

The UFO Rabbit Hole

Whistleblower Reveals Secret UFO Crash Retrieval Program

Special Episode

1
00:00:34,310 --> 00:00:02,149

[Music]

2
00:00:36,889 --> 00:00:34,320

welcome back to the UFO Rabbit Hole

3
00:00:38,569 --> 00:00:36,899

podcast I'm your host Kelly Chase

4
00:00:40,729 --> 00:00:38,579

what we're going to be talking about in

5
00:00:43,190 --> 00:00:40,739

today's episode is nothing less than

6
00:00:45,650 --> 00:00:43,200

historic this is the first time since

7
00:00:47,270 --> 00:00:45,660

starting this podcast 18 months ago that

8
00:00:49,250 --> 00:00:47,280

I've had to stop everything that I'm

9
00:00:51,529 --> 00:00:49,260

doing in order to cover a piece of

10
00:00:54,590 --> 00:00:51,539

breaking news that has sweeping and

11
00:00:55,910 --> 00:00:54,600

profound implications for disclosure so

12
00:00:59,510 --> 00:00:55,920

here's what happened

13
00:01:01,970 --> 00:00:59,520

on Monday June 5th 2023 a story was

14

00:01:03,950 --> 00:01:01,980

published by the debrief presenting

15

00:01:05,990 --> 00:01:03,960

claims from the first whistleblower to

16

00:01:08,450 --> 00:01:06,000

step forward publicly since the passing

17

00:01:11,149 --> 00:01:08,460

of UAP whistleblower legislation a few

18

00:01:13,789 --> 00:01:11,159

months ago this whistleblower David

19

00:01:16,070 --> 00:01:13,799

Charles Rush is a high-level member of

20

00:01:17,870 --> 00:01:16,080

the intelligence community and he is

21

00:01:20,230 --> 00:01:17,880

claiming to have knowledge of special

22

00:01:23,390 --> 00:01:20,240

access programs that have recovered

23

00:01:26,149 --> 00:01:23,400

non-human technological craft

24

00:01:27,350 --> 00:01:26,159

later that same day an excerpt from an

25

00:01:29,149 --> 00:01:27,360

interview with the Whistleblower

26

00:01:32,810 --> 00:01:29,159

conducted by investigative journalist

27

00:01:34,789 --> 00:01:32,820

Ross colpart was aired on news nation in

28

00:01:37,789 --> 00:01:34,799

which Rush made even more shocking

29

00:01:39,649 --> 00:01:37,799

claims and all of this is leading up to

30

00:01:42,830 --> 00:01:39,659

a full version of the interview to be

31

00:01:45,050 --> 00:01:42,840

aired this Sunday June 11th at 9pm on

32

00:01:46,429 --> 00:01:45,060

news Nation so just know that as

33

00:01:48,830 --> 00:01:46,439

shocking is everything that we're about

34

00:01:51,050 --> 00:01:48,840

to discuss is going to sound this is

35

00:01:53,149 --> 00:01:51,060

still a developing story and we'll get

36

00:01:55,249 --> 00:01:53,159

to all of that in a moment

37

00:01:57,710 --> 00:01:55,259

but before we begin I just want to say

38

00:01:59,929 --> 00:01:57,720

this there was a lot of material to

39

00:02:02,149 --> 00:01:59,939

cover here the journalistic team that

40

00:02:04,190 --> 00:02:02,159

put it all together did an exemplary job

41

00:02:05,990 --> 00:02:04,200

of providing as much context and

42

00:02:08,510 --> 00:02:06,000

corroborating evidence to support their

43

00:02:11,210 --> 00:02:08,520

claims as possible as a result the

44

00:02:12,890 --> 00:02:11,220

article itself is dense and even then

45

00:02:15,350 --> 00:02:12,900

there's only so much that you can

46

00:02:17,030 --> 00:02:15,360

include in one article and I think it's

47

00:02:19,430 --> 00:02:17,040

really important for reasons that we'll

48

00:02:21,229 --> 00:02:19,440

get to to put this story in the context

49

00:02:23,150 --> 00:02:21,239

of everything that has happened thus far

50

00:02:25,309 --> 00:02:23,160

with disclosure I've spent the last

51
00:02:27,350 --> 00:02:25,319
three days pulling it all apart and

52
00:02:29,630 --> 00:02:27,360
doing my best to present all of this in

53
00:02:31,790 --> 00:02:29,640
as clear a manner as possible so that

54
00:02:34,369 --> 00:02:31,800
it's easy to grok not just what this

55
00:02:36,890 --> 00:02:34,379
groundbreaking article says but how we

56
00:02:38,330 --> 00:02:36,900
got here and what it all might mean if

57
00:02:40,070 --> 00:02:38,340
you've been following this story from

58
00:02:42,470 --> 00:02:40,080
the beginning and you already have all

59
00:02:44,630 --> 00:02:42,480
that background that's fantastic you may

60
00:02:46,550 --> 00:02:44,640
not need some of what's covered here but

61
00:02:48,229 --> 00:02:46,560
either way I hope that it can be a

62
00:02:50,089 --> 00:02:48,239
resource that you can share with others

63
00:02:52,430 --> 00:02:50,099

in your life who haven't spent the last

64

00:02:54,050 --> 00:02:52,440

few years obsessing over this stuff and

65

00:02:55,670 --> 00:02:54,060

might need a little framing to

66

00:02:57,170 --> 00:02:55,680

understand the significance of what's

67

00:02:58,790 --> 00:02:57,180

going on here

68

00:03:00,830 --> 00:02:58,800

for reasons that we'll get to later on

69

00:03:02,690 --> 00:03:00,840

in the episode we need to do everything

70

00:03:04,910 --> 00:03:02,700

that we can to get this story in front

71

00:03:07,369 --> 00:03:04,920

of as many people as possible

72

00:03:09,470 --> 00:03:07,379

also know that I will do my best to

73

00:03:11,210 --> 00:03:09,480

include as many resources and as much

74

00:03:13,250 --> 00:03:11,220

background information I can in the

75

00:03:14,869 --> 00:03:13,260

episode brief so that you can dive more

76

00:03:16,490 --> 00:03:14,879

deeply into anything that we discuss

77

00:03:18,890 --> 00:03:16,500

here today

78

00:03:21,470 --> 00:03:18,900

so let's dive into it what makes the

79

00:03:24,470 --> 00:03:21,480

story so significant it comes down to

80

00:03:26,509 --> 00:03:24,480

two things what is being said and who is

81

00:03:27,890 --> 00:03:26,519

saying it so let's actually start with

82

00:03:30,229 --> 00:03:27,900

the latter

83

00:03:31,910 --> 00:03:30,239

this article in the debrief was written

84

00:03:34,250 --> 00:03:31,920

by well-respected investigative

85

00:03:36,890 --> 00:03:34,260

journalists Leslie Kane and Ralph

86

00:03:39,350 --> 00:03:36,900

Blumenthal Kane and Blumenthal were the

87

00:03:41,390 --> 00:03:39,360

team behind the 2017 article in the New

88

00:03:43,490 --> 00:03:41,400

York Times that marked a watershed

89

00:03:45,710 --> 00:03:43,500

moment in the conversation about UFOs

90

00:03:47,270 --> 00:03:45,720

and frankly is the reason why there's

91

00:03:49,670 --> 00:03:47,280

been an influx of new people taking

92

00:03:51,289 --> 00:03:49,680

interest in this topic since I include

93

00:03:54,170 --> 00:03:51,299

myself in that cohort

94

00:03:56,330 --> 00:03:54,180

the 2017 New York Times article titled

95

00:03:58,149 --> 00:03:56,340

glowing auras and black money the

96

00:04:00,530 --> 00:03:58,159

pentagon's mysterious UFO program

97

00:04:02,570 --> 00:04:00,540

revealed the existence of a secretive

98

00:04:04,670 --> 00:04:02,580

Pentagon program called the advanced

99

00:04:08,089 --> 00:04:04,680

Aerospace threat identification program

100

00:04:10,970 --> 00:04:08,099

or atip that investigative reports of

101
00:04:13,190 --> 00:04:10,980
unidentified flying objects the article

102
00:04:15,890 --> 00:04:13,200
featured accounts for military personnel

103
00:04:18,229 --> 00:04:15,900
including interviews with Luis Elizondo

104
00:04:21,229 --> 00:04:18,239
a former military intelligence official

105
00:04:23,450 --> 00:04:21,239
who managed the program Elizondo claimed

106
00:04:26,090 --> 00:04:23,460
that atip had encountered unexplained

107
00:04:28,189 --> 00:04:26,100
sightings by military Pilots indicating

108
00:04:30,950 --> 00:04:28,199
the presence of advanced unidentified

109
00:04:33,469 --> 00:04:30,960
aerial phenomena the defied conventional

110
00:04:35,090 --> 00:04:33,479
explanations and he expressed concerns

111
00:04:37,550 --> 00:04:35,100
about the potential National Security

112
00:04:39,950 --> 00:04:37,560
implications of these encounters

113
00:04:43,249 --> 00:04:39,960

in fact he was so concerned with the

114

00:04:45,170 --> 00:04:43,259

situation that in October of 2017 he

115

00:04:47,510 --> 00:04:45,180

resigned from his position in protest

116

00:04:50,810 --> 00:04:47,520

and dedicated his life to pursuing

117

00:04:52,730 --> 00:04:50,820

greater transparency on the UFO issue

118

00:04:54,770 --> 00:04:52,740

Beyond being the team to break this

119

00:04:57,409 --> 00:04:54,780

incredible story in the pages of the New

120

00:05:00,110 --> 00:04:57,419

York Times Kane and Blumenthal both have

121

00:05:01,909 --> 00:05:00,120

impressive journalistic resumes Leslie

122

00:05:04,010 --> 00:05:01,919

Kane is an investigative journalist and

123

00:05:06,710 --> 00:05:04,020

author known for her Decades of tireless

124

00:05:09,650 --> 00:05:06,720

work on the subject of UFOs she is the

125

00:05:11,330 --> 00:05:09,660

author of the book UFOs generals pilots

126

00:05:13,790 --> 00:05:11,340

and government officials go on the

127

00:05:15,530 --> 00:05:13,800

record which compiles testimony from

128

00:05:17,749 --> 00:05:15,540

high-ranking military and government

129

00:05:19,189 --> 00:05:17,759

Personnel regarding their encounters

130

00:05:22,010 --> 00:05:19,199

with UAP

131

00:05:24,409 --> 00:05:22,020

the 2023 National Geographic documentary

132

00:05:27,110 --> 00:05:24,419

series UFOs investigating the unknown

133

00:05:29,749 --> 00:05:27,120

was inspired by her work if you haven't

134

00:05:31,730 --> 00:05:29,759

seen it I highly recommend it not just

135

00:05:33,770 --> 00:05:31,740

for its content on UFOs which is

136

00:05:35,810 --> 00:05:33,780

excellent but because it tells the story

137

00:05:37,670 --> 00:05:35,820

of the Decades of work that Leslie and

138

00:05:40,430 --> 00:05:37,680

her colleagues have put into dragging

139

00:05:42,290 --> 00:05:40,440

the story Into the Light as celebrated

140

00:05:44,629 --> 00:05:42,300

as Leslie is I don't think that many

141

00:05:46,730 --> 00:05:44,639

even in the UFO Community have a true

142

00:05:48,890 --> 00:05:46,740

sense of the scale of the contributions

143

00:05:50,450 --> 00:05:48,900

that she's made to this topic and it's

144

00:05:53,450 --> 00:05:50,460

worth taking the time to hear that story

145

00:05:55,670 --> 00:05:53,460

her partner in this Ralph Blumenthal has

146

00:05:57,890 --> 00:05:55,680

an impressive resume of his own

147

00:05:59,810 --> 00:05:57,900

he is an accomplished journalist and

148

00:06:01,249 --> 00:05:59,820

author who had a career standing nearly

149

00:06:03,830 --> 00:06:01,259

four decades at the New York Times

150

00:06:05,990 --> 00:06:03,840

Blumenthal also received a Pulitzer

151
00:06:07,730 --> 00:06:06,000
Prize for leading the times Metro team

152
00:06:10,070 --> 00:06:07,740
in their breaking news coverage of the

153
00:06:10,969 --> 00:06:10,080
1993 truck bombing of the World Trade

154
00:06:12,710 --> 00:06:10,979
Center

155
00:06:14,870 --> 00:06:12,720
and not only are these journalists

156
00:06:16,610 --> 00:06:14,880
highly credible but the Whistleblower

157
00:06:18,409 --> 00:06:16,620
that has come forward has quite an

158
00:06:20,450 --> 00:06:18,419
impressive pedigree as well which we'll

159
00:06:22,370 --> 00:06:20,460
get to in just a moment he is well

160
00:06:24,529 --> 00:06:22,380
placed to have access to the kinds of

161
00:06:26,870 --> 00:06:24,539
information that he claims to have and

162
00:06:28,550 --> 00:06:26,880
he's already given hours of testimony to

163
00:06:31,129 --> 00:06:28,560

both Congress and the intelligence

164

00:06:32,930 --> 00:06:31,139

Community Inspector General and multiple

165

00:06:34,850 --> 00:06:32,940

high-level intelligence officials have

166

00:06:37,610 --> 00:06:34,860

stepped forward to attest to grush's

167

00:06:39,650 --> 00:06:37,620

character and to corroborate his claims

168

00:06:42,050 --> 00:06:39,660

but beyond just The credibility of the

169

00:06:43,550 --> 00:06:42,060

people doing the reporting this story is

170

00:06:45,409 --> 00:06:43,560

significant because of what is being

171

00:06:47,210 --> 00:06:45,419

said we're going to get into the

172

00:06:49,010 --> 00:06:47,220

specifics here in just a moment but as

173

00:06:50,629 --> 00:06:49,020

earth-shattering and profound as the

174

00:06:52,790 --> 00:06:50,639

revelations are that we are potentially

175

00:06:54,230 --> 00:06:52,800

not alone on this planet and that our

176

00:06:56,870 --> 00:06:54,240

government may be in possession of

177

00:06:59,450 --> 00:06:56,880

non-human technology when you dive into

178

00:07:01,189 --> 00:06:59,460

what David grush is really saying he's

179

00:07:02,930 --> 00:07:01,199

painting a picture of a much larger

180

00:07:04,730 --> 00:07:02,940

pattern of secrets that have the

181

00:07:07,129 --> 00:07:04,740

potential to call literally everything

182

00:07:09,409 --> 00:07:07,139

into question from the history of the

183

00:07:11,689 --> 00:07:09,419

20th century to our place both in the

184

00:07:14,029 --> 00:07:11,699

cosmos and in the food chain

185

00:07:15,590 --> 00:07:14,039

one more thing before we begin I think

186

00:07:17,570 --> 00:07:15,600

it's important to state that the reason

187

00:07:19,909 --> 00:07:17,580

that this story appeared in the debrief

188

00:07:22,070 --> 00:07:19,919

which is a fantastic and reputable news

189

00:07:24,409 --> 00:07:22,080

organization but admittedly a smaller

190

00:07:27,110 --> 00:07:24,419

one is because the mainstream media

191

00:07:31,010 --> 00:07:27,120

passed on this story The New York Times

192

00:07:33,770 --> 00:07:31,020

said no the hill said no Politico said

193

00:07:35,930 --> 00:07:33,780

no in a June 8 article in Vanity Fair

194

00:07:37,730 --> 00:07:35,940

Kane and Blumenthal have clarified that

195

00:07:39,830 --> 00:07:37,740

the Washington Post didn't technically

196

00:07:41,629 --> 00:07:39,840

say no but that they weren't able to

197

00:07:43,070 --> 00:07:41,639

move quickly enough in vetting the story

198

00:07:45,650 --> 00:07:43,080

and they had to move forward without

199

00:07:47,689 --> 00:07:45,660

them Blumenthal told Vanity Fair that

200

00:07:49,610 --> 00:07:47,699

circumstances including the grush's

201
00:07:51,770 --> 00:07:49,620
identity as The Whistleblower had been

202
00:07:53,589 --> 00:07:51,780
leaked out on the internet pushed them

203
00:07:56,330 --> 00:07:53,599
to publish sooner than they'd hoped

204
00:07:57,830 --> 00:07:56,340
Blumenthal was quoted as saying if there

205
00:07:59,450 --> 00:07:57,840
had been no leaks it might have been

206
00:08:01,909 --> 00:07:59,460
different but people on the internet

207
00:08:03,710 --> 00:08:01,919
were spreading stories David grush was

208
00:08:05,809 --> 00:08:03,720
getting harassing phone calls and we

209
00:08:07,370 --> 00:08:05,819
felt the only way to protect him was to

210
00:08:09,770 --> 00:08:07,380
get the story out

211
00:08:11,809 --> 00:08:09,780
as Ross culthart mentioned in the most

212
00:08:14,450 --> 00:08:11,819
recent episode of his podcast with Bryce

213
00:08:16,430 --> 00:08:14,460

Sable need to know a hard truth of

214

00:08:19,010 --> 00:08:16,440

Journalism is that things rarely go well

215

00:08:20,930 --> 00:08:19,020

for whistleblowers one of the primary

216

00:08:22,550 --> 00:08:20,940

motivations for a whistleblower to go

217

00:08:24,469 --> 00:08:22,560

public in the first place with what they

218

00:08:26,390 --> 00:08:24,479

know is for protection

219

00:08:28,129 --> 00:08:26,400

the reality of the dangers faced by

220

00:08:29,990 --> 00:08:28,139

whistleblowers who come forward with the

221

00:08:32,449 --> 00:08:30,000

story of this magnitude can't be

222

00:08:34,490 --> 00:08:32,459

overstated and you can't understand the

223

00:08:36,769 --> 00:08:34,500

full scope of how this story came to be

224

00:08:39,409 --> 00:08:36,779

and what it might mean without taking

225

00:08:41,810 --> 00:08:39,419

the time to look at it through that lens

226

00:08:44,329 --> 00:08:41,820

this also ought to serve as a wake-up

227

00:08:45,470 --> 00:08:44,339

call to members of the UFO Community who

228

00:08:48,230 --> 00:08:45,480

have been engaging in leaking

229

00:08:50,030 --> 00:08:48,240

information as well as amplifying leaked

230

00:08:52,610 --> 00:08:50,040

information by reposting it over the

231

00:08:55,009 --> 00:08:52,620

last few weeks whether motivated by ego

232

00:08:57,290 --> 00:08:55,019

naivete about the seriousness of the

233

00:08:59,870 --> 00:08:57,300

situation or a genuine desire to do a

234

00:09:01,910 --> 00:08:59,880

public service these actions aren't just

235

00:09:03,889 --> 00:09:01,920

woefully misguided and counterproductive

236

00:09:06,530 --> 00:09:03,899

they're dangerous

237

00:09:07,910 --> 00:09:06,540

they endanger the life and livelihood of

238

00:09:09,769 --> 00:09:07,920

whistleblowers who are putting

239

00:09:12,170 --> 00:09:09,779

everything on the line in the name of

240

00:09:14,750 --> 00:09:12,180

doing the right thing whistleblowers

241

00:09:17,389 --> 00:09:14,760

deserve our gratitude our support and

242

00:09:19,790 --> 00:09:17,399

our protection all of which are best

243

00:09:22,130 --> 00:09:19,800

achieved with our discretion

244

00:09:24,350 --> 00:09:22,140

in the meantime the mainstream media

245

00:09:26,449 --> 00:09:24,360

from Vice to New York Magazine to the

246

00:09:28,550 --> 00:09:26,459

guardian has slowly begun to pick this

247

00:09:30,590 --> 00:09:28,560

story up over the last few days which is

248

00:09:32,210 --> 00:09:30,600

encouraging but I think it's important

249

00:09:34,389 --> 00:09:32,220

to note that all that they've done is

250

00:09:36,889 --> 00:09:34,399

summarize the article as it was reported

251

00:09:38,690 --> 00:09:36,899

thus far we have yet to see any

252

00:09:40,850 --> 00:09:38,700

legitimate follow-up or investigation

253

00:09:43,070 --> 00:09:40,860

from any major news Outlet on these

254

00:09:45,410 --> 00:09:43,080

allegations I hope that within a few

255

00:09:47,269 --> 00:09:45,420

days this will no longer be the case The

256

00:09:49,009 --> 00:09:47,279

Silence of the Legacy Media on this

257

00:09:50,570 --> 00:09:49,019

matter is as shocking as it is

258

00:09:52,910 --> 00:09:50,580

unacceptable

259

00:09:55,190 --> 00:09:52,920

and on that note I'd like to give a huge

260

00:09:57,410 --> 00:09:55,200

shout out to Micah Hanks Lieutenant Tim

261

00:09:59,750 --> 00:09:57,420

McMillan and the whole team over at the

262

00:10:01,790 --> 00:09:59,760

debrief for their bravery and service in

263

00:10:04,430 --> 00:10:01,800

publishing this article the American

264

00:10:06,410 --> 00:10:04,440

people owe you a debt of gratitude

265

00:10:07,490 --> 00:10:06,420

so before we dive into the story I think

266

00:10:10,070 --> 00:10:07,500

it's important to get a little

267

00:10:11,930 --> 00:10:10,080

background on how we got here this

268

00:10:14,449 --> 00:10:11,940

whistleblower didn't just appear out of

269

00:10:16,250 --> 00:10:14,459

nowhere this was the result of years of

270

00:10:18,889 --> 00:10:16,260

work that kicked off with the publishing

271

00:10:21,350 --> 00:10:18,899

of the 2017 New York Times article

272

00:10:23,150 --> 00:10:21,360

that article created a firestorm in

273

00:10:25,310 --> 00:10:23,160

Washington and resulted in a lot of

274

00:10:27,050 --> 00:10:25,320

problems for Elizondo himself

275

00:10:28,910 --> 00:10:27,060

he had already walked away from his

276

00:10:31,190 --> 00:10:28,920

career and his pension when he resigned

277

00:10:32,990 --> 00:10:31,200

from his position in protest the

278

00:10:34,610 --> 00:10:33,000

sacrifice of a family man deciding to

279

00:10:36,350 --> 00:10:34,620

make that move because he believed it

280

00:10:38,750 --> 00:10:36,360

was the right thing to do is hard to

281

00:10:40,130 --> 00:10:38,760

fully convey but that ended up being the

282

00:10:42,470 --> 00:10:40,140

least of his worries

283

00:10:44,630 --> 00:10:42,480

according to Elizondo the Pentagon

284

00:10:46,130 --> 00:10:44,640

illegally deleted some of his files in

285

00:10:48,530 --> 00:10:46,140

order to make it appear that he had

286

00:10:50,269 --> 00:10:48,540

never worked as a member of atip what

287

00:10:52,130 --> 00:10:50,279

appeared to be a pretty clear campaign

288

00:10:54,230 --> 00:10:52,140

was launched to discredit him personally

289

00:10:55,490 --> 00:10:54,240

and professionally in retaliation for

290

00:10:57,290 --> 00:10:55,500

coming forward

291

00:10:58,970 --> 00:10:57,300

and while none of this has been proven

292

00:11:00,889 --> 00:10:58,980

yet it's important to note that the

293

00:11:02,810 --> 00:11:00,899

inspector General has taken these claims

294

00:11:05,090 --> 00:11:02,820

very seriously and has launched an

295

00:11:07,009 --> 00:11:05,100

investigation into the matter

296

00:11:09,410 --> 00:11:07,019

Beyond just the potential retaliation

297

00:11:10,910 --> 00:11:09,420

that whistleblowers face as well as the

298

00:11:13,009 --> 00:11:10,920

potential loss of their livelihood and

299

00:11:15,710 --> 00:11:13,019

pensions there was another very real

300

00:11:18,530 --> 00:11:15,720

problem there was no clear method of

301
00:11:20,750 --> 00:11:18,540
reporting anything to do with uaps and

302
00:11:22,910 --> 00:11:20,760
no clear place to report it

303
00:11:24,650 --> 00:11:22,920
after the shuttering of atip there

304
00:11:27,170 --> 00:11:24,660
technically wasn't anyone investigating

305
00:11:28,970 --> 00:11:27,180
those things so even if you could find

306
00:11:32,150 --> 00:11:28,980
someone to tell there was no real

307
00:11:34,790 --> 00:11:32,160
mechanism or funding or staff for anyone

308
00:11:36,290 --> 00:11:34,800
to investigate those claims further so

309
00:11:37,970 --> 00:11:36,300
why would you take that risk with your

310
00:11:39,710 --> 00:11:37,980
career and your ability to feed your

311
00:11:41,630 --> 00:11:39,720
family when you know that running this

312
00:11:44,210 --> 00:11:41,640
information of the flagpole won't result

313
00:11:46,910 --> 00:11:44,220

in anything but problems for you to drag

314

00:11:48,110 --> 00:11:46,920

UAP secrecy into the light Elizondo and

315

00:11:50,030 --> 00:11:48,120

his colleagues needed other

316

00:11:52,009 --> 00:11:50,040

whistleblowers to step forward and share

317

00:11:54,470 --> 00:11:52,019

what they knew and they had their work

318

00:11:56,150 --> 00:11:54,480

cut out for them they not only had to

319

00:11:58,009 --> 00:11:56,160

make it safe for whistleblowers to come

320

00:12:00,230 --> 00:11:58,019

forward which would involve getting the

321

00:12:02,810 --> 00:12:00,240

collective bipartisan will of a highly

322

00:12:05,269 --> 00:12:02,820

partisan Congress behind them but they

323

00:12:07,190 --> 00:12:05,279

had to get the resources expertise and

324

00:12:09,769 --> 00:12:07,200

Authority needed for someone to actually

325

00:12:11,449 --> 00:12:09,779

act on this information which would also

326

00:12:13,250 --> 00:12:11,459

take an act of Congress

327

00:12:16,069 --> 00:12:13,260

Elizondo and many other Washington

328

00:12:18,470 --> 00:12:16,079

insiders got to work on this they spent

329

00:12:20,569 --> 00:12:18,480

years talking to Congress raising

330

00:12:23,630 --> 00:12:20,579

Awareness on this issue helping to draft

331

00:12:25,670 --> 00:12:23,640

legislation Etc in order to put all of

332

00:12:26,870 --> 00:12:25,680

the pieces in place in order to make

333

00:12:28,910 --> 00:12:26,880

this happen

334

00:12:31,130 --> 00:12:28,920

everything about this bombshell

335

00:12:33,410 --> 00:12:31,140

whistleblower story wouldn't be possible

336

00:12:35,990 --> 00:12:33,420

without their tireless efforts

337

00:12:37,610 --> 00:12:36,000

by 2020 the pressure from Congress to

338

00:12:40,550 --> 00:12:37,620

take this national security threat

339

00:12:43,610 --> 00:12:40,560

seriously reached a crescendo on August

340

00:12:46,250 --> 00:12:43,620

4th 2020 Deputy defense secretary David

341

00:12:48,710 --> 00:12:46,260

norquist announced the creation of the

342

00:12:50,870 --> 00:12:48,720

unidentified aerial phenomena task force

343

00:12:53,870 --> 00:12:50,880

the mission of the task force was to

344

00:12:55,670 --> 00:12:53,880

detect analyze and catalog uaps that

345

00:12:57,170 --> 00:12:55,680

could potentially pose a threat to U.S

346

00:13:00,350 --> 00:12:57,180

national security

347

00:13:02,629 --> 00:13:00,360

the following summer on June 25th 2021

348

00:13:05,449 --> 00:13:02,639

the office of the Director of National

349

00:13:08,509 --> 00:13:05,459

Intelligence released a report on uaps

350

00:13:12,769 --> 00:13:08,519

the report found that the UAP task force

351
00:13:15,970 --> 00:13:12,779
was unable to identify 143 of 144

352
00:13:19,250 --> 00:13:15,980
objects spotted between 2004 and 2021

353
00:13:21,230 --> 00:13:19,260
the report also said that 18 of these

354
00:13:23,750 --> 00:13:21,240
objects featured unusual movement

355
00:13:25,850 --> 00:13:23,760
patterns or flight characteristics and

356
00:13:27,470 --> 00:13:25,860
more analysis was needed to determine if

357
00:13:30,290 --> 00:13:27,480
those sightings represented breakthrough

358
00:13:32,389 --> 00:13:30,300
technology the report noted that some of

359
00:13:34,790 --> 00:13:32,399
these steps were resource intensive and

360
00:13:37,129 --> 00:13:34,800
required additional investment

361
00:13:40,069 --> 00:13:37,139
the UAP task force continued their work

362
00:13:41,569 --> 00:13:40,079
until July 2022 when it was announced

363
00:13:43,370 --> 00:13:41,579

that it would be replaced with a new

364

00:13:46,129 --> 00:13:43,380

office within the United States Office

365

00:13:48,829 --> 00:13:46,139

of the Secretary of Defense called the

366

00:13:51,889 --> 00:13:48,839

all-domain anomaly resolution office or

367

00:13:53,930 --> 00:13:51,899

Aero we owe the creation of arrow to the

368

00:13:56,150 --> 00:13:53,940

gillibrand amendment which passed as a

369

00:13:57,829 --> 00:13:56,160

part of the 2022 National Defense

370

00:14:00,410 --> 00:13:57,839

authorization Act

371

00:14:02,750 --> 00:14:00,420

as the name implies this new office was

372

00:14:05,810 --> 00:14:02,760

looking for anomalous objects not just

373

00:14:08,750 --> 00:14:05,820

in the sky but in all domains this means

374

00:14:10,250 --> 00:14:08,760

in the air in the sea on the land and

375

00:14:12,769 --> 00:14:10,260

even in space

376
00:14:15,889 --> 00:14:12,779
this created one single Clearinghouse

377
00:14:17,930 --> 00:14:15,899
for all reports of unidentified objects

378
00:14:20,090 --> 00:14:17,940
era was tasked with continuing the

379
00:14:22,069 --> 00:14:20,100
investigation begun by the UAP task

380
00:14:24,350 --> 00:14:22,079
force they were put in charge of

381
00:14:27,410 --> 00:14:24,360
investigating reporting and sharing all

382
00:14:29,090 --> 00:14:27,420
UAP data specifically they were tasked

383
00:14:30,769 --> 00:14:29,100
with providing an annual report to

384
00:14:33,290 --> 00:14:30,779
Congress summarizing all of their

385
00:14:35,629 --> 00:14:33,300
findings this report was required to be

386
00:14:37,009 --> 00:14:35,639
delivered in a non-classified format but

387
00:14:39,470 --> 00:14:37,019
it was allowed to have a classified

388
00:14:40,910 --> 00:14:39,480

Annex so basically there's the

389

00:14:42,769 --> 00:14:40,920

non-classified version of the report

390

00:14:45,110 --> 00:14:42,779

that can be shared with the public

391

00:14:46,850 --> 00:14:45,120

but classified information pertaining to

392

00:14:49,189 --> 00:14:46,860

the report could be shared with Congress

393

00:14:51,230 --> 00:14:49,199

privately they also were charged with

394

00:14:53,389 --> 00:14:51,240

creating procedures for military and

395

00:14:55,910 --> 00:14:53,399

civilian Personnel working in any

396

00:14:58,069 --> 00:14:55,920

capacity for the dod or the intelligence

397

00:15:01,370 --> 00:14:58,079

Community to report incidents or

398

00:15:03,530 --> 00:15:01,380

information about uaps including adverse

399

00:15:06,710 --> 00:15:03,540

physiological effects associated with

400

00:15:08,750 --> 00:15:06,720

uaps and as a side note if you haven't

401
00:15:11,329 --> 00:15:08,760
looked at the actual legislation as it's

402
00:15:12,829 --> 00:15:11,339
written it's worth taking the time we

403
00:15:15,230 --> 00:15:12,839
may not know what classified information

404
00:15:17,569 --> 00:15:15,240
is being shared with Congress but when

405
00:15:19,970 --> 00:15:17,579
words like adverse physiological effects

406
00:15:21,829 --> 00:15:19,980
are included in the legislation you can

407
00:15:23,990 --> 00:15:21,839
get a hint about the kinds of reports

408
00:15:26,389 --> 00:15:24,000
that they've been privy to the creation

409
00:15:28,430 --> 00:15:26,399
of Arrow was groundbreaking but we still

410
00:15:30,470 --> 00:15:28,440
had a fundamental problem we had

411
00:15:32,090 --> 00:15:30,480
indications for years that there are

412
00:15:34,189 --> 00:15:32,100
various elements within the Pentagon

413
00:15:36,650 --> 00:15:34,199

that have been intentionally withholding

414

00:15:37,910 --> 00:15:36,660

information about uaps I don't want to

415

00:15:40,009 --> 00:15:37,920

get totally sidetracked with this

416

00:15:41,930 --> 00:15:40,019

discussion right now but just consider

417

00:15:44,689 --> 00:15:41,940

the fact that the initial three leaked

418

00:15:47,930 --> 00:15:44,699

videos of UFOs that were featured in the

419

00:15:49,610 --> 00:15:47,940

2017 New York Times article and all of

420

00:15:51,829 --> 00:15:49,620

the military Pilots that stepped forward

421

00:15:54,710 --> 00:15:51,839

to talk about their encounters were from

422

00:15:56,870 --> 00:15:54,720

the Navy and the UAP task force was

423

00:16:00,110 --> 00:15:56,880

initially set up under Navy intelligence

424

00:16:01,910 --> 00:16:00,120

so the obvious question becomes where is

425

00:16:04,370 --> 00:16:01,920

the Air Force in all of this

426
00:16:06,650 --> 00:16:04,380
they're very conspicuous silence is hard

427
00:16:09,050 --> 00:16:06,660
to ignore and it gives you a sense of

428
00:16:11,509 --> 00:16:09,060
what we might be dealing with here

429
00:16:13,250 --> 00:16:11,519
so a major problem was that Arrow didn't

430
00:16:14,629 --> 00:16:13,260
have a good way to make any of the

431
00:16:17,030 --> 00:16:14,639
various branches of the military

432
00:16:20,150 --> 00:16:17,040
intelligence apparatus share their data

433
00:16:22,250 --> 00:16:20,160
on uaps there was no real mechanism for

434
00:16:24,530 --> 00:16:22,260
Arrow to either find those programs or

435
00:16:26,449 --> 00:16:24,540
to make them share their information so

436
00:16:28,370 --> 00:16:26,459
the only hope became that individuals

437
00:16:30,170 --> 00:16:28,380
within those special access programs

438
00:16:32,210 --> 00:16:30,180

might be willing to come forward and

439

00:16:34,370 --> 00:16:32,220

share what they knew but as we've

440

00:16:36,829 --> 00:16:34,380

already discussed that's a lot to ask of

441

00:16:38,749 --> 00:16:36,839

people being a whistleblower for highly

442

00:16:41,030 --> 00:16:38,759

classified programs could result in

443

00:16:43,069 --> 00:16:41,040

various forms of retaliation people

444

00:16:46,189 --> 00:16:43,079

could be blacklisted lose their security

445

00:16:47,810 --> 00:16:46,199

clearances end up in jail or worse so

446

00:16:49,370 --> 00:16:47,820

there needed to be a way to ensure that

447

00:16:51,290 --> 00:16:49,380

whistleblowers could be protected from

448

00:16:54,230 --> 00:16:51,300

blowback as much as possible

449

00:16:56,930 --> 00:16:54,240

that protection came in December 2022

450

00:16:59,689 --> 00:16:56,940

when the 2023 National Defense

451
00:17:01,430 --> 00:16:59,699
authorization Act was signed into law in

452
00:17:03,290 --> 00:17:01,440
this legislation it was language to

453
00:17:05,210 --> 00:17:03,300
protect whistleblowers who wanted to

454
00:17:07,610 --> 00:17:05,220
share what they knew about uaps with

455
00:17:09,049 --> 00:17:07,620
Congress and with arrow which is how it

456
00:17:11,150 --> 00:17:09,059
is that we are hearing about David

457
00:17:13,429 --> 00:17:11,160
Charles grush today

458
00:17:15,169 --> 00:17:13,439
so who is David grush

459
00:17:16,610 --> 00:17:15,179
David grush is quite an impressive

460
00:17:19,909 --> 00:17:16,620
resume when it comes to investigating

461
00:17:22,490 --> 00:17:19,919
uaps a decorated former combat officer

462
00:17:25,069 --> 00:17:22,500
who served in Afghanistan gracious had a

463
00:17:27,049 --> 00:17:25,079

long career in intelligence with over 14

464

00:17:29,090 --> 00:17:27,059

years under his belt Russia's background

465

00:17:31,490 --> 00:17:29,100

is deeply rooted in advancing American

466

00:17:32,870 --> 00:17:31,500

Security through covert and clandestine

467

00:17:34,730 --> 00:17:32,880

operations

468

00:17:37,370 --> 00:17:34,740

part of grush's intriguing career

469

00:17:39,230 --> 00:17:37,380

Journey includes time at two key U.S

470

00:17:41,870 --> 00:17:39,240

government agencies the National

471

00:17:44,270 --> 00:17:41,880

geospatial Intelligence Agency or the

472

00:17:47,510 --> 00:17:44,280

NGA and the national reconnaissance

473

00:17:49,610 --> 00:17:47,520

office or the nro the NGA focuses on

474

00:17:52,010 --> 00:17:49,620

providing geospatial intelligence for

475

00:17:53,870 --> 00:17:52,020

national security purposes meaning they

476
00:17:55,909 --> 00:17:53,880
analyze and distribute all sorts of

477
00:17:58,430 --> 00:17:55,919
geographic information including

478
00:18:00,950 --> 00:17:58,440
satellite imagery and Maps they support

479
00:18:02,630 --> 00:18:00,960
everything from military operations to

480
00:18:05,750 --> 00:18:02,640
Disaster Response

481
00:18:07,250 --> 00:18:05,760
at the NGA Crush wore many hats he

482
00:18:10,010 --> 00:18:07,260
served as a senior intelligence

483
00:18:12,470 --> 00:18:10,020
capabilities integration officer cleared

484
00:18:14,870 --> 00:18:12,480
at the top secret secret compartmented

485
00:18:16,970 --> 00:18:14,880
information level and was the agency's

486
00:18:20,630 --> 00:18:16,980
senior technical advisor for UAP

487
00:18:24,710 --> 00:18:20,640
analysis slash transmedium issues from

488
00:18:27,590 --> 00:18:24,720

late 2021 to July 2022 he co-led the

489

00:18:30,950 --> 00:18:27,600

nga's UAP analysis and represented the

490

00:18:33,049 --> 00:18:30,960

agency in the UAP task force

491

00:18:34,250 --> 00:18:33,059

the national reconnaissance office on

492

00:18:36,590 --> 00:18:34,260

the other hand is all about

493

00:18:38,210 --> 00:18:36,600

reconnaissance satellites their mission

494

00:18:40,190 --> 00:18:38,220

is to gather critical intelligence

495

00:18:42,770 --> 00:18:40,200

information to support National Security

496

00:18:44,630 --> 00:18:42,780

and defense objectives working closely

497

00:18:46,970 --> 00:18:44,640

with other agencies in the Department of

498

00:18:49,070 --> 00:18:46,980

Defense to collect and analyze data from

499

00:18:51,590 --> 00:18:49,080

space-based systems

500

00:18:54,110 --> 00:18:51,600

in gresham's time at the nro he served

501
00:18:57,230 --> 00:18:54,120
as senior intelligence officer from 2016

502
00:18:59,450 --> 00:18:57,240
to 2021 and led the production of the

503
00:19:00,409 --> 00:18:59,460
nro director's Daily Briefing to the

504
00:19:02,210 --> 00:19:00,419
president

505
00:19:03,529 --> 00:19:02,220
he held a civilian role that was

506
00:19:06,529 --> 00:19:03,539
equivalent and ranked to a military

507
00:19:08,690 --> 00:19:06,539
Colonel he also acted as the nro's

508
00:19:12,110 --> 00:19:08,700
representative to the UAP task force

509
00:19:13,669 --> 00:19:12,120
between 2019 and 2021. a big part of

510
00:19:15,770 --> 00:19:13,679
Russia's role while working with the

511
00:19:19,130 --> 00:19:15,780
government involved briefing Congress on

512
00:19:21,169 --> 00:19:19,140
uaps he also contributed to drafting UAP

513
00:19:24,049 --> 00:19:21,179

related language for the fiscal year

514

00:19:26,210 --> 00:19:24,059

2023 National Defense authorization act

515

00:19:28,070 --> 00:19:26,220

that contained The Very whistleblower

516

00:19:29,690 --> 00:19:28,080

protections that he later used to come

517

00:19:31,250 --> 00:19:29,700

forward about his story

518

00:19:32,690 --> 00:19:31,260

stick a pin in that because we're going

519

00:19:35,510 --> 00:19:32,700

to come back to it

520

00:19:37,370 --> 00:19:35,520

so in summation grush was a high-level

521

00:19:39,830 --> 00:19:37,380

intelligence officer and investigator

522

00:19:42,049 --> 00:19:39,840

who was working at the intersection of

523

00:19:44,450 --> 00:19:42,059

several government agencies that had

524

00:19:47,630 --> 00:19:44,460

access to the pertinent data needed to

525

00:19:50,150 --> 00:19:47,640

meaningfully investigate uaps and as a

526

00:19:52,370 --> 00:19:50,160

member of the UAP task force he was both

527

00:19:54,770 --> 00:19:52,380

privity to the ongoing investigations into

528

00:19:57,350 --> 00:19:54,780

uaps and was tasked with regularly

529

00:19:59,150 --> 00:19:57,360

reporting those findings to Congress

530

00:20:02,510 --> 00:19:59,160

based on what he learned in those

531

00:20:05,270 --> 00:20:02,520

positions on April 7th 2023 like

532

00:20:07,310 --> 00:20:05,280

Elizondo before him grush decided to

533

00:20:09,230 --> 00:20:07,320

leave his government position to promote

534

00:20:11,570 --> 00:20:09,240

government accountability on the UAP

535

00:20:13,250 --> 00:20:11,580

issue through public awareness

536

00:20:15,890 --> 00:20:13,260

so before we get into the specific

537

00:20:17,930 --> 00:20:15,900

allegations made by grush let's look at

538

00:20:19,730 --> 00:20:17,940

who he's already talked to it's

539

00:20:22,130 --> 00:20:19,740

important to note that grush didn't go

540

00:20:23,570 --> 00:20:22,140

directly to the media but rather he has

541

00:20:25,310 --> 00:20:23,580

done all of this through the proper

542

00:20:28,010 --> 00:20:25,320

channels set up by the Whistleblower

543

00:20:30,470 --> 00:20:28,020

legislation passed by the ndaa

544

00:20:32,870 --> 00:20:30,480

in doing so David grush has provided

545

00:20:34,610 --> 00:20:32,880

hours of testimony while under oath to

546

00:20:36,289 --> 00:20:34,620

Congress and the intelligence Community

547

00:20:38,450 --> 00:20:36,299

Inspector General

548

00:20:39,770 --> 00:20:38,460

it's also important to note that the

549

00:20:41,990 --> 00:20:39,780

statements that he made to Congress

550

00:20:43,549 --> 00:20:42,000

included classified information which he

551
00:20:46,130 --> 00:20:43,559
has not made public

552
00:20:48,289 --> 00:20:46,140
so what exactly has he said to Congress

553
00:20:49,909 --> 00:20:48,299
in his testimony before Congress David

554
00:20:52,310 --> 00:20:49,919
grush revealed classified information

555
00:20:54,350 --> 00:20:52,320
regarding covert programs that have been

556
00:20:57,230 --> 00:20:54,360
involved in the retrieval of craft of

557
00:20:58,789 --> 00:20:57,240
non-human origin he emphasized that

558
00:21:01,789 --> 00:20:58,799
these recoveries have been taking place

559
00:21:04,549 --> 00:21:01,799
for decades involving the government its

560
00:21:06,110 --> 00:21:04,559
allies and defense contractors the

561
00:21:08,090 --> 00:21:06,120
analysis conducted on the retrieved

562
00:21:10,730 --> 00:21:08,100
objects has led to the conclusion that

563
00:21:13,250 --> 00:21:10,740

they are of exotic origin possessing

564

00:21:15,230 --> 00:21:13,260

unique Atomic Arrangements radiological

565

00:21:17,810 --> 00:21:15,240

signatures and distinct vehicle

566

00:21:19,669 --> 00:21:17,820

morphologies grush stressed that the

567

00:21:22,970 --> 00:21:19,679

material in question includes both

568

00:21:25,730 --> 00:21:22,980

intact and partially intact vehicles

569

00:21:27,409 --> 00:21:25,740

grush further asserted that UFO Legacy

570

00:21:30,289 --> 00:21:27,419

programs have been concealed within

571

00:21:31,909 --> 00:21:30,299

multiple agencies hiding UAP activities

572

00:21:34,070 --> 00:21:31,919

under conventional secret access

573

00:21:36,470 --> 00:21:34,080

programs without proper reporting to

574

00:21:38,690 --> 00:21:36,480

oversight authorities he informed

575

00:21:41,210 --> 00:21:38,700

Congress about a long-standing publicly

576
00:21:43,190 --> 00:21:41,220
unknown Cold War centered around the

577
00:21:47,210 --> 00:21:43,200
recovery and exploitation of physical

578
00:21:49,370 --> 00:21:47,220
material from UAP crashes and Landings

579
00:21:51,470 --> 00:21:49,380
this competition with near peer

580
00:21:52,909 --> 00:21:51,480
adversaries which basically refers to

581
00:21:55,430 --> 00:21:52,919
anyone with a military that we would

582
00:21:57,350 --> 00:21:55,440
legitimately need to worry about aim to

583
00:21:59,390 --> 00:21:57,360
gain asymmetric National Defense

584
00:22:01,370 --> 00:21:59,400
advantages through reverse engineering

585
00:22:03,710 --> 00:22:01,380
and exploitation

586
00:22:05,230 --> 00:22:03,720
gracious provided congress with hours of

587
00:22:07,630 --> 00:22:05,240
recorded classified information

588
00:22:09,890 --> 00:22:07,640

transcribed into hundreds of pages

589

00:22:12,470 --> 00:22:09,900

specifically detailing the materials

590

00:22:14,510 --> 00:22:12,480

recovery program however no physical

591

00:22:16,669 --> 00:22:14,520

materials related to the wreckage or

592

00:22:19,430 --> 00:22:16,679

non-human objects have been provided to

593

00:22:21,890 --> 00:22:19,440

Congress thus far Russia's investigation

594

00:22:23,529 --> 00:22:21,900

relied on extensive interviews with

595

00:22:26,149 --> 00:22:23,539

high-level intelligence officials

596

00:22:27,230 --> 00:22:26,159

including those directly involved in the

597

00:22:29,270 --> 00:22:27,240

program

598

00:22:31,130 --> 00:22:29,280

he emphasized that the operation had

599

00:22:33,409 --> 00:22:31,140

been shielded from proper Congressional

600

00:22:35,330 --> 00:22:33,419

oversight and he personally experienced

601
00:22:36,590 --> 00:22:35,340
targeting and harassment due to his

602
00:22:38,390 --> 00:22:36,600
investigation

603
00:22:40,850 --> 00:22:38,400
gresh highlighted that the craft

604
00:22:42,890 --> 00:22:40,860
recovery operations are ongoing at

605
00:22:44,750 --> 00:22:42,900
different levels of activity and that he

606
00:22:47,450 --> 00:22:44,760
possesses knowledge of the individuals

607
00:22:50,029 --> 00:22:47,460
both current and former who are involved

608
00:22:52,549 --> 00:22:50,039
in these operations according to him

609
00:22:54,549 --> 00:22:52,559
individuals on these UAP programs

610
00:22:56,630 --> 00:22:54,559
approached him in his official capacity

611
00:22:59,149 --> 00:22:56,640
expressing concerns about various

612
00:23:00,470 --> 00:22:59,159
wrongdoings such as illegal Contracting

613
00:23:03,770 --> 00:23:00,480

and the suppression of information

614

00:23:05,690 --> 00:23:03,780

across industrial and academic sectors

615

00:23:07,370 --> 00:23:05,700

Associates who vouched for grush

616

00:23:09,230 --> 00:23:07,380

confirmed the sensitivity of his

617

00:23:11,390 --> 00:23:09,240

information and provided evidence that

618

00:23:13,850 --> 00:23:11,400

materials from objects of non-human

619

00:23:16,430 --> 00:23:13,860

origin are held by highly secretive

620

00:23:18,110 --> 00:23:16,440

black programs while specific details

621

00:23:20,810 --> 00:23:18,120

regarding the locations and program

622

00:23:22,490 --> 00:23:20,820

names remain classified the Inspector

623

00:23:23,990 --> 00:23:22,500

General and the intelligence committee

624

00:23:25,190 --> 00:23:24,000

staff were provided with this

625

00:23:27,409 --> 00:23:25,200

information

626

00:23:29,330 --> 00:23:27,419

additionally several current members of

627

00:23:31,130 --> 00:23:29,340

the recovery program have corroborated

628

00:23:32,770 --> 00:23:31,140

grush's information and conversations

629

00:23:35,149 --> 00:23:32,780

with the inspector General's office

630

00:23:37,010 --> 00:23:35,159

supporting the claims made in his

631

00:23:38,690 --> 00:23:37,020

classified complaint

632

00:23:40,490 --> 00:23:38,700

so something that may have jumped out at

633

00:23:42,710 --> 00:23:40,500

you while reviewing what Crush has

634

00:23:44,810 --> 00:23:42,720

shared with Congress is that he's not

635

00:23:47,450 --> 00:23:44,820

saying that he's actually seen any

636

00:23:49,130 --> 00:23:47,460

direct evidence or even photos to

637

00:23:51,110 --> 00:23:49,140

corroborate the non-human craft

638

00:23:53,390 --> 00:23:51,120

allegedly in the possession of the

639

00:23:55,730 --> 00:23:53,400

secret crash retrieval program

640

00:23:57,470 --> 00:23:55,740

this has led many to question crush's

641

00:24:00,110 --> 00:23:57,480

claims and to dismiss what he's saying

642

00:24:02,270 --> 00:24:00,120

as hearsay and listen I can see how

643

00:24:04,070 --> 00:24:02,280

people get there but having spent the

644

00:24:05,870 --> 00:24:04,080

last several days doing a deep dive on

645

00:24:07,370 --> 00:24:05,880

this story I'd like to offer an

646

00:24:09,289 --> 00:24:07,380

important perspective on this situation

647

00:24:11,870 --> 00:24:09,299

that seems to be getting lost in the

648

00:24:13,669 --> 00:24:11,880

noise first of all we need to recognize

649

00:24:16,310 --> 00:24:13,679

that grush's public statements were

650

00:24:18,470 --> 00:24:16,320

cleared by the dod back in early April

651
00:24:20,930 --> 00:24:18,480
and we need to be clear about what that

652
00:24:23,090 --> 00:24:20,940
means and what it doesn't mean it

653
00:24:25,430 --> 00:24:23,100
doesn't mean that the dod is saying that

654
00:24:27,350 --> 00:24:25,440
his statements are factually accurate or

655
00:24:29,930 --> 00:24:27,360
even that they approve of him saying it

656
00:24:32,690 --> 00:24:29,940
it only means that they have cleared his

657
00:24:35,090 --> 00:24:32,700
statements insofar as they won don't

658
00:24:38,330 --> 00:24:35,100
reveal classified information and two

659
00:24:40,549 --> 00:24:38,340
don't put National Security at risk

660
00:24:42,649 --> 00:24:40,559
if grush didn't directly see the craft

661
00:24:45,830 --> 00:24:42,659
then he isn't technically revealing

662
00:24:48,350 --> 00:24:45,840
classified information it's hearsay so

663
00:24:50,390 --> 00:24:48,360

for the dod to deny his request to make

664

00:24:51,950 --> 00:24:50,400

these public statements would have both

665

00:24:53,990 --> 00:24:51,960

acknowledged that the information was

666

00:24:56,690 --> 00:24:54,000

classified and that it was accurate

667

00:24:58,010 --> 00:24:56,700

otherwise why is it classified the same

668

00:25:00,590 --> 00:24:58,020

can be said of the National Security

669

00:25:02,930 --> 00:25:00,600

risk it was in the best interest of the

670

00:25:05,210 --> 00:25:02,940

dod in this situation to approve his

671

00:25:07,370 --> 00:25:05,220

request and hope the story gets buried

672

00:25:08,810 --> 00:25:07,380

it allows them to maintain plausible

673

00:25:10,970 --> 00:25:08,820

deniability

674

00:25:13,310 --> 00:25:10,980

but what we also need to recognize here

675

00:25:15,169 --> 00:25:13,320

is that this means that someone who

676
00:25:17,630 --> 00:25:15,179
actually saw the physical evidence of

677
00:25:19,610 --> 00:25:17,640
the crash retrieval program could not do

678
00:25:22,250 --> 00:25:19,620
what crush is doing at least not

679
00:25:24,049 --> 00:25:22,260
publicly for someone to step forward on

680
00:25:26,450 --> 00:25:24,059
something like this and not immediately

681
00:25:27,950 --> 00:25:26,460
get the Edward Snowden treatment they

682
00:25:30,049 --> 00:25:27,960
can't be revealing classified

683
00:25:31,669 --> 00:25:30,059
information to the public

684
00:25:33,470 --> 00:25:31,679
Russia's distance from the evidence

685
00:25:35,630 --> 00:25:33,480
allows him to say things that people

686
00:25:37,610 --> 00:25:35,640
within these programs can't without

687
00:25:40,250 --> 00:25:37,620
going directly to jail

688
00:25:42,470 --> 00:25:40,260

so while I can't prove this all of this

689

00:25:45,110 --> 00:25:42,480

looks to be intentional to me in his

690

00:25:47,029 --> 00:25:45,120

role at the UAP task force grush served

691

00:25:49,730 --> 00:25:47,039

as a liaison to Congress providing them

692

00:25:51,649 --> 00:25:49,740

with regular reporting on the topic and

693

00:25:54,049 --> 00:25:51,659

even helping to draft the language in

694

00:25:56,690 --> 00:25:54,059

the ndaa I told you we'd come back to

695

00:25:58,909 --> 00:25:56,700

that it seems very likely to me that

696

00:26:00,590 --> 00:25:58,919

grush was very aware of and was perhaps

697

00:26:03,470 --> 00:26:00,600

even involved in crafting The

698

00:26:04,970 --> 00:26:03,480

Whistleblower legislation and he's a

699

00:26:07,370 --> 00:26:04,980

Savvy intelligence official who

700

00:26:08,810 --> 00:26:07,380

understands how all of this works I

701
00:26:10,490 --> 00:26:08,820
wouldn't be surprised to learn that

702
00:26:13,430 --> 00:26:10,500
grush knowing that the Whistleblower

703
00:26:15,310 --> 00:26:13,440
legislation was coming purposely did not

704
00:26:18,110 --> 00:26:15,320
view any direct evidence of The Craft

705
00:26:19,610 --> 00:26:18,120
everyone involved in this effort and all

706
00:26:20,990 --> 00:26:19,620
of the intelligence officials that came

707
00:26:23,510 --> 00:26:21,000
to him behind the scenes with this

708
00:26:25,010 --> 00:26:23,520
information would have known that that

709
00:26:27,950 --> 00:26:25,020
was the only way that he could actually

710
00:26:29,870 --> 00:26:27,960
get away with going public with it from

711
00:26:31,970 --> 00:26:29,880
where I'm sitting it looks like the goal

712
00:26:33,649 --> 00:26:31,980
wasn't to provide disclosure with full

713
00:26:36,289 --> 00:26:33,659

evidence that would not have been

714

00:26:38,210 --> 00:26:36,299

possible there are literally no legal

715

00:26:41,269 --> 00:26:38,220

Avenues to directly share classified

716

00:26:43,190 --> 00:26:41,279

information with the public instead the

717

00:26:45,289 --> 00:26:43,200

goal was to create enough noise to

718

00:26:47,570 --> 00:26:45,299

trigger an investigation that might be

719

00:26:49,070 --> 00:26:47,580

able to get to the truth and this is why

720

00:26:50,750 --> 00:26:49,080

I think it's so important to understand

721

00:26:53,570 --> 00:26:50,760

the full background of this story

722

00:26:55,310 --> 00:26:53,580

without that context it's impossible to

723

00:26:57,529 --> 00:26:55,320

get a sense of the game that's actually

724

00:26:59,810 --> 00:26:57,539

being played here the push for

725

00:27:02,149 --> 00:26:59,820

disclosure has been an elaborate game of

726

00:27:04,610 --> 00:27:02,159

3D chess played against the United

727

00:27:06,950 --> 00:27:04,620

States intelligence apparatus by some of

728

00:27:08,810 --> 00:27:06,960

its finest these people know where the

729

00:27:10,789 --> 00:27:08,820

bodies are buried they know how the

730

00:27:12,590 --> 00:27:10,799

system works and what they've managed to

731

00:27:14,210 --> 00:27:12,600

accomplish in the last five and a half

732

00:27:17,090 --> 00:27:14,220

years through sheer grit and

733

00:27:18,529 --> 00:27:17,100

determination is as inspiring as it is

734

00:27:20,390 --> 00:27:18,539

unprecedented

735

00:27:22,549 --> 00:27:20,400

so getting back to the gobsmacking

736

00:27:24,830 --> 00:27:22,559

claims the grushes made both under oath

737

00:27:27,710 --> 00:27:24,840

in front of Congress and now publicly

738

00:27:29,990 --> 00:27:27,720

the obvious next question is how do we

739

00:27:31,789 --> 00:27:30,000

know that David grush is credible and is

740

00:27:33,409 --> 00:27:31,799

who he says he is

741

00:27:35,750 --> 00:27:33,419

first of all I have to say that the

742

00:27:37,730 --> 00:27:35,760

debrief is doing an admirable job of

743

00:27:39,470 --> 00:27:37,740

providing transparency into how they

744

00:27:41,630 --> 00:27:39,480

vetted each and every claim in the

745

00:27:43,130 --> 00:27:41,640

article that they published there is a

746

00:27:45,169 --> 00:27:43,140

three-part series that they've released

747

00:27:47,450 --> 00:27:45,179

with investigative reporter Lieutenant

748

00:27:49,490 --> 00:27:47,460

Tim McMillan who led the fact checking

749

00:27:51,649 --> 00:27:49,500

effort that dives into all the details

750

00:27:53,630 --> 00:27:51,659

of how this was done it's too much to

751

00:27:55,130 --> 00:27:53,640

cover here in this episode but I'll link

752

00:27:57,169 --> 00:27:55,140

those in the episode brief so that you

753

00:27:58,970 --> 00:27:57,179

can take a look for yourself

754

00:28:00,470 --> 00:27:58,980

besides the extensive vetting that's

755

00:28:02,690 --> 00:28:00,480

been done by the journalists and the

756

00:28:04,190 --> 00:28:02,700

team at the debrief we also have high

757

00:28:05,870 --> 00:28:04,200

level members of the intelligence

758

00:28:08,630 --> 00:28:05,880

Community who have stepped forward to

759

00:28:11,049 --> 00:28:08,640

vouch for both rush and his claims

760

00:28:14,029 --> 00:28:11,059

first we have Carl E Nell

761

00:28:16,430 --> 00:28:14,039

is a recently retired army colonel and

762

00:28:18,830 --> 00:28:16,440

current Aerospace executive who is the

763

00:28:22,310 --> 00:28:18,840

Army's liaison for the UAP task force

764

00:28:24,950 --> 00:28:22,320

from 2021 to 2022 and worked with grush

765

00:28:27,350 --> 00:28:24,960

there in the article in the debrief Nell

766

00:28:29,149 --> 00:28:27,360

characterizes grush as quote Beyond

767

00:28:30,950 --> 00:28:29,159

reproach

768

00:28:33,350 --> 00:28:30,960

and next we have Christopher Mellon

769

00:28:35,029 --> 00:28:33,360

Chris Mellon former undersecretary of

770

00:28:37,310 --> 00:28:35,039

defense and one of the Insiders who

771

00:28:39,110 --> 00:28:37,320

worked most closely with Luis Elizondo

772

00:28:41,750 --> 00:28:39,120

in his efforts to drag this issue into

773

00:28:43,490 --> 00:28:41,760

the light also chimed in to corroborate

774

00:28:46,430 --> 00:28:43,500

grush's claims

775

00:28:48,470 --> 00:28:46,440

he said quote a number of well-placed

776

00:28:50,330 --> 00:28:48,480

current and former officials have shared

777

00:28:52,970 --> 00:28:50,340

detailed information with me regarding

778

00:28:55,490 --> 00:28:52,980

this alleged program including insights

779

00:28:57,409 --> 00:28:55,500

into the history governing documents and

780

00:29:00,350 --> 00:28:57,419

the location where Kraft was allegedly

781

00:29:01,789 --> 00:29:00,360

abandoned and recovered however it is a

782

00:29:03,590 --> 00:29:01,799

delicate matter getting this potentially

783

00:29:06,049 --> 00:29:03,600

explosive information into the right

784

00:29:08,269 --> 00:29:06,059

hands for validation this is made Harder

785

00:29:10,130 --> 00:29:08,279

by the fact that rightly or wrongly a

786

00:29:12,169 --> 00:29:10,140

number of potential sources do not trust

787

00:29:13,789 --> 00:29:12,179

the leadership of the all-domain anomaly

788

00:29:15,470 --> 00:29:13,799

resolution office established by

789

00:29:17,750 --> 00:29:15,480

Congress

790

00:29:19,669 --> 00:29:17,760

perhaps most intriguing are the comments

791

00:29:22,070 --> 00:29:19,679

made in the article by a man identified

792

00:29:23,930 --> 00:29:22,080

as Jonathan gray which is apparently not

793

00:29:25,250 --> 00:29:23,940

his real name but the name that he uses

794

00:29:27,470 --> 00:29:25,260

in his position

795

00:29:28,909 --> 00:29:27,480

gray is a generational officer of the

796

00:29:31,190 --> 00:29:28,919

United States intelligence Community

797

00:29:32,990 --> 00:29:31,200

with a top secret clearance Who

798

00:29:35,690 --> 00:29:33,000

currently works for the National Air and

799

00:29:37,850 --> 00:29:35,700

Space Intelligence Center or nasic

800

00:29:40,370 --> 00:29:37,860

where the analysis of uaps has been his

801
00:29:42,169 --> 00:29:40,380
Focus it's important to note that nasik

802
00:29:43,549 --> 00:29:42,179
headquartered at Wright-Patterson Air

803
00:29:45,950 --> 00:29:43,559
Force Base is the Department of

804
00:29:47,930 --> 00:29:45,960
defense's primary Air Force source for

805
00:29:50,029 --> 00:29:47,940
foreign Air and Space threat analysis

806
00:29:52,549 --> 00:29:50,039
its mission is to discover and

807
00:29:54,049 --> 00:29:52,559
characterize air space missile and cyber

808
00:29:55,190 --> 00:29:54,059
threats according to the agency's

809
00:29:58,370 --> 00:29:55,200
website

810
00:30:00,769 --> 00:29:58,380
in his comments gray said quote the

811
00:30:02,930 --> 00:30:00,779
existence of complex historical programs

812
00:30:05,570 --> 00:30:02,940
involving the coordinated retrieval and

813
00:30:07,850 --> 00:30:05,580

study of exotic materials dating back to

814

00:30:09,289 --> 00:30:07,860

the early 20th century should no longer

815

00:30:11,690 --> 00:30:09,299

remain a secret

816

00:30:13,669 --> 00:30:11,700

the majority of retrieved foreign exotic

817

00:30:16,970 --> 00:30:13,679

materials have a prosaic terrestrial

818

00:30:18,830 --> 00:30:16,980

explanation in origin but not all and

819

00:30:20,930 --> 00:30:18,840

any number higher than zero in this

820

00:30:23,149 --> 00:30:20,940

category represents an undeniably

821

00:30:23,990 --> 00:30:23,159

significant statistical percentage end

822

00:30:26,570 --> 00:30:24,000

quote

823

00:30:28,909 --> 00:30:26,580

he continued by saying a vast array of

824

00:30:31,130 --> 00:30:28,919

her most sophisticated sensors including

825

00:30:32,750 --> 00:30:31,140

space-based platforms have been utilized

826

00:30:35,210 --> 00:30:32,760

by different agencies

827

00:30:37,130 --> 00:30:35,220

typically in triplicate to observe and

828

00:30:39,830 --> 00:30:37,140

accurately identify the out of the world

829

00:30:41,690 --> 00:30:39,840

nature performance and design of these

830

00:30:44,870 --> 00:30:41,700

anomalous machines which are then

831

00:30:46,549 --> 00:30:44,880

determined not to be of Earthly origin

832

00:30:48,350 --> 00:30:46,559

and more highly placed officials

833

00:30:50,630 --> 00:30:48,360

continue to come to grush's defense

834

00:30:52,130 --> 00:30:50,640

speaking both to his integrity and

835

00:30:54,590 --> 00:30:52,140

calling for this matter to be taken

836

00:30:56,750 --> 00:30:54,600

seriously by Congress in a show of

837

00:30:59,389 --> 00:30:56,760

support Jim shell the former Chief

838

00:31:02,029 --> 00:30:59,399

scientist for Air Force Base command now

839

00:31:04,549 --> 00:31:02,039

known as the U.S space force set in a

840

00:31:06,710 --> 00:31:04,559

recent LinkedIn post quote I will vouch

841

00:31:08,990 --> 00:31:06,720

for the Integrity of Dave grush

842

00:31:10,730 --> 00:31:09,000

in his statement shell did not rule out

843

00:31:12,769 --> 00:31:10,740

gracious claims that materials of

844

00:31:14,450 --> 00:31:12,779

non-human origin are held by the U.S

845

00:31:17,149 --> 00:31:14,460

government its allies and defense

846

00:31:19,190 --> 00:31:17,159

contractors he added quote

847

00:31:21,409 --> 00:31:19,200

getting to the bottom of this is Elusive

848

00:31:23,330 --> 00:31:21,419

and problematic to say the least

849

00:31:26,029 --> 00:31:23,340

I will assert no matter the conclusion

850

00:31:28,970 --> 00:31:26,039

of extraterrestrial materials or not the

851

00:31:31,549 --> 00:31:28,980

dod and IC security apparatus is in

852

00:31:34,130 --> 00:31:31,559

trouble and unwitting accomplices are

853

00:31:35,930 --> 00:31:34,140

fostering an abusive system

854

00:31:38,510 --> 00:31:35,940

Beyond these high-level officials

855

00:31:40,130 --> 00:31:38,520

corroborating his claims we also have a

856

00:31:41,870 --> 00:31:40,140

hint that David grush is telling the

857

00:31:43,970 --> 00:31:41,880

truth and the fact that his claims have

858

00:31:45,950 --> 00:31:43,980

caused alleged retaliation against him

859

00:31:47,750 --> 00:31:45,960

that were well supported enough to have

860

00:31:49,730 --> 00:31:47,760

been taken seriously by the intelligence

861

00:31:53,090 --> 00:31:49,740

Community Inspector General

862

00:31:55,730 --> 00:31:53,100

in May 2022 grush represented by his

863

00:31:56,990 --> 00:31:55,740

lawyer Charles McCullig III filed a

864

00:31:58,810 --> 00:31:57,000

significant complaint with the

865

00:32:01,250 --> 00:31:58,820

intelligence Community Inspector General

866

00:32:03,350 --> 00:32:01,260

regarding classified information he

867

00:32:06,169 --> 00:32:03,360

compiled while working for the UAP task

868

00:32:08,330 --> 00:32:06,179

force since 2019. according to the

869

00:32:10,310 --> 00:32:08,340

released version of this complaint grush

870

00:32:12,409 --> 00:32:10,320

claimed that certain factions within the

871

00:32:14,990 --> 00:32:12,419

intelligence Community purposefully

872

00:32:17,389 --> 00:32:15,000

concealed UAP related information from

873

00:32:20,389 --> 00:32:17,399

Congress inhibiting legitimate oversight

874

00:32:22,430 --> 00:32:20,399

of the UAP program grush had shared this

875

00:32:24,049 --> 00:32:22,440

classified data confidentially with the

876
00:32:26,510 --> 00:32:24,059
Department of Defense Inspector General

877
00:32:28,970 --> 00:32:26,520
back in July 2021

878
00:32:30,769 --> 00:32:28,980
however grush reported that his identity

879
00:32:32,450 --> 00:32:30,779
and his role in the testimony were

880
00:32:33,889 --> 00:32:32,460
revealed to individuals within the

881
00:32:35,690 --> 00:32:33,899
Department of Defense and the

882
00:32:37,370 --> 00:32:35,700
intelligence Community although he

883
00:32:39,649 --> 00:32:37,380
didn't accuse the inspector General's

884
00:32:41,990 --> 00:32:39,659
office of inappropriate disclosure

885
00:32:45,289 --> 00:32:42,000
following this grush experienced months

886
00:32:46,970 --> 00:32:45,299
of retaliation starting in 2021 while he

887
00:32:48,649 --> 00:32:46,980
requested that the specifics of these

888
00:32:51,230 --> 00:32:48,659

reprisals be kept Under Wraps to

889

00:32:53,810 --> 00:32:51,240

safeguard the ongoing investigation his

890

00:32:55,490 --> 00:32:53,820

complaint was deemed quote credible and

891

00:32:58,850 --> 00:32:55,500

Urgent by the intelligence Community

892

00:33:01,130 --> 00:32:58,860

Inspector General in July 2022

893

00:33:02,870 --> 00:33:01,140

mcculligan is managing partner penned

894

00:33:05,210 --> 00:33:02,880

the complaint which concluded with gresh

895

00:33:07,669 --> 00:33:05,220

affirming under the penalties of perjury

896

00:33:10,010 --> 00:33:07,679

the veracity of the information provided

897

00:33:12,590 --> 00:33:10,020

this led to the initiation of a

898

00:33:14,509 --> 00:33:12,600

whistleblower reprisal investigation and

899

00:33:17,149 --> 00:33:14,519

grush commenced private discussions with

900

00:33:19,430 --> 00:33:17,159

Congressional intelligence committees

901
00:33:21,289 --> 00:33:19,440
so the question becomes if there are

902
00:33:23,990 --> 00:33:21,299
forces within the dod who are

903
00:33:26,330 --> 00:33:24,000
retaliating against Crush then what is

904
00:33:28,130 --> 00:33:26,340
their motivation for doing so what would

905
00:33:29,810 --> 00:33:28,140
be the motivation of retaliating against

906
00:33:31,430 --> 00:33:29,820
a whistleblower unless there was

907
00:33:32,570 --> 00:33:31,440
ultimately some truth to what they were

908
00:33:34,310 --> 00:33:32,580
alleging

909
00:33:37,009 --> 00:33:34,320
it's also worth pointing out that

910
00:33:39,470 --> 00:33:37,019
grush's lawyer Charles McCullough III is

911
00:33:41,149 --> 00:33:39,480
quite an impressive figure himself he's

912
00:33:43,370 --> 00:33:41,159
a senior partner at the compass rose

913
00:33:45,110 --> 00:33:43,380

Legal Group in Washington and was the

914

00:33:47,450 --> 00:33:45,120

inaugural Inspector General of the

915

00:33:50,750 --> 00:33:47,460

intelligence Community confirmed by the

916

00:33:52,850 --> 00:33:50,760

U.S Senate in 2011. back then he

917

00:33:54,850 --> 00:33:52,860

reported directly to James Clapper the

918

00:33:56,930 --> 00:33:54,860

then Director of National Intelligence

919

00:33:58,970 --> 00:33:56,940

supervising Intelligence Officers

920

00:34:01,070 --> 00:33:58,980

conducting audits inspections and

921

00:34:02,750 --> 00:34:01,080

investigations so the fact that he's

922

00:34:05,090 --> 00:34:02,760

taken on gresh in this matter is

923

00:34:07,009 --> 00:34:05,100

definitely worth noting as stunning as

924

00:34:09,589 --> 00:34:07,019

the allegations made by grush in the

925

00:34:11,329 --> 00:34:09,599

article in the debrief are in many ways

926

00:34:12,770 --> 00:34:11,339

they pale in comparison to what he

927

00:34:14,869 --> 00:34:12,780

divulged in his interview with

928

00:34:16,669 --> 00:34:14,879

investigative journalist Bros coldheart

929

00:34:19,010 --> 00:34:16,679

coldheart is the author of The

930

00:34:21,169 --> 00:34:19,020

phenomenal book in plain sight an

931

00:34:23,149 --> 00:34:21,179

investigation into UFOs and impossible

932

00:34:24,950 --> 00:34:23,159

science which is one of the books that I

933

00:34:27,109 --> 00:34:24,960

recommend most to people new to the UFO

934

00:34:28,970 --> 00:34:27,119

topic he's been at the Forefront of

935

00:34:30,889 --> 00:34:28,980

investigating the UFO topic for years

936

00:34:32,810 --> 00:34:30,899

and is the co-host of the also

937

00:34:35,329 --> 00:34:32,820

phenomenal need to know podcast along

938

00:34:37,070 --> 00:34:35,339

with his co-host Bryce Sable while the

939

00:34:39,230 --> 00:34:37,080

full version of the interview won't be

940

00:34:41,149 --> 00:34:39,240

released until Sunday June 11th and

941

00:34:43,190 --> 00:34:41,159

excerpt from that interview was aired on

942

00:34:45,109 --> 00:34:43,200

news Nation this week and the claims

943

00:34:47,149 --> 00:34:45,119

that Crush makes are nothing short of

944

00:34:49,970 --> 00:34:47,159

Staggering among the allegations made

945

00:34:52,430 --> 00:34:49,980

grush claims that the UAP task force was

946

00:34:55,010 --> 00:34:52,440

intentionally refused access to a broad

947

00:34:57,050 --> 00:34:55,020

crash retrieval program when asked by

948

00:34:59,810 --> 00:34:57,060

coldheart to clarify what he meant by

949

00:35:02,210 --> 00:34:59,820

crash retrieval program he said quote

950

00:35:04,670 --> 00:35:02,220

these are retrieving non-human origin

951
00:35:07,190 --> 00:35:04,680
technical Vehicles call it spacecraft if

952
00:35:08,870 --> 00:35:07,200
you will non-human exotic origin

953
00:35:11,270 --> 00:35:08,880
vehicles that have either landed or

954
00:35:13,910 --> 00:35:11,280
crashed Ross then pushed for further

955
00:35:15,589 --> 00:35:13,920
clarification asking we have spacecraft

956
00:35:18,950 --> 00:35:15,599
from another species

957
00:35:22,010 --> 00:35:18,960
to which grush replied we do yeah when

958
00:35:24,109 --> 00:35:22,020
asked how many he replied quite a number

959
00:35:26,270 --> 00:35:24,119
in telling coldheart about his discovery

960
00:35:28,849 --> 00:35:26,280
of the secret crash retrieval program he

961
00:35:30,170 --> 00:35:28,859
said quote I thought it was totally nuts

962
00:35:32,810 --> 00:35:30,180
and I thought at first I was being

963
00:35:35,329 --> 00:35:32,820

deceived it was a ruse people started

964

00:35:37,310 --> 00:35:35,339

confiding in me they approached me I

965

00:35:39,050 --> 00:35:37,320

have plenty of current and former senior

966

00:35:41,210 --> 00:35:39,060

Intelligence Officers that came to me

967

00:35:43,430 --> 00:35:41,220

many of which I knew almost my whole

968

00:35:45,650 --> 00:35:43,440

career that confided in me that they

969

00:35:48,050 --> 00:35:45,660

were part of a program they named the

970

00:35:49,970 --> 00:35:48,060

program I'd never heard of it and they

971

00:35:51,950 --> 00:35:49,980

told me based on their oral testimony

972

00:35:54,050 --> 00:35:51,960

that they provided me with documents and

973

00:35:56,690 --> 00:35:54,060

other proof that there was in fact a

974

00:35:58,190 --> 00:35:56,700

program that the UAP task force was not

975

00:36:00,530 --> 00:35:58,200

read into

976
00:36:02,450 --> 00:36:00,540
he doubled down on this saying there's a

977
00:36:04,490 --> 00:36:02,460
sophisticated disinformation campaign

978
00:36:07,849 --> 00:36:04,500
targeting the US populace which is

979
00:36:09,290 --> 00:36:07,859
extremely unethical and immoral based on

980
00:36:11,690 --> 00:36:09,300
what he saw in his time working as a

981
00:36:13,130 --> 00:36:11,700
member of the UAP task force it's clear

982
00:36:14,750 --> 00:36:13,140
that the question of whether or not

983
00:36:16,609 --> 00:36:14,760
there is another advanced intelligence

984
00:36:17,630 --> 00:36:16,619
on this planet is no longer Up For

985
00:36:19,670 --> 00:36:17,640
Debate

986
00:36:21,950 --> 00:36:19,680
we're definitely not alone he said

987
00:36:24,710 --> 00:36:21,960
absolutely the data points empirically

988
00:36:26,690 --> 00:36:24,720

that we are not alone colpard asked him

989

00:36:28,490 --> 00:36:26,700

specifically whether or not he was privy

990

00:36:31,010 --> 00:36:28,500

to any evidence that we had recovered

991

00:36:33,890 --> 00:36:31,020

any bodies along with his craft he

992

00:36:35,569 --> 00:36:33,900

replied quote well naturally when you've

993

00:36:37,849 --> 00:36:35,579

recovered something that's either landed

994

00:36:40,370 --> 00:36:37,859

or crashed sometimes you encounter dead

995

00:36:43,490 --> 00:36:40,380

pilots and believe it or not and as

996

00:36:45,230 --> 00:36:43,500

Fantastical as that sounds it's true

997

00:36:46,849 --> 00:36:45,240

and another stunning Revelation was

998

00:36:49,310 --> 00:36:46,859

dropped in the teaser for Sunday's

999

00:36:51,829 --> 00:36:49,320

interview in it grush suggested that the

1000

00:36:53,930 --> 00:36:51,839

cover-up involving UFOs doesn't go back

1001
00:36:56,150 --> 00:36:53,940
76 years to the summer of the Roswell

1002
00:36:59,290 --> 00:36:56,160
crash as is typically believed even

1003
00:37:01,730 --> 00:36:59,300
within the UFO Community but 90 years

1004
00:37:04,670 --> 00:37:01,740
that places the origins of this story

1005
00:37:06,770 --> 00:37:04,680
back in the early 1930s and calls into

1006
00:37:08,810 --> 00:37:06,780
question nearly everything that we

1007
00:37:10,370 --> 00:37:08,820
thought we knew about the history of the

1008
00:37:12,950 --> 00:37:10,380
20th century

1009
00:37:14,750 --> 00:37:12,960
I keep using words like profound and

1010
00:37:16,849 --> 00:37:14,760
earth-shattering to describe the claims

1011
00:37:18,710 --> 00:37:16,859
that grush is making because it's truly

1012
00:37:21,530 --> 00:37:18,720
impossible to overstate the significance

1013
00:37:23,270 --> 00:37:21,540

of what is being alleged like everyone

1014

00:37:25,490 --> 00:37:23,280

else I'll be waiting on pins and needles

1015

00:37:27,109 --> 00:37:25,500

to watch that interview on Sunday and

1016

00:37:29,270 --> 00:37:27,119

I'm sure I'll offer more thoughts after

1017

00:37:31,490 --> 00:37:29,280

I've had the chance to process that

1018

00:37:32,810 --> 00:37:31,500

but without seeing the whole thing there

1019

00:37:35,210 --> 00:37:32,820

are a few things that are worth noting

1020

00:37:36,910 --> 00:37:35,220

now first of all Ross coltheart has said

1021

00:37:39,349 --> 00:37:36,920

that this was a seven hour interview

1022

00:37:41,089 --> 00:37:39,359

obviously what we see on Sunday will

1023

00:37:43,069 --> 00:37:41,099

only be a small portion of the entire

1024

00:37:44,390 --> 00:37:43,079

interview that was done it'll be

1025

00:37:46,730 --> 00:37:44,400

interesting to see what makes the Final

1026

00:37:48,349 --> 00:37:46,740

Cut coldheart said on this week's

1027

00:37:49,910 --> 00:37:48,359

episode of need to know that there's

1028

00:37:51,710 --> 00:37:49,920

information that he learned in that

1029

00:37:54,109 --> 00:37:51,720

interview that he's keeping back out of

1030

00:37:56,690 --> 00:37:54,119

respect for National Security concerns

1031

00:37:59,630 --> 00:37:56,700

ominously he also claimed that what he

1032

00:38:01,430 --> 00:37:59,640

knows about this situation scares him

1033

00:38:03,290 --> 00:38:01,440

it's also interesting to note that he

1034

00:38:04,790 --> 00:38:03,300

has gone several steps further than Kane

1035

00:38:07,250 --> 00:38:04,800

and Blumenthal went in their article

1036

00:38:08,990 --> 00:38:07,260

perhaps most notably in his claims that

1037

00:38:10,069 --> 00:38:09,000

we haven't just recovered craft but

1038

00:38:11,990 --> 00:38:10,079

bodies

1039

00:38:13,310 --> 00:38:12,000

Kane and Blumenthal have since made it

1040

00:38:14,870 --> 00:38:13,320

clear that this was an intentional

1041

00:38:16,849 --> 00:38:14,880

choice on their part

1042

00:38:18,530 --> 00:38:16,859

they did not talk to grush about bodies

1043

00:38:20,270 --> 00:38:18,540

and in follow-up interviews this week

1044

00:38:21,170 --> 00:38:20,280

they have thus far declined to speak on

1045

00:38:23,630 --> 00:38:21,180

that matter

1046

00:38:25,790 --> 00:38:23,640

as for why they made that choice we can

1047

00:38:27,349 --> 00:38:25,800

only speculate for now but my guess

1048

00:38:29,150 --> 00:38:27,359

would be that they were attempting to

1049

00:38:31,250 --> 00:38:29,160

get the most important points on the

1050

00:38:32,870 --> 00:38:31,260

record without going too far and either

1051

00:38:35,030 --> 00:38:32,880

alienating their sources within the

1052

00:38:36,589 --> 00:38:35,040

government or alienating the public by

1053

00:38:38,630 --> 00:38:36,599

pushing them further on this topic than

1054

00:38:41,270 --> 00:38:38,640

they were willing to go like I said

1055

00:38:43,010 --> 00:38:41,280

that's just my guess we can't know for

1056

00:38:45,230 --> 00:38:43,020

sure but as frustrating as that approach

1057

00:38:47,390 --> 00:38:45,240

may seem to many I think we have to give

1058

00:38:48,829 --> 00:38:47,400

Kane and Blumenthal a lot of credit for

1059

00:38:51,710 --> 00:38:48,839

the restraint that they have shown over

1060

00:38:53,569 --> 00:38:51,720

the years consistently the most progress

1061

00:38:55,190 --> 00:38:53,579

has been made thus far by people who are

1062

00:38:57,770 --> 00:38:55,200

willing to show that kind of discretion

1063

00:38:59,329 --> 00:38:57,780

who are willing to check their egos in

1064

00:39:01,250 --> 00:38:59,339

order to put another point on the board

1065

00:39:03,050 --> 00:39:01,260

for disclosure I want to be clear that

1066

00:39:05,030 --> 00:39:03,060

none of that is a judgment on cold heart

1067

00:39:06,770 --> 00:39:05,040

or anyone else who pushed whistleblowers

1068

00:39:09,470 --> 00:39:06,780

for all the information that they have

1069

00:39:10,730 --> 00:39:09,480

there is a place for that as well and

1070

00:39:13,069 --> 00:39:10,740

trust that I will be watching and

1071

00:39:14,750 --> 00:39:13,079

Reporting back to you on all of it but

1072

00:39:16,609 --> 00:39:14,760

it's important to recognize that these

1073

00:39:19,430 --> 00:39:16,619

moments are only made possible because

1074

00:39:20,810 --> 00:39:19,440

of the sacrifices that came before so I

1075

00:39:22,910 --> 00:39:20,820

think we should be slow to cast judgment

1076

00:39:24,829 --> 00:39:22,920

on K and Blumenthal for being more

1077

00:39:27,950 --> 00:39:24,839

cautious in their approach

1078

00:39:30,290 --> 00:39:27,960

however as unbelievable and historic and

1079

00:39:32,690 --> 00:39:30,300

profound and controversial as the claims

1080

00:39:34,670 --> 00:39:32,700

about crafting bodies are I'd argue that

1081

00:39:36,109 --> 00:39:34,680

those Revelations are actually the real

1082

00:39:38,150 --> 00:39:36,119

headline here

1083

00:39:40,069 --> 00:39:38,160

this is not to minimize the profound

1084

00:39:42,589 --> 00:39:40,079

significance that non-human craft and

1085

00:39:44,690 --> 00:39:42,599

bodies represent getting confirmation

1086

00:39:46,910 --> 00:39:44,700

that human beings aren't alone on this

1087

00:39:49,069 --> 00:39:46,920

planet that other intelligent species

1088

00:39:50,930 --> 00:39:49,079

exist and that they have technology

1089

00:39:53,750 --> 00:39:50,940

beyond anything that we have in our

1090

00:39:55,550 --> 00:39:53,760

Arsenal is a paradigm shift at least on

1091

00:39:57,349 --> 00:39:55,560

the magnitude of our recognition that

1092

00:39:58,910 --> 00:39:57,359

the Earth is not at the center of the

1093

00:40:00,950 --> 00:39:58,920

universe You could argue that it's even

1094

00:40:03,109 --> 00:40:00,960

bigger than that if we get actual

1095

00:40:04,609 --> 00:40:03,119

confirmation that's the case it is

1096

00:40:06,890 --> 00:40:04,619

likely that the history books of the

1097

00:40:09,530 --> 00:40:06,900

future will point to this as a new era

1098

00:40:12,109 --> 00:40:09,540

in human history this revelation will

1099

00:40:14,210 --> 00:40:12,119

create a distinct before and after in

1100

00:40:15,950 --> 00:40:14,220

the story of humanity and the

1101

00:40:17,210 --> 00:40:15,960

implications of this really can't be

1102

00:40:19,310 --> 00:40:17,220

overstated

1103

00:40:21,770 --> 00:40:19,320

what does it mean for us to not be the

1104

00:40:23,329 --> 00:40:21,780

most advanced species on our planet what

1105

00:40:25,670 --> 00:40:23,339

does this mean about the history of our

1106

00:40:28,069 --> 00:40:25,680

species and who we are what does this

1107

00:40:30,170 --> 00:40:28,079

mean about the nature of our reality and

1108

00:40:32,270 --> 00:40:30,180

what does National Security even mean

1109

00:40:34,130 --> 00:40:32,280

against a potential adversary that is

1110

00:40:36,290 --> 00:40:34,140

potentially thousands of years ahead of

1111

00:40:38,569 --> 00:40:36,300

us in technological development

1112

00:40:40,190 --> 00:40:38,579

I don't know but we shouldn't let our

1113

00:40:42,530 --> 00:40:40,200

discomfort with the possible answer

1114

00:40:43,849 --> 00:40:42,540

allow us to sugarcoat the reality of

1115

00:40:46,310 --> 00:40:43,859

this situation

1116

00:40:48,589 --> 00:40:46,320

it's entirely possible to be excited

1117

00:40:51,349 --> 00:40:48,599

about the possibilities while also

1118

00:40:53,510 --> 00:40:51,359

realizing in a cold and sober way that

1119

00:40:56,270 --> 00:40:53,520

this probably isn't great news for us

1120

00:40:58,069 --> 00:40:56,280

just looking at our own history when a

1121

00:40:59,810 --> 00:40:58,079

more technological civilization comes

1122

00:41:02,329 --> 00:40:59,820

into contact with a less technological

1123

00:41:03,829 --> 00:41:02,339

civilization the results are usually

1124

00:41:06,230 --> 00:41:03,839

pretty devastating for the less

1125

00:41:08,569 --> 00:41:06,240

technological civilization

1126

00:41:10,609 --> 00:41:08,579

I think it's also important to note that

1127

00:41:12,890 --> 00:41:10,619

the recovered non-human vehicles have

1128

00:41:16,010 --> 00:41:12,900

been described multiple times as having

1129

00:41:18,410 --> 00:41:16,020

crashed or landed that such an advanced

1130

00:41:20,930 --> 00:41:18,420

craft would crash is strange enough but

1131

00:41:23,089 --> 00:41:20,940

to have one land be abandoned and then

1132

00:41:25,490 --> 00:41:23,099

be recovered by humans stretches the

1133

00:41:27,290 --> 00:41:25,500

limits of credulity and it begs the

1134

00:41:29,569 --> 00:41:27,300

question of whether or not we may have

1135

00:41:32,270 --> 00:41:29,579

been given this technology on purpose

1136

00:41:35,270 --> 00:41:32,280

which led to an intense secret cold war

1137

00:41:37,130 --> 00:41:35,280

between superpower Nations it's hard to

1138

00:41:39,470 --> 00:41:37,140

imagine an altruistic reason for doing

1139

00:41:41,210 --> 00:41:39,480

that but let's put all of that aside for

1140

00:41:43,790 --> 00:41:41,220

a minute because I'd argue that if what

1141

00:41:46,550 --> 00:41:43,800

grush is saying is true we have a much

1142

00:41:48,890 --> 00:41:46,560

more urgent problem on our hands what

1143

00:41:51,230 --> 00:41:48,900

Russia specifically alleging here is

1144

00:41:53,450 --> 00:41:51,240

that in his own words there's a

1145

00:41:55,670 --> 00:41:53,460

sophisticated disinformation campaign

1146

00:41:58,910 --> 00:41:55,680

targeting the U.S populace which is

1147

00:42:00,829 --> 00:41:58,920

extremely unethical and immoral and the

1148

00:42:02,630 --> 00:42:00,839

upcoming previews of the interview seem

1149

00:42:04,490 --> 00:42:02,640

to suggest that this goes back to at

1150

00:42:06,950 --> 00:42:04,500

least the early 1930s

1151

00:42:10,430 --> 00:42:06,960

the implications of this are sweeping

1152

00:42:12,290 --> 00:42:10,440

profound and frankly terrifying first of

1153

00:42:14,510 --> 00:42:12,300

all in a Democratic Republic which is

1154

00:42:16,790 --> 00:42:14,520

what the United States alleges itself to

1155

00:42:18,470 --> 00:42:16,800

be and what it was designed to be by our

1156

00:42:21,290 --> 00:42:18,480

forefathers who wrote the Constitution

1157

00:42:22,970 --> 00:42:21,300

the power is vested in the people who

1158

00:42:25,490 --> 00:42:22,980

elect leaders to carry out their will

1159

00:42:28,130 --> 00:42:25,500

for that to work the government needs to

1160

00:42:30,230 --> 00:42:28,140

be accountable to the people and to the

1161

00:42:32,810 --> 00:42:30,240

Constitution if the government is

1162

00:42:35,510 --> 00:42:32,820

running a decades-long psyop against the

1163

00:42:38,930 --> 00:42:35,520

American people that is illegal immoral

1164

00:42:40,609 --> 00:42:38,940

unethical and unconstitutional depending

1165

00:42:42,109 --> 00:42:40,619

on the details it could rise to the

1166

00:42:43,910 --> 00:42:42,119

level of treason

1167

00:42:44,930 --> 00:42:43,920

and the challenge that this presents is

1168

00:42:47,210 --> 00:42:44,940

twofold

1169

00:42:48,890 --> 00:42:47,220

first of all if this is true we'll have

1170

00:42:50,569 --> 00:42:48,900

to deal with unraveling the fact that

1171

00:42:53,510 --> 00:42:50,579

this has happened at a breathtaking

1172

00:42:55,910 --> 00:42:53,520

scale and for nearly a century which

1173

00:42:57,410 --> 00:42:55,920

will be an absolute mess but we also

1174

00:42:59,450 --> 00:42:57,420

have to deal with the fact that the very

1175

00:43:01,970 --> 00:42:59,460

people that we need to come forward on

1176

00:43:05,089 --> 00:43:01,980

this are likely highly disincentivized

1177

00:43:06,650 --> 00:43:05,099

from doing so if this is true people can

1178

00:43:08,270 --> 00:43:06,660

go to jail for this

1179

00:43:10,490 --> 00:43:08,280

so we're going to have to figure out

1180

00:43:12,589 --> 00:43:10,500

where the line is between holding people

1181

00:43:15,109 --> 00:43:12,599

to account for high crimes against the

1182

00:43:17,030 --> 00:43:15,119

American people while also providing

1183

00:43:19,069 --> 00:43:17,040

some kind of a pathway forward for this

1184

00:43:20,870 --> 00:43:19,079

information to actually come out

1185

00:43:23,270 --> 00:43:20,880

I don't think anyone has a good answer

1186

00:43:24,950 --> 00:43:23,280

for how we will handle that and before

1187

00:43:27,290 --> 00:43:24,960

we can begin to deal with the potential

1188

00:43:29,569 --> 00:43:27,300

reality of a highly Advanced non-human

1189

00:43:31,190 --> 00:43:29,579

presence on this planet we're going to

1190

00:43:32,270 --> 00:43:31,200

have to start by getting our own house

1191

00:43:34,250 --> 00:43:32,280

in order

1192

00:43:35,750 --> 00:43:34,260

but I'd argue that even that isn't the

1193

00:43:37,250 --> 00:43:35,760

biggest challenge that we face if these

1194

00:43:39,470 --> 00:43:37,260

allegations are true

1195

00:43:42,109 --> 00:43:39,480

the clear implications of a gracious

1196

00:43:44,150 --> 00:43:42,119

suggesting here is that there are one or

1197

00:43:45,829 --> 00:43:44,160

more factions operating within the

1198

00:43:48,470 --> 00:43:45,839

United States Military Intelligence

1199

00:43:50,569 --> 00:43:48,480

apparatus that are working above the

1200

00:43:52,790 --> 00:43:50,579

oversight of Congress above the

1201
00:43:54,710 --> 00:43:52,800
oversight of the Oval Office and above

1202
00:43:56,089 --> 00:43:54,720
the oversight of the very office that

1203
00:43:57,890 --> 00:43:56,099
was created by the elected

1204
00:43:59,630 --> 00:43:57,900
representatives of this nation in order

1205
00:44:02,809 --> 00:43:59,640
to consolidate and carry out our

1206
00:44:04,849 --> 00:44:02,819
investigation of uaps this suggests that

1207
00:44:06,530 --> 00:44:04,859
there is potentially a rogue element

1208
00:44:08,630 --> 00:44:06,540
within the government that is working

1209
00:44:11,210 --> 00:44:08,640
above the Constitution

1210
00:44:13,010 --> 00:44:11,220
if that's true it's both the greatest

1211
00:44:15,589 --> 00:44:13,020
threat to our democracy that we've ever

1212
00:44:17,690 --> 00:44:15,599
known and this country's biggest Scandal

1213
00:44:19,550 --> 00:44:17,700

forget Watergate and the Kennedy

1214

00:44:22,490 --> 00:44:19,560

assassination and all of the rest of it

1215

00:44:25,250 --> 00:44:22,500

there is no story bigger than this one

1216

00:44:27,589 --> 00:44:25,260

and it gets worse because if this is

1217

00:44:29,809 --> 00:44:27,599

true then this Rogue element within the

1218

00:44:32,630 --> 00:44:29,819

government has in its possession highly

1219

00:44:34,609 --> 00:44:32,640

Advanced non-human technology and it

1220

00:44:36,950 --> 00:44:34,619

sounds likely that for almost a century

1221

00:44:38,750 --> 00:44:36,960

now this group has been appropriating

1222

00:44:40,670 --> 00:44:38,760

taxpayer funds to develop this

1223

00:44:42,470 --> 00:44:40,680

technology which it has gone through

1224

00:44:43,550 --> 00:44:42,480

Great Lengths to keep from the American

1225

00:44:46,670 --> 00:44:43,560

people

1226

00:44:48,290 --> 00:44:46,680

that is not great news for us now we

1227

00:44:50,569 --> 00:44:48,300

absolutely shouldn't jump to conclusions

1228

00:44:52,790 --> 00:44:50,579

or immediately surrender to conspiracy

1229

00:44:54,710 --> 00:44:52,800

theories about a shadow government even

1230

00:44:56,930 --> 00:44:54,720

if what grush is describing is the case

1231

00:44:59,809 --> 00:44:56,940

the motivations for the secrecy might

1232

00:45:01,550 --> 00:44:59,819

not be entirely Sinister if we have in

1233

00:45:04,190 --> 00:45:01,560

fact been engaged in a decades-long

1234

00:45:06,109 --> 00:45:04,200

secret Cold War as he claims there could

1235

00:45:07,849 --> 00:45:06,119

be multiple very legitimate national

1236

00:45:09,950 --> 00:45:07,859

security reasons for keeping this

1237

00:45:11,990 --> 00:45:09,960

information classified even above the

1238

00:45:13,690 --> 00:45:12,000

Office of the President but if what

1239

00:45:16,430 --> 00:45:13,700

grush is describing is really the case

1240

00:45:19,030 --> 00:45:16,440

regardless of the motivations we find

1241

00:45:21,530 --> 00:45:19,040

ourselves in a very precarious situation

1242

00:45:23,750 --> 00:45:21,540

if you allow a group of people to

1243

00:45:26,270 --> 00:45:23,760

operate without constitutional oversight

1244

00:45:28,370 --> 00:45:26,280

and you allow this group to accumulate

1245

00:45:30,890 --> 00:45:28,380

significant resources and highly

1246

00:45:32,809 --> 00:45:30,900

advanced technology it's not hard to

1247

00:45:35,270 --> 00:45:32,819

imagine scenarios where we could easily

1248

00:45:36,470 --> 00:45:35,280

lose control of our country if we

1249

00:45:38,510 --> 00:45:36,480

haven't already

1250

00:45:41,450 --> 00:45:38,520

this state of affairs would also mean

1251

00:45:43,370 --> 00:45:41,460

that we don't know our own history if

1252

00:45:45,770 --> 00:45:43,380

various superpowers began to retrieve

1253

00:45:48,410 --> 00:45:45,780

highly Advanced non-human technology as

1254

00:45:50,270 --> 00:45:48,420

far back as the early 1930s than it

1255

00:45:52,069 --> 00:45:50,280

calls the entire history of the 20th

1256

00:45:54,710 --> 00:45:52,079

century into question

1257

00:45:56,990 --> 00:45:54,720

what was World War II really about what

1258

00:45:58,309 --> 00:45:57,000

was the Cold War really about how much

1259

00:46:00,230 --> 00:45:58,319

of what we've been told about world

1260

00:46:02,329 --> 00:46:00,240

events have been true and how much has

1261

00:46:04,309 --> 00:46:02,339

been an elaborate ruse to cover up the

1262

00:46:06,950 --> 00:46:04,319

biggest mystery and perhaps the biggest

1263

00:46:09,950 --> 00:46:06,960

threat that Humanity has ever faced

1264

00:46:11,630 --> 00:46:09,960

and will we ever be told the truth

1265

00:46:14,809 --> 00:46:11,640

a lot of that depends on what happens

1266

00:46:16,609 --> 00:46:14,819

next now granted I'm not saying that I

1267

00:46:19,130 --> 00:46:16,619

necessarily believe that all of the

1268

00:46:21,290 --> 00:46:19,140

allegations made by Russ are true there

1269

00:46:23,569 --> 00:46:21,300

is a lot more work that needs to be done

1270

00:46:25,250 --> 00:46:23,579

to get to the bottom of the story but

1271

00:46:27,950 --> 00:46:25,260

what I'm arguing is that these

1272

00:46:29,510 --> 00:46:27,960

allegations are credible they come from

1273

00:46:31,849 --> 00:46:29,520

someone with an impressive intelligence

1274

00:46:33,890 --> 00:46:31,859

pedigree who would have access to the

1275

00:46:35,690 --> 00:46:33,900

information that he claims to have he's

1276
00:46:37,670 --> 00:46:35,700
been heavily vetted by some of the best

1277
00:46:39,410 --> 00:46:37,680
journalists working in the field and has

1278
00:46:41,150 --> 00:46:39,420
the backing of multiple high-level

1279
00:46:42,770 --> 00:46:41,160
intelligence colleagues who are willing

1280
00:46:45,890 --> 00:46:42,780
to vouch for both the strength of his

1281
00:46:47,809 --> 00:46:45,900
character and the veracity of his claims

1282
00:46:50,390 --> 00:46:47,819
what is called for here is further

1283
00:46:52,130 --> 00:46:50,400
investigation and it's going to take the

1284
00:46:54,050 --> 00:46:52,140
full weight of both our elected

1285
00:46:56,150 --> 00:46:54,060
officials and the Legacy Media

1286
00:46:58,609 --> 00:46:56,160
rigorously pursuing the truth if we're

1287
00:47:00,710 --> 00:46:58,619
going to make any progress here

1288
00:47:03,349 --> 00:47:00,720

as for the Pentagon this has been their

1289

00:47:07,490 --> 00:47:03,359

only comment on the story thus far via

1290

00:47:09,770 --> 00:47:07,500

DOD spokesperson Susan go quote to date

1291

00:47:11,930 --> 00:47:09,780

Arrow has not discovered any verifiable

1292

00:47:13,970 --> 00:47:11,940

information to substantiate claims that

1293

00:47:16,130 --> 00:47:13,980

any programs regarding the possession or

1294

00:47:18,230 --> 00:47:16,140

reverse engineering of extraterrestrial

1295

00:47:19,609 --> 00:47:18,240

materials have existed in the past or

1296

00:47:21,890 --> 00:47:19,619

exist currently

1297

00:47:23,890 --> 00:47:21,900

arrow is committed to following the data

1298

00:47:26,210 --> 00:47:23,900

and its investigation wherever it leads

1299

00:47:27,950 --> 00:47:26,220

Arrow working with the office of the

1300

00:47:29,990 --> 00:47:27,960

general counsel in the Air Force office

1301
00:47:31,670 --> 00:47:30,000
of special investigations has

1302
00:47:33,589 --> 00:47:31,680
established a safe and secure process

1303
00:47:35,809 --> 00:47:33,599
for individuals to come forward with

1304
00:47:37,430 --> 00:47:35,819
information to Aid arrow in its

1305
00:47:38,510 --> 00:47:37,440
congressionally mandated historical

1306
00:47:42,950 --> 00:47:38,520
review

1307
00:47:46,190 --> 00:47:42,960
testimonies is ongoing and due to

1308
00:47:48,410 --> 00:47:46,200
Congress by June 2024 Arrow welcomes the

1309
00:47:49,670 --> 00:47:48,420
opportunity to speak with any former or

1310
00:47:51,109 --> 00:47:49,680
current government employer or

1311
00:47:52,910 --> 00:47:51,119
contractor who believes they have

1312
00:47:54,230 --> 00:47:52,920
information relevant to the historical

1313
00:47:56,750 --> 00:47:54,240

review

1314

00:47:58,190 --> 00:47:56,760

and in this statement we can see exactly

1315

00:48:00,890 --> 00:47:58,200

what we're up against in terms of

1316

00:48:03,109 --> 00:48:00,900

getting the dod to cop to any of this

1317

00:48:05,510 --> 00:48:03,119

statement is misleading to the point of

1318

00:48:07,069 --> 00:48:05,520

being meaningless and typifies the

1319

00:48:09,290 --> 00:48:07,079

sleight of hand techniques traditionally

1320

00:48:11,150 --> 00:48:09,300

used by the Pentagon to sidestep

1321

00:48:13,370 --> 00:48:11,160

narratives that they wish to discredit

1322

00:48:16,010 --> 00:48:13,380

without directly engaging

1323

00:48:18,829 --> 00:48:16,020

crush's point is that the UAP task force

1324

00:48:22,250 --> 00:48:18,839

and now Aero the very organizations that

1325

00:48:23,930 --> 00:48:22,260

we put in place to investigate uaps have

1326

00:48:26,150 --> 00:48:23,940

not been read into special access

1327

00:48:28,370 --> 00:48:26,160

programs involving the recovery of

1328

00:48:30,530 --> 00:48:28,380

non-human technology

1329

00:48:32,329 --> 00:48:30,540

so saying that Arrow has not discovered

1330

00:48:33,950 --> 00:48:32,339

any verifiable information to

1331

00:48:35,270 --> 00:48:33,960

substantiate claims about reverse

1332

00:48:38,210 --> 00:48:35,280

engineering of extraterrestrial

1333

00:48:40,430 --> 00:48:38,220

materials it's largely irrelevant to the

1334

00:48:42,770 --> 00:48:40,440

claims that are being made the Pentagon

1335

00:48:45,710 --> 00:48:42,780

has chosen to answer a question but

1336

00:48:47,510 --> 00:48:45,720

entirely sidestepped the question

1337

00:48:49,130 --> 00:48:47,520

so what can we do

1338

00:48:51,109 --> 00:48:49,140

it's pretty clear from this statement

1339

00:48:53,210 --> 00:48:51,119

that the dod just hopes that the story

1340

00:48:55,130 --> 00:48:53,220

will die they're hoping that you won't

1341

00:48:56,630 --> 00:48:55,140

really be paying attention they're

1342

00:48:58,490 --> 00:48:56,640

hoping that you won't bother to talk to

1343

00:48:59,750 --> 00:48:58,500

your family and friends they're hoping

1344

00:49:01,250 --> 00:48:59,760

that you won't call your elective

1345

00:49:03,349 --> 00:49:01,260

officials and demand that Congress

1346

00:49:04,970 --> 00:49:03,359

investigate these claims further

1347

00:49:06,829 --> 00:49:04,980

and they're hoping that the mainstream

1348

00:49:08,750 --> 00:49:06,839

media will continue to be asleep at the

1349

00:49:10,609 --> 00:49:08,760

wheel on what is potentially the single

1350

00:49:12,829 --> 00:49:10,619

biggest news story in the history of

1351

00:49:14,450 --> 00:49:12,839

this country if not the world

1352

00:49:16,849 --> 00:49:14,460

so the best thing that we can do right

1353

00:49:18,950 --> 00:49:16,859

now is make as much noise about this as

1354

00:49:20,809 --> 00:49:18,960

possible get on the phone to your

1355

00:49:22,190 --> 00:49:20,819

representatives in Congress write

1356

00:49:24,770 --> 00:49:22,200

letters to the editor of your local

1357

00:49:26,569 --> 00:49:24,780

newspapers support Outlets like the

1358

00:49:29,030 --> 00:49:26,579

debrief and news nation that are

1359

00:49:30,890 --> 00:49:29,040

courageously taking on this story and

1360

00:49:33,230 --> 00:49:30,900

call out the larger Outlets that refuse

1361

00:49:35,270 --> 00:49:33,240

to engage talk to your family and

1362

00:49:36,530 --> 00:49:35,280

friends send them this episode if you

1363

00:49:39,290 --> 00:49:36,540

think it will help

1364

00:49:41,750 --> 00:49:39,300

just don't be quiet and don't let this

1365

00:49:43,250 --> 00:49:41,760

story get buried we may never have a

1366

00:49:46,130 --> 00:49:43,260

chance like this again to get to the

1367

00:49:47,630 --> 00:49:46,140

truth of the UFO phenomenon we can't

1368

00:49:53,910 --> 00:49:47,640

waste it
