

1

00:00:00,000 --> 00:00:02,400

Go hide. They're gonna find you.

2

00:00:03,280 --> 00:00:09,160

This time on unexplained mysteries taken the abduction phenomenon.

3

00:00:10,160 --> 00:00:13,940

Men and women who claim they have been taken by aliens.

4

00:00:14,640 --> 00:00:16,640

The next thing I remembered

5

00:00:16,840 --> 00:00:21,040

was seeing the beam coming right towards the back of the canoe.

6

00:00:21,040 --> 00:00:27,120

You'll hear stories of bizarre experiments performed on unwilling human subjects.

7

00:00:27,440 --> 00:00:31,960

They put a metal rod to my tailbone. I had something shoved at my nose.

8

00:00:32,480 --> 00:00:37,640

Witness their moments of anguish relived through hypnotic regression.

9

00:00:38,280 --> 00:00:44,640

Coming towards us, I don't know what it's gonna do. It makes me feel like I'm flying apart.

10

00:00:44,640 --> 00:00:49,640

I'm scared. I'm alive.

11

00:00:50,640 --> 00:00:57,640

Without case studies, you'll hear the stories of people whose lives have been forever changed.

12

00:00:58,640 --> 00:01:01,640

All of a sudden I feel like my whole body is on fire.

13

00:01:01,640 --> 00:01:05,640

Every inch of my skin is burning and I realize I couldn't move.

14

00:01:05,640 --> 00:01:10,640

The researcher who thinks he's discovered an alien agenda.

15

00:01:10,640 --> 00:01:14,640

There's a very great interest on the part of the UFO occupants in human reproduction.

16

00:01:14,640 --> 00:01:18,640

They do need our genes to propagate their own species.

17

00:01:18,640 --> 00:01:23,640

The abductee who claims he's been forced to breathe with his captors.

18

00:01:24,640 --> 00:01:30,640

I was with an alien. That wasn't totally at will. It's hard to explain.

19

00:01:30,640 --> 00:01:35,640

The survivors who struggle to cope with the aftermath of their ordeals.

20

00:01:35,640 --> 00:01:40,640

I know how crazy it sounds for a woman to say she's been implanted with an alien fetus.

21

00:01:40,640 --> 00:01:43,640

But I'm sorry. It's the truth.

22

00:01:43,640 --> 00:01:47,640

The experts who believe the shocking accounts.

23

00:01:47,640 --> 00:01:52,640

These people have been traumatized by a very real and present experience in their lives.

24

00:01:52,640 --> 00:01:57,640

And the skeptics who say it's all a figment of the imagination.

25

00:01:57,640 --> 00:02:02,640

They can't tell the difference between whether it was a memory or real or myth.

26

00:02:03,640 --> 00:02:09,640

And you'll see our final analysis of all the evidence in our UNEX report.

27

00:02:09,640 --> 00:02:16,640

As we uncover the facts about alien contacts on unexplained mysteries,

28

00:02:16,640 --> 00:02:19,640

Taken the Abduction Phenomenon.

29

00:02:20,640 --> 00:02:27,640

Over the past three decades, the number of reported alien abductions has skyrocketed.

30

00:02:28,640 --> 00:02:33,640

Men and women claim to have been taken by extraterrestrials

31

00:02:33,640 --> 00:02:38,640

and transported on beams of light into spacecraft.

32

00:02:39,640 --> 00:02:47,640

In order to unlock these incredible stories, experts have experimented with regressive hypnotherapy.

33

00:02:47,640 --> 00:02:53,640

Over and over again, we get these hidden consistencies in abduction reports which come out through hypnosis.

34

00:02:53,640 --> 00:02:57,640

These individuals report this experience as real.

35

00:02:57,640 --> 00:03:02,640

It is not dream, it is not fantasy, it is not delusion.

36

00:03:02,640 --> 00:03:08,640

Abductive accounts revealed under hypnosis are shocking in their consistency.

37

00:03:09,640 --> 00:03:14,640

And this is when I saw this spotlight then was doing this like a beam.

38

00:03:14,640 --> 00:03:16,640

Once the beam of light hit me, I was paralyzed.

39

00:03:16,640 --> 00:03:20,640

And at that moment, that's when I was on the craft.

40

00:03:20,640 --> 00:03:22,640

They were about three feet tall.

41

00:03:22,640 --> 00:03:23,640

Maybe this high.

42

00:03:23,640 --> 00:03:26,640

Their skin looked like it was made of marshmallow.

43

00:03:26,640 --> 00:03:28,640

White pale color.

44

00:03:28,640 --> 00:03:31,640

And they had real big eyes, large dark eyes.

45

00:03:32,640 --> 00:03:39,640

While most abductees speak of being taken by the often described gray alien depicted here,

46

00:03:39,640 --> 00:03:44,640

others report insect-like characteristics in some of their captors.

47

00:03:44,640 --> 00:03:48,640

There's one being in particular that I always recognize.

48

00:03:48,640 --> 00:03:49,640

And he's not a gray.

49

00:03:49,640 --> 00:03:54,640

He's taller, he's thinner, he's got a bigger head, he's got bigger eyes.

50

00:03:54,640 --> 00:03:57,640

His limbs are very praying mantis-like.

51

00:03:59,640 --> 00:04:06,640

There have even been sightings of extraterrestrials that seem to be alien human hybrids.

52

00:04:07,640 --> 00:04:24,640

According to experts, one of the most telling signs of abduction is a gap of hours or days that cannot be accounted for.

53

00:04:24,640 --> 00:04:34,640

This missing time aspect is very, very common in abduction experiences where the person cannot remember where he or she was.

54

00:04:34,640 --> 00:04:39,640

One possible reason for the lost time, alien testing.

55

00:04:39,640 --> 00:04:47,640

With uncanny similarity, nearly all report being subjected to insidious medical experiments.

56

00:04:47,640 --> 00:04:51,640

The person will describe being on a table, which is generally metallic.

57

00:04:51,640 --> 00:04:54,640

They are unable to move.

58

00:04:54,640 --> 00:04:57,640

They describe operations which take place.

59

00:04:57,640 --> 00:05:03,640

The next thing I remember, they have this thing in front of my eye.

60

00:05:03,640 --> 00:05:08,640

Like a metal instrument that was kind of like shaped like an L.

61

00:05:08,640 --> 00:05:13,640

And it stuck it, it went all the way back down to here though in my throat.

62

00:05:13,640 --> 00:05:20,640

Abductees point to the scars they retain from their encounters, as proof of the experience.

63

00:05:20,640 --> 00:05:26,640

Connie Smith thought she had merely dreamed of a violent UFO encounter.

64

00:05:27,640 --> 00:05:35,640

I just woke up in the morning and I did have that groggy feeling.

65

00:05:35,640 --> 00:05:39,640

Like I've been up all night, yet I got 8 hours sleep.

66

00:05:39,640 --> 00:05:45,640

And I sat down on the couch and I looked down and I had a mark just above my knee.

67

00:05:45,640 --> 00:05:51,640

And there was no pain to it. You could poke and poke at it and there was no pain.

68

00:05:51,640 --> 00:05:57,640

And then I had a little scab in my belly button with a little pinhole puncture mark in the middle.

69

00:05:57,640 --> 00:06:03,640

Her suspicions deepened when her daughter reported a similar experience.

70

00:06:03,640 --> 00:06:08,640

She had the same huge bruise, which was not painful to her.

71

00:06:08,640 --> 00:06:14,640

And I asked if I could see her belly button and I checked and she had the same thing as I did.

72

00:06:14,640 --> 00:06:22,640

Jesse Long says he has been abducted repeatedly since his first close encounter at the age of 4.

73

00:06:24,640 --> 00:06:32,640

After being subjected to a battery of experiments, he was returned home with a similar tell-tale scar.

74

00:06:32,640 --> 00:06:41,640

My mother remembers me pointing out that I had a scar on my leg. She said it never bled.

75

00:06:41,640 --> 00:06:46,640

Under the skin, Jesse detected a solid object.

76

00:06:46,640 --> 00:06:52,640

It was in my leg for 34 years and I finally decided to have it removed. This is what they took out.

77

00:06:52,640 --> 00:06:58,640

Tests on the object determined its composition to be silicone and trace metals.

78

00:06:58,640 --> 00:07:02,640

Jesse believes it is a tracking device.

79

00:07:02,640 --> 00:07:07,640

Brian Koski also says he is the victim of multiple abductions.

80

00:07:12,640 --> 00:07:21,640

There was this big black triangle just moving well slow across the sky and kind of fall over.

81

00:07:21,640 --> 00:07:26,640

I watched it and got to about here.

82

00:07:26,640 --> 00:07:31,640

I stopped, heavy did a little bit, made a hissing sound.

83

00:07:31,640 --> 00:07:35,640

Then kind of continued on to the north little slope and just kept watching it.

84

00:07:35,640 --> 00:07:39,640

He says that he was permitted to move about the ship.

85

00:07:40,640 --> 00:07:45,640

These little silver panels that they tend to control a ship with their mind.

86

00:07:45,640 --> 00:07:48,640

This is the tail they seem to do their navigation from.

87

00:07:48,640 --> 00:07:50,640

Are these accounts merely fantasies?

88

00:07:50,640 --> 00:07:57,640

Or are they evidence of a staggering development which will alter the course of mankind?

89

00:07:59,640 --> 00:08:08,640

Coming up on Unexplained Mysteries, do these twins share an experience so frightening that it proves they have been taken by aliens?

90

00:08:09,640 --> 00:08:15,640

The next thing I remembered was they turned me over and then they were doing some type of anal exam.

91

00:08:15,640 --> 00:08:19,640

And can their story pass the lie detector test?

92

00:08:19,640 --> 00:08:26,640

There is absolutely no doubt in my mind that they are being absolutely honest with me.

93

00:08:26,640 --> 00:08:33,640

And later are UFOs snatching humans as part of a chilling plan that could alter our future?

94

00:08:33,640 --> 00:08:41,640

I felt as if somebody had taken my insides and just ripped me open inside and I could feel something pulling out of me.

95

00:08:41,640 --> 00:08:45,640

Could alien crossbreeding be behind these close encounters?

96

00:08:45,640 --> 00:08:52,640

I had a very vivid experience of having a fetus put into my body and removed.

97

00:08:52,640 --> 00:08:56,640

Or are there other earthly explanations?

98

00:08:56,640 --> 00:09:02,640

It comes from fairy tales, old science fiction, film, a lot of sources.

99

00:09:02,640 --> 00:09:07,640

And we'll give you our final analysis with our next report.

100

00:09:07,640 --> 00:09:12,640

Stay tuned for more on Unexplained Mysteries.

101

00:09:18,640 --> 00:09:22,640

Unexplained Mysteries Taken The Abduction Phenomena

102

00:09:25,640 --> 00:09:30,640

One individual story about being taken may be hard to believe.

103

00:09:30,640 --> 00:09:33,640

But what about mass abductions?

104

00:09:33,640 --> 00:09:39,640

Groups of people all seized at once recalling the same chilling event.

105

00:09:44,640 --> 00:09:49,640

It's coming towards us. I don't know what it's going to do.

106

00:09:49,640 --> 00:09:54,640

It makes me feel like I'm flying apart.

107

00:09:54,640 --> 00:10:03,640

Maine's Allagash River is the site of an encounter that forever altered the lives of four men.

108

00:10:03,640 --> 00:10:12,640

We're just a couple of guys camping, fishing, and we were excited about getting out of the city and being in the wilderness.

109

00:10:12,640 --> 00:10:24,640

Art students Charlie Fulse, Chuck Rack, and twins Jim and Jack Weiner were looking for a break from the city when they set out for the backwoods of Maine.

110

00:10:24,640 --> 00:10:31,640

The last thing on our minds was any UFOs or anything like that. We just wanted to go fishing. It was very, very dark.

111

00:10:31,640 --> 00:10:36,640

So we decided to build a fire so we could find our way back to our campsite.

112

00:10:36,640 --> 00:10:41,640

All four of us climbed in one canoe with our fishing equipment and headed out into the lake.

113

00:10:41,640 --> 00:10:48,640

We were out there for approximately 15 or 20 minutes fishing with no luck.

114

00:10:48,640 --> 00:10:58,640

And suddenly Chuck Rack said, hey guys, that's a heck of a case of swamp gas.

115

00:10:58,640 --> 00:11:12,640

And we turned around and probably 150, maybe 200 yards away at the most, coming out of the trees was this huge ball of glowing, pulsating light.

116

00:11:12,640 --> 00:11:23,640

I remember just being a very bright, round sphere of light that had kind of a roiling quality to it. It was yellow, white in nature.

117

00:11:23,640 --> 00:11:29,640

The next thing I remembered was seeing the beam coming right towards the back of the canoe.

118

00:11:29,640 --> 00:11:32,640

And at that point we started paddling very quickly towards the shore.

119

00:11:32,640 --> 00:11:39,640

It kept just following us, coming closer and closer and closer. I was in a panic, to be honest with you.

120

00:11:39,640 --> 00:11:46,640

A second later it was right on, almost on top of us, with this beam coming across the water right towards our canoe.

121

00:11:46,640 --> 00:11:52,640

And I remember thinking, well, we're not going to outrun this thing. There's no way we're going to outrun this thing.

122

00:11:52,640 --> 00:11:55,640

And then the next thing I remembered was standing on the beach.

123

00:11:55,640 --> 00:12:01,640

Back at their campsite, the roaring fire had burnt down two embers.

124

00:12:01,640 --> 00:12:11,640

A lapse time we thought was 15 or 20 minutes, tops. And we couldn't understand why the fire had burnt down so soon.

125

00:12:11,640 --> 00:12:19,640

None of the men could account for the missing time, nor were they ready to discuss what had just occurred.

126

00:12:19,640 --> 00:12:27,640

The four of us were just left there standing on the beach in total silence. We didn't really even talk to each other.

127

00:12:27,640 --> 00:12:29,640

I guess we were in shock.

128

00:12:29,640 --> 00:12:38,640

Little mention was made of the incident for 12 years, until strange dreams began to torment the weeners.

129

00:12:38,640 --> 00:12:44,640

And then I would wake up and I would be drenched in sweat and my heart would be beating really fast.

130

00:12:44,640 --> 00:12:51,640

I wasn't having nightmares about being in some room or some area with the strange creatures around us.

131

00:12:51,640 --> 00:12:56,640

I said, I can't believe you're telling me this because I've been having the same dream.

132

00:12:56,640 --> 00:13:04,640

A psychiatrist evaluated the twins and referred them to UFO researcher Dr. Ray Fowler.

133

00:13:04,640 --> 00:13:11,640

Only after agreeing to hypnosis did the brothers begin to recall their shared experience.

134

00:13:14,640 --> 00:13:23,640

Here are actual recordings of the session in which all four men from the expedition relive their experience.

135

00:13:23,640 --> 00:13:34,640

A beam is coming towards us. I don't know what it's going to do. It makes me feel like I'm flying apart.

136

00:13:34,640 --> 00:13:41,640

Each of their individual accounts depicted the same harrowing details.

137

00:13:41,640 --> 00:13:51,640

I had no idea where I was. Then I realized that the three guys were sitting to my left on this bench naked.

138

00:13:51,640 --> 00:13:58,640

All I knew was I was in a strange place laying naked paralyzed with this thing coming towards me.

139

00:13:58,640 --> 00:14:04,640

I remember these creatures examining my brother with a type of wand.

140

00:14:04,640 --> 00:14:11,640

The next thing I remembered was they turned me over and then they were doing some type of anal exam.

141

00:14:11,640 --> 00:14:21,640

I remembered the pressure, the heat of my physical body being ripped to shreds like on a molecular level.

142

00:14:21,640 --> 00:14:27,640

I mean, it's the only way I can verbalize it, but it is an extremely unpleasant feeling. It feels like death.

143

00:14:27,640 --> 00:14:36,640

I think that the Wieners opened Pandora's box because now they have questions about reality that they never had before.

144

00:14:36,640 --> 00:14:39,640

They have questions for which there are no answers.

145

00:14:39,640 --> 00:14:47,640

To eliminate the possibility of a hoax, Ray Fowler arranged for a polygraph test to be administered.

146

00:14:48,640 --> 00:14:57,640

After administering the examinations, there is absolutely, positively, no doubt in my mind that they are being absolutely honest with me

147

00:14:57,640 --> 00:15:02,640

when they tell me that they were confronted by a phenomena in the allegation region.

148

00:15:02,640 --> 00:15:15,640

One person might fool a polygraph examiner. You have four all passing the tests and the polygraph examiner being convinced that all four are telling the truth is very important.

149

00:15:15,640 --> 00:15:21,640

I feel very strongly that what they described is a real experience.

150

00:15:21,640 --> 00:15:28,640

But to these men, the trip up the allegash was only the start of an ongoing journey.

151

00:15:28,640 --> 00:15:39,640

It's not over. This is an ongoing thing. We're basically, we're tagged. What can I do? Go hide. They're going to find you.

152

00:15:39,640 --> 00:15:47,640

Next up, if extraterrestrials are abducting humans, what is their alien agenda?

153

00:15:47,640 --> 00:15:52,640

I'm so scared. Why?

154

00:15:52,640 --> 00:15:57,640

That is a woman crying out in emotional pain that her child is being taken from her.

155

00:15:57,640 --> 00:16:02,640

Are these events tied to the essence of human biology?

156

00:16:02,640 --> 00:16:07,640

Sometimes we'd be abducted and there would be sexual situations. They would pair off.

157

00:16:07,640 --> 00:16:13,640

They've lost their own reproductive capabilities so they are trying to find a new genetic stock with us.

158

00:16:13,640 --> 00:16:17,640

And later, Hollywood's take on aliens.

159

00:16:17,640 --> 00:16:24,640

Most encounters for good or evil had an enormous effect on what people expected aliens to look like.

160

00:16:24,640 --> 00:16:33,640

We'll put it all in perspective in our exclusive ONX report. Coming up on Unexplained Mysteries.

161

00:16:37,640 --> 00:16:42,640

Unexplained mysteries taken the abduction phenomenon.

162

00:16:42,640 --> 00:16:52,640

For those who have been taken, the question is not if abductions occur. But why?

163

00:16:52,640 --> 00:17:03,640

Indianapolis, Indiana. Debbie Jordan and her mother, Janet White, noticed a glowing beam of light radiating from their backyard.

164

00:17:03,640 --> 00:17:09,640

As I looked at the window, I seen a light that was about the size of a basketball.

165

00:17:09,640 --> 00:17:14,640

A really strange light coming out of the pump house that's next to the swimming pool out back.

166

00:17:14,640 --> 00:17:19,640

Debbie armed herself with a shotgun and ventured toward the light.

167

00:17:19,640 --> 00:17:26,640

And Debbie went out in the back and I watched her out the back door and she came to the pump house and she opened the door.

168

00:17:26,640 --> 00:17:32,640

All of a sudden, I feel like my whole body is on fire. Every inch of my skin is burning.

169

00:17:32,640 --> 00:17:41,640

And I realized I couldn't move. And I also could hardly see. It was like I'd been attacked by a mob of tourists with cameras flashing me in the eyes.

170

00:17:41,640 --> 00:17:45,640

Neither woman could immediately recall what happened next.

171

00:17:45,640 --> 00:17:51,640

Later we figured out I was gone in like an hour and a half and I don't remember like 10 minutes.

172

00:17:51,640 --> 00:18:01,640

Debbie immediately came down with a mysterious disease and the family dog that lived in the backyard succumbed to what was suspected.

173

00:18:01,640 --> 00:18:15,640

Radiation sickness. These clues and the neighbors identical account of the blinding light drew the attention of UFO researcher Bud Hopkins.

174

00:18:15,640 --> 00:18:21,640

There was more evidence supporting this abduction than any and so far investigated.

175

00:18:21,640 --> 00:18:26,640

Hopkins first studied the ground where the incident took place.

176

00:18:26,640 --> 00:18:34,640

This is what happened to the nice rich, lomy black brown soil that the backyard in Indiana had.

177

00:18:34,640 --> 00:18:38,640

It was turned into a gray and hard as a rock.

178

00:18:41,640 --> 00:18:46,640

Hopkins persuaded Debbie to submit to hypnotherapy.

179

00:18:46,640 --> 00:18:49,640

Something's not right.

180

00:18:49,640 --> 00:18:52,640

I can't see Debbie.

181

00:18:55,640 --> 00:18:58,640

My car was being squashed.

182

00:18:58,640 --> 00:19:00,640

What?

183

00:19:00,640 --> 00:19:01,640

The whole body?

184

00:19:01,640 --> 00:19:02,640

Must've been.

185

00:19:02,640 --> 00:19:12,640

Under hypnosis, an alarming discovery, Debbie Jordan had been pregnant at the time of the incident, but lost the baby.

186

00:19:12,640 --> 00:19:29,640

I felt as if somebody had taken my insides and just ripped me open inside and I could feel something pulling out of me and this little tiny thing that looked like a mouse with no skin on it.

187

00:19:29,640 --> 00:19:34,640

This is the first case that let us understand the alien's purpose.

188

00:19:35,640 --> 00:19:46,640

Hopkins theory, that alien abduction phenomenon is related to a need to genetically manipulate the human species.

189

00:19:46,640 --> 00:19:52,640

It was not wrong. It was not fair.

190

00:19:52,640 --> 00:19:55,640

It was wrong.

191

00:19:55,640 --> 00:20:05,640

That is a woman crying out in pain, emotional pain that her child is being taken from her.

192

00:20:05,640 --> 00:20:12,640

Through hypnosis, Debbie recalled witnessing a human-like child during her encounter.

193

00:20:12,640 --> 00:20:22,640

She had tufts of white cotton hair sticking out of her head all over, really large eyes, but human blue.

194

00:20:22,640 --> 00:20:32,640

When I thought, oh, I'd love to hug you, I asked if I could take her home with me and he told me no, she couldn't survive with me.

195

00:20:32,640 --> 00:20:39,640

I assumed they were telling me that I was this child's mother.

196

00:20:39,640 --> 00:20:48,640

Debbie says her abductions continued for years afterward, halting only after her hysterectomy.

197

00:20:48,640 --> 00:20:54,640

But now, her legacy of abduction has been passed to her two children.

198

00:20:54,640 --> 00:21:01,640

I don't expect people to believe any of the stuff that me or any of my family members tell them.

199

00:21:01,640 --> 00:21:07,640

Believe me, if I hadn't seen some of this stuff with my own eyes, there's no way I would have believed any of it.

200

00:21:07,640 --> 00:21:13,640

Next, is an alien sexual agenda behind the abduction phenomenon?

201

00:21:13,640 --> 00:21:16,640

It could be other people's wives or other people's husbands.

202

00:21:16,640 --> 00:21:24,640

I've experienced certain things like that. I was with an alien that wasn't totally at will. It's hard to explain.

203

00:21:24,640 --> 00:21:29,640

Here, one woman's account of carrying an alien baby.

204

00:21:29,640 --> 00:21:36,640

I had a very vivid experience of having a fetus put into my body and removed.

205

00:21:36,640 --> 00:21:39,640

It's ridiculously hard for me to talk about.

206

00:21:39,640 --> 00:21:46,640

And later, Hollywood's controversial role in producing the abduction phenomenon.

207

00:21:46,640 --> 00:21:53,640

Close encounters for good or evil had an enormous effect on what people expected aliens to look like.

208

00:21:53,640 --> 00:21:57,640

And you'll see the ultimate roundup of the facts.

209

00:21:57,640 --> 00:22:02,640

Our Unexed Report, coming up on Unexplained Mysteries.

210

00:22:07,640 --> 00:22:14,640

They are close encounters of the most intimate variety.

211

00:22:14,640 --> 00:22:22,640

As reports of abductions continue to rise, so too does another alarming trend.

212

00:22:22,640 --> 00:22:27,640

The aggressive sexual nature of many recent abductions.

213

00:22:27,640 --> 00:22:32,640

Sogerties, New York.

214

00:22:33,640 --> 00:22:43,640

James LaFontaine friends began seeking refuge from the city on regular weekend trips to the woodlands of the upstate region.

215

00:22:43,640 --> 00:22:51,640

I first met James in 1987 and a few friends of us, we all went upstate to the trailer.

216

00:22:51,640 --> 00:22:55,640

Just had a nice weekend and enjoyed ourselves and had fun.

217

00:22:55,640 --> 00:22:58,640

Going up weekly almost became an addiction.

218

00:22:58,640 --> 00:23:02,640

It was for enjoyment, but it was almost like we were being called back.

219

00:23:02,640 --> 00:23:11,640

As with many abduction reports, the first sign of an unusual occurrence was the shared sense of lost time.

220

00:23:11,640 --> 00:23:16,640

James LaFontaine contacted me because of certain fragmented memories.

221

00:23:16,640 --> 00:23:20,640

He had been with a group of friends and they knew something had happened.

222

00:23:20,640 --> 00:23:22,640

It was a time lapse.

223

00:23:23,640 --> 00:23:31,640

Hopkins uncovered a common trait among the group, memories of alien contact in childhood.

224

00:23:31,640 --> 00:23:39,640

Ever since I was a child I used to wake up and I used to see white light and shadowy figures moving around my bed and I would get scared.

225

00:23:39,640 --> 00:23:48,640

When I was younger I remember like an alien looking through the window, being watched, feeling of being watched all the time.

226

00:23:48,640 --> 00:23:54,640

Through hypnotherapy Hopkins yielded shared traumatic memories.

227

00:23:54,640 --> 00:23:59,640

It turns out week by week we were all being abducted as a group.

228

00:23:59,640 --> 00:24:07,640

It's like on a table, take out their eyes and get them up to the wall and just get out of here.

229

00:24:07,640 --> 00:24:17,640

But the detail and scope of these repressed memories exposed an incident of group abduction beyond any on record.

230

00:24:17,640 --> 00:24:28,640

I remember seeing these bright lights almost in every window and there's domes on top of the trailer and everything was blowing and it just become basically paralyzed.

231

00:24:28,640 --> 00:24:34,640

During the abduction we would walk down this dark dark road in a trance state.

232

00:24:34,640 --> 00:24:39,640

We'd be walking to the craft which was always in the same spot in this pit area.

233

00:24:39,640 --> 00:24:49,640

The Sogertes group recalled forced medical tests and there seemed to be a disturbing focus to the experiments.

234

00:24:49,640 --> 00:24:59,640

Something was being worked on with genitals. I would see James across the room and the same thing being done to him. I do know a sperm was removed.

235

00:25:00,640 --> 00:25:09,640

To some experts the group's accounts expose an alien agenda of harvesting human genetic material.

236

00:25:09,640 --> 00:25:16,640

There's a very great interest on the part of the UFO occupants in human reproduction, sperm, OVA, the DNA.

237

00:25:16,640 --> 00:25:20,640

But it has also included an interest in human sexuality itself.

238

00:25:20,640 --> 00:25:24,640

Sometimes we would be abducted and there would be sexual situations that would pair off.

239

00:25:24,640 --> 00:25:30,640

It could be other people's wives or the people's husbands, different friends that they grew up with.

240

00:25:30,640 --> 00:25:37,640

According to LaFonti the experimental pairings could also include alien participants.

241

00:25:37,640 --> 00:25:46,640

I've experienced certain things like that. I was with an alien. That wasn't totally at will. It's hard to explain.

242

00:25:46,640 --> 00:25:54,640

To further cope with their trauma, members of the group sought counseling with a clinical psychologist.

243

00:25:54,640 --> 00:26:04,640

Generally when I work with people using their imagination there's a personalized stamp that people put into their imagery because it's being generated from a part of themselves.

244

00:26:04,640 --> 00:26:11,640

These abductees and their reports do not have this kind of personalized stamp and I think it makes it even more credible.

245

00:26:11,640 --> 00:26:16,640

I lost plenty of jobs. I lost friends. I lost family. I lost a number of things.

246

00:26:16,640 --> 00:26:25,640

And it got to the point where I would, you know, I was contemplating suicide in a sense because there was no escape.

247

00:26:25,640 --> 00:26:34,640

Is the disturbing account of the Sogerties group a hint as to why aliens are seeking out humankind?

248

00:26:34,640 --> 00:26:42,640

If so, many believe that Kim Carlsberg represents the next piece of the puzzle.

249

00:26:45,640 --> 00:26:53,640

Kim Carlsberg was a successful professional photographer when an encounter experience changed the direction of her life.

250

00:26:53,640 --> 00:27:03,640

I came home, went to bed. I woke up and I was not in my bed any longer. I was standing in what I thought was an elevator. I was paralyzed.

251

00:27:03,640 --> 00:27:11,640

Like so many prior abductee accounts, Kim recalls medical experiments happening around her.

252

00:27:11,640 --> 00:27:22,640

And there were these little short off-white beans, naked guys with big black eyes doing things to these people on these tables.

253

00:27:22,640 --> 00:27:27,640

And I didn't know if I was going to live through the night. I really thought that these people might be dead and I thought that I was going to be next.

254

00:27:27,640 --> 00:27:38,640

So I started screaming and a taller alien that looked just like these guys walked up behind me and slapped me on the back of the neck and I started to pass out.

255

00:27:38,640 --> 00:27:48,640

Next thing I knew, I woke up. I was in a smaller room by myself on a table and, you know, I'm completely disoriented. I don't know where I am. I don't know what's happened to me.

256

00:27:48,640 --> 00:27:54,640

In a series of semi-lucid flashes, Kim recalls the alien testing.

257

00:27:54,640 --> 00:28:04,640

I had an experience where they put a metal rod to my tailbone and they take skin samples. I had something shoved at my nose.

258

00:28:04,640 --> 00:28:13,640

I felt this drug feeling come over my body and I knew that I was going to be unconscious within a matter of seconds and there wasn't anything that I could do about it.

259

00:28:13,640 --> 00:28:21,640

And I woke up back in my bed and at that point, you know, I was just, I thought that I was, had completely lost my mind.

260

00:28:21,640 --> 00:28:25,640

I knew I wasn't hallucinating, but it was the only logical explanation.

261

00:28:25,640 --> 00:28:38,640

And that encounter was not an isolated episode. She has had numerous subsequent abductions. One memory is particularly harrowing.

262

00:28:38,640 --> 00:28:52,640

I had a very vivid experience of having a fetus put into my body and removed. It's ridiculously hard for me to talk about.

263

00:28:52,640 --> 00:29:03,640

Is Kim's experience corroborating evidence to others' accounts of baby harvesting? If so, why would an advanced race need human babies?

264

00:29:04,640 --> 00:29:15,640

One theory holds that alien evolution may have stalled, requiring human DNA for future development.

265

00:29:15,640 --> 00:29:28,640

Some people hypothesize that their planet or where they come from is arid and barren and they've lost their own reproductive capability, so they are trying to find a new genetic stock with us.

266

00:29:28,640 --> 00:29:32,640

They do need our genes to propagate their own species.

267

00:29:32,640 --> 00:29:44,640

It's a recurring thing that we hear from a lot of abductees. They're studying us, they're studying our sexuality, our emotions, and they're using us for some design goal as the center of this experiment.

268

00:29:44,640 --> 00:29:48,640

Kim's story has been met with fierce skepticism.

269

00:29:48,640 --> 00:30:00,640

I know how crazy it sounds for a woman to say she's been implanted with an alien fetus. I'm an intelligent woman, I'm highly educated, I know how the world perceives it, but I'm sorry, it's the truth.

270

00:30:00,640 --> 00:30:08,640

To Kim and all abductees, the need for more research into the abduction phenomenon is urgent.

271

00:30:09,640 --> 00:30:18,640

Such study could either prove the reality of their claims or provide alternate answers for these troubling encounters.

272

00:30:19,640 --> 00:30:27,640

An extraordinary phenomenon such as this demands an extraordinary investigation. It is irresponsible to dismiss it.

273

00:30:28,640 --> 00:30:36,640

Next on Unexplained Mysteries. Are these alien encounters influenced by popular culture?

274

00:30:36,640 --> 00:30:43,640

The more people know about what aliens are expected to look like, the more they're likely to

describe an alien as looking like that preconceived idea.

275

00:30:43,640 --> 00:30:48,640

Or is Hollywood merely mirroring actual incidents?

276

00:30:48,640 --> 00:30:54,640

I think what was unique about close encounters is it was science fiction and yet in a sense it wasn't.

277

00:30:54,640 --> 00:31:03,640

They can't tell the difference between whether it was a memory, a real event, or whether it was imagination. And this is the problem.

278

00:31:04,640 --> 00:31:12,640

And finally, we'll analyze the evidence in our Unex report on Unexplained Mysteries.

279

00:31:18,640 --> 00:31:23,640

Unexplained Mysteries. Taken. The abduction phenomenon.

280

00:31:23,640 --> 00:31:32,640

With reported sightings and alien encounters growing each year, so too have the skeptical inquiries

from non-believers.

281

00:31:36,640 --> 00:31:48,640

Notable among this group are a number of prominent psychologists who claim that the real root of the UFO phenomenon lies deep in the unconscious mind.

282

00:31:48,640 --> 00:31:59,640

It's what we call waking dreams. When people start to fall asleep, many occasions they have a mixture, a peculiar mixture of reality and fantasy or dreams.

283

00:31:59,640 --> 00:32:09,640

And in this particular state of consciousness, which is an altered state, they see little aliens and they see spaceships and lights in the sky and so on.

284

00:32:09,640 --> 00:32:15,640

But others defend the technique for abductees in this fragile state.

285

00:32:15,640 --> 00:32:26,640

They appear to have been overwhelmed by an episode outside their own control and making, which leaves them in a post-traumatic state.

286

00:32:26,640 --> 00:32:31,640

It is this very condition that makes them vulnerable to suggestion.

287

00:32:31,640 --> 00:32:40,640

They can't tell the difference between whether it was a memory, a real event, or whether it was imagination. And this isn't the problem.

288

00:32:40,640 --> 00:32:50,640

It's very interesting. Either there's something very special about this fantasy that causes what otherwise does not occur or it's not a fantasy.

289

00:32:50,640 --> 00:33:02,640

Others point out that abductions were scarcely reported before the science fiction boom of the mid-1950s carried visions of aliens into popular culture.

290

00:33:03,640 --> 00:33:10,640

This is a composite of what they look like.

291

00:33:10,640 --> 00:33:19,640

Larger eyes, smaller nose, no lips, no protruding part of the ear, no hair, and a gray tone to the skin.

292

00:33:19,640 --> 00:33:29,640

A New Hampshire couple, Betty and Barney Hill, made news by becoming the first to claim that they had been abducted by aliens.

293

00:33:32,640 --> 00:33:39,640

UFO experts point to the Hill Abduction as a watershed event in alien evolution.

294

00:33:39,640 --> 00:33:46,640

But to author James O'Rourke, the case is notable for more earthly reasons.

295

00:33:49,640 --> 00:33:54,640

A lot of Betty's memories are directly traceable back to a movie called Invaders from Mars.

296

00:33:54,640 --> 00:34:01,640

Many of the themes, many of the imageries from that film appear in almost recognizable form in Betty's story.

297

00:34:01,640 --> 00:34:10,640

In the account there was kidnapping, being taken on board a flying saucer, there were needles being inserted into people's brains or other parts of their bodies.

298

00:34:10,640 --> 00:34:15,640

Barney Hill's recollections, focused on one major feature.

299

00:34:15,640 --> 00:34:22,640

The unique feature here is he's wrapped around eyes, the eyeballs that move off to the forehead, off to the side of the head.

300

00:34:22,640 --> 00:34:30,640

It was very original and yet, less than two weeks after this face first appeared on television, Barney Hill under hypnosis suddenly remembers.

301

00:34:30,640 --> 00:34:37,640

Suddenly remembered that his aliens had eyes like that, had eyes that wrapped around.

302

00:34:37,640 --> 00:34:46,640

Was it cause and effect? Did he see a shell? Was his memory polluted by this Hollywood version? Can't prove it.

303

00:34:46,640 --> 00:34:49,640

But the sequence is highly suggestive.

304

00:34:49,640 --> 00:34:57,640

By the early 1970s, Hollywood seemed to settle on an accepted standard for what an alien looked like.

305

00:34:57,640 --> 00:35:05,640

According to skeptics, this design trend was again echoed in the description by alleged abductees.

306

00:35:05,640 --> 00:35:10,640

The thing you'll never forget when you look into the face of these things is the eyes.

307

00:35:10,640 --> 00:35:13,640

Very large, intimidating black eyes.

308

00:35:13,640 --> 00:35:18,640

Very small opening for a mouth, no ears.

309

00:35:18,640 --> 00:35:23,640

Tremendous head, very thin body, lower arms.

310

00:35:23,640 --> 00:35:30,640

Yet, science fiction archivist Ron Miller traces images back much further.

311

00:35:30,640 --> 00:35:37,640

It comes from fairy tales, science fiction, film, a lot of sources.

312

00:35:37,640 --> 00:35:41,640

They go back decades, even a century or more.

313

00:35:41,640 --> 00:35:48,640

From the earliest sort of realistic depictions of an alien might have from the book that was published in 1884.

314

00:35:48,640 --> 00:35:55,640

90 years later, a Steven Spielberg film about alien contact cemented the image.

315

00:35:55,640 --> 00:36:03,640

Did close encounters of the third kind also plant suggestions in the minds of future abductees?

316

00:36:03,640 --> 00:36:10,640

Close encounters, for good or evil, had an enormous effect on what people expected aliens to look like.

317

00:36:10,640 --> 00:36:21,640

And if anything really focused all these disparate reds into one sort of standard alien, it was close encounters.

318

00:36:21,640 --> 00:36:29,640

But Joe Elvis, the production designer for close encounters, claims that logic is reversed.

319

00:36:29,640 --> 00:36:35,640

I think what was unique about close encounters is that it was science fiction and yet in the sense it wasn't

320

00:36:35,640 --> 00:36:44,640

because we weren't manufacturing something that was convenient, we took these things from all the encounters that we could record

321

00:36:44,640 --> 00:36:50,640

and sort of put it into the funnel and it came out with these kind of images.

322

00:36:50,640 --> 00:36:57,640

Kelly Frese, a celebrated science fiction illustrator, is disappointed by the dominance of the gray,

323

00:36:57,640 --> 00:37:02,640

both in pop culture and in the reports of abductees.

324

00:37:03,640 --> 00:37:09,640

I hate to think that the universe is so dull that that's the best it can come up with.

325

00:37:09,640 --> 00:37:18,640

Are we supposed to assume that only one race managed to accomplish spaceflight and come to the Earth?

326

00:37:18,640 --> 00:37:23,640

Or are there more races out there? If so, what do the other races look like?

327

00:37:24,640 --> 00:37:32,640

When we come back, the UNEX report examines the facts and addresses the mysteries.

328

00:37:32,640 --> 00:37:39,640

What can we learn from all of these abductees, reporting nearly identical encounters?

329

00:37:39,640 --> 00:37:43,640

And do aliens really have an agenda for mankind?

330

00:37:43,640 --> 00:37:50,640

Or is extraterrestrial contact the product of our collective imagination?

331

00:37:53,640 --> 00:38:00,640

That's the UNEX report. Next on Unexplained Mysteries.

332

00:38:00,640 --> 00:38:06,640

Unexplained Mysteries, taken the abduction phenomenon.

333

00:38:06,640 --> 00:38:10,640

Now, our UNEX report.

334

00:38:10,640 --> 00:38:18,640

The past 40 years have seen a surge in reports of man being taken by aliens.

335

00:38:19,640 --> 00:38:27,640

Experts point to a number of signs as evidence of abduction, such as missing time.

336

00:38:27,640 --> 00:38:37,640

This missing time aspect is very, very common in abduction experiences, where the person cannot remember where he or she was.

337

00:38:37,640 --> 00:38:44,640

Other indications include strange medical symptoms and even implants.

338

00:38:44,640 --> 00:38:48,640

It was in my leg for 34 years and I finally decided to have it removed.

339

00:38:48,640 --> 00:38:50,640

And this is what they took out.

340

00:38:50,640 --> 00:38:58,640

The use of hypnosis is increasingly being used to access hidden memories of alien encounters.

341

00:38:58,640 --> 00:39:09,640

There were these little short off-white beams, naked guys with big black eyes, doing things to these people on these tables.

342

00:39:09,640 --> 00:39:15,640

I felt as if somebody had taken my insides and just ripped me open inside.

343

00:39:15,640 --> 00:39:22,640

Over and over again, we get these hidden consistencies in abduction reports which come out through hypnosis.

344

00:39:22,640 --> 00:39:28,640

And there are striking similarities in the descriptions of the aliens.

345

00:39:28,640 --> 00:39:31,640

Very large, intimidating black eyes.

346

00:39:31,640 --> 00:39:36,640

Very small opening for a mouth, no ears.

347

00:39:36,640 --> 00:39:41,640

Tremendous head, very thin body, low arms.

348

00:39:41,640 --> 00:39:50,640

Many encounters now seem to reveal that an alien breeding agenda may be behind many abductions.

349

00:39:50,640 --> 00:39:54,640

There's a very great interest on the part of the UFO occupants in human reproduction.

350

00:39:54,640 --> 00:39:59,640

They do need our genes to propagate their own species.

351

00:39:59,640 --> 00:40:09,640

I had a very vivid experience of having a fetus put into my body and removed.

352

00:40:09,640 --> 00:40:14,640

Among the most compelling cases are mass abductions.

353

00:40:14,640 --> 00:40:19,640

Subjects are taken together and recall the same experience.

354

00:40:19,640 --> 00:40:24,640

During the abduction, we would walk down this dark, dark road in a trance state.

355

00:40:24,640 --> 00:40:30,640

Remember these creatures examining my brother with a type of wand.

356

00:40:30,640 --> 00:40:35,640

Polygraph machines have further verified their accounts.

357

00:40:35,640 --> 00:40:41,640

There's absolutely, positively no doubt in my mind that they are being absolutely honest with me.

358

00:40:41,640 --> 00:40:49,640

But skeptics maintain that Hollywood is the real source of all alien sightings.

359

00:40:49,640 --> 00:40:53,640

More people know about what aliens are expected to look like,

360

00:40:53,640 --> 00:40:57,640

the more they're likely to describe an alien as looking like that preconceived idea.

361

00:40:57,640 --> 00:40:59,640

One thing is certain.

362

00:40:59,640 --> 00:41:04,640

The complex reality of abduction will continue to spur debate,

363

00:41:04,640 --> 00:41:08,640

as long as so many questions remain unanswered.

364

00:41:08,640 --> 00:41:11,640

It is irresponsible to dismiss it.

365

00:41:11,640 --> 00:41:16,640

An extraordinary phenomenon such as this demands an extraordinary investigation.

366

00:41:16,640 --> 00:41:24,640

Until that time, the alien abduction phenomenon will remain an unexplained mystery.
