

1

00:00:00,000 --> 00:00:04,000

I just had the feeling that ultimately I would kill somebody.

2

00:00:04,000 --> 00:00:09,000

This time on Unexplained Mysteries, the Unreal World.

3

00:00:09,000 --> 00:00:15,000

Visitors from other planets lost civilizations, mythical beasts.

4

00:00:15,000 --> 00:00:21,000

What I actually saw that night, I couldn't really understand what it was.

5

00:00:21,000 --> 00:00:25,000

It wasn't myth, it wasn't legend, it was real. It was true.

6

00:00:25,000 --> 00:00:30,000

What is left? The paranormal. And that's where we come in.

7

00:00:30,000 --> 00:00:34,000

A hideous monster hunting in the hills of Puerto Rico.

8

00:00:34,000 --> 00:00:37,000

To tell you the truth, I don't know what that creature is.

9

00:00:37,000 --> 00:00:42,000

I believe that it is something that doesn't belong to this world.

10

00:00:42,000 --> 00:00:47,000

We'll reveal top secret government documents that prove the existence of UFOs.

11

00:00:47,000 --> 00:00:51,000

If this is genuine, why is dynamite like this old gun?

12

00:00:51,000 --> 00:00:53,000

These documents are genuine, they prove the case.

13

00:00:53,000 --> 00:00:55,000

Running decent water.

14

00:00:55,000 --> 00:00:59,000

And open up the files on one of the most dramatic alien encounters in history.

15

00:00:59,000 --> 00:01:04,000

Somebody died, aliens or other ones. And the government has not come clean on it.

16

00:01:04,000 --> 00:01:07,000

What might the government be trying to hide?

17

00:01:07,000 --> 00:01:13,000

A panel of experts convened by the CIA concluded that UFOs could be a threat.

18

00:01:13,000 --> 00:01:16,000

People can handle this. And it's time to tell them the truth.

19

00:01:16,000 --> 00:01:19,000

Will visit England to meet a real-life werewolf.

20

00:01:19,000 --> 00:01:22,000

He had these mad, staring eyes.

21

00:01:22,000 --> 00:01:24,000

It's a maniacal expression.

22

00:01:24,000 --> 00:01:28,000

He snarled and he growled. It was an impression of his lips turning out.

23

00:01:28,000 --> 00:01:32,000

Uncover the secrets hidden within the sphinx.

24

00:01:32,000 --> 00:01:35,000

A whole chapter is missing from the human story.

25

00:01:35,000 --> 00:01:39,000

I could see the key to this total reversal of history.

26

00:01:39,000 --> 00:01:44,000

And explore one of the most terrifying paranormal mysteries known to man.

27

00:01:44,000 --> 00:01:46,000

Spontaneous human combustion.

28

00:01:46,000 --> 00:01:49,000

Is it combusted? The smoke just filled the car?

29

00:01:49,000 --> 00:01:51,000

This is baffling. This is bizarre.

30

00:01:51,000 --> 00:01:54,000

This is as strange as it gets in the natural world.

31

00:01:54,000 --> 00:01:59,000

I have to believe it. I have to believe it. I was there. I saw it.

32

00:01:59,000 --> 00:02:07,000

And we'll give you the final analysis in our unexerboard on Unexplained Mystery History.

33

00:02:07,000 --> 00:02:10,000

The Unreal World.

34

00:02:11,000 --> 00:02:19,000

There is no more powerful emblem of the mystery of the past than the great sphinx of Egypt.

35

00:02:24,000 --> 00:02:28,000

Standing between the great pyramids of Giza is the sphinx.

36

00:02:28,000 --> 00:02:35,000

A weathered statue of a mythological creature that was said to kill anyone who could not answer its riddle.

37

00:02:35,000 --> 00:02:40,000

Today, scientists are trying to decipher another riddle of the sphinx.

38

00:02:40,000 --> 00:02:43,000

Who built this great monument? And why?

39

00:02:43,000 --> 00:02:50,000

For years, researchers logically assumed that it was built at the same time as the pyramids.

40

00:02:50,000 --> 00:02:54,000

But there is growing support that they may date back farther.

41

00:02:54,000 --> 00:03:00,000

One of the first people to voice this theory was Edgar Cayce, the famed sleeping psychic.

42

00:03:00,000 --> 00:03:04,000

In the 1930s, while in a trance, Cayce made a startling prediction.

43

00:03:04,000 --> 00:03:13,000

It was like he was in the deep unconscious mind and he was accessing the universal consciousness that contained all wisdom.

44

00:03:13,000 --> 00:03:22,000

And when they asked him specifically about ancient Egypt, he said that this place was built in the year 10,500 BC.

45

00:03:22,000 --> 00:03:28,000

The accepted theory about the sphinx and the pyramids date them at 2,500 BC.

46

00:03:29,000 --> 00:03:34,000

No one in the scientific community took the prediction seriously until now.

47

00:03:34,000 --> 00:03:43,000

I could see that in the geology lay the key to this total reversal of history.

48

00:03:43,000 --> 00:03:51,000

John Anthony West believes that the erosion patterns on the sphinx suggest that Cayce may have been right.

49

00:03:51,000 --> 00:04:00,000

In a nutshell, the theory is that the sphinx has been weathered by water and specifically by rain falling down over the plateau over many thousands of years.

50

00:04:00,000 --> 00:04:08,000

You look at the sphinx and you see that it's this rounded profile with deep fissures going down the rock face.

51

00:04:08,000 --> 00:04:12,000

This can only be produced by rainfall falling over the plateau.

52

00:04:12,000 --> 00:04:17,000

But there hasn't been steady rainfall in Egypt since 10,000 BC.

53

00:04:17,000 --> 00:04:22,000

More than 7,000 years before the sphinx was supposed to have been built.

54

00:04:22,000 --> 00:04:27,000

Robert Boval and Graham Hancock have also embraced Cayce's prediction.

55

00:04:27,000 --> 00:04:31,000

They point to the constellations in the sky as proof.

56

00:04:31,000 --> 00:04:40,000

10,500 BC, this is when the sphinx is gazing directly at his own image, the constellation of Leo.

57

00:04:40,000 --> 00:04:54,000

And if we are to turn 90 degrees and face due south, we would see the three stars of Orion's bent in a pattern that mimics exactly the pattern of the pyramid on the ground.

58

00:04:54,000 --> 00:05:03,000

So we have here a perfect conjunction taking place only and only in 10,500 BC.

59

00:05:03,000 --> 00:05:11,000

One problem facing each of these researchers is that our primitive ancestors lacked the necessary skills to build these monuments.

60

00:05:11,000 --> 00:05:17,000

The evidence is beginning to suggest to us that a whole chapter is missing from the human story,

61

00:05:17,000 --> 00:05:24,000

that all the legends of a great lost civilization that haunt the myth memories of mankind may be true.

62

00:05:24,000 --> 00:05:27,000

But what happened to this advanced civilization?

63

00:05:27,000 --> 00:05:37,000

There was an enormous horrendous cataclysm at the end of the last ice age and this brings us to that date of 10,500 BC that we focus on in the monuments.

64

00:05:37,000 --> 00:05:44,000

Something happened to the world at the end of the last ice age of sufficient magnitude to have wiped out the whole civilization.

65

00:05:44,000 --> 00:05:51,000

And what we're arguing is that the traces of that lost civilization may be what confronts us at Gizeh.

66

00:05:51,000 --> 00:05:56,000

Although their theories are still disputed, one of Cayce's predictions has proven to be right.

67

00:05:56,000 --> 00:06:04,000

In good case he said that the lost records of Atlantis would be found in a chamber between the paws of the Sphinx.

68

00:06:04,000 --> 00:06:09,000

Our seismograph detected a chamber between the paws of the Sphinx.

69

00:06:09,000 --> 00:06:12,000

What's in that chamber? Absolutely we don't know.

70

00:06:12,000 --> 00:06:19,000

But certainly our findings seem to corroborate certain of his key prophecies.

71

00:06:19,000 --> 00:06:27,000

In point of fact, archaeologists may have discovered a lost city that could be part of Atlantis in the Aegean Sea.

72

00:06:27,000 --> 00:06:42,000

I think the time has come for us to consider seriously the possibility that our much-vaunted, advanced 20th century civilization is indeed a civilization of children with amnesia

73

00:06:42,000 --> 00:06:50,000

who have forgotten their own parents because what would be recalled is almost too horrific to imagine.

74

00:06:50,000 --> 00:07:01,000

Conventional science doesn't support his unorthodox claims, but there is a growing movement within the archaeological community that believes Atlantis did exist.

75

00:07:01,000 --> 00:07:05,000

They point to the sudden rise of Egypt as proof.

76

00:07:05,000 --> 00:07:15,000

John Anthony West, a well-known Egyptologist, has said that Egyptian culture is like a legacy from an earlier culture.

77

00:07:15,000 --> 00:07:21,000

Call it Atlantis or whatever we want, but the Egyptian culture came from somewhere else.

78

00:07:21,000 --> 00:07:30,000

We like to put it within inverted quotes and call it the A word because as soon as you mention this word, all kinds of scientists and scholars go absolutely ballistic.

79

00:07:31,000 --> 00:07:37,000

Atlantis, a world that worshiped strange gods of science. A science gone berserk.

80

00:07:37,000 --> 00:07:45,000

Dr. Charles Pellegrino believes Atlantis exists, but only as a myth that has passed down through the ages.

81

00:07:45,000 --> 00:07:59,000

There's a lot of modern folklore about Atlantis that has arisen in the last 200 years or so, but if you want to look for the origins of the Atlantis legend, you have to go back to about 350 BC.

82

00:07:59,000 --> 00:08:09,000

Plato writes that Atlantis was home to the most advanced civilization on Earth, but at the height of its glory, it was swallowed up by the sea.

83

00:08:09,000 --> 00:08:22,000

Atlantis is a symbol. It's the classic Greek tragedy of something beautiful and something that had beauty and grace that vanished tragically in a single night.

84

00:08:22,000 --> 00:08:30,000

But what if the stories are true? Recently off the coast of Greece, a tiny string of islands have been discovered under the Aegean Sea.

85

00:08:30,000 --> 00:08:39,000

A single island remains. It is Thera, and on it is the remains of an ancient civilization that was destroyed by a volcanic eruption.

86

00:08:39,000 --> 00:08:45,000

It literally is a lost Atlantis. They were very advanced technologically.

87

00:08:45,000 --> 00:09:01,000

If we're finding homes that are just honeycombed with plumbing, hints of central heating, beautiful paintings that have found in every home, very different from the artwork that you find anywhere else in the world except in the tomb of King Tut.

88

00:09:01,000 --> 00:09:15,000

The discovery of Thera is remarkable, but Atlantis researchers maintained that the lost continent is still buried, waiting to be found by a civilization far more advanced than ours.

89

00:09:15,000 --> 00:09:30,000

We do have a continent on our planet which is truly lost. There, I suspect, we may find the cities, the great engineering works of an entire and forgotten human civilization.

90

00:09:32,000 --> 00:09:40,000

Next up, the strange and mysterious Unreal World, a modern-day werewolf invades England.

91

00:09:40,000 --> 00:09:45,000

He had these mad, staring eyes, and his benign expression.

92

00:09:45,000 --> 00:09:47,000

I couldn't really understand what it was.

93

00:09:47,000 --> 00:09:51,000

I just had the feeling that ultimately I would kill somebody.

94

00:09:51,000 --> 00:09:56,000

A deadly beast invades a small village in Puerto Rico.

95

00:09:56,000 --> 00:10:03,000

More than a hundred animals were killed by this mysterious creature, and we were still looking for the answer.

96

00:10:03,000 --> 00:10:07,000

Something that killed very strange.

97

00:10:07,000 --> 00:10:12,000

Later, we explore the deadly phenomenon of spontaneous human combustion.

98

00:10:12,000 --> 00:10:15,000

All I saw was just a cloud of smoke around me.

99

00:10:15,000 --> 00:10:18,000

His skin appeared to be erupting in smoke.

100

00:10:18,000 --> 00:10:24,000

This is baffling. This is bizarre. This is eerie. This is as strange as it gets in the natural world.

101

00:10:25,000 --> 00:10:29,000

AIM will give you our ultimate update with our Honex Report.

102

00:10:29,000 --> 00:10:33,000

Stay tuned for more on Unexplained Mysteries.

103

00:10:38,000 --> 00:10:42,000

Unexplained Mysteries, the Unreal World.

104

00:10:45,000 --> 00:10:48,000

They say that all legends contain a kernel of truth.

105

00:10:48,000 --> 00:10:54,000

So when the sun sets and the moon is full, what is the truth about werewolves?

106

00:10:58,000 --> 00:11:03,000

The story began when I was nine years old. It was a very warm summer evening.

107

00:11:03,000 --> 00:11:07,000

Suddenly the air went very cold. There was a terrible stench in the air.

108

00:11:07,000 --> 00:11:14,000

And I just flew into the most horrendous rays that my mother and father just couldn't make out why they had little nine-year-old boys.

109

00:11:14,000 --> 00:11:18,000

Suddenly started to act virtually like an animal in the garden.

110

00:11:18,000 --> 00:11:23,000

This violent outburst was the first sign that something was wrong with Bill Ramsay.

111

00:11:23,000 --> 00:11:28,000

He didn't know what it was. All he knew was that he had to hide it.

112

00:11:28,000 --> 00:11:34,000

I was dreaming all sorts of things. I would be the laughing stock of the neighborhood.

113

00:11:34,000 --> 00:11:38,000

Whatever was inside Ramsay was released again at Southend Hospital.

114

00:11:38,000 --> 00:11:44,000

He attacked a nurse and tore up the emergency room. Nothing could stop him.

115

00:11:44,000 --> 00:11:47,000

I just had the feeling that ultimately I would kill somebody.

116

00:11:47,000 --> 00:11:52,000

Then one night outside a police station, Ramsay tried to kill one of the officers.

117

00:11:52,000 --> 00:11:57,000

I envisaged being in prison for the rest of my life while I was in a secure mental hospital the rest of my life.

118

00:11:57,000 --> 00:12:01,000

For something I knew I would never be responsible for.

119

00:12:01,000 --> 00:12:07,000

Suddenly his secret was out, but no one understood why he was having these violent episodes.

120

00:12:07,000 --> 00:12:13,000

What was causing it? I was literally, it felt like, just committing suicide.

121

00:12:13,000 --> 00:12:20,000

An answer would come from 3,000 miles away from an unassuming pair of paranormal investigators.

122

00:12:20,000 --> 00:12:26,000

Lorraine and Ed wanted to better understand what they were dealing with.

123

00:12:26,000 --> 00:12:31,000

They interviewed Inspector Tony Belford, who had witnessed one of the attacks.

124

00:12:31,000 --> 00:12:37,000

What I actually saw that night, I couldn't really understand what it was.

125

00:12:37,000 --> 00:12:42,000

All I knew was that it was something I'd never witnessed before. It was not natural behavior.

126

00:12:42,000 --> 00:12:50,000

According to police records, Ramsay picked up a prostitute from a nearby carnival and inexplicably took her to the police station.

127

00:12:50,000 --> 00:12:57,000

So I took the prostitute inside, leaving Sergeant Terry Fisher out in the yard with Ramsay.

128

00:12:57,000 --> 00:13:03,000

He had these mad, staring eyes and this maniacal expression. That's all I can describe it as.

129

00:13:03,000 --> 00:13:08,000

The worst thing was what he was saying, and it was said in a very benevolent way.

130

00:13:08,000 --> 00:13:14,000

Now, quote from the report I made shortly after, which he was saying, the devil is in me.

131

00:13:14,000 --> 00:13:19,000

When the devil is in me, I am strong. I'm going to kill you.

132

00:13:19,000 --> 00:13:24,000

And when I came out into the yard, I saw Terry Fisher on the floor, just over in this location,

133

00:13:24,000 --> 00:13:28,000

with Bill Ramsay sitting on top of him with his hands around his throat.

134

00:13:28,000 --> 00:13:34,000

A little voice back here said, Terrence, you come unstuck this time.

135

00:13:34,000 --> 00:13:39,000

And when you see the size of this ex-police officer, you'll say to yourself, what's scared him so much?

136

00:13:39,000 --> 00:13:46,000

Why this one experience? Because he's seen something that very few people ever see.

137

00:13:46,000 --> 00:13:50,000

He's seen the transfiguration of a man into a wolf.

138

00:13:50,000 --> 00:13:57,000

It took five officers to get Ramsay into custody, but not even this cell seemed to be able to contain him.

139

00:13:57,000 --> 00:14:05,000

His head, right arm up to his shoulder was outside this hole.

140

00:14:05,000 --> 00:14:16,000

It's difficult to actually visualise a head and an arm out there that I can assure you.

141

00:14:16,000 --> 00:14:25,000

I saw it, five or six firemen saw it, doctors saw it, and I would suggest up to seven to eight policemen saw it.

142

00:14:25,000 --> 00:14:28,000

None of which could believe what we'd actually seen.

143

00:14:28,000 --> 00:14:33,000

Ramsay had to be sedated and covered in liquid soap to get him back into the cell.

144

00:14:33,000 --> 00:14:40,000

Inspector Belford was then left with the task of explaining the episode to his superiors.

145

00:14:40,000 --> 00:14:52,000

I submit this report for your information and to have recorded the fact that it is in my opinion that this man will, if not controlled, end up causing fatal or serious injury to some person.

146

00:14:52,000 --> 00:14:59,000

Rather than press criminal charges, the court sent Ramsay to a psychiatric institution for observation.

147

00:14:59,000 --> 00:15:06,000

Everybody thought I had a mental problem. It just didn't seem right, but I had no other answer.

148

00:15:06,000 --> 00:15:16,000

I couldn't say, well, it's not a mental problem. I said, well, you do this normally then, do you? Does everybody's this normal behaviour? Of course it was a mental problem. Where else could they send me? There was nowhere else.

149

00:15:16,000 --> 00:15:23,000

Ramsay spent 28 days in the hospital undergoing tests, but when no mental illness could be found, he was released.

150

00:15:23,000 --> 00:15:28,000

What is left, the paranormal, the unknown, and that's where we come in.

151

00:15:28,000 --> 00:15:39,000

Warrens told me that it wasn't a mental illness. I had no mental illness. I was possessed, demonically possessed with a wolf spirit.

152

00:15:39,000 --> 00:15:49,000

Oh, God, I've heard it all. And he kind of closed the evening with them. Would you come to the USA and be exercised?

153

00:15:49,000 --> 00:15:55,000

Exercise? Come on. Some absolute rubbish they were giving me here. But maybe.

154

00:15:55,000 --> 00:16:00,000

Ramsay flew to Connecticut. There he met Bishop Richard McKenna.

155

00:16:00,000 --> 00:16:10,000

You need to be exercised. You know, no question about that. I would think that being possessed by the devil is the worst evil that could befall anyone.

156

00:16:10,000 --> 00:16:19,000

I didn't know what to expect. And when you're entering a realm of the unknown, you're obviously very, very scared.

157

00:16:19,000 --> 00:16:29,000

The ceremony began in the bishops' church. Ramsay was strapped down in a chair. Six bodyguards with stun guns were on hand in case something went wrong.

158

00:16:29,000 --> 00:16:42,000

As I proceeded with the prayers, he didn't seem to be himself. There was some other person taking over him. He himself seemed almost going to a kind of a daze.

159

00:16:42,000 --> 00:16:52,000

I remember him coming to me at me with that stole, placing it on my head, and it's as if he'd hit me with a hammer almost, because I just did not know anything after that.

160

00:16:52,000 --> 00:17:05,000

It started from behind him, and the muscles in the back of the neck all began to enlarge, and the ears began to point, and he howled.

161

00:17:05,000 --> 00:17:13,000

Speak, devil. Begone. The name of God. Leave him alone. Go back to how he came from. Begone.

162

00:17:13,000 --> 00:17:20,000

The hands clawed in such a manner that no human hand could claw like that.

163

00:17:20,000 --> 00:17:32,000

It had begun to make the signs of the cross on his forehead, on his breast, and then he would violently react and slap his hand at me. And then he snarled like an animal.

164

00:17:32,000 --> 00:17:37,000

The lips rolled up, the teeth protruded, and he tried to fight.

165

00:17:37,000 --> 00:17:39,000

I'm going to give you all of you ready to come from.

166

00:17:39,000 --> 00:17:40,000

What suits you here?

167

00:17:40,000 --> 00:17:43,000

You go on, Satan. Leave him alone.

168

00:17:43,000 --> 00:17:46,000

When the devil did leave him, he came to himself.

169

00:17:46,000 --> 00:17:52,000

As I came out the exorcism, you feel that you're a new person.

170

00:17:52,000 --> 00:17:55,000

The man was freed. The man was freed.

171

00:17:55,000 --> 00:17:59,000

Bill Ramsey is back home now. The fits of rage are gone.

172

00:17:59,000 --> 00:18:08,000

I felt I wanted to kiss him, kiss Bishop McKinnon, because what he'd done, I believed that I was ultimately possessed by the devil.

173

00:18:08,000 --> 00:18:18,000

Next on Unexplained Mysteries. Sensitive government documents mysteriously appear that may prove the existence of UFOs.

174

00:18:18,000 --> 00:18:22,000

These documents are genuine. They prove the case. You don't need anything more.

175

00:18:22,000 --> 00:18:25,000

If this is genuine, why it's dynamite like the spoke you've done.

176

00:18:25,000 --> 00:18:28,000

Is the government engaged in a massive cover-up of the leak?

177

00:18:28,000 --> 00:18:35,000

If MJ-12 is real, remember it's the absolute proof. It's the bodies and hardware that cannot be duplicated here on Earth.

178

00:18:35,000 --> 00:18:40,000

Forget the motivations of the aliens for a moment. What's the motivations of those that control the information?

179

00:18:40,000 --> 00:18:44,000

And later, the man who inexplicably bursts into flames.

180

00:18:44,000 --> 00:18:47,000

All I saw was just a cloud of smoke around me.

181

00:18:47,000 --> 00:18:52,000

This is bizarre. This is eerie. This is as strange as it gets in the natural world.

182

00:18:52,000 --> 00:18:59,000

And you'll get the climactic account with our On-X Report coming up on Unexplained Mysteries.

183

00:19:06,000 --> 00:19:10,000

Unexplained Mysteries. The Unreal World.

184

00:19:11,000 --> 00:19:17,000

Conspiracy theories about the government and UFOs have been almost impossible to prove.

185

00:19:17,000 --> 00:19:24,000

Until now, a role of film arrives in the mail. There is no name and no return address.

186

00:19:24,000 --> 00:19:31,000

When developed, it reveals a conspiracy that reaches all the way up to the President of the United States.

187

00:19:31,000 --> 00:19:34,000

That's what happened to Jamie Chanderra.

188

00:19:40,000 --> 00:19:46,000

It was very interesting to me because it was analogous to Watergate in the sense that there was a deep throat who wanted to share information.

189

00:19:46,000 --> 00:19:52,000

And ultimately, that process led to the arrival of the MJ-12 documents.

190

00:19:52,000 --> 00:19:57,000

The documents were part of a 1952 briefing to President Eisenhower.

191

00:19:57,000 --> 00:20:06,000

They told of an alien spaceship crashing in Roswell, New Mexico, and the 12 men whose job it was to keep it a secret.

192

00:20:06,000 --> 00:20:10,000

Their codename was Majestic, or MJ-12.

193

00:20:10,000 --> 00:20:16,000

When Chanderra received these explosive documents, he didn't believe they were real.

194

00:20:16,000 --> 00:20:22,000

I'm a skeptic. You have to be a skeptic. You can't simply buy out. This isn't the belief system.

195

00:20:22,000 --> 00:20:26,000

It has nothing to do with the belief system. It isn't a religion. That's not what we're dealing with.

196

00:20:26,000 --> 00:20:31,000

If it exists, then there's a way to prove it. And that's what the game is all about.

197

00:20:31,000 --> 00:20:36,000

When asked for his opinion, noted physicist Bruce McAbee was skeptical.

198

00:20:36,000 --> 00:20:42,000

You can have sightings up the wazoo. You can always get an expert to explain it, even if he has to hook up an explanation.

199

00:20:42,000 --> 00:20:51,000

Now, if MJ-12 is real, remember it's the absolute proof. It's the bodies and hardware that cannot be duplicated here on Earth, which conclusively proves that stuff is real.

200

00:20:51,000 --> 00:21:05,000

If one accepts for even a moment the premise that we've been visited, that an alien was here, that bodies have been found, there would have to be a control group established to examine, understand, and determine what our vulnerability is.

201

00:21:05,000 --> 00:21:15,000

With that kind of control comes the danger always. Well, who watches the watchers? Forget the motivations of the aliens for a moment. What's the motivations of those that control the information?

202

00:21:15,000 --> 00:21:27,000

Among the chosen 12 were Secretary of Defense James Forstall, high-ranking Army, Navy, and Air Force officers, and the first four directors of the Central Intelligence Agency.

203

00:21:27,000 --> 00:21:36,000

And then there was Dr. Donald Menzel, a Harvard astronomer who had written three books claiming that UFOs didn't exist.

204

00:21:36,000 --> 00:21:45,000

Menzel was in a perfect position to act as the astronomer telling the world this is all nonsense. Nothing to do with anything. This isn't real. We've got explanations for everything.

205

00:21:45,000 --> 00:21:50,000

And I have found that his explanations are just plain wrong when you analyze them carefully.

206

00:21:50,000 --> 00:22:00,000

It might seem more, why would he be lying? Why would he do this? And others would defend him and say, oh, he wouldn't do this. And he wouldn't do that. Well, of course he would, because that was what was important for their country.

207

00:22:00,000 --> 00:22:10,000

More documents were leaked, this time to UFO expert Don Berliner. He received a controversial 1954 military field manual.

208

00:22:10,000 --> 00:22:21,000

This was a set of instructions, really, to retrieval teams who would be at the scene soon after an event took place in which a saucer had crashed and in which there were bodies and wreckage.

209

00:22:21,000 --> 00:22:32,000

How to wrap them, what kind of boxes to use, where to send the pieces, what the cover stories were. And one of the things that comes through loud and clear is they wouldn't have put such a manual together unless this had happened more than once.

210

00:22:32,000 --> 00:22:37,000

Which makes you wonder, so how many of the crashes were there? How many bodies were retrieved?

211

00:22:37,000 --> 00:22:44,000

Retired McDonald Douglas scientist Dr. Robert Wood was asked to authenticate the manual.

212

00:22:44,000 --> 00:22:50,000

My initial reaction when I first saw them was if this is genuine, why it's dynamite like the smoking gun.

213

00:22:50,000 --> 00:22:59,000

To his trained eye, the manual appeared to be authentic. Everything seemed to match government manuals of the era, except for one thing.

214

00:22:59,000 --> 00:23:09,000

If you look at the front of this document at the bottom, there's a logo that says War Department. And the War Department was actually eliminated at the end of World War II.

215

00:23:09,000 --> 00:23:19,000

So you'd expect they would have stopped using the logo. But in fact, the Army in its field manuals continued to use the War Department logo up until as late as 1960.

216

00:23:19,000 --> 00:23:25,000

And we have exact copies of such manuals. These documents are genuine. They prove the case. You

don't need anything more.

217

00:23:25,000 --> 00:23:31,000

If real, these documents suggest that we are being visited by aliens. But why?

218

00:23:31,000 --> 00:23:39,000

I think one of the reasons they're coming here is to make sure we don't go out, to take our brand of friendship, namely hostility, other places.

219

00:23:39,000 --> 00:23:47,000

This is truly a primitive society whose major activity is tribal warfare. So I don't think we can expect aliens to deal with us as equals.

220

00:23:47,000 --> 00:23:52,000

We haven't earned our place at the Galactic Federation Round Table.

221

00:23:52,000 --> 00:23:59,000

It's important no matter what. It's an important issue of government accountability, and it may be an important issue of the future of the human race.

222

00:24:00,000 --> 00:24:20,000

Tim Edwards runs patio pancake place in Salida, Colorado. He's a respected member of the community, not someone you'd expect to see lights in the sky. But he did, along with his seven-year-old daughter, Brandy.

223

00:24:20,000 --> 00:24:26,000

I looked up and I said to Dad, Dad, there's something there.

224

00:24:26,000 --> 00:24:30,000

And I didn't pay any attention to her. Again, that either stuff on the sky.

225

00:24:30,000 --> 00:24:35,000

He looked up in the sky and he said, This is the sun. And then he looked up again and he saw it.

226

00:24:35,000 --> 00:24:41,000

And that's when I first spotted it and I looked at it and I said, What in the heck is that?

227

00:24:41,000 --> 00:24:47,000

His camera rolled for over an hour. Tim didn't want to miss a moment of this incredible event.

228

00:24:47,000 --> 00:24:55,000

According to UFO researchers, the Salida sighting is one of the most significant UFO encounters on

record.

229

00:24:55,000 --> 00:25:04,000

The original witness was a six-year-old little girl. You just don't get six-year-old little girls to tell stories and come up with things like this.

230

00:25:04,000 --> 00:25:13,000

The fact that it's a daylight sighting is outstanding. It ranks right up there with some of the best quality video that we have and some of the best sightings.

231

00:25:13,000 --> 00:25:16,000

I would say it ranks certainly up in the top ten.

232

00:25:20,000 --> 00:25:30,000

Jim Dilletoso is president of Village Laboratories, an image processing facility that has done work for the Jet Propulsion Laboratory for NASA's Voyager mission.

233

00:25:31,000 --> 00:25:38,000

He subjects the Edwards tape to a series of tests. His findings are remarkable.

234

00:25:38,000 --> 00:25:50,000

We believe that the object is about a half a mile long, about two to three thousand feet long, and about 75,000 feet in the air.

235

00:25:50,000 --> 00:25:59,000

What does that compare to? 75,000 feet, 15 miles, 15 miles in the air.

236

00:26:00,000 --> 00:26:09,000

Half a mile long, two sears towers, stacked end to end, huge object.

237

00:26:10,000 --> 00:26:18,000

Next on Unexplained Mysteries, we'll delve deeper into the unreal world, the hunt for the creature known as the chupacabra.

238

00:26:18,000 --> 00:26:24,000

I pulled out my gun and I shot him. He just rolled over and jumped over the fence and disappeared.

239

00:26:24,000 --> 00:26:33,000

Some people say that it is something satanic. Other people have different views and I will never stop until this animal, creature, is caught.

240

00:26:33,000 --> 00:26:36,000

The phenomenon known as the Devil's Fire.

241

00:26:36,000 --> 00:26:39,000

This is as strange as it gets in the natural world.

242

00:26:39,000 --> 00:26:42,000

I have to believe it. I was there. I saw it.

243

00:26:43,000 --> 00:26:49,000

And we'll unlock the mystery in our Unexplained Report, coming up on Unexplained Mysteries.

244

00:26:55,000 --> 00:27:00,000

Unexplained Mysteries, the Unreal World.

245

00:27:02,000 --> 00:27:05,000

To tell you the truth, I don't know what their creature is.

246

00:27:05,000 --> 00:27:09,000

Something that kills very strange.

247

00:27:09,000 --> 00:27:14,000

I believe that it is something that doesn't belong to this world.

248

00:27:15,000 --> 00:27:23,000

Puerto Rico could be described as a lush tropical paradise, but in Cano Vanas, paradise is lost.

249

00:27:23,000 --> 00:27:30,000

Something is lurking in the hills, hunting the most helpless inhabitants of this small farming community.

250

00:27:34,000 --> 00:27:39,000

I saw this creature on top of my dog. I pulled out my gun and I shot him.

251

00:27:39,000 --> 00:27:45,000

I thought that he was dead when the bullet hit him and he just rolled over and became like a ball.

252

00:27:45,000 --> 00:27:48,000

And then he jumped over the fence and disappeared.

253

00:27:48,000 --> 00:27:54,000

They call it chupacabra, literally translated the goat sucker.

254

00:27:54,000 --> 00:27:58,000

This creature has killed hundreds of animals across the island.

255

00:27:58,000 --> 00:28:03,000

Their bodies drained of blood. Their organs mysteriously removed.

256

00:28:03,000 --> 00:28:10,000

The only clue, strange circular openings in their necks.

257

00:28:10,000 --> 00:28:16,000

The police department couldn't find the answer to this mysterious criminal, the animal.

258

00:28:16,000 --> 00:28:19,000

So they brought the complaint to my attention at City Hall.

259

00:28:19,000 --> 00:28:24,000

And I started worrying about it because the people were worrying about it.

260

00:28:24,000 --> 00:28:28,000

Mayor José Rivera gathered up volunteers to hunt for the beast.

261

00:28:28,000 --> 00:28:33,000

His efforts have turned him into a folk hero with the inhabitants of this small community.

262

00:28:33,000 --> 00:28:38,000

But the chupacabra still eludes him.

263

00:28:38,000 --> 00:28:44,000

More than a hundred animals were killed by this mysterious creature and we were still looking for the answer.

264

00:28:44,000 --> 00:28:49,000

Those who say they've seen the creature describe it as four to five feet tall,

265

00:28:49,000 --> 00:28:55,000

with huge red eyes and gray skin that is part fur and part fessel.

266

00:28:55,000 --> 00:29:00,000

It has short arms with claws, legs like a kangaroo,

267

00:29:00,000 --> 00:29:04,000

and a row of sharp spikes down the middle of its back.

268

00:29:04,000 --> 00:29:07,000

Some say it also has wings.

269

00:29:07,000 --> 00:29:14,000

I was getting ready to start a car similar to this one.

270

00:29:14,000 --> 00:29:17,000

And I noticed a very heavy noise in the motor.

271

00:29:17,000 --> 00:29:20,000

And then I saw the creature jump from the engine.

272

00:29:20,000 --> 00:29:25,000

Quickly jump over the fence.

273

00:29:25,000 --> 00:29:29,000

The Puerto Rican government dismisses these claims.

274

00:29:29,000 --> 00:29:34,000

They believe the killings are being done by a pack of wild dogs or rhesus monkeys,

275

00:29:34,000 --> 00:29:38,000

or perhaps a bizarre practical joke.

276

00:29:38,000 --> 00:29:42,000

But veterinarian Carlos Soto doesn't think this is a joke.

277

00:29:42,000 --> 00:29:48,000

Studying the victims of the beast, he's come up with more questions than answers.

278

00:29:48,000 --> 00:29:54,000

In some of the out-of-seat that I have seen, I have seen trauma in the muscle mass

279

00:29:54,000 --> 00:29:58,000

in which we cannot trace any trauma from the skin.

280

00:29:58,000 --> 00:30:01,000

Okay? So how can a human do that?

281

00:30:01,000 --> 00:30:06,000

Or if it's a predator, you know that we're going to see a lot of tissue destruction,

282

00:30:06,000 --> 00:30:08,000

and I didn't see anything like that.

283

00:30:08,000 --> 00:30:13,000

If it's not a human or an animal, what is responsible for these killings?

284

00:30:13,000 --> 00:30:15,000

Authorities receive a call.

285

00:30:15,000 --> 00:30:17,000

The chupacabra has struck again.

286

00:30:17,000 --> 00:30:20,000

A sheep was found murdered by its owner.

287

00:30:20,000 --> 00:30:24,000

A small, perfectly circular puncture wound on its neck.

288

00:30:24,000 --> 00:30:29,000

So these have been a dog or a baboon or some type of animal like that.

289

00:30:29,000 --> 00:30:35,000

Usually you have pairs of bites, of wounds on both sides of the head,

290

00:30:35,000 --> 00:30:39,000

and there's only one hole that goes from one side to the other.

291

00:30:39,000 --> 00:30:44,000

We're seeing here what seems to be some type of a track of something.

292

00:30:44,000 --> 00:30:49,000

We don't know what it may be, but maybe it has something to do with the killing of the sheep that you will yourself.

293

00:30:49,000 --> 00:30:59,000

And it has only three toes, separate toes, and there's no animal so far that we know of here in Puerto Rico.

294

00:30:59,000 --> 00:31:03,000

When the attack started, the chupacabra hunted small animals.

295

00:31:03,000 --> 00:31:06,000

Rabbits, chickens, goats, and sheep.

296

00:31:06,000 --> 00:31:10,000

Recently, attacks on horses and cattle have been reported.

297

00:31:10,000 --> 00:31:14,000

Will this trail of blood lead to the citizens of Canavanas?

298

00:31:14,000 --> 00:31:17,000

Right now, no one feels safe.

299

00:31:17,000 --> 00:31:20,000

And until the beast is captured, no one will.

300

00:31:20,000 --> 00:31:26,000

Some people say that it is something satanic.

301

00:31:26,000 --> 00:31:28,000

Other people have different views.

302

00:31:28,000 --> 00:31:31,000

Some people think it's just a monkey.

303

00:31:31,000 --> 00:31:38,000

Since I'm the mayor of the city, I have the heaviest burden to search and get an answer for my people.

304

00:31:38,000 --> 00:31:43,000

And I will never stop until this animal creature is caught.

305

00:31:43,000 --> 00:31:53,000

Coming up, one of the most unreal mysteries of the 20th century and one of the most deadly, spontaneous human combust jet.

306

00:31:53,000 --> 00:31:59,000

Everything points to these fires beginning within the body and burning outward.

307

00:31:59,000 --> 00:32:02,000

The man who survived hell's fire.

308

00:32:02,000 --> 00:32:05,000

All I saw was just a cloud of smoke around.

309

00:32:05,000 --> 00:32:08,000

The wife who witnessed the terrifying inferno.

310

00:32:08,000 --> 00:32:11,000

I have to believe it. I have to believe it.

311

00:32:11,000 --> 00:32:13,000

I was there. I saw it.

312

00:32:13,000 --> 00:32:20,000

And later, we'll see through all the evidence here on Unexplained Mysteries.

313

00:32:20,000 --> 00:32:33,000

Unexplained Mysteries, The Unreal World.

314

00:32:33,000 --> 00:32:36,000

This is baffling. This is bizarre. This is eerie.

315

00:32:36,000 --> 00:32:42,000

This is as strange as it gets in the natural world.

316

00:32:42,000 --> 00:32:46,000

There are few natural forces on Earth more terrifying than fire.

317

00:32:46,000 --> 00:32:52,000

But nothing compares with the horror of the phenomenon of spontaneous human combustion.

318

00:32:52,000 --> 00:33:01,000

Everything points to these fires beginning within the body and burning outward under conditions that belie common sense

319

00:33:01,000 --> 00:33:04,000

and what is commonly known about fire behavior and fire patterns.

320

00:33:04,000 --> 00:33:09,000

As a fire investigator, I instruct our guys to go in there with an open mind.

321

00:33:09,000 --> 00:33:16,000

And when you've eliminated everything and you still don't have the answers, that makes it very difficult.

322

00:33:16,000 --> 00:33:23,000

It has been called the Devil's Fire. It's extremely rare and no one understands how or why it happens.

323

00:33:23,000 --> 00:33:28,000

Fire professionals around the world have no way to explain what happened to these hapless individuals

324

00:33:28,000 --> 00:33:31,000

other than that they died by internal fire.

325

00:33:31,000 --> 00:33:35,000

Larry Arnold has spent years researching spontaneous human combustion.

326

00:33:35,000 --> 00:33:40,000

He has uncovered a few puzzling cases that defy rational explanation.

327

00:33:40,000 --> 00:33:48,000

Dr. John Bentley was a retired physician living alone in northern Pennsylvania, apparently in good health but in the litig.

328

00:33:48,000 --> 00:33:54,000

In the morning of December 5, his body was found literally to have self-cremated in his bathroom.

329

00:33:54,000 --> 00:34:00,000

After examining the evidence left behind, Arnold knew that this was no ordinary fire.

330

00:34:00,000 --> 00:34:08,000

This is a cremation that should have required 3000 degree temperatures for 12 hours to be present in Dr. Bentley's bathroom.

331

00:34:08,000 --> 00:34:12,000

The aluminum walk that Dr. Bentley used to help him move about his small apartment was intact.

332

00:34:12,000 --> 00:34:14,000

Aluminum will melt at 1200 degrees.

333

00:34:14,000 --> 00:34:18,000

Common sense says the fire and heat rises in an inferno.

334

00:34:18,000 --> 00:34:24,000

Here, just the opposite occurred. The force of the combustion was inward and downward through the floor.

335

00:34:29,000 --> 00:34:32,000

Mrs. Conway asked her granddaughter to fetch her a pack of cigarettes.

336

00:34:32,000 --> 00:34:38,000

When the granddaughter returned from her errand, she discovered that her grandmother's room was filled with dark smoke.

337

00:34:38,000 --> 00:34:45,000

When the fire department arrived, all that was left of Mrs. Conway were two legs propped up against the front of her chair.

338

00:34:45,000 --> 00:34:48,000

The rest of her body had been burned to a cinder.

339

00:34:48,000 --> 00:34:52,000

One remarkable thing of many about the Conway case is the time factor.

340

00:34:52,000 --> 00:35:04,000

Within no more than six minutes, she burned so completely and quickly that it could be more characterized as not simply spontaneous human combustion but spontaneous human explosion.

341

00:35:04,000 --> 00:35:11,000

Investigators ruled out her cigarettes as a cause of the inferno. The fire was listed as unexplained.

342

00:35:12,000 --> 00:35:20,000

Peter Jones may be the luckiest man alive. He is the only known person to have survived a spontaneous human combustion experience.

343

00:35:25,000 --> 00:35:32,000

I was getting ready to go to work in the morning and was dressed and sitting on the edge of the bed. Barbara was still laying in bed.

344

00:35:32,000 --> 00:35:38,000

I'd been down to put on my boots and all of a sudden she yelled, there's something burning.

345

00:35:42,000 --> 00:35:49,000

His skin appeared to be erupting in smoke. To me it appeared to be coming up from his legs.

346

00:35:49,000 --> 00:35:55,000

There was no sensation at all, no pain or heat or anything, it was just building cloud of smoke.

347

00:35:55,000 --> 00:36:00,000

My first response was padding, padding, padding to try and get whatever was burning to go out.

348

00:36:00,000 --> 00:36:10,000

When I started moving around then the smoke started disappearing and then by the time I found there was nothing there, the smoke was just about gone and then it just vanished.

349

00:36:10,000 --> 00:36:17,000

I don't know if it just stopped or if something we did put it out, I don't know.

350

00:36:17,000 --> 00:36:22,000

We decided not to tell anybody, people just wouldn't believe you I don't think.

351

00:36:22,000 --> 00:36:27,000

I have to believe it, I have to believe it, I was there, I saw it.

352

00:36:27,000 --> 00:36:32,000

Later that same day this extremely rare phenomenon struck again.

353

00:36:32,000 --> 00:36:39,000

Peter Jones went about his normal business that day and during the afternoon was parked at a railroad crossing waiting for the train to go by.

354

00:36:39,000 --> 00:36:46,000

And all of a sudden it just started pouring out of my arms and then I kind of like, whoa!

355

00:36:46,000 --> 00:36:56,000

And I tried to, you know, brush it off. As my hand passed over my arm the smoke just kept coming out and just filled the car full of smoke.

356

00:36:56,000 --> 00:37:04,000

And it stopped and the smoke just disappeared out the window. I have no idea why I survived.

357

00:37:04,000 --> 00:37:06,000

It just wasn't his time to die.

358

00:37:06,000 --> 00:37:11,000

Hopefully that will be the last of it. I definitely don't want it to happen again.

359

00:37:11,000 --> 00:37:16,000

I would not want to be in the pile of ashes on the floor.

360

00:37:16,000 --> 00:37:24,000

Next, the Unex report will examine the evidence. What is the truth about UFOs?

361

00:37:24,000 --> 00:37:30,000

Can a man turn into a wolf at night? What mysteries does the Sphinx hide?

362

00:37:30,000 --> 00:37:34,000

Do humans suddenly burst into flames?

363

00:37:36,000 --> 00:37:44,000

We'll bring it all together next with our Unex report when Unexplained Mysteries returns.

364

00:37:54,000 --> 00:37:57,000

And now for the Unex report.

365

00:37:58,000 --> 00:38:07,000

There are Unexplained Mysteries in every corner of the Earth, from ghosts and psychics to aliens and werewolves.

366

00:38:07,000 --> 00:38:11,000

Do these documents prove the existence of UFOs?

367

00:38:11,000 --> 00:38:14,000

If this is genuine, why it's dynamite, like the smoking gun?

368

00:38:14,000 --> 00:38:18,000

These documents are genuine. They prove the case. You don't need anything more.

369

00:38:18,000 --> 00:38:23,000

If it exists, then there's a way to prove it. And that's what the game is all about.

370

00:38:23,000 --> 00:38:29,000

Is there a massive conspiracy going on? Those of us who really dug into it know that Blue Book was a cover.

371

00:38:29,000 --> 00:38:33,000

When the people know what's going on, then that's when you have trouble.

372

00:38:33,000 --> 00:38:37,000

What other secrets is the government hiding about alien visitors?

373

00:38:37,000 --> 00:38:43,000

A panel of experts convened by the CIA concluded that UFOs could be a threat.

374

00:38:43,000 --> 00:38:49,000

Incontrovertible proof would undercut many of the institutions in which our civilization is built.

375

00:38:49,000 --> 00:38:54,000

People will deal with this. People can handle this. And it's time to tell them the truth.

376

00:38:54,000 --> 00:38:59,000

Does this videotape prove the existence of aliens from another world?

377

00:38:59,000 --> 00:39:04,000

He looked up in the screen, he said, this is the sun, and then he looked up again and he saw it.

378

00:39:04,000 --> 00:39:08,000

I looked at it and I said, what in the heck is that?

379

00:39:08,000 --> 00:39:11,000

The data tends to support what the witnesses said.

380

00:39:12,000 --> 00:39:16,000

Was this ordinary man possessed by the spirit of a werewolf?

381

00:39:16,000 --> 00:39:19,000

I just had the feeling that ultimately I would kill somebody.

382

00:39:19,000 --> 00:39:26,000

He was saying, the devil is in me. When the devil is in me, I am strong. I'm going to kill you.

383

00:39:26,000 --> 00:39:33,000

What I actually saw that night, I couldn't really understand what it was.

384

00:39:33,000 --> 00:39:40,000

He's seen something that very few people ever see. He's seen the transfiguration of a man into a wolf.

385

00:39:40,000 --> 00:39:46,000

Is a supernatural creature known as the chupacabra, terrorizing the people of Puerto Rico?

386

00:39:48,000 --> 00:39:52,000

More than a hundred animals were killed by this mysterious creature.

387

00:39:53,000 --> 00:40:02,000

And it has only three toes, separate toes. And there's no animal so far that we know of here in Puerto Rico.

388

00:40:02,000 --> 00:40:09,000

If it's a predator, you know that we're going to see a lot of tissue destruction. And I didn't see anything like that.

389

00:40:10,000 --> 00:40:14,000

Has the mythological city of Atlantis finally been found?

390

00:40:14,000 --> 00:40:21,000

It literally is a lost Atlantis. To say that Phara is Atlantis is too easy an answer.

391

00:40:21,000 --> 00:40:25,000

Is the key to this 10,000 year old mystery buried beneath the Sphinx?

392

00:40:25,000 --> 00:40:33,000

10,500 BC, this is when the Sphinx is gazing directly at his own image.

393

00:40:33,000 --> 00:40:39,000

The evidence is beginning to suggest to us that a whole chapter is missing from the human story.

394

00:40:39,000 --> 00:40:47,000

There's a great myth memory that haunts mankind of a lost civilization.

395

00:40:47,000 --> 00:40:52,000

Will the mystery of spontaneous human combustion ever be solved?

396

00:40:52,000 --> 00:40:54,000

I have no idea why I survived.

397

00:40:54,000 --> 00:40:59,000

This is bizarre. This is eerie. This is as strange as it gets in the natural world.

398

00:40:59,000 --> 00:41:04,000

00:42:04,000 --> 00:42:20,000

mystery of the mystery of the mystery of how the mystery of the outside is different from what is home or an imbecile.
