COUNTDOWN TO THE UFO REPORT

120 CASES: WILL STEPHENVILLE BE ONE?

SAM HARRIS, ERIC WEINSTEIN WEIGH IN

WHAT ARE THE FORMER PRESIDENTS AND INTEL CHIEFS
HIDING?

UFONN
SUNDAY

1
00:00:02,200 --> 00:00:16,870

[Music]

2
00:00:21,990 --> 00:00:19,429
and hello from philadelphia frank here

3
00:00:23,349 --> 00:00:22,000
with yet another episode of ufo news

4
00:00:26,550 --> 00:00:23,359
network sunday

5
00:00:30,070 --> 00:00:26,560
well we're in the final countdown if

6
00:00:33,110 --> 00:00:30,080
the ufo report from the military

7
00:00:35,510 --> 00:00:33,120
and intelligence agencies uh drop

8
00:00:38,229 --> 00:00:35,520
within the allotted time frame that will

9
00:00:39,830 --> 00:00:38,239
be within the next two weeks so

10
00:00:42,150 --> 00:00:39,840
let's take a closer look at this

11
00:00:44,549 --> 00:00:42,160
countdown that will we see it on time

12
00:00:45,430 --> 00:00:44,559
will it be early will it be late well

13
00:00:48,950 --> 00:00:45,440

let's go over

14

00:00:50,950 --> 00:00:48,960

a couple of quick things firstly

15

00:00:52,470 --> 00:00:50,960

president biden is over in europe he's

16

00:00:54,069 --> 00:00:52,480

at the g7 conference

17

00:00:56,310 --> 00:00:54,079

and he's going to be staying in europe

18

00:00:58,310 --> 00:00:56,320

until next wednesday

19

00:01:00,229 --> 00:00:58,320

so he's going to be meeting with

20

00:01:02,790 --> 00:01:00,239

vladimir putin at that point

21

00:01:04,869 --> 00:01:02,800

so i don't think this report is going to

22

00:01:07,190 --> 00:01:04,879

be dropped before he gets back

23

00:01:09,190 --> 00:01:07,200

so i certainly i don't expect it to

24

00:01:11,350 --> 00:01:09,200

happen

25

00:01:13,030 --> 00:01:11,360

next week at all so i don't think the

26

00:01:13,350 --> 00:01:13,040

report will come out for those reasons

27

00:01:17,109 --> 00:01:13,360

uh

28

00:01:21,270 --> 00:01:17,119

enough they're not going to drop

29

00:01:23,670 --> 00:01:21,280

this ufo stink bomb and i'll get into

30

00:01:24,830 --> 00:01:23,680

uh some more reasons why i consider that

31

00:01:28,469 --> 00:01:24,840

to be the case

32

00:01:29,350 --> 00:01:28,479

uh as we go further along but this ufo

33

00:01:30,870 --> 00:01:29,360

stink bomb

34

00:01:33,270 --> 00:01:30,880

is not going to be dropped while he's at

35

00:01:36,630 --> 00:01:33,280

the g7 it's not going to be dropped

36

00:01:37,190 --> 00:01:36,640

while he's meeting with putin so we're

37

00:01:39,590 --> 00:01:37,200

looking at

38

00:01:40,870 --> 00:01:39,600

tim being meeting with putin next

39

00:01:42,789 --> 00:01:40,880

wednesday

40

00:01:44,789 --> 00:01:42,799

so you know then he's got to come back

41

00:01:46,230 --> 00:01:44,799

he's probably got his older guy he's got

42

00:01:48,149 --> 00:01:46,240

to rest up a little bit

43

00:01:50,069 --> 00:01:48,159

so i i don't expect it to come out at

44

00:01:50,950 --> 00:01:50,079

all i'd be shocked if it came out at all

45

00:01:53,270 --> 00:01:50,960

next week

46

00:01:54,149 --> 00:01:53,280

and really the week after that is the

47

00:01:57,350 --> 00:01:54,159

week that

48

00:02:00,389 --> 00:01:57,360

is the deadline uh the week ending

49

00:02:03,510 --> 00:02:00,399

on friday the 25th that's your deadline

50

00:02:05,510 --> 00:02:03,520

so uh will we see it that week well

51
00:02:08,070 --> 00:02:05,520
uh there's a couple reasons that i think

52
00:02:11,190 --> 00:02:08,080
we will number one it's the deadline

53
00:02:11,589 --> 00:02:11,200
now marco rubio has in the past said

54
00:02:13,589 --> 00:02:11,599
that

55
00:02:15,350 --> 00:02:13,599
these types of reports they're often

56
00:02:17,670 --> 00:02:15,360
delayed uh they're often

57
00:02:19,430 --> 00:02:17,680
not on time so it's no big deal he said

58
00:02:20,309 --> 00:02:19,440
that in one of the early interviews that

59
00:02:22,470 --> 00:02:20,319
he gave

60
00:02:23,990 --> 00:02:22,480
well this report's a little bit

61
00:02:26,070 --> 00:02:24,000
different number one

62
00:02:27,510 --> 00:02:26,080
it's already gotten uh some significant

63
00:02:29,750 --> 00:02:27,520

media attention

64

00:02:31,670 --> 00:02:29,760

so uh i don't think they'll want to

65

00:02:34,070 --> 00:02:31,680

delay this report really

66

00:02:34,869 --> 00:02:34,080

also the new york times leakage of some

67

00:02:37,270 --> 00:02:34,879

details

68

00:02:38,550 --> 00:02:37,280

that the basically uh the reports it

69

00:02:39,270 --> 00:02:38,560

sounds like it's pretty well done they

70

00:02:41,509 --> 00:02:39,280

might have to

71

00:02:42,470 --> 00:02:41,519

uh do some edits uh change some things

72

00:02:45,030 --> 00:02:42,480

here and there

73

00:02:46,869 --> 00:02:45,040

but i think uh the uh the the body the

74

00:02:49,350 --> 00:02:46,879

overwhelming majority of the report

75

00:02:51,589 --> 00:02:49,360

is finished and they just have to go

76
00:02:53,110 --> 00:02:51,599
through a few quick things it's probably

77
00:02:53,750 --> 00:02:53,120
finished right now that would be my

78
00:02:55,990 --> 00:02:53,760
guess

79
00:02:57,030 --> 00:02:56,000
and that they're just waiting for the uh

80
00:02:59,350 --> 00:02:57,040
the best moment

81
00:03:00,070 --> 00:02:59,360
uh as far as they're concerned uh when

82
00:03:02,470 --> 00:03:00,080
it's most

83
00:03:04,390 --> 00:03:02,480
advantageous to them uh to get it out

84
00:03:05,910 --> 00:03:04,400
there and like i said i don't think

85
00:03:08,309 --> 00:03:05,920
uh for the reasons that i already

86
00:03:10,309 --> 00:03:08,319
discussed with biden you know uh his

87
00:03:12,710 --> 00:03:10,319
first trip overseas he's a

88
00:03:13,350 --> 00:03:12,720

uh first g7 summit for a summit with

89

00:03:15,430 --> 00:03:13,360

putin

90

00:03:17,110 --> 00:03:15,440

uh and he's gonna have to come back the

91

00:03:18,869 --> 00:03:17,120

17th

92

00:03:20,869 --> 00:03:18,879

and he's going to want to bask in the

93

00:03:21,830 --> 00:03:20,879

the glory of his being a world leader

94

00:03:25,110 --> 00:03:21,840

for a little bit

95

00:03:25,910 --> 00:03:25,120

so i don't think that we'll see it next

96

00:03:29,509 --> 00:03:25,920

week

97

00:03:29,990 --> 00:03:29,519

21st actually i think it'll just come

98

00:03:31,910 --> 00:03:30,000

out

99

00:03:33,430 --> 00:03:31,920

right on time you know that's what i'm

100

00:03:34,070 --> 00:03:33,440

thinking right now it'll come out on

101

00:03:36,710 --> 00:03:34,080

time

102

00:03:38,390 --> 00:03:36,720

uh the the day is the 25th so it might

103

00:03:40,470 --> 00:03:38,400

come out a day early might come out

104

00:03:41,589 --> 00:03:40,480

a couple days early but i think they'll

105

00:03:44,869 --> 00:03:41,599

get it out then

106

00:03:45,990 --> 00:03:44,879

uh the reason why again i don't think

107

00:03:48,070 --> 00:03:46,000

it'll be delayed

108

00:03:49,990 --> 00:03:48,080

okay you're looking at the next week is

109

00:03:51,190 --> 00:03:50,000

a holiday week it's a fourth of july

110

00:03:53,350 --> 00:03:51,200

weekend coming up

111

00:03:55,670 --> 00:03:53,360

so i don't i don't think i don't think

112

00:03:56,309 --> 00:03:55,680

they'll release this ufo stink bomb

113

00:03:59,670 --> 00:03:56,319

report

114

00:04:01,589 --> 00:03:59,680

on uh the fourth of july weekend and

115

00:04:03,110 --> 00:04:01,599

they can't hold it too much because the

116

00:04:03,830 --> 00:04:03,120

press is starting to pressure them a

117

00:04:08,229 --> 00:04:03,840

little bit

118

00:04:11,030 --> 00:04:08,239

report's release

119

00:04:11,990 --> 00:04:11,040

so it's got to come out eventually

120

00:04:14,149 --> 00:04:12,000

they'll pick

121

00:04:15,190 --> 00:04:14,159

what they think is the most opportune

122

00:04:17,189 --> 00:04:15,200

time to do it

123

00:04:18,390 --> 00:04:17,199

and my thinking is it that worked out

124

00:04:21,509 --> 00:04:18,400

pretty nicely that the

125

00:04:25,270 --> 00:04:21,519

uh the 180 days uh is up

126

00:04:26,550 --> 00:04:25,280

uh uh the this uh this next coming week

127

00:04:28,550 --> 00:04:26,560

so i think

128

00:04:29,830 --> 00:04:28,560

i i think that it'll come out on time

129

00:04:30,390 --> 00:04:29,840

that's what i'm thinking i could be

130

00:04:32,550 --> 00:04:30,400

wrong

131

00:04:33,510 --> 00:04:32,560

again i'm not predicting i predict i'd

132

00:04:35,909 --> 00:04:33,520

be shocked

133

00:04:38,070 --> 00:04:35,919

if it comes out at all next week and

134

00:04:38,790 --> 00:04:38,080

then the week after they start delaying

135

00:04:41,110 --> 00:04:38,800

things and

136

00:04:41,990 --> 00:04:41,120

get it into the holiday and then they're

137

00:04:43,590 --> 00:04:42,000

looking at a

138

00:04:45,189 --> 00:04:43,600

if they wait past the holiday they're

139

00:04:48,070 --> 00:04:45,199

looking at what

140

00:04:49,749 --> 00:04:48,080

a 10-day two-week or maybe longer delay

141

00:04:50,790 --> 00:04:49,759

and that's just going to ratchet up the

142

00:04:52,950 --> 00:04:50,800

attention

143

00:04:55,270 --> 00:04:52,960

that i don't think that these guys want

144

00:04:57,590 --> 00:04:55,280

and again i'll go into more details

145

00:04:59,749 --> 00:04:57,600

about why that is as it comes out so

146

00:05:00,230 --> 00:04:59,759

yeah i i do think that that's what we

147

00:05:02,710 --> 00:05:00,240

have

148

00:05:04,310 --> 00:05:02,720

coming i think it'll be if i had to put

149

00:05:07,670 --> 00:05:04,320

a dollar on it i would bet

150

00:05:09,189 --> 00:05:07,680

on time not early and not too late for

151

00:05:11,350 --> 00:05:09,199

the reasons that i outlined it seems

152

00:05:13,270 --> 00:05:11,360

like that's a nice little window there

153

00:05:14,550 --> 00:05:13,280

that week ending in the 25th that's a

154

00:05:16,629 --> 00:05:14,560

nice little window

155

00:05:18,230 --> 00:05:16,639

for them to finally get this thing out

156

00:05:21,110 --> 00:05:18,240

and uh you know

157

00:05:22,070 --> 00:05:21,120

they got to release the stink bomb and i

158

00:05:23,510 --> 00:05:22,080

think

159

00:05:25,749 --> 00:05:23,520

it's looking to me like uh that's the

160

00:05:28,390 --> 00:05:25,759

best opportunity for them to do it

161

00:05:29,189 --> 00:05:28,400

so uh there's that and then we've also

162

00:05:31,510 --> 00:05:29,199

got uh

163

00:05:33,909 --> 00:05:31,520

talking a little bit more uh detail

164

00:05:36,950 --> 00:05:33,919

about the content so we know that there

165

00:05:39,990 --> 00:05:36,960

uh 120 cases uh they're

166

00:05:42,790 --> 00:05:40,000

give or take are going to be covered in

167

00:05:44,710 --> 00:05:42,800

the report and mostly apparently they're

168

00:05:45,430 --> 00:05:44,720

from the navy based on the new york

169

00:05:48,469 --> 00:05:45,440

times

170

00:05:53,110 --> 00:05:48,479

uh reporting uh from a week or so ago

171

00:05:56,230 --> 00:05:53,120

and we'll see how that goes but again

172

00:05:58,390 --> 00:05:56,240

you know rubio had stated a while back

173

00:06:01,510 --> 00:05:58,400

that he wants to know what they are

174

00:06:03,270 --> 00:06:01,520

and i want to know what happened at

175

00:06:03,749 --> 00:06:03,280

stephenville i want to know what that

176

00:06:05,830 --> 00:06:03,759

was

177

00:06:08,150 --> 00:06:05,840

it'll be very interesting to see the

178

00:06:09,350 --> 00:06:08,160

level of the air force contribution to

179

00:06:12,390 --> 00:06:09,360

this report

180

00:06:12,790 --> 00:06:12,400

in general and specifically will that

181

00:06:16,469 --> 00:06:12,800

case

182

00:06:18,309 --> 00:06:16,479

even be mentioned as i've gone over here

183

00:06:19,590 --> 00:06:18,319

on this show at infinitum i don't want

184

00:06:21,670 --> 00:06:19,600

to repeat uh

185

00:06:23,590 --> 00:06:21,680

repeat it all all over again but

186

00:06:26,550 --> 00:06:23,600

basically you've got confirmed

187

00:06:26,950 --> 00:06:26,560

uh several ground witnesses uh seeing

188

00:06:29,189 --> 00:06:26,960

this

189

00:06:31,270 --> 00:06:29,199

very unusual ufo in the stephenville

190

00:06:35,909 --> 00:06:31,280

erath county texas area

191

00:06:39,270 --> 00:06:35,919

back in 2008 a radar report foyed out

192

00:06:40,950 --> 00:06:39,280

that indicates a fast-moving 1900 to

193

00:06:44,309 --> 00:06:40,960

2000 mile an hour

194

00:06:45,830 --> 00:06:44,319

ufo traveling over that area with a size

195

00:06:48,629 --> 00:06:45,840

estimated

196

00:06:50,070 --> 00:06:48,639

at a minimum based on the the radar uh

197

00:06:53,270 --> 00:06:50,080

reports of a

198

00:06:55,110 --> 00:06:53,280

500 feet uh follow-up from the a-tip

199

00:06:57,110 --> 00:06:55,120

program when it was operational they

200

00:07:00,790 --> 00:06:57,120

were able to track down the identity

201
00:07:04,070 --> 00:07:00,800
of two pilots to f-16 air force pilots

202
00:07:06,550 --> 00:07:04,080
who chased this particular object and

203
00:07:07,749 --> 00:07:06,560
uh the the pilots gave them the brush

204
00:07:10,070 --> 00:07:07,759
they stonewalled them

205
00:07:11,430 --> 00:07:10,080
they would not talk to atip because they

206
00:07:13,990 --> 00:07:11,440
said that they had signed

207
00:07:14,870 --> 00:07:14,000
uh non-disclosure agreements with who we

208
00:07:17,909 --> 00:07:14,880
don't know

209
00:07:19,589 --> 00:07:17,919
uh and what what they encountered we

210
00:07:21,510 --> 00:07:19,599
don't know but we want to know

211
00:07:22,950 --> 00:07:21,520
i don't want to know what they are i

212
00:07:25,830 --> 00:07:22,960
want to know what that was

213
00:07:26,469 --> 00:07:25,840

so that's that and let's uh let's move

214

00:07:29,830 --> 00:07:26,479

forward

215

00:07:31,110 --> 00:07:29,840

to our next topic so within the last

216

00:07:33,830 --> 00:07:31,120

week or so sam

217

00:07:34,230 --> 00:07:33,840

harris who's uh regarded as uh something

218

00:07:36,629 --> 00:07:34,240

of a

219

00:07:37,909 --> 00:07:36,639

an intellectual in some circles has

220

00:07:40,870 --> 00:07:37,919

started talking in

221

00:07:41,830 --> 00:07:40,880

uh detail about the ufos and what he was

222

00:07:45,110 --> 00:07:41,840

thinking about it

223

00:07:45,510 --> 00:07:45,120

and he seems to be a rather convinced

224

00:07:47,749 --> 00:07:45,520

that

225

00:07:48,950 --> 00:07:47,759

we are are actually on the verge of some

226

00:07:51,029 --> 00:07:48,960

sort of disclosure

227

00:07:52,710 --> 00:07:51,039

uh you know i hope he's right about that

228

00:07:54,070 --> 00:07:52,720

he does seem to be wrong about a few

229

00:07:57,189 --> 00:07:54,080

things he's uh

230

00:07:59,189 --> 00:07:57,199

you know an atheist who argues with

231

00:08:01,029 --> 00:07:59,199

uh various religious folks about their

232

00:08:02,070 --> 00:08:01,039

religion and that points out to how

233

00:08:05,029 --> 00:08:02,080

terrible they are

234

00:08:06,390 --> 00:08:05,039

uh christianity islam and all that uh

235

00:08:07,909 --> 00:08:06,400

you know

236

00:08:09,510 --> 00:08:07,919

basically uh that was the sort of thing

237

00:08:12,070 --> 00:08:09,520

i was doing when i was 12

238

00:08:13,909 --> 00:08:12,080

you know so now so now i'm on this so uh

239

00:08:16,790 --> 00:08:13,919

what are you going to do about that

240

00:08:18,550 --> 00:08:16,800

but anyway he has made some interesting

241

00:08:20,869 --> 00:08:18,560

comments apparently he has been

242

00:08:22,869 --> 00:08:20,879

reached out to he has a big following

243

00:08:24,309 --> 00:08:22,879

and uh they think that

244

00:08:26,390 --> 00:08:24,319

apparently some people are reaching out

245

00:08:28,070 --> 00:08:26,400

to him who are a little bit more clued

246

00:08:31,589 --> 00:08:28,080

in about the ufo stuff

247

00:08:33,350 --> 00:08:31,599

and uh trying to persuade him not to be

248

00:08:36,070 --> 00:08:33,360

something of a thought leader on this

249

00:08:37,509 --> 00:08:36,080

issue apparently so let's go to uh some

250

00:08:40,630 --> 00:08:37,519

of sam's comments

251
00:08:42,310 --> 00:08:40,640
and we've got those uh lined up here and

252
00:08:43,110 --> 00:08:42,320
uh let's uh let's give a listen to what

253
00:08:45,430 --> 00:08:43,120
uh sam is

254
00:08:47,590 --> 00:08:45,440
saying about ufo stuff there's no

255
00:08:49,750 --> 00:08:47,600
telling

256
00:08:50,550 --> 00:08:49,760
what spooky things may in fact be true i

257
00:08:51,670 --> 00:08:50,560
don't know if you've been on the

258
00:08:54,630 --> 00:08:51,680
receiving end of

259
00:08:56,630 --> 00:08:54,640
you know recent rumors about our

260
00:08:58,630 --> 00:08:56,640
conversation about ufos

261
00:09:00,070 --> 00:08:58,640
very likely changing in the near term

262
00:09:01,350 --> 00:09:00,080
right but like there was just a

263
00:09:03,750 --> 00:09:01,360

washington post article

264

00:09:05,910 --> 00:09:03,760

and a new yorker article and you know

265

00:09:07,190 --> 00:09:05,920

i've received some private outreach and

266

00:09:11,190 --> 00:09:07,200

perhaps you have i

267

00:09:13,190 --> 00:09:11,200

know other people in our our orbit have

268

00:09:15,030 --> 00:09:13,200

people who are claiming that the

269

00:09:15,910 --> 00:09:15,040

government has known much more about

270

00:09:19,190 --> 00:09:15,920

ufos

271

00:09:21,110 --> 00:09:19,200

than they have led on until now and

272

00:09:22,389 --> 00:09:21,120

this conversation is actually is about

273

00:09:25,829 --> 00:09:22,399

to become more prominent

274

00:09:28,230 --> 00:09:25,839

you know and it's it's not going to be

275

00:09:29,829 --> 00:09:28,240

whatever you know whoever's left

276

00:09:33,590 --> 00:09:29,839

standing when the music stops

277

00:09:37,750 --> 00:09:33,600

it's not going to be a comfortable

278

00:09:40,630 --> 00:09:37,760

position to be in as a

279

00:09:41,910 --> 00:09:40,640

super rigorous scientific skeptic saying

280

00:09:42,870 --> 00:09:41,920

there's no there who's been saying

281

00:09:45,430 --> 00:09:42,880

there's no there there

282

00:09:46,870 --> 00:09:45,440

for the last well let's uh let's stop

283

00:09:47,430 --> 00:09:46,880

that right there because i think that

284

00:09:49,910 --> 00:09:47,440

that's a

285

00:09:50,949 --> 00:09:49,920

a rather telling comment or rather

286

00:09:54,630 --> 00:09:50,959

interesting

287

00:09:56,630 --> 00:09:54,640

because what harris seems to be saying

288

00:09:58,550 --> 00:09:56,640

here and i might be wrong about this but

289

00:10:00,870 --> 00:09:58,560

what harris seems to be saying here is

290

00:10:02,870 --> 00:10:00,880

uh the biggest problem with disclosure

291

00:10:04,310 --> 00:10:02,880

is that a lot of the intelligentsia a

292

00:10:06,310 --> 00:10:04,320

lot of scientists

293

00:10:08,389 --> 00:10:06,320

a lot of quote unquote intelligent

294

00:10:08,870 --> 00:10:08,399

people are going to look stupid with all

295

00:10:18,630 --> 00:10:08,880

that

296

00:10:20,710 --> 00:10:18,640

it's always nice to see a lot of uh

297

00:10:21,269 --> 00:10:20,720

pompous full of themselves intellectual

298

00:10:24,550 --> 00:10:21,279

types

299

00:10:26,150 --> 00:10:24,560

uh get uh get deflated so if that's

300

00:10:27,910 --> 00:10:26,160

if that's the biggest problem with

301
00:10:30,470 --> 00:10:27,920
disclosure

302
00:10:31,269 --> 00:10:30,480
disclose baby because again it's icing

303
00:10:33,350 --> 00:10:31,279
on the cake

304
00:10:34,790 --> 00:10:33,360
not a problem but uh let's let's keep

305
00:10:35,910 --> 00:10:34,800
going and listen to the rest of what he

306
00:10:38,230 --> 00:10:35,920
has to say here

307
00:10:39,829 --> 00:10:38,240
it's 75 years all right you know like

308
00:10:45,350 --> 00:10:39,839
like

309
00:10:46,310 --> 00:10:45,360
the office of naval intelligence and the

310
00:10:49,110 --> 00:10:46,320
pentagon

311
00:10:50,710 --> 00:10:49,120
are very likely to say to congress at

312
00:10:51,910 --> 00:10:50,720
some point in the not too distant future

313
00:10:55,910 --> 00:10:51,920

that

314

00:11:00,150 --> 00:10:55,920

technology flying around

315

00:11:02,870 --> 00:11:00,160

here that seems like it can't possibly

316

00:11:04,310 --> 00:11:02,880

possibly be of human origin right now i

317

00:11:05,990 --> 00:11:04,320

don't know what i'm gonna do with that

318

00:11:07,030 --> 00:11:06,000

kind of disclosure right maybe it's just

319

00:11:11,910 --> 00:11:07,040

it's gonna

320

00:11:14,949 --> 00:11:11,920

conversation to really have but

321

00:11:17,430 --> 00:11:14,959

that is such a powerfully strange

322

00:11:18,310 --> 00:11:17,440

circumstance to be in right i mean it's

323

00:11:19,670 --> 00:11:18,320

just

324

00:11:22,310 --> 00:11:19,680

what are we going to do with that if in

325

00:11:25,670 --> 00:11:22,320

fact that's what happens right

326

00:11:27,990 --> 00:11:25,680

if in fact the the considered opinion

327

00:11:28,949 --> 00:11:28,000

despite the the embarrassment it causes

328

00:11:32,470 --> 00:11:28,959

them

329

00:11:33,590 --> 00:11:32,480

of that's that he does make an

330

00:11:35,430 --> 00:11:33,600

interesting point there the

331

00:11:39,110 --> 00:11:35,440

embarrassment that it causes them

332

00:11:40,870 --> 00:11:39,120

uh i'm going to get into more of that

333

00:11:42,710 --> 00:11:40,880

later in the show but let's continue on

334

00:11:44,550 --> 00:11:42,720

with sam the u.s

335

00:11:46,550 --> 00:11:44,560

government of all of our intelligence

336

00:11:50,150 --> 00:11:46,560

all the relevant intelligence services

337

00:11:51,990 --> 00:11:50,160

is that this isn't a hoax

338

00:11:53,509 --> 00:11:52,000

it's too there's too much data to

339

00:11:53,910 --> 00:11:53,519

suggest that it's a hoax we've got too

340

00:11:58,470 --> 00:11:53,920

much

341

00:12:00,310 --> 00:11:58,480

satellite data whatever data whatever

342

00:12:01,590 --> 00:12:00,320

data they actually have there's too much

343

00:12:04,310 --> 00:12:01,600

of it

344

00:12:04,790 --> 00:12:04,320

all we can say now is something's going

345

00:12:08,949 --> 00:12:04,800

on

346

00:12:10,710 --> 00:12:08,959

and there's no way it's the chinese or

347

00:12:15,110 --> 00:12:10,720

the russians or

348

00:12:17,190 --> 00:12:15,120

anyone else's technology that should

349

00:12:18,470 --> 00:12:17,200

that should arrest our attention you

350

00:12:20,790 --> 00:12:18,480

know collectively

351
00:12:22,550 --> 00:12:20,800
to to a degree that nothing in our

352
00:12:24,389 --> 00:12:22,560
lifetime has and now

353
00:12:26,230 --> 00:12:24,399
the other shoe hasn't quite dropped here

354
00:12:28,550 --> 00:12:26,240
but there was recently a

355
00:12:29,750 --> 00:12:28,560
an article in the in the washington post

356
00:12:32,150 --> 00:12:29,760
this may have been covered

357
00:12:32,870 --> 00:12:32,160
many other places but i saw it there

358
00:12:34,310 --> 00:12:32,880
that the

359
00:12:37,590 --> 00:12:34,320
office of naval intelligence and the

360
00:12:40,710 --> 00:12:37,600
pentagon are scheduled to brief

361
00:12:44,790 --> 00:12:40,720
congress about the wealth of data

362
00:12:47,110 --> 00:12:44,800
the government has on ufos all right

363
00:12:48,150 --> 00:12:47,120

okay this is uh from a second show where

364

00:12:50,069 --> 00:12:48,160

is talking about this

365

00:12:51,190 --> 00:12:50,079

i guess this is his own show where he's

366

00:12:53,990 --> 00:12:51,200

talking about this

367

00:12:54,790 --> 00:12:54,000

uh the first part of the interview or

368

00:12:56,710 --> 00:12:54,800

the first

369

00:12:58,230 --> 00:12:56,720

interview was with lex friedman this is

370

00:13:01,670 --> 00:12:58,240

from his own show

371

00:13:03,670 --> 00:13:01,680

where uh he i guess he co-hosts with

372

00:13:05,190 --> 00:13:03,680

one of the unfunniest people on planet

373

00:13:06,949 --> 00:13:05,200

earth ricky gervais so

374

00:13:08,470 --> 00:13:06,959

let's uh let's listen into what he has

375

00:13:11,030 --> 00:13:08,480

to say here and stuff

376

00:13:12,629 --> 00:13:11,040

leaked or was leaked purposely during

377

00:13:14,629 --> 00:13:12,639

this last year

378

00:13:16,629 --> 00:13:14,639

and got surprisingly little attention

379

00:13:18,550 --> 00:13:16,639

but the rumors that i've heard

380

00:13:19,670 --> 00:13:18,560

and again this is still just in the in

381

00:13:21,590 --> 00:13:19,680

the mode of rumors

382

00:13:23,509 --> 00:13:21,600

but perhaps soon to be confirmed is that

383

00:13:24,790 --> 00:13:23,519

the our intelligence services and the

384

00:13:28,470 --> 00:13:24,800

pentagon

385

00:13:30,389 --> 00:13:28,480

are going to tell congress that

386

00:13:32,150 --> 00:13:30,399

this is real right this is a real

387

00:13:33,110 --> 00:13:32,160

phenomenon right this is not it's not

388

00:13:36,069 --> 00:13:33,120

that

389

00:13:37,110 --> 00:13:36,079

ufos have been explained to the

390

00:13:39,509 --> 00:13:37,120

satisfaction

391

00:13:41,430 --> 00:13:39,519

of the government on the contrary they'd

392

00:13:45,430 --> 00:13:41,440

have to change their name

393

00:13:48,629 --> 00:13:45,440

they have seen that there's technology

394

00:13:50,389 --> 00:13:48,639

that really can't be of human origin

395

00:13:51,990 --> 00:13:50,399

right they don't think this is the

396

00:13:52,790 --> 00:13:52,000

chinese or the north koreans or some

397

00:13:54,870 --> 00:13:52,800

other

398

00:13:56,790 --> 00:13:54,880

part of human society producing

399

00:13:57,910 --> 00:13:56,800

technology that is strange and they

400

00:14:00,710 --> 00:13:57,920

can't write it off

401
00:14:02,550 --> 00:14:00,720
as anomalies of perception and there's

402
00:14:04,069 --> 00:14:02,560
just just too much radar

403
00:14:05,430 --> 00:14:04,079
data there's too much satellite imagery

404
00:14:06,870 --> 00:14:05,440
at this point and the stuff they're

405
00:14:08,710 --> 00:14:06,880
sitting on that's top secret

406
00:14:10,310 --> 00:14:08,720
is much better than anything that's been

407
00:14:11,509 --> 00:14:10,320
leaked out this is probably premature to

408
00:14:12,790 --> 00:14:11,519
even talk about this but you know i have

409
00:14:14,710 --> 00:14:12,800
someone reached out to me

410
00:14:16,550 --> 00:14:14,720
and has assured me that you know i'm

411
00:14:18,790 --> 00:14:16,560
going to be on a zoom call with

412
00:14:19,829 --> 00:14:18,800
you know former heads of you know the

413
00:14:21,430 --> 00:14:19,839

cia and

414

00:14:22,870 --> 00:14:21,440

office of naval research and with people

415

00:14:25,189 --> 00:14:22,880

you know whose

416

00:14:26,790 --> 00:14:25,199

bonafides are very easy to track and

417

00:14:27,509 --> 00:14:26,800

they're they're concerned about the

418

00:14:29,829 --> 00:14:27,519

messaging

419

00:14:30,710 --> 00:14:29,839

around all of this to the public and

420

00:14:33,030 --> 00:14:30,720

dampening down

421

00:14:34,629 --> 00:14:33,040

panic and and conspiracy theories and

422

00:14:37,350 --> 00:14:34,639

but the

423

00:14:38,150 --> 00:14:37,360

well i'm gonna jump in here and say i

424

00:14:40,389 --> 00:14:38,160

don't doubt

425

00:14:42,470 --> 00:14:40,399

for a second that uh somebody reached

426

00:14:45,910 --> 00:14:42,480

out to sam and told him that

427

00:14:47,110 --> 00:14:45,920

uh i'm not sure about this zoom call

428

00:14:50,629 --> 00:14:47,120

with former intel

429

00:14:53,110 --> 00:14:50,639

chiefs uh somebody might be pulling his

430

00:14:55,189 --> 00:14:53,120

leg a little bit here maybe not uh maybe

431

00:14:56,550 --> 00:14:55,199

he he got the straight dope we'll get

432

00:14:57,430 --> 00:14:56,560

into a little bit more of that in the

433

00:14:59,509 --> 00:14:57,440

next segment but

434

00:15:00,710 --> 00:14:59,519

let's keep going with sam what is being

435

00:15:03,990 --> 00:15:00,720

promised here

436

00:15:05,750 --> 00:15:04,000

is a disclosure that is frankly

437

00:15:07,030 --> 00:15:05,760

either the most alarming or the most

438

00:15:09,829 --> 00:15:07,040

interesting thing in the world

439

00:15:10,150 --> 00:15:09,839

depending on your how you take it but

440

00:15:13,829 --> 00:15:10,160

it's

441

00:15:15,030 --> 00:15:13,839

not a representation of the facts that

442

00:15:18,150 --> 00:15:15,040

will give

443

00:15:18,710 --> 00:15:18,160

scientific skeptics any comfort and

444

00:15:20,949 --> 00:15:18,720

that's just

445

00:15:22,629 --> 00:15:20,959

you know we're faced with the prospect

446

00:15:24,150 --> 00:15:22,639

of having to apologize

447

00:15:26,310 --> 00:15:24,160

to the people we've been laughing at for

448

00:15:28,550 --> 00:15:26,320

the last 50 years who

449

00:15:29,430 --> 00:15:28,560

well there we go and uh yeah apology

450

00:15:31,749 --> 00:15:29,440

accepted sam

451
00:15:33,030 --> 00:15:31,759
no problem there you know yeah we were

452
00:15:35,749 --> 00:15:33,040
ahead of the curve on this

453
00:15:36,550 --> 00:15:35,759
uh sorry about that uh everybody who

454
00:15:38,550 --> 00:15:36,560
made fun of

455
00:15:39,990 --> 00:15:38,560
people who were into ufos or dismissed

456
00:15:40,949 --> 00:15:40,000
it out of hand or didn't pay any

457
00:15:42,710 --> 00:15:40,959
attention to it

458
00:15:45,030 --> 00:15:42,720
ah you had your chance so what can i

459
00:15:47,269 --> 00:15:45,040
tell you but that's uh basically

460
00:15:49,110 --> 00:15:47,279
uh those are those are sam's comments

461
00:15:49,670 --> 00:15:49,120
again he's got kind of a controversial

462
00:15:51,910 --> 00:15:49,680
guy

463
00:15:53,189 --> 00:15:51,920

i don't uh i don't really have any

464

00:15:54,870 --> 00:15:53,199

problem with what he's saying here i

465

00:15:56,150 --> 00:15:54,880

thought like i said about that zoom call

466

00:15:57,910 --> 00:15:56,160

i think somebody might be

467

00:16:00,069 --> 00:15:57,920

uh pulling his leg maybe not but at

468

00:16:03,430 --> 00:16:00,079

least i hold that out as a possibility

469

00:16:04,710 --> 00:16:03,440

and generally speaking uh his comments

470

00:16:07,670 --> 00:16:04,720

on ufos are

471

00:16:08,150 --> 00:16:07,680

uh okay except for the part that i think

472

00:16:11,350 --> 00:16:08,160

he

473

00:16:13,110 --> 00:16:11,360

uh betrays a truly elitist attitude uh

474

00:16:13,590 --> 00:16:13,120

by saying uh the biggest problem with

475

00:16:15,590 --> 00:16:13,600

all this

476

00:16:17,430 --> 00:16:15,600

is uh that uh some smart people are

477

00:16:20,389 --> 00:16:17,440

going to get embarrassed well

478

00:16:21,430 --> 00:16:20,399

boo hoo and uh there's another fellow

479

00:16:23,269 --> 00:16:21,440

who

480

00:16:25,590 --> 00:16:23,279

runs around in these intellectual

481

00:16:28,790 --> 00:16:25,600

circles named eric weinstein

482

00:16:29,430 --> 00:16:28,800

and he is spending most of his time on

483

00:16:31,110 --> 00:16:29,440

twitter

484

00:16:32,870 --> 00:16:31,120

really engaging people pretty

485

00:16:36,310 --> 00:16:32,880

aggressively

486

00:16:36,790 --> 00:16:36,320

he is a mathematician and uh runs uh

487

00:16:39,430 --> 00:16:36,800

field

488

00:16:41,350 --> 00:16:39,440

capital a an investment firm as the

489

00:16:42,069 --> 00:16:41,360

managing director of that and he's also

490

00:16:43,829 --> 00:16:42,079

uh

491

00:16:45,829 --> 00:16:43,839

you know one of these online guys

492

00:16:46,310 --> 00:16:45,839

thought influencers and so on and so

493

00:16:48,470 --> 00:16:46,320

forth

494

00:16:50,550 --> 00:16:48,480

uh so uh he's another one of these guys

495

00:16:52,629 --> 00:16:50,560

a sort of

496

00:16:54,470 --> 00:16:52,639

gravitate around the roughly the circle

497

00:16:55,670 --> 00:16:54,480

the jordan peterson types the ben

498

00:16:58,629 --> 00:16:55,680

shapiro types

499

00:16:59,829 --> 00:16:58,639

uh intellectuals who uh maybe uh lean a

500

00:17:02,230 --> 00:16:59,839

little bit to the right

501
00:17:03,990 --> 00:17:02,240
uh in terms of a lot of their attitudes

502
00:17:06,710 --> 00:17:04,000
uh but uh by and large

503
00:17:07,350 --> 00:17:06,720
uh yeah you know hey uh if you want to

504
00:17:09,110 --> 00:17:07,360
jump in

505
00:17:11,029 --> 00:17:09,120
you're more than welcome to do it uh to

506
00:17:13,110 --> 00:17:11,039
be honest with you just having a

507
00:17:15,110 --> 00:17:13,120
a big audience isn't that big a deal to

508
00:17:17,429 --> 00:17:15,120
tell you the truth uh

509
00:17:18,549 --> 00:17:17,439
demi lovato has a big audience too and

510
00:17:20,870 --> 00:17:18,559
uh you know i certainly

511
00:17:23,029 --> 00:17:20,880
will welcome my welcome her and as some

512
00:17:24,870 --> 00:17:23,039
of her ideas about society

513
00:17:26,230 --> 00:17:24,880

in general seem a little bit better than

514

00:17:28,549 --> 00:17:26,240

at least harris's uh

515

00:17:30,789 --> 00:17:28,559

in terms of her support for uh gay

516

00:17:33,830 --> 00:17:30,799

rights and anti-bullying and her

517

00:17:34,710 --> 00:17:33,840

uh contributions to uh various worthy

518

00:17:37,270 --> 00:17:34,720

causes

519

00:17:39,029 --> 00:17:37,280

i hold her at least as a person in a

520

00:17:41,590 --> 00:17:39,039

little bit higher regard than i do

521

00:17:42,549 --> 00:17:41,600

uh harris uh uh but uh you know hey

522

00:17:44,549 --> 00:17:42,559

welcome aboard

523

00:17:46,470 --> 00:17:44,559

that's all i can say about that and uh

524

00:17:48,630 --> 00:17:46,480

let's uh get to our final topic of the

525

00:17:50,390 --> 00:17:48,640

day

526
00:17:51,830 --> 00:17:50,400
uh one of the interesting things and one

527
00:17:55,190 --> 00:17:51,840
of the great things about

528
00:17:58,630 --> 00:17:55,200
being a ufo uh researcher is

529
00:17:59,669 --> 00:17:58,640
that lots of different people from lots

530
00:18:02,390 --> 00:17:59,679
of different

531
00:18:03,590 --> 00:18:02,400
professional backgrounds are getting to

532
00:18:06,230 --> 00:18:03,600
the point where

533
00:18:07,190 --> 00:18:06,240
they're talking credibly about ufos and

534
00:18:08,390 --> 00:18:07,200
it's interesting to get their

535
00:18:10,710 --> 00:18:08,400
perspective

536
00:18:11,830 --> 00:18:10,720
and this bring their skill sets to the

537
00:18:14,549 --> 00:18:11,840
table and

538
00:18:15,830 --> 00:18:14,559

offer up their interpretations i don't

539

00:18:17,590 --> 00:18:15,840

agree with all of them

540

00:18:19,110 --> 00:18:17,600

but this one in particular was pretty

541

00:18:22,630 --> 00:18:19,120

interesting now

542

00:18:26,230 --> 00:18:22,640

uh within the past week

543

00:18:28,710 --> 00:18:26,240

this link to this youtube video was

544

00:18:29,590 --> 00:18:28,720

posted in one of the ufo groups over at

545

00:18:31,830 --> 00:18:29,600

facebook

546

00:18:33,510 --> 00:18:31,840

and initially i was very skeptical it's

547

00:18:36,710 --> 00:18:33,520

a by a group of

548

00:18:39,669 --> 00:18:36,720

former uh government uh intel

549

00:18:41,270 --> 00:18:39,679

analysts who focus on body language and

550

00:18:43,029 --> 00:18:41,280

they've got a pretty good following at

551
00:18:43,750 --> 00:18:43,039
youtube i've never heard of the guys

552
00:18:45,590 --> 00:18:43,760
before

553
00:18:46,870 --> 00:18:45,600
but they've got a good following over

554
00:18:48,950 --> 00:18:46,880
there and it's

555
00:18:50,710 --> 00:18:48,960
four of them and basically what they do

556
00:18:51,510 --> 00:18:50,720
is they look at videos of people being

557
00:18:54,310 --> 00:18:51,520
interviewed

558
00:18:54,950 --> 00:18:54,320
and they analyze their body language now

559
00:18:56,789 --> 00:18:54,960
i've

560
00:18:58,470 --> 00:18:56,799
always been a little skeptical i'm

561
00:18:59,909 --> 00:18:58,480
actually skeptical about most things i

562
00:19:02,630 --> 00:18:59,919
think uh perhaps because

563
00:19:03,510 --> 00:19:02,640

i'm a ufo buff that uh you wouldn't

564

00:19:05,590 --> 00:19:03,520

think that but

565

00:19:08,150 --> 00:19:05,600

actually i'm really skeptical i came

566

00:19:10,070 --> 00:19:08,160

into all this uh uh pretty skeptical but

567

00:19:11,830 --> 00:19:10,080

uh just uh the information that i was

568

00:19:12,950 --> 00:19:11,840

able to turn up satisfied me and the

569

00:19:16,310 --> 00:19:12,960

rest is history

570

00:19:18,870 --> 00:19:16,320

but as far as these guys go they are

571

00:19:19,909 --> 00:19:18,880

uh body language analysts among other

572

00:19:21,750 --> 00:19:19,919

things apparently

573

00:19:24,150 --> 00:19:21,760

but they also do this i've always been

574

00:19:24,950 --> 00:19:24,160

skeptical of this process it's hardly a

575

00:19:26,950 --> 00:19:24,960

science

576

00:19:29,029 --> 00:19:26,960

uh maybe a little bit of an art form

577

00:19:31,830 --> 00:19:29,039

just uh reading people

578

00:19:33,510 --> 00:19:31,840

but these guys did an entire video and

579

00:19:35,029 --> 00:19:33,520

it's a long one i'm obviously not gonna

580

00:19:37,430 --> 00:19:35,039

play the same thing i'm gonna

581

00:19:38,950 --> 00:19:37,440

post the link so if you want to you can

582

00:19:41,669 --> 00:19:38,960

go over but like i said

583

00:19:43,990 --> 00:19:41,679

i went in skeptical and the full video

584

00:19:46,630 --> 00:19:44,000

was an hour and 40 minutes long

585

00:19:47,669 --> 00:19:46,640

and i would uh i ended up watching the

586

00:19:49,430 --> 00:19:47,679

whole thing not

587

00:19:51,190 --> 00:19:49,440

not in one sitting i had to do this and

588

00:19:52,150 --> 00:19:51,200

do that so it took me a little while to

589

00:19:54,070 --> 00:19:52,160

get through the whole thing

590

00:19:55,590 --> 00:19:54,080

but actually i was pretty fascinated

591

00:19:58,789 --> 00:19:55,600

what they did

592

00:20:01,669 --> 00:19:58,799

was they took uh various interviews with

593

00:20:03,430 --> 00:20:01,679

uh key uh public figures are you talking

594

00:20:04,230 --> 00:20:03,440

about presidents you're talking about uh

595

00:20:07,590 --> 00:20:04,240

former

596

00:20:08,549 --> 00:20:07,600

uh directors of uh intel agencies those

597

00:20:10,950 --> 00:20:08,559

level guys

598

00:20:11,750 --> 00:20:10,960

and they took those interviews and

599

00:20:13,669 --> 00:20:11,760

basically

600

00:20:15,909 --> 00:20:13,679

went through each one they they played

601
00:20:17,590 --> 00:20:15,919
them and then they analyzed what the

602
00:20:19,750 --> 00:20:17,600
body language was saying

603
00:20:21,430 --> 00:20:19,760
so this is one this is an interview that

604
00:20:24,549 --> 00:20:21,440
was done on meet the press

605
00:20:25,110 --> 00:20:24,559
uh with leon panetta and uh he's a

606
00:20:28,149 --> 00:20:25,120
former

607
00:20:33,190 --> 00:20:28,159
and

608
00:20:35,350 --> 00:20:33,200
the reason i picked this one is

609
00:20:37,029 --> 00:20:35,360
basically uh because uh

610
00:20:39,270 --> 00:20:37,039
this is one that i missed it's uh one

611
00:20:42,230 --> 00:20:39,280
that we never got a chance to

612
00:20:43,909 --> 00:20:42,240
uh listen to and uh go back over and i

613
00:20:45,270 --> 00:20:43,919

have to tell you the comments from these

614

00:20:48,470 --> 00:20:45,280

guys are very telling

615

00:20:50,310 --> 00:20:48,480

and uh going forward i might i might

616

00:20:52,549 --> 00:20:50,320

learn a little bit about body language

617

00:20:53,590 --> 00:20:52,559

and do some body language reading myself

618

00:20:55,990 --> 00:20:53,600

i basically

619

00:20:58,230 --> 00:20:56,000

when we've uh played those videos of uh

620

00:21:00,230 --> 00:20:58,240

guys like brennan and obama and biden

621

00:21:02,390 --> 00:21:00,240

when we've played those videos i just

622

00:21:03,350 --> 00:21:02,400

sort of analyzed what i was looking at

623

00:21:05,190 --> 00:21:03,360

and uh

624

00:21:07,110 --> 00:21:05,200

and what i heard basically what i heard

625

00:21:09,029 --> 00:21:07,120

and what i saw these guys look at things

626

00:21:11,990 --> 00:21:09,039

a little bit differently and here's

627

00:21:12,870 --> 00:21:12,000

uh what they uh saw so let's uh let's

628

00:21:15,590 --> 00:21:12,880

run

629

00:21:17,190 --> 00:21:15,600

this uh clip with leon panetta and their

630

00:21:18,870 --> 00:21:17,200

their analysis and then i'll talk about

631

00:21:21,350 --> 00:21:18,880

their analysis afterwards i'll

632

00:21:22,430 --> 00:21:21,360

i'll analyze their analysis when you've

633

00:21:25,830 --> 00:21:22,440

seen this

634

00:21:26,390 --> 00:21:25,840

unidentifiable stuff is your presumption

635

00:21:34,710 --> 00:21:26,400

that

636

00:21:38,230 --> 00:21:34,720

we somehow don't have or or are we

637

00:21:41,190 --> 00:21:38,240

over are we sort of over assuming

638

00:21:43,190 --> 00:21:41,200

uh the abilities of china and russia and

639

00:21:45,669 --> 00:21:43,200

that the only other explanation is

640

00:21:49,590 --> 00:21:45,679

if it's not us ourselves that it's

641

00:21:53,270 --> 00:21:51,909

well chuck it's obviously been going on

642

00:21:54,470 --> 00:21:53,280

for a long time and there's a lot of

643

00:21:57,110 --> 00:21:54,480

speculation

644

00:21:57,990 --> 00:21:57,120

i've never seen any evidence that any of

645

00:22:01,190 --> 00:21:58,000

this is related

646

00:22:05,510 --> 00:22:01,200

to extraterrestrial human beings or or

647

00:22:08,549 --> 00:22:05,520

beings of any kind and for that reason i

648

00:22:10,390 --> 00:22:08,559

i've always thought that even though we

649

00:22:11,909 --> 00:22:10,400

we have these sightings and i guess the

650

00:22:13,430 --> 00:22:11,919

report that's coming out is going to

651
00:22:15,110 --> 00:22:13,440
basically acknowledge

652
00:22:17,669 --> 00:22:15,120
that there are a lot of sightings they

653
00:22:21,270 --> 00:22:17,679
haven't tied it to being ufos

654
00:22:25,350 --> 00:22:21,280
in the sense of relating it to

655
00:22:25,990 --> 00:22:25,360
enemies in space but i believe a lot of

656
00:22:29,270 --> 00:22:26,000
this stuff

657
00:22:29,830 --> 00:22:29,280
probably could be uh countries like

658
00:22:33,110 --> 00:22:29,840
russia

659
00:22:36,630 --> 00:22:33,120
like china like others uh who are

660
00:22:39,669 --> 00:22:36,640
you know using uh now drones uh using

661
00:22:42,710 --> 00:22:39,679
uh the kind of sophisticated weaponry

662
00:22:43,350 --> 00:22:42,720
that uh you know could very well be

663
00:22:45,350 --> 00:22:43,360

involved

664

00:22:47,909 --> 00:22:45,360

in a lot of these sightings so i think

665

00:22:50,230 --> 00:22:47,919

that's the area to go to very frankly

666

00:22:51,750 --> 00:22:50,240

in order to identify what's happening

667

00:22:57,990 --> 00:22:51,760

all right

668

00:22:59,270 --> 00:22:58,000

so i think uh his blank rates through

669

00:23:00,870 --> 00:22:59,280

the roof

670

00:23:02,789 --> 00:23:00,880

from the beginning and this is something

671

00:23:04,710 --> 00:23:02,799

that changed before we started watching

672

00:23:06,710 --> 00:23:04,720

this video so you could see the subject

673

00:23:10,070 --> 00:23:06,720

start to come up and his blink rate

674

00:23:13,270 --> 00:23:10,080

started going up to ludicrous speed

675

00:23:14,630 --> 00:23:13,280

to use some space terminology and

676
00:23:16,870 --> 00:23:14,640
when he's saying there's a report that's

677
00:23:19,750 --> 00:23:16,880
coming out we see galloping shoulders

678
00:23:21,190 --> 00:23:19,760
kind of a single shrug on both shoulders

679
00:23:24,230 --> 00:23:21,200
one at a time

680
00:23:27,110 --> 00:23:24,240
which i would suggest is a

681
00:23:29,430 --> 00:23:27,120
doubt in the confidence of what he's

682
00:23:32,070 --> 00:23:29,440
saying or lack of confidence

683
00:23:33,669 --> 00:23:32,080
and when he's saying i believe a lot of

684
00:23:36,950 --> 00:23:33,679
this stuff there's a no head

685
00:23:37,270 --> 00:23:36,960
shake this is one of those times we tell

686
00:23:39,270 --> 00:23:37,280
you

687
00:23:40,470 --> 00:23:39,280
that it doesn't always mean that this is

688
00:23:42,710 --> 00:23:40,480

what it looks like and

689

00:23:44,149 --> 00:23:42,720

i think when a person doesn't fully

690

00:23:47,510 --> 00:23:44,159

agree with what they're saying and they

691

00:23:50,710 --> 00:23:47,520

are saying no to what they're saying and

692

00:23:53,510 --> 00:23:50,720

there is a whole lot of couching

693

00:23:54,710 --> 00:23:53,520

statements in true behavior panel

694

00:23:56,470 --> 00:23:54,720

fashion i'm going to read them to you

695

00:23:58,870 --> 00:23:56,480

just real quick

696

00:23:59,990 --> 00:23:58,880

we're going to say basically believe

697

00:24:03,669 --> 00:24:00,000

probably could be

698

00:24:07,190 --> 00:24:03,679

i believe like like like like others

699

00:24:11,269 --> 00:24:07,200

kind of could very well i think

700

00:24:13,990 --> 00:24:11,279

so nothing is for certain whatsoever

701
00:24:15,190 --> 00:24:14,000
in the entire statement uh not even his

702
00:24:18,310 --> 00:24:15,200
confidence in his

703
00:24:20,549 --> 00:24:18,320
own opinions and this is

704
00:24:22,390 --> 00:24:20,559
not in his baseline if you've seen him

705
00:24:23,909 --> 00:24:22,400
he's a big powerful government official

706
00:24:25,430 --> 00:24:23,919
he was a secretary of defense when i

707
00:24:29,269 --> 00:24:25,440
joined the military

708
00:24:30,230 --> 00:24:29,279
and he doesn't do this i've seen him in

709
00:24:32,070 --> 00:24:30,240
person

710
00:24:34,230 --> 00:24:32,080
and i've never seen any behavior like

711
00:24:34,789 --> 00:24:34,240
this so he was a secretary of defense he

712
00:24:39,269 --> 00:24:34,799
was

713
00:24:43,830 --> 00:24:39,279

went around all areas of dc

714

00:24:50,470 --> 00:24:47,190

not in his baseline scott

715

00:24:52,789 --> 00:24:50,480

all right when i go last uh damn so greg

716

00:24:54,310 --> 00:24:52,799

where don't you go next sure and now i'm

717

00:24:56,070 --> 00:24:54,320

going to get my opportunity to be on

718

00:24:56,549 --> 00:24:56,080

ancient aliens or something i guarantee

719

00:25:05,029 --> 00:24:56,559

you with

720

00:25:09,510 --> 00:25:07,350

so again chase this guy's pretty

721

00:25:10,230 --> 00:25:09,520

contained and pretty calm typically he's

722

00:25:12,310 --> 00:25:10,240

a big

723

00:25:14,149 --> 00:25:12,320

powerful man in his life i met him when

724

00:25:16,549 --> 00:25:14,159

i was stationed at dick's

725

00:25:17,750 --> 00:25:16,559

together guy what's interesting is when

726

00:25:20,230 --> 00:25:17,760

they bring up

727

00:25:21,590 --> 00:25:20,240

russia and china his blink rate is

728

00:25:23,029 --> 00:25:21,600

already fast but then it

729

00:25:25,350 --> 00:25:23,039

you know he gets his eyelids just

730

00:25:27,510 --> 00:25:25,360

fluttering like crazy then

731

00:25:30,070 --> 00:25:27,520

these three things together make me go

732

00:25:34,149 --> 00:25:30,080

hmm maybe there is something to this

733

00:25:37,510 --> 00:25:34,159

when he says i have never seen

734

00:25:38,789 --> 00:25:37,520

grief muscle boom grief muscle comes up

735

00:25:40,710 --> 00:25:38,799

why is there a grief muscle when he says

736

00:25:42,470 --> 00:25:40,720

i've never seen this then he does a

737

00:25:45,029 --> 00:25:42,480

nervous laugh

738

00:25:46,230 --> 00:25:45,039

then he looks down to the right and then

739

00:25:47,990 --> 00:25:46,240

he goes back

740

00:25:49,669 --> 00:25:48,000

and he does lip compression i'm just

741

00:25:51,830 --> 00:25:49,679

going to stop right there

742

00:25:52,710 --> 00:25:51,840

and say i don't know why all of that

743

00:25:54,870 --> 00:25:52,720

happened

744

00:25:56,310 --> 00:25:54,880

i'm not looking for i'm not ufo hunting

745

00:25:57,029 --> 00:25:56,320

and saying hey he knows where the ufos

746

00:25:59,350 --> 00:25:57,039

are

747

00:26:01,430 --> 00:25:59,360

this is out of character and those

748

00:26:03,510 --> 00:26:01,440

things indicate deception

749

00:26:07,110 --> 00:26:03,520

then when he gets back to the adversary

750

00:26:09,990 --> 00:26:07,120

stuff his grief muscle comes up again

751
00:26:10,230 --> 00:26:10,000
something's up in this whole messaging

752
00:26:11,750 --> 00:26:10,240
and

753
00:26:15,110 --> 00:26:11,760
out of character for a guy who has been

754
00:26:19,510 --> 00:26:17,510
okay well that was a pretty interesting

755
00:26:21,110 --> 00:26:19,520
exchange and i'm telling you the entire

756
00:26:22,789 --> 00:26:21,120
hour and 40 minutes

757
00:26:24,230 --> 00:26:22,799
features a lot of that kind of back and

758
00:26:27,350 --> 00:26:24,240
forth amongst

759
00:26:30,149 --> 00:26:27,360
these uh intel body language analysts

760
00:26:30,390 --> 00:26:30,159
so it's a very interesting and uh you

761
00:26:33,590 --> 00:26:30,400
know

762
00:26:35,750 --> 00:26:33,600
like i say it i i strongly recommend it

763
00:26:37,269 --> 00:26:35,760

uh that you give it a look i'll like i

764

00:26:41,430 --> 00:26:37,279

said i'll post the link

765

00:26:43,669 --> 00:26:41,440

and basically the entire time

766

00:26:45,430 --> 00:26:43,679

nobody who's being asked these questions

767

00:26:46,149 --> 00:26:45,440

whether it's bush or whether it's

768

00:26:47,909 --> 00:26:46,159

clinton

769

00:26:49,750 --> 00:26:47,919

uh whether it's obama whether it's the

770

00:26:52,710 --> 00:26:49,760

various uh former intel

771

00:26:53,350 --> 00:26:52,720

chiefs john brennan panetta who we saw

772

00:26:55,510 --> 00:26:53,360

they

773

00:26:57,110 --> 00:26:55,520

hate talking about this subject it's

774

00:27:00,310 --> 00:26:57,120

very interesting

775

00:27:03,750 --> 00:27:00,320

these guys uh don't really uh

776

00:27:06,470 --> 00:27:03,760

draw any uh final conclusions as to why

777

00:27:08,470 --> 00:27:06,480

but the the whole thing is uh like i

778

00:27:11,269 --> 00:27:08,480

said it's why at the top of the show

779

00:27:12,470 --> 00:27:11,279

i uh called this the the ufo stink bomb

780

00:27:15,110 --> 00:27:12,480

report because uh

781

00:27:16,149 --> 00:27:15,120

uh people aren't uh liking the fact that

782

00:27:18,230 --> 00:27:16,159

powerful people

783

00:27:20,149 --> 00:27:18,240

aren't liking the fact that uh this

784

00:27:21,350 --> 00:27:20,159

subject is even on the table i think

785

00:27:23,190 --> 00:27:21,360

that's pretty clear

786

00:27:25,350 --> 00:27:23,200

and another thing that they go through

787

00:27:26,230 --> 00:27:25,360

which we didn't get in that particular

788

00:27:29,669 --> 00:27:26,240

segment

789

00:27:31,190 --> 00:27:29,679

is uh the actual comments that uh all

790

00:27:32,710 --> 00:27:31,200

these uh all these folks are making the

791

00:27:33,350 --> 00:27:32,720

presidents and the intel chiefs are

792

00:27:35,750 --> 00:27:33,360

making

793

00:27:37,269 --> 00:27:35,760

uh they sort of have they hit the same

794

00:27:38,870 --> 00:27:37,279

talking points they do it

795

00:27:40,789 --> 00:27:38,880

they use different words they do it in

796

00:27:42,549 --> 00:27:40,799

their own style but they're hitting the

797

00:27:43,909 --> 00:27:42,559

same talking points as if

798

00:27:45,990 --> 00:27:43,919

you know even though they're on the

799

00:27:48,549 --> 00:27:46,000

outside uh they're they're basically

800

00:27:50,549 --> 00:27:48,559

getting briefed on this too and

801
00:27:51,590 --> 00:27:50,559
they're they're pretty much being kept

802
00:27:53,590 --> 00:27:51,600
on the same page

803
00:27:54,870 --> 00:27:53,600
either you know by their own volition

804
00:27:55,590 --> 00:27:54,880
yeah they want to go along with the

805
00:27:57,750 --> 00:27:55,600
program

806
00:27:59,430 --> 00:27:57,760
or you know i don't think it's the case

807
00:28:01,110 --> 00:27:59,440
that they're being coerced in any way

808
00:28:02,630 --> 00:28:01,120
but uh they're they're all on the same

809
00:28:04,789 --> 00:28:02,640
page with this uh they're all

810
00:28:06,470 --> 00:28:04,799
on the same program so it's very

811
00:28:09,269 --> 00:28:06,480
interesting very interesting

812
00:28:10,149 --> 00:28:09,279
uh to see what will be coming up uh

813
00:28:14,310 --> 00:28:10,159

hopefully

814

00:28:16,630 --> 00:28:14,320

say like i said i don't expect anything

815

00:28:18,389 --> 00:28:16,640

but uh maybe it's just as well because

816

00:28:21,750 --> 00:28:18,399

uh the last uh

817

00:28:24,710 --> 00:28:21,760

this past week since uh the the nasa and

818

00:28:26,710 --> 00:28:24,720

the leak about what's going to be in uh

819

00:28:27,350 --> 00:28:26,720

the ufo report in the new york times

820

00:28:29,269 --> 00:28:27,360

story

821

00:28:31,029 --> 00:28:29,279

we've had a little bit less news this

822

00:28:32,630 --> 00:28:31,039

week but it's given me a little bit of

823

00:28:35,110 --> 00:28:32,640

time to kind of spelunk around

824

00:28:36,950 --> 00:28:35,120

and find some different stuff to talk

825

00:28:38,630 --> 00:28:36,960

about again that getting

826

00:28:41,350 --> 00:28:38,640

the perspective from some folks who

827

00:28:42,470 --> 00:28:41,360

aren't ufo guys so they're not ufo guys

828

00:28:44,549 --> 00:28:42,480

very interesting to get their

829

00:28:45,510 --> 00:28:44,559

perspective very interesting to get the

830

00:28:49,110 --> 00:28:45,520

perspective of

831

00:28:51,750 --> 00:28:49,120

harrison weinstein you know

832

00:28:53,430 --> 00:28:51,760

hearing what they have to say again with

833

00:28:54,870 --> 00:28:53,440

weinstein it's uh basically a lot of

834

00:28:58,070 --> 00:28:54,880

stuff on twitter so

835

00:28:59,430 --> 00:28:58,080

i really uh uh you know i really don't

836

00:29:01,750 --> 00:28:59,440

have anything all i would say is

837

00:29:03,750 --> 00:29:01,760

go to twitter and follow eric weinstein

838

00:29:06,470 --> 00:29:03,760

and see for yourself but uh

839

00:29:07,750 --> 00:29:06,480

he's uh obviously uh on the uh pro ufo

840

00:29:09,590 --> 00:29:07,760

page or at least

841

00:29:11,350 --> 00:29:09,600

you know we need to know more about this

842

00:29:13,110 --> 00:29:11,360

page so uh who knows

843

00:29:14,549 --> 00:29:13,120

what those uh everything those guys are

844

00:29:17,350 --> 00:29:14,559

hearing on the back channel

845

00:29:19,430 --> 00:29:17,360

uh i would warn them both uh uh don't be

846

00:29:20,389 --> 00:29:19,440

entirely trusting on what you hear in

847

00:29:22,789 --> 00:29:20,399

that back channel

848

00:29:25,190 --> 00:29:22,799

uh but it does exist uh sometimes maybe

849

00:29:27,350 --> 00:29:25,200

it's a a little exaggerated uh but it

850

00:29:29,110 --> 00:29:27,360

but it's there and it's a phenomenon

851

00:29:31,830 --> 00:29:29,120

just like the ufo phenomenon

852

00:29:33,110 --> 00:29:31,840

obviously the main thing that you want

853

00:29:36,389 --> 00:29:33,120

to find out more about

854

00:29:37,430 --> 00:29:36,399

is the ufo phenomenon itself but uh it's

855

00:29:40,230 --> 00:29:37,440

always interesting

856

00:29:40,630 --> 00:29:40,240

how people go about the ufo phenomenon

857

00:29:43,029 --> 00:29:40,640

and

858

00:29:44,870 --> 00:29:43,039

we'll analyze both even if i would uh

859

00:29:46,789 --> 00:29:44,880

much prefer to be spending time talking

860

00:29:48,470 --> 00:29:46,799

about the former rather than the latter

861

00:29:50,870 --> 00:29:48,480

so that's really about it short show

862

00:29:52,870 --> 00:29:50,880

enjoy your weekend and uh maybe

863

00:29:53,909 --> 00:29:52,880

i'll be back next week with something

864

00:29:55,350 --> 00:29:53,919

else uh

865

00:29:57,190 --> 00:29:55,360

there's enough going on enough

866

00:29:59,510 --> 00:29:57,200

interesting stuff to talk about to fill

867

00:30:01,350 --> 00:29:59,520

uh maybe a half hour 45 minutes maybe

868

00:30:03,350 --> 00:30:01,360

not and uh who knows

869

00:30:04,870 --> 00:30:03,360

maybe i'll turn up an interview i can't

870

00:30:08,310 --> 00:30:04,880

say for sure uh but

871

00:30:10,549 --> 00:30:08,320

uh i i can assure you that my plans are

872

00:30:13,029 --> 00:30:10,559

as soon as this ufo report comes out

873

00:30:15,269 --> 00:30:13,039

uh to pour over it and get a show up on

874

00:30:17,750 --> 00:30:15,279

the air uh very very quickly uh

875

00:30:18,630 --> 00:30:17,760

like i said i'd be very shocked if it

876

00:30:21,269 --> 00:30:18,640

happens that

877

00:30:22,230 --> 00:30:21,279

uh this coming week i think it'll be on

878

00:30:23,909 --> 00:30:22,240

time right now

879

00:30:25,590 --> 00:30:23,919

i don't think it'll get delayed either

880

00:30:27,269 --> 00:30:25,600

because of uh

881

00:30:28,630 --> 00:30:27,279

you know uh the media is on the story

882

00:30:31,029 --> 00:30:28,640

they're talking about it

883

00:30:32,549 --> 00:30:31,039

so uh uh that's about all i've got uh

884

00:30:34,310 --> 00:30:32,559

you have a good weekend

885

00:30:35,669 --> 00:30:34,320

and i'll be talking to you as soon as
