

1

00:00:00,000 --> 00:00:03,000

The goal is not to get the person to die.

2

00:00:03,000 --> 00:00:06,000

The goal is to follow nature.

3

00:00:06,000 --> 00:00:11,000

This time on Unexplained Mysteries, psychic healers.

4

00:00:11,000 --> 00:00:14,000

They have the power to heal with the touch of a hand.

5

00:00:14,000 --> 00:00:17,000

I do it because that's what I need to do.

6

00:00:17,000 --> 00:00:20,000

Seeing a cancerous tumor is instantly disappeared.

7

00:00:20,000 --> 00:00:23,000

Sometimes it was almost like a mirror.

8

00:00:23,000 --> 00:00:25,000

In our exclusive case studies,

9

00:00:25,000 --> 00:00:29,000

we'll hear the amazing stories of people whose lives have been saved.

10

00:00:29,000 --> 00:00:33,000

After one session with him, I was healed forever and ever.

11

00:00:33,000 --> 00:00:36,000

In two weeks, I was seeing just a complete clear.

12

00:00:36,000 --> 00:00:40,000

I'd seen a miracle. I'd never seen a miracle.

13

00:00:40,000 --> 00:00:44,000

The woman who owes her sight to a psychic healer.

14

00:00:44,000 --> 00:00:48,000

I can see as a result of my contact with Henry Ecker.

15

00:00:48,000 --> 00:00:52,000

The skeptical doctor who gave psychic healing a chance.

16

00:00:52,000 --> 00:00:54,000

I said this is ridiculous, it's not going to work,

17

00:00:54,000 --> 00:00:57,000

but it's probably relatively harmful, so why not?

18

00:00:57,000 --> 00:00:59,000

We'll examine the theories.

19

00:00:59,000 --> 00:01:02,000

Many healers seem to have had some serious illness in the past.

20

00:01:02,000 --> 00:01:07,000

And talk to the scientists who study spiritual healers.

21

00:01:07,000 --> 00:01:12,000

There is an actual physiological change that occurs in the patient.

22

00:01:12,000 --> 00:01:15,000

I've seen patients who are paralyzed get up and walk.

23

00:01:15,000 --> 00:01:19,000

Ultimately, I don't suppose we are now decided to grave.

24

00:01:19,000 --> 00:01:22,000

With our data files, we'll unlock the mystery

25

00:01:22,000 --> 00:01:26,000

and find out if the phenomenon is real or if it's a hoax.

26

00:01:26,000 --> 00:01:30,000

I think it's any question that some people seem to have

27

00:01:30,000 --> 00:01:33,000

a natural talent or ability to heal others.

28

00:01:33,000 --> 00:01:37,000

And we'll give you the final analysis in our UNEX record

29

00:01:37,000 --> 00:01:41,000

as we uncover what the medical profession doesn't want you to know

30

00:01:41,000 --> 00:01:44,000

on Unexplained Mysteries Psychic Healers.

31

00:01:47,000 --> 00:01:50,000

They call it the laying on of hands.

32

00:01:50,000 --> 00:01:54,000

Psychic healers that seem to harness some unknown energy

33

00:01:54,000 --> 00:01:59,000

to cure disease, injury, and even blindness.

34

00:02:01,000 --> 00:02:05,000

It is a practice that dates back to the dawn of civilization.

35

00:02:05,000 --> 00:02:09,000

There are parts of the world where these ancient healing rituals

36

00:02:09,000 --> 00:02:11,000

are still performed.

37

00:02:11,000 --> 00:02:14,000

Shamans cast out what they believe to be evil spirits

38

00:02:14,000 --> 00:02:19,000

in elaborate ceremonies, chanting by a ring of fire,

39

00:02:19,000 --> 00:02:23,000

dancing to the beat of a tribal drum.

40

00:02:23,000 --> 00:02:27,000

Sometimes, they are able to make people well.

41

00:02:27,000 --> 00:02:30,000

Western society has turned to the ancient ways,

42

00:02:30,000 --> 00:02:34,000

embracing such alternative practices as acupuncture,

43

00:02:34,000 --> 00:02:38,000

yoga, and massage therapy.

44

00:02:38,000 --> 00:02:42,000

Those who use these techniques claim the power of the mind

45

00:02:42,000 --> 00:02:44,000

can heal the body.

46

00:02:44,000 --> 00:02:48,000

There is an actual physiological change that occurs in the patient

47

00:02:48,000 --> 00:02:51,000

who has been treated by laying on of hands.

48

00:02:51,000 --> 00:02:54,000

That occurs within certain blood components.

49

00:02:54,000 --> 00:02:58,000

According to this school of thought, the message is,

50

00:02:58,000 --> 00:03:01,000

patient heal thyself.

51

00:03:01,000 --> 00:03:04,000

Apocrates was very deeply involved in this.

52

00:03:04,000 --> 00:03:07,000

He said all of illness has an emotional component,

53

00:03:07,000 --> 00:03:10,000

and we've discarded this.

54

00:03:10,000 --> 00:03:15,000

Chronically ill patients come to tranquil Sedona, Arizona

55

00:03:15,000 --> 00:03:19,000

to participate in a variety of healing workshops.

56

00:03:19,000 --> 00:03:24,000

By using choline, vibrational therapy, and crystals,

57

00:03:24,000 --> 00:03:27,000

patients like Michael Chalam find success

58

00:03:27,000 --> 00:03:31,000

where conventional medicine has failed.

59

00:03:31,000 --> 00:03:34,000

I've been sick for about six and a half years.

60

00:03:34,000 --> 00:03:37,000

Infection in my blood and liver, my intestines.

61

00:03:37,000 --> 00:03:40,000

And I worked with traditional doctors for a while,

62

00:03:40,000 --> 00:03:44,000

and I think their understanding of that type of illness

63

00:03:44,000 --> 00:03:46,000

is very limited.

64

00:03:46,000 --> 00:03:48,000

Actually, I think what I was doing with them

65

00:03:48,000 --> 00:03:50,000

was detrimental to my health.

66

00:03:50,000 --> 00:03:55,000

And I've had profound experiences with healers,

67

00:03:55,000 --> 00:03:57,000

so I know that this is real.

68

00:03:57,000 --> 00:04:00,000

At the Manager Foundation, the phenomenon of psychic healing

69

00:04:00,000 --> 00:04:03,000

is studied in a clinical environment.

70

00:04:03,000 --> 00:04:06,000

What we're really doing, I think, in terms of healing,

71

00:04:06,000 --> 00:04:12,000

is teaching people how to mobilize their own internal healing resources,

72

00:04:12,000 --> 00:04:15,000

both positive and negative emotions,

73

00:04:15,000 --> 00:04:18,000

affect the chemical environment in the body,

74

00:04:18,000 --> 00:04:20,000

so every emotion to some extent

75

00:04:20,000 --> 00:04:23,000

may be very minor affects the immune system.

76

00:04:28,000 --> 00:04:32,000

When a cure is beyond the ability of an individual

77

00:04:32,000 --> 00:04:35,000

or even a doctor, there are psychic healers,

78

00:04:35,000 --> 00:04:38,000

people like Douglas Johnson.

79

00:04:38,000 --> 00:04:40,000

I don't even know what it is,

80

00:04:40,000 --> 00:04:43,000

but I think in cancerous tumors, instantaneously disappear.

81

00:04:43,000 --> 00:04:45,000

I've seen blind people practically instantly see.

82

00:04:45,000 --> 00:04:48,000

Dr. C. Norman Shealy has studied the phenomenon

83

00:04:48,000 --> 00:04:51,000

for more than 25 years.

84

00:04:51,000 --> 00:04:55,000

He now works with healers in his daily practice.

85

00:04:55,000 --> 00:04:59,000

The definition of a healer is really difficult to come by,

86

00:04:59,000 --> 00:05:03,000

and most healers will tell you that they don't heal.

87

00:05:03,000 --> 00:05:06,000

They are channels for healing energy.

88

00:05:06,000 --> 00:05:10,000

I started by, of course, asking for the help from the spirit

89

00:05:10,000 --> 00:05:13,000

because I believe it all comes from the God for us,

90

00:05:13,000 --> 00:05:16,000

and then we open up to it and let that energy flow

91

00:05:16,000 --> 00:05:19,000

and whatever the problem is, it's just taken care of.

92

00:05:25,000 --> 00:05:27,000

Before I went to Douglas Johnson,

93

00:05:27,000 --> 00:05:31,000

I couldn't see from here to where your cars are down here.

94

00:05:31,000 --> 00:05:34,000

Now that's about 25 feet.

95

00:05:34,000 --> 00:05:37,000

But now after Douglas Johnson and the healing,

96

00:05:37,000 --> 00:05:42,000

I can see all those buildings all the way back.

97

00:05:42,000 --> 00:05:45,000

Josephine Hauke was diagnosed with glaucoma.

98

00:05:45,000 --> 00:05:49,000

She suffered blinding headaches as her sight deteriorated.

99

00:05:49,000 --> 00:05:54,000

After one session with Douglas, she was cured.

100

00:05:54,000 --> 00:05:59,000

I said, Dr. Huy, the first time I came here,

101

00:05:59,000 --> 00:06:02,000

I said, you told me it was glaucoma,

102

00:06:02,000 --> 00:06:04,000

and he says, I don't know what happened.

103

00:06:04,000 --> 00:06:08,000

And he checked me out because he didn't believe in it.

104

00:06:08,000 --> 00:06:10,000

See, he couldn't find nothing.

105

00:06:15,000 --> 00:06:17,000

When viewed with a thermal camera,

106

00:06:17,000 --> 00:06:21,000

immense heat can be seen emanating from Johnson's palms.

107

00:06:21,000 --> 00:06:23,000

It's like when you're on a hot, hot day,

108

00:06:23,000 --> 00:06:26,000

you see waves coming up off the pavement,

109

00:06:26,000 --> 00:06:29,000

or that's what I feel is coming out of my hand.

110

00:06:33,000 --> 00:06:39,000

Jeff Bouldwood of Glastonbury, England demonstrates his healing touch.

111

00:06:39,000 --> 00:06:44,000

As he does, an aromatic oil emanates from his hands.

112

00:06:44,000 --> 00:06:50,000

The camera records this remarkable event in a single, unedited shot.

113

00:06:53,000 --> 00:07:00,000

All of a sudden, from nowhere, from Jeff's stroking of my hand,

114

00:07:01,000 --> 00:07:04,000

there's this divine oil coming through.

115

00:07:04,000 --> 00:07:08,000

And the smell, the smell was amazing.

116

00:07:08,000 --> 00:07:13,000

The smell filled the room just from Jeff manifesting his oil on my hand.

117

00:07:18,000 --> 00:07:24,000

Colin hides life almost ended one day while fixing the brakes on his car.

118

00:07:24,000 --> 00:07:29,000

The jack failed, and the car landed on his head, crushing his skull.

119

00:07:30,000 --> 00:07:36,000

Although he survived, he was left with paralysis, blurry vision, slurred speech,

120

00:07:36,000 --> 00:07:40,000

and a cerebral fluid, or CFS leak.

121

00:07:40,000 --> 00:07:44,000

Colin's wife, Jenny, suggested that he see Jeff Bouldwood.

122

00:07:44,000 --> 00:07:49,000

Within two weeks of seeing Jeff, I had no CFS leak.

123

00:07:49,000 --> 00:07:51,000

I had no CFS leak.

124

00:07:51,000 --> 00:07:54,000

It was completely clear.

125

00:07:54,000 --> 00:07:57,000

And I was, well, something had happened.

126

00:07:57,000 --> 00:07:59,000

Something had happened.

127

00:07:59,000 --> 00:08:04,000

After a month of treatments, all of Colin's symptoms were gone.

128

00:08:04,000 --> 00:08:10,000

I noticed that he became very much more upright,

129

00:08:10,000 --> 00:08:16,000

and he was very much more autified with life.

130

00:08:16,000 --> 00:08:20,000

The question of why I have certain gifts, it comes up a great deal.

131

00:08:20,000 --> 00:08:24,000

Philosophically, I often say to people, there's no such thing as why.

132

00:08:24,000 --> 00:08:26,000

I don't ever question it in that way.

133

00:08:26,000 --> 00:08:29,000

I do it because that's what I'm here to do.

134

00:08:34,000 --> 00:08:39,000

Dr. Anthony Schofield of Cambridge University has his own theory.

135

00:08:39,000 --> 00:08:42,000

Many healers seem to have had some serious illness in the past.

136

00:08:42,000 --> 00:08:47,000

And it seems to me as if they've loosened their ties with this material world

137

00:08:47,000 --> 00:08:51,000

and seem to have one foot in this world and one foot in the other world.

138

00:08:51,000 --> 00:08:54,000

And it's this wounded healer phenomenon

139

00:08:54,000 --> 00:08:59,000

that seems to allow them to channel these healing energies.

140

00:08:59,000 --> 00:09:05,000

Both Douglas Johnson and Jeff Bultwood had near-death experiences as children.

141

00:09:05,000 --> 00:09:09,000

But does this explain the power they both seem to possess today?

142

00:09:09,000 --> 00:09:12,000

Ultimately, I don't suppose we'll know this side of the grave,

143

00:09:12,000 --> 00:09:15,000

quite frankly, what the true answer is.

144

00:09:15,000 --> 00:09:19,000

But all we do know is that healing works.

145

00:09:20,000 --> 00:09:23,000

Coming up on Unexplained Mysteries,

146

00:09:23,000 --> 00:09:26,000

the phenomenon of psychic healing revealed.

147

00:09:26,000 --> 00:09:30,000

I could feel the heat oozing from his scent like an oven.

148

00:09:31,000 --> 00:09:34,000

A medical doctor turns to a healer for help.

149

00:09:34,000 --> 00:09:39,000

I asked him to come up to my clinic. He was excellent.

150

00:09:39,000 --> 00:09:43,000

A blind woman sees again with a single touch.

151

00:09:43,000 --> 00:09:48,000

Henry Wrecker healed my eyes and didn't charge me a dime.

152

00:09:48,000 --> 00:09:52,000

The psychic who is amazed by his own power.

153

00:09:52,000 --> 00:09:54,000

Sometimes it was almost like a mirror.

154

00:09:54,000 --> 00:09:57,000

In an Unexplained Mysteries case study,

155

00:09:57,000 --> 00:10:01,000

you'll see the phenomenal results of a psychic healer to the stars.

156

00:10:01,000 --> 00:10:05,000

The one session with him, I was healed forever and ever.

157

00:10:05,000 --> 00:10:11,000

Meet a mother whose healing treatments reversed an incurable disease.

158

00:10:11,000 --> 00:10:15,000

And I had my dress all picked out for what I was to be buried in.

159

00:10:15,000 --> 00:10:18,000

She's back and she's stealing more than she ever did before.

160

00:10:18,000 --> 00:10:21,000

Words cannot express the feeling that one has with her.

161

00:10:22,000 --> 00:10:23,000

This happens.

162

00:10:23,000 --> 00:10:25,000

How does it work? I don't have any idea.

163

00:10:25,000 --> 00:10:28,000

Does it work? It does.

164

00:10:28,000 --> 00:10:33,000

And we'll give you the ultimate account with our Unex report.

165

00:10:33,000 --> 00:10:38,000

Stay tuned for more on Unexplained Mysteries.

166

00:10:41,000 --> 00:10:46,000

Unexplained Mysteries Psychic Healers.

167

00:10:53,000 --> 00:10:59,000

The case of Henry Wrecker supports the theory that a near-death experience

168

00:10:59,000 --> 00:11:02,000

can bring out healing powers.

169

00:11:02,000 --> 00:11:05,000

I went to a hospital at 10 years old for a ton of selective.

170

00:11:05,000 --> 00:11:09,000

I woke up and I couldn't stay in my body.

171

00:11:09,000 --> 00:11:14,000

I'd find myself on the other side of the room looking at it and it panicked me.

172

00:11:14,000 --> 00:11:16,000

And I thought I was dying or was dead.

173

00:11:16,000 --> 00:11:21,000

And I tried my best to stay in my body and finally I dropped off to sleep.

174

00:11:22,000 --> 00:11:25,000

Ayesha Greis is also a believer.

175

00:11:25,000 --> 00:11:32,000

30 years ago, Ayesha Greis was diagnosed with retinitis pigmentosa and was going blind.

176

00:11:32,000 --> 00:11:37,000

While attending a spiritual retreat, she met Henry Wrecker.

177

00:11:37,000 --> 00:11:46,000

I got a healing from him and didn't realize it until I went back to the hospital for my regular checkup.

178

00:11:46,000 --> 00:11:52,000

So after he worked on me, then the doctors decided that they've made a mistake.

179

00:11:52,000 --> 00:12:00,000

I can see and I can drive and I drive at night as a result of my contact with Henry Wrecker.

180

00:12:00,000 --> 00:12:05,000

Henry's abilities have even won him the praise of medical professionals.

181

00:12:05,000 --> 00:12:12,000

Henry in one or two sessions with a patient can do more than any psychiatrist or psychologist

182

00:12:12,000 --> 00:12:16,000

I've ever known in my life could do in weeks or months of therapy.

183

00:12:16,000 --> 00:12:20,000

Wrecker and Shealy have worked together for more than 20 years.

184

00:12:20,000 --> 00:12:28,000

Today, Dr. Shealy gathers scientific data from each session in an attempt to understand why psychic healing works.

185

00:12:31,000 --> 00:12:37,000

Three women suffering from chronic pain are about to undergo a healing with Wrecker.

186

00:12:37,000 --> 00:12:41,000

Blood is first drawn to measure the hormone DHEA.

187

00:12:41,000 --> 00:12:50,000

People with deficiencies in DHEA have all the major illnesses, heart disease, diabetes, depression, you name it.

188

00:12:50,000 --> 00:13:02,000

If the DHEA goes up on these patients, any one of them, even 10% in such a short period of time, I will consider that a near miracle of healing.

189

00:13:02,000 --> 00:13:11,000

You have to keep in mind that my thing is a spiritual thing and that I really don't have a control over what happens.

190

00:13:11,000 --> 00:13:18,000

Intuitively, I feel very strongly that these three people are going to be helped tremendously.

191

00:13:20,000 --> 00:13:26,000

Blood is drawn again. The DHEA level is tested by an independent lab.

192

00:13:26,000 --> 00:13:33,000

The results are impressive. In each case, the hormone increased substantially.

193

00:13:33,000 --> 00:13:43,000

I know of nothing that one could do, especially with a single shot, so to speak, in which you could raise DHEA 100% or 55%.

194

00:13:43,000 --> 00:13:50,000

In medicine, if we were to give a drug and get this kind of response, it would be a miracle.

195

00:13:50,000 --> 00:13:58,000

I see this as a healing industry. In my ministry, most of the people that I have sought to help have truly been helped.

196

00:13:58,000 --> 00:14:04,000

Whether it be emotional, whether it be a cessation of pain, and sometimes it was almost like a miracle.

197

00:14:04,000 --> 00:14:10,000

Henry Rucker healed my eyes and didn't charge me a dime. I didn't get a bill in the mail.

198

00:14:10,000 --> 00:14:13,000

I got hugs and kisses when I told him that it worked.

199

00:14:13,000 --> 00:14:23,000

This friend of mine took me to lunch and sat me down and said, there's no reason why you should be in this pain.

200

00:14:23,000 --> 00:14:26,000

Dean Kraft will heal you. He's real.

201

00:14:26,000 --> 00:14:31,000

Dean Kraft was a struggling musician when he discovered his healing powers.

202

00:14:34,000 --> 00:14:38,000

I believe that medical doctors are meant to diagnose. I believe very much in medical science.

203

00:14:39,000 --> 00:14:43,000

And basically, I work on most of the cases after doctors have given up.

204

00:14:43,000 --> 00:14:49,000

His results have been so dramatic that his clients include members of the medical establishment.

205

00:14:51,000 --> 00:14:57,000

I've seen patients who are paralyzed get up and walk. I have seen people who have cancer no longer have cancer.

206

00:14:57,000 --> 00:14:59,000

I've been watching this happening for 12 years.

207

00:15:00,000 --> 00:15:05,000

Kraft's talent has been studied by dozens of respected institutions.

208

00:15:05,000 --> 00:15:14,000

In one study, he lowered the blood pressure of rats. In another, he destroyed cancer cells in a research lab.

209

00:15:14,000 --> 00:15:20,000

And Howard University documented a 40% success rate with his patients.

210

00:15:20,000 --> 00:15:24,000

But even he doesn't fully understand why he can heal.

211

00:15:24,000 --> 00:15:30,000

We know that it can affect things, but we haven't been able yet to determine what is this energy.

212

00:15:30,000 --> 00:15:36,000

You know, energy is a very loose word. I don't even like the word energy. You know, it's a very loose word that's used.

213

00:15:36,000 --> 00:15:41,000

But it's the best one, I guess, to describe something that's some type of transference that's taking place.

214

00:15:41,000 --> 00:15:47,000

Kraft's reputation has also made him one of the most sought-after healers in Hollywood.

215

00:15:47,000 --> 00:15:53,000

I had very bad sciatica for about a year and a half. I was seeing a chiropractor constantly.

216

00:15:53,000 --> 00:15:58,000

And that would alleviate the pain for about an hour. And then it would just slowly come back during the day.

217

00:15:58,000 --> 00:16:04,000

I was basically in tears most of the time and my quality of life was nil.

218

00:16:04,000 --> 00:16:09,000

Then I went to see Dean and I remember thinking, well, is this going to work?

219

00:16:09,000 --> 00:16:14,000

And after one session with him, I was healed forever and ever.

220

00:16:15,000 --> 00:16:25,000

It was my birthday. I was 43 years old and they told me I had Lou Gehrig's disease.

221

00:16:25,000 --> 00:16:31,000

Well, they actually said amnetrophic lateral sclerosis and I still wasn't real sure what that was.

222

00:16:31,000 --> 00:16:41,000

Lou Gehrig's disease, or ALS, is a neuromuscular disease that eventually results in paralysis and death.

223

00:16:41,000 --> 00:16:46,000

Once diagnosed, there is nothing doctors can do for a patient.

224

00:16:46,000 --> 00:16:57,000

She just kept getting progressively worse and I guess from the time she was diagnosed until she was basically an invalid, it was only about six months or something.

225

00:16:57,000 --> 00:17:02,000

Nelda lost the ability to move her arms and legs.

226

00:17:02,000 --> 00:17:07,000

Confined to a wheelchair, she prepared for the worst.

227

00:17:07,000 --> 00:17:15,000

I gave away most of my good clothing that I had and I had my dress all picked out for what I was to be buried in.

228

00:17:15,000 --> 00:17:19,000

Then a friend told her about Dean Kraft.

229

00:17:19,000 --> 00:17:23,000

And it was just such a relief to talk to him.

230

00:17:23,000 --> 00:17:30,000

I said that the doctors say there's no hope and he said, well, he said that's not always true.

231

00:17:30,000 --> 00:17:38,000

Dean worked with Nelda for three months with no improvement. Then something happened.

232

00:17:38,000 --> 00:17:43,000

In May, Lynn was showering me and I could move my toe and that was so exciting.

233

00:17:43,000 --> 00:17:46,000

Slowly, Nelda's recovery continued.

234

00:17:46,000 --> 00:17:52,000

Movement returned to her hands, then her back and finally her arms and legs.

235

00:17:52,000 --> 00:17:58,000

Kraft continued his treatments as Nelda began her own regimen of physical therapy.

236

00:17:58,000 --> 00:18:02,000

Within a year, her recovery was complete.

237

00:18:02,000 --> 00:18:06,000

It's wonderful to see her and her family being together and enjoying life together.

238

00:18:06,000 --> 00:18:11,000

Words cannot express the feeling that one has when this happens.

239

00:18:11,000 --> 00:18:15,000

Okay, how's that?

240

00:18:15,000 --> 00:18:17,000

Everything has changed.

241

00:18:17,000 --> 00:18:20,000

She's back and she's doing more than she ever did before.

242

00:18:20,000 --> 00:18:24,000

I mean, it's great to have a mother. It really is.

243

00:18:24,000 --> 00:18:32,000

Coming up, inside the mind of a coma victim, the woman who lived through the nightmare.

244

00:18:32,000 --> 00:18:37,000

I went through this tunnel, just sucked right through it. I was in limbo, I was trapped.

245

00:18:37,000 --> 00:18:40,000

The wife faced with a life or death dilemma.

246

00:18:40,000 --> 00:18:47,000

The doctors told me that I needed to start thinking about making a decision to either end his life or not.

247

00:18:47,000 --> 00:18:52,000

The man with the ability to reach into the dark recesses.

248

00:18:52,000 --> 00:18:55,000

My discovery was that there's a way of doing that energetically.

249

00:18:55,000 --> 00:19:01,000

We'll bring you the scientific case study of a psychic who put her healing powers to the test.

250

00:19:01,000 --> 00:19:07,000

If I hadn't been successful in there, I wouldn't have done it anymore.

251

00:19:07,000 --> 00:19:14,000

And finally, we'll explore the ultimate truth about healers in our OnX report.

252

00:19:14,000 --> 00:19:17,000

Coming up on Unexplained Mysteries.

253

00:19:17,000 --> 00:19:24,000

Unexplained Mysteries. Psychic healers.

254

00:19:24,000 --> 00:19:31,000

Not all healers use the laying on of hands to cure their patients.

255

00:19:31,000 --> 00:19:36,000

Some delve into the minds of the sick and guide them toward health.

256

00:19:37,000 --> 00:19:49,000

Peter Pilgrave, a TV news helicopter pilot, went out for what he thought would be a routine maintenance flight.

257

00:19:49,000 --> 00:19:55,000

It wasn't. Peter's engine failed and he crash landed in a reservoir.

258

00:19:55,000 --> 00:19:59,000

It took paramedics 45 minutes to get to him.

259

00:19:59,000 --> 00:20:05,000

I had lost consciousness and was floating on top of the water.

260

00:20:05,000 --> 00:20:12,000

They airlifted him to the hospital. He didn't have a heartbeat for the first 45 minutes.

261

00:20:12,000 --> 00:20:19,000

We got to the hospital, he went into surgery and the doctors came out and told me that he'd been clinically dead.

262

00:20:19,000 --> 00:20:23,000

And he made it through the surgery and was in a deep coma.

263

00:20:23,000 --> 00:20:27,000

In an instant, everything changed for this Denver family.

264

00:20:27,000 --> 00:20:31,000

Peter's wife and five children prayed for a miracle.

265

00:20:31,000 --> 00:20:35,000

With the help of life support, Peter barely hung on.

266

00:20:35,000 --> 00:20:47,000

The doctors told me that with the results of the EEG that the prognosis was getting worse and that I needed to start thinking about making a decision to either end his life or not.

267

00:20:47,000 --> 00:20:53,000

Desperate, Karen Quinn was open to anything or anyone who could help.

268

00:20:53,000 --> 00:21:00,000

She contacted psychic Roger LeBord, who had successfully worked on four similar cases.

269

00:21:00,000 --> 00:21:09,000

I can't explain to you just exactly what I do because in the four separate cases that I've worked with, they've all been different.

270

00:21:09,000 --> 00:21:17,000

Roger LeBord is an unusual healer. He claims to have the ability to communicate with coma victims and guide them back.

271

00:21:17,000 --> 00:21:27,000

When you have someone who is not able to move and someone who's not able to speak and their focus of attention is elsewhere.

272

00:21:27,000 --> 00:21:31,000

To communicate with them, you have to be creative. You have to figure out some other way to communicate with them.

273

00:21:31,000 --> 00:21:34,000

My discovery was that there's a way of doing that energetically.

274

00:21:34,000 --> 00:21:42,000

Roger put his hands on Peter and Peter's arm and I laid my hand on his other arm.

275

00:21:42,000 --> 00:21:50,000

And all of a sudden I got this really strange sensation of sort of electricity in my stomach and I just thought, I can't deal with this right now.

276

00:21:50,000 --> 00:21:56,000

I can't. And so I said, well, I'm going to leave you alone and I'm going to go back and try and get some sleep.

277

00:21:56,000 --> 00:22:02,000

I sat in the room for four hours doing my best to blank my mind.

278

00:22:02,000 --> 00:22:07,000

What came to me was to go over and start talking to Peter about walking through a field of flowers.

279

00:22:07,000 --> 00:22:20,000

And I described to him what the flowers looked like, the smells. I described the surroundings and then I said to him, I said, you know, Peter, when you're walking through a field of flowers, you have to move your feet.

280

00:22:20,000 --> 00:22:23,000

And that's when he began to move his feet under the sheet.

281

00:22:23,000 --> 00:22:29,000

This small sign was just what Karen needed to believe that all hope was not lost.

282

00:22:29,000 --> 00:22:32,000

The doctor came in that night and asked me if I'd made a decision.

283

00:22:32,000 --> 00:22:36,000

And I said, well, Peter's made the decision and I think he's coming back.

284

00:22:41,000 --> 00:22:50,000

Dr. Philip Yarnel, one of the most respected neurologists in the country, understands the coma experience better than anyone.

285

00:22:50,000 --> 00:23:00,000

I think that they have hearing that the transmission of sounds from clicks in the ears to recordings on the brain are often intact.

286

00:23:00,000 --> 00:23:10,000

Now, whether they hear as we hear so that we interpret sounds as voices or as the messages of loved ones, that we can't tell.

287

00:23:14,000 --> 00:23:18,000

Carrie Wood died while in a coma, but she lived to tell.

288

00:23:19,000 --> 00:23:27,000

The first thing I saw was the entrance to a tunnel. I didn't actually see it. I just was like a magnet drawn to it.

289

00:23:27,000 --> 00:23:31,000

I went through this tunnel, just sucked. That's the only way I can describe it sucked right through it.

290

00:23:31,000 --> 00:23:37,000

I was in limbo. I was trapped. I could not find my way back to my own body.

291

00:23:37,000 --> 00:23:43,000

She gives the credit for her awakening to a lifelong bond with Tracy McCallan.

292

00:23:43,000 --> 00:23:51,000

I remember entering through her door, literally, and sat at the edge of her bed and I said, Tracy, wake up.

293

00:23:51,000 --> 00:23:59,000

I had this dream that she came to my house. It was very strange and it was really real. It was like she was sitting on the end of my bed.

294

00:23:59,000 --> 00:24:03,000

And I was telling her that I needed her.

295

00:24:03,000 --> 00:24:05,000

She said, you can't leave me now.

296

00:24:05,000 --> 00:24:09,000

I just said, don't go. Like she was going somewhere.

297

00:24:09,000 --> 00:24:11,000

And then I opened my eyes.

298

00:24:13,000 --> 00:24:18,000

Dr. Arnold Mendel is a clinical psychologist studying the coma experience.

299

00:24:18,000 --> 00:24:22,000

He believes coma research is still in its infancy.

300

00:24:22,000 --> 00:24:31,000

Years from today, people are going to look back on this period of medicine and dealing with

comatose states and they are going to say, my God.

301

00:24:31,000 --> 00:24:40,000

Wow, we were making decisions to pull the tubes on this character without asking her or him or even trying to communicate with them.

302

00:24:40,000 --> 00:24:44,000

I don't think that Roger is a prophet or a saint.

303

00:24:44,000 --> 00:24:51,000

I think that he has found a calm and a knowledge and a wisdom of the heart.

304

00:24:51,000 --> 00:24:54,000

He helped us. There's no question of that.

305

00:24:54,000 --> 00:25:07,000

Never give up. Only until the individual in the coma states that they want to go, then I would say, be responsible and follow their wishes and pull life support.

306

00:25:07,000 --> 00:25:09,000

But don't give up hope.

307

00:25:09,000 --> 00:25:15,000

He's still here and he's still part of us and still here for us to love and to love us.

308

00:25:15,000 --> 00:25:19,000

Next is the phenomenon of psychic healing real.

309

00:25:19,000 --> 00:25:25,000

If so, how does it work? Psychic healers are put to the scientific test.

310

00:25:25,000 --> 00:25:29,000

They measure how the brain changed.

311

00:25:29,000 --> 00:25:34,000

She pointed out the same part where we found something was wrong by using our equipment.

312

00:25:34,000 --> 00:25:39,000

Curly in photography documents the healing aura in a Russian psychic.

313

00:25:39,000 --> 00:25:44,000

I feel energy pouring down from space and touching. At these times, I can feel.

314

00:25:44,000 --> 00:25:48,000

We try to penetrate the depths of psychology and physiology.

315

00:25:48,000 --> 00:25:52,000

Later, one of the most remarkable healings ever recorded on TV.

316

00:25:52,000 --> 00:25:55,000

When I let go, walk, Richard.

317

00:25:55,000 --> 00:25:59,000

I'm back. Walk.

318

00:26:00,000 --> 00:26:04,000

And you'll get the climactic analysis in our on X report.

319

00:26:04,000 --> 00:26:07,000

More secrets, more revelations.

320

00:26:07,000 --> 00:26:10,000

Next on Unexplained Mysteries.

321

00:26:19,000 --> 00:26:23,000

Unexplained Mysteries. Psychic healers.

322

00:26:24,000 --> 00:26:28,000

Russia has a long history of psychics and spiritual healers,

323

00:26:28,000 --> 00:26:31,000

digging back to Ivan the Terrible.

324

00:26:31,000 --> 00:26:36,000

Any powerful people secretly asked for advice and used it like Stalin.

325

00:26:36,000 --> 00:26:39,000

Brezhnev himself is treated by a psychic healer.

326

00:26:39,000 --> 00:26:41,000

There have always been a lot of psychics in Russia.

327

00:26:41,000 --> 00:26:44,000

Psychics are an accepted part of Russian culture.

328

00:26:44,000 --> 00:26:50,000

They are everywhere, working alongside the traditional medical establishment.

329

00:26:50,000 --> 00:26:57,000

Since I was born, I have always known that I can raise the dead, heal and solve problems that people have on Earth.

330

00:26:57,000 --> 00:27:04,000

When I meditate, I connect with my own spirit first, and then with the spirit of the Heavenly Father.

331

00:27:04,000 --> 00:27:07,000

The cosmic father with the cosmic reason.

332

00:27:07,000 --> 00:27:10,000

I feel energy pouring down from space and touching me.

333

00:27:10,000 --> 00:27:13,000

At these times, I can heal.

334

00:27:20,000 --> 00:27:26,000

Russian psychics, like their western counterparts, believe that their power emanates from their hands.

335

00:27:26,000 --> 00:27:32,000

Developed by Russian scientists, Curly in Photography measures bio-energetic fields.

336

00:27:32,000 --> 00:27:38,000

A picture is taken of Mazia Salamanaya's finger before a psychic healing.

337

00:27:38,000 --> 00:27:44,000

Next, the patient undergoes a series of tests to measure chemical changes in her body.

338

00:27:44,000 --> 00:27:49,000

With a trained technician recording the event, Mazia goes to work.

339

00:27:49,000 --> 00:27:54,000

My grandmother possessed a healing gift, as well as a gift for black and white magic.

340

00:27:54,000 --> 00:27:57,000

My abilities came to me through the genes.

341

00:27:57,000 --> 00:28:02,000

Another Curly in Photograph is taken immediately after the session.

342

00:28:02,000 --> 00:28:08,000

The before and after pictures show a remarkable increase in her bio-energetic field.

343

00:28:08,000 --> 00:28:12,000

I felt so happy. I even had tears in my eyes, but it was from happiness.

344

00:28:12,000 --> 00:28:17,000

I felt extremely light. I wanted to fly away.

345

00:28:17,000 --> 00:28:22,000

The patient undergoes another series of tests. The results are dramatic.

346

00:28:22,000 --> 00:28:29,000

All organs are returning to normal. It seems that they are in balance, and she has entered the corridor of health.

347

00:28:29,000 --> 00:28:33,000

Since Imperial Russia, we have looked for a material source of paranormal phenomena.

348

00:28:33,000 --> 00:28:40,000

In the West, only the psychological part has been developed, while we try to penetrate the depths of psychology and physiology.

349

00:28:41,000 --> 00:28:41,220

The

350

00:28:45,000 --> 00:28:46,000

Credits

351

00:28:46,000 --> 00:28:51,000

In England, Carol Everett is a renowned psychic and spiritual healer.

352

00:28:53,000 --> 00:29:01,000

When I first started having experiences that I now realize now, unusual, I was about seven.

353

00:29:01,000 --> 00:29:06,000

I used to have this strange sensation, and then I felt like I was going down this tunnel.

354

00:29:06,000 --> 00:29:11,000

At the bottom of the tunnel, there was always a light, really, really bright.

355

00:29:11,000 --> 00:29:18,000

There was all these faces, and they were all friendly, and they were really a nice feeling.

356

00:29:18,000 --> 00:29:26,000

Working out of a small office in her home, Carol claims that she is able to diagnose and cure a variety of ailments.

357

00:29:26,000 --> 00:29:30,000

Her greatest success has been healing tumors and cysts.

358

00:29:31,000 --> 00:29:36,000

I don't think I'll bother with this side, with the right hand side. I did that last time, didn't I?

359

00:29:36,000 --> 00:29:37,000

Yes.

360

00:29:37,000 --> 00:29:39,000

Yeah, well, I think I'll go with this side, all right?

361

00:29:39,000 --> 00:29:44,000

Let's see if anything comes up differently.

362

00:29:44,000 --> 00:29:49,000

Carol is an empath, a person able to feel and absorb the pain of others.

363

00:29:49,000 --> 00:29:57,000

In fact, I was getting a little bit worried about it at one time, because I thought I might decompress one day, taking on all these, you know, like, conditions.

364

00:29:57,000 --> 00:30:02,000

Sometimes it's like I say, well, you know, it's going now.

365

00:30:02,000 --> 00:30:05,000

And I think, yeah, and I know where it's going.

366

00:30:05,000 --> 00:30:12,000

To better understand her power, Carol agreed to participate in a study at the Tokyo Denkei University.

367

00:30:12,000 --> 00:30:17,000

Professor Yoshio Machi oversees the experiment.

368

00:30:17,000 --> 00:30:21,000

First, she said she would know what was wrong with the patient at a glance.

369

00:30:21,000 --> 00:30:25,000

We wanted to know if she could treat the patient, and she said, okay.

370

00:30:25,000 --> 00:30:30,000

They put this, what looked like a hair net on my head, and wired it all up.

371

00:30:30,000 --> 00:30:36,000

They had all these loads and loads of machines with my brain, picture my brain on the screen.

372

00:30:36,000 --> 00:30:41,000

They were measuring, you know, how the brain changed.

373

00:30:41,000 --> 00:30:45,000

And there was no activity in the left-hand side of the brain.

374

00:30:45,000 --> 00:30:49,000

This is an alpha wave, and this is a beta wave.

375

00:30:49,000 --> 00:30:52,000

These were examined when she was diagnosing.

376

00:30:52,000 --> 00:30:55,000

And at this moment, Carol's right brain became very active.

377

00:30:55,000 --> 00:30:58,000

She knew what was wrong instantly.

378

00:30:58,000 --> 00:31:03,000

A thermal camera records fluctuations in the body temperature of a female patient,

379

00:31:03,000 --> 00:31:08,000

as Carol successfully diagnoses an ovarian tumor.

380

00:31:08,000 --> 00:31:13,000

She pointed out the same part where we found something was wrong by using our equipment.

381

00:31:13,000 --> 00:31:17,000

What happened next surprised Dr. Machi and his staff.

382

00:31:17,000 --> 00:31:24,000

With a team of scientists watching, Carol reduced the size of the tumor in less than eight minutes.

383

00:31:24,000 --> 00:31:30,000

To have it scientifically tested, and see exactly all the things that you felt

384

00:31:30,000 --> 00:31:36,000

and the way that you, you know, change yourself really, I felt quite pleased with it.

385

00:31:36,000 --> 00:31:43,000

And not only that, if I hadn't been successful in there, I wouldn't have done it anymore anyway.

386

00:31:43,000 --> 00:31:49,000

Next, on Unexplained Mysteries, a devastating car accident changes a young man's life.

387

00:31:49,000 --> 00:31:53,000

It never even occurred to me that he would be able to walk or use those legs.

388

00:31:53,000 --> 00:31:58,000

You'll hear from a frantic mother willing to do anything to save her son.

389

00:31:58,000 --> 00:32:03,000

I was very skeptical, but I was desperate at that point.

390

00:32:03,000 --> 00:32:06,000

The doctor who had to put his skepticism aside.

391

00:32:06,000 --> 00:32:11,000

I said this is ridiculous, it's gonna work, but it's probably relatively harmful, so why not?

392

00:32:11,000 --> 00:32:15,000

You'll witness his shocking recovery with your own eyes.

393

00:32:15,000 --> 00:32:20,000

Now I'm going to let go, to walk, to walk, let's go.

394

00:32:20,000 --> 00:32:25,000

When I first saw him take his first steps, I passed out.

395

00:32:25,000 --> 00:32:31,000

And finally, we'll put all the evidence together in our Unex report.

396

00:32:31,000 --> 00:32:35,000

On Unexplained Mysteries.

397

00:32:42,000 --> 00:32:49,000

Unexplained Mysteries. Psychic healers.

398

00:32:57,000 --> 00:33:04,000

A car accident on a deserted stretch of Alabama Highway, the driver, 20-year-old Mitchell May.

399

00:33:04,000 --> 00:33:08,000

When the paramedics got there, they thought that I was dead.

400

00:33:08,000 --> 00:33:13,000

And it took them about 45 minutes to cut me out of the car.

401

00:33:13,000 --> 00:33:18,000

From what I've been told, I had about 40 fractures.

402

00:33:18,000 --> 00:33:25,000

And I had a couple of inches of bone actually ripped out of my leg, had the nerves completely

severed.

403

00:33:25,000 --> 00:33:31,000

It really looked to me like a pride of lions had been chewing on his legs and they said, we've had enough.

404

00:33:31,000 --> 00:33:36,000

And I didn't have any doubts, I just said amputate if you need to.

405

00:33:36,000 --> 00:33:40,000

I mean, it never even occurred to me that he would be able to walk or use those legs again.

406

00:33:40,000 --> 00:33:46,000

Just barely hanging onto life, Mitchell was flown back home to Los Angeles.

407

00:33:46,000 --> 00:33:49,000

His family checked him into UCLA Medical Center.

408

00:33:49,000 --> 00:33:54,000

Most of the skin from just below the knee down to the ankle was gone.

409

00:33:54,000 --> 00:34:00,000

And there was just bare bone hanging out with no muscle or skin over it.

410

00:34:00,000 --> 00:34:02,000

And it was incredibly painful.

411

00:34:02,000 --> 00:34:05,000

And the only way I knew to get rid of his pain was to amputate his leg.

412

00:34:05,000 --> 00:34:10,000

He's saying to me, you know, Mitchell, you are not going to walk on your legs again.

413

00:34:10,000 --> 00:34:13,000

That's just how it's going to be.

414

00:34:13,000 --> 00:34:20,000

And inside of me, a voice is saying, well, we'll see, we'll see.

415

00:34:20,000 --> 00:34:25,000

While it seemed to be his only hope, Mitchell would not let doctors amputate.

416

00:34:25,000 --> 00:34:30,000

He held on through bone infections, kidney and liver damage,

417

00:34:30,000 --> 00:34:33,000

and reactions from the heavy pain medication he was taking.

418

00:34:33,000 --> 00:34:36,000

But Mitchell wouldn't give up.

419

00:34:36,000 --> 00:34:43,000

I never said go ahead and amputate, but I got this close, this close to it.

420

00:34:43,000 --> 00:34:45,000

And it was because I was scared.

421

00:34:45,000 --> 00:34:48,000

I was scared of having to live with that pain the rest of my life.

422

00:34:48,000 --> 00:34:50,000

I knew I couldn't.

423

00:34:50,000 --> 00:34:53,000

In a final attempt to bring relief to her son,

424

00:34:53,000 --> 00:34:59,000

Lorraine May contacted hypnotist and psychic healer Jack Gray.

425

00:34:59,000 --> 00:35:04,000

I was very skeptical, but I was desperate at that point.

426

00:35:04,000 --> 00:35:05,000

I said this is ridiculous.

427

00:35:05,000 --> 00:35:08,000

It's not going to work, but it's probably relatively harmful.

428

00:35:08,000 --> 00:35:09,000

So why not?

429

00:35:09,000 --> 00:35:15,000

He was trained in helping people with pain and healing people,

430

00:35:15,000 --> 00:35:18,000

but he was not a doctor.

431

00:35:18,000 --> 00:35:21,000

I had already, and Mitchell doesn't even know this until now,

432

00:35:21,000 --> 00:35:24,000

I had already scheduled his surgery then.

433

00:35:24,000 --> 00:35:31,000

I expected some guy in a purple cape to come strolling in with a magic wand or something.

434

00:35:31,000 --> 00:35:37,000

And he came in the room, a totally ordinary looking man.

435

00:35:37,000 --> 00:35:43,000

And there wasn't anything that he said that anybody would call mumbo jumbo.

436

00:35:43,000 --> 00:35:50,000

There weren't any magic words, so there wasn't anything that wasn't just almost plain goods.

437

00:35:50,000 --> 00:35:59,000

And he looked at me and he says, Mitchell, we can heal your leg.

438

00:35:59,000 --> 00:36:04,000

You have whatever you need already, and it's boring in everyone.

439

00:36:04,000 --> 00:36:06,000

We're just going to wake it up.

440

00:36:06,000 --> 00:36:09,000

I saw Mitchell for the first time.

441

00:36:09,000 --> 00:36:11,000

Get hope.

442

00:36:11,000 --> 00:36:16,000

Gray employed the laying on of hands, hypnosis, and visualization therapy.

443

00:36:16,000 --> 00:36:20,000

Within a few months, Mitchell dramatically improved.

444

00:36:20,000 --> 00:36:23,000

Bones started to grow where they said it couldn't grow.

445

00:36:23,000 --> 00:36:27,000

Skin started to regenerate where they said that can't be happening.

446

00:36:27,000 --> 00:36:35,000

Nerve function started to happen again and they're saying, but, you know, that's not supposed to be able to happen.

447

00:36:35,000 --> 00:36:37,000

Again, this took time.

448

00:36:37,000 --> 00:36:41,000

I was in the hospital for a year, I was in the wheelchair for a couple of years,

449

00:36:41,000 --> 00:36:49,000

I was in metal braces, and each step of the way, the doctors were saying, this is incredible, but this is as far as you're going to get.

450

00:36:49,000 --> 00:36:55,000

The healing process continued, with Gray concentrating all his powers on Mitchell's legs.

451

00:36:55,000 --> 00:37:02,000

Although doctors said it wasn't possible, Gray believed that one day Mitchell would walk.

452

00:37:02,000 --> 00:37:06,000

Find yourself. I can walk.

453

00:37:06,000 --> 00:37:09,000

Recall how you used to.

454

00:37:09,000 --> 00:37:11,000

Now I'm going to let go.

455

00:37:11,000 --> 00:37:15,000

When I let go, walk, Mitchell.

456

00:37:15,000 --> 00:37:17,000

I stand back.

457

00:37:17,000 --> 00:37:21,000

Walk, walk, Mitchell.

458

00:37:21,000 --> 00:37:23,000

We are crutches.

459

00:37:23,000 --> 00:37:27,000

When I first saw him take his first steps, I passed out.

460

00:37:27,000 --> 00:37:32,000

I mean, I'd seen a miracle. I'd never seen a miracle.

461

00:37:32,000 --> 00:37:38,000

All I know is that something happened after the faith healer came and nothing had happened before.

462

00:37:38,000 --> 00:37:45,000

As a scientist, I have to conclude that the faith healer made Mitchell's life. That means.

463

00:37:45,000 --> 00:37:54,000

It's been a long journey from that Alabama highway to the mountains of Utah, but Mitchell May has cherished every step.

464

00:37:54,000 --> 00:38:01,000

I race walk every day. I dance every day. I stretch every day. I can run. I hike for miles.

465

00:38:01,000 --> 00:38:05,000

I feel so lucky to be alive.

466

00:38:05,000 --> 00:38:08,000

Jack gave me part of himself.

467

00:38:08,000 --> 00:38:16,000

I definitely, I owe my life to him.

468

00:38:16,000 --> 00:38:25,000

Next, the Onyx report. We'll examine the evidence, question the witnesses and answer the question, are psychic healers real?

469

00:38:25,000 --> 00:38:32,000

And if so, where does their power come from? How does it work? Why have they been chosen?

470

00:38:32,000 --> 00:38:37,000

You'll hear from the patients, the doctors, the researchers and the psychics.

471

00:38:37,000 --> 00:38:45,000

Then we'll wrap it all up for you with our Onyx report when Unexplained Mysteries returns.

472

00:38:46,000 --> 00:38:58,000

And now, the Onyx report.

473

00:38:58,000 --> 00:39:04,000

Do psychics really have the ability to heal the sick and mend the wounded?

474

00:39:04,000 --> 00:39:08,000

Do they channel some universal life force through their bodies?

475

00:39:08,000 --> 00:39:14,000

Or is it just the power of positive thinking that brings about these remarkable recoveries?

476

00:39:14,000 --> 00:39:18,000

Even the healers don't fully understand their own powers.

477

00:39:18,000 --> 00:39:21,000

I believe it all comes from the God force.

478

00:39:21,000 --> 00:39:27,000

My thing is a spiritual thing. I really don't have a personal control over what happens.

479

00:39:27,000 --> 00:39:33,000

It's not a planned process. Once I start laying on his hands, my hands go to areas I follow.

480

00:39:33,000 --> 00:39:40,000

Experts have been able to study the phenomenon in controlled settings and have come up with some startling conclusions.

481

00:39:40,000 --> 00:39:46,000

He has an ability to adjust people's energy fields.

482

00:39:46,000 --> 00:39:52,000

In medicine, if we were to give a drug and get this kind of response, it would be a miracle.

483

00:39:52,000 --> 00:40:00,000

The results have been so astounding that medical professionals are now using healers alongside traditional treatments.

484

00:40:00,000 --> 00:40:09,000

As a scientist, I have to conclude that the faith healer made Michel well. He got me.

485

00:40:09,000 --> 00:40:14,000

And that's a scientific observation from me as a pure skeptical scientist.

486

00:40:14,000 --> 00:40:18,000

Aristotle agreed with this. Darwin agreed with it.

487

00:40:18,000 --> 00:40:22,000

How does it work? I don't have any idea. Does it work?

488

00:40:22,000 --> 00:40:23,000

It does.

489

00:40:23,000 --> 00:40:29,000

But even with the evidence, most people don't use a psychic healer until all other treatments have failed.

490

00:40:29,000 --> 00:40:35,000

They were going to pull life support and let them die. And it was the neurologist's opinion that there was no hope.

491

00:40:35,000 --> 00:40:38,000

Basically, I work on most of the cases after doctors have given up.

492

00:40:38,000 --> 00:40:45,000

And I said that the doctors say there's no hope. And he said, well, he said, that's not always true.

493

00:40:45,000 --> 00:40:51,000

In the end, the most compelling argument comes from those who have been touched and healed.

494

00:40:51,000 --> 00:40:57,000

This friend of mine said, there's no reason why you should be in this pain. Dean Kraft will heal you. He's real.

495

00:40:57,000 --> 00:41:07,000

He looks at me and he says, Michel, we can heal your leg. You have whatever you need already in you.

496

00:41:07,000 --> 00:41:11,000

It's boring in everyone. We're just going to wake it up.

497

00:41:11,000 --> 00:41:20,000

Even with all the evidence, all the success stories, and all the research, no one is sure how psychic healing works.

498

00:41:20,000 --> 00:41:25,000

So for now, it remains an unexplained mystery.

499

00:41:38,000 --> 00:41:42,000

He chooses roles from his gut.

500

00:41:42,000 --> 00:41:46,000

She is a chameleon and she is a conundrum.

501

00:41:46,000 --> 00:41:48,000

He was the rebel that we all want to be.

502

00:41:48,000 --> 00:41:51,000

Starts tonight at 9 only on Bio.
