2
00:00:24,040 --> 00:00:16,170
[Applause]

3
00:00:33,709 --> 00:00:24,050
[Music]

4
00:00:36,350 --> 00:00:33,719
welcome back to the UFO Rabbit Hole

5
00:00:38,330 --> 00:00:36,360
podcast I'm your host Kelly Chase

6
00:00:41,090 --> 00:00:38,340
as I'm sure you're all aware Wednesday

7
00:00:43,130 --> 00:00:41,100
July 26th marked a watershed moment in

8
00:00:44,389 --> 00:00:43,140
the push for disclosure as the hearing

9
00:00:47,690 --> 00:00:44,399
was held by the house oversight

10
00:00:49,729 --> 00:00:47,700
committee three Witnesses former U.S

11
00:00:52,490 --> 00:00:49,739
Navy pilot Lieutenant Ryan Graves

12
00:00:54,889 --> 00:00:52,500
retired U.S Navy pilot Commander David

13
00:00:57,229 --> 00:00:54,899

fraver and high-level intelligence

14

00:01:00,350 --> 00:00:57,239

official turned UFO whistleblower David

15

00:01:02,569 --> 00:01:00,360

Crush offered their testimony under oath

16

00:01:05,030 --> 00:01:02,579

with regard to both the reality of the

17

00:01:07,130 --> 00:01:05,040

UFO phenomenon and their experiences

18

00:01:09,649 --> 00:01:07,140

with what they allege to be an elaborate

19

00:01:11,510 --> 00:01:09,659

cover-up orchestrated by the government

20

00:01:14,570 --> 00:01:11,520

in the days leading up to the hearing

21

00:01:16,310 --> 00:01:14,580

tensions were at an all-time high many

22

00:01:18,530 --> 00:01:16,320

doubted that these hearings would serve

23

00:01:20,510 --> 00:01:18,540

to move the needle and predicted more of

24

00:01:22,609 --> 00:01:20,520

the same stonewalling and obfuscation

25

00:01:25,190 --> 00:01:22,619

that we've seen from the last two rounds

26
00:01:27,710 --> 00:01:25,200
of Congressional hearings and even among

27
00:01:29,570 --> 00:01:27,720
those with a more optimistic view there

28
00:01:31,789 --> 00:01:29,580
was still the persistent undercurrent of

29
00:01:33,410 --> 00:01:31,799
anxiety that our hopes would be dashed

30
00:01:35,690 --> 00:01:33,420
in the final hour

31
00:01:37,910 --> 00:01:35,700
but that is not what happened

32
00:01:39,850 --> 00:01:37,920
in the last episode I talked about what

33
00:01:42,830 --> 00:01:39,860
I was hoping to see from these hearings

34
00:01:44,690 --> 00:01:42,840
specifically one I wanted to see that

35
00:01:46,850 --> 00:01:44,700
all three of the Witnesses were taken

36
00:01:49,069 --> 00:01:46,860
seriously and were able to give their

37
00:01:50,749 --> 00:01:49,079
full an explicit testimony about what

38
00:01:53,749 --> 00:01:50,759

they know to Congress and the American

39

00:01:55,969 --> 00:01:53,759

people and two I've wanted to see that

40

00:01:57,830 --> 00:01:55,979

Congress was telegraphing strongly and

41

00:02:00,050 --> 00:01:57,840

clearly that they're taking this matter

42

00:02:01,789 --> 00:02:00,060

seriously and that they wanted to get to

43

00:02:03,530 --> 00:02:01,799

the bottom of why the whistleblowers

44

00:02:05,749 --> 00:02:03,540

that have already spoken to Congress

45

00:02:08,150 --> 00:02:05,759

seemingly backed out of this hearing

46

00:02:10,190 --> 00:02:08,160

just these two things would have marked

47

00:02:12,589 --> 00:02:10,200

a major turning point in our fight for

48

00:02:15,650 --> 00:02:12,599

Meaningful disclosure and not only did

49

00:02:17,809 --> 00:02:15,660

we get that we got so much more

50

00:02:19,250 --> 00:02:17,819

Wednesday's hearing didn't just signal

51

00:02:22,010 --> 00:02:19,260

major progress in the push for

52

00:02:24,490 --> 00:02:22,020

disclosure but I would go so far as to

53

00:02:27,830 --> 00:02:24,500

say that when it comes to UFO secrecy

54

00:02:30,229 --> 00:02:27,840

Pandora's Box has officially been opened

55

00:02:32,330 --> 00:02:30,239

don't get me wrong we still have a long

56

00:02:34,550 --> 00:02:32,340

fight ahead of us and victory is not

57

00:02:36,470 --> 00:02:34,560

assured but the reality of the

58

00:02:38,030 --> 00:02:36,480

phenomenon is not something that they're

59

00:02:40,970 --> 00:02:38,040

going to be able to put back into the

60

00:02:43,369 --> 00:02:40,980

box this time it's out now and the world

61

00:02:44,990 --> 00:02:43,379

as we know it will never be the same so

62

00:02:47,330 --> 00:02:45,000

let's dive into what was said during the

63

00:02:49,070 --> 00:02:47,340

hearing I want to start with the opening

64

00:02:52,130 --> 00:02:49,080

statements of the witnesses themselves

65

00:02:54,229 --> 00:02:52,140

the full hearing was over two hours long

66

00:02:56,390 --> 00:02:54,239

and while I definitely recommend that

67

00:02:58,009 --> 00:02:56,400

people take the time to watch it I know

68

00:03:00,710 --> 00:02:58,019

that not everyone has that kind of time

69

00:03:02,630 --> 00:03:00,720

people are busy they have lives and jobs

70

00:03:05,030 --> 00:03:02,640

and kids and families and a million

71

00:03:07,250 --> 00:03:05,040

other things to attend to to be honest

72

00:03:08,809 --> 00:03:07,260

this is my full-time job and I barely

73

00:03:11,149 --> 00:03:08,819

feel like I can keep up with all the new

74

00:03:12,949 --> 00:03:11,159

developments but even if you aren't able

75

00:03:14,270 --> 00:03:12,959

to watch the full hearings I think it's

76

00:03:16,790 --> 00:03:14,280

important that you hear from the

77

00:03:18,949 --> 00:03:16,800

witnesses themselves so I'm going to

78

00:03:20,570 --> 00:03:18,959

play their opening statements they're

79

00:03:22,910 --> 00:03:20,580

each less than five minutes so it won't

80

00:03:24,350 --> 00:03:22,920

take long if you've already watched the

81

00:03:26,149 --> 00:03:24,360

hearing and you want to skip ahead to

82

00:03:27,649 --> 00:03:26,159

the analysis you can skip ahead to the

83

00:03:31,550 --> 00:03:27,659

17 minute mark

84

00:03:33,770 --> 00:03:31,560

let's start with Ryan Graves

85

00:03:35,149 --> 00:03:33,780

chairman grothman ranking member Garcia

86

00:03:36,710 --> 00:03:35,159

distinguished members of the House

87

00:03:38,750 --> 00:03:36,720

oversight subcommittee on National

88

00:03:39,710 --> 00:03:38,760

Security representative burchett and

89

00:03:42,350 --> 00:03:39,720

Luna

90

00:03:44,030 --> 00:03:42,360

my name is Ryan fob's Graves and I'm a

91

00:03:45,830 --> 00:03:44,040

former F-18 pilot with a decade of

92

00:03:47,330 --> 00:03:45,840

service in the U.S Navy including two

93

00:03:49,970 --> 00:03:47,340

deployments in operation enduring

94

00:03:51,770 --> 00:03:49,980

freedom and operation inherent resolve I

95

00:03:53,270 --> 00:03:51,780

have experienced Advanced UAP firsthand

96

00:03:54,890 --> 00:03:53,280

and I'm here to voice the concerns of

97

00:03:56,449 --> 00:03:54,900

more than 30 commercial air crew and

98

00:03:58,490 --> 00:03:56,459

military veterans who have confided

99

00:04:00,649 --> 00:03:58,500

their similar encounters with me

100

00:04:03,350 --> 00:04:00,659

today I would like to highlight three

101
00:04:05,570 --> 00:04:03,360
critical issues that demand our action

102
00:04:07,190 --> 00:04:05,580
as we convene here UAP are in our

103
00:04:09,229 --> 00:04:07,200
airspace but they are grossly

104
00:04:10,850 --> 00:04:09,239
under-reported these sightings are not

105
00:04:13,130 --> 00:04:10,860
rare or isolated they are routine

106
00:04:15,110 --> 00:04:13,140
military air crew and commercial pilots

107
00:04:17,090 --> 00:04:15,120
trained observers whose lives depend on

108
00:04:19,789 --> 00:04:17,100
accurate identification are frequently

109
00:04:22,310 --> 00:04:19,799
witnessing these phenomena

110
00:04:23,689 --> 00:04:22,320
the stigma attached to UAP is real and

111
00:04:25,010 --> 00:04:23,699
powerful and challenges National

112
00:04:26,990 --> 00:04:25,020
Security

113
00:04:28,610 --> 00:04:27,000

it silences commercial pilots who fear

114

00:04:30,590 --> 00:04:28,620

professional repercussions discourages

115

00:04:32,210 --> 00:04:30,600

Witnesses it is only compounded by

116

00:04:34,909 --> 00:04:32,220

recent government claims questioning the

117

00:04:36,469 --> 00:04:34,919

credibility of eyewitness testimony

118

00:04:38,570 --> 00:04:36,479

parts of our government are aware of

119

00:04:40,430 --> 00:04:38,580

more about UAP than they let on the

120

00:04:43,249 --> 00:04:40,440

excessive classification practices keep

121

00:04:45,590 --> 00:04:43,259

crucial information hidden since 2021

122

00:04:47,749 --> 00:04:45,600

all UAP videos are classified as secret

123

00:04:49,670 --> 00:04:47,759

or above this level of secrecy not only

124

00:04:52,370 --> 00:04:49,680

impedes our understanding but fuels

125

00:04:56,150 --> 00:04:52,380

speculation and mistrust

126

00:04:58,129 --> 00:04:56,160

in 2014 I was an F-18 foxtrot pilot in

127

00:04:59,390 --> 00:04:58,139

the Navy fighter attack Squadron 11 the

128

00:05:01,610 --> 00:04:59,400

red Rippers

129

00:05:04,010 --> 00:05:01,620

and I was stationed at NAS Oceana in

130

00:05:05,689 --> 00:05:04,020

Virginia beach after upgrades were made

131

00:05:07,610 --> 00:05:05,699

to our Jets radar systems we began

132

00:05:09,350 --> 00:05:07,620

detecting unknown objects operating in

133

00:05:11,150 --> 00:05:09,360

our airspace

134

00:05:13,310 --> 00:05:11,160

at first we assumed they were radar

135

00:05:14,810 --> 00:05:13,320

errors but soon we began to correlate

136

00:05:16,610 --> 00:05:14,820

the radar tracks with multiple onboard

137

00:05:19,790 --> 00:05:16,620

sensors including infrared systems

138

00:05:21,530 --> 00:05:19,800

eventually through Visual ID

139

00:05:23,870 --> 00:05:21,540

during a training mission in warning

140

00:05:26,330 --> 00:05:23,880

area whiskey 72 10 miles off the coast

141

00:05:28,070 --> 00:05:26,340

of Virginia Beach two F-18 Super Hornets

142

00:05:30,409 --> 00:05:28,080

were split by UAP

143

00:05:32,570 --> 00:05:30,419

the object described as a dark gray or a

144

00:05:34,490 --> 00:05:32,580

black Cube inside of a clear sphere came

145

00:05:36,529 --> 00:05:34,500

within 50 feet of the lead aircraft and

146

00:05:37,550 --> 00:05:36,539

was estimated to be 5 to 15 feet in

147

00:05:38,990 --> 00:05:37,560

diameter

148

00:05:41,090 --> 00:05:39,000

the mission Commander terminated the

149

00:05:42,710 --> 00:05:41,100

flight immediately and returned base

150

00:05:44,570 --> 00:05:42,720

our Squadron submitted a safety report

151
00:05:46,129 --> 00:05:44,580
but there was no official acknowledgment

152
00:05:48,590 --> 00:05:46,139
of the incident and no further mechanism

153
00:05:50,450 --> 00:05:48,600
to report the sightings

154
00:05:51,770 --> 00:05:50,460
soon these encounters became so frequent

155
00:05:53,990 --> 00:05:51,780
that aircrew would discuss the risk of

156
00:05:57,529 --> 00:05:54,000
UAP as part of their regular pre-flight

157
00:06:01,010 --> 00:05:59,270
recognizing the need for action and

158
00:06:02,990 --> 00:06:01,020
answers I founded Americans for safe

159
00:06:04,969 --> 00:06:03,000
Aerospace the organization has since

160
00:06:06,350 --> 00:06:04,979
become a heaven for UAP Witnesses who

161
00:06:08,870 --> 00:06:06,360
were previously unspoken due to the

162
00:06:10,490 --> 00:06:08,880
absence of a safe intake process more

163
00:06:12,409 --> 00:06:10,500

than 30 Witnesses have come forward in

164

00:06:14,210 --> 00:06:12,419

almost 5 000 Americans have joined us in

165

00:06:15,950 --> 00:06:14,220

the fight for transparency at safe

166

00:06:17,689 --> 00:06:15,960

aerospace.org

167

00:06:19,930 --> 00:06:17,699

the majority of Witnesses are commercial

168

00:06:22,370 --> 00:06:19,940

pilots that majority major airlines

169

00:06:24,409 --> 00:06:22,380

often they are veterans with Decades of

170

00:06:26,210 --> 00:06:24,419

flying experience Pilots are reporting

171

00:06:28,550 --> 00:06:26,220

UAP at altitudes that appear above them

172

00:06:30,050 --> 00:06:28,560

at forty thousand feet potentially in

173

00:06:31,610 --> 00:06:30,060

low earth orbit or in the gray Zone

174

00:06:33,890 --> 00:06:31,620

below the carbon line

175

00:06:35,749 --> 00:06:33,900

making inexplicable Maneuvers like

176

00:06:37,249 --> 00:06:35,759

right-hand turns and retrograde orbits

177

00:06:39,110 --> 00:06:37,259

or j-hooks

178

00:06:40,790 --> 00:06:39,120

sometimes these reports are reoccurring

179

00:06:43,730 --> 00:06:40,800

with numerous recent sightings north of

180

00:06:45,409 --> 00:06:43,740

Y and in the North Atlantic

181

00:06:47,510 --> 00:06:45,419

other veterans are also coming forward

182

00:06:48,710 --> 00:06:47,520

to us regarding UAP Encounters in our

183

00:06:51,110 --> 00:06:48,720

airspace

184

00:06:52,670 --> 00:06:51,120

and oceans the most compelling involved

185

00:06:54,529 --> 00:06:52,680

observations of UAP by multiple

186

00:06:56,270 --> 00:06:54,539

Witnesses and sensor systems I believe

187

00:06:57,710 --> 00:06:56,280

these accounts are only scratching the

188

00:07:00,770 --> 00:06:57,720

surface and more will share their

189

00:07:02,809 --> 00:07:00,780

experiences once it is safe to do so

190

00:07:04,550 --> 00:07:02,819

in closing I recognize the skepticism

191

00:07:06,350 --> 00:07:04,560

surrounding this topic

192

00:07:08,029 --> 00:07:06,360

if everyone can see the sensor and video

193

00:07:09,710 --> 00:07:08,039

data I witnessed our national

194

00:07:11,510 --> 00:07:09,720

conversation would change

195

00:07:13,010 --> 00:07:11,520

I urge us to put aside stigma and

196

00:07:15,170 --> 00:07:13,020

address the security and safety issue

197

00:07:17,090 --> 00:07:15,180

this topic represents if you appear

198

00:07:19,189 --> 00:07:17,100

foreign drones it is an urgent national

199

00:07:21,710 --> 00:07:19,199

security problem if it is something else

200

00:07:23,749 --> 00:07:21,720

is an issue for science

201
00:07:25,670 --> 00:07:23,759
in either case unidentified objects are

202
00:07:27,170 --> 00:07:25,680
concerned for flight safety the American

203
00:07:31,969 --> 00:07:27,180
people deserve to know what is happening

204
00:07:35,270 --> 00:07:31,979
in our skies is long overdue thank you

205
00:07:37,309 --> 00:07:35,280
and up next is David grush

206
00:07:39,529 --> 00:07:37,319
Mr chairman ranking members and

207
00:07:41,330 --> 00:07:39,539
congressmen uh thank you I'm happy to be

208
00:07:42,890 --> 00:07:41,340
here this is an important issue and I'm

209
00:07:45,170 --> 00:07:42,900
grateful for your time

210
00:07:47,870 --> 00:07:45,180
my name is David Charles grush I was an

211
00:07:50,510 --> 00:07:47,880
intelligence officer for 14 years in the

212
00:07:53,150 --> 00:07:50,520
both in the U.S Air Force both active

213
00:07:55,550 --> 00:07:53,160

duty Air National Guard and Reserve at

214

00:08:00,290 --> 00:07:55,560

the Ranka major and most recently from

215

00:08:01,850 --> 00:08:00,300

2021 to 2025 or excuse me 2023. uh at

216

00:08:05,629 --> 00:08:01,860

the National geospatial Intelligence

217

00:08:07,610 --> 00:08:05,639

Agency NGA at the gs-15 civilian level

218

00:08:09,710 --> 00:08:07,620

which is the military equivalent of a

219

00:08:11,570 --> 00:08:09,720

full bird colonel

220

00:08:13,430 --> 00:08:11,580

I was my agency's co-lead and

221

00:08:16,610 --> 00:08:13,440

unidentified anomalous phenomena and

222

00:08:19,850 --> 00:08:16,620

transmedium object analysis as well as

223

00:08:22,430 --> 00:08:19,860

reporting to the UAP task force uaptf

224

00:08:24,950 --> 00:08:22,440

and eventually once it was established

225

00:08:26,390 --> 00:08:24,960

the all domain anomaly resolution office

226
00:08:29,629 --> 00:08:26,400
Arrow

227
00:08:31,010 --> 00:08:29,639
I became a whistleblower through a PPD

228
00:08:34,490 --> 00:08:31,020
19

229
00:08:36,290 --> 00:08:34,500
urgent concern filing in May 2022 with

230
00:08:37,310 --> 00:08:36,300
the intelligence Community Inspector

231
00:08:39,409 --> 00:08:37,320
General

232
00:08:41,449 --> 00:08:39,419
following concerning reports from

233
00:08:43,969 --> 00:08:41,459
multiple esteemed and credentialed

234
00:08:46,430 --> 00:08:43,979
current and former military and

235
00:08:48,530 --> 00:08:46,440
intelligence Community individuals that

236
00:08:49,670 --> 00:08:48,540
the U.S government is operating with

237
00:08:52,670 --> 00:08:49,680
secrecy

238
00:08:54,530 --> 00:08:52,680

above Congressional oversight uh with

239

00:08:56,210 --> 00:08:54,540

regards to uaps

240

00:08:58,850 --> 00:08:56,220

my testimony is based on information

241

00:09:01,610 --> 00:08:58,860

I've been given by individuals with a

242

00:09:04,550 --> 00:09:01,620

long-standing track record of legitimacy

243

00:09:06,590 --> 00:09:04,560

and service to this country

244

00:09:08,630 --> 00:09:06,600

many of whom also have shared compelling

245

00:09:11,210 --> 00:09:08,640

evidence in the form of photography

246

00:09:14,210 --> 00:09:11,220

official documentation and classified

247

00:09:16,070 --> 00:09:14,220

oral testimony to myself and many my

248

00:09:18,230 --> 00:09:16,080

various colleagues

249

00:09:20,210 --> 00:09:18,240

I have taken every step I can to

250

00:09:22,670 --> 00:09:20,220

collaborate this evidence over a period

251
00:09:25,610 --> 00:09:22,680
of four years while I was with the UAP

252
00:09:27,889 --> 00:09:25,620
task force and do my due diligence on

253
00:09:29,930 --> 00:09:27,899
the individual sharing it this is

254
00:09:32,389 --> 00:09:29,940
because of these steps I believe

255
00:09:34,310 --> 00:09:32,399
strongly in the importance of bringing

256
00:09:36,889 --> 00:09:34,320
this information before you

257
00:09:38,930 --> 00:09:36,899
I am driven by a commitment of both to

258
00:09:41,210 --> 00:09:38,940
truth and transparency

259
00:09:43,790 --> 00:09:41,220
rooted in our inherent duty to uphold

260
00:09:46,070 --> 00:09:43,800
the United States Constitution and

261
00:09:47,810 --> 00:09:46,080
protect the American people

262
00:09:49,370 --> 00:09:47,820
I'm asking Congress to hold our

263
00:09:51,650 --> 00:09:49,380

government to the standard and

264

00:09:54,290 --> 00:09:51,660

thoroughly investigate these claims

265

00:09:56,210 --> 00:09:54,300

but as I stand here under oath now I am

266

00:09:57,290 --> 00:09:56,220

speaking to the facts as I've been told

267

00:09:59,810 --> 00:09:57,300

them

268

00:10:02,449 --> 00:09:59,820

in the U.S Air Force in my national

269

00:10:04,610 --> 00:10:02,459

reconnaissance office nro Reserve its

270

00:10:08,750 --> 00:10:04,620

capacity I was a member of the UAP task

271

00:10:10,310 --> 00:10:08,760

force from 2019 to 2021. I served at the

272

00:10:12,829 --> 00:10:10,320

narrow operations center on the

273

00:10:14,150 --> 00:10:12,839

director's briefing staff which included

274

00:10:16,670 --> 00:10:14,160

the coordination of the presidential

275

00:10:18,949 --> 00:10:16,680

Daily Brief and supporting variety of

276

00:10:21,290 --> 00:10:18,959

contingency operations which I was the

277

00:10:22,850 --> 00:10:21,300

reserve Intelligence Division Chief back

278

00:10:26,530 --> 00:10:22,860

up

279

00:10:29,509 --> 00:10:26,540

in 2019 the UAP task force director

280

00:10:32,690 --> 00:10:29,519

asked me to identify all special access

281

00:10:35,990 --> 00:10:32,700

programs and controlled access programs

282

00:10:38,090 --> 00:10:36,000

also known as saps and caps we needed to

283

00:10:40,490 --> 00:10:38,100

satisfy our congressionally mandated

284

00:10:43,070 --> 00:10:40,500

Mission and we were direct report at the

285

00:10:45,110 --> 00:10:43,080

time to the depth sect deaf

286

00:10:46,610 --> 00:10:45,120

at the time due to my extensive

287

00:10:49,730 --> 00:10:46,620

executive level intelligence support

288

00:10:51,889 --> 00:10:49,740

duties I was cleared to literally all uh

289

00:10:54,769 --> 00:10:51,899

relevant compartments and in a position

290

00:10:56,630 --> 00:10:54,779

of extreme trust both in my military and

291

00:10:59,210 --> 00:10:56,640

civilian capacities

292

00:11:02,810 --> 00:10:59,220

I was informed in the course of my

293

00:11:05,329 --> 00:11:02,820

official duties of a multi-decade UAP

294

00:11:07,009 --> 00:11:05,339

crash retrieval and reverse engineering

295

00:11:09,050 --> 00:11:07,019

program

296

00:11:11,329 --> 00:11:09,060

uh to which I was denied access to those

297

00:11:12,769 --> 00:11:11,339

additional read-ons when I uh requested

298

00:11:15,110 --> 00:11:12,779

it

299

00:11:17,449 --> 00:11:15,120

I made the decision based on the data I

300

00:11:18,829 --> 00:11:17,459

collected to report this information to

301
00:11:20,810 --> 00:11:18,839
my Superior

302
00:11:22,910 --> 00:11:20,820
superiors and multiple inspectors

303
00:11:24,110 --> 00:11:22,920
General and in effect becoming a

304
00:11:26,870 --> 00:11:24,120
whistleblower

305
00:11:29,329 --> 00:11:26,880
as you know I've suffered retaliation

306
00:11:31,910 --> 00:11:29,339
for my decision but I am hopeful that my

307
00:11:33,530 --> 00:11:31,920
actions will ultimately lead to a

308
00:11:34,790 --> 00:11:33,540
positive outcome of increased

309
00:11:36,350 --> 00:11:34,800
transparency

310
00:11:37,610 --> 00:11:36,360
uh thank you and I'm happy to answer

311
00:11:40,250 --> 00:11:37,620
your questions

312
00:11:43,250 --> 00:11:40,260
and last but certainly not least we have

313
00:11:46,970 --> 00:11:43,260

David fravor uh thank you thank you Mr

314

00:11:47,630 --> 00:11:46,980

chairman Congressman congresswoman

315

00:11:48,769 --> 00:11:47,640

um

316

00:11:49,970 --> 00:11:48,779

I want to first thank you for the

317

00:11:51,530 --> 00:11:49,980

invitation to speak to the committee on

318

00:11:53,090 --> 00:11:51,540

the UAP topic this has been on the news

319

00:11:55,250 --> 00:11:53,100

for the past six years and seems to be

320

00:11:56,870 --> 00:11:55,260

continuing to gain momentum

321

00:11:58,130 --> 00:11:56,880

as you know my name is David fraver I'm

322

00:12:00,769 --> 00:11:58,140

retired commander in the United States

323

00:12:02,509 --> 00:12:00,779

Navy in 2004 I was a commanding officer

324

00:12:04,910 --> 00:12:02,519

of Strike Fighter Squadron 41 the world

325

00:12:06,769 --> 00:12:04,920

famous Black Aces if you're a test to

326

00:12:08,569 --> 00:12:06,779

carrier 11 stationed on board the USS

327

00:12:11,569 --> 00:12:08,579

Nimitz and it begun a two-month workup

328

00:12:13,430 --> 00:12:11,579

cycle off the coast of California

329

00:12:14,690 --> 00:12:13,440

on this day we were scheduled for a 2v2

330

00:12:16,610 --> 00:12:14,700

air-to-air training with the USS

331

00:12:18,710 --> 00:12:16,620

Princeton as our control

332

00:12:20,210 --> 00:12:18,720

when we launched off knewitz my wingman

333

00:12:21,949 --> 00:12:20,220

was joining up we were told that the

334

00:12:23,750 --> 00:12:21,959

training was going to be suspended and

335

00:12:26,090 --> 00:12:23,760

we're doing we're going to proceed with

336

00:12:27,829 --> 00:12:26,100

real world tasking

337

00:12:29,150 --> 00:12:27,839

as we proceeded to the West the air

338

00:12:30,590 --> 00:12:29,160

controller was counting down the range

339

00:12:31,850 --> 00:12:30,600

to an object that we were going to and

340

00:12:35,870 --> 00:12:31,860

we're unaware of what we were going to

341

00:12:40,069 --> 00:12:37,850

their uh the controller told us that

342

00:12:41,810 --> 00:12:40,079

these objects uh had been observed for

343

00:12:44,449 --> 00:12:41,820

over two weeks coming down from over 80

344

00:12:46,250 --> 00:12:44,459

000 feet rapidly descending to 20 000

345

00:12:47,690 --> 00:12:46,260

feet hanging out for hours and then

346

00:12:50,930 --> 00:12:47,700

going straight back up for those who

347

00:12:52,370 --> 00:12:50,940

don't realize above 80 000 feet of space

348

00:12:53,870 --> 00:12:52,380

we arrived at the location at

349

00:12:55,370 --> 00:12:53,880

approximately 20 000 feet in a

350

00:12:56,750 --> 00:12:55,380

controller called merge plot which means

351
00:12:59,150 --> 00:12:56,760
that our radar blip was now in the same

352
00:13:00,829 --> 00:12:59,160
resolution cell as the contact

353
00:13:02,389 --> 00:13:00,839
as we looked around we noticed that we

354
00:13:03,829 --> 00:13:02,399
saw some white water off our right side

355
00:13:06,170 --> 00:13:03,839
it's important to note that the weather

356
00:13:07,490 --> 00:13:06,180
on this day was as close to perfect as

357
00:13:09,710 --> 00:13:07,500
you could ask more off the coast of San

358
00:13:11,629 --> 00:13:09,720
Diego clear skies light winds calm seas

359
00:13:14,150 --> 00:13:11,639
no White Caps from waves so the White

360
00:13:16,190 --> 00:13:14,160
Water stood out in a large Blue Ocean

361
00:13:17,509 --> 00:13:16,200
all four of us because we were in f-18fs

362
00:13:19,610 --> 00:13:17,519
so we had pilots and wizzo in the

363
00:13:21,769 --> 00:13:19,620

backseat looked down a small saw white

364

00:13:23,569 --> 00:13:21,779

Tic-Tac object with a longitudinal axis

365

00:13:26,150 --> 00:13:23,579

pointing North South and moving very

366

00:13:28,610 --> 00:13:26,160

abruptly over the water like a ping pong

367

00:13:30,829 --> 00:13:28,620

ball there were no rotors no rotor wash

368

00:13:31,910 --> 00:13:30,839

or any sign of visible control surfaces

369

00:13:33,650 --> 00:13:31,920

like wings

370

00:13:35,269 --> 00:13:33,660

as we started clockwise towards the

371

00:13:36,710 --> 00:13:35,279

object My Wizard and I decided to go

372

00:13:38,090 --> 00:13:36,720

down and take a closer look at the other

373

00:13:40,790 --> 00:13:38,100

aircraft staying in High cover to

374

00:13:42,710 --> 00:13:40,800

observe both us and the Tic Tac

375

00:13:44,210 --> 00:13:42,720

we proceeded around the circle about 90

376
00:13:47,509 --> 00:13:44,220
degrees from the start of our descent

377
00:13:49,610 --> 00:13:47,519
and the object suddenly shifted its

378
00:13:52,610 --> 00:13:49,620
longitudinal axis aligned it with my

379
00:13:54,769 --> 00:13:52,620
aircraft and began to climb

380
00:13:57,650 --> 00:13:54,779
we continued down another 270 degrees

381
00:14:00,350 --> 00:13:57,660
nose low where the Tic-Tac or we

382
00:14:01,970 --> 00:14:00,360
consumed 270 degrees toward and we went

383
00:14:03,590 --> 00:14:01,980
nose load where the Tic Tac would have

384
00:14:05,329 --> 00:14:03,600
been our altitude at this point was

385
00:14:07,430 --> 00:14:05,339
about 15 000 feet in the Tic Tac is

386
00:14:08,930 --> 00:14:07,440
about 12 000. as we pulled those onto

387
00:14:10,910 --> 00:14:08,940
the object within about a half mile of

388
00:14:13,250 --> 00:14:10,920

it it rapidly accelerated in front of us

389

00:14:15,889 --> 00:14:13,260

and disappeared our wingmen roughly 8

390

00:14:17,389 --> 00:14:15,899

000 feet above us lost contact also we

391

00:14:19,490 --> 00:14:17,399

immediately turned back to see where the

392

00:14:21,350 --> 00:14:19,500

white water was at and it was gone also

393

00:14:22,850 --> 00:14:21,360

so as you started to turn back towards

394

00:14:24,050 --> 00:14:22,860

the east the controller came up and said

395

00:14:25,490 --> 00:14:24,060

sir you're not going to believe this but

396

00:14:27,410 --> 00:14:25,500

that thing is at your cat Point roughly

397

00:14:29,990 --> 00:14:27,420

60 miles away in less than a minute

398

00:14:31,910 --> 00:14:30,000

you can calculate the speed we return to

399

00:14:32,870 --> 00:14:31,920

Nimitz we were taking off our gear we

400

00:14:34,190 --> 00:14:32,880

were talking to one of my Cruisers

401
00:14:36,170 --> 00:14:34,200
getting ready to launch we mentioned it

402
00:14:37,670 --> 00:14:36,180
to him and they went out and luckily got

403
00:14:39,949 --> 00:14:37,680
the video that you see that 90 second

404
00:14:41,269 --> 00:14:39,959
video what you don't see is the radar

405
00:14:43,069 --> 00:14:41,279
tape that was never released and we

406
00:14:45,170 --> 00:14:43,079
don't know where it's at of the act of

407
00:14:47,210 --> 00:14:45,180
jamming that the object put on an apg-73

408
00:14:48,889 --> 00:14:47,220
radar and I can get into modes later if

409
00:14:50,329 --> 00:14:48,899
you're interested

410
00:14:51,889 --> 00:14:50,339
what is shocking to us is that the

411
00:14:53,389 --> 00:14:51,899
incident was never investigated none of

412
00:14:54,949 --> 00:14:53,399
my crew ever questioned tapes were never

413
00:14:56,750 --> 00:14:54,959

taken and after a couple days it turned

414

00:14:59,150 --> 00:14:56,760

into a great story with friends it

415

00:15:00,670 --> 00:14:59,160

wasn't until 2009 until Jay Stratton had

416

00:15:02,629 --> 00:15:00,680

contacted me to investigate

417

00:15:06,050 --> 00:15:02,639

unbeknownst he was part of the atip

418

00:15:07,850 --> 00:15:06,060

program in the Pentagon led by louisando

419

00:15:09,170 --> 00:15:07,860

uh and there was an official official

420

00:15:11,210 --> 00:15:09,180

report that came out that's now on the

421

00:15:13,129 --> 00:15:11,220

internet years later I was contacted by

422

00:15:14,810 --> 00:15:13,139

the other pilot Alex Dietrich and asked

423

00:15:16,069 --> 00:15:14,820

if I'd been contacted and I said no but

424

00:15:19,490 --> 00:15:16,079

I'm willing to talk

425

00:15:20,990 --> 00:15:19,500

I was contacted by Mr Elizondo and uh we

426

00:15:23,329 --> 00:15:21,000

talked for a short period of time he

427

00:15:24,769 --> 00:15:23,339

said we'd be in contact a few weeks

428

00:15:26,750 --> 00:15:24,779

after that I was made a word that lewd

429

00:15:28,850 --> 00:15:26,760

left the Pentagon in protest and joined

430

00:15:30,470 --> 00:15:28,860

forces with Tom DeLong Chris melon Steve

431

00:15:32,509 --> 00:15:30,480

Justice and others to form two stars

432

00:15:33,949 --> 00:15:32,519

Academy an organization that pressed the

433

00:15:35,810 --> 00:15:33,959

issue with leading industry experts and

434

00:15:36,889 --> 00:15:35,820

U.S government officials they worked

435

00:15:38,750 --> 00:15:36,899

with Leslie Keane who was president

436

00:15:40,129 --> 00:15:38,760

today Rob Blumenthal and Helene Cooper

437

00:15:43,790 --> 00:15:40,139

to published the articles in the New

438

00:15:45,829 --> 00:15:43,800

York Times 2017 uh New York Times and it

439

00:15:47,750 --> 00:15:45,839

removed the stigma on the topic of UFOs

440

00:15:49,850 --> 00:15:47,760

which is why we're here today

441

00:15:51,110 --> 00:15:49,860

those articles open the door for the

442

00:15:52,670 --> 00:15:51,120

government and public that cannot be

443

00:15:54,350 --> 00:15:52,680

closed it has led to an interest from

444

00:15:56,329 --> 00:15:54,360

our elected officials who are not

445

00:15:58,370 --> 00:15:56,339

focused on Little Green Men but figuring

446

00:16:00,650 --> 00:15:58,380

out where these crafts are where they

447

00:16:02,210 --> 00:16:00,660

from the technology they possess how do

448

00:16:03,949 --> 00:16:02,220

they operate it also led to the

449

00:16:05,689 --> 00:16:03,959

Whistleblower protection act in the ndaa

450

00:16:08,389 --> 00:16:05,699

there are multiple Witnesses coming

451
00:16:10,189 --> 00:16:08,399
forward to say uh that have first-hand

452
00:16:11,689 --> 00:16:10,199
knowledge and and Mr grush has covered

453
00:16:13,189 --> 00:16:11,699
that what concerns me is that there's no

454
00:16:14,449 --> 00:16:13,199
oversight from our elected officials on

455
00:16:16,850 --> 00:16:14,459
anything associated with our government

456
00:16:19,370 --> 00:16:16,860
processing or working on Craft

457
00:16:21,170 --> 00:16:19,380
I believe not from this world this issue

458
00:16:23,030 --> 00:16:21,180
is not a full public disclosure that

459
00:16:24,290 --> 00:16:23,040
could undermine National Security but it

460
00:16:25,850 --> 00:16:24,300
is about ensuring that our system of

461
00:16:26,930 --> 00:16:25,860
checks and balances Works across all

462
00:16:28,850 --> 00:16:26,940
work done in the government using

463
00:16:30,410 --> 00:16:28,860

taxpayer funds relative to government

464

00:16:32,509 --> 00:16:30,420

programs even unacknowledged way

465

00:16:33,829 --> 00:16:32,519

programs have some level of oversight by

466

00:16:35,810 --> 00:16:33,839

the appropriate committee members in the

467

00:16:37,189 --> 00:16:35,820

House and Senate and this work that is

468

00:16:39,230 --> 00:16:37,199

said to be occurring from whistleblower

469

00:16:40,610 --> 00:16:39,240

testimonies should not be exempt in

470

00:16:42,650 --> 00:16:40,620

closing I would like to say that the Tic

471

00:16:44,389 --> 00:16:42,660

Tac object we engaged in 2004 was far

472

00:16:47,150 --> 00:16:44,399

superior to anything that we had on time

473

00:16:48,889 --> 00:16:47,160

have today or looking to develop in the

474

00:16:50,389 --> 00:16:48,899

next 10 years if we in fact have

475

00:16:51,949 --> 00:16:50,399

programs that possess this technology

476
00:16:54,170 --> 00:16:51,959
and needs to have oversight from those

477
00:16:56,449 --> 00:16:54,180
people that the citizens of this country

478
00:16:58,069 --> 00:16:56,459
elected an office to represent what is

479
00:16:59,509 --> 00:16:58,079
best for the United States and best for

480
00:17:01,069 --> 00:16:59,519
the citizens I thank you for your time

481
00:17:03,170 --> 00:17:01,079
thank you very much

482
00:17:04,669 --> 00:17:03,180
all right now that we've heard the

483
00:17:07,010 --> 00:17:04,679
opening statements from the witnesses

484
00:17:08,150 --> 00:17:07,020
let's dive into our analysis of the rest

485
00:17:10,069 --> 00:17:08,160
of the hearing

486
00:17:11,870 --> 00:17:10,079
one of the most important aspects of

487
00:17:14,390 --> 00:17:11,880
this hearing wasn't just what was being

488
00:17:15,890 --> 00:17:14,400

said by the witnesses but rather what

489

00:17:18,230 --> 00:17:15,900

was being said by the members of

490

00:17:20,689 --> 00:17:18,240

Congress who are questioning them that's

491

00:17:23,150 --> 00:17:20,699

not to in any way minimize the witnesses

492

00:17:25,069 --> 00:17:23,160

who bravely came forward but one can

493

00:17:26,929 --> 00:17:25,079

easily imagine a scenario where they

494

00:17:28,429 --> 00:17:26,939

testified before a board Congressional

495

00:17:30,110 --> 00:17:28,439

subcommittee that hadn't done their

496

00:17:31,250 --> 00:17:30,120

research and wasn't taking any of this

497

00:17:34,250 --> 00:17:31,260

seriously

498

00:17:35,810 --> 00:17:34,260

but thankfully that wasn't the case the

499

00:17:38,270 --> 00:17:35,820

members of Congress who questioned the

500

00:17:40,430 --> 00:17:38,280

Witnesses were fully prepared and fully

501
00:17:42,470 --> 00:17:40,440
engaged their questions were thoughtful

502
00:17:44,330 --> 00:17:42,480
pointed and signaled to all who are

503
00:17:46,789 --> 00:17:44,340
watching that they found these witnesses

504
00:17:49,789 --> 00:17:46,799
to be credible and their testimony to be

505
00:17:51,470 --> 00:17:49,799
of the utmost importance for perhaps the

506
00:17:53,690 --> 00:17:51,480
first time in this long road to

507
00:17:55,669 --> 00:17:53,700
meaningful disclosure the witnesses

508
00:17:57,289 --> 00:17:55,679
weren't being asked to make the case for

509
00:17:59,570 --> 00:17:57,299
why anyone should listen to or believe

510
00:18:01,730 --> 00:17:59,580
them in the first place they were being

511
00:18:03,770 --> 00:18:01,740
asked specific questions that would

512
00:18:05,770 --> 00:18:03,780
allow Congress to follow up and further

513
00:18:08,270 --> 00:18:05,780

investigate their specific claims

514

00:18:10,330 --> 00:18:08,280

particularly those that most closely

515

00:18:13,490 --> 00:18:10,340

pertain to matters of National Security

516

00:18:15,409 --> 00:18:13,500

congressional oversight and Corruption

517

00:18:16,850 --> 00:18:15,419

and that feels like the best place to

518

00:18:18,409 --> 00:18:16,860

start and breaking down the most

519

00:18:21,169 --> 00:18:18,419

important takeaways from the hearing

520

00:18:23,570 --> 00:18:21,179

right now the ball is in congress's

521

00:18:25,669 --> 00:18:23,580

court and by taking a closer look at the

522

00:18:28,010 --> 00:18:25,679

issues that seem to be the most urgent

523

00:18:30,350 --> 00:18:28,020

and most important to them we may be

524

00:18:33,169 --> 00:18:30,360

able to get a clue about how all of this

525

00:18:34,549 --> 00:18:33,179

might unfold as we move forward one of

526

00:18:36,529 --> 00:18:34,559

the key points of interest that was

527

00:18:38,390 --> 00:18:36,539

surfaced in the hearing was the need for

528

00:18:40,610 --> 00:18:38,400

increased measures to improve reporting

529

00:18:42,409 --> 00:18:40,620

a transparency in situations where

530

00:18:44,270 --> 00:18:42,419

aviators are encountering unknown

531

00:18:47,750 --> 00:18:44,280

objects in the skies

532

00:18:50,210 --> 00:18:47,760

in July of 2022 the all-domain anomaly

533

00:18:52,130 --> 00:18:50,220

resolution office or Aero was

534

00:18:54,830 --> 00:18:52,140

established when deputy secretary of

535

00:18:56,570 --> 00:18:54,840

defense Kathleen Hicks amended the

536

00:18:58,310 --> 00:18:56,580

original direction of the Airborne

537

00:19:00,310 --> 00:18:58,320

object identification and management

538

00:19:03,470 --> 00:19:00,320

group or

539

00:19:05,090 --> 00:19:03,480

aoimsg thankfully renaming it to

540

00:19:07,549 --> 00:19:05,100

something less obtuse and more

541

00:19:08,570 --> 00:19:07,559

pronounceable while also expanding its

542

00:19:10,730 --> 00:19:08,580

scope

543

00:19:12,590 --> 00:19:10,740

the purpose of Arrow is to synchronize

544

00:19:14,570 --> 00:19:12,600

efforts across the Department of Defense

545

00:19:17,570 --> 00:19:14,580

and other U.S federal departments and

546

00:19:19,370 --> 00:19:17,580

agencies to detect identify and

547

00:19:21,470 --> 00:19:19,380

attribute objects of interest near

548

00:19:23,450 --> 00:19:21,480

with the establishment of Arrow we

00:19:44,510 --> 00:19:42,480
finally had something that we've

560
00:19:46,610 --> 00:19:44,520
desperately needed a centralized

561
00:19:49,430 --> 00:19:46,620
Clearinghouse for data related to UAP

562
00:19:50,690 --> 00:19:49,440
sightings when fraver and Graves had the

563
00:19:52,549 --> 00:19:50,700

encounters they described in their

564

00:19:54,890 --> 00:19:52,559

opening statements and their superiors

565

00:19:57,169 --> 00:19:54,900

failed to follow up with them there was

566

00:20:00,110 --> 00:19:57,179

no way to escalate their concerns they

567

00:20:03,289 --> 00:20:00,120

had nowhere to turn arrow was created to

568

00:20:05,270 --> 00:20:03,299

change all that at least in theory the

569

00:20:07,730 --> 00:20:05,280

reality of Arrow thus Fara has hardly

570

00:20:09,590 --> 00:20:07,740

lived up to its promise a year later

571

00:20:11,450 --> 00:20:09,600

they have barely scratched the surface

572

00:20:13,549 --> 00:20:11,460

of completing even some of the most

573

00:20:16,490 --> 00:20:13,559

basic tasks that they were charged with

574

00:20:18,830 --> 00:20:16,500

to improve reporting a transparency

575

00:20:21,350 --> 00:20:18,840

for example a congressionally mandated

576

00:20:23,810 --> 00:20:21,360

website with a portal for reporting UAP

577

00:20:25,610 --> 00:20:23,820

sightings has yet to appear

578

00:20:27,890 --> 00:20:25,620

and on the same day that the

579

00:20:29,870 --> 00:20:27,900

establishment of Arrow was announced an

580

00:20:31,610 --> 00:20:29,880

official Twitter account went live and

581

00:20:34,310 --> 00:20:31,620

was greeted with Jubilation and support

582

00:20:36,529 --> 00:20:34,320

in the community the first two tweets

583

00:20:38,450 --> 00:20:36,539

said welcome to the official Twitter

584

00:20:40,490 --> 00:20:38,460

account for the all domain anomaly

585

00:20:42,470 --> 00:20:40,500

resolution office through this channel

586

00:20:44,870 --> 00:20:42,480

we will provide updates and information

587

00:20:47,510 --> 00:20:44,880

relative to our examinations of

588

00:20:50,570 --> 00:20:47,520

unidentified anomalous phenomena across

589

00:20:52,850 --> 00:20:50,580

space air and Maritime domains as we

590

00:20:54,529 --> 00:20:52,860

grow the office begin building upon the

591

00:20:56,570 --> 00:20:54,539

previous Department of Defense efforts

592

00:20:59,090 --> 00:20:56,580

in this area and communicate with

593

00:21:01,669 --> 00:20:59,100

Congress we will provide updates on our

594

00:21:03,409 --> 00:21:01,679

progress here this is an exciting and

595

00:21:05,390 --> 00:21:03,419

intellectually stimulating opportunity

596

00:21:08,150 --> 00:21:05,400

for us here at Arrow

597

00:21:10,130 --> 00:21:08,160

sounds great right except that they

598

00:21:12,650 --> 00:21:10,140

literally never tweeted again

599

00:21:14,810 --> 00:21:12,660

in the years since the almost comical

600

00:21:16,370 --> 00:21:14,820

ineptitude and obfuscation from Arrow

601
00:21:17,570 --> 00:21:16,380
has become something of a running joke

602
00:21:19,730 --> 00:21:17,580
in the community

603
00:21:21,830 --> 00:21:19,740
for example in a hearing in April

604
00:21:24,470 --> 00:21:21,840
director of Arrow Sean Kirkpatrick

605
00:21:26,049 --> 00:21:24,480
played a video of a metallic sphere with

606
00:21:28,190 --> 00:21:26,059
no visible means of propulsion

607
00:21:31,490 --> 00:21:28,200
maneuvering through the air for which

608
00:21:33,350 --> 00:21:31,500
his team had no explanation and yet in

609
00:21:35,630 --> 00:21:33,360
that same hearing he claimed that Arrow

610
00:21:37,789 --> 00:21:35,640
had come across quote no credible

611
00:21:39,649 --> 00:21:37,799
evidence thus far of objects that defy

612
00:21:42,529 --> 00:21:39,659
the known laws of physics

613
00:21:44,510 --> 00:21:42,539

but how can that be true how can you use

614

00:21:46,370 --> 00:21:44,520

the known laws of physics to explain how

615

00:21:49,370 --> 00:21:46,380

a spherical object with no means of

616

00:21:51,230 --> 00:21:49,380

propulsion can fly it's a familiar Dodge

617

00:21:53,390 --> 00:21:51,240

for those trying to muddy the waters on

618

00:21:55,430 --> 00:21:53,400

this topic to say that there is no

619

00:21:58,070 --> 00:21:55,440

evidence when what they really mean is

620

00:22:00,590 --> 00:21:58,080

that there is no proof evidence and

621

00:22:03,110 --> 00:22:00,600

proof are not the same thing evidence

622

00:22:04,610 --> 00:22:03,120

points to a potential conclusion but it

623

00:22:07,070 --> 00:22:04,620

doesn't necessarily mean that that

624

00:22:09,289 --> 00:22:07,080

conclusion is correct evidence can be

625

00:22:11,750 --> 00:22:09,299

proven to be wrong it can be proven to

626

00:22:14,690 --> 00:22:11,760

be merely circumstantial but it's still

627

00:22:16,669 --> 00:22:14,700

evidence and an as of yet unexplained

628

00:22:18,890 --> 00:22:16,679

military video of a metallic sphere

629

00:22:20,690 --> 00:22:18,900

flying through the air is evidence of

630

00:22:23,570 --> 00:22:20,700

something that is potentially violating

631

00:22:26,029 --> 00:22:23,580

the known laws of physics period it's

632

00:22:28,010 --> 00:22:26,039

asinine to suggest otherwise and yet

633

00:22:30,110 --> 00:22:28,020

this is exactly what is being suggested

634

00:22:31,549 --> 00:22:30,120

by the director of the office that was

635

00:22:33,710 --> 00:22:31,559

supposedly set up to increase

636

00:22:36,169 --> 00:22:33,720

transparency on this matter

637

00:22:37,970 --> 00:22:36,179

as a result it's not surprising that the

638

00:22:39,590 --> 00:22:37,980

rumor has been that everyone from Pilots

639

00:22:41,750 --> 00:22:39,600

who've had sightings to whistleblowers

640

00:22:44,450 --> 00:22:41,760

who want to come forward don't trust

641

00:22:46,190 --> 00:22:44,460

Arrow or Sean Kirkpatrick they haven't

642

00:22:47,390 --> 00:22:46,200

exactly demonstrated themselves to be

643

00:22:49,490 --> 00:22:47,400

trustworthy

644

00:22:50,750 --> 00:22:49,500

and so although we allegedly have a

645

00:22:52,789 --> 00:22:50,760

place for people to report their

646

00:22:54,590 --> 00:22:52,799

sightings it is done very little to

647

00:22:57,350 --> 00:22:54,600

improve the abysmal state of reporting

648

00:22:59,149 --> 00:22:57,360

and transparency Ryan grave said in

649

00:23:01,610 --> 00:22:59,159

Wednesday's hearing that he estimates

650

00:23:05,090 --> 00:23:01,620

that 95 percent of sightings by military

651
00:23:07,070 --> 00:23:05,100
Pilots still aren't being reported and

652
00:23:10,070 --> 00:23:07,080
the reason for that goes beyond just a

653
00:23:11,450 --> 00:23:10,080
simple distrust of Arrow the reality is

654
00:23:13,370 --> 00:23:11,460
that despite the fact that the

655
00:23:15,590 --> 00:23:13,380
government has admitted that uaps exist

656
00:23:17,450 --> 00:23:15,600
and that we don't know what they are and

657
00:23:19,789 --> 00:23:17,460
despite the fact that legislation has

658
00:23:21,649 --> 00:23:19,799
been written and passed a new office has

659
00:23:23,510 --> 00:23:21,659
been established to centralize the data

660
00:23:25,909 --> 00:23:23,520
and hearings are being conducted by

661
00:23:28,010 --> 00:23:25,919
Congress there is still a very real

662
00:23:29,990 --> 00:23:28,020
stigma attached to pilots and other

663
00:23:31,010 --> 00:23:30,000

members of the military reporting their

664

00:23:33,770 --> 00:23:31,020

sightings

665

00:23:35,510 --> 00:23:33,780

for pilots in particular a UAP encounter

666

00:23:37,310 --> 00:23:35,520

can become a stain on their record that

667

00:23:39,470 --> 00:23:37,320

can destroy their career and their

668

00:23:41,450 --> 00:23:39,480

reputation so there is very little

669

00:23:43,190 --> 00:23:41,460

incentive for them to come forward when

670

00:23:45,770 --> 00:23:43,200

they do come in contact with something

671

00:23:47,990 --> 00:23:45,780

anomalous Tim burchett said on news

672

00:23:50,149 --> 00:23:48,000

Nation earlier this month that he has

673

00:23:51,890 --> 00:23:50,159

spoken to multiple Pilots who've

674

00:23:53,630 --> 00:23:51,900

reported destroying the tapes and

675

00:23:56,090 --> 00:23:53,640

evidence of their encounters themselves

676
00:23:57,770 --> 00:23:56,100
to avoid the possible Fallout of their

677
00:23:59,149 --> 00:23:57,780
encounter being discovered by their

678
00:24:00,950 --> 00:23:59,159
superiors

679
00:24:03,350 --> 00:24:00,960
whether you're convinced of the reality

680
00:24:05,090 --> 00:24:03,360
of the UFO phenomenon or not I think

681
00:24:06,950 --> 00:24:05,100
that we can all agree that this state of

682
00:24:08,810 --> 00:24:06,960
affairs is unacceptable

683
00:24:11,210 --> 00:24:08,820
our government has acknowledged that

684
00:24:13,070 --> 00:24:11,220
whatever these things are they are real

685
00:24:15,890 --> 00:24:13,080
and that they pose a potential national

686
00:24:17,330 --> 00:24:15,900
security threat and yet the people who

687
00:24:19,669 --> 00:24:17,340
are coming into contact with these

688
00:24:21,110 --> 00:24:19,679

objects most often are put in a position

689

00:24:23,270 --> 00:24:21,120

where they feel like if they talk

690

00:24:24,529 --> 00:24:23,280

honestly about what they saw that they

691

00:24:26,630 --> 00:24:24,539

could destroy the career they spent

692

00:24:28,789 --> 00:24:26,640

their entire adult lives building

693

00:24:30,649 --> 00:24:28,799

in this culture of fear and silence

694

00:24:33,110 --> 00:24:30,659

we're missing out on what could be

695

00:24:34,909 --> 00:24:33,120

extremely valuable data that could help

696

00:24:37,430 --> 00:24:34,919

us figure out what we're dealing with

697

00:24:39,649 --> 00:24:37,440

here and we're failing to both respect

698

00:24:41,750 --> 00:24:39,659

and protect the members of our Armed

699

00:24:44,690 --> 00:24:41,760

Forces who are on the front lines of

700

00:24:46,730 --> 00:24:44,700

this mystery obviously this needs to

701
00:24:48,350 --> 00:24:46,740
change and it was encouraging to see

702
00:24:51,350 --> 00:24:48,360
members of Congress taking this matter

703
00:24:53,210 --> 00:24:51,360
so seriously another major issue that

704
00:24:55,250 --> 00:24:53,220
the subcommittee zeroed in on in their

705
00:24:57,230 --> 00:24:55,260
questioning was David grush's claims

706
00:24:59,210 --> 00:24:57,240
with regard to Illegal retaliation

707
00:25:01,730 --> 00:24:59,220
against whistleblowers

708
00:25:04,190 --> 00:25:01,740
in December Landmark legislation was

709
00:25:07,610 --> 00:25:04,200
passed as part of the 2023 National

710
00:25:09,710 --> 00:25:07,620
Defense authorization act or ndaa which

711
00:25:11,690 --> 00:25:09,720
offered protection to UFO whistleblowers

712
00:25:13,610 --> 00:25:11,700
who wanted to come forward to talk to

713
00:25:15,830 --> 00:25:13,620

Congress about what they know

714

00:25:17,390 --> 00:25:15,840

the law Shields these individuals from

715

00:25:19,190 --> 00:25:17,400

legal action that could arise from

716

00:25:22,070 --> 00:25:19,200

breaking confidentiality agreements

717

00:25:24,230 --> 00:25:22,080

related to these secrets and it covers

718

00:25:26,149 --> 00:25:24,240

both government employees and people

719

00:25:28,730 --> 00:25:26,159

working for private companies involved

720

00:25:30,830 --> 00:25:28,740

in UAP research and development

721

00:25:32,330 --> 00:25:30,840

one part of the law creates a safe way

722

00:25:34,370 --> 00:25:32,340

for whistleblowers to share information

723

00:25:36,769 --> 00:25:34,380

with members of Congress who have the

724

00:25:38,810 --> 00:25:36,779

legal right to this knowledge the law

725

00:25:40,669 --> 00:25:38,820

also includes a provision that protects

726

00:25:42,890 --> 00:25:40,679

whistleblowers from retaliation or

727

00:25:44,990 --> 00:25:42,900

punishment such as losing their jobs or

728

00:25:46,310 --> 00:25:45,000

security clearances for revealing this

729

00:25:48,769 --> 00:25:46,320

information

730

00:25:51,230 --> 00:25:48,779

and yet even with these Protections in

731

00:25:52,610 --> 00:25:51,240

place grush claims that both he and

732

00:25:54,350 --> 00:25:52,620

several of his colleagues who have

733

00:25:55,909 --> 00:25:54,360

attempted to come forward have been

734

00:25:58,250 --> 00:25:55,919

retaliated against

735

00:25:59,930 --> 00:25:58,260

due to an ongoing investigation being

736

00:26:03,590 --> 00:25:59,940

conducted by the intelligence Community

737

00:26:06,049 --> 00:26:03,600

Inspector General or icig into grush's

738

00:26:08,630 --> 00:26:06,059

claims of retaliation he wasn't able to

739

00:26:10,549 --> 00:26:08,640

offer many specific details but he did

740

00:26:12,470 --> 00:26:10,559

make it clear that he and his colleagues

741

00:26:14,570 --> 00:26:12,480

have had credible threats against both

742

00:26:16,250 --> 00:26:14,580

their careers and their lives from

743

00:26:17,690 --> 00:26:16,260

various elements within the Department

744

00:26:19,549 --> 00:26:17,700

of Defense

745

00:26:21,830 --> 00:26:19,559

and although he's not able to provide

746

00:26:24,350 --> 00:26:21,840

further details for fear of compromising

747

00:26:26,450 --> 00:26:24,360

the investigation there is every reason

748

00:26:28,310 --> 00:26:26,460

to take these claims seriously

749

00:26:30,289 --> 00:26:28,320

the investigation to which he is

750

00:26:32,390 --> 00:26:30,299

referring was opened in July of last

751
00:26:34,250 --> 00:26:32,400
year after grush submitted a complaint

752
00:26:36,769 --> 00:26:34,260
to the icig

753
00:26:39,289 --> 00:26:36,779
not only did the icig decide to take

754
00:26:41,450 --> 00:26:39,299
this case on but he described the claims

755
00:26:44,450 --> 00:26:41,460
made by grush as being both quote

756
00:26:45,830 --> 00:26:44,460
credible and urgent and we have other

757
00:26:48,890 --> 00:26:45,840
evidence to support that this

758
00:26:51,529 --> 00:26:48,900
retaliation goes beyond just rush on

759
00:26:53,450 --> 00:26:51,539
June 27th of this year Senator Marco

760
00:26:55,310 --> 00:26:53,460
Rubio said in an interview on news

761
00:26:57,769 --> 00:26:55,320
nation that the Senate intelligence

762
00:26:59,630 --> 00:26:57,779
committee has already met with several

763
00:27:01,669 --> 00:26:59,640

whistleblowers with first-hand knowledge

764

00:27:04,490 --> 00:27:01,679

of secret crash retrieval and reverse

765

00:27:06,350 --> 00:27:04,500

engineering programs in his statements

766

00:27:08,390 --> 00:27:06,360

he said that these whistleblowers have

767

00:27:10,370 --> 00:27:08,400

held very high clearances in high

768

00:27:12,769 --> 00:27:10,380

positions within our government

769

00:27:14,690 --> 00:27:12,779

Rubio also claimed that despite

770

00:27:17,269 --> 00:27:14,700

whistleblower legislation passed last

771

00:27:18,890 --> 00:27:17,279

year these whistleblowers are afraid to

772

00:27:21,110 --> 00:27:18,900

speak publicly

773

00:27:24,230 --> 00:27:21,120

frankly a lot of them are very fearful

774

00:27:27,409 --> 00:27:24,240

he said fearful of their jobs fearful of

775

00:27:29,330 --> 00:27:27,419

their clearances fearful of their career

776

00:27:31,010 --> 00:27:29,340

obviously these allegations are

777

00:27:32,870 --> 00:27:31,020

extremely concerning and so it was

778

00:27:34,970 --> 00:27:32,880

encouraging to hear in strong and

779

00:27:37,310 --> 00:27:34,980

unambiguous terms from multiple members

780

00:27:39,049 --> 00:27:37,320

of the subcommittee on both sides of the

781

00:27:40,789 --> 00:27:39,059

aisle that they were taking this matter

782

00:27:42,350 --> 00:27:40,799

seriously and were committed to

783

00:27:44,149 --> 00:27:42,360

providing further protections for

784

00:27:47,450 --> 00:27:44,159

whistleblowers and to holding those

785

00:27:49,310 --> 00:27:47,460

responsible countable and finally the

786

00:27:51,289 --> 00:27:49,320

questions for members of Congress also

787

00:27:52,850 --> 00:27:51,299

seem to be zeroing in on the crash

788

00:27:54,950 --> 00:27:52,860

retrieval and reverse engineering

789

00:27:56,990 --> 00:27:54,960

programs themselves and more

790

00:27:58,610 --> 00:27:57,000

specifically how they have been kept

791

00:27:59,630 --> 00:27:58,620

secret and above the oversight of

792

00:28:02,269 --> 00:27:59,640

Congress

793

00:28:04,850 --> 00:28:02,279

and as is usually the case in matters of

794

00:28:06,710 --> 00:28:04,860

corruption to find answers Congress will

795

00:28:08,930 --> 00:28:06,720

need to follow the money

796

00:28:11,450 --> 00:28:08,940

a particular interest was how these

797

00:28:12,769 --> 00:28:11,460

programs managed to get funding as I'm

798

00:28:14,330 --> 00:28:12,779

sure you remember from grade school

799

00:28:16,850 --> 00:28:14,340

Congress is the branch of government

800

00:28:19,010 --> 00:28:16,860

that has the power of the purse and

801
00:28:20,330 --> 00:28:19,020
hypothetically any program that is

802
00:28:22,430 --> 00:28:20,340
operating within the Department of

803
00:28:25,490 --> 00:28:22,440
Defense would have to be specifically

804
00:28:27,110 --> 00:28:25,500
provided for in the ndaa which is passed

805
00:28:30,169 --> 00:28:27,120
yearly by Congress

806
00:28:32,450 --> 00:28:30,179
the ndaa is a United States federal law

807
00:28:34,549 --> 00:28:32,460
that specifies the budget expenditures

808
00:28:35,510 --> 00:28:34,559
and policies of the U.S Department of

809
00:28:38,210 --> 00:28:35,520
Defense

810
00:28:39,830 --> 00:28:38,220
each Year's ndaa provides funding for

811
00:28:41,630 --> 00:28:39,840
the military and defense programs

812
00:28:44,210 --> 00:28:41,640
including salaries for military

813
00:28:46,190 --> 00:28:44,220

personnel operations and maintenance

814

00:28:48,169 --> 00:28:46,200

procurement of equipment and Technology

815

00:28:50,630 --> 00:28:48,179

research and development construction

816

00:28:51,830 --> 00:28:50,640

and other activities related to National

817

00:28:54,590 --> 00:28:51,840

Defense

818

00:28:56,990 --> 00:28:54,600

so the question then becomes if these

819

00:28:58,970 --> 00:28:57,000

programs really exist without congress's

820

00:29:01,549 --> 00:28:58,980

knowledge then where are they getting

821

00:29:03,230 --> 00:29:01,559

their money you have to imagine that

822

00:29:05,210 --> 00:29:03,240

programs for retrieving and reverse

823

00:29:08,450 --> 00:29:05,220

engineering highly Advanced non-human

824

00:29:10,549 --> 00:29:08,460

technology as well as covering it up has

825

00:29:12,710 --> 00:29:10,559

to come with a pretty hefty price tag

826
00:29:14,029 --> 00:29:12,720
even by the standards of the Department

827
00:29:15,950 --> 00:29:14,039
of Defense

828
00:29:17,029 --> 00:29:15,960
so how could they hide something like

829
00:29:22,010 --> 00:29:17,039
that

830
00:29:23,630 --> 00:29:22,020
specifics about how these programs were

831
00:29:25,549 --> 00:29:23,640
being funded that he couldn't discuss

832
00:29:28,070 --> 00:29:25,559
publicly but that he was willing to

833
00:29:29,870 --> 00:29:28,080
share with Congress he was specifically

834
00:29:32,090 --> 00:29:29,880
asked if these programs were being

835
00:29:34,010 --> 00:29:32,100
funded by defense contractors over

836
00:29:36,409 --> 00:29:34,020
charging for unrelated goods and

837
00:29:38,330 --> 00:29:36,419
services so that the excess money could

838
00:29:39,289 --> 00:29:38,340

be funneled to secret programs under the

839

00:29:41,389 --> 00:29:39,299

radar

840

00:29:43,010 --> 00:29:41,399

grush answered in the affirmative and

841

00:29:44,269 --> 00:29:43,020

said that that was one method that was

842

00:29:45,830 --> 00:29:44,279

being used

843

00:29:47,570 --> 00:29:45,840

and when you look at the Department of

844

00:29:49,310 --> 00:29:47,580

Defense and they're seeming complete

845

00:29:51,590 --> 00:29:49,320

inability to keep track of the money

846

00:29:54,649 --> 00:29:51,600

that it spends it's not hard to imagine

847

00:29:56,570 --> 00:29:54,659

how even a program as expensive as UFO

848

00:29:58,370 --> 00:29:56,580

crash retrieval and reverse engineering

849

00:29:59,750 --> 00:29:58,380

could be falling through the cracks of

850

00:30:02,630 --> 00:29:59,760

oversight

851

00:30:05,029 --> 00:30:02,640

the reality is that the dod routinely

852

00:30:10,130 --> 00:30:05,039

fails audits including every year

853

00:30:13,490 --> 00:30:10,140

between 2017 and 2021 and in 2021 it

854

00:30:17,149 --> 00:30:13,500

could not account for 61 of its 3.5

855

00:30:19,250 --> 00:30:17,159

trillion in assets that's over 2.1

856

00:30:21,950 --> 00:30:19,260

trillion dollars that is essentially in

857

00:30:23,750 --> 00:30:21,960

the wind it can be almost impossible for

858

00:30:26,570 --> 00:30:23,760

the human brain to truly conceptualize

859

00:30:28,850 --> 00:30:26,580

how much money two trillion dollars is

860

00:30:30,889 --> 00:30:28,860

but for reference it's equal to nearly

861

00:30:32,090 --> 00:30:30,899

one-tenth of the GDP of the United

862

00:30:34,730 --> 00:30:32,100

States

863

00:30:36,529 --> 00:30:34,740

and notably despite the fact that it

864

00:30:38,510 --> 00:30:36,539

continues to fail audits that every

865

00:30:41,510 --> 00:30:38,520

other government agency has managed to

866

00:30:43,669 --> 00:30:41,520

pass since 2013. they had never once

867

00:30:46,070 --> 00:30:43,679

authorized an audit of their contractors

868

00:30:48,769 --> 00:30:46,080

and of the missing two trillion dollars

869

00:30:51,169 --> 00:30:48,779

the Chief Financial Officer of the dod

870

00:30:52,970 --> 00:30:51,179

was quoted as saying that it's a quote

871

00:30:55,310 --> 00:30:52,980

teachable moment

872

00:30:57,470 --> 00:30:55,320

for the record when a private citizen

873

00:31:00,470 --> 00:30:57,480

can't account for 61 of their assets

874

00:31:02,990 --> 00:31:00,480

they go to jail but the dod just calls

875

00:31:05,269 --> 00:31:03,000

it an oopsie Daisy and moves on

876

00:31:06,649 --> 00:31:05,279

so obviously it's great to hear from

877

00:31:08,090 --> 00:31:06,659

Congress that they are committed to

878

00:31:09,950 --> 00:31:08,100

tracking down these programs and

879

00:31:12,710 --> 00:31:09,960

figuring out how this money is being

880

00:31:14,810 --> 00:31:12,720

illegally appropriated and spent though

881

00:31:16,310 --> 00:31:14,820

it does beg the question of why it took

882

00:31:17,930 --> 00:31:16,320

them so long to signal that they are

883

00:31:20,630 --> 00:31:17,940

ready to tighten the reins

884

00:31:22,070 --> 00:31:20,640

runaway spending by the dod and a

885

00:31:23,870 --> 00:31:22,080

complete lack of accountability with

886

00:31:26,990 --> 00:31:23,880

regard to how those funds are actually

887

00:31:29,269 --> 00:31:27,000

spent has long been a problem and the

888

00:31:31,610 --> 00:31:29,279

American people deserve to know where

889

00:31:33,769 --> 00:31:31,620

their money is going so those are just

890

00:31:35,990 --> 00:31:33,779

some of the areas that seem to be of the

891

00:31:37,730 --> 00:31:36,000

utmost interest to Congress and

892

00:31:39,529 --> 00:31:37,740

hopefully as we watch the situation

893

00:31:41,690 --> 00:31:39,539

evolve over the coming weeks and months

894

00:31:43,370 --> 00:31:41,700

we'll see them pursuing each of those

895

00:31:45,230 --> 00:31:43,380

lines of inquiry with the same

896

00:31:47,269 --> 00:31:45,240

conviction and resoluteness that they

897

00:31:50,510 --> 00:31:47,279

telegraphed during the hearing because

898

00:31:52,250 --> 00:31:50,520

to be clear David grush said during the

899

00:31:54,710 --> 00:31:52,260

hearing that he has specific information

900

00:31:56,630 --> 00:31:54,720

about the locations where these very

901
00:31:59,330 --> 00:31:56,640
programs and materials are being hidden

902
00:32:01,549 --> 00:31:59,340
how they are being funded who is

903
00:32:04,070 --> 00:32:01,559
involved and that he has a list of both

904
00:32:05,810 --> 00:32:04,080
friendly and hostile witnesses that he

905
00:32:07,010 --> 00:32:05,820
was willing to share with Congress in

906
00:32:09,769 --> 00:32:07,020
order to help them in their

907
00:32:11,810 --> 00:32:09,779
investigation so with any luck we'll

908
00:32:14,450 --> 00:32:11,820
begin to see the dam breaking on what

909
00:32:17,029 --> 00:32:14,460
has been over 80 years of secrecy and

910
00:32:18,889 --> 00:32:17,039
denial now today we don't have time to

911
00:32:20,930 --> 00:32:18,899
do a deep dive on everything else that

912
00:32:22,850 --> 00:32:20,940
was said during the hearing as I said

913
00:32:25,070 --> 00:32:22,860

earlier it was well over two hours long

914

00:32:26,870 --> 00:32:25,080

but I did want to highlight just a

915

00:32:28,610 --> 00:32:26,880

couple of particularly notable points

916

00:32:31,250 --> 00:32:28,620

before we move on

917

00:32:32,810 --> 00:32:31,260

as we are all aware David Crush hasn't

918

00:32:34,850 --> 00:32:32,820

just claimed to have information about

919

00:32:37,669 --> 00:32:34,860

UFO crash retrieval and reverse

920

00:32:39,769 --> 00:32:37,679

engineering programs but he claims that

921

00:32:40,610 --> 00:32:39,779

non-human bodies have been retrieved as

922

00:32:42,649 --> 00:32:40,620

well

923

00:32:45,230 --> 00:32:42,659

most of the specific details presented

924

00:32:47,930 --> 00:32:45,240

thus far have had to do with non-human

925

00:32:50,210 --> 00:32:47,940

craft and so obviously people have been

926
00:32:52,549 --> 00:32:50,220
eager to hear more about the beings that

927
00:32:54,470 --> 00:32:52,559
are alleged to have been flying them

928
00:32:57,289 --> 00:32:54,480
and in last week's hearing we got

929
00:32:59,210 --> 00:32:57,299
exactly that and although it was just a

930
00:33:01,549 --> 00:32:59,220
morsel of information it was a

931
00:33:03,250 --> 00:33:01,559
tantalizing one that sparked a flurry of

932
00:33:05,930 --> 00:33:03,260
speculation in the community and online

933
00:33:07,490 --> 00:33:05,940
while responding to questions Grudge

934
00:33:09,590 --> 00:33:07,500
declined to comment further on the

935
00:33:12,350 --> 00:33:09,600
retrieved bodies given the public nature

936
00:33:14,389 --> 00:33:12,360
of the hearings but he did confirm the

937
00:33:18,230 --> 00:33:14,399
United States was in possession of what

938
00:33:20,450 --> 00:33:18,240

he called non-human biologics that word

939

00:33:23,149 --> 00:33:20,460

biologics is what caught the attention

940

00:33:25,789 --> 00:33:23,159

of many it's a very specific word and

941

00:33:27,169 --> 00:33:25,799

one that you don't hear very often a

942

00:33:29,389 --> 00:33:27,179

quick Google search of the word will

943

00:33:32,450 --> 00:33:29,399

bring you to the fda's website which

944

00:33:34,850 --> 00:33:32,460

says that biologics quote include a wide

945

00:33:37,610 --> 00:33:34,860

range of products such as vaccines blood

946

00:33:40,070 --> 00:33:37,620

and blood components allergenics somatic

947

00:33:42,370 --> 00:33:40,080

cells gene therapy tissues and

948

00:33:44,810 --> 00:33:42,380

recombinant therapeutic proteins

949

00:33:47,690 --> 00:33:44,820

biologics can be composed of sugars

950

00:33:50,509 --> 00:33:47,700

proteins or nucleic acids or complex

951
00:33:52,430 --> 00:33:50,519
combinations of these substances or may

952
00:33:55,430 --> 00:33:52,440
be living entities such as cells and

953
00:33:58,130 --> 00:33:55,440
tissues biologics are isolated from a

954
00:34:01,130 --> 00:33:58,140
variety of natural sources human animal

955
00:34:03,649 --> 00:34:01,140
or microorganism and may be produced by

956
00:34:05,269 --> 00:34:03,659
biotechnology methods and other Cutting

957
00:34:07,970 --> 00:34:05,279
Edge Technologies

958
00:34:10,609 --> 00:34:07,980
now it's that last part about how they

959
00:34:13,010 --> 00:34:10,619
may be produced by biotechnology methods

960
00:34:16,310 --> 00:34:13,020
and other cutting-edge technologies that

961
00:34:18,290 --> 00:34:16,320
got UFO Twitter buzzing because it

962
00:34:20,149 --> 00:34:18,300
seemingly suggests the possibility that

963
00:34:23,089 --> 00:34:20,159

these non-human bodies could be

964

00:34:26,089 --> 00:34:23,099

technically living but also in some very

965

00:34:28,070 --> 00:34:26,099

real way synthetic this is particularly

966

00:34:29,570 --> 00:34:28,080

interesting to many in the UFO Community

967

00:34:31,190 --> 00:34:29,580

because it can ports with the

968

00:34:33,829 --> 00:34:31,200

long-standing theory within the lore

969

00:34:36,050 --> 00:34:33,839

that certain non-human entities that are

970

00:34:39,169 --> 00:34:36,060

reported may be synthetic biological

971

00:34:40,790 --> 00:34:39,179

drones of some kind in particular many

972

00:34:42,649 --> 00:34:40,800

people who have reported contact with

973

00:34:45,470 --> 00:34:42,659

Grays have noted that their movements

974

00:34:47,389 --> 00:34:45,480

seem strange and almost puppet-like and

975

00:34:50,810 --> 00:34:47,399

give the distinct impression of being

976

00:34:52,310 --> 00:34:50,820

animated but not in sold now I don't

977

00:34:55,010 --> 00:34:52,320

want to get bogged down and worrying

978

00:34:56,930 --> 00:34:55,020

about what we mean by a soul but suffice

979

00:34:58,490 --> 00:34:56,940

it to say that many experiencers have

980

00:35:01,010 --> 00:34:58,500

reported that the Grays that they saw

981

00:35:03,770 --> 00:35:01,020

seemed like robots of some kind

982

00:35:05,329 --> 00:35:03,780

and as bizarre as this may sound it does

983

00:35:07,550 --> 00:35:05,339

make a certain kind of sense if you

984

00:35:09,650 --> 00:35:07,560

think about it given what we know about

985

00:35:12,230 --> 00:35:09,660

deep space travel it's clear that having

986

00:35:14,690 --> 00:35:12,240

a biological body is not ideal in that

987

00:35:16,790 --> 00:35:14,700

situation bodies break down over time

988

00:35:18,710 --> 00:35:16,800

and space it would be much more

989

00:35:20,329 --> 00:35:18,720

convenient to send your Tech ahead and

990

00:35:22,069 --> 00:35:20,339

basically grow some bodies that you

991

00:35:24,170 --> 00:35:22,079

could then control remotely once it got

992

00:35:25,670 --> 00:35:24,180

to where you were trying to go and if

993

00:35:27,770 --> 00:35:25,680

what you're dealing with is a species

994

00:35:29,569 --> 00:35:27,780

that's coming from another planet it

995

00:35:31,550 --> 00:35:29,579

could be that they evolved in a totally

996

00:35:33,410 --> 00:35:31,560

different environment than Earth which

997

00:35:35,210 --> 00:35:33,420

could make it difficult or even deadly

998

00:35:36,770 --> 00:35:35,220

for them to spend much time here in

999

00:35:38,569 --> 00:35:36,780

their own bodies

1000

00:35:40,550 --> 00:35:38,579

and even if what we're dealing with is

1001

00:35:42,770 --> 00:35:40,560

an extraterrestrial and is from right

1002

00:35:44,450 --> 00:35:42,780

here on our own Planet there are still

1003

00:35:46,310 --> 00:35:44,460

plenty of reasons why an advanced

1004

00:35:49,430 --> 00:35:46,320

species would choose to use biological

1005

00:35:51,410 --> 00:35:49,440

drones I mean if we could send remotely

1006

00:35:54,410 --> 00:35:51,420

controlled biological drones to war or

1007

00:35:56,089 --> 00:35:54,420

to space we would Beyond just the

1008

00:35:58,849 --> 00:35:56,099

obvious intrinsic value of saving a

1009

00:36:01,310 --> 00:35:58,859

human life it costs a lot of money and a

1010

00:36:03,829 --> 00:36:01,320

lot of time to train a military pilot or

1011

00:36:05,930 --> 00:36:03,839

an astronaut if there was a way that a

1012

00:36:07,730 --> 00:36:05,940

disastrous end to a mission didn't mean

1013

00:36:09,950 --> 00:36:07,740

losing all the knowledge and expertise

1014

00:36:11,930 --> 00:36:09,960

of the people on board it would be a

1015

00:36:14,690 --> 00:36:11,940

no-brainer for us to do so

1016

00:36:16,370 --> 00:36:14,700

but before we get too excited about this

1017

00:36:18,410 --> 00:36:16,380

idea I think it's important to ground

1018

00:36:21,710 --> 00:36:18,420

ourselves with a little context popular

1019

00:36:23,510 --> 00:36:21,720

UFO commentator Dan Warren asked Dr Gary

1020

00:36:26,630 --> 00:36:23,520

Nolan to weigh in with his tweet which

1021

00:36:28,250 --> 00:36:26,640

read what does biologics mean to you and

1022

00:36:30,050 --> 00:36:28,260

can you dumb it down for the rest of us

1023

00:36:33,050 --> 00:36:30,060

please and thank you

1024

00:36:35,270 --> 00:36:33,060

Dr Nolan replied like the catch-all term

1025

00:36:37,730 --> 00:36:35,280

non-human intelligence and identified

1026

00:36:39,829 --> 00:36:37,740

anomalous phenomena it's an attempt to

1027

00:36:42,050 --> 00:36:39,839

create a term that does not convey bias

1028

00:36:44,270 --> 00:36:42,060

it's the right way to do things

1029

00:36:46,310 --> 00:36:44,280

as a ufology heavyweight a highly

1030

00:36:48,770 --> 00:36:46,320

respected scientist and the chair of the

1031

00:36:51,230 --> 00:36:48,780

Pathology Department at Stanford Gary

1032

00:36:53,750 --> 00:36:51,240

Nolan is the guy to ask that question

1033

00:36:55,670 --> 00:36:53,760

and that was his answer so while it's

1034

00:36:57,290 --> 00:36:55,680

fun to speculate about the details of

1035

00:36:59,390 --> 00:36:57,300

the retrieved bodies and what it all

1036

00:37:01,430 --> 00:36:59,400

might mean we shouldn't rush to any

1037

00:37:04,010 --> 00:37:01,440

conclusions without having more data

1038

00:37:06,530 --> 00:37:04,020

another new revelation that set the UFO

1039

00:37:08,810 --> 00:37:06,540

community on fire after the hearing was

1040

00:37:11,270 --> 00:37:08,820

Ryan Graves sharing an account of an

1041

00:37:13,190 --> 00:37:11,280

enormous UFO that was seen at Vandenberg

1042

00:37:16,910 --> 00:37:13,200

Air Force Base in Santa Barbara County

1043

00:37:18,710 --> 00:37:16,920

in 2003. according to Graves a group of

1044

00:37:21,190 --> 00:37:18,720

Boeing contractors that were working at

1045

00:37:24,829 --> 00:37:21,200

the facility one morning around 8 45

1046

00:37:26,510 --> 00:37:24,839

observed a very large 100 foot long red

1047

00:37:29,270 --> 00:37:26,520

square approached the base from the

1048

00:37:30,829 --> 00:37:29,280

ocean and hover at low altitude over one

1049

00:37:32,990 --> 00:37:30,839

of the launch facilities

1050

00:37:35,270 --> 00:37:33,000

this object remained for about 45

1051
00:37:36,589 --> 00:37:35,280
seconds or so before darting off over

1052
00:37:38,810 --> 00:37:36,599
the mountains

1053
00:37:41,690 --> 00:37:38,820
the enormous UFO returned that evening

1054
00:37:44,450 --> 00:37:41,700
after Sunset but this time with more

1055
00:37:46,010 --> 00:37:44,460
aggressive behaviors Graves said these

1056
00:37:48,050 --> 00:37:46,020
objects were approaching some of the

1057
00:37:49,609 --> 00:37:48,060
security guards at rapid speeds before

1058
00:37:52,250 --> 00:37:49,619
darting off

1059
00:37:53,930 --> 00:37:52,260
anyway without more information I don't

1060
00:37:57,410 --> 00:37:53,940
really have much else to offer on the

1061
00:37:58,970 --> 00:37:57,420
big red square except for to say dude

1062
00:38:00,770 --> 00:37:58,980
but it was really cool to hear a new

1063
00:38:03,230 --> 00:38:00,780

account of such a dramatic and unusual

1064

00:38:05,030 --> 00:38:03,240

sighting and I hope we hear more long

1065

00:38:06,770 --> 00:38:05,040

live the Big Red Square

1066

00:38:08,810 --> 00:38:06,780

obviously these allegations are

1067

00:38:11,450 --> 00:38:08,820

brehtaking and for many hard to

1068

00:38:13,490 --> 00:38:11,460

believe and that's understandable

1069

00:38:14,930 --> 00:38:13,500

skepticism is a natural and rational

1070

00:38:16,490 --> 00:38:14,940

response to being presented with

1071

00:38:19,130 --> 00:38:16,500

information that doesn't fit with your

1072

00:38:20,569 --> 00:38:19,140

models of reality people should be

1073

00:38:22,609 --> 00:38:20,579

questioning everything about this

1074

00:38:24,770 --> 00:38:22,619

process that's a good thing

1075

00:38:26,630 --> 00:38:24,780

but while cultivating healthy skepticism

1076

00:38:28,370 --> 00:38:26,640

is a good thing we shouldn't allow our

1077

00:38:29,870 --> 00:38:28,380

thinking to stop at the place where our

1078

00:38:31,490 --> 00:38:29,880

doubt begins

1079

00:38:33,290 --> 00:38:31,500

when your face was startling new

1080

00:38:35,750 --> 00:38:33,300

information that has the potential to

1081

00:38:38,510 --> 00:38:35,760

upend your worldview it's easy to latch

1082

00:38:40,609 --> 00:38:38,520

on to one detail or one argument that

1083

00:38:42,410 --> 00:38:40,619

sounds right and seemingly confirms that

1084

00:38:44,150 --> 00:38:42,420

you've been right all along and

1085

00:38:45,950 --> 00:38:44,160

immediately stop digging

1086

00:38:48,290 --> 00:38:45,960

that's something that I'm seeing a lot

1087

00:38:51,290 --> 00:38:48,300

in the aftermath of the hearings and I

1088

00:38:53,150 --> 00:38:51,300

100 understand the impulse grappling

1089

00:38:54,950 --> 00:38:53,160

with ideas that have the potential to

1090

00:38:56,750 --> 00:38:54,960

destabilize your most fundamental

1091

00:39:00,349 --> 00:38:56,760

beliefs about the nature of your reality

1092

00:39:03,109 --> 00:39:00,359

is a decidedly not chill experience

1093

00:39:04,670 --> 00:39:03,119

it can be exhilarating and inspiring and

1094

00:39:06,950 --> 00:39:04,680

fulfilling and a whole lot of other

1095

00:39:09,290 --> 00:39:06,960

positive things if you give it a chance

1096

00:39:11,390 --> 00:39:09,300

but it isn't without profound challenges

1097

00:39:13,190 --> 00:39:11,400

as well there will be many Dark Nights

1098

00:39:15,109 --> 00:39:13,200

of the Soul where you may find yourself

1099

00:39:18,230 --> 00:39:15,119

wishing that you'd never even started

1100

00:39:19,849 --> 00:39:18,240

this line of inquiry I've been there I

1101

00:39:22,910 --> 00:39:19,859

still find myself there from time to

1102

00:39:24,710 --> 00:39:22,920

time and so I understand why a person

1103

00:39:27,710 --> 00:39:24,720

might not want to chase this particular

1104

00:39:29,270 --> 00:39:27,720

experience down and why when offered an

1105

00:39:31,250 --> 00:39:29,280

escape patch in the form of an answer

1106

00:39:33,950 --> 00:39:31,260

that sounds like it's probably right

1107

00:39:35,089 --> 00:39:33,960

most people opt to take it and just stop

1108

00:39:37,010 --> 00:39:35,099

thinking

1109

00:39:38,990 --> 00:39:37,020

and so I want to take a little bit of

1110

00:39:40,970 --> 00:39:39,000

time to talk through some of the most

1111

00:39:43,190 --> 00:39:40,980

common criticisms being leveled against

1112

00:39:45,470 --> 00:39:43,200

both the hearings and the witnesses

1113

00:39:48,050 --> 00:39:45,480

themselves because although many of them

1114

00:39:49,849 --> 00:39:48,060

are fair and rational on their face and

1115

00:39:52,490 --> 00:39:49,859

most importantly they sound like they're

1116

00:39:54,230 --> 00:39:52,500

probably true if we don't allow these

1117

00:39:56,510 --> 00:39:54,240

ideas to immediately turn off our

1118

00:39:58,730 --> 00:39:56,520

thinking and do the work of digging a

1119

00:40:00,470 --> 00:39:58,740

little deeper we quickly see that

1120

00:40:03,230 --> 00:40:00,480

they're largely built on misperceptions

1121

00:40:04,970 --> 00:40:03,240

and a lack of important context

1122

00:40:06,770 --> 00:40:04,980

let's start with one of the most common

1123

00:40:08,690 --> 00:40:06,780

thought stopping objections that has

1124

00:40:10,430 --> 00:40:08,700

come up in the wake of the hearings

1125

00:40:12,109 --> 00:40:10,440

if you've been online at all in the last

1126
00:40:13,250 --> 00:40:12,119
week you've probably heard some version

1127
00:40:15,349 --> 00:40:13,260
of this

1128
00:40:17,089 --> 00:40:15,359
these hearings are nothing new it's been

1129
00:40:19,730 --> 00:40:17,099
80 years and there's still no evidence

1130
00:40:21,650 --> 00:40:19,740
to support the idea that UFOs are real

1131
00:40:24,050 --> 00:40:21,660
this one is probably the most

1132
00:40:27,230 --> 00:40:24,060
frustrating because it's just simply not

1133
00:40:29,930 --> 00:40:27,240
true my bookshelves are overflowing with

1134
00:40:32,210 --> 00:40:29,940
books of evidence we have Decades of

1135
00:40:34,190 --> 00:40:32,220
research we have the accounts of

1136
00:40:36,230 --> 00:40:34,200
thousands upon thousands of individuals

1137
00:40:38,690 --> 00:40:36,240
who have seen these things up close and

1138
00:40:40,609 --> 00:40:38,700

personal we even have Declassified

1139

00:40:42,829 --> 00:40:40,619

government documents in which government

1140

00:40:45,710 --> 00:40:42,839

officials speak directly to the reality

1141

00:40:47,270 --> 00:40:45,720

of the UFO phenomenon not to mention the

1142

00:40:50,150 --> 00:40:47,280

fact that the government's official

1143

00:40:51,589 --> 00:40:50,160

stance on UFOs is that they exist and

1144

00:40:53,510 --> 00:40:51,599

that they are worthy of our attention

1145

00:40:55,849 --> 00:40:53,520

and investigation

1146

00:40:57,950 --> 00:40:55,859

on July 17th in a White House Press

1147

00:41:00,530 --> 00:40:57,960

briefing White House National Security

1148

00:41:02,810 --> 00:41:00,540

Council coordinator Admiral John Kirby

1149

00:41:04,970 --> 00:41:02,820

was asked by a journalist specifically

1150

00:41:08,270 --> 00:41:04,980

if the Biden Administration considers

1151

00:41:11,630 --> 00:41:08,280

uaps to be a real and legitimate issue

1152

00:41:13,250 --> 00:41:11,640

this is what he said in reply quote Yeah

1153

00:41:15,230 --> 00:41:13,260

we wouldn't have stood up this

1154

00:41:16,849 --> 00:41:15,240

organization at the Pentagon to analyze

1155

00:41:18,410 --> 00:41:16,859

and to collect and coordinate the way

1156

00:41:20,690 --> 00:41:18,420

these sightings are reported if we

1157

00:41:22,910 --> 00:41:20,700

didn't take it seriously of course we do

1158

00:41:24,710 --> 00:41:22,920

some of the phenomena we know have

1159

00:41:26,630 --> 00:41:24,720

already had an impact on our training

1160

00:41:28,370 --> 00:41:26,640

ranges you know when Pilots are out

1161

00:41:30,109 --> 00:41:28,380

trying to do training in the air and

1162

00:41:31,670 --> 00:41:30,119

they see these things they're not sure

1163

00:41:33,530 --> 00:41:31,680

what they are and it can have an impact

1164

00:41:36,349 --> 00:41:33,540

on their ability to perfect their skills

1165

00:41:38,510 --> 00:41:36,359

so it's already had an impact here and

1166

00:41:39,950 --> 00:41:38,520

we want to better understand it now

1167

00:41:42,230 --> 00:41:39,960

we're not saying what these things are

1168

00:41:44,270 --> 00:41:42,240

or what they're not we're saying there's

1169

00:41:46,069 --> 00:41:44,280

something our Pilots are seeing we're

1170

00:41:47,930 --> 00:41:46,079

saying it has an effect on some of our

1171

00:41:49,970 --> 00:41:47,940

training operations and we want to get

1172

00:41:52,250 --> 00:41:49,980

to the bottom of it end quote

1173

00:41:53,690 --> 00:41:52,260

so we can debate about whether or not

1174

00:41:56,030 --> 00:41:53,700

any of the things that I've mentioned

1175

00:41:58,849 --> 00:41:56,040

constitute proof of the reality of the

1176

00:42:00,650 --> 00:41:58,859

UFO phenomenon but what is simply not up

1177

00:42:03,710 --> 00:42:00,660

for debate is whether or not it

1178

00:42:06,530 --> 00:42:03,720

constitutes evidence it is evidence and

1179

00:42:09,589 --> 00:42:06,540

there's a lot of it to say otherwise is

1180

00:42:11,750 --> 00:42:09,599

asinine and is demonstrably untrue

1181

00:42:13,730 --> 00:42:11,760

and speaking of evidence let's talk

1182

00:42:15,829 --> 00:42:13,740

about one of the most common criticisms

1183

00:42:18,290 --> 00:42:15,839

being leveled against both David grush

1184

00:42:20,870 --> 00:42:18,300

and Wednesday's hearing which is that

1185

00:42:22,790 --> 00:42:20,880

thus far no concrete evidence has been

1186

00:42:25,069 --> 00:42:22,800

put forward to corroborate gretch's

1187

00:42:27,770 --> 00:42:25,079

claims if David grush is telling the

1188

00:42:30,950 --> 00:42:27,780

truth then where is the evidence

1189

00:42:32,810 --> 00:42:30,960

and listen I think this is fair any

1190

00:42:34,730 --> 00:42:32,820

rational person who is confronted with

1191

00:42:37,310 --> 00:42:34,740

claims as extraordinary and

1192

00:42:39,650 --> 00:42:37,320

unprecedented as these is not going to

1193

00:42:41,450 --> 00:42:39,660

just accept them at face value they're

1194

00:42:43,069 --> 00:42:41,460

going to demand evidence to back it up

1195

00:42:44,810 --> 00:42:43,079

and they should

1196

00:42:46,849 --> 00:42:44,820

so what are we to make of the fact that

1197

00:42:48,470 --> 00:42:46,859

thus far no solid evidence has been

1198

00:42:50,810 --> 00:42:48,480

presented of gracious claims about

1199

00:42:53,089 --> 00:42:50,820

secret UFO crash retrieval and reverse

1200

00:42:55,010 --> 00:42:53,099

engineering programs first of all before

1201
00:42:56,450 --> 00:42:55,020
we go any further it's critical that we

1202
00:42:58,309 --> 00:42:56,460
all get on the same page about something

1203
00:43:00,950 --> 00:42:58,319
and that is this

1204
00:43:02,809 --> 00:43:00,960
there is no legal mechanism by which

1205
00:43:05,150 --> 00:43:02,819
classified information can be shared

1206
00:43:07,550 --> 00:43:05,160
directly with the public it's really

1207
00:43:08,990 --> 00:43:07,560
important that we understand that anyone

1208
00:43:11,030 --> 00:43:09,000
who is waiting for that evidence to be

1209
00:43:12,530 --> 00:43:11,040
unveiled in Wednesday's hearing simply

1210
00:43:14,809 --> 00:43:12,540
doesn't understand how the

1211
00:43:16,910 --> 00:43:14,819
classification system works which is

1212
00:43:18,470 --> 00:43:16,920
fine if you're new to this world there

1213
00:43:21,349 --> 00:43:18,480

would be no reason for you to know that

1214

00:43:23,750 --> 00:43:21,359

but those are the facts David grush

1215

00:43:25,309 --> 00:43:23,760

can't share any of the corroborating

1216

00:43:28,309 --> 00:43:25,319

evidence of his claims with the public

1217

00:43:29,930 --> 00:43:28,319

without going directly to jail there is

1218

00:43:31,730 --> 00:43:29,940

no scenario where he would have been

1219

00:43:32,990 --> 00:43:31,740

allowed to share that publicly within

1220

00:43:35,510 --> 00:43:33,000

the hearing

1221

00:43:38,030 --> 00:43:35,520

so if we can't see the evidence how do

1222

00:43:39,230 --> 00:43:38,040

we know that it even exists couldn't he

1223

00:43:41,510 --> 00:43:39,240

be lying

1224

00:43:43,130 --> 00:43:41,520

this is where we have to look past the

1225

00:43:46,190 --> 00:43:43,140

headlines and dig into what David

1226

00:43:47,870 --> 00:43:46,200

grushes said what he has done and how

1227

00:43:50,210 --> 00:43:47,880

the various arms of our government have

1228

00:43:53,030 --> 00:43:50,220

responded in Wednesday's hearing David

1229

00:43:54,890 --> 00:43:53,040

grush said under oath that it is four

1230

00:43:57,710 --> 00:43:54,900

years as an investigator for the UAP

1231

00:43:59,990 --> 00:43:57,720

task force he spoke to over 40

1232

00:44:01,790 --> 00:44:00,000

individuals who had first-hand knowledge

1233

00:44:04,069 --> 00:44:01,800

of these secret crash retrieval and

1234

00:44:05,990 --> 00:44:04,079

reverse engineering programs and that

1235

00:44:09,230 --> 00:44:06,000

these individuals provided him with

1236

00:44:10,910 --> 00:44:09,240

official documents images and videos to

1237

00:44:12,950 --> 00:44:10,920

corroborate their claims

1238

00:44:14,930 --> 00:44:12,960

grush said that he took all of this

1239

00:44:17,270 --> 00:44:14,940

information and he turned it over to

1240

00:44:19,010 --> 00:44:17,280

multiple inspectors General including

1241

00:44:20,150 --> 00:44:19,020

the intelligence Community Inspector

1242

00:44:22,010 --> 00:44:20,160

General

1243

00:44:24,530 --> 00:44:22,020

it's important to recognize that by

1244

00:44:27,470 --> 00:44:24,540

doing this Crush has put some serious

1245

00:44:29,450 --> 00:44:27,480

skin in the game if he's lying he can be

1246

00:44:31,730 --> 00:44:29,460

charged with perjury and contempt of

1247

00:44:33,470 --> 00:44:31,740

congress both of which are very serious

1248

00:44:35,990 --> 00:44:33,480

charges that potentially come with jail

1249

00:44:38,450 --> 00:44:36,000

time if convicted it would also spell

1250

00:44:40,790 --> 00:44:38,460

the definitive end of his career

1251
00:44:42,470 --> 00:44:40,800
so by going on the record gresh isn't

1252
00:44:45,650 --> 00:44:42,480
just risking his career and his

1253
00:44:48,109 --> 00:44:45,660
reputation but his freedom and if it is

1254
00:44:50,630 --> 00:44:48,119
a lie it would be a very stupid lie to

1255
00:44:52,430 --> 00:44:50,640
tell because he didn't just say that he

1256
00:44:55,069 --> 00:44:52,440
had this evidence but did he already

1257
00:44:57,650 --> 00:44:55,079
handed it over to not just one but

1258
00:44:59,990 --> 00:44:57,660
multiple inspectors General if this

1259
00:45:01,550 --> 00:45:00,000
evidence is fictional or fraudulent it

1260
00:45:02,930 --> 00:45:01,560
would take no time at all for them to

1261
00:45:05,450 --> 00:45:02,940
figure that out

1262
00:45:09,050 --> 00:45:05,460
so that's one strong indication we have

1263
00:45:11,450 --> 00:45:09,060

this evidence does in fact exist another

1264

00:45:13,490 --> 00:45:11,460

is the sustained campaign of retaliation

1265

00:45:16,370 --> 00:45:13,500

against David grush which dates back to

1266

00:45:18,890 --> 00:45:16,380

2021 and has only escalated in the week

1267

00:45:20,809 --> 00:45:18,900

since he went public as a whistleblower

1268

00:45:22,609 --> 00:45:20,819

Skeptics here might argue that we have

1269

00:45:24,890 --> 00:45:22,619

no details about this retaliation

1270

00:45:27,170 --> 00:45:24,900

because other than saying that he fears

1271

00:45:28,970 --> 00:45:27,180

for his career and for his life grush

1272

00:45:31,490 --> 00:45:28,980

hasn't publicly offered any further

1273

00:45:34,670 --> 00:45:31,500

details on what exactly that retaliation

1274

00:45:37,069 --> 00:45:34,680

has entailed or who might be responsible

1275

00:45:39,050 --> 00:45:37,079

however once again the reason for his

1276

00:45:41,089 --> 00:45:39,060

vagueness on this issue is because there

1277

00:45:42,950 --> 00:45:41,099

is an ongoing investigation into his

1278

00:45:46,250 --> 00:45:42,960

claims that was opened in July of last

1279

00:45:48,410 --> 00:45:46,260

year the icig said at the time that

1280

00:45:50,870 --> 00:45:48,420

these claims were both credible and

1281

00:45:52,550 --> 00:45:50,880

Urgent so one has to assume that the

1282

00:45:55,130 --> 00:45:52,560

evidence he presented to support this

1283

00:45:56,930 --> 00:45:55,140

alleged retaliation must have some

1284

00:45:59,390 --> 00:45:56,940

significant weight to it and once again

1285

00:46:01,370 --> 00:45:59,400

all of this was said under oath if he's

1286

00:46:03,410 --> 00:46:01,380

found to be lying the consequences for

1287

00:46:05,809 --> 00:46:03,420

that both legally and professionally

1288

00:46:07,490 --> 00:46:05,819

would be severe another argument being

1289

00:46:09,109 --> 00:46:07,500

made by those who are skeptical of the

1290

00:46:11,630 --> 00:46:09,119

claims being made during Wednesday's

1291

00:46:13,430 --> 00:46:11,640

hearing is that thus far no other

1292

00:46:16,010 --> 00:46:13,440

whistleblowers have stepped forward to

1293

00:46:17,750 --> 00:46:16,020

corroborate gretch's claims in the weeks

1294

00:46:19,370 --> 00:46:17,760

leading up to the hearing Tim burchett

1295

00:46:21,530 --> 00:46:19,380

had publicly teased that the hearing

1296

00:46:23,630 --> 00:46:21,540

would feature an All-Star lineup of

1297

00:46:26,809 --> 00:46:23,640

witnesses and that as many as six would

1298

00:46:29,750 --> 00:46:26,819

be called to testify and yet no new

1299

00:46:31,790 --> 00:46:29,760

whistleblowers ever materialized so if

1300

00:46:33,950 --> 00:46:31,800

David grush is telling the truth then

1301

00:46:37,010 --> 00:46:33,960

where are the other whistleblowers

1302

00:46:38,990 --> 00:46:37,020

once again it's a fair question but what

1303

00:46:40,849 --> 00:46:39,000

most people asking it don't recognize is

1304

00:46:42,950 --> 00:46:40,859

that although these whistleblowers have

1305

00:46:45,230 --> 00:46:42,960

yet to come forward publicly

1306

00:46:47,750 --> 00:46:45,240

several of them have already spoken to

1307

00:46:50,150 --> 00:46:47,760

Congress and specifically to the Senate

1308

00:46:52,309 --> 00:46:50,160

intelligence committee as we discussed a

1309

00:46:54,589 --> 00:46:52,319

little earlier Marco Rubio confirmed

1310

00:46:56,270 --> 00:46:54,599

this back in June and he further

1311

00:46:58,010 --> 00:46:56,280

confirmed that the whistleblowers he's

1312

00:46:59,870 --> 00:46:58,020

spoken to are afraid for both their

1313

00:47:02,329 --> 00:46:59,880

careers and their lives

1314

00:47:04,069 --> 00:47:02,339

this is a big statement coming from the

1315

00:47:06,230 --> 00:47:04,079

vice chair on one of the most coveted

1316

00:47:08,210 --> 00:47:06,240

committees in Congress and from a man

1317

00:47:10,550 --> 00:47:08,220

with clear presidential Ambitions no

1318

00:47:12,050 --> 00:47:10,560

less the idea that he would lie about

1319

00:47:14,089 --> 00:47:12,060

the intelligence committee having heard

1320

00:47:16,490 --> 00:47:14,099

from these whistleblowers stretches the

1321

00:47:17,930 --> 00:47:16,500

limits of credulity he has literally

1322

00:47:20,150 --> 00:47:17,940

nothing to gain from making those

1323

00:47:22,730 --> 00:47:20,160

statements and absolutely everything to

1324

00:47:24,470 --> 00:47:22,740

lose we also have further evidence that

1325

00:47:26,510 --> 00:47:24,480

whistleblowers have already provided

1326
00:47:28,790 --> 00:47:26,520
congress with very specific information

1327
00:47:31,250 --> 00:47:28,800
that it is already using to craft

1328
00:47:32,809 --> 00:47:31,260
sweeping new legislation that would

1329
00:47:35,030 --> 00:47:32,819
mandate that the government disclose

1330
00:47:37,069 --> 00:47:35,040
what it knows about uaps

1331
00:47:40,010 --> 00:47:37,079
introduced by Senate Majority Leader

1332
00:47:43,190 --> 00:47:40,020
Chuck Schumer the UAP disclosure Act of

1333
00:47:44,809 --> 00:47:43,200
2023 has very telling language with

1334
00:47:45,650 --> 00:47:44,819
regard to what whistleblowers have told

1335
00:47:48,109 --> 00:47:45,660
them

1336
00:47:50,270 --> 00:47:48,119
one section that lays out the specific

1337
00:47:53,450 --> 00:47:50,280
need for the legislation reads as

1338
00:47:55,670 --> 00:47:53,460

follows quote legislation is necessary

1339

00:47:57,370 --> 00:47:55,680

because credible evidence and testimony

1340

00:48:00,170 --> 00:47:57,380

indicates that federal government

1341

00:48:03,109 --> 00:48:00,180

unidentified anomalous phenomena records

1342

00:48:04,970 --> 00:48:03,119

exist that have not been Declassified or

1343

00:48:07,609 --> 00:48:04,980

subject to mandatory declassification

1344

00:48:09,290 --> 00:48:07,619

review as set forth in executive order

1345

00:48:10,550 --> 00:48:09,300

I'm not going to read this long string

1346

00:48:13,430 --> 00:48:10,560

of numbers but you can find it in the

1347

00:48:17,210 --> 00:48:13,440

episode brief due in part to exemptions

1348

00:48:19,970 --> 00:48:17,220

under the atomic energy Act of 1954 as

1349

00:48:22,190 --> 00:48:19,980

well as an over broad interpretation of

1350

00:48:24,589 --> 00:48:22,200

transclassified foreign nuclear

1351
00:48:27,230 --> 00:48:24,599
information which is also exempt from

1352
00:48:28,910 --> 00:48:27,240
mandatory declassification thereby

1353
00:48:32,089 --> 00:48:28,920
preventing public disclosure under

1354
00:48:33,829 --> 00:48:32,099
existing provisions of law end quote so

1355
00:48:35,750 --> 00:48:33,839
not only do we have proposed legislation

1356
00:48:37,370 --> 00:48:35,760
saying that Congress has heard credible

1357
00:48:40,670 --> 00:48:37,380
evidence and testimony that information

1358
00:48:42,230 --> 00:48:40,680
about uaps is being intentionally hidden

1359
00:48:44,809 --> 00:48:42,240
from both Congress and the American

1360
00:48:47,270 --> 00:48:44,819
people but they have outlined the very

1361
00:48:49,069 --> 00:48:47,280
specific Act and the interpretation of

1362
00:48:51,530 --> 00:48:49,079
that act that is being used to hide

1363
00:48:54,349 --> 00:48:51,540

information about uaps

1364

00:48:56,510 --> 00:48:54,359

so at this point it's clear that these

1365

00:48:58,550 --> 00:48:56,520

whistleblowers aren't fictional they

1366

00:49:00,230 --> 00:48:58,560

have spoken to Congress and the evidence

1367

00:49:02,150 --> 00:49:00,240

that they have presented was deemed

1368

00:49:04,849 --> 00:49:02,160

credible enough for them to take very

1369

00:49:06,589 --> 00:49:04,859

specific and non-partisan action in the

1370

00:49:08,690 --> 00:49:06,599

form of legislation

1371

00:49:10,370 --> 00:49:08,700

those who are arguing otherwise are

1372

00:49:12,349 --> 00:49:10,380

either not operating with the full set

1373

00:49:14,410 --> 00:49:12,359

of facts or they aren't acting in good

1374

00:49:16,849 --> 00:49:14,420

faith so where are the whistleblowers

1375

00:49:18,589 --> 00:49:16,859

based on the evidence it seems pretty

1376

00:49:20,569 --> 00:49:18,599

reasonable to assume that what we've

1377

00:49:22,870 --> 00:49:20,579

heard from David grush from members of

1378

00:49:25,130 --> 00:49:22,880

Congress and from various other insiders

1379

00:49:26,690 --> 00:49:25,140

specifically that whistleblowers have

1380

00:49:29,690 --> 00:49:26,700

been retaliated against for coming

1381

00:49:31,309 --> 00:49:29,700

forward is true and the reason that they

1382

00:49:33,170 --> 00:49:31,319

haven't come forward publicly is because

1383

00:49:35,569 --> 00:49:33,180

they are in fear of their careers and

1384

00:49:37,670 --> 00:49:35,579

their lives which brings us to another

1385

00:49:39,530 --> 00:49:37,680

of the most common criticisms leveled

1386

00:49:40,430 --> 00:49:39,540

against last week's hearings which is

1387

00:49:42,589 --> 00:49:40,440

this

1388

00:49:44,270 --> 00:49:42,599

why haven't we heard from any first-hand

1389

00:49:47,030 --> 00:49:44,280

Witnesses of these crash retrieval

1390

00:49:48,829 --> 00:49:47,040

programs David grush only claims to have

1391

00:49:50,809 --> 00:49:48,839

secondhand knowledge of these programs

1392

00:49:53,450 --> 00:49:50,819

so where are the people who can

1393

00:49:55,130 --> 00:49:53,460

corroborate his claims now obviously

1394

00:49:56,690 --> 00:49:55,140

this can be explained by everything we

1395

00:49:58,190 --> 00:49:56,700

just discussed with regard to the

1396

00:49:59,870 --> 00:49:58,200

intimidation of witnesses who have

1397

00:50:01,910 --> 00:49:59,880

already spoken to Congress

1398

00:50:03,170 --> 00:50:01,920

but there's another level to this that I

1399

00:50:05,210 --> 00:50:03,180

think it's important to talk through

1400

00:50:07,010 --> 00:50:05,220

part of the reason that I think this

1401

00:50:08,990 --> 00:50:07,020

question comes up for people is because

1402

00:50:10,849 --> 00:50:09,000

David grush has come forward with some

1403

00:50:12,829 --> 00:50:10,859

very specific allegations over the last

1404

00:50:14,450 --> 00:50:12,839

two months and so they imagine that

1405

00:50:17,030 --> 00:50:14,460

these first-hand Witnesses should be

1406

00:50:18,710 --> 00:50:17,040

able to do the same thing but as we've

1407

00:50:22,010 --> 00:50:18,720

discussed in previous episodes David

1408

00:50:24,290 --> 00:50:22,020

grush is a special case and here's why

1409

00:50:26,390 --> 00:50:24,300

back in April David grush did something

1410

00:50:28,309 --> 00:50:26,400

rather brilliant he sent his

1411

00:50:30,349 --> 00:50:28,319

whistleblower allegations to the

1412

00:50:32,809 --> 00:50:30,359

Department of Defense and asked them to

1413

00:50:35,089 --> 00:50:32,819

clear him to say these things publicly

1414

00:50:36,650 --> 00:50:35,099

the process that he used to get these

1415

00:50:38,870 --> 00:50:36,660

statements cleared is interesting

1416

00:50:40,849 --> 00:50:38,880

because in clearing his statements the

1417

00:50:42,950 --> 00:50:40,859

Pentagon isn't saying that they approve

1418

00:50:44,270 --> 00:50:42,960

of his statements nor are they saying

1419

00:50:46,609 --> 00:50:44,280

that his statements are factually

1420

00:50:48,349 --> 00:50:46,619

accurate all that they're saying with

1421

00:50:49,970 --> 00:50:48,359

this clearing process is that his

1422

00:50:51,230 --> 00:50:49,980

statements aren't a threat to National

1423

00:50:53,690 --> 00:50:51,240

Security

1424

00:50:56,210 --> 00:50:53,700

this was a brilliant move on gretch's

1425

00:50:58,670 --> 00:50:56,220

part because it forced the dod to make a

1426
00:51:00,770 --> 00:50:58,680
tough choice they could choose not to

1427
00:51:02,270 --> 00:51:00,780
clear his statements but in doing so

1428
00:51:03,589 --> 00:51:02,280
they would have had to say that his

1429
00:51:06,589 --> 00:51:03,599
statements were a threat to National

1430
00:51:07,730 --> 00:51:06,599
Security if they're not true then how

1431
00:51:08,930 --> 00:51:07,740
could they be a threat to National

1432
00:51:11,089 --> 00:51:08,940
Security

1433
00:51:13,010 --> 00:51:11,099
so the Pentagon instead chose to clear

1434
00:51:15,470 --> 00:51:13,020
his statements which allows them to

1435
00:51:17,270 --> 00:51:15,480
maintain plausible deniability but it

1436
00:51:19,370 --> 00:51:17,280
also gives gresh the ability to speak

1437
00:51:20,630 --> 00:51:19,380
openly about the allegations that he had

1438
00:51:22,250 --> 00:51:20,640

cleared by them

1439

00:51:24,290 --> 00:51:22,260

so for those who continue to question

1440

00:51:25,370 --> 00:51:24,300

grush's claims on the basis that he

1441

00:51:27,650 --> 00:51:25,380

doesn't have first-hand information

1442

00:51:29,390 --> 00:51:27,660

about these crash retrieval programs and

1443

00:51:31,970 --> 00:51:29,400

was only told about them by intelligence

1444

00:51:33,770 --> 00:51:31,980

officials who were in those programs I

1445

00:51:35,870 --> 00:51:33,780

think it's important to point out that

1446

00:51:38,809 --> 00:51:35,880

it's very likely that the only reason

1447

00:51:40,970 --> 00:51:38,819

that this plan worked is exactly because

1448

00:51:43,790 --> 00:51:40,980

grush wasn't claiming to have first-hand

1449

00:51:45,470 --> 00:51:43,800

knowledge as we've discussed there is no

1450

00:51:47,510 --> 00:51:45,480

mechanism by which members of special

1451

00:51:50,150 --> 00:51:47,520

access programs can share classified

1452

00:51:52,430 --> 00:51:50,160

information directly with the public but

1453

00:51:54,890 --> 00:51:52,440

being one degree removed and having had

1454

00:51:57,589 --> 00:51:54,900

his statements cleared by the dod Grouch

1455

00:52:00,170 --> 00:51:57,599

is able to say things that they can't

1456

00:52:01,849 --> 00:52:00,180

what we need to recognize is that even

1457

00:52:03,589 --> 00:52:01,859

if the whistleblowers with first-hand

1458

00:52:05,569 --> 00:52:03,599

knowledge of these programs had

1459

00:52:07,849 --> 00:52:05,579

testified in front of Congress last week

1460

00:52:10,370 --> 00:52:07,859

there is very little that they actually

1461

00:52:12,170 --> 00:52:10,380

would have been able to say publicly The

1462

00:52:14,390 --> 00:52:12,180

Whistleblower legislation passed in

1463

00:52:17,270 --> 00:52:14,400

December doesn't allow whistleblowers to

1464

00:52:18,710 --> 00:52:17,280

go public with classified information it

1465

00:52:21,290 --> 00:52:18,720

only allows them to take that

1466

00:52:23,150 --> 00:52:21,300

information to Congress and as we've

1467

00:52:25,609 --> 00:52:23,160

discussed it's clear that they already

1468

00:52:27,710 --> 00:52:25,619

have and as a result of those

1469

00:52:29,750 --> 00:52:27,720

conversations with whistleblowers the

1470

00:52:31,970 --> 00:52:29,760

ball is already moving on legislation

1471

00:52:33,890 --> 00:52:31,980

that would make it possible for what

1472

00:52:36,650 --> 00:52:33,900

they know to actually become public

1473

00:52:39,890 --> 00:52:36,660

knowledge with the newly proposed UAP

1474

00:52:42,530 --> 00:52:39,900

disclosure Act of 2023

1475

00:52:44,150 --> 00:52:42,540

before we wrap this episode there's one

1476
00:52:46,250 --> 00:52:44,160
more thing that we need to discuss which

1477
00:52:48,290 --> 00:52:46,260
is an open letter the director of Arrow

1478
00:52:50,930 --> 00:52:48,300
Sean Kirkpatrick wrote in response to

1479
00:52:52,549 --> 00:52:50,940
the hearing strangely the letter wasn't

1480
00:52:55,190 --> 00:52:52,559
released through any official channels

1481
00:52:57,230 --> 00:52:55,200
and wasn't on any official letterhead it

1482
00:52:59,510 --> 00:52:57,240
was just one typed page that was posted

1483
00:53:01,930 --> 00:52:59,520
on Kirkpatrick's LinkedIn account of all

1484
00:53:03,950 --> 00:53:01,940
places the day after the hearing

1485
00:53:05,690 --> 00:53:03,960
Kirkpatrick expressed that he found the

1486
00:53:08,390 --> 00:53:05,700
hearings to be insulting to the people

1487
00:53:10,010 --> 00:53:08,400
who work for Arrow he said the crush

1488
00:53:12,349 --> 00:53:10,020

never came to Arrow to discuss his

1489

00:53:14,150 --> 00:53:12,359

accusations of retaliation and he

1490

00:53:16,069 --> 00:53:14,160

doubled down on claims that Arrow has

1491

00:53:18,109 --> 00:53:16,079

found no credible evidence of non-human

1492

00:53:19,730 --> 00:53:18,119

technology or any related reverse

1493

00:53:22,370 --> 00:53:19,740

engineering programs

1494

00:53:25,490 --> 00:53:22,380

the tone of the letter is very strange

1495

00:53:27,290 --> 00:53:25,500

it's definitely not very professional I

1496

00:53:28,730 --> 00:53:27,300

won't say anything else about that you

1497

00:53:30,829 --> 00:53:28,740

can read it for yourself and decide what

1498

00:53:32,510 --> 00:53:30,839

you think but it definitely doesn't

1499

00:53:34,130 --> 00:53:32,520

sound like something that the Pentagon

1500

00:53:36,890 --> 00:53:34,140

would have approved of him posting

1501
00:53:38,750 --> 00:53:36,900
publicly especially because as many

1502
00:53:41,270 --> 00:53:38,760
people pointed out it seemed like it

1503
00:53:43,670 --> 00:53:41,280
could be a violation of the Hatch Act

1504
00:53:46,370 --> 00:53:43,680
the Hatch Act is a United States federal

1505
00:53:49,190 --> 00:53:46,380
law formerly known as an act to prevent

1506
00:53:51,349 --> 00:53:49,200
pernicious political activities enacted

1507
00:53:53,270 --> 00:53:51,359
in 1939 the main goal of this

1508
00:53:55,370 --> 00:53:53,280
legislation is to prevent federal

1509
00:53:57,890 --> 00:53:55,380
employees from engaging in political

1510
00:54:00,230 --> 00:53:57,900
activities while on duty in a government

1511
00:54:02,150 --> 00:54:00,240
office wearing an official uniform or

1512
00:54:04,010 --> 00:54:02,160
using a government vehicle

1513
00:54:06,109 --> 00:54:04,020

it's basically a safeguard against

1514

00:54:08,089 --> 00:54:06,119

people in the executive branch using

1515

00:54:10,910 --> 00:54:08,099

their position to influence political

1516

00:54:12,770 --> 00:54:10,920

activities if Kirkpatrick was found to

1517

00:54:14,569 --> 00:54:12,780

have been using his official position to

1518

00:54:16,970 --> 00:54:14,579

give Credence to his comments or to

1519

00:54:19,250 --> 00:54:16,980

influence others it could be seen as

1520

00:54:20,270 --> 00:54:19,260

using official Authority for a political

1521

00:54:23,150 --> 00:54:20,280

purpose

1522

00:54:25,069 --> 00:54:23,160

now I am not a lawyer and it's not at

1523

00:54:28,010 --> 00:54:25,079

all clear that he did violate the Hatch

1524

00:54:29,990 --> 00:54:28,020

Act with this letter but if he did it

1525

00:54:31,970 --> 00:54:30,000

could lead to suspension demotion

1526
00:54:34,790 --> 00:54:31,980
termination disbarment from federal

1527
00:54:36,950 --> 00:54:34,800
employment and other civil penalties

1528
00:54:38,809 --> 00:54:36,960
and we have a hint that the Pentagon

1529
00:54:40,970 --> 00:54:38,819
might see his actions as a potential

1530
00:54:42,410 --> 00:54:40,980
violation of the Hatch Act in the

1531
00:54:44,030 --> 00:54:42,420
official statement released by The

1532
00:54:46,490 --> 00:54:44,040
Pentagon on the matter

1533
00:54:48,589 --> 00:54:46,500
here's what they said quote the

1534
00:54:50,690 --> 00:54:48,599
department is aware of Dr Kirkpatrick's

1535
00:54:52,670 --> 00:54:50,700
posts which are his personal opinions

1536
00:54:54,829 --> 00:54:52,680
expressed in his capacity as a private

1537
00:54:56,930 --> 00:54:54,839
citizen and we've all comment directly

1538
00:54:59,450 --> 00:54:56,940

on the contents of the post

1539

00:55:01,430 --> 00:54:59,460

the words as a private citizen are doing

1540

00:55:03,589 --> 00:55:01,440

a lot of work there

1541

00:55:05,329 --> 00:55:03,599

how could it be that Kirkpatrick making

1542

00:55:06,890 --> 00:55:05,339

a written statement on a professional

1543

00:55:09,230 --> 00:55:06,900

networking site that specifically

1544

00:55:11,630 --> 00:55:09,240

references his position and work with

1545

00:55:13,609 --> 00:55:11,640

arrow could be considered to be just the

1546

00:55:16,309 --> 00:55:13,619

personal opinions of a private citizen

1547

00:55:18,170 --> 00:55:16,319

his position as director of Arrow is the

1548

00:55:20,630 --> 00:55:18,180

entire reason he wrote the letter and is

1549

00:55:23,329 --> 00:55:20,640

the main subject of the letter to say

1550

00:55:24,890 --> 00:55:23,339

otherwise is asinine but it's just the

1551
00:55:26,510 --> 00:55:24,900
sort of hedge that they would have to

1552
00:55:28,490 --> 00:55:26,520
make if they were concerned about a

1553
00:55:30,530 --> 00:55:28,500
Hatch Act violation

1554
00:55:32,750 --> 00:55:30,540
but regardless of the ethics and

1555
00:55:34,670 --> 00:55:32,760
legality of the letter I'd argue that

1556
00:55:37,430 --> 00:55:34,680
the claims made by Kirkpatrick are

1557
00:55:39,109 --> 00:55:37,440
largely meaningless what David grush is

1558
00:55:41,930 --> 00:55:39,119
alleging is that the people who were

1559
00:55:44,510 --> 00:55:41,940
charged with investigating uaps across

1560
00:55:46,549 --> 00:55:44,520
programs and across decades have not

1561
00:55:48,170 --> 00:55:46,559
been given the resources and access that

1562
00:55:50,809 --> 00:55:48,180
they need to conduct that investigation

1563
00:55:53,030 --> 00:55:50,819

thoroughly and that very specifically

1564

00:55:54,710 --> 00:55:53,040

these illegal crash retrieval and

1565

00:55:56,569 --> 00:55:54,720

reverse engineering programs have been

1566

00:55:58,730 --> 00:55:56,579

intentionally hidden from investigators

1567

00:56:01,910 --> 00:55:58,740

because they are illegal

1568

00:56:04,069 --> 00:56:01,920

in short if grush is lying arrow and by

1569

00:56:05,809 --> 00:56:04,079

extension Kirkpatrick wouldn't have

1570

00:56:08,150 --> 00:56:05,819

evidence of these programs because they

1571

00:56:10,309 --> 00:56:08,160

don't exist and if gresh is telling the

1572

00:56:11,870 --> 00:56:10,319

truth arrow and Kirkpatrick still

1573

00:56:14,089 --> 00:56:11,880

wouldn't have this evidence because it

1574

00:56:16,190 --> 00:56:14,099

has been intentionally hidden from them

1575

00:56:18,470 --> 00:56:16,200

Kirkpatrick's statements are a data

1576
00:56:20,390 --> 00:56:18,480
point but they do nothing to confirm one

1577
00:56:21,230 --> 00:56:20,400
way or another if brush is telling the

1578
00:56:23,750 --> 00:56:21,240
truth

1579
00:56:26,210 --> 00:56:23,760
what we need is a rigorous and thorough

1580
00:56:28,490 --> 00:56:26,220
investigation if the evidence that grush

1581
00:56:30,290 --> 00:56:28,500
turned over to the icig is fraudulent

1582
00:56:31,370 --> 00:56:30,300
that shouldn't be hard for them to

1583
00:56:32,870 --> 00:56:31,380
figure out

1584
00:56:35,390 --> 00:56:32,880
and that's where we'll leave it for

1585
00:56:37,010 --> 00:56:35,400
today I don't know about you but the

1586
00:56:39,710 --> 00:56:37,020
developments of the last week have left

1587
00:56:41,510 --> 00:56:39,720
my head absolutely spinning I'll

1588
00:56:43,370 --> 00:56:41,520

continue to keep you updated with more

1589

00:56:45,460 --> 00:56:43,380

analysis as the push for disclosure

1590

00:56:48,650 --> 00:56:45,470

moves forward until next time
