

1

00:00:00,000 --> 00:00:06,000

There is a new and even more secret military base called

2

00:00:06,000 --> 00:00:07,000

Area 52.

3

00:00:07,000 --> 00:00:10,000

There are parts of the facility where even the military

4

00:00:10,000 --> 00:00:12,000

themselves can't get access.

5

00:00:12,000 --> 00:00:14,000

What on earth is going on?

6

00:00:14,000 --> 00:00:16,000

Newly declassified documents.

7

00:00:16,000 --> 00:00:19,000

Are they propaganda or a smoking gun?

8

00:00:19,000 --> 00:00:24,000

Some of these files contain information about UFOs that will

9

00:00:24,000 --> 00:00:27,000

change people's mind about the whole phenomenon.

10

00:00:27,000 --> 00:00:31,000

Evidence never before seen on television of advanced technology

11

00:00:31,000 --> 00:00:34,000

and UFOs side by side.

12

00:00:34,000 --> 00:00:38,000

Second time it fired five blue lights come down and completely

13

00:00:38,000 --> 00:00:39,000

surround this beam.

14

00:00:39,000 --> 00:00:42,000

Why did the government keep this image of Mars hidden from

15

00:00:42,000 --> 00:00:43,000

the public?

16

00:00:43,000 --> 00:00:45,000

What secrets are they trying to conceal?

17

00:00:45,000 --> 00:00:48,000

The government is finally beginning to tell us what we

18

00:00:48,000 --> 00:00:49,000

already know.

19

00:00:49,000 --> 00:00:52,000

Will new scientific breakthroughs force the government to

20

00:00:52,000 --> 00:00:54,000

reveal the truth?

21

00:00:54,000 --> 00:00:56,000

You got contractors out there playing God with technology.

22

00:00:56,000 --> 00:00:58,000

That's pretty scary stuff.

23

00:01:02,000 --> 00:01:05,000

New information is transforming what people believe about

24

00:01:05,000 --> 00:01:07,000

extraterrestrial spacecraft.

25

00:01:07,000 --> 00:01:10,000

Are UFOs really visiting our world?

26

00:01:10,000 --> 00:01:12,000

Is the government hiding the truth?

27

00:01:12,000 --> 00:01:17,000

And if so, could new scientific developments reveal explosive

28

00:01:17,000 --> 00:01:21,000

new evidence found at Area 52?

29

00:01:26,000 --> 00:01:42,000

Music

30

00:01:42,000 --> 00:01:47,000

March 16, 1968, Skull Valley.

31

00:01:47,000 --> 00:01:51,000

This quiet area of Ranchland in central Utah is home to a

32

00:01:51,000 --> 00:01:55,000

small Native American population known for raising sheep.

33

00:01:55,000 --> 00:01:59,000

But overnight, it would become infamous for something far

34

00:01:59,000 --> 00:02:01,000

different.

35

00:02:01,000 --> 00:02:05,000

That morning, ranchers woke up to find a horrific scene.

36

00:02:08,000 --> 00:02:11,000

Scattered across the valley were thousands and thousands of

37

00:02:11,000 --> 00:02:13,000

dead sheep.

38

00:02:13,000 --> 00:02:18,000

The Skull Valley sheep incident in which over 6,000 sheep

39

00:02:18,000 --> 00:02:20,000

suddenly died.

40

00:02:20,000 --> 00:02:22,000

This is in March of 1968.

41

00:02:22,000 --> 00:02:26,000

It was awful and it was a shocking event actually for the

42

00:02:26,000 --> 00:02:28,000

country at the time.

43

00:02:28,000 --> 00:02:31,000

Veterinarians determined that the sheep experienced massive

44

00:02:31,000 --> 00:02:34,000

muscle convulsions and ultimately died from

45

00:02:34,000 --> 00:02:36,000

exfixiation.

46

00:02:36,000 --> 00:02:41,000

Days later, lab tests on sheep blood revealed the existence

47

00:02:41,000 --> 00:02:46,000

of a foreign substance unlike anything previously known.

48

00:02:46,000 --> 00:02:50,000

And today, almost 50 years later, there is still no official

49

00:02:50,000 --> 00:02:52,000

explanation for what happened.

50

00:02:52,000 --> 00:02:56,000

Only suspicions remain that point to nearby

51

00:02:56,000 --> 00:02:58,000

government facilities.

52

00:02:58,000 --> 00:03:02,000

Music

53

00:03:02,000 --> 00:03:06,000

250 miles southwest of Skull Valley and 83 miles north of

54

00:03:06,000 --> 00:03:11,000

Las Vegas in the Nevada desert lies a U.S. military site that's

55

00:03:11,000 --> 00:03:15,000

been a staple of American lore and mystery for over six

56

00:03:15,000 --> 00:03:17,000

decades.

57

00:03:17,000 --> 00:03:20,000

Few Americans haven't heard of it.

58

00:03:20,000 --> 00:03:22,000

Area 51.

59

00:03:22,000 --> 00:03:27,000

Area 51 has really played a key role in the development of

60

00:03:27,000 --> 00:03:31,000

some of the most iconic secret prototype aircraft projects of

61

00:03:31,000 --> 00:03:32,000

all time.

62

00:03:32,000 --> 00:03:36,000

But what really brought Area 51 into the spotlight were reports

63

00:03:36,000 --> 00:03:39,000

of unidentified flying objects.

64

00:03:40,000 --> 00:03:44,000

And the conspiracy theorists who put the not so secret base

65

00:03:44,000 --> 00:03:46,000

under great scrutiny.

66

00:03:46,000 --> 00:03:52,000

The UFO community say it all began in Roswell, 1947, when an

67

00:03:52,000 --> 00:03:57,000

alien spacecraft crashed in the desert.

68

00:03:57,000 --> 00:04:04,000

And supposedly, the wreckage of that crash was taken to Area 51.

69

00:04:04,000 --> 00:04:06,000

That's when the legend began.

70

00:04:06,000 --> 00:04:11,000

Once everyone had heard about Area 51, in a sense, the secret's

71

00:04:11,000 --> 00:04:12,000

out.

72

00:04:12,000 --> 00:04:16,000

But in some ways, this can work to the government's benefit.

73

00:04:16,000 --> 00:04:20,000

When all eyes are on one particular location, the trick is

74

00:04:20,000 --> 00:04:22,000

then to move the action elsewhere.

75

00:04:22,000 --> 00:04:24,000

Where did it go?

76

00:04:24,000 --> 00:04:26,000

Area 52.

77

00:04:26,000 --> 00:04:32,000

Music

78

00:04:32,000 --> 00:04:36,000

Officially designated as the Dugway Proving Ground, this

79

00:04:36,000 --> 00:04:41,000

military facility covers an astounding 1,250 square miles of

80

00:04:41,000 --> 00:04:44,000

the Great Salt Lake Desert.

81

00:04:44,000 --> 00:04:48,000

I've been researching Dugway for two decades.

82

00:04:48,000 --> 00:04:53,000

The place is so big that, you know, it's taken me years and

83

00:04:53,000 --> 00:04:56,000

years to completely go around this base and document fence

84

00:04:56,000 --> 00:04:58,000

lines and borders.

85

00:04:58,000 --> 00:05:02,000

If he was to, say, stand on the southern vantage point and look

86

00:05:02,000 --> 00:05:06,000

across, you would think, OK, well, where does it end?

87

00:05:06,000 --> 00:05:10,000

And as far as you can see, that's what they own.

88

00:05:10,000 --> 00:05:14,000

Dugway Proving Ground, which has gotten the nickname of Area 52,

89

00:05:14,000 --> 00:05:18,000

got started in the early 1940s and remains a place of extremely

90

00:05:18,000 --> 00:05:21,000

sensitive testing of things like chemical weapons, biological

91

00:05:21,000 --> 00:05:25,000

weapons, germ warfare, radiological weapons, all of the

92

00:05:25,000 --> 00:05:28,000

really very dangerous things.

93

00:05:32,000 --> 00:05:36,000

Dugway's official mission is to test top secret American weapons

94

00:05:36,000 --> 00:05:38,000

and aerospace systems.

95

00:05:38,000 --> 00:05:43,000

But UFO researchers believe the purpose of Area 52 is far more

96

00:05:43,000 --> 00:05:45,000

than that.

97

00:05:45,000 --> 00:05:50,000

Some of the things that we've seen out there are convoys of

98

00:05:50,000 --> 00:05:55,000

black suburban or military vehicles that just kind of disappear.

99

00:05:55,000 --> 00:05:59,000

Like they're going underground or something like that.

100

00:05:59,000 --> 00:06:03,000

You have areas that are clearly marked bombing range on

101

00:06:03,000 --> 00:06:06,000

signage, and yet you look out there and you don't see any

102

00:06:06,000 --> 00:06:10,000

kind of craters or evidence of bombing.

103

00:06:10,000 --> 00:06:14,000

Instead, there's fence sticking out of the ground, buildings.

104

00:06:14,000 --> 00:06:16,000

What does that tell you?

105

00:06:16,000 --> 00:06:19,000

There's something underneath, some kind of huge facility or

106

00:06:19,000 --> 00:06:21,000

type of underground base.

107

00:06:21,000 --> 00:06:25,000

Given the ultra secret activity at Dugway, is it possible that

108

00:06:25,000 --> 00:06:29,000

UFO activity that was once centered at Area 51 has been

109

00:06:29,000 --> 00:06:33,000

secretly relocated to Area 52?

110

00:06:33,000 --> 00:06:36,000

And if so, is there evidence?

111

00:06:39,000 --> 00:06:42,000

In the many years that I've been going to Dugway, in my research,

112

00:06:42,000 --> 00:06:46,000

in my field work out there, we've seen certain aircraft actually

113

00:06:46,000 --> 00:06:48,000

just disappear in a broad daylight.

114

00:06:48,000 --> 00:06:51,000

It looks almost like it's being cloaked.

115

00:06:51,000 --> 00:06:56,000

Invisibility, predator type of technology.

116

00:06:56,000 --> 00:07:01,000

I've seen craft flying around out at Dugway that I know are not

117

00:07:01,000 --> 00:07:03,000

man-made.

118

00:07:03,000 --> 00:07:08,000

Dugway has a history which continues to this day of

119

00:07:08,000 --> 00:07:11,000

interesting UFO sightings.

120

00:07:11,000 --> 00:07:14,000

This doesn't include simply craft, but also things like

121

00:07:14,000 --> 00:07:17,000

orangish red orbs, for example.

122

00:07:17,000 --> 00:07:19,000

Bizarre things.

123

00:07:19,000 --> 00:07:22,000

There's certainly nothing that officially the United States

124

00:07:22,000 --> 00:07:23,000

government has acknowledged.

125

00:07:23,000 --> 00:07:25,000

And yet enough people are seeing them that we really have to ask

126

00:07:25,000 --> 00:07:28,000

ourselves what are these things and why are they there?

127

00:07:33,000 --> 00:07:38,000

Like Area 51, Dugway Proving Ground has a long history of

128

00:07:38,000 --> 00:07:43,000

UFO sightings, government secrecy, and official cover-ups.

129

00:07:43,000 --> 00:07:49,000

On the one hand, we're in the Freedom of Information Act age.

130

00:07:49,000 --> 00:07:52,000

The journalists are always asking questions the public have a

131

00:07:52,000 --> 00:07:56,000

right to know, but only up to a certain point.

132

00:07:56,000 --> 00:07:59,000

Clearly you don't want your most highly classified project

133

00:07:59,000 --> 00:08:01,000

spread all over the media.

134

00:08:01,000 --> 00:08:04,000

Clearly there are things being developed that you don't want

135

00:08:04,000 --> 00:08:08,000

the Russians or the Chinese finding out about.

136

00:08:08,000 --> 00:08:12,000

But what if the U.S. government were conspiring to develop

137

00:08:12,000 --> 00:08:15,000

technology from UFOs?

138

00:08:15,000 --> 00:08:18,000

Investigators believe highly credible evidence of this can be

139

00:08:18,000 --> 00:08:22,000

found in eyewitness accounts of former private contractors at

140

00:08:22,000 --> 00:08:26,000

Dugway, who report very strange activity, highly unusual

141

00:08:26,000 --> 00:08:31,000

technology, never before seen aircraft designs, and extremely

142

00:08:31,000 --> 00:08:33,000

tight security.

143

00:08:33,000 --> 00:08:37,000

Area 52 is a highly classified and secure location.

144

00:08:37,000 --> 00:08:41,000

And of course, security is tight.

145

00:08:41,000 --> 00:08:45,000

But there are areas of it where security is even tighter.

146

00:08:45,000 --> 00:08:48,000

There are parts of the facility where apparently even the

147

00:08:48,000 --> 00:08:51,000

military themselves can't get access.

148

00:08:51,000 --> 00:08:53,000

What's going on in those areas?

149

00:08:53,000 --> 00:08:57,000

Who's operating in there and what on earth is going on?

150

00:09:00,000 --> 00:09:02,000

No one knows the area better than me.

151

00:09:02,000 --> 00:09:05,000

It's kind of one of those places where if you're hanging around,

152

00:09:05,000 --> 00:09:07,000

you're going to get confronted.

153

00:09:07,000 --> 00:09:11,000

And boy, when you have the white vans roll up on you and the

154

00:09:11,000 --> 00:09:16,000

guys pop out, palm in their guns, it's quite intimidating.

155

00:09:16,000 --> 00:09:19,000

And they say, you know, you need to move on, you need to pack

156

00:09:19,000 --> 00:09:20,000

up your stuff.

157

00:09:20,000 --> 00:09:21,000

It's not public land.

158

00:09:21,000 --> 00:09:23,000

You are on Dugway property.

159

00:09:23,000 --> 00:09:25,000

And I'm telling you, this security is nothing that you want

160

00:09:25,000 --> 00:09:27,000

to mess with.

161

00:09:27,000 --> 00:09:30,000

Governments are always talking about being more transparent.

162

00:09:30,000 --> 00:09:32,000

They're always talking about being more open.

163

00:09:32,000 --> 00:09:34,000

In fact, they become less transparent and less open over

164

00:09:34,000 --> 00:09:35,000

the years.

165

00:09:35,000 --> 00:09:38,000

I think this is more propaganda than anything else.

166

00:09:39,000 --> 00:09:42,000

The first reports of the existence of this top secret base

167

00:09:42,000 --> 00:09:46,000

in Utah surfaced in 1942.

168

00:09:46,000 --> 00:09:49,000

During World War II, investigators learned that Dugway,

169

00:09:49,000 --> 00:09:55,000

also known as Area 52, served as a test site for toxic agents,

170

00:09:55,000 --> 00:09:59,000

including napalm used in flamethrowers, chemical spray

171

00:09:59,000 --> 00:10:02,000

systems, and firebombing tactics.

172

00:10:02,000 --> 00:10:06,000

When you play with biological and chemical weapons,

173

00:10:06,000 --> 00:10:11,000

I mean, you have to absolutely have the highest safeguards

174

00:10:11,000 --> 00:10:12,000

in place.

175

00:10:12,000 --> 00:10:16,000

One mistake can be absolutely fatal, literally.

176

00:10:16,000 --> 00:10:21,000

In 1958, the US Army added radiological weapons testing to

177

00:10:21,000 --> 00:10:25,000

Area 52, which according to the Department of Defense,

178

00:10:25,000 --> 00:10:29,000

is any device designed to spread radioactive material with

179

00:10:29,000 --> 00:10:32,000

the intent to kill and cause disruption.

180

00:10:32,000 --> 00:10:35,000

One of the things about Dugway, there's no oversight,

181

00:10:35,000 --> 00:10:37,000

no congressional oversight, no independent oversight.

182

00:10:37,000 --> 00:10:40,000

So more or less they're doing whatever they want out there.

183

00:10:40,000 --> 00:10:45,000

You got contractors out there playing God with technology.

184

00:10:45,000 --> 00:10:47,000

That's pretty scary stuff.

185

00:10:48,000 --> 00:10:52,000

So what has been going on at this secret government site that

186

00:10:52,000 --> 00:10:56,000

is even more classified than Area 51?

187

00:10:56,000 --> 00:11:00,000

I've been researching Dugway for so long that I get a lot of

188

00:11:00,000 --> 00:11:03,000

people coming my way with personal stories, things that

189

00:11:03,000 --> 00:11:06,000

they've seen, witnessed, experienced.

190

00:11:06,000 --> 00:11:09,000

One of these contacted me and wanted to meet me at a restaurant

191

00:11:09,000 --> 00:11:12,000

to show me something special.

192

00:11:12,000 --> 00:11:16,000

They showed me a picture of what it looked like, them standing

193

00:11:16,000 --> 00:11:19,000

in front of a home unit, and a back of them.

194

00:11:19,000 --> 00:11:22,000

30 feet off the deck was a flying saucer.

195

00:11:22,000 --> 00:11:26,000

Now they would not let me hold that photo.

196

00:11:26,000 --> 00:11:29,000

It was one of those things where they're not supposed to be

197

00:11:29,000 --> 00:11:32,000

taking photos out there, so this could very well get them in trouble.

198

00:11:37,000 --> 00:11:41,000

Is it possible the U.S. military at Area 52 could be secretly

199

00:11:41,000 --> 00:11:45,000

developing highly dangerous weapons and aerospace technology

200

00:11:45,000 --> 00:11:50,000

of an extraterrestrial origin, as UFO researchers believe?

201

00:11:50,000 --> 00:11:54,000

And if so, would this mean the government is acting to protect us,

202

00:11:54,000 --> 00:11:58,000

or are they in fact protecting us from the truth?

203

00:11:59,000 --> 00:12:03,000

Further evidence may be found in chilling eyewitness accounts

204

00:12:03,000 --> 00:12:07,000

of what many say is the most secret and dangerous military base

205

00:12:07,000 --> 00:12:09,000

in the world.

206

00:12:13,000 --> 00:12:19,000

UFO researchers believe Area 52, also known as Dugway Proving Ground,

207

00:12:19,000 --> 00:12:23,000

has a long history of UFO sightings, government secrecy,

208

00:12:23,000 --> 00:12:27,000

and official cover-ups. Case in point.

209

00:12:27,000 --> 00:12:32,000

The Skull Valley sheep incident, where overnight more than 6,000 sheep

210

00:12:32,000 --> 00:12:37,000

died mysteriously 30 miles from Area 52.

211

00:12:37,000 --> 00:12:43,000

Since 1968, clues of what may have killed the sheep have slowly come to light.

212

00:12:43,000 --> 00:12:48,000

Dugway Proving Ground was a location where many highly classified

213

00:12:48,000 --> 00:12:53,000

chemical and biological tests were carried out, and in 1968

214

00:12:53,000 --> 00:12:58,000

one of these went wrong when VX nerve agent was inadvertently released.

215

00:12:58,000 --> 00:13:00,000

Well, it's an interesting thing what the army did.

216

00:13:00,000 --> 00:13:04,000

On the one hand, they denied for years and years that they had anything to do with this,

217

00:13:04,000 --> 00:13:07,000

but we know that quietly they were compensating the ranchers.

218

00:13:07,000 --> 00:13:10,000

Obviously, they knew that they were responsible for the deaths of those sheep.

219

00:13:10,000 --> 00:13:16,000

Although a nerve agent is widely blamed for the tragedy, some UFO researchers believe

220

00:13:16,000 --> 00:13:20,000

there was a hidden agenda behind the nerve agent's release.

221

00:13:20,000 --> 00:13:23,000

One meant to conceal an even bigger secret.

222

00:13:23,000 --> 00:13:28,000

Just so happens during this same time, there was massive UFO sightings.

223

00:13:28,000 --> 00:13:32,000

Some witnesses have actually filmed these UFOs and these lights in the sky.

224

00:13:32,000 --> 00:13:39,000

Was it a diversionary tactic by the military to focus on these UFOs and these lights in the sky,

225

00:13:39,000 --> 00:13:41,000

or it could be the other way around?

226

00:13:41,000 --> 00:13:45,000

Maybe they're using the sheep incident to take focus off the UFOs.

227

00:13:45,000 --> 00:13:51,000

If they're testing this type of weaponry, what do we not know about

228

00:13:51,000 --> 00:13:54,000

the craft and the sightings being seen around the area?

229

00:13:54,000 --> 00:13:58,000

The Dugway sheep incident did serve a purpose.

230

00:13:58,000 --> 00:14:02,000

It frightened people, kept them away, kept them from asking questions

231

00:14:02,000 --> 00:14:04,000

because they saw what would happen.

232

00:14:04,000 --> 00:14:10,000

These UFO sightings continue to this day, and I feel, as do other researchers,

233

00:14:10,000 --> 00:14:15,000

that these objects are monitoring what's taking place at Dugway.

234

00:14:15,000 --> 00:14:17,000

So this is important.

235

00:14:19,000 --> 00:14:26,000

Could the sheep incident and the simultaneous sightings of UFOs have served as an early warning

236

00:14:26,000 --> 00:14:32,000

that our government is operating secret programs at Area 52 connected to UFOs?

237

00:14:32,000 --> 00:14:40,000

And if so, does the high-state security and secrecy suggest the government is really working with extraterrestrials

238

00:14:40,000 --> 00:14:43,000

and continues to do so even today?

239

00:14:43,000 --> 00:14:51,000

Some people in the UFO community believe that Area 52 is a location where collaborative projects

240

00:14:51,000 --> 00:14:55,000

between the U.S. government and extraterrestrials take place.

241

00:14:55,000 --> 00:15:02,000

And this is the very location where people are reporting all sorts of advanced aircraft,

242

00:15:02,000 --> 00:15:05,000

chemical and biological weapons.

243

00:15:05,000 --> 00:15:11,000

Is this a coincidence, or are these weapons and aircraft the fruits of that project?

244

00:15:11,000 --> 00:15:14,000

What goes on in the base will always be a secret.

245

00:15:14,000 --> 00:15:21,000

But what we do know is the residents around the area have repeatedly, for decades, reported

246

00:15:21,000 --> 00:15:24,000

a high number of UFO sightings.

247

00:15:24,000 --> 00:15:29,000

I believe there absolutely is a connection between what's taking place at Dugway

248

00:15:29,000 --> 00:15:32,000

and what we see with the unidentified phenomenon.

249

00:15:37,000 --> 00:15:41,000

Dave Rosenfeld is among a number of growing UFO researchers

250

00:15:41,000 --> 00:15:46,000

who contend Dugway has been a hotbed of UFO activity for decades.

251

00:15:46,000 --> 00:15:52,000

I've seen craft flying around at Dugway, doing maneuvers that I know conventional craft can't do.

252

00:15:52,000 --> 00:15:56,000

And so it's either experimental craft or it's not ours.

253

00:15:56,000 --> 00:16:03,000

I've personally witnessed unconventional craft being escorted by Blackhawk helicopters.

254

00:16:03,000 --> 00:16:09,000

I've heard of other stories that have come my way where UFOs have been seen in the area

255

00:16:09,000 --> 00:16:12,000

and these type of craft cannot be all military.

256

00:16:12,000 --> 00:16:18,000

There's no way that the military can account for all the sightings that happen out there.

257

00:16:20,000 --> 00:16:24,000

We know that the US government has recovered through various means

258

00:16:24,000 --> 00:16:29,000

Soviet MiG aircraft and managed to reverse engineer those.

259

00:16:29,000 --> 00:16:33,000

But you look at something like stealth bombers and you think,

260

00:16:33,000 --> 00:16:35,000

where on earth did that come from?

261

00:16:35,000 --> 00:16:38,000

It looks like something out of a sci-fi movie.

262

00:16:38,000 --> 00:16:43,000

Could there be any truth to the suggestion that stealth technology

263

00:16:43,000 --> 00:16:48,000

actually is the result of recovered extraterrestrial technology?

264

00:16:48,000 --> 00:16:56,000

When you look at the reports of aircraft, aircraft just stopping on a dime and then going straight up.

265

00:16:56,000 --> 00:17:00,000

Aircraft vanishing literally into thin air.

266

00:17:00,000 --> 00:17:03,000

When you look at stealth fighters and stealth bombers,

267

00:17:03,000 --> 00:17:09,000

they seem so different from anything that came before that you can't help but wonder,

268

00:17:09,000 --> 00:17:15,000

could this be the result of our having acquired extraterrestrial technology?

269

00:17:18,000 --> 00:17:26,000

If a UFO crashed at Roswell in 1947, it stands to reason they would work on trying to reverse engineer it.

270

00:17:26,000 --> 00:17:32,000

In other words, scientists and technicians and engineers would be trying to figure out

271

00:17:32,000 --> 00:17:37,000

what the technology is and trying to build one themselves.

272

00:17:37,000 --> 00:17:41,000

I believe that we have technology out there that's so advanced,

273

00:17:41,000 --> 00:17:43,000

we don't understand what they're working with,

274

00:17:43,000 --> 00:17:51,000

but then you've got this extraterrestrial or some sort of intelligence that's interacting at this area

275

00:17:51,000 --> 00:17:56,000

and we can't explain that either, but there is a definite connection between the two.

276

00:17:56,000 --> 00:18:01,000

It is possible that they're working on very advanced technology,

277

00:18:01,000 --> 00:18:06,000

even reverse engineer technology from sources that are not from here, let's just say.

278

00:18:06,000 --> 00:18:11,000

Unfortunately, we have a lot of questions about these secret bases.

279

00:18:12,000 --> 00:18:19,000

But if the government and its elite private contractors are reverse engineering technology from UFOs, as many suspect,

280

00:18:19,000 --> 00:18:23,000

how are they getting their hands on such spacecraft?

281

00:18:24,000 --> 00:18:31,000

November 2009, an unidentified object lights up the night sky above North America.

282

00:18:31,000 --> 00:18:36,000

News reports claim it's just a meteorite, but as scientists track it on radar,

283

00:18:36,000 --> 00:18:40,000

they determine that the object falls into area 52.

284

00:18:40,000 --> 00:18:46,000

Many dismiss this as nothing more than coincidence, but is it really?

285

00:18:46,000 --> 00:18:53,000

Searching for answers, UFO investigators point to another similar incident that occurs only a few years earlier.

286

00:18:53,000 --> 00:18:57,000

In the early 2000s, NASA launched a space probe called Genesis,

287

00:18:57,000 --> 00:19:03,000

and its mission was to collect the first ever cosmic material that's beyond the moon that we would bring back.

288

00:19:03,000 --> 00:19:08,000

This was a mission to try and understand what's in the solar wind.

289

00:19:09,000 --> 00:19:16,000

But when Genesis attempts to return to Earth, something apparently goes wrong.

290

00:19:16,000 --> 00:19:24,000

NASA's Genesis space probe malfunctioned, but they were able to force it to crash land.

291

00:19:24,000 --> 00:19:26,000

Let's hear the visual.

292

00:19:26,000 --> 00:19:29,000

And where did that happen? Area 52.

293

00:19:29,000 --> 00:19:33,000

Is it a coincidence, or is there something else at play here?

294

00:19:33,000 --> 00:19:39,000

The crash at area 52 coupled with the rumors about that area,

295

00:19:39,000 --> 00:19:44,000

suggesting that this is where alien technology is being back-engineered,

296

00:19:44,000 --> 00:19:48,000

and even advanced weaponry is being developed,

297

00:19:48,000 --> 00:19:54,000

has led to the suggestion that they have some sort of weapon actually designed to bring down a UFO,

298

00:19:54,000 --> 00:19:59,000

and that what happened to the Genesis space program was a test of this technology.

299

00:19:59,000 --> 00:20:07,000

At the time the space probe came down, we had no idea that they had the ability to redirect a craft

300

00:20:07,000 --> 00:20:14,000

re-entering the Earth's atmosphere, which they clearly did with this space probe coming into
Dougway.

301

00:20:14,000 --> 00:20:19,000

So could this be something that they were testing? It very well could be.

302

00:20:20,000 --> 00:20:27,000

Is it possible the military and NASA possess the expertise to bring down UFOs, as researchers
believe?

303

00:20:27,000 --> 00:20:33,000

And if so, could this be a part of an ultra-secret reverse engineering project?

304

00:20:33,000 --> 00:20:40,000

When I look at some of the most advanced technologies that are coming out of the military, out of

what we call the black budget world,

305

00:20:40,000 --> 00:20:45,000

in terms of officially recognized technology and leaks,

306

00:20:45,000 --> 00:20:53,000

my strong feeling is that a good portion of this comes from science and technology that does not come from us.

307

00:20:53,000 --> 00:20:55,000

It comes from somewhere else.

308

00:20:56,000 --> 00:20:59,000

If UFOs are coming here from distant worlds,

309

00:20:59,000 --> 00:21:09,000

a recently released NASA satellite image could throw open the doors to a new level of conversation about government complicity with the UFO phenomenon.

310

00:21:10,000 --> 00:21:19,000

UFO researcher Dave Rosenfeld has seen and heard reports of so many astounding spacecraft in and

around Area 52

311

00:21:19,000 --> 00:21:24,000

to suspect that somewhere on the massive property of Dougway Proving Ground,

312

00:21:24,000 --> 00:21:30,000

he believes there exists evidence that could alter human history forever.

313

00:21:30,000 --> 00:21:34,000

I've personally witnessed flying saucers,

314

00:21:34,000 --> 00:21:38,000

disappearing jets, triangle-looking craft.

315

00:21:38,000 --> 00:21:42,000

My conclusion is that there's a military spaceport at Dougway,

316

00:21:42,000 --> 00:21:45,000

and I don't think anybody can tell me any different.

317

00:21:45,000 --> 00:21:48,000

But is there proof to back up such a claim?

318

00:21:48,000 --> 00:21:55,000

Investigators say the evidence lies with a NASA space probe named Mariner 9.

319

00:21:55,000 --> 00:22:01,000

The Mariner 9 mission was NASA's first chance to get a good look at the spacecraft.

320

00:22:01,000 --> 00:22:06,000

It was NASA's first chance to get a good look at what Mars looks like.

321

00:22:06,000 --> 00:22:11,000

Suspecting the Mariner 9 images were not fully released to the public,

322

00:22:11,000 --> 00:22:17,000

UFO experts have long believed that something more unusual had been photographed on the Martian surface.

323

00:22:17,000 --> 00:22:28,000

Finally, in 2015, 44 years after the mission, NASA releases an image that investigators call Earth Shattering.

324

00:22:28,000 --> 00:22:35,000

NASA released an enormous number of thousands of other pictures that they took of Mars from that time,

325

00:22:35,000 --> 00:22:42,000

but they did not release that picture until 44 years later. Why not?

326

00:22:42,000 --> 00:22:46,000

This satellite image, seen for the first time on national television,

327

00:22:46,000 --> 00:22:54,000

shows a previously undiscovered, mysterious rock formation on the Martian surface.

328

00:22:54,000 --> 00:23:00,000

So this is the NASA Mariner 9 image from the surface of Mars.

329

00:23:00,000 --> 00:23:05,000

Mountain range here, mountain cluster here, big valley.

330

00:23:05,000 --> 00:23:10,000

And the area of interest is this cone-shaped protrusion, this hill,

331

00:23:10,000 --> 00:23:17,000

coming up right out of the surface with these rocks placed either by coincidence or carefully placed

332

00:23:17,000 --> 00:23:22,000

in an arrangement on the top of the mountain, just like other structures that we've seen on Earth.

333

00:23:22,000 --> 00:23:27,000

It is possible that that Mars formation is a natural formation. I'm not saying it isn't.

334

00:23:27,000 --> 00:23:34,000

But I do wonder why would NASA have held off publishing that picture for two generations?

335

00:23:34,000 --> 00:23:37,000

There's a question to ask.

336

00:23:37,000 --> 00:23:44,000

The Mariner 9 image is fascinating. There's no getting away from the fact that it looks like a stone circle.

337

00:23:44,000 --> 00:23:51,000

It looks like exactly the kind of neolithic stone circles that we find here on Earth.

338

00:23:51,000 --> 00:23:59,000

Erected between 3000 and 2000 BC, Stonehenge is one of the most mysterious ancient sites on Earth.

339

00:23:59,000 --> 00:24:06,000

Some of the bigger stones at Stonehenge weigh many, many tons, and it's difficult, if not impossible,

340

00:24:06,000 --> 00:24:11,000

to see how people at the time could have transported them to the location.

341

00:24:11,000 --> 00:24:16,000

This is a time before the wheel, and yet we know that some of those bigger stones

342

00:24:16,000 --> 00:24:20,000

were somehow transported all the way from Wales.

343

00:24:20,000 --> 00:24:27,000

If, as some believe, prehistoric man alone could not move such stones weighing up to 25 tons

344

00:24:27,000 --> 00:24:32,000

over a distance of 200 miles, then who or what did?

345

00:24:32,000 --> 00:24:38,000

The answer lies, UFO experts say, in the similarity of the Stonehenge monument

346

00:24:38,000 --> 00:24:41,000

and the rock formation discovered on Mars.

347

00:24:41,000 --> 00:24:48,000

In looking at these structures side by side, Stonehenge and Mars, we have very specific things that are similar.

348

00:24:48,000 --> 00:24:53,000

Four rock placements, four stones in the center, and two concentric circles.

349

00:24:53,000 --> 00:24:57,000

And the two concentric circles encircle the four stones.

350

00:24:57,000 --> 00:25:01,000

Now, that's very interesting that that would be like that.

351

00:25:01,000 --> 00:25:06,000

Does it serve some purpose in science, or is it a remarkable coincidence?

352

00:25:06,000 --> 00:25:10,000

The fact that these objects do indeed look similar,

353

00:25:10,000 --> 00:25:17,000

one could speculate that there was an extraterrestrial component involved in both of these sites.

354

00:25:18,000 --> 00:25:26,000

Some theorists have speculated that Stonehenge was perhaps a place that extraterrestrial craft

landed.

355

00:25:26,000 --> 00:25:29,000

Could this be said of Mars?

356

00:25:29,000 --> 00:25:31,000

We don't know.

357

00:25:31,000 --> 00:25:34,000

Still, some researchers disagree.

358

00:25:34,000 --> 00:25:39,000

Now, when you get down to the actual details, it's fairly obvious it isn't the same.

359

00:25:39,000 --> 00:25:46,000

But it is bizarre where you have circular type structure looking objects on an alien surface,

360

00:25:46,000 --> 00:25:49,000

on a different planet other than Earth.

361

00:25:49,000 --> 00:25:51,000

Is there a logical explanation?

362

00:25:51,000 --> 00:25:54,000

Sure, it's just not as fun as the alien one.

363

00:25:54,000 --> 00:25:59,000

Even so, most UFO investigators really believe the resemblance is significant.

364

00:25:59,000 --> 00:26:02,000

In fact, they go one step further.

365

00:26:02,000 --> 00:26:07,000

They see similarities in the formations at Stonehenge and Mars

366

00:26:07,000 --> 00:26:14,000

to never before seen satellite images of what appears to be a landing site at Area 52.

367

00:26:14,000 --> 00:26:21,000

The aerial image shows features in the Utah desert that mirror those of both Stonehenge and Mars.

368

00:26:21,000 --> 00:26:29,000

When one does a comparison between Stonehenge, the Mars rock formation, and Area 52,

369

00:26:29,000 --> 00:26:31,000

there are certainly similarities.

370

00:26:31,000 --> 00:26:35,000

Is that a coincidence, or is there something else going on?

371

00:26:35,000 --> 00:26:43,000

Does the evidence suggest that Area 52 really does function as a spaceport, as UFO researchers believe?

372

00:26:44,000 --> 00:26:48,000

When you look at Stonehenge and you look at this rock formation on Mars

373

00:26:48,000 --> 00:26:53,000

and the connection maybe with Dougway having a similar type of formation,

374

00:26:53,000 --> 00:26:56,000

does that mean that all three of them are spaceports?

375

00:26:56,000 --> 00:26:59,000

I believe that it's possible.

376

00:26:59,000 --> 00:27:07,000

If the evidence is credible, as UFO researchers believe, what else is the government possibly hiding?

377

00:27:07,000 --> 00:27:13,000

And what about new information from scientists that is changing the conversation about UFO sightings?

378

00:27:13,000 --> 00:27:19,000

Does this provide a new perspective on the government's involvement with the UFO phenomenon?

379

00:27:19,000 --> 00:27:27,000

For Dave Rosenfeld, there is no doubt that UFOs are connected to top-secret activity at Area 52.

380

00:27:27,000 --> 00:27:30,000

And he believes he's got proof.

381

00:27:30,000 --> 00:27:37,000

There's many times we go out there for sky watches and we bring all our equipment out there, the telescopes, and night vision.

382

00:27:37,000 --> 00:27:42,000

And one night, about one o'clock in the morning, and then all of a sudden we see about five miles away,

383

00:27:42,000 --> 00:27:47,000

just this huge flashing light and then a beam of light came out of the middle.

384

00:27:47,000 --> 00:27:52,000

Completely went through a cloud and continued up into space.

385

00:27:52,000 --> 00:27:55,000

We could actually smell like static electricity.

386

00:27:55,000 --> 00:28:01,000

Dave describes what happened next when he took this actual never-before-seen photo that night.

387

00:28:01,000 --> 00:28:13,000

Now, the second time it fired, we watched four or five blue lights come down and completely surround this beam, like they were watching.

388

00:28:13,000 --> 00:28:18,000

And as soon as that beam shut off, they took off.

389

00:28:19,000 --> 00:28:28,000

Was this simply a test of a secret weapons program, one similar to the technology that brought down the Genesis space probe?

390

00:28:28,000 --> 00:28:31,000

Or is there more to the story?

391

00:28:31,000 --> 00:28:38,000

And will the government or military ever admit what is known about UFOs and alien technology?

392

00:28:38,000 --> 00:28:42,000

Some experts will argue they already have.

393

00:28:42,000 --> 00:28:50,000

As the recent release of thousands of declassified documents by the United States, including the CIA and other world governments,

394

00:28:50,000 --> 00:28:56,000

could prove there really is official evidence of UFOs.

395

00:28:56,000 --> 00:29:03,000

But why are so many countries suddenly releasing so many UFO documents all at the same time?

396

00:29:03,000 --> 00:29:10,000

Over the last decade, interest in UFOs has been growing.

397

00:29:10,000 --> 00:29:17,000

But it wasn't until recently that the subject of government secrets was thrust into the spotlight.

398

00:29:17,000 --> 00:29:28,000

May 13, 2016, news outlets confirmed that confidential British government files on UFO sightings will be released to the public.

399

00:29:28,000 --> 00:29:36,000

I'm hoping these new files will shed light on many of the biggest and most important UFO cases in the British government's files.

400

00:29:36,000 --> 00:29:43,000

Perhaps the biggest is the Rendlesham Forest incident.

401

00:29:43,000 --> 00:29:51,000

The UFO was briefly tracked on military radar and this object, whatever it was, briefly landed.

402

00:29:51,000 --> 00:30:00,000

Radiation levels at the landing site were subsequently assessed and they were significantly higher than the average background.

403

00:30:00,000 --> 00:30:07,000

One of the witnesses was the deputy base commander himself.

404

00:30:07,000 --> 00:30:20,000

So we had a senior and highly skeptical officer who went out into the forest in his own words to debunk all this UFO nonsense and he ended up a witness himself.

405

00:30:20,000 --> 00:30:28,000

In the files both of the British Ministry of Defence and the Civil Aviation Authority,

406

00:30:28,000 --> 00:30:35,000

there are reports of what I can only describe as virtual dogfights taking place in the British skies.

407

00:30:35,000 --> 00:30:40,000

Pilots were being vectored towards UFOs by air traffic control.

408

00:30:40,000 --> 00:30:50,000

Just as they closed on the object, it would respond with extraordinary speeds and maneuvers and somehow evade even our fastest jets.

409

00:30:50,000 --> 00:30:57,000

Some of the skeptics even will take a look at some of this material and say, wait a minute, what's going on here?

410

00:30:57,000 --> 00:31:03,000

Could such newly declassified documents begin to change our perspective on UFOs?

411

00:31:03,000 --> 00:31:09,000

More documents have been released in France with the publication of an official report in 2010.

412

00:31:09,000 --> 00:31:15,000

In 2010, the prominent French body, the Aeronautical and Astronomical Society,

413

00:31:15,000 --> 00:31:21,000

which was comprised of very high ranking established French scientists,

414

00:31:21,000 --> 00:31:30,000

released a study of UFOs in which they concluded that the UFO phenomenon is real and could be extraterrestrial.

415

00:31:30,000 --> 00:31:37,000

When you have a government that's willing to say a phenomena like UFOs is actually real, that's a big statement to make.

416

00:31:37,000 --> 00:31:46,000

The big variable here is what is a UFO? The question mark is if it's alien and the French government, although didn't make that leap,

417

00:31:46,000 --> 00:31:54,000

they were able to at least definitively say this phenomena is real and warrants further scientific investigation.

418

00:31:54,000 --> 00:32:01,000

And there are still even more governments releasing their formally classified UFO files.

419

00:32:01,000 --> 00:32:12,000

In 2009, News Channel Russia Today reported the Russian Navy declassified its records of encounters captured by military surveillance.

420

00:32:12,000 --> 00:32:26,000

Closer to home, in January 2016, the CIA released thousands of declassified documents relating to UFOs, flying saucers and other unexplained phenomena.

421

00:32:26,000 --> 00:32:38,000

Some of these files, which will be seen for the first time, will contain information about UFOs that I suspect will change people's mind about the whole phenomenon.

422

00:32:38,000 --> 00:32:48,000

One such document was a report by the CIA's Scientific Intelligence Department, following a wave of

UFO sightings over Washington, D.C.

423

00:32:48,000 --> 00:33:03,000

Dated October 2, 1952, and seen here for the first time on national television, their findings conclude that flying saucers pose two elements of danger which involve national security implications.

424

00:33:03,000 --> 00:33:12,000

The first involves mass psychological considerations, and the second concerns vulnerability of the United States to air attack.

425

00:33:12,000 --> 00:33:23,000

The fact that you've got a memo going directly to the CIA director about UFOs and the potential dangers is significant and interesting in and of itself.

426

00:33:23,000 --> 00:33:27,000

Why were UFOs considered to be of extreme national security importance?

427

00:33:27,000 --> 00:33:39,000

When you have unknown objects invading sensitive airspace that do not look normal, that do not behave normally, that act with impunity over our most sensitive places in the world,

428

00:33:39,000 --> 00:33:44,000

what would the military say to the public that would not cause panic?

429

00:33:44,000 --> 00:33:57,000

How easy can it be for any government, particularly the United States government, to admit that there are objects so far beyond our ability to control that we don't know how to control them?

430

00:33:57,000 --> 00:34:07,000

What the CIA documents show is that if there was truly a fear of a UFO attack or that these UFOs were malicious in some way or aggressive,

431

00:34:07,000 --> 00:34:15,000

it could absolutely change the mindsets of those calling the shots on what places like Doug Wade would research and what their mission statements really were.

432

00:34:19,000 --> 00:34:27,000

The CIA's document dump is one more example in a pattern of government agencies acknowledging the UFO phenomenon.

433

00:34:27,000 --> 00:34:33,000

It's estimated 28 countries, including the Vatican, have now released their UFO documents.

434

00:34:33,000 --> 00:34:42,000

I think that that should show the world, show our planet that the UFO phenomena is real, that their governments are not afraid to say this phenomenon actually exists.

435

00:34:42,000 --> 00:34:58,000

I don't know of any single UFO document that proves that UFOs are extraterrestrial, but I will say that when you take the top 10, the top 100, the top several hundred of these documents from now around the world,

436

00:34:58,000 --> 00:35:05,000

they do prove something. They prove that this UFO phenomenon is real and is not explainable conventionally.

437

00:35:05,000 --> 00:35:15,000

Why are prominent nations, space agencies, and religious institutions all over the world suddenly releasing their secret knowledge of UFOs?

438

00:35:17,000 --> 00:35:26,000

With all these countries coming forward disclosing UFO information, I do believe they're trying to acclimate us to the UFO presence little by little.

439

00:35:26,000 --> 00:35:33,000

So if it does happen, if the UFOs do show up on the White House lawn, we're not going to freak out. We're not going to panic.

440

00:35:33,000 --> 00:35:37,000

We'll be more acceptive to the idea.

441

00:35:37,000 --> 00:35:50,000

And it may not be just governments that are acclimating us. There is actual science that's also changing the conversation about UFOs and the increasing probability of intelligent life in our galaxy.

442

00:35:51,000 --> 00:36:00,000

In fact, NASA astronomers have recently made what many claim is the single most incredible discovery so far in this 21st century.

443

00:36:00,000 --> 00:36:09,000

For the first time, breaking news reveals what scientists and the government know about where UFOs may be coming from.

444

00:36:10,000 --> 00:36:29,000

Governments all around the world have been declassifying their secret knowledge of UFOs. But why? Is it possible they know of new evidence pointing to the existence of intelligent extraterrestrial life?

445

00:36:30,000 --> 00:36:47,000

July 23, 2015, NASA astronomers using the Kepler Space Telescope announced the groundbreaking discovery of the first Earth-sized planet orbiting a star within the habitable zone of a distant solar system.

446

00:36:47,000 --> 00:36:56,000

The Kepler mission is about finding planets and it's about understanding how common planets like our own are in the galaxy.

447

00:36:57,000 --> 00:37:07,000

The habitable zone is also known as the Goldilocks zone. That's because it's not too hot and not too cold. It's just the right temperature where liquid water could exist on the surface of this planet.

448

00:37:07,000 --> 00:37:10,000

And we think liquid water is necessary for life.

449

00:37:11,000 --> 00:37:26,000

One year after this amazing discovery, in May of 2016, NASA releases further astounding news confirming the existence of over 2,300 habitable Earth-sized planets within our Milky Way galaxy.

450

00:37:26,000 --> 00:37:33,000

They also estimate that there could actually be billions of habitable zone planets based on these findings.

451

00:37:34,000 --> 00:37:44,000

The more carefully we look, we learn that there are places out there that look very similar to our own planets. And there's many, many of them.

452

00:37:44,000 --> 00:37:55,000

There's probably more planets than there are stars. That means 100 billion of them. So even if life is rare, it should still form all the time.

453

00:37:56,000 --> 00:38:12,000

The laws of physics and chemistry appear to be constant in the universe. That being the case, the same processes that gave rise to life here on Earth should replicate countless billions and billions of times out there in the cosmos.

454

00:38:12,000 --> 00:38:21,000

And that being the case, there's probably a lot of life out there. And not just life, but some of that life will be intelligent life.

455

00:38:22,000 --> 00:38:32,000

It's obvious now, as Carl Sagan once put it, the universe is teeming with life. Billions and billions of habitable planets will undoubtedly be known to exist.

456

00:38:32,000 --> 00:38:48,000

So what is the likelihood that one or more than one of those habitable planets have developed life

that is advanced, like us, and life that has advanced technology, and life that may have had a million-year head start on us, or more?

457

00:38:49,000 --> 00:38:56,000

When the Wright brothers achieved flight, they had no idea that 100 years after they achieved what they did, we would have a space shuttle.

458

00:38:56,000 --> 00:39:06,000

If science and technology progresses into the future another 150 years, at the same pace that it has for the last 150 years, imagine the possibilities.

459

00:39:07,000 --> 00:39:22,000

Could the existence of thousands of potentially habitable planets support what many UFO experts know to be true? That these newly discovered worlds are the source of UFOs already here on Earth?

460

00:39:22,000 --> 00:39:35,000

Clearly, we have to assume that there has to have been life out there that made the breakthrough to highly advanced technology and artificial intelligence and advanced nanotechnology and quantum computing and beyond and everything else that we can imagine.

461

00:39:35,000 --> 00:39:45,000

And if they have done this, what is the likelihood that they may have been able to find us at some point in the game? I think the likelihood is extremely high.

462

00:39:46,000 --> 00:40:02,000

One can look at a number of things throughout human history and say, well, is this evidence of UFOs? Everything from ancient cave paintings, all these mysteries from our ancient past and all the more modern UFO sightings.

463

00:40:02,000 --> 00:40:16,000

When you put together all this UFO evidence with what science is now telling us about the number of planets out there in the habitable zone, suddenly UFOs and alien visitation doesn't seem that unlikely.

464

00:40:17,000 --> 00:40:26,000

Is it possible that modern science is looking in deep space for the source of alien life that our government already know exists?

465

00:40:26,000 --> 00:40:44,000

It's an amazing thing when you consider how rapidly we have now found thousands of habitable planets. So it is highly likely that another civilization from out there has found us and found us interesting as coming to check us out.

466

00:40:45,000 --> 00:40:51,000

Are world governments revealing all that they know in advance of some kind of world changing event?

467

00:40:51,000 --> 00:41:10,000

With governments all around the world declassifying and releasing UFO information, one can't help but think maybe they know something's coming and if there's a mass visitation or a landing, some big undeniable UFO event, all that information is going to be obsolete anyway.

468

00:41:11,000 --> 00:41:24,000

I've been researching this for a long time. I've looked at mountains and mountains of evidence and in my judgment there's no question that UFOs are real and that there are agencies within the intelligence community that know this.

469

00:41:25,000 --> 00:41:33,000

Could all the recent revelations and increased awareness of Area 52 be just a coincidence? Or is it more?

470

00:41:34,000 --> 00:41:44,000

Maybe this is why Doug Wei's mission expanded because of this threat from outer space. Perhaps they're building countermeasures against an alien intact.

471

00:41:44,000 --> 00:42:03,000

Is it possible our world leaders are finally acknowledging what they have known all along that man's contact with UFOs runs deeper and is more far reaching than ever imagined? Or are they preparing us for something to come?
