SHIFTING THE
PARADIGM**

Episode 3

1
00:00:02,080 --> 00:00:05,530

uh

2
00:00:10,420 --> 00:00:05,550

[Music]

3
00:00:16,630 --> 00:00:10,430

[Applause]

4
00:00:39,510 --> 00:00:16,640

[Music]

5
00:00:41,670 --> 00:00:39,520
all right welcome back everyone to the

6
00:00:44,389 --> 00:00:41,680
rabbit hole conversations today i have a

7
00:00:46,470 --> 00:00:44,399
very exciting guest i'm here with miss

8
00:00:49,910 --> 00:00:46,480
christina gomez

9
00:00:52,310 --> 00:00:49,920
she is the creator behind the phenomenal

10
00:00:54,150 --> 00:00:52,320
paradigm shifts youtube channel

11
00:00:55,350 --> 00:00:54,160
um yeah and i've been very excited to

12
00:00:56,709 --> 00:00:55,360
get to talk to you so welcome to the

13
00:00:58,950 --> 00:00:56,719

show christina

14

00:01:01,110 --> 00:00:58,960

thank you for having me on i am really

15

00:01:02,310 --> 00:01:01,120

excited to be able to talk with you and

16

00:01:04,390 --> 00:01:02,320

i know that we're going to have some

17

00:01:06,630 --> 00:01:04,400

really fascinating conversations today

18

00:01:08,310 --> 00:01:06,640

oh yes absolutely well let's just dive

19

00:01:10,550 --> 00:01:08,320

right into it so

20

00:01:12,710 --> 00:01:10,560

i'm going to start off with one of the

21

00:01:15,109 --> 00:01:12,720

biggest mysteries in the ufo

22

00:01:16,950 --> 00:01:15,119

world and i love your thoughts on it and

23

00:01:18,630 --> 00:01:16,960

the the mystery is

24

00:01:19,990 --> 00:01:18,640

where did you get your time machine

25

00:01:21,190 --> 00:01:20,000

because that's the only way i can think

26

00:01:24,070 --> 00:01:21,200

of that you could possibly be putting

27

00:01:26,469 --> 00:01:24,080

out all this content that you put out

28

00:01:28,310 --> 00:01:26,479

well i just don't sleep so i make sure

29

00:01:29,990 --> 00:01:28,320

to put on a lot of makeup right here so

30

00:01:31,030 --> 00:01:30,000

that they don't show the the dark

31

00:01:32,710 --> 00:01:31,040

circles

32

00:01:34,950 --> 00:01:32,720

um but when it

33

00:01:37,749 --> 00:01:34,960

when it comes to something that you love

34

00:01:40,149 --> 00:01:37,759

you always find the time for it no

35

00:01:42,870 --> 00:01:40,159

matter how many hours are in a day

36

00:01:45,030 --> 00:01:42,880

you're always gonna really strive for

37

00:01:47,510 --> 00:01:45,040

what you think is important and

38

00:01:49,749 --> 00:01:47,520

the shows that i have under my channel

39

00:01:52,310 --> 00:01:49,759

christina gomez or um

40

00:01:54,469 --> 00:01:52,320

strange shifting the paradigm paradigm

41

00:01:57,510 --> 00:01:54,479

shifts excuse me

42

00:02:00,310 --> 00:01:57,520

there's so much that's covered and i'm

43

00:02:02,550 --> 00:02:00,320

practically coming in blind there's i'm

44

00:02:04,950 --> 00:02:02,560

so new to the field i only started about

45

00:02:08,150 --> 00:02:04,960

i guess maybe a year and a half ago now

46

00:02:09,270 --> 00:02:08,160

it seems like just a few days but

47

00:02:13,589 --> 00:02:09,280

when

48

00:02:15,270 --> 00:02:13,599

just go for it so i have one show called

49

00:02:17,270 --> 00:02:15,280

shifting the paradigm where i interview

50

00:02:18,470 --> 00:02:17,280

ufo researchers and enthusiasts for the

51

00:02:20,309 --> 00:02:18,480

most part

52

00:02:22,229 --> 00:02:20,319

and i get to ask all the questions that

53

00:02:24,869 --> 00:02:22,239

i have on these on on people that

54

00:02:26,710 --> 00:02:24,879

specialize in very specific topics and

55

00:02:28,949 --> 00:02:26,720

then there's also mysteries with a

56

00:02:30,550 --> 00:02:28,959

history where it's kind of more talking

57

00:02:32,550 --> 00:02:30,560

about the more paranormal the

58

00:02:34,070 --> 00:02:32,560

supernatural or even things classified

59

00:02:35,430 --> 00:02:34,080

under the fringe

60

00:02:37,190 --> 00:02:35,440

and

61

00:02:40,070 --> 00:02:37,200

the reason to why i do all of this is

62

00:02:42,309 --> 00:02:40,080

not only for myself to just get a grasp

63

00:02:45,430 --> 00:02:42,319

of what's going on out there

64

00:02:48,710 --> 00:02:45,440

what what we can better understand

65

00:02:50,550 --> 00:02:48,720

but it's also to create a foundation for

66

00:02:52,229 --> 00:02:50,560

other people just like myself who are

67

00:02:55,030 --> 00:02:52,239

brand new to the field and just don't

68

00:02:57,270 --> 00:02:55,040

know where to look there's so much

69

00:02:59,190 --> 00:02:57,280

information online and there's so many

70

00:03:01,270 --> 00:02:59,200

books there's so many documentaries and

71

00:03:03,910 --> 00:03:01,280

in all of these different aspects

72

00:03:07,190 --> 00:03:03,920

of all the different type of phenomena

73

00:03:09,750 --> 00:03:07,200

but sometimes it can be overwhelming

74

00:03:12,149 --> 00:03:09,760

sometimes you're looking at a lot of

75

00:03:15,509 --> 00:03:12,159

disinformation sometimes you simply

76

00:03:17,830 --> 00:03:15,519

can't decipher if it's fact or fiction

77

00:03:20,470 --> 00:03:17,840

so with the shows that i have i try to

78

00:03:23,350 --> 00:03:20,480

find all the possible information and

79

00:03:25,589 --> 00:03:23,360

then allow the audience to

80

00:03:27,910 --> 00:03:25,599

arrive to their own conclusions because

81

00:03:31,430 --> 00:03:27,920

that's the least we can do we can never

82

00:03:32,390 --> 00:03:31,440

force our opinions or our bias on to

83

00:03:35,670 --> 00:03:32,400

anyone

84

00:03:38,789 --> 00:03:35,680

but what we can do is lead them into a

85

00:03:40,710 --> 00:03:38,799

direction that maybe they want to take

86

00:03:41,910 --> 00:03:40,720

that's amazing well i can definitely see

87

00:03:45,589 --> 00:03:41,920

your passion

88

00:03:47,589 --> 00:03:45,599

um i fun fact outside of my ufo life um

89

00:03:50,229 --> 00:03:47,599

i'm actually a brand director for an

90

00:03:51,589 --> 00:03:50,239

e-com company so i know what it takes to

91

00:03:52,869 --> 00:03:51,599

build what you have built and so i'm

92

00:03:54,309 --> 00:03:52,879

very impressed with what you've managed

93

00:03:56,390 --> 00:03:54,319

to do and i didn't realize it was only

94

00:03:58,309 --> 00:03:56,400

in a year and a half so congratulations

95

00:03:59,270 --> 00:03:58,319

you've done an amazing job

96

00:04:00,949 --> 00:03:59,280

um

97

00:04:02,710 --> 00:04:00,959

and with that drive like i'd love to

98

00:04:04,309 --> 00:04:02,720

understand just a little bit more about

99

00:04:06,229 --> 00:04:04,319

that so i know you start you say you

100

00:04:07,990 --> 00:04:06,239

started about a year and a half ago is

101
00:04:09,429 --> 00:04:08,000
that sort of when your interest in ufos

102
00:04:10,869 --> 00:04:09,439
started or is this something that goes

103
00:04:13,030 --> 00:04:10,879
further back for you like how did this

104
00:04:15,030 --> 00:04:13,040
really hook you

105
00:04:18,390 --> 00:04:15,040
so i started

106
00:04:20,069 --> 00:04:18,400
the channel i guess sometime after i had

107
00:04:21,749 --> 00:04:20,079
entered university and i had a lot of

108
00:04:25,030 --> 00:04:21,759
free time on my hands and i wanted to

109
00:04:26,790 --> 00:04:25,040
have this conversation with my peers i

110
00:04:28,469 --> 00:04:26,800
really wanted to get serious about this

111
00:04:30,310 --> 00:04:28,479
and being like hey like what do you

112
00:04:33,270 --> 00:04:30,320
think i've always been interested in

113
00:04:34,870 --> 00:04:33,280

these topics but never to the extent of

114

00:04:36,629 --> 00:04:34,880

doing research it's just kind of more of

115

00:04:38,909 --> 00:04:36,639

just like oh look cool like fairies

116

00:04:41,189 --> 00:04:38,919

that's great you know but not really

117

00:04:43,990 --> 00:04:41,199

understanding these these different

118

00:04:44,870 --> 00:04:44,000

topics and ferry's just a fun example

119

00:04:47,270 --> 00:04:44,880

but

120

00:04:49,270 --> 00:04:47,280

when i had entered campus

121

00:04:51,749 --> 00:04:49,280

i would try to have these conversations

122

00:04:53,830 --> 00:04:51,759

with people and they were like hold on

123

00:04:55,909 --> 00:04:53,840

christina this is 8 am we haven't had a

124

00:04:57,830 --> 00:04:55,919

drink yet we're not under anything like

125

00:05:00,070 --> 00:04:57,840

i cannot have this conversation with you

126

00:05:02,310 --> 00:05:00,080

right now or like ever and i'm thinking

127

00:05:04,950 --> 00:05:02,320

about why i mean this is so

128

00:05:09,029 --> 00:05:04,960

fascinating there's so much that falls

129

00:05:10,390 --> 00:05:09,039

under the unknown and especially when

130

00:05:12,550 --> 00:05:10,400

you kind of have that

131

00:05:14,710 --> 00:05:12,560

still school mentality you know eggs are

132

00:05:17,590 --> 00:05:14,720

exiting high school into college you're

133

00:05:20,310 --> 00:05:17,600

kind of more book smart but not street

134

00:05:22,230 --> 00:05:20,320

smart and what you want to read is based

135

00:05:24,870 --> 00:05:22,240

off of the curriculum that your

136

00:05:26,390 --> 00:05:24,880

professors give you you can look outside

137

00:05:28,070 --> 00:05:26,400

of that if you want to but for the most

138

00:05:30,070 --> 00:05:28,080

part you don't right you just want to

139

00:05:32,469 --> 00:05:30,080

pass those exams

140

00:05:34,790 --> 00:05:32,479

and when it comes to this

141

00:05:37,189 --> 00:05:34,800

it's kind of more of a of like a shy

142

00:05:39,029 --> 00:05:37,199

hobby for some people when they have the

143

00:05:41,430 --> 00:05:39,039

time or like oh there's a really cool 10

144

00:05:42,870 --> 00:05:41,440

minute video on youtube or on or on tick

145

00:05:44,870 --> 00:05:42,880

tock let me just kind of check it out oh

146

00:05:46,310 --> 00:05:44,880

wow that's super cool and then it kind

147

00:05:47,670 --> 00:05:46,320

of goes in the back burner and they

148

00:05:50,230 --> 00:05:47,680

don't really do their research on it

149

00:05:53,189 --> 00:05:50,240

which is which is fine i was like that

150

00:05:53,990 --> 00:05:53,199

for years and there's nothing wrong with

151

00:05:56,469 --> 00:05:54,000

that

152

00:05:59,909 --> 00:05:56,479

but the reason to why again why i do

153

00:06:02,150 --> 00:05:59,919

this is to bring this topic forward to

154

00:06:05,510 --> 00:06:02,160

make it more mainstream and to give

155

00:06:07,430 --> 00:06:05,520

people and myself a good foundation to

156

00:06:09,749 --> 00:06:07,440

where they can build off of if you don't

157

00:06:11,749 --> 00:06:09,759

have a good foundation if you don't see

158

00:06:13,430 --> 00:06:11,759

all of the different aspects to all of

159

00:06:15,110 --> 00:06:13,440

these stories all of these anecdotal

160

00:06:17,430 --> 00:06:15,120

accounts and all of these let's say

161

00:06:18,830 --> 00:06:17,440

projects you're not going to understand

162

00:06:21,110 --> 00:06:18,840

what happens

163

00:06:23,990 --> 00:06:21,120

next and

164

00:06:26,469 --> 00:06:24,000

when i was younger i had watched the tv

165

00:06:29,350 --> 00:06:26,479

show the twilight zone it's it's a black

166

00:06:32,150 --> 00:06:29,360

and white tv show from the late 1950s

167

00:06:35,189 --> 00:06:32,160

into the 1960s and it was like my dad's

168

00:06:39,590 --> 00:06:35,199

and i favorite show to watch and with

169

00:06:42,390 --> 00:06:39,600

that program in particular was that

170

00:06:44,070 --> 00:06:42,400

at at that time in the 50s and 60s all

171

00:06:47,189 --> 00:06:44,080

of these topics were taboo they were

172

00:06:49,029 --> 00:06:47,199

completely imaginary could never happen

173

00:06:51,350 --> 00:06:49,039

at least kind of in in the mainstream

174

00:06:54,469 --> 00:06:51,360

understanding of it

175

00:06:55,909 --> 00:06:54,479

and but these stories these

176
00:06:57,589 --> 00:06:55,919
shows were still bringing it to the

177
00:07:00,550 --> 00:06:57,599
public eye to let them think for

178
00:07:02,790 --> 00:07:00,560
themselves to think of the possibilities

179
00:07:05,990 --> 00:07:02,800
of these things and at the end of each

180
00:07:07,350 --> 00:07:06,000
show it was kind of an open-ended

181
00:07:09,189 --> 00:07:07,360
ending

182
00:07:11,029 --> 00:07:09,199
they never really gave you a definitive

183
00:07:12,629 --> 00:07:11,039
answer on what happened to the main

184
00:07:15,670 --> 00:07:12,639
characters or what happened to these

185
00:07:16,950 --> 00:07:15,680
alien beings or these or these other

186
00:07:19,589 --> 00:07:16,960
things that were happening in the

187
00:07:21,350 --> 00:07:19,599
episodes it was very open-ended to where

188
00:07:24,070 --> 00:07:21,360

you could finish the show in your own

189

00:07:26,550 --> 00:07:24,080

mind and when i was five six seven years

190

00:07:29,029 --> 00:07:26,560

old i'm like this is the best show ever

191

00:07:31,189 --> 00:07:29,039

like who wants to watch spongebob when i

192

00:07:33,350 --> 00:07:31,199

can watch this instead

193

00:07:35,189 --> 00:07:33,360

and that's kind of what what really

194

00:07:38,070 --> 00:07:35,199

piqued my interest and then from there i

195

00:07:40,629 --> 00:07:38,080

started to just kind of read

196

00:07:42,950 --> 00:07:40,639

fiction books on it and then it

197

00:07:45,589 --> 00:07:42,960

progressed into a real passion to really

198

00:07:49,830 --> 00:07:45,599

get the understanding of the historical

199

00:07:52,710 --> 00:07:49,840

aspect the science aspect and even

200

00:07:54,230 --> 00:07:52,720

slowly diving into the spiritual aspect

201
00:07:56,790 --> 00:07:54,240
as well i mean

202
00:07:59,029 --> 00:07:56,800
no matter what path you take with the

203
00:08:00,790 --> 00:07:59,039
ufo phenomenon with the paranormal with

204
00:08:02,629 --> 00:08:00,800
the fringe

205
00:08:05,029 --> 00:08:02,639
they're all going to take you to the top

206
00:08:07,510 --> 00:08:05,039
of the mountain to what you may perceive

207
00:08:09,189 --> 00:08:07,520
as the truth no matter which path you

208
00:08:11,990 --> 00:08:09,199
take it's all going to take you to the

209
00:08:14,710 --> 00:08:12,000
same destination at some point in time

210
00:08:17,350 --> 00:08:14,720
but from my understanding if you take

211
00:08:19,670 --> 00:08:17,360
all of those paths and put it in one you

212
00:08:21,830 --> 00:08:19,680
might get to that destination a little

213
00:08:23,110 --> 00:08:21,840

bit faster than if you just take one

214

00:08:24,950 --> 00:08:23,120

path

215

00:08:26,550 --> 00:08:24,960

that makes so much sense i also watched

216

00:08:28,790 --> 00:08:26,560

twilight zone with my dad when i was

217

00:08:30,469 --> 00:08:28,800

little so that must be like a

218

00:08:30,840 --> 00:08:30,479

gateway drug

219

00:08:32,550 --> 00:08:30,850

oh yeah

220

00:08:34,230 --> 00:08:32,560

[Laughter]

221

00:08:36,870 --> 00:08:34,240

so funny i love that

222

00:08:38,790 --> 00:08:36,880

um i think it's so cool that you are in

223

00:08:40,310 --> 00:08:38,800

particular you know wanting i mean you

224

00:08:42,550 --> 00:08:40,320

speak to everyone i know you have a very

225

00:08:44,310 --> 00:08:42,560

diverse audience you know all ages um

226

00:08:45,190 --> 00:08:44,320

but you know the fact that you

227

00:08:47,269 --> 00:08:45,200

have

228

00:08:49,750 --> 00:08:47,279

taken a special interest you know in

229

00:08:51,030 --> 00:08:49,760

kind of like your generation in gen z

230

00:08:52,710 --> 00:08:51,040

and reaching out to them i think is

231

00:08:54,230 --> 00:08:52,720

really interesting and i'm not seeing

232

00:08:56,070 --> 00:08:54,240

you know anyone else really doing that i

233

00:08:57,430 --> 00:08:56,080

was talking about your tick tock earlier

234

00:08:58,389 --> 00:08:57,440

seems like you're getting some traction

235

00:09:00,150 --> 00:08:58,399

there

236

00:09:02,790 --> 00:09:00,160

it's still growing it's still getting

237

00:09:04,870 --> 00:09:02,800

there no it's great it's great and um

238

00:09:07,030 --> 00:09:04,880

i i'm very curious about your

239

00:09:09,829 --> 00:09:07,040

perspective on

240

00:09:11,190 --> 00:09:09,839

on gen z you know i know it's you talked

241

00:09:12,389 --> 00:09:11,200

about you know people not being ready to

242

00:09:13,190 --> 00:09:12,399

talk about it in the morning and it's

243

00:09:16,070 --> 00:09:13,200

something maybe that they're not

244

00:09:17,590 --> 00:09:16,080

familiar with but you know i have um

245

00:09:20,150 --> 00:09:17,600

younger siblings who were you know in

246

00:09:21,829 --> 00:09:20,160

their early 20s and i you know run

247

00:09:23,350 --> 00:09:21,839

teams of you know young marketers who

248

00:09:24,710 --> 00:09:23,360

are in their early 20s and so i like i

249

00:09:26,389 --> 00:09:24,720

really have gotten to know gen z and

250

00:09:27,910 --> 00:09:26,399

really admire your generation i think

251
00:09:29,509 --> 00:09:27,920
you guys are going to save us actually

252
00:09:31,350 --> 00:09:29,519
because you all just have such a good

253
00:09:32,470 --> 00:09:31,360
head on your shoulders and

254
00:09:34,630 --> 00:09:32,480
um

255
00:09:36,389 --> 00:09:34,640
but i'm curious like what do you see as

256
00:09:39,110 --> 00:09:36,399
being the biggest

257
00:09:41,509 --> 00:09:39,120
kind of barrier to getting your

258
00:09:43,269 --> 00:09:41,519
generation to take this seriously is it

259
00:09:45,829 --> 00:09:43,279
just exposure to the idea or do you

260
00:09:46,870 --> 00:09:45,839
think it's something more than that

261
00:09:57,350 --> 00:09:46,880
i

262
00:09:59,590 --> 00:09:57,360
ufo phenomenon

263
00:10:01,829 --> 00:09:59,600

if you talk to someone about it it seems

264

00:10:03,590 --> 00:10:01,839

to be like hey so aliens like real or

265

00:10:06,630 --> 00:10:03,600

not they'll be like yeah obviously and

266

00:10:09,509 --> 00:10:06,640

then if you try to push for more that's

267

00:10:12,870 --> 00:10:09,519

kind of where it stops so it's not a

268

00:10:16,310 --> 00:10:12,880

question of existence or of belief

269

00:10:18,630 --> 00:10:16,320

but it's kind of more of there needs to

270

00:10:20,790 --> 00:10:18,640

be a better foundation there needs to be

271

00:10:23,670 --> 00:10:20,800

a little more of a drive to actually

272

00:10:26,069 --> 00:10:23,680

wanting to understand what's going on

273

00:10:30,310 --> 00:10:26,079

with my generation we're still kind of

274

00:10:32,790 --> 00:10:30,320

stuck in this entertainment mentality

275

00:10:34,949 --> 00:10:32,800

and i find that kind of disappointing

276

00:10:37,030 --> 00:10:34,959

we're always stuck on our phones and you

277

00:10:38,230 --> 00:10:37,040

know what i'm guilty of that from time

278

00:10:40,230 --> 00:10:38,240

to time

279

00:10:43,110 --> 00:10:40,240

you know i see on campus i can even see

280

00:10:45,430 --> 00:10:43,120

it at the grocery store where kids my

281

00:10:48,150 --> 00:10:45,440

age and even younger can walk with their

282

00:10:50,230 --> 00:10:48,160

phone in their hand and not trip not

283

00:10:52,389 --> 00:10:50,240

fall know where they're going and that's

284

00:10:53,670 --> 00:10:52,399

a super power in itself i mean

285

00:10:56,870 --> 00:10:53,680

fantastic

286

00:10:59,110 --> 00:10:56,880

but at the same time they're burying

287

00:11:01,590 --> 00:10:59,120

themselves in just something that is

288

00:11:04,150 --> 00:11:01,600

temporary like the latest fashion or or

289

00:11:07,870 --> 00:11:04,160

the latest trend or the latest um

290

00:11:10,470 --> 00:11:07,880

influencer for instance and it's

291

00:11:12,790 --> 00:11:10,480

disappointing for the most part but

292

00:11:14,790 --> 00:11:12,800

there's also a lot of really fantastic

293

00:11:17,430 --> 00:11:14,800

channels and we can look at tick tock as

294

00:11:19,110 --> 00:11:17,440

a good example this is a app that is

295

00:11:22,310 --> 00:11:19,120

accessible to everyone maybe from the

296

00:11:23,990 --> 00:11:22,320

age of 10 until let's say 40. everyone

297

00:11:27,110 --> 00:11:24,000

probably has it

298

00:11:28,790 --> 00:11:27,120

and while there's a lot of garbage on

299

00:11:30,949 --> 00:11:28,800

the app i'm not i'm not going to say any

300

00:11:33,350 --> 00:11:30,959

other words but just just garbage

301
00:11:36,230 --> 00:11:33,360
there's also some really really big

302
00:11:38,790 --> 00:11:36,240
profiles that are more educational on

303
00:11:41,030 --> 00:11:38,800
these topics and other scientific topics

304
00:11:42,550 --> 00:11:41,040
as well that i think are really making a

305
00:11:44,069 --> 00:11:42,560
difference to where when you're

306
00:11:48,230 --> 00:11:44,079
scrolling through all this you know

307
00:11:50,230 --> 00:11:48,240
dancing tutorials and lip syncing and

308
00:11:51,590 --> 00:11:50,240
boring stuff sometimes you're going to

309
00:11:53,829 --> 00:11:51,600
hit a gem and you're going to follow

310
00:11:56,389 --> 00:11:53,839
that profile and then continue with your

311
00:11:58,550 --> 00:11:56,399
day but maybe that one person

312
00:12:01,030 --> 00:11:58,560
made you think outside of the box for

313
00:12:03,590 --> 00:12:01,040

just a moment and i think that's kind of

314

00:12:06,069 --> 00:12:03,600

what social media is all about you need

315

00:12:07,990 --> 00:12:06,079

to take the good with the bad you're not

316

00:12:10,310 --> 00:12:08,000

going to have all good with any platform

317

00:12:12,310 --> 00:12:10,320

instagram snapchat whatever these other

318

00:12:15,350 --> 00:12:12,320

ones are

319

00:12:17,910 --> 00:12:15,360

you are never going to be

320

00:12:19,990 --> 00:12:17,920

perfectly insulated in the topic that

321

00:12:23,190 --> 00:12:20,000

you want to look at you're going to get

322

00:12:25,829 --> 00:12:23,200

everything so

323

00:12:28,790 --> 00:12:25,839

we are as a generation

324

00:12:31,829 --> 00:12:28,800

gen zed and those prior maybe maybe even

325

00:12:35,030 --> 00:12:31,839

millennials a little bit they're kind of

326

00:12:37,430 --> 00:12:35,040

we we are kind of addicted to our cell

327

00:12:39,590 --> 00:12:37,440

phones but not just that but kind of

328

00:12:41,590 --> 00:12:39,600

more of if we post a picture or a video

329

00:12:43,190 --> 00:12:41,600

we check every 10 minutes how many likes

330

00:12:44,629 --> 00:12:43,200

did i get how many views did i get like

331

00:12:46,710 --> 00:12:44,639

this is good enough

332

00:12:49,430 --> 00:12:46,720

am i good enough

333

00:12:52,550 --> 00:12:49,440

and that kind of we want to build our

334

00:12:54,710 --> 00:12:52,560

egoic profiles more than anything else

335

00:12:56,790 --> 00:12:54,720

more than really just putting our phone

336

00:12:59,030 --> 00:12:56,800

down going out looking at the sky

337

00:13:01,350 --> 00:12:59,040

looking at the oceans looking at any

338

00:13:04,550 --> 00:13:01,360

any piece of water that you have

339

00:13:05,509 --> 00:13:04,560

and just enjoying it without that kind

340

00:13:09,350 --> 00:13:05,519

of

341

00:13:12,310 --> 00:13:09,360

saying how are you doing on social media

342

00:13:13,829 --> 00:13:12,320

right now how how is your persona doing

343

00:13:14,629 --> 00:13:13,839

online

344

00:13:17,190 --> 00:13:14,639

and

345

00:13:19,190 --> 00:13:17,200

even though i have to i have to have an

346

00:13:22,629 --> 00:13:19,200

online presence you know with posting

347

00:13:24,949 --> 00:13:22,639

pictures posting videos posting content

348

00:13:26,550 --> 00:13:24,959

as long as it's clean as long as it's

349

00:13:28,389 --> 00:13:26,560

healthy and as long as that we have the

350

00:13:29,590 --> 00:13:28,399

mentality that we're doing the right

351
00:13:32,310 --> 00:13:29,600
thing

352
00:13:34,230 --> 00:13:32,320
it's not bad being on social media just

353
00:13:35,269 --> 00:13:34,240
doing it in moderation is what is

354
00:13:37,829 --> 00:13:35,279
important

355
00:13:39,189 --> 00:13:37,839
i think that's a fantastic point um

356
00:13:40,710 --> 00:13:39,199
and i do think you handle it with a lot

357
00:13:42,310 --> 00:13:40,720
of grace because i know that you know

358
00:13:44,629 --> 00:13:42,320
sometimes

359
00:13:46,389 --> 00:13:44,639
ufo twitter can be a crazy place

360
00:13:48,389 --> 00:13:46,399
sometimes and i've seen some crazy stuff

361
00:13:50,949 --> 00:13:48,399
come at you and you handled it really

362
00:13:52,550 --> 00:13:50,959
graciously um yeah and i think without

363
00:13:54,310 --> 00:13:52,560

like engaging with it too much because i

364

00:13:55,990 --> 00:13:54,320

think that's poison you know once you

365

00:13:57,670 --> 00:13:56,000

engage with it and kind of let it into

366

00:14:00,150 --> 00:13:57,680

your heart it's

367

00:14:03,750 --> 00:14:00,160

that can that can be really damaging

368

00:14:05,670 --> 00:14:03,760

the hard way that's for sure

369

00:14:07,350 --> 00:14:05,680

i feel that too sometimes i have to log

370

00:14:10,150 --> 00:14:07,360

off because i'm just like man this is

371

00:14:12,389 --> 00:14:10,160

not this is taking away what i this is

372

00:14:13,430 --> 00:14:12,399

taking what i love out of what i love

373

00:14:15,430 --> 00:14:13,440

and

374

00:14:17,829 --> 00:14:15,440

that's not cool

375

00:14:19,430 --> 00:14:17,839

no it's it's not and especially when

376

00:14:21,910 --> 00:14:19,440

sometimes you might get like really

377

00:14:23,750 --> 00:14:21,920

disheartening comments like you you put

378

00:14:25,670 --> 00:14:23,760

your blood and sweat into content that

379

00:14:27,910 --> 00:14:25,680

you create and i know you're like this

380

00:14:29,910 --> 00:14:27,920

as well kelly and then sometimes you get

381

00:14:31,750 --> 00:14:29,920

these kinds of comments and and in a

382

00:14:33,269 --> 00:14:31,760

sense it kind of just it brings you down

383

00:14:34,870 --> 00:14:33,279

and you're like should i just keep

384

00:14:36,470 --> 00:14:34,880

should i keep creating content and the

385

00:14:38,710 --> 00:14:36,480

answer is always yes because while you

386

00:14:41,509 --> 00:14:38,720

have one crappy person sending you a bad

387

00:14:44,629 --> 00:14:41,519

message you're having a ton of others

388

00:14:46,710 --> 00:14:44,639

that really appreciate what you post and

389

00:14:49,110 --> 00:14:46,720

that's for all fields not just our field

390

00:14:51,350 --> 00:14:49,120

but even let's say sports for example or

391

00:14:53,509 --> 00:14:51,360

or a fashion blog there's always going

392

00:14:55,430 --> 00:14:53,519

to be a bigger handful of people that

393

00:14:57,110 --> 00:14:55,440

are appreciating what you're doing and

394

00:15:00,310 --> 00:14:57,120

what they don't know is the behind the

395

00:15:03,110 --> 00:15:00,320

scenes we know as podcasters as those

396

00:15:05,590 --> 00:15:03,120

creating content how much work goes into

397

00:15:08,389 --> 00:15:05,600

it how many hours how much dedication

398

00:15:11,189 --> 00:15:08,399

and how much sacrifice you need to put

399

00:15:12,870 --> 00:15:11,199

into it and so when we hear those

400

00:15:15,189 --> 00:15:12,880

comments from time to time it's like

401
00:15:17,509 --> 00:15:15,199
obviously they don't understand this is

402
00:15:19,030 --> 00:15:17,519
like practically a full-time job without

403
00:15:19,990 --> 00:15:19,040
the full-time pay

404
00:15:21,430 --> 00:15:20,000
okay

405
00:15:23,269 --> 00:15:21,440
totally

406
00:15:25,430 --> 00:15:23,279
but at the end of the day

407
00:15:27,670 --> 00:15:25,440
we understand our worth we understand

408
00:15:30,389 --> 00:15:27,680
that for us it's worth it that we're

409
00:15:32,389 --> 00:15:30,399
helping not only ourselves but others

410
00:15:34,069 --> 00:15:32,399
who have the same questions and they're

411
00:15:35,110 --> 00:15:34,079
looking for answers and that's what it's

412
00:15:37,670 --> 00:15:35,120
all about

413
00:15:39,829 --> 00:15:37,680

yeah absolutely totally agree

414

00:15:42,550 --> 00:15:39,839

um going back to what you were saying a

415

00:15:43,990 --> 00:15:42,560

little bit before about you know

416

00:15:45,110 --> 00:15:44,000

how we were talking a little bit about

417

00:15:46,389 --> 00:15:45,120

how to like kind of get people's

418

00:15:47,670 --> 00:15:46,399

attention you know in this world we're

419

00:15:49,350 --> 00:15:47,680

all addicted to our phones and we're

420

00:15:50,870 --> 00:15:49,360

thinking about you know how many likes

421

00:15:53,430 --> 00:15:50,880

we got and all of that you know how do

422

00:15:55,269 --> 00:15:53,440

we kind of wake people up to this which

423

00:15:57,509 --> 00:15:55,279

i think when people do wake up to it you

424

00:16:00,389 --> 00:15:57,519

get kind of obsessed right it's because

425

00:16:02,550 --> 00:16:00,399

it's so interesting and so i think that

426

00:16:03,910 --> 00:16:02,560

you know it's

427

00:16:05,350 --> 00:16:03,920

something that i love about you know the

428

00:16:07,590 --> 00:16:05,360

work that you do is like you definitely

429

00:16:09,590 --> 00:16:07,600

do the you know the more hardcore

430

00:16:10,870 --> 00:16:09,600

research you talk to very serious people

431

00:16:12,230 --> 00:16:10,880

like you've got your pulse on what's

432

00:16:14,230 --> 00:16:12,240

going on you know within the government

433

00:16:16,710 --> 00:16:14,240

with with disclosure but you're not

434

00:16:18,389 --> 00:16:16,720

afraid to also do episodes that are like

435

00:16:20,230 --> 00:16:18,399

look at this cool thing that may or may

436

00:16:22,629 --> 00:16:20,240

not be true we don't know let's talk

437

00:16:24,150 --> 00:16:22,639

about it you know and and so i think

438

00:16:27,030 --> 00:16:24,160

that that's a really valuable

439

00:16:29,350 --> 00:16:27,040

tool so i'm wondering like what has been

440

00:16:30,790 --> 00:16:29,360

what has been exciting you lately like

441

00:16:32,949 --> 00:16:30,800

what have you been looking at either

442

00:16:34,629 --> 00:16:32,959

just for fun or that you've you know

443

00:16:36,470 --> 00:16:34,639

something that that's kind of stuck out

444

00:16:39,030 --> 00:16:36,480

to you that's making you excited right

445

00:16:42,949 --> 00:16:39,829

any

446

00:16:45,189 --> 00:16:42,959

case that i cover specifically for

447

00:16:47,670 --> 00:16:45,199

mysteries with the history it really

448

00:16:50,150 --> 00:16:47,680

takes me out of my comfort zone of like

449

00:16:51,990 --> 00:16:50,160

the ufo phenomena and making me look at

450

00:16:53,749 --> 00:16:52,000

a bunch of other different things i mean

451
00:16:57,509 --> 00:16:53,759
for example last week was the whole

452
00:16:59,990 --> 00:16:57,519
state of alaska and i had no idea how

453
00:17:02,230 --> 00:17:00,000
much was going on there you're having

454
00:17:03,509 --> 00:17:02,240
ufos you're having portals you're having

455
00:17:05,270 --> 00:17:03,519
cryptids

456
00:17:07,029 --> 00:17:05,280
and you're having these weird weather

457
00:17:09,110 --> 00:17:07,039
anomalies as well that just kind of

458
00:17:10,390 --> 00:17:09,120
don't fit the environment

459
00:17:12,710 --> 00:17:10,400
and

460
00:17:14,549 --> 00:17:12,720
with these types of topics it allows me

461
00:17:17,110 --> 00:17:14,559
to zone in

462
00:17:19,350 --> 00:17:17,120
on a specific thing that i want to look

463
00:17:21,270 --> 00:17:19,360

at because in research

464

00:17:22,949 --> 00:17:21,280

and i know that you're also a researcher

465

00:17:24,789 --> 00:17:22,959

you can easily get distracted you can

466

00:17:26,789 --> 00:17:24,799

easily follow a different path and it

467

00:17:29,510 --> 00:17:26,799

takes you somewhere else and you you do

468

00:17:31,750 --> 00:17:29,520

a 180 and you're like okay so this one

469

00:17:34,150 --> 00:17:31,760

and then you lose yourself and what

470

00:17:36,630 --> 00:17:34,160

you're originally searching for

471

00:17:39,110 --> 00:17:36,640

and while that's not necessarily a bad

472

00:17:41,110 --> 00:17:39,120

thing it's not because you're broadening

473

00:17:43,510 --> 00:17:41,120

your horizons

474

00:17:45,750 --> 00:17:43,520

when you are trying to for example

475

00:17:47,190 --> 00:17:45,760

create a show or an article or a book

476
00:17:49,510 --> 00:17:47,200
for instance

477
00:17:51,029 --> 00:17:49,520
it's important to have a very

478
00:17:52,710 --> 00:17:51,039
to have tunnel vision and to know

479
00:17:54,870 --> 00:17:52,720
exactly what you're looking for and if

480
00:17:56,630 --> 00:17:54,880
you do take a detour that you come back

481
00:17:57,590 --> 00:17:56,640
to your main point

482
00:17:58,549 --> 00:17:57,600
so

483
00:18:07,750 --> 00:17:58,559
that

484
00:18:10,390 --> 00:18:07,760
maybe didn't consider for instance for

485
00:18:11,990 --> 00:18:10,400
this upcoming show i'm talking about

486
00:18:13,750 --> 00:18:12,000
life after death

487
00:18:17,190 --> 00:18:13,760
okay talking about near death

488
00:18:18,310 --> 00:18:17,200

experiences and while that does interest

489

00:18:19,190 --> 00:18:18,320

me

490

00:18:25,990 --> 00:18:19,200

it

491

00:18:28,070 --> 00:18:26,000

to spend hours days of research just for

492

00:18:30,470 --> 00:18:28,080

just for the heck of it now that i have

493

00:18:33,110 --> 00:18:30,480

a purpose right to create a show and and

494

00:18:36,070 --> 00:18:33,120

to help other people understand it it

495

00:18:38,710 --> 00:18:36,080

makes it a lot easier to do my research

496

00:18:41,190 --> 00:18:38,720

and know where to look

497

00:18:43,350 --> 00:18:41,200

i totally agree i feel like it's been so

498

00:18:45,350 --> 00:18:43,360

um helpful for me

499

00:18:47,669 --> 00:18:45,360

doing my show just because i think it's

500

00:18:49,270 --> 00:18:47,679

so easy to just sort of like read an

501
00:18:51,029 --> 00:18:49,280
article somewhere and you've just got

502
00:18:52,310 --> 00:18:51,039
this piece of like information in your

503
00:18:53,669 --> 00:18:52,320
head but you didn't really check it out

504
00:18:56,789 --> 00:18:53,679
you don't really know for sure if it's

505
00:18:58,630 --> 00:18:56,799
legit and like i think that having to go

506
00:19:00,230 --> 00:18:58,640
back and like check my sources and

507
00:19:02,390 --> 00:19:00,240
double check things and say can i

508
00:19:04,710 --> 00:19:02,400
commemorate this does you know that sort

509
00:19:06,710 --> 00:19:04,720
of thing uh has been really clarifying

510
00:19:09,270 --> 00:19:06,720
for me which i think is you know part of

511
00:19:11,510 --> 00:19:09,280
the fun honestly i feel like i do

512
00:19:13,270 --> 00:19:11,520
it for anybody else

513
00:19:15,590 --> 00:19:13,280

well because in a sense you're kind of

514

00:19:18,070 --> 00:19:15,600

like a secret agent re you're right you

515

00:19:20,870 --> 00:19:18,080

really need to verify your sources and

516

00:19:22,390 --> 00:19:20,880

of course sometimes we all make mistakes

517

00:19:25,750 --> 00:19:22,400

sometimes without that a source was a

518

00:19:28,470 --> 00:19:25,760

good one and it wasn't it happens it's

519

00:19:30,789 --> 00:19:28,480

normal and with the work that we do in

520

00:19:32,630 --> 00:19:30,799

the era that we're in with the internet

521

00:19:35,270 --> 00:19:32,640

it is difficult to decipher

522

00:19:37,110 --> 00:19:35,280

disinformation from truth so i think

523

00:19:39,669 --> 00:19:37,120

that's also important to mention when we

524

00:19:41,990 --> 00:19:39,679

talk to our audience is to clarify

525

00:19:43,830 --> 00:19:42,000

saying look we're not experts

526
00:19:45,909 --> 00:19:43,840
we're doing this because we love it not

527
00:19:49,110 --> 00:19:45,919
because we have to

528
00:19:51,430 --> 00:19:49,120
and i i think i think that is

529
00:19:52,630 --> 00:19:51,440
is always important to mention and when

530
00:19:54,630 --> 00:19:52,640
it comes to

531
00:19:56,870 --> 00:19:54,640
verifying sources

532
00:19:59,750 --> 00:19:56,880
it's good to have several different

533
00:20:01,750 --> 00:19:59,760
what it's called like out um

534
00:20:04,070 --> 00:20:01,760
other sources to make sure that that

535
00:20:05,430 --> 00:20:04,080
first one that you looked at was a good

536
00:20:07,510 --> 00:20:05,440
source to do

537
00:20:09,430 --> 00:20:07,520
because people are always asking where'd

538
00:20:11,830 --> 00:20:09,440

you get that is that sourced or that you

539

00:20:14,950 --> 00:20:11,840

just read the headline and it's like

540

00:20:17,270 --> 00:20:14,960

no a lot of work goes into what we do

541

00:20:19,190 --> 00:20:17,280

and people just don't get it until they

542

00:20:20,789 --> 00:20:19,200

do it themselves

543

00:20:22,470 --> 00:20:20,799

yeah absolutely

544

00:20:25,110 --> 00:20:22,480

absolutely well switching gears just a

545

00:20:27,750 --> 00:20:25,120

little bit um i know that uh lou

546

00:20:29,430 --> 00:20:27,760

elizondo has been a big advocate of your

547

00:20:31,270 --> 00:20:29,440

work you know he calls you a friend that

548

00:20:32,950 --> 00:20:31,280

must be very affirming for the work that

549

00:20:34,950 --> 00:20:32,960

you're doing you know to have that that

550

00:20:37,110 --> 00:20:34,960

vote of confidence but i'm just so

551
00:20:39,110 --> 00:20:37,120
curious to know you know maybe what

552
00:20:41,190 --> 00:20:39,120
you've what you've learned from him

553
00:20:42,710 --> 00:20:41,200
whether it be about the ufo phenomenon

554
00:20:46,230 --> 00:20:42,720
or even just about like navigating

555
00:20:49,270 --> 00:20:46,240
within this like crazy ufo community

556
00:20:52,230 --> 00:20:49,280
so he was one of the very first people i

557
00:20:53,590 --> 00:20:52,240
ever interviewed that's crazy and it it

558
00:20:56,070 --> 00:20:53,600
was i'm actually i'm gonna tell you a

559
00:20:58,789 --> 00:20:56,080
story i've never told this story

560
00:21:01,590 --> 00:20:58,799
okay so what happened was i have i was

561
00:21:04,230 --> 00:21:01,600
just hired by the debrief

562
00:21:05,190 --> 00:21:04,240
run by tim mcmillan mj banayas and micah

563
00:21:08,710 --> 00:21:05,200

hanks

564

00:21:11,350 --> 00:21:08,720

and my job was to be the ufo girl like i

565

00:21:13,750 --> 00:21:11,360

meant to kind of really cover ufo news

566

00:21:15,510 --> 00:21:13,760

interview ufo researchers or enthusiasts

567

00:21:16,630 --> 00:21:15,520

or those involved in the topic and go

568

00:21:18,310 --> 00:21:16,640

from there

569

00:21:19,990 --> 00:21:18,320

so he was actually the second person i

570

00:21:21,990 --> 00:21:20,000

ever interviewed i i should correct that

571

00:21:25,110 --> 00:21:22,000

he was a second person but the first

572

00:21:27,029 --> 00:21:25,120

person that had a really really high

573

00:21:28,070 --> 00:21:27,039

profile

574

00:21:30,390 --> 00:21:28,080

and

575

00:21:32,549 --> 00:21:30,400

i didn't know how to stream i didn't

576

00:21:35,110 --> 00:21:32,559

know how to podcast i didn't have any of

577

00:21:37,190 --> 00:21:35,120

the fancy equipment like i do today this

578

00:21:40,149 --> 00:21:37,200

is probably like a year ago now

579

00:21:42,470 --> 00:21:40,159

and uh i was able to get his um contact

580

00:21:46,630 --> 00:21:42,480

information and i call him and i said hi

581

00:21:48,310 --> 00:21:46,640

mr uh elizondo like how how how are you

582

00:21:50,070 --> 00:21:48,320

he's like hey

583

00:21:51,750 --> 00:21:50,080

christina gomez i'm great how are you

584

00:21:53,750 --> 00:21:51,760

and i'm like oh my gosh you know my name

585

00:21:55,270 --> 00:21:53,760

like it instantly faint i i instantly

586

00:21:58,710 --> 00:21:55,280

fainted right there

587

00:22:01,750 --> 00:21:58,720

because i i had seen i had seen this

588

00:22:03,669 --> 00:22:01,760

person as a person on television i knew

589

00:22:05,830 --> 00:22:03,679

that the work that he was doing he

590

00:22:08,549 --> 00:22:05,840

at this time already been somewhat

591

00:22:10,390 --> 00:22:08,559

established after coming out of atip

592

00:22:11,110 --> 00:22:10,400

and

593

00:23:07,029 --> 00:22:11,120

i

594

00:23:09,750 --> 00:23:07,039

and

595

00:23:10,710 --> 00:23:09,760

i had to give this poor man three zoom

596

00:23:12,950 --> 00:23:10,720

links

597

00:23:15,270 --> 00:23:12,960

one after the other because this

598

00:23:17,669 --> 00:23:15,280

interview ended up being three hours

599

00:23:21,590 --> 00:23:17,679

long because i didn't put in my contacts

600

00:23:28,390 --> 00:23:25,270

and this this this poor man just

601
00:23:31,029 --> 00:23:28,400
he respected me even though i was not

602
00:23:33,909 --> 00:23:31,039
fully professional i didn't really know

603
00:23:36,470 --> 00:23:33,919
how to handle the situation

604
00:23:38,549 --> 00:23:36,480
and from that moment on we became

605
00:23:40,710 --> 00:23:38,559
friends after that like he he is someone

606
00:23:43,590 --> 00:23:40,720
that i respect and i know i know there's

607
00:23:45,190 --> 00:23:43,600
a lot of controversy what con

608
00:23:46,870 --> 00:23:45,200
there's a lot when it comes to him

609
00:23:49,510 --> 00:23:46,880
you're a part of two camps either you

610
00:23:52,310 --> 00:23:49,520
believe him or you don't and when it

611
00:23:55,269 --> 00:23:52,320
comes to myself it's not a matter of

612
00:23:57,350 --> 00:23:55,279
belief it's a matter of what information

613
00:23:59,830 --> 00:23:57,360

he brings to the table but also the

614

00:24:03,029 --> 00:23:59,840

respect that he has for every single

615

00:24:05,510 --> 00:24:03,039

person that he speaks to i have almost

616

00:24:07,269 --> 00:24:05,520

never i'm going to say that almost never

617

00:24:09,190 --> 00:24:07,279

seen an interview where he was

618

00:24:11,269 --> 00:24:09,200

disrespectful to anyone even if they

619

00:24:12,630 --> 00:24:11,279

were placing him in a corner really

620

00:24:14,630 --> 00:24:12,640

trying to

621

00:24:16,310 --> 00:24:14,640

force him to give answers even though

622

00:24:18,710 --> 00:24:16,320

he's under an nda and if he breaks those

623

00:24:20,470 --> 00:24:18,720

ndas he will go to prison and then we

624

00:24:23,510 --> 00:24:20,480

will never see him again

625

00:24:26,230 --> 00:24:23,520

like that is how big that is i don't

626

00:24:27,990 --> 00:24:26,240

think people get that they're like oh he

627

00:24:30,149 --> 00:24:28,000

works for us you know he's part of the

628

00:24:32,549 --> 00:24:30,159

government and he needs to tell us

629

00:24:35,269 --> 00:24:32,559

everything that he knows and while of

630

00:24:37,190 --> 00:24:35,279

course we all want that absolutely we

631

00:24:40,070 --> 00:24:37,200

want to know what he's seen what he's

632

00:24:42,870 --> 00:24:40,080

gone through that he can't tell us yet

633

00:24:45,269 --> 00:24:42,880

because he signed an nda

634

00:24:46,470 --> 00:24:45,279

he simply cannot or we would we just

635

00:24:48,630 --> 00:24:46,480

won't see him

636

00:24:51,909 --> 00:24:48,640

again and when it comes to the ufo

637

00:24:54,310 --> 00:24:51,919

community for years they've been begging

638

00:24:56,149 --> 00:24:54,320

they've been begging for someone inside

639

00:24:58,830 --> 00:24:56,159

of the military inside of the government

640

00:25:01,430 --> 00:24:58,840

to come to the ufo community and to give

641

00:25:03,190 --> 00:25:01,440

breadcrumbs we got one and they're like

642

00:25:05,430 --> 00:25:03,200

nah he's not good enough no no he's fake

643

00:25:07,430 --> 00:25:05,440

now we we don't like him and then you

644

00:25:10,630 --> 00:25:07,440

have the other camp that says we've been

645

00:25:12,870 --> 00:25:10,640

asking for this and we're so grateful

646

00:25:15,830 --> 00:25:12,880

no matter what information he gives and

647

00:25:18,870 --> 00:25:15,840

that's not just him but anyone anyone

648

00:25:20,870 --> 00:25:18,880

that has a steady platform

649

00:25:22,710 --> 00:25:20,880

no matter how much information you give

650

00:25:25,430 --> 00:25:22,720

no matter how respectful no matter how

651
00:25:27,830 --> 00:25:25,440
loyal no matter how great you may be at

652
00:25:29,669 --> 00:25:27,840
your job or even as a researcher there's

653
00:25:31,110 --> 00:25:29,679
always going to be a handful of people

654
00:25:32,470 --> 00:25:31,120
that don't like what you're doing and

655
00:25:34,950 --> 00:25:32,480
that are going to try to pull you

656
00:25:36,549 --> 00:25:34,960
through the mud and make you look bad

657
00:25:38,789 --> 00:25:36,559
even if you even if you do a hiccup

658
00:25:40,149 --> 00:25:38,799
you're like like oh this person is is

659
00:25:42,149 --> 00:25:40,159
sick and they're going to give you

660
00:25:43,430 --> 00:25:42,159
they're going to spread that disease for

661
00:25:45,029 --> 00:25:43,440
instance which is

662
00:25:46,630 --> 00:25:45,039
a very

663
00:25:47,350 --> 00:25:46,640

which is not true i just want to make

664

00:25:48,950 --> 00:25:47,360

that

665

00:25:52,149 --> 00:25:48,960

just an example

666

00:25:54,149 --> 00:25:52,159

and and so when when it comes to lou he

667

00:25:56,549 --> 00:25:54,159

is someone that has

668

00:25:59,110 --> 00:25:56,559

been through fire and back over and over

669

00:26:02,149 --> 00:25:59,120

and over again yet he's still pushing

670

00:26:04,310 --> 00:26:02,159

forward and that that shows

671

00:26:06,149 --> 00:26:04,320

what kind of person he is i don't think

672

00:26:08,149 --> 00:26:06,159

anyone else could go through what he's

673

00:26:09,669 --> 00:26:08,159

gone through with the ufo community

674

00:26:11,590 --> 00:26:09,679

alone

675

00:26:13,430 --> 00:26:11,600

right and on top of that who couldn't

676
00:26:14,870 --> 00:26:13,440
even imagine what he's dealing with from

677
00:26:16,950 --> 00:26:14,880
the pentagon and

678
00:26:18,470 --> 00:26:16,960
who well who knows where else well thank

679
00:26:20,630 --> 00:26:18,480
you so much for sharing that story with

680
00:26:21,510 --> 00:26:20,640
me i am honored that you told up here

681
00:26:24,630 --> 00:26:21,520
first

682
00:26:26,070 --> 00:26:24,640
um and i completely agree with you i i

683
00:26:29,430 --> 00:26:26,080
being very honest the reason i'm doing

684
00:26:32,070 --> 00:26:29,440
this is lou elizondo because i feel like

685
00:26:34,149 --> 00:26:32,080
i got very into ufos about a year ago

686
00:26:35,990 --> 00:26:34,159
got obsessed you know kind of very

687
00:26:39,190 --> 00:26:36,000
much the same way that you did

688
00:26:41,990 --> 00:26:39,200

um but the way that he conducts himself

689

00:26:44,549 --> 00:26:42,000

was such an inspiration to me because it

690

00:26:46,950 --> 00:26:44,559

felt like a call to action

691

00:26:49,269 --> 00:26:46,960

in terms of like this is what it means

692

00:26:51,830 --> 00:26:49,279

to live with integrity and this is what

693

00:26:53,590 --> 00:26:51,840

it means to back up what you believe and

694

00:26:56,230 --> 00:26:53,600

to like put yourself on the line for

695

00:26:58,630 --> 00:26:56,240

what you believe in i can't do uh you

696

00:27:01,110 --> 00:26:58,640

know one tenth of one percent of what

697

00:27:03,510 --> 00:27:01,120

he's doing but like like i feel like i

698

00:27:05,430 --> 00:27:03,520

can do my little part you know and

699

00:27:07,510 --> 00:27:05,440

so i'm that's a lovely story thank you

700

00:27:09,110 --> 00:27:07,520

for sharing it with us

701
00:27:10,950 --> 00:27:09,120
and that's all that matters it's it's

702
00:27:13,669 --> 00:27:10,960
having that sense of purpose knowing

703
00:27:17,190 --> 00:27:13,679
that you can just do that little bit and

704
00:27:19,669 --> 00:27:17,200
the fact that he inspires is i i think i

705
00:27:22,070 --> 00:27:19,679
think a big reason to why he does this

706
00:27:23,669 --> 00:27:22,080
what he did tell me because when i had

707
00:27:26,149 --> 00:27:23,679
first met him he was like he was a big

708
00:27:27,909 --> 00:27:26,159
deal to me and he said

709
00:27:29,830 --> 00:27:27,919
don't meet your heroes christina you'll

710
00:27:31,990 --> 00:27:29,840
always be disappointed

711
00:27:33,350 --> 00:27:32,000
because when you look at these people

712
00:27:34,789 --> 00:27:33,360
like from far away for example

713
00:27:36,710 --> 00:27:34,799

celebrities okay

714

00:27:38,950 --> 00:27:36,720

uh we think of them as being this

715

00:27:40,549 --> 00:27:38,960

amazing like god-like creature and you

716

00:27:42,310 --> 00:27:40,559

could never interact with them and then

717

00:27:44,870 --> 00:27:42,320

you meet them and they're just very

718

00:27:47,510 --> 00:27:44,880

normal people they're very normal and

719

00:27:48,549 --> 00:27:47,520

then your your ideology of them changes

720

00:27:51,029 --> 00:27:48,559

they're like oh they're just they're

721

00:27:53,029 --> 00:27:51,039

just people like this is boring so he

722

00:27:55,029 --> 00:27:53,039

had told me from the very beginning

723

00:27:57,590 --> 00:27:55,039

don't you don't want to meet your heroes

724

00:27:59,750 --> 00:27:57,600

or just don't have heroes and it'll be

725

00:28:02,950 --> 00:27:59,760

better like that and honestly that

726

00:28:04,789 --> 00:28:02,960

advice has helped me a lot through

727

00:28:07,350 --> 00:28:04,799

throughout the way because

728

00:28:08,870 --> 00:28:07,360

i won't lie i mean i in my opinion i

729

00:28:11,190 --> 00:28:08,880

think i've interviewed some pretty high

730

00:28:13,350 --> 00:28:11,200

profile people and in a short time frame

731

00:28:14,830 --> 00:28:13,360

and there were some that i was so i was

732

00:28:17,909 --> 00:28:14,840

so

733

00:28:20,149 --> 00:28:17,919

gut-wrenchingly nervous it showed on

734

00:28:23,269 --> 00:28:20,159

camera it showed through through the way

735

00:28:25,029 --> 00:28:23,279

i spoke because i had i had looked up to

736

00:28:26,389 --> 00:28:25,039

these people and then at the end of the

737

00:28:28,870 --> 00:28:26,399

interview i'm just like why was i

738

00:28:30,549 --> 00:28:28,880

nervous these guys are so normal they're

739

00:28:33,830 --> 00:28:30,559

so nice

740

00:28:35,430 --> 00:28:33,840

and um throughout time i've i've really

741

00:28:36,950 --> 00:28:35,440

taken that

742

00:28:38,710 --> 00:28:36,960

what he said to heart

743

00:28:41,590 --> 00:28:38,720

of just just don't see them just see

744

00:28:44,149 --> 00:28:41,600

them as people and it it's made

745

00:28:45,669 --> 00:28:44,159

my interactions a lot smoother than i

746

00:28:48,310 --> 00:28:45,679

could have expected

747

00:28:50,710 --> 00:28:48,320

that's awesome that's great advice

748

00:28:52,870 --> 00:28:50,720

um let me see here so obviously

749

00:28:54,710 --> 00:28:52,880

switching gears again um there's been

750

00:28:56,310 --> 00:28:54,720

sort of an unprecedented level of

751
00:28:58,149 --> 00:28:56,320
acknowledgement and movement within the

752
00:28:59,990 --> 00:28:58,159
government over the last few years

753
00:29:02,310 --> 00:29:00,000
regarding uaps

754
00:29:04,310 --> 00:29:02,320
um i know that you monitor all of this

755
00:29:06,950 --> 00:29:04,320
very closely and i would just love to

756
00:29:08,310 --> 00:29:06,960
hear i mean i know it's pure speculation

757
00:29:10,470 --> 00:29:08,320
on everyone's part at this point but if

758
00:29:12,070 --> 00:29:10,480
you add your crystal ball kind of where

759
00:29:13,510 --> 00:29:12,080
do you think we're going to be like in

760
00:29:14,630 --> 00:29:13,520
five years with this do you think that

761
00:29:16,230 --> 00:29:14,640
we're going to be to the point where

762
00:29:17,190 --> 00:29:16,240
we've reached that paradigm shift where

763
00:29:20,470 --> 00:29:17,200

people

764

00:29:21,750 --> 00:29:20,480

this or understanding of this or do you

765

00:29:24,549 --> 00:29:21,760

think that we've got kind of a longer

766

00:29:27,350 --> 00:29:24,559

road ahead of us than that

767

00:29:29,669 --> 00:29:27,360

i want to say hopefully in five years i

768

00:29:31,029 --> 00:29:29,679

mean look at elon musk in 2024 he wants

769

00:29:33,669 --> 00:29:31,039

to get the people he wants to get people

770

00:29:35,909 --> 00:29:33,679

on mars okay that's in two years that's

771

00:29:38,310 --> 00:29:35,919

a that's a tall order to fill but if

772

00:29:40,310 --> 00:29:38,320

you're able to really plant people on a

773

00:29:42,389 --> 00:29:40,320

planet not just not just on a moon but

774

00:29:45,269 --> 00:29:42,399

on another planet

775

00:29:48,070 --> 00:29:45,279

you have to ask these questions are

776

00:29:50,549 --> 00:29:48,080

there other intelligent life forms in

777

00:29:53,110 --> 00:29:50,559

our universe in our galaxy or maybe even

778

00:29:56,470 --> 00:29:53,120

in our solar system

779

00:29:59,510 --> 00:29:56,480

we have to have these types of questions

780

00:30:01,350 --> 00:29:59,520

if people weren't curious if

781

00:30:03,029 --> 00:30:01,360

people didn't think outside of the box

782

00:30:04,070 --> 00:30:03,039

we wouldn't have the internet we

783

00:30:06,070 --> 00:30:04,080

wouldn't be able to have this

784

00:30:08,230 --> 00:30:06,080

conversation hundreds if not thousands

785

00:30:10,470 --> 00:30:08,240

of miles away from each other we

786

00:30:14,070 --> 00:30:10,480

wouldn't be able to have rocket ships or

787

00:30:16,549 --> 00:30:14,080

even regular ships to travel the ocean

788

00:30:18,389 --> 00:30:16,559

if there wasn't any curiosity we would

789

00:30:21,190 --> 00:30:18,399

not have what we have today we would

790

00:30:23,830 --> 00:30:21,200

still be back as being cavemen and using

791

00:30:26,070 --> 00:30:23,840

rocks and and bones and sticks

792

00:30:28,710 --> 00:30:26,080

to go through life i don't want that i'm

793

00:30:31,830 --> 00:30:28,720

sorry that is not for me i like to have

794

00:30:34,230 --> 00:30:31,840

my cup of coffee i like some ice cream

795

00:30:35,990 --> 00:30:34,240

and that that takes certain equipment to

796

00:30:37,750 --> 00:30:36,000

do

797

00:30:40,070 --> 00:30:37,760

so

798

00:30:41,990 --> 00:30:40,080

what do i want to see in five years i

799

00:30:44,870 --> 00:30:42,000

want this topic to be mainstream in the

800

00:30:46,630 --> 00:30:44,880

last year right before several months

801
00:30:50,549 --> 00:30:46,640
before the

802
00:30:53,990 --> 00:30:50,559
uap preliminary report was released you

803
00:30:57,350 --> 00:30:54,000
had news outlets your mainstream news

804
00:31:00,470 --> 00:30:57,360
outlets having conversations about ufos

805
00:31:03,029 --> 00:31:00,480
and even aliens every single day you had

806
00:31:05,190 --> 00:31:03,039
panelists you even had debates

807
00:31:07,669 --> 00:31:05,200
with researchers with scientists and

808
00:31:09,669 --> 00:31:07,679
with skeptics and that's great i think

809
00:31:12,149 --> 00:31:09,679
we need to have all of those people in

810
00:31:14,230 --> 00:31:12,159
this conversation i think we definitely

811
00:31:15,909 --> 00:31:14,240
need to have skeptics in the field

812
00:31:17,430 --> 00:31:15,919
because they make you think outside of

813
00:31:19,909 --> 00:31:17,440

the box if you don't have an answer

814

00:31:22,870 --> 00:31:19,919

being like if you're jumping on faith

815

00:31:24,630 --> 00:31:22,880

alone or just anecdotal accounts alone

816

00:31:25,590 --> 00:31:24,640

of course a skeptic is going to come in

817

00:31:27,990 --> 00:31:25,600

and say where did you get that

818

00:31:30,230 --> 00:31:28,000

information how is that possible

819

00:31:33,350 --> 00:31:30,240

so it's very healthy to have those

820

00:31:35,990 --> 00:31:33,360

people in and of course we always want

821

00:31:38,710 --> 00:31:36,000

scientists involved and we're so lucky

822

00:31:40,149 --> 00:31:38,720

to have avi loeb to be a part of this

823

00:31:41,509 --> 00:31:40,159

community in a sense in a very

824

00:31:44,310 --> 00:31:41,519

roundabout way he's not like really

825

00:31:47,909 --> 00:31:44,320

involved but he's there and he's done

826

00:31:51,269 --> 00:31:47,919

thousands of interviews with all types

827

00:31:53,029 --> 00:31:51,279

of ufo podcasts having conversations

828

00:31:55,029 --> 00:31:53,039

like these and he's and he's pushing for

829

00:31:57,190 --> 00:31:55,039

it he really is an advocate

830

00:32:00,230 --> 00:31:57,200

for getting more scientists to think

831

00:32:02,630 --> 00:32:00,240

outside of the box however he is very

832

00:32:05,110 --> 00:32:02,640

much aware that for the most part

833

00:32:07,830 --> 00:32:05,120

scientists need to be funded and the

834

00:32:11,430 --> 00:32:07,840

people that fund them need to have the

835

00:32:13,190 --> 00:32:11,440

same idea of of what needs to be done

836

00:32:15,430 --> 00:32:13,200

let's say you're you're

837

00:32:17,269 --> 00:32:15,440

another harvard professor scientist and

838

00:32:19,909 --> 00:32:17,279

you need funding you're like yes

839

00:32:22,070 --> 00:32:19,919

aliens are real and they're right here

840

00:32:24,710 --> 00:32:22,080

it's going to be very difficult

841

00:32:27,990 --> 00:32:24,720

for the most part to get some good

842

00:32:29,509 --> 00:32:28,000

sufficient amount of funding by multiple

843

00:32:31,350 --> 00:32:29,519

people

844

00:32:33,029 --> 00:32:31,360

to to go ahead and fund your research

845

00:32:34,870 --> 00:32:33,039

but if you kind of do it in a more

846

00:32:36,870 --> 00:32:34,880

scientific manner if you say look i

847

00:32:40,070 --> 00:32:36,880

really want to build these telescopes to

848

00:32:43,750 --> 00:32:40,080

collect data to then to then from there

849

00:32:46,310 --> 00:32:43,760

bring proof to whatever he wants to do

850

00:32:49,669 --> 00:32:46,320

that makes more sense and you're doing

851

00:32:52,549 --> 00:32:49,679

it in a nice linear way a very

852

00:32:54,630 --> 00:32:52,559

step a step b step c versus saying yep

853

00:32:57,190 --> 00:32:54,640

aliens are here and i want to prove that

854

00:32:58,870 --> 00:32:57,200

there's a big difference so

855

00:33:00,870 --> 00:32:58,880

we need to have more scientists like

856

00:33:03,909 --> 00:33:00,880

that and he is the stepping stone he is

857

00:33:07,269 --> 00:33:03,919

inspiring a bunch of other people so i i

858

00:33:09,750 --> 00:33:07,279

think in five years time

859

00:33:11,990 --> 00:33:09,760

this conversation might be more

860

00:33:12,950 --> 00:33:12,000

mainstream while it's still being talked

861

00:33:16,230 --> 00:33:12,960

about

862

00:33:18,310 --> 00:33:16,240

more people are still kind of shy to to

863

00:33:20,630 --> 00:33:18,320

really get serious about it but if i

864

00:33:22,310 --> 00:33:20,640

walk through let's say campus or let's

865

00:33:25,590 --> 00:33:22,320

say even just like a

866

00:33:28,149 --> 00:33:25,600

a crowded area i see at least one i see

867

00:33:29,750 --> 00:33:28,159

at least one person with an alien tattoo

868

00:33:31,750 --> 00:33:29,760

i always look

869

00:33:35,430 --> 00:33:31,760

i'm always looking for just something

870

00:33:36,710 --> 00:33:35,440

that stands out to me being like so

871

00:33:39,830 --> 00:33:36,720

aliens right

872

00:33:41,830 --> 00:33:39,840

and um i think i think the fact that

873

00:33:44,630 --> 00:33:41,840

these people are are inking something

874

00:33:46,630 --> 00:33:44,640

for the rest of their life of a symbol

875

00:33:48,230 --> 00:33:46,640

of an alien or something you know

876

00:33:51,190 --> 00:33:48,240

pertaining to that

877

00:33:53,590 --> 00:33:51,200

is is showing the mentality that this is

878

00:33:55,190 --> 00:33:53,600

just being more accepted if you got a

879

00:33:56,310 --> 00:33:55,200

tattoo that wasn't accepted i'm not

880

00:33:58,389 --> 00:33:56,320

going to get into detail but you can

881

00:34:00,789 --> 00:33:58,399

kind of imagine what i'm getting at

882

00:34:02,070 --> 00:34:00,799

if you get a tattoo that is not accepted

883

00:34:04,470 --> 00:34:02,080

you're going to get ridiculed you might

884

00:34:06,389 --> 00:34:04,480

even get beat up for it and nobody wants

885

00:34:08,950 --> 00:34:06,399

that we all want to be accepted that's

886

00:34:12,310 --> 00:34:08,960

part of our our innate survival

887

00:34:14,389 --> 00:34:12,320

instincts we want to be accepted

888

00:34:16,790 --> 00:34:14,399

otherwise if we're left outside of that

889

00:34:18,389 --> 00:34:16,800

clan that group we will die

890

00:34:20,149 --> 00:34:18,399

that's not really the case in today's

891

00:34:23,589 --> 00:34:20,159

world but that's kind of the very

892

00:34:24,550 --> 00:34:23,599

primitive instinct that we have

893

00:34:26,310 --> 00:34:24,560

so

894

00:34:28,389 --> 00:34:26,320

in five years time

895

00:34:29,750 --> 00:34:28,399

i hope and i think that this

896

00:34:31,190 --> 00:34:29,760

conversation will be a lot more

897

00:34:34,710 --> 00:34:31,200

mainstream and then people are going to

898

00:34:37,030 --> 00:34:34,720

be coming to our podcasts our shows our

899

00:34:39,430 --> 00:34:37,040

articles that we write

900

00:34:41,669 --> 00:34:39,440

to to really feed in that hunger that

901
00:34:43,109 --> 00:34:41,679
maybe the mainstream media is falling

902
00:34:45,030 --> 00:34:43,119
short on

903
00:34:46,950 --> 00:34:45,040
yeah absolutely i think that's a great

904
00:34:49,669 --> 00:34:46,960
point that you brought up about um

905
00:34:51,430 --> 00:34:49,679
funding for scientific research into all

906
00:34:52,950 --> 00:34:51,440
of this i think that you know there's a

907
00:34:54,310 --> 00:34:52,960
lot of people who are under the

908
00:34:55,909 --> 00:34:54,320
impression that

909
00:34:58,390 --> 00:34:55,919
we've already kind of closed the book on

910
00:35:00,630 --> 00:34:58,400
many things everything from ufos to you

911
00:35:02,790 --> 00:35:00,640
know psychics and all of everything in

912
00:35:05,349 --> 00:35:02,800
between and that actually i don't know

913
00:35:08,230 --> 00:35:05,359

if you got a chance to listen yet to um

914

00:35:10,470 --> 00:35:08,240

gary nolan on uh theories of everything

915

00:35:12,950 --> 00:35:10,480

yesterday but he was talking about

916

00:35:15,270 --> 00:35:12,960

that exact problem about you know he's

917

00:35:17,030 --> 00:35:15,280

funding a lot of his own research some

918

00:35:18,950 --> 00:35:17,040

of the most important work that's being

919

00:35:21,349 --> 00:35:18,960

done on the planet right now is being

920

00:35:22,550 --> 00:35:21,359

self-funded you know so it's like how i

921

00:35:25,109 --> 00:35:22,560

was just sitting there thinking like how

922

00:35:26,630 --> 00:35:25,119

do we get these guys more money you know

923

00:35:28,069 --> 00:35:26,640

and i don't know the answer to that but

924

00:35:29,990 --> 00:35:28,079

i think that that's something that the

925

00:35:32,950 --> 00:35:30,000

community can really start sinking its

926

00:35:35,829 --> 00:35:32,960

teeth into in the next couple years

927

00:35:38,710 --> 00:35:35,839

because if you don't do the research in

928

00:35:40,230 --> 00:35:38,720

these kind of more simplistic manners

929

00:35:42,390 --> 00:35:40,240

you're not going to understand the

930

00:35:44,790 --> 00:35:42,400

struggles of what happens funding is a

931

00:35:47,109 --> 00:35:44,800

very serious issue and while no one

932

00:35:48,870 --> 00:35:47,119

really likes talking about money and i

933

00:35:51,270 --> 00:35:48,880

respect that

934

00:35:53,510 --> 00:35:51,280

it needs to be talked about especially

935

00:35:55,910 --> 00:35:53,520

if you want to see results if you want

936

00:35:57,750 --> 00:35:55,920

the science community to be involved you

937

00:36:00,310 --> 00:35:57,760

better be some kind of philanthropist

938

00:36:02,950 --> 00:36:00,320

and throw money at them be like hey take

939

00:36:04,950 --> 00:36:02,960

care of this or speak to someone who has

940

00:36:07,589 --> 00:36:04,960

those kinds of funds to take care of it

941

00:36:10,550 --> 00:36:07,599

because if if these philanthropists or

942

00:36:12,790 --> 00:36:10,560

these these funders aren't aware of the

943

00:36:14,550 --> 00:36:12,800

topic why should they fund it there

944

00:36:17,109 --> 00:36:14,560

needs to be a little bit of background

945

00:36:19,109 --> 00:36:17,119

knowledge to get interested so it's kind

946

00:36:21,910 --> 00:36:19,119

of like this vicious cycle there really

947

00:36:25,030 --> 00:36:21,920

is no beginning there's no end it's just

948

00:36:27,030 --> 00:36:25,040

kind of like this vicious loop of

949

00:36:30,230 --> 00:36:27,040

how do i start how do i get started and

950

00:36:33,030 --> 00:36:30,240

and how do i make sure it happens

951
00:36:35,910 --> 00:36:33,040
so having these conversations talking

952
00:36:37,990 --> 00:36:35,920
about this every single day

953
00:36:40,390 --> 00:36:38,000
some person at least one person that

954
00:36:42,390 --> 00:36:40,400
wasn't exposed to the topic will be

955
00:36:44,470 --> 00:36:42,400
exposed to the topic because of you

956
00:36:47,190 --> 00:36:44,480
because they found your podcast or

957
00:36:49,829 --> 00:36:47,200
because they found your show and and

958
00:36:51,750 --> 00:36:49,839
that's what we need to do more of get

959
00:36:54,390 --> 00:36:51,760
more people exposed by simply just

960
00:36:57,430 --> 00:36:54,400
creating more content

961
00:36:59,990 --> 00:36:57,440
absolutely amen to that

962
00:37:01,270 --> 00:37:00,000
i wonder if you have an opinion i'm not

963
00:37:02,870 --> 00:37:01,280

sure that i do it's something that i

964

00:37:06,390 --> 00:37:02,880

think about a lot so i'd love to get

965

00:37:07,910 --> 00:37:06,400

your thoughts um on ufo amnesty which

966

00:37:09,750 --> 00:37:07,920

for anyone who's listening who might not

967

00:37:11,430 --> 00:37:09,760

be familiar with that concept it's sort

968

00:37:12,230 --> 00:37:11,440

of the idea that

969

00:37:14,230 --> 00:37:12,240

um

970

00:37:15,750 --> 00:37:14,240

if there are a bunch of secrets that

971

00:37:17,750 --> 00:37:15,760

have been kept by the government over a

972

00:37:20,870 --> 00:37:17,760

long period of time regarding you know

973

00:37:22,710 --> 00:37:20,880

uaps ufos everyone referred to them that

974

00:37:25,670 --> 00:37:22,720

you know perhaps the best way to get

975

00:37:27,109 --> 00:37:25,680

people to be forthcoming would be to

976
00:37:29,190 --> 00:37:27,119
you know say that you won't get punished

977
00:37:31,990 --> 00:37:29,200
if you come forward um but obviously

978
00:37:33,510 --> 00:37:32,000
that's a very complex question because

979
00:37:34,950 --> 00:37:33,520
it's like what

980
00:37:36,790 --> 00:37:34,960
what are we giving them amnesty for

981
00:37:39,030 --> 00:37:36,800
exactly it's hard to know exactly how

982
00:37:40,470 --> 00:37:39,040
deep that rabbit hole goes and what

983
00:37:42,470 --> 00:37:40,480
exactly would we be

984
00:37:44,630 --> 00:37:42,480
excusing people for is it just keeping

985
00:37:46,470 --> 00:37:44,640
secrets or is it more than that so you

986
00:37:48,069 --> 00:37:46,480
know i'd love to know if you have an

987
00:37:49,510 --> 00:37:48,079
opinion or you know how you think about

988
00:37:51,510 --> 00:37:49,520

that

989

00:37:52,470 --> 00:37:51,520

i think in this aspect we need to look

990

00:37:56,630 --> 00:37:52,480

at it

991

00:37:59,030 --> 00:37:56,640

from a child mother aspect

992

00:38:01,030 --> 00:37:59,040

i i love using children as an example

993

00:38:03,030 --> 00:38:01,040

the child mentality as an example

994

00:38:04,870 --> 00:38:03,040

because i think that a lot of adults

995

00:38:06,470 --> 00:38:04,880

including myself we don't really grow up

996

00:38:07,829 --> 00:38:06,480

we still have that very simplistic

997

00:38:09,349 --> 00:38:07,839

mentality

998

00:38:11,670 --> 00:38:09,359

so

999

00:38:13,829 --> 00:38:11,680

let's say your mom comes up and you do

1000

00:38:15,430 --> 00:38:13,839

something pretty bad maybe you lied

1001
00:38:19,030 --> 00:38:15,440
maybe you took cookies from the cookie

1002
00:38:21,990 --> 00:38:19,040
jar and you blamed it on your dog greg

1003
00:38:23,030 --> 00:38:22,000
okay the mom obviously knows this and

1004
00:38:24,470 --> 00:38:23,040
she says

1005
00:38:26,630 --> 00:38:24,480
look honey

1006
00:38:27,430 --> 00:38:26,640
what really happened and you keep lying

1007
00:38:29,829 --> 00:38:27,440
right

1008
00:38:32,870 --> 00:38:29,839
and the mom says look i won't get mad at

1009
00:38:37,670 --> 00:38:32,880
you if you just tell me the truth i

1010
00:38:39,430 --> 00:38:37,680
won't get bad just tell me okay

1011
00:38:41,190 --> 00:38:39,440
and you already know that's dangerous

1012
00:38:41,990 --> 00:38:41,200
you already know what's gonna happen

1013
00:38:43,510 --> 00:38:42,000

next

1014

00:38:45,349 --> 00:38:43,520

but then you're like

1015

00:38:46,790 --> 00:38:45,359

you're gonna take that leap of faith

1016

00:38:47,829 --> 00:38:46,800

you're gonna believe your mom and you're

1017

00:38:50,150 --> 00:38:47,839

gonna say

1018

00:38:52,069 --> 00:38:50,160

yeah i i took the cookie jars and then

1019

00:38:53,990 --> 00:38:52,079

your mom takes the the sandal and she

1020

00:38:55,910 --> 00:38:54,000

starts hitting you with it okay she's

1021

00:38:57,750 --> 00:38:55,920

like you lied to me and i told you not

1022

00:38:58,870 --> 00:38:57,760

to lie why are you lying now you tell me

1023

00:39:02,310 --> 00:38:58,880

the truth now you're going to be

1024

00:39:05,750 --> 00:39:02,320

punished because you originally lied

1025

00:39:07,670 --> 00:39:05,760

well now that you know that kind of

1026

00:39:09,190 --> 00:39:07,680

cycle right if you lie you're going to

1027

00:39:10,790 --> 00:39:09,200

get in trouble if you tell the truth

1028

00:39:12,790 --> 00:39:10,800

after you lie you're still going to get

1029

00:39:16,150 --> 00:39:12,800

in trouble so what's the best thing you

1030

00:39:19,349 --> 00:39:16,160

can do keep lying or don't say anything

1031

00:39:21,910 --> 00:39:19,359

at all or don't get caught

1032

00:39:24,790 --> 00:39:21,920

when you look at it from that aspect now

1033

00:39:27,109 --> 00:39:24,800

now we place that idea into government

1034

00:39:28,069 --> 00:39:27,119

standards or or maybe even public

1035

00:39:30,950 --> 00:39:28,079

standards in the amount about the

1036

00:39:33,349 --> 00:39:30,960

government just like publicly

1037

00:39:35,589 --> 00:39:33,359

the same kind of thing

1038

00:39:37,190 --> 00:39:35,599

happens if you lie you're going to get

1039

00:39:38,710 --> 00:39:37,200

in trouble you might get your license

1040

00:39:40,069 --> 00:39:38,720

revoked you might lose a bunch of

1041

00:39:41,349 --> 00:39:40,079

followers if you're some kind of

1042

00:39:42,550 --> 00:39:41,359

influencer

1043

00:39:44,870 --> 00:39:42,560

if you

1044

00:39:47,109 --> 00:39:44,880

lie and then tell the truth people are

1045

00:39:48,790 --> 00:39:47,119

gonna start stop believing in you

1046

00:39:50,950 --> 00:39:48,800

they're gonna they're gonna punish you

1047

00:39:53,270 --> 00:39:50,960

in some way they might again revoke your

1048

00:39:54,790 --> 00:39:53,280

license if you're some kind of

1049

00:39:57,990 --> 00:39:54,800

doctor scientist or something that needs

1050

00:39:59,829 --> 00:39:58,000

a license so no matter what you do

1051
00:40:01,510 --> 00:39:59,839
you're there's going to be some kind of

1052
00:40:03,670 --> 00:40:01,520
penalty there's going to be some kind of

1053
00:40:06,230 --> 00:40:03,680
consequence but if you keep lying and

1054
00:40:07,589 --> 00:40:06,240
you're not caught on that lie

1055
00:40:09,670 --> 00:40:07,599
you're going to make it for a few more

1056
00:40:10,950 --> 00:40:09,680
years until at one point they're going

1057
00:40:13,589 --> 00:40:10,960
to find out

1058
00:40:15,990 --> 00:40:13,599
so when it comes to this and let let's

1059
00:40:18,790 --> 00:40:16,000
look at this now at a government aspect

1060
00:40:20,710 --> 00:40:18,800
where for 70 plus years they said no no

1061
00:40:22,150 --> 00:40:20,720
we don't study ufos we don't really care

1062
00:40:23,510 --> 00:40:22,160
we don't have the time we don't have the

1063
00:40:27,270 --> 00:40:23,520

funds for it

1064

00:40:29,190 --> 00:40:27,280

then we found out atip in 2017 and we're

1065

00:40:30,870 --> 00:40:29,200

like hmm you just told me that you

1066

00:40:32,790 --> 00:40:30,880

weren't interested but

1067

00:40:35,030 --> 00:40:32,800

you were interested these last few years

1068

00:40:36,150 --> 00:40:35,040

and you put that much money 22 million

1069

00:40:38,069 --> 00:40:36,160

dollars and you're saying that you don't

1070

00:40:39,270 --> 00:40:38,079

have the funds for it after project blue

1071

00:40:41,030 --> 00:40:39,280

book

1072

00:40:44,309 --> 00:40:41,040

so you start scratching your head and

1073

00:40:46,950 --> 00:40:44,319

and you you begin to lose that faith

1074

00:40:49,829 --> 00:40:46,960

and then now now the government's saying

1075

00:40:50,950 --> 00:40:49,839

look we people in our navy

1076
00:40:53,670 --> 00:40:50,960
people

1077
00:40:56,150 --> 00:40:53,680
in our air force in the army if you see

1078
00:40:57,670 --> 00:40:56,160
a ufo just file a claim and we're just

1079
00:40:59,670 --> 00:40:57,680
going to leave it at that if you see

1080
00:41:02,230 --> 00:40:59,680
something but then it usually doesn't

1081
00:41:05,109 --> 00:41:02,240
see the light of day and

1082
00:41:07,109 --> 00:41:05,119
or if we look just a few years back i

1083
00:41:09,109 --> 00:41:07,119
think it was in the

1084
00:41:11,910 --> 00:41:09,119
late 70s early 80s

1085
00:41:13,670 --> 00:41:11,920
you have the japanese airline that flew

1086
00:41:16,630 --> 00:41:13,680
over alaska

1087
00:41:19,349 --> 00:41:16,640
he the pilot said look i saw ufo he

1088
00:41:21,670 --> 00:41:19,359

tells his people he loses his job he's

1089

00:41:24,309 --> 00:41:21,680

no longer a pilot and now he has a desk

1090

00:41:27,349 --> 00:41:24,319

job just because he told his story to

1091

00:41:29,030 --> 00:41:27,359

the press and to his management look i

1092

00:41:32,630 --> 00:41:29,040

saw something that cannot be explained

1093

00:41:36,150 --> 00:41:32,640

it was like this huge mothership craft

1094

00:41:36,950 --> 00:41:36,160

like what do i do with that information

1095

00:41:39,109 --> 00:41:36,960

and

1096

00:41:41,270 --> 00:41:39,119

he got penalized for that so with

1097

00:41:42,950 --> 00:41:41,280

stories like that and there's quite a

1098

00:41:44,550 --> 00:41:42,960

few other ones

1099

00:41:45,910 --> 00:41:44,560

it makes you want to

1100

00:41:47,510 --> 00:41:45,920

stay

1101
00:41:50,309 --> 00:41:47,520
very shut you don't want to open your

1102
00:41:51,910 --> 00:41:50,319
mouth to either telling a story or even

1103
00:41:55,109 --> 00:41:51,920
for the government to say look we're

1104
00:41:57,430 --> 00:41:55,119
interested in this because the more that

1105
00:41:59,190 --> 00:41:57,440
they fall short on their lies after

1106
00:42:00,950 --> 00:41:59,200
lying for 70 years and saying no

1107
00:42:03,430 --> 00:42:00,960
actually this was a lie

1108
00:42:06,230 --> 00:42:03,440
the less you trust them and the less you

1109
00:42:08,870 --> 00:42:06,240
trust them the more issues there are

1110
00:42:10,870 --> 00:42:08,880
right so it is like you said it is very

1111
00:42:13,670 --> 00:42:10,880
very complex

1112
00:42:16,630 --> 00:42:13,680
there's nothing simple about it and i

1113
00:42:19,430 --> 00:42:16,640

think in in today's world

1114

00:42:21,430 --> 00:42:19,440

more people are questioning the issue

1115

00:42:23,510 --> 00:42:21,440

and that's why for example the

1116

00:42:26,710 --> 00:42:23,520

pentagon's trying to be more

1117

00:42:29,109 --> 00:42:26,720

transparent like for example we have the

1118

00:42:34,630 --> 00:42:31,270

asked for a foia report and they got

1119

00:42:37,750 --> 00:42:34,640

1500 pages on if you interact with the

1120

00:42:40,150 --> 00:42:37,760

ufo all of these types of health issues

1121

00:42:43,589 --> 00:42:40,160

you can possibly receive or have

1122

00:42:46,390 --> 00:42:43,599

received from certain witnesses right so

1123

00:42:48,950 --> 00:42:46,400

we're slowly beginning to get more

1124

00:42:49,910 --> 00:42:48,960

important information

1125

00:42:52,710 --> 00:42:49,920

but

1126
00:42:54,870 --> 00:42:52,720
again it's very complex on what you want

1127
00:42:57,589 --> 00:42:54,880
to believe and why

1128
00:43:01,349 --> 00:42:57,599
things like this are happening now

1129
00:43:03,190 --> 00:43:01,359
yeah absolutely um speaking of i find it

1130
00:43:06,150 --> 00:43:03,200
very interesting speaking i think it

1131
00:43:08,630 --> 00:43:06,160
kind of ties into that whole stigma

1132
00:43:10,870 --> 00:43:08,640
thing that's around this whole issue i

1133
00:43:13,270 --> 00:43:10,880
find it very interesting that those you

1134
00:43:16,150 --> 00:43:13,280
know 1400 some documents that were

1135
00:43:17,270 --> 00:43:16,160
released were released to the sun to in

1136
00:43:19,750 --> 00:43:17,280
the uk

1137
00:43:21,670 --> 00:43:19,760
right so it's not even a us

1138
00:43:23,510 --> 00:43:21,680

it's not even a u.s media outlet and

1139

00:43:25,670 --> 00:43:23,520

it's not like they gave it to i mean no

1140

00:43:27,430 --> 00:43:25,680

shade to the sun but like it's not the

1141

00:43:31,349 --> 00:43:27,440

new york times it's not the washington

1142

00:43:32,950 --> 00:43:31,359

post i'm sure they also asked you know

1143

00:43:35,349 --> 00:43:32,960

i just find it interesting that that was

1144

00:43:36,550 --> 00:43:35,359

the way that they and that they dumped

1145

00:43:38,069 --> 00:43:36,560

it and i

1146

00:43:39,349 --> 00:43:38,079

feel like that was intentional and i

1147

00:43:41,430 --> 00:43:39,359

wonder if you have

1148

00:43:43,829 --> 00:43:41,440

thoughts on that

1149

00:43:45,270 --> 00:43:43,839

everything is intentional there's no

1150

00:43:47,030 --> 00:43:45,280

question about it look i don't believe

1151

00:43:48,950 --> 00:43:47,040

in coincidences

1152

00:43:51,109 --> 00:43:48,960

everything is as it should be everything

1153

00:43:53,589 --> 00:43:51,119

is planned as it should be that's my

1154

00:43:55,190 --> 00:43:53,599

mentality that's my belief my opinion

1155

00:43:56,470 --> 00:43:55,200

i'm not going to push that on to anybody

1156

00:43:59,190 --> 00:43:56,480

else

1157

00:44:01,109 --> 00:43:59,200

what i'm not fond with

1158

00:44:02,790 --> 00:44:01,119

when it comes to the sun that they have

1159

00:44:04,790 --> 00:44:02,800

not released

1160

00:44:06,870 --> 00:44:04,800

those pages those documents yet to the

1161

00:44:08,390 --> 00:44:06,880

public that's what bothers me they're

1162

00:44:10,870 --> 00:44:08,400

writing up all these articles they're

1163

00:44:13,109 --> 00:44:10,880

sitting on it they have it

1164

00:44:14,390 --> 00:44:13,119

but they're not giving it to us even

1165

00:44:17,030 --> 00:44:14,400

though

1166

00:44:20,829 --> 00:44:17,040

they got it and they can't share it so

1167

00:44:23,190 --> 00:44:20,839

that that that's where my issue lies

1168

00:44:25,990 --> 00:44:23,200

and you know what they might not be the

1169

00:44:28,150 --> 00:44:26,000

only ones there could be other companies

1170

00:44:30,230 --> 00:44:28,160

or other news outlets that have done the

1171

00:44:33,510 --> 00:44:30,240

exact same thing and those documents

1172

00:44:34,829 --> 00:44:33,520

haven't seen the light of day yet

1173

00:44:37,190 --> 00:44:34,839

so

1174

00:44:44,309 --> 00:44:37,200

everything is

1175

00:44:46,230 --> 00:44:44,319

absolutely

1176

00:44:48,470 --> 00:44:46,240

um switching gears a little bit once

1177

00:44:49,910 --> 00:44:48,480

again um i know that we talked a little

1178

00:44:52,230 --> 00:44:49,920

bit you've had some big names on your

1179

00:44:53,589 --> 00:44:52,240

podcast obviously and i think you know

1180

00:44:55,589 --> 00:44:53,599

people who are in the ufos will go to

1181

00:44:57,190 --> 00:44:55,599

your channel and if they aren't already

1182

00:44:58,390 --> 00:44:57,200

subscribed um

1183

00:45:00,630 --> 00:44:58,400

and know who those are but i was

1184

00:45:01,829 --> 00:45:00,640

wondering like do you were there maybe

1185

00:45:03,030 --> 00:45:01,839

um

1186

00:45:04,550 --> 00:45:03,040

have you had any guests who maybe

1187

00:45:05,829 --> 00:45:04,560

weren't such a high profile name but

1188

00:45:07,349 --> 00:45:05,839

that you had like just such a good

1189

00:45:09,430 --> 00:45:07,359

conversation with that you feel like you

1190

00:45:11,190 --> 00:45:09,440

would point people towards that

1191

00:45:12,710 --> 00:45:11,200

um on your channel and if so like what

1192

00:45:15,030 --> 00:45:12,720

was it really about that conversation

1193

00:45:17,270 --> 00:45:15,040

that sticks with you

1194

00:45:19,349 --> 00:45:17,280

that's a great question

1195

00:45:21,829 --> 00:45:19,359

every single person says like i love all

1196

00:45:23,750 --> 00:45:21,839

my children but every single person that

1197

00:45:25,670 --> 00:45:23,760

i've interviewed they've just brought

1198

00:45:27,829 --> 00:45:25,680

something to the table that one i didn't

1199

00:45:30,950 --> 00:45:27,839

consider or one thing that i just never

1200

00:45:32,950 --> 00:45:30,960

heard anyone else say

1201

00:45:34,950 --> 00:45:32,960

but i guess the one that's freshest in

1202

00:45:37,109 --> 00:45:34,960

my memory just happened yesterday with

1203

00:45:38,710 --> 00:45:37,119

jessica jones and while she's been in

1204

00:45:42,390 --> 00:45:38,720

the field for about 10 years she just

1205

00:45:44,230 --> 00:45:42,400

started podcasting last october where

1206

00:45:46,470 --> 00:45:44,240

she really began telling her stories her

1207

00:45:48,790 --> 00:45:46,480

experiences and also talking to other

1208

00:45:52,069 --> 00:45:48,800

guests and she brought something to my

1209

00:45:54,950 --> 00:45:52,079

attention and that that i was so shocked

1210

00:45:56,870 --> 00:45:54,960

about that i had never heard anyone say

1211

00:45:59,109 --> 00:45:56,880

and was that her team actually

1212

00:46:02,390 --> 00:45:59,119

documented a portal

1213

00:46:04,390 --> 00:46:02,400

they she had two members literally walk

1214

00:46:06,790 --> 00:46:04,400

in a portal

1215

00:46:10,230 --> 00:46:06,800

and they had it recorded on fleur and it

1216

00:46:11,430 --> 00:46:10,240

was kind of like a cube square shaped

1217

00:46:13,829 --> 00:46:11,440

looking

1218

00:46:16,550 --> 00:46:13,839

doorway those are narrow quotes

1219

00:46:17,990 --> 00:46:16,560

doorway portal and

1220

00:46:20,950 --> 00:46:18,000

i think that

1221

00:46:23,270 --> 00:46:20,960

the experience that she has her literal

1222

00:46:25,430 --> 00:46:23,280

boots on the ground experience with

1223

00:46:26,870 --> 00:46:25,440

several different

1224

00:46:28,309 --> 00:46:26,880

groups both

1225

00:46:30,309 --> 00:46:28,319

dealing with cryptids dealing with

1226

00:46:33,030 --> 00:46:30,319

bigfoot and a lot of her groups also

1227

00:46:35,270 --> 00:46:33,040

have remote viewers in it as well you're

1228

00:46:37,510 --> 00:46:35,280

getting like this this

1229

00:46:40,470 --> 00:46:37,520

this woman that has all these different

1230

00:46:42,470 --> 00:46:40,480

aspects that not a lot of people have

1231

00:46:44,309 --> 00:46:42,480

so she's kind of the first person that

1232

00:46:46,069 --> 00:46:44,319

comes to mind again because she is the

1233

00:46:48,069 --> 00:46:46,079

freshest that i interviewed that i was

1234

00:46:50,710 --> 00:46:48,079

just so shocked that i'm thinking

1235

00:46:52,870 --> 00:46:50,720

you you need more people following your

1236

00:46:54,230 --> 00:46:52,880

content oh my goodness yeah i know what

1237

00:46:56,710 --> 00:46:54,240

i'm doing right after this i'll have to

1238

00:46:59,589 --> 00:46:56,720

check that out that sounds crazy

1239

00:47:01,990 --> 00:46:59,599

it it it blew my mind she had a lot of

1240

00:47:04,470 --> 00:47:02,000

really great stories and also with her

1241

00:47:06,230 --> 00:47:04,480

somewhat bigfoot experiences but not um

1242

00:47:07,589 --> 00:47:06,240

i don't want to spoil it for you if

1243

00:47:09,990 --> 00:47:07,599

you're really going to watch it

1244

00:47:12,950 --> 00:47:10,000

it's it's a really really good show she

1245

00:47:14,550 --> 00:47:12,960

has some stories that i think

1246

00:47:16,550 --> 00:47:14,560

more people need to know about or

1247

00:47:18,069 --> 00:47:16,560

experience for themselves either or

1248

00:47:19,430 --> 00:47:18,079

absolutely no i'll totally watch it and

1249

00:47:21,270 --> 00:47:19,440

we'll put the link in the in the

1250

00:47:22,790 --> 00:47:21,280

comments below so people can check that

1251
00:47:25,030 --> 00:47:22,800
out also

1252
00:47:27,190 --> 00:47:25,040
um speaking of cryptids what's your

1253
00:47:29,190 --> 00:47:27,200
favorite cryptid

1254
00:47:32,069 --> 00:47:29,200
it's not something that i'm well versed

1255
00:47:34,230 --> 00:47:32,079
in yet it's it's it's not something that

1256
00:47:36,390 --> 00:47:34,240
i know a lot about but i have seen quite

1257
00:47:37,349 --> 00:47:36,400
a few tv shows on it but i think my

1258
00:47:40,309 --> 00:47:37,359
favorite

1259
00:47:42,069 --> 00:47:40,319
just at from like a child's heart would

1260
00:47:45,109 --> 00:47:42,079
have to be fairies

1261
00:47:46,549 --> 00:47:45,119
and dragons just like the very nice

1262
00:47:48,790 --> 00:47:46,559
mystical

1263
00:47:50,549 --> 00:47:48,800

ones from fantasyland those are i mean

1264

00:47:52,549 --> 00:47:50,559

those are my favorite but if we're

1265

00:47:56,470 --> 00:47:52,559

looking at i guess in a sense more

1266

00:47:59,510 --> 00:47:56,480

documented ones by researchers

1267

00:48:01,430 --> 00:47:59,520

truly uh bigfoot is a pretty fascinating

1268

00:48:03,190 --> 00:48:01,440

one you have so many different aspects

1269

00:48:04,390 --> 00:48:03,200

some believe that they're able to cloak

1270

00:48:06,230 --> 00:48:04,400

some believe that they're able to

1271

00:48:08,390 --> 00:48:06,240

actually enter and exit portals through

1272

00:48:10,309 --> 00:48:08,400

trees entering their own dimension or

1273

00:48:11,349 --> 00:48:10,319

maybe even a different dimension

1274

00:48:13,829 --> 00:48:11,359

um

1275

00:48:15,430 --> 00:48:13,839

and you're just able to see them all

1276

00:48:17,910 --> 00:48:15,440

across the globe it's not just in the

1277

00:48:22,150 --> 00:48:17,920

u.s you see them in china called the

1278

00:48:24,870 --> 00:48:22,160

yeren you can see them in russia nepal

1279

00:48:26,870 --> 00:48:24,880

in south america i'm not too familiar if

1280

00:48:28,630 --> 00:48:26,880

there's too many there i mean it's

1281

00:48:31,349 --> 00:48:28,640

it's it's warm and impossible all that

1282

00:48:32,470 --> 00:48:31,359

fur i doubt it's gonna be like worth it

1283

00:48:33,750 --> 00:48:32,480

for them

1284

00:48:37,349 --> 00:48:33,760

but

1285

00:48:39,030 --> 00:48:37,359

that one

1286

00:48:42,069 --> 00:48:39,040

a lot more people are interested in

1287

00:48:44,470 --> 00:48:42,079

there's a good amount of better data

1288

00:48:46,470 --> 00:48:44,480

compared to other cryptids but i think

1289

00:48:48,390 --> 00:48:46,480

another interesting one

1290

00:48:51,589 --> 00:48:48,400

might have to be the skinwalker i mean

1291

00:48:53,910 --> 00:48:51,599

any kind of these like native lore these

1292

00:48:55,910 --> 00:48:53,920

native cryptids that are kind of more

1293

00:48:58,390 --> 00:48:55,920

based off of curses like they were

1294

00:49:00,630 --> 00:48:58,400

regular people and then they either did

1295

00:49:02,870 --> 00:49:00,640

something really terrible or they were

1296

00:49:04,950 --> 00:49:02,880

cursed by another tribe and they became

1297

00:49:07,030 --> 00:49:04,960

these horrendous creatures

1298

00:49:08,549 --> 00:49:07,040

is also fascinating because

1299

00:49:11,270 --> 00:49:08,559

you're dealing with

1300

00:49:13,430 --> 00:49:11,280

what many would consider fantasy

1301
00:49:15,910 --> 00:49:13,440
with reality

1302
00:49:17,670 --> 00:49:15,920
or you're dealing with magic that that a

1303
00:49:18,950 --> 00:49:17,680
lot of people still kind of consider a

1304
00:49:20,230 --> 00:49:18,960
taboo or something that's not

1305
00:49:21,270 --> 00:49:20,240
necessarily

1306
00:49:22,069 --> 00:49:21,280
true

1307
00:49:24,470 --> 00:49:22,079
with

1308
00:49:27,430 --> 00:49:24,480
people actually encountering these

1309
00:49:30,870 --> 00:49:27,440
creatures that just look horrifying or

1310
00:49:31,910 --> 00:49:30,880
even sound just dreadful

1311
00:49:36,069 --> 00:49:31,920
so

1312
00:49:37,829 --> 00:49:36,079
myths and legends across the across the

1313
00:49:40,150 --> 00:49:37,839

globe i love them all i just don't have

1314

00:49:42,069 --> 00:49:40,160

the time to research them but i love

1315

00:49:43,510 --> 00:49:42,079

them

1316

00:49:45,109 --> 00:49:43,520

so when it comes when it comes to

1317

00:49:46,710 --> 00:49:45,119

cryptids i need to do a lot more

1318

00:49:48,790 --> 00:49:46,720

research to really find my favorite but

1319

00:49:50,470 --> 00:49:48,800

which one's yours i gotta know

1320

00:49:52,950 --> 00:49:50,480

well i've been very surprised to find

1321

00:49:56,230 --> 00:49:52,960

myself getting into bigfoot um because i

1322

00:49:58,390 --> 00:49:56,240

thought like that was one that i just i

1323

00:50:00,710 --> 00:49:58,400

had a harder time initial initially

1324

00:50:03,270 --> 00:50:00,720

taking that seriously but what changed

1325

00:50:05,030 --> 00:50:03,280

it for me is i was listening to um

1326

00:50:06,710 --> 00:50:05,040

sasquatch chronicles

1327

00:50:07,910 --> 00:50:06,720

and yeah i was listen i was like i'm

1328

00:50:09,030 --> 00:50:07,920

gonna listen to one episode of this and

1329

00:50:10,549 --> 00:50:09,040

i just happened to listen to this

1330

00:50:12,230 --> 00:50:10,559

episode where this

1331

00:50:14,150 --> 00:50:12,240

gentleman described his experience he

1332

00:50:16,309 --> 00:50:14,160

was young with friends and the whole

1333

00:50:17,990 --> 00:50:16,319

thing was literally like we saw bigfoot

1334

00:50:19,190 --> 00:50:18,000

we ran away like that was the story

1335

00:50:21,030 --> 00:50:19,200

except that

1336

00:50:23,190 --> 00:50:21,040

the way that he told it he hadn't told

1337

00:50:24,790 --> 00:50:23,200

it for years and when and when was the

1338

00:50:26,710 --> 00:50:24,800

host asked him

1339

00:50:28,230 --> 00:50:26,720

you know

1340

00:50:29,910 --> 00:50:28,240

what is the number one word that you

1341

00:50:31,910 --> 00:50:29,920

think of when you think of this

1342

00:50:33,430 --> 00:50:31,920

experience that you had and he said

1343

00:50:35,190 --> 00:50:33,440

um

1344

00:50:37,030 --> 00:50:35,200

he said failure

1345

00:50:38,630 --> 00:50:37,040

and that just like really struck me and

1346

00:50:41,270 --> 00:50:38,640

you know was kind of dug in with him and

1347

00:50:43,750 --> 00:50:41,280

asked him what that meant and he said

1348

00:50:45,910 --> 00:50:43,760

that his friendships with the other

1349

00:50:48,470 --> 00:50:45,920

gentlemen who he had seen this thing

1350

00:50:49,990 --> 00:50:48,480

with like had deteriorated and that it

1351
00:50:51,589 --> 00:50:50,000
was because

1352
00:50:53,910 --> 00:50:51,599
he said you're supposed to be able to

1353
00:50:55,670 --> 00:50:53,920
trust your friends and in that moment

1354
00:50:57,190 --> 00:50:55,680
he's like we would have crawled over

1355
00:50:59,190 --> 00:50:57,200
each other like we were crawling over

1356
00:51:01,910 --> 00:50:59,200
each other to get away from this thing

1357
00:51:03,750 --> 00:51:01,920
we were all so terrified and he was like

1358
00:51:05,190 --> 00:51:03,760
and i just he's like sometimes i lay in

1359
00:51:07,190 --> 00:51:05,200
bed at night like think about like what

1360
00:51:10,309 --> 00:51:07,200
if my wife had been there and just like

1361
00:51:12,950 --> 00:51:10,319
all of these things and it's just to me

1362
00:51:15,670 --> 00:51:12,960
he was so genuinely traumatized it was

1363
00:51:17,670 --> 00:51:15,680

so clearly like a really emotional and

1364

00:51:20,549 --> 00:51:17,680

terrible experience for him that you

1365

00:51:22,230 --> 00:51:20,559

know very much like with you know ufo

1366

00:51:24,069 --> 00:51:22,240

experiencers and that sort of thing i

1367

00:51:25,670 --> 00:51:24,079

think sometimes the best evidence is

1368

00:51:27,270 --> 00:51:25,680

talking to people

1369

00:51:28,950 --> 00:51:27,280

who have been there because sometimes

1370

00:51:30,950 --> 00:51:28,960

the evidence is cloudier sometimes it's

1371

00:51:31,910 --> 00:51:30,960

just not even available but it's hard to

1372

00:51:35,510 --> 00:51:31,920

deny

1373

00:51:39,109 --> 00:51:35,520

the human element to it

1374

00:51:42,790 --> 00:51:39,119

that is kind of disheartening in a sense

1375

00:51:45,109 --> 00:51:42,800

and when it comes to survival just your

1376

00:51:47,349 --> 00:51:45,119

main instinct to survive

1377

00:51:50,390 --> 00:51:47,359

sometimes we do actions that we could

1378

00:51:53,589 --> 00:51:50,400

have never considered that we could do

1379

00:51:55,990 --> 00:51:53,599

and and even place other people's lives

1380

00:51:59,109 --> 00:51:56,000

as as a stepping stone to make sure that

1381

00:52:01,510 --> 00:51:59,119

we survive and while anyone will say no

1382

00:52:03,990 --> 00:52:01,520

i'll never do that you simply do not

1383

00:52:06,309 --> 00:52:04,000

know until it happens to you because

1384

00:52:08,790 --> 00:52:06,319

you're not acting with rationality at

1385

00:52:10,150 --> 00:52:08,800

those moments you're acting to survive

1386

00:52:12,470 --> 00:52:10,160

alone

1387

00:52:16,230 --> 00:52:12,480

so hearing that story just briefly from

1388

00:52:18,470 --> 00:52:16,240

you kelly is uh is is really sad and it

1389

00:52:19,829 --> 00:52:18,480

really puts into perspective what's the

1390

00:52:22,069 --> 00:52:19,839

meaning of all of it what are you

1391

00:52:22,950 --> 00:52:22,079

looking for every single day when you

1392

00:52:25,190 --> 00:52:22,960

live

1393

00:52:26,549 --> 00:52:25,200

what's the purpose absolutely

1394

00:52:28,230 --> 00:52:26,559

absolutely

1395

00:52:30,950 --> 00:52:28,240

and to not leave it on too dark of a

1396

00:52:33,990 --> 00:52:30,960

note there is one cryptid that i love

1397

00:52:35,750 --> 00:52:34,000

that's just absurd um which is the hoop

1398

00:52:37,510 --> 00:52:35,760

snake and it's something that was seen

1399

00:52:40,950 --> 00:52:37,520

kind of like in the american west in the

1400

00:52:42,470 --> 00:52:40,960

south sort of like in the mid 1800s from

1401
00:52:43,910 --> 00:52:42,480
time to time there were just random

1402
00:52:45,910 --> 00:52:43,920
sightings and all the sightings the hoop

1403
00:52:47,670 --> 00:52:45,920
snake it's literally like kind of like

1404
00:52:49,430 --> 00:52:47,680
the oro boris with the you know the

1405
00:52:51,349 --> 00:52:49,440
snake eating its own tail except that it

1406
00:52:53,349 --> 00:52:51,359
would just be like that and it would

1407
00:52:55,589 --> 00:52:53,359
you know how you can like roll a hoop

1408
00:52:57,349 --> 00:52:55,599
like a hula hoop down the road that it

1409
00:52:59,510 --> 00:52:57,359
was just like that it was making itself

1410
00:53:01,109 --> 00:52:59,520
into a wheel and just like rolling and

1411
00:53:02,549 --> 00:53:01,119
people just be like yeah i saw it roll

1412
00:53:04,230 --> 00:53:02,559
down this hill and down the road that's

1413
00:53:05,829 --> 00:53:04,240

like the whole story that's it and i'm

1414

00:53:08,069 --> 00:53:05,839

just like what

1415

00:53:09,510 --> 00:53:08,079

was that

1416

00:53:10,950 --> 00:53:09,520

because it was seen all over the place

1417

00:53:12,230 --> 00:53:10,960

and i just think it's so funny sometimes

1418

00:53:14,630 --> 00:53:12,240

i just imagined it and start laughing

1419

00:53:16,630 --> 00:53:14,640

because it's ridiculous

1420

00:53:19,670 --> 00:53:16,640

i need to look at that that does sound

1421

00:53:21,510 --> 00:53:19,680

quite comical and i guess even at this

1422

00:53:24,390 --> 00:53:21,520

when you're dealing with the mentality

1423

00:53:26,309 --> 00:53:24,400

of the 1800s it's kind of more when it

1424

00:53:28,549 --> 00:53:26,319

comes to nature it's kind of more of

1425

00:53:30,069 --> 00:53:28,559

like anything goes like yeah okay yeah i

1426

00:53:33,589 --> 00:53:30,079

just saw this thing and it was totally

1427

00:53:36,710 --> 00:53:33,599

fine so uh this hoop snake um

1428

00:53:38,790 --> 00:53:36,720

right it does sound pretty funny

1429

00:53:41,589 --> 00:53:38,800

it cracks me up i can't even explain why

1430

00:53:42,870 --> 00:53:41,599

it's just so funny to me

1431

00:53:44,710 --> 00:53:42,880

because like that's not a more efficient

1432

00:53:46,230 --> 00:53:44,720

way to travel i don't feel like the

1433

00:53:47,670 --> 00:53:46,240

slytherin they were doing

1434

00:53:49,349 --> 00:53:47,680

down a hill that's that's pretty

1435

00:53:51,190 --> 00:53:49,359

efficient

1436

00:53:54,069 --> 00:53:51,200

but it might like hurt you know all of

1437

00:53:56,549 --> 00:53:54,079

your bones so maybe not the best

1438

00:53:58,390 --> 00:53:56,559

absolutely absolutely well a question i

1439

00:54:00,309 --> 00:53:58,400

like to ask everyone kind of before we

1440

00:54:02,150 --> 00:54:00,319

sign off is um

1441

00:54:03,829 --> 00:54:02,160

you know for anybody who's new to this

1442

00:54:05,190 --> 00:54:03,839

topic like where do you

1443

00:54:07,030 --> 00:54:05,200

where do you recommend that they start

1444

00:54:08,950 --> 00:54:07,040

or like what kind of mentality do you

1445

00:54:11,910 --> 00:54:08,960

you know recommend that they take on

1446

00:54:16,870 --> 00:54:14,870

first thing would be to see what kind of

1447

00:54:19,270 --> 00:54:16,880

you gravitate more supposed to is it the

1448

00:54:21,430 --> 00:54:19,280

science aspect is it the the stories the

1449

00:54:23,190 --> 00:54:21,440

anecdotal stories the witness accounts

1450

00:54:25,270 --> 00:54:23,200

is it the spiritual aspect because like

1451

00:54:27,510 --> 00:54:25,280

i said at the very beginning no matter

1452

00:54:29,829 --> 00:54:27,520

what path you take they're all going to

1453

00:54:32,150 --> 00:54:29,839

take you to the same destination at some

1454

00:54:34,230 --> 00:54:32,160

point but if you're able to incorporate

1455

00:54:36,710 --> 00:54:34,240

all of them you might get to that

1456

00:54:39,670 --> 00:54:36,720

destination faster

1457

00:54:42,150 --> 00:54:39,680

no one has the answers to

1458

00:54:44,150 --> 00:54:42,160

any of any of these phenomena and anyone

1459

00:54:46,630 --> 00:54:44,160

that says they do

1460

00:54:48,390 --> 00:54:46,640

they're lying okay and there's a lot of

1461

00:54:49,510 --> 00:54:48,400

people that say they have all

1462

00:54:52,549 --> 00:54:49,520

all

1463

00:54:53,990 --> 00:54:52,559

the answers and um turns out a little

1464

00:54:55,910 --> 00:54:54,000

bit later a few years later maybe even a

1465

00:54:58,549 --> 00:54:55,920

decade later that that wasn't the case

1466

00:55:01,510 --> 00:54:58,559

so i would say remain vigilant don't

1467

00:55:03,109 --> 00:55:01,520

believe everything you hear um find the

1468

00:55:04,710 --> 00:55:03,119

path that works for you i recommend

1469

00:55:05,990 --> 00:55:04,720

doing all the paths but if you wanted to

1470

00:55:08,470 --> 00:55:06,000

read a book to kind of get a good

1471

00:55:10,230 --> 00:55:08,480

foundation one that i personally liked

1472

00:55:13,990 --> 00:55:10,240

is called

1473

00:55:15,349 --> 00:55:14,000

ufos for the 21st 21st century mind by

1474

00:55:17,030 --> 00:55:15,359

richard dolan

1475

00:55:20,549 --> 00:55:17,040

it's it's a very very thick book it's

1476

00:55:23,430 --> 00:55:20,559

like 600 pages but it it briefly goes

1477

00:55:26,230 --> 00:55:23,440

over all of the most famous cases all

1478

00:55:29,670 --> 00:55:26,240

the most famous historical accounts when

1479

00:55:31,990 --> 00:55:29,680

it comes to ufos and again if you're

1480

00:55:34,789 --> 00:55:32,000

starting out brand new you just want to

1481

00:55:36,069 --> 00:55:34,799

like read a few stories a day

1482

00:55:37,270 --> 00:55:36,079

that would be a book that i would

1483

00:55:38,870 --> 00:55:37,280

recommend

1484

00:55:40,710 --> 00:55:38,880

awesome i'll have to check that one out

1485

00:55:42,390 --> 00:55:40,720

i've got like a whole ufo library at

1486

00:55:43,750 --> 00:55:42,400

this point i feel like new books show up

1487

00:55:45,510 --> 00:55:43,760

every day and i'm like why am i reading

1488

00:55:47,270 --> 00:55:45,520

all these books we don't know but they

1489

00:55:48,870 --> 00:55:47,280

keep coming

1490

00:55:51,190 --> 00:55:48,880

i know the feeling

1491

00:55:52,950 --> 00:55:51,200

um so what can we expect to see from you

1492

00:55:54,870 --> 00:55:52,960

over the next year do you have any any

1493

00:55:56,390 --> 00:55:54,880

big plans are you just going to keep

1494

00:55:58,870 --> 00:55:56,400

working on your content like what do you

1495

00:56:01,109 --> 00:55:58,880

have coming up

1496

00:56:03,750 --> 00:56:01,119

definitely still working on content i

1497

00:56:05,349 --> 00:56:03,760

have new show ideas to come in in the

1498

00:56:06,150 --> 00:56:05,359

very near future

1499

00:56:08,390 --> 00:56:06,160

to

1500

00:56:11,349 --> 00:56:08,400

um kind of be more universal with the

1501
00:56:13,349 --> 00:56:11,359
show and then to help people even

1502
00:56:14,549 --> 00:56:13,359
the best that i can with these types of

1503
00:56:16,470 --> 00:56:14,559
topics

1504
00:56:18,309 --> 00:56:16,480
i also am

1505
00:56:21,430 --> 00:56:18,319
planning sometime in the future maybe a

1506
00:56:23,109 --> 00:56:21,440
year maybe in two years to um

1507
00:56:24,950 --> 00:56:23,119
get a trailer and to travel united

1508
00:56:27,349 --> 00:56:24,960
states and to look at all the hot spots

1509
00:56:29,270 --> 00:56:27,359
and interview witnesses if i can and not

1510
00:56:31,109 --> 00:56:29,280
just ufo hot spots but also dealing with

1511
00:56:34,069 --> 00:56:31,119
the paranormal people that have been

1512
00:56:35,829 --> 00:56:34,079
have interacted with um ghosts as well

1513
00:56:38,309 --> 00:56:35,839

so that'll be really fantastic to take

1514

00:56:41,430 --> 00:56:38,319

like a whole studio on the road and like

1515

00:56:43,349 --> 00:56:41,440

a whole house you know and travel so

1516

00:56:45,750 --> 00:56:43,359

that is something that i have in mind

1517

00:56:47,430 --> 00:56:45,760

it's a pretty big ambition it's it's

1518

00:56:48,230 --> 00:56:47,440

there's a lot that needs to be put into

1519

00:56:51,589 --> 00:56:48,240

it

1520

00:56:55,030 --> 00:56:51,599

but that is my hopes and dreams all

1521

00:56:57,109 --> 00:56:55,040

right there just like arms length away

1522

00:56:59,030 --> 00:56:57,119

you can do it it'll be that sounds

1523

00:57:00,549 --> 00:56:59,040

amazing i i took a few years and

1524

00:57:02,710 --> 00:57:00,559

traveled and it was the best decision i

1525

00:57:04,150 --> 00:57:02,720

ever made so and i mean traveling with

1526

00:57:05,670 --> 00:57:04,160

the studio to go like talk to ghost

1527

00:57:07,589 --> 00:57:05,680

hunters like i feel like i did it wrong

1528

00:57:08,710 --> 00:57:07,599

i want to go back and do it over again

1529

00:57:10,950 --> 00:57:08,720

your way sounds more fun

1530

00:57:13,430 --> 00:57:10,960

[Laughter]

1531

00:57:15,510 --> 00:57:13,440

well christina this has been such a joy

1532

00:57:18,230 --> 00:57:15,520

of a conversation it's been so lovely to

1533

00:57:19,750 --> 00:57:18,240

talk to you where can people find you

1534

00:57:21,430 --> 00:57:19,760

obviously your youtube channel where

1535

00:57:23,030 --> 00:57:21,440

else is a great place to to look for you

1536

00:57:24,150 --> 00:57:23,040

if they want to you know check out more

1537

00:57:27,349 --> 00:57:24,160

of your work

1538

00:57:30,309 --> 00:57:27,359

so i place almost all of my updates on

1539

00:57:32,630 --> 00:57:30,319

twitter at eyes underscore on the skies

1540

00:57:35,430 --> 00:57:32,640

but i do have a beacons page that that

1541

00:57:37,510 --> 00:57:35,440

links all of my social media and

1542

00:57:39,430 --> 00:57:37,520

podcasts and shows and everything for

1543

00:57:40,789 --> 00:57:39,440

like it's everything's in one place

1544

00:57:42,549 --> 00:57:40,799

versus kind of giving you all of these

1545

00:57:44,309 --> 00:57:42,559

different links so i do recommend taking

1546

00:57:47,270 --> 00:57:44,319

a look at that i have instagram facebook

1547

00:57:48,230 --> 00:57:47,280

tik tok as well tik tok is still growing

1548

00:57:49,990 --> 00:57:48,240

so

1549

00:57:51,750 --> 00:57:50,000

more content to come

1550

00:57:53,109 --> 00:57:51,760

but uh

1551

00:57:55,109 --> 00:57:53,119

everything can be found there but

1552

00:57:56,630 --> 00:57:55,119

definitely on twitter at eyes underscore

1553

00:57:58,150 --> 00:57:56,640

on the skies

1554

00:57:59,750 --> 00:57:58,160

amazing well thank you so much for

1555

00:58:01,589 --> 00:57:59,760

taking the time today it has been

1556

00:58:03,589 --> 00:58:01,599

wonderful speaking with you

1557

00:58:06,880 --> 00:58:03,599

thank you for having me it's been such a

1558

00:58:38,080 --> 00:58:21,829

[Music]

1559

00:58:51,030 --> 00:58:38,090

oh

1560

00:58:51,040 --> 00:58:54,590

be
