

The Rabbit Hole Conversations

SEAN RAASCH,  
WITNESS CITIZEN

Episode 2

1  
00:00:02,080 --> 00:00:05,530

uh

2  
00:00:10,420 --> 00:00:05,550

[Music]

3  
00:00:16,630 --> 00:00:10,430

[Applause]

4  
00:00:39,270 --> 00:00:16,640

[Music]

5  
00:00:41,110 --> 00:00:39,280

all right hi everyone welcome back to

6  
00:00:43,590 --> 00:00:41,120

the rabbit hole conversations

7  
00:00:45,670 --> 00:00:43,600

today i'm talking to sean rash

8  
00:00:47,830 --> 00:00:45,680

sean is the host and researcher behind

9  
00:00:49,590 --> 00:00:47,840

the phenomenal witness citizen youtube

10  
00:00:51,350 --> 00:00:49,600

channel he's also a very talented

11  
00:00:53,510 --> 00:00:51,360

musician i haven't really gotten a

12  
00:00:55,189 --> 00:00:53,520

chance to speak to sean before but i

13  
00:00:57,350 --> 00:00:55,199

very much admire his work and his

14

00:00:58,630 --> 00:00:57,360

approach to the topic and so i'm stoked

15

00:01:00,549 --> 00:00:58,640

to be able to share this conversation

16

00:01:01,510 --> 00:01:00,559

with you today so welcome to the show

17

00:01:03,189 --> 00:01:01,520

sean

18

00:01:05,030 --> 00:01:03,199

yeah thank you so much for having me i

19

00:01:06,469 --> 00:01:05,040

really do appreciate it kelly

20

00:01:10,950 --> 00:01:06,479

absolutely

21

00:01:13,030 --> 00:01:10,960

well let's dive right in so sure

22

00:01:15,190 --> 00:01:13,040

obviously you know you're a fellow

23

00:01:17,030 --> 00:01:15,200

creator in the ufo space and i would

24

00:01:19,109 --> 00:01:17,040

just love to hear more about your story

25

00:01:21,030 --> 00:01:19,119

so is this a topic that you were always

26  
00:01:23,590 --> 00:01:21,040  
interested in or was there something in

27  
00:01:25,350 --> 00:01:23,600  
particular that kind of brought this um

28  
00:01:27,910 --> 00:01:25,360  
to the forefront for you

29  
00:01:29,030 --> 00:01:27,920  
uh no i was never really interested in

30  
00:01:38,630 --> 00:01:29,040  
it

31  
00:01:40,710 --> 00:01:38,640  
and typically throughout my life i i

32  
00:01:42,149 --> 00:01:40,720  
kind of go towards things that come to

33  
00:01:43,109 --> 00:01:42,159  
me organically

34  
00:01:44,789 --> 00:01:43,119  
and

35  
00:01:47,270 --> 00:01:44,799  
draw me in further

36  
00:01:49,429 --> 00:01:47,280  
and it got to a point where i had my own

37  
00:01:51,670 --> 00:01:49,439  
experience

38  
00:01:53,590 --> 00:01:51,680

almost two years ago a year and a half

39

00:01:55,350 --> 00:01:53,600

ago now

40

00:01:57,830 --> 00:01:55,360

and

41

00:01:59,429 --> 00:01:57,840

you know i'm i'm a do-it-yourself kind

42

00:02:00,870 --> 00:01:59,439

of person so

43

00:02:02,789 --> 00:02:00,880

you know i don't really like sitting

44

00:02:04,310 --> 00:02:02,799

around and waiting so

45

00:02:06,310 --> 00:02:04,320

um

46

00:02:08,869 --> 00:02:06,320

i just did what i knew

47

00:02:11,350 --> 00:02:08,879

to do which was you know just try to

48

00:02:14,070 --> 00:02:11,360

work for myself and research and try to

49

00:02:15,589 --> 00:02:14,080

figure out as much as i i could uh on

50

00:02:16,470 --> 00:02:15,599

the topic

51  
00:02:19,510 --> 00:02:16,480  
um

52  
00:02:21,430 --> 00:02:19,520  
you know and with no

53  
00:02:23,830 --> 00:02:21,440  
sort of um

54  
00:02:26,070 --> 00:02:23,840  
uh bias you know i wasn't

55  
00:02:27,190 --> 00:02:26,080  
trying to find aliens i wasn't trying to

56  
00:02:29,670 --> 00:02:27,200  
find

57  
00:02:30,869 --> 00:02:29,680  
uh anything in particular if it was you

58  
00:02:33,670 --> 00:02:30,879  
know some sort of weird natural

59  
00:02:34,390 --> 00:02:33,680  
phenomenon or interdimensional stuff

60  
00:02:36,869 --> 00:02:34,400  
or

61  
00:02:38,470 --> 00:02:36,879  
whatever i just wanted to find you know

62  
00:02:41,509 --> 00:02:38,480  
what was this

63  
00:02:42,790 --> 00:02:41,519

what existed what was real what wasn't

64

00:02:45,010 --> 00:02:42,800

um

65

00:02:46,390 --> 00:02:45,020

and so i just went into

66

00:02:48,470 --> 00:02:46,400

[Music]

67

00:02:50,550 --> 00:02:48,480

a research mode and just tried to find

68

00:02:52,070 --> 00:02:50,560

anything i could

69

00:02:53,830 --> 00:02:52,080

you know with the resources i had which

70

00:02:55,430 --> 00:02:53,840

was basically the internet the computer

71

00:02:57,270 --> 00:02:55,440

right

72

00:02:58,790 --> 00:02:57,280

so and i found

73

00:03:02,550 --> 00:02:58,800

i quickly started finding some

74

00:03:04,390 --> 00:03:02,560

legitimate documents some ufo documents

75

00:03:06,070 --> 00:03:04,400

from the air force

76

00:03:09,270 --> 00:03:06,080

um osi

77

00:03:11,589 --> 00:03:09,280

office of special investigations and

78

00:03:14,229 --> 00:03:11,599

you know that uh kind of took me to the

79

00:03:15,430 --> 00:03:14,239

point of where i am now and

80

00:03:17,750 --> 00:03:15,440

um so

81

00:03:19,910 --> 00:03:17,760

you know after reading enough cases

82

00:03:21,830 --> 00:03:19,920

because it wasn't just a couple cases

83

00:03:24,949 --> 00:03:21,840

there there's all sorts of cases there's

84

00:03:27,270 --> 00:03:24,959

cases where some are hoaxes some are

85

00:03:28,630 --> 00:03:27,280

um you know something stupid like a

86

00:03:30,229 --> 00:03:28,640

plane or whatever

87

00:03:34,149 --> 00:03:30,239

but there's some

88

00:03:35,910 --> 00:03:34,159

um actually a lot of real cases with um

89

00:03:37,350 --> 00:03:35,920

whether it be pilots scientists

90

00:03:41,270 --> 00:03:37,360

engineers

91

00:03:42,470 --> 00:03:41,280

um or you know just civilians too

92

00:03:45,670 --> 00:03:42,480

where

93

00:03:47,430 --> 00:03:45,680

they see things doing um

94

00:03:50,229 --> 00:03:47,440

incredible

95

00:03:52,229 --> 00:03:50,239

um things whether it be 90 degree turns

96

00:03:53,750 --> 00:03:52,239

at you know 3 500 miles an hour or

97

00:03:56,550 --> 00:03:53,760

whatever

98

00:03:59,030 --> 00:03:56,560

captured on radar and visually

99

00:04:01,589 --> 00:03:59,040

and there's no

100

00:04:02,949 --> 00:04:01,599

readily available explanation and that's

101

00:04:05,030 --> 00:04:02,959

just

102

00:04:07,750 --> 00:04:05,040

the truth of the matter you know i've

103

00:04:09,830 --> 00:04:07,760

read enough of those cases where

104

00:04:12,830 --> 00:04:09,840

i know that there is a phenomenon that

105

00:04:18,870 --> 00:04:15,910

so that once i realized that and learned

106

00:04:21,030 --> 00:04:18,880

that um i kind of

107

00:04:23,350 --> 00:04:21,040

went into okay now i gotta

108

00:04:25,830 --> 00:04:23,360

you know do what i can to

109

00:04:28,310 --> 00:04:25,840

um let other people know who either have

110

00:04:29,430 --> 00:04:28,320

had their own experience or interested

111

00:04:31,909 --> 00:04:29,440

or whatever

112

00:04:34,070 --> 00:04:31,919

that there really is something

113

00:04:37,189 --> 00:04:34,080

going on you know what that is

114

00:04:38,870 --> 00:04:37,199

i still have no idea but um

115

00:04:39,909 --> 00:04:38,880

i'm definitely sure that something is

116

00:04:41,830 --> 00:04:39,919

happening

117

00:04:44,070 --> 00:04:41,840

and i saw something and that other

118

00:04:45,749 --> 00:04:44,080

people see stuff and

119

00:04:47,909 --> 00:04:45,759

um

120

00:04:49,030 --> 00:04:47,919

you know so i figured i i would do this

121

00:04:51,909 --> 00:04:49,040

show

122

00:04:54,150 --> 00:04:51,919

as a place to to kind of you know offer

123

00:04:57,189 --> 00:04:54,160

people um

124

00:04:58,150 --> 00:04:57,199

for the most part and non-biased uh a

125

00:05:00,629 --> 00:04:58,160

show

126  
00:05:02,870 --> 00:05:00,639  
and uh research channel so so people

127  
00:05:04,550 --> 00:05:02,880  
could um you know get

128  
00:05:05,909 --> 00:05:04,560  
that kind of information

129  
00:05:07,350 --> 00:05:05,919  
in in a

130  
00:05:08,950 --> 00:05:07,360  
straight to the point kind of way you

131  
00:05:10,629 --> 00:05:08,960  
know here's the document this is what it

132  
00:05:12,150 --> 00:05:10,639  
says you don't need to dress it up you

133  
00:05:14,950 --> 00:05:12,160  
don't need to make it

134  
00:05:16,950 --> 00:05:14,960  
grandiose or extravagant because it just

135  
00:05:19,670 --> 00:05:16,960  
is it is what it is

136  
00:05:21,830 --> 00:05:19,680  
um and if you you know put the time in

137  
00:05:25,350 --> 00:05:21,840  
to pay attention to that and listen or

138  
00:05:27,270 --> 00:05:25,360

read for yourself uh you'll find that so

139

00:05:28,950 --> 00:05:27,280

you know that's kind of how i got into

140

00:05:30,790 --> 00:05:28,960

this

141

00:05:32,070 --> 00:05:30,800

that's awesome well and i really do i'd

142

00:05:33,909 --> 00:05:32,080

love to talk more about your research

143

00:05:35,510 --> 00:05:33,919

and i really do admire your work and

144

00:05:38,150 --> 00:05:35,520

your approach to the work

145

00:05:39,670 --> 00:05:38,160

um do you do you feel comfortable at all

146

00:05:42,230 --> 00:05:39,680

discussing the experience that you have

147

00:05:44,870 --> 00:05:42,240

that kind of kicked this off for you

148

00:05:46,469 --> 00:05:44,880

um yeah sure um

149

00:05:49,430 --> 00:05:46,479

there's a couple places

150

00:05:50,469 --> 00:05:49,440

um i think people can hear it at this

151  
00:05:53,189 --> 00:05:50,479  
point

152  
00:05:55,270 --> 00:05:53,199  
engaging the phenomenon channel is one

153  
00:05:58,390 --> 00:05:55,280  
um my own channel is another somewhere

154  
00:06:01,430 --> 00:05:58,400  
i've talked about it um but basically

155  
00:06:02,790 --> 00:06:01,440  
it's it's it's a long drawn out

156  
00:06:03,670 --> 00:06:02,800  
kind of thing

157  
00:06:07,430 --> 00:06:03,680  
so

158  
00:06:09,830 --> 00:06:07,440  
as to not take up you know the whole

159  
00:06:13,189 --> 00:06:09,840  
time the whole hour or whatever

160  
00:06:15,670 --> 00:06:13,199  
um but it was the year of uh coronavirus

161  
00:06:18,830 --> 00:06:15,680  
when it was like really going strong

162  
00:06:20,710 --> 00:06:18,840  
and i believe it was uh march maybe of

163  
00:06:23,749 --> 00:06:20,720

20 um

164

00:06:26,070 --> 00:06:23,759

maybe it was 20 20 right

165

00:06:28,550 --> 00:06:26,080

march of 2020

166

00:06:30,710 --> 00:06:28,560

is is when it started going real strong

167

00:06:31,670 --> 00:06:30,720

and people didn't really know what to do

168

00:06:35,670 --> 00:06:31,680

and

169

00:06:37,350 --> 00:06:35,680

um at that point i made a decision to um

170

00:06:39,909 --> 00:06:37,360

bowl in this league

171

00:06:42,390 --> 00:06:39,919

with a family member my dad

172

00:06:46,870 --> 00:06:44,629

as the months

173

00:06:50,950 --> 00:06:46,880

progressed in the first opening week of

174

00:06:53,189 --> 00:06:50,960

bowling game coronavirus was pretty bad

175

00:06:54,870 --> 00:06:53,199

and i was kind of stressing out as far

176

00:06:56,710 --> 00:06:54,880

as what to do with bowling

177

00:06:58,790 --> 00:06:56,720

my father still wanted a bowl

178

00:06:59,670 --> 00:06:58,800

um it's his thing that's our family's

179

00:07:01,029 --> 00:06:59,680

thing

180

00:07:02,550 --> 00:07:01,039

you know

181

00:07:04,629 --> 00:07:02,560

a lot of people had

182

00:07:05,749 --> 00:07:04,639

those hard choices to make during corona

183

00:07:06,950 --> 00:07:05,759

virus

184

00:07:08,469 --> 00:07:06,960

um

185

00:07:10,469 --> 00:07:08,479

and i was still willing to do it as long

186

00:07:13,589 --> 00:07:10,479

as people would wear masks

187

00:07:14,469 --> 00:07:13,599

um so as the week approaches

188

00:07:16,550 --> 00:07:14,479

um

189

00:07:18,629 --> 00:07:16,560

this is maybe a couple days before

190

00:07:19,990 --> 00:07:18,639

um that tuesday night we're supposed to

191

00:07:22,150 --> 00:07:20,000

uh begin

192

00:07:23,270 --> 00:07:22,160

i'm outside uh smoking a cigarette

193

00:07:25,110 --> 00:07:23,280

whatever

194

00:07:28,150 --> 00:07:25,120

i'm about to walk inside

195

00:07:30,469 --> 00:07:28,160

and i look up uh over my house over the

196

00:07:33,350 --> 00:07:30,479

back door and there's like a big

197

00:07:35,110 --> 00:07:33,360

uh like a sideways teardrop thing with a

198

00:07:38,870 --> 00:07:35,120

little bit of a curve to it

199

00:07:40,710 --> 00:07:38,880

um it was milky thick dense white

200

00:07:42,710 --> 00:07:40,720

seemed like it was alive there was some

201  
00:07:45,510 --> 00:07:42,720  
sort of border around it

202  
00:07:47,990 --> 00:07:45,520  
and um which was maybe

203  
00:07:48,950 --> 00:07:48,000  
you know less white maybe more silvery

204  
00:07:52,869 --> 00:07:48,960  
and it

205  
00:07:56,150 --> 00:07:52,879  
in in

206  
00:07:59,270 --> 00:07:56,160  
out like it didn't drop from the sky

207  
00:08:01,430 --> 00:07:59,280  
um it was more of like a sideways thing

208  
00:08:02,390 --> 00:08:01,440  
and just came in the sky and out of this

209  
00:08:04,950 --> 00:08:02,400  
guy

210  
00:08:07,029 --> 00:08:04,960  
and it was pretty large so if

211  
00:08:08,629 --> 00:08:07,039  
you know is it either literally 40 feet

212  
00:08:11,189 --> 00:08:08,639  
above me or

213  
00:08:13,909 --> 00:08:11,199

it was really big and super far away um

214

00:08:15,749 --> 00:08:13,919

but you know i would say like at arm's

215

00:08:18,550 --> 00:08:15,759

length it was maybe the size of my hand

216

00:08:20,309 --> 00:08:18,560

my whole hand wow um

217

00:08:23,029 --> 00:08:20,319

so

218

00:08:24,550 --> 00:08:23,039

then i just went inside it didn't really

219

00:08:26,710 --> 00:08:24,560

you know i knew i just saw something

220

00:08:27,830 --> 00:08:26,720

awesome but um i wasn't to the point

221

00:08:29,830 --> 00:08:27,840

where i'm like

222

00:08:31,350 --> 00:08:29,840

uh everything's changed for me i got to

223

00:08:32,389 --> 00:08:31,360

figure out what this is it was i was

224

00:08:34,230 --> 00:08:32,399

just like

225

00:08:36,310 --> 00:08:34,240

taking it back a little bit but moved on

226

00:08:38,230 --> 00:08:36,320

progressed with my life you know

227

00:08:41,029 --> 00:08:38,240

um so

228

00:08:42,630 --> 00:08:41,039

then the bowling uh night comes so we do

229

00:08:44,470 --> 00:08:42,640

the bowling no one's wearing masks one

230

00:08:46,389 --> 00:08:44,480

thing leads to another and my father and

231

00:08:47,590 --> 00:08:46,399

i getting a big argument

232

00:08:49,910 --> 00:08:47,600

um

233

00:08:51,750 --> 00:08:49,920

and

234

00:08:53,269 --> 00:08:51,760

you know we're um

235

00:08:56,150 --> 00:08:53,279

you know kind of texting each other or

236

00:08:58,230 --> 00:08:56,160

whatever the next day

237

00:09:00,870 --> 00:08:58,240

and we decided to have a phone call

238

00:09:03,350 --> 00:09:00,880

on the phone and it even just got worse

239

00:09:05,190 --> 00:09:03,360

on the phone call like uh the worst you

240

00:09:07,190 --> 00:09:05,200

could imagine kind of argument

241

00:09:08,949 --> 00:09:07,200

with your parent is is what happened

242

00:09:11,030 --> 00:09:08,959

which isn't weird for some people i

243

00:09:14,550 --> 00:09:11,040

always say that but it's uh weird for

244

00:09:17,269 --> 00:09:14,560

myself because we never did that before

245

00:09:18,870 --> 00:09:17,279

why mentioning that is because um while

246

00:09:20,310 --> 00:09:18,880

this is happening

247

00:09:22,630 --> 00:09:20,320

i'm

248

00:09:25,030 --> 00:09:22,640

realizing that the the stream i had a

249

00:09:27,670 --> 00:09:25,040

couple years prior where i got in that

250

00:09:30,310 --> 00:09:27,680

type of argument with him

251  
00:09:32,070 --> 00:09:30,320  
uh i had one of those dreams and had

252  
00:09:33,750 --> 00:09:32,080  
stayed with me like the whole day like

253  
00:09:35,430 --> 00:09:33,760  
the feeling and i remember thinking like

254  
00:09:37,750 --> 00:09:35,440  
why would this ever happen what a

255  
00:09:38,949 --> 00:09:37,760  
terrible dream and that just

256  
00:09:42,230 --> 00:09:38,959  
eventually

257  
00:09:43,670 --> 00:09:42,240  
shook it off as the day progressed

258  
00:09:45,350 --> 00:09:43,680  
but as we're you know having that

259  
00:09:47,350 --> 00:09:45,360  
argument that's coming back to me and

260  
00:09:49,269 --> 00:09:47,360  
i'm like what the heck like

261  
00:09:52,230 --> 00:09:49,279  
i cannot believe

262  
00:09:53,350 --> 00:09:52,240  
that it actually happened kind of thing

263  
00:09:55,990 --> 00:09:53,360

you know

264

00:09:58,150 --> 00:09:56,000

um and

265

00:09:59,269 --> 00:09:58,160

other than that the whole thing was um

266

00:10:02,069 --> 00:09:59,279

you know

267

00:10:03,509 --> 00:10:02,079

emotional and kind of crummy

268

00:10:04,470 --> 00:10:03,519

um

269

00:10:06,069 --> 00:10:04,480

so

270

00:10:08,710 --> 00:10:06,079

a couple days after that a couple days

271

00:10:10,790 --> 00:10:08,720

pass uh i'm outside

272

00:10:11,910 --> 00:10:10,800

having a cigarette which i don't condone

273

00:10:14,790 --> 00:10:11,920

by the way

274

00:10:15,910 --> 00:10:14,800

um and instead of looking

275

00:10:17,350 --> 00:10:15,920

uh like

276

00:10:18,389 --> 00:10:17,360

towards the back door where i'm about to

277

00:10:20,150 --> 00:10:18,399

head inside

278

00:10:22,150 --> 00:10:20,160

i'm in the same kind of spot but i'm

279

00:10:24,870 --> 00:10:22,160

looking towards the garage which is over

280

00:10:26,949 --> 00:10:24,880

you know to the to the side

281

00:10:29,030 --> 00:10:26,959

and i'm under like this tree that we

282

00:10:31,030 --> 00:10:29,040

have in the backyard and i'm looking

283

00:10:33,829 --> 00:10:31,040

uh at the garage

284

00:10:36,389 --> 00:10:33,839

and so out of nowhere like his zipper

285

00:10:37,670 --> 00:10:36,399

light comes over my shoulder

286

00:10:39,509 --> 00:10:37,680

and

287

00:10:42,550 --> 00:10:39,519

i can't really explain it

288

00:10:43,990 --> 00:10:42,560

other than i knew i was about to see the

289

00:10:47,110 --> 00:10:44,000

same thing again

290

00:10:49,509 --> 00:10:47,120

and i hate to keep uh like looking in

291

00:10:51,509 --> 00:10:49,519

the trajectory of where that light went

292

00:10:54,069 --> 00:10:51,519

and i would see it

293

00:10:56,310 --> 00:10:54,079

and sure enough i like the light goes

294

00:10:57,350 --> 00:10:56,320

this way i'm fixed that way and here it

295

00:10:59,990 --> 00:10:57,360

comes

296

00:11:02,389 --> 00:11:00,000

um so it's it wasn't uh the sideways

297

00:11:04,069 --> 00:11:02,399

teardrop look it was like uh

298

00:11:06,230 --> 00:11:04,079

at arm's length i guess it was the size

299

00:11:07,190 --> 00:11:06,240

of my hand again like a basketball maybe

300

00:11:08,550 --> 00:11:07,200

even

301

00:11:11,269 --> 00:11:08,560

um

302

00:11:12,150 --> 00:11:11,279

and but it was it was like a round

303

00:11:15,190 --> 00:11:12,160

uh

304

00:11:17,509 --> 00:11:15,200

round version of the same thing same

305

00:11:20,069 --> 00:11:17,519

substance milky substance inside same

306

00:11:21,110 --> 00:11:20,079

like a lighter silver color border the

307

00:11:23,750 --> 00:11:21,120

whole thing

308

00:11:24,710 --> 00:11:23,760

seemed alive again it was like

309

00:11:26,630 --> 00:11:24,720

like a

310

00:11:29,670 --> 00:11:26,640

real milky foggy

311

00:11:30,870 --> 00:11:29,680

dense cloudy substance on the inside

312

00:11:33,030 --> 00:11:30,880

um

313

00:11:34,230 --> 00:11:33,040

and it almost looked like it sat there

314

00:11:35,350 --> 00:11:34,240

for a second

315

00:11:36,790 --> 00:11:35,360

but it

316

00:11:38,630 --> 00:11:36,800

looked like it went on the other side of

317

00:11:40,150 --> 00:11:38,640

the garage basically

318

00:11:41,350 --> 00:11:40,160

which of course it didn't nothing was

319

00:11:45,750 --> 00:11:41,360

there but

320

00:11:48,069 --> 00:11:45,760

um again it just like disappeared and

321

00:11:50,550 --> 00:11:48,079

uh that was that and

322

00:11:51,430 --> 00:11:50,560

after that happened

323

00:11:54,790 --> 00:11:51,440

um

324

00:11:57,190 --> 00:11:54,800

that's when i was a pretty

325

00:11:58,550 --> 00:11:57,200

like um

326  
00:12:01,030 --> 00:11:58,560  
that whole

327  
00:12:03,190 --> 00:12:01,040  
sequence of events changed me

328  
00:12:05,910 --> 00:12:03,200  
you know for sure

329  
00:12:07,750 --> 00:12:05,920  
um and changed the trajectory of my life

330  
00:12:09,350 --> 00:12:07,760  
and you know even to what i'm focusing

331  
00:12:10,389 --> 00:12:09,360  
on which is doing this which i never

332  
00:12:13,509 --> 00:12:10,399  
thought i would do

333  
00:12:14,310 --> 00:12:13,519  
in a million years you know um

334  
00:12:16,790 --> 00:12:14,320  
and

335  
00:12:18,550 --> 00:12:16,800  
like the the dream part of it a lot of

336  
00:12:21,030 --> 00:12:18,560  
people could say you know that's just

337  
00:12:22,389 --> 00:12:21,040  
like association or whatever

338  
00:12:23,670 --> 00:12:22,399

um

339

00:12:24,790 --> 00:12:23,680

but

340

00:12:27,829 --> 00:12:24,800

it's like

341

00:12:30,470 --> 00:12:27,839

that dream part is what kind of clicked

342

00:12:33,030 --> 00:12:30,480

it all together for me almost like

343

00:12:35,750 --> 00:12:33,040

i see these two crazy things another

344

00:12:38,069 --> 00:12:35,760

crazy thing happens like a

345

00:12:39,990 --> 00:12:38,079

a dream came true that i could have

346

00:12:40,290 --> 00:12:40,000

never seen happening

347

00:12:41,670 --> 00:12:40,300

um

348

00:12:43,990 --> 00:12:41,680

[Music]

349

00:12:45,910 --> 00:12:44,000

so it i just my world was kind of rocked

350

00:12:47,910 --> 00:12:45,920

a little bit i guess and

351

00:12:50,310 --> 00:12:47,920

you know i'm not sitting here saying

352

00:12:52,949 --> 00:12:50,320

either that you know all those three

353

00:12:55,430 --> 00:12:52,959

things are for sure you know uh

354

00:12:57,350 --> 00:12:55,440

intertwined or whatever um but i don't

355

00:12:58,470 --> 00:12:57,360

know what else to think at this point

356

00:13:00,470 --> 00:12:58,480

you know

357

00:13:03,430 --> 00:13:00,480

um it's like winning the lottery three

358

00:13:06,550 --> 00:13:03,440

times in a row in like a week you know

359

00:13:08,550 --> 00:13:06,560

um it's just the chances are so

360

00:13:10,389 --> 00:13:08,560

uh my newt that

361

00:13:12,550 --> 00:13:10,399

you know when i work and look for stuff

362

00:13:13,509 --> 00:13:12,560

i have all these things in mind

363

00:13:14,470 --> 00:13:13,519

um

364

00:13:16,389 --> 00:13:14,480

but

365

00:13:18,629 --> 00:13:16,399

i'm not you know i

366

00:13:20,710 --> 00:13:18,639

also make a point to not

367

00:13:22,069 --> 00:13:20,720

put things together just to put things

368

00:13:23,269 --> 00:13:22,079

together you know when i'm doing

369

00:13:25,030 --> 00:13:23,279

research

370

00:13:27,269 --> 00:13:25,040

you know and making sure that it's you

371

00:13:29,990 --> 00:13:27,279

know as unbiased as possible

372

00:13:32,629 --> 00:13:30,000

uh because you know i don't want to feel

373

00:13:34,790 --> 00:13:32,639

crazy or be crazy you know and that's a

374

00:13:36,389 --> 00:13:34,800

part of why i did this research too

375

00:13:39,110 --> 00:13:36,399

um it was important me to find out that

376

00:13:40,710 --> 00:13:39,120

this stuff was real so i you know

377

00:13:42,710 --> 00:13:40,720

didn't feel that way

378

00:13:44,710 --> 00:13:42,720

and you know i've never seen anything

379

00:13:45,990 --> 00:13:44,720

like that again

380

00:13:51,030 --> 00:13:46,000

um never

381

00:13:54,790 --> 00:13:53,110

really uh one at least a couple that

382

00:13:57,189 --> 00:13:54,800

were really impactful

383

00:13:58,790 --> 00:13:57,199

one was definitely like a weird

384

00:14:01,110 --> 00:13:58,800

premonition

385

00:14:03,910 --> 00:14:01,120

thing came true kind of thing

386

00:14:07,030 --> 00:14:05,670

that was the biggest experience i've

387

00:14:09,350 --> 00:14:07,040

ever had in my life and never had it

388

00:14:11,189 --> 00:14:09,360

again so far but i guess it's only been

389

00:14:12,389 --> 00:14:11,199

you know less than two years

390

00:14:15,509 --> 00:14:12,399

but

391

00:14:15,880 --> 00:14:15,519

um and i've seen other things for sure

392

00:14:17,269 --> 00:14:15,890

um

393

00:14:21,030 --> 00:14:17,279

[Music]

394

00:14:24,550 --> 00:14:21,040

nothing as close or as uh wild looking

395

00:14:26,310 --> 00:14:24,560

as those two things ever ever since

396

00:14:27,509 --> 00:14:26,320

that is why

397

00:14:30,710 --> 00:14:27,519

yeah

398

00:14:32,150 --> 00:14:30,720

and and i guess there's kind of

399

00:14:34,550 --> 00:14:32,160

more to it

400

00:14:37,829 --> 00:14:34,560

but not really i mean that's that's the

401  
00:14:39,590 --> 00:14:37,839  
the meat and bones of the story so

402  
00:14:41,750 --> 00:14:39,600  
well thank you so much for sharing it i

403  
00:14:43,670 --> 00:14:41,760  
really appreciate that

404  
00:14:45,350 --> 00:14:43,680  
oh yeah it's good it's good to talk

405  
00:14:47,509 --> 00:14:45,360  
about it like the more i do talk about

406  
00:14:49,509 --> 00:14:47,519  
it the less um

407  
00:14:50,949 --> 00:14:49,519  
emotional it makes me when i would first

408  
00:14:52,389 --> 00:14:50,959  
kind of talk about it it would it would

409  
00:14:55,350 --> 00:14:52,399  
be hard to

410  
00:14:57,590 --> 00:14:55,360  
to discuss you know it really would be

411  
00:14:59,350 --> 00:14:57,600  
but at this point it's not as difficult

412  
00:15:01,350 --> 00:14:59,360  
to talk about anymore so

413  
00:15:02,790 --> 00:15:01,360

you know it's good to do that

414

00:15:03,910 --> 00:15:02,800

yeah yeah i know that makes a lot of

415

00:15:05,750 --> 00:15:03,920

sense

416

00:15:08,710 --> 00:15:05,760

i have a weird question and

417

00:15:10,389 --> 00:15:08,720

i feel like so i definitely have

418

00:15:12,389 --> 00:15:10,399

this has been less than a year for me

419

00:15:14,870 --> 00:15:12,399

since i got into this but i same thing

420

00:15:16,470 --> 00:15:14,880

just like full bore right

421

00:15:17,910 --> 00:15:16,480

um and i've talked to a few other people

422

00:15:19,509 --> 00:15:17,920

through this process of having

423

00:15:20,230 --> 00:15:19,519

conversations and it seems like there

424

00:15:22,150 --> 00:15:20,240

are

425

00:15:23,670 --> 00:15:22,160

a lot of people who over the last like

426

00:15:25,509 --> 00:15:23,680

two to three years have kind of for

427

00:15:27,189 --> 00:15:25,519

whatever reason through an experience or

428

00:15:28,629 --> 00:15:27,199

just through curiosity kind of had this

429

00:15:31,350 --> 00:15:28,639

awakening

430

00:15:32,550 --> 00:15:31,360

do you think it's something that's going

431

00:15:34,069 --> 00:15:32,560

like that it has something to do with

432

00:15:36,389 --> 00:15:34,079

like what's going on in general with the

433

00:15:37,990 --> 00:15:36,399

disclosure movement or becoming more

434

00:15:40,230 --> 00:15:38,000

just being talked about slightly more or

435

00:15:41,910 --> 00:15:40,240

do you think maybe the pandemic and just

436

00:15:43,509 --> 00:15:41,920

having people having more time and

437

00:15:45,430 --> 00:15:43,519

thought to themselves that maybe that

438

00:15:47,110 --> 00:15:45,440

has kind of led to it i'm just curious

439

00:15:48,629 --> 00:15:47,120

if you if you think the pandemic had

440

00:15:50,150 --> 00:15:48,639

anything to do with your having that

441

00:15:53,590 --> 00:15:50,160

experience

442

00:15:56,470 --> 00:15:53,600

uh well the first thing i would say is

443

00:15:59,749 --> 00:15:56,480

any opinion that i would have

444

00:16:01,590 --> 00:15:59,759

at this point is kind of irrelevant but

445

00:16:05,910 --> 00:16:01,600

in speculation

446

00:16:10,870 --> 00:16:05,920

um but you know if i had to guess um

447

00:16:15,030 --> 00:16:12,790

the phenomenon whatever it is i've seen

448

00:16:16,389 --> 00:16:15,040

enough reports where it pulls on

449

00:16:17,910 --> 00:16:16,399

people's psyche

450

00:16:19,590 --> 00:16:17,920

which i think a lot of the times is

451  
00:16:22,310 --> 00:16:19,600  
attached to emotion

452  
00:16:24,310 --> 00:16:22,320  
and when you're in kind of a darker

453  
00:16:26,150 --> 00:16:24,320  
place because of maybe something like

454  
00:16:27,829 --> 00:16:26,160  
coronavirus

455  
00:16:29,749 --> 00:16:27,839  
maybe you're more apt to have

456  
00:16:30,629 --> 00:16:29,759  
experiences like that

457  
00:16:32,470 --> 00:16:30,639  
you know

458  
00:16:33,509 --> 00:16:32,480  
for whatever reason i don't know what

459  
00:16:34,870 --> 00:16:33,519  
that is

460  
00:16:36,870 --> 00:16:34,880  
um

461  
00:16:39,430 --> 00:16:36,880  
i think it also kept a lot of people

462  
00:16:41,030 --> 00:16:39,440  
obviously inside um

463  
00:16:42,790 --> 00:16:41,040

i think people

464

00:16:44,710 --> 00:16:42,800

had all sorts of different experiences

465

00:16:45,829 --> 00:16:44,720

whether they got really close to family

466

00:16:48,150 --> 00:16:45,839

or

467

00:16:50,230 --> 00:16:48,160

you know uh went the opposite way with

468

00:16:51,430 --> 00:16:50,240

family a lot of people were isolated by

469

00:16:52,790 --> 00:16:51,440

themselves

470

00:16:54,470 --> 00:16:52,800

um

471

00:16:56,550 --> 00:16:54,480

you know and maybe there are more people

472

00:16:59,590 --> 00:16:56,560

looking up who knows

473

00:17:02,790 --> 00:16:59,600

um so i think

474

00:17:05,429 --> 00:17:02,800

maybe not like some sort of intentional

475

00:17:07,029 --> 00:17:05,439

type of thing but i think

476  
00:17:09,270 --> 00:17:07,039  
you know without looking at numbers and

477  
00:17:11,270 --> 00:17:09,280  
stats and stuff too like

478  
00:17:13,429 --> 00:17:11,280  
it seems that way that a lot of people

479  
00:17:16,150 --> 00:17:13,439  
have had experiences within the last

480  
00:17:17,270 --> 00:17:16,160  
couple of years or whatever

481  
00:17:19,750 --> 00:17:17,280  
um

482  
00:17:22,150 --> 00:17:19,760  
you know and i can't say why that is if

483  
00:17:25,270 --> 00:17:22,160  
if i look at it historically

484  
00:17:26,710 --> 00:17:25,280  
i can say that there's always been kind

485  
00:17:28,069 --> 00:17:26,720  
of uh

486  
00:17:29,990 --> 00:17:28,079  
periods of

487  
00:17:32,710 --> 00:17:30,000  
not even flaps where things happen

488  
00:17:36,710 --> 00:17:32,720

within a couple days with just more

489

00:17:37,909 --> 00:17:36,720

like longer periods where things are

490

00:17:40,390 --> 00:17:37,919

um

491

00:17:42,070 --> 00:17:40,400

kind of active so to speak whatever that

492

00:17:43,990 --> 00:17:42,080

is whether it be like a year's worth

493

00:17:46,230 --> 00:17:44,000

they're two years worth and then it

494

00:17:47,590 --> 00:17:46,240

quiets down again for a little bit and

495

00:17:50,390 --> 00:17:47,600

vice versa

496

00:17:51,590 --> 00:17:50,400

as far as this um current like having a

497

00:17:53,510 --> 00:17:51,600

connection to this current like

498

00:17:55,669 --> 00:17:53,520

disclosure stuff

499

00:17:57,029 --> 00:17:55,679

um i'm not sure that's really hard to

500

00:17:58,630 --> 00:17:57,039

say uh

501  
00:18:00,630 --> 00:17:58,640  
again if you compare

502  
00:18:04,310 --> 00:18:00,640  
like now to to

503  
00:18:07,190 --> 00:18:04,320  
you know uh historic disclosure stuff

504  
00:18:08,630 --> 00:18:07,200  
um there's always been

505  
00:18:10,630 --> 00:18:08,640  
you know people from the government

506  
00:18:12,710 --> 00:18:10,640  
coming out saying they're gonna stop

507  
00:18:14,789 --> 00:18:12,720  
saying stuff for that they're gonna show

508  
00:18:16,549 --> 00:18:14,799  
stuff for and disclosures coming and

509  
00:18:21,029 --> 00:18:16,559  
there's a slow drip and all this kind of

510  
00:18:24,630 --> 00:18:21,039  
stuff that's always happened um

511  
00:18:27,590 --> 00:18:24,640  
there is difference now to where there's

512  
00:18:29,270 --> 00:18:27,600  
you know um some videos came out whether

513  
00:18:31,430 --> 00:18:29,280

you know

514

00:18:32,390 --> 00:18:31,440

whatever people think they are videos

515

00:18:34,870 --> 00:18:32,400

came out

516

00:18:36,470 --> 00:18:34,880

that the government you know defined as

517

00:18:38,310 --> 00:18:36,480

uap

518

00:18:39,430 --> 00:18:38,320

um

519

00:18:40,950 --> 00:18:39,440

and

520

00:18:43,350 --> 00:18:40,960

there's an office

521

00:18:45,350 --> 00:18:43,360

that's happened before like blue book or

522

00:18:47,350 --> 00:18:45,360

whatever but it's public

523

00:18:48,390 --> 00:18:47,360

and congress made it happen

524

00:18:51,590 --> 00:18:48,400

you know

525

00:18:53,750 --> 00:18:51,600

um and there's reports that are

526

00:18:56,230 --> 00:18:53,760

going to congress and there's

527

00:18:57,510 --> 00:18:56,240

unclassified reports that are supposed

528

00:18:59,110 --> 00:18:57,520

to come out so there's a clear

529

00:19:02,549 --> 00:18:59,120

difference there

530

00:19:03,669 --> 00:19:02,559

um as in years past

531

00:19:05,430 --> 00:19:03,679

so

532

00:19:09,110 --> 00:19:05,440

you know and we have war with russia and

533

00:19:12,070 --> 00:19:09,120

ukraine i think our world seems to be in

534

00:19:14,470 --> 00:19:12,080

a bit of a transition

535

00:19:17,750 --> 00:19:16,150

what that means or how big of a

536

00:19:20,070 --> 00:19:17,760

transition it is

537

00:19:21,350 --> 00:19:20,080

only time will tell i guess

538

00:19:22,549 --> 00:19:21,360

but

539

00:19:28,150 --> 00:19:22,559

i

540

00:19:31,350 --> 00:19:28,160

you know change really brought on

541

00:19:33,029 --> 00:19:31,360

uh a lot of maybe my experiences as well

542

00:19:34,630 --> 00:19:33,039

because a lot of my life was changing at

543

00:19:35,830 --> 00:19:34,640

that time too

544

00:19:37,990 --> 00:19:35,840

lived in a

545

00:19:40,390 --> 00:19:38,000

house bought my first house shortly

546

00:19:42,310 --> 00:19:40,400

before that lost a job i was at for a

547

00:19:43,430 --> 00:19:42,320

while before that like a lot was

548

00:19:44,950 --> 00:19:43,440

changing

549

00:19:45,830 --> 00:19:44,960

for me so

550

00:19:48,549 --> 00:19:45,840

maybe

551  
00:19:51,190 --> 00:19:48,559  
if the world changes you know and things

552  
00:19:52,630 --> 00:19:51,200  
are changing for a lot of people

553  
00:19:53,909 --> 00:19:52,640  
you know and a lot more people are

554  
00:19:56,470 --> 00:19:53,919  
experiencing things maybe there's

555  
00:19:57,990 --> 00:19:56,480  
something to that i'm not sure but

556  
00:20:00,390 --> 00:19:58,000  
um

557  
00:20:03,350 --> 00:20:00,400  
you know the the best i can do at least

558  
00:20:04,470 --> 00:20:03,360  
is observe and take it in

559  
00:20:07,909 --> 00:20:04,480  
and

560  
00:20:09,990 --> 00:20:07,919  
treat it as non-biased as possible

561  
00:20:12,710 --> 00:20:10,000  
and that's why i study histories

562  
00:20:16,070 --> 00:20:12,720  
hit the history side of this so much

563  
00:20:18,070 --> 00:20:16,080

so i can confidently say if things are

564

00:20:20,710 --> 00:20:18,080

different or if they're not or if this

565

00:20:22,870 --> 00:20:20,720

has happened before or if it hasn't

566

00:20:24,789 --> 00:20:22,880

um because

567

00:20:26,549 --> 00:20:24,799

you know i think a lot of people do get

568

00:20:27,909 --> 00:20:26,559

sucked into

569

00:20:30,070 --> 00:20:27,919

you know

570

00:20:32,149 --> 00:20:30,080

different aspects of this without really

571

00:20:34,310 --> 00:20:32,159

knowing if there is a difference from

572

00:20:36,390 --> 00:20:34,320

previous times or not and kind of

573

00:20:38,070 --> 00:20:36,400

haphazardly say well people have always

574

00:20:39,270 --> 00:20:38,080

said that or

575

00:20:41,510 --> 00:20:39,280

you know they're not going to show you

576  
00:20:43,110 --> 00:20:41,520  
anything you know

577  
00:20:44,870 --> 00:20:43,120  
whatever it is

578  
00:20:46,710 --> 00:20:44,880  
um

579  
00:20:49,270 --> 00:20:46,720  
at the in the end none of us really

580  
00:20:51,110 --> 00:20:49,280  
really know and we just have our best

581  
00:20:53,430 --> 00:20:51,120  
guess or judgment

582  
00:20:56,710 --> 00:20:53,440  
but if you you know let's

583  
00:20:59,669 --> 00:20:56,720  
look at what's happening now

584  
00:21:01,830 --> 00:20:59,679  
and compare it to different historical

585  
00:21:03,909 --> 00:21:01,840  
events

586  
00:21:05,909 --> 00:21:03,919  
it's a lot different

587  
00:21:06,789 --> 00:21:05,919  
you know do we know anything more about

588  
00:21:09,270 --> 00:21:06,799

this

589

00:21:10,710 --> 00:21:09,280

i don't think so

590

00:21:12,230 --> 00:21:10,720

but it

591

00:21:14,149 --> 00:21:12,240

you know the trail looks like it's

592

00:21:16,310 --> 00:21:14,159

taking us there

593

00:21:18,789 --> 00:21:16,320

a lot more so than than it has in the

594

00:21:21,029 --> 00:21:18,799

past in an honest way too

595

00:21:21,830 --> 00:21:21,039

which is good you know like we don't

596

00:21:24,149 --> 00:21:21,840

have

597

00:21:25,750 --> 00:21:24,159

like elizondo or other people coming out

598

00:21:28,950 --> 00:21:25,760

and saying they're

599

00:21:31,029 --> 00:21:28,960

definitely ets and there's 56 species

600

00:21:33,270 --> 00:21:31,039

and we you know

601  
00:21:34,470 --> 00:21:33,280  
for this reason or that reason he's

602  
00:21:36,870 --> 00:21:34,480  
playing it

603  
00:21:39,430 --> 00:21:36,880  
as aboveboard as you would really want

604  
00:21:41,430 --> 00:21:39,440  
someone to do it um you know in order to

605  
00:21:43,510 --> 00:21:41,440  
be taken seriously right

606  
00:21:46,070 --> 00:21:43,520  
um and people from the past whether they

607  
00:21:49,430 --> 00:21:46,080  
were from nasa or cia or whatever

608  
00:21:51,190 --> 00:21:49,440  
always came out with these are aliens

609  
00:21:52,390 --> 00:21:51,200  
you know

610  
00:21:57,270 --> 00:21:52,400  
and

611  
00:21:58,710 --> 00:21:57,280  
ideas of what's happening i guess

612  
00:22:00,310 --> 00:21:58,720  
so there that's another thing that's

613  
00:22:03,110 --> 00:22:00,320

different so

614

00:22:05,270 --> 00:22:03,120

and i can say without

615

00:22:07,669 --> 00:22:05,280

elizondo and shaun cahill is another guy

616

00:22:09,190 --> 00:22:07,679

without them like um kind of

617

00:22:11,029 --> 00:22:09,200

being around at the time of my

618

00:22:12,390 --> 00:22:11,039

experience and when i started dipping my

619

00:22:14,549 --> 00:22:12,400

feet in the water

620

00:22:15,990 --> 00:22:14,559

uh looking at what people were talking

621

00:22:17,909 --> 00:22:16,000

about what they were doing if they

622

00:22:19,750 --> 00:22:17,919

weren't around

623

00:22:21,590 --> 00:22:19,760

i i probably would have just hightailed

624

00:22:23,750 --> 00:22:21,600

it out of there

625

00:22:24,830 --> 00:22:23,760

and said i don't want any part of that

626  
00:22:27,350 --> 00:22:24,840  
you know

627  
00:22:29,270 --> 00:22:27,360  
because um it would have been

628  
00:22:30,310 --> 00:22:29,280  
overwhelming to me

629  
00:22:34,870 --> 00:22:30,320  
you know

630  
00:22:37,029 --> 00:22:34,880  
slow and seriously and not jumping to

631  
00:22:37,990 --> 00:22:37,039  
conclusions so to speak

632  
00:22:39,669 --> 00:22:38,000  
um

633  
00:22:40,950 --> 00:22:39,679  
no not that any of those conclusions are

634  
00:22:42,630 --> 00:22:40,960  
wrong

635  
00:22:44,390 --> 00:22:42,640  
and that would have been a mistake for

636  
00:22:46,710 --> 00:22:44,400  
me as well because i met a lot of great

637  
00:22:48,710 --> 00:22:46,720  
people since coming in here but the

638  
00:22:49,510 --> 00:22:48,720

simple fact is i may have not been here

639

00:22:51,510 --> 00:22:49,520

if

640

00:22:55,029 --> 00:22:51,520

it wasn't for them um

641

00:22:56,230 --> 00:22:55,039

kind of making it seem okay so

642

00:22:58,789 --> 00:22:56,240

i don't know

643

00:23:00,470 --> 00:22:58,799

that's kind of a long answer i guess

644

00:23:03,110 --> 00:23:00,480

no it's a great answer

645

00:23:04,950 --> 00:23:03,120

i lose track of what i'm saying

646

00:23:07,270 --> 00:23:04,960

no it's a great answer and i agree i

647

00:23:09,590 --> 00:23:07,280

mean i think for me if it wasn't for lou

648

00:23:11,110 --> 00:23:09,600

that i wouldn't have gotten as deep into

649

00:23:12,630 --> 00:23:11,120

this as

650

00:23:15,510 --> 00:23:12,640

as i did because i feel like you need

651  
00:23:18,070 --> 00:23:15,520  
that that foothold of rationality like

652  
00:23:20,390 --> 00:23:18,080  
that place to start from you know or

653  
00:23:22,310 --> 00:23:20,400  
else you're just lost and i feel like he

654  
00:23:23,669 --> 00:23:22,320  
was able to kind of provide that in a

655  
00:23:25,270 --> 00:23:23,679  
way

656  
00:23:26,870 --> 00:23:25,280  
yeah um

657  
00:23:28,390 --> 00:23:26,880  
in terms of your research and just sort

658  
00:23:29,750 --> 00:23:28,400  
of like everything that you've looked

659  
00:23:31,029 --> 00:23:29,760  
you've looked into because i know that

660  
00:23:32,390 --> 00:23:31,039  
you know

661  
00:23:34,549 --> 00:23:32,400  
and i really admire by the way that you

662  
00:23:36,630 --> 00:23:34,559  
had this really profound experience that

663  
00:23:38,870 --> 00:23:36,640

affected you deeply but that you still

664

00:23:40,630 --> 00:23:38,880

have really insisted upon approaching

665

00:23:42,710 --> 00:23:40,640

this topic with like

666

00:23:44,230 --> 00:23:42,720

methodically and rationally

667

00:23:48,470 --> 00:23:44,240

um

668

00:23:51,190 --> 00:23:48,480

research what has kind of

669

00:23:54,549 --> 00:23:51,200

surprised you the most as you've started

670

00:23:56,870 --> 00:23:54,559

to you know really dig into the facts

671

00:24:00,630 --> 00:23:56,880

sure i mean what surprised me the the

672

00:24:04,710 --> 00:24:00,640

most is easy to me is um how

673

00:24:07,430 --> 00:24:04,720

um how many uh encounters

674

00:24:09,510 --> 00:24:07,440

um have happened with

675

00:24:14,470 --> 00:24:09,520

pilots

676

00:24:17,269 --> 00:24:14,480

or military men or whatever

677

00:24:19,669 --> 00:24:17,279

um where they go unexplained you know

678

00:24:23,110 --> 00:24:19,679

and there is no explanation

679

00:24:26,149 --> 00:24:23,120

how much that has really happened and

680

00:24:28,390 --> 00:24:26,159

we're still here at this point you know

681

00:24:30,310 --> 00:24:28,400

that congress hasn't done this like

682

00:24:32,230 --> 00:24:30,320

decades ago already

683

00:24:33,990 --> 00:24:32,240

because when you look back at the like

684

00:24:35,590 --> 00:24:34,000

blue book files and all that stuff it's

685

00:24:39,190 --> 00:24:35,600

not

686

00:24:41,590 --> 00:24:39,200

you know civilians one witness

687

00:24:43,510 --> 00:24:41,600

um nothing makes sense i mean nothing

688

00:24:45,909 --> 00:24:43,520

makes sense right but i mean

689

00:24:48,149 --> 00:24:45,919

you know just nothing you can really

690

00:24:50,149 --> 00:24:48,159

take seriously because it is just one

691

00:24:51,269 --> 00:24:50,159

person or one witness and maybe they're

692

00:24:53,190 --> 00:24:51,279

kind of a

693

00:24:54,630 --> 00:24:53,200

eccentric type of person or whatever

694

00:24:55,669 --> 00:24:54,640

it's

695

00:24:57,430 --> 00:24:55,679

not

696

00:24:58,870 --> 00:24:57,440

that you know

697

00:25:01,029 --> 00:24:58,880

it's all

698

00:25:03,909 --> 00:25:01,039

um not all either but

699

00:25:05,110 --> 00:25:03,919

predominantly actually respectable

700

00:25:07,669 --> 00:25:05,120

people

701  
00:25:10,950 --> 00:25:07,679  
um that are reliable that have these

702  
00:25:13,029 --> 00:25:10,960  
experiences and report them

703  
00:25:14,390 --> 00:25:13,039  
and with the amount of those that have

704  
00:25:16,789 --> 00:25:14,400  
actually occurred and i'm talking at

705  
00:25:17,750 --> 00:25:16,799  
least like military people hundreds

706  
00:25:20,549 --> 00:25:17,760  
you know

707  
00:25:22,230 --> 00:25:20,559  
probably up to a thousand i would say

708  
00:25:24,710 --> 00:25:22,240  
you know if i had to guess but i know at

709  
00:25:27,909 --> 00:25:24,720  
least three three hundred at least

710  
00:25:28,789 --> 00:25:27,919  
and that's just from like 47 to you know

711  
00:25:30,310 --> 00:25:28,799  
maybe

712  
00:25:31,350 --> 00:25:30,320  
60

713  
00:25:33,510 --> 00:25:31,360

or so

714

00:25:37,669 --> 00:25:33,520

maybe even less time than that i stopped

715

00:25:41,110 --> 00:25:39,029

um

716

00:25:43,110 --> 00:25:41,120

so probably at least a thousand so it is

717

00:25:43,460 --> 00:25:43,120

surprising to me that

718

00:25:44,630 --> 00:25:43,470

um

719

00:25:45,909 --> 00:25:44,640

[Music]

720

00:25:48,789 --> 00:25:45,919

that congress

721

00:25:49,909 --> 00:25:48,799

that the government hasn't done anything

722

00:25:52,149 --> 00:25:49,919

um

723

00:25:54,149 --> 00:25:52,159

you know public at this point and the

724

00:25:56,470 --> 00:25:54,159

other surprising thing to me is how many

725

00:25:58,230 --> 00:25:56,480

people just have no idea in their view

726  
00:26:00,390 --> 00:25:58,240  
of this whole topic

727  
00:26:03,029 --> 00:26:00,400  
is uh completely

728  
00:26:05,909 --> 00:26:03,039  
jaded and dependent upon

729  
00:26:08,070 --> 00:26:05,919  
things that just

730  
00:26:09,430 --> 00:26:08,080  
push them away from it at all and keep

731  
00:26:10,630 --> 00:26:09,440  
it fantasy

732  
00:26:12,549 --> 00:26:10,640  
you know

733  
00:26:14,950 --> 00:26:12,559  
um if

734  
00:26:17,510 --> 00:26:14,960  
like there were shows on television that

735  
00:26:18,630 --> 00:26:17,520  
actually talked about these files and

736  
00:26:20,549 --> 00:26:18,640  
showed them

737  
00:26:22,230 --> 00:26:20,559  
you know and said hey look for yourself

738  
00:26:25,190 --> 00:26:22,240

this is intense

739

00:26:26,549 --> 00:26:25,200

can you believe this versus

740

00:26:29,110 --> 00:26:26,559

you know um

741

00:26:31,750 --> 00:26:29,120

no offense i guess but ancient aliens

742

00:26:33,909 --> 00:26:31,760

are like kind of like the alaska

743

00:26:35,110 --> 00:26:33,919

pyramid or you know

744

00:26:37,430 --> 00:26:35,120

which

745

00:26:39,830 --> 00:26:37,440

it's just like it's

746

00:26:41,909 --> 00:26:39,840

when you do that people have no choice

747

00:26:45,110 --> 00:26:41,919

but to treat it as stories

748

00:26:46,470 --> 00:26:45,120

in in fantasy whether it's true or not

749

00:26:48,390 --> 00:26:46,480

because

750

00:26:50,390 --> 00:26:48,400

they're not going to respect it unless

751  
00:26:52,390 --> 00:26:50,400  
it comes from like the government source

752  
00:26:53,990 --> 00:26:52,400  
whether they should or should not is

753  
00:26:55,590 --> 00:26:54,000  
another question but that's just how it

754  
00:26:57,590 --> 00:26:55,600  
is

755  
00:26:59,190 --> 00:26:57,600  
so if they would bring it not just

756  
00:27:00,950 --> 00:26:59,200  
roswell

757  
00:27:04,149 --> 00:27:00,960  
all the time or

758  
00:27:06,149 --> 00:27:04,159  
you know the five cases you know

759  
00:27:07,750 --> 00:27:06,159  
um that are mostly talked about there's

760  
00:27:10,310 --> 00:27:07,760  
so many cases people have never even

761  
00:27:13,029 --> 00:27:10,320  
heard of air force cases navy cases and

762  
00:27:15,190 --> 00:27:13,039  
all that stuff you know um

763  
00:27:17,510 --> 00:27:15,200

and if people just like

764

00:27:19,269 --> 00:27:17,520

actually knew that it's a legit

765

00:27:22,630 --> 00:27:19,279

unexplained thing

766

00:27:25,029 --> 00:27:22,640

uh we'd be so much better off you know

767

00:27:27,029 --> 00:27:25,039

so a part of my thing is awareness too

768

00:27:29,590 --> 00:27:27,039

because um

769

00:27:31,990 --> 00:27:29,600

being surprised by that um

770

00:27:34,149 --> 00:27:32,000

you know is a lot of my motivation

771

00:27:35,669 --> 00:27:34,159

and just how much crap people have gone

772

00:27:37,190 --> 00:27:35,679

through for talking about their

773

00:27:39,510 --> 00:27:37,200

experience

774

00:27:40,310 --> 00:27:39,520

and how much stigma is attached to this

775

00:27:42,470 --> 00:27:40,320

uh

776

00:27:44,070 --> 00:27:42,480

you know subject

777

00:27:45,430 --> 00:27:44,080

that these stories couldn't get out more

778

00:27:48,950 --> 00:27:45,440

at the time

779

00:27:50,230 --> 00:27:48,960

um just really um boils my blood so to

780

00:27:51,029 --> 00:27:50,240

speak

781

00:27:53,510 --> 00:27:51,039

um

782

00:27:55,350 --> 00:27:53,520

and so that pushes me forward too but

783

00:27:58,310 --> 00:27:55,360

that's been the most surprising

784

00:28:00,870 --> 00:27:58,320

to me um definitely

785

00:28:02,630 --> 00:28:00,880

yeah no i really i really identify with

786

00:28:03,909 --> 00:28:02,640

that it's

787

00:28:05,430 --> 00:28:03,919

it's hard

788

00:28:08,230 --> 00:28:05,440

it makes you almost feel like you're

789

00:28:09,430 --> 00:28:08,240

crazy you know because you

790

00:28:10,549 --> 00:28:09,440

so

791

00:28:12,549 --> 00:28:10,559

such a small percentage of the

792

00:28:14,310 --> 00:28:12,559

population is anywhere close to even

793

00:28:15,909 --> 00:28:14,320

being able to

794

00:28:19,110 --> 00:28:15,919

not even believe it but even to just

795

00:28:21,029 --> 00:28:19,120

like engage with the idea and and decide

796

00:28:23,750 --> 00:28:21,039

whether or not they believe it

797

00:28:25,430 --> 00:28:23,760

um what do you think in terms of if

798

00:28:28,470 --> 00:28:25,440

you're if you were talking to someone

799

00:28:30,310 --> 00:28:28,480

who was you know a skeptic but like very

800

00:28:32,870 --> 00:28:30,320

rational like a very rational person who

801  
00:28:34,310 --> 00:28:32,880  
has a gen genuinely wants to engage in

802  
00:28:36,230 --> 00:28:34,320  
the inquiry

803  
00:28:38,389 --> 00:28:36,240  
where would you direct someone to look

804  
00:28:40,710 --> 00:28:38,399  
like where do you think the the best

805  
00:28:41,669 --> 00:28:40,720  
evidence is

806  
00:28:45,430 --> 00:28:41,679  
uh

807  
00:28:49,750 --> 00:28:45,440  
i try to provide the best evidence

808  
00:28:52,950 --> 00:28:49,760  
on my show i think the best evidence is

809  
00:28:55,110 --> 00:28:52,960  
these blue book files in looking at the

810  
00:28:57,350 --> 00:28:55,120  
right blue book files and looking at

811  
00:28:58,710 --> 00:28:57,360  
enough of them to know the one thing i

812  
00:29:00,230 --> 00:28:58,720  
can say is

813  
00:29:03,269 --> 00:29:00,240

try your best to

814

00:29:04,310 --> 00:29:03,279

stay away from um like tv shows or

815

00:29:07,830 --> 00:29:04,320

movies

816

00:29:10,310 --> 00:29:07,840

or even uh books and just look at hard

817

00:29:12,630 --> 00:29:10,320

stuff yourself and what those are are

818

00:29:14,950 --> 00:29:12,640

government files right

819

00:29:16,630 --> 00:29:14,960

look at government air force files and

820

00:29:19,110 --> 00:29:16,640

it's all publicly available so don't

821

00:29:20,230 --> 00:29:19,120

even watch my show just go look at it

822

00:29:22,549 --> 00:29:20,240

yourself

823

00:29:23,750 --> 00:29:22,559

and read it you know and take the time

824

00:29:27,830 --> 00:29:23,760

and in that

825

00:29:29,830 --> 00:29:27,840

you'll see a hoax or you'll see a meteor

826

00:29:32,389 --> 00:29:29,840

or you'll see a plane but then you'll

827

00:29:33,669 --> 00:29:32,399

start seeing ones like

828

00:29:35,029 --> 00:29:33,679

really

829

00:29:36,710 --> 00:29:35,039

uh

830

00:29:40,389 --> 00:29:36,720

what

831

00:29:42,789 --> 00:29:40,399

you know and uh oh my god you know and

832

00:29:44,950 --> 00:29:42,799

as those build up you'll start realizing

833

00:29:46,630 --> 00:29:44,960

that wow there is something here you

834

00:29:47,830 --> 00:29:46,640

know it's just

835

00:29:50,070 --> 00:29:47,840

um

836

00:29:52,789 --> 00:29:50,080

a needle in a haystack

837

00:29:55,029 --> 00:29:52,799

a haystack of just a bunch of static and

838

00:29:56,549 --> 00:29:55,039

fuzz and people waving their arms to

839

00:29:57,669 --> 00:29:56,559

distract you from

840

00:30:00,549 --> 00:29:57,679

you know

841

00:30:01,430 --> 00:30:00,559

the reality of it i guess you could say

842

00:30:03,510 --> 00:30:01,440

um

843

00:30:05,029 --> 00:30:03,520

there are a few

844

00:30:07,190 --> 00:30:05,039

you know they're not that there aren't

845

00:30:08,630 --> 00:30:07,200

good books there are good books but if

846

00:30:10,070 --> 00:30:08,640

you're going out there on your own to

847

00:30:12,149 --> 00:30:10,080

try to choose one

848

00:30:14,710 --> 00:30:12,159

it's incredibly difficult

849

00:30:16,710 --> 00:30:14,720

to make sure that you pick one that's

850

00:30:18,389 --> 00:30:16,720

you know going to be reliable because

851  
00:30:19,909 --> 00:30:18,399  
you don't know because you don't know

852  
00:30:21,269 --> 00:30:19,919  
anything

853  
00:30:22,950 --> 00:30:21,279  
you know

854  
00:30:24,630 --> 00:30:22,960  
and that's why i started with the with

855  
00:30:26,710 --> 00:30:24,640  
the files and stuff like i didn't want

856  
00:30:28,870 --> 00:30:26,720  
to just pick a book and i don't even

857  
00:30:31,029 --> 00:30:28,880  
know much about the topic and

858  
00:30:33,430 --> 00:30:31,039  
how am i supposed to take this stuff you

859  
00:30:35,029 --> 00:30:33,440  
know so

860  
00:30:37,110 --> 00:30:35,039  
that's what i would do is read documents

861  
00:30:38,230 --> 00:30:37,120  
for yourself um if you only have so much

862  
00:30:38,590 --> 00:30:38,240  
time

863  
00:30:40,149 --> 00:30:38,600

um

864

00:30:42,149 --> 00:30:40,159

[Music]

865

00:30:45,110 --> 00:30:42,159

you know the the phenomenon the movie by

866

00:30:47,110 --> 00:30:45,120

james fox is is is good

867

00:30:49,430 --> 00:30:47,120

um but like any stuff with like even

868

00:30:51,510 --> 00:30:49,440

like roswell or any of that i don't know

869

00:30:54,630 --> 00:30:51,520

what to think of that stuff you know and

870

00:30:56,310 --> 00:30:54,640

there's no government files on it so

871

00:30:58,710 --> 00:30:56,320

maybe it's real maybe it isn't i don't

872

00:31:01,029 --> 00:30:58,720

know but i know that there's government

873

00:31:04,310 --> 00:31:01,039

hard files in the hundreds

874

00:31:06,310 --> 00:31:04,320

of legitimate cases so that's what i

875

00:31:08,870 --> 00:31:06,320

would say

876

00:31:11,590 --> 00:31:08,880

that makes sense

877

00:31:12,789 --> 00:31:11,600

um i know we've kind of hinted at it a

878

00:31:14,230 --> 00:31:12,799

couple times now and it was actually a

879

00:31:17,269 --> 00:31:14,240

topic that i wanted to talk to you about

880

00:31:20,230 --> 00:31:17,279

which is this idea of

881

00:31:22,870 --> 00:31:20,240

kind of the ufo discourse devolving into

882

00:31:23,750 --> 00:31:22,880

almost like this infotainment kind of

883

00:31:25,509 --> 00:31:23,760

vibe

884

00:31:27,350 --> 00:31:25,519

uh like ancient aliens or like you know

885

00:31:28,710 --> 00:31:27,360

these other kind of shows and you know

886

00:31:29,990 --> 00:31:28,720

obviously there's a ton of people right

887

00:31:32,070 --> 00:31:30,000

now creating

888

00:31:33,110 --> 00:31:32,080

content in the space and it feels like

889

00:31:34,310 --> 00:31:33,120

there's

890

00:31:36,470 --> 00:31:34,320

kind of two things are happening

891

00:31:38,710 --> 00:31:36,480

simultaneously which is honestly

892

00:31:40,710 --> 00:31:38,720

disheartening which is that one it feels

893

00:31:42,710 --> 00:31:40,720

like we're getting closer and closer to

894

00:31:45,430 --> 00:31:42,720

potentially some kind of meaningful

895

00:31:48,310 --> 00:31:45,440

disclosure but at the same time that the

896

00:31:50,310 --> 00:31:48,320

community is like self-destructing it's

897

00:31:52,950 --> 00:31:50,320

basically imploding and we're more

898

00:31:54,470 --> 00:31:52,960

divided than we've ever been before

899

00:31:57,430 --> 00:31:54,480

and it seems like a lot of this seems to

900

00:32:00,070 --> 00:31:57,440

really be centered around the idea of

901  
00:32:01,669 --> 00:32:00,080  
you know lou elizondo in his credibility

902  
00:32:03,430 --> 00:32:01,679  
which like i

903  
00:32:04,389 --> 00:32:03,440  
personally think is kind of wild don't

904  
00:32:06,389 --> 00:32:04,399  
really understand where people are

905  
00:32:08,950 --> 00:32:06,399  
coming from with that but

906  
00:32:11,029 --> 00:32:08,960  
um you know he's had a different vibe in

907  
00:32:12,389 --> 00:32:11,039  
interviews lately where he's he's angry

908  
00:32:14,149 --> 00:32:12,399  
which is not something that i saw from

909  
00:32:15,830 --> 00:32:14,159  
him before but i think is you know

910  
00:32:18,149 --> 00:32:15,840  
understandable considering what he's

911  
00:32:20,630 --> 00:32:18,159  
gone through and you know he's talked a

912  
00:32:22,389 --> 00:32:20,640  
little bit about destroying ufology and

913  
00:32:23,830 --> 00:32:22,399

i know that you recently did an episode

914

00:32:26,870 --> 00:32:23,840

on that i really enjoyed it and i just

915

00:32:29,029 --> 00:32:26,880

wanted to touch on that briefly and just

916

00:32:30,549 --> 00:32:29,039

you know get your thoughts on

917

00:32:32,230 --> 00:32:30,559

you know what do you make of this of

918

00:32:33,830 --> 00:32:32,240

these you know people who are taking

919

00:32:35,350 --> 00:32:33,840

kind of like this best champion we've

920

00:32:37,110 --> 00:32:35,360

ever had for the cause and just like

921

00:32:38,310 --> 00:32:37,120

raking him over the coals and you know

922

00:32:39,430 --> 00:32:38,320

like what do you make of what's going on

923

00:32:42,389 --> 00:32:39,440

right now

924

00:32:44,149 --> 00:32:42,399

uh well the first thing um

925

00:32:45,269 --> 00:32:44,159

i mean i can just tell you how i look at

926  
00:32:47,909 --> 00:32:45,279

it i guess

927  
00:32:50,389 --> 00:32:47,919

um which is when i think about who's

928  
00:32:52,070 --> 00:32:50,399

like raking elizondo over the coals or

929  
00:32:54,710 --> 00:32:52,080

who's saying bad stuff about it who are

930  
00:32:56,070 --> 00:32:54,720

they well to me they're people that

931  
00:32:58,230 --> 00:32:56,080

don't really make a whole lot of

932  
00:32:59,909 --> 00:32:58,240

difference in the end result of this

933  
00:33:01,990 --> 00:32:59,919

they're people that don't even really

934  
00:33:03,350 --> 00:33:02,000

seem to believe that anything's going on

935  
00:33:04,549 --> 00:33:03,360

to begin with

936  
00:33:05,750 --> 00:33:04,559

um

937  
00:33:07,110 --> 00:33:05,760

you know

938  
00:33:08,389 --> 00:33:07,120

so

939

00:33:10,470 --> 00:33:08,399

when

940

00:33:12,789 --> 00:33:10,480

i look at that aspect of it how serious

941

00:33:14,549 --> 00:33:12,799

should i take it well maybe really not

942

00:33:17,190 --> 00:33:14,559

that serious then

943

00:33:20,070 --> 00:33:17,200

because it's not like good people who do

944

00:33:21,509 --> 00:33:20,080

their work and are really um

945

00:33:24,630 --> 00:33:21,519

by the book when they do their work and

946

00:33:25,669 --> 00:33:24,640

they work hard are coming out and coming

947

00:33:26,549 --> 00:33:25,679

up with

948

00:33:29,430 --> 00:33:26,559

uh

949

00:33:32,549 --> 00:33:29,440

cold hard facts or evidence to prove

950

00:33:34,630 --> 00:33:32,559

their case that elizondo is this or that

951

00:33:37,269 --> 00:33:34,640

you know like as far as bad

952

00:33:39,029 --> 00:33:37,279

that's that doesn't exist so

953

00:33:41,830 --> 00:33:39,039

in my book how i look at things

954

00:33:42,870 --> 00:33:41,840

evidence-based paperwork documents

955

00:33:47,430 --> 00:33:42,880

um but

956

00:33:49,269 --> 00:33:47,440

enough testimony um that doesn't exist

957

00:33:50,149 --> 00:33:49,279

for that to be so

958

00:33:52,710 --> 00:33:50,159

um

959

00:33:56,389 --> 00:33:52,720

you know if i were to recommend anything

960

00:33:57,190 --> 00:33:56,399

to people it would be to quiet that out

961

00:34:00,630 --> 00:33:57,200

um

962

00:34:02,470 --> 00:34:00,640

and i think they just have uh you know

963

00:34:04,310 --> 00:34:02,480

it's like with social media anyone has

964

00:34:06,789 --> 00:34:04,320

the opportunity to have a really loud

965

00:34:08,470 --> 00:34:06,799

voice if they yell loud enough you know

966

00:34:10,310 --> 00:34:08,480

and other people

967

00:34:12,950 --> 00:34:10,320

yell with them

968

00:34:14,470 --> 00:34:12,960

um but it doesn't mean that they're a

969

00:34:16,950 --> 00:34:14,480

majority

970

00:34:18,389 --> 00:34:16,960

or that it makes a difference

971

00:34:21,750 --> 00:34:18,399

you know

972

00:34:24,629 --> 00:34:21,760

it just means that they're loud

973

00:34:27,349 --> 00:34:24,639

so um a lot of good people

974

00:34:29,109 --> 00:34:27,359

who are rational about things

975

00:34:30,069 --> 00:34:29,119

don't want to get involved in stuff like

976  
00:34:31,589 --> 00:34:30,079  
that

977  
00:34:33,909 --> 00:34:31,599  
and if somebody's loud they're not going

978  
00:34:36,149 --> 00:34:33,919  
to say anything back because like no

979  
00:34:37,909 --> 00:34:36,159  
thank you i don't want anything to do

980  
00:34:40,069 --> 00:34:37,919  
with that you know

981  
00:34:41,990 --> 00:34:40,079  
but the flip side is there's also people

982  
00:34:45,109 --> 00:34:42,000  
you know from

983  
00:34:47,270 --> 00:34:45,119  
you know uh that also believe in the uap

984  
00:34:50,470 --> 00:34:47,280  
thing or like elizondo

985  
00:34:51,589 --> 00:34:50,480  
that get can get pretty nasty as well

986  
00:34:54,069 --> 00:34:51,599  
you know

987  
00:34:55,990 --> 00:34:54,079  
um and

988  
00:34:58,150 --> 00:34:56,000

to me i don't

989

00:35:00,790 --> 00:34:58,160

think that you know an eye for an eye

990

00:35:02,950 --> 00:35:00,800

kind of thing is how i roll at least

991

00:35:04,470 --> 00:35:02,960

with things um

992

00:35:07,030 --> 00:35:04,480

i think

993

00:35:08,390 --> 00:35:07,040

and i'm not perfect obviously and i've

994

00:35:10,950 --> 00:35:08,400

um

995

00:35:12,870 --> 00:35:10,960

you know had a spat here there myself

996

00:35:15,349 --> 00:35:12,880

which

997

00:35:17,430 --> 00:35:15,359

it is what it is you know and i try to

998

00:35:19,990 --> 00:35:17,440

move on and not repeat the pattern

999

00:35:21,750 --> 00:35:20,000

basically or repeat the instance and

1000

00:35:23,510 --> 00:35:21,760

better myself to

1001  
00:35:25,750 --> 00:35:23,520  
so when that situation comes around

1002  
00:35:27,270 --> 00:35:25,760  
again maybe my reaction can be more

1003  
00:35:29,109 --> 00:35:27,280  
effective and what i've learned is it's

1004  
00:35:30,950 --> 00:35:29,119  
not worth getting stuck in those mud

1005  
00:35:32,390 --> 00:35:30,960  
traps

1006  
00:35:34,470 --> 00:35:32,400  
because it's just

1007  
00:35:35,829 --> 00:35:34,480  
spills negative energy all over the

1008  
00:35:37,190 --> 00:35:35,839  
place and

1009  
00:35:40,950 --> 00:35:37,200  
the main thing that i've come to

1010  
00:35:43,030 --> 00:35:40,960  
conclusion of is a new person right

1011  
00:35:45,750 --> 00:35:43,040  
like we just discussed is thinking about

1012  
00:35:47,750 --> 00:35:45,760  
looking at this topic

1013  
00:35:49,589 --> 00:35:47,760

and they go to twitter

1014

00:35:51,430 --> 00:35:49,599

and they look at twitter

1015

00:35:53,750 --> 00:35:51,440

and they're looking at the different

1016

00:35:55,030 --> 00:35:53,760

threads and what's going on

1017

00:35:57,109 --> 00:35:55,040

and they're seeing people that believe

1018

00:35:58,470 --> 00:35:57,119

in uap and light blue and they're seeing

1019

00:36:01,430 --> 00:35:58,480

people that don't

1020

00:36:02,390 --> 00:36:01,440

and they're both saying nasty stuff

1021

00:36:03,910 --> 00:36:02,400

neither

1022

00:36:05,430 --> 00:36:03,920

um

1023

00:36:07,670 --> 00:36:05,440

are really presenting

1024

00:36:09,910 --> 00:36:07,680

professionally any

1025

00:36:14,150 --> 00:36:09,920

uh facts about uap

1026  
00:36:15,829 --> 00:36:14,160  
or where it stands or educating anybody

1027  
00:36:18,310 --> 00:36:15,839  
on the reality of it

1028  
00:36:19,109 --> 00:36:18,320  
they just see

1029  
00:36:22,630 --> 00:36:19,119  
hate

1030  
00:36:23,829 --> 00:36:22,640  
and garbage being spewed at each other

1031  
00:36:25,589 --> 00:36:23,839  
so

1032  
00:36:26,630 --> 00:36:25,599  
what are they going to do are they going

1033  
00:36:28,470 --> 00:36:26,640  
to say

1034  
00:36:30,470 --> 00:36:28,480  
oh wow this is awesome i'm going to get

1035  
00:36:32,230 --> 00:36:30,480  
in on the loose side and start slinging

1036  
00:36:34,150 --> 00:36:32,240  
crap too or

1037  
00:36:36,230 --> 00:36:34,160  
you know what i'm going to start saying

1038  
00:36:39,349 --> 00:36:36,240

he's full of it as well like this is

1039

00:36:41,670 --> 00:36:39,359

great no they're going to say whoa

1040

00:36:43,109 --> 00:36:41,680

maybe i won't join

1041

00:36:44,150 --> 00:36:43,119

the twitter thing

1042

00:36:45,109 --> 00:36:44,160

right now

1043

00:36:48,310 --> 00:36:45,119

you know

1044

00:36:49,829 --> 00:36:48,320

that's that's what would happen so

1045

00:36:51,430 --> 00:36:49,839

like

1046

00:36:52,950 --> 00:36:51,440

you know

1047

00:36:55,190 --> 00:36:52,960

whether you

1048

00:36:56,550 --> 00:36:55,200

whatever you think about uaps or

1049

00:36:59,430 --> 00:36:56,560

whatever if you're paying attention to

1050

00:37:00,470 --> 00:36:59,440

the topic and you legitimately care on

1051

00:37:01,990 --> 00:37:00,480

truth

1052

00:37:07,510 --> 00:37:02,000

i think

1053

00:37:08,470 --> 00:37:07,520

you have to show a certain amount of

1054

00:37:12,630 --> 00:37:08,480

um

1055

00:37:14,630 --> 00:37:12,640

have to be an adult have to be a

1056

00:37:16,710 --> 00:37:14,640

grown-up and

1057

00:37:18,069 --> 00:37:16,720

you know so when people look that

1058

00:37:19,190 --> 00:37:18,079

there's a light

1059

00:37:21,430 --> 00:37:19,200

being

1060

00:37:23,910 --> 00:37:21,440

shined on the topic so that when people

1061

00:37:25,829 --> 00:37:23,920

go there they want something they want

1062

00:37:27,750 --> 00:37:25,839

to be a part of that and they see

1063

00:37:29,510 --> 00:37:27,760

helpful people that are working through

1064

00:37:32,710 --> 00:37:29,520

this to find truth

1065

00:37:34,390 --> 00:37:32,720

um that are humble uh prepared to be

1066

00:37:35,670 --> 00:37:34,400

wrong

1067

00:37:37,670 --> 00:37:35,680

work hard

1068

00:37:41,349 --> 00:37:37,680

you know genuine

1069

00:37:42,470 --> 00:37:41,359

uh not not extravagant for for no reason

1070

00:37:44,950 --> 00:37:42,480

you know

1071

00:37:48,069 --> 00:37:44,960

um that's what people need to see and i

1072

00:37:51,030 --> 00:37:48,079

think the only way this would really

1073

00:37:52,710 --> 00:37:51,040

genuinely go forward on a people-based

1074

00:37:53,670 --> 00:37:52,720

um process

1075

00:37:57,190 --> 00:37:53,680

is

1076  
00:37:59,270 --> 00:37:57,200  
with more people involved that know

1077  
00:38:01,510 --> 00:37:59,280  
that the real deal the facts the real

1078  
00:38:03,190 --> 00:38:01,520  
documents on this stuff and what the

1079  
00:38:05,349 --> 00:38:03,200  
reality is

1080  
00:38:08,870 --> 00:38:05,359  
and if we can't be professional on

1081  
00:38:10,790 --> 00:38:08,880  
social media and you know have some

1082  
00:38:13,190 --> 00:38:10,800  
level of respect there

1083  
00:38:14,950 --> 00:38:13,200  
people are going to completely be

1084  
00:38:16,310 --> 00:38:14,960  
pushed away all the time

1085  
00:38:17,430 --> 00:38:16,320  
you know

1086  
00:38:18,950 --> 00:38:17,440  
so

1087  
00:38:20,950 --> 00:38:18,960  
i think it's

1088  
00:38:21,829 --> 00:38:20,960

how wherever you stand on this you got

1089

00:38:23,030 --> 00:38:21,839

to be

1090

00:38:24,870 --> 00:38:23,040

you can't

1091

00:38:26,630 --> 00:38:24,880

go lower than the other guy or go low

1092

00:38:29,510 --> 00:38:26,640

because that guy's going low like that's

1093

00:38:32,630 --> 00:38:29,520

just um you just can't do it

1094

00:38:36,150 --> 00:38:32,640

you can't do it um

1095

00:38:39,349 --> 00:38:36,160

and as far as like uh like ufo tame it

1096

00:38:42,069 --> 00:38:41,190

um

1097

00:38:43,589 --> 00:38:42,079

you know

1098

00:38:45,270 --> 00:38:43,599

people can do

1099

00:38:47,190 --> 00:38:45,280

in the end

1100

00:38:49,510 --> 00:38:47,200

like people are gonna choose what they

1101

00:38:52,550 --> 00:38:49,520

spend their time on you know

1102

00:38:54,870 --> 00:38:52,560

um some people are gonna like that route

1103

00:38:57,589 --> 00:38:54,880

and if they do and it's full of trash

1104

00:39:00,470 --> 00:38:57,599

like that sucks but i'm here doing my

1105

00:39:01,750 --> 00:39:00,480

thing and all i can do is hope that that

1106

00:39:04,390 --> 00:39:01,760

person

1107

00:39:06,390 --> 00:39:04,400

finds out that there are people that are

1108

00:39:09,589 --> 00:39:06,400

trying to do things

1109

00:39:11,910 --> 00:39:09,599

um seriously or realistically

1110

00:39:14,310 --> 00:39:11,920

and that they find that and and see

1111

00:39:17,670 --> 00:39:14,320

something in it

1112

00:39:18,630 --> 00:39:17,680

that makes them actually want to engage

1113

00:39:21,990 --> 00:39:18,640

um

1114

00:39:26,069 --> 00:39:22,000

that's all i can do you know

1115

00:39:28,390 --> 00:39:26,079

this topic has been ufotainment forever

1116

00:39:30,630 --> 00:39:28,400

you know it's always been that way

1117

00:39:33,510 --> 00:39:30,640

um and it because it's easy to go that

1118

00:39:37,510 --> 00:39:35,510

because

1119

00:39:39,430 --> 00:39:37,520

you know it's full of a bunch of people

1120

00:39:40,710 --> 00:39:39,440

that are ready to be taken advantage of

1121

00:39:43,510 --> 00:39:40,720

basically

1122

00:39:46,630 --> 00:39:43,520

you know that are looking for an answer

1123

00:39:48,630 --> 00:39:46,640

uh looking for hope um

1124

00:39:51,670 --> 00:39:48,640

looking for a distraction almost

1125

00:39:53,910 --> 00:39:51,680

sometimes from their real life for their

1126

00:39:55,670 --> 00:39:53,920

their you know in person life

1127

00:39:57,670 --> 00:39:55,680

there's all sorts of stuff

1128

00:39:59,430 --> 00:39:57,680

all sorts of reasons

1129

00:40:01,670 --> 00:39:59,440

but people come in here and charge a

1130

00:40:03,829 --> 00:40:01,680

bunch of money and call it disclosure

1131

00:40:06,150 --> 00:40:03,839

that happens all the time

1132

00:40:10,309 --> 00:40:06,160

you know yeah um

1133

00:40:11,829 --> 00:40:10,319

so the only way you can really fight it

1134

00:40:13,510 --> 00:40:11,839

is by

1135

00:40:16,390 --> 00:40:13,520

doing your thing

1136

00:40:19,430 --> 00:40:16,400

um with integrity

1137

00:40:21,910 --> 00:40:19,440

and just hope that other people uh see

1138

00:40:23,190 --> 00:40:21,920

it and follow you and you can influence

1139

00:40:25,349 --> 00:40:23,200

other people

1140

00:40:27,910 --> 00:40:25,359

and you know that influence kind of

1141

00:40:29,589 --> 00:40:27,920

takes the majority at some point

1142

00:40:31,910 --> 00:40:29,599

and maybe it won't but it definitely

1143

00:40:35,750 --> 00:40:31,920

won't if you know we don't do our part

1144

00:40:39,430 --> 00:40:37,190

that's all you can really ask for and

1145

00:40:42,630 --> 00:40:39,440

hope for i guess

1146

00:40:44,870 --> 00:40:42,640

yeah no i agree i think um

1147

00:40:46,470 --> 00:40:44,880

something that troubles me because i i'm

1148

00:40:48,470 --> 00:40:46,480

in this like i don't make money off of

1149

00:40:50,390 --> 00:40:48,480

this not to say that i never would but i

1150

00:40:53,510 --> 00:40:50,400

don't know i don't plan on it i have a

1151

00:40:55,270 --> 00:40:53,520

job you know um i'm here because i want

1152

00:40:56,230 --> 00:40:55,280

to help in whatever way that i can and i

1153

00:40:58,230 --> 00:40:56,240

really get the sense you know that

1154

00:40:59,109 --> 00:40:58,240

you're doing that as well and i think

1155

00:41:02,550 --> 00:40:59,119

what's

1156

00:41:04,550 --> 00:41:02,560

like i'm trying to overcome like i'm a

1157

00:41:05,670 --> 00:41:04,560

marketer so in my real life so it's

1158

00:41:07,270 --> 00:41:05,680

almost like you know when you're a

1159

00:41:08,710 --> 00:41:07,280

hammer everything looks like a nail so

1160

00:41:11,190 --> 00:41:08,720

to me i'm kind of looking at this like a

1161

00:41:12,870 --> 00:41:11,200

messaging problem right and a messaging

1162

00:41:14,470 --> 00:41:12,880

problem that i see that we have is that

1163

00:41:17,670 --> 00:41:14,480

there are people

1164

00:41:20,150 --> 00:41:17,680

of that ilk who

1165

00:41:22,390 --> 00:41:20,160

get followers and kind of grow their

1166

00:41:24,309 --> 00:41:22,400

little cottage industry by offering some

1167

00:41:26,069 --> 00:41:24,319

kind of certainty by offer like this is

1168

00:41:28,950 --> 00:41:26,079

the answer i have the answer i'm giving

1169

00:41:30,710 --> 00:41:28,960

you the answer you know and i think that

1170

00:41:32,790 --> 00:41:30,720

what we're what people like you and i

1171

00:41:34,870 --> 00:41:32,800

are asking your average person to do is

1172

00:41:37,190 --> 00:41:34,880

to take their certainty

1173

00:41:39,670 --> 00:41:37,200

and get rid of it and to replace it not

1174

00:41:40,630 --> 00:41:39,680

with some new certainty but with another

1175

00:41:44,309 --> 00:41:40,640

set

1176

00:41:45,349 --> 00:41:44,319

honestly at this point

1177

00:41:47,109 --> 00:41:45,359

sure

1178

00:41:48,309 --> 00:41:47,119

and i just i sometimes i wonder i'd just

1179

00:41:49,589 --> 00:41:48,319

love to hear your thoughts on that and

1180

00:41:51,270 --> 00:41:49,599

like how

1181

00:41:52,790 --> 00:41:51,280

like the challenge of that is the

1182

00:41:55,349 --> 00:41:52,800

creator

1183

00:41:58,390 --> 00:41:55,359

yeah and i i can't uh

1184

00:42:00,710 --> 00:41:58,400

i guess speaks without knowing like uh

1185

00:42:02,710 --> 00:42:00,720

specifically what kind of situation

1186

00:42:03,750 --> 00:42:02,720

you're talking about i can say you know

1187

00:42:06,630 --> 00:42:03,760

generally

1188

00:42:08,790 --> 00:42:06,640

yeah of course uh if somebody is is

1189

00:42:11,030 --> 00:42:08,800

saying that they know what the deal is

1190

00:42:12,630 --> 00:42:11,040

or they have an answer like

1191

00:42:16,230 --> 00:42:12,640

that means they don't it's opposite

1192

00:42:18,790 --> 00:42:16,240

world and ufo land you know uh when

1193

00:42:20,470 --> 00:42:18,800

somebody is humble about it and really

1194

00:42:22,470 --> 00:42:20,480

doesn't know

1195

00:42:23,589 --> 00:42:22,480

you know much further than that it

1196

00:42:25,109 --> 00:42:23,599

exists

1197

00:42:27,349 --> 00:42:25,119

that's maybe something that you can

1198

00:42:29,990 --> 00:42:27,359

listen to and gravitate towards

1199

00:42:32,829 --> 00:42:30,000

um because

1200

00:42:35,349 --> 00:42:32,839

you know if somebody says they're aliens

1201

00:42:36,710 --> 00:42:35,359

extraterrestrials okay prove it

1202

00:42:39,190 --> 00:42:36,720

you can approve it

1203

00:42:41,829 --> 00:42:39,200

they'll give a bunch of uh maybe second

1204

00:42:43,910 --> 00:42:41,839

or third hand witness testimony um it

1205

00:42:45,910 --> 00:42:43,920

just makes sense that's the most you

1206

00:42:48,150 --> 00:42:45,920

know honest assessment you can give

1207

00:42:50,230 --> 00:42:48,160

because what else could it be that's not

1208

00:42:51,270 --> 00:42:50,240

proof of anything you know

1209

00:42:55,270 --> 00:42:51,280

and yeah

1210

00:42:56,950 --> 00:42:55,280

you know i want to have an answer so bad

1211

00:43:00,390 --> 00:42:56,960

but i'm not gonna

1212

00:43:02,390 --> 00:43:00,400

um just on something this serious

1213

00:43:05,750 --> 00:43:02,400

just say oh yeah you're right what else

1214

00:43:07,990 --> 00:43:05,760

could it be must be that you know

1215

00:43:10,309 --> 00:43:08,000

you know and that's a

1216

00:43:12,470 --> 00:43:10,319

generalization people do it in different

1217

00:43:13,589 --> 00:43:12,480

ways but yeah

1218

00:43:15,270 --> 00:43:13,599

like

1219

00:43:19,430 --> 00:43:15,280

there

1220

00:43:22,230 --> 00:43:19,440

hard proof of what this thing is

1221

00:43:23,270 --> 00:43:22,240

you know there is only

1222

00:43:25,190 --> 00:43:23,280

uh

1223

00:43:28,069 --> 00:43:25,200

stories the majority of those

1224

00:43:30,069 --> 00:43:28,079

experiences and what that could mean

1225

00:43:32,069 --> 00:43:30,079

um you know if you had one yourself what

1226

00:43:34,069 --> 00:43:32,079

that means to you

1227

00:43:35,910 --> 00:43:34,079

and

1228

00:43:37,829 --> 00:43:35,920

that's all you can really work with you

1229

00:43:39,349 --> 00:43:37,839

know

1230

00:43:42,069 --> 00:43:39,359

in the end

1231

00:43:43,829 --> 00:43:42,079

you have to stay open like that

1232

00:43:45,430 --> 00:43:43,839

you know

1233

00:43:47,510 --> 00:43:45,440

until there's

1234

00:43:49,910 --> 00:43:47,520

until you're able to like touch his

1235

00:43:51,430 --> 00:43:49,920

freaking spaceship or something or or

1236

00:43:54,390 --> 00:43:51,440

ride it or

1237

00:43:57,030 --> 00:43:54,400

jump into a different dimension yourself

1238

00:43:59,990 --> 00:43:57,040

can't do it it's no different than

1239

00:44:01,670 --> 00:44:00,000

you know a telephone basically you know

1240

00:44:05,270 --> 00:44:01,680

as as a boss

1241

00:44:07,270 --> 00:44:05,280

in my job my real job and all that stuff

1242

00:44:09,430 --> 00:44:07,280

somebody comes up to me and says this

1243

00:44:12,390 --> 00:44:09,440

person said that and they did this

1244

00:44:15,270 --> 00:44:12,400

and it's terrible you know

1245

00:44:18,390 --> 00:44:15,280

i'm not gonna just say oh okay

1246

00:44:21,030 --> 00:44:18,400

let they're in big trouble you know like

1247

00:44:23,990 --> 00:44:21,040

let's get them no like that's not how it

1248

00:44:25,349 --> 00:44:24,000

works you know or the company would you

1249

00:44:27,430 --> 00:44:25,359

know go

1250

00:44:28,390 --> 00:44:27,440

i wouldn't have anyone working here

1251  
00:44:32,470 --> 00:44:28,400  
you

1252  
00:44:34,630 --> 00:44:32,480  
have to what's the data like

1253  
00:44:36,550 --> 00:44:34,640  
like how do i really know this

1254  
00:44:38,950 --> 00:44:36,560  
and then take the steps necessarily

1255  
00:44:41,109 --> 00:44:38,960  
necessary if you can't figure it out and

1256  
00:44:42,950 --> 00:44:41,119  
if you can't no matter how much you want

1257  
00:44:45,910 --> 00:44:42,960  
to believe them that it happened you

1258  
00:44:48,470 --> 00:44:45,920  
can't act on it because it's not fair

1259  
00:44:49,510 --> 00:44:48,480  
you know because you don't know

1260  
00:44:51,510 --> 00:44:49,520  
so

1261  
00:44:53,430 --> 00:44:51,520  
that that's kind of the mentality i

1262  
00:44:55,750 --> 00:44:53,440  
bring to this

1263  
00:44:56,710 --> 00:44:55,760

at least through my you know journey

1264

00:44:57,510 --> 00:44:56,720

here

1265

00:44:59,510 --> 00:44:57,520

and it's

1266

00:45:01,510 --> 00:44:59,520

you know it's

1267

00:45:04,230 --> 00:45:01,520

you know in a lot bigger way it's that

1268

00:45:05,829 --> 00:45:04,240

muchology i guess too

1269

00:45:08,230 --> 00:45:05,839

yeah no that makes a lot of sense and i

1270

00:45:09,910 --> 00:45:08,240

think um

1271

00:45:11,190 --> 00:45:09,920

something that i that i find really

1272

00:45:13,430 --> 00:45:11,200

interesting about it and that you just

1273

00:45:15,430 --> 00:45:13,440

kind of touched on is

1274

00:45:16,870 --> 00:45:15,440

as you go down this rabbit hole and you

1275

00:45:18,950 --> 00:45:16,880

start you know really asking these

1276

00:45:21,030 --> 00:45:18,960

questions for me it very quickly the

1277

00:45:22,710 --> 00:45:21,040

question switched from

1278

00:45:24,230 --> 00:45:22,720

are ufos real

1279

00:45:27,829 --> 00:45:24,240

to

1280

00:45:30,470 --> 00:45:29,589

like how do i know that i know what i

1281

00:45:31,349 --> 00:45:30,480

know

1282

00:45:35,190 --> 00:45:31,359

and

1283

00:45:37,829 --> 00:45:35,200

ways is daunting for people because when

1284

00:45:39,430 --> 00:45:37,839

you start asking these questions

1285

00:45:41,270 --> 00:45:39,440

there's kind of an unraveling that

1286

00:45:43,349 --> 00:45:41,280

happens you know there's this kind of

1287

00:45:44,790 --> 00:45:43,359

paradigm that we have in our our culture

1288

00:45:46,150 --> 00:45:44,800

where we feel like

1289

00:45:47,510 --> 00:45:46,160

we have figured out just about

1290

00:45:48,790 --> 00:45:47,520

everything there is to figure out

1291

00:45:50,470 --> 00:45:48,800

there's you know there's probably some

1292

00:45:52,150 --> 00:45:50,480

more but for the most part we've got a

1293

00:45:53,589 --> 00:45:52,160

lot you know unlocked we understand who

1294

00:45:55,510 --> 00:45:53,599

we are we understand where we come from

1295

00:45:58,150 --> 00:45:55,520

we understand what reality is

1296

00:45:59,750 --> 00:45:58,160

um and i think that beginning to you

1297

00:46:01,349 --> 00:45:59,760

start pulling that one thread like it

1298

00:46:02,630 --> 00:46:01,359

feels like ufos for me was just that

1299

00:46:04,390 --> 00:46:02,640

first thread and you start pulling it

1300

00:46:05,349 --> 00:46:04,400

you're like oh like

1301

00:46:07,670 --> 00:46:05,359

things are actually a lot more

1302

00:46:10,069 --> 00:46:07,680

complicated than i thought they were

1303

00:46:13,430 --> 00:46:10,079

yeah i i don't know i think it's as

1304

00:46:15,270 --> 00:46:13,440

complicated as uh you you know allow it

1305

00:46:17,589 --> 00:46:15,280

to be so to speak

1306

00:46:20,870 --> 00:46:17,599

um if you start thinking about things

1307

00:46:22,630 --> 00:46:20,880

like is this a simulation or

1308

00:46:24,790 --> 00:46:22,640

getting into all that kind of stuff like

1309

00:46:26,790 --> 00:46:24,800

it can get overwhelming really quick and

1310

00:46:29,030 --> 00:46:26,800

again what's it really based off of what

1311

00:46:31,109 --> 00:46:29,040

are the what's the backbone of it i

1312

00:46:33,190 --> 00:46:31,119

think it's important to stay as grounded

1313

00:46:34,950 --> 00:46:33,200

as possible with the stuff

1314

00:46:38,630 --> 00:46:34,960

you know um

1315

00:46:41,190 --> 00:46:38,640

and and only follow things that are

1316

00:46:43,430 --> 00:46:41,200

hard you know whatever that may be

1317

00:46:44,630 --> 00:46:43,440

um

1318

00:46:46,470 --> 00:46:44,640

but

1319

00:46:48,630 --> 00:46:46,480

it it can lead to a lot of different

1320

00:46:49,910 --> 00:46:48,640

stuff yeah if you're not careful at

1321

00:46:52,470 --> 00:46:49,920

least too

1322

00:46:53,990 --> 00:46:52,480

you know um but

1323

00:46:56,950 --> 00:46:54,000

the only other place that i've really

1324

00:46:59,109 --> 00:46:56,960

gone with the ufo stuff is consciousness

1325

00:47:00,230 --> 00:46:59,119

and the reason i let myself go there is

1326  
00:47:01,510 --> 00:47:00,240  
because

1327  
00:47:04,390 --> 00:47:01,520  
uh

1328  
00:47:06,950 --> 00:47:04,400  
that can only be a healthy way to go if

1329  
00:47:08,870 --> 00:47:06,960  
if you treat it you know with respect

1330  
00:47:10,790 --> 00:47:08,880  
if you want to

1331  
00:47:13,750 --> 00:47:10,800  
dive into your own consciousness and

1332  
00:47:15,510 --> 00:47:13,760  
meditate and figure yourself out more

1333  
00:47:17,990 --> 00:47:15,520  
how can that be a bad thing

1334  
00:47:19,990 --> 00:47:18,000  
and if it just so happens that this ufo

1335  
00:47:21,430 --> 00:47:20,000  
thing may have a lot to do with that

1336  
00:47:22,470 --> 00:47:21,440  
well

1337  
00:47:23,670 --> 00:47:22,480  
awesome

1338  
00:47:25,750 --> 00:47:23,680

if it doesn't

1339

00:47:27,990 --> 00:47:25,760

well at least i'm learning a lot more

1340

00:47:28,950 --> 00:47:28,000

about myself in the meantime

1341

00:47:30,549 --> 00:47:28,960

you know

1342

00:47:31,589 --> 00:47:30,559

doing some meditation and all that kind

1343

00:47:31,840 --> 00:47:31,599

of stuff

1344

00:47:33,670 --> 00:47:31,850

um

1345

00:47:35,670 --> 00:47:33,680

[Music]

1346

00:47:38,390 --> 00:47:35,680

but yeah i guess i don't know what to

1347

00:47:39,829 --> 00:47:38,400

really say there other than

1348

00:47:41,990 --> 00:47:39,839

um

1349

00:47:44,790 --> 00:47:42,000

yeah just take it take it slow

1350

00:47:46,710 --> 00:47:44,800

take it slow don't jump to conclusions

1351  
00:47:47,910 --> 00:47:46,720  
um

1352  
00:47:50,390 --> 00:47:47,920  
and

1353  
00:47:53,670 --> 00:47:50,400  
you know stay grounded it

1354  
00:48:00,069 --> 00:47:53,680  
as hard as it can be too i think

1355  
00:48:05,109 --> 00:48:02,790  
don't forget to enjoy like um you know

1356  
00:48:07,190 --> 00:48:05,119  
the now the moment you're in

1357  
00:48:08,950 --> 00:48:07,200  
rather than living in the future about

1358  
00:48:11,190 --> 00:48:08,960  
what you have to do or what's coming up

1359  
00:48:12,309 --> 00:48:11,200  
or the past and what's happened before

1360  
00:48:13,510 --> 00:48:12,319  
whatever

1361  
00:48:16,069 --> 00:48:13,520  
just um

1362  
00:48:18,150 --> 00:48:16,079  
try to be in the present in the now

1363  
00:48:21,829 --> 00:48:18,160

and be grateful for the things you have

1364

00:48:23,270 --> 00:48:21,839

whether it be family or or work or you

1365

00:48:25,430 --> 00:48:23,280

know loved ones

1366

00:48:27,190 --> 00:48:25,440

cats dogs

1367

00:48:29,910 --> 00:48:27,200

because i think

1368

00:48:31,829 --> 00:48:29,920

the best things in life are in those

1369

00:48:33,109 --> 00:48:31,839

moments when you can be present with

1370

00:48:40,549 --> 00:48:33,119

that

1371

00:48:42,630 --> 00:48:40,559

i think everything will be okay

1372

00:48:45,030 --> 00:48:42,640

yeah absolutely

1373

00:48:47,750 --> 00:48:45,040

so in terms of everything that we've got

1374

00:48:49,910 --> 00:48:47,760

going on obviously um you know with

1375

00:48:51,589 --> 00:48:49,920

congress and all of that this year do

1376

00:48:53,589 --> 00:48:51,599

you i know it'll just be wild

1377

00:48:55,670 --> 00:48:53,599

speculation but where do you think this

1378

00:48:57,349 --> 00:48:55,680

is headed do you think that like

1379

00:48:59,030 --> 00:48:57,359

do you expect that people like the

1380

00:49:01,510 --> 00:48:59,040

public at large is going to start taking

1381

00:49:03,510 --> 00:49:01,520

this more seriously as congress you know

1382

00:49:05,349 --> 00:49:03,520

starts receiving these reports from the

1383

00:49:06,710 --> 00:49:05,359

new ufo office or do you expect it to be

1384

00:49:07,910 --> 00:49:06,720

kind of more of this like more of the

1385

00:49:10,150 --> 00:49:07,920

same

1386

00:49:13,030 --> 00:49:10,160

uh well he we're kind of getting mixed

1387

00:49:14,630 --> 00:49:13,040

messages it seems like to me it's like

1388

00:49:17,109 --> 00:49:14,640

although this stuff is moving forward

1389

00:49:18,790 --> 00:49:17,119

there's aspects of it

1390

00:49:21,270 --> 00:49:18,800

it seems like they're trying to clamp

1391

00:49:22,309 --> 00:49:21,280

down and you know keep things classified

1392

00:49:24,390 --> 00:49:22,319

or whatever

1393

00:49:27,270 --> 00:49:24,400

like more of the uap report came out and

1394

00:49:29,430 --> 00:49:27,280

it's basically all blacked out

1395

00:49:31,349 --> 00:49:29,440

but then these uh awesome reports came

1396

00:49:33,190 --> 00:49:31,359

out which i think we could learn a lot

1397

00:49:36,549 --> 00:49:33,200

from that kind of stuff

1398

00:49:39,030 --> 00:49:36,559

um but as far as uh congress and us they

1399

00:49:39,910 --> 00:49:39,040

want to give us more information that i

1400

00:49:42,069 --> 00:49:39,920

know

1401

00:49:44,470 --> 00:49:42,079

um

1402

00:49:47,190 --> 00:49:44,480

you can tell because they're a lot of

1403

00:49:48,710 --> 00:49:47,200

them are career government people yeah

1404

00:49:50,870 --> 00:49:48,720

you know they like

1405

00:49:53,510 --> 00:49:50,880

they get elected there's election cycles

1406

00:49:55,190 --> 00:49:53,520

and uh and all that so if there's a

1407

00:49:58,069 --> 00:49:55,200

truth of the matter

1408

00:49:59,990 --> 00:49:58,079

um you know they'll want us to know

1409

00:50:01,829 --> 00:50:00,000

somebody will want us to know

1410

00:50:04,950 --> 00:50:01,839

even if it's for a selfish reason to be

1411

00:50:06,150 --> 00:50:04,960

the one who told us someone will do it

1412

00:50:07,670 --> 00:50:06,160

you know

1413

00:50:11,510 --> 00:50:07,680

um so

1414

00:50:14,069 --> 00:50:11,520

as long as um this process continues and

1415

00:50:16,150 --> 00:50:14,079

there's actual real oversight i i feel

1416

00:50:17,829 --> 00:50:16,160

like more truth will come uh when

1417

00:50:20,870 --> 00:50:17,839

that'll be

1418

00:50:21,910 --> 00:50:20,880

i think it'll be probably a slow process

1419

00:50:22,870 --> 00:50:21,920

you know

1420

00:50:24,470 --> 00:50:22,880

um

1421

00:50:26,710 --> 00:50:24,480

considering like

1422

00:50:29,430 --> 00:50:26,720

the preliminary assessment they didn't

1423

00:50:31,990 --> 00:50:29,440

know what the things were you know

1424

00:50:32,950 --> 00:50:32,000

so what are the chances that in a year's

1425

00:50:36,150 --> 00:50:32,960

time

1426

00:50:39,349 --> 00:50:36,160

oh we know we know everything it is now

1427

00:50:44,790 --> 00:50:39,359

probably not you know but maybe

1428

00:50:48,150 --> 00:50:45,750

you know

1429

00:50:51,349 --> 00:50:48,160

this percentage we're definitely foreign

1430

00:50:53,030 --> 00:50:51,359

20 this percentage it's impossible for

1431

00:50:55,270 --> 00:50:53,040

it to be man-made

1432

00:50:56,309 --> 00:50:55,280

you know something like that

1433

00:50:57,750 --> 00:50:56,319

um

1434

00:50:59,510 --> 00:50:57,760

that's what i would

1435

00:51:00,390 --> 00:50:59,520

look forward to

1436

00:51:02,710 --> 00:51:00,400

is

1437

00:51:06,309 --> 00:51:02,720

you know fifty percent of these

1438

00:51:08,950 --> 00:51:06,319

we've decided it's impossible for anyone

1439

00:51:11,030 --> 00:51:08,960

human to make it and it exists and it

1440

00:51:13,270 --> 00:51:11,040

happened

1441

00:51:15,030 --> 00:51:13,280

that's it you know and we're trying to

1442

00:51:17,030 --> 00:51:15,040

figure out more about it at this point

1443

00:51:19,190 --> 00:51:17,040

we don't have much to offer

1444

00:51:20,950 --> 00:51:19,200

i forgive you cool thanks for telling me

1445

00:51:22,950 --> 00:51:20,960

you know you know

1446

00:51:25,030 --> 00:51:22,960

um that's a start

1447

00:51:27,190 --> 00:51:25,040

um but some people just you know want to

1448

00:51:28,790 --> 00:51:27,200

think that it's aliens and we have ships

1449

00:51:30,870 --> 00:51:28,800

and they're just uh lying through their

1450

00:51:34,309 --> 00:51:30,880

teeth constantly and all the time i'm

1451

00:51:37,190 --> 00:51:34,319

not one to go that route i'm one to go

1452

00:51:39,190 --> 00:51:37,200

the route of this has happened has been

1453

00:51:41,589 --> 00:51:39,200

around the whole time it's always been

1454

00:51:43,349 --> 00:51:41,599

confusing to decide what's real and what

1455

00:51:44,870 --> 00:51:43,359

isn't it's an incredibly hard thing to

1456

00:51:47,670 --> 00:51:44,880

come to grips with especially when

1457

00:51:49,670 --> 00:51:47,680

you're in power to say no that there is

1458

00:51:51,829 --> 00:51:49,680

uh you know something we don't know what

1459

00:51:53,349 --> 00:51:51,839

it is and even if you do are we supposed

1460

00:51:55,829 --> 00:51:53,359

to just go straight to the public and

1461

00:51:56,630 --> 00:51:55,839

say hello these things are harassing our

1462

00:51:58,630 --> 00:51:56,640

uh

1463

00:52:00,950 --> 00:51:58,640

fighter jets and and we don't know what

1464

00:52:02,870 --> 00:52:00,960

to do you know

1465

00:52:06,390 --> 00:52:02,880

you know i think it's easy to say if

1466

00:52:11,589 --> 00:52:07,750

and i don't think

1467

00:52:13,430 --> 00:52:11,599

i don't think it's you know as big of a

1468

00:52:14,710 --> 00:52:13,440

cover-up as people make it out to be as

1469

00:52:16,350 --> 00:52:14,720

much as

1470

00:52:17,430 --> 00:52:16,360

negligence

1471

00:52:20,549 --> 00:52:17,440

[Music]

1472

00:52:23,030 --> 00:52:20,559

unable to admit the truth

1473

00:52:25,109 --> 00:52:23,040

you know to themselves let alone their

1474

00:52:26,870 --> 00:52:25,119

bosses or superiors

1475

00:52:29,109 --> 00:52:26,880

i mean i could be wrong how would i know

1476

00:52:31,510 --> 00:52:29,119

without actually being there but that's

1477

00:52:33,510 --> 00:52:31,520

just like from what i've

1478

00:52:35,829 --> 00:52:33,520

the work that i've done and if i'm going

1479

00:52:37,750 --> 00:52:35,839

by that and trusting myself that's what

1480

00:52:38,870 --> 00:52:37,760

i would say you know

1481

00:52:41,109 --> 00:52:38,880

but

1482

00:52:42,549 --> 00:52:41,119

and if that's the case i think that

1483

00:52:44,710 --> 00:52:42,559

bodes well for us too to get more

1484

00:52:45,670 --> 00:52:44,720

information because as people are more

1485

00:52:47,750 --> 00:52:45,680

willing

1486

00:52:50,790 --> 00:52:47,760

uh to accept that fact i think they'll

1487

00:52:52,309 --> 00:52:50,800

bring the world with with them you know

1488

00:52:53,510 --> 00:52:52,319

hopefully

1489

00:52:55,510 --> 00:52:53,520

so

1490

00:52:57,910 --> 00:52:55,520

just i tend to agree i tend to agree

1491

00:52:59,349 --> 00:52:57,920

with that um i wonder i mean listen

1492

00:53:01,190 --> 00:52:59,359

there could be some giant cover-up but i

1493

00:53:02,710 --> 00:53:01,200

do wonder if the cover-up is that they

1494

00:53:05,910 --> 00:53:02,720

have no idea

1495

00:53:07,430 --> 00:53:05,920

and i wonder if we all decided to wake

1496

00:53:08,790 --> 00:53:07,440

up to it tomorrow and they put the full

1497

00:53:11,030 --> 00:53:08,800

force of like our government our

1498

00:53:12,790 --> 00:53:11,040

military behind figuring this out i

1499

00:53:15,430 --> 00:53:12,800

wonder if we still might not figure it

1500

00:53:18,230 --> 00:53:15,440

out you know it might maybe not

1501

00:53:20,069 --> 00:53:18,240

we might not i think you have to accept

1502

00:53:21,670 --> 00:53:20,079

not knowing the answer because we might

1503

00:53:23,910 --> 00:53:21,680

we just might not

1504

00:53:26,230 --> 00:53:23,920

yeah you have to accept that uh you may

1505

00:53:27,190 --> 00:53:26,240

never know

1506

00:53:29,109 --> 00:53:27,200

you know

1507

00:53:31,990 --> 00:53:29,119

for for sure and be okay with that it's

1508

00:53:34,630 --> 00:53:32,000

like uh you know in sports um

1509

00:53:36,630 --> 00:53:34,640

like uh i'm a packer guy i love my green

1510

00:53:38,549 --> 00:53:36,640

bay packers right i don't really watch

1511

00:53:39,750 --> 00:53:38,559

much sports anymore but the packers i'll

1512

00:53:40,549 --> 00:53:39,760

still watch

1513

00:53:42,630 --> 00:53:40,559

um

1514

00:53:47,270 --> 00:53:42,640

and they always blow it in the playoffs

1515

00:53:48,870 --> 00:53:47,280

and it's to me it's because they're

1516

00:53:52,390 --> 00:53:48,880

they can't

1517

00:53:53,510 --> 00:53:52,400

to be okay with

1518

00:53:56,230 --> 00:53:53,520

losing

1519

00:53:58,630 --> 00:53:56,240

you know you have to be okay with the

1520

00:54:00,950 --> 00:53:58,640

fact that you might lose this game and

1521

00:54:02,549 --> 00:54:00,960

it's gonna be okay

1522

00:54:04,150 --> 00:54:02,559

that's the mentality you need to bring

1523

00:54:06,710 --> 00:54:04,160

to the game

1524

00:54:08,870 --> 00:54:06,720

to win oddly enough

1525

00:54:12,069 --> 00:54:08,880

um and that's the same thing here you

1526  
00:54:13,829 --> 00:54:12,079  
have to be okay with knowing that you

1527  
00:54:15,990 --> 00:54:13,839  
probably aren't going to know or may not

1528  
00:54:17,910 --> 00:54:16,000  
know and other people may not figure it

1529  
00:54:20,309 --> 00:54:17,920  
out for you either

1530  
00:54:21,190 --> 00:54:20,319  
you know and you have to accept that

1531  
00:54:23,829 --> 00:54:21,200  
um

1532  
00:54:25,270 --> 00:54:23,839  
in order to you know do your thing the

1533  
00:54:26,470 --> 00:54:25,280  
way it should be done

1534  
00:54:29,670 --> 00:54:26,480  
and that might be the case for the

1535  
00:54:31,510 --> 00:54:29,680  
government too and also like

1536  
00:54:32,870 --> 00:54:31,520  
you know if it's not an emergency if

1537  
00:54:34,950 --> 00:54:32,880  
it's not like these things aren't

1538  
00:54:37,990 --> 00:54:34,960

dropping at people's yards or starting

1539

00:54:40,710 --> 00:54:38,000

the fight or jets or whatever

1540

00:54:42,630 --> 00:54:40,720

you know um

1541

00:54:44,789 --> 00:54:42,640

they're not going to put more resources

1542

00:54:46,630 --> 00:54:44,799

behind it i guess so to speak you know i

1543

00:54:48,470 --> 00:54:46,640

feel like the reason that it's a little

1544

00:54:50,710 --> 00:54:48,480

more important now is because there's so

1545

00:54:52,309 --> 00:54:50,720

much more in the skies that we rely on

1546

00:54:55,750 --> 00:54:52,319

infrastructure infrastructure-wise

1547

00:54:58,309 --> 00:54:55,760

that they have to do something like

1548

00:55:00,150 --> 00:54:58,319

all the satellites that we do all the

1549

00:55:02,789 --> 00:55:00,160

work that we do with the electromagnetic

1550

00:55:04,870 --> 00:55:02,799

spectrum all the jets all the planes all

1551  
00:55:06,950 --> 00:55:04,880  
the drones like there's so much going on

1552  
00:55:09,109 --> 00:55:06,960  
in the skies that

1553  
00:55:11,510 --> 00:55:09,119  
something has to be figured out or it's

1554  
00:55:13,750 --> 00:55:11,520  
just going to be a complete disaster

1555  
00:55:15,750 --> 00:55:13,760  
you know which which it could be

1556  
00:55:17,270 --> 00:55:15,760  
on the brink of already but um it

1557  
00:55:18,789 --> 00:55:17,280  
doesn't seem like it because you know

1558  
00:55:22,230 --> 00:55:18,799  
it's not like things are crashing left

1559  
00:55:24,470 --> 00:55:22,240  
and right but you know

1560  
00:55:26,470 --> 00:55:24,480  
um i have a feeling that's

1561  
00:55:29,109 --> 00:55:26,480  
uh why there could be an uptick in

1562  
00:55:31,430 --> 00:55:29,119  
activity it's because we can't

1563  
00:55:33,750 --> 00:55:31,440

uh you know grow and do what we really

1564

00:55:35,750 --> 00:55:33,760

want to do unless we handle this type of

1565

00:55:37,670 --> 00:55:35,760

subject you know

1566

00:55:40,470 --> 00:55:37,680

yeah because i think

1567

00:55:41,670 --> 00:55:40,480

you make a great point absolutely

1568

00:55:43,910 --> 00:55:41,680

um

1569

00:55:45,829 --> 00:55:43,920

fantastic well listen sean this has been

1570

00:55:47,349 --> 00:55:45,839

an absolutely wonderful conversation i

1571

00:55:49,510 --> 00:55:47,359

really appreciate you taking the time

1572

00:55:50,390 --> 00:55:49,520

today um for anybody who's pleased thank

1573

00:55:51,670 --> 00:55:50,400

you

1574

00:55:53,190 --> 00:55:51,680

yeah

1575

00:55:55,510 --> 00:55:53,200

for anybody who's listening who would

1576

00:55:57,829 --> 00:55:55,520

like to uh you know dive more into

1577

00:56:00,630 --> 00:55:57,839

sean's research um i will put all of

1578

00:56:02,390 --> 00:56:00,640

that his information in the episode

1579

00:56:05,190 --> 00:56:02,400

notes below be sure to

1580

00:56:06,870 --> 00:56:05,200

give him a subscribe while you are there

1581

00:56:08,630 --> 00:56:06,880

um that definitely helps creators

1582

00:56:10,309 --> 00:56:08,640

continue to do what they do

1583

00:56:12,470 --> 00:56:10,319

um and sean if people were gonna look at

1584

00:56:13,910 --> 00:56:12,480

your uh at your channel is there

1585

00:56:15,430 --> 00:56:13,920

anywhere in particular any video that

1586

00:56:16,870 --> 00:56:15,440

you would recommend they start with or

1587

00:56:17,750 --> 00:56:16,880

any topic you would recommend they start

1588

00:56:18,789 --> 00:56:17,760

with

1589

00:56:21,349 --> 00:56:18,799

um

1590

00:56:23,030 --> 00:56:21,359

not necessarily i mean uh if they go to

1591

00:56:24,950 --> 00:56:23,040

my channel i think right now the

1592

00:56:26,950 --> 00:56:24,960

highlighted one is lou elizondo that's a

1593

00:56:27,829 --> 00:56:26,960

good one to start with

1594

00:56:29,349 --> 00:56:27,839

um

1595

00:56:30,870 --> 00:56:29,359

but i have a lot of other ones i have

1596

00:56:33,270 --> 00:56:30,880

ones that are kind of more on the

1597

00:56:36,630 --> 00:56:33,280

experimenter side and what that's like

1598

00:56:38,069 --> 00:56:36,640

and uh my solo shows that you see are

1599

00:56:40,230 --> 00:56:38,079

where it's just me and i don't have a

1600

00:56:41,270 --> 00:56:40,240

guest are usually going to be more

1601  
00:56:43,589 --> 00:56:41,280  
research

1602  
00:56:46,309 --> 00:56:43,599  
education based so if you prefer to

1603  
00:56:47,910 --> 00:56:46,319  
learn that's a good resource

1604  
00:56:52,630 --> 00:56:47,920  
um

1605  
00:56:56,069 --> 00:56:52,640  
lot too so

1606  
00:56:57,750 --> 00:56:56,079  
uh the guests are are great uh as well

1607  
00:56:59,589 --> 00:56:57,760  
it depends what your flavor is my root

1608  
00:57:01,589 --> 00:56:59,599  
the research shows

1609  
00:57:04,150 --> 00:57:01,599  
you know aren't for everyone because a

1610  
00:57:06,549 --> 00:57:04,160  
lot of it's just like documents reading

1611  
00:57:08,630 --> 00:57:06,559  
from documents yeah you know so that's

1612  
00:57:10,470 --> 00:57:08,640  
not everyone's cup of tea but if you

1613  
00:57:13,349 --> 00:57:10,480

want to get um

1614

00:57:15,750 --> 00:57:13,359

you know just a gist of

1615

00:57:16,950 --> 00:57:15,760

um the right place to be right now i

1616

00:57:18,870 --> 00:57:16,960

would say

1617

00:57:21,030 --> 00:57:18,880

um louis lozando is a good place to

1618

00:57:22,950 --> 00:57:21,040

follow that's a good place to be right

1619

00:57:24,150 --> 00:57:22,960

now um

1620

00:57:25,750 --> 00:57:24,160

and

1621

00:57:26,870 --> 00:57:25,760

but if you're new i would say just take

1622

00:57:30,630 --> 00:57:26,880

it slow

1623

00:57:32,630 --> 00:57:30,640

and look at government documents

1624

00:57:34,230 --> 00:57:32,640

okay decide for yourself

1625

00:57:35,430 --> 00:57:34,240

and don't let anyone make up your mind

1626  
00:57:37,670 --> 00:57:35,440  
for you

1627  
00:57:39,030 --> 00:57:37,680  
yes that's a big thing on my podcast i

1628  
00:57:41,750 --> 00:57:39,040  
don't i think everyone can make up their

1629  
00:57:42,870 --> 00:57:41,760  
own mind absolutely

1630  
00:57:43,990 --> 00:57:42,880  
and don't listen to anybody who tells

1631  
00:57:47,190 --> 00:57:44,000  
you they have the answer because they're

1632  
00:57:49,910 --> 00:57:47,200  
probably like correct we're selling yes

1633  
00:57:53,829 --> 00:57:49,920  
or selling something yeah or both

1634  
00:57:55,589 --> 00:57:53,839  
yeah they go hand in hand typically yeah

1635  
00:57:57,030 --> 00:57:55,599  
well sean it's been an absolute pleasure

1636  
00:57:58,470 --> 00:57:57,040  
thank you so much

1637  
00:58:00,549 --> 00:57:58,480  
yeah i had a great time thanks so much

1638  
00:58:02,230 --> 00:58:00,559

for asking me i look forward to to uh

1639

00:58:08,870 --> 00:58:02,240

checking it out

1640

00:58:26,270 --> 00:58:10,810

um

1641

00:58:37,580 --> 00:58:35,670

[Music]

1642

00:58:50,549 --> 00:58:37,590

oh
