FEATURED REVIEW

★ 1/10

**Crap**

Don't care for this crap. Personally, if I ever witnessed ufo activity, I would NEVER call mufon. They treat people like crap! I understand research and analysis completely, but lets not forget you are dealing with humans. Humans react to unknown things with panic and confusion. And often with wonderment. Quit watching in the 2nd episode because of their negative oriented analysis. Just made me hate mufon. So back off mufon!
