

1

00:00:00,000 --> 00:00:03,600

UFO sightings are on the rise with different crafts

2

00:00:03,700 --> 00:00:06,000

spotted across the country.

3

00:00:06,100 --> 00:00:08,440

It was amorphous, and it was just

4

00:00:08,540 --> 00:00:11,180

sitting in one spot in the sky.

5

00:00:11,280 --> 00:00:15,780

This big blabba blabba floating in the sky.

6

00:00:15,880 --> 00:00:17,480

The ocean just lit up.

7

00:00:20,180 --> 00:00:24,120

See this very bright light coming over the mountain.

8

00:00:24,220 --> 00:00:26,820

And different species of aliens.

9

00:00:27,320 --> 00:00:32,080

They're abducting humans at an alarming rate.

10

00:00:32,180 --> 00:00:34,720

Now in remote Colorado, witnesses

11

00:00:34,820 --> 00:00:37,660

are coming forward, claiming to be victims

12

00:00:37,760 --> 00:00:42,460

of a horrific alien human hybridization program.

13

00:00:42,560 --> 00:00:46,260

I was having a lot of miscarriages,

14

00:00:46,360 --> 00:00:53,140

and then I started realizing I was being used as an incubator.

15

00:00:53,200 --> 00:00:55,840

Has the gray alien species laid claim

16

00:00:55,940 --> 00:00:58,200

to the Western United States?

17

00:00:58,300 --> 00:01:02,740

Could planet Earth be on the brink of an all out alien war?

18

00:01:02,840 --> 00:01:04,580

They're trying to hybridize human beings,

19

00:01:04,680 --> 00:01:06,240

and they're going to take over the planet.

20

00:01:06,240 --> 00:01:23,940

It's good to be back in Colorado.

21

00:01:24,040 --> 00:01:27,980

Yeah, there's lots of pockets of weird activity.

22

00:01:28,080 --> 00:01:30,820

Hot spot for sightings as well, and people

23

00:01:30,920 --> 00:01:33,620

having abduction experiences.

24

00:01:33,620 --> 00:01:38,620

Colorado has played hosts to thousands of UFO sightings

25

00:01:38,720 --> 00:01:41,620

in the past few decades.

26

00:01:41,720 --> 00:01:44,520

Those sightings have been linked to everything

27

00:01:44,620 --> 00:01:50,320

from cattle mutilation to alien human hybridization programs

28

00:01:50,420 --> 00:01:55,100

to an alien race known as the grays.

29

00:01:55,200 --> 00:01:58,240

Abductions that are performed by grays

30

00:01:58,340 --> 00:02:01,240

are done against the abductees' will.

31

00:02:01,300 --> 00:02:04,960

So what they do during these is they examine their body,

32

00:02:05,060 --> 00:02:10,240

they take DNA, and then they use these biological materials

33

00:02:10,340 --> 00:02:12,040

to create hybrids.

34

00:02:15,440 --> 00:02:18,780

Then has investigated this hybrid program before.

35

00:02:18,880 --> 00:02:22,320

Why would they want to abduct humans?

36

00:02:22,420 --> 00:02:24,920

Their reproductive capacity is gone.

37

00:02:25,020 --> 00:02:27,120

And so some of these beings want to save themselves

38

00:02:27,220 --> 00:02:29,660

and they need our DNA.

39

00:02:30,420 --> 00:02:32,380

With alleged abductions on the rise,

40

00:02:32,480 --> 00:02:35,060

the question must be asked, can anything

41

00:02:35,160 --> 00:02:37,060

be done to stop the grays?

42

00:02:53,760 --> 00:02:55,160

So we're going to meet this woman.

43

00:02:55,260 --> 00:02:59,260

She's been having abductions since she was the age of two.

44

00:03:00,260 --> 00:03:02,720

She's lived in Colorado her whole life.

45

00:03:02,820 --> 00:03:05,420

And I think that she's a good person

46

00:03:05,520 --> 00:03:06,960

to interview in our investigation

47

00:03:07,060 --> 00:03:09,960

just to kind of figure out why they're coming here.

48

00:03:10,060 --> 00:03:12,360

Well, you know, if she's been experiencing this

49

00:03:12,460 --> 00:03:15,660

for quite some time and it sounds like it's really impacted

50

00:03:15,760 --> 00:03:19,840

or sometimes those people tend to open up

51

00:03:19,940 --> 00:03:22,340

a little bit better to you, I mean,

52

00:03:22,440 --> 00:03:23,840

if you want to take the lead on this.

53

00:03:23,940 --> 00:03:25,140

Sure.

54

00:03:25,240 --> 00:03:26,480

It seems like it might be kind of an emotional thing

55

00:03:26,580 --> 00:03:27,640

for her as well.

56

00:03:27,740 --> 00:03:28,740

Yeah.

57

00:03:28,800 --> 00:03:29,700

Yeah.

58

00:03:40,300 --> 00:03:45,340

All right, interview with Ella Labane, 6.20 PM.

59

00:03:45,440 --> 00:03:48,340

Ella Labane says she's had terrifying encounters

60

00:03:48,440 --> 00:03:50,980

with extraterrestrials all her life.

61

00:03:51,080 --> 00:03:53,520

Let's start back when you were a child,

62

00:03:53,620 --> 00:03:56,520

because you told me that your first experience

63

00:03:56,620 --> 00:03:58,020

is when you were two.

64

00:03:58,040 --> 00:03:59,140

Yes.

65

00:03:59,240 --> 00:04:02,680

My parents used to tell the story over and over again

66

00:04:02,780 --> 00:04:04,880

as I was growing up.

67

00:04:04,980 --> 00:04:09,180

They used to find me upside down in my crib

68

00:04:09,280 --> 00:04:14,460

with nosebleeds, and the sheets were all full of blood.

69

00:04:14,560 --> 00:04:17,960

That's really scary for new parents

70

00:04:18,060 --> 00:04:22,560

to see their child upside down and blood everywhere.

71

00:04:22,660 --> 00:04:24,540

Did they bring you to the hospital?

72

00:04:24,640 --> 00:04:25,740

Yes.

73

00:04:25,860 --> 00:04:30,200

I had this little nodule in my right nostril

74

00:04:30,300 --> 00:04:32,400

that was like a BB.

75

00:04:32,500 --> 00:04:36,540

It was almost like an implant.

76

00:04:36,640 --> 00:04:39,340

The nosebleeds eventually stopped.

77

00:04:39,440 --> 00:04:41,620

The terror did not.

78

00:04:41,720 --> 00:04:44,820

Moving forward, I remember, I think,

79

00:04:44,920 --> 00:04:47,820

around the ages of five and six,

80

00:04:47,920 --> 00:04:50,360

I would see these beings in my room.

81

00:04:50,420 --> 00:04:56,420

I used to make my father check under the bed

82

00:04:56,520 --> 00:05:01,560

and the closet before they put me to sleep every night.

83

00:05:01,660 --> 00:05:07,360

And I would wake up often with sleep paralysis.

84

00:05:07,460 --> 00:05:13,440

Those are memories that I would never forget.

85

00:05:13,540 --> 00:05:16,940

It went on for decades.

86

00:05:17,040 --> 00:05:18,940

Can you take us back and explain

87

00:05:19,000 --> 00:05:21,300

what the beans look like?

88

00:05:21,400 --> 00:05:27,600

Well, he had round eyes and this kind of grayish white,

89

00:05:27,700 --> 00:05:29,040

humanoid.

90

00:05:29,140 --> 00:05:33,340

They were the classic almond-shaped grays.

91

00:05:33,440 --> 00:05:38,080

Many abductees will describe the gray as drones

92

00:05:38,180 --> 00:05:42,080

as if they were a bee colony and that they were workers.

93

00:05:42,180 --> 00:05:44,420

They could care less about your emotional state

94

00:05:44,520 --> 00:05:45,520

after the pact.

95

00:05:49,440 --> 00:05:51,160

Ella's encounters with the grays

96

00:05:51,260 --> 00:05:54,040

took a chilling turn when she was in her 30s

97

00:05:54,140 --> 00:05:56,600

and trying to start a family.

98

00:05:56,700 --> 00:06:02,840

I was having a lot of miscarriages.

99

00:06:02,940 --> 00:06:05,640

We went to the doctor to get tested,

100

00:06:05,740 --> 00:06:08,340

and we both were fine.

101

00:06:08,440 --> 00:06:11,580

You know, they said, oh, you're perfectly capable

102

00:06:11,680 --> 00:06:14,180

of having children.

103

00:06:14,280 --> 00:06:16,220

This has got to be hard to talk about.

104

00:06:16,300 --> 00:06:20,300

I was bawling my eyes out, like, what's going on?

105

00:06:20,400 --> 00:06:22,600

Why am I having these miscarriages?

106

00:06:22,700 --> 00:06:25,860

Despite her repeated trips to various doctors,

107

00:06:25,960 --> 00:06:30,200

Ella could not figure out the reason for her miscarriages

108

00:06:30,300 --> 00:06:32,300

until one terrifying night.

109

00:06:40,220 --> 00:06:41,420

I was in a lot of pain.

110

00:06:41,460 --> 00:06:42,960

You know, when I fell asleep.

111

00:06:46,960 --> 00:06:51,000

That's when I woke up to a gray being at the end of my bed.

112

00:06:54,600 --> 00:06:59,000

And I felt really kind of, like, crampy,

113

00:06:59,100 --> 00:07:00,800

and like I had a stomach ache.

114

00:07:00,900 --> 00:07:03,000

And he took my hand.

115

00:07:03,100 --> 00:07:04,500

What happens next?

116

00:07:04,600 --> 00:07:07,000

Well, I don't know.

117

00:07:07,100 --> 00:07:08,000

I don't know.

118

00:07:08,100 --> 00:07:09,000

I don't know.

119

00:07:09,080 --> 00:07:11,000

Well, I don't.

120

00:07:11,100 --> 00:07:14,540

I mean, it's not like, oh, it was like an ordered thing.

121

00:07:14,640 --> 00:07:16,040

I have pieces of it.

122

00:07:16,140 --> 00:07:17,000

What do you remember?

123

00:07:22,000 --> 00:07:25,080

I remember being in the ship and looking down at the earth.

124

00:07:28,080 --> 00:07:31,680

It was very clinical, like a lab,

125

00:07:31,780 --> 00:07:34,080

except there were bassinets.

126

00:07:39,060 --> 00:07:39,960

It was a nursery.

127

00:07:42,560 --> 00:07:45,560

But whatever was inside those bassinets

128

00:07:45,660 --> 00:07:49,200

wasn't entirely human.

129

00:07:49,300 --> 00:07:51,700

With creeping terror, Ella realized

130

00:07:51,800 --> 00:07:55,740

she was surrounded by alien human hybrid infants

131

00:07:55,840 --> 00:07:58,080

and that they had come from her own womb.

132

00:08:01,080 --> 00:08:06,080

I started realizing that I was being used as an incubator.

133

00:08:10,000 --> 00:08:16,200

Wow, that is, um, that is, that's a lot to take in.

134

00:08:16,300 --> 00:08:20,800

I mean, so basically, you're saying

135

00:08:20,900 --> 00:08:23,640

that they had tagged you from a very young age

136

00:08:23,740 --> 00:08:27,380

that they were going to use you as an incubator.

137

00:08:27,480 --> 00:08:32,080

And then you helped them create these hybrids.

138

00:08:32,180 --> 00:08:35,880

Well, I don't know if I helped them consciously, OK?

139

00:08:35,980 --> 00:08:38,920

But, and I certainly don't remember a good thing.

140

00:08:39,020 --> 00:08:41,000

I don't agree to it.

141

00:08:41,100 --> 00:08:43,360

I want to make that clear.

142

00:08:43,460 --> 00:08:49,300

But yes, they did use me to incubate.

143

00:08:49,400 --> 00:08:53,200

So why do you think they brought you back to the ship?

144

00:08:53,300 --> 00:08:58,180

Because they're part human as well as part alien,

145

00:08:58,280 --> 00:09:02,840

they need the human touch in order to thrive and to grow.

146

00:09:02,940 --> 00:09:05,780

And that was the purpose of those abductions,

147

00:09:05,800 --> 00:09:09,740

was to be taken into the nursery and hold them

148

00:09:09,840 --> 00:09:11,840

and nurture them.

149

00:09:11,940 --> 00:09:17,020

Ella realized she'd been on this ship before,

150

00:09:17,120 --> 00:09:21,680

caring for babies that had been stolen from her own body.

151

00:09:21,780 --> 00:09:24,720

But finally, she understood why she had struggled

152

00:09:24,820 --> 00:09:27,460

to get pregnant for years.

153

00:09:27,560 --> 00:09:29,820

And when she awoke back in her bed,

154

00:09:29,920 --> 00:09:34,000

something terrible happened that confirmed her worst fears.

155

00:09:34,000 --> 00:09:40,560

I went to the bathroom, and I passed this entire placenta.

156

00:09:51,140 --> 00:09:53,340

And I didn't know it was a placenta,

157

00:09:53,440 --> 00:09:54,980

because I never saw that before in my life.

158

00:09:55,080 --> 00:09:57,520

So I was like, oh, my god, what just came out of me?

159

00:09:57,620 --> 00:10:01,220

And I got a little panicky, and I went and called my husband.

160

00:10:01,340 --> 00:10:04,680

And he took me to the hospital, and they checked me

161

00:10:04,780 --> 00:10:08,580

and analyzed everything and said I had just had a miscarriage.

162

00:10:08,680 --> 00:10:11,880

And it was between eight and 10 weeks.

163

00:10:11,980 --> 00:10:13,720

And they said it was really unusual,

164

00:10:13,820 --> 00:10:16,720

because everything was intact.

165

00:10:16,820 --> 00:10:19,660

And the only thing that was missing was the fetus.

166

00:10:22,160 --> 00:10:24,000

And what do you think happened to the fetus?

167

00:10:24,100 --> 00:10:28,400

So the gray alien that showed up at the edge of my bed

168

00:10:28,500 --> 00:10:30,100

when I miscarried that night.

169

00:10:31,280 --> 00:10:36,180

I believe he came to get the fetus.

170

00:10:36,280 --> 00:10:39,520

It's about this hybridization program

171

00:10:39,620 --> 00:10:43,520

that the grays have been facilitating.

172

00:10:43,620 --> 00:10:46,860

Therapist Geraldine Arrozco runs a support group

173

00:10:46,960 --> 00:10:50,660

for victims describing alien hybridization programs.

174

00:10:50,760 --> 00:10:53,540

The hybridization program, what it is,

175

00:10:53,640 --> 00:10:57,040

is genetic information that is taken from humans

176

00:10:57,140 --> 00:10:59,980

and combined with ET or interdimensional beings

177

00:11:00,000 --> 00:11:02,640

in order to produce children.

178

00:11:02,740 --> 00:11:07,040

Many questions about hybridization are still unanswered.

179

00:11:07,140 --> 00:11:11,380

Why would these extraterrestrials create hybrid children?

180

00:11:11,480 --> 00:11:12,980

What happens to them?

181

00:11:13,080 --> 00:11:17,420

What fate awaits the unwilling parents?

182

00:11:17,520 --> 00:11:22,320

Why would gray aliens harvest hybrid babies from humans?

183

00:11:22,420 --> 00:11:26,160

Is it possible they're building an army to lead an invasion?

184

00:11:27,120 --> 00:11:29,920

Ella feels victimized at the hands of the grays,

185

00:11:30,020 --> 00:11:32,860

which has left her emotionally traumatized.

186

00:11:32,960 --> 00:11:34,460

How does that make you feel?

187

00:11:34,560 --> 00:11:38,560

You're basically saying I've been kind of tagged, monitored,

188

00:11:38,660 --> 00:11:40,560

and then used.

189

00:11:40,660 --> 00:11:42,300

I felt like a victim.

190

00:11:42,400 --> 00:11:45,740

I don't ever remember giving permission,

191

00:11:45,840 --> 00:11:48,600

calling it in, asking for it.

192

00:11:48,700 --> 00:11:52,340

Would you agree, then, that at least in the first place

193

00:11:52,400 --> 00:11:55,560

the grays seem to be deceivers?

194

00:11:55,660 --> 00:11:58,740

They're creating, like you said, you felt terror.

195

00:11:58,840 --> 00:12:00,100

Yes.

196

00:12:00,200 --> 00:12:03,040

They use some type of technology

197

00:12:03,140 --> 00:12:05,440

to do the sleep paralysis.

198

00:12:05,540 --> 00:12:10,740

It feels like you're under a spell beyond our control.

199

00:12:10,840 --> 00:12:14,920

And I think that that's why it's called an abduction,

200

00:12:15,020 --> 00:12:17,020

because it's like a kidnapping.

201

00:12:17,120 --> 00:12:20,220

I think that's why it's called an abduction.

202

00:12:20,300 --> 00:12:25,720

Do you think it'd be possible for you to draw the aliens?

203

00:12:25,820 --> 00:12:28,420

The one that I saw at the end of the bed,

204

00:12:28,520 --> 00:12:33,720

the night of the miscarriage, had round black eyes.

205

00:12:33,820 --> 00:12:36,420

They were all four to five feet.

206

00:12:36,520 --> 00:12:39,020

Ella's drawing looks like a classic gray.

207

00:12:42,120 --> 00:12:46,020

Grays have very big but not as big as the other.

208

00:12:47,020 --> 00:12:49,520

Grays have very big bug eyes.

209

00:12:49,620 --> 00:12:52,520

They're sort of almond-shaped.

210

00:12:52,620 --> 00:12:56,820

The grays use what we call a powerful mind telepathy

211

00:12:56,920 --> 00:12:59,220

to subdue their abductees.

212

00:13:02,820 --> 00:13:05,520

According to UFO researchers, these short grays

213

00:13:05,620 --> 00:13:09,520

are controlled by taller gray aliens.

214

00:13:09,620 --> 00:13:15,020

Taller grays are often referred to by abductees or contactees.

215

00:13:15,020 --> 00:13:17,020

As the doctor.

216

00:13:18,320 --> 00:13:21,020

He's the guy, if there's going to be any cutting on you

217

00:13:21,120 --> 00:13:25,020

or any surgical work, he's the one that will normally do that.

218

00:13:27,120 --> 00:13:28,520

We've interviewed a lot of people,

219

00:13:28,620 --> 00:13:33,020

but Ella is the first one that's mentioned a hybrid program.

220

00:13:33,120 --> 00:13:35,020

So what's going on here?

221

00:13:35,120 --> 00:13:41,020

Are we on the edge of some kind of merging with alien life?

222

00:13:41,120 --> 00:13:44,020

Some of the things that Ella explained to us

223

00:13:44,020 --> 00:13:46,020

about the craft was really interesting too.

224

00:13:46,120 --> 00:13:50,020

It was very sterile, very cold, even the nursery,

225

00:13:50,120 --> 00:13:54,020

she said, was very lab-like, if you will.

226

00:13:54,120 --> 00:13:58,520

Ella's last encounter took place in Centennial, Colorado,

227

00:13:58,620 --> 00:14:00,020

in May 2017.

228

00:14:03,520 --> 00:14:07,020

Ben and Melissa have found a witness who lives in the vicinity

229

00:14:07,120 --> 00:14:11,020

and had a remarkable UFO sighting at that time as well.

230

00:14:11,120 --> 00:14:13,920

Could this UFO have been put on the scene?

231

00:14:14,020 --> 00:14:16,920

They were piloted by the grays.

232

00:14:23,020 --> 00:14:25,520

LT Edwards has agreed to meet near the location

233

00:14:25,620 --> 00:14:27,520

where he saw the craft.

234

00:14:27,620 --> 00:14:30,520

Well, thanks for joining us out here.

235

00:14:30,620 --> 00:14:32,020

What is it you saw?

236

00:14:32,020 --> 00:14:37,020

I was driving down the highway with my girlfriend at the time.

237

00:14:40,020 --> 00:14:44,020

He saw this very small bead of life.

238

00:14:44,120 --> 00:14:46,020

I didn't know what it was.

239

00:14:46,120 --> 00:14:48,520

I pointed out to her, said, hey, what do you think that is?

240

00:14:48,620 --> 00:14:51,020

You can see it right, and she saw it as well.

241

00:14:51,120 --> 00:14:55,020

I was driving down the highway with my girlfriend at the time.

242

00:14:55,120 --> 00:14:58,020

He saw this very small bead of life.

243

00:14:58,120 --> 00:15:00,020

I didn't know what it was.

244

00:15:01,020 --> 00:15:05,020

And as we were driving south, it passed over us.

245

00:15:07,020 --> 00:15:11,020

So I was able to look up and see this flying straight across the sky.

246

00:15:13,020 --> 00:15:19,020

It's moving real slow, probably about the size of like a small helicopter or something.

247

00:15:19,120 --> 00:15:21,020

But it obviously was not that.

248

00:15:21,120 --> 00:15:24,020

No propellers, no nothing, no wings.

249

00:15:24,120 --> 00:15:27,020

Just radiating this bright white light.

250

00:15:30,020 --> 00:15:34,020

You couldn't see any details other than its shape overall,

251

00:15:34,120 --> 00:15:36,020

which was definitely like a pill shape.

252

00:15:38,020 --> 00:15:39,020

And what color was it?

253

00:15:39,120 --> 00:15:41,020

It was like white, it was all white.

254

00:15:41,120 --> 00:15:44,020

See any other color to it, it was completely white.

255

00:15:44,120 --> 00:15:48,020

Sounds a lot like the Tic Tac reported, doesn't it?

256

00:15:48,120 --> 00:15:56,020

The Tic Tac is a pill shaped UFO encountered by US Navy fighter pilots in 2004.

257

00:15:56,020 --> 00:15:59,020

The government's footage of the event was leaked to the press

258

00:15:59,120 --> 00:16:03,020

and the Pentagon confirmed the craft was a legitimate UFO.

259

00:16:03,120 --> 00:16:05,020

Oh my gosh, dude.

260

00:16:10,020 --> 00:16:16,020

Could the craft L.T. encountered be related to the infamous Tic Tac

261

00:16:16,120 --> 00:16:22,020

and are the grays using them to abduct humans for a hybridization program?

262

00:16:23,020 --> 00:16:25,020

How does this change your perspective?

263

00:16:25,120 --> 00:16:30,020

I mean, you're just on a highway with your girlfriend going to wherever you're supposed to go

264

00:16:30,120 --> 00:16:32,020

and then this happens.

265

00:16:32,120 --> 00:16:36,020

Definitely made me feel a little like, what's going on out there?

266

00:16:37,020 --> 00:16:39,020

What else is there that I'm missing here?

267

00:16:39,120 --> 00:16:45,020

Because I thought I knew most of everything of what's in the sky and now I definitely don't.

268

00:16:46,020 --> 00:16:50,020

Is there anything else you want to tell us about the experience or how you feel or anything?

269

00:16:50,020 --> 00:16:55,020

Mostly I just hope other people that are seeing things like this will share their stories too

270

00:16:55,120 --> 00:16:59,020

so we can come together and try to figure out what we're seeing in our skies.

271

00:17:02,020 --> 00:17:07,020

What I like about L.T.'s sighting is it's representative of really just the tip of the iceberg.

272

00:17:08,020 --> 00:17:12,020

I'm still getting reports of cattle mutilations that are happening here.

273

00:17:13,020 --> 00:17:15,020

Actual abductions people are reporting.

274

00:17:15,020 --> 00:17:20,020

It seems like in certain pockets of Colorado, things are really amping up.

275

00:17:21,020 --> 00:17:27,020

With a craft potentially linked to the grays and the hybridization program,

276

00:17:28,020 --> 00:17:32,020

Ben and Melissa decide to split up in their quest for answers.

277

00:17:33,020 --> 00:17:37,020

Ben will meet with a witness who has also seen a tic-tac craft in the region

278

00:17:38,020 --> 00:17:44,020

while Melissa talks with an expert who's been investigating the grays' activity across the Rocky Mountains.

279

00:17:45,020 --> 00:17:46,020

Are you ready for me? Okay?

280

00:17:47,020 --> 00:17:48,020

Yes. Very well.

281

00:17:49,020 --> 00:17:57,020

Noe Torres is a member of the Mutual UFO Network and one of the foremost experts on reports of grays and hybridization programs in the Intermountain states.

282

00:18:00,020 --> 00:18:02,020

So just a little backstory about you.

283

00:18:03,020 --> 00:18:10,020

You've written a ton of books about UFO interactions where people were attacked by UFOs. Is that correct?

284

00:18:10,020 --> 00:18:23,020

Yes, that's been an area that I've been very fascinated by. Incidents where UFOs hurt or seriously injured the witnesses or the persons involved in the case.

285

00:18:24,020 --> 00:18:34,020

How many of these stories have you come across where a UFO or something otherworldly has literally tried to almost attack humans?

286

00:18:34,020 --> 00:18:52,020

We have come across a wealth of stories from throughout the United States where people were threatened with bodily harm or they were actually injured by the UFOs themselves or the occupants of these UFOs.

287

00:18:53,020 --> 00:18:55,020

These beans, did they describe what they look like?

288

00:18:55,020 --> 00:19:04,020

There's a lot of cases where these witnesses have described the small three to four foot tall entities known as the grays.

289

00:19:08,020 --> 00:19:10,020

What do you think these alien beings are doing?

290

00:19:10,020 --> 00:19:26,020

I've heard a lot of compelling evidence and statements from experts who suggest that the ETs were somehow trying to extract genetic materials, semen, ovum.

291

00:19:27,020 --> 00:19:34,020

If gray aliens are taking reproductive cells from their victims, could they be combining them with their own DNA for hybrids?

292

00:19:35,020 --> 00:19:44,020

So the same thing has happened with the animal cases where mutilation has occurred. Usually the mutilation is done with surgical precision.

293

00:19:46,020 --> 00:19:57,020

Animal mutilations at the hands of extraterrestrials, particularly cattle, is one of the great mysteries of ufology. But researchers agree on a leading theory.

294

00:19:58,020 --> 00:20:09,020

The grays are often involved in the cattle mutilation scenarios. You say, well, why would they do that? Why would they mutilate a cow? Why would they mutilate human beings?

295

00:20:10,020 --> 00:20:19,020

They're higher beings than us and they're doing what they need to do. The basic view is that they're trying to hybridize human beings and they're going to take over the planet.

296

00:20:20,020 --> 00:20:30,020

Could these animal mutilations be an attempt by the grays to understand earthly biology? Is it step one in the hybridization program?

297

00:20:31,020 --> 00:20:45,020

I always was fascinated with some of the cow mutilations, but getting into the same kind of thing with humans, it just seems to be escalating. And it's really frightening.

298

00:20:46,020 --> 00:20:50,020

The more we learn about the grays, the more that fear might be justified.

299

00:20:51,020 --> 00:21:02,020

What's really interesting is that there have been a number of cases where bodies of grays following crash retrievals have been studied carefully.

300

00:21:03,020 --> 00:21:07,020

Although a lot of the results of these studies have not been released publicly.

301

00:21:08,020 --> 00:21:16,020

One of the most terrifying revelations about these creatures comes from top secret autopsies conducted in clandestine government sites.

302

00:21:17,020 --> 00:21:24,020

It appears that they have no digestive system and no reproductive system. So the question becomes, what are they?

303

00:21:25,020 --> 00:21:37,020

They seem to be some type of creature that's been cloned specifically to survive and to probe the Earth's atmosphere and the Earth's surface.

304

00:21:38,020 --> 00:21:50,020

So perhaps they are manufactured beings, but they are not the ones who are pulling the strings. I mean, there's some master intelligence that is controlling them.

305

00:21:50,020 --> 00:21:57,020

And who that master intelligence is, is up for debate. It could be lots of different species.

306

00:22:00,020 --> 00:22:08,020

In the 1970s, the FBI investigated over 8,000 cattle mutilations across the Colorado region.

307

00:22:11,020 --> 00:22:18,020

But if Noe's theory is correct, the Rocky Mountains could be ground zero for the Grays Hybridization Program.

308

00:22:21,020 --> 00:22:31,020

Across town, Ben meets with a witness to tic-tac activity in the region who may have had a close encounter with gray aliens.

309

00:22:38,020 --> 00:22:43,020

So Katie, we've talked to someone who claims that they saw a fast-moving pill-shaped object.

310

00:22:43,020 --> 00:22:50,020

And then I talked to someone who believes that she's been abducted ever since she was about two years old, having experience with grays.

311

00:22:51,020 --> 00:22:53,020

Right now, I know that Colorado is a hotspot.

312

00:22:54,020 --> 00:22:59,020

Well, yeah, Colorado for sure. I mean, we have a long history. Was this a witness that had experiences with the grays?

313

00:23:00,020 --> 00:23:01,020

Does she have that in Colorado here?

314

00:23:02,020 --> 00:23:03,020

Yes.

315

00:23:04,020 --> 00:23:11,020

Yeah, you know, I've been researching a phenomenon that happened to me decades ago out in Elbert County, Colorado on a ranch.

316

00:23:11,020 --> 00:23:13,020

It was known as the Clearview Ranch.

317

00:23:21,020 --> 00:23:24,020

It was the year 1977. It was a weekend night.

318

00:23:26,020 --> 00:23:30,020

Me and my older sister were hanging out with the three boys that lived on the ranch property.

319

00:23:32,020 --> 00:23:34,020

All of a sudden, this loud hum starts up.

320

00:23:37,020 --> 00:23:39,020

All the power goes out in the house.

321

00:23:42,020 --> 00:23:45,020

Out the window, big, bright, white light.

322

00:23:46,020 --> 00:23:48,020

No sound. It wasn't a helicopter.

323

00:23:49,020 --> 00:23:51,020

Brightest light I have ever seen in my life.

324

00:23:52,020 --> 00:23:55,020

All of a sudden, we heard this disembodied voice.

325

00:23:56,020 --> 00:23:59,020

It came from every orifice of that ranch house, and it said,

326

00:24:00,020 --> 00:24:05,020

We allowed you to remain. Your friends will be warned to keep silent concerning us.

327

00:24:11,020 --> 00:24:14,020

My mom was terrified. Get in the car.

328

00:24:17,020 --> 00:24:22,020

When I arrived home from that episode that night, I went paralyzed and I couldn't even talk.

329

00:24:23,020 --> 00:24:25,020

And I got my first really bad migraine headache that night.

330

00:24:26,020 --> 00:24:29,020

And I had severe migraine headaches after that.

331

00:24:30,020 --> 00:24:35,020

Is it possible Kate experienced missing time and was even abducted?

332

00:24:36,020 --> 00:24:38,020

This is the most disturbing thought for me, okay?

333

00:24:38,020 --> 00:24:42,020

We talked to a witness that claims that she has been abducted since she was two.

334

00:24:43,020 --> 00:24:46,020

She was disturbed the fact she never gave consent.

335

00:24:47,020 --> 00:24:48,020

Right.

336

00:24:49,020 --> 00:24:52,020

And here again, we have you growing up, you know, visiting a ranch.

337

00:24:53,020 --> 00:24:57,020

You have this warning, this threat given to you that says we have allowed you to be here.

338

00:24:58,020 --> 00:25:01,020

Who gave them the right to tell you where you can live and what you can do?

339

00:25:02,020 --> 00:25:03,020

I have a problem with that.

340

00:25:03,020 --> 00:25:08,020

Somebody thinks they're in control and somebody doesn't want their agenda to be known.

341

00:25:09,020 --> 00:25:12,020

But Katie wasn't afraid to take matters into her own hands.

342

00:25:13,020 --> 00:25:20,020

I joined Mufond in 2012 to look for answers for all the stuff that happened at that ranch at the time.

343

00:25:21,020 --> 00:25:25,020

Katie became the go-to contact for strange encounters at Clearview Ranch.

344

00:25:26,020 --> 00:25:31,020

And over the past decade, she's heard of numerous sightings of Tic Tac UFOs.

345

00:25:31,020 --> 00:25:32,020

There were craft sightings.

346

00:25:33,020 --> 00:25:35,020

One incident really grabbed her attention.

347

00:25:36,020 --> 00:25:40,020

A pair of fighter planes that collided in mid-air in 1975.

348

00:25:41,020 --> 00:25:44,020

There were two interceptors that were flying out of Buckley.

349

00:25:49,020 --> 00:25:53,020

And in this document here, it says they were in pursuit of a UFO.

350

00:25:56,020 --> 00:25:58,020

And that the two interceptors crashed.

351

00:25:58,020 --> 00:25:59,020

The pilots are dead?

352

00:26:00,020 --> 00:26:01,020

No, they actually both lived.

353

00:26:02,020 --> 00:26:04,020

They both pulled their shoes and they lived.

354

00:26:07,020 --> 00:26:11,020

I actually FOIA'd Kirkland Air Force Base, Mishap's office.

355

00:26:12,020 --> 00:26:14,020

I got this big packet back, which was really interesting.

356

00:26:15,020 --> 00:26:19,020

The file Katie acquired through the Freedom of Information Act was heavily redacted.

357

00:26:20,020 --> 00:26:21,020

But it did mention a UFO.

358

00:26:22,020 --> 00:26:23,020

So you're going to be in the same place?

359

00:26:23,020 --> 00:26:25,020

The Freedom of Information Act was heavily redacted.

360

00:26:26,020 --> 00:26:27,020

But it did mention a UFO.

361

00:26:28,020 --> 00:26:32,020

So you're saying in here they're talking about a third craft?

362

00:26:33,020 --> 00:26:37,020

Yeah, they're talking about that the pilot sees another craft.

363

00:26:39,020 --> 00:26:43,020

The pilots describe the unknown craft as long and cylindrical in shape.

364

00:26:44,020 --> 00:26:48,020

Closely matching contemporary descriptions of Tic Tac UFOs.

365

00:26:49,020 --> 00:26:53,020

This is all like within the clear view kind of area.

366

00:26:54,020 --> 00:27:02,020

If that's not frightening enough, the concentration of UFO sightings in the sky correlates with another wave of disturbing activity on the ground.

367

00:27:03,020 --> 00:27:06,020

Here in Elbert County, we had all sorts of cattle mutilations almost occurring daily.

368

00:27:07,020 --> 00:27:10,020

Not only cow, but also horse, sheep, and even dog.

369

00:27:11,020 --> 00:27:15,020

So what are these ranchers reporting as far as the description of the mutilation?

370

00:27:15,020 --> 00:27:18,020

Oftentimes a lot of the blood is drained from the animal.

371

00:27:19,020 --> 00:27:27,020

Sometimes, you know, their tongue will be removed, their rectum will be removed, an ear, an eye, just certain things.

372

00:27:28,020 --> 00:27:30,020

They have these cuts that are like laser precision.

373

00:27:31,020 --> 00:27:36,020

What is your opinion as to why they're looking for specific organs or why the blood is drained?

374

00:27:37,020 --> 00:27:39,020

I don't know if it's for genetic purposes.

375

00:27:40,020 --> 00:27:42,020

I don't know if it has to do with a hybrid program.

376

00:27:42,020 --> 00:27:44,020

Who knows?

377

00:27:45,020 --> 00:27:46,020

Well, that's the big puzzle, right?

378

00:27:47,020 --> 00:27:51,020

Are they using the ranches and livestock as a laboratory?

379

00:27:52,020 --> 00:27:53,020

I have no idea.

380

00:27:54,020 --> 00:27:55,020

Tic Tac's above.

381

00:27:56,020 --> 00:27:58,020

Animal mutilations below.

382

00:27:59,020 --> 00:28:01,020

The hallmarks of a hybridization program are present.

383

00:28:02,020 --> 00:28:10,020

Could ranches such as Clearview serve as a lab for Gray's intent on studying earthly life forms to create alien human hybrids?

384

00:28:13,020 --> 00:28:17,020

Mutilations happen in rural areas because it's less likely to be seen.

385

00:28:18,020 --> 00:28:23,020

Let's say you're the alien and you're trying to be covert about your operation.

386

00:28:24,020 --> 00:28:26,020

You don't want to see them bringing back a bunch of dead cattle.

387

00:28:27,020 --> 00:28:35,020

So what I'm going to do, I'm going to go back to talk to Melissa, my partner, and see if we can kind of put this together and actually get on the ranch.

388

00:28:36,020 --> 00:28:37,020

Please keep in touch with me though.

389

00:28:38,020 --> 00:28:41,020

I know a lot of calls are coming in and we've got a lot more to do.

390

00:28:42,020 --> 00:28:45,020

Absolutely. Yeah, I'm just seeking answers like everybody else.

391

00:28:46,020 --> 00:28:48,020

There seems to be some patterns emerging here.

392

00:28:49,020 --> 00:28:58,020

The cattle mutilations with the degree they're described and the entities that witnesses are saying are in the same locale is very interesting to me.

393

00:28:59,020 --> 00:29:01,020

Katie really got me excited about getting out.

394

00:29:05,020 --> 00:29:07,020

The Grays, they're extremely intelligent.

395

00:29:07,020 --> 00:29:13,020

They're almost machine-like. They're so scientific in their approach.

396

00:29:14,020 --> 00:29:16,020

They're basically studying the animals.

397

00:29:17,020 --> 00:29:22,020

Could the Grays be studying cattle as a gateway to understanding earthly life forms?

398

00:29:23,020 --> 00:29:33,020

If cattle mutilations are indeed step one in the gray hybridization program, then ranches like Clearview could be the key to exposing their nefarious plans.

399

00:29:37,020 --> 00:29:50,020

Ben connects with an investigator that not only has access to a remote ranch with high levels of alleged gray activity, but has seen recent evidence of cattle mutilations there within the past year.

400

00:29:51,020 --> 00:30:01,020

I was actually talking to a guy named Greg. He contacted me online. He said that he has active investigations here. The guy is former law enforcement.

401

00:30:01,020 --> 00:30:08,020

He's been doing this for quite a while. He actually responded to some cattle mutilations while he was on the force.

402

00:30:09,020 --> 00:30:14,020

And now he wants to talk to us. He can let us take a look and see what's been going on.

403

00:30:18,020 --> 00:30:19,020

What are you doing?

404

00:30:20,020 --> 00:30:21,020

Good. It's good to finally meet you.

405

00:30:22,020 --> 00:30:23,020

Nice to meet you.

406

00:30:24,020 --> 00:30:25,020

Thank you for reaching out to me.

407

00:30:26,020 --> 00:30:31,020

Sounds like you have a lot going on out here.

408

00:30:32,020 --> 00:30:37,020

Yeah, we do. This ranch has had 16 mutilations.

409

00:30:38,020 --> 00:30:39,020

16?

410

00:30:40,020 --> 00:30:41,020

Most recent one was in November.

411

00:30:42,020 --> 00:30:48,020

With potential gray activity happening so recently, this could be Ben and Melissa's best chance for answers.

412

00:30:48,020 --> 00:30:55,020

You started out in law enforcement and you actually investigated some of these things while on duty and that got your interest?

413

00:30:56,020 --> 00:31:01,020

Yeah, that's correct. I was with the Los Angeles County Sheriff's Department. I handled several of them.

414

00:31:02,020 --> 00:31:06,020

Okay, I'll be honest. When I was a cop, it was just a dead cow I was going out on.

415

00:31:07,020 --> 00:31:11,020

But here's the thing. You get out there and you see something you can't explain.

416

00:31:12,020 --> 00:31:15,020

The cow was killed somewhere else.

417

00:31:15,020 --> 00:31:23,020

Okay. Could you maybe take us out to it and let's take a look and tell me more about how it was discovered out there.

418

00:31:24,020 --> 00:31:25,020

Okay, sure.

419

00:31:30,020 --> 00:31:31,020

In here.

420

00:31:40,020 --> 00:31:41,020

There it is.

421

00:31:42,020 --> 00:31:43,020

There she be.

422

00:31:46,020 --> 00:31:48,020

This carcass. It was a full adult heifer?

423

00:31:49,020 --> 00:31:51,020

Yeah, about three, four years old.

424

00:31:52,020 --> 00:31:55,020

Okay. When was this discovered?

425

00:31:56,020 --> 00:31:58,020

He reported it to me November 2nd of 2021.

426

00:31:59,020 --> 00:32:09,020

The rancher didn't just happen upon the mutilated cow carcass. He also had a close encounter with the grays. Knowing he could trust Greg, he called him for help.

427

00:32:10,020 --> 00:32:14,020

He calls me, told me that he was sleeping in his bunk house.

428

00:32:15,020 --> 00:32:30,020

He woke up in the middle of the night and then he said the bed starts shaking.

429

00:32:31,020 --> 00:32:40,020

And he said I felt a tingling sensation at the top of my head go all the way down to my toes and then all the way back up.

430

00:32:40,020 --> 00:32:45,020

I said Tom, I'll be there in about two seconds.

431

00:32:46,020 --> 00:32:51,020

Was the rancher on the verge of being abducted into the grays hybridization program?

432

00:32:55,020 --> 00:33:04,020

When Greg arrived at the ranch, he made a horrifying discovery. A cow had been killed and mutilated in a gruesome manner.

433

00:33:04,020 --> 00:33:13,020

So I get here and the first thing you see is this huge pattern missing from the back.

434

00:33:17,020 --> 00:33:26,020

It was a perfect incision all the way around with the pattern and then right here, a square patch was cut out. Just a square patch right there.

435

00:33:27,020 --> 00:33:32,020

But even stranger, organs had been removed with inhuman precision.

436

00:33:34,020 --> 00:33:40,020

The whole rear end was removed. I mean everything was, it's just what, it's not there.

437

00:33:42,020 --> 00:33:53,020

What makes this one interesting, it was a couple months pregnant when it was taken and there's no fetus, there's no nothing.

438

00:33:54,020 --> 00:33:56,020

Now was the fetus found?

439

00:33:57,020 --> 00:33:59,020

No, we looked down here.

440

00:34:00,020 --> 00:34:01,020

No, he looked right out.

441

00:34:02,020 --> 00:34:11,020

Just as Ella had her unborn child torn away from her, this cow's unborn calf appears to have suffered the same fate.

442

00:34:12,020 --> 00:34:18,020

Could this be evidence that cattle mutilations are linked to the grays hybridization program?

443

00:34:20,020 --> 00:34:21,020

You know what?

444

00:34:26,020 --> 00:34:28,020

My camera's hung up.

445

00:34:29,020 --> 00:34:34,020

Suddenly something unexplained causes one of the crew's cameras to short out.

446

00:34:35,020 --> 00:34:36,020

What happened?

447

00:34:37,020 --> 00:34:39,020

It literally sounded like a tape, like a, you know how like a...

448

00:34:40,020 --> 00:34:41,020

Yeah, I heard that.

449

00:34:42,020 --> 00:34:43,020

What is it saying?

450

00:34:45,020 --> 00:34:46,020

I don't know.

451

00:34:47,020 --> 00:34:48,020

Now my camera's bugging out.

452

00:34:50,020 --> 00:34:57,020

Both cameras are unexplainably rendered inoperable. Luckily the audio rig continues to work.

453

00:34:58,020 --> 00:35:00,020

That kind of thing happens all the time out here.

454

00:35:01,020 --> 00:35:02,020

We should really test this area.

455

00:35:04,020 --> 00:35:11,020

Anomalous energy activity is common on the ranch, often interfering with electronics. What is causing it?

456

00:35:11,020 --> 00:35:12,020

And why?

457

00:35:19,020 --> 00:35:25,020

Minutes later, just as mysteriously, the cameras start working again and the investigation continues.

458

00:35:26,020 --> 00:35:27,020

What do you think their intent is?

459

00:35:28,020 --> 00:35:33,020

I can't make people believe this, but we've been in contact with the ones responsible.

460

00:35:34,020 --> 00:35:36,020

Explain to me who are you in contact with.

461

00:35:36,020 --> 00:35:41,020

It's the grays. Okay, it's the grays that are doing it.

462

00:35:42,020 --> 00:35:46,020

Finally, a significant connection to the grays.

463

00:35:47,020 --> 00:35:51,020

A remote cattle ranch's secret labs for hybridization efforts.

464

00:35:52,020 --> 00:35:55,020

Are they looking for genetic material? Are they experimenting with...

465

00:35:56,020 --> 00:36:00,020

They're using the blood, they're using the blood to create...

466

00:36:00,020 --> 00:36:04,020

They're using the blood, they're using the blood to create...

467

00:36:06,020 --> 00:36:07,020

Life.

468

00:36:11,020 --> 00:36:18,020

You know what I'd like to do is just kind of look around a little bit at this carcass and kind of check the area out.

469

00:36:19,020 --> 00:36:20,020

Fine.

470

00:36:21,020 --> 00:36:25,020

The camera malfunctions cause Ben and Melissa to minimize their footprint for the investigation.

471

00:36:26,020 --> 00:36:28,020

They will take their next steps alone.

472

00:36:28,020 --> 00:36:30,020

Well, thank you so much. I'm sure we'll be in touch.

473

00:36:31,020 --> 00:36:32,020

Oh, yeah. It's nice to meet you.

474

00:36:33,020 --> 00:36:38,020

Ben and Melissa devise a plan to search for evidence that the grays are near.

475

00:36:39,020 --> 00:36:41,020

And they will take an unconventional approach.

476

00:36:42,020 --> 00:36:46,020

The grays' worlds also are very multi-dimensional.

477

00:36:47,020 --> 00:36:50,020

They travel the universe interdimensionally.

478

00:36:50,020 --> 00:36:57,020

Their crafts are able to hide in pocket dimensions in the fourth dimension.

479

00:36:58,020 --> 00:37:05,020

They can monitor everything from this place where we can't see them here.

480

00:37:06,020 --> 00:37:13,020

Many UFO researchers theorize that extraterrestrials are able to travel great distances across

space

481

00:37:13,020 --> 00:37:20,020

because their technology, or they themselves, can operate in dimensions higher than the ones we are capable of perceiving.

482

00:37:22,020 --> 00:37:26,020

But the fact that we can't see them doesn't mean they aren't there.

483

00:37:27,020 --> 00:37:32,020

When Greg brought us out to this cow, what's really strange is as soon as we got to that carcass,

484

00:37:33,020 --> 00:37:36,020

we had some camera issues with some weird noises.

485

00:37:37,020 --> 00:37:40,020

So we're going to bring a couple pieces of equipment out here just to test it.

486

00:37:40,020 --> 00:37:45,020

Just to kind of see if there's any anomalies with the electromagnetic field.

487

00:37:47,020 --> 00:37:54,020

Ben and Melissa devise a plan that will tell them if the grays are operating at the ranch interdimensionally.

488

00:37:55,020 --> 00:37:58,020

So what I'm thinking, we have what, four rem pods?

489

00:37:59,020 --> 00:38:00,020

Yeah, we have four.

490

00:38:01,020 --> 00:38:06,020

So if we kind of put one maybe here, here, here and here, we establish a perimeter.

491

00:38:07,020 --> 00:38:08,020

Around the carcass.

492

00:38:09,020 --> 00:38:14,020

A rem pod is a battery powered device that generates a small electromagnetic field.

493

00:38:16,020 --> 00:38:22,020

If anything breaks that field, visible or not, the rem pod light will change from red to green.

494

00:38:25,020 --> 00:38:30,020

I set the EMF meter directly on top of the carcass here.

495

00:38:30,020 --> 00:38:36,020

The carcass here, then we just kind of stand back, you know, set up our audio equipment, let it roll,

496

00:38:37,020 --> 00:38:39,020

and just kind of take in the vibe and see what something happens.

497

00:38:40,020 --> 00:38:44,020

The moment Ben steps away, something strange begins to happen.

498

00:38:46,020 --> 00:38:47,020

This is going off.

499

00:38:51,020 --> 00:38:54,020

Can we get a camera on the meter here?

500

00:38:55,020 --> 00:38:56,020

The needle is going crazy.

501

00:39:00,020 --> 00:39:02,020

Everyone stand back.

502

00:39:03,020 --> 00:39:04,020

Can we stand back for a second?

503

00:39:06,020 --> 00:39:07,020

Look it, look it.

504

00:39:08,020 --> 00:39:09,020

That's crazy.

505

00:39:10,020 --> 00:39:15,020

All of my phone is off, all of the headsets the crew is using to communicate with are off.

506

00:39:16,020 --> 00:39:17,020

It's intermittent too.

507

00:39:18,020 --> 00:39:19,020

Right now.

508

00:39:20,020 --> 00:39:25,020

As Ben and Melissa count the intervals between the needles spiking, a pattern begins to emerge.

509

00:39:26,020 --> 00:39:28,020

That's one thousand two thousand three.

510

00:39:28,020 --> 00:39:33,020

The EMF meter goes quiet, only to jump back into action.

511

00:39:34,020 --> 00:39:39,020

Nine thousand ten, eleven, twelve, thirteen.

512

00:39:40,020 --> 00:39:41,020

It's going.

513

00:39:42,020 --> 00:39:43,020

Thirteen seconds.

514

00:39:44,020 --> 00:39:45,020

That's crazy.

515

00:39:46,020 --> 00:39:47,020

It's about thirteen, fourteen seconds.

516

00:39:48,020 --> 00:39:49,020

Yes, I know.

517

00:39:49,020 --> 00:39:56,020

Matching intervals of electromagnetic interference means whatever the source is, it's not random interference.

518

00:39:56,020 --> 00:40:00,020

Do we want to pick up audio to see if there's something?

519

00:40:00,020 --> 00:40:02,020

Yeah, we should get rolling on that too.

520

00:40:02,020 --> 00:40:03,020

Okay.

521

00:40:04,020 --> 00:40:05,020

Oh, what was that?

522

00:40:06,020 --> 00:40:07,020

What the hell is that?

523

00:40:07,020 --> 00:40:08,020

Get it, get it.

524

00:40:08,020 --> 00:40:09,020

What's going on?

525

00:40:09,020 --> 00:40:10,020

What is that?

526

00:40:15,020 --> 00:40:16,020

Is it that big?

527

00:40:16,020 --> 00:40:18,020

No, no, this wouldn't cause anything.

528

00:40:19,020 --> 00:40:20,020

Is your...

529

00:40:22,020 --> 00:40:24,020

The whole headset was going crazy?

530

00:40:24,020 --> 00:40:25,020

Yeah.

531

00:40:26,020 --> 00:40:27,020

Wow.

532

00:40:27,020 --> 00:40:28,020

Is that the IFP?

533

00:40:28,020 --> 00:40:29,020

Yeah.

534

00:40:29,020 --> 00:40:35,020

So the IFP, right, listening to our mics just went crazy?

535

00:40:35,020 --> 00:40:36,020

Yeah, but what not?

536

00:40:37,020 --> 00:40:38,020

That's weird.

537

00:40:38,020 --> 00:40:44,020

Is it possible that electromagnetic energy from grey alien experiments is causing the equipment to malfunction?

538

00:40:44,020 --> 00:40:48,020

Melissa decides to take matters into her own hands.

539

00:40:57,020 --> 00:41:01,020

I'm gonna wander out this way.

540

00:41:13,020 --> 00:41:14,020

What is that noise?

541

00:41:18,020 --> 00:41:19,020

Hey, Ben!

542

00:41:19,020 --> 00:41:20,020

Yeah?

543

00:41:21,020 --> 00:41:23,020

I got that ring in my ear again.

544

00:41:23,020 --> 00:41:24,020

Really?

545

00:41:24,020 --> 00:41:25,020

Yeah.

546

00:41:25,020 --> 00:41:26,020

This is so weird.

547

00:41:26,020 --> 00:41:27,020

This is really weird.

548

00:41:27,020 --> 00:41:28,020

This is really weird.

549

00:41:28,020 --> 00:41:33,020

And this is consistently going off about every, you know, 13 seconds or so.

550

00:41:33,020 --> 00:41:34,020

It's really weird.

551

00:41:35,020 --> 00:41:36,020

Are we being watched?

552

00:41:40,020 --> 00:41:42,020

I don't know, it sure feels like it.

553

00:41:43,020 --> 00:41:44,020

Let's pack these up.

554

00:41:44,020 --> 00:41:45,020

All right.

555

00:41:45,020 --> 00:41:53,020

If the grays are using this hotspot as an outpost for their clandestine program, it's clear they're going to great lengths

556

00:41:53,020 --> 00:41:56,020

to scare off anyone looking for answers.

557

00:41:56,020 --> 00:41:58,020

This is really interesting.

558

00:41:58,020 --> 00:42:00,020

Something's going on here.

559

00:42:02,020 --> 00:42:03,020

That was really weird.

560

00:42:03,020 --> 00:42:07,020

I mean, our crew experiencing the hypers frequency.

561

00:42:07,020 --> 00:42:08,020

What is that?

562

00:42:08,020 --> 00:42:09,020

What happened?

563

00:42:09,020 --> 00:42:10,020

It's going crazy.

564

00:42:10,020 --> 00:42:11,020

She had to rip it off.

565

00:42:11,020 --> 00:42:12,020

Just feed back, yeah.

566

00:42:13,020 --> 00:42:16,020

At the same time, the EMF meter has buried the needle, right?

567

00:42:16,020 --> 00:42:17,020

That shouldn't have been happening.

568

00:42:17,020 --> 00:42:20,020

That was so weird in like every 13 seconds.

569

00:42:20,020 --> 00:42:26,020

Whatever's going on here, it seems like electrical things are affected.

570

00:42:26,020 --> 00:42:31,020

If it is interdimensional, some of this may only show up on certain equipment, right?

571

00:42:31,020 --> 00:42:33,020

But is it deliberate?

572

00:42:33,020 --> 00:42:38,020

Is it because of the location and the energy that is unique here?

573

00:42:38,020 --> 00:42:45,020

Or is it a deliberate attempt for something out here to warn us or tell us that it's here?

574

00:42:46,020 --> 00:42:50,020

I mean, this is a massive property.

575

00:42:50,020 --> 00:42:53,020

We are in the middle of nowhere.

576

00:42:53,020 --> 00:43:01,020

But it's almost like the whole area is affected by this energy as if things are coming through.

577

00:43:01,020 --> 00:43:08,020

I think kind of the next step is looking for the descriptions that people are giving of what entities they believe have what roles.

578

00:43:08,020 --> 00:43:14,020

For example, people reporting the grays are involved with, you know, the mutilations.

579

00:43:14,020 --> 00:43:20,020

But the grays are also involved with people being taken from their beds at night.

580

00:43:20,020 --> 00:43:23,020

And possibly a hybrid program, you know.

581

00:43:23,020 --> 00:43:28,020

So we have a pattern here where humans and animals are being affected by the grays.

582

00:43:29,020 --> 00:43:35,020

Between the testimony of Ella LeBane, the tic-tac sightings by L.T. Edwards,

583

00:43:35,020 --> 00:43:42,020

the encounter with Katie Grabowski and the unexplained technological interferences at the ranch,

584

00:43:42,020 --> 00:43:54,020

there's compelling reason to theorize that the cattle mutilations in Colorado are just the first step in the grays' insidious efforts to create human-alien hybrids.

585

00:43:58,020 --> 00:44:02,020

That ranch was really interesting.

586

00:44:02,020 --> 00:44:07,020

Besides the mutilated cow, I felt like we were being watched.

587

00:44:08,020 --> 00:44:15,020

The grays and tic-tac craft can be added to the map of potential alien species encroaching on American soil.

588

00:44:15,020 --> 00:44:21,020

With star people encounters common just over 800 miles to the northwest,

589

00:44:21,020 --> 00:44:26,020

we could be in greater danger of alien war than previously thought.

590

00:44:26,020 --> 00:44:32,020

And furthermore, what other alien strongholds might be out there?

591

00:44:33,020 --> 00:44:42,020

On the next UFO witness, the investigation into human-gray hybrids brings fresh horrors to light.

592

00:44:42,020 --> 00:44:48,020

I remember seeing this horrid face looking at me, scared me terrible.

593

00:44:48,020 --> 00:44:50,020

I remember screaming.

594

00:44:50,020 --> 00:44:53,020

That is the only memory I have.

595

00:44:54,020 --> 00:44:58,020

And the discoveries only get more bizarre.

596

00:44:58,020 --> 00:45:04,020

The cryptid experiences, structured craft, lightball, anomalies, vortexes.

597

00:45:04,020 --> 00:45:07,020

He just couldn't leave it alone.

598

00:45:07,020 --> 00:45:11,020

The search for answers brings us closer to the truth than ever before.

599

00:45:11,020 --> 00:45:14,020

I got something. It's hovering.

600

00:45:14,020 --> 00:45:16,020

Oh my gosh, I'm freaking out.

601

00:45:16,020 --> 00:45:18,020

Ben, are you okay?
