was kind of interesting but nothing

1352  
00:45:48,069 --> 00:45:45,040  
beyond those things necessarily jump

1353  
00:45:49,910 --> 00:45:48,079  
out at me to say well i'm absolutely

1354  
00:45:50,630 --> 00:45:49,920  
positively glad that this is the team

1355  
00:45:52,950 --> 00:45:50,640  
that is uh

1356  
00:45:54,790 --> 00:45:52,960  
uh looking into this issue so basically

1357  
00:45:58,309 --> 00:45:54,800  
austin secretary of defense

1358  
00:45:59,349 --> 00:45:58,319  
uh picks uh deputy secretary also in

1359  
00:46:02,069 --> 00:45:59,359  
charge of the uap

1360  
00:46:02,470 --> 00:46:02,079  
task force and chairman of the committee

1361  
00:46:05,030 --> 00:46:02,480  
on

1362  
00:46:06,069 --> 00:46:05,040  
special access programs and then hanes

1363  
00:46:09,430 --> 00:46:06,079

who is the

1364

00:46:12,550 --> 00:46:09,440

director of national intelligence and

1365

00:46:15,270 --> 00:46:12,560

certainly has a fair amount of power but

1366

00:46:15,589 --> 00:46:15,280

may uh be uh but uh she's not in charge

1367

00:46:17,349 --> 00:46:15,599

of

1368

00:46:18,630 --> 00:46:17,359

this particular issue anyway so it'll be

1369

00:46:21,109 --> 00:46:18,640

very interesting to see

1370

00:46:23,510 --> 00:46:21,119

obviously we uh it's safe to assume that

1371

00:46:25,990 --> 00:46:23,520

the ratcliffe was specifically briefed

1372

00:46:27,510 --> 00:46:26,000

and got some very good information uh

1373

00:46:29,430 --> 00:46:27,520

which if any of these

1374

00:46:31,430 --> 00:46:29,440

three austin hicks and haynes have done

1375

00:46:32,230 --> 00:46:31,440

the same but that basically that's the

1376

00:46:34,790 --> 00:46:32,240

team now

1377

00:46:36,790 --> 00:46:34,800

any future information that comes out uh

1378

00:46:37,670 --> 00:46:36,800

regarding uh the ufo stuff that's in

1379

00:46:39,829 --> 00:46:37,680

this report

1380

00:46:41,349 --> 00:46:39,839

uh it's uh likely it's uh it's gonna

1381

00:46:42,069 --> 00:46:41,359

cross their desks or they're going to be

1382

00:46:44,309 --> 00:46:42,079

aware of it

1383

00:46:46,790 --> 00:46:44,319

and they might well be briefed on it so

1384

00:46:49,190 --> 00:46:46,800

we'll see what happens in that regard

1385

00:46:51,190 --> 00:46:49,200

uh jan any thoughts on that yeah i'm

1386

00:46:54,150 --> 00:46:51,200

going to wind some more

1387

00:46:54,870 --> 00:46:54,160

okay go ahead um that's what you're here

1388

00:46:58,950 --> 00:46:54,880

for

1389

00:47:01,589 --> 00:46:58,960

uh right i just think um

1390

00:47:03,349 --> 00:47:01,599

that this committee that is dedicated to

1391

00:47:07,589 --> 00:47:03,359

the topic of uh

1392

00:47:11,109 --> 00:47:07,599

uaps uh really what we're going to hear

1393

00:47:14,390 --> 00:47:11,119

um are just a lot more excuses

1394

00:47:14,790 --> 00:47:14,400

i'll explain that they have been giving

1395

00:47:22,950 --> 00:47:14,800

a

1396

00:47:24,630 --> 00:47:22,960

involved

1397

00:47:27,270 --> 00:47:24,640

and what happens when the us government

1398

00:47:27,910 --> 00:47:27,280

is involved in exotic topics like this

1399

00:47:31,589 --> 00:47:27,920

where they

1400

00:47:34,950 --> 00:47:33,589

with these kinds of committees that

1401

00:47:38,150 --> 00:47:34,960

they'll do something about

1402

00:47:41,109 --> 00:47:38,160

something and that is a kafka-esque

1403

00:47:42,790 --> 00:47:41,119

type of situation that occurs all by

1404

00:47:44,150 --> 00:47:42,800

itself very conveniently much the

1405

00:47:45,670 --> 00:47:44,160

benefit of the people who are

1406

00:47:48,309 --> 00:47:45,680

participating in that

1407

00:47:49,750 --> 00:47:48,319

alleged goal i say benefit because that

1408

00:47:51,670 --> 00:47:49,760

means i really don't have to end up

1409

00:47:53,190 --> 00:47:51,680

coming up with anything anyway and they

1410

00:47:55,990 --> 00:47:53,200

know that

1411

00:47:57,270 --> 00:47:56,000

um these bureaucratic nightmares that

1412

00:48:00,470 --> 00:47:57,280

are created

1413

00:48:02,710 --> 00:48:00,480

uh i think purposefully uh are are

1414

00:48:03,589 --> 00:48:02,720  
blamed on things like oh oh as

1415

00:48:05,910 --> 00:48:03,599  
coordination

1416

00:48:07,430 --> 00:48:05,920  
problems or we have flat decision

1417

00:48:09,670 --> 00:48:07,440  
structures or

1418

00:48:10,630 --> 00:48:09,680  
oh fake buckle we couldn't we couldn't

1419

00:48:13,589 --> 00:48:10,640  
uh you know

1420

00:48:15,030 --> 00:48:13,599  
meet the deadline it's just like i guess

1421

00:48:18,390 --> 00:48:15,040  
we can just expect

1422

00:48:21,109 --> 00:48:18,400  
the same kind of failure

1423

00:48:22,790 --> 00:48:21,119  
that we've seen in the past again people

1424

00:48:24,069 --> 00:48:22,800  
can accuse me of being extremely

1425

00:48:28,630 --> 00:48:24,079  
negative about this

1426

00:48:30,790 --> 00:48:28,640

it's based on fact though

1427

00:48:32,870 --> 00:48:30,800

and i'm not trying to be oh like i told

1428

00:48:35,670 --> 00:48:32,880

you so i'm really not

1429

00:48:37,270 --> 00:48:35,680

i'm just going based on history okay so

1430

00:48:39,510 --> 00:48:37,280

what i'm trying to do here

1431

00:48:41,510 --> 00:48:39,520

you want to finish up or can i interrupt

1432

00:48:43,430 --> 00:48:41,520

no you can't interrupt me i'll i do want

1433

00:48:47,589 --> 00:48:43,440

to say this

1434

00:48:48,069 --> 00:48:47,599

if i am wrong i i would be glad to be

1435

00:48:51,430 --> 00:48:48,079

wrong

1436

00:48:53,750 --> 00:48:51,440

sure because i want our us

1437

00:48:54,710 --> 00:48:53,760

government or any government for that

1438

00:48:58,630 --> 00:48:54,720

matter i

1439

00:49:01,109 --> 00:48:58,640

don't care what government it is okay

1440

00:49:02,150 --> 00:49:01,119

uh or even an individual just a private

1441

00:49:05,430 --> 00:49:02,160

citizen

1442

00:49:09,030 --> 00:49:05,440

to find something in our skies that

1443

00:49:13,349 --> 00:49:09,040

is so revealing it actually can become

1444

00:49:15,589 --> 00:49:13,359

a form of massive disclosure for all

1445

00:49:18,230 --> 00:49:15,599

because this is really all about

1446

00:49:22,150 --> 00:49:18,240

educating ourselves on what is out there

1447

00:49:24,630 --> 00:49:22,160

and i i really take such deep offense

1448

00:49:25,670 --> 00:49:24,640

at these little committees that are

1449

00:49:28,790 --> 00:49:25,680

created

1450

00:49:32,069 --> 00:49:28,800

which i find laughable because

1451

00:49:32,790 --> 00:49:32,079

nothing ever happens with regards to

1452

00:49:36,150 --> 00:49:32,800

them

1453

00:49:37,430 --> 00:49:36,160

and and in addition to that it's people

1454

00:49:40,790 --> 00:49:37,440

like you and i

1455

00:49:42,950 --> 00:49:40,800

who spend a copious amount of time with

1456

00:49:46,230 --> 00:49:42,960

voluminous amounts of information

1457

00:49:49,430 --> 00:49:46,240

of ufo-related data that goes back

1458

00:49:51,910 --> 00:49:49,440

oh decades that we've studied

1459

00:49:53,990 --> 00:49:51,920

and done a lot of research on we take

1460

00:49:55,109 --> 00:49:54,000

this topic extremely seriously if we

1461

00:49:56,309 --> 00:49:55,119

didn't we wouldn't be doing what we're

1462

00:49:58,870 --> 00:49:56,319

doing right

1463

00:50:00,309 --> 00:49:58,880

and not only that but there's other

1464

00:50:02,630 --> 00:50:00,319

people in the ufo community that have

1465

00:50:03,990 --> 00:50:02,640

spent their entire lives

1466

00:50:07,510 --> 00:50:04,000

i know somebody that's been studying

1467

00:50:09,670 --> 00:50:07,520

this topic since 1956

1468

00:50:11,430 --> 00:50:09,680

and do you think that they really have a

1469

00:50:13,829 --> 00:50:11,440

lot of hope for this committee

1470

00:50:15,510 --> 00:50:13,839

they don't they absolutely believe

1471

00:50:18,470 --> 00:50:15,520

nothing is going to come from this

1472

00:50:19,670 --> 00:50:18,480

again all based on the history of these

1473

00:50:22,390 --> 00:50:19,680

kinds of things

1474

00:50:23,109 --> 00:50:22,400

that are created as goals which never

1475

00:50:25,990 --> 00:50:23,119

end up

1476  
00:50:27,589 --> 00:50:26,000  
coming to any kind of conclusion at all

1477  
00:50:30,230 --> 00:50:27,599  
that is meaningful

1478  
00:50:32,069 --> 00:50:30,240  
can i interrupt now yeah i'm maintaining

1479  
00:50:33,829 --> 00:50:32,079  
an open mind

1480  
00:50:35,990 --> 00:50:33,839  
and it really and this is the reason why

1481  
00:50:39,510 --> 00:50:36,000  
i put together this goofy little graphic

1482  
00:50:42,710 --> 00:50:39,520  
i mean it is on these three individuals

1483  
00:50:45,670 --> 00:50:42,720  
austin hicks and haynes it is on them

1484  
00:50:47,349 --> 00:50:45,680  
it is up to them so the the the buck

1485  
00:50:50,390 --> 00:50:47,359  
stops with somebody on this

1486  
00:50:51,349 --> 00:50:50,400  
and if this uh this report is delayed

1487  
00:50:53,750 --> 00:50:51,359  
significantly

1488  
00:50:56,549 --> 00:50:53,760

or when it comes out it uh proves to be

1489

00:50:58,470 --> 00:50:56,559

a profound disappointment

1490

00:51:00,230 --> 00:50:58,480

those those are the the people you need

1491

00:51:01,270 --> 00:51:00,240

to blame because they're the ones who

1492

00:51:03,030 --> 00:51:01,280

are in charge now

1493

00:51:04,790 --> 00:51:03,040

now it's nice to see ratcliffe come out

1494

00:51:06,470 --> 00:51:04,800

and uh who knows maybe esper and

1495

00:51:08,230 --> 00:51:06,480

norquist will do the same thing i

1496

00:51:10,710 --> 00:51:08,240

you know i don't know it's not not

1497

00:51:12,069 --> 00:51:10,720

impossible and i think you have i

1498

00:51:14,309 --> 00:51:12,079

i would like to say something about what

1499

00:51:15,750 --> 00:51:14,319

you said i do think you have a great

1500

00:51:17,430 --> 00:51:15,760

point you know like those are the people

1501  
00:51:18,950 --> 00:51:17,440  
we do need to look to because they were

1502  
00:51:21,109 --> 00:51:18,960  
responsible for various things

1503  
00:51:22,870 --> 00:51:21,119  
however buck stops with them uh-huh

1504  
00:51:26,150 --> 00:51:22,880  
right however

1505  
00:51:27,270 --> 00:51:26,160  
um the problem with society with regards

1506  
00:51:31,109 --> 00:51:27,280  
to this

1507  
00:51:34,790 --> 00:51:33,190  
and the sad thing regarding what i'm

1508  
00:51:36,790 --> 00:51:34,800  
about to say the end result

1509  
00:51:39,510 --> 00:51:36,800  
it's meaningless okay but but the sad

1510  
00:51:41,270 --> 00:51:39,520  
thing is is that our society has a very

1511  
00:51:43,910 --> 00:51:41,280  
very short memory

1512  
00:51:45,510 --> 00:51:43,920  
very short like and i don't i don't mean

1513  
00:51:47,430 --> 00:51:45,520

to sound like i'm 90 years old like oh

1514

00:51:48,069 --> 00:51:47,440

our generate the newest generations like

1515

00:51:50,710 --> 00:51:48,079

they have the

1516

00:51:51,270 --> 00:51:50,720

attention span of a baby gnat okay but

1517

00:51:53,510 --> 00:51:51,280

it is

1518

00:51:54,870 --> 00:51:53,520

true whether it's older or newer

1519

00:51:57,510 --> 00:51:54,880

generations

1520

00:51:59,270 --> 00:51:57,520

our minds have uh sped up to the point

1521

00:52:02,470 --> 00:51:59,280

regarding our attention span

1522

00:52:05,910 --> 00:52:02,480

that we can't keep our mind uh you know

1523

00:52:07,270 --> 00:52:05,920

uh occupied on topics like this for any

1524

00:52:09,589 --> 00:52:07,280

meaningful amount of time at

1525

00:52:11,349 --> 00:52:09,599

all because technology if anything has

1526

00:52:14,470 --> 00:52:11,359

trained us not to

1527

00:52:16,950 --> 00:52:14,480

so anyway uh

1528

00:52:17,990 --> 00:52:16,960

i would again love to be wrong but these

1529

00:52:19,589 --> 00:52:18,000

dreams they flicker

1530

00:52:21,030 --> 00:52:19,599

in front of us like little carrots you

1531

00:52:23,430 --> 00:52:21,040

know they dangle like

1532

00:52:24,870 --> 00:52:23,440

you know just in front of us like oh you

1533

00:52:26,870 --> 00:52:24,880

know it's so in reach

1534

00:52:28,950 --> 00:52:26,880

you know uh this this little struggle to

1535

00:52:30,790 --> 00:52:28,960

find out more about this topic

1536

00:52:32,230 --> 00:52:30,800

um that's actually considered one of the

1537

00:52:34,150 --> 00:52:32,240

top topics

1538

00:52:35,510 --> 00:52:34,160

that the us government could ever worry

1539

00:52:37,990 --> 00:52:35,520

about and

1540

00:52:39,270 --> 00:52:38,000

will we find out anything i i just don't

1541

00:52:42,309 --> 00:52:39,280

think we will

1542

00:52:43,109 --> 00:52:42,319

sorry to say well thanks for brightening

1543

00:52:46,069 --> 00:52:43,119

the mood

1544

00:52:48,069 --> 00:52:46,079

yes actually i still remain open-minded

1545

00:52:50,950 --> 00:52:48,079

and uh cautiously optimistic

1546

00:52:51,990 --> 00:52:50,960

well no more i mean this is uh uh you

1547

00:52:53,990 --> 00:52:52,000

talked about

1548

00:52:55,829 --> 00:52:54,000

uh some folks uh being involved in this

1549

00:52:57,190 --> 00:52:55,839

uh longer than uh you and i have been

1550

00:52:59,510 --> 00:52:57,200

alive you know

1551  
00:53:00,390 --> 00:52:59,520  
so and that that is a fact you know no

1552  
00:53:01,829 --> 00:53:00,400  
doubt about it

1553  
00:53:03,430 --> 00:53:01,839  
the people have gotten interested in

1554  
00:53:06,549 --> 00:53:03,440  
this and

1555  
00:53:10,790 --> 00:53:06,559  
initially uh back in december of 2017

1556  
00:53:13,990 --> 00:53:10,800  
into the early part of 2018 i was uh

1557  
00:53:15,589 --> 00:53:14,000  
excuse me i was you know probably

1558  
00:53:17,430 --> 00:53:15,599  
a little overly optimistic i thought

1559  
00:53:18,870 --> 00:53:17,440  
we'd learn a lot more a lot faster

1560  
00:53:21,109 --> 00:53:18,880  
because it turned out it didn't

1561  
00:53:23,190 --> 00:53:21,119  
didn't happen that way but even in some

1562  
00:53:23,750 --> 00:53:23,200  
of my correspondence with folks uh back

1563  
00:53:26,069 --> 00:53:23,760

then

1564

00:53:27,829 --> 00:53:26,079

uh there's sort of a best-case scenario

1565

00:53:29,829 --> 00:53:27,839

and a worst case scenario and

1566

00:53:31,670 --> 00:53:29,839

my sort of worst case scenario really

1567

00:53:33,670 --> 00:53:31,680

wasn't that bad when you think about it

1568

00:53:34,870 --> 00:53:33,680

we'll continue to find out more about

1569

00:53:37,430 --> 00:53:34,880

ufos

1570

00:53:38,230 --> 00:53:37,440

and i think that has absolutely happened

1571

00:53:42,390 --> 00:53:38,240

and i think

1572

00:53:45,670 --> 00:53:42,400

whatever is in this particular report

1573

00:53:48,069 --> 00:53:45,680

will tell us more about it yeah

1574

00:53:49,349 --> 00:53:48,079

we'll know more about usos it'll provide

1575

00:53:50,790 --> 00:53:49,359

leads to some of those

1576  
00:53:52,950 --> 00:53:50,800  
great researchers who've been at this

1577  
00:53:55,109 --> 00:53:52,960  
for decades and know how to take

1578  
00:53:57,030 --> 00:53:55,119  
the tiniest little bit of information

1579  
00:53:58,950 --> 00:53:57,040  
and turn them into four-year requests

1580  
00:54:03,030 --> 00:53:58,960  
where we get even more information

1581  
00:54:06,069 --> 00:54:03,040  
so you and i both know just

1582  
00:54:09,030 --> 00:54:06,079  
really interesting people who have spent

1583  
00:54:10,710 --> 00:54:09,040  
again decades of their life filling out

1584  
00:54:13,829 --> 00:54:10,720  
those very

1585  
00:54:16,549 --> 00:54:13,839  
dry looking forms with the dry data

1586  
00:54:18,230 --> 00:54:16,559  
just to find out something amazing all

1587  
00:54:19,349 --> 00:54:18,240  
for free you know they but they put

1588  
00:54:21,030 --> 00:54:19,359

their money into it

1589

00:54:22,470 --> 00:54:21,040

they've spent oh some people spent

1590

00:54:23,430 --> 00:54:22,480

hundreds of dollars filling out foia

1591

00:54:26,870 --> 00:54:23,440

requests

1592

00:54:29,589 --> 00:54:26,880

for years all just to

1593

00:54:30,710 --> 00:54:29,599

help educate everybody on the planet at

1594

00:54:32,230 --> 00:54:30,720

their expense

1595

00:54:34,710 --> 00:54:32,240

so we can find out more about the ufo

1596

00:54:36,230 --> 00:54:34,720

topic hoping that the us government or

1597

00:54:40,390 --> 00:54:36,240

other governments around the world will

1598

00:54:43,349 --> 00:54:40,400

accidentally or meaning meaning to

1599

00:54:44,549 --> 00:54:43,359

purposefully or not leak data to us that

1600

00:54:47,030 --> 00:54:44,559

we want to find out

1601  
00:54:48,549 --> 00:54:47,040  
more information about regarding the ufo

1602  
00:54:51,670 --> 00:54:48,559  
topic now

1603  
00:54:53,670 --> 00:54:51,680  
two things you notice yeah you notice

1604  
00:54:55,109 --> 00:54:53,680  
that i let you interrupt me just uh just

1605  
00:54:57,030 --> 00:54:55,119  
put that out yes go ahead keep going

1606  
00:54:58,390 --> 00:54:57,040  
with your two things because i have more

1607  
00:55:02,390 --> 00:54:58,400  
i want to say

1608  
00:55:05,510 --> 00:55:02,400  
okay well that's fine um

1609  
00:55:07,190 --> 00:55:05,520  
et's will be the ones to report anything

1610  
00:55:09,829 --> 00:55:07,200  
meaningful to us

1611  
00:55:12,549 --> 00:55:09,839  
okay that's my perspective at this point

1612  
00:55:14,789 --> 00:55:12,559  
if we're if i had to put my money down

1613  
00:55:16,950 --> 00:55:14,799

on i'll just say the us government for

1614

00:55:20,230 --> 00:55:16,960

example or first world country

1615

00:55:21,990 --> 00:55:20,240

revealing anything of import

1616

00:55:24,309 --> 00:55:22,000

i would put my money down on the ets

1617

00:55:25,829 --> 00:55:24,319

first that's how bureaucratic that's how

1618

00:55:26,309 --> 00:55:25,839

much of a bureaucratic nightmare they

1619

00:55:29,990 --> 00:55:26,319

are

1620

00:55:32,309 --> 00:55:30,000

those those entities

1621

00:55:33,349 --> 00:55:32,319

the uh the u.s government or canadian or

1622

00:55:36,470 --> 00:55:33,359

english

1623

00:55:38,069 --> 00:55:36,480

governments and in addition to that uh

1624

00:55:39,990 --> 00:55:38,079

the part two is it'd be a private

1625

00:55:41,750 --> 00:55:40,000

citizen that would find anything

1626  
00:55:44,069 --> 00:55:41,760  
but even then i'm not sure anybody would

1627  
00:55:46,950 --> 00:55:44,079  
believe it because of the capability of

1628  
00:55:47,589 --> 00:55:46,960  
deep fake technology so that goes

1629  
00:55:50,069 --> 00:55:47,599  
against

1630  
00:55:51,750 --> 00:55:50,079  
that uh you know that that's going to

1631  
00:55:55,109 --> 00:55:51,760  
work against people too if they have

1632  
00:55:58,230 --> 00:55:55,119  
authentic and genuine uh footage

1633  
00:55:59,270 --> 00:55:58,240  
um then then they would have to grapple

1634  
00:56:02,950 --> 00:55:59,280  
with

1635  
00:56:04,710 --> 00:56:02,960  
discernment well is it deep fake that

1636  
00:56:07,990 --> 00:56:04,720  
we're looking at we don't know

1637  
00:56:10,309 --> 00:56:08,000  
and the problem with deep fakes is now

1638  
00:56:11,589 --> 00:56:10,319

the technology is so good and what's so

1639

00:56:13,910 --> 00:56:11,599

disturbing about it

1640

00:56:15,829 --> 00:56:13,920

is we have artificial intelligence now

1641

00:56:19,030 --> 00:56:15,839

that can't even tell if it's artificial

1642

00:56:21,109 --> 00:56:19,040

intelligence it's looking at

1643

00:56:22,470 --> 00:56:21,119

or we can be confident that the

1644

00:56:24,789 --> 00:56:22,480

interviews that we saw

1645

00:56:26,549 --> 00:56:24,799

over the last week to 10 days are

1646

00:56:27,510 --> 00:56:26,559

anything but deep fakes those were the

1647

00:56:29,030 --> 00:56:27,520

real people

1648

00:56:30,950 --> 00:56:29,040

they said what they said they're key

1649

00:56:33,270 --> 00:56:30,960

people and all this and

1650

00:56:35,109 --> 00:56:33,280

uh basically i think it was a very good

1651

00:56:36,950 --> 00:56:35,119

little uh stretch of time

1652

00:56:38,309 --> 00:56:36,960

for news i mean we know a little bit

1653

00:56:40,309 --> 00:56:38,319

more uh

1654

00:56:42,069 --> 00:56:40,319

and uh that i think that's a good thing

1655

00:56:44,870 --> 00:56:42,079

so i'm not unhappy about that at all

1656

00:56:47,030 --> 00:56:44,880

now one thing uh i did i want to move

1657

00:56:49,109 --> 00:56:47,040

forward and talk about the nature of the

1658

00:56:52,870 --> 00:56:49,119

media that is covering this

1659

00:56:54,549 --> 00:56:52,880

because i'm sorry i wanted to read steve

1660

00:56:57,109 --> 00:56:54,559

bassett's tiny quote

1661

00:56:58,069 --> 00:56:57,119

um which is important that way folks can

1662

00:57:00,710 --> 00:56:58,079

hear from

1663

00:57:01,750 --> 00:57:00,720

the person that's lobbying in washington

1664

00:57:03,430 --> 00:57:01,760

on the uap

1665

00:57:05,670 --> 00:57:03,440

topic on all of our behalf whether

1666

00:57:08,789 --> 00:57:05,680

you're in the ufo community or not

1667

00:57:11,670 --> 00:57:08,799

and i asked steve bassett uh was today

1668

00:57:11,990 --> 00:57:11,680

before the show i asked him what are

1669

00:57:14,309 --> 00:57:12,000

your

1670

00:57:15,750 --> 00:57:14,319

thoughts on the trending news regarding

1671

00:57:17,910 --> 00:57:15,760

the ufo topic

1672

00:57:19,109 --> 00:57:17,920

and he said there's two ways the june

1673

00:57:22,470 --> 00:57:19,119

report can go down

1674

00:57:25,510 --> 00:57:22,480

one elements within the mic

1675

00:57:25,990 --> 00:57:25,520

the military intelligence corps opposed

1676  
00:57:28,549 --> 00:57:26,000  
to

1677  
00:57:30,470 --> 00:57:28,559  
the disclosure process will get control

1678  
00:57:32,230 --> 00:57:30,480  
and serve up a nothing burger

1679  
00:57:34,230 --> 00:57:32,240  
giving the congressional committee

1680  
00:57:36,309 --> 00:57:34,240  
chairs an excuse to put off indefinitely

1681  
00:57:38,950 --> 00:57:36,319  
hearings for military or witnesses

1682  
00:57:39,990 --> 00:57:38,960  
or two it will be a strong report making

1683  
00:57:42,309 --> 00:57:40,000  
it easier on the committee

1684  
00:57:43,990 --> 00:57:42,319  
chairs to hold hearings it is the first

1685  
00:57:44,950 --> 00:57:44,000  
outcome that prompts me to press for

1686  
00:57:46,950 --> 00:57:44,960  
hearings

1687  
00:57:48,789 --> 00:57:46,960  
before the report is delivered well this

1688  
00:57:51,510 --> 00:57:48,799

is certainly possible

1689

00:57:54,150 --> 00:57:51,520

i imagine the extended pandemic and

1690

00:57:56,470 --> 00:57:54,160

continuance of political bad behavior

1691

00:57:57,990 --> 00:57:56,480

makes that less likely with each passing

1692

00:58:00,630 --> 00:57:58,000

week go ahead frank thanks

1693

00:58:01,670 --> 00:58:00,640

okay yeah i just uh wanted to make a

1694

00:58:04,390 --> 00:58:01,680

real quick point

1695

00:58:05,990 --> 00:58:04,400

about the the nature of the report uh

1696

00:58:07,510 --> 00:58:06,000

let's uh it's a it's gonna be a paper

1697

00:58:08,069 --> 00:58:07,520

it's gonna be a report okay so let's

1698

00:58:11,190 --> 00:58:08,079

assume

1699

00:58:14,150 --> 00:58:11,200

that it follows the broad general form

1700

00:58:14,789 --> 00:58:14,160

of a scientific paper or an academic

1701

00:58:17,109 --> 00:58:14,799

paper

1702

00:58:18,789 --> 00:58:17,119

that there is uh basically uh we know

1703

00:58:21,430 --> 00:58:18,799

that we're going to get an abstract

1704

00:58:23,109 --> 00:58:21,440

that much we know we know that there's

1705

00:58:24,390 --> 00:58:23,119

going to be a classified end of things

1706

00:58:26,390 --> 00:58:24,400

so let's look at the

1707

00:58:28,549 --> 00:58:26,400

uh classified end of things as sort of

1708

00:58:29,349 --> 00:58:28,559

the uh the footnotes the references and

1709

00:58:30,549 --> 00:58:29,359

things like that

1710

00:58:32,789 --> 00:58:30,559

and then there's going to be something

1711

00:58:34,309 --> 00:58:32,799

in the middle okay now the the key is

1712

00:58:37,190 --> 00:58:34,319

what is that thing in the middle

1713

00:58:38,309 --> 00:58:37,200

is it is a more of that going to be

1714

00:58:40,390 --> 00:58:38,319

declassified

1715

00:58:41,349 --> 00:58:40,400

or are we just going to get an abstract

1716

00:58:44,630 --> 00:58:41,359

was kind of a

1717

00:58:45,750 --> 00:58:44,640

vague mealy mouth response uh or

1718

00:58:48,150 --> 00:58:45,760

are we going to get a pretty good

1719

00:58:50,630 --> 00:58:48,160

abstract with very little

1720

00:58:52,309 --> 00:58:50,640

as far as the the body of the report uh

1721

00:58:55,349 --> 00:58:52,319

being uh declassified

1722

00:58:56,789 --> 00:58:55,359

that that i think uh

1723

00:58:58,630 --> 00:58:56,799

they're going to want to try to avoid

1724

00:58:59,829 --> 00:58:58,640

because that's going to raise a lot of

1725

00:59:02,069 --> 00:58:59,839

questions uh

1726

00:59:02,870 --> 00:59:02,079

basically what we should get what we

1727

00:59:05,990 --> 00:59:02,880

should get

1728

00:59:07,430 --> 00:59:06,000

is a a very good abstract and we should

1729

00:59:09,910 --> 00:59:07,440

get a very good report

1730

00:59:11,349 --> 00:59:09,920

and then obviously uh whatever details

1731

00:59:14,549 --> 00:59:11,359

uh regarding

1732

00:59:16,230 --> 00:59:14,559

uh the the the the references that uh

1733

00:59:18,069 --> 00:59:16,240

might be included in the report that

1734

00:59:19,349 --> 00:59:18,079

declassify that you know you don't want

1735

00:59:21,430 --> 00:59:19,359

to give a

1736

00:59:23,510 --> 00:59:21,440

specific maybe locations maybe you don't

1737

00:59:25,910 --> 00:59:23,520

want to give a specifics about

1738

00:59:27,510 --> 00:59:25,920

gear that was used uh for some of the

1739

00:59:29,030 --> 00:59:27,520

remote sensing although

1740

00:59:30,549 --> 00:59:29,040

that kind of stuff is uh probably has

1741

00:59:32,069 --> 00:59:30,559

been out and you know again with

1742

00:59:34,789 --> 00:59:32,079

raytheon we saw them

1743

00:59:35,510 --> 00:59:34,799

take full credit in an article at their

1744

00:59:38,549 --> 00:59:35,520

website

1745

00:59:39,030 --> 00:59:38,559

uh after the december 2017 article came

1746

00:59:40,870 --> 00:59:39,040

out

1747

00:59:42,870 --> 00:59:40,880

so i'm not so sure how much they

1748

00:59:44,630 --> 00:59:42,880

actually need to have declassified they

1749

00:59:45,430 --> 00:59:44,640

might want to redact names personal

1750

00:59:48,230 --> 00:59:45,440

information

1751  
00:59:50,549 --> 00:59:48,240  
like you know captain chan hannah was

1752  
00:59:52,150 --> 00:59:50,559  
flying her f22 and saw this you know

1753  
00:59:54,069 --> 00:59:52,160  
maybe chan hannah's name doesn't

1754  
00:59:56,390 --> 00:59:54,079  
necessarily need to be in the report

1755  
00:59:57,349 --> 00:59:56,400  
that kind of thing might be down in a

1756  
00:59:59,910 --> 00:59:57,359  
classified

1757  
01:00:00,390 --> 00:59:59,920  
reference section but i don't see any

1758  
01:00:04,390 --> 01:00:00,400  
reason

1759  
01:00:07,270 --> 01:00:04,400  
why not and why we shouldn't uh

1760  
01:00:08,230 --> 01:00:07,280  
see a very strong abstract and a very

1761  
01:00:11,109 --> 01:00:08,240  
strong report

1762  
01:00:13,589 --> 01:00:11,119  
i don't see any reason why but i don't

1763  
01:00:15,510 --> 01:00:13,599

see too much point in pre-judging

1764

01:00:16,710 --> 01:00:15,520

before the report comes out that we'll

1765

01:00:18,390 --> 01:00:16,720

we'll see what it is

1766

01:00:19,829 --> 01:00:18,400

and if it's disappointing you know that

1767

01:00:21,430 --> 01:00:19,839

we're going to say it here we're not

1768

01:00:23,030 --> 01:00:21,440

afraid to say what we think so if it's

1769

01:00:24,069 --> 01:00:23,040

disappointing then it's disappointing

1770

01:00:28,150 --> 01:00:24,079

we'll say that

1771

01:00:29,589 --> 01:00:28,160

but if it's quite compelling and quite

1772

01:00:32,950 --> 01:00:29,599

interesting and quite important

1773

01:00:36,069 --> 01:00:34,710

um i wanted to just mention something

1774

01:00:38,789 --> 01:00:36,079

random

1775

01:00:39,589 --> 01:00:38,799

and that is um there are people out

1776

01:00:43,109 --> 01:00:39,599

there

1777

01:00:45,349 --> 01:00:43,119

that are actually dumb enough to try and

1778

01:00:46,230 --> 01:00:45,359

shoot things down in the skies that they

1779

01:00:49,910 --> 01:00:46,240

see just

1780

01:00:51,910 --> 01:00:49,920

just do it just randomly and i just want

1781

01:00:52,789 --> 01:00:51,920

to really encourage people to not do

1782

01:00:56,230 --> 01:00:52,799

that

1783

01:00:59,430 --> 01:00:56,240

drones

1784

01:01:01,750 --> 01:00:59,440

are everywhere i i remember um

1785

01:01:02,870 --> 01:01:01,760

one christmas uh because i have a large

1786

01:01:05,589 --> 01:01:02,880

family

1787

01:01:07,430 --> 01:01:05,599

there were a lot of my friends and um

1788

01:01:09,670 --> 01:01:07,440

some of my family members

1789

01:01:10,870 --> 01:01:09,680

got an ungodly amount of drones for

1790

01:01:12,789 --> 01:01:10,880

christmas i mean

1791

01:01:15,030 --> 01:01:12,799

you can't even go to walmart and not see

1792

01:01:16,870 --> 01:01:15,040

one in the aisle some more and

1793

01:01:18,309 --> 01:01:16,880

so since we all agree they are

1794

01:01:19,750 --> 01:01:18,319

everywhere they're all around the planet

1795

01:01:21,510 --> 01:01:19,760

because they're being made more

1796

01:01:23,430 --> 01:01:21,520

now than ever and every little kid on

1797

01:01:25,910 --> 01:01:23,440

every block seems to have one

1798

01:01:27,589 --> 01:01:25,920

it's really vitally important that you

1799

01:01:27,829 --> 01:01:27,599

do not do it because you can be charged

1800

01:01:29,270 --> 01:01:27,839

with

1801

01:01:32,470 --> 01:01:29,280

wanton endangerment and criminal

1802

01:01:34,710 --> 01:01:32,480

mischief um

1803

01:01:36,789 --> 01:01:34,720

somebody else's property you know you're

1804

01:01:38,390 --> 01:01:36,799

absolutely right they're violating uh

1805

01:01:39,990 --> 01:01:38,400

the right to somebody's have their

1806

01:01:43,910 --> 01:01:40,000

property up in the air

1807

01:01:45,670 --> 01:01:43,920

now that person who's uh committing to

1808

01:01:47,349 --> 01:01:45,680

flying the drone might be actually

1809

01:01:48,309 --> 01:01:47,359

impinging on someone else's private

1810

01:01:50,870 --> 01:01:48,319

property however

1811

01:01:51,990 --> 01:01:50,880

let the law deal with it but anyway what

1812

01:01:53,990 --> 01:01:52,000

i was going to say is it's

1813

01:01:56,549 --> 01:01:54,000

interesting that uh people are saying

1814

01:01:59,750 --> 01:01:56,559

that these are uas which is unmanned um

1815

01:02:01,510 --> 01:01:59,760

the ideas unmanned drones and uh i don't

1816

01:02:05,589 --> 01:02:01,520

mean to be funny or anything but

1817

01:02:07,510 --> 01:02:05,599

you know with et civilizations plural

1818

01:02:08,789 --> 01:02:07,520

we have no idea how small or big they

1819

01:02:10,549 --> 01:02:08,799

are and it could be both

1820

01:02:11,829 --> 01:02:10,559

or nothing they could be you know

1821

01:02:15,190 --> 01:02:11,839

intangible

1822

01:02:17,430 --> 01:02:15,200

um like a ray bradbury story for example

1823

01:02:19,190 --> 01:02:17,440

where they're just like spheres that you

1824

01:02:20,390 --> 01:02:19,200

can't touch but you can sort of see them

1825

01:02:22,950 --> 01:02:20,400

or sense them

1826  
01:02:23,750 --> 01:02:22,960  
and um you know those drones that we're

1827  
01:02:26,710 --> 01:02:23,760  
seeing

1828  
01:02:27,670 --> 01:02:26,720  
there could indeed really be something

1829  
01:02:30,630 --> 01:02:27,680  
that small

1830  
01:02:31,029 --> 01:02:30,640  
that is an e.t in them how bad would you

1831  
01:02:32,710 --> 01:02:31,039  
feel

1832  
01:02:34,870 --> 01:02:32,720  
hopefully you have a conscience enough

1833  
01:02:36,950 --> 01:02:34,880  
to feel something if you decide to

1834  
01:02:39,589 --> 01:02:36,960  
actually tack something like that

1835  
01:02:40,789 --> 01:02:39,599  
so uh just before you pull the trigger

1836  
01:02:44,470 --> 01:02:40,799  
on anything

1837  
01:02:47,510 --> 01:02:44,480  
you know please think again don't do it

1838  
01:02:52,309 --> 01:02:49,750

let's shift gears a little bit and talk

1839

01:02:54,150 --> 01:02:52,319

about uh the ufo community a little bit

1840

01:02:56,069 --> 01:02:54,160

and sometimes their responses

1841

01:02:58,390 --> 01:02:56,079

uh and we're also going to get into

1842

01:03:01,510 --> 01:02:58,400

something that i know you went off on

1843

01:03:03,349 --> 01:03:01,520

a few days ago there's been some

1844

01:03:06,710 --> 01:03:03,359

handwringing related to

1845

01:03:07,510 --> 01:03:06,720

uh the uh the the mainstream media

1846

01:03:09,510 --> 01:03:07,520

outlets uh

1847

01:03:11,190 --> 01:03:09,520

uh that are covering this story i mean

1848

01:03:12,710 --> 01:03:11,200

fox has led the way on the story they've

1849

01:03:15,109 --> 01:03:12,720

covered it more than anyone else

1850

01:03:16,870 --> 01:03:15,119

and of course uh leaning a little more

1851

01:03:19,430 --> 01:03:16,880

than a little bit to the right in terms

1852

01:03:21,910 --> 01:03:19,440

of their general political overview

1853

01:03:22,789 --> 01:03:21,920

they uh they have come in for some

1854

01:03:24,950 --> 01:03:22,799

criticism

1855

01:03:26,230 --> 01:03:24,960

uh i would say that things are pretty

1856

01:03:28,309 --> 01:03:26,240

well divided

1857

01:03:29,510 --> 01:03:28,319

obviously among people who don't like

1858

01:03:31,190 --> 01:03:29,520

fox

1859

01:03:32,950 --> 01:03:31,200

some of them are willing to accept the

1860

01:03:33,589 --> 01:03:32,960

facts hey fox is doing it and the others

1861

01:03:34,710 --> 01:03:33,599

aren't so

1862

01:03:36,789 --> 01:03:34,720

you know we'll give credit where

1863

01:03:39,349 --> 01:03:36,799

credit's due when they do it uh but

1864

01:03:39,829 --> 01:03:39,359

in general we're not fox fans so there's

1865

01:03:41,750 --> 01:03:39,839

that

1866

01:03:43,670 --> 01:03:41,760

and then there are others who simply if

1867

01:03:46,710 --> 01:03:43,680

it's from fox it's crap

1868

01:03:48,150 --> 01:03:46,720

now uh this uh this tweet that that

1869

01:03:51,589 --> 01:03:48,160

popped up this week

1870

01:03:53,510 --> 01:03:51,599

uh from keith olbermann who is a pretty

1871

01:03:54,230 --> 01:03:53,520

famous media guy he's had a number of

1872

01:03:55,589 --> 01:03:54,240

jobs uh

1873

01:03:58,150 --> 01:03:55,599

over the years at a number of

1874

01:04:01,670 --> 01:03:58,160

high-profile mainstream outlets uh

1875

01:04:02,710 --> 01:04:01,680

he responded to jeremy corbell posting

1876

01:04:05,029 --> 01:04:02,720

the video

1877

01:04:06,230 --> 01:04:05,039

to the ratcliffe interview over on fox

1878

01:04:08,950 --> 01:04:06,240

uh you're taking

1879

01:04:09,589 --> 01:04:08,960

uh maria bartiromo fox news and this

1880

01:04:11,589 --> 01:04:09,599

fastest

1881

01:04:12,950 --> 01:04:11,599

liar ratcliffe as if they're even

1882

01:04:15,829 --> 01:04:12,960

occasionally credible

1883

01:04:16,309 --> 01:04:15,839

this is one step up from the cue cult

1884

01:04:18,230 --> 01:04:16,319

and

1885

01:04:19,430 --> 01:04:18,240

of course one thing that's nice is when

1886

01:04:21,829 --> 01:04:19,440

these public figures

1887

01:04:23,829 --> 01:04:21,839

uh are critical of the ufo topic or how

1888

01:04:25,910 --> 01:04:23,839

it's covered or whatever the case may be

1889

01:04:26,870 --> 01:04:25,920

they get a lot of pushback so that's

1890

01:04:29,270 --> 01:04:26,880

good to see

1891

01:04:30,870 --> 01:04:29,280

i think the ufo community is uh pretty

1892

01:04:32,950 --> 01:04:30,880

well mobilized again

1893

01:04:34,390 --> 01:04:32,960

uh you just have to look at the

1894

01:04:35,910 --> 01:04:34,400

particular individuals

1895

01:04:38,390 --> 01:04:35,920

as you know when you're talking about

1896

01:04:39,270 --> 01:04:38,400

ufos uh talk about however they're

1897

01:04:41,190 --> 01:04:39,280

involved

1898

01:04:43,270 --> 01:04:41,200

related to the ufos and don't get

1899

01:04:45,750 --> 01:04:43,280

sidetracked with the other stuff

1900

01:04:46,950 --> 01:04:45,760

that is another thing that is not

1901

01:04:49,430 --> 01:04:46,960

helping disclosure

1902

01:04:51,589 --> 01:04:49,440

oh rubio said something well rubio's a

1903

01:04:53,109 --> 01:04:51,599

republican i hate republicans blah blah

1904

01:04:54,710 --> 01:04:53,119

and so on and so forth and

1905

01:04:56,630 --> 01:04:54,720

even though we know that there's

1906

01:04:57,430 --> 01:04:56,640

actually a lot of bipartisan interest in

1907

01:04:59,670 --> 01:04:57,440

all this and

1908

01:05:00,470 --> 01:04:59,680

i've never really seen a whole lot of

1909

01:05:03,829 --> 01:05:00,480

evidence

1910

01:05:06,069 --> 01:05:03,839

uh regarding the ufo stuff and in terms

1911

01:05:07,990 --> 01:05:06,079

of a partisanship although

1912

01:05:09,750 --> 01:05:08,000

rand paul did make some disparaging

1913

01:05:10,470 --> 01:05:09,760

comments about the a-tip program not

1914

01:05:12,470 --> 01:05:10,480

long ago

1915

01:05:13,910 --> 01:05:12,480

but that doesn't come up that often so

1916

01:05:17,430 --> 01:05:13,920

there's oberman's comments

1917

01:05:17,990 --> 01:05:17,440

regarding that and then we've got elon

1918

01:05:20,150 --> 01:05:18,000

musk

1919

01:05:21,349 --> 01:05:20,160

posting something regarding strongest

1920

01:05:24,309 --> 01:05:21,359

argument against

1921

01:05:26,549 --> 01:05:24,319

uh aliens camera resolute uh resolution

1922

01:05:29,029 --> 01:05:26,559

versus ufo picture resolution

1923

01:05:30,069 --> 01:05:29,039

uh you uh decided to make a comment on

1924

01:05:33,589 --> 01:05:30,079

that

1925

01:05:36,069 --> 01:05:33,599

uh the slides out of the way

1926

01:05:38,230 --> 01:05:36,079

and then also yet another uh comment

1927

01:05:40,230 --> 01:05:38,240

from neil degrasse tyson it's the very

1928

01:05:42,150 --> 01:05:40,240

fact that i continually review

1929

01:05:43,910 --> 01:05:42,160

uh the ufo literature that leaves me

1930

01:05:46,069 --> 01:05:43,920

unconvinced that we've been visited

1931

01:05:47,589 --> 01:05:46,079

uh by intelligent aliens from another

1932

01:05:50,710 --> 01:05:47,599

planet uh that

1933

01:05:52,710 --> 01:05:50,720

uh raises the question now which uh ufo

1934

01:05:53,990 --> 01:05:52,720

literature have you been reviewing i'm

1935

01:05:55,190 --> 01:05:54,000

not sure you're looking at the good

1936

01:05:57,430 --> 01:05:55,200

stuff but okay

1937

01:05:59,430 --> 01:05:57,440

uh but i have no intentions of stopping

1938

01:06:01,190 --> 01:05:59,440

your search uh maybe one day you'll bag

1939

01:06:04,950 --> 01:06:01,200

one i'll be delighted to meet them

1940

01:06:06,470 --> 01:06:04,960

uh so chant again sometimes you do have

1941

01:06:09,109 --> 01:06:06,480

some famous folks

1942

01:06:10,470 --> 01:06:09,119

coming forward and talking about the ufo

1943

01:06:13,190 --> 01:06:10,480

stuff in a positive light

1944

01:06:13,910 --> 01:06:13,200

but then you also have uh the occasional

1945

01:06:16,470 --> 01:06:13,920

cheap shot

1946

01:06:17,029 --> 01:06:16,480

and uh that is never a good thing so uh

1947

01:06:20,390 --> 01:06:17,039

you

1948

01:06:20,950 --> 01:06:20,400

actually responded uh to the elon musk

1949

01:06:22,950 --> 01:06:20,960

tweet

1950

01:06:24,309 --> 01:06:22,960

and uh do you have that in front of you

1951

01:06:25,109 --> 01:06:24,319

you want to go ahead and read it because

1952

01:06:27,349 --> 01:06:25,119

the test

1953

01:06:29,670 --> 01:06:27,359

text is a little small in front of me so

1954

01:06:32,069 --> 01:06:29,680

now i just want to preface

1955

01:06:33,829 --> 01:06:32,079

what i'm about to say with this please

1956

01:06:35,349 --> 01:06:33,839

don't think anybody i really thought

1957

01:06:38,870 --> 01:06:35,359

elon was gonna respond to me

1958

01:06:40,950 --> 01:06:38,880

okay however i couldn't let his stupid

1959

01:06:41,670 --> 01:06:40,960

mama about ufos go by without having

1960

01:06:43,589 --> 01:06:41,680

sings

1961

01:06:45,430 --> 01:06:43,599

said something which is you know if you

1962

01:06:45,990 --> 01:06:45,440

know me it's not a shocker that i would

1963

01:06:50,230 --> 01:06:46,000

do that

1964

01:06:51,270 --> 01:06:50,240

no but anyway um the mem was just this

1965

01:06:53,829 --> 01:06:51,280

very simple line

1966

01:06:55,270 --> 01:06:53,839

graph um that indicated a camera

1967

01:07:00,069 --> 01:06:55,280

resolution

1968

01:07:02,069 --> 01:07:00,079

technology

1969

01:07:03,990 --> 01:07:02,079

was just going straight through the roof

1970

01:07:06,309 --> 01:07:04,000

and then it elon musk

1971

01:07:07,670 --> 01:07:06,319

in this mem indicated ufo picture

1972

01:07:09,109 --> 01:07:07,680

resolution was

1973

01:07:10,950 --> 01:07:09,119

really bad which is supposed to be

1974

01:07:12,789 --> 01:07:10,960

really hilarious you know look we hear

1975

01:07:14,549 --> 01:07:12,799

this joke all the time okay it's like a

1976

01:07:17,589 --> 01:07:14,559

really old joke

1977

01:07:18,710 --> 01:07:17,599

and um just basically what he's saying

1978

01:07:21,589 --> 01:07:18,720

just to clear it up for

1979

01:07:24,069 --> 01:07:21,599

for folks who are new to the ufo topic

1980

01:07:26,549 --> 01:07:24,079

elon musk was insinuating

1981

01:07:27,510 --> 01:07:26,559

that people who take pictures of

1982

01:07:30,470 --> 01:07:27,520

anything that

1983

01:07:32,309 --> 01:07:30,480

appears to be a ufo the resolution is

1984

01:07:32,630 --> 01:07:32,319

just really bad all the time which is

1985

01:07:36,230 --> 01:07:32,640

not

1986

01:07:36,549 --> 01:07:36,240

always the case um but anyway i just

1987

01:07:40,950 --> 01:07:36,559

said

1988

01:07:43,829 --> 01:07:40,960

tech than we do

1989

01:07:44,309 --> 01:07:43,839

no amount of tech we use can record them

1990

01:07:46,870 --> 01:07:44,319

well

1991

01:07:48,150 --> 01:07:46,880

and et tech could circumvent our

1992

01:07:51,270 --> 01:07:48,160

attempts to record them

1993

01:07:52,630 --> 01:07:51,280

at all this portrayal is a washed up

1994

01:07:55,109 --> 01:07:52,640

cliche slash

1995

01:07:56,069 --> 01:07:55,119

stereotype using this graph to get

1996

01:07:57,270 --> 01:07:56,079

clicks shows how

1997

01:08:00,549 --> 01:07:57,280

ignorant you really are on the

1998

01:08:02,390 --> 01:08:00,559

phenomenon now um

1999

01:08:05,109 --> 01:08:02,400

i think some people thought it was just

2000

01:08:07,910 --> 01:08:05,119

trying to be a jerk to him however

2001

01:08:10,789 --> 01:08:07,920

i really feel like the ufo topic is kind

2002

01:08:12,710 --> 01:08:10,799

of a sacred topic at least to me it is

2003

01:08:15,349 --> 01:08:12,720

um it's extremely valuable to know more

2004

01:08:17,189 --> 01:08:15,359

about it and if you are a person that's

2005

01:08:20,870 --> 01:08:17,199

very high profile

2006

01:08:23,030 --> 01:08:20,880

just in any community worldwide um

2007

01:08:24,070 --> 01:08:23,040

you know you're recognizable you have

2008

01:08:28,070 --> 01:08:24,080

hundreds of thousands

2009

01:08:31,510 --> 01:08:28,080

of followers the the problem arises

2010

01:08:33,829 --> 01:08:31,520

with being well known

2011

01:08:36,550 --> 01:08:33,839

is that what you're doing is you're

2012

01:08:39,510 --> 01:08:36,560

going to influence them

2013

01:08:40,149 --> 01:08:39,520

not all of them but some do blindly

2014

01:08:42,709 --> 01:08:40,159

follow

2015

01:08:44,630 --> 01:08:42,719

individuals it doesn't matter who they

2016

01:08:47,030 --> 01:08:44,640

are or what they do

2017

01:08:47,669 --> 01:08:47,040

people will do it and in addition to

2018

01:08:49,910 --> 01:08:47,679

that

2019

01:08:50,789 --> 01:08:49,920

they may not have the ability to

2020

01:08:54,709 --> 01:08:50,799

delineate

2021

01:08:57,030 --> 01:08:54,719

a joke from something that's not a joke

2022

01:08:57,990 --> 01:08:57,040

and this is really what's sort of unfair

2023

01:09:01,030 --> 01:08:58,000

about this tweet

2024

01:09:03,349 --> 01:09:01,040

is yes i get humor in fact i

2025

01:09:04,309 --> 01:09:03,359

probably joke more about things behind

2026

01:09:07,269 --> 01:09:04,319

the scenes

2027

01:09:08,390 --> 01:09:07,279

than you you would even guess with frank

2028

01:09:10,390 --> 01:09:08,400

all the time every

2029

01:09:11,829 --> 01:09:10,400

everything is worth making fun of like

2030

01:09:13,910 --> 01:09:11,839

you know we we just do it

2031

01:09:15,510 --> 01:09:13,920

frank frank and i do this all the time

2032

01:09:16,309 --> 01:09:15,520

we just enjoy humor it's just something

2033

01:09:18,070 --> 01:09:16,319

we used to

2034

01:09:20,789 --> 01:09:18,080

blow off steve breaks up the day you

2035

01:09:23,910 --> 01:09:20,799

know yeah it does however

2036

01:09:25,510 --> 01:09:23,920

however um this is just a really old

2037

01:09:27,030 --> 01:09:25,520

joke we're tired of it

2038

01:09:28,709 --> 01:09:27,040

and i just wanted to speak out as a

2039

01:09:30,070 --> 01:09:28,719

member of the ufo community and say that

2040

01:09:32,950 --> 01:09:30,080

elon musk

2041

01:09:33,349 --> 01:09:32,960

hey this is just a stupid joke like you

2042

01:09:36,709 --> 01:09:33,359

know

2043

01:09:37,590 --> 01:09:36,719

uh et's if because there's many

2044

01:09:39,189 --> 01:09:37,600

different ways people

2045

01:09:40,550 --> 01:09:39,199

think about it if et's have come

2046

01:09:41,349 --> 01:09:40,560

hundreds of millions of years just to

2047

01:09:43,749 --> 01:09:41,359

get here

2048

01:09:45,349 --> 01:09:43,759

or if they were there a second before in

2049

01:09:47,430 --> 01:09:45,359

their universe and here a second later

2050

01:09:48,709 --> 01:09:47,440

because of some porthole okay i won't go

2051  
01:09:51,590 --> 01:09:48,719  
down that rabbit hole

2052  
01:09:52,550 --> 01:09:51,600  
you get the idea it doesn't matter the

2053  
01:09:54,870 --> 01:09:52,560  
point is

2054  
01:09:55,830 --> 01:09:54,880  
if they are smarter than us which indeed

2055  
01:09:58,950 --> 01:09:55,840  
they could be

2056  
01:10:02,149 --> 01:09:58,960  
in some ways i hope they are

2057  
01:10:03,189 --> 01:10:02,159  
then why in the world would they allow

2058  
01:10:07,350 --> 01:10:03,199  
us to record them

2059  
01:10:10,790 --> 01:10:09,270  
the thing is they really don't have to

2060  
01:10:11,669 --> 01:10:10,800  
it could be at will that they don't want

2061  
01:10:13,830 --> 01:10:11,679  
us to

2062  
01:10:15,430 --> 01:10:13,840  
or it could be due to technological uh

2063  
01:10:16,310 --> 01:10:15,440

advances that they have that are well

2064

01:10:19,189 --> 01:10:16,320

beyond

2065

01:10:20,070 --> 01:10:19,199

our ability to understand whatever but

2066

01:10:23,110 --> 01:10:20,080

anyway you get

2067

01:10:24,630 --> 01:10:23,120

you get what i'm saying and um so

2068

01:10:26,390 --> 01:10:24,640

that's basically what i said i don't

2069

01:10:29,669 --> 01:10:26,400

think it was a mind-blowing moment

2070

01:10:31,510 --> 01:10:29,679

for anybody but it i will always defend

2071

01:10:33,350 --> 01:10:31,520

the ufo community in that respect

2072

01:10:35,350 --> 01:10:33,360

but the stigma is still out there i

2073

01:10:37,910 --> 01:10:35,360

think you just can't worry about it and

2074

01:10:39,990 --> 01:10:37,920

you just have to go forward but yeah you

2075

01:10:40,790 --> 01:10:40,000

do see comments from high profile folks

2076

01:10:42,630 --> 01:10:40,800

sort of

2077

01:10:44,709 --> 01:10:42,640

denigrating the subject saying there's

2078

01:10:46,709 --> 01:10:44,719

not much to it it's a bunch of nonsense

2079

01:10:48,630 --> 01:10:46,719

and then you've got the the people whose

2080

01:10:49,830 --> 01:10:48,640

jobs it is actually to take a closer

2081

01:10:52,070 --> 01:10:49,840

look at this type of thing

2082

01:10:54,390 --> 01:10:52,080

saying what they're saying uh uh in

2083

01:10:55,270 --> 01:10:54,400

public uh in an interview situation that

2084

01:10:58,790 --> 01:10:55,280

type of thing

2085

01:11:00,630 --> 01:10:58,800

uh you you would like to think that uh

2086

01:11:01,830 --> 01:11:00,640

an open-minded person would at least be

2087

01:11:04,550 --> 01:11:01,840

persuaded to be

2088

01:11:05,270 --> 01:11:04,560

a little bit even more open-minded on

2089

01:11:07,510 --> 01:11:05,280

the subject

2090

01:11:09,510 --> 01:11:07,520

but i honestly think what really the

2091

01:11:12,229 --> 01:11:09,520

reality of what really happened here

2092

01:11:13,669 --> 01:11:12,239

with elon musk was i don't think it was

2093

01:11:17,430 --> 01:11:13,679

so much that he was actually

2094

01:11:19,270 --> 01:11:17,440

targeting the ufo slash et topic

2095

01:11:20,790 --> 01:11:19,280

so much as he was just trying to get you

2096

01:11:23,189 --> 01:11:20,800

know activity going because

2097

01:11:24,550 --> 01:11:23,199

one thing on on his profile is what i

2098

01:11:26,709 --> 01:11:24,560

mean on twitter

2099

01:11:28,070 --> 01:11:26,719

one thing elon musk is really really

2100

01:11:30,790 --> 01:11:28,080

good at

2101  
01:11:31,990 --> 01:11:30,800  
is maintaining activity on his twitter

2102  
01:11:33,669 --> 01:11:32,000  
at all times

2103  
01:11:35,030 --> 01:11:33,679  
when people need to understand about

2104  
01:11:38,310 --> 01:11:35,040  
elon musk is

2105  
01:11:40,310 --> 01:11:38,320  
he is a very unique individual in many

2106  
01:11:43,590 --> 01:11:40,320  
ways but one thing he's caught onto

2107  
01:11:45,910 --> 01:11:43,600  
in his uniqueness is he's caught on to

2108  
01:11:46,950 --> 01:11:45,920  
just keep activity going it doesn't even

2109  
01:11:49,990 --> 01:11:46,960  
matter really

2110  
01:11:50,950 --> 01:11:50,000  
what he says and he knows that as long

2111  
01:11:53,830 --> 01:11:50,960  
as he says

2112  
01:11:54,870 --> 01:11:53,840  
something that way he can have the

2113  
01:11:58,310 --> 01:11:54,880

clicks happening

2114

01:11:59,990 --> 01:11:58,320

it's a click-oriented um behavior that

2115

01:12:00,950 --> 01:12:00,000

he's created on his social media

2116

01:12:02,870 --> 01:12:00,960

platform

2117

01:12:04,550 --> 01:12:02,880

and i give him kudos for that because

2118

01:12:05,189 --> 01:12:04,560

he's caught onto that very simple-minded

2119

01:12:07,110 --> 01:12:05,199

trick it's

2120

01:12:09,110 --> 01:12:07,120

one of the oldest tricks in the book but

2121

01:12:12,229 --> 01:12:09,120

he gets it and it works for him

2122

01:12:13,910 --> 01:12:12,239

now one thing i do want to mention is um

2123

01:12:15,590 --> 01:12:13,920

going along you know just trying to

2124

01:12:18,229 --> 01:12:15,600

create activity on twitter

2125

01:12:20,149 --> 01:12:18,239

there is a really dark side to that and

2126  
01:12:20,950 --> 01:12:20,159  
i do want to just mention something very

2127  
01:12:23,669 --> 01:12:20,960  
briefly

2128  
01:12:25,189 --> 01:12:23,679  
there's a lot of high profile people in

2129  
01:12:28,630 --> 01:12:25,199  
the ufo community

2130  
01:12:32,390 --> 01:12:28,640  
that squander their authoritative stance

2131  
01:12:35,110 --> 01:12:32,400  
on the ufo topic by saying extremely

2132  
01:12:36,550 --> 01:12:35,120  
meaningless things and what's

2133  
01:12:38,070 --> 01:12:36,560  
interesting is

2134  
01:12:40,790 --> 01:12:38,080  
and i'm not going to mention any names

2135  
01:12:43,830 --> 01:12:40,800  
but i see it all the time

2136  
01:12:44,550 --> 01:12:43,840  
when these so-called experts on the ufo

2137  
01:12:46,870 --> 01:12:44,560  
topic

2138  
01:12:49,669 --> 01:12:46,880

say something and if you really just

2139

01:12:51,910 --> 01:12:49,679

read it word by word or line by line

2140

01:12:52,950 --> 01:12:51,920

it doesn't mean anything it's devoid of

2141

01:12:56,310 --> 01:12:52,960

meaning

2142

01:12:58,870 --> 01:12:56,320

and again i just have the same argument

2143

01:13:00,470 --> 01:12:58,880

if you have followers do them a favor

2144

01:13:03,030 --> 01:13:00,480

say something that means

2145

01:13:05,350 --> 01:13:03,040

that is meaningful because if you see it

2146

01:13:08,390 --> 01:13:05,360

with an authoritative voice

2147

01:13:09,750 --> 01:13:08,400

and i call you out on it i can i i would

2148

01:13:11,270 --> 01:13:09,760

hope you can explain yourself because

2149

01:13:13,430 --> 01:13:11,280

i've actually called

2150

01:13:14,790 --> 01:13:13,440

some of these people out to demonstrate

2151

01:13:16,390 --> 01:13:14,800

what they really meant

2152

01:13:18,149 --> 01:13:16,400

when they were tried to reverse stance

2153

01:13:18,790 --> 01:13:18,159

on what the meaningless thing they said

2154

01:13:21,030 --> 01:13:18,800

about

2155

01:13:23,030 --> 01:13:21,040

you know disclosure pre and post

2156

01:13:25,430 --> 01:13:23,040

disclosure which i won't go into

2157

01:13:27,030 --> 01:13:25,440

or what does disclosure mean or the ufo

2158

01:13:28,709 --> 01:13:27,040

and et topic in general

2159

01:13:30,229 --> 01:13:28,719

and what they think we should do about

2160

01:13:32,470 --> 01:13:30,239

it in a commanding voice

2161

01:13:34,550 --> 01:13:32,480

when i call them out on it their

2162

01:13:37,830 --> 01:13:34,560

responses back

2163

01:13:38,310 --> 01:13:37,840

are usually even more less meaningful

2164

01:13:42,550 --> 01:13:38,320

than

2165

01:13:45,669 --> 01:13:42,560

first started talking so

2166

01:13:46,149 --> 01:13:45,679

twitter is kind of is what it is it's a

2167

01:13:49,110 --> 01:13:46,159

very

2168

01:13:49,590 --> 01:13:49,120

truncated you have a real limitations as

2169

01:13:52,070 --> 01:13:49,600

far as

2170

01:13:53,189 --> 01:13:52,080

what you can type in at least per tweet

2171

01:13:55,350 --> 01:13:53,199

you know sometimes

2172

01:13:57,270 --> 01:13:55,360

i see people do you know five or six

2173

01:13:59,030 --> 01:13:57,280

tweets right in a row where they have

2174

01:14:00,310 --> 01:13:59,040

something a little bit more detailed to

2175

01:14:02,550 --> 01:14:00,320

say i've done it

2176

01:14:04,950 --> 01:14:02,560

occasionally by and large i don't really

2177

01:14:06,709 --> 01:14:04,960

spend a whole lot of time on twitter

2178

01:14:07,990 --> 01:14:06,719

other than that to sort of keep an eye

2179

01:14:09,590 --> 01:14:08,000

on uh

2180

01:14:11,189 --> 01:14:09,600

sometimes uh there are stories that get

2181

01:14:13,830 --> 01:14:11,199

posted over there and

2182

01:14:15,910 --> 01:14:13,840

it does happen that uh some higher

2183

01:14:17,110 --> 01:14:15,920

profile folks are more openly available

2184

01:14:18,950 --> 01:14:17,120

you don't have to be

2185

01:14:20,550 --> 01:14:18,960

friends with somebody to see what they

2186

01:14:20,870 --> 01:14:20,560

post all you have to do is follow them

2187

01:14:23,189 --> 01:14:20,880

so

2188

01:14:23,990 --> 01:14:23,199

well it's a different platform the limit

2189

01:14:26,070 --> 01:14:24,000

on twitter

2190

01:14:29,110 --> 01:14:26,080

is you think it used to be 167

2191

01:14:32,070 --> 01:14:29,120

characters maybe when it first started

2192

01:14:34,149 --> 01:14:32,080

but now it's like 280 characters look

2193

01:14:37,430 --> 01:14:34,159

let me put it this way

2194

01:14:38,390 --> 01:14:37,440

if you can't say something fairly

2195

01:14:40,390 --> 01:14:38,400

clearly

2196

01:14:41,830 --> 01:14:40,400

in under 300 characters which is

2197

01:14:46,630 --> 01:14:41,840

actually a lot

2198

01:14:47,990 --> 01:14:46,640

then don't tweet you

2199

01:14:50,310 --> 01:14:48,000

how many characters have you just

2200

01:14:52,550 --> 01:14:50,320

babbled on over the last few minutes

2201  
01:14:56,390 --> 01:14:52,560  
thousands thousands you'd have to save

2202  
01:14:59,189 --> 01:14:56,400  
that stuff for facebook

2203  
01:15:01,270 --> 01:14:59,199  
but anyway yeah so i mean that's it it

2204  
01:15:03,510 --> 01:15:01,280  
was a really interesting week and uh

2205  
01:15:04,470 --> 01:15:03,520  
you know we've run on a little bit i was

2206  
01:15:06,870 --> 01:15:04,480  
considering

2207  
01:15:08,470 --> 01:15:06,880  
uh talking a bit more about a case that

2208  
01:15:10,790 --> 01:15:08,480  
uh dave beatty

2209  
01:15:12,070 --> 01:15:10,800  
uh has gotten from the nimitz encounters

2210  
01:15:13,750 --> 01:15:12,080  
has gotten involved with

2211  
01:15:15,590 --> 01:15:13,760  
he started up with that we talked about

2212  
01:15:16,630 --> 01:15:15,600  
a little bit going back last time he was

2213  
01:15:20,070 --> 01:15:16,640

on the show

2214

01:15:22,550 --> 01:15:20,080

but this is a case involving the uss kid

2215

01:15:23,590 --> 01:15:22,560

and uh that was also picked up by the

2216

01:15:25,030 --> 01:15:23,600

mainstream media

2217

01:15:26,870 --> 01:15:25,040

uh the truth is i really don't have

2218

01:15:29,189 --> 01:15:26,880

anything to add on it except

2219

01:15:31,110 --> 01:15:29,199

you know it kind of is what it is so uh

2220

01:15:33,030 --> 01:15:31,120

no real analysis there it's uh great

2221

01:15:35,669 --> 01:15:33,040

that that dave's gotten that stuff out

2222

01:15:36,550 --> 01:15:35,679

uh it was uh covered and actually picked

2223

01:15:39,430 --> 01:15:36,560

up a little bit

2224

01:15:40,950 --> 01:15:39,440

by nbc news i saw it at one point at

2225

01:15:42,470 --> 01:15:40,960

least over on their website

2226

01:15:44,070 --> 01:15:42,480

so that was written and dave got his

2227

01:15:46,790 --> 01:15:44,080

credit so that was great stuff

2228

01:15:48,550 --> 01:15:46,800

so i did see that that's one you might

2229

01:15:50,950 --> 01:15:48,560

want to take a closer look at

2230

01:15:52,470 --> 01:15:50,960

and aside from that i think that's about

2231

01:15:55,189 --> 01:15:52,480

it for now uh

2232

01:15:55,590 --> 01:15:55,199

well i'll go ahead so i just want to

2233

01:15:58,310 --> 01:15:55,600

take

2234

01:15:59,030 --> 01:15:58,320

maybe two or three minutes to explain

2235

01:16:02,790 --> 01:15:59,040

just a few

2236

01:16:04,070 --> 01:16:02,800

issues that has um plagued the ufo

2237

01:16:06,790 --> 01:16:04,080

community

2238

01:16:07,510 --> 01:16:06,800

and um so i'll just go ahead and say my

2239

01:16:11,270 --> 01:16:07,520

my little

2240

01:16:13,990 --> 01:16:11,280

okay keep it under 280 characters

2241

01:16:14,390 --> 01:16:14,000

oh you started my a little serious thing

2242

01:16:16,070 --> 01:16:14,400

there

2243

01:16:18,830 --> 01:16:16,080

it actually started that's funny i don't

2244

01:16:22,950 --> 01:16:18,840

know why but uh one of the

2245

01:16:27,350 --> 01:16:26,229

thank you right you would love that

2246

01:16:29,030 --> 01:16:27,360

wouldn't you

2247

01:16:30,709 --> 01:16:29,040

i could do it permanently you could kill

2248

01:16:34,310 --> 01:16:30,719

me if i did it

2249

01:16:36,790 --> 01:16:34,320

right just shoot it throw in the trash

2250

01:16:38,550 --> 01:16:36,800

um one of the main issues that has

2251  
01:16:39,510 --> 01:16:38,560  
plagued the ufo community throughout its

2252  
01:16:41,669 --> 01:16:39,520  
history

2253  
01:16:44,149 --> 01:16:41,679  
is we're searching for objectivity in a

2254  
01:16:46,550 --> 01:16:44,159  
controversial field of interest

2255  
01:16:47,990 --> 01:16:46,560  
this area of interest is both unifying

2256  
01:16:49,910 --> 01:16:48,000  
and polarizing

2257  
01:16:51,590 --> 01:16:49,920  
additionally part of the dilemma of the

2258  
01:16:53,350 --> 01:16:51,600  
discourse of the so-called disclosure

2259  
01:16:54,149 --> 01:16:53,360  
movement or even the idea of disclosure

2260  
01:16:55,669 --> 01:16:54,159  
itself

2261  
01:16:57,750 --> 01:16:55,679  
is everyone's definition of what

2262  
01:16:59,590 --> 01:16:57,760  
disclosure means to them is mixed

2263  
01:17:01,510 --> 01:16:59,600

there is no streamlined definition that

2264

01:17:02,390 --> 01:17:01,520

clearly indicates what it is and what it

2265

01:17:04,149 --> 01:17:02,400

is not

2266

01:17:06,149 --> 01:17:04,159

the other challenge the ufo community

2267

01:17:10,550 --> 01:17:06,159

has faced for 70 years

2268

01:17:12,070 --> 01:17:10,560

is one does not have a degree

2269

01:17:13,590 --> 01:17:12,080

one does not have to have a degree or

2270

01:17:16,070 --> 01:17:13,600

certification of any kind

2271

01:17:18,630 --> 01:17:16,080

in order to be involved in the ufo uh

2272

01:17:20,390 --> 01:17:18,640

the research of the ufo or et topics

2273

01:17:23,750 --> 01:17:20,400

there are a lot of pros and cons to this

2274

01:17:25,990 --> 01:17:23,760

of course as a result of this kind of

2275

01:17:28,229 --> 01:17:26,000

community there are no strict protocols

2276

01:17:29,350 --> 01:17:28,239

or expectations regarding what one can

2277

01:17:32,149 --> 01:17:29,360

or cannot say

2278

01:17:33,350 --> 01:17:32,159

again there are pros and cons to that so

2279

01:17:35,350 --> 01:17:33,360

when someone says something that

2280

01:17:37,189 --> 01:17:35,360

disappoints someone the ufo community

2281

01:17:39,030 --> 01:17:37,199

declaring a commitment to a certain kind

2282

01:17:40,790 --> 01:17:39,040

of definition or perception that

2283

01:17:43,590 --> 01:17:40,800

involves ufo topic

2284

01:17:45,110 --> 01:17:43,600

all that happens as a result is either

2285

01:17:46,390 --> 01:17:45,120

we end up in a circular loop of

2286

01:17:48,149 --> 01:17:46,400

discussion

2287

01:17:50,470 --> 01:17:48,159

arguing or grand standing which ends

2288

01:17:52,709 --> 01:17:50,480

with nothing of real value to anyone

2289

01:17:53,830 --> 01:17:52,719

or we say something has value and is

2290

01:17:56,070 --> 01:17:53,840

worthy

2291

01:17:57,270 --> 01:17:56,080

of some kind of contribution to the ufo

2292

01:17:58,950 --> 01:17:57,280

community such as

2293

01:18:00,950 --> 01:17:58,960

here's a new way to identify something

2294

01:18:02,709 --> 01:18:00,960

with regards to the ufo et topic

2295

01:18:06,149 --> 01:18:02,719

forensically for example

2296

01:18:07,990 --> 01:18:06,159

or here's more evidence to pour over

2297

01:18:10,310 --> 01:18:08,000

never seen before so we can review it

2298

01:18:11,750 --> 01:18:10,320

and scrutinize it but one of the major

2299

01:18:14,070 --> 01:18:11,760

issues ufology has

2300

01:18:14,790 --> 01:18:14,080

always had is no matter how much

2301

01:18:16,790 --> 01:18:14,800

evidence

2302

01:18:18,950 --> 01:18:16,800

or something close to proof we obtain

2303

01:18:20,950 --> 01:18:18,960

regarding the ufoet topics

2304

01:18:23,110 --> 01:18:20,960

is it never makes headlines in major

2305

01:18:24,630 --> 01:18:23,120

media to the point where everyone is

2306

01:18:27,830 --> 01:18:24,640

caught up all at once

2307

01:18:30,950 --> 01:18:27,840

on for example the koiami aguadilla

2308

01:18:33,910 --> 01:18:30,960

tic tac phoenix lights cases socorro

2309

01:18:34,390 --> 01:18:33,920

or even less known or obscure ufo cases

2310

01:18:36,870 --> 01:18:34,400

um

2311

01:18:39,270 --> 01:18:36,880

in some cases like et related cases like

2312

01:18:42,630 --> 01:18:39,280

the travis walton pascagoula abduction

2313

01:18:44,870 --> 01:18:42,640

case or the flatwoods monster cases less

2314

01:18:46,310 --> 01:18:44,880

other less known cases are the abduction

2315

01:18:49,669 --> 01:18:46,320

of herbert shermer

2316

01:18:50,709 --> 01:18:49,679

on december 3rd of 1967. i think there

2317

01:18:52,070 --> 01:18:50,719

was another personal

2318

01:18:54,470 --> 01:18:52,080

favorite of mine which was a carl

2319

01:18:59,350 --> 01:18:54,480

higdon's case

2320

01:19:00,870 --> 01:18:59,360

wyoming an et related abduction there

2321

01:19:02,470 --> 01:19:00,880

my point here is if the general

2322

01:19:05,510 --> 01:19:02,480

population of the world isn't

2323

01:19:08,870 --> 01:19:05,520

following the historical or trending

2324

01:19:12,470 --> 01:19:08,880

ufo cases that have really good forensic

2325

01:19:15,270 --> 01:19:12,480

value and or witness evidence of a ufo

2326

01:19:16,310 --> 01:19:15,280

sighting or an et related case then that

2327

01:19:18,790 --> 01:19:16,320

means what

2328

01:19:21,350 --> 01:19:18,800

it means no one worldwide is ever on the

2329

01:19:24,550 --> 01:19:21,360

same page

2330

01:19:26,229 --> 01:19:24,560

and then we end up in the same old tired

2331

01:19:28,470 --> 01:19:26,239

loop we've always faced

2332

01:19:29,750 --> 01:19:28,480

that being only geeky researchers like

2333

01:19:32,709 --> 01:19:29,760

me and frank and

2334

01:19:34,709 --> 01:19:32,719

others that we know in the ufo community

2335

01:19:35,590 --> 01:19:34,719

end up really being on top of anything

2336

01:19:38,229 --> 01:19:35,600

of real value

2337

01:19:39,910 --> 01:19:38,239

evidence wise regarding these topics so

2338

01:19:41,270 --> 01:19:39,920

when these cases come up that catch the

2339

01:19:44,390 --> 01:19:41,280

eye of the public

2340

01:19:44,950 --> 01:19:44,400

for example from tucker carlson marco

2341

01:19:47,750 --> 01:19:44,960

rubio

2342

01:19:49,750 --> 01:19:47,760

tom de long louis elizondo former

2343

01:19:50,070 --> 01:19:49,760

senator harry reid christopher mellon

2344

01:19:52,070 --> 01:19:50,080

the

2345

01:19:53,830 --> 01:19:52,080

a former deputy assistant secretary of

2346

01:19:56,070 --> 01:19:53,840

defense for intelligence

2347

01:19:57,669 --> 01:19:56,080

or or anyone that is high profile

2348

01:20:01,189 --> 01:19:57,679

mentions and dangles

2349

01:20:02,550 --> 01:20:01,199

a few ufo-related famous ufo-related

2350

01:20:04,709 --> 01:20:02,560

cases here or there

2351

01:20:06,790 --> 01:20:04,719

the entire planet acts like these few

2352

01:20:07,910 --> 01:20:06,800

cases are the only ones the world has

2353

01:20:10,870 --> 01:20:07,920

ever heard of

2354

01:20:12,070 --> 01:20:10,880

or seen or been recorded or has evidence

2355

01:20:14,470 --> 01:20:12,080

of any kind

2356

01:20:15,350 --> 01:20:14,480

these are the kinds of issues the ufo

2357

01:20:18,470 --> 01:20:15,360

community is

2358

01:20:20,709 --> 01:20:18,480

regularly plagued with none of the mass

2359

01:20:23,830 --> 01:20:20,719

media outlets ever bothered to cover

2360

01:20:27,030 --> 01:20:23,840

the extensive ufo-related work of a

2361

01:20:28,229 --> 01:20:27,040

nasa nasa research scientist like dr

2362

01:20:31,590 --> 01:20:28,239

richard haynes

2363

01:20:33,350 --> 01:20:31,600

which he uh since the mid-1960s

2364

01:20:35,510 --> 01:20:33,360

that's how far back he goes regarding

2365

01:20:38,790 --> 01:20:35,520

nasa he actually studied uh

2366

01:20:40,870 --> 01:20:38,800

i think it was a topic of aviation and

2367

01:20:42,229 --> 01:20:40,880

always pilots that yeah he founded

2368

01:20:45,110 --> 01:20:42,239

narcotics

2369

01:20:46,629 --> 01:20:45,120

yeah and or jan aldrich's fine work on

2370

01:20:48,870 --> 01:20:46,639

project 1947

2371

01:20:50,870 --> 01:20:48,880

or the scientific coalition for uap

2372

01:20:51,510 --> 01:20:50,880

studies research on the aguadilla ufo

2373

01:20:54,550 --> 01:20:51,520

incident

2374

01:20:57,030 --> 01:20:54,560

or the tic tac cases their reports

2375

01:20:59,030 --> 01:20:57,040

the reports that they did on it nobody

2376

01:21:01,189 --> 01:20:59,040

ever finds out about those

2377

01:21:02,790 --> 01:21:01,199

because the mass media doesn't cover it

2378

01:21:03,910 --> 01:21:02,800

in the meanwhile the mass media and

2379

01:21:06,070 --> 01:21:03,920

general population

2380

01:21:08,310 --> 01:21:06,080

are wide-eyed about anything that comes

2381

01:21:10,870 --> 01:21:08,320

out regarding the ufo topic

2382

01:21:13,189 --> 01:21:10,880

regarding famous cases okay and this

2383

01:21:16,070 --> 01:21:13,199

entire cycle i've just described

2384

01:21:17,910 --> 01:21:16,080

continues ad nauseum while we all watch

2385

01:21:20,390 --> 01:21:17,920

it from the ufo community saying okay

2386

01:21:23,189 --> 01:21:20,400

these cases are not the first

2387

01:21:24,470 --> 01:21:23,199

nor the famous ones are not the first

2388

01:21:26,709 --> 01:21:24,480

nor are they probably going to be the

2389

01:21:28,950 --> 01:21:26,719

last ufos of unknown origin

2390

01:21:30,390 --> 01:21:28,960

and the fact is there are tons of great

2391

01:21:33,430 --> 01:21:30,400

ufo related cases

2392

01:21:35,270 --> 01:21:33,440

out there in the archive of mufon

2393

01:21:37,189 --> 01:21:35,280

and other now extinct or barely

2394

01:21:38,550 --> 01:21:37,199

surviving ufo related organizations

2395

01:21:40,790 --> 01:21:38,560

worldwide however

2396

01:21:42,629 --> 01:21:40,800

those archives are on online for you to

2397

01:21:45,189 --> 01:21:42,639

find those ufo cases

2398

01:21:45,669 --> 01:21:45,199

yeah what you're what you're talking

2399

01:21:48,310 --> 01:21:45,679

about

2400

01:21:50,229 --> 01:21:48,320

okay some of these some of these cases

2401

01:21:54,070 --> 01:21:50,239

are in the archives of libraries

2402

01:21:55,910 --> 01:21:54,080

um or universities having been donated

2403

01:21:57,990 --> 01:21:55,920

in mass

2404

01:21:59,590 --> 01:21:58,000

meaning like reports and whatever it is

2405

01:22:00,070 --> 01:21:59,600

articles whatever it is the individual

2406

01:22:03,590 --> 01:22:00,080

that

2407

01:22:05,910 --> 01:22:03,600

uh gathered all of these

2408

01:22:07,590 --> 01:22:05,920

amazing pieces of information regarding

2409

01:22:09,910 --> 01:22:07,600

ufo topic

2410

01:22:11,350 --> 01:22:09,920

and given to these uh places like

2411

01:22:13,189 --> 01:22:11,360

libraries or universities

2412

01:22:14,470 --> 01:22:13,199

by folks who want to pass the torch of

2413

01:22:18,149 --> 01:22:14,480

the ufo topic

2414

01:22:20,070 --> 01:22:18,159

onto someone or something somewhere

2415

01:22:21,590 --> 01:22:20,080

who cares about this topic as much as we

2416

01:22:23,030 --> 01:22:21,600

all do do you really

2417

01:22:25,350 --> 01:22:23,040

like do you get what i'm saying here

2418

01:22:27,189 --> 01:22:25,360

frank oh sure sure but i think it gives

2419

01:22:29,189 --> 01:22:27,199

us the opportunity you talk about well

2420

01:22:31,110 --> 01:22:29,199

it's geeks like us well yeah okay

2421

01:22:32,629 --> 01:22:31,120

we're really gonna dig in on this uh

2422

01:22:35,750 --> 01:22:32,639

because we are into it

2423

01:22:36,310 --> 01:22:35,760

and other people are not doing it like i

2424

01:22:38,790 --> 01:22:36,320

said it's

2425

01:22:40,229 --> 01:22:38,800

given us the opportunity uh other people

2426

01:22:42,310 --> 01:22:40,239

not finding things that

2427

01:22:43,910 --> 01:22:42,320

we've turned up here or that i've turned

2428

01:22:45,030 --> 01:22:43,920

up in my research or you might turn up

2429

01:22:48,470 --> 01:22:45,040

in your research

2430

01:22:50,870 --> 01:22:48,480

uh you know again the fact that it's new

2431

01:22:52,790 --> 01:22:50,880

that we turn up new stuff or maybe have

2432

01:22:55,510 --> 01:22:52,800

a new angle in terms of

2433

01:22:57,270 --> 01:22:55,520

analyzing uh this sort of material it's

2434

01:22:58,149 --> 01:22:57,280

our opportunity because we're saying

2435

01:23:00,149 --> 01:22:58,159

things here

2436

01:23:01,830 --> 01:23:00,159

we're finding things there uh we're

2437

01:23:04,950 --> 01:23:01,840

doing things over there

2438

01:23:06,390 --> 01:23:04,960

uh that other people aren't doing so

2439

01:23:08,629 --> 01:23:06,400

that's a good thing i don't i don't see

2440

01:23:08,950 --> 01:23:08,639

that as a bad thing i think it's a very

2441

01:23:11,430 --> 01:23:08,960

uh

2442

01:23:12,950 --> 01:23:11,440

okay okay i i think it's a very

2443

01:23:15,590 --> 01:23:12,960

egalitarian field

2444

01:23:16,629 --> 01:23:15,600

where you can you can jump in and you

2445

01:23:18,629 --> 01:23:16,639

can get involved

2446

01:23:20,390 --> 01:23:18,639

directly i thought it was uh one funny

2447

01:23:22,629 --> 01:23:20,400

thing sort of crossed my mind with that

2448

01:23:24,950 --> 01:23:22,639

tmz story and thinking about

2449

01:23:27,110 --> 01:23:24,960

uh you know they they do focus on uh

2450

01:23:27,990 --> 01:23:27,120

largely celebrity gossip and things like

2451

01:23:30,149 --> 01:23:28,000

that

2452

01:23:31,270 --> 01:23:30,159

well it's like i don't i don't normally

2453

01:23:33,110 --> 01:23:31,280

go to that website

2454

01:23:35,030 --> 01:23:33,120

uh for the simple reasons i can get

2455

01:23:37,030 --> 01:23:35,040

involved in the ufo community

2456

01:23:39,189 --> 01:23:37,040

and we can spend and waste an awful lot

2457

01:23:42,310 --> 01:23:39,199

of time uh talking about gossip involved

2458

01:23:45,430 --> 01:23:42,320

in ufos so you know there's that

2459

01:23:47,830 --> 01:23:45,440

okay so my point basically was

2460

01:23:48,790 --> 01:23:47,840

that mass media is covering the same old

2461

01:23:53,910 --> 01:23:48,800

tired

2462

01:23:55,590 --> 01:23:53,920

i don't mean that all the time okay yes

2463

01:23:57,510 --> 01:23:55,600

those cases are absolutely interesting

2464

01:24:01,030 --> 01:23:57,520

don't think i didn't research them i did

2465

01:24:02,950 --> 01:24:01,040

okay but and can we find out more yes

2466

01:24:04,229 --> 01:24:02,960

hopefully we can okay we're waiting for

2467

01:24:07,270 --> 01:24:04,239

june first

2468

01:24:09,189 --> 01:24:07,280

uh with baited breath however

2469

01:24:11,590 --> 01:24:09,199

these other cases i mentioned and

2470

01:24:14,390 --> 01:24:11,600

there's thousands there's literally

2471

01:24:14,950 --> 01:24:14,400

thousands of great ufo cases out there

2472

01:24:17,830 --> 01:24:14,960

that are

2473

01:24:19,510 --> 01:24:17,840

never ever covered by mass media and yes

2474

01:24:20,870 --> 01:24:19,520

i totally get the idea wow this is a

2475

01:24:23,669 --> 01:24:20,880

great opportunity for us to cover

2476

01:24:24,470 --> 01:24:23,679

okay yes we do that we've done that but

2477

01:24:27,669 --> 01:24:24,480

i'm just

2478

01:24:28,709 --> 01:24:27,679

really tired of mass media ignoring all

2479

01:24:32,149 --> 01:24:28,719

the many other

2480

01:24:34,790 --> 01:24:32,159

great cases why because there's been

2481

01:24:36,870 --> 01:24:34,800

forensic investigators that have worked

2482

01:24:40,149 --> 01:24:36,880

on these cases for free

2483

01:24:42,470 --> 01:24:40,159

for many many years having gone uh

2484

01:24:44,070 --> 01:24:42,480

and paid their own gas money and their

2485

01:24:46,870 --> 01:24:44,080

own money for equipment

2486

01:24:48,709 --> 01:24:46,880

um gone across the u.s or around the

2487

01:24:51,830 --> 01:24:48,719

world to go interview people

2488

01:24:52,950 --> 01:24:51,840

and document all this stuff for what for

2489

01:24:54,709 --> 01:24:52,960

posterity

2490

01:24:56,070 --> 01:24:54,719

well because because they were into it

2491

01:24:57,350 --> 01:24:56,080

because they were into it the media

2492

01:25:01,189 --> 01:24:57,360

wouldn't cover it

2493

01:25:04,790 --> 01:25:01,199

and and the only reason why

2494

01:25:07,510 --> 01:25:04,800

that these these tic tac agudia stories

2495

01:25:08,629 --> 01:25:07,520

are being covered or go fast or gimbal

2496

01:25:11,669 --> 01:25:08,639

is because

2497

01:25:12,870 --> 01:25:11,679

the u.s cannot turn its cheek on it it

2498

01:25:15,430 --> 01:25:12,880

cannot get away from it

2499

01:25:17,590 --> 01:25:15,440

it cannot shirk its duty it has to

2500

01:25:19,270 --> 01:25:17,600

actually pay attention to these topics

2501  
01:25:20,870 --> 01:25:19,280  
that is the only reason why the mass

2502  
01:25:23,669 --> 01:25:20,880  
media is covering these topics

2503  
01:25:25,510 --> 01:25:23,679  
and not because they want to cover some

2504  
01:25:28,070 --> 01:25:25,520  
of the obscure cases i mentioned

2505  
01:25:29,430 --> 01:25:28,080  
which have a lot more evidence possibly

2506  
01:25:31,350 --> 01:25:29,440  
than what we're looking at here

2507  
01:25:33,110 --> 01:25:31,360  
and at least on the television and the

2508  
01:25:36,070 --> 01:25:33,120  
either the the network news

2509  
01:25:36,709 --> 01:25:36,080  
or the the cable news networks uh the

2510  
01:25:38,629 --> 01:25:36,719  
different ones

2511  
01:25:39,990 --> 01:25:38,639  
uh what uh what do they give i mean we

2512  
01:25:43,270 --> 01:25:40,000  
played five interviews

2513  
01:25:45,030 --> 01:25:43,280

and i don't think one of them um

2514

01:25:46,470 --> 01:25:45,040

was longer than three or four minutes at

2515

01:25:48,550 --> 01:25:46,480

the most so

2516

01:25:50,390 --> 01:25:48,560

they don't really give a lot of time and

2517

01:25:53,750 --> 01:25:50,400

they don't necessarily get into

2518

01:25:54,229 --> 01:25:53,760

a lot of the detail that uh you know we

2519

01:25:56,390 --> 01:25:54,239

uh

2520

01:25:58,229 --> 01:25:56,400

we want to know we what and that we

2521

01:25:59,430 --> 01:25:58,239

already know to a very large extent not

2522

01:26:01,750 --> 01:25:59,440

entirely but uh

2523

01:26:03,430 --> 01:26:01,760

to enough of an extent that uh we can go

2524

01:26:04,629 --> 01:26:03,440

into a lot more depths and i think we're

2525

01:26:06,629 --> 01:26:04,639

coming up on i think

2526  
01:26:08,950 --> 01:26:06,639  
a good solid hour and a half of just you

2527  
01:26:09,990 --> 01:26:08,960  
and me going back and forth no guests

2528  
01:26:12,310 --> 01:26:10,000  
involved so

2529  
01:26:13,110 --> 01:26:12,320  
there's that so the last thing i just

2530  
01:26:15,510 --> 01:26:13,120  
want to mention

2531  
01:26:16,790 --> 01:26:15,520  
is i'm really tired of people saying

2532  
01:26:19,590 --> 01:26:16,800  
things like

2533  
01:26:21,030 --> 01:26:19,600  
oh well you know we never there's really

2534  
01:26:23,669 --> 01:26:21,040  
nothing on the ufo

2535  
01:26:24,310 --> 01:26:23,679  
topic or et topic there's no evidence

2536  
01:26:27,430 --> 01:26:24,320  
okay well

2537  
01:26:27,990 --> 01:26:27,440  
the only reason there's no evidence is

2538  
01:26:29,830 --> 01:26:28,000

because

2539

01:26:31,189 --> 01:26:29,840

those people are not looking up that

2540

01:26:33,189 --> 01:26:31,199

topic and they're not doing their due

2541

01:26:36,470 --> 01:26:33,199

diligence and they're not researching it

2542

01:26:38,149 --> 01:26:36,480

that is the only reason they feel like

2543

01:26:40,470 --> 01:26:38,159

they have the right to say that

2544

01:26:42,229 --> 01:26:40,480

is because they're too lazy to lift

2545

01:26:44,390 --> 01:26:42,239

their lin index finger

2546

01:26:45,270 --> 01:26:44,400

and type on their keyboard to look up

2547

01:26:47,030 --> 01:26:45,280

the topic

2548

01:26:48,470 --> 01:26:47,040

it's just so much easier for them to say

2549

01:26:50,870 --> 01:26:48,480

something that's not true

2550

01:26:51,510 --> 01:26:50,880

and i will take your point a step

2551  
01:26:54,950 --> 01:26:51,520  
further

2552  
01:26:57,669 --> 01:26:54,960  
in that we do have evidence we've got

2553  
01:27:00,390 --> 01:26:57,679  
that remote sensing data remote sensing

2554  
01:27:01,750 --> 01:27:00,400  
is a form of physical evidence and what

2555  
01:27:03,830 --> 01:27:01,760  
they're not saying they're talking about

2556  
01:27:05,430 --> 01:27:03,840  
well we've got this sensor uh

2557  
01:27:07,030 --> 01:27:05,440  
information now we've got that

2558  
01:27:09,030 --> 01:27:07,040  
but they're not saying and they're very

2559  
01:27:12,310 --> 01:27:09,040  
specific in a very specific

2560  
01:27:12,870 --> 01:27:12,320  
clear unambiguous way that that is in

2561  
01:27:15,189 --> 01:27:12,880  
fact

2562  
01:27:17,110 --> 01:27:15,199  
uh physical evidence so there's plenty

2563  
01:27:18,149 --> 01:27:17,120

of evidence so no shortage of evidence

2564

01:27:20,149 --> 01:27:18,159

you know

2565

01:27:22,070 --> 01:27:20,159

and by the way if anybody ever really

2566

01:27:23,430 --> 01:27:22,080

like if we do a live show we have chat

2567

01:27:25,750 --> 01:27:23,440

going

2568

01:27:27,270 --> 01:27:25,760

i really do hope people do ask you about

2569

01:27:28,149 --> 01:27:27,280

you know real evidence because you

2570

01:27:30,229 --> 01:27:28,159

become

2571

01:27:32,470 --> 01:27:30,239

you know a really good expert regarding

2572

01:27:35,110 --> 01:27:32,480

that topic and being able to

2573

01:27:37,270 --> 01:27:35,120

uh rattle off a lot of data regarding it

2574

01:27:39,189 --> 01:27:37,280

i did an interview with a guy

2575

01:27:41,189 --> 01:27:39,199

maybe it was a couple of years ago now

2576

01:27:42,470 --> 01:27:41,199

and i i went on his show it was an

2577

01:27:44,470 --> 01:27:42,480

interview i did with him

2578

01:27:45,510 --> 01:27:44,480

and i'd say yeah radar's physical

2579

01:27:47,270 --> 01:27:45,520

evidence and it was like

2580

01:27:49,669 --> 01:27:47,280

this was some kind of a revelation to

2581

01:27:51,430 --> 01:27:49,679

the guy and he does you know he does ufo

2582

01:27:54,470 --> 01:27:51,440

interviews and it's like

2583

01:27:54,950 --> 01:27:54,480

yeah i mean you just um i think some

2584

01:27:56,709 --> 01:27:54,960

folks

2585

01:27:58,709 --> 01:27:56,719

just have to adjust their thinking a

2586

01:28:00,790 --> 01:27:58,719

little bit and they can be

2587

01:28:02,229 --> 01:28:00,800

and get that maybe their their talking

2588

01:28:05,110 --> 01:28:02,239

points a little bit firmer

2589

01:28:05,510 --> 01:28:05,120

and boil down a little bit better and i

2590

01:28:08,390 --> 01:28:05,520

think

2591

01:28:10,550 --> 01:28:08,400

they can be much uh better advocates for

2592

01:28:13,030 --> 01:28:10,560

the ufo subject when they go out and

2593

01:28:13,590 --> 01:28:13,040

do interviews it's like hey rubio didn't

2594

01:28:16,709 --> 01:28:13,600

say it

2595

01:28:19,110 --> 01:28:16,719

saying it that

2596

01:28:20,070 --> 01:28:19,120

uh sensing data that remote sensing data

2597

01:28:21,990 --> 01:28:20,080

that they're talking about

2598

01:28:23,669 --> 01:28:22,000

that's physical evidence for ufos it's

2599

01:28:26,790 --> 01:28:23,679

not proof that they're e.t

2600

01:28:29,270 --> 01:28:26,800

but it's physical evidence for ufos yeah

2601

01:28:31,270 --> 01:28:29,280

so um really glad we were able to go

2602

01:28:33,750 --> 01:28:31,280

over that silly little topic regarding

2603

01:28:35,270 --> 01:28:33,760

elon musk's tweets

2604

01:28:36,950 --> 01:28:35,280

yeah we get into that kind of stuff

2605

01:28:38,149 --> 01:28:36,960

sometimes you know we get into that

2606

01:28:40,950 --> 01:28:38,159

stuff a little bit

2607

01:28:43,590 --> 01:28:40,960

uh not too often but i know you wanted

2608

01:28:45,350 --> 01:28:43,600

to get up on your high horse and uh

2609

01:28:46,790 --> 01:28:45,360

i just actually forgot to tell people

2610

01:28:48,709 --> 01:28:46,800

what he had actually said in the tweet

2611

01:28:50,070 --> 01:28:48,719

was strongest argument against uh

2612

01:28:51,990 --> 01:28:50,080

yeah yeah it was a meme i had it up

2613

01:28:52,870 --> 01:28:52,000

earlier so people have seen it so we got

2614

01:28:54,470 --> 01:28:52,880

a good look at it

2615

01:28:56,950 --> 01:28:54,480

really glad that we had this show thank

2616

01:28:57,430 --> 01:28:56,960

you yeah absolutely so i'm gonna wrap up

2617

01:29:01,189 --> 01:28:57,440

now

2618

01:29:02,470 --> 01:29:01,199

sometimes it's a a couple weeks maybe

2619

01:29:04,629 --> 01:29:02,480

it'll be uh next week

2620

01:29:06,149 --> 01:29:04,639

who knows uh maybe it'll be an interview

2621

01:29:06,709 --> 01:29:06,159

maybe there'll be enough news to talk

2622

01:29:09,750 --> 01:29:06,719

about

2623

01:29:09,990 --> 01:29:09,760

uh one thing again that we didn't get a

2624

01:29:11,669 --> 01:29:10,000

lot

2625

01:29:13,590 --> 01:29:11,679

of uh we didn't have the time to go into

2626

01:29:15,669 --> 01:29:13,600

any detail i think normally

2627

01:29:17,430 --> 01:29:15,679

uh we would have but we didn't this time

2628

01:29:19,830 --> 01:29:17,440

uh was this uss

2629

01:29:21,750 --> 01:29:19,840

kid case that did get some media

2630

01:29:24,950 --> 01:29:21,760

attention within the last week or so

2631

01:29:26,950 --> 01:29:24,960

again uh old pal dave beatty was the uh

2632

01:29:29,030 --> 01:29:26,960

the primary researcher on that to find

2633

01:29:31,270 --> 01:29:29,040

out about it in the first place and

2634

01:29:32,629 --> 01:29:31,280

some foyers were followed up with and uh

2635

01:29:34,390 --> 01:29:32,639

some interesting stuff there

2636

01:29:36,070 --> 01:29:34,400

i didn't get a chance to break that down

2637

01:29:36,390 --> 01:29:36,080

but it's well worth taking a closer look

2638

01:29:39,430 --> 01:29:36,400

at

2639

01:29:42,310 --> 01:29:39,440

i just go uss kid ufo

2640

01:29:43,830 --> 01:29:42,320

drone uh and again a couple of

2641

01:29:44,709 --> 01:29:43,840

mainstream outlets uh picked up the

2642

01:29:46,070 --> 01:29:44,719

story on that

2643

01:29:47,669 --> 01:29:46,080

so go take a look at that uh

2644

01:29:48,149 --> 01:29:47,679

unfortunately we didn't have time to get

2645

01:29:50,149 --> 01:29:48,159

to it

2646

01:29:51,910 --> 01:29:50,159

so uh chant uh let's uh are we good to

2647

01:29:52,550 --> 01:29:51,920

go we're ready to wrap up i think we did

2648

01:29:54,149 --> 01:29:52,560

okay

2649

01:29:55,990 --> 01:29:54,159

and i just really want to thank our

2650

01:29:57,910 --> 01:29:56,000

audience for uh you know

2651  
01:29:59,750 --> 01:29:57,920  
taking the time to listen to us because

2652  
01:30:01,189 --> 01:29:59,760  
you know um

2653  
01:30:02,950 --> 01:30:01,199  
if if they've actually listened to

2654  
01:30:04,790 --> 01:30:02,960  
multiple shows we've done

2655  
01:30:06,470 --> 01:30:04,800  
they'll hear us like you know really

2656  
01:30:07,270 --> 01:30:06,480  
giddy really happy sometimes we're a

2657  
01:30:08,550 --> 01:30:07,280  
little down

2658  
01:30:11,030 --> 01:30:08,560  
sometimes you sound a little bit too

2659  
01:30:13,270 --> 01:30:11,040  
skeptical or whatever but if you listen

2660  
01:30:14,470 --> 01:30:13,280  
to us in our entirety regarding all of

2661  
01:30:15,910 --> 01:30:14,480  
our shows

2662  
01:30:18,149 --> 01:30:15,920  
there's one thing that you will

2663  
01:30:20,470 --> 01:30:18,159

definitely see that is a

2664

01:30:21,270 --> 01:30:20,480

common denominator between frank and i

2665

01:30:23,350 --> 01:30:21,280

and that is

2666

01:30:24,709 --> 01:30:23,360

we've always we might we might joke

2667

01:30:25,510 --> 01:30:24,719

around you know a little bit too much

2668

01:30:27,910 --> 01:30:25,520

sometimes maybe

2669

01:30:30,310 --> 01:30:27,920

no we never joke around too much no

2670

01:30:33,110 --> 01:30:30,320

there's times we have but anyway

2671

01:30:34,870 --> 01:30:33,120

one thing you will definitely notice is

2672

01:30:38,709 --> 01:30:34,880

uh frank and i take the uh

2673

01:30:40,550 --> 01:30:38,719

ufo uap topic very very seriously

2674

01:30:42,870 --> 01:30:40,560

and it's something that a lot of people

2675

01:30:46,950 --> 01:30:42,880

don't know this about me but frank does

2676

01:30:49,270 --> 01:30:46,960

i have actually spent 16 17 hour days

2677

01:30:50,550 --> 01:30:49,280

consistently just studying and

2678

01:30:53,590 --> 01:30:50,560

researching

2679

01:30:55,430 --> 01:30:53,600

the ufo topic and what does that mean

2680

01:30:57,030 --> 01:30:55,440

that means going into like the cia

2681

01:30:59,990 --> 01:30:57,040

archives or obscure

2682

01:31:00,790 --> 01:31:00,000

archives around the planet that from

2683

01:31:02,629 --> 01:31:00,800

countries that

2684

01:31:03,990 --> 01:31:02,639

you know you actually have to translate

2685

01:31:07,430 --> 01:31:04,000

what you're looking at

2686

01:31:08,950 --> 01:31:07,440

on igoogle and um collecting as much

2687

01:31:11,990 --> 01:31:08,960

data as possible

2688

01:31:13,990 --> 01:31:12,000

and then just collating it

2689

01:31:15,110 --> 01:31:14,000

and seeing if it's worth worthy of

2690

01:31:17,270 --> 01:31:15,120

researching

2691

01:31:19,030 --> 01:31:17,280

and then in addition to that i've also

2692

01:31:20,870 --> 01:31:19,040

spent a copious amount of time

2693

01:31:22,550 --> 01:31:20,880

researching and debunking

2694

01:31:24,149 --> 01:31:22,560

various conspiracies theories that

2695

01:31:25,910 --> 01:31:24,159

floated around the ufo community which i

2696

01:31:29,189 --> 01:31:25,920

spent about a year doing that

2697

01:31:29,750 --> 01:31:29,199

and um i i really got i all i can tell

2698

01:31:31,430 --> 01:31:29,760

you is

2699

01:31:33,510 --> 01:31:31,440

i spent a ton of time on that to the

2700

01:31:35,750 --> 01:31:33,520

point we actually had to take time off

2701  
01:31:37,590 --> 01:31:35,760  
but yes we get myopically focused on

2702  
01:31:39,430 --> 01:31:37,600  
this topic because we care about it

2703  
01:31:41,430 --> 01:31:39,440  
so if we sound very passionate about

2704  
01:31:43,750 --> 01:31:41,440  
what we're talking about that's why

2705  
01:31:45,350 --> 01:31:43,760  
there you go okay well i'm done i got

2706  
01:31:46,310 --> 01:31:45,360  
everything out i wanted to get out so uh

2707  
01:31:47,990 --> 01:31:46,320  
you got anything

2708  
01:31:49,430 --> 01:31:48,000  
well but i'm just going to cut you off

2709  
01:31:50,470 --> 01:31:49,440  
chant you'll keep going another half

2710  
01:31:53,990 --> 01:31:50,480  
hour okay

2711  
01:31:55,430 --> 01:31:54,000  
so thanks everybody and
