

The UFO Rabbit Hole

**THE PENTAGON
SAYS THAT UFOS
ARE REAL**

Episode 1

1
00:00:04,230 --> 00:00:02,470
hi there we'll get started in just a sec

2
00:00:06,710 --> 00:00:04,240
but i just wanted to grab you first to

3
00:00:07,670 --> 00:00:06,720
say that this podcast is gonna be a lot

4
00:00:09,509 --> 00:00:07,680
of fun

5
00:00:11,430 --> 00:00:09,519
but it's also something that i take

6
00:00:13,350 --> 00:00:11,440
extremely seriously

7
00:00:15,430 --> 00:00:13,360
i truly don't think that there is a more

8
00:00:17,830 --> 00:00:15,440
pressing or more profound question for

9
00:00:19,990 --> 00:00:17,840
humankind to answer than this one

10
00:00:21,670 --> 00:00:20,000
so it's my intention to give this topic

11
00:00:23,910 --> 00:00:21,680
the respect it deserves and not just

12
00:00:25,910 --> 00:00:23,920
create a fun podcast but a truly

13
00:00:27,589 --> 00:00:25,920

valuable resource for anyone who's

14

00:00:28,950 --> 00:00:27,599

inspired to follow this line of

15

00:00:31,669 --> 00:00:28,960

questioning

16

00:00:34,389 --> 00:00:31,679

to do that i'm making every single video

17

00:00:36,549 --> 00:00:34,399

photo declassified document news story

18

00:00:39,110 --> 00:00:36,559

academic article and whatever other

19

00:00:40,950 --> 00:00:39,120

resources i use to build these episodes

20

00:00:43,110 --> 00:00:40,960

along with my full episode notes and

21

00:00:45,350 --> 00:00:43,120

transcripts available to anyone who

22

00:00:47,350 --> 00:00:45,360

wants them just go to the website

your inbox along with each new episode

27
00:00:58,000 --> 00:00:55,199
as soon as they go live

28
00:01:13,650 --> 00:00:58,010
go do it now the music's about to play

29
00:01:13,740 --> 00:01:13,660
[Music]

30
00:01:21,620 --> 00:01:13,750
[Applause]

31
00:01:31,429 --> 00:01:21,630
[Music]

32
00:01:32,630 --> 00:01:31,439
have you ever seen a ufo

33
00:01:33,910 --> 00:01:32,640
i have

34
00:01:36,149 --> 00:01:33,920
once

35
00:01:37,830 --> 00:01:36,159
on vacation when i was a teenager

36
00:01:39,830 --> 00:01:37,840
my family was staying in a beach house

37
00:01:42,069 --> 00:01:39,840
near hatteras on north carolina's outer

38
00:01:44,230 --> 00:01:42,079

banks i was sitting out on the deck one

39

00:01:46,069 --> 00:01:44,240

night looking out at the vast expanse of

40

00:01:47,670 --> 00:01:46,079

the ocean and the impossible field of

41

00:01:49,670 --> 00:01:47,680

stars above

42

00:01:52,469 --> 00:01:49,680

growing up under the dull orange glow of

43

00:01:54,950 --> 00:01:52,479

a suburban night sky i so rarely got to

44

00:01:56,630 --> 00:01:54,960

see the stars like that and so i spent

45

00:01:58,550 --> 00:01:56,640

most nights out on the deck in a

46

00:02:00,069 --> 00:01:58,560

weathered adirondack chair with my feet

47

00:02:02,469 --> 00:02:00,079

kicked up on the railing and my head

48

00:02:04,069 --> 00:02:02,479

tipped back just marveling at the sheer

49

00:02:06,230 --> 00:02:04,079

number of stars

50

00:02:08,229 --> 00:02:06,240

on a clear enough night you could see

51
00:02:10,550 --> 00:02:08,239
that the stars weren't just uniform

52
00:02:12,790 --> 00:02:10,560
white pin pricks of light but rather

53
00:02:14,309 --> 00:02:12,800
they sparkled like gems in every color

54
00:02:15,990 --> 00:02:14,319
of the rainbow

55
00:02:16,869 --> 00:02:16,000
it was on one of those nights that i saw

56
00:02:21,270 --> 00:02:16,879
it

57
00:02:23,830 --> 00:02:21,280
the clear bright light moving across the

58
00:02:25,750 --> 00:02:23,840
sky was moving way too fast

59
00:02:27,190 --> 00:02:25,760
my brain reshuffled trying to make sense

60
00:02:28,630 --> 00:02:27,200
of what i was seeing

61
00:02:30,550 --> 00:02:28,640
i knew there was an air force base

62
00:02:32,550 --> 00:02:30,560
nearby and that made sense

63
00:02:35,190 --> 00:02:32,560

until the light took a hard 90 degree

64

00:02:36,869 --> 00:02:35,200

left turn without slowing down followed

65

00:02:38,710 --> 00:02:36,879

immediately by another equally

66

00:02:40,710 --> 00:02:38,720

impossible turn to the right before

67

00:02:42,550 --> 00:02:40,720

accelerating off past the horizon

68

00:02:45,830 --> 00:02:42,560

streaking like a comet

69

00:02:48,229 --> 00:02:45,840

electrified by what i had seen i ran

70

00:02:50,070 --> 00:02:48,239

inside and told my family but as you

71

00:02:52,710 --> 00:02:50,080

might imagine they laughed at me and

72

00:02:54,869 --> 00:02:52,720

then accused me of smoking weed fair

73

00:02:56,869 --> 00:02:54,879

i didn't talk about it again

74

00:02:59,110 --> 00:02:56,879

i didn't see anything else on that trip

75

00:03:00,710 --> 00:02:59,120

or ever again in the years since

76

00:03:03,670 --> 00:03:00,720

i would sometimes think about what i'd

77

00:03:05,270 --> 00:03:03,680

seen with a detached shapeless curiosity

78

00:03:07,589 --> 00:03:05,280

but what do you do with an experience

79

00:03:09,430 --> 00:03:07,599

that you can't attach to anything solid

80

00:03:11,589 --> 00:03:09,440

that falls outside the boundaries of

81

00:03:13,350 --> 00:03:11,599

everything you know to be true

82

00:03:16,070 --> 00:03:13,360

i think most people who find themselves

83

00:03:18,790 --> 00:03:16,080

in that situation do exactly what i did

84

00:03:20,790 --> 00:03:18,800

i mostly forgot while the kelly of my

85

00:03:23,110 --> 00:03:20,800

youth held a worldview expansive enough

86

00:03:25,670 --> 00:03:23,120

to permit for a little bit of mystery

87

00:03:27,509 --> 00:03:25,680

as i got older something changed

88

00:03:29,110 --> 00:03:27,519

or rather i did

89

00:03:30,869 --> 00:03:29,120

a series of life-changing events

90

00:03:33,350 --> 00:03:30,879

including the sudden and devastating

91

00:03:35,670 --> 00:03:33,360

loss of my father when i was 20 caused

92

00:03:38,869 --> 00:03:35,680

me to forcibly amputate any notion of

93

00:03:41,270 --> 00:03:38,879

the spiritual paranormal or otherworldly

94

00:03:43,430 --> 00:03:41,280

life as i saw it was a harsh rigid

95

00:03:45,270 --> 00:03:43,440

unrelenting landscape painted only in

96

00:03:48,309 --> 00:03:45,280

shades of black and white

97

00:03:50,949 --> 00:03:48,319

everything could be known it had to be

98

00:03:54,070 --> 00:03:50,959

because if it could be known it could be

99

00:03:55,509 --> 00:03:54,080

planned for mitigated dealt with or even

100

00:03:57,589 --> 00:03:55,519

choked on

101
00:03:59,110 --> 00:03:57,599
but at least i'd see it coming and i

102
00:04:00,789 --> 00:03:59,120
wouldn't make the mistake of hoping it

103
00:04:02,550 --> 00:04:00,799
could be different

104
00:04:04,630 --> 00:04:02,560
there wasn't any room for ambiguity in

105
00:04:06,229 --> 00:04:04,640
the paradigm that i adopted

106
00:04:08,550 --> 00:04:06,239
i thought about what i'd seen in the sky

107
00:04:10,630 --> 00:04:08,560
that night less and less and then barely

108
00:04:12,869 --> 00:04:10,640
at all until eventually years would go

109
00:04:15,270 --> 00:04:12,879
by without that troublesome incongruent

110
00:04:17,909 --> 00:04:15,280
little thought bubbling to the surface

111
00:04:19,590 --> 00:04:17,919
but then in april of last year something

112
00:04:21,030 --> 00:04:19,600
crazy happened

113
00:04:22,950 --> 00:04:21,040

it might even be the craziest thing

114

00:04:24,629 --> 00:04:22,960

that's ever happened which is saying a

115

00:04:27,270 --> 00:04:24,639

lot considering it coincided with the

116

00:04:30,950 --> 00:04:27,280

outbreak of a generational pandemic

117

00:04:33,189 --> 00:04:30,960

on april 27 2020 the pentagon released a

118

00:04:35,430 --> 00:04:33,199

statement to the press confirming that

119

00:04:38,070 --> 00:04:35,440

three leaked videos of ufos that had

120

00:04:40,950 --> 00:04:38,080

been included in a 2017 expose in the

121

00:04:43,510 --> 00:04:40,960

new york times weren't just real

122

00:04:45,590 --> 00:04:43,520

but they admitted that they had no idea

123

00:04:47,270 --> 00:04:45,600

what these craft were and had no

124

00:04:49,270 --> 00:04:47,280

explanation for their seemingly

125

00:04:50,790 --> 00:04:49,280

impossible maneuvering

126
00:04:52,469 --> 00:04:50,800
we'll get into the whole backstory

127
00:04:53,909 --> 00:04:52,479
behind the leaked videos the new york

128
00:04:55,590 --> 00:04:53,919
times article and this stunning

129
00:04:57,990 --> 00:04:55,600
admission from the pentagon in future

130
00:04:59,670 --> 00:04:58,000
episodes the utterly bizarre and

131
00:05:01,350 --> 00:04:59,680
unlikely series of events that ties

132
00:05:02,950 --> 00:05:01,360
these things together is at the very

133
00:05:03,830 --> 00:05:02,960
heart of this story

134
00:05:06,390 --> 00:05:03,840
but

135
00:05:08,310 --> 00:05:06,400
first let's talk about these videos

136
00:05:09,110 --> 00:05:08,320
because dude

137
00:05:11,510 --> 00:05:09,120
so

138
00:05:13,270 --> 00:05:11,520

these videos that were leaked in 2017

139

00:05:16,469 --> 00:05:13,280

and then confirmed to be authentic by

140

00:05:17,909 --> 00:05:16,479

the pentagon in 2020 are absolutely

141

00:05:19,590 --> 00:05:17,919

mind-blowing

142

00:05:22,150 --> 00:05:19,600

and not necessarily because of the

143

00:05:24,070 --> 00:05:22,160

quality of the video or what they show

144

00:05:25,670 --> 00:05:24,080

in this respect they're about as grainy

145

00:05:27,590 --> 00:05:25,680

and difficult to decipher as any other

146

00:05:28,710 --> 00:05:27,600

sketchy ufo video that you can find on

147

00:05:30,710 --> 00:05:28,720

youtube

148

00:05:32,950 --> 00:05:30,720

what makes these three videos remarkable

149

00:05:35,189 --> 00:05:32,960

is that they were filmed by us navy

150

00:05:37,590 --> 00:05:35,199

fighter pilots with the uss nimitz off

151
00:05:39,749 --> 00:05:37,600
the west coast and with the uss theodore

152
00:05:41,990 --> 00:05:39,759
roosevelt off the east coast

153
00:05:44,310 --> 00:05:42,000
both of these ships are giant aircraft

154
00:05:45,590 --> 00:05:44,320
carriers which are part of huge battle

155
00:05:47,670 --> 00:05:45,600
cruiser fleets

156
00:05:49,749 --> 00:05:47,680
this means that there were tons of ships

157
00:05:52,710 --> 00:05:49,759
and planes on the scene with the very

158
00:05:54,710 --> 00:05:52,720
best instruments available these videos

159
00:05:56,469 --> 00:05:54,720
don't just have multiple eyewitnesses

160
00:05:59,110 --> 00:05:56,479
who have been willing to step forward to

161
00:06:00,790 --> 00:05:59,120
verify their authenticity including some

162
00:06:02,150 --> 00:06:00,800
of the actual voices that you hear on

163
00:06:04,309 --> 00:06:02,160

these tapes

164

00:06:06,629 --> 00:06:04,319

but they have verification of the same

165

00:06:09,029 --> 00:06:06,639

object being tracked by multiple sensors

166

00:06:11,029 --> 00:06:09,039

both in the air and on the sea and they

167

00:06:12,950 --> 00:06:11,039

each have full chain of custody

168

00:06:14,469 --> 00:06:12,960

documentation which means that

169

00:06:15,590 --> 00:06:14,479

theoretically they can't have been

170

00:06:17,270 --> 00:06:15,600

altered

171

00:06:18,870 --> 00:06:17,280

basically you don't have to believe

172

00:06:20,390 --> 00:06:18,880

these videos are real

173

00:06:22,390 --> 00:06:20,400

but if these videos aren't enough to

174

00:06:23,990 --> 00:06:22,400

convince you i doubt anything short of a

175

00:06:25,510 --> 00:06:24,000

personal encounter would

176

00:06:28,309 --> 00:06:25,520

and for the record if that's how you

177

00:06:29,029 --> 00:06:28,319

feel that's totally valid and i respect

178

00:06:33,909 --> 00:06:29,039

it

179

00:06:34,950 --> 00:06:33,919

cautiously and be skeptical of the

180

00:06:36,870 --> 00:06:34,960

evidence

181

00:06:38,950 --> 00:06:36,880

i only bring this up to say that this is

182

00:06:40,629 --> 00:06:38,960

the closest thing to a smoking gun that

183

00:06:43,110 --> 00:06:40,639

we're going to get short of flying

184

00:06:44,629 --> 00:06:43,120

saucers landing on the white house lawn

185

00:06:46,390 --> 00:06:44,639

it would be hard to dream up more

186

00:06:48,870 --> 00:06:46,400

bulletproof evidence

187

00:06:50,790 --> 00:06:48,880

so what do these videos show

188

00:06:52,469 --> 00:06:50,800

i'm so glad you asked because i'm dying

189

00:06:55,270 --> 00:06:52,479

to talk about it

190

00:06:57,430 --> 00:06:55,280

the first video is referred to as gimbal

191

00:06:58,390 --> 00:06:57,440

now i had to look that word up so if you

192

00:07:00,550 --> 00:06:58,400

do too

193

00:07:02,629 --> 00:07:00,560

a gimbal is a pivoted support that

194

00:07:03,589 --> 00:07:02,639

permits rotation of an object about an

195

00:07:05,350 --> 00:07:03,599

axis

196

00:07:07,189 --> 00:07:05,360

which makes a lot of sense once you see

197

00:07:09,350 --> 00:07:07,199

how this thing moves

198

00:07:12,550 --> 00:07:09,360

the gimbal video was captured by u.s

199

00:07:15,110 --> 00:07:12,560

navy fa-18 super hornet aircrafts

200

00:07:18,230 --> 00:07:15,120

utilizing a raytheon advanced targeting

201
00:07:20,150 --> 00:07:18,240
forward-looking infrared pod or atfler

202
00:07:22,150 --> 00:07:20,160
you do not have to know what any of that

203
00:07:23,749 --> 00:07:22,160
means i certainly don't

204
00:07:25,670 --> 00:07:23,759
you just need to know that we're talking

205
00:07:28,150 --> 00:07:25,680
about some of the most advanced sensors

206
00:07:29,270 --> 00:07:28,160
and powerful tracking systems available

207
00:07:31,589 --> 00:07:29,280
anywhere

208
00:07:33,830 --> 00:07:31,599
in this video navy pilots can be heard

209
00:07:36,150 --> 00:07:33,840
marveling at a top-shaped object that

210
00:07:38,469 --> 00:07:36,160
they first think might be a drone before

211
00:07:39,830 --> 00:07:38,479
it rotates a full 90 degrees while

212
00:07:41,510 --> 00:07:39,840
staying in place

213
00:07:42,629 --> 00:07:41,520

something that should be aerodynamically

214

00:07:44,390 --> 00:07:42,639

impossible

215

00:07:45,589 --> 00:07:44,400

leaving them baffled as to what they're

216

00:07:47,430 --> 00:07:45,599

seeing

217

00:07:49,909 --> 00:07:47,440

although only one of these objects can

218

00:07:51,909 --> 00:07:49,919

be seen in the video eerily one of the

219

00:07:53,670 --> 00:07:51,919

voices can be heard saying there's a

220

00:07:55,749 --> 00:07:53,680

whole fleet of them

221

00:07:58,309 --> 00:07:55,759

the second video from an incident

222

00:07:59,909 --> 00:07:58,319

reported by pilots above the uss nimitz

223

00:08:01,749 --> 00:07:59,919

is called fleur

224

00:08:03,430 --> 00:08:01,759

for the advanced axler system that was

225

00:08:05,670 --> 00:08:03,440

used to record it

226

00:08:08,309 --> 00:08:05,680

there's no audio to this video but in it

227

00:08:10,629 --> 00:08:08,319

you can see a large smooth oblong

228

00:08:12,469 --> 00:08:10,639

tic-tac-shaped object hovering in the

229

00:08:14,390 --> 00:08:12,479

sky unmoving

230

00:08:16,309 --> 00:08:14,400

it just hangs there for a couple of

231

00:08:18,150 --> 00:08:16,319

minutes and then suddenly shoots off to

232

00:08:19,029 --> 00:08:18,160

the left at a velocity that can only be

233

00:08:20,550 --> 00:08:19,039

called

234

00:08:23,749 --> 00:08:20,560

unprecedented

235

00:08:26,230 --> 00:08:23,759

the third video is called go fast

236

00:08:28,309 --> 00:08:26,240

i'll give you three guesses why this

237

00:08:31,350 --> 00:08:28,319

video was filmed by us navy pilots from

238

00:08:33,990 --> 00:08:31,360

the uss theodore roosevelt in 2015 and

239

00:08:35,909 --> 00:08:34,000

it shows a round or oblong craft flying

240

00:08:37,509 --> 00:08:35,919

in the air over the open ocean at an

241

00:08:39,269 --> 00:08:37,519

impossible speed

242

00:08:41,589 --> 00:08:39,279

the pilots are laughing and shouting

243

00:08:43,269 --> 00:08:41,599

clearly stunned at what they're seeing

244

00:08:45,829 --> 00:08:43,279

one of the voices you can hear is that

245

00:08:47,990 --> 00:08:45,839

of commander david fravor who told abc

246

00:08:50,230 --> 00:08:48,000

news in an interview about the event

247

00:08:51,990 --> 00:08:50,240

after 18 years of flying i've seen

248

00:08:53,269 --> 00:08:52,000

pretty much about everything that i can

249

00:08:55,910 --> 00:08:53,279

see in that realm

250

00:08:57,829 --> 00:08:55,920

and this was nothing close

251
00:08:59,829 --> 00:08:57,839
in the time since these incidents have

252
00:09:01,750 --> 00:08:59,839
been investigated more deeply with

253
00:09:04,070 --> 00:09:01,760
multiple eyewitnesses coming forward to

254
00:09:05,750 --> 00:09:04,080
share what they saw and the details that

255
00:09:07,030 --> 00:09:05,760
they've been filling in are even more

256
00:09:09,430 --> 00:09:07,040
incredible than what was shown in the

257
00:09:11,829 --> 00:09:09,440
videos for example

258
00:09:14,310 --> 00:09:11,839
during the 2004 nimitz incident it's

259
00:09:16,870 --> 00:09:14,320
reported that the sensors above the uss

260
00:09:19,110 --> 00:09:16,880
princeton another aircraft carrier in

261
00:09:20,949 --> 00:09:19,120
the area that also encountered the

262
00:09:23,509 --> 00:09:20,959
tic-tac-shaped craft

263
00:09:25,910 --> 00:09:23,519

captured this craft dropping from eighty

264

00:09:28,870 --> 00:09:25,920

thousand feet in the air down to the

265

00:09:30,470 --> 00:09:28,880

surface of the ocean in point seven

266

00:09:32,870 --> 00:09:30,480

eight seconds

267

00:09:34,630 --> 00:09:32,880

that's hundreds of thousands of

268

00:09:37,110 --> 00:09:34,640

kilometers per hour

269

00:09:39,110 --> 00:09:37,120

for comparison our fastest planes can go

270

00:09:41,350 --> 00:09:39,120

about mach 3.2

271

00:09:43,190 --> 00:09:41,360

which is just a little bit shy of 4 000

272

00:09:44,630 --> 00:09:43,200

kilometers per hour

273

00:09:46,470 --> 00:09:44,640

we'll get more into the startling

274

00:09:48,550 --> 00:09:46,480

incidents behind these videos as we move

275

00:09:50,790 --> 00:09:48,560

forward and explore what these things

276
00:09:51,670 --> 00:09:50,800
could possibly be and what it all might

277
00:09:53,190 --> 00:09:51,680
mean

278
00:09:54,710 --> 00:09:53,200
but for now what i need you to know is

279
00:09:56,870 --> 00:09:54,720
simply this

280
00:09:58,949 --> 00:09:56,880
the pentagon has confirmed that there

281
00:10:01,110 --> 00:09:58,959
are what appear to be intelligently

282
00:10:03,670 --> 00:10:01,120
controlled craft that fly in our

283
00:10:05,910 --> 00:10:03,680
airspace and interact regularly with

284
00:10:08,230 --> 00:10:05,920
some of the deadliest and most advanced

285
00:10:10,470 --> 00:10:08,240
arms of our military apparatus with

286
00:10:12,389 --> 00:10:10,480
complete impunity

287
00:10:13,509 --> 00:10:12,399
the government says they don't know what

288
00:10:16,550 --> 00:10:13,519

they are

289

00:10:18,630 --> 00:10:16,560

pretty sure that they don't belong to

290

00:10:21,269 --> 00:10:18,640

any of our adversaries specifically

291

00:10:23,110 --> 00:10:21,279

russia or china because the technology

292

00:10:25,750 --> 00:10:23,120

being displayed is just simply too

293

00:10:27,590 --> 00:10:25,760

advanced for that to really be plausible

294

00:10:30,150 --> 00:10:27,600

we aren't talking about just a quantum

295

00:10:32,069 --> 00:10:30,160

leap forward in technological ability

296

00:10:34,470 --> 00:10:32,079

we're talking about technology that

297

00:10:36,630 --> 00:10:34,480

implies an entirely different paradigm

298

00:10:38,790 --> 00:10:36,640

and understanding of the laws of science

299

00:10:41,269 --> 00:10:38,800

as we currently know them

300

00:10:43,190 --> 00:10:41,279

so what exactly do i mean by that what

301
00:10:46,069 --> 00:10:43,200
are we dealing with here

302
00:10:47,910 --> 00:10:46,079
so there's this guy lou elizondo who is

303
00:10:50,230 --> 00:10:47,920
the former director of the secretive

304
00:10:52,710 --> 00:10:50,240
government agency that studies ufos that

305
00:10:54,550 --> 00:10:52,720
was first revealed to exist in the 2017

306
00:10:56,550 --> 00:10:54,560
new york times article

307
00:10:58,790 --> 00:10:56,560
lou is the former director of that

308
00:11:01,990 --> 00:10:58,800
program because he resigned from his

309
00:11:03,990 --> 00:11:02,000
position in 2017 in protest citing

310
00:11:05,990 --> 00:11:04,000
excessive secrecy and internal

311
00:11:09,269 --> 00:11:06,000
opposition in his resignation letter to

312
00:11:10,710 --> 00:11:09,279
defense secretary james mattis asking

313
00:11:12,550 --> 00:11:10,720

why aren't we spending more time and

314

00:11:13,910 --> 00:11:12,560

effort on this issue

315

00:11:17,030 --> 00:11:13,920

yeah we're going to be talking a lot

316

00:11:19,030 --> 00:11:17,040

more about lou but anyway louis lozando

317

00:11:21,990 --> 00:11:19,040

has spent the last five years since his

318

00:11:24,389 --> 00:11:22,000

resignation furthering the study of ufos

319

00:11:27,110 --> 00:11:24,399

or unidentified aerial phenomena as he

320

00:11:30,870 --> 00:11:27,120

prefers to call them and he cites five

321

00:11:33,269 --> 00:11:30,880

observables of this uap technology

322

00:11:35,590 --> 00:11:33,279

the first is anti-gravity

323

00:11:37,750 --> 00:11:35,600

these craft are somehow able to overcome

324

00:11:39,670 --> 00:11:37,760

earth's gravity with no visible means of

325

00:11:41,750 --> 00:11:39,680

propulsion and no visible flight

326

00:11:44,470 --> 00:11:41,760

surfaces such as wings

327

00:11:45,829 --> 00:11:44,480

the second is sudden and instantaneous

328

00:11:47,590 --> 00:11:45,839

acceleration

329

00:11:50,069 --> 00:11:47,600

like in the first nimitz video where the

330

00:11:51,430 --> 00:11:50,079

tic tac took off to the left at 3 600

331

00:11:53,590 --> 00:11:51,440

miles per hour

332

00:11:55,670 --> 00:11:53,600

these craft can go from a standstill to

333

00:11:57,269 --> 00:11:55,680

seemingly impossible speeds

334

00:11:59,670 --> 00:11:57,279

just like that

335

00:12:02,150 --> 00:11:59,680

the third observable is hypersonic

336

00:12:03,590 --> 00:12:02,160

velocities without signatures

337

00:12:05,910 --> 00:12:03,600

this simply means that they can go

338

00:12:07,829 --> 00:12:05,920

extremely fast like the tic tac that

339

00:12:08,790 --> 00:12:07,839

dropped 80 thousand feet in less than a

340

00:12:11,190 --> 00:12:08,800

second

341

00:12:13,110 --> 00:12:11,200

or 30 times the speed of sound

342

00:12:15,509 --> 00:12:13,120

without a sonic boom

343

00:12:17,670 --> 00:12:15,519

that shouldn't be possible

344

00:12:18,949 --> 00:12:17,680

the fourth is low observability or

345

00:12:20,710 --> 00:12:18,959

cloaking

346

00:12:22,470 --> 00:12:20,720

even when these objects are observed

347

00:12:24,310 --> 00:12:22,480

getting a clear and detailed view of

348

00:12:27,670 --> 00:12:24,320

them either through pilot sightings

349

00:12:29,350 --> 00:12:27,680

radar or other means remains difficult

350

00:12:32,230 --> 00:12:29,360

and lou really saved the best for last

351
00:12:34,150 --> 00:12:32,240
on this one because the fifth observable

352
00:12:35,750 --> 00:12:34,160
is trans medium travel

353
00:12:38,150 --> 00:12:35,760
because these craft are able to

354
00:12:40,150 --> 00:12:38,160
transition seamlessly between flying in

355
00:12:42,310 --> 00:12:40,160
completely different environments

356
00:12:44,069 --> 00:12:42,320
they don't just fly through the air but

357
00:12:46,470 --> 00:12:44,079
through the waters of our oceans and

358
00:12:47,670 --> 00:12:46,480
through the vacuum of space

359
00:12:48,949 --> 00:12:47,680
i mean

360
00:12:51,190 --> 00:12:48,959
what

361
00:12:52,790 --> 00:12:51,200
this is the guy who used to run the

362
00:12:55,990 --> 00:12:52,800
government program that studied this

363
00:12:58,629 --> 00:12:56,000

stuff and this is what he is saying

364

00:13:00,790 --> 00:12:58,639

what has he seen that makes him say this

365

00:13:03,350 --> 00:13:00,800

what else don't we know

366

00:13:07,670 --> 00:13:03,360

are these videos one-off anomalies or

367

00:13:08,870 --> 00:13:07,680

just the tip of an unfathomable iceberg

368

00:13:11,990 --> 00:13:08,880

i don't know

369

00:13:13,590 --> 00:13:12,000

i seriously have no idea i've spent a

370

00:13:15,110 --> 00:13:13,600

weird amount of time on this subject

371

00:13:18,389 --> 00:13:15,120

over the last several months and the

372

00:13:20,230 --> 00:13:18,399

deeper i dig the more questions i have

373

00:13:22,470 --> 00:13:20,240

i've always considered myself to be an

374

00:13:24,550 --> 00:13:22,480

extremely logical person

375

00:13:26,550 --> 00:13:24,560

i grew up in a family of doctors nurses

376

00:13:28,310 --> 00:13:26,560

and educators where science and critical

377

00:13:30,710 --> 00:13:28,320

thinking weren't just valued in an

378

00:13:32,949 --> 00:13:30,720

abstract way but were an active and

379

00:13:34,629 --> 00:13:32,959

integral part of my upbringing

380

00:13:36,710 --> 00:13:34,639

while most kids were watching barney and

381

00:13:38,310 --> 00:13:36,720

friends my dad would teach my brother

382

00:13:39,910 --> 00:13:38,320

and i everything from what he was

383

00:13:41,910 --> 00:13:39,920

learning in medical school to the

384

00:13:44,150 --> 00:13:41,920

physics of falling objects

385

00:13:46,069 --> 00:13:44,160

and my mom would regularly bribe us with

386

00:13:47,350 --> 00:13:46,079

treats and shower us with praise when we

387

00:13:49,030 --> 00:13:47,360

could solve the critical thinking

388

00:13:50,790 --> 00:13:49,040

exercises that she prepared for her

389

00:13:52,790 --> 00:13:50,800

college age students

390

00:13:55,430 --> 00:13:52,800

having a lifelong love of both treats

391

00:13:56,870 --> 00:13:55,440

and praise i got pretty good at it

392

00:13:58,870 --> 00:13:56,880

while our upbringing ensured that we

393

00:14:00,470 --> 00:13:58,880

were always the weirdest kids at any of

394

00:14:02,150 --> 00:14:00,480

the many private schools we cycled

395

00:14:03,750 --> 00:14:02,160

through as my parents moved us around to

396

00:14:05,750 --> 00:14:03,760

pursue their degrees

397

00:14:07,430 --> 00:14:05,760

it also taught me how to think

398

00:14:09,670 --> 00:14:07,440

and i've always been really grateful for

399

00:14:11,030 --> 00:14:09,680

that and if i'm being honest it's

400

00:14:12,389 --> 00:14:11,040

something that i've taken a lot of pride

401
00:14:14,069 --> 00:14:12,399
in

402
00:14:15,509 --> 00:14:14,079
so when the government came out and

403
00:14:17,910 --> 00:14:15,519
confirmed that these videos that have

404
00:14:19,990 --> 00:14:17,920
been floating around since 2017

405
00:14:21,990 --> 00:14:20,000
weren't just authentic but that they had

406
00:14:23,110 --> 00:14:22,000
no idea what the craft captured in them

407
00:14:25,110 --> 00:14:23,120
actually were

408
00:14:27,350 --> 00:14:25,120
it shook me to my core

409
00:14:30,870 --> 00:14:27,360
because within that announcement was the

410
00:14:33,189 --> 00:14:30,880
realization that i couldn't trust myself

411
00:14:35,350 --> 00:14:33,199
i couldn't trust my mind to sort out

412
00:14:37,030 --> 00:14:35,360
fantasy from reality

413
00:14:39,509 --> 00:14:37,040

the realization didn't hit me like a

414

00:14:41,910 --> 00:14:39,519

thunderbolt it was more like an itchy

415

00:14:44,629 --> 00:14:41,920

tag and a new sweater or a hangnail or

416

00:14:47,189 --> 00:14:44,639

an inflamed taste bud just this low

417

00:14:49,590 --> 00:14:47,199

level agitation that slowly grew in the

418

00:14:51,189 --> 00:14:49,600

background until suddenly it was all i

419

00:14:53,430 --> 00:14:51,199

could focus on

420

00:14:55,269 --> 00:14:53,440

for the first time in my life i started

421

00:14:58,069 --> 00:14:55,279

to truly question

422

00:15:00,310 --> 00:14:58,079

not just my own perception but the very

423

00:15:03,030 --> 00:15:00,320

nature of my reality

424

00:15:05,350 --> 00:15:03,040

because if those videos are real

425

00:15:07,910 --> 00:15:05,360

it stands to reason that at least some

426

00:15:10,150 --> 00:15:07,920

of the other videos out there are real

427

00:15:12,790 --> 00:15:10,160

even if that number is super low

428

00:15:14,069 --> 00:15:12,800

let's say five percent let's say one

429

00:15:15,990 --> 00:15:14,079

percent

430

00:15:19,189 --> 00:15:16,000

it's hard to deny that the evidence for

431

00:15:20,550 --> 00:15:19,199

the reality of uaps is anything but

432

00:15:22,150 --> 00:15:20,560

overwhelming

433

00:15:23,430 --> 00:15:22,160

and even though i had been a witness

434

00:15:25,750 --> 00:15:23,440

myself

435

00:15:28,230 --> 00:15:25,760

i'd dismissed it as tin tinfoil hat

436

00:15:29,829 --> 00:15:28,240

foolishness without ever even giving it

437

00:15:32,150 --> 00:15:29,839

a second look

438

00:15:34,230 --> 00:15:32,160

so that's where it started for me

439

00:15:36,470 --> 00:15:34,240

with the realization that i'd gotten

440

00:15:38,949 --> 00:15:36,480

this one dead wrong

441

00:15:40,949 --> 00:15:38,959

and a desire fueled as much by ego as my

442

00:15:42,870 --> 00:15:40,959

curiosity if i'm being honest

443

00:15:45,430 --> 00:15:42,880

to figure out what i'd missed and in

444

00:15:48,150 --> 00:15:45,440

doing so reorder my universe back into

445

00:15:49,990 --> 00:15:48,160

something orderly and recognizable

446

00:15:52,069 --> 00:15:50,000

i decided that the best way to do this

447

00:15:54,069 --> 00:15:52,079

was to just start over

448

00:15:56,150 --> 00:15:54,079

i did my best to wipe any preconceived

449

00:15:58,069 --> 00:15:56,160

notions from my head and just look at

450

00:16:00,230 --> 00:15:58,079

the body of evidence

451
00:16:02,389 --> 00:16:00,240
as it was suddenly very clear to me that

452
00:16:04,310 --> 00:16:02,399
the stigma around the topic of ufos was

453
00:16:05,990 --> 00:16:04,320
a major reason that i dismissed key

454
00:16:08,230 --> 00:16:06,000
evidence in the past

455
00:16:10,550 --> 00:16:08,240
i decided to take in information from as

456
00:16:12,629 --> 00:16:10,560
many different sources as possible i

457
00:16:14,710 --> 00:16:12,639
would just let that information wash

458
00:16:17,110 --> 00:16:14,720
over me i take on all the different

459
00:16:18,710 --> 00:16:17,120
ideas and theories without prejudice

460
00:16:21,430 --> 00:16:18,720
weighing them and trying them on for

461
00:16:23,350 --> 00:16:21,440
size to see if they fit and in time i

462
00:16:26,069 --> 00:16:23,360
was certain that patterns and eventually

463
00:16:27,670 --> 00:16:26,079

a coherent narrative would arise

464

00:16:29,430 --> 00:16:27,680

and i gotta tell you

465

00:16:31,269 --> 00:16:29,440

i was wrong again

466

00:16:33,590 --> 00:16:31,279

because the further i go down this

467

00:16:35,269 --> 00:16:33,600

rabbit hole the more i realize that i

468

00:16:38,790 --> 00:16:35,279

don't know

469

00:16:41,030 --> 00:16:38,800

not just about ufos but about everything

470

00:16:41,990 --> 00:16:41,040

as soon as i began to pull on this one

471

00:16:44,150 --> 00:16:42,000

thread

472

00:16:45,430 --> 00:16:44,160

everything i thought i knew began to

473

00:16:47,189 --> 00:16:45,440

unravel

474

00:16:49,670 --> 00:16:47,199

the real story of the human race and

475

00:16:51,430 --> 00:16:49,680

this phenomena whatever it is

476

00:16:53,990 --> 00:16:51,440

touches everything from ancient

477

00:16:56,870 --> 00:16:54,000

civilizations to consciousness to the

478

00:16:58,949 --> 00:16:56,880

very existence and nature of god

479

00:17:01,509 --> 00:16:58,959

it's called literally every single

480

00:17:03,350 --> 00:17:01,519

belief i've ever had into question and

481

00:17:05,189 --> 00:17:03,360

i've got to be honest with you

482

00:17:07,110 --> 00:17:05,199

although i have a dazzling number an

483

00:17:08,870 --> 00:17:07,120

array of data points

484

00:17:10,470 --> 00:17:08,880

i have no idea what the any of this

485

00:17:12,470 --> 00:17:10,480

actually means

486

00:17:14,230 --> 00:17:12,480

so that's why i'm doing this

487

00:17:15,909 --> 00:17:14,240

that's why i'm talking to you right now

488

00:17:18,789 --> 00:17:15,919

because i want to take you on this

489

00:17:21,110 --> 00:17:18,799

journey down the ufo rabbit hole with me

490

00:17:22,390 --> 00:17:21,120

partly as a selfless endeavor because

491

00:17:24,630 --> 00:17:22,400

although these questions i've been

492

00:17:25,669 --> 00:17:24,640

asking have yet to find any kind of real

493

00:17:27,669 --> 00:17:25,679

answers

494

00:17:29,029 --> 00:17:27,679

the process of asking has made me a

495

00:17:32,710 --> 00:17:29,039

better person

496

00:17:34,710 --> 00:17:32,720

a more open person a more humble person

497

00:17:36,710 --> 00:17:34,720

a more spiritual person

498

00:17:39,029 --> 00:17:36,720

and a more hopeful person

499

00:17:40,950 --> 00:17:39,039

and i'd really like to share that

500

00:17:43,270 --> 00:17:40,960

but also my motivations are mostly

501
00:17:44,710 --> 00:17:43,280
selfish because i need more people to

502
00:17:45,990 --> 00:17:44,720
talk to about this

503
00:17:49,190 --> 00:17:46,000
because the thing you'll find very

504
00:17:50,710 --> 00:17:49,200
quickly is that this path is lonely

505
00:17:53,750 --> 00:17:50,720
we've been trained and conditioned our

506
00:17:55,590 --> 00:17:53,760
whole lives to dismiss ridicule and mock

507
00:17:57,350 --> 00:17:55,600
anyone who does so much as dare to

508
00:17:58,549 --> 00:17:57,360
approach this topic with any degree of

509
00:18:00,630 --> 00:17:58,559
seriousness

510
00:18:02,230 --> 00:18:00,640
they're immediately labeled as crazy

511
00:18:04,390 --> 00:18:02,240
they're kooks and when you start

512
00:18:06,710 --> 00:18:04,400
bringing this topic up in polite society

513
00:18:09,110 --> 00:18:06,720

you see how immediate and reflexive this

514

00:18:11,590 --> 00:18:09,120

response is in people and how hard that

515

00:18:13,830 --> 00:18:11,600

mindset is to overcome even when armed

516

00:18:16,549 --> 00:18:13,840

with declassified videos a congressional

517

00:18:18,789 --> 00:18:16,559

task force and an unequivocal admission

518

00:18:21,270 --> 00:18:18,799

from the u.s government this phenomenon

519

00:18:23,669 --> 00:18:21,280

is in fact real

520

00:18:25,830 --> 00:18:23,679

so i want to talk about all of it all of

521

00:18:28,310 --> 00:18:25,840

the weird twists and turns all of the

522

00:18:29,909 --> 00:18:28,320

wild theories the colorful and unlikely

523

00:18:32,390 --> 00:18:29,919

cast of characters currently at the

524

00:18:34,310 --> 00:18:32,400

center of this mystery and the massive

525

00:18:35,510 --> 00:18:34,320

body of evidence that's been hiding in

526

00:18:37,669 --> 00:18:35,520

plain sight

527

00:18:39,830 --> 00:18:37,679

maybe since the dawn of time

528

00:18:41,830 --> 00:18:39,840

but first i think it's important for us

529

00:18:43,590 --> 00:18:41,840

to establish some

530

00:18:45,830 --> 00:18:43,600

if there's any lesson to be learned from

531

00:18:48,150 --> 00:18:45,840

these last few chaotic and unprecedented

532

00:18:49,990 --> 00:18:48,160

years it's the very real dangers of

533

00:18:51,510 --> 00:18:50,000

misinformation

534

00:18:53,110 --> 00:18:51,520

when you let go of the rope of the

535

00:18:54,870 --> 00:18:53,120

established narrative and find that

536

00:18:57,350 --> 00:18:54,880

there is nothing immediately solid to

537

00:18:59,190 --> 00:18:57,360

hold on to it's easy to spin off into

538

00:19:00,710 --> 00:18:59,200

space and before you know it you're

539

00:19:02,310 --> 00:19:00,720

holding up a pizza joint because you're

540

00:19:04,390 --> 00:19:02,320

convinced that it's a front for hillary

541

00:19:06,150 --> 00:19:04,400

clinton's child trafficking ring

542

00:19:07,990 --> 00:19:06,160

or you're up all night on q and on

543

00:19:09,909 --> 00:19:08,000

message boards waiting for messages

544

00:19:12,150 --> 00:19:09,919

about donald trump's secret war against

545

00:19:13,750 --> 00:19:12,160

an elite cabal of satan worshippers

546

00:19:15,190 --> 00:19:13,760

or you're storming the us capital

547

00:19:16,950 --> 00:19:15,200

screaming for the heads of mike pence

548

00:19:19,430 --> 00:19:16,960

and nancy pelosi and trying to violently

549

00:19:22,950 --> 00:19:19,440

overturn a free and fair election

550

00:19:25,110 --> 00:19:22,960

yikes yikes on bikes that will not be us

551

00:19:26,710 --> 00:19:25,120

okay not on my watch

552

00:19:28,630 --> 00:19:26,720

and to make sure that we don't lose

553

00:19:30,310 --> 00:19:28,640

anyone to the dark side on this journey

554

00:19:32,150 --> 00:19:30,320

we need to first equip ourselves with

555

00:19:34,549 --> 00:19:32,160

the tools to make sure that we don't

556

00:19:36,630 --> 00:19:34,559

lose ourselves out there

557

00:19:38,470 --> 00:19:36,640

so tool number one

558

00:19:40,630 --> 00:19:38,480

is the recognition and belief that

559

00:19:41,990 --> 00:19:40,640

people are mostly good

560

00:19:44,150 --> 00:19:42,000

here's the thing

561

00:19:45,590 --> 00:19:44,160

a certain amount of conspiracy theories

562

00:19:47,909 --> 00:19:45,600

actually are true

563

00:19:49,350 --> 00:19:47,919

that's not an opinion that's a fact

564

00:19:51,669 --> 00:19:49,360

our own government and governments

565

00:19:54,070 --> 00:19:51,679

around the world regularly declassified

566

00:19:56,950 --> 00:19:54,080

documents from decades past that prove

567

00:19:59,029 --> 00:19:56,960

in no uncertain terms that false flags

568

00:20:01,190 --> 00:19:59,039

misinformation campaigns secret black

569

00:20:02,870 --> 00:20:01,200

budget projects secret coups

570

00:20:04,870 --> 00:20:02,880

these things are all real and are

571

00:20:06,710 --> 00:20:04,880

carried out with relative frequency and

572

00:20:08,470 --> 00:20:06,720

on a breathtaking scale

573

00:20:11,029 --> 00:20:08,480

so although we've all been trained to

574

00:20:13,270 --> 00:20:11,039

reject conspiracy theories outright the

575

00:20:15,270 --> 00:20:13,280

reality is that the only idea more

576
00:20:17,990 --> 00:20:15,280
ridiculous and fundamentally dangerous

577
00:20:19,909 --> 00:20:18,000
than a conspiracy theory is the absurd

578
00:20:21,590 --> 00:20:19,919
and nonsensical belief that there are no

579
00:20:23,430 --> 00:20:21,600
conspiracies

580
00:20:25,270 --> 00:20:23,440
but that realization brings us to an

581
00:20:27,510 --> 00:20:25,280
equally dangerous place

582
00:20:29,590 --> 00:20:27,520
because if some conspiracy theories are

583
00:20:31,750 --> 00:20:29,600
true if our government and the powers

584
00:20:34,149 --> 00:20:31,760
that be are truly capable of pulling off

585
00:20:35,990 --> 00:20:34,159
such elaborate secretive campaigns on a

586
00:20:37,990 --> 00:20:36,000
global scale

587
00:20:39,830 --> 00:20:38,000
then maybe they're all true maybe

588
00:20:42,149 --> 00:20:39,840

everything is a lie

589

00:20:43,750 --> 00:20:42,159

then suddenly every dubious shadowy

590

00:20:45,270 --> 00:20:43,760

connection becomes evidence of an

591

00:20:47,430 --> 00:20:45,280

elaborate plot

592

00:20:49,510 --> 00:20:47,440

and in that place you no longer have

593

00:20:51,510 --> 00:20:49,520

anything to anchor you there are no

594

00:20:53,590 --> 00:20:51,520

cardinal directions there is no up or

595

00:20:55,909 --> 00:20:53,600

down you have truly gone through the

596

00:20:57,510 --> 00:20:55,919

looking glass and you're just

597

00:20:58,950 --> 00:20:57,520

lost

598

00:21:00,830 --> 00:20:58,960

many people who go to that place in

599

00:21:03,909 --> 00:21:00,840

their minds never make it

600

00:21:05,990 --> 00:21:03,919

back to me the only way out of that hole

601
00:21:08,070 --> 00:21:06,000
is to hold tightly to the belief that

602
00:21:10,390 --> 00:21:08,080
people are mostly good

603
00:21:12,310 --> 00:21:10,400
you have to believe that most people

604
00:21:14,710 --> 00:21:12,320
when presented with a moral or ethical

605
00:21:17,110 --> 00:21:14,720
quandary particularly one with high

606
00:21:20,070 --> 00:21:17,120
stakes for the whole of humanity

607
00:21:21,990 --> 00:21:20,080
will strive to do the right thing

608
00:21:23,669 --> 00:21:22,000
and you have to believe that

609
00:21:26,149 --> 00:21:23,679
although they have the same personal

610
00:21:27,750 --> 00:21:26,159
flaws and foibles as the rest of us

611
00:21:30,149 --> 00:21:27,760
that most of the people who work in our

612
00:21:32,470 --> 00:21:30,159
government and in our armed services are

613
00:21:34,149 --> 00:21:32,480

truly there with the intention to serve

614

00:21:36,310 --> 00:21:34,159

and work towards the best interests of

615

00:21:37,750 --> 00:21:36,320

their fellow citizens

616

00:21:40,070 --> 00:21:37,760

now i know that for many of you

617

00:21:41,830 --> 00:21:40,080

listening right now that idea is more

618

00:21:44,390 --> 00:21:41,840

ludicrous and hard to swallow than

619

00:21:46,710 --> 00:21:44,400

anything that i've said about ufos

620

00:21:48,630 --> 00:21:46,720

and unfortunately if you don't believe

621

00:21:49,990 --> 00:21:48,640

that people are mostly good i don't

622

00:21:51,590 --> 00:21:50,000

really think that there's any amount of

623

00:21:53,510 --> 00:21:51,600

evidence that i could present to you to

624

00:21:55,430 --> 00:21:53,520

make you believe otherwise

625

00:21:57,830 --> 00:21:55,440

but if you do feel yourself bristling at

626
00:21:59,990 --> 00:21:57,840
this idea i hope you'll just let this

627
00:22:02,310 --> 00:22:00,000
one marinate for a little bit

628
00:22:04,230 --> 00:22:02,320
and if you're feeling brave maybe start

629
00:22:05,990 --> 00:22:04,240
to challenge your assumptions in the lab

630
00:22:07,669 --> 00:22:06,000
of your own life

631
00:22:10,149 --> 00:22:07,679
and it's that last part that's the most

632
00:22:12,070 --> 00:22:10,159
important part you have to examine this

633
00:22:13,510 --> 00:22:12,080
idea within the confines of your own

634
00:22:15,190 --> 00:22:13,520
lived experience

635
00:22:16,230 --> 00:22:15,200
not what you see on the internet or on

636
00:22:18,310 --> 00:22:16,240
tv

637
00:22:20,710 --> 00:22:18,320
the unfortunate reality of our current

638
00:22:23,350 --> 00:22:20,720

stage of technological evolution is that

639

00:22:24,950 --> 00:22:23,360

all day long you're being bombarded with

640

00:22:27,430 --> 00:22:24,960

images and messages that are meant to

641

00:22:30,870 --> 00:22:27,440

manipulate you to take action

642

00:22:33,110 --> 00:22:30,880

to click to buy to read more to follow

643

00:22:34,630 --> 00:22:33,120

and subscribe to vote

644

00:22:36,630 --> 00:22:34,640

to believe

645

00:22:38,950 --> 00:22:36,640

and you don't get that kind of action

646

00:22:40,710 --> 00:22:38,960

out of people with subtlety and nuance

647

00:22:42,070 --> 00:22:40,720

you don't get it with reassurance in a

648

00:22:44,149 --> 00:22:42,080

measured approach

649

00:22:46,230 --> 00:22:44,159

you get it by speaking to people's most

650

00:22:47,909 --> 00:22:46,240

basic primal instincts

651
00:22:50,390 --> 00:22:47,919
you get it by creating fear and

652
00:22:52,390 --> 00:22:50,400
uncertainty you get it by breeding

653
00:22:54,549 --> 00:22:52,400
suspicion and hate

654
00:22:56,390 --> 00:22:54,559
everything is a problem to be solved

655
00:22:58,230 --> 00:22:56,400
everything is a crisis

656
00:23:00,470 --> 00:22:58,240
and with each new nightmare that unfolds

657
00:23:03,350 --> 00:23:00,480
there are a million different solutions

658
00:23:05,350 --> 00:23:03,360
that you can have for a price

659
00:23:07,430 --> 00:23:05,360
so if you're really going to examine the

660
00:23:09,990 --> 00:23:07,440
idea that people are mostly good you

661
00:23:11,990 --> 00:23:10,000
have to look at your actual life

662
00:23:14,230 --> 00:23:12,000
my guess is that if you know any

663
00:23:15,990 --> 00:23:14,240

mustache twisting villains that they are

664

00:23:17,590 --> 00:23:16,000

few and far between

665

00:23:19,510 --> 00:23:17,600

what you probably have instead is a

666

00:23:22,310 --> 00:23:19,520

bunch of flawed but essentially decent

667

00:23:24,710 --> 00:23:22,320

people who are all just doing their best

668

00:23:26,470 --> 00:23:24,720

and who sometimes can really surprise

669

00:23:27,669 --> 00:23:26,480

you by doing something completely

670

00:23:29,830 --> 00:23:27,679

selfless

671

00:23:31,909 --> 00:23:29,840

they may not be perfect but they are

672

00:23:34,310 --> 00:23:31,919

mostly good

673

00:23:36,149 --> 00:23:34,320

tool number two is equally important in

674

00:23:38,950 --> 00:23:36,159

keeping us from spiraling out into the

675

00:23:41,590 --> 00:23:38,960

oblivion of conspiracy thinking which is

676

00:23:43,669 --> 00:23:41,600

the recognition that correlation doesn't

677

00:23:45,430 --> 00:23:43,679

imply causation

678

00:23:47,430 --> 00:23:45,440

correlation refers to a mutual

679

00:23:49,990 --> 00:23:47,440

relationship or connection between two

680

00:23:52,149 --> 00:23:50,000

or more things and causation means

681

00:23:54,950 --> 00:23:52,159

obviously to cause something

682

00:23:57,029 --> 00:23:54,960

so basically just because two or more

683

00:23:58,950 --> 00:23:57,039

things happen at the same time or in the

684

00:24:00,710 --> 00:23:58,960

same place or seem in some other way to

685

00:24:02,470 --> 00:24:00,720

be connected to each other

686

00:24:05,269 --> 00:24:02,480

that isn't enough to prove that one

687

00:24:08,070 --> 00:24:05,279

thing caused the other in fact they may

688

00:24:10,230 --> 00:24:08,080

not be related in any real way at all

689

00:24:13,510 --> 00:24:10,240

a perfect recent example of this is the

690

00:24:15,269 --> 00:24:13,520

belief that 5g causes covid 19.

691

00:24:17,269 --> 00:24:15,279

this was a conspiracy theory that caught

692

00:24:19,029 --> 00:24:17,279

fire pretty early on during the pandemic

693

00:24:20,630 --> 00:24:19,039

when people started to point out that if

694

00:24:22,950 --> 00:24:20,640

you looked at a heat map of the places

695

00:24:24,470 --> 00:24:22,960

where 5g had been rolled out in a heat

696

00:24:26,310 --> 00:24:24,480

map of where the biggest outbreaks of

697

00:24:28,230 --> 00:24:26,320

the virus were occurring you were

698

00:24:29,750 --> 00:24:28,240

essentially looking at the same map

699

00:24:31,990 --> 00:24:29,760

causing many people to jump to the

700

00:24:33,029 --> 00:24:32,000

conclusion that one was causing the

701
00:24:35,110 --> 00:24:33,039
other

702
00:24:37,590 --> 00:24:35,120
however knowing what we do about how

703
00:24:39,190 --> 00:24:37,600
covet spreads it makes perfect sense

704
00:24:41,430 --> 00:24:39,200
that big cities and more densely

705
00:24:43,190 --> 00:24:41,440
populated areas bore the brunt of the

706
00:24:45,750 --> 00:24:43,200
initial outbreaks

707
00:24:47,750 --> 00:24:45,760
and where did 5g roll out first

708
00:24:48,710 --> 00:24:47,760
in big cities and densely populated

709
00:24:50,789 --> 00:24:48,720
areas

710
00:24:52,390 --> 00:24:50,799
so while those heat maps could give us

711
00:24:54,310 --> 00:24:52,400
the impression that these two things

712
00:24:55,750 --> 00:24:54,320
were related in some way

713
00:24:57,510 --> 00:24:55,760

they actually had nothing to do with

714

00:24:59,029 --> 00:24:57,520

each other at all

715

00:25:00,950 --> 00:24:59,039

when you let go of the rope of the

716

00:25:02,310 --> 00:25:00,960

established narrative and start seeing

717

00:25:03,830 --> 00:25:02,320

connections between things that you

718

00:25:05,110 --> 00:25:03,840

never saw before

719

00:25:07,750 --> 00:25:05,120

it's a rush

720

00:25:09,669 --> 00:25:07,760

it's honestly exhilarating

721

00:25:11,029 --> 00:25:09,679

although i'm being entirely sincere when

722

00:25:12,390 --> 00:25:11,039

i say that i have no idea what's

723

00:25:13,750 --> 00:25:12,400

actually going on

724

00:25:15,750 --> 00:25:13,760

the things that i've discovered while

725

00:25:17,750 --> 00:25:15,760

going down this rabbit hole have in some

726

00:25:19,909 --> 00:25:17,760

ways made the world make sense to me in

727

00:25:21,590 --> 00:25:19,919

a way that it never has before

728

00:25:23,669 --> 00:25:21,600

things that once seemed random or

729

00:25:25,830 --> 00:25:23,679

meaningless or suddenly imbued with a

730

00:25:27,750 --> 00:25:25,840

deep sense of meaning and seem to make

731

00:25:28,950 --> 00:25:27,760

perfect sense inside the great order of

732

00:25:31,669 --> 00:25:28,960

things

733

00:25:34,470 --> 00:25:31,679

and it can be very very tempting to

734

00:25:36,630 --> 00:25:34,480

chase that feeling to misidentify it as

735

00:25:38,789 --> 00:25:36,640

proof that you're right and in doing so

736

00:25:42,149 --> 00:25:38,799

to begin to see all kinds of connections

737

00:25:43,990 --> 00:25:42,159

between things that aren't really there

738

00:25:46,549 --> 00:25:44,000

so on this journey it's important that

739

00:25:48,549 --> 00:25:46,559

we continue to notice correlations

740

00:25:50,630 --> 00:25:48,559

because they can sometimes be a road map

741

00:25:52,710 --> 00:25:50,640

that points us to our next clue

742

00:25:55,029 --> 00:25:52,720

but they can also be nothing at all

743

00:25:57,510 --> 00:25:55,039

so we need to reserve judgment on

744

00:26:00,310 --> 00:25:57,520

assuming real connection or causation

745

00:26:03,029 --> 00:26:00,320

until we can prove categorically that

746

00:26:04,870 --> 00:26:03,039

those connections really exist

747

00:26:07,190 --> 00:26:04,880

which brings us to our third and final

748

00:26:08,950 --> 00:26:07,200

tool which is the recognition that the

749

00:26:12,149 --> 00:26:08,960

truth is a destination that you can

750

00:26:14,789 --> 00:26:12,159

approach forever and never arrive

751
00:26:16,390 --> 00:26:14,799
renowned physicists leopold infeld and

752
00:26:17,990 --> 00:26:16,400
albert einstein

753
00:26:21,269 --> 00:26:18,000
wrote the following in their seminal

754
00:26:23,430 --> 00:26:21,279
1938 work the evolution of physics

755
00:26:25,430 --> 00:26:23,440
quote in our endeavor to understand

756
00:26:27,190 --> 00:26:25,440
reality we are somewhat like a man

757
00:26:28,710 --> 00:26:27,200
trying to understand the mechanism of a

758
00:26:30,950 --> 00:26:28,720
closed watch

759
00:26:33,350 --> 00:26:30,960
he sees the face and the moving hands

760
00:26:35,029 --> 00:26:33,360
even hears its ticking but he has no way

761
00:26:37,269 --> 00:26:35,039
of opening the case

762
00:26:38,870 --> 00:26:37,279
if he is ingenious he may form some

763
00:26:40,470 --> 00:26:38,880

picture of a mechanism that could be

764

00:26:41,669 --> 00:26:40,480

responsible for all the things he

765

00:26:43,510 --> 00:26:41,679

observes

766

00:26:45,110 --> 00:26:43,520

but he may never be quite sure that his

767

00:26:47,029 --> 00:26:45,120

picture is the only one which could

768

00:26:48,789 --> 00:26:47,039

explain his observations

769

00:26:51,029 --> 00:26:48,799

he will never be able to compare his

770

00:26:53,190 --> 00:26:51,039

picture with the real mechanism and he

771

00:26:55,909 --> 00:26:53,200

cannot even imagine the possibility of

772

00:26:58,950 --> 00:26:55,919

the meaning of such a comparison

773

00:27:00,789 --> 00:26:58,960

i love this passage so much because it

774

00:27:03,269 --> 00:27:00,799

takes the pressure off trying to find

775

00:27:05,190 --> 00:27:03,279

out the truth with a capital t

776

00:27:07,350 --> 00:27:05,200

even einstein one of the most brilliant

777

00:27:09,350 --> 00:27:07,360

minds of his or any time

778

00:27:10,950 --> 00:27:09,360

recognized that his attempts to describe

779

00:27:13,909 --> 00:27:10,960

the true nature of reality were

780

00:27:15,669 --> 00:27:13,919

ultimately entirely futile so what hope

781

00:27:17,430 --> 00:27:15,679

do any of us have

782

00:27:19,430 --> 00:27:17,440

the best we could ever hope to achieve

783

00:27:21,190 --> 00:27:19,440

is to create theoretical models that

784

00:27:23,269 --> 00:27:21,200

more or less explain the world as we

785

00:27:25,029 --> 00:27:23,279

experience and observe it and those

786

00:27:26,870 --> 00:27:25,039

theories that most closely describe and

787

00:27:29,430 --> 00:27:26,880

predict what we experience and observe

788

00:27:31,830 --> 00:27:29,440

are what we call the laws of science

789

00:27:34,549 --> 00:27:31,840

however we have no way of knowing in our

790

00:27:37,190 --> 00:27:34,559

earthly forms or perhaps ever what the

791

00:27:38,950 --> 00:27:37,200

truth behind our reality really is

792

00:27:40,470 --> 00:27:38,960

to know that would be to know the mind

793

00:27:42,149 --> 00:27:40,480

of god

794

00:27:44,470 --> 00:27:42,159

so it's important that we maintain our

795

00:27:46,310 --> 00:27:44,480

humility as we go on this journey

796

00:27:48,710 --> 00:27:46,320

the truth is something we can pursue

797

00:27:50,789 --> 00:27:48,720

together but no matter how far we go

798

00:27:52,310 --> 00:27:50,799

we'll never get there entirely and

799

00:27:53,990 --> 00:27:52,320

that's okay

800

00:27:55,590 --> 00:27:54,000

it can even be beautiful if you look at

801
00:27:58,070 --> 00:27:55,600
it in a certain light

802
00:28:00,149 --> 00:27:58,080
and more importantly that humility is a

803
00:28:02,389 --> 00:28:00,159
reminder that none of this is worth

804
00:28:03,669 --> 00:28:02,399
fighting over and we're all on the same

805
00:28:05,669 --> 00:28:03,679
side

806
00:28:07,110 --> 00:28:05,679
as you'll see as we move forward there

807
00:28:09,110 --> 00:28:07,120
are countless different theories in the

808
00:28:11,430 --> 00:28:09,120
ufo community about what these things

809
00:28:13,269 --> 00:28:11,440
really are about who or what is behind

810
00:28:15,430 --> 00:28:13,279
it all and about who the good guys and

811
00:28:17,269 --> 00:28:15,440
the bad guys are and the warring and

812
00:28:18,950 --> 00:28:17,279
infighting among different factions can

813
00:28:21,029 --> 00:28:18,960

get pretty intense

814

00:28:23,029 --> 00:28:21,039

accusations are constantly being thrown

815

00:28:25,669 --> 00:28:23,039

people can be heroes one moment and be

816

00:28:26,630 --> 00:28:25,679

called con men and skills the next it's

817

00:28:29,029 --> 00:28:26,640

a mess

818

00:28:31,110 --> 00:28:29,039

but as long as we follow this third rule

819

00:28:33,029 --> 00:28:31,120

we can fly above all that

820

00:28:34,389 --> 00:28:33,039

we don't know the truth it's likely that

821

00:28:36,310 --> 00:28:34,399

no one does

822

00:28:38,710 --> 00:28:36,320

any consistent and coherent line of

823

00:28:40,389 --> 00:28:38,720

questioning about ufos will inevitably

824

00:28:42,549 --> 00:28:40,399

lead you to deeper questions about the

825

00:28:45,269 --> 00:28:42,559

very nature of reality and the meaning

826

00:28:47,590 --> 00:28:45,279

of our existence and on those topics

827

00:28:49,430 --> 00:28:47,600

none of us are any better than einstein

828

00:28:51,510 --> 00:28:49,440

even people with deeply held beliefs

829

00:28:53,350 --> 00:28:51,520

about god and religion have to admit

830

00:28:54,310 --> 00:28:53,360

that at a certain point it's a matter of

831

00:28:56,789 --> 00:28:54,320

faith

832

00:28:58,870 --> 00:28:56,799

because we simply don't know and when

833

00:29:01,510 --> 00:28:58,880

you look at it that way what possible

834

00:29:03,350 --> 00:29:01,520

reason could there be a fight about it

835

00:29:04,950 --> 00:29:03,360

so now that we've gotten our tools

836

00:29:07,029 --> 00:29:04,960

together to hold ourselves accountable

837

00:29:09,190 --> 00:29:07,039

on this journey i feel it's also

838

00:29:11,269 --> 00:29:09,200

important that as your guide i be

839

00:29:13,669 --> 00:29:11,279

accountable to all of you

840

00:29:15,190 --> 00:29:13,679

listen above all else i want this

841

00:29:17,190 --> 00:29:15,200

journey to be fun

842

00:29:19,430 --> 00:29:17,200

i'm doing this because exploring all of

843

00:29:21,269 --> 00:29:19,440

this is very genuinely fun for me and i

844

00:29:23,110 --> 00:29:21,279

want to share it with you

845

00:29:25,190 --> 00:29:23,120

but i also think it's important to tell

846

00:29:26,630 --> 00:29:25,200

you that i approach this topic with a

847

00:29:28,710 --> 00:29:26,640

lot of respect

848

00:29:30,389 --> 00:29:28,720

reverence and i'm not gonna lie a

849

00:29:32,310 --> 00:29:30,399

healthy amount of fear

850

00:29:34,230 --> 00:29:32,320

and that fear isn't even necessarily

851

00:29:36,070 --> 00:29:34,240

about the phenomena itself although

852

00:29:37,350 --> 00:29:36,080

there are aspects of it that honestly do

853

00:29:39,669 --> 00:29:37,360

terrify me

854

00:29:41,430 --> 00:29:39,679

but rather just an awareness that

855

00:29:43,669 --> 00:29:41,440

dealing with this kind of information

856

00:29:45,590 --> 00:29:43,679

can be dangerous in very real and

857

00:29:48,230 --> 00:29:45,600

insidious ways

858

00:29:50,470 --> 00:29:48,240

in a post-q anon world i can't deny the

859

00:29:52,389 --> 00:29:50,480

risks i don't want to be responsible for

860

00:29:54,630 --> 00:29:52,399

leading anyone astray or down a rabbit

861

00:29:56,230 --> 00:29:54,640

hole that they can't climb out of

862

00:29:58,310 --> 00:29:56,240

so what i ask of you through this

863

00:30:01,110 --> 00:29:58,320

process is that as i start to tell you

864

00:30:02,389 --> 00:30:01,120

about fantastical things that you remain

865

00:30:04,870 --> 00:30:02,399

skeptical

866

00:30:07,350 --> 00:30:04,880

check my work dig deeper

867

00:30:09,510 --> 00:30:07,360

make up your own mind and my commitment

868

00:30:11,830 --> 00:30:09,520

to you is that i will make it as easy as

869

00:30:13,990 --> 00:30:11,840

possible for you to do so

870

00:30:15,669 --> 00:30:14,000

so my first promise to you is that i

871

00:30:17,590 --> 00:30:15,679

will show my work

872

00:30:20,310 --> 00:30:17,600

i don't expect you to take my word on

873

00:30:22,389 --> 00:30:20,320

any of this if i make a claim to you i

874

00:30:23,590 --> 00:30:22,399

should be able to back it up as i

875

00:30:26,310 --> 00:30:23,600

mentioned at the very top of this

876

00:30:28,310 --> 00:30:26,320

episode all members of my patreon will

of other fun stuff those memberships

883

00:30:43,590 --> 00:30:41,279

start at five dollars a month however

884

00:30:46,750 --> 00:30:43,600

i want this information to be free and

00:30:48,789 --> 00:30:46,760

available to everyone so if you go to

everything including the links to the

901
00:31:17,669 --> 00:31:15,360
videos we were talking about which you

902
00:31:23,910 --> 00:31:17,679
are definitely going to want to see go

903
00:31:23,920 --> 00:31:33,909
[Music]

904
00:31:37,909 --> 00:31:36,389
great you're back anyway

905
00:31:39,909 --> 00:31:37,919
showing my work in this way is very

906
00:31:41,990 --> 00:31:39,919
important because when it comes to this

907
00:31:43,990 --> 00:31:42,000
particular area of research

908
00:31:46,310 --> 00:31:44,000
vetting the credibility of sources is

909
00:31:48,470 --> 00:31:46,320
complicated to say the least and there

910
00:31:50,470 --> 00:31:48,480
are a few reasons for that

911
00:31:52,950 --> 00:31:50,480
the first is that as we'll discuss in an

912
00:31:55,430 --> 00:31:52,960
upcoming episode the mechanisms of our

913
00:31:57,269 --> 00:31:55,440

press and academic institutions have not

914

00:31:58,789 --> 00:31:57,279

historically been friendly or open to

915

00:32:00,470 --> 00:31:58,799

ideas that fall outside of their

916

00:32:03,110 --> 00:32:00,480

established narrative

917

00:32:04,070 --> 00:32:03,120

the 2017 new york times article was so

918

00:32:06,149 --> 00:32:04,080

shocking

919

00:32:08,070 --> 00:32:06,159

not just because of its contents but

920

00:32:09,590 --> 00:32:08,080

because the mainstream media has so

921

00:32:11,509 --> 00:32:09,600

rarely been willing to approach this

922

00:32:13,430 --> 00:32:11,519

topic with anything other than a sort of

923

00:32:15,350 --> 00:32:13,440

snickering voyeurism

924

00:32:16,950 --> 00:32:15,360

a lighthearted moment when anchors can

925

00:32:18,630 --> 00:32:16,960

chuckle and exchange knowing looks

926
00:32:19,909 --> 00:32:18,640
before sending you over to bob with the

927
00:32:22,710 --> 00:32:19,919
weather

928
00:32:24,789 --> 00:32:22,720
academia has been similarly avoidant and

929
00:32:26,789 --> 00:32:24,799
despite what the indiana jones franchise

930
00:32:28,149 --> 00:32:26,799
would have us believe research dollars

931
00:32:30,310 --> 00:32:28,159
for anything that could potentially be

932
00:32:31,830 --> 00:32:30,320
classified as paranormal are almost

933
00:32:34,070 --> 00:32:31,840
non-existent

934
00:32:36,310 --> 00:32:34,080
because of this even the sources that we

935
00:32:38,789 --> 00:32:36,320
assume to be the most credible in normal

936
00:32:41,029 --> 00:32:38,799
circumstances can fall into question

937
00:32:43,430 --> 00:32:41,039
we can't just take them at face value

938
00:32:45,830 --> 00:32:43,440

but rather we have to put those sources

939

00:32:47,669 --> 00:32:45,840

in the context of the time the identity

940

00:32:48,630 --> 00:32:47,679

and motivations of the author and other

941

00:32:52,149 --> 00:32:48,640

clues

942

00:32:54,630 --> 00:32:52,159

things like heavily redacted government

943

00:32:57,269 --> 00:32:54,640

documents blurry or potentially altered

944

00:32:59,269 --> 00:32:57,279

photos and videos eyewitness testimony

945

00:33:01,750 --> 00:32:59,279

and even ancient texts

946

00:33:04,230 --> 00:33:01,760

it can be nearly impossible to determine

947

00:33:06,310 --> 00:33:04,240

which pieces of evidence we can trust

948

00:33:08,630 --> 00:33:06,320

and frankly i don't think that you

949

00:33:11,110 --> 00:33:08,640

should let me or anyone else determine

950

00:33:13,269 --> 00:33:11,120

that for you when there is this level of

951
00:33:14,149 --> 00:33:13,279
ambiguity you have to make up your own

952
00:33:15,750 --> 00:33:14,159
mind

953
00:33:17,990 --> 00:33:15,760
by providing you with all my source

954
00:33:19,590 --> 00:33:18,000
materials you'll have the opportunity to

955
00:33:21,430 --> 00:33:19,600
do just that

956
00:33:22,789 --> 00:33:21,440
my next promise is that i will be

957
00:33:24,710 --> 00:33:22,799
accountable

958
00:33:26,630 --> 00:33:24,720
i won't just show my work but i promise

959
00:33:27,590 --> 00:33:26,640
to remain open-minded to criticism and

960
00:33:29,350 --> 00:33:27,600
feedback

961
00:33:31,029 --> 00:33:29,360
if i make a mistake or i'm presented

962
00:33:32,789 --> 00:33:31,039
with new evidence that substantially

963
00:33:35,110 --> 00:33:32,799

changes the facts as i've presented them

964

00:33:37,190 --> 00:33:35,120

to you i will tell you guys

965

00:33:40,070 --> 00:33:37,200

and for the record i fully expect this

966

00:33:41,909 --> 00:33:40,080

to happen this is an enormously complex

967

00:33:44,070 --> 00:33:41,919

field of study with new developments and

968

00:33:46,470 --> 00:33:44,080

revelations coming out almost daily at

969

00:33:48,470 --> 00:33:46,480

this point i'm only one person and

970

00:33:50,950 --> 00:33:48,480

despite my best efforts i'm bound to get

971

00:33:52,789 --> 00:33:50,960

it wrong at some point and when i do i

972

00:33:55,110 --> 00:33:52,799

will correct myself

973

00:33:57,669 --> 00:33:55,120

my next promise is that i will do my

974

00:34:00,149 --> 00:33:57,679

best to present a balanced narrative and

975

00:34:01,909 --> 00:34:00,159

to be honest about my biases

976

00:34:04,389 --> 00:34:01,919

my goal here isn't to spin any

977

00:34:06,070 --> 00:34:04,399

particular narrative but rather to lay

978

00:34:08,230 --> 00:34:06,080

out as many of the varied theories and

979

00:34:09,669 --> 00:34:08,240

perspectives as i can so you can connect

980

00:34:11,589 --> 00:34:09,679

the dots yourself

981

00:34:14,869 --> 00:34:11,599

and in doing so it will always be my

982

00:34:17,349 --> 00:34:14,879

intention to be balanced fair and honest

983

00:34:19,669 --> 00:34:17,359

however the reason i'm doing all of this

984

00:34:21,909 --> 00:34:19,679

is that i am a giant nerd who is

985

00:34:24,869 --> 00:34:21,919

absolutely obsessed with this topic

986

00:34:27,190 --> 00:34:24,879

my own biases are sure to come through

987

00:34:29,349 --> 00:34:27,200

and i think that's okay as long as i'm

988

00:34:31,510 --> 00:34:29,359

honest with you about what they are

989

00:34:33,589 --> 00:34:31,520

i have favorite theories and favorite

990

00:34:36,550 --> 00:34:33,599

characters in all of this i have

991

00:34:38,950 --> 00:34:36,560

opinions and i am highly excitable i

992

00:34:41,190 --> 00:34:38,960

can't do any of this in an authentic way

993

00:34:43,510 --> 00:34:41,200

without all of that coming through

994

00:34:44,710 --> 00:34:43,520

however i'll be transparent with you and

995

00:34:46,389 --> 00:34:44,720

i'll always present you with the

996

00:34:47,990 --> 00:34:46,399

alternative view

997

00:34:49,430 --> 00:34:48,000

it's also important to mention that

998

00:34:51,430 --> 00:34:49,440

there's one theory that i'm going to

999

00:34:53,990 --> 00:34:51,440

touch on but that i probably won't give

1000

00:34:55,510 --> 00:34:54,000

nearly as much time as its alternatives

1001
00:34:57,910 --> 00:34:55,520
that theory is the idea that the

1002
00:34:59,990 --> 00:34:57,920
government is lying about uaps and that

1003
00:35:01,910 --> 00:35:00,000
the recent move toward disclosure is a

1004
00:35:03,670 --> 00:35:01,920
calculated misinformation campaign

1005
00:35:05,750 --> 00:35:03,680
designed to cover up the fact that these

1006
00:35:08,230 --> 00:35:05,760
craft are actually ours

1007
00:35:10,150 --> 00:35:08,240
or perhaps it's the prelude to a pretend

1008
00:35:12,069 --> 00:35:10,160
alien invasion intended to engender

1009
00:35:14,310 --> 00:35:12,079
support for unprecedented levels of

1010
00:35:15,670 --> 00:35:14,320
black budget defense funding

1011
00:35:17,829 --> 00:35:15,680
for reasons that we'll get into in

1012
00:35:19,829 --> 00:35:17,839
future episodes i currently don't

1013
00:35:21,589 --> 00:35:19,839

personally think that's the case

1014

00:35:23,589 --> 00:35:21,599

however that's not why i won't be

1015

00:35:26,150 --> 00:35:23,599

spending as much time on that theory the

1016

00:35:27,430 --> 00:35:26,160

main reason is that it's just

1017

00:35:29,430 --> 00:35:27,440

depressing

1018

00:35:31,510 --> 00:35:29,440

and while each one of the other theories

1019

00:35:32,470 --> 00:35:31,520

are sobering and terrifying in their own

1020

00:35:35,030 --> 00:35:32,480

way

1021

00:35:36,470 --> 00:35:35,040

none of them are as blackly cynical as

1022

00:35:38,550 --> 00:35:36,480

that

1023

00:35:40,470 --> 00:35:38,560

there are two doors before us behind

1024

00:35:42,550 --> 00:35:40,480

door number one is all the mystery and

1025

00:35:45,349 --> 00:35:42,560

potential of the universe and behind

1026

00:35:47,589 --> 00:35:45,359

door number two is only oblivion

1027

00:35:49,430 --> 00:35:47,599

i strongly believe that what we think

1028

00:35:52,710 --> 00:35:49,440

and where we choose to put our attention

1029

00:35:54,870 --> 00:35:52,720

matters in very real and tangible ways

1030

00:35:57,190 --> 00:35:54,880

so i choose to spend as little time as

1031

00:35:59,190 --> 00:35:57,200

possible behind door number two

1032

00:36:00,950 --> 00:35:59,200

although i grudgingly admit that even

1033

00:36:02,630 --> 00:36:00,960

though i hate that theory and i find it

1034

00:36:05,910 --> 00:36:02,640

to be grotesque

1035

00:36:07,030 --> 00:36:05,920

it's still a legitimate possibility

1036

00:36:09,430 --> 00:36:07,040

moving on

1037

00:36:11,270 --> 00:36:09,440

my final promise to you is that i won't

1038

00:36:13,589 --> 00:36:11,280

try to convince you of anything with

1039

00:36:15,349 --> 00:36:13,599

regards to this phenomenon

1040

00:36:17,270 --> 00:36:15,359

i think it's important for all of us to

1041

00:36:19,589 --> 00:36:17,280

go into this with our eyes wide open

1042

00:36:22,069 --> 00:36:19,599

about the fact that toxic conspiracy

1043

00:36:24,310 --> 00:36:22,079

thinking and occult mentality are very

1044

00:36:25,750 --> 00:36:24,320

near neighbors and in flirting with one

1045

00:36:27,910 --> 00:36:25,760

we are inevitably going to be

1046

00:36:29,910 --> 00:36:27,920

dangerously close to the other

1047

00:36:31,829 --> 00:36:29,920

that's why i not only strongly believe

1048

00:36:34,310 --> 00:36:31,839

that it's not my place to tell you what

1049

00:36:36,150 --> 00:36:34,320

to believe about any of this but i'd

1050

00:36:38,710 --> 00:36:36,160

caution you strongly against putting too

1051
00:36:40,710 --> 00:36:38,720
much stock in anyone who tries to

1052
00:36:42,710 --> 00:36:40,720
the only thing that i'm interested in

1053
00:36:44,870 --> 00:36:42,720
convincing you of through this journey

1054
00:36:46,069 --> 00:36:44,880
and i sincerely hope that i'm successful

1055
00:36:49,030 --> 00:36:46,079
in doing so

1056
00:36:51,670 --> 00:36:49,040
is that the universe is infinitely more

1057
00:36:53,109 --> 00:36:51,680
fast complex and full of beauty than we

1058
00:36:55,510 --> 00:36:53,119
ever imagined

1059
00:36:58,230 --> 00:36:55,520
and that the potential of humanity both

1060
00:37:02,069 --> 00:36:58,240
as a species and as individuals

1061
00:37:04,069 --> 00:37:02,079
is as profound as it is limitless

1062
00:37:05,750 --> 00:37:04,079
my name is kelly chase by the way it's a

1063
00:37:10,900 --> 00:37:05,760

pleasure to meet you friend
