

1

00:00:00,000 --> 00:00:03,000

Previously on UFO Witness,

2

00:00:03,000 --> 00:00:08,000

an investigation into black triangle UFOs in Las Vegas.

3

00:00:08,000 --> 00:00:11,000

I could see it was equilateral black triangle.

4

00:00:11,000 --> 00:00:13,000

And it had nine lights.

5

00:00:13,000 --> 00:00:14,000

It was all right angles.

6

00:00:14,000 --> 00:00:17,000

There was no curves anywhere on this thing.

7

00:00:17,000 --> 00:00:20,000

Uncovered the Arturian Aliens' potential ability

8

00:00:20,000 --> 00:00:22,000

to control human minds.

9

00:00:22,000 --> 00:00:28,000

It was just like my spirit shot straight up out of my body.

10

00:00:28,000 --> 00:00:33,000

And led to the unmasking of an alleged coalition of alien species.

11

00:00:33,000 --> 00:00:36,000

This is called the Galactic Federation.

12

00:00:37,000 --> 00:00:42,000

Now a new species known as the Pleiadians has emerged from the shadows.

13

00:00:42,000 --> 00:00:46,000

I was greeted by this Pleiadian being.

14

00:00:46,000 --> 00:00:52,000

This etheric seven foot tall male humanoid looking being.

15

00:00:52,000 --> 00:00:56,000

Is it possible they're responsible for alien human encounters?

16

00:00:56,000 --> 00:00:58,000

What is their agenda?

17

00:00:58,000 --> 00:01:01,000

And could they be orchestrating an attack?

18

00:01:13,000 --> 00:01:19,000

We've talked to so many people on different ways of looking at the encounters.

19

00:01:19,000 --> 00:01:24,000

With thousands of people saying similar things over and over,

20

00:01:24,000 --> 00:01:28,000

I think that in itself produces a credible source of something

21

00:01:28,000 --> 00:01:30,000

that should be taken note of.

22

00:01:30,000 --> 00:01:36,000

So far, Ben and Melissa have investigated seven different alien species.

23

00:01:36,000 --> 00:01:42,000

Now there's reason to suspect they may all be working together.

24

00:01:54,000 --> 00:01:59,000

Ben and Melissa recently met with a witness who claims to have made contact

25

00:01:59,000 --> 00:02:05,000

with the Galactic Federation, an intergalactic coalition of alien species

26

00:02:05,000 --> 00:02:07,000

with a mysterious common goal.

27

00:02:07,000 --> 00:02:12,000

And they're just showing me different images of the beings of light

28

00:02:12,000 --> 00:02:14,000

and the beings of darkness.

29

00:02:14,000 --> 00:02:17,000

This is called the Galactic Federation.

30

00:02:18,000 --> 00:02:23,000

Could numerous extraterrestrial races be working together under one leading species?

31

00:02:23,000 --> 00:02:25,000

And to what end?

32

00:02:26,000 --> 00:02:30,000

Now they're on their way to speak with another abductee

33

00:02:30,000 --> 00:02:35,000

who claims she also encountered beings from the Galactic Federation.

34

00:02:39,000 --> 00:02:43,000

Elizabeth April was first abducted ten years ago.

35

00:02:43,000 --> 00:02:48,000

She says she has remained in regular contact with the aliens responsible since that time.

36

00:02:48,000 --> 00:02:50,000

Thanks for letting us come over.

37

00:02:50,000 --> 00:02:53,000

Yeah, thanks so much for coming.

38

00:02:54,000 --> 00:02:58,000

Could you just tell us briefly about your abduction experience?

39

00:02:58,000 --> 00:03:04,000

Absolutely. So at 18 years old, I went away to attend a silent meditation retreat

40

00:03:04,000 --> 00:03:12,000

and on the second night of meditation, I ended up getting abducted by interdimensional beings.

41

00:03:20,000 --> 00:03:25,000

It was in the middle of the night. I was dead asleep.

42

00:03:25,000 --> 00:03:29,000

And I just remember waking up.

43

00:03:29,000 --> 00:03:34,000

I just saw this large head hovering over top of me.

44

00:03:36,000 --> 00:03:43,000

And I started to realize that the head that I saw wasn't necessarily humanoid looking.

45

00:03:45,000 --> 00:03:48,000

Suddenly, Elizabeth was surrounded.

46

00:03:49,000 --> 00:03:53,000

There was three of these beings who physically were in the room

47

00:03:53,000 --> 00:03:58,000

and there was one of them on my left ankle, one of them on my right wrist

48

00:03:58,000 --> 00:04:00,000

and then the other on my left wrist.

49

00:04:00,000 --> 00:04:05,000

And then the next thing I remember, they were literally dragging me from my bed

50

00:04:07,000 --> 00:04:09,000

carrying me out into the hallway.

51

00:04:09,000 --> 00:04:17,000

The only part of the experience that I don't fully recall is how we got from the hallway up to their ship.

52

00:04:18,000 --> 00:04:23,000

I even remember them putting me into this very stiff metal chair in the middle of this room.

53

00:04:25,000 --> 00:04:30,000

I couldn't move. I couldn't speak. I was paralyzed. I don't know what they did to me

54

00:04:30,000 --> 00:04:33,000

but I was able to open my eyes, blink and look around.

55

00:04:35,000 --> 00:04:40,000

So I saw this machine in my periphery of my right side

56

00:04:41,000 --> 00:04:46,000

and I saw that coming from the machine was this cylindrical mechanism

57

00:04:48,000 --> 00:04:53,000

and as it got closer to me, it got smaller and smaller until it went into my right ear.

58

00:04:57,000 --> 00:05:00,000

I had a sense that they were putting something in there.

59

00:05:01,000 --> 00:05:04,000

I had a sense that they were chipping me.

60

00:05:06,000 --> 00:05:09,000

I remember them putting me into my bed.

61

00:05:11,000 --> 00:05:18,000

I just go over to my ear and there's just one drop of blood.

62

00:05:20,000 --> 00:05:25,000

Yet another account of an alien implant, but what did these aliens want with Elizabeth?

63

00:05:27,000 --> 00:05:33,000

So I don't really know specifically why they took me or what their intentions in particular were

64

00:05:33,000 --> 00:05:37,000

but I do believe that it was a part of some sort of experiment or project.

65

00:05:37,000 --> 00:05:39,000

Not good intentions.

66

00:05:39,000 --> 00:05:42,000

It didn't feel like no. It didn't feel like good beings.

67

00:05:44,000 --> 00:05:47,000

This was just the first of many encounters.

68

00:05:48,000 --> 00:05:53,000

And then it was a couple of months after that I was greeted by this Palladian being.

69

00:05:56,000 --> 00:06:04,000

This etheric seven foot tall male humanoid looking being steps into the room.

70

00:06:05,000 --> 00:06:13,000

Palladians are from the Palladies star cluster which are about 444 light years away.

71

00:06:14,000 --> 00:06:23,000

Palladians are quite tall. Primarily they have blonde hair but they do have darker hair just like we do.

72

00:06:24,000 --> 00:06:29,000

Some UFO researchers believe the Palladians are distant cousins to humans

73

00:06:30,000 --> 00:06:36,000

and that their mission is to spread their DNA through the cosmos via hybridization.

74

00:06:37,000 --> 00:06:41,000

Care of what they call the Star Seat Program.

75

00:06:43,000 --> 00:06:49,000

The so-called Palladian being, their interest is genetic manipulation.

76

00:06:49,000 --> 00:06:57,000

That simply means they will go and manipulate your DNA for their own offspring.

77

00:06:58,000 --> 00:07:05,000

They wanted their children basically to inherit the earth and we were in the way.

78

00:07:06,000 --> 00:07:11,000

But Elizabeth believes that beings come in peace and are concerned for earth's future.

79

00:07:11,000 --> 00:07:21,000

And so he spoke to me telepathically and he said Elizabeth I would love to invite you to a meeting that is being held with the Galactic Federation.

80

00:07:22,000 --> 00:07:27,000

And the Galactic Federation, what is their agenda?

81

00:07:28,000 --> 00:07:36,000

Any being or species that is involved with the Galactic Federation are coming together for unity consciousness.

82

00:07:36,000 --> 00:07:38,000

That's what they're here for.

83

00:07:38,000 --> 00:07:44,000

So they have a lot of incredible insights and pieces of information for us.

84

00:07:44,000 --> 00:07:48,000

Humanity I think can really benefit from that sort of connection.

85

00:07:49,000 --> 00:07:51,000

So I have a tricky question for you.

86

00:07:55,000 --> 00:08:08,000

How are you sure that they are not deceiving you and laying out for you something that is partly true but filled with different agendas or something like that that you're not aware of?

87

00:08:09,000 --> 00:08:17,000

So ultimately all I know to be true is my own experiences and that's not your truth and that's not humanity's truth.

88

00:08:17,000 --> 00:08:22,000

Because you were not there. So take it or leave it.

89

00:08:24,000 --> 00:08:28,000

Well this is a lot of information. Thanks for sharing all this with us.

90

00:08:29,000 --> 00:08:33,000

Her abduction experience was terrifying.

91

00:08:35,000 --> 00:08:42,000

She's dragged from her bed. Some kind of light beams like drilled into her ear.

92

00:08:42,000 --> 00:08:47,000

This isn't something that's pleasant or enlightening by any means.

93

00:08:48,000 --> 00:08:57,000

Talking about common themes and patterns, the experiences that people have like Jerome and like Elizabeth, something that's noteworthy.

94

00:08:57,000 --> 00:09:03,000

There might be something that we need to explore about some collaboration between different species.

95

00:09:03,000 --> 00:09:21,000

While Elizabeth describes her encounters with the Pleadians as peaceful, another witness has contacted Melissa with a more traumatic experience and claims to be a victim of their alien-humid hybridization program.

96

00:09:22,000 --> 00:09:28,000

We have this really interesting woman that reached out to us. She has an abduction experience.

97

00:09:29,000 --> 00:09:34,000

She feels that they've been rewiring her in some kind of way.

98

00:09:35,000 --> 00:09:38,000

So I think that she might be a really interesting interview.

99

00:09:39,000 --> 00:09:40,000

Well yeah, let's do it.

100

00:09:41,000 --> 00:09:48,000

Alleged victims of human alien hybridization programs often describe similar experiences.

101

00:09:51,000 --> 00:09:54,000

Pregnancies came about and they took my babies.

102

00:09:55,000 --> 00:09:58,000

The sheets were all full of blood.

103

00:10:00,000 --> 00:10:03,000

I believe he came to get the fetus.

104

00:10:07,000 --> 00:10:13,000

Now another victim has come forward claiming she encountered a similar fate at the hands of the Pleiadians.

105

00:10:13,000 --> 00:10:17,000

This is the beginning of the Mary Edwards interview.

106

00:10:21,000 --> 00:10:23,000

Thank you so much for sitting down with us today.

107

00:10:24,000 --> 00:10:25,000

Thank you. It's nice to be here.

108

00:10:27,000 --> 00:10:33,000

When did you realize that you were being abducted or something that was happening to you?

109

00:10:34,000 --> 00:10:36,000

I was just thinking about it.

110

00:10:37,000 --> 00:10:43,000

When did you realize that you were being abducted or something that was happening to you?

111

00:10:44,000 --> 00:10:47,000

I remember it like it was yesterday because it was so scary.

112

00:10:59,000 --> 00:11:04,000

It began in Mary's childhood home when she was just six years old.

113

00:11:06,000 --> 00:11:08,000

She was a little girl.

114

00:11:33,000 --> 00:11:35,000

I was taken on a spacecraft.

115

00:11:37,000 --> 00:11:40,000

I remember lying on a very cold metal table.

116

00:11:42,000 --> 00:11:44,000

It was stark white walls.

117

00:11:45,000 --> 00:11:47,000

It was bright lights.

118

00:11:48,000 --> 00:11:50,000

I felt very cold.

119

00:11:52,000 --> 00:11:54,000

I saw these beings.

120

00:11:56,000 --> 00:11:59,000

They put a big machine on my head.

121

00:12:00,000 --> 00:12:02,000

It was like electrodes in my brain.

122

00:12:03,000 --> 00:12:06,000

They were putting information into my brain.

123

00:12:07,000 --> 00:12:11,000

And evidently people who have been part of the hybridization program, they want to enhance you.

124

00:12:12,000 --> 00:12:13,000

The Pleiadians enhance your brain.

125

00:12:14,000 --> 00:12:15,000

The Markterians.

126

00:12:16,000 --> 00:12:21,000

It was about three hours that I was there with information going into my head.

127

00:12:22,000 --> 00:12:24,000

But did you ever feel that they were mind controlling you?

128

00:12:25,000 --> 00:12:26,000

Well, I do now.

129

00:12:27,000 --> 00:12:31,000

I remember feeling different coming out of it looking back now.

130

00:12:33,000 --> 00:12:38,000

And what was very surprising to me was my father was there.

131

00:12:39,000 --> 00:12:47,000

And the reason my father was there is he was part of the hybridization program that went back to our family ancestry.

132

00:12:48,000 --> 00:12:51,000

What do you think would have happened if your father didn't participate?

133

00:12:52,000 --> 00:12:54,000

He was either compelled or forced to do it?

134

00:12:55,000 --> 00:12:57,000

I think it's both. I think it's both.

135

00:12:58,000 --> 00:12:59,000

So your father has a really interesting background.

136

00:12:59,000 --> 00:13:05,000

He went to Princeton. He worked under Einstein at one point. He had an aeronautical company.

137

00:13:06,000 --> 00:13:09,000

You know, this is a guy who's definitely in the government in a deep way.

138

00:13:10,000 --> 00:13:15,000

Explain to us a little bit about your father and what you think his connection is to possibly this program.

139

00:13:16,000 --> 00:13:22,000

So dad had an aeronautical aerospace company with his father and they designed and manufactured heavy rocketry.

140

00:13:23,000 --> 00:13:26,000

So he worked for NASA, but he was also working for the U.S. government.

141

00:13:26,000 --> 00:13:32,000

I know he was down at Area 51. I saw men in black in my home.

142

00:13:33,000 --> 00:13:41,000

I can't help think that your lineage was maybe quite interesting to these other worldly beings.

143

00:13:42,000 --> 00:13:48,000

So do you think that these abductions that have happened to you are because your dad was involved in these programs?

144

00:13:49,000 --> 00:13:50,000

Yes. Yes.

145

00:13:50,000 --> 00:13:57,000

I thought, what am I doing? What have I done wrong? What's wrong with me?

146

00:13:58,000 --> 00:14:08,000

I'm not thinking that they were taking eggs from me to be able to procreate other hybrid kids within me or down the road.

147

00:14:09,000 --> 00:14:19,000

Mary believes this was the first time of many that extraterrestrials harvested her eggs.

148

00:14:20,000 --> 00:14:26,000

But it wasn't until her teen years that the aliens told her who they were.

149

00:14:27,000 --> 00:14:29,000

They said they were the Pleiadians.

150

00:14:29,000 --> 00:14:36,000

Was Mary targeted for the supposed interspecies hybrid star seed program led by the Pleiadians?

151

00:14:41,000 --> 00:14:50,000

So big question. Why are these other beings coming down here to create human hybrids? Why?

152

00:14:51,000 --> 00:14:58,000

Well, I don't know. It ruined a lot of my life. I've always known I was really strong and brave.

153

00:14:59,000 --> 00:15:01,000

Or I would be dead right now.

154

00:15:02,000 --> 00:15:09,000

I can't change what happened to me. I'm trying to be a good person and heal myself and heal other people along the way.

155

00:15:10,000 --> 00:15:12,000

But it's a complicated issue. I wish I knew more about it.

156

00:15:13,000 --> 00:15:18,000

A lot of people are talking about this hybrid program. This has really helped us in our investigation kind of get to the next level.

157

00:15:19,000 --> 00:15:20,000

So I really thank you for your time.

158

00:15:21,000 --> 00:15:22,000

Thank you.

159

00:15:22,000 --> 00:15:31,000

Mary's account of her victimization at the hands of the Pleiadians marks the third species alleged to have been involved in hybridization work.

160

00:15:32,000 --> 00:15:37,000

Could these aliens be competing with one another? Or could they be working together?

161

00:15:38,000 --> 00:15:55,000

After having talked to so many people, we have multiple species being described. We have everything from the grays to the Pleiadians to the Nordics.

162

00:15:56,000 --> 00:15:59,000

So now we just have more questions, right?

163

00:16:00,000 --> 00:16:05,000

If something really is coming here to create some kind of program up there, I want to know why.

164

00:16:05,000 --> 00:16:14,000

What's happening to these people is real. There's something real happening that is causing this trauma, is causing this fear.

165

00:16:15,000 --> 00:16:24,000

I mean there is an uptick in UFO abductions with increasing numbers of people coming out and saying they're part of this hybrid program.

166

00:16:25,000 --> 00:16:36,000

So that in itself, I think warrants the urgency that we get to the bottom of this to figure out is there something we can do about it?

167

00:16:37,000 --> 00:16:44,000

Is there something that we need to know? Is there a message here that we need to discover perhaps before it's too late?

168

00:16:45,000 --> 00:16:46,000

I 100% agree.

169

00:16:46,000 --> 00:16:55,000

Mary has put Melissa and Ben in touch with yet another hybridization victim who says she has insights into the inner workings of the program.

170

00:17:02,000 --> 00:17:09,000

Barbara Eberhardt claims to have had strange and often terrifying encounters since she was three years old.

171

00:17:10,000 --> 00:17:11,000

Barbara Eberhardt, interview.

172

00:17:11,000 --> 00:17:18,000

Barbara, thank you for sitting down with me and Melissa.

173

00:17:19,000 --> 00:17:20,000

First of all, where did you grow up?

174

00:17:21,000 --> 00:17:34,000

I was born in Berlin in 1943. First time I had contact. We were living in communist occupied Germany in a little village. I was three years old.

175

00:17:35,000 --> 00:17:36,000

At three years old?

176

00:17:37,000 --> 00:17:38,000

They're monitoring you?

177

00:17:39,000 --> 00:17:44,000

It is very, how should I say, trying at times to digest it all, you know?

178

00:17:45,000 --> 00:17:47,000

Can you give me kind of the description of what they look like?

179

00:17:48,000 --> 00:18:00,000

They have elongated faces. All their hair was no curls, just straight and all cut on the shoulders. They all had the same haircut. White hair, wet skin.

180

00:18:01,000 --> 00:18:07,000

Barbara's description matches that of the Pleiadians and while they were content to simply monitor Barbara as a toddler,

181

00:18:08,000 --> 00:18:11,000

once she grew up, the abductions began.

182

00:18:12,000 --> 00:18:16,000

One time I thought I had a dream, but it wasn't.

183

00:18:25,000 --> 00:18:28,000

All of a sudden I was up in a huge hangar.

184

00:18:29,000 --> 00:18:43,000

Kind of ahead of me, I saw two tall white Pleiadians and I couldn't move. I was pinned to a slab.

185

00:18:44,000 --> 00:18:45,000

But they were not alone.

186

00:18:47,000 --> 00:18:48,000

There were little grays.

187

00:18:53,000 --> 00:18:54,000

It was very scary.

188

00:18:55,000 --> 00:19:00,000

This is the first time the investigation has come across a collaboration between aliens.

189

00:19:02,000 --> 00:19:06,000

Why would different species work together to make human-alien hybrids?

190

00:19:09,000 --> 00:19:17,000

A lot of people, when they're in an abduction situation, they have seen a Pleiadian in the background with grays.

191

00:19:18,000 --> 00:19:27,000

What we don't know is, is the Pleiadian actually overseeing the work that the grays are doing or are they protecting?

192

00:19:28,000 --> 00:19:33,000

Whatever the arrangement might be between the Pleiadians and grays, their goal was clear.

193

00:19:34,000 --> 00:19:39,000

The harvesting of hybrid embryos, perhaps for the alleged star seed program.

194

00:19:41,000 --> 00:19:45,000

They had a long, very soft instrument that they inserted.

195

00:19:47,000 --> 00:19:54,000

And then they would draw like a little sack with the fetus inside and somebody would come right away and they rushed it off.

196

00:19:56,000 --> 00:20:02,000

I was in tears and I was crying the last one that they took and I said, please, I was begging them, please.

197

00:20:03,000 --> 00:20:04,000

Barbara passed out.

198

00:20:06,000 --> 00:20:08,000

But the ordeal was far from over.

199

00:20:10,000 --> 00:20:12,000

I woke up in the morning, went to the bathroom.

200

00:20:14,000 --> 00:20:16,000

There was some blood and the fetus was gone.

201

00:20:18,000 --> 00:20:23,000

The encounters with Pleiadians and grays continued throughout her life.

202

00:20:24,000 --> 00:20:26,000

I had five miscarriages.

203

00:20:28,000 --> 00:20:34,000

That was really very painful and a lot of blood and everything and cramping.

204

00:20:35,000 --> 00:20:36,000

They actually induced that.

205

00:20:37,000 --> 00:20:38,000

They harvested me.

206

00:20:42,000 --> 00:20:44,000

But what's the agenda of the Pleiadians, you think?

207

00:20:44,000 --> 00:20:46,000

What's their, what's the big picture?

208

00:20:47,000 --> 00:20:50,000

They all work together and grays, Pleiadian beings.

209

00:20:51,000 --> 00:20:55,000

The way I see it is they think we are a lesser species.

210

00:20:57,000 --> 00:21:00,000

Just think about it, what are we doing with lesser species?

211

00:21:01,000 --> 00:21:08,000

What if a cow, she's going to be artificially inseminated with sperm from a bull that the farmer likes, right?

212

00:21:09,000 --> 00:21:11,000

And we don't ask the cow if she likes it or not.

213

00:21:12,000 --> 00:21:13,000

Right.

214

00:21:13,000 --> 00:21:16,000

Barbara also believed she was implanted with devices.

215

00:21:17,000 --> 00:21:22,000

I have that implant behind my ear here, the base of my brain.

216

00:21:23,000 --> 00:21:26,000

And they inserted an implant in my shoulder.

217

00:21:27,000 --> 00:21:30,000

And that the Pleiadians are tracking her.

218

00:21:31,000 --> 00:21:33,000

I think that's basically like a tag.

219

00:21:38,000 --> 00:21:42,000

Barbara discovered the implant when she began to have problems with her hearing.

220

00:21:43,000 --> 00:21:44,000

She had an MRI.

221

00:21:45,000 --> 00:21:47,000

The doctor said, oh, what's that behind your ear?

222

00:21:48,000 --> 00:21:49,000

It was an elongated thing.

223

00:21:50,000 --> 00:21:51,000

And you can really see the implant.

224

00:21:52,000 --> 00:21:53,000

It's sort of like a square thingy there.

225

00:21:54,000 --> 00:21:58,000

And then he told me to come back six weeks later and we're going to discuss it, everything.

226

00:21:59,000 --> 00:22:01,000

And the doctor didn't even want to touch the subject.

227

00:22:02,000 --> 00:22:08,000

So I personally think he looked at it and he saw it was an implant and he didn't want to touch it.

228

00:22:09,000 --> 00:22:12,000

And you said you have the MRI image of the implant, correct?

229

00:22:13,000 --> 00:22:14,000

Yeah.

230

00:22:17,000 --> 00:22:21,000

Is this foreign body at the base of Barbara's skull and alien implant?

231

00:22:22,000 --> 00:22:24,000

And if so, what is its purpose?

232

00:22:25,000 --> 00:22:27,000

This is the latest one from last year.

233

00:22:28,000 --> 00:22:32,000

So here's the nasal cavity or sinus cavities here.

234

00:22:33,000 --> 00:22:38,000

And here the right side, it says it's seven millimeters.

235

00:22:39,000 --> 00:22:40,000

So they had measured it.

236

00:22:40,000 --> 00:22:44,000

They knew that it was unique and strange enough.

237

00:22:45,000 --> 00:22:48,000

They thought to take a measurement and it's sitting just...

238

00:22:49,000 --> 00:22:50,000

Right behind under your ear.

239

00:22:51,000 --> 00:22:52,000

Just, yeah, anterior to that.

240

00:22:53,000 --> 00:22:57,000

Barbara, what you're describing is pretty terrifying.

241

00:22:58,000 --> 00:23:04,000

And like you said, they kind of treating you like a cow, that you're a lesser species.

242

00:23:05,000 --> 00:23:06,000

Do you feel used at all?

243

00:23:06,000 --> 00:23:12,000

Of course you feel used, you know, but what can you do?

244

00:23:14,000 --> 00:23:19,000

A lot of this does seem to corroborate with what others are telling us.

245

00:23:20,000 --> 00:23:23,000

I think I'm going to regroup with Melissa and we'll be in touch.

246

00:23:24,000 --> 00:23:25,000

Okay. Thank you.

247

00:23:26,000 --> 00:23:27,000

Thank you, Ben.

248

00:23:28,000 --> 00:23:29,000

The revelations from Barbara are monumental.

249

00:23:30,000 --> 00:23:35,000

She is the first witness in the investigation who claims to have been both in a hybrid program

250

00:23:36,000 --> 00:23:37,000

and implanted.

251

00:23:38,000 --> 00:23:39,000

Fascinating study.

252

00:23:40,000 --> 00:23:42,000

I would really like to know what these alien implants are for.

253

00:23:43,000 --> 00:23:44,000

What would be the purpose of it?

254

00:23:45,000 --> 00:23:53,000

To monitor or if it interfaces with the body that actually has some type of control over the functions of the body of the mind.

255

00:23:54,000 --> 00:23:58,000

Or if they implanted the thoughts that they want her to think.

256

00:23:59,000 --> 00:24:02,000

All of that is really on the table because we really don't know this point.

257

00:24:02,000 --> 00:24:08,000

Could an alien invasion already be underway?

258

00:24:09,000 --> 00:24:13,000

Not in the skies, but in the bodies of so many abductees.

259

00:24:14,000 --> 00:24:17,000

It's time to hear what the experts have to say.

260

00:24:21,000 --> 00:24:27,000

So I know Daryl Sims has a place that we can meet here in California and I think that he might be an interesting interview.

261

00:24:27,000 --> 00:24:31,000

He's been involved with a lot of implant cases, abduction cases.

262

00:24:32,000 --> 00:24:34,000

I would like to get his take on this whole thing.

263

00:24:35,000 --> 00:24:36,000

That seems like a really good plan.

264

00:24:37,000 --> 00:24:40,000

I'm also going to talk to Geraldine who started support groups.

265

00:24:41,000 --> 00:24:45,000

She herself believes that she was part of the hybrid program.

266

00:24:49,000 --> 00:24:56,000

Ben connects with Geraldine Arrozco, who runs a support group for survivors of human-alien hybrid programs.

267

00:24:57,000 --> 00:25:03,000

Geraldine first met with Ben in 2020 when she described her personal abduction story.

268

00:25:04,000 --> 00:25:09,000

And as I'm looking at these children, they're not all the way human.

269

00:25:13,000 --> 00:25:18,000

But what I recognized as I'm meeting the child is that it's my child.

270

00:25:22,000 --> 00:25:25,000

Geraldine, it is so great to see you again.

271

00:25:26,000 --> 00:25:33,000

I have a couple of cases that these women are explaining things, patterns that I think you might be familiar with.

272

00:25:34,000 --> 00:25:36,000

I know that you're familiar with Barbara's story.

273

00:25:38,000 --> 00:25:40,000

What do you think is kind of going on here?

274

00:25:41,000 --> 00:25:46,000

In the hybridization program, what we're talking about here is an implantation process at a younger age.

275

00:25:47,000 --> 00:25:50,000

They usually monitor the body until they're ready to go into puberty.

276

00:25:50,000 --> 00:25:57,000

At that point is when the insemination process will occur, then there will be the gestation, then there will be an extraction.

277

00:25:58,000 --> 00:26:08,000

That is interesting because I'm thinking of your story, I'm thinking of Barbara and some others we've talked to, and it does seem to sort of have phases to it.

278

00:26:09,000 --> 00:26:18,000

The witnesses who claim to be victims of human-alien hybridization plots all have memories of encountering extraterrestrials at very young ages.

279

00:26:18,000 --> 00:26:27,000

Are off-world beings targeting prepubescent humans and implanting them with devices to prepare them for hybrid parentage?

280

00:26:28,000 --> 00:26:35,000

People will find that they have implants in the uterus actually in the very back of the spine and then here in the back of the neck.

281

00:26:36,000 --> 00:26:39,000

A lot of times it's in their wrists, in their ankles.

282

00:26:40,000 --> 00:26:42,000

Just like the object seen on Barbara's scans.

283

00:26:43,000 --> 00:26:48,000

One time I thought I had a dream, but it wasn't, it was real.

284

00:26:49,000 --> 00:26:53,000

I have that implant behind my ear here, the base of my brain.

285

00:26:54,000 --> 00:27:02,000

Barbara says that the MRI that's showing it looks like some sort of square object in a place beneath the skull.

286

00:27:02,000 --> 00:27:12,000

One of the most impactful memories that I keep hearing over and over again is that they have a dream in which this being comes, approaches them and injects them in the back of the neck.

287

00:27:13,000 --> 00:27:16,000

And then the next day they wake up with side effects.

288

00:27:18,000 --> 00:27:25,000

Ben and Melissa have heard testimony of several alien species running human-alien hybridization programs.

289

00:27:26,000 --> 00:27:34,000

Is it possible that the Pleiadians command the Greys and Nordics in a vast hybridization conspiracy? If so, why?

290

00:27:35,000 --> 00:27:38,000

The end game here really is about genetics, right?

291

00:27:39,000 --> 00:27:44,000

The collection of different races that participate in cultivating these bloodlines.

292

00:27:46,000 --> 00:27:52,000

It allows from the splicing of genetic data to create an entire whole organism.

293

00:27:52,000 --> 00:27:56,000

These beings are quite interested in that.

294

00:27:57,000 --> 00:28:03,000

Geraldine, as always, thank you so much. I do really appreciate your perspective.

295

00:28:04,000 --> 00:28:05,000

Thank you so much for having me again.

296

00:28:06,000 --> 00:28:15,000

While Ben meets with Geraldine, Melissa connects with Daryl Sims, a leading expert on alien abductions with more than 40 years of field research under his belt.

297

00:28:16,000 --> 00:28:22,000

Along the way, he's amassed a large collection of what he says are alien implants.

298

00:28:23,000 --> 00:28:28,000

You'll see here it is. In two sections, it looks like a large seed type object.

299

00:28:29,000 --> 00:28:34,000

And this came out of the deceased man's calf muscle.

300

00:28:36,000 --> 00:28:39,000

Daryl's numerous alleged alien implants are mysterious in nature.

301

00:28:39,000 --> 00:28:45,000

They appear to be made of bi-organic materials that he's found no match for on this planet.

302

00:28:46,000 --> 00:28:48,000

What could their purpose be?

303

00:28:49,000 --> 00:28:55,000

But first, Melissa wants to know what Daryl believes the intentions of these aliens are.

304

00:28:56,000 --> 00:28:59,000

I had a really interesting interview with this woman named Elizabeth Aper.

305

00:29:00,000 --> 00:29:08,000

She talks about being abducted, but then realizing that it was she was being initiated into this galactic federated.

306

00:29:09,000 --> 00:29:14,000

She says that they're really here to help us as humans, as humanity.

307

00:29:15,000 --> 00:29:17,000

To kind of get us to the next level of evolution.

308

00:29:18,000 --> 00:29:20,000

And so I kind of want to get your take on this idea.

309

00:29:21,000 --> 00:29:27,000

Could there be some other worldly beings coming here for reasons that are negative?

310

00:29:28,000 --> 00:29:29,000

There's absolutely a possibility.

311

00:29:30,000 --> 00:29:33,000

The question is, are the aliens, quote unquote, the good guys?

312

00:29:34,000 --> 00:29:35,000

I don't think so.

313

00:29:36,000 --> 00:29:37,000

They're not pro-human.

314

00:29:38,000 --> 00:29:41,000

But where's the love and the light? I'm not feeling the love, you know what I mean?

315

00:29:42,000 --> 00:29:45,000

Whether they're doing it because they want to gather more intelligence on us,

316

00:29:46,000 --> 00:29:54,000

or if it's for actual reasons that are negative, meaning to conquer and figure out, you know, how to take over Earth, I don't know.

317

00:29:55,000 --> 00:29:56,000

What is the plan?

318

00:29:57,000 --> 00:30:00,000

Well, if you're part of deception, there are going to be multiple plans.

319

00:30:01,000 --> 00:30:02,000

And all of them are false.

320

00:30:02,000 --> 00:30:04,000

It's a veil threat.

321

00:30:05,000 --> 00:30:06,000

And apparently it's work.

322

00:30:07,000 --> 00:30:10,000

A few people we've spoken to reference a hybrid program.

323

00:30:11,000 --> 00:30:20,000

Whether these alien races and species are coming down here and taking eggs and sperm and creating,

you know, half human alien babies up in space,

324

00:30:21,000 --> 00:30:23,000

you being an investigator in this field for a while, what's your idea of this?

325

00:30:25,000 --> 00:30:28,000

In my opinion, the hybrid program in fact does exist.

326

00:30:29,000 --> 00:30:30,000

There is evidence of it.

327

00:30:32,000 --> 00:30:35,000

That proof comes in the form of implants.

328

00:30:36,000 --> 00:30:42,000

Over the years, Darrell has gathered photos of implants taken from alleged victims of hybridization programs.

329

00:30:44,000 --> 00:30:48,000

This is one of the people who took a biological implant out of her leg.

330

00:30:51,000 --> 00:30:56,000

And the lady told the story of how being implanted deep inside the body.

331

00:30:57,000 --> 00:30:59,000

This one is rather amazing.

332

00:31:00,000 --> 00:31:03,000

In between the toe here, there's a large needle-like device.

333

00:31:04,000 --> 00:31:07,000

This kind of looks like what Barbara said was in her shoulder.

334

00:31:08,000 --> 00:31:13,000

As for the purposes of these devices, Darrell has convinced it's a kind of biological warfare.

335

00:31:14,000 --> 00:31:18,000

Humans can be manipulated by an implant, behavior modification,

336

00:31:18,000 --> 00:31:27,000

and people literally changing belief systems due to an implant or due to the programming of the alien on board that craft.

337

00:31:30,000 --> 00:31:36,000

So, the big question, the million-dollar question, why is there a hybrid program? What is the point?

338

00:31:38,000 --> 00:31:45,000

Anytime somebody takes any group of people and starts doing transgenics on them and changing and altering things like that,

339

00:31:45,000 --> 00:31:49,000

we better be wondering why we still need to know.

340

00:31:49,000 --> 00:31:53,000

When I tell you the aliens exist, I mean it.

341

00:31:54,000 --> 00:32:01,000

My point is that there is evidence out there. We just have to find it.

342

00:32:02,000 --> 00:32:09,000

Darrell's claims about his investigation suggest a connection between implants and the alien hybridization conspiracy,

343

00:32:09,000 --> 00:32:13,000

but exactly how do the two pieces of the puzzle fit together?

344

00:32:13,000 --> 00:32:15,000

Well, Darrell, this has been amazing.

345

00:32:15,000 --> 00:32:18,000

Anything I can do to help you, I will.

346

00:32:19,000 --> 00:32:27,000

Both Geraldine and Darrell agree the battle for Earth is already well underway and it's happening right under our noses.

347

00:32:28,000 --> 00:32:35,000

Are the Pleiadians the species orchestrating it all? And if so, how much time do we have left?

348

00:32:37,000 --> 00:32:41,000

Barbara Eberhardt has agreed to meet with Darrell Sims.

349

00:32:42,000 --> 00:32:48,000

Who's eager to learn more about the ultimate purpose of the mysterious devices in her body?

350

00:32:48,000 --> 00:32:55,000

Might they be to track her for the hybrid conspiracy? Or is she a victim of some sort of mind control?

351

00:32:56,000 --> 00:33:03,000

Hello, Barbara. I'm delighted to meet you. I understand you think that you have an implant. You apparently have some evidence.

352

00:33:03,000 --> 00:33:04,000

Yes, I do.

353

00:33:04,000 --> 00:33:05,000

Do you have a copy of it?

354

00:33:05,000 --> 00:33:06,000

Yeah.

355

00:33:07,000 --> 00:33:13,000

The image shows a foreign body of unknown origin beneath Barbara's skull.

356

00:33:14,000 --> 00:33:21,000

Okay, this is the one from last year and that is really revealing that you see this square form and everything.

357

00:33:21,000 --> 00:33:22,000

Yes.

358

00:33:22,000 --> 00:33:23,000

And I don't know what it is.

359

00:33:23,000 --> 00:33:24,000

Something's there.

360

00:33:24,000 --> 00:33:25,000

Yeah.

361

00:33:25,000 --> 00:33:29,000

Something's there. So I want to ask you a couple of questions if I may. What does your doctor say?

362

00:33:29,000 --> 00:33:34,000

They don't know what it is because it's square because you don't have square things in your body.

363

00:33:35,000 --> 00:33:36,000

See, where is it located?

364

00:33:36,000 --> 00:33:38,000

It's behind here, behind there.

365

00:33:38,000 --> 00:33:39,000

Okay.

366

00:33:39,000 --> 00:33:40,000

At the base of my brain.

367

00:33:40,000 --> 00:33:41,000

All right.

368

00:33:41,000 --> 00:33:44,000

I do have also, I believe, another implant.

369

00:33:44,000 --> 00:33:45,000

Where?

370

00:33:45,000 --> 00:33:48,000

In my shoulder. I think it's been there for a long time.

371

00:33:48,000 --> 00:33:49,000

Okay.

372

00:33:49,000 --> 00:33:50,000

Probably since my childhood.

373

00:33:50,000 --> 00:33:52,000

Where did it come from?

374

00:33:52,000 --> 00:33:55,000

Well, I'm being taken by a Pleadians.

375

00:33:57,000 --> 00:34:02,000

So I think they probably implanted it at the time when I was a baby.

376

00:34:02,000 --> 00:34:05,000

So, but you don't know how it actually got there.

377

00:34:05,000 --> 00:34:07,000

No, I have no idea.

378

00:34:10,000 --> 00:34:15,000

Darryl uses a metal detector to search for signs of Barbara's implants.

379

00:34:19,000 --> 00:34:20,000

Right here.

380

00:34:24,000 --> 00:34:26,000

You have a necklace or anything on?

381

00:34:26,000 --> 00:34:27,000

No.

382

00:34:27,000 --> 00:34:28,000

Anything metallic?

383

00:34:28,000 --> 00:34:29,000

Okay.

384

00:34:29,000 --> 00:34:33,000

This is one behind your ear.

385

00:34:33,000 --> 00:34:34,000

That's odd.

386

00:34:34,000 --> 00:34:42,000

Is the metal detector failing to pick up on Barbara's implant because it is made up of an unknown metallic element?

387

00:34:42,000 --> 00:34:49,000

Darryl, there's been instances where people have implants, but they've taken them out

388

00:34:49,000 --> 00:34:52,000

and they find that they're not like a metal of this earth.

389

00:34:52,000 --> 00:34:54,000

Does that still register on your devices?

390

00:34:54,000 --> 00:34:56,000

My observation is this.

391

00:34:56,000 --> 00:34:58,000

No, no.

392

00:34:59,000 --> 00:35:05,000

If Barbara's implant is not made of recognizable metals, what is it made of?

393

00:35:05,000 --> 00:35:11,000

Euphologists theorize that alien implants could operate under nuclear power,

394

00:35:11,000 --> 00:35:15,000

so Darryl will search for signs of radiation.

395

00:35:15,000 --> 00:35:18,000

You'll see if there's anything else going on.

396

00:35:18,000 --> 00:35:22,000

This is a radiation detector, that little click.

397

00:35:22,000 --> 00:35:28,000

Many implants Darryl has encountered are radioactive, which could prove hazardous to the host.

398

00:35:28,000 --> 00:35:33,000

So we're just going to look and see if there's anything radioactive.

399

00:35:33,000 --> 00:35:36,000

We'll know immediately, but...

400

00:35:40,000 --> 00:35:46,000

The detector gets a faint reading, suggesting the object at the base of her brain could be an implant.

401

00:35:46,000 --> 00:35:48,000

My observation is this.

402

00:35:48,000 --> 00:35:51,000

Something anomalous is really going on with you.

403

00:35:51,000 --> 00:35:57,000

I would be very interested ultimately in if you ever had these removed or tested or looked at

404

00:35:57,000 --> 00:36:00,000

to see the biology that might give us a hint.

405

00:36:00,000 --> 00:36:03,000

But I don't want to have them removed.

406

00:36:03,000 --> 00:36:11,000

It's a shocking development, the alleged victim of a horrifying abduction refusing to cut the link to her captors.

407

00:36:11,000 --> 00:36:19,000

Barbara, can I ask why is it that you believe that this might be some sort of a tag,

408

00:36:19,000 --> 00:36:22,000

but you really don't want it removed?

409

00:36:22,000 --> 00:36:24,000

Because I'm still working with them.

410

00:36:24,000 --> 00:36:27,000

I'm still being taken on a regular basis.

411

00:36:27,000 --> 00:36:33,000

Could Barbara be an unwitting pawn in a vast mind control campaign?

412

00:36:33,000 --> 00:36:36,000

I mean, the proof is that I have something there.

413

00:36:36,000 --> 00:36:38,000

That's right. Something's there.

414

00:36:38,000 --> 00:36:44,000

So I would like to say, hopefully in the near future we'll be able to direct you some more testing,

415

00:36:44,000 --> 00:36:47,000

more ideas, more questions for your doctors and so on.

416

00:36:47,000 --> 00:36:49,000

That would be awesome.

417

00:36:49,000 --> 00:36:51,000

Thank you Barbara.

418

00:36:51,000 --> 00:36:53,000

Thank you.

419

00:36:53,000 --> 00:36:57,000

The team has left with more questions than answers about the devices.

420

00:36:57,000 --> 00:37:03,000

Could they be to control our minds to keep us subservient in the event of a future invasion?

421

00:37:07,000 --> 00:37:13,000

So Daryl, was that a typical session that you did with Barbara?

422

00:37:13,000 --> 00:37:19,000

Well, this was very visible, very clear, an object.

423

00:37:19,000 --> 00:37:23,000

What do you think the purpose of this thing at the base of her skull?

424

00:37:23,000 --> 00:37:28,000

There's a reason it's in that location. These are not accidental.

425

00:37:28,000 --> 00:37:33,000

Whatever is going on, there are high levels of deception involved here.

426

00:37:33,000 --> 00:37:38,000

There are high levels of deception and the question is who's telling the truth?

427

00:37:38,000 --> 00:37:45,000

You seem to only hear things about the U.S., but you're in touch with people who have experiences across the world.

428

00:37:45,000 --> 00:37:47,000

I mean, how extensive is this?

429

00:37:47,000 --> 00:37:52,000

There are cases in Brazil, in Italy, and they're all over the world.

430

00:37:52,000 --> 00:37:59,000

There's definitely an uptick in the amount of people seeing things in the sky, having abduction experiences, the implant situation.

431

00:37:59,000 --> 00:38:06,000

I mean, we're getting to the point where there's so much happening and I feel like we barely scratch the surface.

432

00:38:06,000 --> 00:38:10,000

And of course the big question we're trying to answer is why is this happening?

433

00:38:10,000 --> 00:38:12,000

Is there an end game?

434

00:38:12,000 --> 00:38:16,000

I think that there isn't an end game. I don't like what I'm seeing.

435

00:38:16,000 --> 00:38:18,000

It's bigger than we imagined.

436

00:38:18,000 --> 00:38:27,000

We need more time. We, I think, need to get more detailed, getting into the lives of the individual people, claiming these things are happening,

437

00:38:27,000 --> 00:38:32,000

and see if the patterns are leading us to any final point.

438

00:38:32,000 --> 00:38:37,000

It's just all of this is pieces of truth. And so our job is to put all those pieces together.

439

00:38:38,000 --> 00:38:46,000

Over the past year, Ben and Melissa have conducted dozens of interviews with UFO witnesses and alien abductees.

440

00:38:49,000 --> 00:38:52,000

Now it's time to compile their notes.

441

00:38:52,000 --> 00:38:57,000

What spacecraft and alien species are visiting which region of the country?

442

00:38:57,000 --> 00:38:59,000

What are their intentions?

443

00:38:59,000 --> 00:39:06,000

And could they all belong to the same federation, plotting to execute a coordinated agenda?

444

00:39:06,000 --> 00:39:14,000

We had that really interesting interview with Yasme with the shape-shifting UFOs, right?

445

00:39:14,000 --> 00:39:17,000

You know what the what?

446

00:39:17,000 --> 00:39:20,000

Who or what is behind it? We don't know.

447

00:39:20,000 --> 00:39:30,000

The only evidence we have is Matthew Roberts' account of yet another one of these spherical type things, the gimbal,

448

00:39:30,000 --> 00:39:38,000

and he's saying that it could be attached to this blue bean that has been visiting him.

449

00:39:38,000 --> 00:39:45,000

The blue serine, it doesn't think it's a coincidence because he was on the ship where the Navy video was taken.

450

00:39:45,000 --> 00:39:51,000

While the shape-shifter has been spotted all across the country, it does have a consistent pattern.

451

00:39:51,000 --> 00:39:57,000

It always appears near military facilities, but that's just the first of many UFO types in our skies.

452

00:39:57,000 --> 00:40:01,000

We have the northeast, again another hotspot, right?

453

00:40:03,000 --> 00:40:05,000

It's a mountain dick.

454

00:40:07,000 --> 00:40:12,000

She has this experience. What does she experience? Missing time.

455

00:40:14,000 --> 00:40:16,000

Thomas Reed.

456

00:40:16,000 --> 00:40:20,000

Has missing time. And had interactions with beans.

457

00:40:21,000 --> 00:40:29,000

Similar events have been reported in Southern California. Only unidentified submerged objects and mantis aliens have been to blame.

458

00:40:29,000 --> 00:40:36,000

We've got objects that not only seem to be around the water, but are seen going into the water.

459

00:40:38,000 --> 00:40:44,000

But what about the idea that abductees are being taken? That's been proposed, Kim Carlsberg.

460

00:40:44,000 --> 00:40:45,000

Right.

461

00:40:45,000 --> 00:40:52,000

She feels like she's inside of some structure. Could be underground, but it looks like the walls were wet.

462

00:40:53,000 --> 00:40:59,000

In the American Northwest, another species is said to rule the skies in their fireball UFOs.

463

00:41:00,000 --> 00:41:05,000

And, you know, the concept that Native American tribes believe in what they call star people.

464

00:41:05,000 --> 00:41:09,000

They give the idea that these star people came thousands of years ago.

465

00:41:09,000 --> 00:41:10,000

Yeah.

466

00:41:10,000 --> 00:41:11,000

Up in Idaho.

467

00:41:11,000 --> 00:41:20,000

And just a few hundred miles southeast of there, the gray aliens are believed to be executing horrific experiments on earthly life forms.

468

00:41:20,000 --> 00:41:28,000

We now have places of mass cattle mutilations and animals like, ranch is like the Clearview Ranch.

469

00:41:28,000 --> 00:41:36,000

But then the question is why? Like, what is the point of the mutilations? Are they gathering DNA?

470

00:41:36,000 --> 00:41:38,000

Take Ella, for example.

471

00:41:39,000 --> 00:41:47,000

She had some weird experiences growing up, and then she felt like she was being targeted for her eggs.

472

00:41:47,000 --> 00:41:52,000

That she was part of some kind of hybrid program with these strange beings.

473

00:41:52,000 --> 00:42:00,000

And in the desert surrounding Las Vegas, black triangle UFOs have been linked to a race known as the Arcturians.

474

00:42:00,000 --> 00:42:04,000

Now, Jerome is totally a different case.

475

00:42:08,000 --> 00:42:12,000

Jerome was living his life, doing construction work.

476

00:42:12,000 --> 00:42:14,000

He has this experience.

477

00:42:14,000 --> 00:42:21,000

He starts speaking to these beings, starts having, like, all this knowledge that he never had before.

478

00:42:21,000 --> 00:42:25,000

Elizabeth April knew all about the Galactic Federation, too.

479

00:42:25,000 --> 00:42:29,000

And she believed the Palladians were in control.

480

00:42:29,000 --> 00:42:40,000

Could the Palladians be using the Galactic Federation to bring all these alien species together in a vast conspiracy to conquer planet Earth like many believe?

481

00:42:40,000 --> 00:42:44,000

We've got people that are being abducted, animals that are being mutilated.

482

00:42:44,000 --> 00:42:47,000

It's like we're in the middle of some kind of war.

483

00:42:47,000 --> 00:42:49,000

Yeah.

484

00:42:49,000 --> 00:42:52,000

Now the final piece is implants.

485

00:42:52,000 --> 00:43:00,000

You know, they're unable to explain how these things seem to interface with the biology of the human body.

486

00:43:00,000 --> 00:43:03,000

We take these things out and we still don't know what they are.

487

00:43:03,000 --> 00:43:05,000

That's concerning.

488

00:43:05,000 --> 00:43:10,000

Are they just used for tracking or could there be some interface, you know, to control the brain?

489

00:43:10,000 --> 00:43:15,000

And do we have reason to fear the arrival of even more alien species?

490

00:43:15,000 --> 00:43:26,000

In 2022, a collective of scientists proposed beaming an encoded message out into the cosmos, revealing our location to any and all extraterrestrials.

491

00:43:26,000 --> 00:43:34,000

But with eight different species potentially setting their sights on Earth already, experts wonder if this is a wise idea.

492

00:43:34,000 --> 00:43:40,000

Stephen Hawking himself cautioned against contacting alien life, reasoning they might not be friendly.

493

00:43:40,000 --> 00:43:43,000

Regardless, one thing is clear.

494

00:43:43,000 --> 00:43:46,000

Ben and Melissa's mission is just beginning.

495

00:43:46,000 --> 00:43:50,000

We're doing the traditional investigative process.

496

00:43:50,000 --> 00:43:53,000

We're interviewing people that have seen craft.

497

00:43:53,000 --> 00:44:02,000

We're talking about real solid evidence, but we're also interviewing people that have said that they have had contact.

498

00:44:02,000 --> 00:44:12,000

To date, eight alien species have been uncovered in the investigation, and some witnesses claim the Pleiadians lead them all through an alleged galactic federation

499

00:44:12,000 --> 00:44:15,000

with obscured motives and goals.

500

00:44:15,000 --> 00:44:20,000

What do they want? Why are they here? Why are they contacting our human species?

501

00:44:20,000 --> 00:44:31,000

The more I'm concerned that those involved are not telling the truth, and those who are subjected to it are being fed a lot of the time's lies.

502

00:44:31,000 --> 00:44:35,000

Are we in danger from whoever these visitors are?

503

00:44:35,000 --> 00:44:39,000

Is there a time frame in which this is going to take place?

504

00:44:39,000 --> 00:44:41,000

And can we stop it?

505

00:44:41,000 --> 00:44:51,000

Is an alien invasion imminent, or has it already begun in our own minds and bodies through an organized implant and hybrid conspiracy?

506

00:44:51,000 --> 00:44:54,000

I think we have a lot more to do.

507

00:44:54,000 --> 00:44:57,000

This investigation isn't over.
