CONGRESSIONAL COMMITTEE GETS UFO BRIEFING

REP. BURCHETT: ROSWELL WAS REAL

SEN. RUBIO: REPORT IS ALREADY LATE

MORE ON STEPHENVILLE

WHAT DID THE GOVERNMENT KNOW ABOUT UFOS AND

WHEN DID IT KNOW IT?

UFONN
SUNDAY

1
00:00:03,860 --> 00:00:17,029

[Music]

2
00:00:21,910 --> 00:00:19,109

good afternoon frank here with yet

3
00:00:22,710 --> 00:00:21,920

another episode of ufo news network

4
00:00:26,150 --> 00:00:22,720

sunday

5
00:00:28,950 --> 00:00:26,160

uh running up to the ufo report

6
00:00:29,990 --> 00:00:28,960

i think it's going to be released

7
00:00:32,470 --> 00:00:30,000

actually uh this

8
00:00:33,670 --> 00:00:32,480

coming week at some point that's my

9
00:00:35,270 --> 00:00:33,680

prediction anyway

10
00:00:36,709 --> 00:00:35,280

they did hold off this week as i

11
00:00:40,389 --> 00:00:36,719

suggested last week

12
00:00:43,350 --> 00:00:40,399

uh due to uh biden's uh travel to the g7

13
00:00:43,990 --> 00:00:43,360

summit and his meeting with putin last

14

00:00:45,990 --> 00:00:44,000

week

15

00:00:47,190 --> 00:00:46,000

they weren't going to upstage that so

16

00:00:50,869 --> 00:00:47,200

they've held on to it this

17

00:00:52,470 --> 00:00:50,879

uh uh until uh the at least uh this week

18

00:00:54,790 --> 00:00:52,480

no guarantee it's going to be out this

19

00:00:58,310 --> 00:00:54,800

week but i'm thinking that it will be

20

00:01:01,349 --> 00:00:58,320

because in the news this week we did

21

00:01:04,789 --> 00:01:01,359

see a briefing to

22

00:01:08,230 --> 00:01:04,799

the committee in congress the

23

00:01:08,550 --> 00:01:08,240

house intelligence committee did receive

24

00:01:12,710 --> 00:01:08,560

a

25

00:01:14,870 --> 00:01:12,720

interesting sources

26

00:01:16,070 --> 00:01:14,880

uh the united states navy which you

27

00:01:18,789 --> 00:01:16,080

would expect and

28

00:01:20,390 --> 00:01:18,799

also the fbi which uh you wouldn't

29

00:01:22,710 --> 00:01:20,400

necessarily expect

30

00:01:23,830 --> 00:01:22,720

i don't know what was in the briefing

31

00:01:27,109 --> 00:01:23,840

but it seems

32

00:01:30,149 --> 00:01:27,119

as though not all of the material that

33

00:01:30,870 --> 00:01:30,159

uh was uh provided to uh this house

34

00:01:34,069 --> 00:01:30,880

committee

35

00:01:36,630 --> 00:01:34,079

is necessarily going to be uh related to

36

00:01:40,149 --> 00:01:36,640

the ufos we're really interested in

37

00:01:42,389 --> 00:01:40,159

the potentially et ufos but the the

38

00:01:43,990 --> 00:01:42,399

commit committee select committee on

39

00:01:46,149 --> 00:01:44,000

intelligence

40

00:01:47,870 --> 00:01:46,159

subcommittee on counterterrorism counter

41

00:01:51,749 --> 00:01:47,880

intelligence and uh

42

00:01:53,749 --> 00:01:51,759

counterproliferation good reason to

43

00:01:54,870 --> 00:01:53,759

think why the fbi is going to want to be

44

00:01:57,109 --> 00:01:54,880

in on this

45

00:01:58,789 --> 00:01:57,119

if at some point uh some sort of

46

00:02:01,670 --> 00:01:58,799

terrorist that gets hold of a

47

00:02:02,069 --> 00:02:01,680

uh some sort of aircraft and uh drone

48

00:02:04,870 --> 00:02:02,079

and

49

00:02:06,550 --> 00:02:04,880

uses it to do some damage uh they're

50

00:02:07,990 --> 00:02:06,560

gonna want to stay on top of this so

51

00:02:10,710 --> 00:02:08,000

let's not forget that

52

00:02:11,430 --> 00:02:10,720

it was their intelligence failing that

53

00:02:13,910 --> 00:02:11,440

led to

54

00:02:14,630 --> 00:02:13,920

the catastrophe on september 11th uh

55

00:02:17,190 --> 00:02:14,640

probably the

56

00:02:18,309 --> 00:02:17,200

the greatest intelligence failing in the

57

00:02:20,869 --> 00:02:18,319

history of the country

58

00:02:23,990 --> 00:02:20,879

uh uh even uh surpassing uh the pearl

59

00:02:27,430 --> 00:02:24,000

harbor event uh back in 1941

60

00:02:29,270 --> 00:02:27,440

so they have a good incentive to want to

61

00:02:29,830 --> 00:02:29,280

be on top of at least their end of

62

00:02:32,869 --> 00:02:29,840

things

63

00:02:36,309 --> 00:02:32,879

of course uh their involvement in any

64

00:02:39,670 --> 00:02:36,319

potentially ufo et's

65

00:02:41,670 --> 00:02:39,680

ufos not very likely they just don't

66

00:02:43,670 --> 00:02:41,680

have the gear for it that type of thing

67

00:02:45,030 --> 00:02:43,680

but they do want to be involved and it

68

00:02:47,509 --> 00:02:45,040

seems as though

69

00:02:48,949 --> 00:02:47,519

they were at least adequate contributors

70

00:02:50,630 --> 00:02:48,959

to this report

71

00:02:51,990 --> 00:02:50,640

they had a representative up there and

72

00:02:55,030 --> 00:02:52,000

they uh they briefed

73

00:02:57,990 --> 00:02:55,040

that particular uh committee now

74

00:02:58,710 --> 00:02:58,000

uh some comments uh from members of the

75

00:03:00,390 --> 00:02:58,720

committee

76

00:03:01,990 --> 00:03:00,400

after the briefing took place we're

77

00:03:03,270 --> 00:03:02,000

looking forward to having a public

78

00:03:06,309 --> 00:03:03,280

hearing at some point

79

00:03:07,750 --> 00:03:06,319

said representative andre carson a

80

00:03:09,830 --> 00:03:07,760

democrat from indiana

81

00:03:11,350 --> 00:03:09,840

i mean there's some national security

82

00:03:12,390 --> 00:03:11,360

concerns that we want to take into

83

00:03:15,430 --> 00:03:12,400

consideration

84

00:03:16,949 --> 00:03:15,440

so again some talk about public hearings

85

00:03:18,710 --> 00:03:16,959

that's a good thing i'll get into that a

86

00:03:21,030 --> 00:03:18,720

little bit more as we go along

87

00:03:22,949 --> 00:03:21,040

uh the uh the chairman uh representative

88

00:03:26,229 --> 00:03:22,959

adam schiff from california

89

00:03:27,670 --> 00:03:26,239

it was an interesting briefing i did

90

00:03:29,990 --> 00:03:27,680

learn uh

91

00:03:30,710 --> 00:03:30,000

things that were certainly new to me uh

92

00:03:33,430 --> 00:03:30,720

but i think

93

00:03:34,710 --> 00:03:33,440

i'm to leave it at that representative

94

00:03:37,350 --> 00:03:34,720

mike quigley

95

00:03:37,910 --> 00:03:37,360

the stigma is gone that's good news as

96

00:03:40,869 --> 00:03:37,920

well

97

00:03:41,830 --> 00:03:40,879

uh now that uh now that's a big change

98

00:03:45,030 --> 00:03:41,840

in policy

99

00:03:46,949 --> 00:03:45,040

as i've witnessed about this issue in my

100

00:03:49,190 --> 00:03:46,959

lifetime so the fact that

101

00:03:50,789 --> 00:03:49,200

uh they are taking this sort of thing

102

00:03:55,350 --> 00:03:50,799

seriously for the first time

103

00:03:58,550 --> 00:03:55,360

i think is important uh then uh some

104

00:04:00,869 --> 00:03:58,560

not negative comments but uh uh uh

105

00:04:03,110 --> 00:04:00,879

quigley also went on to say if i had to

106

00:04:05,190 --> 00:04:03,120

predict how the public will react uh

107

00:04:06,550 --> 00:04:05,200

to this uh one word would be

108

00:04:10,149 --> 00:04:06,560

disappointing

109

00:04:12,550 --> 00:04:10,159

i'm guessing at least uh what they heard

110

00:04:15,110 --> 00:04:12,560

really did not have that much to do with

111

00:04:18,629 --> 00:04:15,120

the uh potentially et ufos

112

00:04:20,629 --> 00:04:18,639

uh peter welsh from vermont

113

00:04:21,909 --> 00:04:20,639

gave a similar assessment i'm not on the

114

00:04:24,550 --> 00:04:21,919

edge of my seat

115

00:04:25,430 --> 00:04:24,560

uh congresswoman val demings from

116

00:04:28,550 --> 00:04:25,440

florida

117

00:04:29,510 --> 00:04:28,560

uh you know it's always about our safety

118

00:04:31,909 --> 00:04:29,520

and security

119

00:04:32,710 --> 00:04:31,919

our national security is number one and

120

00:04:35,350 --> 00:04:32,720

so that's

121

00:04:36,469 --> 00:04:35,360

really the area uh where we really

122

00:04:39,749 --> 00:04:36,479

focused on

123

00:04:42,950 --> 00:04:39,759

this uh this morning so uh there's that

124

00:04:44,950 --> 00:04:42,960

basically uh

125

00:04:46,150 --> 00:04:44,960

the there there's likely uh going to be

126
00:04:49,749 --> 00:04:46,160
a big chunk

127
00:04:51,270 --> 00:04:49,759
of the uh of the uh the the report

128
00:04:53,909 --> 00:04:51,280
that is not going to cover uh

129
00:04:56,629 --> 00:04:53,919
potentially uh e.t ufos

130
00:04:57,030 --> 00:04:56,639
that they're a lot of the focus is going

131
00:04:59,430 --> 00:04:57,040
to be

132
00:05:01,510 --> 00:04:59,440
uh probably on drones on uh

133
00:05:03,189 --> 00:05:01,520
reconnaissance balloons reconnaissance

134
00:05:05,510 --> 00:05:03,199
drones that kind of thing

135
00:05:06,230 --> 00:05:05,520
uh that is an element that maybe played

136
00:05:08,230 --> 00:05:06,240
a big role

137
00:05:09,430 --> 00:05:08,240
in getting the subject talked about a

138
00:05:11,830 --> 00:05:09,440

little bit more

139

00:05:13,590 --> 00:05:11,840

but at the end of the day that is really

140

00:05:14,070 --> 00:05:13,600

what we're interested in uh the folks

141

00:05:18,469 --> 00:05:14,080

who

142

00:05:20,150 --> 00:05:18,479

with uh reconnaissance

143

00:05:21,670 --> 00:05:20,160

all the time they've got their measures

144

00:05:23,749 --> 00:05:21,680

and countermeasures uh

145

00:05:24,710 --> 00:05:23,759

the uh the fbi as far as any uh

146

00:05:26,629 --> 00:05:24,720

potential uh

147

00:05:28,070 --> 00:05:26,639

uh use of drones and some sort of

148

00:05:29,749 --> 00:05:28,080

terrorist attack uh

149

00:05:31,590 --> 00:05:29,759

you know that's uh that's theirs to

150

00:05:33,270 --> 00:05:31,600

worry about uh that's not what we're

151

00:05:36,150 --> 00:05:33,280

here for we're here for the et

152

00:05:37,909 --> 00:05:36,160

stuff but uh uh also uh commenting this

153

00:05:39,590 --> 00:05:37,919

week uh was

154

00:05:41,350 --> 00:05:39,600

another uh congressman that tim

155

00:05:44,469 --> 00:05:41,360

burchette from

156

00:05:47,430 --> 00:05:44,479

indiana and uh he was a a little bit

157

00:05:47,830 --> 00:05:47,440

less ambiguous as far as what he thinks

158

00:05:50,070 --> 00:05:47,840

about

159

00:05:53,590 --> 00:05:50,080

the ufo issue so let's go to congressman

160

00:05:55,909 --> 00:05:53,600

burkett's comments

161

00:05:57,270 --> 00:05:55,919

congressman i know right now um with

162

00:05:59,749 --> 00:05:57,280

president biden when he's

163

00:06:01,430 --> 00:05:59,759

going to speak to um putin that he's

164

00:06:04,070 --> 00:06:01,440

talking he's going to ask him about the

165

00:06:05,749 --> 00:06:04,080

ufo thing and stuff like that i think

166

00:06:07,029 --> 00:06:05,759

that's ridiculous if the russians had

167

00:06:09,029 --> 00:06:07,039

ufo technology

168

00:06:10,309 --> 00:06:09,039

i mean they would own us right now they

169

00:06:10,870 --> 00:06:10,319

used to say that they've heard people

170

00:06:12,469 --> 00:06:10,880

talk about

171

00:06:14,070 --> 00:06:12,479

how the nazis had it in the second world

172

00:06:16,070 --> 00:06:14,080

world if they did they would have won

173

00:06:18,309 --> 00:06:16,080

that is ridiculous it has to be

174

00:06:19,749 --> 00:06:18,319

something that's it's out of our galaxy

175

00:06:22,550 --> 00:06:19,759

it just has to be if

176

00:06:24,469 --> 00:06:22,560

it in fact is real it comes with your

177

00:06:27,189 --> 00:06:24,479

you have always been a straight shooter

178

00:06:29,110 --> 00:06:27,199

it's been like i know when um it's been

179

00:06:30,870 --> 00:06:29,120

bipartisan but the one thing i've

180

00:06:32,790 --> 00:06:30,880

noticed is

181

00:06:33,990 --> 00:06:32,800

it doesn't matter which president it is

182

00:06:35,590 --> 00:06:34,000

nobody ever talks

183

00:06:36,790 --> 00:06:35,600

about the uh they always say they're

184

00:06:38,230 --> 00:06:36,800

going to do something about it and then

185

00:06:39,590 --> 00:06:38,240

they get in office and

186

00:06:40,950 --> 00:06:39,600

and honestly i thought trump was going

187

00:06:42,629 --> 00:06:40,960

to do something's going to release the

188

00:06:44,550 --> 00:06:42,639

files but you know they release these

189

00:06:45,029 --> 00:06:44,560

files are redacted it's just a big blob

190

00:06:47,590 --> 00:06:45,039

a block

191

00:06:48,390 --> 00:06:47,600

white out and uh clearly something's

192

00:06:50,550 --> 00:06:48,400

going on

193

00:06:51,909 --> 00:06:50,560

that we can't handle i mean ufos were in

194

00:06:54,070 --> 00:06:51,919

the bible

195

00:06:56,150 --> 00:06:54,080

read ezekiel talks about the wheel

196

00:06:57,510 --> 00:06:56,160

flying around so i mean

197

00:06:59,430 --> 00:06:57,520

they've been around since we've been

198

00:07:00,309 --> 00:06:59,440

around and um somebody needs to come up

199

00:07:01,990 --> 00:07:00,319

with some answers

200

00:07:03,990 --> 00:07:02,000

so even when something's supposed to be

201

00:07:05,670 --> 00:07:04,000

released coming up in a few

202

00:07:07,830 --> 00:07:05,680

weeks or months what do you think is

203

00:07:09,909 --> 00:07:07,840

going to be in that i don't believe it i

204

00:07:11,189 --> 00:07:09,919

i think roswell was covered up i think

205

00:07:12,870 --> 00:07:11,199

um

206

00:07:14,309 --> 00:07:12,880

you know more people believe in ufos and

207

00:07:15,990 --> 00:07:14,319

believe in congress for good reason

208

00:07:17,830 --> 00:07:16,000

because of the jack leg stuff we do

209

00:07:19,510 --> 00:07:17,840

like that we we talk about we're going

210

00:07:21,909 --> 00:07:19,520

to release it and then we never do or we

211

00:07:24,230 --> 00:07:21,919

release something that's so redacted

212

00:07:25,670 --> 00:07:24,240

that it's just ridiculous the air force

213

00:07:28,070 --> 00:07:25,680

had a release of

214

00:07:29,589 --> 00:07:28,080

on roswell which was the big the big

215

00:07:31,589 --> 00:07:29,599

deal i think from 48

216

00:07:33,510 --> 00:07:31,599

and the big cover up there and and the

217

00:07:34,870 --> 00:07:33,520

guy that did it was a smart alec and he

218

00:07:36,309 --> 00:07:34,880

kind of smirked the whole time and

219

00:07:38,070 --> 00:07:36,319

nobody took it serious they ought to

220

00:07:39,589 --> 00:07:38,080

take it serious american public wants to

221

00:07:41,270 --> 00:07:39,599

know and frankly we deserve it

222

00:07:43,029 --> 00:07:41,280

i think at some point it's gonna it's

223

00:07:44,309 --> 00:07:43,039

gonna happen man

224

00:07:46,230 --> 00:07:44,319

i think they're going to release that i

225

00:07:48,869 --> 00:07:46,240

think somebody's going to release stuff

226

00:07:49,830 --> 00:07:48,879

that the kennedy assassination files are

227

00:07:51,670 --> 00:07:49,840

going to do it off

228

00:07:55,589 --> 00:07:51,680

but but we haven't had a president with

229

00:08:01,350 --> 00:07:59,110

so way to go congressman berchette

230

00:08:03,749 --> 00:08:01,360

laying it right on the line he believes

231

00:08:05,350 --> 00:08:03,759

that we are being visited and is saying

232

00:08:07,510 --> 00:08:05,360

so rather unambiguously

233

00:08:08,469 --> 00:08:07,520

and on top of all that he's also saying

234

00:08:10,950 --> 00:08:08,479

that he thinks

235

00:08:11,990 --> 00:08:10,960

roswell was real so kudos to him for

236

00:08:14,230 --> 00:08:12,000

speaking his mind

237

00:08:15,909 --> 00:08:14,240

and coming out and saying what he said

238

00:08:20,309 --> 00:08:15,919

and also kudos to

239

00:08:22,710 --> 00:08:20,319

tmz which normally it's a website that

240

00:08:23,830 --> 00:08:22,720

focuses on various celebrity

241

00:08:26,309 --> 00:08:23,840

misadventures

242

00:08:27,670 --> 00:08:26,319

but they've done a really nice job in

243

00:08:30,710 --> 00:08:27,680

terms of

244

00:08:33,670 --> 00:08:30,720

getting these sort of shotgun

245

00:08:34,149 --> 00:08:33,680

interviews ambush interviews on the

246

00:08:36,870 --> 00:08:34,159

street

247

00:08:37,269 --> 00:08:36,880

with various congressmen and senators

248

00:08:40,149 --> 00:08:37,279

and

249

00:08:42,230 --> 00:08:40,159

getting getting their comments out there

250

00:08:44,550 --> 00:08:42,240

and uh they have been interesting and

251
00:08:45,990 --> 00:08:44,560
uh very helpful uh sometimes uh they do

252
00:08:48,550 --> 00:08:46,000
say some interesting things

253
00:08:49,990 --> 00:08:48,560
and uh congressman burkett was uh right

254
00:08:51,430 --> 00:08:50,000
there with him uh with uh some of the

255
00:08:54,630 --> 00:08:51,440
most interesting comments

256
00:08:56,230 --> 00:08:54,640
uh that we've seen to date so very very

257
00:09:00,790 --> 00:08:56,240
excited about that

258
00:09:06,150 --> 00:09:03,990
uh senator marco rubio who is

259
00:09:07,590 --> 00:09:06,160
really one of the the heavy lifters in

260
00:09:10,630 --> 00:09:07,600
terms of

261
00:09:11,350 --> 00:09:10,640
getting this report out there his uh he

262
00:09:13,829 --> 00:09:11,360
had

263
00:09:15,509 --> 00:09:13,839

was interviewed again on the subject uh

264

00:09:17,990 --> 00:09:15,519

on the fox business channel

265

00:09:19,590 --> 00:09:18,000

that seems to be his go-to outlet there

266

00:09:20,310 --> 00:09:19,600

where he's speaking the most he was on

267

00:09:23,350 --> 00:09:20,320

with

268

00:09:25,350 --> 00:09:23,360

maria bartiromo again this week and he

269

00:09:25,990 --> 00:09:25,360

had some additional comments to make as

270

00:09:29,269 --> 00:09:26,000

well

271

00:09:31,829 --> 00:09:29,279

so let's uh let's go to his comments

272

00:09:33,110 --> 00:09:31,839

briefing on ufos yesterday senator we've

273

00:09:35,590 --> 00:09:33,120

spoken on this topic

274

00:09:36,389 --> 00:09:35,600

before and what we learned from

275

00:09:39,430 --> 00:09:36,399

yesterday

276

00:09:40,070 --> 00:09:39,440

was that these ufos cause a pressing

277

00:09:43,590 --> 00:09:40,080

threat

278

00:09:46,230 --> 00:09:43,600

to america's national security uh as uh

279

00:09:46,949 --> 00:09:46,240

the highly classified briefing

280

00:09:49,269 --> 00:09:46,959

apparently

281

00:09:50,550 --> 00:09:49,279

were things that those people did not

282

00:09:52,790 --> 00:09:50,560

know before

283

00:09:53,910 --> 00:09:52,800

do you believe that these unidentified

284

00:09:58,230 --> 00:09:53,920

flying objects

285

00:10:00,150 --> 00:09:58,240

are new technology from our adversaries

286

00:10:02,310 --> 00:10:00,160

i hope they're not uh i don't know what

287

00:10:03,910 --> 00:10:02,320

they are i don't think the navy or the

288

00:10:04,630 --> 00:10:03,920

intelligence community knows what it is

289

00:10:05,910 --> 00:10:04,640

um

290

00:10:07,030 --> 00:10:05,920

but i think the point is you're never

291

00:10:08,470 --> 00:10:07,040

going to find out if you don't start

292

00:10:09,190 --> 00:10:08,480

looking for many years it was just being

293

00:10:10,630 --> 00:10:09,200

ignored

294

00:10:12,310 --> 00:10:10,640

it was like it doesn't make sense we've

295

00:10:13,509 --> 00:10:12,320

never seen it before so don't report it

296

00:10:14,949 --> 00:10:13,519

we don't know what it is

297

00:10:16,150 --> 00:10:14,959

look we don't need a report to tell us

298

00:10:17,910 --> 00:10:16,160

it's a national security threat it's

299

00:10:21,509 --> 00:10:17,920

flying over restricted airspace and it

300

00:10:24,870 --> 00:10:23,110

right right and they're flying over

301
00:10:26,230 --> 00:10:24,880
restricted areas well we'll know more i

302
00:10:28,389 --> 00:10:26,240
guess in a couple of weeks when that

303
00:10:29,910 --> 00:10:28,399
pentagon report is public

304
00:10:32,470 --> 00:10:29,920
yeah they're late they got to hurry it's

305
00:10:33,670 --> 00:10:32,480
been due already

306
00:10:35,910 --> 00:10:33,680
senator it's good to see you this

307
00:10:38,790 --> 00:10:35,920
morning thanks so much

308
00:10:40,710 --> 00:10:38,800
well there you have rubio's comments and

309
00:10:42,069 --> 00:10:40,720
he's saying the report is already late

310
00:10:45,509 --> 00:10:42,079
so i'm

311
00:10:47,190 --> 00:10:45,519
not sure where he's calculating that 180

312
00:10:48,630 --> 00:10:47,200
days what his start date is

313
00:10:50,069 --> 00:10:48,640

it's obviously a little bit different

314

00:10:50,550 --> 00:10:50,079

than the one that we've been going by

315

00:10:53,190 --> 00:10:50,560

because

316

00:10:54,230 --> 00:10:53,200

we've got it still as the end of this

317

00:10:57,990 --> 00:10:54,240

coming week

318

00:10:59,829 --> 00:10:58,000

so uh good i mean he's uh he's uh

319

00:11:01,190 --> 00:10:59,839

pressing he's uh doing it with some

320

00:11:03,269 --> 00:11:01,200

urgency

321

00:11:05,030 --> 00:11:03,279

if you remember his comments from a ways

322

00:11:07,350 --> 00:11:05,040

back he had talked about

323

00:11:09,030 --> 00:11:07,360

these types of reports often being late

324

00:11:11,430 --> 00:11:09,040

but i don't think this one will be

325

00:11:12,710 --> 00:11:11,440

obviously we had the briefing up on

326

00:11:15,910 --> 00:11:12,720

capitol hill with the

327

00:11:17,910 --> 00:11:15,920

house committee on intelligence this

328

00:11:19,590 --> 00:11:17,920

week so i think this thing is just about

329

00:11:22,790 --> 00:11:19,600

ready to go ready to drop

330

00:11:26,710 --> 00:11:22,800

and we will see it coming out this week

331

00:11:28,310 --> 00:11:26,720

again kudos to rubio

332

00:11:29,829 --> 00:11:28,320

up to this point that we've talked

333

00:11:32,710 --> 00:11:29,839

largely about uh

334

00:11:35,110 --> 00:11:32,720

uh what uh uh what we're gonna see in

335

00:11:38,389 --> 00:11:35,120

this report uh the possibility that

336

00:11:41,509 --> 00:11:38,399

it might be uh heavily loaded with

337

00:11:42,710 --> 00:11:41,519

uh some non-et ufos uh uh the sort of

338

00:11:43,509 --> 00:11:42,720

thing that we're not especially

339

00:11:45,269 --> 00:11:43,519

interested in

340

00:11:48,150 --> 00:11:45,279

so let's get back on track and let's

341

00:11:51,829 --> 00:11:50,550

at his website earlier this week

342

00:11:55,190 --> 00:11:51,839

christopher mellon

343

00:11:56,069 --> 00:11:55,200

uh posted a number of uh well yeah

344

00:11:59,190 --> 00:11:56,079

posted an article

345

00:12:00,069 --> 00:11:59,200

with a number of questions uh for the

346

00:12:02,150 --> 00:12:00,079

military

347

00:12:03,670 --> 00:12:02,160

for the intelligence community uh

348

00:12:06,310 --> 00:12:03,680

regarding the ufo

349

00:12:06,790 --> 00:12:06,320

topic and uh the most important that i

350

00:12:08,949 --> 00:12:06,800

saw

351

00:12:09,990 --> 00:12:08,959

uh was of course another question about

352

00:12:13,590 --> 00:12:10,000

stephenville

353

00:12:14,710 --> 00:12:13,600

and there he uh this is a question 16 of

354

00:12:16,509 --> 00:12:14,720

his questions

355

00:12:18,069 --> 00:12:16,519

this is his website again

356

00:12:21,430 --> 00:12:18,079

christophermellon.net

357

00:12:24,870 --> 00:12:21,440

question number 16 a number of former

358

00:12:27,750 --> 00:12:24,880

usaf officers involved in uap incidents

359

00:12:29,269 --> 00:12:27,760

report they were debriefed by osi which

360

00:12:30,710 --> 00:12:29,279

would be a fosie

361

00:12:33,430 --> 00:12:30,720

air force office of special

362

00:12:36,790 --> 00:12:33,440

investigations and required to sign

363

00:12:40,230 --> 00:12:36,800

ndas an example occurred

364

00:12:43,269 --> 00:12:40,240

near stephenville texas in 2008 faa

365

00:12:44,949 --> 00:12:43,279

radar and 30 civilian witnesses reported

366

00:12:48,069 --> 00:12:44,959

a huge uap

367

00:12:51,430 --> 00:12:48,079

about when two usaf f-16

368

00:12:51,990 --> 00:12:51,440

pilots who attempted to intercept the

369

00:12:55,590 --> 00:12:52,000

object

370

00:12:57,990 --> 00:12:55,600

were later interviewed they told

371

00:12:59,750 --> 00:12:58,000

cleared atip investigators they could

372

00:13:00,389 --> 00:12:59,760

not discuss the issue because they

373

00:13:03,670 --> 00:13:00,399

signed

374

00:13:08,629 --> 00:13:03,680

usaf ndas a thorough review

375

00:13:10,870 --> 00:13:08,639

of osi's uap files and all usaf uap ndas

376

00:13:13,190 --> 00:13:10,880

should be the top priority for congress

377

00:13:14,870 --> 00:13:13,200

and the uap task force and of course

378

00:13:16,790 --> 00:13:14,880

that's going to be an essential tool if

379

00:13:20,790 --> 00:13:16,800

we do get the hearings if

380

00:13:21,750 --> 00:13:20,800

we do get to that point uh these uh ndas

381

00:13:23,829 --> 00:13:21,760

uh these uh

382

00:13:24,790 --> 00:13:23,839

uh security clearances these things are

383

00:13:26,949 --> 00:13:24,800

going to have to be

384

00:13:28,230 --> 00:13:26,959

waived in order to get to the bottom of

385

00:13:30,790 --> 00:13:28,240

this in terms of

386

00:13:31,910 --> 00:13:30,800

at least any reasonably contemporary

387

00:13:35,590 --> 00:13:31,920

cases and of course

388

00:13:38,550 --> 00:13:35,600

uh stephenville happened that in 2008

389

00:13:40,389 --> 00:13:38,560

and also implicit in what mellon writes

390

00:13:42,389 --> 00:13:40,399

here and i think this is interesting

391

00:13:44,069 --> 00:13:42,399

that apparently there's been more than

392

00:13:44,870 --> 00:13:44,079

one instance if i'm reading this

393

00:13:48,629 --> 00:13:44,880

correctly

394

00:13:49,750 --> 00:13:48,639

of uh air force pilots uh signing these

395

00:13:51,030 --> 00:13:49,760

ndas and

396

00:13:52,790 --> 00:13:51,040

of course uh there were at least a

397

00:13:55,350 --> 00:13:52,800

couple ndas signed

398

00:13:56,389 --> 00:13:55,360

as uh part of the nimitz investigation

399

00:13:58,710 --> 00:13:56,399

as well

400

00:14:00,310 --> 00:13:58,720

uh not by everybody but by uh by some

401
00:14:02,629 --> 00:14:00,320
people involved in that

402
00:14:04,550 --> 00:14:02,639
in that particular case so uh that's uh

403
00:14:08,629 --> 00:14:04,560
that's something to keep in mind uh

404
00:14:10,470 --> 00:14:08,639
ndas and uh uh security clearances

405
00:14:11,990 --> 00:14:10,480
those kinds of things are going to have

406
00:14:15,030 --> 00:14:12,000
to be waived now

407
00:14:16,230 --> 00:14:15,040
interesting also in melania makes some

408
00:14:17,590 --> 00:14:16,240
excellent points i'm not going to go

409
00:14:21,350 --> 00:14:17,600
through each and every one

410
00:14:25,269 --> 00:14:21,360
he has 17 questions in total

411
00:14:28,389 --> 00:14:25,279
uh for uh for the uh the task force for

412
00:14:29,990 --> 00:14:28,399
the committees and for congress and

413
00:14:32,870 --> 00:14:30,000

i'm not going to go through all of them

414

00:14:35,990 --> 00:14:32,880

but this particular question 16 is

415

00:14:36,470 --> 00:14:36,000

wedged in between a couple of questions

416

00:14:43,430 --> 00:14:36,480

uh

417

00:14:45,829 --> 00:14:43,440

fosie agent who is spread

418

00:14:47,829 --> 00:14:45,839

misinformation responsible for the

419

00:14:50,310 --> 00:14:47,839

majestic 12 fake documents

420

00:14:51,030 --> 00:14:50,320

responsible for the serpo oaks might

421

00:14:53,829 --> 00:14:51,040

well at least

422

00:14:56,069 --> 00:14:53,839

in my opinion i have some role in the

423

00:14:58,230 --> 00:14:56,079

with the wilson notes

424

00:15:00,389 --> 00:14:58,240

some of the some of the hooks that were

425

00:15:03,269 --> 00:15:00,399

included in that particular document

426

00:15:04,150 --> 00:15:03,279

uh certainly are the same uh same hooks

427

00:15:06,150 --> 00:15:04,160

that uh

428

00:15:07,750 --> 00:15:06,160

dodie has used in his past this

429

00:15:09,269 --> 00:15:07,760

information so that

430

00:15:11,110 --> 00:15:09,279

he was involved in all that that

431

00:15:13,829 --> 00:15:11,120

wouldn't surprise me one bit or

432

00:15:15,189 --> 00:15:13,839

somebody just simply copied his style

433

00:15:17,189 --> 00:15:15,199

that could be the case too

434

00:15:19,590 --> 00:15:17,199

but uh regardless i think this is a

435

00:15:20,230 --> 00:15:19,600

mistake on melon's part to include dodie

436

00:15:23,030 --> 00:15:20,240

and all this

437

00:15:24,949 --> 00:15:23,040

he's been out of the air force for i

438

00:15:27,430 --> 00:15:24,959

believe since the 80s

439

00:15:28,790 --> 00:15:27,440

and this goes back a long time we really

440

00:15:31,030 --> 00:15:28,800

want to stay focused on

441

00:15:33,030 --> 00:15:31,040

on the main thing again i think this is

442

00:15:36,310 --> 00:15:33,040

a mistake this is a mistake that i think

443

00:15:39,749 --> 00:15:36,320

a lot of ufo people are making as well

444

00:15:42,790 --> 00:15:39,759

that they are getting focused on

445

00:15:44,710 --> 00:15:42,800

a lot of this old disinformation

446

00:15:47,030 --> 00:15:44,720

we're seeing it uh popping up uh here

447

00:15:52,310 --> 00:15:47,040

and there and i'm going to get to that

448

00:15:56,150 --> 00:15:54,710

and finally today i want to touch on

449

00:15:59,269 --> 00:15:56,160

what i think is going to be a

450

00:16:01,030 --> 00:15:59,279

very important question as we go forward

451
00:16:04,550 --> 00:16:01,040
and learn more and more about

452
00:16:07,030 --> 00:16:04,560
ufos and that is basically our uh

453
00:16:08,949 --> 00:16:07,040
we're going to have to answer a number

454
00:16:10,470 --> 00:16:08,959
of important questions but perhaps uh

455
00:16:13,350 --> 00:16:10,480
the most important question of

456
00:16:15,110 --> 00:16:13,360
all is what did the best informed

457
00:16:18,310 --> 00:16:15,120
sections of the government

458
00:16:18,710 --> 00:16:18,320
know about ufos and when did they know

459
00:16:20,949 --> 00:16:18,720
it

460
00:16:22,069 --> 00:16:20,959
uh do they have proof of ufos or if

461
00:16:24,470 --> 00:16:22,079
they've been just

462
00:16:26,470 --> 00:16:24,480
gathering remote sensing evidence like

463
00:16:27,110 --> 00:16:26,480

radar and camera footage and witness

464

00:16:29,110 --> 00:16:27,120

accounts

465

00:16:30,949 --> 00:16:29,120

and just compiling them and sitting on

466

00:16:33,030 --> 00:16:30,959

them all these years

467

00:16:34,150 --> 00:16:33,040

if they've actually have they actually

468

00:16:38,389 --> 00:16:34,160

retrieved

469

00:16:40,629 --> 00:16:38,399

a genuine ufo craft if that's the case

470

00:16:42,470 --> 00:16:40,639

then they have proof and there's no

471

00:16:44,389 --> 00:16:42,480

question about that

472

00:16:46,310 --> 00:16:44,399

but we also can't be hundred a hundred

473

00:16:48,310 --> 00:16:46,320

percent sure that they've done that

474

00:16:50,470 --> 00:16:48,320

so either way even the staunchest

475

00:16:52,069 --> 00:16:50,480

skeptics i think would at least admit

476
00:16:52,949 --> 00:16:52,079
that the government knows more about

477
00:16:55,189 --> 00:16:52,959
ufos

478
00:16:56,470 --> 00:16:55,199
than they've been telling us these last

479
00:16:59,189 --> 00:16:56,480
several decades

480
00:16:59,509 --> 00:16:59,199
uh the last three quarters of a century

481
00:17:01,910 --> 00:16:59,519
and

482
00:17:03,590 --> 00:17:01,920
we also know that the government goes to

483
00:17:04,470 --> 00:17:03,600
great lengths to retrieve foreign

484
00:17:06,549 --> 00:17:04,480
technology

485
00:17:07,510 --> 00:17:06,559
and i've talked about some cases some

486
00:17:09,750 --> 00:17:07,520
known cases

487
00:17:12,870 --> 00:17:09,760
of just that happening here on the show

488
00:17:15,909 --> 00:17:12,880

earlier there's the glomer explorer case

489

00:17:19,270 --> 00:17:15,919

there's the soviet luna 3 satellite

490

00:17:21,750 --> 00:17:19,280

and the tupelo spy plane uh just to name

491

00:17:23,669 --> 00:17:21,760

three uh there was also a a case that

492

00:17:26,870 --> 00:17:23,679

tom rogan wrote about where some

493

00:17:29,909 --> 00:17:26,880

uh a mobile uh soviet communications uh

494

00:17:31,510 --> 00:17:29,919

uh uh truck was uh basically uh uh fell

495

00:17:34,710 --> 00:17:31,520

into the hands of a uh

496

00:17:36,789 --> 00:17:34,720

uh dia uh

497

00:17:37,830 --> 00:17:36,799

military unit so uh that was that was a

498

00:17:39,350 --> 00:17:37,840

nice find and we'll

499

00:17:41,190 --> 00:17:39,360

we'll do lots of things there although i

500

00:17:42,549 --> 00:17:41,200

think it's possible that maybe somebody

501
00:17:45,510 --> 00:17:42,559
just stole the truck and

502
00:17:46,789 --> 00:17:45,520
sort of drove it into one of our garages

503
00:17:49,350 --> 00:17:46,799
over there in libya

504
00:17:49,990 --> 00:17:49,360
but regardless there are certainly

505
00:17:54,870 --> 00:17:50,000
others

506
00:17:56,789 --> 00:17:54,880
and uh all these years a lot of those uh

507
00:17:59,110 --> 00:17:56,799
that we don't know about and uh right

508
00:17:59,669 --> 00:17:59,120
now uh we're in silly season so we're

509
00:18:02,630 --> 00:17:59,679
seeing

510
00:18:04,710 --> 00:18:02,640
lots of irresponsible ufo commentators

511
00:18:07,430 --> 00:18:04,720
overreaching on their data

512
00:18:08,390 --> 00:18:07,440
using old discredited information

513
00:18:10,789 --> 00:18:08,400

disinformation

514

00:18:12,230 --> 00:18:10,799

knowingly or unknowingly as a source for

515

00:18:13,990 --> 00:18:12,240

their claims so

516

00:18:15,590 --> 00:18:14,000

let's take a closer look and try to

517

00:18:18,150 --> 00:18:15,600

think critically how

518

00:18:19,430 --> 00:18:18,160

such a system of cover-up how such a

519

00:18:22,150 --> 00:18:19,440

system might work

520

00:18:23,270 --> 00:18:22,160

so we're hearing again about uh majestic

521

00:18:25,510 --> 00:18:23,280

12 documents

522

00:18:26,630 --> 00:18:25,520

uh they are fake they are known uh

523

00:18:29,110 --> 00:18:26,640

disinformation

524

00:18:30,150 --> 00:18:29,120

that's uh that's been out there for

525

00:18:33,909 --> 00:18:30,160

years that

526

00:18:36,310 --> 00:18:33,919

uh not necessarily uh talk about mj 12

527

00:18:39,669 --> 00:18:36,320

is a fake document but sort of as a

528

00:18:41,909 --> 00:18:39,679

catch-all uh phrase a catch-all name

529

00:18:43,029 --> 00:18:41,919

uh from what might be going on behind

530

00:18:45,510 --> 00:18:43,039

the scenes so

531

00:18:46,150 --> 00:18:45,520

a generalized name for whatever system

532

00:18:48,470 --> 00:18:46,160

actually

533

00:18:49,669 --> 00:18:48,480

is uh and we're also hearing another

534

00:18:51,830 --> 00:18:49,679

name

535

00:18:53,830 --> 00:18:51,840

that's come up more recently and i want

536

00:18:56,230 --> 00:18:53,840

to talk about that a little bit and that

537

00:18:57,590 --> 00:18:56,240

is zodiac that is another name that has

538

00:19:00,150 --> 00:18:57,600

come up recently

539

00:19:02,310 --> 00:19:00,160

it's important to note that uh the the

540

00:19:03,029 --> 00:19:02,320

first time that name was used as far as

541

00:19:06,630 --> 00:19:03,039

i know

542

00:19:08,310 --> 00:19:06,640

is it from an anonymous article in ufo

543

00:19:10,549 --> 00:19:08,320

magazine published by

544

00:19:11,830 --> 00:19:10,559

bill burns that came out in the early

545

00:19:14,230 --> 00:19:11,840

90s so i'm

546

00:19:15,029 --> 00:19:14,240

highly skeptical that that name means

547

00:19:16,870 --> 00:19:15,039

anything too

548

00:19:19,110 --> 00:19:16,880

i think that that's more uh

549

00:19:22,310 --> 00:19:19,120

fictioneering more disinformation

550

00:19:23,029 --> 00:19:22,320

but a lot of researchers have latched on

551
00:19:26,310 --> 00:19:23,039
to that

552
00:19:27,029 --> 00:19:26,320
and i'm just uh not uh solid that this

553
00:19:30,470 --> 00:19:27,039
information

554
00:19:30,870 --> 00:19:30,480
is uh uh what that we need to be looking

555
00:19:34,950 --> 00:19:30,880
at

556
00:19:37,190 --> 00:19:34,960
be some sort of system in place

557
00:19:37,990 --> 00:19:37,200
and it has to work and it's worked

558
00:19:39,750 --> 00:19:38,000
pretty effectively

559
00:19:41,750 --> 00:19:39,760
you would have to think over these years

560
00:19:43,110 --> 00:19:41,760
so let's try to figure out what that

561
00:19:45,909 --> 00:19:43,120
system might entail

562
00:19:47,830 --> 00:19:45,919
and uh who might the people be uh

563
00:19:50,070 --> 00:19:47,840

involved in it and uh there has to have

564

00:19:53,590 --> 00:19:50,080

been some other talk about that system

565

00:19:54,789 --> 00:19:53,600

uh being ruled and uh not not answerable

566

00:19:58,390 --> 00:19:54,799

to anyone

567

00:20:00,950 --> 00:19:58,400

any any one person by permanent insiders

568

00:20:02,630 --> 00:20:00,960

and uh that it's rogue that there's this

569

00:20:04,630 --> 00:20:02,640

rogue system going on

570

00:20:06,630 --> 00:20:04,640

and that not they're not responsible to

571

00:20:07,190 --> 00:20:06,640

anyone uh they're government insiders

572

00:20:10,070 --> 00:20:07,200

who have

573

00:20:11,270 --> 00:20:10,080

been there forever and that seems highly

574

00:20:13,909 --> 00:20:11,280

unlikely to me

575

00:20:15,430 --> 00:20:13,919

i i don't believe uh that is the sort of

576

00:20:16,789 --> 00:20:15,440

thing that's happening that's not the

577

00:20:19,270 --> 00:20:16,799

system i don't think

578

00:20:21,430 --> 00:20:19,280

and uh the reason for that is uh

579

00:20:23,669 --> 00:20:21,440

basically

580

00:20:24,710 --> 00:20:23,679

if uh you were running a such an

581

00:20:27,110 --> 00:20:24,720

operation

582

00:20:28,470 --> 00:20:27,120

uh you would want the best information

583

00:20:31,750 --> 00:20:28,480

available to you

584

00:20:33,510 --> 00:20:31,760

and if you were so secretive that yeah

585

00:20:34,950 --> 00:20:33,520

how would how would someone know to get

586

00:20:36,710 --> 00:20:34,960

that information to you

587

00:20:38,870 --> 00:20:36,720

i don't think uh i don't think that's

588

00:20:39,909 --> 00:20:38,880

possible uh the good information comes

589

00:20:42,310 --> 00:20:39,919

in from the field

590

00:20:44,390 --> 00:20:42,320

and how would you know it okay and uh

591

00:20:47,350 --> 00:20:44,400

such an organization would have to be

592

00:20:48,149 --> 00:20:47,360

uh peopled by a powerful people names

593

00:20:50,230 --> 00:20:48,159

that we would know

594

00:20:51,750 --> 00:20:50,240

names we would easily be able to track

595

00:20:54,310 --> 00:20:51,760

down in both the

596

00:20:55,909 --> 00:20:54,320

military and the intel community and you

597

00:20:57,350 --> 00:20:55,919

would also have to have a system to

598

00:20:59,110 --> 00:20:57,360

address turnover

599

00:21:01,190 --> 00:20:59,120

because people don't stay in those

600

00:21:02,070 --> 00:21:01,200

positions for very long maybe a couple

601
00:21:05,350 --> 00:21:02,080
of years

602
00:21:06,710 --> 00:21:05,360
and then after that

603
00:21:09,110 --> 00:21:06,720
you know this is a system that might

604
00:21:10,950 --> 00:21:09,120
well have been going on for 70 years so

605
00:21:13,270 --> 00:21:10,960
how do you deal with that sort of thing

606
00:21:15,270 --> 00:21:13,280
that that's an important question

607
00:21:17,510 --> 00:21:15,280
but i think that's how it's happening

608
00:21:19,270 --> 00:21:17,520
you just you just can't have this

609
00:21:20,789 --> 00:21:19,280
uh this private little group within the

610
00:21:22,149 --> 00:21:20,799
government just sitting there

611
00:21:24,470 --> 00:21:22,159
and they're going to get everything

612
00:21:24,950 --> 00:21:24,480
because let's face it if nobody knows

613
00:21:27,350 --> 00:21:24,960

who you

614

00:21:29,110 --> 00:21:27,360

are how is anybody going to know to get

615

00:21:30,390 --> 00:21:29,120

you the best information if you're that

616

00:21:32,230 --> 00:21:30,400

secretive you can't be

617

00:21:33,590 --> 00:21:32,240

uh you have to have basically a very

618

00:21:35,190 --> 00:21:33,600

powerful day job

619

00:21:36,789 --> 00:21:35,200

and that would be the best way to

620

00:21:38,149 --> 00:21:36,799

compile that information that

621

00:21:40,310 --> 00:21:38,159

information gets to you

622

00:21:42,149 --> 00:21:40,320

because it's part of your normal job and

623

00:21:45,669 --> 00:21:42,159

then you've got this uh

624

00:21:46,310 --> 00:21:45,679

this uh et ufo related things sort of on

625

00:21:48,470 --> 00:21:46,320

the side

626
00:21:50,310 --> 00:21:48,480
and when something comes your way you

627
00:21:51,830 --> 00:21:50,320
are absolutely sharing it with the other

628
00:21:54,870 --> 00:21:51,840
people who are part of your little

629
00:21:56,950 --> 00:21:54,880
ad hoc et committee but uh

630
00:21:58,310 --> 00:21:56,960
you know you've got to have a powerful

631
00:22:00,070 --> 00:21:58,320
job you've got to be

632
00:22:01,590 --> 00:22:00,080
in the loop on just about everything

633
00:22:03,909 --> 00:22:01,600
because you don't know

634
00:22:04,950 --> 00:22:03,919
when and where new information is going

635
00:22:11,110 --> 00:22:04,960
to come to you

636
00:22:14,470 --> 00:22:13,029
i i do think this sort of thing is

637
00:22:17,510 --> 00:22:14,480
possible you know if uh

638
00:22:20,789 --> 00:22:17,520

crash landings uh uh have never been uh

639

00:22:22,310 --> 00:22:20,799

recovered uh uh

640

00:22:24,470 --> 00:22:22,320

if uh that sort of thing has never

641

00:22:25,270 --> 00:22:24,480

happened if crash uh landings have never

642

00:22:27,510 --> 00:22:25,280

happened

643

00:22:28,549 --> 00:22:27,520

then all that we've been doing the last

644

00:22:30,630 --> 00:22:28,559

70 years is

645

00:22:33,190 --> 00:22:30,640

uh collecting case files some of which

646

00:22:34,470 --> 00:22:33,200

you have a remote sensing data attached

647

00:22:37,430 --> 00:22:34,480

to them like radar

648

00:22:38,950 --> 00:22:37,440

but it's a very significant uh to anyone

649

00:22:41,270 --> 00:22:38,960

uh who's looked at

650

00:22:42,789 --> 00:22:41,280

the best information available it seems

651
00:22:44,310 --> 00:22:42,799
to me they would have concluded that

652
00:22:47,430 --> 00:22:44,320
some of those ufos

653
00:22:49,029 --> 00:22:47,440
are in fact et uh if uh they've been

654
00:22:51,029 --> 00:22:49,039
looking closely at all that

655
00:22:52,710 --> 00:22:51,039
and uh that would be uh the assessment

656
00:22:55,430 --> 00:22:52,720
it's been my assessment from

657
00:22:56,070 --> 00:22:55,440
not even having uh the best information

658
00:22:57,669 --> 00:22:56,080
available

659
00:22:59,669 --> 00:22:57,679
but that's been my assessment i think it

660
00:23:02,950 --> 00:22:59,679
would be theirs and

661
00:23:05,110 --> 00:23:02,960
uh they just they ignore it

662
00:23:06,149 --> 00:23:05,120
they haven't exactly covered it up

663
00:23:10,230 --> 00:23:06,159

because obviously

664

00:23:12,230 --> 00:23:10,240

we know quite a bit uh but uh uh

665

00:23:14,310 --> 00:23:12,240

that's uh they're just basically in a

666

00:23:17,350 --> 00:23:14,320

state of denial so maybe it's a

667

00:23:19,590 --> 00:23:17,360

more of a denial than a cover-up now if

668

00:23:20,549 --> 00:23:19,600

they've got the e.t wreckage then then

669

00:23:23,110 --> 00:23:20,559

it's a cover-up

670

00:23:24,310 --> 00:23:23,120

that is for sure but if they don't then

671

00:23:26,710 --> 00:23:24,320

it's uh they're just

672

00:23:27,669 --> 00:23:26,720

uh denying the obvious uh they don't

673

00:23:29,590 --> 00:23:27,679

have proof

674

00:23:30,870 --> 00:23:29,600

uh but they have lots of evidence and i

675

00:23:33,350 --> 00:23:30,880

think as we go forward

676

00:23:33,990 --> 00:23:33,360

uh we're going to get into that proof

677

00:23:37,350 --> 00:23:34,000

versus

678

00:23:40,390 --> 00:23:37,360

evidence argument we've seen

679

00:23:43,510 --> 00:23:40,400

in papers some headlines there's no

680

00:23:45,830 --> 00:23:43,520

evidence of ufos being e.t well if you

681

00:23:47,269 --> 00:23:45,840

use a process of elimination theory

682

00:23:49,190 --> 00:23:47,279

and they're saying yeah these are

683

00:23:51,750 --> 00:23:49,200

intelligently controlled vehicles

684

00:23:52,549 --> 00:23:51,760

no they're not american and no we don't

685

00:23:54,630 --> 00:23:52,559

think that

686

00:23:56,710 --> 00:23:54,640

uh the russian or chinese or anybody

687

00:23:59,990 --> 00:23:56,720

else's then what you're left with

688

00:24:01,350 --> 00:24:00,000

is uh that there's only one other option

689

00:24:02,630 --> 00:24:01,360

really yeah through a process of

690

00:24:04,630 --> 00:24:02,640

elimination theory

691

00:24:06,070 --> 00:24:04,640

so that's if the bet if that's the best

692

00:24:08,390 --> 00:24:06,080

information that they've got

693

00:24:09,269 --> 00:24:08,400

then uh then that's where they're at and

694

00:24:12,390 --> 00:24:09,279

they're just

695

00:24:13,590 --> 00:24:12,400

basically weasel wording and uh saying

696

00:24:15,269 --> 00:24:13,600

that they don't have proof when they

697

00:24:17,669 --> 00:24:15,279

have plenty of evidence

698

00:24:19,510 --> 00:24:17,679

maybe or they do actually have the proof

699

00:24:22,789 --> 00:24:19,520

in the form of crash retrievals

700

00:24:24,549 --> 00:24:22,799

and uh they're uh that is uh uh that

701
00:24:26,470 --> 00:24:24,559
those are the keys to the kingdom uh

702
00:24:29,350 --> 00:24:26,480
that is uh the big secret

703
00:24:29,909 --> 00:24:29,360
but uh as we go along as we go around uh

704
00:24:31,750 --> 00:24:29,919
further

705
00:24:33,430 --> 00:24:31,760
down this path that we are gaining

706
00:24:35,510 --> 00:24:33,440
knowledge about ufos

707
00:24:37,669 --> 00:24:35,520
and that's what we're all in this for

708
00:24:40,149 --> 00:24:37,679
and as this week progresses i

709
00:24:42,149 --> 00:24:40,159
do believe that we are going to see more

710
00:24:44,710 --> 00:24:42,159
information about ufos

711
00:24:45,750 --> 00:24:44,720
and when we've got something else to

712
00:24:47,590 --> 00:24:45,760
talk about

713
00:24:49,190 --> 00:24:47,600

if the report comes out this week i'll

714

00:24:51,269 --> 00:24:49,200

absolutely be on here

715

00:24:52,310 --> 00:24:51,279

uh having read it and uh having uh

716

00:24:54,470 --> 00:24:52,320

blabbered through it

717

00:24:56,070 --> 00:24:54,480

and uh praising what i think is good

718

00:24:57,990 --> 00:24:56,080

about it and uh

719

00:24:59,430 --> 00:24:58,000

criticizing what i think is bad about it

720

00:25:02,070 --> 00:24:59,440

and pointing out

721

00:25:03,350 --> 00:25:02,080

uh what seems to be missing because when

722

00:25:04,470 --> 00:25:03,360

you've got uh so many different

723

00:25:06,630 --> 00:25:04,480

organizations

724

00:25:07,510 --> 00:25:06,640

in the government being uh asked to

725

00:25:09,590 --> 00:25:07,520

contribute

726

00:25:11,909 --> 00:25:09,600

to this report and then the uh the

727

00:25:14,390 --> 00:25:11,919

director of national intelligence

728

00:25:15,269 --> 00:25:14,400

essentially acting as an editor from all

729

00:25:18,390 --> 00:25:15,279

these uh

730

00:25:19,750 --> 00:25:18,400

sub reports

731

00:25:21,669 --> 00:25:19,760

uh some are going to be better

732

00:25:23,350 --> 00:25:21,679

contributors than others i think uh that

733

00:25:25,510 --> 00:25:23,360

goes without saying uh that's uh

734

00:25:26,789 --> 00:25:25,520

uh that's pretty self-evident and we

735

00:25:29,029 --> 00:25:26,799

will see who holds the

736

00:25:30,630 --> 00:25:29,039

up their end and who doesn't and

737

00:25:32,710 --> 00:25:30,640

certainly as we go forward

738

00:25:34,149 --> 00:25:32,720

it's looking more and more like the air

739

00:25:36,870 --> 00:25:34,159

force uh the

740

00:25:38,310 --> 00:25:36,880

organization that really has the mother

741

00:25:41,430 --> 00:25:38,320

load in terms of at least

742

00:25:43,590 --> 00:25:41,440

remote sensing data about the ufos

743

00:25:44,549 --> 00:25:43,600

is uh might might continue to be a

744

00:25:46,230 --> 00:25:44,559

problem area

745

00:25:48,950 --> 00:25:46,240

so that's about all i've got time for

746

00:25:51,110 --> 00:25:48,960

today i hope you enjoyed it a relatively

747

00:25:53,909 --> 00:25:51,120

short show kept it under a half hour

748

00:25:55,269 --> 00:25:53,919

and we'll be back as soon as like i said

749

00:25:56,549 --> 00:25:55,279

i'll be back as soon as i've got

750

00:25:57,990 --> 00:25:56,559

something more to talk about
