

1

00:00:00,000 --> 00:00:03,500

Remember we are stepping into the unknown.

2

00:00:03,500 --> 00:00:07,000

This time on Unexplained Mysteries,

3

00:00:07,000 --> 00:00:10,000

the truth about signs.

4

00:00:15,000 --> 00:00:19,000

Something external is actually placing up there.

5

00:00:19,000 --> 00:00:21,000

We'll miss the signs of Central Park.

6

00:00:21,000 --> 00:00:23,000

There is no explanation.

7

00:00:23,000 --> 00:00:27,000

We'll explore the strange confirmations known as signs.

8

00:00:27,000 --> 00:00:30,000

Eye witnesses have found them throughout the world.

9

00:00:30,000 --> 00:00:39,000

From England, to Japan, to Australia, and all across America.

10

00:00:41,000 --> 00:00:47,000

With our data files, you'll hear the true stories of people whose lives have been affected by signs.

11

00:00:47,000 --> 00:00:49,000

It's a very frightening thing.

12

00:00:49,000 --> 00:00:54,000

The expert who may just have discovered what these signs mean.

13

00:00:55,000 --> 00:00:58,000

We are in trouble here on planet Earth.

14

00:00:59,000 --> 00:01:03,000

The witnesses who've had physical reactions to the signs.

15

00:01:03,000 --> 00:01:06,000

Three people became unconscious within the circle.

16

00:01:06,000 --> 00:01:11,000

The ranchers who found their cattle dead near the signs.

17

00:01:11,000 --> 00:01:13,000

The tone was missing.

18

00:01:13,000 --> 00:01:17,000

The sign specialists with alarming theories.

19

00:01:17,000 --> 00:01:20,000

There is some other non-human entity doing this.

20

00:01:20,000 --> 00:01:27,000

We'll investigate ancient signs that somehow were carved into the Earth thousands of years ago.

21

00:01:29,000 --> 00:01:34,000

We'll show you what the government might know about signs.

22

00:01:34,000 --> 00:01:39,000

Every time we try to do an investigation, try to get something started, it comes to a dead end.

23

00:01:39,000 --> 00:01:42,000

And what they don't want us to know.

24

00:01:42,000 --> 00:01:48,000

I believe this to be the greatest single unsolved serial crime spree of the 20th century.

25

00:01:48,000 --> 00:01:51,000

And we'll wrap it all up for you in our next report.

26

00:01:51,000 --> 00:01:56,000

Here on Unexplained Mysteries, the truth about signs.

27

00:02:07,000 --> 00:02:10,000

Signs, some call them crop circles.

28

00:02:11,000 --> 00:02:14,000

Are they messages from other worlds?

29

00:02:14,000 --> 00:02:18,000

We do know that they're usually produced in a field of grain.

30

00:02:22,000 --> 00:02:29,000

What makes them so mysterious is that scientists cannot agree who or what created them.

31

00:02:30,000 --> 00:02:37,000

Southern England, near the ancient mysterious structure Stonehenge, home to many signs.

32

00:02:39,000 --> 00:02:42,000

But now, they're spreading.

33

00:02:45,000 --> 00:02:50,000

Australia. Witnesses find a crop circle outside Adelaide.

34

00:02:50,000 --> 00:02:54,000

It measured exactly 46 and a half feet in diameter.

35

00:02:55,000 --> 00:02:59,000

I just looked down, it was filled, said to myself, that's a crop circle.

36

00:02:59,000 --> 00:03:02,000

Because I've seen pictures of them in England, these crop circles.

37

00:03:02,000 --> 00:03:04,000

And it just looked exactly the same.

38

00:03:05,000 --> 00:03:13,000

Like the English crop circles, someone or something had pressed down the wheat in a swirling pattern.

39

00:03:15,000 --> 00:03:19,000

And there has been a disturbing outbreak of crop circles in the US.

40

00:03:21,000 --> 00:03:27,000

Bizarre signs in unusual patterns have begun to appear in Oregon and Washington.

41

00:03:28,000 --> 00:03:31,000

Well, the first day I saw it, my blood pressure went up.

42

00:03:31,000 --> 00:03:36,000

It's very difficult to describe. The air is forced electricity.

43

00:03:38,000 --> 00:03:43,000

And farmers in the Midwest are finding signs in their fields.

44

00:03:43,000 --> 00:03:47,000

How could anything do that without it didn't come out of the sky and come down here?

45

00:03:47,000 --> 00:03:50,000

They almost come down and do this because there's no way it could get in here.

46

00:03:50,000 --> 00:03:58,000

It might be a tornado or some kind of wind, but why would it be exactly 46 and a half, no matter how you measure it, it's 46 and a half.

47

00:04:01,000 --> 00:04:06,000

Thousands of miles away, in Canada, outside Windsor, Ontario.

48

00:04:06,000 --> 00:04:10,000

When farmer John Parks went to sleep, his fields were untouched.

49

00:04:10,000 --> 00:04:14,000

But sometime in the night, a sign appeared.

50

00:04:15,000 --> 00:04:21,000

If you went in and pushed it with your foot, the straw would kink, would bend somewhere in the middle and be broken.

51

00:04:21,000 --> 00:04:23,000

And the straw wasn't broken.

52

00:04:26,000 --> 00:04:34,000

The night the formation appeared, dogs in a nearby kennel were extremely agitated, especially the earners guard dog.

53

00:04:35,000 --> 00:04:40,000

Around midnight on Sunday night, she started to make a racket, barking, whining.

54

00:04:40,000 --> 00:04:43,000

And we told her to be quiet and she just wouldn't respond.

55

00:04:43,000 --> 00:04:45,000

What turned her on like that? I don't know.

56

00:04:48,000 --> 00:04:53,000

Meanwhile, in England, signs are becoming more elaborate and complex.

57

00:04:55,000 --> 00:05:01,000

In May, we started getting these pictograms, which are these dumbbo or barbell shaped formations,

58

00:05:02,000 --> 00:05:10,000

with various features coming out of them, features like hands and claws, semi-circles on the end, all of these things.

59

00:05:10,000 --> 00:05:12,000

We've never seen anything like that before.

60

00:05:12,000 --> 00:05:19,000

When you go into the extra pieces that were there, the claw features, key pattern, that sort of thing,

61

00:05:19,000 --> 00:05:25,000

we found they were still as precise and the floor patterns were very, very precise.

62

00:05:25,000 --> 00:05:30,000

It is impossible to reproduce an entire stretch like that, which is nearly 300 feet in length,

63

00:05:30,000 --> 00:05:34,000

without creating an immense amount of damage in its construction.

64

00:05:38,000 --> 00:05:40,000

What's it like inside a sign?

65

00:05:40,000 --> 00:05:46,000

A blind woman walked into the center of a crop circle. The experience was unnerving.

66

00:05:47,000 --> 00:05:54,000

And when we walked in, I got a very, very frightening feeling,

67

00:05:54,000 --> 00:06:02,000

like there was something out there that was watching me that I didn't know about.

68

00:06:02,000 --> 00:06:09,000

It was just a very eerie, eerie force around me.

69

00:06:09,000 --> 00:06:12,000

And an expert felt the terrible power of signs firsthand.

70

00:06:13,000 --> 00:06:21,000

There are circles which are so energetic, everybody who goes in them at the start feels ill.

71

00:06:21,000 --> 00:06:28,000

And we've had one this year which was so powerful, three people became unconscious within the circle.

72

00:06:30,000 --> 00:06:34,000

Who or what created these elaborate signs?

73

00:06:37,000 --> 00:06:40,000

Next up, we'll explore all the possibilities.

74

00:06:41,000 --> 00:06:47,000

Something external, something which is intelligent, is actually placing on the ground.

75

00:06:48,000 --> 00:06:52,000

And stay tuned for unexplained mysteries, exclusive case studies.

76

00:06:52,000 --> 00:06:55,000

Strange signs in the Holy Land.

77

00:06:56,000 --> 00:07:02,000

Intense heat, burning sand and vegetation in the shape of a UFO.

78

00:07:03,000 --> 00:07:08,000

And are crop circles somehow linked to the horrors of cattle mutilation?

79

00:07:08,000 --> 00:07:11,000

The eye looks like it has just been set down.

80

00:07:11,000 --> 00:07:16,000

I would say it would be like a battery acid burn or something, you know, like that.

81

00:07:16,000 --> 00:07:21,000

And finally, are crop circles real phenomena or are they just hoaxes?

82

00:07:21,000 --> 00:07:23,000

We'll hear from the experts.

83

00:07:27,000 --> 00:07:30,000

All that and more on unexplained mysteries.

84

00:07:31,000 --> 00:07:35,000

Un-explained mysteries, the truth about signs.

85

00:07:38,000 --> 00:07:42,000

What do scientists theorise about the creation of signs?

86

00:07:46,000 --> 00:07:51,000

In a real sign, the plants seem to be untouched by humans.

87

00:07:53,000 --> 00:07:58,000

I've come across many hoaxes, and you can tell them and they're not real.

88

00:07:58,000 --> 00:08:02,000

They're just hoaxes, and you can tell them within two minutes,

89

00:08:02,000 --> 00:08:08,000

because the normal circles, the corners, are simply gently moved down and the stalks are not broken.

90

00:08:08,000 --> 00:08:13,000

Anybody that tries to reproduce a hoax circle by chain, trampling,

91

00:08:13,000 --> 00:08:17,000

any way you may think will damage the structure of the crop involved.

92

00:08:18,000 --> 00:08:23,000

Signs are becoming larger, perhaps too large for humans to create.

93

00:08:24,000 --> 00:08:29,000

The early formations were the size of a domestic room.

94

00:08:29,000 --> 00:08:35,000

Now you have formation which are almost the size of Central Park,

95

00:08:35,000 --> 00:08:43,000

so that we have enormous growth, both in complexity and in size and in numbers.

96

00:08:43,000 --> 00:08:47,000

What could possibly be making these enormous, highly detailed signs?

97

00:08:48,000 --> 00:08:53,000

Clearly they seem to be related to electromagnetism, there's overwhelming evidence of that,

98

00:08:53,000 --> 00:08:58,000

but how electromagnetic forces can produce this effect, we don't know.

99

00:08:58,000 --> 00:09:03,000

What I think is becoming very clear now is that we are forced to conclude

100

00:09:03,000 --> 00:09:09,000

that because these patterns are very symmetrical and very beautiful, that they are designs.

101

00:09:09,000 --> 00:09:12,000

They are designs and therefore there's a designer,

102

00:09:12,000 --> 00:09:16,000

and therefore there's an intelligence of something that's behind the design.

103

00:09:18,000 --> 00:09:26,000

Astronomer Gerald Hawkins believes signs contain hidden messages.

104

00:09:26,000 --> 00:09:29,000

He decipheres them using mathematics.

105

00:09:29,000 --> 00:09:34,000

Hawkins became famous when he figured out mathematically that stonehenge,

106

00:09:34,000 --> 00:09:38,000

when seen from the sky, is really a calendar.

107

00:09:39,000 --> 00:09:48,000

Hawkins determined that the size of the circles in this formation had a striking relationship.

108

00:09:48,000 --> 00:09:53,000

The circle makers have set up a theorem where we can prove by Euclidean geometry

109

00:09:53,000 --> 00:10:06,000

that the large circle is exactly $16 \frac{2}{3}$ times the area of the middle circle, $16 \frac{2}{3}$ thirds.

110

00:10:06,000 --> 00:10:13,000

A very strange number, but it's exactly the note of F in the third octave.

111

00:10:13,000 --> 00:10:19,000

Hawkins compared the ratios of the circles with the ratios of a musical scale.

112

00:10:19,000 --> 00:10:23,000

They are the same. How is that possible?

113

00:10:24,000 --> 00:10:31,000

The maker of the circles is, we have to admit, clever, not only in making them,

114

00:10:31,000 --> 00:10:34,000

but in what is encoded in them.

115

00:10:34,000 --> 00:10:38,000

One possibility is that they're not humans.

116

00:10:38,000 --> 00:10:44,000

Professor F. Richard Moore built on Hawkins' research to decode the messages musically.

117

00:10:48,000 --> 00:10:52,000

What I did was to use a computer to synthesize the sounds,

118

00:10:52,000 --> 00:10:58,000

so we actually hear them in the precise relationships that they are expressed in these mathematical theorems.

119

00:10:58,000 --> 00:11:01,000

What happens when you play these notes?

120

00:11:02,000 --> 00:11:13,000

This is the crop circle chord, and it's all 14 of these messages combined into a single chord that lasts for several seconds.

121

00:11:15,000 --> 00:11:18,000

Is this a form of alien communication?

122

00:11:20,000 --> 00:11:25,000

If so, what are these highly evolved beings trying to tell us?

123

00:11:25,000 --> 00:11:30,000

We have seen a whole new family, a whole new range of patterns.

124

00:11:30,000 --> 00:11:36,000

Many of them resemble galaxies, a series of circles and rings,

125

00:11:36,000 --> 00:11:42,000

rotating as if they are circumventing a central feature.

126

00:11:42,000 --> 00:11:47,000

Peter Sorensen believes he discovered a disturbing message in this particular sign.

127

00:11:47,000 --> 00:11:56,000

What this crop circle has in it is like a beaded necklace of separate circles that represents the asteroid belt.

128

00:11:56,000 --> 00:12:04,000

And we know this quite surely because inside of that thing is an area containing the orbits for four planets and a sun in the middle.

129

00:12:04,000 --> 00:12:08,000

And our own solar system, this is exactly the anatomy of it.

130

00:12:08,000 --> 00:12:13,000

The sun, then Mercury, then Venus, then the Earth, Mars, and the asteroid belt.

131

00:12:13,000 --> 00:12:16,000

There was Mars, there was Venus and Mercury, but no Earth.

132

00:12:16,000 --> 00:12:20,000

And like a little chill goes from here, like, wait a minute, what does that mean?

133

00:12:20,000 --> 00:12:27,000

He believes it could be a warning that an asteroid is going to strike the Earth and destroy all human life.

134

00:12:32,000 --> 00:12:37,000

Some experts have yet another alarming theory. The answers lie in the crops themselves.

135

00:12:37,000 --> 00:12:45,000

We do have evidence that a phenomenon exists and the plants are changed at the cellular anatomical level.

136

00:12:45,000 --> 00:12:50,000

When a formation hits, it just knocks the heck out of the embryo. They don't grow.

137

00:12:50,000 --> 00:12:56,000

Dr. Levengood has found that the cell structure of the plants in the crop circles has been changed.

138

00:12:56,000 --> 00:13:01,000

And their seeds will grow into very different altered plants.

139

00:13:01,000 --> 00:13:06,000

Both the growth rate and the germination, it increases quite significantly.

140

00:13:07,000 --> 00:13:13,000

Colin Andrews believes that the creators of the signs are not of this Earth.

141

00:13:13,000 --> 00:13:20,000

Something external, something which is intelligent, is actually placing them there.

142

00:13:20,000 --> 00:13:27,000

This could be the message as well, that we are in trouble here on planet Earth.

143

00:13:27,000 --> 00:13:29,000

Things have to be changed.

144

00:13:29,000 --> 00:13:41,000

And we are slowly being told and shown through crop circles and various other phenomena that we are not alone.

145

00:13:41,000 --> 00:13:43,000

And we may need some outside help.

146

00:13:43,000 --> 00:13:44,000

Coming up...

147

00:13:44,000 --> 00:13:49,000

We're having mutilations that are occurring on almost a weekly basis.

148

00:13:49,000 --> 00:13:55,000

Animals found dead, but who killed them? And how did they do it?

149

00:13:55,000 --> 00:13:58,000

There's no blood, no tracks, no sign of nothing.

150

00:13:58,000 --> 00:14:00,000

And what about the mysterious lights?

151

00:14:00,000 --> 00:14:05,000

We saw many lights up in the sky. We could not interpret where they were coming from.

152

00:14:05,000 --> 00:14:08,000

What does the government know?

153

00:14:08,000 --> 00:14:13,000

The government may even be doing this or assisting extraterrestrials.

154

00:14:13,000 --> 00:14:18,000

We'll show you exclusive case studies, strange signs in the Holy Land.

155

00:14:18,000 --> 00:14:23,000

Burning sand and vegetation in the shape of the UFO.

156

00:14:23,000 --> 00:14:29,000

Who or what carved ancient signs into the Earth thousands of years ago?

157

00:14:29,000 --> 00:14:33,000

We'll give you the ultimate review with our unanswered questions.

158

00:14:33,000 --> 00:14:39,000

All that and more on unexplained mysteries, the truth about signs.

159

00:14:47,000 --> 00:14:51,000

Unexplained mysteries, the truth about signs.

160

00:14:51,000 --> 00:14:55,000

One of the most disturbing things about signs across America

161

00:14:55,000 --> 00:15:01,000

is they are often linked to the mysterious horrific phenomena of cattle mutilation.

162

00:15:03,000 --> 00:15:09,000

I believe this to be the greatest single unsolved serial crime spree of the 20th century.

163

00:15:09,000 --> 00:15:13,000

Cattle mutilations in the U.S. began in 1967.

164

00:15:13,000 --> 00:15:17,000

They've been going on for over 35 years.

165

00:15:18,000 --> 00:15:22,000

The eye was gone. The rectal area had a perfect round cut.

166

00:15:22,000 --> 00:15:30,000

The sex organs had been removed. The tongue was gone. No blood, no flies. Nothing was around it.

167

00:15:36,000 --> 00:15:40,000

Also at night reports of strange lights in the sky.

168

00:15:40,000 --> 00:15:45,000

And in the day, the presence of signs along with dead animals.

169

00:15:46,000 --> 00:15:52,000

All neatly mutilated, bloodless, with no sign of humans or predators.

170

00:15:55,000 --> 00:16:02,000

I lost 49-headed cattle to the mutilations. I lost them in less than three weeks.

171

00:16:02,000 --> 00:16:08,000

When we found the animal, it couldn't have been there no longer than 12, 13 hours

172

00:16:08,000 --> 00:16:13,000

because I was there at 6.30 in the evening. I was back there at 7 o'clock the next morning.

173

00:16:13,000 --> 00:16:17,000

It wasn't maybe 600 yards from the ranch house.

174

00:16:17,000 --> 00:16:23,000

And this animal was all... it had been mutilated. There's no blood, no tracks, no sign of nothing.

175

00:16:23,000 --> 00:16:29,000

And this animal was already decomposing like it had been dead for four or five days.

176

00:16:29,000 --> 00:16:37,000

Normally when you arrive at an animal mutilation site, you'll find basically that there's no evidence whatsoever.

177

00:16:37,000 --> 00:16:41,000

There's no blood at all. There's no tracks, no cigarette butts.

178

00:16:41,000 --> 00:16:46,000

All the evidence indicates that the animals are being dropped from the air.

179

00:16:46,000 --> 00:16:58,000

The incisions are done real precise. Every incision that we've dealt with has been almost identical to every animal that has been mutilated.

180

00:16:58,000 --> 00:17:05,000

Dr. John Altschuler, who investigated the first reported case of cattle mutilation in Colorado,

181

00:17:05,000 --> 00:17:09,000

examined tissue samples from these dead animals.

182

00:17:11,000 --> 00:17:18,000

A predator even with the accuracy of gnawing and biting would have jagged borders.

183

00:17:18,000 --> 00:17:24,000

The fact that the tissue at the incisional areas is very firm and very hard,

184

00:17:24,000 --> 00:17:29,000

and the microscopic evidence clearly indicates that heat has been applied.

185

00:17:29,000 --> 00:17:33,000

There's no way that the cattle could have been killed by anything in nature

186

00:17:33,000 --> 00:17:37,000

and then had the parts taken off as precision-like as they were.

187

00:17:37,000 --> 00:17:40,000

Therefore, I think we have to look for something either from our own government

188

00:17:40,000 --> 00:17:44,000

or top-secret research or possibly into the sky.

189

00:17:44,000 --> 00:17:47,000

There's somebody somewhere that knows what's doing this.

190

00:17:47,000 --> 00:17:51,000

You know, we need to get it out in the open and try to get it stopped.

191

00:17:54,000 --> 00:18:01,000

In California, ranchers Gene and Bill Barton have experienced cattle mutilations.

192

00:18:01,000 --> 00:18:05,000

Nearby, the Bartons found circular impressions in a meadow.

193

00:18:05,000 --> 00:18:06,000

Signs.

194

00:18:06,000 --> 00:18:11,000

I've heard about it, but I certainly never expected it to happen to me.

195

00:18:11,000 --> 00:18:18,000

Just prior to a mutilation incident, witnesses often report strange lights in the sky,

196

00:18:18,000 --> 00:18:22,000

much like the lights reported before the formation of a sign.

197

00:18:22,000 --> 00:18:28,000

At that time of the mutilations and later on, we saw many lights up in the sky.

198

00:18:28,000 --> 00:18:30,000

We could not interpret where they were coming from.

199

00:18:30,000 --> 00:18:35,000

We were scouting hay in one of the meadows, and this helicopter was right there.

200

00:18:35,000 --> 00:18:39,000

It looked to me like a big military-type helicopter.

201

00:18:39,000 --> 00:18:40,000

No numbers.

202

00:18:40,000 --> 00:18:42,000

And that night, we had a mutilation.

203

00:18:42,000 --> 00:18:46,000

In a lot of cases, strange lights have been seen around mutilation sites,

204

00:18:46,000 --> 00:18:50,000

and most often helicopters are seen in and around mutilation sites.

205

00:18:50,000 --> 00:18:55,000

It's like someone is monitoring these areas where these animal deaths are occurring.

206

00:18:55,000 --> 00:19:02,000

I believe, possibly, the government may even be doing this or assisting extraterrestrials in this.

207

00:19:02,000 --> 00:19:05,000

And I think we are being blatantly lied to.

208

00:19:05,000 --> 00:19:07,000

What does the government say?

209

00:19:07,000 --> 00:19:13,000

Coyotes and other predators are responsible for the mutilations.

210

00:19:13,000 --> 00:19:21,000

There have been possibly 15,000 of these cases in the United States and Canada since the 60s.

211

00:19:21,000 --> 00:19:26,000

And you look at the records, you look at if there has been anyone prosecuted, has anyone been arrested,

212

00:19:26,000 --> 00:19:28,000

and you don't find that.

213

00:19:28,000 --> 00:19:32,000

You don't find any prosecutions, you don't find any arrests.

214

00:19:32,000 --> 00:19:35,000

In a forensic sense, you use all the information.

215

00:19:35,000 --> 00:19:37,000

You look at all of it.

216

00:19:37,000 --> 00:19:40,000

And when you get all of that information and you run it through a sieve,

217

00:19:40,000 --> 00:19:46,000

you come out that there is some other non-human entity doing this.

218

00:19:46,000 --> 00:19:50,000

Somebody, somewhere in this country knows what's going on.

219

00:19:50,000 --> 00:19:55,000

I mean, it just seems like every time we try to do an investigation,

220

00:19:55,000 --> 00:19:58,000

try to get something started, it comes to a dead end.

221

00:19:58,000 --> 00:20:04,000

We can't get senators, congressmen, you know, just get a lot of publicity, but it just dies.

222

00:20:04,000 --> 00:20:06,000

You know, it's a crime. This is my living.

223

00:20:06,000 --> 00:20:08,000

It's just outright thievery.

224

00:20:08,000 --> 00:20:11,000

Why isn't somebody doing something about it?

225

00:20:11,000 --> 00:20:19,000

As with crop circles, there is no official government explanation for the numerous cattle mutilations

226

00:20:19,000 --> 00:20:24,000

and scientists are also at a loss to explain them.

227

00:20:24,000 --> 00:20:26,000

There are no answers.

228

00:20:26,000 --> 00:20:30,000

There are just thousands of questions and thousands of dead animals.

229

00:20:30,000 --> 00:20:36,000

Next, what caused the strange signs in the whole land?

230

00:20:36,000 --> 00:20:40,000

Will detail the incredible case study of the Kadima-5.

231

00:20:40,000 --> 00:20:42,000

Was it an alien counter?

232

00:20:42,000 --> 00:20:46,000

They all describe the same seven-foot-ball, rounded, headed creature.

233

00:20:46,000 --> 00:20:49,000

And what really happened at the Gawita Farm?

234

00:20:49,000 --> 00:20:53,000

At 6.30 in the morning, all the animals were already dead.

235

00:20:53,000 --> 00:20:59,000

But even with all this evidence, why do some experts theorize that signs simply come from nature?

236

00:20:59,000 --> 00:21:02,000

Causes of crop circle formations are quite likely.

237

00:21:02,000 --> 00:21:05,000

I am plasma vortices.

238

00:21:05,000 --> 00:21:08,000

And you'll get the final answers in our financial report.

239

00:21:08,000 --> 00:21:13,000

Coming up on Unexplained Mysteries, The Truth About Signs.

240

00:21:17,000 --> 00:21:23,000

The Holy Land, site of turmoil and violence throughout the ages.

241

00:21:23,000 --> 00:21:28,000

And also the home of remarkable events linked to signs.

242

00:21:28,000 --> 00:21:34,000

Here are the frightening stories of eyewitnesses in our exclusive case studies.

243

00:21:34,000 --> 00:21:37,000

Strange signs in the Holy Land.

244

00:21:39,000 --> 00:21:41,000

This is Ami Avre.

245

00:21:41,000 --> 00:21:49,000

Ami was driving past a beach called Shikmona when he saw red object fly into the air, hover and dip.

246

00:21:49,000 --> 00:21:55,000

There was a huge flash and suddenly the object disappeared.

247

00:21:55,000 --> 00:22:02,000

Profoundly disturbed by what he had witnessed, Ami went back to Shikmona a few days later.

248

00:22:02,000 --> 00:22:05,000

He was stunned by what he found.

249

00:22:05,000 --> 00:22:08,000

A different kind of sign.

250

00:22:08,000 --> 00:22:16,000

Imagine intense heat burning sand and vegetation in the shape of a UFO.

251

00:22:16,000 --> 00:22:24,000

Inscribed in the right hand corner, a clear cut picture of an astronaut in front of the dashboard.

252

00:22:24,000 --> 00:22:31,000

And like we've seen in the making of crop circles, the ground itself had changed.

253

00:22:31,000 --> 00:22:38,000

The land was 671 percent more magnetic than usual.

254

00:22:38,000 --> 00:22:43,000

Dr. W. C. Levensgood tested a sample of the soil.

255

00:22:43,000 --> 00:22:54,000

One was sort of astounded by the tremendous change in the ratios of the elements.

256

00:22:54,000 --> 00:23:05,000

For example, ordinary sink was increased 104 times, whereas other elements weren't stayed absolutely the same.

257

00:23:05,000 --> 00:23:11,000

But as he photographed the soil sample, he was shocked by what happened next.

258

00:23:11,000 --> 00:23:20,000

As I was adjusting the camera to get the photograph to my astonishment, the soil appeared to be melting.

259

00:23:20,000 --> 00:23:28,000

What I found here was that there was a coating on the soil of a very low melting material.

260

00:23:28,000 --> 00:23:33,000

I have consulted with a geophysicist and there is no explanation.

261

00:23:33,000 --> 00:23:35,000

This does not occur in nature.

262

00:23:35,000 --> 00:23:41,000

There is no natural way that this amount of hydrocarbon would be on the soil.

263

00:23:42,000 --> 00:23:57,000

A few months after the Shikmona Beach incident, the Kafflon family in nearby Haifa witnessed a golden object in the sky outside their window.

264

00:23:57,000 --> 00:24:04,000

It hovered over the sea for a full 17 minutes before disappearing.

265

00:24:04,000 --> 00:24:09,000

You see windows and this is possibly the most outstanding feature.

266

00:24:09,000 --> 00:24:15,000

In the film you will see that at the beginning Rafi Malka is clever enough to get background.

267

00:24:15,000 --> 00:24:20,000

There is no mistaking this as part of the features of the hill or the Haifa area.

268

00:24:20,000 --> 00:24:23,000

It is not a natural feature, it is certainly dangling in the air.

269

00:24:23,000 --> 00:24:28,000

It moves, it has lights and it was witnessed by experts.

270

00:24:28,000 --> 00:24:32,000

I believe that it was tremendously documented.

271

00:24:32,000 --> 00:24:37,000

Nearby on the same night is another kind of alien encounter.

272

00:24:40,000 --> 00:24:46,000

Strange things began to happen in a little town called Kadima.

273

00:24:46,000 --> 00:24:54,000

Five women who had never heard of each other shared a similar otherworldly experience.

274

00:24:54,000 --> 00:24:59,000

These are not women who have any ulterior motive whatsoever. They have nothing to gain by it.

275

00:24:59,000 --> 00:25:04,000

First, each woman reported the appearance of a crop circle in their fields.

276

00:25:04,000 --> 00:25:11,000

It was just amazing. I looked at that site and I thought to myself, what could this be?

277

00:25:11,000 --> 00:25:18,000

The grass became within a day completely dry, it was before high as this grass all around.

278

00:25:18,000 --> 00:25:22,000

Upon closer inspection, something even stranger was found.

279

00:25:22,000 --> 00:25:33,000

There were strange red stains all over and little pieces of unknown material that now we know it was a silicon.

280

00:25:33,000 --> 00:25:40,000

This is it. It's very light, it's very thin and it's bright and glowing.

281

00:25:40,000 --> 00:25:47,000

We send it to the National Geological Lab to Dr. Henry Foner who tested this.

282

00:25:47,000 --> 00:25:58,000

According to Dr. Foner's testimony, this specific material we are talking about here is a pure 99.8% pure silicon.

283

00:25:58,000 --> 00:26:02,000

It does not exist naturally on Earth.

284

00:26:02,000 --> 00:26:08,000

Then, early that morning, each of the women had an alien encounter.

285

00:26:08,000 --> 00:26:15,000

It was a Saturday morning. I woke up very early, I looked at the alarm clock, it was 6.30 in the morning.

286

00:26:15,000 --> 00:26:22,000

I was asleep and woke up very early Saturday morning. I heard a loud bang.

287

00:26:22,000 --> 00:26:28,000

I was afraid to go downstairs and check it out. I preferred to wait until daylight.

288

00:26:29,000 --> 00:26:36,000

It was 3 o'clock in the morning on a Saturday. I woke up with the noise of my dog barking.

289

00:26:36,000 --> 00:26:42,000

I went to the door near the window. Inside the house it was dark, but outside it was light.

290

00:26:42,000 --> 00:26:47,000

I opened the curtains and I saw a big, giant image staring at me.

291

00:26:47,000 --> 00:26:52,000

His face was more oval shaped. His eyes were shining, like a stoplight glittering.

292

00:26:52,000 --> 00:26:57,000

His nose was very small, like a dot, if any. I tried to get to him.

293

00:26:57,000 --> 00:27:03,000

Instinctively I raised my hands in front of me to push him away, but it was like pushing against a wall.

294

00:27:03,000 --> 00:27:09,000

And all around there were these flickering lights.

295

00:27:09,000 --> 00:27:16,000

He didn't say anything to me, but I heard a voice in my head. It was like telepathy and the voice said, go away.

296

00:27:16,000 --> 00:27:19,000

I could smash you like a little dog, go back to your husband.

297

00:27:20,000 --> 00:27:27,000

And I got, so to speak, an answer in my head, in English, that this is the way it should be.

298

00:27:27,000 --> 00:27:30,000

And before I could move, he disappeared.

299

00:27:30,000 --> 00:27:35,000

We have five women who don't know each other, describing the same bald-headed giants.

300

00:27:35,000 --> 00:27:40,000

They couldn't describe little ones, green ones, red ones, human ones.

301

00:27:40,000 --> 00:27:46,000

They had infinite possibilities of descriptions. They all described the same seven-foot bald, round-headed creature.

302

00:27:46,000 --> 00:27:49,000

Then the encounters turned violent.

303

00:27:53,000 --> 00:27:59,000

It was eerily similar to what's happening on ranches and farms in the U.S.

304

00:27:59,000 --> 00:28:06,000

800 meters from the Kadima Antenna Tower lived a farmer called Amos Güeta.

305

00:28:06,000 --> 00:28:14,000

We woke up one Saturday morning. We went to feed the chickens, the sheep, and the dog, as usual.

306

00:28:14,000 --> 00:28:18,000

At 6.30 in the morning, when we woke up, it was already too late.

307

00:28:18,000 --> 00:28:22,000

All the animals were already dead, except the dog.

308

00:28:22,000 --> 00:28:28,000

She opens his eyes and there are no eyeballs. 15 minutes later, the dog dies.

309

00:28:28,000 --> 00:28:34,000

She walks to her sheep pen and there are three dead sheep.

310

00:28:34,000 --> 00:28:43,000

They have been shaved around the cheekbone and have had her whole drilled to the bone itself.

311

00:28:43,000 --> 00:28:50,000

No blood was found either. We tried to cut the veins of the sheep. No blood was in it.

312

00:28:50,000 --> 00:28:53,000

They were empty of blood.

313

00:28:53,000 --> 00:28:58,000

She goes on to the chicken house, where the chickens are literally frozen dead.

314

00:28:58,000 --> 00:29:04,000

No panic amongst the chickens. They're not scattered. They're in their roost dead, about four of them.

315

00:29:04,000 --> 00:29:08,000

Signs in the Holy Land. Are they part of a long history?

316

00:29:08,000 --> 00:29:19,000

People who have been studying UFOs seriously around the world have reached the consensus that the Bible is a convincing UFO story.

317

00:29:19,000 --> 00:29:26,000

The angels of the Bible are returning and these are the aliens of Israel today.

318

00:29:26,000 --> 00:29:37,000

Mids on Unexplained Mysteries. A military helicopter tries to intimidate innocent bystanders at a sign formation.

319

00:29:37,000 --> 00:29:40,000

They're obviously doing this quite deliberately.

320

00:29:40,000 --> 00:29:44,000

While others try to show that all signs are hoaxes.

321

00:29:44,000 --> 00:29:48,000

We are the two people that have created the crop circle.

322

00:29:48,000 --> 00:29:52,000

While others believe signs are caused by nature.

323

00:29:52,000 --> 00:29:57,000

Crop circle formations are quite likely. I am plasma vortices.

324

00:29:57,000 --> 00:30:03,000

Who made these enormous, complex signs over 2,000 years ago?

325

00:30:03,000 --> 00:30:06,000

I couldn't believe what I would see.

326

00:30:09,000 --> 00:30:16,000

And you'll hear the arguments from all sides in our Unexplained Report. Here on Unexplained Mysteries.

327

00:30:22,000 --> 00:30:26,000

Unexplained Mysteries. The truth about signs.

328

00:30:27,000 --> 00:30:38,000

A crop circle in England. It draws the attention of a British military helicopter.

329

00:30:38,000 --> 00:30:46,000

The copter hovers above the formation. Then rushes straight towards the camera and onlookers.

330

00:30:46,000 --> 00:30:50,000

They're obviously doing this quite deliberately.

331

00:30:51,000 --> 00:30:56,000

Is the military trying to scare innocent civilians?

332

00:30:58,000 --> 00:31:09,000

Then the chopper moves off. But it doesn't leave. Instead, it investigates a bright light about 2,000 feet away.

333

00:31:10,000 --> 00:31:13,000

There's some flashing thing on the ground.

334

00:31:14,000 --> 00:31:19,000

The helicopter observes the strange light. Until it fades away.

335

00:31:19,000 --> 00:31:25,000

No one knows why the military was on the scene. But it begs the question.

336

00:31:25,000 --> 00:31:33,000

With the high number of crop circle formations, why hasn't the government released any kind of statement?

337

00:31:34,000 --> 00:31:38,000

Perhaps the government believes that crop circles are hoaxes.

338

00:31:38,000 --> 00:31:45,000

In fact, many experts think the average crop circle is just a prank with a plank.

339

00:31:51,000 --> 00:31:57,000

We are the two people that have created the crop circles in 1978 through to the day.

340

00:31:57,000 --> 00:32:02,000

Doug and Dave had only done a few of the hundreds of circles that have been done.

341

00:32:02,000 --> 00:32:08,000

And from the evidence, their public demonstrations and broad daylight, they weren't very good at it.

342

00:32:08,000 --> 00:32:12,000

But no one really knew what hoaxes could do and what they couldn't do.

343

00:32:12,000 --> 00:32:16,000

And so I thought, well, here's an ideal opportunity for a scientific experiment.

344

00:32:16,000 --> 00:32:19,000

And the best way to do it is through a competition.

345

00:32:20,000 --> 00:32:27,000

Sheldrake held a competition and challenged participants to create authentic looking crop circles.

346

00:32:27,000 --> 00:32:34,000

They had to be produced at night. The day after, the winners showed off their results.

347

00:32:34,000 --> 00:32:41,000

What we found was that the standard of artificial circle making was much higher than most people had expected.

348

00:32:41,000 --> 00:32:47,000

These people could do very well. The standard was very high indeed.

349

00:32:47,000 --> 00:32:54,000

And the most surprising thing was that people could do all this in complete darkness with making very little noise.

350

00:33:00,000 --> 00:33:07,000

I flew the site the next day, and the aerial pictures that we took show some of the centres of these formations

351

00:33:07,000 --> 00:33:12,000

displaying exactly the characteristics that the genuine circles have displayed.

352

00:33:12,000 --> 00:33:17,000

And exactly the characteristics that many of the experts have said couldn't be done by people.

353

00:33:17,000 --> 00:33:24,000

So what they show is that many of the features of crop circles could be hoaxes, but they don't show that they are hoaxes.

354

00:33:24,000 --> 00:33:31,000

And I mean, the analogy that I find most helpful is the fact that you can forge a \$20 bill

355

00:33:31,000 --> 00:33:34,000

doesn't prove that all \$20 bills of forgery is.

356

00:33:35,000 --> 00:33:41,000

In another twist, some hoaxers have stated that governments have paid them to create fake signs

357

00:33:41,000 --> 00:33:46,000

to divert attention from signs produced by non-human beings.

358

00:33:48,000 --> 00:33:52,000

Either it's very skillful hoaxes with a tremendous sense of humour,

359

00:33:52,000 --> 00:34:01,000

or it's some non-human intelligence that's completely off the scale of anything that we've contemplated so far.

360

00:34:05,000 --> 00:34:11,000

Some experts believe that signs are neither hoaxes nor are they created by aliens.

361

00:34:11,000 --> 00:34:15,000

There may be yet another explanation entirely.

362

00:34:18,000 --> 00:34:27,000

John and I came up with a concept based on very unusual natural phenomena in the atmosphere.

363

00:34:28,000 --> 00:34:36,000

Dr. Levensgood and research associate John Burke have studied many samples taken from crop circles.

364

00:34:37,000 --> 00:34:43,000

They go through biochemical changes. They go through cellular changes.

365

00:34:43,000 --> 00:34:52,000

This is a control node here showing you the normal node, very symmetrical.

366

00:34:52,000 --> 00:35:00,000

And what we find here is that there are very drastic changes in the formation samples,

367

00:35:00,000 --> 00:35:06,000

which cannot be explained by ordinary trampling or hoaxing or any of that.

368

00:35:06,000 --> 00:35:12,000

Now in the formation, what we find is that this energy is so intense and so rapid,

369

00:35:12,000 --> 00:35:17,000

the heat is so high that it literally blows expulsion cavities.

370

00:35:17,000 --> 00:35:24,000

We have an enormous amount of evidence that indicates that the causes of crop circle formations

371

00:35:24,000 --> 00:35:28,000

are quite likely ion plasma vortices.

372

00:35:28,000 --> 00:35:34,000

And while this may sound exotic, you could picture a slow speed electrified tornado, if you will,

373

00:35:34,000 --> 00:35:38,000

because plasma is nothing more than electrified air particles.

374

00:35:39,000 --> 00:35:45,000

But the natural explanation does not convince those who believe signs are messages from extraterrestrials.

375

00:35:48,000 --> 00:35:55,000

If their communications of some kind from a non-human source is not quite clear what they're saying,

376

00:35:55,000 --> 00:36:00,000

their main message so far seems to be watch this space.

377

00:36:07,000 --> 00:36:11,000

Are signs a relatively new phenomenon on this planet? Perhaps not.

378

00:36:11,000 --> 00:36:15,000

Perhaps signs have been created for millennia.

379

00:36:15,000 --> 00:36:20,000

Unlike crop circles, which by their nature are temporary,

380

00:36:20,000 --> 00:36:26,000

there are a vast number of permanent signs etched into landscapes all across the globe.

381

00:36:29,000 --> 00:36:36,000

Known as geoglyphs, the most mystifying ones are scattered over an area of 300 miles

382

00:36:36,000 --> 00:36:39,000

near the town of Naska, Peru.

383

00:36:39,000 --> 00:36:44,000

These Naska signs are huge symbols carved into the desert plain.

384

00:36:44,000 --> 00:36:51,000

Some as long as a thousand feet, but they truly reveal themselves only from the air.

385

00:36:53,000 --> 00:37:01,000

In fact, they were first spotted by startled airline passengers when commercial flight began in the 1920s.

386

00:37:01,000 --> 00:37:10,000

I heard about these lines of Naska markings that were so huge that you could only see them from the air.

387

00:37:10,000 --> 00:37:16,000

I couldn't believe what I was seeing. I gave myself this mission to photograph these

388

00:37:16,000 --> 00:37:19,000

and bring them back and share them with people.

389

00:37:21,000 --> 00:37:28,000

The designs consist of strange geometrical patterns as well as human and animal shapes.

390

00:37:28,000 --> 00:37:31,000

They date back over 2,000 years.

391

00:37:31,000 --> 00:37:39,000

It seems strange that about two to 3,000 years ago, so many huge markings were made on the Earth,

392

00:37:39,000 --> 00:37:44,000

or they were dug into the Earth or raised from the Earth.

393

00:37:44,000 --> 00:37:52,000

I'm looking at a lot of these markings and structures as if a God would look at them.

394

00:37:55,000 --> 00:38:00,000

The Naska lines, were they intergalactic runways for alien spacecraft,

395

00:38:00,000 --> 00:38:03,000

or were they messages to aliens?

396

00:38:04,000 --> 00:38:09,000

Or like crop circles, could they have been messages from aliens?

397

00:38:16,000 --> 00:38:22,000

Coming up in our UNEX report, how are the ancient markings related to the cattle mutilations,

398

00:38:22,000 --> 00:38:26,000

alien encounters, and the signs found today?

399

00:38:26,000 --> 00:38:31,000

We'll bring all the facts together in our UNEX report next.

400

00:38:33,000 --> 00:38:48,000

And now, the UNEX report.

401

00:38:48,000 --> 00:38:52,000

For many, the mystery is easy to explain.

402

00:38:52,000 --> 00:38:59,000

They dismiss the idea of alien messages because of the well-known evidence of fraudulent signs.

403

00:38:59,000 --> 00:39:05,000

Hoaxers who have admitted creating fake signs and demonstrated their clever methods,

404

00:39:05,000 --> 00:39:12,000

and competitions in which humans produced complex signs in a short time and even at night.

405

00:39:12,000 --> 00:39:20,000

Others believe signs are indeed created by powerful forces, but they're not extraterrestrial.

406

00:39:20,000 --> 00:39:24,000

They're simply the power of nature.

407

00:39:25,000 --> 00:39:32,000

But what of the compelling evidence that has convinced many that signs are of alien origin?

408

00:39:32,000 --> 00:39:38,000

Scientists have found crop circle plants that show no evidence of human contact.

409

00:39:38,000 --> 00:39:45,000

There are enormous signs that are far too complex and precise to be created by man.

410

00:39:45,000 --> 00:39:51,000

Mathematicians and musicologists have discovered messages hidden in the signs.

411

00:39:51,000 --> 00:40:01,000

Messages in a nonverbal, possibly nonhuman language of numbers and musical notes.

412

00:40:01,000 --> 00:40:11,000

Analysts have found that the grain in crop circles has been transformed at a cellular level.

413

00:40:11,000 --> 00:40:23,000

For more evidence, witnesses have cited unidentified craft and mysterious lights near the signs.

414

00:40:23,000 --> 00:40:35,000

And the chilling tale of five women in Israel who had contact with an alien being.

415

00:40:35,000 --> 00:40:44,000

But perhaps most disturbing are the outbreaks of violent livestock mutilations, often found near signs.

416

00:40:44,000 --> 00:40:48,000

And why has there been no official word from the government?

417

00:40:48,000 --> 00:40:59,000

To the conspiracy theorists, this cover-up is the most compelling evidence that signs are created by extraterrestrial beings.

418

00:40:59,000 --> 00:41:11,000

Each side has its argument, each side has its beliefs, and that is why for now, signs must remain an unexplained mystery.

419

00:41:30,000 --> 00:41:32,000

The kids were screaming.

420

00:41:32,000 --> 00:41:36,000

At that point, I knew they existed.

421
