

1

00:00:00,000 --> 00:00:04,340

She just was so positive.

2

00:00:04,440 --> 00:00:05,580

Heaven's there.

3

00:00:05,680 --> 00:00:08,420

This time on Unexplained Mysteries,

4

00:00:08,520 --> 00:00:10,420

Miracles on Earth.

5

00:00:10,520 --> 00:00:13,280

You'll hear about a boy with life-threatening injuries

6

00:00:13,380 --> 00:00:14,320

and little hope.

7

00:00:14,420 --> 00:00:17,120

His entire pelvis was crushed under the tires.

8

00:00:17,220 --> 00:00:20,060

But his family puts their trust in spiritual power.

9

00:00:20,160 --> 00:00:22,860

Steve and I prayed on the way to the hospital.

10

00:00:22,960 --> 00:00:24,960

And the family prayed as a family.

11

00:00:25,060 --> 00:00:27,160

A little girl has a near-death vision.

12

00:00:27,260 --> 00:00:28,660

I look behind me.

13

00:00:28,920 --> 00:00:32,000

And I saw a guardian angel telling me not to be afraid.

14

00:00:32,100 --> 00:00:35,400

Worshippers gather in a place where they say miracles occur.

15

00:00:35,500 --> 00:00:38,140

A vapor appeared over the top of it.

16

00:00:38,240 --> 00:00:41,940

When it did, it went into the shape of a laser.

17

00:00:42,040 --> 00:00:44,980

And they believe a psychic heals with her touch.

18

00:00:45,080 --> 00:00:46,620

I've seen a woman 45 years.

19

00:00:46,720 --> 00:00:49,120

She was panthelvus scoliosis when she left here.

20

00:00:49,220 --> 00:00:50,420

She stood straight up.

21

00:00:50,520 --> 00:00:52,980

Find out what happens when a desperate couple takes

22

00:00:53,080 --> 00:00:55,120

their child to her as a last resort.

23

00:00:55,220 --> 00:00:56,420

She looked at us and she said he's

24

00:00:56,680 --> 00:00:57,820

being healed in three parts.

25

00:00:57,920 --> 00:00:59,760

And the first part is happening right now.

26

00:00:59,860 --> 00:01:02,020

A little girl's incredible recovery

27

00:01:02,120 --> 00:01:03,360

from a terrible accident.

28

00:01:03,460 --> 00:01:07,400

From a coma, we never see someone heal as fast as Ashley

29

00:01:07,500 --> 00:01:08,400

appeared to.

30

00:01:08,500 --> 00:01:11,200

I mean, just something was on her side.

31

00:01:11,300 --> 00:01:12,700

I think he just pulled back the bell

32

00:01:12,800 --> 00:01:15,000

and let her see a little bit of what happened.

33

00:01:15,100 --> 00:01:16,600

We'll tell you about the firefighter

34

00:01:16,700 --> 00:01:20,780

trapped in a fire with no way out until he sees a vision.

35

00:01:20,880 --> 00:01:24,480

And started to take the shape of a young lady.

36

00:01:24,540 --> 00:01:26,380

Well, maybe I'm already died.

37

00:01:26,480 --> 00:01:30,080

Paramedics can't revive a man who was struck by lightning.

38

00:01:30,180 --> 00:01:32,480

Then a mystery woman appears.

39

00:01:32,580 --> 00:01:34,420

What happened here on this stretch of highway?

40

00:01:34,520 --> 00:01:36,480

It was a miracle.

41

00:01:36,580 --> 00:01:40,520

And we'll bring it all together in the UnX Report.

42

00:01:40,620 --> 00:01:45,300

This is Unexplained Mysteries, Miracles on Earth.

43

00:01:50,100 --> 00:01:51,340

Miracles.

44

00:01:51,440 --> 00:01:54,400

Throughout the world, they defy the laws of nature.

45

00:01:54,500 --> 00:01:58,200

Is it a miracle when someone survives massive injuries?

46

00:01:58,300 --> 00:02:01,680

Studies show that prayer may help the healing process,

47

00:02:01,780 --> 00:02:04,180

even when a person is severely injured,

48

00:02:04,280 --> 00:02:06,120

like six-year-old Taylor Hall.

49

00:02:11,420 --> 00:02:15,560

It was a bright, sunny day.

50

00:02:15,660 --> 00:02:19,300

He took his skates out.

51

00:02:19,400 --> 00:02:23,560

And then my son, Chris, was in the front bedroom.

52

00:02:23,620 --> 00:02:25,580

And he heard the truck screech.

53

00:02:25,680 --> 00:02:27,420

You could hear the truck coming down the corner.

54

00:02:27,520 --> 00:02:30,220

You could hear it as it kind of screech.

55

00:02:30,320 --> 00:02:32,220

Because Taylor was coming down the sidewalk.

56

00:02:32,320 --> 00:02:34,060

And as he hit the sidewalk, he hit the patch of rocks.

57

00:02:34,160 --> 00:02:35,660

And he couldn't stop himself in time.

58

00:02:35,760 --> 00:02:36,960

Fire department came.

59

00:02:37,060 --> 00:02:38,200

And ambulances came.

60

00:02:38,300 --> 00:02:41,100

And he was in a pool of blood.

61

00:02:41,200 --> 00:02:43,800

He lost over 4 and 1 half units in the street,

62

00:02:43,900 --> 00:02:47,440

which is almost half your body's blood.

63

00:02:47,500 --> 00:02:55,500

And he was ripped open from his navel all the way to the back.

64

00:02:55,600 --> 00:02:58,100

Taylor's prognosis was not good.

65

00:02:58,200 --> 00:03:01,340

His entire pelvis was crushed under the tires.

66

00:03:01,440 --> 00:03:05,440

I had grave doubts about being able to put his intestinal

67

00:03:05,540 --> 00:03:06,840

tract back together.

68

00:03:06,940 --> 00:03:09,940

The damage was so extensive in the pelvic area.

69

00:03:10,040 --> 00:03:12,740

He had huge open wounds.

70

00:03:12,840 --> 00:03:15,840

Again, very susceptible to infection.

71

00:03:16,340 --> 00:03:18,340

There was a very good possibility

72

00:03:18,440 --> 00:03:21,840

that the infection that might have gotten in there

73

00:03:21,940 --> 00:03:24,140

would be the thing that would end up killing him.

74

00:03:24,240 --> 00:03:30,840

The next thing we were told was that if he made it through that,

75

00:03:30,940 --> 00:03:34,340

that there would be a possibility that one,

76

00:03:34,440 --> 00:03:35,940

he might not be able to have children.

77

00:03:36,040 --> 00:03:39,540

He might have to have a colostomy the rest of his life.

78

00:03:39,640 --> 00:03:43,040

His ability to walk might be impeded substantially.

79

00:03:43,140 --> 00:03:44,340

He thought he was going to die.

80

00:03:45,840 --> 00:03:48,240

I think that scared the nurses a little bit

81

00:03:48,340 --> 00:03:52,140

because they said when patients think that they're going to die,

82

00:03:52,240 --> 00:03:53,840

then it's pretty serious.

83

00:03:59,440 --> 00:04:03,040

Taylor's family was encouraged by studies showing prayer may be

84

00:04:03,140 --> 00:04:05,040

a powerful tool for healing.

85

00:04:05,140 --> 00:04:07,940

There were some studies coming out showing that if you take

86

00:04:08,040 --> 00:04:11,240

prayer into the clinic or the hospital or the laboratory

87

00:04:11,340 --> 00:04:14,240

and test it pretty much like you would in new medication,

88

00:04:14,240 --> 00:04:16,740

you can actually show that prayer does something.

89

00:04:16,840 --> 00:04:20,740

Researchers put bacteria into two identical test tubes.

90

00:04:20,840 --> 00:04:24,440

Volunteers prayed for the samples in one of the test tubes.

91

00:04:24,540 --> 00:04:28,940

And the differences in the growth rates are quite profound,

92

00:04:29,040 --> 00:04:31,440

favoring those that get prayed for.

93

00:04:31,540 --> 00:04:33,440

At San Francisco General Hospital,

94

00:04:33,540 --> 00:04:37,240

a prayer experiment was conducted on actual patients.

95

00:04:37,340 --> 00:04:40,640

The patients who received extra prayer from our groups

96

00:04:40,640 --> 00:04:45,140

outside of the hospital required less diuretic therapy,

97

00:04:45,240 --> 00:04:51,440

less antibiotics, and had less cardiac arrest.

98

00:04:51,540 --> 00:04:55,140

With hope fading for conventional medicine to heal Taylor,

99

00:04:55,240 --> 00:04:57,440

the Halls sought an alternative.

100

00:04:57,540 --> 00:05:00,240

Steve and I prayed on the way to the hospital

101

00:05:00,340 --> 00:05:02,440

and the family prayed as a family.

102

00:05:02,540 --> 00:05:05,040

It just seemed we were all on the same level,

103

00:05:05,140 --> 00:05:07,940

doing the same thing for the same purpose.

104

00:05:07,940 --> 00:05:10,940

And we all wanted the same thing and that was for Taylor to recover.

105

00:05:11,040 --> 00:05:15,340

And I'm fully convinced that that was every bit as important

106

00:05:15,440 --> 00:05:19,840

as what the doctors did, and not to downplay what the doctors did,

107

00:05:19,940 --> 00:05:23,340

but I think they both worked together.

108

00:05:23,440 --> 00:05:29,340

And when after six days, after being ripped open in testins,

109

00:05:29,440 --> 00:05:32,840

all messed up, being, you know, his back ripped open, his pelvis broken,

110

00:05:32,940 --> 00:05:35,540

he was walking with no cast or pins.

111

00:05:35,540 --> 00:05:37,540

Yeah, I think it was a miracle.

112

00:05:37,640 --> 00:05:40,540

I think if somebody else had got run over and nobody prayed,

113

00:05:40,640 --> 00:05:42,340

he could have died.

114

00:05:42,440 --> 00:05:47,540

The experts are convinced of prayer's effect on Taylor's miraculous recovery.

115

00:05:47,640 --> 00:05:50,340

It was my opinion that prayer helped 100%.

116

00:05:50,440 --> 00:05:54,140

A lot of the stuff that we were able to do as doctors

117

00:05:54,240 --> 00:05:56,740

was relatively simple, but the healing process

118

00:05:56,840 --> 00:05:59,340

was a long, extensive one with major injuries.

119

00:05:59,440 --> 00:06:02,140

The mind has some aspect, some quality,

120

00:06:02,140 --> 00:06:05,840

which can reach out through space and time

121

00:06:05,940 --> 00:06:09,140

as is evidence through prayer and make a difference.

122

00:06:09,240 --> 00:06:12,140

Julie is just happy to have her son back.

123

00:06:12,240 --> 00:06:14,440

He's fully recovered.

124

00:06:14,540 --> 00:06:16,540

He doesn't have anything major wrong with him.

125

00:06:16,640 --> 00:06:20,140

He gets headaches now and then, but everything else on his body is normal.

126

00:06:20,240 --> 00:06:23,940

In fact, he's above normal.

127

00:06:24,040 --> 00:06:25,940

He's skating again.

128

00:06:32,640 --> 00:06:36,540

Barstow, California, a two-year-old girl is riding her tricycle

129

00:06:36,640 --> 00:06:37,740

around the family pool.

130

00:06:37,840 --> 00:06:40,540

I ran through the hall and I knew something was wrong

131

00:06:40,640 --> 00:06:43,140

and I found her floating face down in the pool.

132

00:06:43,240 --> 00:06:45,140

My mom pulled her out.

133

00:06:48,140 --> 00:06:51,540

She screamed for help and there was nothing my sister and I could do.

134

00:06:51,640 --> 00:06:54,140

When Ricky first presented to the emergency department,

135

00:06:54,240 --> 00:06:56,740

I was almost sure that she would not survive.

136

00:06:56,840 --> 00:06:57,940

She was lifeless.

137

00:06:58,040 --> 00:07:00,340

There was no life in the child whatsoever.

138

00:07:00,540 --> 00:07:04,140

It was such a difficult call because the parents of the child

139

00:07:04,240 --> 00:07:06,040

were very good friends.

140

00:07:06,140 --> 00:07:09,340

Ricky says that during her near-death experience,

141

00:07:09,440 --> 00:07:11,640

she saw something otherworldly.

142

00:07:13,640 --> 00:07:17,240

I looked behind me and I saw a guardian angel

143

00:07:17,340 --> 00:07:23,740

and she had flowing golden color hair

144

00:07:23,840 --> 00:07:25,340

and she was wearing a white dress.

145

00:07:25,440 --> 00:07:29,940

She grabbed my hand and we started to walk down the tunnel.

146

00:07:30,140 --> 00:07:33,740

When we got towards the end, she asked me if I wanted to go through

147

00:07:33,840 --> 00:07:38,540

the light with her or if I wanted to go back and I told her

148

00:07:38,640 --> 00:07:41,240

that I had to go back and tell my mom where I was going.

149

00:07:41,340 --> 00:07:46,340

And so I remember her walking me back and telling me not to be afraid.

150

00:07:46,440 --> 00:07:49,240

Miraculously, Ricky made a full recovery,

151

00:07:49,340 --> 00:07:52,440

but what she saw while unconscious stayed with her.

152

00:07:52,540 --> 00:07:57,240

It was approximately a month after she had come home from the hospital

153

00:07:57,340 --> 00:07:59,340

and I had taken her shopping with me.

154

00:08:00,140 --> 00:08:05,640

We went into a bookstore and maybe five minutes into shopping,

155

00:08:05,740 --> 00:08:09,740

she grabbed my hand and squeezed and started screaming and yelling

156

00:08:09,840 --> 00:08:12,240

in the store, Mama, Mama, that's my angel.

157

00:08:13,240 --> 00:08:14,740

And I didn't know what she was talking about.

158

00:08:14,840 --> 00:08:18,340

I looked around and there was a poster on the wall

159

00:08:18,440 --> 00:08:19,940

and it was of guardian angel.

160

00:08:20,540 --> 00:08:26,240

Visions of angels are as real as any other human experience.

161

00:08:26,840 --> 00:08:31,040

Many doctors insist these visions are symptoms of the body shutting down

162

00:08:31,140 --> 00:08:34,940

near the time of death, but Morse disagrees.

163

00:08:35,240 --> 00:08:41,540

Children experience a spiritual light, the great majority of the time

164

00:08:41,640 --> 00:08:43,040

during near death experiences.

165

00:08:43,140 --> 00:08:46,240

It was a really fluorescent color tunnel.

166

00:08:46,340 --> 00:08:51,240

It had really bright colored bricks around it and it had a really

167

00:08:51,340 --> 00:08:52,940

almost blinding light at the end.

168

00:08:52,940 --> 00:08:56,340

It's not just some sort of reflex spasm of the optic nerve

169

00:08:56,440 --> 00:09:01,240

or the dysfunctional firing of neurons in their occipital lobe.

170

00:09:01,340 --> 00:09:05,340

Experts of the near death experience call it celestial vision,

171

00:09:05,440 --> 00:09:08,340

but are these miraculous experiences real?

172

00:09:08,440 --> 00:09:10,340

Do they have a purpose?

173

00:09:10,440 --> 00:09:14,540

When this first happened, we never went to church much.

174

00:09:14,640 --> 00:09:17,540

She had no knowledge of angels.

175

00:09:17,640 --> 00:09:22,140

Since this, she likes to spread the word that the angels are out there

176

00:09:22,140 --> 00:09:23,140

and it's okay.

177

00:09:23,240 --> 00:09:30,140

I think that it happened, so I could tell other people not to be afraid of dying.

178

00:09:32,140 --> 00:09:39,140

Later on Unexplained Mysteries, the alleged miracles at a remote town in Venezuela.

179

00:09:39,640 --> 00:09:47,140

My judgment is that those apparitions are authentic and supernatural.

180

00:09:47,640 --> 00:09:52,140

Many of them performed by a woman whose followers claim she has psychic healing powers.

181

00:09:52,240 --> 00:09:56,140

She is able to see things and know things before they ever occur.

182

00:09:56,240 --> 00:10:00,140

The gruesome tragedy that threatened to rip a family apart.

183

00:10:00,240 --> 00:10:05,140

Pain, the sorrow, the hurt comes from the deaf in you that you have no idea to stay.

184

00:10:05,240 --> 00:10:10,140

And the remarkable little girl whose survival helped them heal.

185

00:10:10,240 --> 00:10:12,140

I have a good thing I got to stay here.

186

00:10:12,240 --> 00:10:15,140

I want to see my grandma and grandpa.

187

00:10:15,140 --> 00:10:18,140

I have a small child.

188

00:10:18,240 --> 00:10:20,140

Take your blinders off.

189

00:10:20,240 --> 00:10:22,140

He's very humble.

190

00:10:22,240 --> 00:10:25,140

She just was so positive.

191

00:10:25,240 --> 00:10:30,140

You'll hear the story of the fire fighter who was ready to die but survived.

192

00:10:30,240 --> 00:10:32,140

He says with the help of a vision.

193

00:10:32,240 --> 00:10:35,140

I said, if you're here to take me, then I'm ready to go.

194

00:10:35,240 --> 00:10:39,140

I said, if you're here to help me, then show me the way out, please.

195

00:10:39,240 --> 00:10:40,140

Now.

196

00:10:40,140 --> 00:10:45,140

A man hit by lightning recovers when a mysterious woman in black appears out of nowhere.

197

00:10:45,240 --> 00:10:49,140

Even with the rain falling, everybody was so...

198

00:10:49,240 --> 00:10:51,140

She was.

199

00:10:51,240 --> 00:10:54,140

She was not remotely with.

200

00:10:54,240 --> 00:10:59,140

And we'll submit all of them with the Unexed Report.

201

00:10:59,240 --> 00:11:02,140

Here on Unexplained Mysteries.

202

00:11:02,240 --> 00:11:04,140

Miracles on Earth.

203

00:11:10,140 --> 00:11:13,140

Unexplained mysteries.

204

00:11:15,140 --> 00:11:19,140

Reports of miracles come from all over the globe.

205

00:11:23,140 --> 00:11:30,140

In Venezuela, there is a place called Batania where thousands flock to experience miracles.

206

00:11:30,240 --> 00:11:33,140

People describe Batania as magical.

207

00:11:33,240 --> 00:11:37,140

Sometimes you will see balls or colored balls and they might be blue ones.

208

00:11:37,240 --> 00:11:39,140

They might be rose colors.

209

00:11:39,140 --> 00:11:41,140

We felt this big whoosh between our heads.

210

00:11:41,240 --> 00:11:44,140

Came right between our heads and brushed our cheeks.

211

00:11:44,240 --> 00:11:46,140

And went right up to the ceiling of the chapel.

212

00:11:46,240 --> 00:11:48,140

And the people went nuts.

213

00:11:48,240 --> 00:11:52,140

And as I watched them, like a vapor appeared over the top of it.

214

00:11:52,240 --> 00:11:56,140

And when it did, it lit into the shape of a lake.

215

00:11:56,240 --> 00:12:01,140

Eyewitnesses say they've seen incidents of extraordinary healing.

216

00:12:03,140 --> 00:12:07,140

I've seen a woman was on the same boat with me for 45 years.

217

00:12:07,140 --> 00:12:11,140

She was bent over scoliosis when she left here. She stood straight up.

218

00:12:11,240 --> 00:12:14,140

This wall contains the records of the healings at Batania.

219

00:12:14,240 --> 00:12:21,140

After over 500 interviews, the Catholic Church endorsed Batania as an apparition site.

220

00:12:21,240 --> 00:12:30,140

My judgment is that those apparitions are authentic and supernatural.

221

00:12:30,240 --> 00:12:32,140

This is Maria Esperanza.

222

00:12:32,240 --> 00:12:36,140

She was the first to find the healing power of the Batania waterfall.

223

00:12:37,140 --> 00:12:41,140

And now some call her the greatest mystic in the world.

224

00:12:41,240 --> 00:12:45,140

Her followers are convinced her hands have the power to heal.

225

00:12:45,240 --> 00:12:48,140

I was blessed to get in front of her.

226

00:12:48,240 --> 00:12:51,140

And when we locked eyes, I went down on the ground.

227

00:12:51,240 --> 00:12:54,140

I got up, I took my cane at the tour guide, jumped off the porch.

228

00:12:54,240 --> 00:12:59,140

Ran up this hill to the chapel, grabbed my luggage, ran up another hill to the bus.

229

00:12:59,240 --> 00:13:02,140

Esperanza says she can see into the future.

230

00:13:02,240 --> 00:13:04,140

When you meet her, she knows everything about you.

231

00:13:04,240 --> 00:13:06,140

The present, the past, and the future.

232

00:13:06,140 --> 00:13:10,140

She is able to see things and know things before they ever occur.

233

00:13:10,240 --> 00:13:17,140

People desperate to ease their suffering seek out Esperanza and the healing waters of Batania.

234

00:13:17,240 --> 00:13:22,140

Ryan Hulick was born with a debilitating spinal condition.

235

00:13:22,240 --> 00:13:26,140

The only thing I knew about spina bifida was that it was devastating.

236

00:13:26,240 --> 00:13:30,140

I've never seen anything like it before and I really didn't understand what I was looking at.

237

00:13:30,240 --> 00:13:33,140

This diagnosis of spina bifida is something that involves the brain.

238

00:13:33,140 --> 00:13:39,140

It involves the spinal cord and because it involves your nervous system, it involves anything from the head down.

239

00:13:39,240 --> 00:13:42,140

Doctors felt that Ryan's condition would not improve.

240

00:13:42,240 --> 00:13:45,140

I sort of felt like I had a baby with a time bomb.

241

00:13:45,240 --> 00:13:50,140

So I didn't sleep well. I was always listening for him to see if this is going to be the night.

242

00:13:50,240 --> 00:13:56,140

So Patricia and Casey met with Maria Esperanza on one of her frequent visits to America.

243

00:13:56,240 --> 00:14:01,140

She finished speaking with the family and she just turned around and walked right up to us.

244

00:14:01,140 --> 00:14:07,140

And she says through the interpreter, here, this is the place and she's touching her lower spine.

245

00:14:07,240 --> 00:14:14,140

And we said, yes, we had never given her any details about this child or the condition.

246

00:14:14,240 --> 00:14:17,140

But somehow Esperanza knew all about Ryan's disability.

247

00:14:17,240 --> 00:14:22,140

She looked at us and she said he's being healed in three parts and the first part is happening

right now.

248

00:14:22,240 --> 00:14:25,140

On a subsequent visit Esperanza met Ryan.

249

00:14:25,240 --> 00:14:30,140

She turned right around and she took Ryan out of my arms and sat right down.

250

00:14:30,140 --> 00:14:37,140

And on the video you can see her hand going right down over where the shunt and down along the shunt line of his little chest.

251

00:14:37,240 --> 00:14:40,140

And then on the spine and the back and the whole thing.

252

00:14:40,240 --> 00:14:44,140

According to the Hulix, Ryan's condition immediately improved.

253

00:14:44,240 --> 00:14:48,140

Doctors treating him could not believe this was the same child.

254

00:14:48,240 --> 00:14:54,140

The neurologist came in and he was doing his exam and writing down his comments and so forth.

255

00:14:54,140 --> 00:15:02,140

And he just, well, he got up and got his colleague because he wanted to check and make sure it was the right kid and the right records and the right everything because it was so dramatic.

256

00:15:02,240 --> 00:15:07,140

Soon afterwards the Hulix took Ryan to Botania for phase three of his treatment.

257

00:15:07,240 --> 00:15:13,140

Suddenly Ryan woke up and he was screaming like a very, very strong cry as if he were in pain.

258

00:15:13,240 --> 00:15:18,140

And she said he's crying because that which was a part has just come together.

259

00:15:18,240 --> 00:15:23,140

She said this is the third part. He's going to begin to become completely healed.

260

00:15:23,140 --> 00:15:29,140

On that bus ride back from Caracas after he received the third part we noticed an immediate dramatic change in Ryan.

261

00:15:29,240 --> 00:15:35,140

He was so strong and just trying to get up and to move and just so bouncy.

262

00:15:35,240 --> 00:15:38,140

When they got back to the U.S. Ryan could walk.

263

00:15:38,240 --> 00:15:43,140

The neurosurgeon who first diagnosed Ryan was stunned.

264

00:15:43,140 --> 00:15:56,140

I think he's excelled in some ways beyond what his objective analyses such as pictures, X-rays, CAT scans, MRIs might have led us to think he could do.

265

00:15:56,240 --> 00:16:02,140

Ryan's surprising recovery has convinced Dr. Rifkinson of the spiritual aspects of healing.

266

00:16:02,240 --> 00:16:11,140

The art of medicine a hundred years ago was holistic and that was we didn't have the technology and the capability to correct anatomical abnormalities that we do now.

267

00:16:11,140 --> 00:16:15,140

We forgot about faith and we forgot about hope and positive thinking.

268

00:16:16,140 --> 00:16:23,140

Coming up on Unexplained Mysteries. Miracles and the people who have experienced them.

269

00:16:23,240 --> 00:16:27,140

A girl says she got a glimpse of heaven while in a coma.

270

00:16:27,240 --> 00:16:35,140

In heaven it's bright like that and it's so bright that the sun was shining on it and there's never any dark.

271

00:16:35,240 --> 00:16:37,140

I saw my mom and I saw the man.

272

00:16:37,140 --> 00:16:43,140

Raise her little eyes up as far as she could and she said they went that way. They went up.

273

00:16:43,240 --> 00:16:48,140

A mystifying vision in a burning building saves a firefighter's life.

274

00:16:48,240 --> 00:16:54,140

I knew then that this was totally, totally a true incident that happened to me. It's time to thank somebody.

275

00:16:54,240 --> 00:16:57,140

We'll tell you about the lightning bolt that left a man dead.

276

00:16:57,240 --> 00:17:02,140

When I got there and saw this man where the lightning struck it was actually smoldering.

277

00:17:02,240 --> 00:17:06,140

Until an unidentified woman brought him back to life.

278

00:17:06,140 --> 00:17:10,140

That's when I said, you know, let her do what she has to do.

279

00:17:10,240 --> 00:17:14,140

Without even thinking about it the words just came out of my mouth.

280

00:17:16,140 --> 00:17:20,140

And we'll give you the ultimate reveal with the Unex report.

281

00:17:20,240 --> 00:17:24,140

Stay tuned for more Unexplained Mysteries.

282

00:17:29,140 --> 00:17:33,140

Unexplained Mysteries. Miracles on Earth.

283

00:17:34,140 --> 00:17:39,140

Sometimes out of a terrible tragedy can come an amazing miracle.

284

00:17:44,140 --> 00:17:49,140

For Joan Frick it began when her daughter came to her with a premonition.

285

00:17:49,240 --> 00:17:56,140

Cheryl was in my living room telling me that she didn't know what it was but she knew that her and Daniel were going to die.

286

00:17:56,140 --> 00:18:00,140

One April afternoon Cheryl's deadly prediction came true.

287

00:18:00,240 --> 00:18:06,140

She was driving with her two kids, 11 month old Daniel and five year old Ashley.

288

00:18:06,240 --> 00:18:11,140

Without warning a drunk driver crashed into them head on.

289

00:18:11,240 --> 00:18:16,140

Seven people died as a result of the crash including Cheryl and Daniel.

290

00:18:16,240 --> 00:18:19,140

Cheryl's parents found out later that day.

291

00:18:19,240 --> 00:18:23,140

Well we made a few phone calls and the lines were busy.

292

00:18:23,140 --> 00:18:29,140

We got nothing but busy signal and about that time we noticed that headlights were coming down our driveway.

293

00:18:29,240 --> 00:18:35,140

And it was our deacon that came and broke the news to us.

294

00:18:36,140 --> 00:18:40,140

It was 20 minutes before Ashley could be pulled from the wreckage.

295

00:18:40,240 --> 00:18:41,140

She had survived.

296

00:18:41,240 --> 00:18:43,140

Her left leg was crushed.

297

00:18:43,240 --> 00:18:49,140

Part of her lungs collapsed and injuries to her brain were extensive.

298

00:18:49,240 --> 00:18:51,140

Ashley slipped into a coma.

299

00:18:52,140 --> 00:18:58,140

The pain, the sorrow, the hurt comes from the depth in you that you have no idea it's there.

300

00:18:58,240 --> 00:19:01,140

It totally rips you apart.

301

00:19:01,240 --> 00:19:08,140

Two weeks later on Easter Sunday Ashley miraculously woke up from her coma.

302

00:19:08,240 --> 00:19:14,140

Dr. Hallecksen from a university hospital called Ashley's out of the coma.

303

00:19:15,140 --> 00:19:19,140

So we went in the room and Ashley says hi grandma, hi cramps.

304

00:19:21,140 --> 00:19:32,140

Her recovery was miraculous because she could not only speak, recognized people, but she could also drink and eat and it was, she really was a miracle.

305

00:19:32,240 --> 00:19:39,140

And the Fricks quickly discovered that Ashley coming out of her coma wasn't the only blessing.

306

00:19:39,240 --> 00:19:47,140

Why we were talking to her, Ashley was faced towards us and then she looked away from us and looked up the ceiling.

307

00:19:47,140 --> 00:19:51,140

And her voice was very weak and shallow and I couldn't hear everything she was saying.

308

00:19:51,240 --> 00:19:55,140

But she said Daniel, Daniel, mom.

309

00:19:55,240 --> 00:20:00,140

And she carried on a conversation with him and smiled and with nod her head.

310

00:20:00,240 --> 00:20:14,140

But when she raised her hand and went like this and she spoke up loud enough to hear and she was saying goodbye mom, I love you.

311

00:20:14,140 --> 00:20:22,140

Hi Daniel, I love you. And then turned back to us, pointed up to the ceiling and she says can you see the hole? Can you see them?

312

00:20:24,140 --> 00:20:29,140

Can you see them? And she kept repeating that can you see them? Can you see the hole?

313

00:20:29,240 --> 00:20:36,140

Was Ashley really able to see her mother and brother? For her the images were vivid.

314

00:20:36,140 --> 00:20:44,140

In heaven it's bright like that and it's so bright that the sun was shining on it and there's never any dark.

315

00:20:44,240 --> 00:20:52,140

I saw my mom and I saw the man, the man who told me how to go back and my mom said she loved me and then that's all I remember.

316

00:20:52,240 --> 00:21:01,140

She said to me that mom had been there with her when she was in the coma, encouraging her to come out of it.

317

00:21:01,140 --> 00:21:07,140

She was lying in bed and she'd raise her little eyes up as far as she could and she said they went that way.

318

00:21:07,240 --> 00:21:19,140

They went up and I was going with them and they stopped and said you can't go. You have to stay. It's not your time.

319

00:21:19,240 --> 00:21:30,140

And so she said I'm here and they're in heaven. She just seemed so at peace with it like mom had gone off to work.

320

00:21:31,140 --> 00:21:34,140

And she knew where she was and it was no big deal.

321

00:21:34,240 --> 00:21:42,140

Those close to Ashley believe every word of her story. Was the hand of God reaching out to this family?

322

00:21:42,240 --> 00:21:49,140

I think he just pulled back the bell and let her see a little bit of heaven to help her.

323

00:21:49,240 --> 00:22:00,140

Three and a half months later Ashley was released from the hospital. She started her physical therapy and her miraculous recovery began.

324

00:22:00,140 --> 00:22:07,140

From a coma we never see someone heal as fast as Ashley appeared to. Something was on her side.

325

00:22:07,240 --> 00:22:12,140

Someone was there to say hey this girl's got to be here and we're going to make it the best we can.

326

00:22:12,240 --> 00:22:21,140

Did Ashley Dial experience a miracle? Did she get a glimpse of heaven? Whatever occurred seemed to touch all of the people around her.

327

00:22:21,240 --> 00:22:26,140

Yeah but good thing I got to stay here. I wouldn't see my grandma or grandpa.

328

00:22:26,140 --> 00:22:33,140

Many times when I cry Ashley will pat me on my back and say grandma it's okay. Mom's in heaven and she's happy.

329

00:22:33,240 --> 00:22:39,140

Ashley's a miracle child. She blessed me tremendously by being able to work with her.

330

00:22:39,240 --> 00:22:46,140

To have a small child, take your blinders off is very humbling.

331

00:22:47,140 --> 00:22:57,140

She just was so positive. Heaven's there.

332

00:22:57,240 --> 00:23:08,140

Next on Unexplained Mysteries. More miracles on earth. A firefighter can't get out of a raging inferno. Then a vision shows the way.

333

00:23:08,140 --> 00:23:18,140

When I got to the point where she had pointed I felt nothing but wall. But when I pushed a door open and I fell out into the parking lot.

334

00:23:18,240 --> 00:23:25,140

Paramedics are helpless to save a motorcyclist struck by lightning. But a woman in black saves his life.

335

00:23:25,240 --> 00:23:30,140

No one knows where this lady came from or where she went to. It is truly a miracle.

336

00:23:30,140 --> 00:23:34,140

And we'll summarize it all on the UNEX report.

337

00:23:34,240 --> 00:23:46,140

There's more Unexplained Mysteries. Miracles on earth.

338

00:23:46,240 --> 00:23:52,140

Unexplained Mysteries. Miracles on earth.

339

00:23:52,240 --> 00:23:58,140

Miracles are often reported by people who willingly put their lives in danger.

340

00:23:58,140 --> 00:24:10,140

A firefighter trapped near death. He believes a miracle saved his life.

341

00:24:10,240 --> 00:24:20,140

There's no person on this earth I think that could ever tell me that it was all in your mind. You didn't see anything. You didn't experience anything.

342

00:24:20,140 --> 00:24:29,140

I know what I saw. I was at a point where this was probably going to be my last fire. I was probably going to die.

343

00:24:29,240 --> 00:24:37,140

Hialeah, Florida. Ken Carter was relaxing with his fellow firefighters when the call came in that would change his life.

344

00:24:37,240 --> 00:24:45,140

Going off from the scene at 1824 Westmore Avenue. 10 doors to the box. He spot a smoke coming from the windows and doors.

345

00:24:45,240 --> 00:24:49,140

10-4. Have you anything to wrap?

346

00:24:49,140 --> 00:25:02,140

We were having a lot of fires that particular month. The fire that we had in the evening hours of

January 12th was at a building called Pandora's Box.

347

00:25:02,240 --> 00:25:08,140

There's always fear involved. Not knowing every building is different, every fire is different.

348

00:25:08,240 --> 00:25:14,140

When Carter and his partner arrived, they encountered thick smoke and flames.

349

00:25:14,140 --> 00:25:24,140

Bravely, they rushed into the burning building. They were confronted with heavy smoke. We were very, very hot inside already and open flames.

350

00:25:24,240 --> 00:25:28,140

Carter's partner couldn't tolerate the heat and had to leave.

351

00:25:28,240 --> 00:25:43,140

I kept on fighting the fire and trying to knock down as much fire as I possibly could. And the opportunity was there to do as much as I could until he got back or the backup crew came in. But that didn't happen.

352

00:25:43,140 --> 00:25:54,140

When a firefighter's air tank runs low, a bell rings to warn him he has just a few minutes of air left. Carter heard his warning signal go off.

353

00:25:54,240 --> 00:26:04,140

I heard a warning signal go off. The warning signal was to our air tank. Then you only have approximately four minutes of air left in your tank.

354

00:26:04,140 --> 00:26:14,140

At that point, I said, well, it is time to leave the building. I turned around, I picked up the hose like you're supposed to do, and I attempted to follow it out of the building.

355

00:26:14,240 --> 00:26:17,140

But the hose was tangled and twisted.

356

00:26:17,240 --> 00:26:31,140

When I started to draw down on my air tank, my mask started to collapse on my face. And I knew at that point that I was out of air. So I removed my mask and was confused. I started to become disoriented.

357

00:26:31,140 --> 00:26:37,140

I realized that I was going to have to do something very, very drastic or very, very lucky to get out of this building.

358

00:26:37,240 --> 00:26:40,140

But he couldn't see any lights or any way out.

359

00:26:40,240 --> 00:26:49,140

And this is when I decided, well, maybe this is it for me. Maybe this is my final fire. Maybe this is when I meet my last alarm.

360

00:26:49,140 --> 00:27:02,140

I started to cough and gag. What I decided to do at that point was just settle up my life, I guess. And I knelt down and I asked for some type of divine intervention.

361

00:27:02,240 --> 00:27:09,140

And that's when Carter says he saw something that couldn't possibly be there, but was.

362

00:27:09,140 --> 00:27:19,140

Across the room, I just saw something out of the corner of my eye. It was like a blue light, a light blue light.

363

00:27:19,240 --> 00:27:32,140

It grew larger and it started to take the shape of a young lady. And a bathen still the blue light. Her clothes was like a long billowing type veils.

364

00:27:32,140 --> 00:27:42,140

And a very peaceful, very serene look on her face. Of course, I was startled and thinking, well, maybe I've already died.

365

00:27:42,240 --> 00:27:53,140

And this is the after death experience that people have explained to me over the years that they've gone through. And it's time for me to offer myself up.

366

00:27:53,240 --> 00:27:55,140

Carter prepared himself to die.

367

00:27:55,140 --> 00:28:00,140

And at that point, I looked her right in the face and I said, if you're here to take me, then I'm ready to go.

368

00:28:00,240 --> 00:28:05,140

I said, but if you're here to help me, then show me the way out, please, now.

369

00:28:05,240 --> 00:28:13,140

And at that point, I mean, she never changed her expression or anything on her face, but she did lift her arm and she pointed.

370

00:28:13,240 --> 00:28:19,140

I got up off my knees and went the way she had pointed. I had no idea where I was headed.

371

00:28:19,140 --> 00:28:33,140

When I got to the point where she had pointed, I felt nothing but wall. But when I pushed on this section where I was standing, a door opened and I fell out into the parking lot.

372

00:28:33,240 --> 00:28:40,140

After the fire was out, Carter returned to the scene of the apparition. He found a post in the middle of the room.

373

00:28:40,140 --> 00:28:50,140

And I walked over to the post and I said, well, this is what I had to see. With blue lights on it, still trying to, I think, deny a little bit this whole incident.

374

00:28:50,240 --> 00:28:54,140

Then for some reason, Carter took off his glove.

375

00:28:54,240 --> 00:29:02,140

I don't know why, because everything inside of this building was still extremely hot. But when I touched the post, the post was cold.

376

00:29:03,140 --> 00:29:10,140

And as I touched the post, like a blue tinge started to encircle my hand.

377

00:29:10,240 --> 00:29:21,140

And I knew then that this was totally, totally a true incident that happened to me. And this is when I really, really decided it's time to thank somebody.

378

00:29:21,240 --> 00:29:30,140

Angel researcher Alma Daniel feels that Carter's story is extremely similar to those told by others who have encountered angels.

379

00:29:31,140 --> 00:29:37,140

An angel cannot interfere with your free will or your destiny, but if it is not, you're time to go.

380

00:29:37,240 --> 00:29:47,140

The angel will definitely guide you through whatever situation, whatever traumatic moment that you are in, whatever danger you may be in, will make sure that you get out.

381

00:29:47,240 --> 00:29:54,140

Carter's fellow fireman wondered how he survived. Many firefighters insist angels have helped them.

382

00:29:54,140 --> 00:30:02,140

You go out on their call and after you're told what you kind of stand back, you're looking so, how did we come through this one piece and in the back of your mind, you know, the whole time?

383

00:30:02,240 --> 00:30:06,140

You got somebody looking after you, there's no doubt about it.

384

00:30:06,240 --> 00:30:09,140

I think we definitely have got someone looking after us.

385

00:30:09,240 --> 00:30:13,140

We have guarded angels after looking after us.

386

00:30:13,240 --> 00:30:23,140

If you have not fulfilled your purpose on this planet, if you still have a contribution to make, the angel will be there and make sure that you get through.

387

00:30:23,140 --> 00:30:29,140

His life saved by a miracle in the fire. Carter now saves lives as a paramedic.

388

00:30:29,240 --> 00:30:39,140

It's a terrific job. You can help so many people through so many situations. Saving a life is, there's nothing in this world that compares to nothing.

389

00:30:39,240 --> 00:30:44,140

And Carter's angel has left an indelible imprint on his life.

390

00:30:44,240 --> 00:30:51,140

And I still see her vision every now and then. I still picture her even today. I get chilled.

391

00:30:52,140 --> 00:30:58,140

Next on Unexplained Mysteries. A man's lifeless body lies by the side of a road.

392

00:30:58,240 --> 00:31:03,140

Stunned paramedics watch as a mysterious woman brings him back to life.

393

00:31:03,240 --> 00:31:11,140

Lady in black came in. She had a Bible in her hands. And I was in awe at this woman.

394

00:31:11,240 --> 00:31:15,140

And we'll give you our all-inclusive review in the Unexpected Horde.

395

00:31:15,240 --> 00:31:19,140

Stick around for more Unexplained Mysteries.

396

00:31:21,140 --> 00:31:28,140

Un-Explained Mysteries. Miracles on Earth.

397

00:31:29,140 --> 00:31:36,140

Unexplained Mysteries. Miracles on Earth.

398

00:31:45,140 --> 00:31:51,140

Mansfield, Ohio. Bob Davidson was a volunteer fireman going through rough times.

399

00:31:52,140 --> 00:31:59,140

His father had just passed away. And he was concerned about his rocky relationship with his daughter.

400

00:31:59,240 --> 00:32:05,140

We didn't get along. A teenage daughter and a father. You know, we had our differences.

401

00:32:05,240 --> 00:32:11,140

So Davidson decided to take a break. Wearing his father's watch to honor him as usual.

402

00:32:11,240 --> 00:32:19,140

He hopped on his motorcycle and hit the road. Heading to Indianapolis to visit family. But it was raining hard.

403

00:32:19,140 --> 00:32:27,140

When you're doing 60 mile an hour, a rain drop feels pretty stingy on your arms when it hits.

404

00:32:27,240 --> 00:32:32,140

Despite their disagreements, his daughter was worried about him.

405

00:32:32,240 --> 00:32:39,140

Being seven months pregnant, I, um, for months I had had dreams that something happened to Dad.

406

00:32:39,240 --> 00:32:43,140

I had a feeling that Dad wasn't going to be there to see my baby born.

407

00:32:43,140 --> 00:32:48,140

Near Acton, Indiana, Davidson pulled over to get into his rain gear.

408

00:32:48,240 --> 00:32:52,140

Unaware of the shocking twist of fate that awaited him.

409

00:32:52,240 --> 00:32:58,140

Maybe it was that weird stuff. You got to be at the right place at the right time and I was supposed to get struck by lightning.

410

00:32:58,240 --> 00:33:01,140

Electricity shot through his body.

411

00:33:01,240 --> 00:33:08,140

I mean, when we got there, the man was, was gray. I, you know, sign of life whatsoever.

412

00:33:08,140 --> 00:33:13,140

Rescue workers arrived and knew immediately that Davidson was in bad shape.

413

00:33:13,240 --> 00:33:17,140

They called for a helicopter, but it couldn't fly in the store.

414

00:33:19,140 --> 00:33:28,140

When I got there and saw this man where the lightning struck, it was actually smaller. It looked like steam coming out of the wound.

415

00:33:28,240 --> 00:33:33,140

The bolt had welded his father's watch and ripped the boots off his feet.

416

00:33:33,140 --> 00:33:38,140

I think in the back of all firefighters' minds, you're saying a prayer.

417

00:33:38,240 --> 00:33:43,140

As they tried in vain to resuscitate Davidson, weird things started to happen.

418

00:33:45,140 --> 00:33:52,140

The ambulance was with a practically new vehicle. It had, uh, power failure.

419

00:33:52,240 --> 00:33:58,140

I don't mean just the lights went out on the ambulance. I mean, the ambulance went completely different.

420

00:33:59,140 --> 00:34:05,140

Out of the clear blue sky, a lady in black came in. She had a Bible in her hands.

421

00:34:05,240 --> 00:34:08,140

And I was in awe at this woman.

422

00:34:09,140 --> 00:34:15,140

Dressed in old-fashioned clothes, the woman wanted to touch Davidson and the ground simultaneously.

423

00:34:17,140 --> 00:34:21,140

That's when I said, you know, let her do what she has to do.

424

00:34:21,240 --> 00:34:25,140

Without even thinking about it, the words just came out of my mouth.

425

00:34:25,140 --> 00:34:30,140

The woman in black began to hit Davidson on the chest with the Bible.

426

00:34:30,240 --> 00:34:34,140

According to the paramedics, she started speaking in tongues.

427

00:34:34,240 --> 00:34:43,140

Even with the rain falling, everybody was soaked. She wasn't. She was not remotely wet.

428

00:34:43,240 --> 00:34:47,140

Suddenly, Davidson showed signs of life.

429

00:34:47,240 --> 00:34:51,140

She looked me right down the eyes and smiled. Not a word said.

430

00:34:52,140 --> 00:34:55,140

She stood up and walked away.

431

00:34:55,240 --> 00:35:03,240

As quickly as she arrived, the woman in black disappeared. The paramedics kept working on Davidson.

432

00:35:03,340 --> 00:35:08,240

It was almost like the sky was parting back. Everything was clearing up.

433

00:35:08,340 --> 00:35:14,240

It's weird. His blood pressure started coming back up. They got a pulse on him. Color started coming back into him.

434

00:35:14,340 --> 00:35:20,240

And no one knows where this lady came from or where she went to. It is truly a miracle.

435

00:35:20,340 --> 00:35:27,340

But Davidson was still in critical condition. His daughter wasn't sure he'd lived to see the birth of his grandchild.

436

00:35:27,440 --> 00:35:36,340

They didn't think he was going to make it through the first night. And then every day after that, that he made it, it was, you know, wow, this guy's still hanging on.

437

00:35:36,440 --> 00:35:42,340

While comatose, Davidson had unusual dreams and visions about his father.

438

00:35:42,440 --> 00:35:50,440

I can still see him setting under this tree. And it's the most beautiful place that you've ever seen.

439

00:35:50,540 --> 00:35:53,440

I have never seen any place like it on this earth.

440

00:35:53,540 --> 00:36:00,440

And that makes you stop and think, well, was he there with him? When dad was in the coma and wasn't really there or so?

441

00:36:00,540 --> 00:36:05,440

I know if that's the place you go when you die, I want to go there.

442

00:36:06,440 --> 00:36:14,540

After seven weeks in the coma, he regained consciousness just in time to witness the birth of his first grandchild.

443

00:36:14,640 --> 00:36:19,540

I named the baby after dad. He's named after his grandpa.

444

00:36:24,140 --> 00:36:29,540

Clues to the identity of the woman in black may come from Acton's past.

445

00:36:29,640 --> 00:36:37,940

Acton, having been a spiritual center for many years, perhaps some of that has held over.

446

00:36:38,040 --> 00:36:43,240

In the 1800s, Acton was the home of a religious campground.

447

00:36:43,340 --> 00:36:51,240

It was a generation that believed in maybe more than we do now in the spiritual powers.

448

00:36:51,340 --> 00:36:55,240

But one day, a fire started on the religious site.

449

00:36:55,640 --> 00:37:03,340

The fire went so quickly that they didn't have any real opportunity to stop it, although they tried.

450

00:37:03,440 --> 00:37:11,540

Some feel that the woman in black was a spirit from the burned campground, who saved Davidson's life because he was a firefighter.

451

00:37:11,640 --> 00:37:16,440

In the Acton Museum are an old-fashioned black dress and a Bible.

452

00:37:16,540 --> 00:37:21,540

Exactly like the paramedics saw, the night Bob Davidson was brought back to life.

453

00:37:21,640 --> 00:37:30,240

I would just like to walk along with her and tell her how much I appreciate what she did and give me a second chance online.

454

00:37:30,340 --> 00:37:35,640

I don't know what happened here on this stretch of highway, but it definitely was a miracle.

455

00:37:36,640 --> 00:37:41,240

Coming up on Unexplained Mysteries, a full account of miracles on Earth.

456

00:37:41,340 --> 00:37:48,340

In the Unex Report, stories from people who died and the miracles that bring them back.

457

00:37:48,440 --> 00:37:51,740

What happens to these people in between life and death?

458

00:37:51,840 --> 00:37:55,340

Are guardian angels guiding them back to Earth?

459

00:37:55,440 --> 00:37:59,340

Are angels actually the spirits of the dead?

460

00:38:01,840 --> 00:38:06,340

We'll sum it all up next in the Unex Report.

461

00:38:15,340 --> 00:38:17,340

The Unex Report.

462

00:38:19,340 --> 00:38:24,340

People make remarkable recoveries from devastating traumas.

463

00:38:24,440 --> 00:38:26,340

Do miracles exist on Earth?

464

00:38:26,440 --> 00:38:29,840

A child hit by a truck suffers massive injuries.

465

00:38:29,940 --> 00:38:35,340

He lost over four and a half units in the street, which is almost half your body's blood.

466

00:38:35,440 --> 00:38:40,340

Yet he lived. His father says it was due to the power of prayer.

467

00:38:40,440 --> 00:38:47,840

I'm fully convinced that was every bit as important a part as what the doctors is.

468

00:38:48,840 --> 00:38:53,340

Some researchers are convinced of the positive effect of prayer.

469

00:38:53,440 --> 00:39:00,840

If you take prayer into the clinic or the hospital or the laboratory and test it, you can actually show that prayer does something.

470

00:39:01,840 --> 00:39:08,840

The similarities and stories of children's near-death experiences are convincing experts that miracles exist.

471

00:39:08,940 --> 00:39:15,840

Children experience a spiritual light. It's a light that one child said to me has a lot of good things in it.

472

00:39:15,840 --> 00:39:25,840

I saw a guardian angel and she had flowing golden color hair and she was wearing a white dress.

473

00:39:25,940 --> 00:39:31,840

It started screaming, mama, mama, that's my angel. And there was a poster on the wall and it was of a guardian angel.

474

00:39:31,940 --> 00:39:38,840

In heaven, it's bright like that. I saw my mom and I saw the man, the man told me how to go back.

475

00:39:38,940 --> 00:39:42,840

And my mom said she loved me and then that's all I remember.

476

00:39:42,840 --> 00:39:45,840

And some feel it gives them a renewed purpose in life.

477

00:39:45,940 --> 00:39:52,840

I think that it happened so I could tell other people not to be afraid of dying.

478

00:39:54,840 --> 00:39:59,840

There are said to be places with miraculous healing powers like Batania, Venezuela.

479

00:40:00,840 --> 00:40:05,840

I've seen a woman 45 years, she was bent over scoliosis when she left here, she stood straight up.

480

00:40:06,840 --> 00:40:10,840

Where a psychic healer is said to cure those with grave afflictions.

481

00:40:10,840 --> 00:40:14,840

When you meet her, she knows everything about you, the present, the past and the future.

482

00:40:15,840 --> 00:40:18,840

A family is certain she cured their son's spiled deformity.

483

00:40:19,840 --> 00:40:22,840

She said he's going to begin to become completely healed.

484

00:40:23,840 --> 00:40:28,840

We notice an immediate dramatic change in Ryan. He was so strong.

485

00:40:29,840 --> 00:40:33,840

Some claim that angels come to them in their most dire moments.

486

00:40:33,840 --> 00:40:40,840

It was like a blue light and it started to take the shape of a young lady.

487

00:40:41,840 --> 00:40:47,840

She did lift her arm and she pointed, pushed on this section, a door opened and I fell out into the parking lot.

488

00:40:48,840 --> 00:40:52,840

And no one knows where this lady came from or where she went to. It is truly a miracle.

489

00:40:53,840 --> 00:40:58,840

Could all these eyewitnesses be wrong or did they experience actual miracles?

490

00:40:58,840 --> 00:41:07,840

These are questions without answers. That is why for now they must remain an unexplained mystery.
