DISCUSSES THE BETTY AND
BARNEY HILL CASE AND HER
LONGTIME COLLABORATION WITH
STANTON FRIEDMAN

UFONN
SUNDAY

1
00:00:02,130 --> 00:00:16,470

[Music]

2
00:00:20,790 --> 00:00:18,630

and good afternoon from philadelphia

3
00:00:24,070 --> 00:00:20,800

frank here with yet another episode of

4
00:00:25,990 --> 00:00:24,080

ufo news network sunday today on a very

5
00:00:28,230 --> 00:00:26,000

nice saturday afternoon

6
00:00:29,509 --> 00:00:28,240

and we've got a very special guest

7
00:00:32,470 --> 00:00:29,519

joining us for today

8
00:00:32,870 --> 00:00:32,480

and to tell you all about it my co-host

9
00:00:35,830 --> 00:00:32,880

as

10
00:00:37,110 --> 00:00:35,840

always the one and only chat hannah chan

11
00:00:38,790 --> 00:00:37,120

how are you today

12
00:00:40,310 --> 00:00:38,800

doing well frank thank you so much this

13
00:00:41,590 --> 00:00:40,320

is going to be a really wonderful show

14

00:00:44,950 --> 00:00:41,600

we have a legend

15

00:00:47,110 --> 00:00:44,960

and icon with us from the ufo community

16

00:00:49,430 --> 00:00:47,120

kathleen martin who is a sociologist

17

00:00:51,270 --> 00:00:49,440

historian and investigator of ufos in

18

00:00:52,709 --> 00:00:51,280

contact with non-humans

19

00:00:54,310 --> 00:00:52,719

she is an author of several

20

00:00:56,950 --> 00:00:54,320

professionally published books

21

00:00:58,389 --> 00:00:56,960

a featured on-camera commentator and an

22

00:01:00,790 --> 00:00:58,399

international lecturer

23

00:01:02,869 --> 00:01:00,800

she earned a ba degree in social work

24

00:01:04,950 --> 00:01:02,879

and was employed as an educator

25

00:01:06,469 --> 00:01:04,960

and education services coordinator while

26

00:01:09,109 --> 00:01:06,479

attending graduate school

27

00:01:10,950 --> 00:01:09,119

her interest in ufos and contact began

28

00:01:13,670 --> 00:01:10,960

in 1961

29

00:01:15,350 --> 00:01:13,680

when her aunt and uncle betty and barney

30

00:01:17,510 --> 00:01:15,360

hill had a close encounter

31

00:01:18,390 --> 00:01:17,520

and subsequent deduction in new

32

00:01:21,270 --> 00:01:18,400

hampshire's

33

00:01:22,870 --> 00:01:21,280

white mountains since 1990 she has

34

00:01:24,390 --> 00:01:22,880

followed the evidence to uncover the

35

00:01:26,789 --> 00:01:24,400

truth about ufos

36

00:01:29,030 --> 00:01:26,799

their occupants the humans they interact

37

00:01:30,630 --> 00:01:29,040

with and the us government's involvement

38

00:01:32,870 --> 00:01:30,640

in the ufo problem

39

00:01:33,670 --> 00:01:32,880

she has worked on three social research

40

00:01:37,429 --> 00:01:33,680

projects

41

00:01:40,230 --> 00:01:37,439

with nearly 5 000 experiencers of et

42

00:01:41,190 --> 00:01:40,240

contact her research at physical

43

00:01:43,510 --> 00:01:41,200

archives

44

00:01:45,429 --> 00:01:43,520

and her investigation of case after case

45

00:01:48,389 --> 00:01:45,439

of contact with non-humans

46

00:01:48,870 --> 00:01:48,399

has given her a depth of knowledge that

47

00:01:52,389 --> 00:01:48,880

few

48

00:01:55,510 --> 00:01:52,399

possess i wanted to mention a little bit

49

00:01:59,030 --> 00:01:55,520

about uh betty and barney hill

50

00:01:59,990 --> 00:01:59,040

this is a a case that i think anybody

51

00:02:02,709 --> 00:02:00,000

it's sort of

52

00:02:04,950 --> 00:02:02,719

a staple of ufology it's something that

53

00:02:07,590 --> 00:02:04,960

everybody who's not even in the

54

00:02:07,990 --> 00:02:07,600

in the community the ufo community would

55

00:02:11,190 --> 00:02:08,000

have heard

56

00:02:11,589 --> 00:02:11,200

about it and that is read a little bit

57

00:02:14,949 --> 00:02:11,599

from

58

00:02:16,869 --> 00:02:14,959

wikipedia on it barney and betty hill

59

00:02:18,790 --> 00:02:16,879

were an american couple who claimed they

60

00:02:20,949 --> 00:02:18,800

were abducted by ets

61

00:02:24,550 --> 00:02:20,959

in a rural portion of the state of new

62

00:02:27,589 --> 00:02:24,560

hampshire from september of 1919

63

00:02:29,750 --> 00:02:27,599

to september 20 1961.

64

00:02:31,350 --> 00:02:29,760

it was the first widely publicized

65

00:02:33,350 --> 00:02:31,360

report of an alien abduction

66

00:02:35,030 --> 00:02:33,360

in the u.s the incident came to be

67

00:02:37,830 --> 00:02:35,040

called the hill abduction

68

00:02:38,710 --> 00:02:37,840

and the zetta reticuli incident because

69

00:02:41,190 --> 00:02:38,720

the star map

70

00:02:43,270 --> 00:02:41,200

shown to betty hill could possibly be

71

00:02:44,710 --> 00:02:43,280

the zeta reticuli system according to

72

00:02:46,390 --> 00:02:44,720

some researchers

73

00:02:48,150 --> 00:02:46,400

their story was adapted into the

74

00:02:50,390 --> 00:02:48,160

best-selling 1966

75

00:02:52,309 --> 00:02:50,400

book the interrupted journey and the

76

00:02:55,790 --> 00:02:52,319

1975 televised

77

00:02:57,110 --> 00:02:55,800

movie the ufo incident it's september of

78

00:02:58,390 --> 00:02:57,120

2016

79

00:02:59,990 --> 00:02:58,400

plans were announced to make a film

80

00:03:01,110 --> 00:03:00,000

based on the events with an unknown

81

00:03:03,030 --> 00:03:01,120

release date

82

00:03:04,790 --> 00:03:03,040

welcome kathleen to the show how are you

83

00:03:06,790 --> 00:03:04,800

doing today

84

00:03:09,270 --> 00:03:06,800

well thank you and it's a pleasure to be

85

00:03:12,790 --> 00:03:09,280

with you i'm i'm doing very well

86

00:03:15,990 --> 00:03:12,800

up here in new hampshire uh for the week

87

00:03:18,390 --> 00:03:16,000

and uh instead of at my home in florida

88

00:03:20,070 --> 00:03:18,400

so it's great to be with you yes we're

89

00:03:21,750 --> 00:03:20,080

very grateful to have you on with us

90

00:03:23,190 --> 00:03:21,760

you're a wonderful person and i would

91

00:03:26,149 --> 00:03:23,200

just like to say

92

00:03:27,589 --> 00:03:26,159

and uh i can't say this uh i can't

93

00:03:30,149 --> 00:03:27,599

emphasize this enough

94

00:03:30,630 --> 00:03:30,159

you have to be one of the kindest and

95

00:03:34,869 --> 00:03:30,640

most

96

00:03:37,430 --> 00:03:34,879

uh good-hearted heart of gold person

97

00:03:39,190 --> 00:03:37,440

people i have ever met in my whole life

98

00:03:42,309 --> 00:03:39,200

i can feel it from you

99

00:03:44,309 --> 00:03:42,319

you're a really beautiful individual and

100

00:03:47,270 --> 00:03:44,319

every single person i know

101
00:03:48,390 --> 00:03:47,280
has said nothing but really lovely

102
00:03:50,070 --> 00:03:48,400
things about you

103
00:03:52,630 --> 00:03:50,080
i would also like to let our audience

104
00:03:57,190 --> 00:03:52,640
know that kathleen has spent

105
00:04:01,350 --> 00:03:57,200
probably uh innumerable amount of time

106
00:04:04,390 --> 00:04:01,360
thousands of hours i'm sure for free

107
00:04:05,670 --> 00:04:04,400
she's probably out of pocket money wise

108
00:04:07,910 --> 00:04:05,680
if anything

109
00:04:10,070 --> 00:04:07,920
regarding all of her contributions to

110
00:04:11,270 --> 00:04:10,080
the ufo slash et topic and other

111
00:04:13,589 --> 00:04:11,280
phenomena

112
00:04:15,830 --> 00:04:13,599
and what she does is she spends

113
00:04:17,990 --> 00:04:15,840

voluminous amounts of time with people

114

00:04:19,110 --> 00:04:18,000

who badly need her help with regards to

115

00:04:22,469 --> 00:04:19,120

the topics i just

116

00:04:23,590 --> 00:04:22,479

mentioned now uh one person who was very

117

00:04:25,510 --> 00:04:23,600

close to her

118

00:04:27,350 --> 00:04:25,520

was stanton friedman who was a nuclear

119

00:04:29,670 --> 00:04:27,360

physicist and

120

00:04:30,710 --> 00:04:29,680

a well-known ufologist who was also a

121

00:04:33,909 --> 00:04:30,720

legend

122

00:04:35,749 --> 00:04:33,919

um regarding the ufo slash et topic and

123

00:04:37,749 --> 00:04:35,759

he resided in fredericton

124

00:04:40,790 --> 00:04:37,759

new brunswick canada we all missed him

125

00:04:43,270 --> 00:04:40,800

dearly i wanted to ask you kathleen

126

00:04:44,310 --> 00:04:43,280

when was the very first time you met

127

00:04:48,070 --> 00:04:44,320

stanton

128

00:04:50,230 --> 00:04:48,080

and in addition to that aside from

129

00:04:52,230 --> 00:04:50,240

when you first met him did you know when

130

00:04:54,230 --> 00:04:52,240

you met him you would become such close

131

00:04:57,510 --> 00:04:54,240

friends

132

00:04:59,270 --> 00:04:57,520

i met him for the first time i believe

133

00:05:03,749 --> 00:04:59,280

it was in december

134

00:05:06,469 --> 00:05:03,759

of 1971. i graduated from the university

135

00:05:09,990 --> 00:05:06,479

of new hampshire in 1971

136

00:05:12,950 --> 00:05:10,000

and it was

137

00:05:13,909 --> 00:05:12,960

a year before we went to cincinnati for

138

00:05:17,110 --> 00:05:13,919

graduate work

139

00:05:20,469 --> 00:05:17,120

so i i believe that

140

00:05:23,350 --> 00:05:20,479

i attended stanton's lecture he was

141

00:05:24,469 --> 00:05:23,360

billing himself as the flying saucer

142

00:05:27,029 --> 00:05:24,479

physicist

143

00:05:27,670 --> 00:05:27,039

i see in his records that it that he

144

00:05:32,070 --> 00:05:27,680

spoke at

145

00:05:33,510 --> 00:05:32,080

unh in 1971 so i think that that was the

146

00:05:36,950 --> 00:05:33,520

first time

147

00:05:40,710 --> 00:05:36,960

i met him but i only began

148

00:05:45,110 --> 00:05:40,720

to follow his work

149

00:05:48,550 --> 00:05:45,120

probably in the 1980s

150

00:05:52,710 --> 00:05:48,560

when i saw him on television

151
00:05:56,309 --> 00:05:52,720
he had investigated the roswell crash

152
00:06:00,230 --> 00:05:56,319
and he was speaking at

153
00:06:04,230 --> 00:06:00,240
lectures i began to attend

154
00:06:09,029 --> 00:06:04,240
conferences in the 1990s

155
00:06:12,469 --> 00:06:09,039
and so uh that's when i became a big fan

156
00:06:14,870 --> 00:06:12,479
of stanton i liked him because he was a

157
00:06:16,150 --> 00:06:14,880
nuclear physicist i knew he was being

158
00:06:19,189 --> 00:06:16,160
scientific

159
00:06:23,029 --> 00:06:19,199
uh he was an upstanding

160
00:06:26,150 --> 00:06:23,039
man he was meticulous in his research so

161
00:06:27,590 --> 00:06:26,160
and my aunt betty hill had told me that

162
00:06:30,550 --> 00:06:27,600
he was

163
00:06:31,830 --> 00:06:30,560

probably the best in the field at that

164

00:06:35,270 --> 00:06:31,840

point so

165

00:06:38,230 --> 00:06:35,280

uh i was very impressed with

166

00:06:39,350 --> 00:06:38,240

stanton and he was also very very funny

167

00:06:42,550 --> 00:06:39,360

he always

168

00:06:45,909 --> 00:06:42,560

injected humor into his lectures so

169

00:06:48,790 --> 00:06:45,919

whenever i went to ufo conferences

170

00:06:50,309 --> 00:06:48,800

i made sure that i went to stanton's

171

00:06:53,909 --> 00:06:50,319

lectures i never sat

172

00:06:59,110 --> 00:06:53,919

one out he was full of information

173

00:07:06,790 --> 00:07:02,390

stanton friedman whom we all missed uh

174

00:07:13,110 --> 00:07:11,029

we all one thing one thing my co-host

175

00:07:16,230 --> 00:07:13,120

frank stalter pointed out to me which

176

00:07:18,390 --> 00:07:16,240

i was aware of but i think frank is

177

00:07:20,390 --> 00:07:18,400

even more acutely aware of this because

178

00:07:23,670 --> 00:07:20,400

he had the privilege of interviewing

179

00:07:24,550 --> 00:07:23,680

stanton was he told me you know one

180

00:07:26,870 --> 00:07:24,560

thing about

181

00:07:29,029 --> 00:07:26,880

stanton friedman that was so great was

182

00:07:30,710 --> 00:07:29,039

he was available to anybody and

183

00:07:33,510 --> 00:07:30,720

everybody always

184

00:07:35,990 --> 00:07:33,520

he was never afraid of talking about

185

00:07:37,749 --> 00:07:36,000

anything that was ufo slash gt or other

186

00:07:40,150 --> 00:07:37,759

phenomena related

187

00:07:42,390 --> 00:07:40,160

he was a very unafraid individual with

188

00:07:43,990 --> 00:07:42,400

regards to debate he had no problem

189

00:07:47,270 --> 00:07:44,000

debating anybody on any of those

190

00:07:48,550 --> 00:07:47,280

topics if he deemed it necessary and he

191

00:07:51,830 --> 00:07:48,560

didn't

192

00:07:54,070 --> 00:07:51,840

shirk his duties as far as

193

00:07:56,950 --> 00:07:54,080

sharing any kind of knowledge that he

194

00:07:59,029 --> 00:07:56,960

might have accumulated over the years

195

00:08:00,550 --> 00:07:59,039

he always shared everything he could

196

00:08:04,950 --> 00:08:00,560

with everyone

197

00:08:08,790 --> 00:08:06,950

easiest individuals to have had the

198

00:08:10,550 --> 00:08:08,800

opportunity to interview

199

00:08:12,309 --> 00:08:10,560

because he made sure that he was

200

00:08:13,189 --> 00:08:12,319

available to everyone do you agree with

201
00:08:17,749 --> 00:08:13,199
that

202
00:08:20,469 --> 00:08:17,759
public

203
00:08:21,270 --> 00:08:20,479
and he said to me you have to realize

204
00:08:24,230 --> 00:08:21,280
that you're not

205
00:08:26,150 --> 00:08:24,240
talking to college professors or

206
00:08:27,589 --> 00:08:26,160
scientists you're talking with the

207
00:08:31,670 --> 00:08:27,599
general public

208
00:08:35,430 --> 00:08:31,680
what stanton did

209
00:08:38,630 --> 00:08:35,440
he was the public's ufologist

210
00:08:42,230 --> 00:08:38,640
and or the people's ufologist

211
00:08:43,990 --> 00:08:42,240
and just about everybody loved him the

212
00:08:46,070 --> 00:08:44,000
only people who didn't were the ones

213
00:08:49,670 --> 00:08:46,080

that he called the debunkers

214

00:08:52,870 --> 00:08:49,680

and because he took them on and

215

00:08:56,070 --> 00:08:52,880

uh he defeated them he loved

216

00:08:59,110 --> 00:08:56,080

to engage in debates

217

00:09:01,030 --> 00:08:59,120

publicly he was very good at debating he

218

00:09:02,550 --> 00:09:01,040

had been on the debating team for three

219

00:09:05,590 --> 00:09:02,560

years when he was in

220

00:09:08,630 --> 00:09:05,600

high school and so

221

00:09:09,350 --> 00:09:08,640

that was something that he had expertise

222

00:09:16,389 --> 00:09:09,360

in

223

00:09:16,949 --> 00:09:16,399

uh everybody did love him except for

224

00:09:19,350 --> 00:09:16,959

those

225

00:09:21,430 --> 00:09:19,360

uh debunkers so he called them i call

226

00:09:23,670 --> 00:09:21,440

them disinformants because

227

00:09:24,550 --> 00:09:23,680

they uh don't take the bunk out of

228

00:09:27,110 --> 00:09:24,560

anything

229

00:09:28,550 --> 00:09:27,120

they tend to add bunk in order to

230

00:09:31,430 --> 00:09:28,560

dissuade the public

231

00:09:32,710 --> 00:09:31,440

from believing the truth yeah what a

232

00:09:35,590 --> 00:09:32,720

great way of putting it

233

00:09:37,750 --> 00:09:35,600

yeah we had uh we had had uh stanton on

234

00:09:39,430 --> 00:09:37,760

at a very interesting time was uh not

235

00:09:42,150 --> 00:09:39,440

quite three years ago

236

00:09:44,230 --> 00:09:42,160

and that was uh right after uh all this

237

00:09:46,630 --> 00:09:44,240

uh new information was starting to

238

00:09:48,389 --> 00:09:46,640

to bubble out about the ufos and kind of

239

00:09:51,590 --> 00:09:48,399

a rekindling uh

240

00:09:53,430 --> 00:09:51,600

general interest in it i can remember

241

00:09:54,790 --> 00:09:53,440

when i started following uh back in the

242

00:09:58,389 --> 00:09:54,800

70s uh

243

00:10:00,630 --> 00:09:58,399

it was a there was a lot of interest and

244

00:10:01,910 --> 00:10:00,640

then it kind of waxes and wanes over the

245

00:10:04,710 --> 00:10:01,920

years but

246

00:10:06,470 --> 00:10:04,720

it was a very interesting time and i

247

00:10:09,509 --> 00:10:06,480

just wanted to get your feedback on

248

00:10:11,350 --> 00:10:09,519

what's going on right now

249

00:10:14,150 --> 00:10:11,360

new news seems to come out that we just

250

00:10:16,069 --> 00:10:14,160

have quite a bit of news coming out

251
00:10:17,750 --> 00:10:16,079
just yesterday as a matter of fact more

252
00:10:20,870 --> 00:10:17,760
interviews more

253
00:10:23,590 --> 00:10:20,880
people coming forward u.s senators

254
00:10:24,310 --> 00:10:23,600
expressing interest in the subject

255
00:10:27,110 --> 00:10:24,320
former

256
00:10:28,069 --> 00:10:27,120
director of national intelligence here

257
00:10:30,470 --> 00:10:28,079
in the states

258
00:10:31,430 --> 00:10:30,480
uh saying that we should be looking into

259
00:10:34,550 --> 00:10:31,440
this more and that

260
00:10:35,509 --> 00:10:34,560
there's something to it uh are you a

261
00:10:37,670 --> 00:10:35,519
little sorry that

262
00:10:39,670 --> 00:10:37,680
stanton's missed all this i mean it's

263
00:10:41,430 --> 00:10:39,680

providing some real validation to his

264

00:10:44,630 --> 00:10:41,440

life's work

265

00:10:47,430 --> 00:10:44,640

absolutely if only he could be here

266

00:10:48,630 --> 00:10:47,440

to to see all of this i know he would be

267

00:10:51,670 --> 00:10:48,640

delighted

268

00:10:53,030 --> 00:10:51,680

and i hope that he can somehow look down

269

00:10:55,350 --> 00:10:53,040

and tap in

270

00:10:56,630 --> 00:10:55,360

to this new information this soft

271

00:11:00,389 --> 00:10:56,640

disclosure

272

00:11:03,509 --> 00:11:00,399

this new interest there was previously

273

00:11:07,110 --> 00:11:03,519

uh many years ago interest

274

00:11:10,630 --> 00:11:07,120

in congress uh stanton uh

275

00:11:13,750 --> 00:11:10,640

spoke before congress and

276

00:11:15,750 --> 00:11:13,760

presented a report to congress so he was

277

00:11:17,910 --> 00:11:15,760

involved in this and then also

278

00:11:19,030 --> 00:11:17,920

in the united states in the united

279

00:11:22,710 --> 00:11:19,040

nations

280

00:11:25,910 --> 00:11:22,720

when uh they were speaking about this

281

00:11:26,550 --> 00:11:25,920

and and interested in this topic but

282

00:11:30,310 --> 00:11:26,560

then

283

00:11:31,590 --> 00:11:30,320

for some reason the the lid clamped down

284

00:11:34,710 --> 00:11:31,600

there was a lot of

285

00:11:35,190 --> 00:11:34,720

uh frightening information about how

286

00:11:38,389 --> 00:11:35,200

much

287

00:11:42,470 --> 00:11:38,399

money it was going to cost

288

00:11:46,069 --> 00:11:42,480

dr james e mcdonald was

289

00:11:49,110 --> 00:11:46,079

the leading scientist in that time frame

290

00:11:52,550 --> 00:11:49,120

and had made a proposal and

291

00:11:54,150 --> 00:11:52,560

people like the arch skeptic

292

00:11:56,150 --> 00:11:54,160

philip class who was really a

293

00:11:59,190 --> 00:11:56,160

disinformant and dr

294

00:12:01,670 --> 00:11:59,200

donald menzel were

295

00:12:02,230 --> 00:12:01,680

very concerned about this use of public

296

00:12:05,269 --> 00:12:02,240

funding

297

00:12:08,470 --> 00:12:05,279

also dr edward condon

298

00:12:11,670 --> 00:12:08,480

who did not want

299

00:12:14,870 --> 00:12:11,680

the scientists to look into this

300

00:12:16,150 --> 00:12:14,880

and used the cost of it in order to

301
00:12:19,430 --> 00:12:16,160
dissuade

302
00:12:22,870 --> 00:12:19,440
uh the congress from passing the funding

303
00:12:26,629 --> 00:12:22,880
uh to investigate ufos but

304
00:12:30,069 --> 00:12:26,639
you know it it does not cost as much as

305
00:12:35,430 --> 00:12:30,079
philip class said it would and

306
00:12:39,829 --> 00:12:35,440
uh it is so important you know that

307
00:12:42,870 --> 00:12:39,839
the u.s military has been studying this

308
00:12:46,629 --> 00:12:42,880
back to the mid 40s and

309
00:12:50,710 --> 00:12:46,639
they did some very

310
00:12:54,790 --> 00:12:50,720
impressive studies in 1952

311
00:12:55,590 --> 00:12:54,800
under the direction of uh edward rupelt

312
00:12:58,629 --> 00:12:55,600
who was

313
00:13:02,310 --> 00:12:58,639

the director of project blue book

314

00:13:05,590 --> 00:13:02,320

at that time the first director in fact

315

00:13:08,150 --> 00:13:05,600

there was a

316

00:13:09,030 --> 00:13:08,160

very important study done a scientific

317

00:13:13,430 --> 00:13:09,040

study

318

00:13:15,350 --> 00:13:13,440

on more than 1500 ufo reports that they

319

00:13:18,470 --> 00:13:15,360

had collected to that

320

00:13:21,990 --> 00:13:18,480

date many of those were by

321

00:13:24,949 --> 00:13:22,000

military personnel and they

322

00:13:26,790 --> 00:13:24,959

did a chi-square analysis they

323

00:13:29,269 --> 00:13:26,800

categorized them into different

324

00:13:30,310 --> 00:13:29,279

categories conventional categories such

325

00:13:34,150 --> 00:13:30,320

as

326

00:13:37,590 --> 00:13:34,160

aircraft balloons birds

327

00:13:38,550 --> 00:13:37,600

psychological phenomena hoaxes that sort

328

00:13:43,829 --> 00:13:38,560

of thing

329

00:13:47,509 --> 00:13:43,839

in the end 26.94

330

00:13:50,230 --> 00:13:47,519

of those cases could not be identified

331

00:13:51,030 --> 00:13:50,240

as anything conventional they did

332

00:13:54,310 --> 00:13:51,040

another one

333

00:13:57,430 --> 00:13:54,320

in 1955 it was done

334

00:13:58,790 --> 00:13:57,440

at the prestigious battelle memorial

335

00:14:03,350 --> 00:13:58,800

institute

336

00:14:06,949 --> 00:14:03,360

funded by the air force 3201

337

00:14:10,150 --> 00:14:06,959

cases and the same kind of thing

338

00:14:12,870 --> 00:14:10,160

put it into categories

339

00:14:13,910 --> 00:14:12,880

do a chi-square analysis what they

340

00:14:17,189 --> 00:14:13,920

discovered

341

00:14:21,189 --> 00:14:17,199

in all of those cases 21

342

00:14:23,990 --> 00:14:21,199

and a half percent were true unknowns

343

00:14:25,189 --> 00:14:24,000

and in the chi-square analysis they

344

00:14:28,230 --> 00:14:25,199

discovered

345

00:14:29,269 --> 00:14:28,240

that the longer the sighting the more

346

00:14:32,710 --> 00:14:29,279

reliable

347

00:14:37,750 --> 00:14:32,720

the witness the more likely it was

348

00:14:40,470 --> 00:14:37,760

to be unidentified and a true unknown

349

00:14:40,949 --> 00:14:40,480

yeah just uh really quick in stanton's

350

00:14:43,590 --> 00:14:40,959

book

351
00:14:44,310 --> 00:14:43,600
about the majestic 12 documents he had

352
00:14:47,509 --> 00:14:44,320
mentioned

353
00:14:49,509 --> 00:14:47,519
that it was the book by edward rupelt uh

354
00:14:50,389 --> 00:14:49,519
the report on unidentified flying

355
00:14:53,750 --> 00:14:50,399
objects

356
00:14:55,350 --> 00:14:53,760
that got him into ufos in the first

357
00:14:57,350 --> 00:14:55,360
place

358
00:14:59,189 --> 00:14:57,360
yes i don't know if you're aware of that

359
00:15:00,790 --> 00:14:59,199
or not but uh i thought that was pretty

360
00:15:03,110 --> 00:15:00,800
interesting

361
00:15:05,350 --> 00:15:03,120
told me that story time and time again

362
00:15:06,710 --> 00:15:05,360
and and said it on radio shows that we

363
00:15:10,310 --> 00:15:06,720

did together

364

00:15:12,949 --> 00:15:10,320

and uh he was working as a physicist at

365

00:15:17,030 --> 00:15:12,959

that time it was 1958

366

00:15:20,150 --> 00:15:17,040

and he was placing a book order and

367

00:15:23,829 --> 00:15:20,160

he could get one more

368

00:15:26,629 --> 00:15:23,839

book and uh would get a discount

369

00:15:27,590 --> 00:15:26,639

and so i think it was it was maybe free

370

00:15:31,030 --> 00:15:27,600

shipping

371

00:15:35,350 --> 00:15:31,040

and so the book he selected was uh

372

00:15:37,110 --> 00:15:35,360

edward rupelt's book and uh

373

00:15:38,550 --> 00:15:37,120

he always said it was a good thing he

374

00:15:41,990 --> 00:15:38,560

purchased that and

375

00:15:46,790 --> 00:15:42,000

not the disinformation put out by

376

00:15:49,749 --> 00:15:46,800

uh dr donald menzel in 1953

377

00:15:51,189 --> 00:15:49,759

after the robertson panel recommended

378

00:15:54,790 --> 00:15:51,199

that scientists write

379

00:15:58,389 --> 00:15:54,800

uh books and and articles

380

00:16:00,389 --> 00:15:58,399

uh sort of debunking ufos not using any

381

00:16:03,910 --> 00:16:00,399

evidence but only using

382

00:16:07,350 --> 00:16:03,920

uh logical deduction so

383

00:16:11,189 --> 00:16:07,360

uh hugh stanton was happy that he read

384

00:16:13,509 --> 00:16:11,199

uh edward rupelt's book and not menzel's

385

00:16:15,670 --> 00:16:13,519

yeah and it's readily available if folks

386

00:16:17,670 --> 00:16:15,680

haven't taken a look at it i read it

387

00:16:18,790 --> 00:16:17,680

very early on when i got serious about

388

00:16:20,550 --> 00:16:18,800

this and

389

00:16:22,230 --> 00:16:20,560

it's a fantastic book it's pretty

390

00:16:24,629 --> 00:16:22,240

amazing a lot of what's in there

391

00:16:25,990 --> 00:16:24,639

and basically yeah yeah it covers uh

392

00:16:28,069 --> 00:16:26,000

well rupaul's time

393

00:16:30,550 --> 00:16:28,079

running blue book which is basically uh

394

00:16:31,990 --> 00:16:30,560

uh yeah though the very late 40s uh into

395

00:16:34,470 --> 00:16:32,000

the early 50s

396

00:16:35,990 --> 00:16:34,480

and uh yeah it's free you can find it

397

00:16:39,670 --> 00:16:36,000

online it's available over

398

00:16:41,509 --> 00:16:39,680

at thenycap.org website and uh yeah i'd

399

00:16:43,509 --> 00:16:41,519

suggest you go check it out

400

00:16:45,030 --> 00:16:43,519

it's a very interesting and a very

401

00:16:48,069 --> 00:16:45,040

interesting counterpoint on

402

00:16:51,110 --> 00:16:48,079

what's going on today but

403

00:16:53,509 --> 00:16:51,120

uh yeah let's let's move on to uh

404

00:16:54,230 --> 00:16:53,519

you you were talking about how uh

405

00:16:56,949 --> 00:16:54,240

obviously

406

00:16:58,069 --> 00:16:56,959

uh betty and barney hill uh you have the

407

00:17:01,189 --> 00:16:58,079

relation there

408

00:17:03,670 --> 00:17:01,199

and uh uh you were aware of uh their

409

00:17:05,189 --> 00:17:03,680

their incident uh their abduction

410

00:17:07,909 --> 00:17:05,199

experience uh

411

00:17:09,669 --> 00:17:07,919

fairly early on you're still in the in

412

00:17:10,150 --> 00:17:09,679

school at this point is that about right

413

00:17:13,110 --> 00:17:10,160

if uh

414

00:17:15,189 --> 00:17:13,120

if i'm understanding the timeline here i

415

00:17:19,270 --> 00:17:15,199

was 13 years old

416

00:17:21,669 --> 00:17:19,280

it was september 20 20 1961

417

00:17:22,710 --> 00:17:21,679

betty and barney had arrived home that

418

00:17:25,829 --> 00:17:22,720

morning

419

00:17:29,350 --> 00:17:25,839

they had drawn sketches of the craft

420

00:17:32,470 --> 00:17:29,360

that they observed found

421

00:17:33,909 --> 00:17:32,480

evidence that something had happened and

422

00:17:36,950 --> 00:17:33,919

then went to bed

423

00:17:39,270 --> 00:17:36,960

and uh they woke up in later in the

424

00:17:41,990 --> 00:17:39,280

afternoon because i had just returned

425

00:17:42,870 --> 00:17:42,000

home from school when my mother was on

426

00:17:46,870 --> 00:17:42,880

the phone

427

00:17:49,990 --> 00:17:46,880

with betty and betty was telling her

428

00:17:51,350 --> 00:17:50,000

that the craft had come so close that

429

00:17:53,510 --> 00:17:51,360

she and barney

430

00:17:55,430 --> 00:17:53,520

uh were worried that they might have

431

00:17:57,190 --> 00:17:55,440

been contaminated

432

00:17:58,470 --> 00:17:57,200

and so we had a neighbor who was a

433

00:18:01,510 --> 00:17:58,480

physicist

434

00:18:04,070 --> 00:18:01,520

and she asked my mother to call the

435

00:18:07,430 --> 00:18:04,080

neighbor to see what he would suggest

436

00:18:09,909 --> 00:18:07,440

they had already taken long showers

437

00:18:13,510 --> 00:18:09,919

and but they wanted to know if there was

438

00:18:16,630 --> 00:18:13,520

anything else that they should look for

439

00:18:18,549 --> 00:18:16,640
strangely enough that physicist

440

00:18:19,990 --> 00:18:18,559
instead of talking about a geiger

441

00:18:23,029 --> 00:18:20,000
counter

442

00:18:24,070 --> 00:18:23,039
said go out to the car and see how the

443

00:18:26,870 --> 00:18:24,080
needle reacts

444

00:18:28,710 --> 00:18:26,880
on a compass now you know that if you

445

00:18:31,110 --> 00:18:28,720
put it up by the battery

446

00:18:33,590 --> 00:18:31,120
certainly the needle is going to react

447

00:18:36,870 --> 00:18:33,600
to the magnetic field

448

00:18:39,750 --> 00:18:36,880
but she started on the side of the car

449

00:18:40,549 --> 00:18:39,760
and she went to the back of the car and

450

00:18:43,590 --> 00:18:40,559
there

451
00:18:45,190 --> 00:18:43,600
were shiny spots on the trunk of the car

452
00:18:48,470 --> 00:18:45,200
that hadn't been there

453
00:18:51,750 --> 00:18:48,480
the previous day and when she placed

454
00:18:54,470 --> 00:18:51,760
the compass over those spots

455
00:18:56,070 --> 00:18:54,480
the needle would whirl but when she

456
00:18:59,350 --> 00:18:56,080
moved it away

457
00:19:03,510 --> 00:18:59,360
uh the needle dropped down so

458
00:19:09,430 --> 00:19:06,789
and uh is the the

459
00:19:10,630 --> 00:19:09,440
there was sort of a process uh by which

460
00:19:12,710 --> 00:19:10,640
uh they became that

461
00:19:14,789 --> 00:19:12,720
they came to understand that uh

462
00:19:15,190 --> 00:19:14,799
something very unusual happened to them

463
00:19:17,909 --> 00:19:15,200

it

464

00:19:19,350 --> 00:19:17,919

didn't all come back to them right away

465

00:19:20,070 --> 00:19:19,360

uh could you tell us a little bit about

466

00:19:23,029 --> 00:19:20,080

that because

467

00:19:24,870 --> 00:19:23,039

there was uh some uh regressive hypnosis

468

00:19:28,070 --> 00:19:24,880

involved if i recall correctly

469

00:19:29,430 --> 00:19:28,080

and so there was sort of a process

470

00:19:31,350 --> 00:19:29,440

in order for them to get the full

471

00:19:35,830 --> 00:19:31,360

understanding of what happened

472

00:19:39,190 --> 00:19:35,840

yes there absolutely was initially

473

00:19:42,710 --> 00:19:39,200

barney had full recall of observing

474

00:19:46,230 --> 00:19:42,720

the craft as did betty at close range

475

00:19:48,549 --> 00:19:46,240

betty from 200 feet above their vehicle

476

00:19:51,110 --> 00:19:48,559

bonnie got out of the car looked at it

477

00:19:54,070 --> 00:19:51,120

through binoculars stepped back

478

00:19:55,909 --> 00:19:54,080

and when he did it shifted to an

479

00:19:58,870 --> 00:19:55,919

adjacent field and descended

480

00:20:00,950 --> 00:19:58,880

even lower to about 100 feet in the air

481

00:20:02,870 --> 00:20:00,960

and 50 feet from where barney was

482

00:20:06,390 --> 00:20:02,880

standing

483

00:20:08,630 --> 00:20:06,400

so he in the original report

484

00:20:12,070 --> 00:20:08,640

to nycap the national investigations

485

00:20:15,830 --> 00:20:12,080

committee on aerial phenomena

486

00:20:19,590 --> 00:20:15,840

he and betty wrote that he had observed

487

00:20:22,710 --> 00:20:19,600

figures dressed in black shiny uniforms

488

00:20:25,990 --> 00:20:22,720

looking out at him as he was looking

489

00:20:26,789 --> 00:20:26,000

up through binoculars and that they were

490

00:20:29,830 --> 00:20:26,799

looking

491

00:20:32,870 --> 00:20:29,840

for a qualified hypnotist

492

00:20:33,430 --> 00:20:32,880

because barney had developed a mental

493

00:20:37,110 --> 00:20:33,440

block

494

00:20:37,909 --> 00:20:37,120

at that point he'd become terribly

495

00:20:40,310 --> 00:20:37,919

fearful

496

00:20:41,190 --> 00:20:40,320

pulled the binoculars from his eyes ran

497

00:20:43,270 --> 00:20:41,200

back to the car

498

00:20:44,870 --> 00:20:43,280

screaming to betty that they were going

499

00:20:47,430 --> 00:20:44,880

to be captured

500

00:20:48,710 --> 00:20:47,440

they wrote about a series of code-like

501
00:20:50,710 --> 00:20:48,720
buzzing sounds

502
00:20:53,029 --> 00:20:50,720
that were striking the trunk of their

503
00:20:55,029 --> 00:20:53,039
vehicle they also reported

504
00:20:57,990 --> 00:20:55,039
this they didn't mention the figures on

505
00:20:59,990 --> 00:20:58,000
the craft to the air force

506
00:21:01,669 --> 00:21:00,000
the day after when they called the air

507
00:21:06,630 --> 00:21:01,679
force but

508
00:21:10,310 --> 00:21:06,640
to make a project blue book report but

509
00:21:13,350 --> 00:21:10,320
that's only because barney thought that

510
00:21:15,750 --> 00:21:13,360
he would be laughed at they did give the

511
00:21:19,190 --> 00:21:15,760
information about the craft

512
00:21:21,590 --> 00:21:19,200
that when it was so low

513
00:21:22,870 --> 00:21:21,600

it was as large as a dinner plate at

514

00:21:25,029 --> 00:21:22,880

arm's length

515

00:21:26,470 --> 00:21:25,039

they talked about the buzzing sounds on

516

00:21:30,149 --> 00:21:26,480

the trunk of the car

517

00:21:35,029 --> 00:21:30,159

that sort of thing to the air force so

518

00:21:41,430 --> 00:21:38,310

barney wanted to forget about this he

519

00:21:44,390 --> 00:21:41,440

he said to betty don't tell anyone

520

00:21:46,310 --> 00:21:44,400

no good can come of this let's just

521

00:21:47,990 --> 00:21:46,320

forget about it betty

522

00:21:49,830 --> 00:21:48,000

uh even though there was physical

523

00:21:52,070 --> 00:21:49,840

evidence on his shoes they were so

524

00:21:53,190 --> 00:21:52,080

deeply scraped on the toes he had to buy

525

00:21:55,990 --> 00:21:53,200

new shoes

526
00:21:58,149 --> 00:21:56,000
but betty would not forget about it she

527
00:22:00,390 --> 00:21:58,159
went to the library

528
00:22:01,990 --> 00:22:00,400
checked out the first book on ufos that

529
00:22:05,909 --> 00:22:02,000
she had ever read

530
00:22:09,510 --> 00:22:05,919
written by donald kehoe from

531
00:22:12,789 --> 00:22:09,520
nycap he was the director of nycap

532
00:22:16,070 --> 00:22:12,799
so that began betty's uh

533
00:22:17,510 --> 00:22:16,080
prolonged interest in this case and she

534
00:22:20,789 --> 00:22:17,520
became obsessed

535
00:22:23,029 --> 00:22:20,799
with finding out more when they would

536
00:22:23,909 --> 00:22:23,039
come to visit my childhood home which

537
00:22:27,270 --> 00:22:23,919
they did about

538
00:22:28,390 --> 00:22:27,280

once a week sometimes more than once a

539

00:22:30,470 --> 00:22:28,400

week

540

00:22:31,669 --> 00:22:30,480

instead of joining the family the way

541

00:22:34,789 --> 00:22:31,679

barney always

542

00:22:36,470 --> 00:22:34,799

had betty would start to talk about this

543

00:22:39,669 --> 00:22:36,480

ufo sighting

544

00:22:41,909 --> 00:22:39,679

and the missing time and barney

545

00:22:43,270 --> 00:22:41,919

would walk the backlands of the family

546

00:22:45,990 --> 00:22:43,280

farm

547

00:22:46,789 --> 00:22:46,000

and he didn't want to hear about it at

548

00:22:51,669 --> 00:22:46,799

all

549

00:22:54,390 --> 00:22:51,679

betty had a series of five dreams

550

00:22:55,350 --> 00:22:54,400

where i believe that she worked through

551
00:22:59,270 --> 00:22:55,360
any

552
00:23:02,549 --> 00:22:59,280
anxiety she had about what had occurred

553
00:23:03,430 --> 00:23:02,559
barney never had a dream about it barney

554
00:23:06,470 --> 00:23:03,440
developed

555
00:23:09,110 --> 00:23:06,480
bleeding ulcers he

556
00:23:09,590 --> 00:23:09,120
wasn't able to sleep he had what today

557
00:23:11,830 --> 00:23:09,600
we call

558
00:23:13,270 --> 00:23:11,840
post-traumatic stress disorder he

559
00:23:16,470 --> 00:23:13,280
developed what they called

560
00:23:18,430 --> 00:23:16,480
conversion hysteria where you develop

561
00:23:19,590 --> 00:23:18,440
physiological symptoms that are

562
00:23:22,870 --> 00:23:19,600
psychogenically

563
00:23:25,110 --> 00:23:22,880

induced and with the bleeding ulcer he

564

00:23:26,310 --> 00:23:25,120

ended up in the hospital he had high

565

00:23:29,430 --> 00:23:26,320

blood pressure

566

00:23:33,110 --> 00:23:29,440

he had to take a three-month leave of

567

00:23:36,789 --> 00:23:33,120

absence from work and this finally

568

00:23:39,990 --> 00:23:36,799

led to a referral to dr benjamin simon

569

00:23:42,950 --> 00:23:40,000

because dr simon had earned

570

00:23:44,070 --> 00:23:42,960

a reputation for himself through

571

00:23:47,269 --> 00:23:44,080

developing

572

00:23:50,630 --> 00:23:47,279

a new type of hypnosis

573

00:23:52,950 --> 00:23:50,640

that would get to the problem he

574

00:23:53,909 --> 00:23:52,960

during world war ii had set up the

575

00:23:56,630 --> 00:23:53,919

psychiatric

576
00:23:57,750 --> 00:23:56,640
unit at the mason general hospital on

577
00:24:01,590 --> 00:23:57,760
long island

578
00:24:04,710 --> 00:24:01,600
new york he was a colonel in the army

579
00:24:07,909 --> 00:24:04,720
and and uh a neuro

580
00:24:08,870 --> 00:24:07,919
psychiatrist he had a tremendous amount

581
00:24:11,510 --> 00:24:08,880
of success

582
00:24:13,029 --> 00:24:11,520
in working with these veterans who were

583
00:24:16,830 --> 00:24:13,039
returning

584
00:24:21,430 --> 00:24:16,840
from the war who had injuries and

585
00:24:24,549 --> 00:24:21,440
uh maybe one let me use an example

586
00:24:27,750 --> 00:24:24,559
a man was blinded

587
00:24:30,789 --> 00:24:27,760
but there was no physical condition

588
00:24:32,070 --> 00:24:30,799

his eyes were not damaged and the other

589

00:24:35,430 --> 00:24:32,080

psychiatrist did not

590

00:24:36,310 --> 00:24:35,440

have luck with him in overcoming this

591

00:24:39,430 --> 00:24:36,320

problem

592

00:24:43,909 --> 00:24:39,440

because they only went as far as him

593

00:24:47,110 --> 00:24:43,919

seeing his friend killed in front of him

594

00:24:50,149 --> 00:24:47,120

but dr simon had this technique of

595

00:24:51,510 --> 00:24:50,159

probing deeply and he went back into the

596

00:24:54,710 --> 00:24:51,520

man's history

597

00:24:57,510 --> 00:24:54,720

a couple of weeks before this happened

598

00:24:58,710 --> 00:24:57,520

he had received a dear john letter from

599

00:25:01,750 --> 00:24:58,720

his sweetheart

600

00:25:04,870 --> 00:25:01,760

calling off the relationship and it was

601
00:25:06,710 --> 00:25:04,880
the combination of these things that

602
00:25:09,269 --> 00:25:06,720
caused the blindness

603
00:25:10,230 --> 00:25:09,279
dr simon worked through all of that with

604
00:25:13,990 --> 00:25:10,240
him in deep

605
00:25:17,350 --> 00:25:14,000
trance hypnosis and then commanded

606
00:25:20,630 --> 00:25:17,360
him to see again and he regained his

607
00:25:23,430 --> 00:25:20,640
eyesight that in fact dr

608
00:25:24,310 --> 00:25:23,440
simon had a movie made about his work it

609
00:25:27,750 --> 00:25:24,320
was called

610
00:25:28,789 --> 00:25:27,760
let there be light a john houston movie

611
00:25:32,870 --> 00:25:28,799
and

612
00:25:33,750 --> 00:25:32,880
he also taught at harvard he taught at

613
00:25:36,950 --> 00:25:33,760

yale

614

00:25:39,990 --> 00:25:36,960

he owned his own private psychiatric

615

00:25:42,070 --> 00:25:40,000

hospital at one point but when betty and

616

00:25:43,750 --> 00:25:42,080

barney saw him

617

00:25:46,390 --> 00:25:43,760

and barney was the person who was

618

00:25:49,590 --> 00:25:46,400

actually referred to him for treatment

619

00:25:53,029 --> 00:25:49,600

he was aging and

620

00:25:56,549 --> 00:25:53,039

it was not long not too long before

621

00:25:59,029 --> 00:25:56,559

he was ready to retire so he had had a

622

00:26:02,549 --> 00:25:59,039

very long and successful

623

00:26:04,149 --> 00:26:02,559

history of treating people who had

624

00:26:07,430 --> 00:26:04,159

conversion hysteria

625

00:26:10,390 --> 00:26:07,440

such as barney now during this time

626
00:26:11,750 --> 00:26:10,400
frame his uh this news gotten out i mean

627
00:26:14,870 --> 00:26:11,760
is this public or

628
00:26:17,430 --> 00:26:14,880
uh the uh uh uh the uh the hills

629
00:26:19,029 --> 00:26:17,440
getting any kind of uh feedback or

630
00:26:19,669 --> 00:26:19,039
harassment or anything like that or is

631
00:26:21,190 --> 00:26:19,679
this

632
00:26:22,789 --> 00:26:21,200
still pretty much within the family

633
00:26:25,510 --> 00:26:22,799
within the uh you know

634
00:26:27,269 --> 00:26:25,520
the report to the air force and the

635
00:26:29,909 --> 00:26:27,279
medical professionals

636
00:26:32,230 --> 00:26:29,919
betty and barney were willing to talk to

637
00:26:36,950 --> 00:26:32,240
military officers

638
00:26:39,029 --> 00:26:36,960

to ufo investigators to scientists

639

00:26:40,230 --> 00:26:39,039

they told the family but we were sworn

640

00:26:42,230 --> 00:26:40,240

to secrecy

641

00:26:44,149 --> 00:26:42,240

they told close friends and they were

642

00:26:46,950 --> 00:26:44,159

sworn to secrecy

643

00:26:47,669 --> 00:26:46,960

they never wanted this information to be

644

00:26:50,310 --> 00:26:47,679

released

645

00:26:52,630 --> 00:26:50,320

to the public uh betty was a social

646

00:26:56,470 --> 00:26:52,640

worker for the state of new hampshire

647

00:26:58,710 --> 00:26:56,480

barney worked for the u.s post office

648

00:27:00,549 --> 00:26:58,720

but they were both very heavily involved

649

00:27:01,350 --> 00:27:00,559

in politics in the state of new

650

00:27:04,390 --> 00:27:01,360

hampshire

651
00:27:06,630 --> 00:27:04,400
and in the civil rights movement in fact

652
00:27:09,669 --> 00:27:06,640
the information wasn't released to the

653
00:27:12,310 --> 00:27:09,679
public until the fall of 1965

654
00:27:14,549 --> 00:27:12,320
and that was the result of a violation

655
00:27:18,070 --> 00:27:14,559
of confidentiality

656
00:27:19,269 --> 00:27:18,080
that year barney uh and betty had been

657
00:27:22,310 --> 00:27:19,279
invited guests

658
00:27:25,590 --> 00:27:22,320
to lyndon johnson's inauguration

659
00:27:28,310 --> 00:27:25,600
i was as well and went with them

660
00:27:30,070 --> 00:27:28,320
barney had been appointed to the u.s

661
00:27:33,830 --> 00:27:30,080
commission on civil rights

662
00:27:35,269 --> 00:27:33,840
state advisory committee for the state

663
00:27:38,630 --> 00:27:35,279

of new hampshire

664

00:27:41,110 --> 00:27:38,640

by the governor he uh had also received

665

00:27:42,070 --> 00:27:41,120

an award from sergeant shriver the head

666

00:27:44,870 --> 00:27:42,080

of the u.s

667

00:27:47,190 --> 00:27:44,880

government's poverty program because

668

00:27:48,310 --> 00:27:47,200

bonnie and betty had worked together to

669

00:27:50,389 --> 00:27:48,320

set up the

670

00:27:51,430 --> 00:27:50,399

rockingham county community action

671

00:27:54,630 --> 00:27:51,440

program

672

00:27:57,669 --> 00:27:54,640

and using using funding from the

673

00:28:01,190 --> 00:27:57,679

office of economic opportunity

674

00:28:03,590 --> 00:28:01,200

and he also received an award from

675

00:28:04,470 --> 00:28:03,600

the archdiocese for the state of new

676

00:28:07,190 --> 00:28:04,480

hampshire

677

00:28:08,789 --> 00:28:07,200

for setting up a literacy program for

678

00:28:12,070 --> 00:28:08,799

the people of new hampshire

679

00:28:14,310 --> 00:28:12,080

through the archdiocese so they were

680

00:28:17,430 --> 00:28:14,320

very politically involved they were

681

00:28:20,870 --> 00:28:17,440

good members of

682

00:28:24,149 --> 00:28:20,880

society just doing everything

683

00:28:27,750 --> 00:28:24,159

right they never wanted this kooky story

684

00:28:31,909 --> 00:28:27,760

to come out but unfortunately

685

00:28:35,190 --> 00:28:31,919

in september of 1965

686

00:28:38,310 --> 00:28:35,200

a friend of betty's um

687

00:28:40,070 --> 00:28:38,320

violated confidentiality when she talked

688

00:28:42,789 --> 00:28:40,080

with a friend of hers

689

00:28:43,430 --> 00:28:42,799

who was a newspaper reporter for the

690

00:28:46,950 --> 00:28:43,440

boston

691

00:28:50,070 --> 00:28:46,960

traveler and she gave him a great deal

692

00:28:53,750 --> 00:28:50,080

of information he contacted betty and

693

00:28:56,070 --> 00:28:53,760

barney and he named her and said that

694

00:28:56,950 --> 00:28:56,080

she had told him a great many things

695

00:28:59,430 --> 00:28:56,960

about

696

00:29:01,029 --> 00:28:59,440

what happened to them and he believed

697

00:29:04,470 --> 00:29:01,039

that it was probably the most

698

00:29:07,110 --> 00:29:04,480

important case in history he uh wanted

699

00:29:09,110 --> 00:29:07,120

to talk with them and they refused

700

00:29:12,789 --> 00:29:09,120

they would not speak about it they said

701
00:29:16,230 --> 00:29:12,799
we don't want anyone to write about it

702
00:29:18,870 --> 00:29:16,240
it we could lose our jobs and

703
00:29:19,830 --> 00:29:18,880
they thought that they were safe at that

704
00:29:23,190 --> 00:29:19,840
point

705
00:29:26,470 --> 00:29:23,200
but at the end of october for five

706
00:29:30,070 --> 00:29:26,480
consecutive days their story ran

707
00:29:32,310 --> 00:29:30,080
in the boston traveler and john latrell

708
00:29:34,389 --> 00:29:32,320
who was the reporter

709
00:29:36,549 --> 00:29:34,399
interviewed people in upstate new

710
00:29:40,549 --> 00:29:36,559
hampshire who were witnesses

711
00:29:43,110 --> 00:29:40,559
he interviewed members of the air force

712
00:29:43,990 --> 00:29:43,120
and he interviewed many other people as

713
00:29:46,470 --> 00:29:44,000

well

714

00:29:47,350 --> 00:29:46,480

who didn't realize that betty and barney

715

00:29:51,029 --> 00:29:47,360

wanted this

716

00:29:54,630 --> 00:29:53,350

and uh what happened from there i mean

717

00:29:56,950 --> 00:29:54,640

at some point in time

718

00:29:58,070 --> 00:29:56,960

uh they well at least that betty did

719

00:30:00,549 --> 00:29:58,080

obviously

720

00:30:02,470 --> 00:30:00,559

uh if not embraced at least accepted the

721

00:30:03,830 --> 00:30:02,480

fact that the story was out so

722

00:30:05,510 --> 00:30:03,840

you know we may as well be a little bit

723

00:30:09,430 --> 00:30:05,520

more open about it and

724

00:30:12,230 --> 00:30:09,440

uh how did that process work out

725

00:30:14,630 --> 00:30:12,240

well we met as a family the there were

726

00:30:15,990 --> 00:30:14,640

reporters all around the house anyway so

727

00:30:19,350 --> 00:30:16,000

betty and barney

728

00:30:22,389 --> 00:30:19,360

escaped and drove the 20 miles to

729

00:30:23,990 --> 00:30:22,399

kingston new hampshire where i grew up i

730

00:30:26,149 --> 00:30:24,000

lived across the street from my

731

00:30:29,830 --> 00:30:26,159

grandparents betty's parents

732

00:30:32,710 --> 00:30:29,840

and we all sat down my parents and other

733

00:30:33,430 --> 00:30:32,720

family members and talked about what to

734

00:30:36,470 --> 00:30:33,440

do next

735

00:30:40,310 --> 00:30:36,480

because this not only impacted betty and

736

00:30:41,590 --> 00:30:40,320

barney it had an impact on the entire

737

00:30:44,950 --> 00:30:41,600

family

738

00:30:48,389 --> 00:30:44,960

and what we decided was that since

739

00:30:50,470 --> 00:30:48,399

this story had already been released

740

00:30:52,470 --> 00:30:50,480

the public knew about it that they might

741

00:30:55,110 --> 00:30:52,480

as well talk about it

742

00:30:56,310 --> 00:30:55,120

i think that barney was more reluctant

743

00:30:59,909 --> 00:30:56,320

than betty

744

00:31:00,870 --> 00:30:59,919

uh he was so committed to his work in

745

00:31:02,789 --> 00:31:00,880

civil rights

746

00:31:04,549 --> 00:31:02,799

he didn't really want anything to

747

00:31:08,230 --> 00:31:04,559

interfere with that

748

00:31:11,509 --> 00:31:08,240

but he did agree to talk about

749

00:31:14,789 --> 00:31:11,519

his siding and he did that

750

00:31:17,269 --> 00:31:14,799

in early november of 1965

751
00:31:18,310 --> 00:31:17,279
at the unitarian church in dover new

752
00:31:21,909 --> 00:31:18,320
hampshire

753
00:31:25,110 --> 00:31:21,919
and he was introduced to this huge

754
00:31:28,470 --> 00:31:25,120
crowd the church was overflowing

755
00:31:30,549 --> 00:31:28,480
with people and he was introduced by the

756
00:31:34,149 --> 00:31:30,559
public information officer

757
00:31:37,350 --> 00:31:34,159
from pease air force base who said that

758
00:31:39,590 --> 00:31:37,360
many people had been reporting ufos

759
00:31:41,190 --> 00:31:39,600
and that betty and barney had had a

760
00:31:41,990 --> 00:31:41,200
sighting that they were going to talk

761
00:31:44,470 --> 00:31:42,000
about

762
00:31:45,990 --> 00:31:44,480
they did not discuss the abduction or

763
00:31:48,549 --> 00:31:46,000

anything that came out under

764

00:31:49,269 --> 00:31:48,559

hypnosis they didn't consciously

765

00:31:51,430 --> 00:31:49,279

remember

766

00:31:52,549 --> 00:31:51,440

the abduction they had only consciously

767

00:31:55,269 --> 00:31:52,559

recalled

768

00:31:56,789 --> 00:31:55,279

observing a fiery orb seemed to be

769

00:31:59,669 --> 00:31:56,799

sitting on the road

770

00:32:00,070 --> 00:31:59,679

um and finding themselves on a dirt road

771

00:32:03,029 --> 00:32:00,080

with

772

00:32:04,310 --> 00:32:03,039

tall trees all around and encountering a

773

00:32:07,110 --> 00:32:04,320

roadblock somewhere

774

00:32:08,149 --> 00:32:07,120

along the way they had vague memories

775

00:32:11,269 --> 00:32:08,159

about that

776

00:32:13,990 --> 00:32:11,279

so they did talk only about

777

00:32:14,870 --> 00:32:14,000

the close encounter the craft that came

778

00:32:17,750 --> 00:32:14,880

down

779

00:32:19,509 --> 00:32:17,760

i wasn't there so i don't know

780

00:32:23,029 --> 00:32:19,519

everything they said

781

00:32:26,710 --> 00:32:23,039

but they did speak about the sighting

782

00:32:29,350 --> 00:32:26,720

itself and at that point john fuller

783

00:32:30,310 --> 00:32:29,360

who was in the area to write the book

784

00:32:34,230 --> 00:32:30,320

the incident

785

00:32:37,190 --> 00:32:34,240

at exeter about another close encounter

786

00:32:38,070 --> 00:32:37,200

between police officers and a young man

787

00:32:40,950 --> 00:32:38,080

who is

788

00:32:43,190 --> 00:32:40,960

18 years old and just preparing to go

789

00:32:45,350 --> 00:32:43,200

into the service

790

00:32:47,110 --> 00:32:45,360

he was writing that book he approached

791

00:32:48,630 --> 00:32:47,120

betty and barney and said i'd like to

792

00:32:52,230 --> 00:32:48,640

write your story

793

00:32:56,310 --> 00:32:52,240

and he had a proposal for them

794

00:32:59,990 --> 00:32:56,320

they rejected the proposal initially

795

00:33:01,509 --> 00:33:00,000

and they talked they were willing to

796

00:33:04,230 --> 00:33:01,519

talk with him

797

00:33:06,630 --> 00:33:04,240

and they would only write the book if dr

798

00:33:10,389 --> 00:33:06,640

benjamin simon was involved in it

799

00:33:13,990 --> 00:33:10,399

as well and if it focused on

800

00:33:16,710 --> 00:33:14,000

the hypnosis itself so uh

801
00:33:17,269 --> 00:33:16,720
finally they all reached an agreement

802
00:33:21,909 --> 00:33:17,279
and

803
00:33:25,590 --> 00:33:21,919
john uh focused on the hypnosis

804
00:33:26,149 --> 00:33:25,600
and uh yeah just uh well uh to bring us

805
00:33:28,789 --> 00:33:26,159
uh uh

806
00:33:29,269 --> 00:33:28,799
to bring us uh up to uh you know uh as

807
00:33:31,909 --> 00:33:29,279
far as

808
00:33:34,549 --> 00:33:31,919
we can on the story uh it uh obviously

809
00:33:38,630 --> 00:33:34,559
uh betty lived a long time after uh

810
00:33:39,110 --> 00:33:38,640
um barney had uh tragically uh passed

811
00:33:41,350 --> 00:33:39,120
away

812
00:33:44,149 --> 00:33:41,360
not too long after is that correct just

813
00:33:47,590 --> 00:33:44,159

uh a decade or so after

814

00:33:51,669 --> 00:33:47,600

uh betty um excuse me barney

815

00:33:55,830 --> 00:33:51,679

passed away in february of 1969.

816

00:33:58,509 --> 00:33:55,840

okay it was released in

817

00:34:00,230 --> 00:33:58,519

the the book was released in the fall of

818

00:34:02,789 --> 00:34:00,240

1966

819

00:34:04,549 --> 00:34:02,799

and he was dead a little more than two

820

00:34:06,470 --> 00:34:04,559

years later

821

00:34:08,310 --> 00:34:06,480

and uh betty continued on she was a

822

00:34:10,629 --> 00:34:08,320

little bit more open as time went on

823

00:34:12,389 --> 00:34:10,639

as far as sharing information about the

824

00:34:15,669 --> 00:34:12,399

experience

825

00:34:16,310 --> 00:34:15,679

yes she was far more open as time went

826

00:34:18,470 --> 00:34:16,320

on

827

00:34:20,629 --> 00:34:18,480

uh when barney was still alive there was

828

00:34:23,510 --> 00:34:20,639

a team of scientists who

829

00:34:23,909 --> 00:34:23,520

had asked betty and barney to take part

830

00:34:27,190 --> 00:34:23,919

in

831

00:34:30,629 --> 00:34:27,200

uh contact experiments they

832

00:34:34,149 --> 00:34:30,639

uh these scientists gave them the text

833

00:34:36,950 --> 00:34:34,159

that they were to try to communicate

834

00:34:39,109 --> 00:34:36,960

to these et's betty was the one who

835

00:34:42,710 --> 00:34:39,119

attempted to do the communicating

836

00:34:45,829 --> 00:34:42,720

she would go out onto her porch at night

837

00:34:49,909 --> 00:34:45,839

and send these telepathic messages

838

00:34:53,270 --> 00:34:49,919

into the air hoping that they would be

839

00:34:55,669 --> 00:34:53,280

picked up and then the scientists

840

00:34:56,869 --> 00:34:55,679

would go to a certain area where they

841

00:35:00,069 --> 00:34:56,879

wanted the

842

00:35:01,349 --> 00:35:00,079

ufo to show itself and look for the

843

00:35:04,630 --> 00:35:01,359

craft

844

00:35:07,430 --> 00:35:04,640

one of those places was my grandparents

845

00:35:07,829 --> 00:35:07,440

farm now betty and barney were looking

846

00:35:10,150 --> 00:35:07,839

there

847

00:35:11,109 --> 00:35:10,160

the scientists lived in other areas of

848

00:35:13,910 --> 00:35:11,119

the country

849

00:35:15,510 --> 00:35:13,920

one in new york and one down south i

850

00:35:19,910 --> 00:35:15,520

think it was in georgia

851

00:35:23,349 --> 00:35:19,920

so um betty and barney did look

852

00:35:27,109 --> 00:35:23,359

there was a craft that did come in

853

00:35:30,550 --> 00:35:27,119

at one time and left physical trace

854

00:35:31,589 --> 00:35:30,560

marks on the ground at my grandparents

855

00:35:34,790 --> 00:35:31,599

farm

856

00:35:36,790 --> 00:35:34,800

it came in about 200 feet from my

857

00:35:40,069 --> 00:35:36,800

childhood home

858

00:35:40,470 --> 00:35:40,079

and it was observed by two individuals

859

00:35:43,990 --> 00:35:40,480

who

860

00:35:45,910 --> 00:35:44,000

other was

861

00:35:47,910 --> 00:35:45,920

a man who lived up the street who was

862

00:35:52,390 --> 00:35:47,920

returning home from work

863

00:35:55,109 --> 00:35:52,400

and it was scientifically investigated

864

00:35:57,030 --> 00:35:55,119

there were a lot of sightings in that

865

00:35:59,349 --> 00:35:57,040

part of new hampshire

866

00:36:00,870 --> 00:35:59,359

when betty was trying to call these

867

00:36:04,069 --> 00:36:00,880

crafts in

868

00:36:05,430 --> 00:36:04,079

and sometimes the scientists would see

869

00:36:09,190 --> 00:36:05,440

the craft too

870

00:36:12,710 --> 00:36:09,200

but not always so they couldn't state

871

00:36:15,109 --> 00:36:12,720

that they were convinced that

872

00:36:15,750 --> 00:36:15,119

um it was betty who was calling in the

873

00:36:18,790 --> 00:36:15,760

craft

874

00:36:22,550 --> 00:36:18,800

it might have just been uh coming in

875

00:36:25,349 --> 00:36:22,560

on its own without uh her experiment

876

00:36:25,990 --> 00:36:25,359

but that was sort of the conclusion they

877

00:36:28,710 --> 00:36:26,000

reached

878

00:36:29,349 --> 00:36:28,720

but betty continued these experiments

879

00:36:32,550 --> 00:36:29,359

and

880

00:36:35,190 --> 00:36:32,560

ended up talking about it publicly

881

00:36:38,470 --> 00:36:35,200

and that is when she was so heavily

882

00:36:44,790 --> 00:36:41,670

and also there was a uh a map

883

00:36:46,630 --> 00:36:44,800

basically that uh betty was uh uh

884

00:36:49,270 --> 00:36:46,640

able to put together uh based on uh

885

00:36:51,990 --> 00:36:49,280

something that uh she had seen uh a

886

00:36:55,430 --> 00:36:52,000

while in uh the company of uh the ets

887

00:36:57,990 --> 00:36:55,440

and that uh relates to the zeta reticuli

888

00:36:59,750 --> 00:36:58,000

system uh there was some work done by a

889

00:37:02,630 --> 00:36:59,760

lady named marjorie fish

890

00:37:04,470 --> 00:37:02,640

uh this is a facet i think this is a

891

00:37:06,870 --> 00:37:04,480

fascinating uh

892

00:37:07,990 --> 00:37:06,880

piece and uh can you talk about that a

893

00:37:10,870 --> 00:37:08,000

little bit

894

00:37:11,829 --> 00:37:10,880

i would love to because this is where

895

00:37:15,670 --> 00:37:11,839

stanton came

896

00:37:17,510 --> 00:37:15,680

in on that case uh uh let me start from

897

00:37:21,750 --> 00:37:17,520

the beginning what happened

898

00:37:22,550 --> 00:37:21,760

is that uh when dr simon was hypnotizing

899

00:37:26,390 --> 00:37:22,560

betty

900

00:37:29,109 --> 00:37:26,400

she said that there uh she

901
00:37:30,870 --> 00:37:29,119
her examination had been finished the

902
00:37:33,670 --> 00:37:30,880
examiner went in to

903
00:37:34,470 --> 00:37:33,680
examine barney uh or at least he'd left

904
00:37:37,030 --> 00:37:34,480
the room

905
00:37:37,990 --> 00:37:37,040
she didn't know where he went really and

906
00:37:40,390 --> 00:37:38,000
so she

907
00:37:41,270 --> 00:37:40,400
said to the one that she called the

908
00:37:43,510 --> 00:37:41,280
leader

909
00:37:45,270 --> 00:37:43,520
i know you're not from around here

910
00:37:48,950 --> 00:37:45,280
where's your home port

911
00:37:52,790 --> 00:37:48,960
and he produced this three-dimensional

912
00:37:55,510 --> 00:37:52,800
star map and on it were two stars in the

913
00:37:58,550 --> 00:37:55,520

foreground that were about the size of

914

00:38:01,829 --> 00:37:58,560

nickels or or quarters they were

915

00:38:04,230 --> 00:38:01,839

connected by five solid lines and then

916

00:38:07,910 --> 00:38:04,240

there were other stars that were just

917

00:38:11,349 --> 00:38:07,920

some tiny circles that were connected by

918

00:38:12,950 --> 00:38:11,359

two or three solid lines and then on the

919

00:38:13,829 --> 00:38:12,960

map there were some stars that were

920

00:38:16,630 --> 00:38:13,839

connected by

921

00:38:18,870 --> 00:38:16,640

dotted lines others that were not

922

00:38:22,630 --> 00:38:18,880

connected by lines at all

923

00:38:26,630 --> 00:38:22,640

and so betty said to

924

00:38:30,870 --> 00:38:26,640

him well where where are you on this map

925

00:38:33,829 --> 00:38:30,880

and she was made to understand that

926

00:38:34,790 --> 00:38:33,839

the uh solid lines represented trade

927

00:38:38,349 --> 00:38:34,800

routes and

928

00:38:41,510 --> 00:38:38,359

the dotted lines represented

929

00:38:42,310 --> 00:38:41,520

expeditions so uh she said where are you

930

00:38:44,630 --> 00:38:42,320

from

931

00:38:45,430 --> 00:38:44,640

on this map where are you and he said

932

00:38:48,470 --> 00:38:45,440

well

933

00:38:51,589 --> 00:38:48,480

where are you on this map and she said

934

00:38:53,030 --> 00:38:51,599

i don't know i know very little about

935

00:38:55,990 --> 00:38:53,040

the universe

936

00:38:56,390 --> 00:38:56,000

and he said well if you don't know where

937

00:39:04,230 --> 00:38:56,400

you

938

00:39:06,470 --> 00:39:04,240

so then he just made it go away

939

00:39:07,589 --> 00:39:06,480

put it back into the wall or whatever

940

00:39:11,270 --> 00:39:07,599

happened

941

00:39:14,390 --> 00:39:11,280

and dr simon told betty

942

00:39:17,589 --> 00:39:14,400

to under hypnotic suggestion

943

00:39:19,750 --> 00:39:17,599

to draw that when she arrived home and

944

00:39:22,069 --> 00:39:19,760

over the next couple of weeks as long as

945

00:39:25,190 --> 00:39:22,079

she could remember it accurately

946

00:39:28,790 --> 00:39:25,200

and it didn't trouble her too much so

947

00:39:31,510 --> 00:39:28,800

uh she did actually draw it

948

00:39:32,630 --> 00:39:31,520

her conscious recall took over a little

949

00:39:37,910 --> 00:39:32,640

bit or her con

950

00:39:41,349 --> 00:39:37,920

rational mind and she erased a line and

951

00:39:44,390 --> 00:39:41,359

drew it differently but marjorie

952

00:39:46,230 --> 00:39:44,400

fish saw it in the first book that was

953

00:39:48,310 --> 00:39:46,240

ever published about their case the

954

00:39:51,349 --> 00:39:48,320

interrupted journey by john g

955

00:39:51,829 --> 00:39:51,359

fuller and marjorie was a brilliant

956

00:39:55,109 --> 00:39:51,839

woman

957

00:39:58,870 --> 00:39:55,119

from ohio she had studied

958

00:39:59,430 --> 00:39:58,880

biology in college she at that time was

959

00:40:02,710 --> 00:39:59,440

a school

960

00:40:05,430 --> 00:40:02,720

teacher she was single and she

961

00:40:07,990 --> 00:40:05,440

was skeptical but she thought that

962

00:40:11,910 --> 00:40:08,000

perhaps she would be able to find

963

00:40:14,069 --> 00:40:11,920

where these non-human entities came from

964

00:40:15,349 --> 00:40:14,079

and so she set out by going to the

965

00:40:18,550 --> 00:40:15,359

university

966

00:40:20,069 --> 00:40:18,560

and there there were no copy machines

967

00:40:24,069 --> 00:40:20,079

back in those days

968

00:40:24,710 --> 00:40:24,079

she had to sit um in the astronomy

969

00:40:27,829 --> 00:40:24,720

department

970

00:40:29,750 --> 00:40:27,839

library and copy all of the

971

00:40:33,030 --> 00:40:29,760

characteristics of the stars

972

00:40:37,190 --> 00:40:33,040

and the distance data that they had

973

00:40:40,870 --> 00:40:37,200

at that time and she did this

974

00:40:44,069 --> 00:40:40,880

for all parts the

975

00:40:47,349 --> 00:40:44,079

complete circle around our sun

976
00:40:50,230 --> 00:40:47,359
out 54 light years and she started

977
00:40:51,510 --> 00:40:50,240
building three-dimensional models using

978
00:40:54,790 --> 00:40:51,520
a frame

979
00:40:56,150 --> 00:40:54,800
and monofilament line and beads of

980
00:40:59,910 --> 00:40:56,160
various sizes

981
00:41:01,990 --> 00:40:59,920
and colors to represent the types of

982
00:41:04,950 --> 00:41:02,000
stars that they were

983
00:41:05,510 --> 00:41:04,960
and imagine the work she had to do to

984
00:41:09,030 --> 00:41:05,520
take this

985
00:41:12,790 --> 00:41:09,040
information back and to do the math

986
00:41:15,950 --> 00:41:12,800
to calculate where each of these stars

987
00:41:17,430 --> 00:41:15,960
was supposed to be in its

988
00:41:20,710 --> 00:41:17,440

three-dimensional

989

00:41:24,710 --> 00:41:20,720
frame and

990

00:41:29,270 --> 00:41:24,720
years went by and uh she still

991

00:41:32,470 --> 00:41:29,280
did not have a match by 1972

992

00:41:34,550 --> 00:41:32,480
and she but she persevered she had been

993

00:41:35,990 --> 00:41:34,560
she had interviewed betty she had been

994

00:41:40,710 --> 00:41:36,000
to new hampshire

995

00:41:44,390 --> 00:41:40,720
um and finally a new gliese catalog was

996

00:41:47,829 --> 00:41:44,400
released in 1972 with new distance data

997

00:41:48,710 --> 00:41:47,839
and stars that were identified within 54

998

00:41:52,630 --> 00:41:48,720
light years

999

00:41:53,990 --> 00:41:52,640
that hadn't been on the in the previous

1000

00:41:57,510 --> 00:41:54,000
catalogs

1001
00:42:00,630 --> 00:41:57,520
so she took this new information home

1002
00:42:02,630 --> 00:42:00,640
and she

1003
00:42:03,910 --> 00:42:02,640
had another star map another

1004
00:42:06,950 --> 00:42:03,920
construction

1005
00:42:10,550 --> 00:42:06,960
and using the new distance

1006
00:42:14,710 --> 00:42:10,560
data using that new data she

1007
00:42:17,270 --> 00:42:14,720
found a match so this was extraordinary

1008
00:42:20,470 --> 00:42:17,280
finally after all these years of work

1009
00:42:21,190 --> 00:42:20,480
she had found a match but who would she

1010
00:42:24,230 --> 00:42:21,200
find to

1011
00:42:26,309 --> 00:42:24,240
vet her work for accuracy who in the

1012
00:42:29,670 --> 00:42:26,319
scientific community

1013
00:42:33,190 --> 00:42:29,680

so she was she joined apro the

1014

00:42:35,750 --> 00:42:33,200

aerial phenomena research organization

1015

00:42:36,950 --> 00:42:35,760

that was directed by coral and jim

1016

00:42:39,829 --> 00:42:36,960

lorenzen

1017

00:42:41,990 --> 00:42:39,839

she got in touch with coral and coral

1018

00:42:45,109 --> 00:42:42,000

contacted stanton

1019

00:42:48,470 --> 00:42:45,119

and he coral said if you were ever

1020

00:42:51,510 --> 00:42:48,480

in ohio would you please

1021

00:42:53,990 --> 00:42:51,520

meet with bard marjorie fish and

1022

00:42:55,430 --> 00:42:54,000

if you find that she's a credible person

1023

00:42:58,790 --> 00:42:55,440

to talk to

1024

00:43:00,230 --> 00:42:58,800

then uh please find scientists who will

1025

00:43:03,349 --> 00:43:00,240

vet her work

1026

00:43:06,630 --> 00:43:03,359

so that's what stanton did eventually

1027

00:43:09,829 --> 00:43:06,640

he uh went to marjory's house he told

1028

00:43:13,510 --> 00:43:09,839

me that marjorie

1029

00:43:14,950 --> 00:43:13,520

was he thought more comfortable speaking

1030

00:43:16,950 --> 00:43:14,960

with scientists

1031

00:43:19,510 --> 00:43:16,960

than with speaking with the general

1032

00:43:21,670 --> 00:43:19,520

public marjorie

1033

00:43:22,870 --> 00:43:21,680

was a member of mensah meaning that she

1034

00:43:26,470 --> 00:43:22,880

had a very high

1035

00:43:29,670 --> 00:43:26,480

iq and he found her

1036

00:43:32,790 --> 00:43:29,680

to be impressive quiet and shy

1037

00:43:35,030 --> 00:43:32,800

but highly intelligent and uh

1038

00:43:36,309 --> 00:43:35,040

he was impressed by the work that she

1039

00:43:39,589 --> 00:43:36,319

had done

1040

00:43:43,349 --> 00:43:39,599

so he contacted dr

1041

00:43:44,230 --> 00:43:43,359

j allen heineck and dr heineck at that

1042

00:43:48,150 --> 00:43:44,240

time

1043

00:43:51,349 --> 00:43:48,160

was at northwestern university

1044

00:43:55,510 --> 00:43:51,359

and he was the head of the

1045

00:43:58,950 --> 00:43:55,520

dearborn observatory

1046

00:44:00,150 --> 00:43:58,960

at that time and so stanton and marjorie

1047

00:44:03,030 --> 00:44:00,160

went up

1048

00:44:04,550 --> 00:44:03,040

to and marjorie had written a report for

1049

00:44:07,589 --> 00:44:04,560

dr heineck

1050

00:44:08,069 --> 00:44:07,599

and they met with him they took a star

1051
00:44:11,990 --> 00:44:08,079
map

1052
00:44:14,470 --> 00:44:12,000
model and he looked at all of the work

1053
00:44:15,829 --> 00:44:14,480
and he said that marjorie's work was

1054
00:44:19,190 --> 00:44:15,839
accurate

1055
00:44:22,470 --> 00:44:19,200
he also contacted dr david

1056
00:44:25,670 --> 00:44:22,480
saunders dr saunders was

1057
00:44:27,589 --> 00:44:25,680
one of the lead uh investigators

1058
00:44:29,510 --> 00:44:27,599
for the condon committee at the

1059
00:44:32,230 --> 00:44:29,520
university of colorado

1060
00:44:33,670 --> 00:44:32,240
scientific study on ufos he was a

1061
00:44:37,270 --> 00:44:33,680
statistician

1062
00:44:40,390 --> 00:44:37,280
he discovered that it was very accurate

1063
00:44:41,109 --> 00:44:40,400

as well there was only one line that was

1064

00:44:44,710 --> 00:44:41,119

a little bit

1065

00:44:48,470 --> 00:44:44,720

off and probably that was the line that

1066

00:44:54,790 --> 00:44:51,670

and uh and then eventually

1067

00:44:58,150 --> 00:44:54,800

uh ohio state university uh

1068

00:45:00,550 --> 00:44:58,160

the astronomy department examined it too

1069

00:45:02,630 --> 00:45:00,560

and at that time they did finally have

1070

00:45:06,710 --> 00:45:02,640

computers and they discovered that

1071

00:45:10,630 --> 00:45:06,720

again marjorie's work was indeed

1072

00:45:13,829 --> 00:45:10,640

uh reliable and uh accurate

1073

00:45:17,109 --> 00:45:13,839

and uh so this was big news

1074

00:45:20,710 --> 00:45:17,119

the next thing stanton did is he

1075

00:45:22,150 --> 00:45:20,720

wrote an article with a professional

1076

00:45:26,069 --> 00:45:22,160

writer from

1077

00:45:29,109 --> 00:45:26,079

california that he had worked with and

1078

00:45:33,670 --> 00:45:29,119

it was published in a magazine and then

1079

00:45:36,790 --> 00:45:33,680

stanton contacted terence dickinson

1080

00:45:40,230 --> 00:45:36,800

who was an astronomer uh from

1081

00:45:43,030 --> 00:45:40,240

astronomy magazine and he became

1082

00:45:43,510 --> 00:45:43,040

interested in marjorie's work and wrote

1083

00:46:26,309 --> 00:45:43,520

a

1084

00:46:27,109 --> 00:46:26,319

if you looked into the sky but there

1085

00:46:30,230 --> 00:46:27,119

were very

1086

00:46:31,430 --> 00:46:30,240

important characteristics regarding the

1087

00:46:35,109 --> 00:46:31,440

star map

1088

00:46:37,349 --> 00:46:35,119

and uh that was not brought up by any of

1089

00:46:40,550 --> 00:46:37,359

the people who criticized it

1090

00:46:43,829 --> 00:46:40,560

and that was that

1091

00:46:47,750 --> 00:46:43,839

uh all of the stars connected by

1092

00:46:48,790 --> 00:46:47,760

lines on betty's map uh were sun-like

1093

00:46:55,190 --> 00:46:48,800

stars

1094

00:46:56,309 --> 00:46:55,200

in our local galactic neighborhood out

1095

00:46:59,030 --> 00:46:56,319

54

1096

00:47:00,069 --> 00:46:59,040

light years are considered star-like

1097

00:47:05,990 --> 00:47:00,079

stars

1098

00:47:06,950 --> 00:47:06,000

in that volume of space were on betty's

1099

00:47:09,510 --> 00:47:06,960

map

1100

00:47:11,030 --> 00:47:09,520

the chances of that happening just by

1101
00:47:14,470 --> 00:47:11,040
coincidence

1102
00:47:16,710 --> 00:47:14,480
was a thousand to one

1103
00:47:17,910 --> 00:47:16,720
and it would have been higher if that

1104
00:47:20,549 --> 00:47:17,920
one line

1105
00:47:21,510 --> 00:47:20,559
had not been a little bit off in its

1106
00:47:24,870 --> 00:47:21,520
angle

1107
00:47:28,790 --> 00:47:24,880
so that was incredibly important and

1108
00:47:33,190 --> 00:47:28,800
terence dickinson in his uh analysis

1109
00:47:37,270 --> 00:47:33,200
of marjorie's work stated that if

1110
00:47:40,710 --> 00:47:37,280
we were on zeta reticuli that's where

1111
00:47:44,150 --> 00:47:40,720
it was identified as the two uh large

1112
00:47:48,150 --> 00:47:44,160
stars with the five lines between them

1113
00:47:48,630 --> 00:47:48,160

if we uh were launching a space program

1114

00:47:51,910 --> 00:47:48,640

and we

1115

00:47:52,950 --> 00:47:51,920

wanted to go to the sun to our solar

1116

00:47:55,190 --> 00:47:52,960

system

1117

00:47:56,069 --> 00:47:55,200

that was the pattern that we would

1118

00:47:59,349 --> 00:47:56,079

follow

1119

00:48:02,230 --> 00:47:59,359

uh we would go from star to star

1120

00:48:04,069 --> 00:48:02,240

um and and look for planets where we

1121

00:48:07,190 --> 00:48:04,079

could set up temporary

1122

00:48:10,470 --> 00:48:07,200

bases uh and

1123

00:48:13,750 --> 00:48:10,480

to go on to the next star system and

1124

00:48:16,870 --> 00:48:13,760

that all of these stars were in a plane

1125

00:48:19,910 --> 00:48:16,880

like pepperoni on pizza rather than

1126

00:48:20,790 --> 00:48:19,920

uh raisins in a loaf of raisin bread so

1127

00:48:24,309 --> 00:48:20,800

it made

1128

00:48:25,750 --> 00:48:24,319

sense uh with distance near a star to

1129

00:48:28,790 --> 00:48:25,760

nearest star

1130

00:48:32,150 --> 00:48:28,800

so that map uh was

1131

00:48:35,349 --> 00:48:32,160

far more important than just identifying

1132

00:48:38,710 --> 00:48:35,359

stars uh in

1133

00:48:41,349 --> 00:48:38,720

in the sky it those stars had very

1134

00:48:43,670 --> 00:48:41,359

special properties

1135

00:48:45,670 --> 00:48:43,680

and uh just uh one thing that you didn't

1136

00:48:47,109 --> 00:48:45,680

mention i happen to know because i i'm

1137

00:48:49,589 --> 00:48:47,119

kind of into this star map

1138

00:48:51,990 --> 00:48:49,599

is that the zeta reticuli is uh not

1139

00:48:54,390 --> 00:48:52,000

observable from the northern hemisphere

1140

00:48:56,390 --> 00:48:54,400

uh you'd have to go down to australia or

1141

00:48:59,430 --> 00:48:56,400

south america or someplace like that

1142

00:49:00,230 --> 00:48:59,440

in order to see it so yes that is true

1143

00:49:03,510 --> 00:49:00,240

and it's still

1144

00:49:05,510 --> 00:49:03,520

and it's very dim i was told if you're

1145

00:49:07,270 --> 00:49:05,520

in australia you're looking at it or

1146

00:49:09,829 --> 00:49:07,280

south america looking at it

1147

00:49:11,990 --> 00:49:09,839

it's in the constellation reticulum the

1148

00:49:14,470 --> 00:49:12,000

net

1149

00:49:15,670 --> 00:49:14,480

and uh yeah just uh moving along so uh

1150

00:49:18,309 --> 00:49:15,680

you're uh

1151
00:49:20,470 --> 00:49:18,319
stanton that friedman gets interested in

1152
00:49:22,069 --> 00:49:20,480
the star map uh not surprisingly you

1153
00:49:24,630 --> 00:49:22,079
know he's a scientist so

1154
00:49:26,069 --> 00:49:24,640
uh he that's something that you can kind

1155
00:49:28,390 --> 00:49:26,079
of sink your teeth into

1156
00:49:31,589 --> 00:49:28,400
but at what point did they you begin

1157
00:49:36,950 --> 00:49:31,599
your act of collaboration

1158
00:49:39,670 --> 00:49:36,960
we began our collaboration in 2005.

1159
00:49:41,349 --> 00:49:39,680
we had shortly after betty's death i'd

1160
00:49:44,309 --> 00:49:41,359
written a manuscript

1161
00:49:45,990 --> 00:49:44,319
i'd been investigating that case for 14

1162
00:49:49,510 --> 00:49:46,000
years

1163
00:49:52,549 --> 00:49:49,520

and betty had told me

1164

00:49:55,670 --> 00:49:52,559

that if i needed any assistance with

1165

00:49:56,630 --> 00:49:55,680

the book that i should contact stanton

1166

00:49:59,430 --> 00:49:56,640

friedman

1167

00:49:59,829 --> 00:49:59,440

because he was honest and i could trust

1168

00:50:03,270 --> 00:49:59,839

him

1169

00:50:06,710 --> 00:50:03,280

implicitly he was meticulous and so

1170

00:50:09,829 --> 00:50:06,720

i approached stanton in 2005

1171

00:50:11,910 --> 00:50:09,839

and spoke to him about this and

1172

00:50:13,030 --> 00:50:11,920

asked me if he'd be interested in

1173

00:50:15,109 --> 00:50:13,040

joining me

1174

00:50:17,750 --> 00:50:15,119

we had already worked on a television

1175

00:50:20,150 --> 00:50:17,760

show together after betty's death

1176

00:50:21,030 --> 00:50:20,160

and in the white mountains of new

1177

00:50:22,950 --> 00:50:21,040

hampshire

1178

00:50:24,069 --> 00:50:22,960

and he said well i want to see what you

1179

00:50:26,309 --> 00:50:24,079

have first

1180

00:50:27,270 --> 00:50:26,319

i'm not going to agree to anything

1181

00:50:32,069 --> 00:50:27,280

without seeing

1182

00:50:34,470 --> 00:50:32,079

it and so we arranged for him to come to

1183

00:50:35,589 --> 00:50:34,480

my house i was living with my husband in

1184

00:50:38,950 --> 00:50:35,599

new hampshire

1185

00:50:41,990 --> 00:50:38,960

the seacoast

1186

00:50:43,430 --> 00:50:42,000

and he drove down he spent a few days

1187

00:50:46,790 --> 00:50:43,440

with us

1188

00:50:49,510 --> 00:50:46,800

i had betty's entire collection

1189

00:50:51,030 --> 00:50:49,520

that i was preparing to establish an

1190

00:50:53,510 --> 00:50:51,040

archival collection

1191

00:50:54,950 --> 00:50:53,520

at the university of new hampshire so i

1192

00:50:58,069 --> 00:50:54,960

had all of those

1193

00:50:59,030 --> 00:50:58,079

archival files and i let stanton

1194

00:51:02,150 --> 00:50:59,040

photocopy

1195

00:51:03,670 --> 00:51:02,160

anything that he wanted he read my

1196

00:51:06,790 --> 00:51:03,680

manuscript

1197

00:51:10,309 --> 00:51:06,800

and we talked for hours on

1198

00:51:13,510 --> 00:51:10,319

end and at the end of this

1199

00:51:15,510 --> 00:51:13,520

he said to me i will join you in writing

1200

00:51:15,990 --> 00:51:15,520

this book because i can see that you're

1201
00:51:20,870 --> 00:51:16,000
being

1202
00:51:22,230 --> 00:51:20,880
he said i wouldn't work with you any

1203
00:51:25,510 --> 00:51:22,240
other way

1204
00:51:29,270 --> 00:51:25,520
and so uh he he did

1205
00:51:32,069 --> 00:51:29,280
like my my mind and the way i thought

1206
00:51:33,349 --> 00:51:32,079
he he used to say that we thought alike

1207
00:51:36,710 --> 00:51:33,359
that we processed

1208
00:51:39,589 --> 00:51:36,720
information in much the same way and so

1209
00:51:39,990 --> 00:51:39,599
we worked very well together and we

1210
00:51:47,109 --> 00:51:40,000
wrote

1211
00:51:50,150 --> 00:51:47,119
one on the star map and one on

1212
00:51:53,349 --> 00:51:50,160
uh dis informants and disbelievers

1213
00:51:56,150 --> 00:51:53,359

and he assisted me with a little bit

1214

00:51:58,069 --> 00:51:56,160

more of of the work that i was writing i

1215

00:52:01,030 --> 00:51:58,079

wanted him to write more

1216

00:52:02,829 --> 00:52:01,040

as well but he was very busy and he kept

1217

00:52:04,549 --> 00:52:02,839

saying to me you're doing fine keep

1218

00:52:06,790 --> 00:52:04,559

going

1219

00:52:07,589 --> 00:52:06,800

on other parts that he thought would be

1220

00:52:10,790 --> 00:52:07,599

good to put

1221

00:52:13,829 --> 00:52:10,800

into the book so uh

1222

00:52:16,069 --> 00:52:13,839

we finished this together uh dr bruce

1223

00:52:18,390 --> 00:52:16,079

mcabee vetted my work

1224

00:52:19,829 --> 00:52:18,400

and linda moulton howe did in addition

1225

00:52:22,549 --> 00:52:19,839

to stanton

1226

00:52:23,430 --> 00:52:22,559

and uh the book was published and it

1227

00:52:26,309 --> 00:52:23,440

became

1228

00:52:26,630 --> 00:52:26,319

uh number one bestseller in its category

1229

00:52:29,109 --> 00:52:26,640

so

1230

00:52:30,950 --> 00:52:29,119

we were very pleased with that we

1231

00:52:34,230 --> 00:52:30,960

started uh working together

1232

00:52:38,549 --> 00:52:34,240

oftentimes speaking from the same stage

1233

00:52:41,589 --> 00:52:38,559

doing radio shows together and then

1234

00:52:43,190 --> 00:52:41,599

he contacted me one day and he said

1235

00:52:44,950 --> 00:52:43,200

how would you like to write another book

1236

00:52:46,870 --> 00:52:44,960

together and

1237

00:52:48,150 --> 00:52:46,880

i said sure what do you want to write

1238

00:52:51,270 --> 00:52:48,160

about i i

1239

00:52:53,589 --> 00:52:51,280

love writing um i when i went to college

1240

00:52:55,670 --> 00:52:53,599

i always wanted to become a writer

1241

00:52:57,990 --> 00:52:55,680

and but my aunt betty said to me do

1242

00:53:01,829 --> 00:52:58,000

something practical

1243

00:53:05,190 --> 00:53:01,839

as a writer be a social worker so i was

1244

00:53:08,230 --> 00:53:05,200

well you can do both yes yes so i

1245

00:53:11,349 --> 00:53:08,240

i did that and yes

1246

00:53:14,710 --> 00:53:11,359

and so i have pretty much

1247

00:53:16,950 --> 00:53:14,720

over the past 30 years moved toward

1248

00:53:19,910 --> 00:53:16,960

becoming a full-time

1249

00:53:22,630 --> 00:53:19,920

researcher investigator and writer

1250

00:53:25,510 --> 00:53:22,640

stanton and i wrote three books together

1251
00:53:26,150 --> 00:53:25,520
the the last one was fact fiction and

1252
00:53:29,270 --> 00:53:26,160
flying

1253
00:53:31,510 --> 00:53:29,280
saucers and it was about the archival

1254
00:53:34,069 --> 00:53:31,520
research that we had done

1255
00:53:35,030 --> 00:53:34,079
because he had been to many archives

1256
00:53:38,470 --> 00:53:35,040
even before

1257
00:53:40,230 --> 00:53:38,480
i we began working together but we went

1258
00:53:44,230 --> 00:53:40,240
to archival collections

1259
00:53:47,349 --> 00:53:44,240
together and read the files

1260
00:53:50,630 --> 00:53:47,359
there and especially donald

1261
00:53:54,390 --> 00:53:50,640
mansell's files philip

1262
00:53:56,950 --> 00:53:54,400
edward condon's files we

1263
00:53:58,150 --> 00:53:56,960

retrieved a tremendous amount of

1264

00:54:01,109 --> 00:53:58,160

information

1265

00:54:01,829 --> 00:54:01,119

that we put into fact fiction and flying

1266

00:54:05,030 --> 00:54:01,839

saucers

1267

00:54:08,230 --> 00:54:05,040

i'm very proud of that book it is all

1268

00:54:10,710 --> 00:54:08,240

uh footnoted and uh

1269

00:54:12,549 --> 00:54:10,720

a huge bibliography yeah kathleen it

1270

00:54:14,790 --> 00:54:12,559

sounds like you were doing a lot of oppo

1271

00:54:17,589 --> 00:54:14,800

research there you were going after the

1272

00:54:18,230 --> 00:54:17,599

archives of the uh the debunkers and the

1273

00:54:25,270 --> 00:54:18,240

uh

1274

00:54:27,829 --> 00:54:25,280

reason for that strategy absolutely

1275

00:54:29,910 --> 00:54:27,839

they were the ones who were uh the

1276

00:54:33,430 --> 00:54:29,920

disinformants who were

1277

00:54:36,069 --> 00:54:33,440

creating false information and i

1278

00:54:38,390 --> 00:54:36,079

first went without stanton to the

1279

00:54:41,109 --> 00:54:38,400

american philosophical society

1280

00:54:43,030 --> 00:54:41,119

to read philip class's archival

1281

00:54:45,829 --> 00:54:43,040

collection specifically

1282

00:54:46,470 --> 00:54:45,839

to see what he had written about betty

1283

00:54:50,230 --> 00:54:46,480

hill

1284

00:54:54,069 --> 00:54:50,240

and i found a lot of information

1285

00:54:57,349 --> 00:54:54,079

about him setting her up and uh

1286

00:55:01,030 --> 00:54:57,359

disinforming the public about her work

1287

00:55:04,630 --> 00:55:01,040

and what she was doing and uh

1288

00:55:05,109 --> 00:55:04,640

i i felt that other people needed to

1289

00:55:08,390 --> 00:55:05,119

know

1290

00:55:11,829 --> 00:55:08,400

about this so i ended up acquiring

1291

00:55:13,109 --> 00:55:11,839

philip class's fbi files the files they

1292

00:55:15,990 --> 00:55:13,119

had on him

1293

00:55:16,470 --> 00:55:16,000

and doing a very thorough investigation

1294

00:55:19,510 --> 00:55:16,480

of who

1295

00:55:22,549 --> 00:55:19,520

he was what his background was

1296

00:55:27,190 --> 00:55:22,559

how he ended up becoming

1297

00:55:29,069 --> 00:55:27,200

uh supposedly he was a ufo investigator

1298

00:55:31,750 --> 00:55:29,079

but he was a ufo

1299

00:55:33,349 --> 00:55:31,760

disinformant who took every section of

1300

00:55:35,349 --> 00:55:33,359

betty's and barney's case

1301

00:55:36,630 --> 00:55:35,359

and rewrote it and filled it with

1302

00:55:39,589 --> 00:55:36,640

speculation

1303

00:55:40,069 --> 00:55:39,599

so the things that he wrote are false

1304

00:55:43,750 --> 00:55:40,079

and

1305

00:55:47,109 --> 00:55:43,760

brush as well

1306

00:55:47,670 --> 00:55:47,119

he painted betty is a lifelong science

1307

00:55:51,430 --> 00:55:47,680

fiction

1308

00:55:54,630 --> 00:55:51,440

fan and someone who was a ufo

1309

00:55:57,670 --> 00:55:54,640

kook lifelong and she was not that was

1310

00:55:58,069 --> 00:55:57,680

absolutely false and he painted barney

1311

00:56:05,109 --> 00:55:58,079

as

1312

00:56:07,190 --> 00:56:05,119

that he would do or say anything that

1313

00:56:10,630 --> 00:56:07,200

betty wanted him to

1314

00:56:12,950 --> 00:56:10,640

and that was absolutely false you cannot

1315

00:56:13,670 --> 00:56:12,960

take a black man who marries a white

1316

00:56:17,190 --> 00:56:13,680

woman

1317

00:56:20,470 --> 00:56:17,200

in 1960 and say that he is a

1318

00:56:21,190 --> 00:56:20,480

wimp and a man who is a civil rights

1319

00:56:23,670 --> 00:56:21,200

leader

1320

00:56:24,390 --> 00:56:23,680

and a politician in the state of new

1321

00:56:27,349 --> 00:56:24,400

hampshire

1322

00:56:29,430 --> 00:56:27,359

i don't think anybody doubts kathleen

1323

00:56:31,670 --> 00:56:29,440

that it was

1324

00:56:34,470 --> 00:56:31,680

it was class's job whether it was

1325

00:56:37,349 --> 00:56:34,480

self-imposed or he was a cia asset

1326

00:56:39,430 --> 00:56:37,359

or or fill in the blank to actually sow

1327

00:56:41,430 --> 00:56:39,440

the seeds of doubt in the public's mind

1328

00:56:43,750 --> 00:56:41,440

however i wanted to bring up a few

1329

00:56:45,349 --> 00:56:43,760

interesting things regarding the betting

1330

00:56:48,870 --> 00:56:45,359

barney hill incident

1331

00:56:51,990 --> 00:56:48,880

okay at 1961

1332

00:56:55,510 --> 00:56:52,000

september 18th through uh

1333

00:56:57,829 --> 00:56:55,520

september 20th uh the ussr performed

1334

00:57:00,950 --> 00:56:57,839

nuclear testing at

1335

00:57:04,230 --> 00:57:00,960

zem milia in the ussr

1336

00:57:05,990 --> 00:57:04,240

in almost a straight line 5000 miles

1337

00:57:07,510 --> 00:57:06,000

away from new hampshire where betty and

1338

00:57:09,190 --> 00:57:07,520

barney hill lived i just thought that

1339

00:57:12,549 --> 00:57:09,200

was interesting but anyway

1340

00:57:13,750 --> 00:57:12,559

i wanted our listeners to listen to

1341

00:57:17,109 --> 00:57:13,760

something that is

1342

00:57:18,069 --> 00:57:17,119

fascinating regarding the situation that

1343

00:57:22,549 --> 00:57:18,079

occurred

1344

00:57:25,030 --> 00:57:22,559

betty and barney hill

1345

00:57:25,750 --> 00:57:25,040

and uh something i wanted to let our

1346

00:57:29,910 --> 00:57:25,760

listeners know

1347

00:57:32,230 --> 00:57:29,920

also is there's a huge delineation

1348

00:57:35,750 --> 00:57:32,240

between retelling a story

1349

00:57:36,950 --> 00:57:35,760

and reliving it and that is exactly what

1350

00:57:39,270 --> 00:57:36,960

happened

1351
00:57:40,309 --> 00:57:39,280
with betty and barney hill when they

1352
00:57:43,829 --> 00:57:40,319
went under

1353
00:57:45,349 --> 00:57:43,839
into the hypnosis sessions uh that were

1354
00:57:47,430 --> 00:57:45,359
held by their doctor

1355
00:57:49,910 --> 00:57:47,440
that decided to take on their case on

1356
00:57:51,430 --> 00:57:49,920
february 22nd 1964.

1357
00:57:53,109 --> 00:57:51,440
i wanted to read a little bit of the

1358
00:57:57,670 --> 00:57:53,119
transcript regarding

1359
00:58:01,750 --> 00:57:57,680
an excerpt of what barney was saying to

1360
00:58:05,270 --> 00:58:01,760
his doctor okay and

1361
00:58:07,910 --> 00:58:05,280
so barney says

1362
00:58:08,630 --> 00:58:07,920
i was looking at them with binoculars

1363
00:58:12,150 --> 00:58:08,640

doctor

1364

00:58:14,470 --> 00:58:12,160

oh did they have faces like other people

1365

00:58:16,150 --> 00:58:14,480

you said one was like a redheaded irish

1366

00:58:19,349 --> 00:58:16,160

man barney

1367

00:58:20,390 --> 00:58:19,359

his eyes were slanted oh his eyes were

1368

00:58:23,589 --> 00:58:20,400

slanted

1369

00:58:25,430 --> 00:58:23,599

but not like a chinese oh oh i feel like

1370

00:58:28,870 --> 00:58:25,440

a rabbit i feel like a rabbit

1371

00:58:31,190 --> 00:58:28,880

doctor what do you mean by that barney

1372

00:58:33,030 --> 00:58:31,200

i was hunting for rabbits in virginia

1373

00:58:34,870 --> 00:58:33,040

and this cute little bunny went into a

1374

00:58:36,950 --> 00:58:34,880

bush that was not very big

1375

00:58:38,390 --> 00:58:36,960

and my cousin marge was on the other

1376

00:58:40,710 --> 00:58:38,400

side of the bush

1377

00:58:42,069 --> 00:58:40,720

and i was on the other with a hat and

1378

00:58:43,750 --> 00:58:42,079

the poor little bunny thought he was

1379

00:58:45,750 --> 00:58:43,760

safe and it tickled me because he was

1380

00:58:47,990 --> 00:58:45,760

just hiding behind a little stalk

1381

00:58:49,670 --> 00:58:48,000

which meant security to him when i

1382

00:58:51,349 --> 00:58:49,680

pounced on him and threw my hat on him

1383

00:58:53,910 --> 00:58:51,359

and captured the poor little bunny

1384

00:58:54,789 --> 00:58:53,920

who thought he was safe funny i thought

1385

00:58:58,069 --> 00:58:54,799

of that

1386

00:59:00,230 --> 00:58:58,079

right out there on the field i feel like

1387

00:59:02,630 --> 00:59:00,240

a rabbit

1388

00:59:03,349 --> 00:59:02,640

doctor what was betty doing all this

1389

00:59:06,789 --> 00:59:03,359

time

1390

00:59:08,870 --> 00:59:06,799

barney i can't hear her doctor

1391

00:59:09,910 --> 00:59:08,880

did you make an outcry to her the way

1392

00:59:12,470 --> 00:59:09,920

you did to me

1393

00:59:13,349 --> 00:59:12,480

you would remember if you did barney i

1394

00:59:15,109 --> 00:59:13,359

did not

1395

00:59:17,030 --> 00:59:15,119

i know this creature is telling me

1396

00:59:19,510 --> 00:59:17,040

something doctor

1397

00:59:20,390 --> 00:59:19,520

telling you something how how is he

1398

00:59:23,190 --> 00:59:20,400

getting to you

1399

00:59:23,910 --> 00:59:23,200

barney i can see it in his face no his

1400

00:59:26,950 --> 00:59:23,920

lips

1401
00:59:28,870 --> 00:59:26,960
are not moving he's looking at me and

1402
00:59:29,910 --> 00:59:28,880
he's just telling me don't be afraid i'm

1403
00:59:32,870 --> 00:59:29,920
not a bunny

1404
00:59:35,349 --> 00:59:32,880
i'm going to be i'm going to be safe he

1405
00:59:37,990 --> 00:59:35,359
didn't tell me i was that funny

1406
00:59:38,789 --> 00:59:38,000
doctor did you hear him tell you this

1407
00:59:42,230 --> 00:59:38,799
barney

1408
00:59:45,750 --> 00:59:42,240
oh no he didn't say it doctor

1409
00:59:49,829 --> 00:59:45,760
you felt he said it barney

1410
00:59:52,710 --> 00:59:49,839
i know doctor you know he said it

1411
00:59:54,870 --> 00:59:52,720
barney yes just stay there he said it's

1412
00:59:58,390 --> 00:59:54,880
pounding in my head i gotta get away

1413
01:00:01,670 --> 00:59:58,400

i gotta get away from here now um

1414

01:00:03,349 --> 01:00:01,680

end of uh excerpt i think that it's

1415

01:00:04,789 --> 01:00:03,359

critically important for folks to

1416

01:00:07,589 --> 01:00:04,799

understand

1417

01:00:09,910 --> 01:00:07,599

and that people that have endured these

1418

01:00:13,030 --> 01:00:09,920

kinds of experiences

1419

01:00:14,309 --> 01:00:13,040

have to deal with an injury that you

1420

01:00:16,630 --> 01:00:14,319

can't see

1421

01:00:18,150 --> 01:00:16,640

but it's in their mind and their brain

1422

01:00:20,390 --> 01:00:18,160

and their spirit

1423

01:00:23,109 --> 01:00:20,400

and it's the feeling of being trapped

1424

01:00:24,789 --> 01:00:23,119

and not having control of any kind

1425

01:00:26,549 --> 01:00:24,799

when we're born we're born with the

1426

01:00:27,030 --> 01:00:26,559

inherent right to be able to do what we

1427

01:00:29,349 --> 01:00:27,040

feel

1428

01:00:30,390 --> 01:00:29,359

isn't necessary and important for

1429

01:00:33,510 --> 01:00:30,400

ourselves for our

1430

01:00:34,390 --> 01:00:33,520

safety and happiness and that was taken

1431

01:00:37,589 --> 01:00:34,400

from them

1432

01:00:40,390 --> 01:00:37,599

that night and series of nights after

1433

01:00:41,510 --> 01:00:40,400

thereafter due to emotional drama and

1434

01:00:44,789 --> 01:00:41,520

more

1435

01:00:47,750 --> 01:00:44,799

and um so when people like phyllis

1436

01:00:50,630 --> 01:00:47,760

klaus come into the picture it's really

1437

01:00:52,950 --> 01:00:50,640

sort of their duty and their job

1438

01:00:54,069 --> 01:00:52,960

as a disinformant to make sure the

1439

01:00:56,230 --> 01:00:54,079

public doesn't get

1440

01:00:57,829 --> 01:00:56,240

even a whiff of this kind of terror that

1441

01:00:59,430 --> 01:00:57,839

they went through

1442

01:01:01,589 --> 01:00:59,440

i wanted to bring something to your

1443

01:01:05,750 --> 01:01:01,599

attention by the way kathleen

1444

01:01:07,670 --> 01:01:05,760

and that is and i wanted to ask if you

1445

01:01:10,549 --> 01:01:07,680

agree with this

1446

01:01:11,349 --> 01:01:10,559

and that is it appears as though this

1447

01:01:16,069 --> 01:01:11,359

phenomena

1448

01:01:19,030 --> 01:01:16,079

more

1449

01:01:19,430 --> 01:01:19,040

are extremely multi-dimensional so much

1450

01:01:22,710 --> 01:01:19,440

so

1451

01:01:24,710 --> 01:01:22,720

that traditional science is not really

1452

01:01:28,309 --> 01:01:24,720

up to the task

1453

01:01:32,630 --> 01:01:28,319

of facing the challenges

1454

01:01:35,109 --> 01:01:32,640

of it and in addition to that

1455

01:01:37,670 --> 01:01:35,119

that there's part of the phenomena that

1456

01:01:40,549 --> 01:01:37,680

might yield to science

1457

01:01:42,309 --> 01:01:40,559

only if they wanted to do you agree with

1458

01:01:45,670 --> 01:01:42,319

that

1459

01:01:50,710 --> 01:01:45,680

why

1460

01:01:53,910 --> 01:01:50,720

we have used different terminology now

1461

01:01:56,069 --> 01:01:53,920

gone from flying discs as they called

1462

01:01:59,430 --> 01:01:56,079

them in the 1940s

1463

01:02:02,950 --> 01:01:59,440

to ufos

1464

01:02:06,549 --> 01:02:02,960

and unidentified flying objects to now

1465

01:02:09,950 --> 01:02:06,559

uaps unidentified aerial phenomena

1466

01:02:12,150 --> 01:02:09,960

because it is phenomena and way back in

1467

01:02:14,950 --> 01:02:12,160

1952

1468

01:02:16,630 --> 01:02:14,960

major general john alexander held a

1469

01:02:19,270 --> 01:02:16,640

press conference

1470

01:02:19,990 --> 01:02:19,280

at the pentagon it was the largest press

1471

01:02:23,589 --> 01:02:20,000

conference

1472

01:02:27,430 --> 01:02:23,599

since the end of world war ii and he

1473

01:02:30,309 --> 01:02:27,440

uh said in the his opening remarks

1474

01:02:30,710 --> 01:02:30,319

that these things have been seen in the

1475

01:02:34,230 --> 01:02:30,720

air

1476

01:02:36,710 --> 01:02:34,240

dating back to biblical times they come

1477

01:02:40,309 --> 01:02:36,720

back about once every century

1478

01:02:45,109 --> 01:02:40,319

they're reported and then they go away

1479

01:02:49,190 --> 01:02:45,119

and uh he said that they came back in

1480

01:02:52,549 --> 01:02:49,200

the 20th century and they're still here

1481

01:02:54,630 --> 01:02:52,559

and that the air force was studying this

1482

01:02:56,390 --> 01:02:54,640

very carefully they weren't getting

1483

01:02:57,670 --> 01:02:56,400

upset they were doing it very

1484

01:03:00,069 --> 01:02:57,680

methodically

1485

01:03:00,950 --> 01:03:00,079

but he said the only thing that can

1486

01:03:05,430 --> 01:03:00,960

explain this

1487

01:03:08,470 --> 01:03:05,440

is phenomena now um

1488

01:03:11,029 --> 01:03:08,480

part of this phenomenon

1489

01:03:11,910 --> 01:03:11,039

or phenomena there's a whole other

1490

01:03:14,390 --> 01:03:11,920

psychic

1491

01:03:15,750 --> 01:03:14,400

or psychological dimension to it that

1492

01:03:19,270 --> 01:03:15,760

not even

1493

01:03:20,549 --> 01:03:19,280

psychology can come close to with

1494

01:03:22,870 --> 01:03:20,559

regards to

1495

01:03:24,069 --> 01:03:22,880

scrutinizing it which is quite

1496

01:03:26,309 --> 01:03:24,079

compelling

1497

01:03:28,309 --> 01:03:26,319

um so on the one hand humans have to

1498

01:03:30,190 --> 01:03:28,319

grapple with the fact

1499

01:03:31,910 --> 01:03:30,200

or the possibility that this

1500

01:03:33,670 --> 01:03:31,920

multi-dimensional

1501

01:03:35,029 --> 01:03:33,680

fill in the blank whatever you want to

1502

01:03:38,230 --> 01:03:35,039

call it

1503

01:03:39,750 --> 01:03:38,240

aside from phenomena uh

1504

01:03:41,510 --> 01:03:39,760

which has probably been happening for

1505

01:03:44,710 --> 01:03:41,520

millions of years

1506

01:03:48,549 --> 01:03:44,720

yes what well the

1507

01:03:52,549 --> 01:03:48,559

part of the issue is our minds

1508

01:03:55,430 --> 01:03:52,559

can't seem to wrap itself around

1509

01:03:58,069 --> 01:03:55,440

the phenomena in its entirety and that's

1510

01:04:01,190 --> 01:03:58,079

kind of a grandiose thing to say but

1511

01:04:01,910 --> 01:04:01,200

you know there's hundreds of thousands

1512

01:04:04,150 --> 01:04:01,920

of

1513

01:04:05,510 --> 01:04:04,160

abductees contactees witnesses

1514

01:04:07,349 --> 01:04:05,520

experiencers

1515

01:04:10,390 --> 01:04:07,359

who have all complained and rightfully

1516

01:04:13,510 --> 01:04:10,400

so that they have ptsd from

1517

01:04:15,029 --> 01:04:13,520

their experiences some have been good

1518

01:04:17,029 --> 01:04:15,039

experiences but

1519

01:04:19,750 --> 01:04:17,039

uh there have been plenty who have

1520

01:04:21,430 --> 01:04:19,760

plenty meaning people who have had

1521

01:04:23,029 --> 01:04:21,440

tremendous issues in their lives that

1522

01:04:24,230 --> 01:04:23,039

they can't seem to get over because they

1523

01:04:27,349 --> 01:04:24,240

were exposed

1524

01:04:30,630 --> 01:04:27,359

to it and so

1525

01:04:32,309 --> 01:04:30,640

you have had the privilege and honor of

1526

01:04:35,109 --> 01:04:32,319

attending to people

1527

01:04:37,910 --> 01:04:35,119

in a very caring way and part of your

1528

01:04:39,270 --> 01:04:37,920

job is being a professional listener

1529

01:04:42,390 --> 01:04:39,280

and one thing i like to let our

1530

01:04:45,270 --> 01:04:42,400

listeners know that kathleen has a very

1531

01:04:47,750 --> 01:04:45,280

astute and acute skill set out

1532

01:04:48,549 --> 01:04:47,760

is listening and that's something that

1533

01:04:51,029 --> 01:04:48,559

most people

1534

01:04:51,910 --> 01:04:51,039

don't have and that is the ability to

1535

01:04:53,589 --> 01:04:51,920

actually listen

1536

01:04:55,670 --> 01:04:53,599

very carefully to what people have to

1537

01:04:58,150 --> 01:04:55,680

say

1538

01:05:01,670 --> 01:04:58,160

so i wanted to ask you because people

1539

01:05:04,950 --> 01:05:01,680

have been so highly traumatized

1540

01:05:07,029 --> 01:05:04,960

by these by this phenomena

1541

01:05:08,549 --> 01:05:07,039

how have you been able to help people

1542

01:05:11,990 --> 01:05:08,559

come to terms

1543

01:05:14,710 --> 01:05:12,000

with this very multi-dimensional

1544

01:05:18,150 --> 01:05:14,720

psychological dimension to this

1545

01:05:23,270 --> 01:05:21,829

well i think that many many people that

1546

01:05:26,309 --> 01:05:23,280

i've worked with

1547

01:05:28,870 --> 01:05:26,319

uh traumatized because they think

1548

01:05:29,910 --> 01:05:28,880

that they've been taken to craft and

1549

01:05:33,750 --> 01:05:29,920

treated like

1550

01:05:36,390 --> 01:05:33,760

lab rats and they feel that this

1551
01:05:37,270 --> 01:05:36,400
is abusive intrusive terrible things

1552
01:05:40,710 --> 01:05:37,280
have happened

1553
01:05:43,990 --> 01:05:40,720
but they can't remember and when i

1554
01:05:51,349 --> 01:05:47,190
especially when i

1555
01:05:54,870 --> 01:05:51,359
tell them you know i i'm not a licensed

1556
01:05:56,150 --> 01:05:54,880
uh psychotherapist i would like before i

1557
01:06:00,309 --> 01:05:56,160
work with you

1558
01:06:05,270 --> 01:06:00,319
to uh please see a licensed

1559
01:06:09,589 --> 01:06:05,280
therapist who might use uh

1560
01:06:13,109 --> 01:06:09,599
uh a technique using rapid eye movement

1561
01:06:16,470 --> 01:06:13,119
so that you can

1562
01:06:21,029 --> 01:06:16,480
talk about this and you'll even remember

1563
01:06:24,549 --> 01:06:21,039

part of this with a licensed

1564

01:06:26,230 --> 01:06:24,559

psychotherapist and people will go

1565

01:06:27,990 --> 01:06:26,240

and they will do that and they'll

1566

01:06:31,829 --> 01:06:28,000

remember a little bit

1567

01:06:35,430 --> 01:06:31,839

when they have worked through the trauma

1568

01:06:38,309 --> 01:06:35,440

then they can come to me and i will work

1569

01:06:40,789 --> 01:06:38,319

with them in hypnosis so that they can

1570

01:06:41,990 --> 01:06:40,799

remember more if that's what they wish

1571

01:06:46,230 --> 01:06:42,000

to do

1572

01:06:49,510 --> 01:06:46,240

but uh what i'm finding is that

1573

01:06:52,789 --> 01:06:49,520

people are not having these terrible

1574

01:06:55,510 --> 01:06:52,799

memories of contact that we've

1575

01:06:58,390 --> 01:06:55,520

read about and i'm i don't know how i

1576

01:07:00,870 --> 01:06:58,400

can reconcile this

1577

01:07:01,990 --> 01:07:00,880

because i'm not leading them in any way

1578

01:07:05,270 --> 01:07:02,000

in fact

1579

01:07:05,750 --> 01:07:05,280

i use forensic hypnosis which is doesn't

1580

01:07:09,029 --> 01:07:05,760

lead

1581

01:07:11,430 --> 01:07:09,039

at all and

1582

01:07:12,829 --> 01:07:11,440

it was the type of hypnosis used by law

1583

01:07:16,549 --> 01:07:12,839

enforcement

1584

01:07:19,829 --> 01:07:16,559

and but when

1585

01:07:22,150 --> 01:07:19,839

people talk with me

1586

01:07:24,789 --> 01:07:22,160

they they might set up just a

1587

01:07:26,549 --> 01:07:24,799

consultation with me to talk

1588

01:07:28,150 --> 01:07:26,559

uh there's something i don't know what

1589

01:07:31,750 --> 01:07:28,160

it is about me but

1590

01:07:32,950 --> 01:07:31,760

they lose their fear yeah i wanted to

1591

01:07:34,630 --> 01:07:32,960

talk about something

1592

01:07:36,390 --> 01:07:34,640

very briefly that happened to me that

1593

01:07:38,630 --> 01:07:36,400

i've never talked about on

1594

01:07:39,510 --> 01:07:38,640

any of our shows and that is 20 years

1595

01:07:42,549 --> 01:07:39,520

ago

1596

01:07:44,069 --> 01:07:42,559

i was in the realm of uh

1597

01:07:46,069 --> 01:07:44,079

involved in the realm of technology

1598

01:07:46,950 --> 01:07:46,079

career-wise and i went to a christmas

1599

01:07:51,670 --> 01:07:46,960

party

1600

01:07:54,390 --> 01:07:51,680

at night

1601

01:07:54,789 --> 01:07:54,400

uh it was it was during the day but it

1602

01:07:58,549 --> 01:07:54,799

turned

1603

01:08:00,630 --> 01:07:58,559

dark rather quickly and

1604

01:08:02,789 --> 01:08:00,640

a friend of mine whom i worked with at

1605

01:08:03,829 --> 01:08:02,799

that time we went out into the veranda

1606

01:08:06,230 --> 01:08:03,839

like a porch-like

1607

01:08:07,270 --> 01:08:06,240

area on the a higher story of the

1608

01:08:10,069 --> 01:08:07,280

building

1609

01:08:11,029 --> 01:08:10,079

uh where that christmas party was and we

1610

01:08:14,069 --> 01:08:11,039

looked out

1611

01:08:16,550 --> 01:08:14,079

and we both saw the same thing and

1612

01:08:17,990 --> 01:08:16,560

it was just this uh thing in the sky

1613

01:08:20,550 --> 01:08:18,000

that was circular

1614

01:08:22,229 --> 01:08:20,560

with a strange line going around on the

1615

01:08:24,309 --> 01:08:22,239

inside of it and another line staying

1616

01:08:27,510 --> 01:08:24,319

stationary it looked just like a

1617

01:08:29,349 --> 01:08:27,520

a clock and it was an x-ray color and i

1618

01:08:31,430 --> 01:08:29,359

didn't ask him leading questions i just

1619

01:08:32,070 --> 01:08:31,440

asked him if he saw anything in the sky

1620

01:08:35,590 --> 01:08:32,080

and

1621

01:08:39,430 --> 01:08:35,600

saw the same thing i did

1622

01:08:42,789 --> 01:08:39,440

and then i we stared at it

1623

01:08:44,870 --> 01:08:42,799

with our mouths open and uh just

1624

01:08:47,349 --> 01:08:44,880

thought that was very strange that the

1625

01:08:49,030 --> 01:08:47,359

people on the ground were laughing at us

1626

01:08:51,829 --> 01:08:49,040

and then none of them were looking up at

1627

01:08:52,309 --> 01:08:51,839

the sky and they were couples that were

1628

01:08:55,829 --> 01:08:52,319

laying

1629

01:08:58,950 --> 01:08:55,839

um on the ground in the grass

1630

01:09:00,470 --> 01:08:58,960

um there was a long length of grass and

1631

01:09:04,070 --> 01:09:00,480

that comes into play later

1632

01:09:06,149 --> 01:09:04,080

anyway uh we uh

1633

01:09:07,910 --> 01:09:06,159

i told him i was gonna leave and the

1634

01:09:09,669 --> 01:09:07,920

party didn't hold any value to me at

1635

01:09:11,510 --> 01:09:09,679

that point i wasn't drinking neither was

1636

01:09:14,709 --> 01:09:11,520

he was not a drinker

1637

01:09:16,229 --> 01:09:14,719

and i uh walked down to my vehicle in

1638

01:09:19,430 --> 01:09:16,239

the dark

1639

01:09:19,990 --> 01:09:19,440

and when i got to by the time i got to

1640

01:09:22,630 --> 01:09:20,000

my vehicle

1641

01:09:23,910 --> 01:09:22,640

i saw a grid that was starting to light

1642

01:09:25,829 --> 01:09:23,920

up around me

1643

01:09:27,510 --> 01:09:25,839

and i hopped in my vehicle and i thought

1644

01:09:28,309 --> 01:09:27,520

oh god somebody put something in my

1645

01:09:30,070 --> 01:09:28,319

drink

1646

01:09:32,390 --> 01:09:30,080

i would like to get home before then if

1647

01:09:35,430 --> 01:09:32,400

possible if not i'll pull off and

1648

01:09:37,910 --> 01:09:35,440

and figure it out from there um

1649

01:09:40,709 --> 01:09:37,920

i felt completely sober i was dry as i

1650

01:09:43,510 --> 01:09:40,719

was driving home i didn't feel anything

1651
01:09:44,229 --> 01:09:43,520
taking over my mind in the sense of you

1652
01:09:46,309 --> 01:09:44,239
know like

1653
01:09:49,189 --> 01:09:46,319
feeling like i had drunk anything like

1654
01:09:51,749 --> 01:09:49,199
that would make me feel

1655
01:09:53,590 --> 01:09:51,759
odd the only thing i noticed was

1656
01:09:55,990 --> 01:09:53,600
visually i saw this grid starting to

1657
01:09:58,470 --> 01:09:56,000
light up brighter and brighter around me

1658
01:10:00,870 --> 01:09:58,480
and when i say grid i mean a grid that

1659
01:10:02,550 --> 01:10:00,880
bent around me not just like straight up

1660
01:10:05,590 --> 01:10:02,560
and down but

1661
01:10:07,030 --> 01:10:05,600
started to swirl around me and i got

1662
01:10:10,550 --> 01:10:07,040
home

1663
01:10:16,709 --> 01:10:10,560

like a

1664

01:10:18,470 --> 01:10:16,719

and i didn't say anything to the

1665

01:10:19,189 --> 01:10:18,480

individual who was at my house at the

1666

01:10:21,189 --> 01:10:19,199

time

1667

01:10:23,110 --> 01:10:21,199

and the house was quite dark and the

1668

01:10:24,709 --> 01:10:23,120

individual that was there was actually

1669

01:10:26,229 --> 01:10:24,719

good friends with a few of the people i

1670

01:10:27,990 --> 01:10:26,239

worked with and asked me how the party

1671

01:10:31,189 --> 01:10:28,000

was they said it was fine

1672

01:10:33,990 --> 01:10:31,199

and i stayed very quiet and um

1673

01:10:34,310 --> 01:10:34,000

i one thing i've always made sure was to

1674

01:10:36,709 --> 01:10:34,320

not

1675

01:10:38,630 --> 01:10:36,719

ask people leading questions depending

1676

01:10:40,390 --> 01:10:38,640

on if it's an interview but

1677

01:10:41,830 --> 01:10:40,400

if there's something going on not to ask

1678

01:10:43,270 --> 01:10:41,840

some leading questions so i didn't say

1679

01:10:46,310 --> 01:10:43,280

anything at all

1680

01:10:48,550 --> 01:10:46,320

and i just figured it was in my head and

1681

01:10:50,070 --> 01:10:48,560

uh we were very quiet and he said what

1682

01:10:54,149 --> 01:10:50,080

is that and i said what

1683

01:10:56,790 --> 01:10:54,159

what is what and he said it's a grid

1684

01:10:58,310 --> 01:10:56,800

that's a grid and i said you see it too

1685

01:11:00,310 --> 01:10:58,320

he said yeah

1686

01:11:02,709 --> 01:11:00,320

and he said he saw little geometric

1687

01:11:05,510 --> 01:11:02,719

forms swirling around

1688

01:11:05,830 --> 01:11:05,520

uh some were octagonal some were kind of

1689

01:11:08,950 --> 01:11:05,840

like

1690

01:11:09,669 --> 01:11:08,960

uh pyramid shaped and squared and we all

1691

01:11:11,350 --> 01:11:09,679

saw we

1692

01:11:13,350 --> 01:11:11,360

he and i saw the same things they were

1693

01:11:14,870 --> 01:11:13,360

moving around like little fish swimming

1694

01:11:18,390 --> 01:11:14,880

in an ocean

1695

01:11:19,750 --> 01:11:18,400

and he then just grew tired of and went

1696

01:11:21,669 --> 01:11:19,760

to bed

1697

01:11:22,790 --> 01:11:21,679

uh but that was it that was how he

1698

01:11:26,070 --> 01:11:22,800

responded to it

1699

01:11:29,110 --> 01:11:26,080

and he was done with it um

1700

01:11:31,430 --> 01:11:29,120

i went to bed and as soon as i closed my

1701
01:11:33,830 --> 01:11:31,440
eyes i was sent down a tunnel that was

1702
01:11:35,910 --> 01:11:33,840
winding and then i saw something that

1703
01:11:37,750 --> 01:11:35,920
i'll never forget that i i really don't

1704
01:11:40,709 --> 01:11:37,760
want to describe but i can tell you i

1705
01:11:44,390 --> 01:11:40,719
was taken somewhere and i did see things

1706
01:11:46,070 --> 01:11:44,400
and what i wanted to kind of talk to you

1707
01:11:48,550 --> 01:11:46,080
about is

1708
01:11:50,470 --> 01:11:48,560
there's an element an element of the

1709
01:11:52,229 --> 01:11:50,480
phenomena

1710
01:11:54,070 --> 01:11:52,239
where people can be abducted through

1711
01:11:56,709 --> 01:11:54,080
their minds because i

1712
01:11:59,110 --> 01:11:56,719
didn't give my permission to go anywhere

1713
01:12:02,149 --> 01:11:59,120

yet i was taken somewhere that night

1714

01:12:06,229 --> 01:12:02,159

and i saw that grid for 10

1715

01:12:07,030 --> 01:12:06,239

years wow for 10 years i saw that stupid

1716

01:12:08,870 --> 01:12:07,040

grid

1717

01:12:10,229 --> 01:12:08,880

and there's a there's a form of

1718

01:12:13,270 --> 01:12:10,239

technology

1719

01:12:15,030 --> 01:12:13,280

that it had and uh it would take me a

1720

01:12:15,910 --> 01:12:15,040

really long time to explain it which i'm

1721

01:12:19,350 --> 01:12:15,920

not going to

1722

01:12:20,550 --> 01:12:19,360

not on the show but i couldn't do

1723

01:12:23,030 --> 01:12:20,560

anything with it

1724

01:12:23,669 --> 01:12:23,040

nothing meaningful to me in my life that

1725

01:12:28,709 --> 01:12:23,679

is

1726

01:12:32,550 --> 01:12:28,719

nothing i could do with it

1727

01:12:34,950 --> 01:12:32,560

now uh did i do stuff with it yes i did

1728

01:12:36,790 --> 01:12:34,960

but still i got to the point where you

1729

01:12:37,590 --> 01:12:36,800

know you wake up in the morning you see

1730

01:12:41,590 --> 01:12:37,600

it

1731

01:12:43,990 --> 01:12:41,600

the day because you know you're working

1732

01:12:46,070 --> 01:12:44,000

and you see stuff you see people walk by

1733

01:12:48,870 --> 01:12:46,080

okay stuff breaks right through it

1734

01:12:49,750 --> 01:12:48,880

it wears away but at night boom it comes

1735

01:12:53,430 --> 01:12:49,760

right back

1736

01:12:55,830 --> 01:12:53,440

and i finally had to beg it please

1737

01:12:57,110 --> 01:12:55,840

just go away i don't want to see you

1738

01:12:58,470 --> 01:12:57,120

anymore

1739

01:13:00,310 --> 01:12:58,480

i don't know if it was a form of

1740

01:13:02,630 --> 01:13:00,320

artificial intelligence

1741

01:13:04,070 --> 01:13:02,640

that was just that or artificial

1742

01:13:07,189 --> 01:13:04,080

intelligence related to

1743

01:13:11,350 --> 01:13:07,199

ets but it was something that had

1744

01:13:15,030 --> 01:13:11,360

a ability to move on its own

1745

01:13:15,590 --> 01:13:15,040

in its own fashion so anyway i know what

1746

01:13:17,510 --> 01:13:15,600

it's like

1747

01:13:18,950 --> 01:13:17,520

to be abducted in the sense of through

1748

01:13:22,070 --> 01:13:18,960

the mind without

1749

01:13:24,630 --> 01:13:22,080

giving permission i can tell my

1750

01:13:26,550 --> 01:13:24,640

listeners and you this

1751

01:13:29,110 --> 01:13:26,560

there's something very very strange

1752

01:13:33,030 --> 01:13:29,120

about realizing that you don't have

1753

01:13:36,470 --> 01:13:33,040

the right to to be who you are

1754

01:13:38,550 --> 01:13:36,480

and be autonomous because

1755

01:13:39,830 --> 01:13:38,560

people take that for granted and

1756

01:13:42,550 --> 01:13:39,840

rightfully so

1757

01:13:44,310 --> 01:13:42,560

but when it happens to you in that kind

1758

01:13:45,830 --> 01:13:44,320

of psychological fashion

1759

01:13:47,270 --> 01:13:45,840

and your rights are being taken away and

1760

01:13:49,990 --> 01:13:47,280

you're being forced to look at things

1761

01:13:53,189 --> 01:13:50,000

that you didn't give permission

1762

01:13:56,630 --> 01:13:53,199

to look at it's a very an

1763

01:13:59,590 --> 01:13:56,640

unnerving experience um and

1764

01:14:01,350 --> 01:13:59,600

um it's never gone away and i think in

1765

01:14:03,750 --> 01:14:01,360

part that's probably why i do

1766

01:14:05,750 --> 01:14:03,760

these interviews so i'm really glad i

1767

01:14:08,390 --> 01:14:05,760

was able to share that with you

1768

01:14:09,270 --> 01:14:08,400

well thank you for sharing that did you

1769

01:14:11,189 --> 01:14:09,280

see this

1770

01:14:13,590 --> 01:14:11,199

only when you closed your eyes or when

1771

01:14:15,270 --> 01:14:13,600

your eyes were wide open too whether my

1772

01:14:18,870 --> 01:14:15,280

eyes were open or closed

1773

01:14:20,550 --> 01:14:18,880

is that so yeah and i noticed that if i

1774

01:14:22,870 --> 01:14:20,560

was over water

1775

01:14:23,830 --> 01:14:22,880

i could actually see things in color

1776

01:14:27,350 --> 01:14:23,840

like other

1777

01:14:29,110 --> 01:14:27,360

other locations and places i had never

1778

01:14:32,870 --> 01:14:29,120

been to

1779

01:14:35,990 --> 01:14:32,880

which was very strange and

1780

01:14:39,750 --> 01:14:36,000

so the grid was in an x-ray

1781

01:14:41,110 --> 01:14:39,760

white color but then after a while i

1782

01:14:43,830 --> 01:14:41,120

started seeing

1783

01:14:45,669 --> 01:14:43,840

in the very beginning pinpoints of

1784

01:14:48,229 --> 01:14:45,679

millions of different colors

1785

01:14:49,990 --> 01:14:48,239

they were probably primary colors but

1786

01:14:51,510 --> 01:14:50,000

but they were all mixed together and

1787

01:14:54,310 --> 01:14:51,520

then those pins

1788

01:14:55,189 --> 01:14:54,320

of colors became those dots became lines

1789

01:14:58,390 --> 01:14:55,199

that would embed

1790

01:14:59,030 --> 01:14:58,400

themselves and move with the other x-ray

1791

01:15:02,470 --> 01:14:59,040

lines

1792

01:15:05,350 --> 01:15:02,480

just in tandem

1793

01:15:06,149 --> 01:15:05,360

turned all different colors and that

1794

01:15:09,510 --> 01:15:06,159

would

1795

01:15:12,709 --> 01:15:09,520

change

1796

01:15:14,310 --> 01:15:12,719

randomly from x-ray colors to the

1797

01:15:17,350 --> 01:15:14,320

vibrant different

1798

01:15:19,669 --> 01:15:17,360

purple blue red green yellow all the

1799

01:15:22,550 --> 01:15:19,679

different colors you could imagine

1800

01:15:24,149 --> 01:15:22,560

and i would see geometric forms and some

1801

01:15:26,229 --> 01:15:24,159

actually had a life of their own like

1802

01:15:30,790 --> 01:15:26,239

they actually had a consciousness

1803

01:15:34,709 --> 01:15:30,800

and they would um communicate with me

1804

01:15:38,790 --> 01:15:34,719

and some had tasks tasks to do

1805

01:15:41,270 --> 01:15:38,800

and they didn't seem very um

1806

01:15:41,910 --> 01:15:41,280

very excitable they were just used to

1807

01:15:45,910 --> 01:15:41,920

doing their

1808

01:15:46,310 --> 01:15:45,920

their tasks and there was no one to talk

1809

01:15:50,229 --> 01:15:46,320

to

1810

01:15:52,950 --> 01:15:50,239

weren't scientists either

1811

01:15:54,630 --> 01:15:52,960

you know i had friends that were blue

1812

01:15:56,310 --> 01:15:54,640

collar and white collar workers and

1813

01:15:57,750 --> 01:15:56,320

everything in between and

1814

01:15:59,270 --> 01:15:57,760

you know when you talk to people about

1815

01:16:00,310 --> 01:15:59,280

this i know you know this better than

1816

01:16:02,709 --> 01:16:00,320

anybody

1817

01:16:04,470 --> 01:16:02,719

and so does frank but um there's really

1818

01:16:07,189 --> 01:16:04,480

nothing they can do for you

1819

01:16:07,750 --> 01:16:07,199

um now i did uh talk to that friend of

1820

01:16:10,470 --> 01:16:07,760

mine

1821

01:16:11,270 --> 01:16:10,480

last year and he allowed me to record

1822

01:16:15,189 --> 01:16:11,280

him

1823

01:16:17,270 --> 01:16:15,199

uh talking about how he saw that grid

1824

01:16:18,790 --> 01:16:17,280

and so really what i've come to the

1825

01:16:20,790 --> 01:16:18,800

conclusion is is

1826

01:16:21,910 --> 01:16:20,800

i'm not sure what that thing was but it

1827

01:16:23,910 --> 01:16:21,920

followed me home

1828

01:16:26,870 --> 01:16:23,920

and it decided to stay with me for a

1829

01:16:29,430 --> 01:16:26,880

while or i attached to it somehow

1830

01:16:31,750 --> 01:16:29,440

now regarding the people on the grass

1831

01:16:34,709 --> 01:16:31,760

that friend of mine who witnessed that

1832

01:16:36,310 --> 01:16:34,719

ex x-ray looking circle in the sky with

1833

01:16:38,310 --> 01:16:36,320

the line that was moving through it and

1834

01:16:41,750 --> 01:16:38,320

one staying stationary

1835

01:16:43,750 --> 01:16:41,760

um we we figured something out that was

1836

01:16:44,790 --> 01:16:43,760

quite strange and that was the cloned

1837

01:16:46,709 --> 01:16:44,800

people

1838

01:16:48,550 --> 01:16:46,719

i say clowned because they we realized

1839

01:16:50,310 --> 01:16:48,560

later it was the same couple

1840

01:16:51,590 --> 01:16:50,320

that was laying one way and then laying

1841

01:16:53,430 --> 01:16:51,600

another

1842

01:16:55,110 --> 01:16:53,440

zigzagging through the grass on the

1843

01:16:57,830 --> 01:16:55,120

ground they were

1844

01:16:59,910 --> 01:16:57,840

same couple over and over again we went

1845

01:17:02,950 --> 01:16:59,920

back to that hotel

1846

01:17:05,990 --> 01:17:02,960

up in the same exact spot we had been in

1847

01:17:07,270 --> 01:17:06,000

we looked down and the grass was a tiny

1848

01:17:09,030 --> 01:17:07,280

little spot

1849

01:17:10,310 --> 01:17:09,040

it wasn't even capable of holding but

1850

01:17:13,430 --> 01:17:10,320

maybe one couple

1851
01:17:15,510 --> 01:17:13,440
yet we saw a dozen or so and that

1852
01:17:16,630 --> 01:17:15,520
strip of grass had shrunk to a tiny

1853
01:17:18,149 --> 01:17:16,640
little area

1854
01:17:20,149 --> 01:17:18,159
and it would have been an impossibility

1855
01:17:21,830 --> 01:17:20,159
to have seen on the ground what we did

1856
01:17:23,350 --> 01:17:21,840
to this day we still don't even know

1857
01:17:25,030 --> 01:17:23,360
what it was that we saw there on the

1858
01:17:29,110 --> 01:17:25,040
ground nor up in the sky

1859
01:17:31,750 --> 01:17:29,120
now i did ask him i said to him i said i

1860
01:17:32,870 --> 01:17:31,760
i know you saw something what did you

1861
01:17:36,229 --> 01:17:32,880
see

1862
01:17:40,470 --> 01:17:36,239
and he told me very reluctantly

1863
01:17:42,709 --> 01:17:40,480

um he saw

1864

01:17:43,990 --> 01:17:42,719

license plates that were backwards for

1865

01:17:47,110 --> 01:17:44,000

about a week

1866

01:17:48,870 --> 01:17:47,120

and i've come to a conclusion i'm sorry

1867

01:17:51,430 --> 01:17:48,880

a conclusion and a theory regarding what

1868

01:17:51,910 --> 01:17:51,440

it could have been now the x-ray lights

1869

01:17:55,350 --> 01:17:51,920

that i

1870

01:17:57,669 --> 01:17:55,360

saw were the exact luminescent white

1871

01:17:58,870 --> 01:17:57,679

of a license plate that glows in the

1872

01:18:01,270 --> 01:17:58,880

dark

1873

01:18:02,550 --> 01:18:01,280

so my understanding about eyes and i

1874

01:18:04,229 --> 01:18:02,560

don't mind being wrong perhaps a

1875

01:18:05,990 --> 01:18:04,239

listener can correct me or not

1876

01:18:06,210 --> 01:18:06,000

is when people look at things they see

1877

01:18:07,430 --> 01:18:06,220

them

1878

01:18:10,390 --> 01:18:07,440

[Music]

1879

01:18:12,229 --> 01:18:10,400

reverse or upside down and then the the

1880

01:18:12,709 --> 01:18:12,239

optics of the eye or the mind turns it

1881

01:18:15,110 --> 01:18:12,719

back

1882

01:18:15,990 --> 01:18:15,120

another way so we end up seeing it the

1883

01:18:19,830 --> 01:18:16,000

correct

1884

01:18:21,910 --> 01:18:19,840

way up now i think what happened was is

1885

01:18:23,510 --> 01:18:21,920

that luminescent light on the license

1886

01:18:25,430 --> 01:18:23,520

plate tripped up his eyes

1887

01:18:28,390 --> 01:18:25,440

and it didn't allow his eyes to turn it

1888

01:18:31,590 --> 01:18:28,400

the right way it should have been

1889

01:18:34,070 --> 01:18:31,600

and it just kept it backwards

1890

01:18:35,910 --> 01:18:34,080

and um i said i know you saw more than

1891

01:18:37,510 --> 01:18:35,920

that what else did you see

1892

01:18:39,110 --> 01:18:37,520

and he put his head down like he was a

1893

01:18:40,550 --> 01:18:39,120

little boy in trouble like he was going

1894

01:18:42,390 --> 01:18:40,560

to the principal's office

1895

01:18:44,550 --> 01:18:42,400

and he was one of my best friends i knew

1896

01:18:45,590 --> 01:18:44,560

him very well and he refused to talk

1897

01:18:48,950 --> 01:18:45,600

about it

1898

01:18:50,790 --> 01:18:48,960

wow so i just thought that was kind of

1899

01:18:52,709 --> 01:18:50,800

interesting this phenomena

1900

01:18:54,229 --> 01:18:52,719

when a person is exposed to it and it

1901

01:18:56,229 --> 01:18:54,239

can come in any way

1902

01:18:57,990 --> 01:18:56,239

in many different shapes and forms i

1903

01:18:59,830 --> 01:18:58,000

know you've heard about

1904

01:19:01,350 --> 01:18:59,840

many more than we have frank and i

1905

01:19:03,350 --> 01:19:01,360

because of your experiences

1906

01:19:04,630 --> 01:19:03,360

of listening to people over many many

1907

01:19:07,430 --> 01:19:04,640

decades

1908

01:19:07,990 --> 01:19:07,440

thousands of people it it comes in so

1909

01:19:10,229 --> 01:19:08,000

many different

1910

01:19:11,590 --> 01:19:10,239

shapes and forms it might even come in

1911

01:19:14,149 --> 01:19:11,600

forms that we are not

1912

01:19:15,510 --> 01:19:14,159

privity to in a conscious manner but an

1913

01:19:17,430 --> 01:19:15,520

unconscious manner

1914

01:19:18,630 --> 01:19:17,440

so we might actually be dealing with

1915

01:19:22,070 --> 01:19:18,640

witnessing

1916

01:19:25,830 --> 01:19:22,080

um this phenomena more than we realize

1917

01:19:29,750 --> 01:19:25,840

in mass yes

1918

01:19:33,030 --> 01:19:29,760

and you know you are the first person

1919

01:19:36,470 --> 01:19:33,040

that i have spoken with that has had

1920

01:19:39,750 --> 01:19:36,480

the kind of experience that you had i

1921

01:19:40,149 --> 01:19:39,760

i have spoken with several people who

1922

01:19:42,950 --> 01:19:40,159

were

1923

01:19:44,390 --> 01:19:42,960

in their 50s when they had their first

1924

01:19:47,750 --> 01:19:44,400

experience

1925

01:19:50,709 --> 01:19:47,760

and whatever this was attached

1926

01:19:51,669 --> 01:19:50,719

to their minds so that every time they

1927

01:19:54,550 --> 01:19:51,679

closed their

1928

01:19:56,870 --> 01:19:54,560

eyes they were someplace else they were

1929

01:19:59,350 --> 01:19:56,880

in a tunnel

1930

01:20:00,470 --> 01:19:59,360

under the ground and things were

1931

01:20:04,149 --> 01:20:00,480

happening that were

1932

01:20:07,830 --> 01:20:04,159

not very good they were horrific in fact

1933

01:20:08,550 --> 01:20:07,840

but i have never spoken with anyone who

1934

01:20:12,870 --> 01:20:08,560

had the

1935

01:20:15,189 --> 01:20:12,880

grid uh kind of experience that you had

1936

01:20:15,990 --> 01:20:15,199

a member of mufon's experience or

1937

01:20:19,910 --> 01:20:16,000

research

1938

01:20:23,669 --> 01:20:19,920

team uh who i was

1939

01:20:26,950 --> 01:20:23,679

their director for 10 years and

1940

01:20:29,750 --> 01:20:26,960

actually had set the team up due to

1941

01:20:30,229 --> 01:20:29,760

time constraints stepped down recently

1942

01:20:33,350 --> 01:20:30,239

but

1943

01:20:34,550 --> 01:20:33,360

one of our members wanted to have an

1944

01:20:37,990 --> 01:20:34,560

experience

1945

01:20:40,709 --> 01:20:38,000

and kept asking for it and he had

1946

01:20:42,070 --> 01:20:40,719

something very strange that happened

1947

01:20:44,790 --> 01:20:42,080

where he was

1948

01:20:45,189 --> 01:20:44,800

in his bedroom at night with his wife

1949

01:20:48,629 --> 01:20:45,199

both

1950

01:20:52,629 --> 01:20:48,639

saw this but it was as if the wall

1951

01:20:56,229 --> 01:20:52,639

opened up and a bright light

1952

01:20:59,910 --> 01:20:56,239

came through and then they could

1953

01:21:00,950 --> 01:20:59,920

see what appeared to be a room next to

1954

01:21:03,430 --> 01:21:00,960

their room

1955

01:21:05,510 --> 01:21:03,440

but there wasn't room for a room to be

1956

01:21:08,629 --> 01:21:05,520

there because the next house

1957

01:21:11,189 --> 01:21:08,639

was only the width of an alley away

1958

01:21:12,310 --> 01:21:11,199

but it seemed like a large room and

1959

01:21:16,070 --> 01:21:12,320

these non-human

1960

01:21:19,110 --> 01:21:16,080

entities came and stepped out of their

1961

01:21:22,790 --> 01:21:19,120

environment and in to his and

1962

01:21:23,830 --> 01:21:22,800

her environment and and proceeded to do

1963

01:21:28,629 --> 01:21:23,840

tests

1964

01:21:31,910 --> 01:21:28,639

on him to to remove fluids from his body

1965

01:21:35,030 --> 01:21:31,920

and very very strange so

1966

01:21:39,030 --> 01:21:35,040

uh you know it just seems that

1967

01:21:39,910 --> 01:21:39,040

things are there is definitely more than

1968

01:21:43,270 --> 01:21:39,920

one thing

1969

01:21:46,550 --> 01:21:43,280

occurring and we're beginning to wonder

1970

01:21:49,830 --> 01:21:46,560

if the typical

1971

01:21:51,910 --> 01:21:49,840

ufo abduction events that we have become

1972

01:21:55,350 --> 01:21:51,920

familiar with such as

1973

01:21:58,629 --> 01:21:55,360

having sperm and overtaken on craft

1974

01:22:01,669 --> 01:21:58,639

that sort of thing um is coming to an

1975

01:22:03,350 --> 01:22:01,679

end uh members of our team

1976

01:22:04,709 --> 01:22:03,360

have been talking about that there are

1977

01:22:07,910 --> 01:22:04,719

45

1978

01:22:11,350 --> 01:22:07,920

members of the team and most

1979

01:22:14,470 --> 01:22:11,360

say that they really haven't received

1980

01:22:15,030 --> 01:22:14,480

recent reports of people being treated

1981

01:22:17,590 --> 01:22:15,040

in

1982

01:22:18,950 --> 01:22:17,600

the manner that they used to be such as

1983

01:22:22,149 --> 01:22:18,960

the way betty and barney

1984

01:22:26,149 --> 01:22:22,159

hill were um so

1985

01:22:28,070 --> 01:22:26,159

this is something interesting to look at

1986

01:22:29,270 --> 01:22:28,080

it appears that they're beginning a new

1987

01:22:32,790 --> 01:22:29,280

program

1988

01:22:36,229 --> 01:22:32,800

and what is exactly is going on

1989

01:22:38,149 --> 01:22:36,239

ray hernandez who started the edgar

1990

01:22:40,790 --> 01:22:38,159

mittell free foundation

1991

01:22:42,310 --> 01:22:40,800

and i was on the board of directors of

1992

01:22:45,510 --> 01:22:42,320

that foundation

1993

01:22:48,790 --> 01:22:45,520

had he called it a matrix kind of

1994

01:22:50,149 --> 01:22:48,800

reality that he ended up in i don't know

1995

01:22:53,669 --> 01:22:50,159

if this is similar to

1996

01:22:54,390 --> 01:22:53,679

what you had but it didn't remain with

1997

01:22:56,950 --> 01:22:54,400

him

1998

01:22:58,709 --> 01:22:56,960

the way it did with you yeah but he

1999

01:23:00,550 --> 01:22:58,719

continued to have extraordinary

2000

01:23:03,030 --> 01:23:00,560

experiences

2001

01:23:03,750 --> 01:23:03,040

i think the only thing that i will

2002

01:23:05,750 --> 01:23:03,760

mention

2003

01:23:07,189 --> 01:23:05,760

about having gone down a tunnel when i

2004

01:23:09,910 --> 01:23:07,199

closed my eyes

2005

01:23:12,870 --> 01:23:09,920

and i did want to mention when i went to

2006

01:23:15,510 --> 01:23:12,880

bed and i closed my eyes that night

2007

01:23:16,470 --> 01:23:15,520

i kept trying to shake off the grid

2008

01:23:18,790 --> 01:23:16,480

naturally

2009

01:23:20,709 --> 01:23:18,800

because i it wasn't it wasn't natural to

2010

01:23:21,590 --> 01:23:20,719

me nor did i feel it practical or

2011

01:23:24,470 --> 01:23:21,600

necessary

2012

01:23:25,750 --> 01:23:24,480

to have it attached to me so i kept

2013

01:23:27,990 --> 01:23:25,760

trying to sort of

2014

01:23:29,430 --> 01:23:28,000

tell it you know and myself okay that's

2015

01:23:30,149 --> 01:23:29,440

enough i don't i don't need to see this

2016

01:23:31,990 --> 01:23:30,159

anymore it's

2017

01:23:33,270 --> 01:23:32,000

it's it's irrelevant and that's an

2018

01:23:35,030 --> 01:23:33,280

unnecessary to me

2019

01:23:37,510 --> 01:23:35,040

also i need to go to bed and i want to

2020

01:23:38,149 --> 01:23:37,520

go to sleep and i closed my eyes and i

2021

01:23:40,709 --> 01:23:38,159

kept

2022

01:23:43,270 --> 01:23:40,719

getting rushed it was literally going

2023

01:23:47,270 --> 01:23:43,280

down i was going down very fast

2024

01:23:50,229 --> 01:23:47,280

and down a tunnel that winded around

2025

01:23:51,510 --> 01:23:50,239

in a huge curve and i as i went down

2026

01:23:55,430 --> 01:23:51,520

this very grid

2027

01:23:58,310 --> 01:23:55,440

matrix like a tunnel

2028

01:23:59,030 --> 01:23:58,320

that i could that i couldn't get away

2029

01:24:00,550 --> 01:23:59,040

from

2030

01:24:02,070 --> 01:24:00,560

and by the way i only saw this tunnel

2031

01:24:04,470 --> 01:24:02,080

when i closed my eyes but when i opened

2032

01:24:06,310 --> 01:24:04,480

my eyes i saw the grid around me

2033

01:24:09,990 --> 01:24:06,320

when i went down this tunnel at the end

2034

01:24:12,790 --> 01:24:10,000

of it there was a geometric figure there

2035

01:24:14,390 --> 01:24:12,800

that looked at me even though it didn't

2036

01:24:16,390 --> 01:24:14,400

have any eyes

2037

01:24:17,990 --> 01:24:16,400

and we were we were right in front of

2038

01:24:19,910 --> 01:24:18,000

each other

2039

01:24:21,830 --> 01:24:19,920

um i was sort of vertical to it and

2040

01:24:23,669 --> 01:24:21,840

there was a hole next to him

2041

01:24:24,870 --> 01:24:23,679

i say him just for the sake of saying

2042

01:24:26,950 --> 01:24:24,880

that

2043

01:24:29,030 --> 01:24:26,960

but there was a hole next to him or it

2044

01:24:32,629 --> 01:24:29,040

or her whatever it was

2045

01:24:34,229 --> 01:24:32,639

and it nodded its triangular geometric

2046

01:24:36,390 --> 01:24:34,239

head at me

2047

01:24:38,709 --> 01:24:36,400

and i went through the hole as if he

2048

01:24:41,030 --> 01:24:38,719

gave me the approval to go in

2049

01:24:43,110 --> 01:24:41,040

without i didn't give myself approval

2050

01:24:44,709 --> 01:24:43,120

and as i went through the hole i said to

2051

01:24:48,149 --> 01:24:44,719

myself

2052

01:24:50,629 --> 01:24:48,159

if if i can see that thing what do

2053

01:24:52,149 --> 01:24:50,639

what do i look like to it because i'm

2054

01:24:55,590 --> 01:24:52,159

not physically walking there

2055

01:24:57,990 --> 01:24:55,600

or running or being driven down or flown

2056

01:25:00,149 --> 01:24:58,000

i'm going through my mind so what do i

2057

01:25:03,189 --> 01:25:00,159

look like to it

2058

01:25:04,229 --> 01:25:03,199

and as i went over uh i'm sorry through

2059

01:25:07,350 --> 01:25:04,239

the hole

2060

01:25:10,070 --> 01:25:07,360

i saw something that

2061

01:25:12,229 --> 01:25:10,080

it would i can't even i i will not tell

2062

01:25:15,830 --> 01:25:12,239

the story here i can tell you later

2063

01:25:19,510 --> 01:25:15,840

but it was absolutely unnatural

2064

01:25:23,990 --> 01:25:19,520

and it was out of this world it was

2065

01:25:28,709 --> 01:25:26,870

but um anyway i'm glad i was able to

2066

01:25:31,030 --> 01:25:28,719

talk to you about that thank you

2067

01:25:32,870 --> 01:25:31,040

yes and we'll have to talk later yeah

2068

01:25:35,270 --> 01:25:32,880

we'll have to talk later

2069

01:25:37,189 --> 01:25:35,280

but uh i did want to mention that you

2070

01:25:38,629 --> 01:25:37,199

know naturally i think humans want to

2071

01:25:40,470 --> 01:25:38,639

get to the bottom of anything that

2072

01:25:43,110 --> 01:25:40,480

appears to be a mysterious

2073

01:25:44,070 --> 01:25:43,120

or compelling to them however there are

2074

01:25:46,149 --> 01:25:44,080

times when people

2075

01:25:47,189 --> 01:25:46,159

can become so traumatized or so

2076

01:25:48,950 --> 01:25:47,199

overwhelmed

2077

01:25:50,629 --> 01:25:48,960

they don't want to get to the bottom of

2078

01:25:53,189 --> 01:25:50,639

something

2079

01:25:55,030 --> 01:25:53,199

however you have persevered all these

2080

01:25:57,110 --> 01:25:55,040

years and you feel like

2081

01:25:58,790 --> 01:25:57,120

you want to find out more about this

2082

01:26:00,390 --> 01:25:58,800

topic do you feel it's true that you

2083

01:26:02,070 --> 01:26:00,400

can't really get to the bottom of this

2084

01:26:03,669 --> 01:26:02,080

kind of rabbit hole

2085

01:26:05,590 --> 01:26:03,679

metaphorically speaking meaning the

2086

01:26:07,350 --> 01:26:05,600

phenomena will we ever find all the

2087

01:26:08,870 --> 01:26:07,360

answers to it what are your thoughts on

2088

01:26:11,830 --> 01:26:08,880

that

2089

01:26:13,750 --> 01:26:11,840

i don't think we'll find the answers

2090

01:26:16,149 --> 01:26:13,760

within my lifetime

2091

01:26:17,910 --> 01:26:16,159

i think that we have to develop a new

2092

01:26:21,430 --> 01:26:17,920

scientific paradigm

2093

01:26:24,149 --> 01:26:21,440

to even begin uh and and

2094

01:26:25,030 --> 01:26:24,159

we're quite a distance away from that i

2095

01:26:29,270 --> 01:26:25,040

think

2096

01:26:32,030 --> 01:26:29,280

and the the concern that i have

2097

01:26:34,149 --> 01:26:32,040

is that these entities are so

2098

01:26:37,350 --> 01:26:34,159

technologically advanced

2099

01:26:40,790 --> 01:26:37,360

and so different from us

2100

01:26:44,070 --> 01:26:40,800

that i would not want open contact

2101
01:26:44,790 --> 01:26:44,080
with them i think that it would be not a

2102
01:26:48,470 --> 01:26:44,800
good thing

2103
01:26:52,070 --> 01:26:48,480
for our society i don't mind

2104
01:26:55,110 --> 01:26:52,080
soft disclosure as long as the public

2105
01:26:56,310 --> 01:26:55,120
i can tolerate that with without public

2106
01:26:59,750 --> 01:26:56,320
hysteria

2107
01:27:02,229 --> 01:26:59,760
but i'm i'm very concerned because

2108
01:27:02,870 --> 01:27:02,239
these whatever these entities are

2109
01:27:07,590 --> 01:27:02,880
they're

2110
01:27:10,709 --> 01:27:07,600
different communicate differently

2111
01:27:14,390 --> 01:27:10,719
their technology is so highly advanced

2112
01:27:16,310 --> 01:27:14,400
that we can't understand it

2113
01:27:18,470 --> 01:27:16,320

yeah well before we end the interview i

2114

01:27:19,990 --> 01:27:18,480

wanted to remind our listeners of

2115

01:27:22,229 --> 01:27:20,000

something you see often on the show and

2116

01:27:24,550 --> 01:27:22,239

that is it is the us government's

2117

01:27:25,669 --> 01:27:24,560

and uh first to third world governments

2118

01:27:28,470 --> 01:27:25,679

on this planet's

2119

01:27:30,709 --> 01:27:28,480

priority to absolutely find out what is

2120

01:27:32,470 --> 01:27:30,719

traversing our skies or under our oceans

2121

01:27:35,270 --> 01:27:32,480

or even on the ground

2122

01:27:36,790 --> 01:27:35,280

and anyone who thinks otherwise is

2123

01:27:39,110 --> 01:27:36,800

absolutely naive

2124

01:27:40,550 --> 01:27:39,120

i wanted to let everybody know that if

2125

01:27:42,709 --> 01:27:40,560

anybody wants to get any autographed

2126

01:27:44,830 --> 01:27:42,719

copies of kathleen's books

2127

01:27:46,790 --> 01:27:44,840

they're available on our website at

2128

01:27:50,550 --> 01:27:46,800

kathleen

2129

01:27:52,070 --> 01:27:50,560

and that's amazonmomarden.com

2130

01:27:53,669 --> 01:27:52,080

and i'm not going to let you go yet i

2131

01:27:54,550 --> 01:27:53,679

still just i just wanted to mention your

2132

01:27:56,870 --> 01:27:54,560

books

2133

01:27:57,830 --> 01:27:56,880

but uh there's the extraterrestrial

2134

01:28:01,030 --> 01:27:57,840

contact

2135

01:28:03,430 --> 01:28:01,040

the alien abduction files the new

2136

01:28:06,550 --> 01:28:03,440

60th anniversary addiction have captured

2137

01:28:09,590 --> 01:28:06,560

the betty and barney hill ufo experience

2138

01:28:13,270 --> 01:28:09,600

fact fiction and flying saucers and

2139

01:28:14,550 --> 01:28:13,280

science was wrong and flying saucers in

2140

01:28:18,070 --> 01:28:14,560

science

2141

01:28:21,510 --> 01:28:18,080

you have consumed your life

2142

01:28:25,030 --> 01:28:21,520

kathleen to the betterment of humanity

2143

01:28:25,910 --> 01:28:25,040

with really trying to jump in with all

2144

01:28:28,070 --> 01:28:25,920

of your being

2145

01:28:30,390 --> 01:28:28,080

into this topic do you feel you're a

2146

01:28:33,590 --> 01:28:30,400

better person for it

2147

01:28:35,510 --> 01:28:33,600

yes i do think i'm a better person for

2148

01:28:39,830 --> 01:28:35,520

it because

2149

01:28:43,350 --> 01:28:39,840

not only has it been a fascinating study

2150

01:28:46,310 --> 01:28:43,360

but i'm able to elucidate

2151
01:28:47,030 --> 01:28:46,320
the topic as much as i can and a little

2152
01:28:50,070 --> 01:28:47,040
bit

2153
01:28:50,790 --> 01:28:50,080
and and to help other people who are

2154
01:28:53,669 --> 01:28:50,800
having these

2155
01:28:54,390 --> 01:28:53,679
experiences it hasn't been service to

2156
01:28:57,110 --> 01:28:54,400
self

2157
01:28:58,629 --> 01:28:57,120
it's been service to others uh during

2158
01:29:02,709 --> 01:28:58,639
the entire time

2159
01:29:05,590 --> 01:29:02,719
and i was a teacher and i continue

2160
01:29:06,550 --> 01:29:05,600
to teach and to explore and to

2161
01:29:10,870 --> 01:29:06,560
experiment

2162
01:29:13,830 --> 01:29:10,880
and uh to attempt to find the answers

2163
01:29:15,350 --> 01:29:13,840

and oftentimes i speak with theoretical

2164

01:29:17,189 --> 01:29:15,360

physicists

2165

01:29:19,030 --> 01:29:17,199

who are involved in this kind of

2166

01:29:22,790 --> 01:29:19,040

research as well

2167

01:29:25,910 --> 01:29:22,800

to gain a understanding

2168

01:29:29,350 --> 01:29:25,920

using our own physical laws but also

2169

01:29:32,950 --> 01:29:29,360

theoretical physics so uh yeah it's

2170

01:29:35,750 --> 01:29:32,960

it's been very rewarding intrinsically

2171

01:29:37,669 --> 01:29:35,760

before we go is going to ask you uh what

2172

01:29:39,270 --> 01:29:37,679

do you think is the end game

2173

01:29:41,669 --> 01:29:39,280

before you answer that i wanted to

2174

01:29:43,510 --> 01:29:41,679

mention i think part of the reason why

2175

01:29:45,110 --> 01:29:43,520

we're having experiences with this kind

2176

01:29:48,070 --> 01:29:45,120

of phenomena whether it be

2177

01:29:49,830 --> 01:29:48,080

multiple et civilizations or one or even

2178

01:29:52,870 --> 01:29:49,840

just their artificial intelligence that

2179

01:29:54,870 --> 01:29:52,880

might be floating around the planet

2180

01:29:56,550 --> 01:29:54,880

it might be an impossibility for us to

2181

01:29:58,310 --> 01:29:56,560

not have experiences with them because

2182

01:29:58,709 --> 01:29:58,320

we might be sharing the same planet with

2183

01:30:01,510 --> 01:29:58,719

them

2184

01:30:01,910 --> 01:30:01,520

but what do you think the end game is

2185

01:30:05,990 --> 01:30:01,920

for

2186

01:30:07,990 --> 01:30:06,000

ets who are intermingling with humans or

2187

01:30:11,350 --> 01:30:08,000

abducting them or studying them what is

2188

01:30:16,870 --> 01:30:14,550

i don't know what the end game is i've

2189

01:30:20,950 --> 01:30:16,880

worked on three major studies

2190

01:30:24,629 --> 01:30:20,960

with experiencers with results from

2191

01:30:27,669 --> 01:30:24,639

over 5 000 at this point and we

2192

01:30:31,030 --> 01:30:27,679

know what they have told us in

2193

01:30:34,550 --> 01:30:31,040

open-ended questions and

2194

01:30:36,229 --> 01:30:34,560

these entities claim that they are

2195

01:30:40,229 --> 01:30:36,239

concerned about our use of

2196

01:30:43,189 --> 01:30:40,239

nuclear weapons they

2197

01:30:45,830 --> 01:30:43,199

are concerned about our environment and

2198

01:30:49,110 --> 01:30:45,840

the possible environmental collapse

2199

01:30:53,430 --> 01:30:49,120

they uh explain that

2200

01:30:57,110 --> 01:30:53,440

they are collecting uh flora

2201
01:31:01,110 --> 01:30:57,120
and fauna from all over this world

2202
01:31:01,750 --> 01:31:01,120
uh that if we do end up destroying this

2203
01:31:03,830 --> 01:31:01,760
planet

2204
01:31:05,110 --> 01:31:03,840
that they will at least have all of that

2205
01:31:07,350 --> 01:31:05,120
dna

2206
01:31:09,669 --> 01:31:07,360
uh they are say that they're also

2207
01:31:14,390 --> 01:31:09,679
seeding other planets

2208
01:31:17,430 --> 01:31:14,400
uh that they are terraforming and

2209
01:31:20,229 --> 01:31:17,440
you know but who knows that's

2210
01:31:21,229 --> 01:31:20,239
i i have a tremendous amount of feedback

2211
01:31:24,550 --> 01:31:21,239
from

2212
01:31:28,310 --> 01:31:24,560
experiencers around the world

2213
01:31:31,030 --> 01:31:28,320

um many uh are having contact with

2214

01:31:32,950 --> 01:31:31,040

beings that they believe are benevolent

2215

01:31:36,149 --> 01:31:32,960

they believe that they have

2216

01:31:39,750 --> 01:31:36,159

volunteered to come to this

2217

01:31:43,430 --> 01:31:39,760

planet to work to save

2218

01:31:45,510 --> 01:31:43,440

this planet but there are

2219

01:31:47,189 --> 01:31:45,520

others who are having horrific

2220

01:31:49,750 --> 01:31:47,199

experiences as i

2221

01:31:50,790 --> 01:31:49,760

mentioned during our conversation as

2222

01:31:53,750 --> 01:31:50,800

well so

2223

01:31:55,030 --> 01:31:53,760

you know i've studied this in pretty

2224

01:31:58,149 --> 01:31:55,040

intensely for the past

2225

01:32:01,189 --> 01:31:58,159

30 years but i still don't

2226

01:32:02,070 --> 01:32:01,199

know the answer frank do you have any

2227

01:32:04,149 --> 01:32:02,080

questions

2228

01:32:05,990 --> 01:32:04,159

uh yeah i've got a couple follow-up

2229

01:32:06,310 --> 01:32:06,000

questions uh they should be pretty quick

2230

01:32:11,430 --> 01:32:06,320

uh

2231

01:32:14,470 --> 01:32:11,440

with stanton

2232

01:32:16,149 --> 01:32:14,480

and since his passing his archives

2233

01:32:18,950 --> 01:32:16,159

uh have become available have you gotten

2234

01:32:21,830 --> 01:32:18,960

a chance to go through that any

2235

01:32:23,110 --> 01:32:21,840

no i haven't i'd i'd have to go up to

2236

01:32:26,310 --> 01:32:23,120

new brunswick

2237

01:32:27,510 --> 01:32:26,320

to do that and it's going to take about

2238

01:32:29,990 --> 01:32:27,520

10 years

2239

01:32:30,870 --> 01:32:30,000
to complete stanton's archival

2240

01:32:33,590 --> 01:32:30,880
collection

2241

01:32:34,709 --> 01:32:33,600
he he has a huge the largest in the

2242

01:32:36,870 --> 01:32:34,719
world

2243

01:32:39,910 --> 01:32:36,880
archival collection i've seen photos of

2244

01:32:42,709 --> 01:32:39,920
it of the office

2245

01:32:43,669 --> 01:32:42,719
yes the photos of the office will show

2246

01:32:47,750 --> 01:32:43,679
you

2247

01:32:51,030 --> 01:32:47,760
um it was incredible but uh

2248

01:32:53,830 --> 01:32:51,040
he uh i'm not i don't have

2249

01:32:54,790 --> 01:32:53,840
plans to go up there right away i don't

2250

01:32:57,830 --> 01:32:54,800
know if i'll

2251

01:33:00,790 --> 01:32:57,840

you know when i will go up and

2252

01:33:02,629 --> 01:33:00,800

uh but i do have a lot of his files

2253

01:33:04,950 --> 01:33:02,639

because we shared files

2254

01:33:06,950 --> 01:33:04,960

so he was able to photocopy mine i was

2255

01:33:09,910 --> 01:33:06,960

able to photocopy his so

2256

01:33:12,390 --> 01:33:09,920

i already have a lot of his files so i'm

2257

01:33:15,830 --> 01:33:12,400

happy about that

2258

01:33:16,390 --> 01:33:15,840

and uh yeah a relative of yours a lady

2259

01:33:19,990 --> 01:33:16,400

named

2260

01:33:20,550 --> 01:33:20,000

angela hill she is a mixed martial

2261

01:33:23,669 --> 01:33:20,560

artist

2262

01:33:26,149 --> 01:33:23,679

and she is uh the the granddaughter of

2263

01:33:28,790 --> 01:33:26,159

betty and barney is that about right

2264

01:33:30,870 --> 01:33:28,800

yes i'm not sure if she had been born

2265

01:33:34,070 --> 01:33:30,880

before barney died

2266

01:33:37,430 --> 01:33:34,080

but she was uh at least barney's

2267

01:33:40,950 --> 01:33:37,440

granddaughter barney's son's uh

2268

01:33:42,709 --> 01:33:40,960

child okay that that's a a pretty tough

2269

01:33:46,390 --> 01:33:42,719

way to make a buck

2270

01:33:49,590 --> 01:33:49,110

i understand that she's very good yep

2271

01:33:52,470 --> 01:33:49,600

yep

2272

01:33:53,590 --> 01:33:52,480

okay so uh yeah that this was fantastic

2273

01:33:55,510 --> 01:33:53,600

i mean we uh covered

2274

01:33:57,590 --> 01:33:55,520

uh some pretty dense material there and

2275

01:33:59,590 --> 01:33:57,600

i think we did it in kind of a logical

2276

01:34:01,430 --> 01:33:59,600

progression so uh kathleen

2277

01:34:03,990 --> 01:34:01,440

i sure do appreciate you coming on with

2278

01:34:06,229 --> 01:34:04,000

us so this was this was great

2279

01:34:08,229 --> 01:34:06,239

well thank you i enjoyed it and thanks

2280

01:34:11,189 --> 01:34:08,239

for having me

2281

01:34:13,270 --> 01:34:11,199

and uh chat anything else yeah i just

2282

01:34:16,629 --> 01:34:13,280

want to remind our listeners to go to

2283

01:34:22,070 --> 01:34:16,639

kathleen martin.com that's

2284

01:34:23,990 --> 01:34:22,080

m a m-a-r-d-e-n-m-a-r-d-e-n.com

2285

01:34:25,750 --> 01:34:24,000

and uh don't forget to put the dash in

2286

01:34:28,950 --> 01:34:25,760

between kathleen

2287

01:34:31,189 --> 01:34:28,960

and martin and um you'll see

2288

01:34:32,390 --> 01:34:31,199

all kinds of information on her

2289

01:34:36,310 --> 01:34:32,400

including her blog

2290

01:34:39,430 --> 01:34:36,320

upcoming ufo conferences if any and

2291

01:34:42,149 --> 01:34:39,440

how much she's involved in experience

2292

01:34:44,870 --> 01:34:42,159

her advocacy because she is

2293

01:34:45,990 --> 01:34:44,880

probably the biggest advocate for

2294

01:34:49,350 --> 01:34:46,000

experiencers

2295

01:34:51,990 --> 01:34:49,360

that ufo the ufo community has today

2296

01:34:53,430 --> 01:34:52,000

the most well-known one and uh in

2297

01:34:55,109 --> 01:34:53,440

addition to that

2298

01:34:57,830 --> 01:34:55,119

the multitude of books that she's

2299

01:35:00,550 --> 01:34:57,840

written and co-written with the iconic

2300

01:35:01,430 --> 01:35:00,560

stan friedman whom we all miss quite

2301
01:35:03,189 --> 01:35:01,440
badly

2302
01:35:05,590 --> 01:35:03,199
and we want to thank you very much for

2303
01:35:07,350 --> 01:35:05,600
your discretionary time and we

2304
01:35:08,950 --> 01:35:07,360
appreciate you so much kathleen for all

2305
01:35:10,070 --> 01:35:08,960
the hard work you've done on all of our

2306
01:35:13,350 --> 01:35:10,080
behalf

2307
01:35:16,149 --> 01:35:13,360
thank you so much thanks again kathleen

2308
01:35:16,790 --> 01:35:16,159
and that's it for this week uh we might

2309
01:35:19,510 --> 01:35:16,800
be back

2310
01:35:19,830 --> 01:35:19,520
as early as next week a lot of news came

2311
01:35:22,709 --> 01:35:19,840
out

2312
01:35:24,470 --> 01:35:22,719
uh over the last week and there could be

2313
01:35:27,430 --> 01:35:24,480

some fallout from that so

2314

01:35:28,870 --> 01:35:27,440

we'll see if not next week then the week

2315

01:35:29,910 --> 01:35:28,880

after or the week after that but we'll

2316

01:35:31,990 --> 01:35:29,920

be back

2317

01:35:34,070 --> 01:35:32,000

soon enough with more so thanks for

2318

01:35:34,550 --> 01:35:34,080

joining us enjoy your weekend and have a
