[Music]

30

00:01:36,289 --> 00:01:33,720

welcome back to the UFO Rabbit Hole

31

00:01:37,850 --> 00:01:36,299

podcast I'm your host Kelly Chase

32

00:01:40,850 --> 00:01:37,860

as I'm sure most of you are already

33

00:01:43,010 --> 00:01:40,860

aware we are just a few days away from a

34

00:01:45,350 --> 00:01:43,020

major milestone in the fight for UFO

35

00:01:47,810 --> 00:01:45,360

transparency with a hearing set to take

36

00:01:49,730 --> 00:01:47,820

place in the house next week we've seen

37

00:01:51,710 --> 00:01:49,740

startling progress over the past few

38

00:01:53,990 --> 00:01:51,720

weeks with regards to elected officials

39

00:01:56,270 --> 00:01:54,000

speaking openly about the seriousness

40

00:01:59,090 --> 00:01:56,280

and the urgency of the allegations made

41

00:02:01,130 --> 00:01:59,100

by various UFO whistleblowers who have

42

00:02:03,649 --> 00:02:01,140

already spoken under oath to Congress

43

00:02:06,709 --> 00:02:03,659

and with a new hearing date set for next

44

00:02:07,969 --> 00:02:06,719

week it certainly feels like the dam is

45

00:02:09,949 --> 00:02:07,979

beginning to break

46

00:02:12,350 --> 00:02:09,959

and with this momentum has come a

47

00:02:14,630 --> 00:02:12,360

certain frenetic energy confirmation

48

00:02:17,869 --> 00:02:14,640

bias and emotions are high while good

49

00:02:20,210 --> 00:02:17,879

quality new information has been low and

50

00:02:22,610 --> 00:02:20,220

into that space has arisen an escalating

51
00:02:25,309 --> 00:02:22,620
wave of wild news stories and theories

52
00:02:27,110 --> 00:02:25,319
fueled by a toxic combination of

53
00:02:29,630 --> 00:02:27,120
opportunistic trolls looking for their

54
00:02:31,610 --> 00:02:29,640
72 hours of Reddit Fame and more

55
00:02:33,650 --> 00:02:31,620
vulnerable folks who have a hard time

56
00:02:36,470 --> 00:02:33,660
separating out their own head cannon

57
00:02:39,229 --> 00:02:36,480
from the facts in short it's been Wild

58
00:02:41,270 --> 00:02:39,239
on UFO Twitter these last few weeks and

59
00:02:43,190 --> 00:02:41,280
so I've been endeavoring to protect my

60
00:02:44,990 --> 00:02:43,200
peace and mind my business until there

61
00:02:47,630 --> 00:02:45,000
was something of substance to comment on

62
00:02:49,309 --> 00:02:47,640
and so frankly I wasn't expecting to do

63
00:02:51,350 --> 00:02:49,319

an episode on the lead up to the

64

00:02:52,430 --> 00:02:51,360

hearings because I didn't want to add to

65

00:02:54,290 --> 00:02:52,440

the noise

66

00:02:56,030 --> 00:02:54,300

but all that changed on Thursday morning

67

00:02:58,490 --> 00:02:56,040

with a press conference about the

68

00:02:59,990 --> 00:02:58,500

upcoming hearing as expected the

69

00:03:02,270 --> 00:03:00,000

witnesses for the hearing were announced

70

00:03:04,309 --> 00:03:02,280

during this press conference what wasn't

71

00:03:06,650 --> 00:03:04,319

expected were the stunning allegations

72

00:03:09,170 --> 00:03:06,660

made by a bipartisan group of House

73

00:03:11,270 --> 00:03:09,180

Representatives about the extreme levels

74

00:03:13,070 --> 00:03:11,280

of pushback in stonewalling that they

75

00:03:14,930 --> 00:03:13,080

have encountered while trying to do

76

00:03:17,030 --> 00:03:14,940

their jobs and investigating the claims

77

00:03:19,970 --> 00:03:17,040

made by whistleblowers regarding secret

78

00:03:22,250 --> 00:03:19,980

UFO crash retrieval programs the

79

00:03:24,470 --> 00:03:22,260

significance of what's being alleged by

80

00:03:26,930 --> 00:03:24,480

members of Congress as we head into next

81

00:03:29,030 --> 00:03:26,940

week's historic hearings really can't be

82

00:03:30,710 --> 00:03:29,040

overstated and I think it's important

83

00:03:33,050 --> 00:03:30,720

that we take some time to talk about

84

00:03:34,970 --> 00:03:33,060

what it all might mean and what we can

85

00:03:37,009 --> 00:03:34,980

expect both from next week's hearings

86

00:03:40,070 --> 00:03:37,019

and from the ongoing disclosure movement

87

00:03:41,630 --> 00:03:40,080

in the months ahead so I promise that I

88

00:03:43,430 --> 00:03:41,640

will get part three of the waking up

89

00:03:45,530 --> 00:03:43,440

inside the cave series to all of you as

90

00:03:47,390 --> 00:03:45,540

soon as possible but for right now

91

00:03:49,910 --> 00:03:47,400

especially with so many new people

92

00:03:51,530 --> 00:03:49,920

coming to this conversation every day I

93

00:03:52,550 --> 00:03:51,540

think it's important to put first things

94

00:03:53,990 --> 00:03:52,560

first

95

00:03:55,070 --> 00:03:54,000

so let's talk about this press

96

00:03:58,970 --> 00:03:55,080

conference

97

00:04:01,610 --> 00:03:58,980

Congress's most outspoken advocates for

98

00:04:04,070 --> 00:04:01,620

UAP transparency Congressman Tim

Burchett from Tennessee he was joined by

100

00:04:08,570 --> 00:04:05,879

a bipartisan group of his colleagues

101
00:04:10,970 --> 00:04:08,580
including Congressman Eric Burleson of

102
00:04:14,030 --> 00:04:10,980
Missouri and congresswoman Anna Luna and

103
00:04:15,649 --> 00:04:14,040
Congressman Jared Moskowitz from Florida

104
00:04:17,569 --> 00:04:15,659
it was announced that the hearing will

105
00:04:19,670 --> 00:04:17,579
be held by the house oversight committee

106
00:04:21,409 --> 00:04:19,680

Intelligence Agency or the NGA and the

125

00:05:07,790 --> 00:05:04,259

national reconnaissance office or the

00:05:36,770 --> 00:05:34,500

UAP task force in June of 2023 David

137

00:05:38,629 --> 00:05:36,780

grush publicly came forward with claims

138

00:05:41,090 --> 00:05:38,639

that during his time on the UAP task

139

00:05:42,950 --> 00:05:41,100

force multiple high-level intelligence

140

00:05:44,870 --> 00:05:42,960

officials some of whom he'd known his

141

00:05:47,210 --> 00:05:44,880

whole career came to him with

142

00:05:49,249 --> 00:05:47,220

information about secret UFO crash

143

00:05:52,129 --> 00:05:49,259

retrieval programs operating without

144

00:05:55,070 --> 00:05:52,139

oversight in the Department of Defense

145

00:05:57,590 --> 00:05:55,080

next up we have David fraver Commander

146

00:05:59,450 --> 00:05:57,600

David fraver is a retired U.S Navy pilot

147

00:06:01,189 --> 00:05:59,460

00:06:04,129 --> 00:06:01,199

during what has become known as the

149

00:06:06,170 --> 00:06:04,139

Nimitz incident in 2004. this event

150

00:06:08,810 --> 00:06:06,180

gained significant attention as fraver

151
00:06:11,270 --> 00:06:08,820
captured a video of the UAP famously

152
00:06:13,010 --> 00:06:11,280
known as the Tic Tac during a routine

153
00:06:15,350 --> 00:06:13,020
training Mission off the coast of San

154
00:06:17,330 --> 00:06:15,360
Diego his account and subsequent

155
00:06:19,189 --> 00:06:17,340
discussions have played a critical role

156
00:06:21,950 --> 00:06:19,199
in the ongoing conversations and

157
00:06:24,650 --> 00:06:21,960
investigations regarding uap's in both

158
00:06:27,650 --> 00:06:24,660
military and civilian circles

159
00:06:29,870 --> 00:06:27,660
and finally we have Ryan Graves Ryan

160
00:06:32,809 --> 00:06:29,880
Graves is a former Lieutenant U.S Navy

161
00:06:35,090 --> 00:06:32,819
fa-18 pilot notable for being the first

162
00:06:38,510 --> 00:06:35,100
active duty pilot to approach Congress

163
00:06:40,309 --> 00:06:38,520

about uaps after his service he assumed

164

00:06:42,950 --> 00:06:40,319

the role of executive director of

165

00:06:45,050 --> 00:06:42,960

Americans for safe Aerospace a

166

00:06:48,170 --> 00:06:45,060

non-profit organization led by military

167

00:06:51,650 --> 00:06:48,180

Pilots which focuses on Aerospace safety

168

00:06:54,469 --> 00:06:51,660

National Security and uaps an advocate

169

00:06:56,330 --> 00:06:54,479

for transparency regarding uap's Graves

170

00:06:58,490 --> 00:06:56,340

further contributes to the discourse by

171

00:07:00,290 --> 00:06:58,500

hosting the merged podcast where he

172

00:07:02,390 --> 00:07:00,300

explores issues related to UAP

173

00:07:04,610 --> 00:07:02,400

transparency

174

00:07:05,990 --> 00:07:04,620

before we dive into the shocking claims

175

00:07:07,909 --> 00:07:06,000

that were made during this press

176

00:07:09,950 --> 00:07:07,919

conference I want to take a minute to

177

00:07:11,870 --> 00:07:09,960

talk about the witnesses after

178

00:07:13,909 --> 00:07:11,880

timberchet teased last week that the

179

00:07:15,950 --> 00:07:13,919

hearing would feature an All-Star lineup

180

00:07:18,469 --> 00:07:15,960

of witnesses and that he planned to call

181

00:07:20,450 --> 00:07:18,479

as many as six of them there's been a

182

00:07:22,010 --> 00:07:20,460

ton of speculation about who these

183

00:07:24,589 --> 00:07:22,020

Witnesses might be

184

00:07:26,809 --> 00:07:24,599

obviously grush has always been presumed

185

00:07:29,150 --> 00:07:26,819

to be one of the witnesses but in light

186

00:07:31,010 --> 00:07:29,160

of Marco Rubio's recent Revelation that

187

00:07:33,050 --> 00:07:31,020

more high-ranking whistleblowers with

188

00:07:35,749 --> 00:07:33,060

first-hand knowledge of special access

189

00:07:38,210 --> 00:07:35,759

crash retrieval programs had spoken to

190

00:07:41,029 --> 00:07:38,220

Congress and corroborated grush's claims

191

00:07:42,770 --> 00:07:41,039

many had been hoping to see one or more

192

00:07:45,050 --> 00:07:42,780

of these individuals go on the record

193

00:07:47,510 --> 00:07:45,060

with the American public other names

194

00:07:49,550 --> 00:07:47,520

were being tossed around as well in

195

00:07:52,189 --> 00:07:49,560

particular former atip director Lou

196

00:07:54,529 --> 00:07:52,199

Elizondo who tweeted that he would be in

197

00:07:56,450 --> 00:07:54,539

DC later this month in short

198

00:07:58,550 --> 00:07:56,460

expectations around who might be

199

00:08:00,230 --> 00:07:58,560

testifying have been running High

200

00:08:02,210 --> 00:08:00,240

so when the Witnesses were announced

201
00:08:04,610 --> 00:08:02,220
there were inevitably a lot of people

202
00:08:06,589 --> 00:08:04,620
expressing that they felt let down and

203
00:08:08,990 --> 00:08:06,599
even outright concerned about the names

204
00:08:11,270 --> 00:08:09,000
that were given and the usual voices

205
00:08:12,890 --> 00:08:11,280
from the debunker crowd were quick to

206
00:08:14,570 --> 00:08:12,900
claim that this was evidence that the

207
00:08:17,330 --> 00:08:14,580
case made by the whistleblowers wasn't

208
00:08:19,969 --> 00:08:17,340
that strong after all if it's a slam

209
00:08:22,430 --> 00:08:19,979
dunk why not put them on the stand

210
00:08:25,189 --> 00:08:22,440
obviously the importance of this hearing

211
00:08:27,290 --> 00:08:25,199
can't be overstated it took us 80 years

212
00:08:29,390 --> 00:08:27,300
to get to this point and there's a

213
00:08:31,189 --> 00:08:29,400

genuine fear in the community especially

214

00:08:33,230 --> 00:08:31,199

among those of us who are well versed in

215

00:08:35,510 --> 00:08:33,240

the history of this field that if we

216

00:08:38,029 --> 00:08:35,520

miss this opportunity to drag the truth

217

00:08:40,190 --> 00:08:38,039

about UFOs into the light that it could

218

00:08:43,310 --> 00:08:40,200

be buried for another 80 years or more

219

00:08:44,570 --> 00:08:43,320

the stakes are high and so I do think

220

00:08:46,550 --> 00:08:44,580

that it's important for us to

221

00:08:48,410 --> 00:08:46,560

acknowledge and understand the concerns

222

00:08:50,449 --> 00:08:48,420

that have been raised and if we're going

223

00:08:52,009 --> 00:08:50,459

to be objective we need to be able to

224

00:08:54,710 --> 00:08:52,019

ask ourselves the uncomfortable

225

00:08:56,690 --> 00:08:54,720

questions that inevitably arise

226

00:08:57,889 --> 00:08:56,700

so what is it exactly that has people

227

00:08:59,690 --> 00:08:57,899

concerned

228

00:09:01,790 --> 00:08:59,700

one of the main points of frustration

229

00:09:04,130 --> 00:09:01,800

for many in the community is that grush

230

00:09:05,930 --> 00:09:04,140

favor and graves are all individuals

231

00:09:07,790 --> 00:09:05,940

that we've heard from before

232

00:09:09,230 --> 00:09:07,800

grush has obviously been in the media

233

00:09:11,570 --> 00:09:09,240

over the last month with his claims

234

00:09:14,570 --> 00:09:11,580

about alleged secret UFO crash retrieval

235

00:09:16,370 --> 00:09:14,580

programs David fraver and Ryan graves

236

00:09:18,170 --> 00:09:16,380

are both well known in the UFO Community

237

00:09:20,090 --> 00:09:18,180

having been featured in multiple

238

00:09:22,790 --> 00:09:20,100

documentaries television shows and

239

00:09:25,250 --> 00:09:22,800

appearing on podcasts so the question is

240

00:09:27,230 --> 00:09:25,260

will their testimonies add to the

241

00:09:29,570 --> 00:09:27,240

conversation or will it just be more of

242

00:09:31,490 --> 00:09:29,580

the same another concern that's been

243

00:09:33,470 --> 00:09:31,500

raised is that none of these Witnesses

244

00:09:35,810 --> 00:09:33,480

has first-hand knowledge of the alleged

245

00:09:37,550 --> 00:09:35,820

crash retrieval programs as much as

246

00:09:40,130 --> 00:09:37,560

people have been excited for grush to

247

00:09:41,509 --> 00:09:40,140

testify in this hearing the reality is

248

00:09:43,370 --> 00:09:41,519

that he's only claimed to have

249

00:09:46,009 --> 00:09:43,380

second-hand knowledge of these alleged

250

00:09:47,690 --> 00:09:46,019

programs The Hope was that some of the

251

00:09:49,850 --> 00:09:47,700

other whistleblowers with first-hand

252

00:09:52,070 --> 00:09:49,860

knowledge would be stepping forward to

253

00:09:53,570 --> 00:09:52,080

corroborate his story and it feels

254

00:09:55,009 --> 00:09:53,580

unlikely that we could gain much

255

00:09:57,470 --> 00:09:55,019

traction with this current push for

256

00:10:00,050 --> 00:09:57,480

transparency if we don't at some point

257

00:10:02,630 --> 00:10:00,060

get that corroboration so the question

258

00:10:04,910 --> 00:10:02,640

is why would they wait

259

00:10:06,590 --> 00:10:04,920

for their parts fraver and Graves have

260

00:10:08,930 --> 00:10:06,600

never indicated that they had knowledge

261

00:10:10,610 --> 00:10:08,940

of Crash retrieval programs at all they

262

00:10:13,070 --> 00:10:10,620

were both present for Infamous and

263

00:10:15,050 --> 00:10:13,080

well-documented UAP sightings and both

264

00:10:17,269 --> 00:10:15,060

have spoken out to advocate for greater

265

00:10:19,070 --> 00:10:17,279

transparency around the issue but it

266

00:10:20,329 --> 00:10:19,080

seems unlikely that anything that they

267

00:10:22,490 --> 00:10:20,339

would have to share in the hearings

268

00:10:24,470 --> 00:10:22,500

would be able to directly corroborate

269

00:10:27,590 --> 00:10:24,480

grush's specific claims about these

270

00:10:29,389 --> 00:10:27,600

programs so the question is why aren't

271

00:10:30,829 --> 00:10:29,399

they calling Witnesses who can move this

272

00:10:32,990 --> 00:10:30,839

story forward

273

00:10:34,990 --> 00:10:33,000

and perhaps the greatest concern has

274

00:10:37,790 --> 00:10:35,000

been what happened to the whistleblowers

275

00:10:39,710 --> 00:10:37,800

just a couple of weeks ago Marco Rubio

276

00:10:41,389 --> 00:10:39,720

and others confirmed that multiple

277

00:10:43,130 --> 00:10:41,399

high-level whistleblowers with

278

00:10:45,590 --> 00:10:43,140

first-hand knowledge of these alleged

279

00:10:48,110 --> 00:10:45,600

secret programs had spoken to Congress

280

00:10:50,769 --> 00:10:48,120

and corroborated Russia's claims

281

00:10:53,329 --> 00:10:50,779

so the most glaring question of all is

282

00:10:54,710 --> 00:10:53,339

where are they why aren't they

283

00:10:56,810 --> 00:10:54,720

testifying

284

00:10:59,150 --> 00:10:56,820

and these are all extremely valid and

285

00:11:01,430 --> 00:10:59,160

important questions and to answer them

286

00:11:03,110 --> 00:11:01,440

we need to put all of this into context

287

00:11:04,970 --> 00:11:03,120

from what was said at the press

288

00:11:06,190 --> 00:11:04,980

conference to the recent developments

289

00:11:08,990 --> 00:11:06,200

we've been hearing out of Washington

290

00:11:11,269 --> 00:11:09,000

let's start by talking about the goal of

291

00:11:13,430 --> 00:11:11,279

this hearing and why Tim burchett says

292

00:11:15,650 --> 00:11:13,440

that this one is going to be different

293

00:11:19,069 --> 00:11:15,660

thus far we've had two public hearings

294

00:11:22,069 --> 00:11:19,079

on UFOs one in May of 2022 and one in

295

00:11:24,170 --> 00:11:22,079

April of 2023 and while both of those

296

00:11:26,329 --> 00:11:24,180

hearings marked major milestones in the

297

00:11:28,730 --> 00:11:26,339

push for disclosure neither of them did

298

00:11:30,350 --> 00:11:28,740

much to move the needle burchett said in

299

00:11:32,930 --> 00:11:30,360

Thursday's press conference that the

300

00:11:34,610 --> 00:11:32,940

goal is for this hearing to be different

301

00:11:36,829 --> 00:11:34,620

specifically he called out past

302

00:11:38,569 --> 00:11:36,839

Witnesses calling them bureaucrats from

303

00:11:40,670 --> 00:11:38,579

the Pentagon who answered every question

304

00:11:43,190 --> 00:11:40,680

with either I don't know or that's

305

00:11:44,870 --> 00:11:43,200

classified this hearing is going to be

306

00:11:46,910 --> 00:11:44,880

different he said we're going to have

307

00:11:49,310 --> 00:11:46,920

witnesses that can speak frankly to the

308

00:11:51,110 --> 00:11:49,320

public about their experiences

309

00:11:52,790 --> 00:11:51,120

another reason that these hearings are

310

00:11:54,530 --> 00:11:52,800

likely to be different is that they are

311

00:11:56,449 --> 00:11:54,540

taking place at a time when Congress is

312

00:11:58,730 --> 00:11:56,459

taking this issue seriously in a way

313

00:12:01,130 --> 00:11:58,740

that they frankly haven't before

314

00:12:02,870 --> 00:12:01,140

just in the last week Senate Majority

315

00:12:04,870 --> 00:12:02,880

Leader Chuck Schumer along with a

316

00:12:07,670 --> 00:12:04,880

bipartisan group of five Senators

317

00:12:09,829 --> 00:12:07,680

introduced new legislation intended to

318

00:12:11,690 --> 00:12:09,839

require greater transparency with regard

319

00:12:13,310 --> 00:12:11,700

to the UFO phenomenon

320

00:12:15,350 --> 00:12:13,320

clearly influenced by the recent

321

00:12:17,870 --> 00:12:15,360

whistleblower allegations by Gretch and

322

00:12:19,790 --> 00:12:17,880

others this bill goes as far as to

323

00:12:22,069 --> 00:12:19,800

suggest that the U.S government or

324

00:12:25,490 --> 00:12:22,079

private contractors May possess

325

00:12:28,310 --> 00:12:25,500

recovered UFOs and quote biological

326

00:12:29,569 --> 00:12:28,320

evidence of living or deceased non-human

327

00:12:31,370 --> 00:12:29,579

intelligence

328

00:12:33,470 --> 00:12:31,380

the legislation states that a

329

00:12:35,750 --> 00:12:33,480

comprehensive investigation has revealed

330

00:12:37,970 --> 00:12:35,760

numerous individuals and groups who

331

00:12:40,790 --> 00:12:37,980

claim knowledge of secret UAP related

332

00:12:42,710 --> 00:12:40,800

programs some lawmakers believe this

333

00:12:45,410 --> 00:12:42,720

points to the U.S government concealing

334

00:12:46,970 --> 00:12:45,420

substantial UAP information not just

335

00:12:48,889 --> 00:12:46,980

from the public but from the

336

00:12:51,829 --> 00:12:48,899

constitutionally required oversight of

337

00:12:53,509 --> 00:12:51,839

Congress to address this the proposed

338

00:12:55,850 --> 00:12:53,519

legislation calls for the establishment

339

00:12:58,850 --> 00:12:55,860

of an independent nine-member agency

340

00:13:02,389 --> 00:12:58,860

that would gather review and declassify

341

00:13:04,069 --> 00:13:02,399

UAP records all government UFO documents

342

00:13:06,530 --> 00:13:04,079

would be subject to immediate public

343

00:13:08,389 --> 00:13:06,540

disclosure if the bill passes

344

00:13:10,850 --> 00:13:08,399

the legislation goes beyond just

345

00:13:13,129 --> 00:13:10,860

transparency as it also stipulates that

346

00:13:15,590 --> 00:13:13,139

any recovered UFOs and non-human

347

00:13:17,810 --> 00:13:15,600

intelligence held by private entities

348

00:13:19,629 --> 00:13:17,820

must be transferred to the U.S

349

00:13:22,009 --> 00:13:19,639

government in the public interest

350

00:13:24,530 --> 00:13:22,019

additionally a quote controlled

351
00:13:26,329 --> 00:13:24,540
disclosure campaign Plan was introduced

352
00:13:28,250 --> 00:13:26,339
which would schedule the release of

353
00:13:30,110 --> 00:13:28,260
sensitive UAP documents with the

354
00:13:31,310 --> 00:13:30,120
president holding the final Authority on

355
00:13:33,949 --> 00:13:31,320
disclosure

356
00:13:36,350 --> 00:13:33,959
in short this is serious legislation

357
00:13:38,750 --> 00:13:36,360
being brought forward by a bipartisan

358
00:13:41,030 --> 00:13:38,760
group of senators who have created very

359
00:13:42,470 --> 00:13:41,040
pointed legislation in response to the

360
00:13:43,970 --> 00:13:42,480
information that's being brought to them

361
00:13:45,650 --> 00:13:43,980
by whistleblowers

362
00:13:47,690 --> 00:13:45,660
that's a level of Engagement and

363
00:13:49,129 --> 00:13:47,700

investment that we simply haven't seen

364

00:13:51,710 --> 00:13:49,139

from all but a handful of

365

00:13:54,290 --> 00:13:51,720

Representatives in Congress until now

366

00:13:56,150 --> 00:13:54,300

and so there's reason to hope that these

367

00:13:57,650 --> 00:13:56,160

hearings could have the kind of impacts

368

00:13:59,990 --> 00:13:57,660

that could really move the needle on

369

00:14:02,269 --> 00:14:00,000

disclosure but if we're seeing this kind

370

00:14:03,710 --> 00:14:02,279

of momentum from Congress then why

371

00:14:06,410 --> 00:14:03,720

aren't we seeing more whistleblowers

372

00:14:08,210 --> 00:14:06,420

testifying after all aren't there

373

00:14:09,170 --> 00:14:08,220

supposed to be whistleblower Protections

374

00:14:11,810 --> 00:14:09,180

in place

375

00:14:14,030 --> 00:14:11,820

in December Landmark legislation was

376

00:14:16,610 --> 00:14:14,040

passed as part of the 2023 National

377

00:14:18,650 --> 00:14:16,620

Defense authorization act which offered

378

00:14:20,090 --> 00:14:18,660

protection to UFO whistleblowers who

379

00:14:22,490 --> 00:14:20,100

wanted to come forward to talk to

380

00:14:24,350 --> 00:14:22,500

Congress about what they know the law

381

00:14:26,150 --> 00:14:24,360

Shields these individuals from legal

382

00:14:28,069 --> 00:14:26,160

action that could arise from breaking

383

00:14:30,230 --> 00:14:28,079

confidentiality agreements related to

384

00:14:32,389 --> 00:14:30,240

these secrets and it covers both

385

00:14:34,490 --> 00:14:32,399

government employees and people working

386

00:14:36,889 --> 00:14:34,500

for private companies involved in UAP

387

00:14:38,389 --> 00:14:36,899

research and development one part of the

388

00:14:40,250 --> 00:14:38,399

law creates a safe way for

389

00:14:42,170 --> 00:14:40,260

whistleblowers to share information with

390

00:14:44,509 --> 00:14:42,180

members of Congress who have a legal

391

00:14:46,250 --> 00:14:44,519

right to this knowledge the law also

392

00:14:48,050 --> 00:14:46,260

includes a provision that protects

393

00:14:50,030 --> 00:14:48,060

whistleblowers from retaliation or

394

00:14:51,949 --> 00:14:50,040

punishment such as losing their jobs or

395

00:14:53,090 --> 00:14:51,959

security clearances for revealing this

396

00:14:55,250 --> 00:14:53,100

information

397

00:14:57,769 --> 00:14:55,260

and yet according to timberjet and

398

00:14:59,569 --> 00:14:57,779

others in Congress whistleblowers are

399

00:15:01,970 --> 00:14:59,579

still dealing with intimidation and

400

00:15:03,650 --> 00:15:01,980

threats in Thursday's press conference

401
00:15:05,269 --> 00:15:03,660
he alleged that whistleblowers had

402
00:15:07,490 --> 00:15:05,279
backed out of testifying after the

403
00:15:09,290 --> 00:15:07,500
Pentagon opened inquiries into them that

404
00:15:11,629 --> 00:15:09,300
could threaten their jobs and clearances

405
00:15:13,730 --> 00:15:11,639
he also alleged that so-called

406
00:15:15,769 --> 00:15:13,740
debriefings of whistleblowers who had

407
00:15:18,710 --> 00:15:15,779
spoken to Congress involved eight-hour

408
00:15:21,530 --> 00:15:18,720
long interrogations and later on news

409
00:15:23,629 --> 00:15:21,540
Nation he told Chris Cuomo that some

410
00:15:25,790 --> 00:15:23,639
Pilots had destroyed evidence after

411
00:15:28,069 --> 00:15:25,800
being interrogated by Pentagon officials

412
00:15:30,470 --> 00:15:28,079
in order to protect their jobs

413
00:15:32,329 --> 00:15:30,480

if the allegations of intimidation and

414

00:15:34,910 --> 00:15:32,339

reprisals against whistleblowers are

415

00:15:36,290 --> 00:15:34,920

true it doesn't just explain why it is

416

00:15:37,910 --> 00:15:36,300

that we won't be seeing any new

417

00:15:40,430 --> 00:15:37,920

whistleblowers in this week's hearing

418

00:15:43,970 --> 00:15:40,440

but it points to a much larger problem

419

00:15:46,009 --> 00:15:43,980

one with disturbing implications I want

420

00:15:48,889 --> 00:15:46,019

to talk to you guys about a new partner

421

00:15:50,449 --> 00:15:48,899

application and eligibility decisions

491

00:18:33,890 --> 00:18:31,080

are made by the FCC other restriction

492

00:18:39,110 --> 00:18:36,470

first of all if there's truly nothing to

493

00:18:41,330 --> 00:18:39,120

see here folks with regard to UFOs and a

494

00:18:43,010 --> 00:18:41,340

potential government cover-up then why

495

00:18:45,350 --> 00:18:43,020

are whistleblowers being retaliated

496

00:18:46,970 --> 00:18:45,360

against for speaking up the fact that

497

00:18:49,010 --> 00:18:46,980

they are being silenced after already

498

00:18:51,169 --> 00:18:49,020

speaking to Congress speaks to a much

499

00:18:54,049 --> 00:18:51,179

larger pattern of Deceit

500

00:18:56,630 --> 00:18:54,059

secondly and of even greater concern is

501
00:18:58,789 --> 00:18:56,640
that if these allegations are true then

502
00:19:00,890 --> 00:18:58,799
it means that there is an element within

503
00:19:03,710 --> 00:19:00,900
the Pentagon that is operating Above the

504
00:19:06,529 --> 00:19:03,720
Law above the oversight of Congress and

505
00:19:08,210 --> 00:19:06,539
therefore above the Constitution not

506
00:19:10,909 --> 00:19:08,220
only does this element have no problem

507
00:19:13,070 --> 00:19:10,919
with brazenly disobeying the law but the

508
00:19:14,810 --> 00:19:13,080
whistleblowers who have come forward not

509
00:19:16,970 --> 00:19:14,820
only deem the threats against them to be

510
00:19:19,070 --> 00:19:16,980
credible but they seemingly don't

511
00:19:21,110 --> 00:19:19,080
believe that Congress currently has the

512
00:19:23,510 --> 00:19:21,120
ability to protect them

513
00:19:26,510 --> 00:19:23,520

and those fears at least at this point

514

00:19:28,430 --> 00:19:26,520

don't appear to be unfounded Congress is

515

00:19:30,409 --> 00:19:28,440

currently facing substantial obstacles

516

00:19:32,270 --> 00:19:30,419

and stonewalling in their efforts to

517

00:19:34,730 --> 00:19:32,280

investigate whistleblower claims related

518

00:19:37,250 --> 00:19:34,740

to UFOs and alleged crash retrieval

519

00:19:39,169 --> 00:19:37,260

programs in Thursday's press conference

520

00:19:41,570 --> 00:19:39,179

Tim birchett alleged they'd receive

521

00:19:43,669 --> 00:19:41,580

pushback from members of Congress the

522

00:19:46,970 --> 00:19:43,679

Pentagon members of the intelligence

523

00:19:48,289 --> 00:19:46,980

community and even NASA burchett alleges

524

00:19:50,570 --> 00:19:48,299

that the opposition that they are

525

00:19:52,070 --> 00:19:50,580

encountering is so considerable that its

526
00:19:53,390 --> 00:19:52,080
impeding progress on legislative

527
00:19:55,669 --> 00:19:53,400
measures

528
00:19:57,350 --> 00:19:55,679
one such instance is the failed attempt

529
00:19:59,090 --> 00:19:57,360
to introduce an amendment that would

530
00:20:01,610 --> 00:19:59,100
have mandated the Federal Aviation

531
00:20:03,830 --> 00:20:01,620
Administration to report sightings of

532
00:20:04,730 --> 00:20:03,840
UAP by commercial airline pilots to

533
00:20:07,190 --> 00:20:04,740
Congress

534
00:20:08,810 --> 00:20:07,200
the amendment met significant resistance

535
00:20:10,549 --> 00:20:08,820
and burchett claims that it was

536
00:20:11,630 --> 00:20:10,559
ultimately shut down by the intelligence

537
00:20:13,190 --> 00:20:11,640
community

538
00:20:16,190 --> 00:20:13,200

in Thursday's press conference

539

00:20:17,450 --> 00:20:16,200

representative Anna Paulina Luna also

540

00:20:19,070 --> 00:20:17,460

alleged that they have faced

541

00:20:21,710 --> 00:20:19,080

considerable resistance from military

542

00:20:24,169 --> 00:20:21,720

officials when seeking details on uaps

543

00:20:26,330 --> 00:20:24,179

in response to whistleblower allegations

544

00:20:28,130 --> 00:20:26,340

the Pentagon reportedly thwarted an

545

00:20:30,350 --> 00:20:28,140

arranged meeting with Pilots about their

546

00:20:32,330 --> 00:20:30,360

UAP encounters at a Florida Air Force

547

00:20:34,630 --> 00:20:32,340

Base where members of Congress were

548

00:20:37,610 --> 00:20:34,640

promised access to sensitive information

549

00:20:39,169 --> 00:20:37,620

Luna made a firm stand stating if the

550

00:20:40,549 --> 00:20:39,179

department of the Air Force if the

551
00:20:42,590 --> 00:20:40,559
Pentagon thinks that they're above

552
00:20:43,549 --> 00:20:42,600
Congress they have something else coming

553
00:20:46,130 --> 00:20:43,559
to them

554
00:20:48,470 --> 00:20:46,140
all right so now that we have all that

555
00:20:50,870 --> 00:20:48,480
important context let's talk about what

556
00:20:52,549 --> 00:20:50,880
might be going on here we know that

557
00:20:54,289 --> 00:20:52,559
several high-ranking whistleblowers with

558
00:20:56,210 --> 00:20:54,299
first-hand knowledge of Crash retrieval

559
00:20:58,310 --> 00:20:56,220
programs have already spoken to Congress

560
00:21:00,110 --> 00:20:58,320
and corroborated the claims made last

561
00:21:02,029 --> 00:21:00,120
month by David grush

562
00:21:04,310 --> 00:21:02,039
this information was compelling enough

563
00:21:06,650 --> 00:21:04,320

to prompt an exceedingly rare bipartisan

564

00:21:08,870 --> 00:21:06,660

push for greater transparency with the

565

00:21:10,970 --> 00:21:08,880

introduction of new legislation and the

566

00:21:13,130 --> 00:21:10,980

scheduling of next week's hearing

567

00:21:14,870 --> 00:21:13,140

however in investigating these claims

568

00:21:16,730 --> 00:21:14,880

members of Congress have experienced

569

00:21:18,350 --> 00:21:16,740

significant pushback and whistleblowers

570

00:21:20,450 --> 00:21:18,360

continue to be intimidated and

571

00:21:22,070 --> 00:21:20,460

retaliated against despite the

572

00:21:25,730 --> 00:21:22,080

legislation in place that's meant to

573

00:21:28,010 --> 00:21:25,740

protect them if true this represents a

574

00:21:30,409 --> 00:21:28,020

clear and existential threat to both our

575

00:21:32,750 --> 00:21:30,419

country and to our democracy

576

00:21:34,789 --> 00:21:32,760

but Congress is facing an even bigger

577

00:21:36,890 --> 00:21:34,799

Challenge and it's one that they're

578

00:21:39,230 --> 00:21:36,900

going to need to overcome before they

579

00:21:41,330 --> 00:21:39,240

have a prayer of taking on this shadowy

580

00:21:43,190 --> 00:21:41,340

Rogue element within the government that

581

00:21:44,810 --> 00:21:43,200

has managed to evade constitutionally

582

00:21:47,090 --> 00:21:44,820

required oversight

583

00:21:49,730 --> 00:21:47,100

and that problem is that for the vast

584

00:21:52,789 --> 00:21:49,740

majority of Americans this story isn't

585

00:21:54,770 --> 00:21:52,799

even on their radar in an era defined by

586

00:21:56,750 --> 00:21:54,780

unprecedented challenges the challenge

587

00:21:59,090 --> 00:21:56,760

currently before us might be the

588

00:22:01,250 --> 00:21:59,100

greatest we faced as a nation so far

589

00:22:03,409 --> 00:22:01,260

and the reality is that Congress is

590

00:22:05,630 --> 00:22:03,419

going to need the collective will of the

591

00:22:07,610 --> 00:22:05,640

American people behind them if they're

592

00:22:09,950 --> 00:22:07,620

going to have any hope of dragging these

593

00:22:11,450 --> 00:22:09,960

secret programs and the truth about UFOs

594

00:22:13,850 --> 00:22:11,460

into the light

595

00:22:16,190 --> 00:22:13,860

but again most people have no idea this

596

00:22:18,350 --> 00:22:16,200

is even happening and sure that I don't

597

00:22:20,149 --> 00:22:18,360

need to tell that to any of you I hear

598

00:22:22,010 --> 00:22:20,159

from listeners and other people in the

599

00:22:24,169 --> 00:22:22,020

community every day and although our

600

00:22:26,149 --> 00:22:24,179

numbers are growing rapidly the thing I

601
00:22:28,610 --> 00:22:26,159
hear most from people is how frustrating

602
00:22:30,409 --> 00:22:28,620
and isolating it can be when most of the

603
00:22:32,390 --> 00:22:30,419
people in your life are not ready to

604
00:22:34,669 --> 00:22:32,400
have a discussion about the presence of

605
00:22:35,510 --> 00:22:34,679
UFOs and non-human Intelligence on this

606
00:22:38,330 --> 00:22:35,520
planet

607
00:22:39,590 --> 00:22:38,340
and as frustrating as that can be I

608
00:22:41,090 --> 00:22:39,600
don't think that we can really blame

609
00:22:42,649 --> 00:22:41,100
people for their lack of interest and

610
00:22:44,930 --> 00:22:42,659
willingness to engage on this subject

611
00:22:47,810 --> 00:22:44,940
for our entire lives we've been told

612
00:22:49,789 --> 00:22:47,820
that UFOs aren't real that stories about

613
00:22:51,890 --> 00:22:49,799

contact with non-human intelligence were

614

00:22:53,930 --> 00:22:51,900

ridiculous and that anyone who

615

00:22:56,630 --> 00:22:53,940

entertained these ideas as being in any

616

00:22:58,909 --> 00:22:56,640

way legitimate is either mentally ill or

617

00:23:00,830 --> 00:22:58,919

a liar and it's not like people don't

618

00:23:03,110 --> 00:23:00,840

have any other existential threats on

619

00:23:04,909 --> 00:23:03,120

their plates right now anxieties over

620

00:23:07,010 --> 00:23:04,919

everything from the economy to the

621

00:23:09,529 --> 00:23:07,020

election to nuclear reward climate

622

00:23:11,870 --> 00:23:09,539

change to the rise of AI are at all time

623

00:23:13,730 --> 00:23:11,880

highs it's not surprising that people

624

00:23:14,930 --> 00:23:13,740

aren't exactly rushing to take this

625

00:23:17,330 --> 00:23:14,940

seriously

626
00:23:19,010 --> 00:23:17,340
but it leaves Congress in a serious bind

627
00:23:20,149 --> 00:23:19,020
in terms of making progress in their

628
00:23:22,610 --> 00:23:20,159
investigation

629
00:23:24,830 --> 00:23:22,620
how do you talk about secret UFO crash

630
00:23:27,590 --> 00:23:24,840
retrieval programs and the dangers of

631
00:23:29,570 --> 00:23:27,600
asymmetric technological advantages with

632
00:23:31,789 --> 00:23:29,580
people who don't believe that UFOs exist

633
00:23:34,250 --> 00:23:31,799
and who carry a bunch of inaccurate

634
00:23:36,590 --> 00:23:34,260
ideas instilled by the media about what

635
00:23:38,270 --> 00:23:36,600
they might be even if they did

636
00:23:40,669 --> 00:23:38,280
imagine you're a member of Congress

637
00:23:42,649 --> 00:23:40,679
who's trying to game this out what would

638
00:23:44,690 --> 00:23:42,659

you do given this set of challenges and

639

00:23:45,710 --> 00:23:44,700

constraints how would you move the ball

640

00:23:47,570 --> 00:23:45,720

forward

641

00:23:49,669 --> 00:23:47,580

when you start to think about it this

642

00:23:51,169 --> 00:23:49,679

way the choices being made about the

643

00:23:53,810 --> 00:23:51,179

witnesses for next week's hearings

644

00:23:56,210 --> 00:23:53,820

suddenly start to make a lot more sense

645

00:23:57,890 --> 00:23:56,220

the whistleblowers besides Rush aren't

646

00:23:59,570 --> 00:23:57,900

in play right now and they are likely

647

00:24:02,210 --> 00:23:59,580

going to need more assurances to come

648

00:24:04,070 --> 00:24:02,220

forward publicly that means that they're

649

00:24:06,590 --> 00:24:04,080

going to be looking at Congress and to

650

00:24:08,870 --> 00:24:06,600

the American public to see how these

651
00:24:11,029 --> 00:24:08,880
hearings are received if these

652
00:24:13,010 --> 00:24:11,039
Revelations are met with crickets and if

653
00:24:14,390 --> 00:24:13,020
Congress isn't able to signal that they

654
00:24:15,890 --> 00:24:14,400
are going to be able to hold those

655
00:24:18,409 --> 00:24:15,900
retaliating against whistleblowers

656
00:24:20,390 --> 00:24:18,419
accountable then there is no motivation

657
00:24:22,250 --> 00:24:20,400
for them to come forward they'd be

658
00:24:23,990 --> 00:24:22,260
risking their careers and perhaps even

659
00:24:25,549 --> 00:24:24,000
their lives for an initiative that's

660
00:24:28,010 --> 00:24:25,559
destined to fail

661
00:24:30,950 --> 00:24:28,020
so Congress needs to do two things with

662
00:24:33,049 --> 00:24:30,960
this hearing first they need to make as

663
00:24:35,210 --> 00:24:33,059

much noise as possible and do everything

664

00:24:37,310 --> 00:24:35,220

in their power to get the reality of the

665

00:24:38,510 --> 00:24:37,320

UFO phenomenon on the radar of the

666

00:24:40,850 --> 00:24:38,520

American people

667

00:24:42,770 --> 00:24:40,860

and secondly they need to show that

668

00:24:44,630 --> 00:24:42,780

there is enough Collective will within

669

00:24:46,370 --> 00:24:44,640

Congress to effectively pursue this

670

00:24:48,710 --> 00:24:46,380

investigation and to hold people

671

00:24:51,289 --> 00:24:48,720

accountable in terms of Point number one

672

00:24:53,990 --> 00:24:51,299

I'd argue that David grosh David fraver

673

00:24:56,450 --> 00:24:54,000

and Ryan graves are the right witnesses

674

00:24:58,310 --> 00:24:56,460

to be taking the stand next week and I

675

00:24:59,870 --> 00:24:58,320

think that remains true even if the

676
00:25:01,010 --> 00:24:59,880
other whistleblowers were willing to

677
00:25:03,590 --> 00:25:01,020
participate

678
00:25:05,210 --> 00:25:03,600
hear me out while it's true that the

679
00:25:06,950 --> 00:25:05,220
legislation that was passed in December

680
00:25:08,270 --> 00:25:06,960
makes it possible for whistleblowers to

681
00:25:11,149 --> 00:25:08,280
come forward with what they know to

682
00:25:13,010 --> 00:25:11,159
Congress what it doesn't do is allow for

683
00:25:15,049 --> 00:25:13,020
people with classified information about

684
00:25:17,090 --> 00:25:15,059
special access programs to share that

685
00:25:19,130 --> 00:25:17,100
information directly with the public

686
00:25:21,409 --> 00:25:19,140
as Tim burchett said in Thursday's press

687
00:25:23,149 --> 00:25:21,419
conference it does them no good to put

688
00:25:25,970 --> 00:25:23,159

people on the stand who can only answer

689

00:25:27,950 --> 00:25:25,980

questions with its classified that would

690

00:25:30,169 --> 00:25:27,960

only further money the waters and would

691

00:25:32,390 --> 00:25:30,179

likely fail to get anyone's attention

692

00:25:34,549 --> 00:25:32,400

what we need right now are people who

693

00:25:37,310 --> 00:25:34,559

can speak frankly and openly to the

694

00:25:39,169 --> 00:25:37,320

American people about what they know and

695

00:25:41,330 --> 00:25:39,179

while the secret UFO crash retrieval

696

00:25:43,789 --> 00:25:41,340

programs are the primary focus of the

697

00:25:45,890 --> 00:25:43,799

larger investigation what's most

698

00:25:47,750 --> 00:25:45,900

important in terms of this first hearing

699

00:25:50,090 --> 00:25:47,760

is that the case is made to the public

700

00:25:51,649 --> 00:25:50,100

that UFOs are real and that the

701
00:25:53,210 --> 00:25:51,659
government has been engaged in an

702
00:25:54,769 --> 00:25:53,220
extensive cover-up

703
00:25:57,230 --> 00:25:54,779
unlike the whistleblowers that have

704
00:25:59,570 --> 00:25:57,240
spoken to Congress David fraver and Ryan

705
00:26:01,850 --> 00:25:59,580
graves are able to talk about what they

706
00:26:04,430 --> 00:26:01,860
know they have first-hand experience

707
00:26:06,710 --> 00:26:04,440
with uaps interfering with U.S military

708
00:26:09,649 --> 00:26:06,720
operations and with how the government

709
00:26:11,570 --> 00:26:09,659
responds to such incidents and best of

710
00:26:13,490 --> 00:26:11,580
all the incidents that they witnessed

711
00:26:15,710 --> 00:26:13,500
and the associated videos that have been

712
00:26:18,350 --> 00:26:15,720
released to the public aren't classified

713
00:26:20,390 --> 00:26:18,360

so they can go on the record

714

00:26:21,769 --> 00:26:20,400

for members of the UFO Community who've

715

00:26:24,110 --> 00:26:21,779

been following this story for a while

716

00:26:26,570 --> 00:26:24,120

fraver engravings are known quantities

717

00:26:28,070 --> 00:26:26,580

we've heard their stories but it's

718

00:26:31,250 --> 00:26:28,080

important to remember that most

719

00:26:32,630 --> 00:26:31,260

Americans have it and if they have they

720

00:26:35,149 --> 00:26:32,640

certainly haven't heard them in the

721

00:26:36,950 --> 00:26:35,159

context of a congressional hearing the

722

00:26:38,930 --> 00:26:36,960

accounts of these two men are compelling

723

00:26:41,570 --> 00:26:38,940

and important to laying the necessary

724

00:26:43,909 --> 00:26:41,580

foundation for this larger conversation

725

00:26:45,529 --> 00:26:43,919

and as for David Crush as we discussed

726

00:26:47,330 --> 00:26:45,539

in the initial episode about his

727

00:26:49,850 --> 00:26:47,340

whistleblower allegations which you can

728

00:26:51,710 --> 00:26:49,860

find linked in the episode brief he is

729

00:26:53,870 --> 00:26:51,720

uniquely positioned to speak frankly

730

00:26:56,210 --> 00:26:53,880

with the American people as well

731

00:26:58,250 --> 00:26:56,220

a few months ago grush submitted his

732

00:27:00,409 --> 00:26:58,260

statements regarding information that he

733

00:27:02,149 --> 00:27:00,419

received about secret UFO crash

734

00:27:04,130 --> 00:27:02,159

retrieval programs operating without

735

00:27:07,070 --> 00:27:04,140

oversight to the Department of Defense

736

00:27:08,090 --> 00:27:07,080

and in April the dod cleared his

737

00:27:12,289 --> 00:27:08,100

statements

738

00:27:14,049 --> 00:27:12,299

the dod wasn't saying that they approved

739

00:27:16,430 --> 00:27:14,059

of his statements or that they were true

740

00:27:17,690 --> 00:27:16,440

it just means that nothing in the

741

00:27:19,669 --> 00:27:17,700

statements that he intended to make

742

00:27:20,930 --> 00:27:19,679

publicly were a threat to National

743

00:27:22,610 --> 00:27:20,940

Security

744

00:27:24,649 --> 00:27:22,620

now this was a brilliant move on

745

00:27:27,350 --> 00:27:24,659

Russia's part because it forced the dod

746

00:27:29,690 --> 00:27:27,360

to make a tough choice they could choose

747

00:27:31,310 --> 00:27:29,700

not to clear his statements but in doing

748

00:27:32,510 --> 00:27:31,320

so they would have had to say that his

749

00:27:35,149 --> 00:27:32,520

statements were a threat to National

750

00:27:36,169 --> 00:27:35,159

Security if they're not true then how

751
00:27:38,750 --> 00:27:36,179
could they be a threat to National

752
00:27:40,490 --> 00:27:38,760
Security so the Pentagon instead chose

753
00:27:42,950 --> 00:27:40,500
to clear his statements which allows

754
00:27:45,110 --> 00:27:42,960
them to maintain plausible deniability

755
00:27:47,210 --> 00:27:45,120
but it also gives gresh the ability to

756
00:27:49,310 --> 00:27:47,220
speak openly about the allegations that

757
00:27:51,049 --> 00:27:49,320
he had cleared by them and for those

758
00:27:53,029 --> 00:27:51,059
that continue to Grumble the grush

759
00:27:54,950 --> 00:27:53,039
doesn't have first-hand information of

760
00:27:56,510 --> 00:27:54,960
these crash retrieval programs and was

761
00:27:58,970 --> 00:27:56,520
only told about them by intelligence

762
00:28:00,409 --> 00:27:58,980
officials who were in these programs I

763
00:28:02,450 --> 00:28:00,419

think it's important to point out that

764

00:28:04,610 --> 00:28:02,460

it's very likely that the only reason

765

00:28:06,590 --> 00:28:04,620

that this plan worked is exactly because

766

00:28:09,289 --> 00:28:06,600

grush wasn't claiming to have firsthand

767

00:28:11,510 --> 00:28:09,299

knowledge there is no mechanism by which

768

00:28:13,250 --> 00:28:11,520

members of special access programs can

769

00:28:14,510 --> 00:28:13,260

share classified information directly

770

00:28:17,269 --> 00:28:14,520

with the public

771

00:28:19,490 --> 00:28:17,279

but being one degree removed grush is

772

00:28:21,350 --> 00:28:19,500

able to say things that they can't

773

00:28:23,029 --> 00:28:21,360

what's going to be important to watch is

774

00:28:25,850 --> 00:28:23,039

how Congress and the public at large

775

00:28:27,710 --> 00:28:25,860

respond to grush after this hearing if

776

00:28:29,450 --> 00:28:27,720

he's taken seriously and if Congress

777

00:28:31,549 --> 00:28:29,460

continues to Signal their willingness to

778

00:28:33,529 --> 00:28:31,559

move in an aggressive and bipartisan

779

00:28:35,510 --> 00:28:33,539

manner to ensure greater transparency on

780

00:28:37,130 --> 00:28:35,520

this issue then hopefully the other

781

00:28:39,289 --> 00:28:37,140

whistleblowers will be more willing to

782

00:28:40,549 --> 00:28:39,299

come forward and one more thought on the

783

00:28:42,590 --> 00:28:40,559

whistleblowers

784

00:28:44,870 --> 00:28:42,600

even if they were willing to speak

785

00:28:46,669 --> 00:28:44,880

publicly in next week's hearing I can

786

00:28:48,529 --> 00:28:46,679

think of a couple really good reasons

787

00:28:49,789 --> 00:28:48,539

for why Congress might want to slow play

788

00:28:51,649 --> 00:28:49,799

that hand

789

00:28:53,510 --> 00:28:51,659

there's the most obvious point which is

790

00:28:55,490 --> 00:28:53,520

that if the whistleblowers were to all

791

00:28:57,529 --> 00:28:55,500

come forward next week but the American

792

00:28:59,269 --> 00:28:57,539

public still wasn't in a place where

793

00:29:01,010 --> 00:28:59,279

they were ready to hear it and the

794

00:29:03,110 --> 00:29:01,020

hearing didn't have the intended impact

795

00:29:04,370 --> 00:29:03,120

which I personally think would be a real

796

00:29:05,690 --> 00:29:04,380

possibility given the current

797

00:29:08,210 --> 00:29:05,700

environment

798

00:29:09,890 --> 00:29:08,220

then what the story would be buried

799

00:29:11,330 --> 00:29:09,900

within a couple of news cycles and it

800

00:29:13,370 --> 00:29:11,340

would be impossible to protect the

801
00:29:15,169 --> 00:29:13,380
whistleblowers and the likely result

802
00:29:16,190 --> 00:29:15,179
would be that this story gets buried

803
00:29:18,649 --> 00:29:16,200
again

804
00:29:20,630 --> 00:29:18,659
but beyond that risk there's also the

805
00:29:22,669 --> 00:29:20,640
reality that if members of Congress are

806
00:29:25,430 --> 00:29:22,679
investigating secret programs operating

807
00:29:27,110 --> 00:29:25,440
within the dod without oversight and we

808
00:29:29,450 --> 00:29:27,120
have every indication that this is being

809
00:29:31,070 --> 00:29:29,460
seriously investigated then they

810
00:29:32,990 --> 00:29:31,080
probably wouldn't want to put their key

811
00:29:35,269 --> 00:29:33,000
Witnesses on the stand to reveal what

812
00:29:37,010 --> 00:29:35,279
they know at least not until they are in

813
00:29:39,350 --> 00:29:37,020

a position to act

814

00:29:41,930 --> 00:29:39,360

so given all of this what can we expect

815

00:29:43,909 --> 00:29:41,940

from next week's hearings to be honest

816

00:29:45,769 --> 00:29:43,919

while I'm hoping that we'll get some new

817

00:29:47,750 --> 00:29:45,779

information and new evidence out of this

818

00:29:50,269 --> 00:29:47,760

process I'm not going to be holding my

819

00:29:53,090 --> 00:29:50,279

breath for it what I'm personally hoping

820

00:29:55,070 --> 00:29:53,100

to see are two things I want to see that

821

00:29:57,289 --> 00:29:55,080

all three of the Witnesses are able to

822

00:29:59,810 --> 00:29:57,299

give their full and explicit testimony

823

00:30:01,370 --> 00:29:59,820

about what they know to Congress and to

824

00:30:03,350 --> 00:30:01,380

the American people

825

00:30:05,990 --> 00:30:03,360

and I want to see that Congress is

826

00:30:07,669 --> 00:30:06,000

telegraphing strongly and clearly that

827

00:30:09,350 --> 00:30:07,679

they are taking this matter seriously

828

00:30:11,029 --> 00:30:09,360

and that they want to get to the bottom

829

00:30:13,190 --> 00:30:11,039

of why the whistleblowers that they've

830

00:30:14,210 --> 00:30:13,200

already heard from backed out of this

831

00:30:16,850 --> 00:30:14,220

hearing

832

00:30:19,490 --> 00:30:16,860

as much as I'm absolutely salivating for

833

00:30:21,470 --> 00:30:19,500

any shred of new information if Congress

834

00:30:23,570 --> 00:30:21,480

can just get those two things done in

835

00:30:25,070 --> 00:30:23,580

the hearing and if we get a new set of

836

00:30:27,529 --> 00:30:25,080

hearings scheduled for when Congress

837

00:30:30,110 --> 00:30:27,539

reconvenes in September I think we

838

00:30:32,450 --> 00:30:30,120

should consider it a win and I really

839

00:30:33,950 --> 00:30:32,460

hope that we get that win and I think

840

00:30:35,149 --> 00:30:33,960

it's important to remember what's at

841

00:30:37,190 --> 00:30:35,159

stake here

842

00:30:39,049 --> 00:30:37,200

this is not just about getting the

843

00:30:41,029 --> 00:30:39,059

government to admit to the reality of

844

00:30:43,370 --> 00:30:41,039

the UFO phenomenon or the presence of a

845

00:30:45,710 --> 00:30:43,380

non-human Intelligence on this planet

846

00:30:48,049 --> 00:30:45,720

frankly we don't need the government for

847

00:30:49,789 --> 00:30:48,059

that as anyone who has spent any amount

848

00:30:51,889 --> 00:30:49,799

of time studying this topic can tell you

849

00:30:54,889 --> 00:30:51,899

the evidence for these things is

850

00:30:56,570 --> 00:30:54,899

overwhelming it's all around us and you

851
00:30:59,570 --> 00:30:56,580
don't need anyone's help or permission

852
00:31:02,690 --> 00:30:59,580
to engage with this reality all you need

853
00:31:04,610 --> 00:31:02,700
is curiosity and an open mind try as

854
00:31:06,470 --> 00:31:04,620
they might the nature of our reality

855
00:31:08,149 --> 00:31:06,480
isn't something that the government can

856
00:31:11,090 --> 00:31:08,159
own or control

857
00:31:12,710 --> 00:31:11,100
but something bigger is at stake here if

858
00:31:14,510 --> 00:31:12,720
there is an element of our government

859
00:31:16,789 --> 00:31:14,520
that is in possession of advanced

860
00:31:18,470 --> 00:31:16,799
non-human technology that has the

861
00:31:20,990 --> 00:31:18,480
potential to give them an asymmetric

862
00:31:23,690 --> 00:31:21,000
technological advantage not just over

863
00:31:26,750 --> 00:31:23,700

our adversaries but over our own

864

00:31:29,029 --> 00:31:26,760

military and if this shadowy group is

865

00:31:30,710 --> 00:31:29,039

operating outside of constitutionally

866

00:31:32,990 --> 00:31:30,720

required oversight

867

00:31:34,789 --> 00:31:33,000

if they are threatening and intimidating

868

00:31:37,430 --> 00:31:34,799

members of our military and intelligence

869

00:31:39,049 --> 00:31:37,440

Community who try to come forward if

870

00:31:41,210 --> 00:31:39,059

they are shutting down inquiry

871

00:31:43,669 --> 00:31:41,220

investigation and even attempts at the

872

00:31:45,110 --> 00:31:43,679

most basic safety protocols in response

873

00:31:49,130 --> 00:31:45,120

to this reality

874

00:31:51,169 --> 00:31:49,140

then we are in big big trouble if this

875

00:31:53,210 --> 00:31:51,179

is true it's not just an existential

876

00:31:55,669 --> 00:31:53,220

threat to our country and our democracy

877

00:31:57,950 --> 00:31:55,679

it potentially means that our free and

878

00:32:01,490 --> 00:31:57,960

Democratic country is in a very real

879

00:32:04,190 --> 00:32:01,500

sense already lost to us because we the

880

00:32:07,730 --> 00:32:04,200

people are no longer in control and

881

00:32:09,470 --> 00:32:07,740

likely haven't been for nearly a century

882

00:32:11,870 --> 00:32:09,480

so what can we do

883

00:32:13,549 --> 00:32:11,880

first and foremost we can continue to

884

00:32:15,049 --> 00:32:13,559

contact our representatives in Congress

885

00:32:16,850 --> 00:32:15,059

to thank them for the work that they've

886

00:32:20,210 --> 00:32:16,860

done so far in moving this issue forward

887

00:32:21,769 --> 00:32:20,220

and to encourage them to do more at the

888

00:32:23,930 --> 00:32:21,779

end of the day these people are public

889

00:32:25,970 --> 00:32:23,940

servants but they are also politicians

890

00:32:27,889 --> 00:32:25,980

and if they're going to take up a

891

00:32:29,870 --> 00:32:27,899

potentially messy fight such as this one

892

00:32:32,450 --> 00:32:29,880

especially while heading into a

893

00:32:34,070 --> 00:32:32,460

contentious election cycle they need to

894

00:32:35,690 --> 00:32:34,080

know that they have the collective will

895

00:32:38,630 --> 00:32:35,700

and support of the American people

896

00:32:40,010 --> 00:32:38,640

behind them and that we expect them to

897

00:32:41,630 --> 00:32:40,020

do everything in their power to

898

00:32:43,190 --> 00:32:41,640

investigate this issue and to hold

899

00:32:45,409 --> 00:32:43,200

people accountable

900

00:32:47,090 --> 00:32:45,419

and the other thing that we can do is to

901
00:32:48,350 --> 00:32:47,100
talk to the people in our lives about

902
00:32:50,870 --> 00:32:48,360
this issue

903
00:32:52,789 --> 00:32:50,880
as we've discussed everything about the

904
00:32:54,769 --> 00:32:52,799
situation is riding on the American

905
00:32:57,049 --> 00:32:54,779
people beginning to wake up to the

906
00:32:59,450 --> 00:32:57,059
reality of the UFO phenomenon

907
00:33:01,490 --> 00:32:59,460
we need to have that breakthrough moment

908
00:33:03,230 --> 00:33:01,500
and we need to continue to push for it

909
00:33:05,450 --> 00:33:03,240
until we get there

910
00:33:07,549 --> 00:33:05,460
next week's hearings likely won't be

911
00:33:10,190 --> 00:33:07,559
that moment but it can be a major

912
00:33:12,409 --> 00:33:10,200
inflection point this thing is like a

913
00:33:14,330 --> 00:33:12,419

snowball rolling downhill public

914

00:33:17,210 --> 00:33:14,340

awareness of UFOs will likely happen

915

00:33:18,889 --> 00:33:17,220

slowly at first and then all at once and

916

00:33:20,750 --> 00:33:18,899

we can't know where we are in that

917

00:33:23,269 --> 00:33:20,760

process and how close we are to the

918

00:33:24,769 --> 00:33:23,279

Tipping Point until we get there so the

919

00:33:26,450 --> 00:33:24,779

best thing that we can do is just to

920

00:33:29,029 --> 00:33:26,460

keep talking about it

921

00:33:31,430 --> 00:33:29,039

now granted not everyone is ready for

922

00:33:34,009 --> 00:33:31,440

this conversation everyone's situation

923

00:33:35,570 --> 00:33:34,019

is unique some of you might have lots of

924

00:33:37,730 --> 00:33:35,580

people in your life that are open-minded

925

00:33:39,470 --> 00:33:37,740

enough to consider these ideas and some

926

00:33:41,930 --> 00:33:39,480

of you might wonder if there's anyone

927

00:33:44,690 --> 00:33:41,940

you can talk to at all and as important

928

00:33:46,250 --> 00:33:44,700

as this issue is if talking about it is

929

00:33:48,769 --> 00:33:46,260

going to alienate you from the people

930

00:33:50,269 --> 00:33:48,779

closest to you or God forbid cause you

931

00:33:52,310 --> 00:33:50,279

to lose your job or something like that

932

00:33:54,470 --> 00:33:52,320

then you should not feel guilty about

933

00:33:56,870 --> 00:33:54,480

keeping those thoughts to yourself

934

00:33:58,430 --> 00:33:56,880

but if you are in a position to talk to

935

00:34:00,830 --> 00:33:58,440

certain people in your life about this

936

00:34:03,529 --> 00:34:00,840

I'd encourage you to do so

937

00:34:05,690 --> 00:34:03,539

start slowly at first don't throw anyone

938

00:34:07,789 --> 00:34:05,700

into the deep end just start by feeling

939

00:34:09,409 --> 00:34:07,799

them out ask them if they've heard about

940

00:34:10,790 --> 00:34:09,419

the upcoming hearing or about the

941

00:34:13,490 --> 00:34:10,800

government's admission that the UFO

942

00:34:14,990 --> 00:34:13,500

phenomenon is real don't try to push the

943

00:34:18,290 --> 00:34:15,000

conversation where you want it to go

944

00:34:20,389 --> 00:34:18,300

instead follow their curiosity if they

945

00:34:21,889 --> 00:34:20,399

don't ask follow-up questions maybe just

946

00:34:24,649 --> 00:34:21,899

let it go for a while and come back to

947

00:34:26,450 --> 00:34:24,659

it but if they do ask questions then do

948

00:34:28,250 --> 00:34:26,460

your best to answer them clearly and

949

00:34:29,629 --> 00:34:28,260

directly while sticking to the facts as

950

00:34:31,609 --> 00:34:29,639

much as possible

951

00:34:34,190 --> 00:34:31,619

try to avoid the urge to tell them what

952

00:34:35,570 --> 00:34:34,200

it means and instead help them get to a

953

00:34:37,730 --> 00:34:35,580

place where they're asking themselves

954

00:34:39,409 --> 00:34:37,740

what it means and then point them in the

955

00:34:41,389 --> 00:34:39,419

direction of some resources that might

956

00:34:43,730 --> 00:34:41,399

be able to help them frame things

957

00:34:46,430 --> 00:34:43,740

if you get pushback do your best not to

958

00:34:48,230 --> 00:34:46,440

be defensive not everyone is ready to

959

00:34:50,089 --> 00:34:48,240

talk about this stuff and it can be easy

960

00:34:52,430 --> 00:34:50,099

to take someone's skepticism on this

961

00:34:54,169 --> 00:34:52,440

topic personally to take it as a

962

00:34:55,250 --> 00:34:54,179

judgment of your objectivity or

963

00:34:57,410 --> 00:34:55,260

intelligence

964

00:34:58,730 --> 00:34:57,420

trust me I know that when you bring up

965

00:35:00,109 --> 00:34:58,740

something like this to someone that you

966

00:35:02,930 --> 00:35:00,119

love and respect and they look at you

967

00:35:04,550 --> 00:35:02,940

like you're crazy it can sting but try

968

00:35:06,410 --> 00:35:04,560

to remember that everyone has their own

969

00:35:08,450 --> 00:35:06,420

Journey with this and that nothing about

970

00:35:10,730 --> 00:35:08,460

someone else's worldview is personal

971

00:35:12,890 --> 00:35:10,740

we're all just here trying to figure

972

00:35:14,270 --> 00:35:12,900

things out and if you do get some

973

00:35:16,069 --> 00:35:14,280

interest from the people that you talk

974

00:35:18,050 --> 00:35:16,079

to and are looking for resources to

975

00:35:20,569 --> 00:35:18,060

share with them please consider sharing

976
00:35:22,430 --> 00:35:20,579
the UFO rabbit hole and done my best to

977
00:35:24,470 --> 00:35:22,440
create resources that go deep on the

978
00:35:26,150 --> 00:35:24,480
current push for disclosure while also

979
00:35:28,730 --> 00:35:26,160
being accessible to people who don't

980
00:35:30,349 --> 00:35:28,740
have any background on this topic I have

981
00:35:32,030 --> 00:35:30,359
a bunch of relevant episodes linked up

982
00:35:34,310 --> 00:35:32,040
in the episode brief including the

983
00:35:36,109 --> 00:35:34,320
episode on David grush's allegations and

984
00:35:38,750 --> 00:35:36,119
part one of the disclosure Field Guide

985
00:35:40,190 --> 00:35:38,760
and of course the whole podcast is

986
00:35:41,930 --> 00:35:40,200
designed so that someone with no

987
00:35:43,910 --> 00:35:41,940
background on the topic can start on

988
00:35:46,370 --> 00:35:43,920

episode one and get up to speed with the

989

00:35:47,930 --> 00:35:46,380

most seasoned ufologists and if the

990

00:35:50,390 --> 00:35:47,940

people you're talking to aren't podcast

991

00:35:52,010 --> 00:35:50,400

people I'll also share a list of books

992

00:35:53,750 --> 00:35:52,020

in the episode brief that I recommend

993

00:35:54,950 --> 00:35:53,760

most often for people who are just

994

00:35:56,390 --> 00:35:54,960

getting started

995

00:35:59,270 --> 00:35:56,400

so that's where we'll leave it until

996

00:36:01,010 --> 00:35:59,280

next time this week promises to be one

997

00:36:03,410 --> 00:36:01,020

for the history books and I'll be doing

998

00:36:05,150 --> 00:36:03,420

my best to respond in real time if you

999

00:36:06,890 --> 00:36:05,160

1007
