

1

00:00:00,000 --> 00:00:03,000

Previously on UFO Witness...

2

00:00:03,000 --> 00:00:05,000

Ben, are you okay?

3

00:00:05,000 --> 00:00:06,000

I'm freaking out.

4

00:00:06,000 --> 00:00:10,000

...the hunt for a human alien hybridization program.

5

00:00:10,000 --> 00:00:15,000

Out come a little boy about the age that my miscarriage had been.

6

00:00:15,000 --> 00:00:20,000

...revealed an otherworldly presence lurking deep in the Ozarks.

7

00:00:20,000 --> 00:00:25,000

I've seen a light, and it came and overtook our vehicle.

8

00:00:25,000 --> 00:00:29,000

Where the locals claim to have encountered the Nordic alien species.

9

00:00:29,000 --> 00:00:33,000

I got so scared, I just felt like I was going to be taken.

10

00:00:33,000 --> 00:00:36,000

...as well as cube-shaped UFOs.

11

00:00:36,000 --> 00:00:39,000

The things are cubed with lights.

12

00:00:39,000 --> 00:00:43,000

Now alarming accounts of strange beings are on the rise

13

00:00:43,000 --> 00:00:47,000

in one of the country's most notorious UFO hotspots.

14

00:00:47,000 --> 00:00:51,000

I started having these strange dreams.

15

00:00:51,000 --> 00:00:53,000

There were these glowing beings.

16

00:00:53,000 --> 00:00:57,000

Where ominous black triangles and strange bright lights

17

00:00:57,000 --> 00:00:59,000

stalk the desert sky.

18

00:00:59,000 --> 00:01:01,000

That's the UFO.

19

00:01:01,000 --> 00:01:06,000

Are otherworldly invaders luring humans to other dimensions?

20

00:01:06,000 --> 00:01:09,000

It's that you can come or you can stay.

21

00:01:09,000 --> 00:01:11,000

Is that scarier?

22

00:01:11,000 --> 00:01:13,000

Yeah, I had a full panic attack.

23

00:01:13,000 --> 00:01:16,000

Who will be their next target?

24

00:01:24,000 --> 00:01:27,000

You know, every time I come to Vegas,

25

00:01:27,000 --> 00:01:30,000

it seems like there's more and more reports,

26

00:01:30,000 --> 00:01:32,000

especially just around the outskirts.

27

00:01:32,000 --> 00:01:37,000

A lot of people are seeing stuff just north of the city, south of the city.

28

00:01:37,000 --> 00:01:43,000

We're pretty close to Area 51, so there's a lot of history here.

29

00:01:43,000 --> 00:01:49,000

There's something so eerie about the desert, but also revealing.

30

00:01:50,000 --> 00:01:54,000

And now we have all these black triangle UFO sightings.

31

00:01:54,000 --> 00:02:00,000

If these visitors are here for any agenda that deals with monitoring,

32

00:02:00,000 --> 00:02:05,000

surveilling us, here would be like a key place for them to set up shop.

33

00:02:09,000 --> 00:02:14,000

In the past 30 years, reports of UFO sightings have skyrocketed.

34

00:02:14,000 --> 00:02:19,000

And now it seems possible that different craft piloted by different species

35

00:02:19,000 --> 00:02:23,000

are lay in claim to the regions of the United States.

36

00:02:23,000 --> 00:02:25,000

And now another threat emerges.

37

00:02:25,000 --> 00:02:29,000

Black triangle UFOs in the Mojave Desert.

38

00:02:31,000 --> 00:02:36,000

This recent video of a black triangle UFO hiding in a storm cloud

39

00:02:36,000 --> 00:02:41,000

is just one example of the objects plaguing the skies around Las Vegas.

40

00:02:41,000 --> 00:02:43,000

Look where this UFO is.

41

00:02:43,000 --> 00:02:49,000

Is yet another battle line being drawn in the extraterrestrial quest to dominate planet Earth?

42

00:03:01,000 --> 00:03:06,000

It's pretty amazing how many witnesses were saying the same things without knowing.

43

00:03:06,000 --> 00:03:12,000

It's usually black, if nothing but a faint hum, but usually completely silent.

44

00:03:12,000 --> 00:03:15,000

At least three points of light.

45

00:03:19,000 --> 00:03:24,000

Black triangle UFOs have been haunting America's southwest for decades,

46

00:03:24,000 --> 00:03:28,000

most notably during the Phoenix Lights incident of 1997,

47

00:03:28,000 --> 00:03:34,000

in which over 20,000 people saw the same triangle-shaped object fly out of Nevada

48

00:03:34,000 --> 00:03:40,000

and across Arizona, then spoke with some of the witnesses firsthand.

49

00:03:43,000 --> 00:03:49,000

I saw this huge, boomerang-shaped craft flying towards me.

50

00:03:54,000 --> 00:03:56,000

I slammed on the brakes.

51

00:04:04,000 --> 00:04:07,000

I jumped out of my truck as it came up over me.

52

00:04:07,000 --> 00:04:10,000

It was about 30 feet over my head.

53

00:04:12,000 --> 00:04:14,000

And I remember thinking I could hit this with a rock.

54

00:04:14,000 --> 00:04:16,000

30 feet.

55

00:04:22,000 --> 00:04:26,000

And I stood there and as it passed by and I watched it till it went out of sight,

56

00:04:26,000 --> 00:04:28,000

I just started crying.

57

00:04:29,000 --> 00:04:35,000

It was overwhelming and that has stuck with me from that day, from that moment.

58

00:04:35,000 --> 00:04:37,000

Wow.

59

00:04:42,000 --> 00:04:46,000

The triangular craft are quite large, they're quite huge.

60

00:04:46,000 --> 00:04:51,000

I've seen only one of them with my own eyes in New Cane, Texas.

61

00:04:52,000 --> 00:04:54,000

I'd never seen anything like it.

62

00:04:55,000 --> 00:04:57,000

I'd never seen anything like it.

63

00:04:57,000 --> 00:04:59,000

I mean, it made no sense to me whatsoever.

64

00:04:59,000 --> 00:05:03,000

It was absolutely massive, totally silent.

65

00:05:03,000 --> 00:05:06,000

They're very terrifying to be around.

66

00:05:06,000 --> 00:05:10,000

Van and Melissa have turned up a witness who may provide answers

67

00:05:10,000 --> 00:05:14,000

to the mysteries of the black triangle UFOs.

68

00:05:14,000 --> 00:05:20,000

He had an encounter less than a year before the Phoenix Lights, only 400 miles away.

69

00:05:20,000 --> 00:05:26,000

So we're meeting with this guy who has had one of these triangle craft encounters.

70

00:05:26,000 --> 00:05:35,000

Will his story help us further the idea of what is the mission of these alien species?

71

00:05:35,000 --> 00:05:37,000

Yeah, what would be the motive?

72

00:05:37,000 --> 00:05:41,000

I mean, I want to know the circumstances of how he saw it, what it appeared it was doing.

73

00:05:41,000 --> 00:05:51,000

Ben and Melissa are meeting the witness at the site of his encounter.

74

00:05:58,000 --> 00:05:59,000

Nice to meet you.

75

00:05:59,000 --> 00:06:00,000

Nice to meet you.

76

00:06:00,000 --> 00:06:02,000

Good to know. This is Melissa.

77

00:06:02,000 --> 00:06:03,000

Hi.

78

00:06:03,000 --> 00:06:04,000

Nice to meet you.

79

00:06:04,000 --> 00:06:08,000

I heard that you had a very close experience.

80

00:06:08,000 --> 00:06:12,000

Are we in kind of the general vicinity of where this happened?

81

00:06:12,000 --> 00:06:16,000

Yeah, we're pretty much within a few miles of where it happened that night.

82

00:06:16,000 --> 00:06:19,000

Could you start us off by explaining what happened that night?

83

00:06:23,000 --> 00:06:28,000

March 27th, 1996, something I'll never forget.

84

00:06:33,000 --> 00:06:35,000

It was about 10 o'clock at night.

85

00:06:36,000 --> 00:06:43,000

I'm driving on Highway 93, coming around the bend just past the Apex Power Station.

86

00:06:43,000 --> 00:06:48,000

Off in a distance, miles ahead of me, I see a light on the road.

87

00:06:48,000 --> 00:06:53,000

My first reaction was, it's another vehicle on a highway approaching me.

88

00:06:53,000 --> 00:06:56,000

I didn't put much thought into it.

89

00:06:56,000 --> 00:07:00,000

So I continued driving.

90

00:07:00,000 --> 00:07:05,000

And realized that this light stationary is not getting any closer to me,

91

00:07:05,000 --> 00:07:08,000

but I'm getting closer to this light.

92

00:07:12,000 --> 00:07:16,000

So my first thought was, someone broke down on the side of the highway.

93

00:07:19,000 --> 00:07:21,000

And they might need help.

94

00:07:21,000 --> 00:07:27,000

As soon as I get down that road, I notice that the light is actually above the road.

95

00:07:30,000 --> 00:07:32,000

And not on the road.

96

00:07:35,000 --> 00:07:40,000

So I can see the light over the highway and then illuminating the highway beneath it.

97

00:07:43,000 --> 00:07:46,000

So I slammed on the brakes.

98

00:07:49,000 --> 00:07:55,000

I'm thinking that this is probably a police helicopter looking for speeders.

99

00:07:55,000 --> 00:07:59,000

And that thought didn't stick with me for long.

100

00:07:59,000 --> 00:08:07,000

Shawn wanted to flee, but something was controlling him, compelling him toward the light.

101

00:08:10,000 --> 00:08:13,000

Within a few minutes, I was pulling up underneath.

102

00:08:13,000 --> 00:08:19,000

There was certainly some kind of solid object above the road with the lights on it.

103

00:08:19,000 --> 00:08:22,000

It was as if it was waiting for me.

104

00:08:22,000 --> 00:08:25,000

Or so I just stopped it right in the middle of the road.

105

00:08:26,000 --> 00:08:29,000

How long were you underneath it?

106

00:08:29,000 --> 00:08:31,000

A number of minutes.

107

00:08:31,000 --> 00:08:34,000

At that moment, it just felt like an eternity.

108

00:08:34,000 --> 00:08:38,000

The triangle overwhelmed him and he felt powerless in its presence.

109

00:08:38,000 --> 00:08:43,000

All he could do was look up and pray he'd survived the encounter.

110

00:08:43,000 --> 00:08:48,000

The bottom of the craft was darker than a night sky, so I can completely make out the shape of the craft.

111

00:08:48,000 --> 00:08:52,000

What I could see was equilateral black triangle.

112

00:08:53,000 --> 00:08:58,000

And it had nine lights, like a delta shape underneath it.

113

00:08:58,000 --> 00:09:02,000

It was all right angles. There was no curves anywhere on this thing.

114

00:09:02,000 --> 00:09:10,000

Shawn was paralyzed by the sheer scale of the craft, and before he knew it, the massive object was on top of him.

115

00:09:13,000 --> 00:09:20,000

The craft was so low to the ground that the rear end of it was blocking my view of this mountain range behind you.

116

00:09:21,000 --> 00:09:24,000

It was at 20 feet or less over my head.

117

00:09:27,000 --> 00:09:35,000

Like a moth to the flame, Shawn was entrenched, but just when he was on the verge of being overwhelmed, the triangle vanished.

118

00:09:35,000 --> 00:09:39,000

Just one minute is there. The next minute is gone.

119

00:09:42,000 --> 00:09:44,000

Any sound whatsoever?

120

00:09:44,000 --> 00:09:46,000

Completely silent.

121

00:09:47,000 --> 00:09:50,000

So I scanned the horizon and then I can see it.

122

00:09:50,000 --> 00:09:54,000

It looked like it had already traveled maybe a mile or two from where I was at.

123

00:10:01,000 --> 00:10:07,000

I mean, no propellers, no jet engines, you know, didn't fly like a helicopter or a jet.

124

00:10:07,000 --> 00:10:12,000

I had never heard of anything like that before in any UFO case.

125

00:10:12,000 --> 00:10:16,000

You said you had to get there as soon as possible. Did you feel compelled to the craft?

126

00:10:16,000 --> 00:10:22,000

Well, that's a good question, but that opens up a can of worms because it's a complicated subject.

127

00:10:25,000 --> 00:10:31,000

An hour before the encounter, I was at work when I heard a voice tell me to go to Area 51.

128

00:10:34,000 --> 00:10:37,000

Why did it want you to go to Area 51?

129

00:10:37,000 --> 00:10:40,000

The purpose of the voice wasn't to get me out to Area 51.

130

00:10:40,000 --> 00:10:45,000

The purpose of the voice was to get me in this spot at the very specific time that craft would be here.

131

00:10:50,000 --> 00:10:56,000

I have a huge notebook in the car. Would you want to draw actually what the triangle craft looked like?

132

00:10:56,000 --> 00:11:00,000

Well, better than drawing it or describing it, I can show you.

133

00:11:00,000 --> 00:11:05,000

So this is the model of the UFO I saw that night.

134

00:11:05,000 --> 00:11:10,000

So if you look at the craft here, you can see obviously there's no curves.

135

00:11:10,000 --> 00:11:15,000

There's just straight edge, straight flat surfaces, and then the nine lights on the bottom of it.

136

00:11:15,000 --> 00:11:17,000

Oh, wow.

137

00:11:17,000 --> 00:11:21,000

Sean's model doesn't just represent what he saw that night.

138

00:11:21,000 --> 00:11:26,000

It also matches countless descriptions of black triangle UFOs.

139

00:11:27,000 --> 00:11:31,000

Well, Sean, what I really love about this is you've gone to such great lengths.

140

00:11:31,000 --> 00:11:34,000

You wanted to figure out all sides of it.

141

00:11:34,000 --> 00:11:39,000

This really helps me visualize and gosh, it fits in with so much of what we've been seeing.

142

00:11:39,000 --> 00:11:41,000

Yeah.

143

00:11:41,000 --> 00:11:48,000

If the alien species piloting the black triangle is communicating with humans, could this be some kind of warning?

144

00:11:48,000 --> 00:11:58,000

It was really interesting to meet with Sean because he got so close to this triangle craft that he was able to pick up some incredible details.

145

00:11:58,000 --> 00:12:06,000

There's something about being that close that is both terrifying, but it's hard to say what you would do in that situation.

146

00:12:06,000 --> 00:12:11,000

If you had the opportunity to analyze this thing and to look at it, right?

147

00:12:11,000 --> 00:12:16,000

He had a front row seat to see this thing, which is pretty amazing.

148

00:12:16,000 --> 00:12:23,000

What's actually more creepy about this whole thing is that he was called to go to this location.

149

00:12:23,000 --> 00:12:25,000

Yeah.

150

00:12:25,000 --> 00:12:31,000

If there is some sort of telepathic element to this, we need to know who's trying to communicate here,

151

00:12:31,000 --> 00:12:35,000

and especially what these black triangles are.

152

00:12:35,000 --> 00:12:42,000

On the road back to town, Ben recalls the memory of a UFO encounter he made a few years ago.

153

00:12:42,000 --> 00:12:46,000

What we've been discussing with people and interviewing them.

154

00:12:46,000 --> 00:12:53,000

Something similar happened to me too, and I think you really need to hear the details of it.

155

00:12:53,000 --> 00:12:59,000

It was May 3rd, and I was on the way to the airport.

156

00:13:00,000 --> 00:13:06,000

It was May 3rd, 2013.

157

00:13:06,000 --> 00:13:13,000

I went down to a local running track. I was there with my girlfriend at this time.

158

00:13:13,000 --> 00:13:20,000

The sun had just set. It was 9.15, I remember.

159

00:13:20,000 --> 00:13:25,000

And I was stretching and I was listening to my MP3 player.

160

00:13:25,000 --> 00:13:32,000

But the sound wasn't turned up loud at all. I could hear all the ambient noises around me.

161

00:13:32,000 --> 00:13:36,000

It's empty, there's nobody there.

162

00:13:36,000 --> 00:13:42,000

All of a sudden, I see an object coming from the west.

163

00:13:42,000 --> 00:13:51,000

As I'm staring at this thing, I can faintly make out that there is a line connecting each of these points.

164

00:13:51,000 --> 00:13:57,000

It's a triangle. It's a solid triangle.

165

00:13:57,000 --> 00:14:05,000

Ben's triangle craft had uncanny similarities to the Phoenix lights and Sean's black triangle UFO.

166

00:14:05,000 --> 00:14:15,000

On each point of this perfect triangle, almost an equilateral, are these three lights that were glowing softly.

167

00:14:15,000 --> 00:14:17,000

How big was it?

168

00:14:17,000 --> 00:14:22,000

My best estimate is this thing was about 30 feet long.

169

00:14:22,000 --> 00:14:31,000

So I'm freaking out. It passed over my head. The most eerie thing ever.

170

00:14:31,000 --> 00:14:37,000

There was absolutely no sound. And it was cruising.

171

00:14:37,000 --> 00:14:41,000

It was gone in about four or five seconds.

172

00:14:41,000 --> 00:14:46,000

I see my girlfriend and she's coming around the track and she's coming up towards me.

173

00:14:46,000 --> 00:14:50,000

I look at her and she looks at me and says, you saw it too. You saw it.

174

00:14:50,000 --> 00:14:56,000

You saw what this was and she goes, yeah.

175

00:14:56,000 --> 00:15:04,000

Unless you've actually experienced this yourself, I can't explain to someone how eerie that is.

176

00:15:05,000 --> 00:15:12,000

I'm glad you told me because now I understand why you're personally affected by the story.

177

00:15:12,000 --> 00:15:14,000

It changes a person.

178

00:15:14,000 --> 00:15:21,000

Maybe that's what Sean saw. Maybe what you saw is something not of this world.

179

00:15:21,000 --> 00:15:26,000

They're flying around at will, whatever they want to do.

180

00:15:26,000 --> 00:15:33,000

You having a personal experience, especially attached to this case, that actually gives it a new level.

181

00:15:34,000 --> 00:15:42,000

This is happening all around us and with increased frequency, I want to get back on the road and see if we can solve this.

182

00:15:42,000 --> 00:15:49,000

Similar to Sean's experience, Ben's account depicts an advanced craft with no fear of being seen.

183

00:15:49,000 --> 00:15:56,000

But what were the voices that Sean heard? How are they related to these menacing black triangles?

184

00:15:57,000 --> 00:16:06,000

Well, I'm open to the idea of telepathy. I think that's probably how if there are advanced beings, they've gotten to that point.

185

00:16:06,000 --> 00:16:12,000

If they're able to visit, they're able to show the craft, it's like that next step and they continue.

186

00:16:12,000 --> 00:16:16,000

Why would they not be able to also communicate basically at will?

187

00:16:16,000 --> 00:16:20,000

Maybe the otherworldly beings have upped their game.

188

00:16:20,000 --> 00:16:26,000

Melissa has found a witness who believes he's been communicating with aliens for years.

189

00:16:26,000 --> 00:16:29,000

So we're meeting this contact of mine, Jerome.

190

00:16:29,000 --> 00:16:38,000

He had an incident that happened to him in 2017 that changed his life and he's been in communication with a bunch of beings.

191

00:16:38,000 --> 00:16:44,000

He had no knowledge of any of this stuff. He wasn't interested in it, was living his normal life.

192

00:16:44,000 --> 00:16:55,000

All of a sudden he had an experience and he has been in contact with these otherworldly beings ever since.

193

00:17:06,000 --> 00:17:07,000

Are you ready?

194

00:17:07,000 --> 00:17:08,000

Yeah.

195

00:17:15,000 --> 00:17:17,000

Thanks for joining us.

196

00:17:17,000 --> 00:17:18,000

I'm glad to be here.

197

00:17:18,000 --> 00:17:33,000

So one thing that's come up in our investigations are the fact that people are seeing craft, but they're also hearing voices and communicating with some of these beings telepathically.

198

00:17:33,000 --> 00:17:40,000

And I really wanted to get into the nitty gritty of what happened to you and what you are communicating with.

199

00:17:41,000 --> 00:17:49,000

So prior to this, I was a construction worker. I didn't have any experience with anything like this.

200

00:17:49,000 --> 00:18:00,000

All of a sudden I started having these strange dreams where I would be taken into this light and there was these glowing beings.

201

00:18:00,000 --> 00:18:07,000

This happened for probably over the course of a month and a half to two months.

202

00:18:08,000 --> 00:18:11,000

Did you believe everything that was happening to you?

203

00:18:11,000 --> 00:18:14,000

No, I thought they were just dreams.

204

00:18:14,000 --> 00:18:21,000

But then one day Jerome realized he was having an actual encounter with extraterrestrial beings.

205

00:18:26,000 --> 00:18:33,000

In 2017, I started to meditate. During the meditation, all this information started coming through.

206

00:18:34,000 --> 00:18:38,000

It appeared as if the beings were attempting to communicate with him.

207

00:18:40,000 --> 00:18:43,000

And then... boom.

208

00:18:49,000 --> 00:18:57,000

I'm perceiving these things psychically, but I still knew that I was in my physical body too.

209

00:18:58,000 --> 00:19:05,000

I put two and two together that the beings that were taking me in the dream state were the same beings that I saw during these meditative states.

210

00:19:16,000 --> 00:19:23,000

A sleep or awake day or night Jerome could no longer escape these beings. They were inside his head.

211

00:19:24,000 --> 00:19:33,000

I didn't understand it, but what I do know is that communication was open more because I was

meditating.

212

00:19:33,000 --> 00:19:38,000

Could meditation be a gateway to interdimensional awareness?

213

00:19:42,000 --> 00:19:50,000

As we start learning about this fourth dimension, we just of course can't see it.

214

00:19:51,000 --> 00:20:04,000

But we can interact with beings through meditation to show us how to raise our vibration so that we can ultimately join with that fourth dimension.

215

00:20:07,000 --> 00:20:09,000

Do you know who these beings are?

216

00:20:10,000 --> 00:20:12,000

They told me that they were the Arcturians.

217

00:20:13,000 --> 00:20:20,000

They were these like taller, I'd say seven, eight foot tall, blue glowing beings.

218

00:20:24,000 --> 00:20:29,000

The Arcturians were quite about our height, some of them were quite larger.

219

00:20:29,000 --> 00:20:38,000

But I assure you they're very scary, they're oppressive, and in my opinion in some cases dangerous.

220

00:20:39,000 --> 00:20:44,000

We as humans tend to fear anything we don't understand, and you don't know what they're going to do.

221

00:20:45,000 --> 00:20:49,000

There's also a connection between Arcturians and Black Triangles.

222

00:20:50,000 --> 00:20:55,000

I've talked to the witnesses who have seen these type beings and do report them.

223

00:20:55,000 --> 00:21:02,000

What they basically report is the Arcturians are often referred to as having triangular craft.

224

00:21:02,000 --> 00:21:05,000

They're driving ships as big as aircraft carriers.

225

00:21:09,000 --> 00:21:17,000

There's kind of a theme here with Jerome and also with Sean where you have an ordinary person going about their life and suddenly they feel compelled.

226

00:21:17,000 --> 00:21:26,000

There's something that, whether it's a dream or a voice or something that draws them to a location, they start having experiences or sightings.

227

00:21:26,000 --> 00:21:29,000

I want to know what is this phenomena.

228

00:21:30,000 --> 00:21:39,000

The next morning, Ben and Melissa decide to split up to learn more about the Black Triangles targeting Las Vegas.

229

00:21:39,000 --> 00:21:49,000

Melissa has tracked down a witness who claims to have had an encounter with uncanny similarities to Jerome's.

230

00:21:50,000 --> 00:22:02,000

And for the first time ever, Kateria has agreed to share the details of her terrifying abduction on camera.

231

00:22:02,000 --> 00:22:04,000

Hi, I'm Melissa.

232

00:22:04,000 --> 00:22:06,000

Nice to meet you. I'm Kateria.

233

00:22:06,000 --> 00:22:07,000

Come on in.

234

00:22:07,000 --> 00:22:08,000

Alright, thank you.

235

00:22:11,000 --> 00:22:14,000

Thank you so much for taking the time to meet with me.

236

00:22:14,000 --> 00:22:15,000

Absolutely.

237

00:22:16,000 --> 00:22:25,000

We've come across several cases and the more that I understand what's happening from different accounts, the more we can try to get some answers here.

238

00:22:29,000 --> 00:22:33,000

This was the most profound experience that I've ever had.

239

00:22:33,000 --> 00:22:44,000

It was an otherwise quiet evening and Kateria was enjoying some time to herself.

240

00:22:47,000 --> 00:22:58,000

While I'm laying there, I hear sounds above my apartment, like the sound of a ship or a propeller or something.

241

00:22:59,000 --> 00:23:02,000

It was loud, yet faint at the same time.

242

00:23:07,000 --> 00:23:17,000

Suddenly, Kateria was sucked upward by a bright light and propelled into another world.

243

00:23:17,000 --> 00:23:25,000

It was just like my spirit shot straight up out of my body.

244

00:23:29,000 --> 00:23:40,000

Astral projection is an out-of-body experience in which one's body remains on Earth, while one's consciousness travels to other worlds.

245

00:23:40,000 --> 00:23:47,000

And I'm looking into this world at millions of blue light beings, electric beings.

246

00:23:49,000 --> 00:23:51,000

They were 20 feet tall.

247

00:23:52,000 --> 00:24:01,000

Kateria was paralyzed in fear, unable to move, and with no escape, she felt the beings closing in around her.

248

00:24:03,000 --> 00:24:07,000

I was freaking out. I was shaking all over. I was having a full panic attack.

249

00:24:09,000 --> 00:24:17,000

I was like, oh my god, oh my god. These things are terrifying and I just don't know what would actually happen to me.

250

00:24:18,000 --> 00:24:21,000

Were these members of the Arcturian alien species?

251

00:24:23,000 --> 00:24:29,000

As the being surrounded her, one suddenly came forward and spoke to Kateria telepathically.

252

00:24:30,000 --> 00:24:38,000

One of the masculine energies, I would say, spoke and stated, we would like to initiate you into our world.

253

00:24:38,000 --> 00:24:42,000

The being offered Kateria limitless knowledge about the universe.

254

00:24:43,000 --> 00:24:46,000

I was afraid. I was terrified.

255

00:24:48,000 --> 00:24:53,000

He placed a turquoise crystal in the palm of my hand and said, you can come or you can stay.

256

00:24:53,000 --> 00:25:01,000

But before she could answer, she was back in her bedroom with the turquoise crystal in hand.

257

00:25:02,000 --> 00:25:03,000

That scare you?

258

00:25:03,000 --> 00:25:05,000

Yeah, I had a full panic attack.

259

00:25:06,000 --> 00:25:09,000

I was shaking profusely.

260

00:25:10,000 --> 00:25:18,000

I had never experienced anything like that and at the time if you would have asked me what I thought about aliens, I would have told you I don't.

261

00:25:19,000 --> 00:25:26,000

Nothing in her life could explain her encounter, so Kateria began reading everything she could to learn more.

262

00:25:27,000 --> 00:25:34,000

And so I grabbed a book called The Egyptian Book of the Dead and I grabbed another book called Universal Medicine.

263

00:25:35,000 --> 00:25:39,000

And got the shock of a lifetime.

264

00:25:40,000 --> 00:25:45,000

I was like, oh my God, now I'm freaking the flip out.

265

00:25:46,000 --> 00:25:50,000

Then the book, he starts talking about this race of beings.

266

00:25:50,000 --> 00:25:52,000

Beings called Arcturians.

267

00:25:53,000 --> 00:26:01,000

He states that they are blue, they're 20 feet tall, they're electric and I'm like, wait a minute.

268

00:26:01,000 --> 00:26:07,000

The similarities between the Arcturians and Kateria's abductors send a shiver down her spine.

269

00:26:09,000 --> 00:26:19,000

Now, what was interesting about this book, he detailed his experience in several encounters with the beings and he shared pretty much the same experience.

270

00:26:21,000 --> 00:26:25,000

I've worked with abductees who have seen these type beings and do report them.

271

00:26:25,000 --> 00:26:35,000

What they basically report is a blue-skinned entity that is extremely intelligent and are interested in us as literally more like lab rats.

272

00:26:36,000 --> 00:26:42,000

From my point of view, there's something else that we need to know and they're a lot smarter than you think they are.

273

00:26:44,000 --> 00:26:48,000

Did reading the book change how you felt about the Arcturians?

274

00:26:48,000 --> 00:26:50,000

After I read the book, I trusted them.

275

00:26:51,000 --> 00:26:56,000

Do you feel this experience was something that was enlightening for you?

276

00:26:56,000 --> 00:27:12,000

I feel very understood and accepted by them and it allows me to feel more sensitive to just all energy of life.

277

00:27:15,000 --> 00:27:17,000

Wow, what do you think these Arcturians are?

278

00:27:20,000 --> 00:27:24,000

To my understanding, they're just beings that dwell in a different dimension.

279

00:27:27,000 --> 00:27:29,000

The Arcturians appear to be on a spiritual plane.

280

00:27:30,000 --> 00:27:38,000

Abduction can mean different things to different types of entities. It doesn't matter. You're going to get inside the ship in some way.

281

00:27:39,000 --> 00:27:49,000

And their technology, their use of physics is nothing like ours. We're not being told the whole story and that's the part that bothers me about the dimensional phenomenon.

282

00:27:51,000 --> 00:28:00,000

This is different than anybody I've interviewed so far and it's fantastic because it gives it a new angle to kind of look at this stuff.

283

00:28:01,000 --> 00:28:10,000

It also raises new questions about the black triangles, their methods and their motives. Could they come from a plane beyond human perception?

284

00:28:11,000 --> 00:28:28,000

So there are some beings that are able to hide in pocket dimensions. Their worlds also are very multi-dimensional and they can monitor everything from this place where we can't see them here.

285

00:28:29,000 --> 00:28:41,000

On the same night as Kateria's encounter, a resident of the same neighborhood filmed a video of a strange black triangle craft. Ben has tracked down a witness.

286

00:28:41,000 --> 00:29:01,000

I'm on my way to visit a man named Steve Barone. He's kind of like the guy to go to in regards to light activity that's seen on the northwestern part of Las Vegas where he lives seems to be the prime spot.

287

00:29:02,000 --> 00:29:17,000

Recently he emailed me a couple of videos and photos of stuff that he's capturing. These photos show what looks like a black triangle.

288

00:29:20,000 --> 00:29:26,000

Not only that, but they were taken less than 24 hours from the recent videos Ben and Melissa saw.

289

00:29:26,000 --> 00:29:38,000

What could these things be? I mean who owns them? Again we have close proximity to the mountain ranges. It seems like these things kind of creep over, float over and then go back.

290

00:29:43,000 --> 00:29:45,000

Come on in and have a seat Ben. Thanks Steve.

291

00:29:46,000 --> 00:30:03,000

Steve Barone has been documenting black triangle sightings in this region for over a decade and is one of the foremost experts on the subject. His home's location between the mountains and nearby military facilities affords him a front row seat to the desert's UFO activity.

292

00:30:04,000 --> 00:30:16,000

So you had captured a series of photos right of this black object. Yes. I'm really excited to get this evidence in front of you. Well let's take a look.

293

00:30:16,000 --> 00:30:32,000

Steve has captured video and stills of a dark triangular object purdling across the sky just like the craft Sean saw and similar to the legendary Phoenix lights.

294

00:30:33,000 --> 00:30:52,000

Alright. Okay. When did this happen? This was just probably a month or two ago. This dark black object just tumbling across the sky. Wow. What do you think this thing is?

295

00:30:53,000 --> 00:31:06,000

I don't know. I honestly don't know. I turned this into MUFON. It was deemed to be an unknown. And they could not identify what these things were.

296

00:31:07,000 --> 00:31:23,000

But that isn't the only evidence of triangle UFOs that Steve has collected. This video appears to show low flying orbs accompanying a triangle craft. Could they be some sort of surveillance craft deployed by the triangle?

297

00:31:24,000 --> 00:31:37,000

And you had no sound? No sound. And I'm just wondering if these were those kind of little scout units or crafts that are going and they're stopping right there.

298

00:31:38,000 --> 00:31:47,000

But when Steve tracked the potential surveillance orbs that came from the triangle, something shocking occurred.

299

00:31:47,000 --> 00:31:55,000

But I'm watching it. This thing comes through the picture. Wow. It's equally as bright.

300

00:31:55,000 --> 00:32:03,000

What was this streaking light that had accompanied the triangle? Perhaps a smaller drone descending to the planet.

301

00:32:03,000 --> 00:32:08,000

Again, it's completely silent, right? Yeah, it was completely silent.

302

00:32:08,000 --> 00:32:23,000

Steve's videos make one thing clear. Black triangle UFOs are showing up with increasing regularity. If they're actually piloted by Arcturians with mind controlling abilities, could they be planning

an invasion?

303

00:32:23,000 --> 00:32:26,000

This is what's going on in our world and it's real.

304

00:32:33,000 --> 00:32:41,000

Something's happening for sure. Now before I leave, do you mind if you kind of show me out here the skyline where everything is laid out?

305

00:32:41,000 --> 00:32:49,000

I'm glad you asked. Let's take a trip outside. This is where everything happens.

306

00:32:49,000 --> 00:32:59,000

Correct me if I'm wrong, but my layout here, Nellis is right over here. And that would mean area 51.

307

00:32:59,000 --> 00:33:07,000

77 miles right that way, area 51. All of this mountain right here that you see is called the Modring Mount.

308

00:33:07,000 --> 00:33:17,000

And that's where all the magic happens, a lot of it. Over the nearly eight year period, I've seen them all around the valley.

309

00:33:17,000 --> 00:33:24,000

But the night vision is the key that opened up even more footage to all of these areas.

310

00:33:25,000 --> 00:33:31,000

Well, thank you Steve. Thank you for everything and for spending the time to kind of map that out for me.

311

00:33:31,000 --> 00:33:38,000

Could the triangle craft that Steve filmed be related to the beings that took Kateria?

312

00:33:41,000 --> 00:33:49,000

Multidimensional creatures would have a tremendous advantage over our primitive perceptions of time and physical reality.

313

00:33:49,000 --> 00:33:52,000

So just how alarmed should we be?

314

00:33:54,000 --> 00:34:00,000

I think it's an interesting phenomenon, the idea of aliens in our consciousness.

315

00:34:00,000 --> 00:34:03,000

Like an energy abduction or soul abduction, something like that?

316

00:34:03,000 --> 00:34:09,000

Yeah, but also communicating with us without actually going anywhere.

317

00:34:09,000 --> 00:34:16,000

In theory, a soul abduction occurs when a person's consciousness or spirit is hijacked by aliens.

318

00:34:17,000 --> 00:34:24,000

Some UFO researchers believe these beings operate across higher dimensions than we can normally perceive.

319

00:34:24,000 --> 00:34:30,000

This might allow them to access humans without always needing their physical bodies.

320

00:34:31,000 --> 00:34:38,000

That brings up a bigger question, why are certain people being picked to be communicated with?

321

00:34:38,000 --> 00:34:45,000

Let's take Sean for instance. He didn't ask to be communicated with and neither did Kateria.

322

00:34:45,000 --> 00:34:50,000

Yeah, it does seem like there's some element of like intent to start with.

323

00:34:50,000 --> 00:34:55,000

We've interviewed and investigated some very compelling cases.

324

00:34:55,000 --> 00:35:06,000

In light of what they learned from Kateria, Ben and Melissa decide to return to Jerome and see if they can witness the method he says he uses to contact the Arcturians.

325

00:35:06,000 --> 00:35:13,000

I'm interested to see what he has to say and if we can make any communication and see what that looks like.

326

00:35:13,000 --> 00:35:18,000

What I'm curious to know, what is the process that he goes through.

327

00:35:18,000 --> 00:35:22,000

We all want to peel back the layers and find out what's really going on.

328

00:35:27,000 --> 00:35:34,000

One thing that's come up in our investigations are the fact that people are seen, craft,

329

00:35:34,000 --> 00:35:41,000

but they're also hearing voices and communicating with some of these beings telepathically.

330

00:35:41,000 --> 00:35:49,000

Ben and Melissa hoped Jerome will agree to enter a state of meditation in the hopes of coming in contact with the Arcturians.

331

00:35:49,000 --> 00:35:58,000

I would really like to see what happens to you physically if you communicated with them. Is that something you'd be willing to do?

332

00:35:58,000 --> 00:36:04,000

Yeah, I'd be down to give a shot. Let's take some baseline level readings.

333

00:36:04,000 --> 00:36:14,000

Ben fits Jerome with a pulse oximeter to measure his heart rate and blood oxygen levels.

334

00:36:14,000 --> 00:36:23,000

He'll also wear an EEG headband, which measures real-time electrical signals sent from the brain.

335

00:36:23,000 --> 00:36:31,000

Different wavelength patterns indicate different mental states from complete relaxation through intense anxiety.

336

00:36:35,000 --> 00:36:42,000

When Jerome enters the meditative trance, he will relay questions from Ben and Melissa.

337

00:36:42,000 --> 00:36:49,000

It looks like all sensors are at least connected.

338

00:36:49,000 --> 00:36:54,000

Alright, whenever you're ready.

339

00:36:54,000 --> 00:37:09,000

Alright, I'm standing in the center of my three Arcturian friends. Connecting to them now.

340

00:37:09,000 --> 00:37:15,000

Can you ask them how many people they've made contact with on the planet?

341

00:37:15,000 --> 00:37:19,000

Over hundreds of thousands.

342

00:37:20,000 --> 00:37:26,000

And how do the Arcturians usually make contact with humans?

343

00:37:26,000 --> 00:37:34,000

First through dream and psychic states, unconsciously and then consciously.

344

00:37:34,000 --> 00:37:40,000

What about the triangle-shaped craft? Who are those?

345

00:37:40,000 --> 00:37:48,000

These different triangle crafts are a form of this Arcturian technology.

346

00:37:48,000 --> 00:37:55,000

And are the Arcturians aware of other species up there?

347

00:37:55,000 --> 00:38:01,000

They are. All eyes are on Earth right now.

348

00:38:01,000 --> 00:38:05,000

Why are all eyes on Earth? What does that mean?

349

00:38:05,000 --> 00:38:11,000

Humans on Earth are gaining more and more access to these levels of consciousness.

350

00:38:11,000 --> 00:38:18,000

And so this is why there's so many ET sightings right now on Earth.

351

00:38:18,000 --> 00:38:31,000

They feel that there is a battle going on for humanity on this planet between different species.

352

00:38:31,000 --> 00:38:35,000

Yes.

353

00:38:35,000 --> 00:38:42,000

And they're just showing me different images of the beings of light and the beings of darkness.

354

00:38:42,000 --> 00:38:45,000

This is called the Galactic Federation.

355

00:38:45,000 --> 00:38:53,000

According to some ufologists, the Galactic Federation is a council of alien species that rules the cosmos.

356

00:38:53,000 --> 00:38:58,000

Are they secretly communicating with the US government?

357

00:38:58,000 --> 00:39:04,000

This Galactic Federation is a controversial subject.

358

00:39:04,000 --> 00:39:14,000

There are those who believe that extraterrestrials of negative nature are creating a hybrid race to take over the Earth.

359

00:39:14,000 --> 00:39:23,000

And there are those that want to make sure that this never happened on Earth.

360

00:39:23,000 --> 00:39:31,000

Is there a consensus and a time frame to when they come to the general public and make themselves known?

361

00:39:31,000 --> 00:39:43,000

The time that this is being released is now. This is already happening.

362

00:39:43,000 --> 00:39:52,000

Is there anything that they want to tell us that we've been covering in our investigation that we need to know?

363

00:39:52,000 --> 00:39:58,000

Don't be afraid. They're not here to hurt us.

364

00:39:58,000 --> 00:40:02,000

Are the Arcturians speaking through Jerome telling the truth?

365

00:40:02,000 --> 00:40:04,000

Do they come in peace?

366

00:40:04,000 --> 00:40:11,000

Have they come to warn us of an impending invasion or intergalactic war?

367

00:40:11,000 --> 00:40:19,000

Should humans be afraid of someone smarter than them that doesn't like them, doesn't respect them, and has a job to do on them?

368

00:40:19,000 --> 00:40:22,000

Yeah, I would think so.

369

00:40:22,000 --> 00:40:26,000

What about the beings that are trying to hurt people?

370

00:40:26,000 --> 00:40:36,000

What could Jerome's cryptic comment mean? Will aliens soon reveal themselves upending the human experience?

371

00:40:36,000 --> 00:40:42,000

Could this be the end of life on Earth as we know it?

372

00:40:42,000 --> 00:40:45,000

Alright man, we should take him out.

373

00:40:45,000 --> 00:40:49,000

Just give me one moment to disconnect and come back.

374

00:40:49,000 --> 00:40:51,000

Okay.

375

00:40:57,000 --> 00:40:59,000

Wow.

376

00:40:59,000 --> 00:41:02,000

Just take a minute.

377

00:41:02,000 --> 00:41:12,000

Do the Arcturians come in peace? Ben and Melissa check the data for any behavior that might betray

the Arcturians' claims of tranquility.

378

00:41:12,000 --> 00:41:18,000

Take a look at this. When you went to the meditative state, you completely flatlined.

379

00:41:18,000 --> 00:41:25,000

But then as you started asking questions, it was almost completely opposite of what I expected.

380

00:41:25,000 --> 00:41:29,000

Why are all eyes on Earth? What does that mean?

381

00:41:29,000 --> 00:41:37,000

You know what else is really interesting? Is that his heart rate shot up to 100. Then your heart rate dropped down again.

382

00:41:37,000 --> 00:41:43,000

The initial spikes in Jerome's brain and heart data indicate a stressful situation.

383

00:41:43,000 --> 00:41:49,000

But only moments into his encounter with the Arcturians, the readings abruptly evened out.

384

00:41:49,000 --> 00:41:57,000

As if they were being tampered with. Are the Arcturians tapping into Jerome's neural network and manipulating messages?

385

00:41:57,000 --> 00:42:05,000

I don't think personally it's going to be a simple thing. There probably are multiple agendas and multiple things going on.

386

00:42:05,000 --> 00:42:10,000

It's many layers to peel down. So I appreciate you taking the time.

387

00:42:11,000 --> 00:42:21,000

Did you see in Jerome's heart rate jump up, which is not supposed to happen when you're meditating?

388

00:42:21,000 --> 00:42:30,000

And there was something kind of strange about brain waves that were picked up that I didn't expect that to happen during a state of meditation.

389

00:42:30,000 --> 00:42:41,000

I think the other question is, are these beings communicating with people in this kind of almost telepathic, in their head way, right?

390

00:42:41,000 --> 00:42:42,000

Right.

391

00:42:42,000 --> 00:42:47,000

You have Sean, who gets a voice in his head to drive out to Area 51.

392

00:42:47,000 --> 00:42:53,000

And just at the moment where he's several miles from Area 51, he sees a triangle craft.

393

00:42:53,000 --> 00:42:58,000

And then you have Kateria, she's communicating with all these Arcturian beings.

394

00:42:58,000 --> 00:43:03,000

Okay, communicating with something inter-dimensionally.

395

00:43:03,000 --> 00:43:10,000

It's like actually going to a ship and communicating with something off-planet.

396

00:43:10,000 --> 00:43:17,000

This is becoming a common theme. And I do think it deserves some exploration.

397

00:43:17,000 --> 00:43:25,000

Another thing that Jerome brought up, this idea of a galactic federation, of course we don't have any evidence if that's true or not.

398

00:43:25,000 --> 00:43:31,000

I think we need more of accounts of people that have been in contact with this idea of the galactic federation.

399

00:43:31,000 --> 00:43:36,000

It's an interesting idea for sure. We're hearing similar stories from multiple people.

400

00:43:36,000 --> 00:43:43,000

So why are they all getting these same compelling promptings, messages? Why is that?

401

00:43:45,000 --> 00:43:50,000

Shapeshifters over military bases, orbs in New England.

402

00:43:50,000 --> 00:43:59,000

UFOs off the coast of California. Fireballs in Idaho. Tic-Tacs in Colorado.

403

00:43:59,000 --> 00:44:09,000

Cubes in Missouri. And now, with Triangle Craft over Las Vegas, what could this gathering presence mean for humanity?

404

00:44:11,000 --> 00:44:14,000

Next on UFO Witness.

405

00:44:15,000 --> 00:44:23,000

Ben and Melissa investigate accounts of mysterious and potentially threatening alien species known as the Palladians.

406

00:44:23,000 --> 00:44:30,000

The Palladians were taking eggs from me to be able to appropriate other hybrid kids.

407

00:44:30,000 --> 00:44:35,000

I woke up in the morning, went to the bathroom, there was some blood and the fetus was gone.

408

00:44:35,000 --> 00:44:38,000

I broke down, I cried. I thought I was losing my mind.

409

00:44:38,000 --> 00:44:43,000

What do they want and why is humanity in their crosshairs?

410

00:44:43,000 --> 00:44:50,000

I was abducted by these interdimensional beings. They're here to really allow darkness.

411

00:44:50,000 --> 00:44:53,000

Could the fate of our planet already be decided?

412

00:44:55,000 --> 00:45:01,000

They will go and manipulate your DNA for their own offspring.

413

00:45:01,000 --> 00:45:05,000

Could their alien offspring be taking over the Earth?

414

00:45:13,000 --> 00:45:18,000

The Palladians
