

1

00:00:00,000 --> 00:00:07,000

We could be standing on the exact place where a UFO crashed.

2

00:00:30,000 --> 00:00:40,000

The release of classified military documents. Witnesses from all over the world are coming forward with frightening accounts of close encounters.

3

00:00:41,000 --> 00:00:47,000

I had an experience in my room where three rays came in. They levitated me out through the wall.

4

00:00:47,000 --> 00:00:54,000

I'm looking up at the belly of this flying saucer that puts on a multi-colored light show and then it takes off.

5

00:00:54,000 --> 00:00:59,000

What happened to me was only about 10 seconds. I lost about nine hours in my life.

6

00:00:59,000 --> 00:01:01,000

I was freaking out. I was scared.

7

00:01:01,000 --> 00:01:08,000

The race is on to find out who these extraterrestrials are and what they want with our planet.

8

00:01:08,000 --> 00:01:14,000

We wouldn't stand a chance against them. It wouldn't be a linear conflict. It would be they hit a button and we're gone.

9

00:01:14,000 --> 00:01:24,000

Is it possible that many species of aliens are vying for control of Earth? And if so, could we be on the brink of an alien war?

10

00:01:29,000 --> 00:01:41,000

Melissa, I'm super stoked that you agreed to come out with me to the field and to look into some of these cases.

11

00:01:41,000 --> 00:01:43,000

I'm excited to be part of it.

12

00:01:43,000 --> 00:01:54,000

UFO investigator Ben Hansen has recruited investigative journalist Melissa Tittle to reveal the methods and motives of the alien visitors in our skies.

13

00:01:54,000 --> 00:02:06,000

Ever since the government released the Tic Tac video, the Go Fast, the Gimbal, they confirmed the existence of UFOs or UAPs, right?

14

00:02:06,000 --> 00:02:10,000

With that statement, basically, they're saying, the phenomenon is real.

15

00:02:10,000 --> 00:02:16,000

I mean, there were several things that they could not identify and they had no evidence to support that they were man-made.

16

00:02:16,000 --> 00:02:26,000

And since that time, I've had hundreds of witnesses contacting me, but not just about UFO sightings, abductions as well.

17

00:02:26,000 --> 00:02:40,000

You know, I've seen all these videos and it really got me thinking, could there be some kind of pattern hidden in these sightings and these abductions that could really open up what's been going on?

18

00:02:40,000 --> 00:02:56,000

I agree. I mean, if we could identify hotspots, you know, then maybe we could also see some patterns that we could collect, you know, data on that we quantify and say, OK, well, is there a correlation between the types of craft and maybe who might be flying them?

19

00:02:56,000 --> 00:02:58,000

And then we'd really start getting somewhere.

20

00:02:58,000 --> 00:03:05,000

Right. I mean, we really don't know why they are coming here or what these craft are.

21

00:03:05,000 --> 00:03:14,000

You know, could it be some kind of reconnaissance mission by these extraterrestrials to help us to save us? Or are we at risk of some invasion?

22

00:03:14,000 --> 00:03:27,000

UFO sightings and reports of alien encounters have been on the rise, prompting the question exactly which alien species are invading our skies and why are they here?

23

00:03:27,000 --> 00:03:30,000

I'm familiar with and studied for nearly 50 years.

24

00:03:30,000 --> 00:03:43,000

Numerous alien species. These range from the rays to the insect toys to the mantis being to the reptilians and so on.

25

00:03:43,000 --> 00:03:55,000

These alien species want to own the planet. They want to control its resources and that's basically what they want.

26

00:03:56,000 --> 00:04:04,000

There is a definite surge. There's areas of the country where there's far more sightings and accounts of abductions.

27

00:04:04,000 --> 00:04:11,000

So I'm wondering if these are places that they're just more interested in or I guess you could say they're targeting.

28

00:04:11,000 --> 00:04:13,000

If we could figure that out, we'd be getting somewhere.

29

00:04:13,000 --> 00:04:17,000

Yeah, definitely. I mean, I think the best way to handle this is to split up their roles.

30

00:04:17,000 --> 00:04:24,000

You handle the nuts and bolts of the cases and I'll work with some of these witnesses to open up a little bit.

31

00:04:24,000 --> 00:04:27,000

And maybe we can get a pattern going on what's happening.

32

00:04:27,000 --> 00:04:28,000

Cool.

33

00:04:28,000 --> 00:04:40,000

Well, one of the videos I really want to start with is an exciting capture from somebody who filmed what looks like a plasma type phenomena.

34

00:04:40,000 --> 00:04:43,000

It looks like it's shape-shifting.

35

00:04:43,000 --> 00:04:54,000

It changes several times into several distinct shapes and the woman who filmed it has been in contact with me and she's agreed to be interviewed.

36

00:04:54,000 --> 00:04:56,000

I'm going to take a look at the footage.

37

00:05:14,000 --> 00:05:23,000

Yasmin Joyner is a UFO contactee and researcher. She's captured dozens of UFOs on camera in the greater Los Angeles region.

38

00:05:23,000 --> 00:05:34,000

I took that leap of faith further in terms of having my own verification, getting video and photographic evidence, capturing it on film and on video.

39

00:05:34,000 --> 00:05:41,000

After her first encounter in 2015, Yasmin assembled a group dedicated to tracking UFOs.

40

00:05:41,000 --> 00:05:47,000

It was with them that Yasmin cited a strange amorphous craft at a park near LAX.

41

00:05:54,000 --> 00:05:59,000

Thanks for sitting down with us.

42

00:05:59,000 --> 00:06:00,000

Thanks for coming by.

43

00:06:00,000 --> 00:06:04,000

So, I'm very curious why are you guys here to talk to me?

44

00:06:04,000 --> 00:06:10,000

We're trying to learn more about what people are calling, you know, a shape-shifting UFOs and we want to hear about your sighting.

45

00:06:10,000 --> 00:06:12,000

I know you have some videos.

46

00:06:12,000 --> 00:06:14,000

Could you walk me through what happened?

47

00:06:14,000 --> 00:06:19,000

Yes, so, um, I'll bring it up for you right here.

48

00:06:23,000 --> 00:06:30,000

Wow.

49

00:06:30,000 --> 00:06:32,000

Wow.

50

00:06:32,000 --> 00:06:34,000

Yo, here you go.

51

00:06:34,000 --> 00:06:36,000

Dude.

52

00:06:36,000 --> 00:06:39,000

Come here, come here.

53

00:06:39,000 --> 00:06:43,000

Yo, what the, what?

54

00:06:43,000 --> 00:06:52,000

I always just keep my camera handy and I just happen to look and see it over the tree line and realize, like, I don't think that has wings.

55

00:06:52,000 --> 00:06:58,000

That's crazy.

56

00:06:58,000 --> 00:07:07,000

It was amorphous and it was just sitting in one spot in the sky for several minutes and I was like, that's not, it's not normal.

57

00:07:07,000 --> 00:07:15,000

As the shimmering object hung in the sky, it slowly changed from a cylinder to a circle and then back again.

58

00:07:16,000 --> 00:07:28,000

As soon as it started to move, I walked down the hill and after I did that, this thing stretched into like an hourglass shape in a millisecond and then it spun around really fast.

59

00:07:28,000 --> 00:07:31,000

So this is literally what it sounded like.

60

00:07:31,000 --> 00:07:33,000

It went, you, you, you.

61

00:07:33,000 --> 00:07:37,000

And then it locked back up and I was like, I, okay, that's cool.

62

00:07:37,000 --> 00:07:39,000

I can't do that.

63

00:07:39,000 --> 00:07:42,000

But all right, it then it just took off.

64

00:07:42,000 --> 00:07:46,000

It left kind of past LAX.

65

00:07:46,000 --> 00:07:52,000

Right in the beginning here, within six seconds of this video, it starts doing this like sparkly.

66

00:07:52,000 --> 00:07:53,000

Yeah, it does.

67

00:07:53,000 --> 00:08:00,000

It's like morphing and you could see there's like an aura around it.

68

00:08:00,000 --> 00:08:03,000

So how are you feeling at this moment in time?

69

00:08:03,000 --> 00:08:05,000

I didn't believe it.

70

00:08:05,000 --> 00:08:06,000

Immediately I didn't believe it.

71

00:08:06,000 --> 00:08:08,000

I was like, no, no, there's no way.

72

00:08:08,000 --> 00:08:12,000

So instead of like going, okay, no, I'm not accepting that.

73

00:08:12,000 --> 00:08:14,000

I was like, okay, I have a camera.

74

00:08:14,000 --> 00:08:19,000

I moved my camera, focused in on it and got it right before it went past the tree line.

75

00:08:19,000 --> 00:08:25,000

Like, okay, I don't know what I just saw or if I'm crazy, but it's on camera.

76

00:08:25,000 --> 00:08:28,000

This is, this is really unique.

77

00:08:28,000 --> 00:08:31,000

I mean, there's the military videos that are out there.

78

00:08:31,000 --> 00:08:35,000

There's other different kinds of UFO videos out there that we're trying to figure out if they're real or not.

79

00:08:35,000 --> 00:08:38,000

But this is just so different.

80

00:08:38,000 --> 00:08:48,000

To better understand how the craft transformed, Melissa and Ben ask Yasmin, a graphic artist, to draw its shape-shifting phases.

81

00:08:48,000 --> 00:08:57,000

It had kind of a baby blue kind of haze inside of it and an opaque white kind of center.

82

00:08:57,000 --> 00:09:06,000

But if you were to take an actual bubble and put that with some light inside of it,

83

00:09:06,000 --> 00:09:14,000

then you would get something very, very similar to what this thing looked like.

84

00:09:14,000 --> 00:09:21,000

All right, so this is my best rendition of what I saw.

85

00:09:21,000 --> 00:09:23,000

So it's iridescent like that?

86

00:09:23,000 --> 00:09:31,000

Yeah, that's pretty close to the color and this is what it looked like when it was stretched and then when it spun, that's kind of what it looked like.

87

00:09:31,000 --> 00:09:35,000

Would you use the word, the descriptive word, like plasma?

88

00:09:35,000 --> 00:09:37,000

Yeah, it was moving inside of it.

89

00:09:37,000 --> 00:09:40,000

So I don't know if you've ever looked at a neon light really closely.

90

00:09:40,000 --> 00:09:42,000

It looked like that, like phosphorus or something.

91

00:09:42,000 --> 00:09:47,000

I'm curious to know this very specific type that is kind of shiny.

92

00:09:47,000 --> 00:09:50,000

It makes me wonder, who's really coming here?

93

00:09:50,000 --> 00:09:53,000

Isn't it a totally different species now?

94

00:09:53,000 --> 00:09:58,000

Who knows? I mean, look at how varied life is on our own planet.

95

00:09:58,000 --> 00:10:02,000

Like what makes me think only one species might be interested.

96

00:10:02,000 --> 00:10:09,000

I do feel like there's some kind of communication or acknowledgement that's going on.

97

00:10:09,000 --> 00:10:17,000

And I feel like we as a society need to gradually move into acceptance of what this means.

98

00:10:17,000 --> 00:10:22,000

There are other beings out there, they know about us and maybe they're trying to make contact.

99

00:10:22,000 --> 00:10:26,000

Having watched these videos, this is something I haven't seen before.

100

00:10:26,000 --> 00:10:30,000

There are some typical shapes of UFOs that people report.

101

00:10:30,000 --> 00:10:33,000

This is completely different. So what does this mean?

102

00:10:33,000 --> 00:10:39,000

Are we in a new era of different beings coming to visit us with different kinds of craft?

103

00:10:39,000 --> 00:10:43,000

If that's so, who are they and what do they want?

104

00:10:44,000 --> 00:10:49,000

Van is eager to show Yasmin's shapeshifter to an expert in the field,

105

00:10:49,000 --> 00:10:54,000

UFO researcher and former marine pilot, Steve Marillo.

106

00:10:54,000 --> 00:10:59,000

Over the years, Steve has become a trusted source for military personnel

107

00:10:59,000 --> 00:11:03,000

who want to share their UFO sightings confidentially.

108

00:11:03,000 --> 00:11:08,000

You've investigated thousands of UFO videos and photos that people send you.

109

00:11:08,000 --> 00:11:12,000

Do you start off by kind of giving me your background?

110

00:11:12,000 --> 00:11:18,000

Because you were not only in the military but you're also a pilot, is that correct?

111

00:11:18,000 --> 00:11:20,000

That's true, that is true.

112

00:11:20,000 --> 00:11:25,000

I attended the Naval Academy and graduated from Annapolis in 1982.

113

00:11:25,000 --> 00:11:29,000

I was commissioned an officer in the Marine Corps, I went down to flight school

114

00:11:29,000 --> 00:11:35,000

and never had any interesting UFOs, never knew, never really thought much about them.

115

00:11:35,000 --> 00:11:39,000

I was kind of pragmatic, I was a systems engineer. Any stories from people?

116

00:11:39,000 --> 00:11:43,000

Well, you know, like later on, one of my buddies from flight school,

117

00:11:43,000 --> 00:11:50,000

he was in Camp Pendleton flying OV-10s and below him at about 10,000 feet,

118

00:11:50,000 --> 00:11:55,000

and he describes it like a Jetsons like silver saucer,

119

00:11:55,000 --> 00:11:59,000

flies 90 degree perpendicular to his path, blew him away.

120

00:11:59,000 --> 00:12:02,000

So he made the mistake of talking about it in the ready room

121

00:12:02,000 --> 00:12:06,000

and before you know it, he was laughing stock for about two months

122

00:12:06,000 --> 00:12:12,000

and then one day another pilot had the same experience and came back and verified the story.

123

00:12:12,000 --> 00:12:14,000

He said, I just saw your UFO.

124

00:12:14,000 --> 00:12:15,000

Wow.

125

00:12:15,000 --> 00:12:16,000

So you're hooked at this point.

126

00:12:16,000 --> 00:12:18,000

Yeah, there's something to this.

127

00:12:18,000 --> 00:12:22,000

In fact, I had somebody recently take video and I'd like to show you.

128

00:12:22,000 --> 00:12:23,000

Yeah, I'd love to see it.

129

00:12:23,000 --> 00:12:27,000

This was taken in LA back in 2015.

130

00:12:27,000 --> 00:12:29,000

Oh my gosh.

131

00:12:29,000 --> 00:12:31,000

What the what?

132

00:12:31,000 --> 00:12:33,000

That is amazing.

133

00:12:33,000 --> 00:12:37,000

I see here's a good example of an amorphous blob UFO, right?

134

00:12:37,000 --> 00:12:38,000

Uh-huh.

135

00:12:38,000 --> 00:12:39,000

But it's got some sort of plasma in it.

136

00:12:39,000 --> 00:12:40,000

Uh-huh.

137

00:12:40,000 --> 00:12:44,000

And initially I was thinking, OK, it could be a rocket launch, a reentry.

138

00:12:44,000 --> 00:12:45,000

Could be.

139

00:12:45,000 --> 00:12:47,000

Of some sort, but it was up there for so long.

140

00:12:47,000 --> 00:12:48,000

Right.

141

00:12:48,000 --> 00:12:51,000

It was very shimmery.

142

00:12:51,000 --> 00:12:55,000

Are you hearing more reports of these kind of shape-shifting objects

143

00:12:55,000 --> 00:12:59,000

that maybe start out very reflective and they're still shiny?

144

00:12:59,000 --> 00:13:00,000

Yes.

145

00:13:00,000 --> 00:13:04,000

And then we'll change it to a blimp thing or back into something organic?

146

00:13:04,000 --> 00:13:07,000

Organic or even disappear entirely.

147

00:13:07,000 --> 00:13:09,000

Yeah, I have.

148

00:13:09,000 --> 00:13:11,000

In fact, I want to show you this.

149

00:13:11,000 --> 00:13:12,000

OK.

150

00:13:12,000 --> 00:13:15,000

So this is from 2014.

151

00:13:15,000 --> 00:13:23,000

These are leaked photos from an F-18, so you're looking out of the cockpit.

152

00:13:23,000 --> 00:13:27,000

The pilot's identity is classified, but they confirmed this isn't the only time

153

00:13:27,000 --> 00:13:30,000

they'd seen the shape-shifting UFO.

154

00:13:30,000 --> 00:13:32,000

This is off the coast of Virginia.

155

00:13:32,000 --> 00:13:36,000

Over six months, pilots were seeing these things on a daily basis.

156

00:13:36,000 --> 00:13:40,000

So here is one leaked photo, and it's kind of a strange photo in that.

157

00:13:40,000 --> 00:13:41,000

Look at this thing.

158

00:13:41,000 --> 00:13:43,000

It's, here's the UFO, the object.

159

00:13:43,000 --> 00:13:45,000

And by the way, the Pentagon looked at these and said,

160

00:13:45,000 --> 00:13:47,000

we don't know what these are, but they're real.

161

00:13:47,000 --> 00:13:51,000

So they confirm that these are real UFOs.

162

00:13:51,000 --> 00:13:53,000

So now look, you're an F-18 pilot.

163

00:13:53,000 --> 00:13:56,000

You're cruising around at 300 knots, and you see this thing.

164

00:13:56,000 --> 00:13:57,000

Now look at it.

165

00:13:57,000 --> 00:13:58,000

It's a little bit asymmetric.

166

00:13:58,000 --> 00:14:00,000

It's got these two little ear things on it.

167

00:14:00,000 --> 00:14:02,000

You can't tell it's metallic from the photo.

168

00:14:02,000 --> 00:14:04,000

It might look that to the eye, but I don't know.

169

00:14:04,000 --> 00:14:05,000

Here's the next one.

170

00:14:05,000 --> 00:14:06,000

Same object.

171

00:14:06,000 --> 00:14:07,000

OK.

172

00:14:07,000 --> 00:14:09,000

It almost looks completely different.

173

00:14:09,000 --> 00:14:11,000

It's like a metallic.

174

00:14:11,000 --> 00:14:13,000

I mean, it looks highly reflective.

175

00:14:13,000 --> 00:14:14,000

Yep.

176

00:14:14,000 --> 00:14:16,000

And then it's got these two little ear things here.

177

00:14:16,000 --> 00:14:19,000

So that might be the things we saw in the other photo.

178

00:14:19,000 --> 00:14:20,000

OK, now here's the third photo.

179

00:14:20,000 --> 00:14:21,000

Same object.

180

00:14:21,000 --> 00:14:24,000

But now you see it's sort of amorphous, right?

181

00:14:24,000 --> 00:14:25,000

Oh, yeah.

182

00:14:25,000 --> 00:14:27,000

It's bizarre.

183

00:14:27,000 --> 00:14:30,000

Yet another shapeshifter in our skies,

184

00:14:30,000 --> 00:14:34,000

this time flying perilously close to an American fighter jet.

185

00:14:34,000 --> 00:14:39,000

Could alien species be preparing to engage with our military?

186

00:14:43,000 --> 00:14:46,000

Validated sightings of shapeshifters have now taken place

187

00:14:46,000 --> 00:14:49,000

in Florida, California, and Virginia.

188

00:14:49,000 --> 00:14:51,000

They seem to be perfectly at ease

189

00:14:51,000 --> 00:14:54,000

engaging with our deadliest fighter jets.

190

00:14:54,000 --> 00:14:57,000

Could they have an active interest in our military?

191

00:14:57,000 --> 00:14:59,000

You know, I've talked to a lot of different people

192

00:14:59,000 --> 00:15:00,000

who've seen these things.

193

00:15:00,000 --> 00:15:04,000

And a lot of times they appear metallic or like a hard object,

194

00:15:04,000 --> 00:15:07,000

and then all of a sudden they'll look like some kind of a Namibia.

195

00:15:07,000 --> 00:15:10,000

So something that looks both organic or sort of like an animal,

196

00:15:10,000 --> 00:15:12,000

like a Namibia or something, and then all of a sudden

197

00:15:12,000 --> 00:15:14,000

looks solid material, right?

198

00:15:14,000 --> 00:15:17,000

You have to ask yourself, what is that technology?

199

00:15:17,000 --> 00:15:20,000

Much like the UFO that Yasmin witnessed,

200

00:15:20,000 --> 00:15:23,000

the craft in these leaked fighter pilot photos

201

00:15:23,000 --> 00:15:27,000

changes shape and perhaps even material.

202

00:15:27,000 --> 00:15:28,000

You're the engineer.

203

00:15:28,000 --> 00:15:31,000

Is this something that you think our government,

204

00:15:31,000 --> 00:15:35,000

the level of technology we know that they have conventionally,

205

00:15:35,000 --> 00:15:39,000

is it something that could fit within that same realm?

206

00:15:39,000 --> 00:15:43,000

Or are we talking about stuff that's possibly thousands of years ahead of us?

207

00:15:43,000 --> 00:15:45,000

I think millions of years ahead of us.

208

00:15:47,000 --> 00:15:50,000

It's why these things operate with impunity.

209

00:15:50,000 --> 00:15:52,000

It's almost like they play with our jets.

210

00:15:52,000 --> 00:15:53,000

Yeah.

211

00:15:53,000 --> 00:15:57,000

So this idea that we're seeing different types of craft

212

00:15:57,000 --> 00:16:00,000

over the different decades, have you had witnesses tell you

213

00:16:00,000 --> 00:16:03,000

that maybe this species, you know,

214

00:16:03,000 --> 00:16:06,000

tends to have this type of craft or something like that?

215

00:16:06,000 --> 00:16:09,000

Here's the thing, you know, that you have to think about in ufology.

216

00:16:09,000 --> 00:16:10,000

If there's one, there's millions.

217

00:16:10,000 --> 00:16:14,000

So yeah, absolutely there are more than one type coming to this world

218

00:16:14,000 --> 00:16:16,000

and taking a look around.

219

00:16:16,000 --> 00:16:18,000

So I'm starting to see a pattern emerge here.

220

00:16:18,000 --> 00:16:23,000

We have Yasmin's video and the F-18 pilot

221

00:16:23,000 --> 00:16:26,000

that's photographing these things in daytime.

222

00:16:26,000 --> 00:16:28,000

So are we dealing with a new type of craft

223

00:16:28,000 --> 00:16:31,000

that is able to morph and change shape?

224

00:16:31,000 --> 00:16:37,000

These shapeshifting craft have been spotted near integral U.S. military facilities.

225

00:16:37,000 --> 00:16:42,000

Yasmin's craft was filmed a mere 12 miles from the Los Angeles Air Force base

226

00:16:42,000 --> 00:16:45,000

home to the nascent U.S. space force.

227

00:16:45,000 --> 00:16:49,000

When the craft Steve Malillo studied was spotted just several miles

228

00:16:49,000 --> 00:16:55,000

from Naval Air Station Oceana, the master naval jet base for the entire East Coast.

229

00:16:55,000 --> 00:17:00,000

I'm thinking that right now we need to focus a little bit more

230

00:17:00,000 --> 00:17:03,000

on maybe what other military personnel have seen

231

00:17:03,000 --> 00:17:06,000

and maybe perhaps the shape of these things.

232

00:17:07,000 --> 00:17:13,000

To that end, Melissa has turned up another witness,

233

00:17:13,000 --> 00:17:19,000

a former Air Force Sergeant who's seen a shapeshifting UFO at his own peril.

234

00:17:19,000 --> 00:17:22,000

So this eyewitness, his name is Terry Lovelace, really credible source.

235

00:17:22,000 --> 00:17:25,000

He has a long history of being a military

236

00:17:25,000 --> 00:17:29,000

and he's had a career as an assistant attorney general in Vermont.

237

00:17:29,000 --> 00:17:33,000

I like that. People who have a lot to lose with their reputation

238

00:17:33,000 --> 00:17:36,000

don't normally come out and talk about this stuff unless it really happened.

239

00:17:36,000 --> 00:17:41,000

Yeah, but what's concerning about him is that the craft he's seen over his house

240

00:17:41,000 --> 00:17:47,000

he has seen before decades ago and it's one of these craft that changes shape.

241

00:17:47,000 --> 00:17:52,000

So again, we're back to that changing shape type of craft.

242

00:17:52,000 --> 00:17:59,000

Thank you so much again, Terry, for meeting with us.

243

00:17:59,000 --> 00:18:04,000

I need more people like you to tell their stories. So I appreciate it.

244

00:18:04,000 --> 00:18:06,000

Of course.

245

00:18:06,000 --> 00:18:11,000

For years, Terry has spotted the shapeshifting UFO above his house.

246

00:18:11,000 --> 00:18:15,000

He's managed to document the object on his phone.

247

00:18:15,000 --> 00:18:20,000

What I wanted to show you is that he's been working on this for a long time.

248

00:18:21,000 --> 00:18:25,000

What I wanted to show you is right here.

249

00:18:25,000 --> 00:18:30,000

This thing was following me.

250

00:18:30,000 --> 00:18:33,000

This is here in Dallas.

251

00:18:33,000 --> 00:18:35,000

Where are you in these pictures?

252

00:18:35,000 --> 00:18:39,000

I'm driving a car. I'm trying to take pictures of these things.

253

00:18:39,000 --> 00:18:41,000

Take your finger and spread that apart.

254

00:18:41,000 --> 00:18:42,000

Oh yeah.

255

00:18:42,000 --> 00:18:46,000

Oh wow, that looks similar to one of our photos.

256

00:18:46,000 --> 00:18:49,000

And did that thing maintain its shape?

257

00:18:49,000 --> 00:18:50,000

No.

258

00:18:50,000 --> 00:18:52,000

This one was kind of morphing as well.

259

00:18:52,000 --> 00:18:54,000

Yeah, too warm.

260

00:18:54,000 --> 00:18:56,000

And then to a sundial.

261

00:18:56,000 --> 00:19:02,000

Then compares Terry's photo to images of the shapeshifting craft Steve Morillo shared with him.

262

00:19:02,000 --> 00:19:03,000

Wow.

263

00:19:03,000 --> 00:19:11,000

But Terry's experience with the shapeshifting UFO started long before this 2019 snapshot.

264

00:19:11,000 --> 00:19:15,000

He first saw it 46 years ago.

265

00:19:15,000 --> 00:19:22,000

That's why I was on active duty, stationed at Whiteman Air Force Base, just southwest of Kansas City.

266

00:19:36,000 --> 00:19:42,000

Terry and another medic were responding to a call when they got stopped at a roadblock.

267

00:19:46,000 --> 00:19:54,000

There was a captain there in the road who said, you know, park your ambulance over there, stay off the radio.

268

00:19:54,000 --> 00:19:57,000

Don't get out of your ambulance.

269

00:19:57,000 --> 00:20:00,000

I'm like, okay, yes sir.

270

00:20:04,000 --> 00:20:08,000

But Terry's colleague was not as obedient.

271

00:20:08,000 --> 00:20:14,000

My friend, who was kind of the impulsive one, was like, I'm going to go out and see what's going on.

272

00:20:14,000 --> 00:20:17,000

Pulling me out of the ambulance.

273

00:20:31,000 --> 00:20:37,000

When Terry arrived at the missile silo, he couldn't comprehend what he was seeing.

274

00:20:44,000 --> 00:20:47,000

There was chaos on the ground.

275

00:20:57,000 --> 00:21:01,000

But it's what was in the sky that troubled Terry most.

276

00:21:07,000 --> 00:21:13,000

Suspended over this missile silo, about 50 feet in the air,

277

00:21:13,000 --> 00:21:16,000

it's a black object.

278

00:21:19,000 --> 00:21:22,000

And it was enormous.

279

00:21:26,000 --> 00:21:34,000

Black matte, non-reflective, no insignia, no rivets, no windows, no, no nothing.

280

00:21:34,000 --> 00:21:37,000

And it was enormous.

281

00:21:37,000 --> 00:21:40,000

I did a drawing of it, contemporaneous with the event.

282

00:21:40,000 --> 00:21:41,000

Could you draw it now?

283

00:21:41,000 --> 00:21:42,000

Sure I could draw it now.

284

00:21:44,000 --> 00:21:47,000

I'm sure it's ingrained in your memory.

285

00:21:47,000 --> 00:21:50,000

It is, and in my nightmares.

286

00:21:57,000 --> 00:22:00,000

That will give you an idea.

287

00:22:00,000 --> 00:22:01,000

Wow, it's huge.

288

00:22:01,000 --> 00:22:03,000

That compared to you looks massive.

289

00:22:03,000 --> 00:22:08,000

In this form, the shapeshifter resembles the craft that Terry claims has been stocking his home,

290

00:22:08,000 --> 00:22:12,000

as well as one of the shapes it took in Steve Murillo's files.

291

00:22:15,000 --> 00:22:17,000

And it's absolutely motionless.

292

00:22:21,000 --> 00:22:25,000

Everybody there, we are silent.

293

00:22:27,000 --> 00:22:30,000

We just watch this thing.

294

00:22:30,000 --> 00:22:36,000

Suddenly the object shape-shifted into a sphere and disappeared into the night sky.

295

00:22:39,000 --> 00:22:43,000

When we got back to the base, and it was a long, silent trip home,

296

00:22:43,000 --> 00:22:47,000

the only real conversation we made was a pact between us,

297

00:22:47,000 --> 00:22:51,000

that we would never tell anyone that we had this experience.

298

00:22:51,000 --> 00:22:55,000

Because if we told someone they would have sent us off for a psychabal,

299

00:22:55,000 --> 00:22:59,000

it could have been the end of our military career, and we didn't want that.

300

00:23:00,000 --> 00:23:06,000

For the next 46 years, Terry would continue to be visited by this UFO.

301

00:23:09,000 --> 00:23:11,000

A year after his initial encounter,

302

00:23:11,000 --> 00:23:16,000

the shapeshifting craft even tracked him down on a camping trip in Arkansas.

303

00:23:18,000 --> 00:23:23,000

We were kicked back on these air mattresses, just kind of talking.

304

00:23:23,000 --> 00:23:28,000

I noticed that crickets, tree frogs, all the stuff in force that makes noise,

305

00:23:28,000 --> 00:23:30,000

that all went silent.

306

00:23:31,000 --> 00:23:37,000

We saw three lights with the center light being the apex of the triangle

307

00:23:37,000 --> 00:23:39,000

pointed in our direction.

308

00:23:43,000 --> 00:23:45,000

And it started a descent.

309

00:23:45,000 --> 00:23:50,000

And underneath, a light flipped on, just like that.

310

00:23:53,000 --> 00:23:55,000

It was a bright, white light.

311

00:23:58,000 --> 00:24:03,000

And a laser from the same source struck me several times.

312

00:24:03,000 --> 00:24:06,000

I was like, what the hell is going on?

313

00:24:06,000 --> 00:24:09,000

I was like, what the hell is going on?

314

00:24:09,000 --> 00:24:12,000

I was like, what the hell is going on?

315

00:24:12,000 --> 00:24:16,000

The laser from the same source struck me several times.

316

00:24:18,000 --> 00:24:20,000

Terry eventually passed out.

317

00:24:26,000 --> 00:24:31,000

When he came to, hours later, both he and his friend were covered in burns

318

00:24:31,000 --> 00:24:35,000

and barely managed to get themselves to the nearest hospital.

319

00:24:35,000 --> 00:24:40,000

I had what the doctors called flash burns. Very painful.

320

00:24:40,000 --> 00:24:42,000

Like a radiation burn.

321

00:24:42,000 --> 00:24:44,000

Yeah. And that scared me.

322

00:24:44,000 --> 00:24:46,000

Wow. That's pretty intense.

323

00:24:47,000 --> 00:24:50,000

But Terry's problems were far from over.

324

00:24:50,000 --> 00:24:54,000

While he was being treated, a stranger marched in.

325

00:24:58,000 --> 00:25:02,000

He had his suit code on button like a C-A-S-O-L-O-L-H-E-L-S-T-E-R.

326

00:25:04,000 --> 00:25:08,000

Bad John from the Office of Special Investigations.

327

00:25:09,000 --> 00:25:12,000

And he bent over my bed and got down next to my ear.

328

00:25:12,000 --> 00:25:18,000

And he said, son, I know, and you know,

329

00:25:18,000 --> 00:25:22,000

you two knuckleheads stumbled onto something while you were out there.

330

00:25:23,000 --> 00:25:25,000

And I think, you know what I'm talking about.

331

00:25:39,000 --> 00:25:44,000

35 years later, the past caught up with him at his home in Dallas, Texas.

332

00:25:46,000 --> 00:25:49,000

One night, Terry woke up with a blinding headache,

333

00:25:49,000 --> 00:25:54,000

a nose bleed, and excruciating pain in his right knee.

334

00:25:55,000 --> 00:25:59,000

The pain became so bad, Terry went to the emergency room.

335

00:25:59,000 --> 00:26:03,000

There, an x-ray picked up something bizarre.

336

00:26:05,000 --> 00:26:07,000

What did they catch?

337

00:26:07,000 --> 00:26:08,000

I can show you.

338

00:26:08,000 --> 00:26:09,000

Yeah, absolutely.

339

00:26:09,000 --> 00:26:10,000

Let's see.

340

00:26:17,000 --> 00:26:18,000

Oh, my goodness.

341

00:26:18,000 --> 00:26:22,000

It looks like a square chip.

342

00:26:24,000 --> 00:26:28,000

You can see what they're describing as wires going along the muscle there.

343

00:26:29,000 --> 00:26:30,000

You never felt this before?

344

00:26:30,000 --> 00:26:31,000

No.

345

00:26:31,000 --> 00:26:32,000

And there's no scar.

346

00:26:34,000 --> 00:26:35,000

So how did this make you feel?

347

00:26:35,000 --> 00:26:40,000

When I saw the x-rays, I was just shocked because for me,

348

00:26:40,000 --> 00:26:44,000

it was validation that these things put their hands on me.

349

00:26:44,000 --> 00:26:48,000

And so now you almost have the data that suggests they're tracking you.

350

00:26:51,000 --> 00:26:52,000

Yeah.

351

00:26:52,000 --> 00:26:53,000

Yeah.

352

00:26:53,000 --> 00:26:57,000

So Terry, your story really coincides with some of the other people that we've talked to.

353

00:26:57,000 --> 00:26:59,000

We've talked to people that are in the military.

354

00:26:59,000 --> 00:27:01,000

They feel like they're being tracked.

355

00:27:01,000 --> 00:27:03,000

Do you think that they're tracking you for some reason?

356

00:27:03,000 --> 00:27:04,000

Yeah, I do.

357

00:27:04,000 --> 00:27:06,000

I don't know why.

358

00:27:08,000 --> 00:27:14,000

Was Terry abducted the night of his camping trip all those years ago and implanted with a device?

359

00:27:14,000 --> 00:27:16,000

So what did you do?

360

00:27:16,000 --> 00:27:18,000

I wanted it out of my body immediately.

361

00:27:19,000 --> 00:27:22,000

Terry made numerous attempts to have the implant removed,

362

00:27:22,000 --> 00:27:27,000

but no doctor wanted to take the risk without understanding what they were trying to remove.

363

00:27:28,000 --> 00:27:30,000

So it's still in your body now?

364

00:27:31,000 --> 00:27:32,000

It is.

365

00:27:33,000 --> 00:27:39,000

While much is unknown about alien implants, investigators have revealed some of their secrets.

366

00:27:39,000 --> 00:27:43,000

Implants have been found in various locations on human being.

367

00:27:43,000 --> 00:27:49,000

Many times it was done through the nasal passage with a 9-inch needle-like device.

368

00:27:49,000 --> 00:27:53,000

Humans, in theory, can be manipulated by an implant.

369

00:27:53,000 --> 00:27:58,000

If an alien implant remains in Terry's body, he could be in danger.

370

00:27:58,000 --> 00:28:02,000

So I do have a few things here that we could try and test with.

371

00:28:02,000 --> 00:28:03,000

Of course, of course.

372

00:28:03,000 --> 00:28:05,000

But is that okay if we do that?

373

00:28:05,000 --> 00:28:06,000

Oh, absolutely.

374

00:28:06,000 --> 00:28:10,000

Okay, maybe right here if you come sit over here.

375

00:28:10,000 --> 00:28:11,000

Sure.

376

00:28:11,000 --> 00:28:17,000

Ben and Melissa decide to run a test to see if Terry's implant is emitting any detectable signals.

377

00:28:17,000 --> 00:28:23,000

What we can do is I have here, start out just basically a trifle meter.

378

00:28:23,000 --> 00:28:25,000

I'm going to take off my smart watch.

379

00:28:25,000 --> 00:28:29,000

So I think we'll have to cut our audio just for a second.

380

00:28:29,000 --> 00:28:32,000

Question, can we just leave the boom on and just turn it on myself?

381

00:28:32,000 --> 00:28:34,000

Yeah, we can try that.

382

00:28:34,000 --> 00:28:36,000

You're just unplugging it, right?

383

00:28:36,000 --> 00:28:37,000

Yes.

384

00:28:37,000 --> 00:28:39,000

I'm trying to turn it off.

385

00:28:39,000 --> 00:28:40,000

Okay.

386

00:28:40,000 --> 00:28:42,000

So you're unplugged, you're unplugged, you're unplugged.

387

00:28:42,000 --> 00:28:52,000

This is kind of odd.

388

00:28:52,000 --> 00:29:00,000

We are getting just a relatively high reading of here.

389

00:29:00,000 --> 00:29:07,000

This is just really unusually high.

390

00:29:07,000 --> 00:29:10,000

You guys see this on camera?

391

00:29:10,000 --> 00:29:14,000

The meter detects abnormal levels of radio waves.

392

00:29:14,000 --> 00:29:18,000

Could the inhabitants of the UFO still be watching him?

393

00:29:18,000 --> 00:29:24,000

Ben scans Terry's knee with a neodymium bar, a commercial strength magnet.

394

00:29:24,000 --> 00:29:30,000

If there's any metal material still in Terry's leg, it will attract this magnet.

395

00:29:30,000 --> 00:29:34,000

And about where was it compared to the X-ray right there?

396

00:29:34,000 --> 00:29:36,000

Okay.

397

00:29:36,000 --> 00:29:40,000

Let me know if you feel anything that pulls.

398

00:29:40,000 --> 00:29:45,000

If it were a wire filament, it probably would be so light.

399

00:29:45,000 --> 00:29:50,000

You may not even feel it pulling here, but just...

400

00:29:50,000 --> 00:29:52,000

This feels a little weird.

401

00:29:52,000 --> 00:29:54,000

Yeah, that does feel a little weird.

402

00:29:54,000 --> 00:29:58,000

What it feels like to me is like somebody brushing me with a feather.

403

00:29:58,000 --> 00:30:01,000

This is really weird.

404

00:30:01,000 --> 00:30:05,000

Of all the times that I've done this, I've never had anything like this.

405

00:30:05,000 --> 00:30:08,000

I'm going to try it with this, and then I want you to try it.

406

00:30:08,000 --> 00:30:11,000

It's like right there, right there.

407

00:30:11,000 --> 00:30:13,000

Are you touching me?

408

00:30:13,000 --> 00:30:16,000

Uh-uh.

409

00:30:16,000 --> 00:30:18,000

Right at the top of the...

410

00:30:18,000 --> 00:30:24,000

Oh, I feel something.

411

00:30:24,000 --> 00:30:26,000

Well, once again, thank you so much.

412

00:30:26,000 --> 00:30:28,000

Thank you so much for your time.

413

00:30:28,000 --> 00:30:29,000

Well, that was interesting.

414

00:30:29,000 --> 00:30:31,000

I did not expect that.

415

00:30:31,000 --> 00:30:33,000

100%. He is a treasure trove.

416

00:30:33,000 --> 00:30:36,000

You know, normally when I just do a general scan like that,

417

00:30:36,000 --> 00:30:40,000

EMF wasn't unusual, but my gosh.

418

00:30:40,000 --> 00:30:42,000

That was insane.

419

00:30:42,000 --> 00:30:45,000

Until now, Ben and Melissa's investigation has suggested

420

00:30:45,000 --> 00:30:50,000

shape-shifting UFOs are interested in monitoring our military.

421

00:30:50,000 --> 00:30:53,000

But Terry's encounters raise a different question.

422

00:30:53,000 --> 00:31:00,000

Are the inhabitants of these shape-shifting UFOs openly hostile to our military forces?

423

00:31:03,000 --> 00:31:07,000

Ben digs back into his files and turns up a correspondence

424

00:31:07,000 --> 00:31:10,000

with another eyewitness who encountered a UFO

425

00:31:10,000 --> 00:31:14,000

matching the description they received from Terry.

426

00:31:14,000 --> 00:31:17,000

But not only did this witness capture it on video,

427

00:31:17,000 --> 00:31:20,000

he claims a fighter jet was chasing the craft,

428

00:31:20,000 --> 00:31:24,000

supporting the idea that these UFOs are hostile.

429

00:31:24,000 --> 00:31:26,000

The owner of the video,

430

00:31:26,000 --> 00:31:28,000

who is a member of the Army,

431

00:31:28,000 --> 00:31:31,000

supported the idea that these UFOs are hostile.

432

00:31:31,000 --> 00:31:36,000

The owner of the video, Graham Slater, has agreed to talk.

433

00:31:36,000 --> 00:31:41,000

Graham was part of a 2017 UFO Skywatch workshop

434

00:31:41,000 --> 00:31:45,000

organized by veteran UFO expert Melinda Leslie.

435

00:31:51,000 --> 00:31:54,000

Ben and Melissa are hoping they can use their testimony

436

00:31:54,000 --> 00:31:57,000

to get more details on the craft they saw.

437

00:31:58,000 --> 00:32:03,000

Hi.

438

00:32:03,000 --> 00:32:04,000

Hi.

439

00:32:04,000 --> 00:32:05,000

Hi.

440

00:32:05,000 --> 00:32:06,000

Hey.

441

00:32:06,000 --> 00:32:07,000

Thanks for meeting us out here.

442

00:32:07,000 --> 00:32:10,000

Sure.

443

00:32:10,000 --> 00:32:14,000

Could you both just kind of walk us through what happened?

444

00:32:14,000 --> 00:32:15,000

Sure.

445

00:32:20,000 --> 00:32:22,000

So we come to this workshop.

446

00:32:22,000 --> 00:32:24,000

When we get out there, there were people camping

447

00:32:24,000 --> 00:32:26,000

and people already out.

448

00:32:26,000 --> 00:32:29,000

So we had roughly about 62 people out there.

449

00:32:29,000 --> 00:32:33,000

That's quite a large group.

450

00:32:33,000 --> 00:32:37,000

And all of a sudden, we see this big reddish color light,

451

00:32:37,000 --> 00:32:42,000

quite large coming in the distance.

452

00:32:42,000 --> 00:32:45,000

And it was actually a U-shaped object,

453

00:32:45,000 --> 00:32:49,000

and the ends were lit up bright red.

454

00:32:49,000 --> 00:32:52,000

Melinda's account reveals something the video does not.

455

00:32:52,000 --> 00:32:55,000

The object was not straight, but U-shaped,

456

00:32:55,000 --> 00:32:58,000

and it's actually similar to the U-shaped object

457

00:32:58,000 --> 00:33:01,000

seen by the F-18 pilot, which begs the question,

458

00:33:01,000 --> 00:33:03,000

what other forms might it take?

459

00:33:03,000 --> 00:33:07,000

And it's completely silent, and flying like ballet,

460

00:33:07,000 --> 00:33:09,000

like this, really smooth.

461

00:33:09,000 --> 00:33:12,000

And then as soon as it pops over the hill right behind it,

462

00:33:12,000 --> 00:33:14,000

it was an F-18.

463

00:33:14,000 --> 00:33:17,000

You actually see, you know, the shape of it up in the air.

464

00:33:17,000 --> 00:33:20,000

It comes flying right over the hill.

465

00:33:20,000 --> 00:33:22,000

And then as soon as I saw it, I grabbed my camera

466

00:33:22,000 --> 00:33:24,000

and just started filming right away.

467

00:33:28,000 --> 00:33:30,000

It just kind of floats along.

468

00:33:30,000 --> 00:33:31,000

You know, it saw any wings?

469

00:33:31,000 --> 00:33:33,000

No, no.

470

00:33:33,000 --> 00:33:36,000

Driving, no flashing, no other colors,

471

00:33:36,000 --> 00:33:38,000

just kind of like a steady red.

472

00:33:38,000 --> 00:33:40,000

Yeah.

473

00:33:40,000 --> 00:33:44,000

Graham's video confirms Melinda's account.

474

00:33:44,000 --> 00:33:45,000

Look at that.

475

00:33:45,000 --> 00:33:49,000

This object was not moving like any conventional craft.

476

00:33:49,000 --> 00:33:51,000

I mean, I've actually never seen anything like this before.

477

00:33:51,000 --> 00:33:54,000

She's never captured on video.

478

00:33:54,000 --> 00:33:57,000

This isn't the first time Ben has collected evidence

479

00:33:57,000 --> 00:34:00,000

of our military engaging with a UFO.

480

00:34:00,000 --> 00:34:04,000

In 2004, former senior chief operation specialist,

481

00:34:04,000 --> 00:34:07,000

Kevin Day, was witnessed to the Navy's encounter

482

00:34:07,000 --> 00:34:10,000

with the famous Tic Tac UFO.

483

00:34:10,000 --> 00:34:12,000

520, right heading, 270.

484

00:34:12,000 --> 00:34:14,000

Oh, my gosh, man.

485

00:34:14,000 --> 00:34:16,000

Oh!

486

00:34:16,000 --> 00:34:19,000

You're the f***ing idiot!

487

00:34:19,000 --> 00:34:22,000

I had never seen anything fly like that before.

488

00:34:22,000 --> 00:34:25,000

So I said, hey, let's intercept one of these things.

489

00:34:25,000 --> 00:34:27,000

As soon as that happened, he's like,

490

00:34:27,000 --> 00:34:30,000

oh, my God, oh, my God, I'm engaged, I'm engaged.

491

00:34:30,000 --> 00:34:34,000

The Navy was greatly outmaneuvered by the Tic Tac that day,

492

00:34:34,000 --> 00:34:37,000

much like the jet in Graham's video.

493

00:34:37,000 --> 00:34:40,000

But close encounters with UFOs are just the beginning

494

00:34:40,000 --> 00:34:42,000

for our servicemen.

495

00:34:42,000 --> 00:34:45,000

My concerns actually manifested in the nightmares.

496

00:34:45,000 --> 00:34:48,000

You were having what types of...

497

00:34:48,000 --> 00:34:50,000

Like, end of the rule type of...

498

00:34:50,000 --> 00:34:52,000

What if happened to me

499

00:34:52,000 --> 00:34:55,000

happens to the whole damn world at the same time?

500

00:34:55,000 --> 00:34:57,000

Is it armed?

501

00:34:57,000 --> 00:34:59,000

Does he have orders to shoot it down

502

00:34:59,000 --> 00:35:01,000

or just follow it, see where it goes?

503

00:35:01,000 --> 00:35:05,000

Could these shapeshifting UFOs be related to the craft

504

00:35:05,000 --> 00:35:08,000

depicted in the videos released by the Pentagon?

505

00:35:08,000 --> 00:35:12,000

And could they be preparing to invade our planet?

506

00:35:18,000 --> 00:35:20,000

The Pentagon has been advised to concerns

507

00:35:20,000 --> 00:35:23,000

that these craft could have malevolent intentions.

508

00:35:23,000 --> 00:35:26,000

Now one question of high importance remains,

509

00:35:26,000 --> 00:35:29,000

exactly who is piloting these craft?

510

00:35:31,000 --> 00:35:34,000

To find out, Dan and Melissa have turned their focus

511

00:35:34,000 --> 00:35:38,000

to one of the world's most infamous UFO sightings.

512

00:35:38,000 --> 00:35:41,000

That gimbal video from 2015

513

00:35:41,000 --> 00:35:44,000

has always left me with more questions than answers.

514

00:35:44,000 --> 00:35:47,000

They were describing it being tilted,

515

00:35:47,000 --> 00:35:50,000

and then it seemed to kind of turn into another shape.

516

00:35:50,000 --> 00:35:54,000

The moves it makes are physically impossible, literally.

517

00:35:56,000 --> 00:36:01,000

The high-speed maneuvers performed by the gimbal defy physics.

518

00:36:01,000 --> 00:36:04,000

Rotating the ship nearly 90 degrees

519

00:36:04,000 --> 00:36:09,000

while moving at the theorized speed of over 3,800 miles per hour

520

00:36:09,000 --> 00:36:11,000

should tear the craft apart.

521

00:36:11,000 --> 00:36:15,000

Is it possible the gimbal was able to survive such a move

522

00:36:15,000 --> 00:36:17,000

by changing its shape?

523

00:36:20,000 --> 00:36:22,000

Well, as far as the craft go,

524

00:36:22,000 --> 00:36:25,000

I do have somebody else who contacted me.

525

00:36:25,000 --> 00:36:28,000

He was aboard the USS Roosevelt

526

00:36:28,000 --> 00:36:31,000

where, you know, the gimbal video took place.

527

00:36:31,000 --> 00:36:36,000

He comes back and he starts having these really strange experiences.

528

00:36:36,000 --> 00:36:39,000

Kevin Day on the USS Nimitz.

529

00:36:39,000 --> 00:36:41,000

Yeah, I'm really looking forward to interviewing him

530

00:36:41,000 --> 00:36:46,000

because it sounds like his encounter with something otherworldly

531

00:36:46,000 --> 00:36:50,000

has really changed his view on the universe.

532

00:36:50,000 --> 00:36:52,000

It's changed his life.

533

00:37:03,000 --> 00:37:05,000

Hi. Hi. Hi, Matthew.

534

00:37:05,000 --> 00:37:07,000

Ben. Nice to meet you.

535

00:37:07,000 --> 00:37:09,000

Melissa. Melissa. Nice to meet you.

536

00:37:10,000 --> 00:37:12,000

We're investigating UFOs that change shape.

537

00:37:12,000 --> 00:37:15,000

Do you think it's possible the gimbal was one of these?

538

00:37:15,000 --> 00:37:17,000

Yeah, absolutely.

539

00:37:17,000 --> 00:37:22,000

I think if you watch that footage closely,

540

00:37:22,000 --> 00:37:27,000

it does seem like it's changing a little bit, you know?

541

00:37:27,000 --> 00:37:30,000

Do you mean, like, changing its shape?

542

00:37:30,000 --> 00:37:32,000

Oh, yeah, absolutely.

543

00:37:32,000 --> 00:37:36,000

These things seem to be very, very solid triangles sometimes

544

00:37:36,000 --> 00:37:40,000

and then just kind of flatten or go into some right.

545

00:37:40,000 --> 00:37:43,000

So the night of the gimbal incident,

546

00:37:43,000 --> 00:37:46,000

what did you see when you were on the ship?

547

00:37:46,000 --> 00:37:51,000

One of my buddies, he worked more closely with the pilots

548

00:37:51,000 --> 00:37:53,000

and he said, hey, check this out.

549

00:37:53,000 --> 00:37:58,000

And that was the first time I saw the gimbal footage.

550

00:37:58,000 --> 00:38:00,000

What did you feel then?

551

00:38:01,000 --> 00:38:04,000

It was initially kind of very disturbing

552

00:38:04,000 --> 00:38:09,000

because, you know, this was something that I had always

553

00:38:09,000 --> 00:38:11,000

kind of just dismissed.

554

00:38:11,000 --> 00:38:15,000

Then here I am looking at this classified footage

555

00:38:15,000 --> 00:38:18,000

and it's something that I have never seen before.

556

00:38:18,000 --> 00:38:20,000

I felt kind of disturbed about it.

557

00:38:20,000 --> 00:38:22,000

It just kind of stirs things up, you know?

558

00:38:22,000 --> 00:38:24,000

You start thinking about how, well, you know,

559

00:38:24,000 --> 00:38:28,000

all of this, I guess, must be real.

560

00:38:28,000 --> 00:38:30,000

After you watched the video for the first time,

561

00:38:30,000 --> 00:38:32,000

what started to change in your life?

562

00:38:46,000 --> 00:38:48,000

Matthew returned home,

563

00:38:48,000 --> 00:38:52,000

but his mind was still haunted by the video he saw on deployment.

564

00:38:53,000 --> 00:38:58,000

Shortly after, the encounters intensified.

565

00:39:14,000 --> 00:39:17,000

I was lying in bed asleep.

566

00:39:23,000 --> 00:39:27,000

And I felt something grab my arm

567

00:39:29,000 --> 00:39:31,000

and it woke me up.

568

00:39:37,000 --> 00:39:41,000

But I could see that there was this, like, shadow figure

569

00:39:41,000 --> 00:39:47,000

of a torso, two arms, and a head standing over me.

570

00:39:52,000 --> 00:39:55,000

And as I'm watching this, all of a sudden my room

571

00:39:55,000 --> 00:40:00,000

behind this shadow person just starts lighting up

572

00:40:00,000 --> 00:40:02,000

in, like, this golden light.

573

00:40:04,000 --> 00:40:07,000

So I thought to myself, you know, what is going on?

574

00:40:07,000 --> 00:40:10,000

And then I passed out.

575

00:40:11,000 --> 00:40:16,000

And then I opened my eyes and I can see that there is this female.

576

00:40:18,000 --> 00:40:20,000

Her skin is blue.

577

00:40:23,000 --> 00:40:27,000

And I can feel that her skin is much thicker

578

00:40:29,000 --> 00:40:32,000

than normal human skin would be.

579

00:40:33,000 --> 00:40:36,000

And smoother than human skin.

580

00:40:37,000 --> 00:40:41,000

I knew what it was. I knew she was, I knew she wasn't human.

581

00:40:45,000 --> 00:40:47,000

Sorry, just thinking about it gets me here.

582

00:40:48,000 --> 00:40:53,000

I mean, it was terrifying, right?

583

00:40:53,000 --> 00:40:59,000

Because suddenly I knew, OK, this isn't just in my head anymore.

584

00:41:02,000 --> 00:41:04,000

Were you scared?

585

00:41:04,000 --> 00:41:06,000

Yes, I was terrified.

586

00:41:06,000 --> 00:41:09,000

And then I woke up in my bed the next morning.

587

00:41:09,000 --> 00:41:11,000

I know some of it would be painful.

588

00:41:11,000 --> 00:41:12,000

It's important.

589

00:41:12,000 --> 00:41:14,000

It is. Thank you.

590

00:41:14,000 --> 00:41:17,000

In 2015, deployed off the coast of Florida,

591

00:41:17,000 --> 00:41:21,000

Matthew Roberts had an encounter with a shape-shifting UFO.

592

00:41:21,000 --> 00:41:26,000

Two years later, he had a close encounter with a blue extraterrestrial.

593

00:41:26,000 --> 00:41:28,000

Could the two be related?

594

00:41:28,000 --> 00:41:33,000

Could this blue creature be piloting a UFO that can change shape?

595

00:41:34,000 --> 00:41:39,000

Do you think that you could possibly draw what she looked like?

596

00:41:40,000 --> 00:41:44,000

First of all, let's start with how tall do you think she is?

597

00:41:44,000 --> 00:41:47,000

Maybe six foot or taller.

598

00:41:47,000 --> 00:41:52,000

Matthew depicts a blue creature with long arms and a strange human head,

599

00:41:52,000 --> 00:41:55,000

with a light radiating from the center.

600

00:41:56,000 --> 00:41:58,000

This drawing by Matthew is really interesting.

601

00:41:58,000 --> 00:42:03,000

And it must have been terrifying to wake up to this being in his room.

602

00:42:03,000 --> 00:42:06,000

I've interviewed a lot of people about this tall blue species.

603

00:42:06,000 --> 00:42:08,000

It's referred to as the blue serians.

604

00:42:08,000 --> 00:42:10,000

They're highly advanced.

605

00:42:10,000 --> 00:42:15,000

They're very interested in human biology and technology,

606

00:42:15,000 --> 00:42:17,000

not only in this planet but throughout the universe.

607

00:42:18,000 --> 00:42:22,000

It's believed the blue serians originate from the Sirius system,

608

00:42:22,000 --> 00:42:24,000

8.6 light-years from our Earth.

609

00:42:24,000 --> 00:42:27,000

They're described as tall humanoids,

610

00:42:27,000 --> 00:42:30,000

known for their advanced intelligence and complex technology.

611

00:42:31,000 --> 00:42:36,000

The blue serians is a blue-skinned entity that is extremely intelligent

612

00:42:36,000 --> 00:42:41,000

and that has often put them on a mission here on planet Earth to gather information.

613

00:42:41,000 --> 00:42:47,000

There is an idea that the blue beings are interested in us as more like lab rats,

614

00:42:47,000 --> 00:42:50,000

that they're basically studying us.

615

00:42:50,000 --> 00:42:56,000

But the problem is, why has it taken you 10,000 years to study human beings?

616

00:42:56,000 --> 00:43:00,000

When we can do that in a short amount of testing.

617

00:43:00,000 --> 00:43:03,000

So there's something wrong with the story.

618

00:43:03,000 --> 00:43:05,000

There's something else going on here.

619

00:43:06,000 --> 00:43:09,000

What exactly is the blue serian agenda?

620

00:43:09,000 --> 00:43:15,000

If they are the alien species piloting shape-shifting UFOs, how alarmed should we be?

621

00:43:20,000 --> 00:43:25,000

If they are coming here and there are new species coming here, what's their reasoning?

622

00:43:25,000 --> 00:43:27,000

Are they tracking humans?

623

00:43:27,000 --> 00:43:31,000

Are they trying to figure out our capabilities as the military or all the above?

624

00:43:31,000 --> 00:43:36,000

Well, I think the information that we gathered, experiments, everything,

625

00:43:36,000 --> 00:43:41,000

really supports the idea that the military is still highly connected to this.

626

00:43:41,000 --> 00:43:48,000

All of the shape-shifting craft Ben and Melissa have located were found near key military facilities,

627

00:43:48,000 --> 00:43:52,000

and in some cases, targeting members of the military.

628

00:43:52,000 --> 00:43:58,000

What you have here is alien beings or otherworldly beings interested in our military.

629

00:43:58,000 --> 00:44:05,000

Terry was in the military and had that huge experience, but he actually feels that he was implanted.

630

00:44:05,000 --> 00:44:12,000

Then you have Matthew Roberts having these visitations, but wait, he describes these blue entities.

631

00:44:12,000 --> 00:44:16,000

Well, not only that, he said the reason they reached out to him was because he was in the military

632

00:44:16,000 --> 00:44:20,000

and they wanted to know about the technology and the hardware.

633

00:44:20,000 --> 00:44:26,000

The shape-shifting craft and the blue serians have exhibited obvious interest in our military capabilities.

634

00:44:26,000 --> 00:44:29,000

Are they the only ones?

635

00:44:29,000 --> 00:44:33,000

Have we just scratched the surface to all the different species that are here?

636

00:44:35,000 --> 00:44:44,000

Next on UFO Witness, Ben and Melissa's investigation leads them to a woman who has been targeted by a menacing, glowing orb UFO.

637

00:44:44,000 --> 00:44:46,000

The light catches my eye.

638

00:44:46,000 --> 00:44:53,000

I got really scared and I had this huge fear of, do not let this thing see you, and I'm terrified.

639

00:44:53,000 --> 00:44:59,000

And previous victims paint a terrifying picture of the insect-like creatures on board.

640

00:44:59,000 --> 00:45:04,000

I was sitting on this, what looked like an autopsy table and there were other figures there.

641

00:45:04,000 --> 00:45:08,000

It sounded like an ant, a stick-like legs like bamboo.

642

00:45:08,000 --> 00:45:13,000

Is a new insectoid alien species invading our planet?

643

00:45:13,000 --> 00:45:17,000

Do you feel that people that are having these experiences should be terrified?

644

00:45:17,000 --> 00:45:18,000

Yes.

645

00:45:18,000 --> 00:45:21,000

We're going to go down the lake and do some investigations.

646

00:45:21,000 --> 00:45:23,000

Hold on a sec.

647

00:45:51,000 --> 00:45:54,000

you
