

1

00:00:00,000 --> 00:00:04,760

If something comes into the frame and chases it and fires at it, what the hell could do

2

00:00:04,760 --> 00:00:05,760

that?

3

00:00:05,760 --> 00:00:13,260

This time on Unexplained Mysteries, undercover UFOs will investigate important clues that

4

00:00:13,260 --> 00:00:17,360

prove the government has engaged in a massive UFO cover-up.

5

00:00:17,360 --> 00:00:21,640

Our government has flat-out lied to us for 40 years or more.

6

00:00:21,640 --> 00:00:25,040

We'll show you the government's distortion of the truth.

7

00:00:25,040 --> 00:00:26,440

This is f*****g.

8

00:00:26,440 --> 00:00:29,880

That's lying through your teeth to the American people.

9

00:00:29,880 --> 00:00:34,760

The military's mysterious black projects based on alien technology.

10

00:00:34,760 --> 00:00:41,760

It is this otherworldly technology that's being applied to Air Force Black projects.

11

00:00:41,760 --> 00:00:46,600

The scientist who was ordered to study an alien UFO.

12

00:00:46,600 --> 00:00:53,080

Our group basically was to back-engineer them and see how it was fabricated and try and

13

00:00:53,080 --> 00:00:56,280

duplicate some of that technology with Earthly materials.

14

00:00:56,280 --> 00:01:01,560

The military cover-up of a dangerous UFO threat to our nuclear air bases.

15

00:01:01,560 --> 00:01:06,120

Whatever this was, flying around could just penetrate all these defenses.

16

00:01:06,120 --> 00:01:07,120

That will.

17

00:01:07,120 --> 00:01:12,120

And the government's use of threats and fear to suppress the truth.

18

00:01:12,120 --> 00:01:14,120

The powers it be knew I was charged with.

19

00:01:14,120 --> 00:01:16,560

It would be a high price for me to pay.

20

00:01:16,560 --> 00:01:21,640

You'll find out why the government is reluctant to admit the possible existence of life on

21

00:01:21,640 --> 00:01:22,640

other planets.

22

00:01:23,000 --> 00:01:28,320

The reason being that it could cause widespread social unrest and possible deterioration of

23

00:01:28,320 --> 00:01:29,320

government control.

24

00:01:29,320 --> 00:01:35,720

We'll hear from witnesses of saucer-shaped craft that might have been designed and built

25

00:01:35,720 --> 00:01:37,240

by the Air Force.

26

00:01:37,240 --> 00:01:39,640

My gosh, those are flying saucers.

27

00:01:39,640 --> 00:01:41,640

Those things really do exist.

28

00:01:41,640 --> 00:01:48,080

And we'll give you our final analysis in our OnX report as we blow the link off the

29

00:01:48,080 --> 00:01:56,520

government's UFO conspiracy on unexplained mysteries under cover UFOs.

30

00:01:56,520 --> 00:02:01,920

Since the first sighting of a UFO, evidence suggests the US government has lied to the

31

00:02:01,920 --> 00:02:08,280

American public to cover up the existence of alien spacecraft.

32

00:02:08,280 --> 00:02:19,760

Our government has flat-out lied to us for 40 years or more.

33

00:02:19,760 --> 00:02:22,520

They've threatened people and intimidated people.

34

00:02:22,520 --> 00:02:27,800

They've spied on UFO groups, infiltrated UFO groups, spied on researchers, compiled

35

00:02:27,800 --> 00:02:29,320

dossiers.

36

00:02:29,320 --> 00:02:31,640

Their response is bordered on paranoia.

37

00:02:31,640 --> 00:02:37,240

The CIA says that it does not collect information on UFOs, and it hasn't since the 50s.

38

00:02:37,240 --> 00:02:43,200

There are reams of documents squeezed out of the CIA that indicate that they have on-staff

39

00:02:43,200 --> 00:02:51,480

CIA UFO experts, agency personnel monitoring the situation on an ongoing basis, they lie.

40

00:02:51,480 --> 00:02:54,200

The Air Force studied UFOs closely.

41

00:02:54,200 --> 00:02:58,280

A squadron of pilots had a unique mission.

42

00:02:58,280 --> 00:03:01,920

Find and photograph UFOs.

43

00:03:01,920 --> 00:03:05,240

The guy Kirkwood witnessed an amazing scene.

44

00:03:05,240 --> 00:03:10,000

16 unidentified objects, two miles away.

45

00:03:10,000 --> 00:03:15,760

They broke, ranked, and just started moving all over.

46

00:03:15,760 --> 00:03:19,840

They were below us, they were above us, they were out in front of us, and accelerating,

47

00:03:19,840 --> 00:03:22,760

literally at lightning speed.

48

00:03:22,760 --> 00:03:27,200

And a dot in the distance, maybe several miles away from you at that point, maybe a pencil

49

00:03:27,200 --> 00:03:28,280

point.

50

00:03:28,280 --> 00:03:34,680

All of a sudden, closing on you at the rate of several thousand miles an hour, and a 36th

51

00:03:34,680 --> 00:03:39,120

foot object, which is basically almost the same size as our aircraft, a 36th foot wingspan,

52

00:03:39,120 --> 00:03:43,840

that all of a sudden this thing is just closing on you faster than you're able to think.

53

00:03:43,840 --> 00:03:48,320

The Air Force suddenly terminated the UFO search squadrons.

54

00:03:48,320 --> 00:03:54,760

Years later, Kirkwood started talking about what he saw, and two government agents accosted

55

00:03:54,760 --> 00:03:55,760

him.

56

00:03:56,480 --> 00:04:01,600

And they said, well, the government doesn't like the information being released, and to

57

00:04:01,600 --> 00:04:04,440

continue it could be detrimental to your health.

58

00:04:08,440 --> 00:04:14,000

UFO experts maintain that the U.S. government conducts research at a top secret base in

59

00:04:14,000 --> 00:04:19,040

Nevada, known as Area 51.

60

00:04:19,040 --> 00:04:23,360

An aerospace engineer who worked there could not believe what he saw.

61

00:04:23,760 --> 00:04:28,960

Got out of the bus, I was told to walk directly through the hangar, and immediately, even

62

00:04:28,960 --> 00:04:33,640

before entering the hangar, you can see the edge of a disk.

63

00:04:33,640 --> 00:04:40,880

This is your classic flying saucer, two inverted pipe plates, if you wish, with a segmented

64

00:04:40,880 --> 00:04:42,720

larger area dome on top.

65

00:04:42,720 --> 00:04:46,120

Within minutes of that, I finally realized that this had nothing to do with something

66

00:04:46,120 --> 00:04:48,080

the government was producing.

67

00:04:48,080 --> 00:04:51,480

And that was quite shocking, because everything inside was small.

68

00:04:51,480 --> 00:04:56,400

This was a full-sized craft, 30, 35 feet diameter, maybe 40.

69

00:04:56,400 --> 00:05:05,720

But you're looking at seats that are 18 inches off the ground, obviously made for something

70

00:05:05,720 --> 00:05:08,800

smaller, and certainly wasn't made for children to play in.

71

00:05:08,800 --> 00:05:13,040

The U.S. government denies working on alien spacecraft.

72

00:05:13,040 --> 00:05:17,320

They also deny that Robert Lazar ever worked for them.

73

00:05:17,320 --> 00:05:21,000

Records of Lazar's employment have vanished.

74

00:05:21,000 --> 00:05:25,840

Two important items of information offer solid proof.

75

00:05:25,840 --> 00:05:32,040

A W-2 form stating that he worked for Naval Intelligence, and a listing of his name in

76

00:05:32,040 --> 00:05:34,920

a government lab phone book.

77

00:05:34,920 --> 00:05:39,640

After Lazar came forward, he was threatened by government agents.

78

00:05:39,640 --> 00:05:43,360

Many others suffered the same fate.

79

00:05:43,360 --> 00:05:49,320

One after another had visits from government personnel who basically intimidated or told

80

00:05:49,320 --> 00:05:51,560

them to back off, followed them around.

81

00:05:51,560 --> 00:05:56,600

I've been covering organized crime in Las Vegas for 10 years, dealing with mob hitmen

82

00:05:56,600 --> 00:06:01,640

and mob informants, people who have been in the witness protection program, the fear that

83

00:06:01,640 --> 00:06:05,960

is generated by this UFO subject for people who really know about it.

84

00:06:05,960 --> 00:06:08,280

Far outweighs the kind of fear that the mob inspires.

85

00:06:08,280 --> 00:06:13,200

I mean, people are more afraid of our government than they are of organized crime.

86

00:06:13,200 --> 00:06:16,680

Despite the risk, Lazar maintains his conviction.

87

00:06:16,680 --> 00:06:18,520

I am exactly sure of what I saw.

88

00:06:18,520 --> 00:06:20,840

I know what mainstream science is like.

89

00:06:20,840 --> 00:06:22,840

I know where physics stands.

90

00:06:22,840 --> 00:06:24,880

I know all of that.

91

00:06:24,880 --> 00:06:27,360

And this is an extraterrestrial craft.

92

00:06:27,360 --> 00:06:30,760

This technology is hundreds and hundreds of years in advance of us.

93

00:06:30,760 --> 00:06:32,840

And that's the end of that story.

94

00:06:32,840 --> 00:06:38,280

The U.S. government has a history of withholding secrets from the public, LSD experiments on

95

00:06:38,280 --> 00:06:46,400

human subjects, radiation tests over cities, the stealth fighter project, and the U-2 spy

96

00:06:46,600 --> 00:06:47,920

plane.

97

00:06:47,920 --> 00:06:53,600

The government has a name for their policy of systematic lying to the public.

98

00:06:53,600 --> 00:06:58,040

It's called disinformation.

99

00:06:58,040 --> 00:07:00,000

Our government does it all the time.

100

00:07:00,000 --> 00:07:04,600

There are even printed guidelines for how cover stories, disinformation are supposed

101

00:07:04,600 --> 00:07:05,920

to work.

102

00:07:05,920 --> 00:07:12,360

While serving at NATO headquarters, Bob Dean saw super secret documents dealing with UFO

103

00:07:12,360 --> 00:07:15,680

sightings called the assessment.

104

00:07:15,680 --> 00:07:20,080

I have to be honest with you and tell you that that information literally changed my

105

00:07:20,080 --> 00:07:26,800

life because I knew for the first time that this subject was not fantasy.

106

00:07:26,800 --> 00:07:28,560

It wasn't myth.

107

00:07:28,560 --> 00:07:29,560

Wasn't legend.

108

00:07:29,560 --> 00:07:30,560

It was real.

109

00:07:30,560 --> 00:07:31,560

It was true.

110

00:07:31,560 --> 00:07:38,360

One of the reasons I'm violating my national security oath is that I believe that the American

111

00:07:38,360 --> 00:07:43,440

people are losing their constitution because of the secrecy and the coverup.

112

00:07:46,680 --> 00:07:53,320

Officially, the government investigated UFOs under the name Project Blue Book.

113

00:07:53,320 --> 00:08:00,200

Now I look upon Blue Book itself as a little bit of disinformation to tell the people,

114

00:08:00,200 --> 00:08:02,120

yes, we're doing something.

115

00:08:02,120 --> 00:08:08,360

When in reality, Blue Book, as we understood it, was simply a public relations front.

116

00:08:08,360 --> 00:08:12,920

Many experts feel the government will go to any length to conceal the truth.

117

00:08:13,680 --> 00:08:19,320

To give you an example of the most recent example of absurd disinformation, was this

118

00:08:19,320 --> 00:08:23,080

incident involving the Roswell incident.

119

00:08:23,080 --> 00:08:26,000

First the Air Force says it was a weather balloon.

120

00:08:26,000 --> 00:08:29,520

And 50 years later they said, gee guys, we're sorry.

121

00:08:29,520 --> 00:08:31,680

It really wasn't a weather balloon.

122

00:08:31,680 --> 00:08:35,120

It was much more than that, but it was a balloon.

123

00:08:35,120 --> 00:08:36,120

Project Mogul.

124

00:08:36,120 --> 00:08:41,680

Well, I'm tempted to use terms that you'll have to bleep out.

125

00:08:41,680 --> 00:08:44,200

This is ****.

126

00:08:44,200 --> 00:08:46,000

That's disinformation.

127

00:08:46,000 --> 00:08:49,520

That's lying through your teeth to the American people.

128

00:08:49,520 --> 00:08:53,360

And if that isn't disinformation, I don't know what is.

129

00:08:53,360 --> 00:08:58,440

Coming up, the frightening UFO threat on our nuclear arsenal.

130

00:08:58,440 --> 00:09:01,040

The classic flying saucer.

131

00:09:01,040 --> 00:09:05,560

And it shot a beam of something at our warhead.

132

00:09:05,560 --> 00:09:09,640

Find out about the military's top secret black projects.

133

00:09:09,640 --> 00:09:14,160

The G-51 is the most tightly secured installation in this country.

134

00:09:14,160 --> 00:09:20,320

I saw the object exhibit entirely unconventional flight characteristics.

135

00:09:20,320 --> 00:09:25,920

The government's search for extraterrestrial intelligence, which was abruptly terminated.

136

00:09:25,920 --> 00:09:30,360

The government would never make that leap of faith that the public would be able to

137

00:09:30,360 --> 00:09:34,800

handle the fact that we are receiving intelligence signals from somewhere else.

138

00:09:34,800 --> 00:09:38,920

My witnesses who saw UFOs parked on an air base.

139

00:09:38,920 --> 00:09:44,040

My interest pair perked up instantly when I began to see literally hundreds of photographs

140

00:09:44,040 --> 00:09:48,880

of all types of quote, unquote flying saucers.

141

00:09:48,880 --> 00:09:53,960

And the government conspiracy to crush the truth about UFOs.

142

00:09:53,960 --> 00:09:58,240

I don't think the military has any credibility with the public in terms of its denials of

143

00:09:58,240 --> 00:10:00,120

this program or that program.

144

00:10:00,120 --> 00:10:04,400

And we'll give you our ultimate account with our Unexed Report.

145

00:10:04,400 --> 00:10:08,000

Stay tuned for more on unexplained mysteries.

146

00:10:08,920 --> 00:10:23,760

Unexplained mysteries under cover UFOs.

147

00:10:23,760 --> 00:10:34,240

The long time US policy of lies and disinformation may have put the public in danger.

148

00:10:34,240 --> 00:10:40,880

The US nuclear missile bases was breached when eyewitnesses reported bright lights just

149

00:10:40,880 --> 00:10:43,920

200 feet from the missile silos.

150

00:10:43,920 --> 00:10:48,120

The speed it took off with, I've seen that 16th flight.

151

00:10:48,120 --> 00:10:49,960

I rate the speed.

152

00:10:49,960 --> 00:10:54,120

This was here and gone from a dead steel hover.

153

00:10:54,120 --> 00:10:57,840

Word Smith Air Force Base, Ascota, Michigan.

154

00:10:57,840 --> 00:11:02,880

Shuttered now, it was an important part of strategic air command's Northern Tier Nuclear

155

00:11:02,880 --> 00:11:06,440

Bomber Retaliation Force.

156

00:11:06,440 --> 00:11:11,600

An alarm sounded when several unidentified objects showed up on radar.

157

00:11:11,600 --> 00:11:14,040

And they were headed straight for the air base.

158

00:11:14,040 --> 00:11:16,600

This is top rock with an expedited scramble.

159

00:11:16,600 --> 00:11:18,440

Authentication time is 1906.

160

00:11:18,440 --> 00:11:19,440

Scramble.

161

00:11:19,440 --> 00:11:20,940

All right.

162

00:11:20,940 --> 00:11:27,240

As UFOs flew towards the nuclear weapons storage areas, jets tried to intercept them.

163

00:11:27,240 --> 00:11:32,160

But by the time the pilots got there, they were gone.

164

00:11:32,160 --> 00:11:37,120

There were at least a dozen US and Canadian military bases that were overflowed during

165

00:11:37,120 --> 00:11:39,360

a three-week period.

166

00:11:39,360 --> 00:11:45,200

Air Force personnel reported numerous sightings and radar contact of the UFOs in official

167

00:11:45,200 --> 00:11:46,760

documents.

168

00:11:46,760 --> 00:11:50,880

All of the incidents took place near nuclear weapons facilities.

169

00:11:50,880 --> 00:11:55,760

When one object came low over a weapon storage area, that appeared to demonstrate a clear

170

00:11:55,760 --> 00:12:00,840

intent over this area, meaning it seemed to have intelligence.

171

00:12:00,840 --> 00:12:06,720

I was awakened in the morning by a bright glowing orange colored light.

172

00:12:06,720 --> 00:12:13,360

Looked out over the creek, there was a large glowing orange oval shape object.

173

00:12:13,360 --> 00:12:17,400

It hovered over there for, I'd say, good three to four minutes.

174

00:12:17,400 --> 00:12:21,960

It sped off at a high rate of speed heading away from the air base.

175

00:12:21,960 --> 00:12:22,960

I was scared.

176

00:12:22,960 --> 00:12:24,080

There was fear running through me.

177

00:12:24,080 --> 00:12:30,160

In their public accounts, the Air Force officially denied all the reports.

178

00:12:30,160 --> 00:12:37,240

It's very difficult to find military witnesses because they're at the time covered by regulations.

179

00:12:37,240 --> 00:12:42,840

I decided, along with several other researchers, to file freedom of information requests with

180

00:12:42,840 --> 00:12:44,080

the Pentagon.

181

00:12:44,080 --> 00:12:50,840

The Air Force documents stated, quote, penetration of sensitive areas during the hours of darkness

182

00:12:50,840 --> 00:12:57,840

have prompted the implementation of Security Option 3 at our Northern Tier bases, unquote.

183

00:13:00,160 --> 00:13:05,000

The reason this is so significant and interesting is that they seem to be focused on atomic weapons.

184

00:13:05,000 --> 00:13:10,600

These bases, because of what they stood for, there are massive retaliation capability, and

185

00:13:10,600 --> 00:13:13,280

therefore there were very high security bases.

186

00:13:13,280 --> 00:13:18,760

Whatever this was, flying around could just penetrate all these defenses at will.

187

00:13:18,760 --> 00:13:25,240

The important question, did the UFOs affect the missile's ability to launch?

188

00:13:25,240 --> 00:13:31,600

The Malmstrom Air Force Base had several intrusions near missile silos, one involving

189

00:13:31,600 --> 00:13:38,400

an object which, according to one witness, hovered over the silo and somehow managed

190

00:13:38,400 --> 00:13:41,640

to change the tracking numbers on the missile.

191

00:13:41,640 --> 00:13:47,720

According to the witness, the missile had to be removed and retooled to make it work

192

00:13:47,720 --> 00:13:48,720

again.

193

00:13:48,720 --> 00:13:53,240

I'm going to see this, not in UFO books, but in government military messages.

194

00:13:53,240 --> 00:13:56,120

It was a real eye-opener.

195

00:13:56,120 --> 00:14:02,440

And I think that if the public had known that at the time, it would have been great alarm.

196

00:14:02,440 --> 00:14:13,840

About 10 years before, Air Force Lieutenant Robert Jacobs witnessed something remarkable.

197

00:14:13,840 --> 00:14:17,120

Hair's going up on the back of my neck right now, thinking about it, just remembering that

198

00:14:17,120 --> 00:14:18,120

day.

199

00:14:18,520 --> 00:14:22,120

It was something that was so strange that it changed my life.

200

00:14:22,120 --> 00:14:28,040

Jacobs was in charge of a special unit that filmed Minuteman and Atlas missiles during

201

00:14:28,040 --> 00:14:32,880

launch tests from Vandenberg Air Force Base in California.

202

00:14:32,880 --> 00:14:39,560

My job was to provide photographic documentation from 30 or 40 different camera positions for

203

00:14:39,560 --> 00:14:40,560

each launch.

204

00:14:40,560 --> 00:14:44,760

We walked out of the missile and we saw all three stages of powered flight.

205

00:14:44,760 --> 00:14:48,240

The camera followed the missile through its successful flight.

206

00:14:48,240 --> 00:14:56,080

Now what we didn't know is what else we had got besides the missile.

207

00:14:56,080 --> 00:15:01,160

Soon after, Project Director Lorenz Mansman called Jacobs into his office.

208

00:15:01,160 --> 00:15:04,960

There were two guys in gray suits in there, civilian clothes.

209

00:15:04,960 --> 00:15:05,960

They were not in the Air Force.

210

00:15:05,960 --> 00:15:06,960

They were from somewhere else.

211

00:15:06,960 --> 00:15:09,360

They never identified themselves.

212

00:15:09,360 --> 00:15:17,920

They could have been CIA, OSI, OSS.

213

00:15:17,920 --> 00:15:21,560

All four of the men watched the film of the missile flight.

214

00:15:21,560 --> 00:15:22,840

The nose cone spread out.

215

00:15:22,840 --> 00:15:26,640

The warhead was quite plainly visible.

216

00:15:26,640 --> 00:15:28,200

Something flew into the frame.

217

00:15:28,200 --> 00:15:30,600

What I saw was a circular object.

218

00:15:30,600 --> 00:15:34,600

It was a classic flying saucer.

219

00:15:34,600 --> 00:15:37,760

And it shot a beam of something at our warhead.

220

00:15:38,120 --> 00:15:41,120

You have to imagine this thing is flying along several thousand miles an hour.

221

00:15:41,120 --> 00:15:44,200

This stuff is flying on and something comes into the frame and chasing it.

222

00:15:44,200 --> 00:15:47,840

It comes in like this and fires at it and goes around like this and fires at it and

223

00:15:47,840 --> 00:15:51,680

goes around like this and fires at it and fires at it and goes back out that way.

224

00:15:51,680 --> 00:15:53,320

What the hell could do that?

225

00:15:53,320 --> 00:15:56,560

Suddenly, Jacobs was in the hot seat.

226

00:15:56,560 --> 00:15:58,440

And he said, what was that?

227

00:15:58,440 --> 00:16:02,560

And I said, it looks to me like we got a UFO.

228

00:16:02,560 --> 00:16:06,840

And he said, you are never to say that again.

229

00:16:07,560 --> 00:16:12,040

As far as you're concerned, Lieutenant Jacobs, this never happened.

230

00:16:12,040 --> 00:16:16,760

And I was sworn to silence, reminded of the security of the

231

00:16:16,760 --> 00:16:20,680

severity of a security breach and told to leave the room.

232

00:16:20,680 --> 00:16:25,200

After keeping silent for many years, Jacobs went public.

233

00:16:25,200 --> 00:16:28,280

The Air Force responded with complete denial.

234

00:16:28,280 --> 00:16:31,280

The Air Force denied that I was ever there.

235

00:16:31,280 --> 00:16:36,120

Despite the existence of the film, the Air Force denied that Jacobs was in

236

00:16:36,120 --> 00:16:38,920

charge of the special photo unit.

237

00:16:38,920 --> 00:16:42,960

They even denied he was in the Air Force at the time.

238

00:16:42,960 --> 00:16:45,440

They denied everything.

239

00:16:45,440 --> 00:16:51,840

Records reveal that Jacobs was in the Air Force, that he was in charge of the photo unit

240

00:16:51,840 --> 00:16:54,960

and that he was filming that day.

241

00:16:54,960 --> 00:16:59,520

Major Mansman, his commanding officer who screened the film with him,

242

00:16:59,520 --> 00:17:03,120

wrote a letter confirming Jacobs' account of the UFO.

243

00:17:04,120 --> 00:17:07,120

The Air Force is probably not going to like this film,

244

00:17:07,120 --> 00:17:09,120

but there's nothing they can do about it.

245

00:17:09,120 --> 00:17:13,120

It exists, it documents the telescope, the people who were there, including me.

246

00:17:13,120 --> 00:17:17,120

And if there are any ramifications about it, I guess I just don't care anymore.

247

00:17:17,120 --> 00:17:20,120

Next on Unexplained Mysteries,

248

00:17:20,120 --> 00:17:26,120

is there a connection between top secret black projects and UFO sightings?

249

00:17:26,120 --> 00:17:29,120

Certainly some of these things are going to look very strange.

250

00:17:30,120 --> 00:17:35,120

They're very unlike aircraft with which people are familiar.

251

00:17:35,120 --> 00:17:39,120

Is the military using alien technology in its black projects?

252

00:17:39,120 --> 00:17:44,120

I think the technology at Area 51 originally came from somewhere else.

253

00:17:44,120 --> 00:17:48,120

And what happens to people who want to get close to Area 51?

254

00:17:48,120 --> 00:17:54,120

I think that could be the biggest and perhaps the last mistake they're going to make in their life.

255

00:17:54,120 --> 00:17:57,120

The government showed you why NASA terminated its own probe

256

00:17:57,120 --> 00:18:00,120

that was getting information to life on Mars.

257

00:18:00,120 --> 00:18:09,120

They said that NASA or the government might want to consider keeping information from the public.

258

00:18:09,120 --> 00:18:14,120

And the government abruptly stopped its search for extraterrestrial life.

259

00:18:14,120 --> 00:18:19,120

For certain people, that's not something that they want to either believe in

260

00:18:19,120 --> 00:18:22,120

or allow anybody to know that they believe in.

261

00:18:22,120 --> 00:18:25,120

This is how it's supposed to be.

262

00:18:25,120 --> 00:18:28,120

This is how it's supposed to be.

263

00:18:28,120 --> 00:18:31,120

This is how it's supposed to be.

264

00:18:31,120 --> 00:18:34,120

This is how it's supposed to be.

265

00:18:34,120 --> 00:18:37,120

This is how it's supposed to be.

266

00:18:37,120 --> 00:18:40,120

This is how it's supposed to be.

267

00:18:40,120 --> 00:18:43,120

This is how it's supposed to be.

268

00:18:43,120 --> 00:18:46,120

This is how it's supposed to be.

269

00:18:46,120 --> 00:18:49,120

This is how it's supposed to be.

270

00:18:50,120 --> 00:18:54,120

Black Projects.

271

00:18:54,120 --> 00:18:58,120

That's the name for secret military development efforts.

272

00:18:58,120 --> 00:19:01,120

Certainly some of these things are going to look very strange.

273

00:19:01,120 --> 00:19:05,120

They're very unlike aircraft with which people are familiar.

274

00:19:05,120 --> 00:19:10,120

There seems to be a connection between Black Projects and UFO sightings.

275

00:19:10,120 --> 00:19:15,120

Well, certainly the history of the flying saucer phenomena suggests that in the past,

276

00:19:15,120 --> 00:19:19,120

classified programs resulted in a lot of reports of flying saucers.

277

00:19:19,120 --> 00:19:23,120

And if you see all of the instances where conventional aircraft have been

278

00:19:23,120 --> 00:19:28,120

misinterpreted as flying saucers, it's quite easy to understand how unconventional aircraft

279

00:19:28,120 --> 00:19:30,120

could receive a similar misinterpretation.

280

00:19:30,120 --> 00:19:34,120

In the Nevada desert, we have things out there that are literally out of this world.

281

00:19:34,120 --> 00:19:38,120

Groom Lake, Nevada. Also known as Area 51,

282

00:19:38,120 --> 00:19:44,120

where experts believe the military is working on top secret projects.

283

00:19:45,120 --> 00:19:50,120

They have a hangar to the south end of the ramp that appears to have doors

284

00:19:50,120 --> 00:19:55,120

that are almost 200 feet tall, 400 feet wide. You can put anything in there.

285

00:19:55,120 --> 00:20:00,120

One of the problems associated with Groom Lake is the fact that it is a place that does not officially exist.

286

00:20:00,120 --> 00:20:05,120

Area 51 is the most tightly secured installation in this country.

287

00:20:05,120 --> 00:20:12,120

It's guarded both over the air and on the ground by elite Air Force Security Police

288

00:20:12,120 --> 00:20:15,120

and Department of Energy Special Response Teams.

289

00:20:15,120 --> 00:20:20,120

If someone came to me and said there's just absolutely nothing, that's secret.

290

00:20:20,120 --> 00:20:24,120

And they decided they were going to hike into Area 51.

291

00:20:24,120 --> 00:20:30,120

I think that could be the biggest and perhaps the last mistake they are going to make in their life.

292

00:20:30,120 --> 00:20:33,120

There are rumors of a secret project called Aurora,

293

00:20:33,120 --> 00:20:40,120

in which the Air Force is said to be inventing a craft using highly advanced technology.

294

00:20:40,120 --> 00:20:45,120

I think there's a strong possibility that we have recovered some sort of alien technology

295

00:20:45,120 --> 00:20:48,120

and are trying to incorporate that into military programs.

296

00:20:48,120 --> 00:20:52,120

Are they really hiding something that's totally alien?

297

00:20:52,120 --> 00:20:58,120

Is this otherworldly technology that's being applied to Air Force Black projects?

298

00:21:10,120 --> 00:21:13,120

They've been traced back to Groom Lake, Nevada.

299

00:21:13,120 --> 00:21:15,120

We really can't tell what's moving.

300

00:21:15,120 --> 00:21:21,120

The only thing we see is the sonic boom and that's telling us that something is moving faster than speed of sound.

301

00:21:21,120 --> 00:21:24,120

So actually we can't even tell if it's an airplane.

302

00:21:24,120 --> 00:21:28,120

The military maintains its position of denial.

303

00:21:28,120 --> 00:21:37,120

Every time that there's a story about Aurora or the TR-3A Black Manta in the popular science or the New York Times or something else,

304

00:21:37,120 --> 00:21:40,120

Congress calls the Pentagon on the carpet and says, what's the deal?

305

00:21:40,120 --> 00:21:44,120

They want to know if these planes exist and every time they've asked about those planes,

306

00:21:44,120 --> 00:21:46,120

they've been told there is no such thing.

307

00:21:46,120 --> 00:21:56,120

The military has established a pattern of denial concerning these highly capricious wild aircraft beginning in the late 50s and continuing to this day.

308

00:21:58,120 --> 00:22:03,120

Two UFO experts investigated Area 51 up close.

309

00:22:03,120 --> 00:22:07,120

They saw several red-orange objects in the sky.

310

00:22:07,120 --> 00:22:12,120

They started at a great height, seemed to descend and then flare it out.

311

00:22:12,120 --> 00:22:14,120

It was startling.

312

00:22:14,120 --> 00:22:20,120

Then a series of silver pewter flashes went directly across the horizon at terrific speed.

313

00:22:20,120 --> 00:22:24,120

One of these silver flashes went directly up into the air.

314

00:22:24,120 --> 00:22:27,120

The bottom one seemed nearly to hug the ground.

315

00:22:27,120 --> 00:22:31,120

When they tried to leave the base, they were stopped by security.

316

00:22:32,120 --> 00:22:33,120

Boom!

317

00:22:33,120 --> 00:22:34,120

Had lights come on.

318

00:22:34,120 --> 00:22:36,120

There was an M16 pointed at us.

319

00:22:36,120 --> 00:22:38,120

And here we were, face-over-white in that situation.

320

00:22:38,120 --> 00:22:44,120

But we also knew that we had crossed the line back into public domain and therefore we were safe.

321

00:22:45,120 --> 00:22:51,120

Three months later, Mark Farmer saw the same red-orange flying objects.

322

00:22:53,120 --> 00:22:58,120

I saw the object exhibit entirely unconventional flight characteristics.

323

00:22:59,120 --> 00:23:03,120

At times it would wobble around in the sky and appear very unstable.

324

00:23:03,120 --> 00:23:05,120

At other times it would be in a rock-hard hover.

325

00:23:05,120 --> 00:23:10,120

It was an old-blighted sphere, multicolored, crimson on bottom, blue-green on top,

326

00:23:10,120 --> 00:23:13,120

much brighter than anything else in the sky.

327

00:23:14,120 --> 00:23:19,120

Robert Lazar, the aerospace engineer who worked at Area 51,

328

00:23:19,120 --> 00:23:26,120

is convinced that these objects were experimental air force craft developed from alien technology.

329

00:23:27,120 --> 00:23:31,120

He claims there are at least nine flying saucers stored there.

330

00:23:31,120 --> 00:23:34,120

I was part of a back engineering group.

331

00:23:34,120 --> 00:23:38,120

And our job was basically to look at these recovered disks.

332

00:23:38,120 --> 00:23:41,120

And I say recovered because I don't know really where they came from.

333

00:23:41,120 --> 00:23:44,120

Whether given to us, we found them, jot them down, who knows what.

334

00:23:44,120 --> 00:23:48,120

But our group basically was to back engineer them,

335

00:23:48,120 --> 00:23:54,120

which means to start with a finished product and go backward and see how it was fabricated.

336

00:23:54,120 --> 00:23:58,120

And try and duplicate some of that technology with earthly materials.

337

00:23:58,120 --> 00:24:00,120

To me, Bob Lazar is credible.

338

00:24:00,120 --> 00:24:04,120

Over the past couple of years, I've spoken to literally dozens of people

339

00:24:04,120 --> 00:24:06,120

who have worked at that facility out there in Nevada.

340

00:24:06,120 --> 00:24:10,120

I think the technology at Area 51 originally came from somewhere else.

341

00:24:16,120 --> 00:24:19,120

I don't think the military has any credibility with the public

342

00:24:19,120 --> 00:24:22,120

in terms of its denials of this program or that program.

343

00:24:22,120 --> 00:24:25,120

They've denied the U2 existed. They denied the SR-71 existed.

344

00:24:25,120 --> 00:24:27,120

They denied working on stealth.

345

00:24:27,120 --> 00:24:30,120

All of those programs suddenly were unveiled.

346

00:24:30,120 --> 00:24:33,120

Coming up on Unexplained Mysteries,

347

00:24:33,120 --> 00:24:39,120

the destruction of one of NASA's most valuable space probes, was it intentional?

348

00:24:39,120 --> 00:24:43,120

It did not lose transmission. They turned it off.

349

00:24:43,120 --> 00:24:49,120

The promising search for extraterrestrial intelligence that the government ended abruptly.

350

00:24:49,120 --> 00:24:55,120

If our government knew that we got signal from outer space, they clamp a lid on it.

351

00:24:55,120 --> 00:25:00,120

The mysterious UFO sightings on the ground at McDill Air Force Base.

352

00:25:00,120 --> 00:25:02,120

It was nearly a hundred feet across.

353

00:25:02,120 --> 00:25:07,120

The military headquarters for a secret UFO intelligence team.

354

00:25:07,120 --> 00:25:11,120

Wright Patterson had something unique to our government,

355

00:25:11,120 --> 00:25:15,120

and that was the Technical Intelligence Organization.

356

00:25:15,120 --> 00:25:20,120

And the government's refusal to divulge UFO secrets.

357

00:25:20,120 --> 00:25:23,120

A lot of people say, well, how can something be kept secret?

358

00:25:23,120 --> 00:25:28,120

The F-117 stealth fighter was kept secret for approximately ten years.

359

00:25:28,120 --> 00:25:33,120

And you'll get the ultimate rundown with our Unex Report.

360

00:25:33,120 --> 00:25:36,120

More secrets, more revelations.

361

00:25:36,120 --> 00:25:39,120

Next on Unexplained Mysteries.

362

00:25:40,120 --> 00:25:45,120

Unexplained Mysteries Undercover UFOs.

363

00:25:45,120 --> 00:25:51,120

The government's cover-up of alien life extends to other planets.

364

00:25:53,120 --> 00:25:59,120

The unmanned Mars Observer was packed with sensitive data-gathering equipment.

365

00:25:59,120 --> 00:26:02,120

But it never completed its mission.

366

00:26:02,120 --> 00:26:06,120

NASA blamed the failure on technical malfunction.

367

00:26:06,120 --> 00:26:09,120

But experts think there's more to NASA's story.

368

00:26:09,120 --> 00:26:14,120

It starts with a strange area on the red planet, known as Sedonia.

369

00:26:14,120 --> 00:26:19,120

It's quite possible that NASA knows more about anomalous structures on Mars,

370

00:26:19,120 --> 00:26:23,120

possible extraterrestrials, even structures on our moon,

371

00:26:23,120 --> 00:26:25,120

that they're not telling us about.

372

00:26:25,120 --> 00:26:30,120

There is sufficient evidence to indicate that some of the objects on Mars

373

00:26:30,120 --> 00:26:32,120

may possibly be artificial.

374

00:26:33,120 --> 00:26:37,120

NASA says the objects on Mars are just light and shadow.

375

00:26:37,120 --> 00:26:41,120

But 3D imaging reveals something startling.

376

00:26:41,120 --> 00:26:47,120

I was quite interested with the first photos and release of the face on Mars.

377

00:26:47,120 --> 00:26:51,120

But particularly, I thought it was interesting to pyramidal structures.

378

00:26:51,120 --> 00:26:57,120

Some of these pyramids appear to have even a central stairway running up and down them.

379

00:26:57,120 --> 00:27:00,120

The more we look at these structures,

380

00:27:00,120 --> 00:27:04,120

the more we can see that there's something amazing here.

381

00:27:05,120 --> 00:27:12,120

Did NASA create a convenient malfunction to hide archaeological evidence of alien life?

382

00:27:12,120 --> 00:27:18,120

Some people want to go far beyond the edge of what's accepted in terms of imagery.

383

00:27:18,120 --> 00:27:23,120

Sea patterns on the rocks of Mars or on the moon or in the rings of Saturn.

384

00:27:23,120 --> 00:27:27,120

My view to that is, nozzle top. Go ahead, do it.

385

00:27:27,120 --> 00:27:30,120

Try it out. Make the proposals.

386

00:27:30,120 --> 00:27:38,120

These objects, if you measure carefully from the tops of the five that surround this city square point,

387

00:27:38,120 --> 00:27:42,120

you find an almost perfectly symmetrical pentagon.

388

00:27:45,120 --> 00:27:48,120

The Brookings Institution prepared a report for NASA.

389

00:27:48,120 --> 00:27:51,120

It contains a shocking recommendation.

390

00:27:51,120 --> 00:27:59,120

There is a section on what might occur if evidence of extraterrestrial existence was found on other planets.

391

00:27:59,120 --> 00:28:07,120

They said that NASA or the government might want to consider keeping the information from the public.

392

00:28:07,120 --> 00:28:14,120

The reason being that it could cause widespread social unrest and possible deterioration of government control.

393

00:28:15,120 --> 00:28:19,120

NASA claims the observer had an electrical failure.

394

00:28:19,120 --> 00:28:24,120

It did not lose transmission. They turned it off.

395

00:28:24,120 --> 00:28:31,120

And they turned it off after the instructions for going into orbit had been uploaded to the spacecraft.

396

00:28:31,120 --> 00:28:37,120

It was possible then that the spacecraft would go ahead, follow out those instructions and go into orbit.

397

00:28:37,120 --> 00:28:42,120

Before we start saying how these rocket scientists messed up and they did mess up,

398

00:28:42,120 --> 00:28:45,120

we have to keep realizing just how tough these projects are.

399

00:28:45,120 --> 00:28:49,120

That we're doing things out there in space every time we do it.

400

00:28:49,120 --> 00:28:54,120

That no one even thought was possible a few years or decades ago.

401

00:28:56,120 --> 00:29:02,120

The search for extraterrestrial intelligence. Huge radio telescopes aimed at the sky.

402

00:29:02,120 --> 00:29:08,120

Their purpose? To capture radio signals from alien civilizations.

403

00:29:08,120 --> 00:29:11,120

But the program is shrouded in secrecy.

404

00:29:11,120 --> 00:29:20,120

I think if our government knew that we got signals, a dedicated signal from outer space somewhere, they'd clamp a lid on it.

405

00:29:22,120 --> 00:29:27,120

Our source, a space program engineer, knows the risks.

406

00:29:27,120 --> 00:29:31,120

The powers that be knew I was talking to you. There would be a high price for me to pay.

407

00:29:31,120 --> 00:29:40,120

After years of denying the existence of UFOs, the government abruptly decides to spend millions on searching for aliens.

408

00:29:40,120 --> 00:29:42,120

But there's a catch.

409

00:29:42,120 --> 00:29:51,120

It's very hard to believe that the government would allow something this extraordinary to be released to the general public without scrutiny and censorship.

410

00:29:51,120 --> 00:29:57,120

In the Mojave Desert, the government set up Goldstone Station on a military base.

411

00:29:57,120 --> 00:30:02,120

It's RF quiet, which means there's not a lot of background noise when they're looking for signals.

412

00:30:02,120 --> 00:30:04,120

It's really ideal for this type of search.

413

00:30:04,120 --> 00:30:10,120

Soon after coming online, the telescopes picked up signals called hits.

414

00:30:11,120 --> 00:30:22,120

There were hits that were taken seriously. There were three or four hits to my knowledge that were strong and it could potentially be a signal from an extraterrestrial intelligence.

415

00:30:22,120 --> 00:30:26,120

Then the government suddenly shut down the program.

416

00:30:26,120 --> 00:30:30,120

It was a cheap shot for the budget posers, for the so-called deficit hawks.

417

00:30:30,120 --> 00:30:36,120

It's always easier to make fun of something that you or enough of your constituents don't understand.

418

00:30:36,120 --> 00:30:39,120

But some experts take issue with that explanation.

419

00:30:40,120 --> 00:30:50,120

If they embrace the concept of looking for alien signals, they also have to acknowledge the fact that the alien signals are coming from an extraterrestrial intelligence somewhere.

420

00:30:50,120 --> 00:30:59,120

And for certain people, that's not something that they want to either believe in or allow anybody to know that they believe in.

421

00:30:59,120 --> 00:31:06,120

Some people believe the National Security Agency killed SETI because it feared the public would panic.

422

00:31:06,120 --> 00:31:14,120

Their history and action in the past is a good warning of what they would do if something like this happened.

423

00:31:14,120 --> 00:31:20,120

SETI was resurrected by several major corporations and renamed Project Phoenix.

424

00:31:20,120 --> 00:31:25,120

But the government maintained a strong, though unpublicized presence.

425

00:31:26,120 --> 00:31:29,120

If the hits do come down, they will be suppressed.

426

00:31:29,120 --> 00:31:31,120

I don't think anybody will take a chance.

427

00:31:31,120 --> 00:31:43,120

The government would never make that leap of faith that the public would be able to handle the fact that we are receiving intelligence signals from another race, creature, something from somewhere else.

428

00:31:44,120 --> 00:31:51,120

Next on Unexplained Mysteries, the Air Force Officer who saw a number of UFOs.

429

00:31:51,120 --> 00:31:56,120

My gosh, those are flying saucers. Those things really do exist.

430

00:31:56,120 --> 00:31:59,120

Or were they experimental military planes?

431

00:31:59,120 --> 00:32:06,120

A lot of people say they're from deep space. I think it just as easily be from this world.

432

00:32:06,120 --> 00:32:10,120

Find out how the military dealt with questions about the aircraft.

433

00:32:10,120 --> 00:32:13,120

They had no record of such an aircraft ever existed.

434

00:32:13,120 --> 00:32:18,120

And we get to the truth about the UFO conspiracy in the Unex Report.

435

00:32:18,120 --> 00:32:21,120

Next on Unexplained Mysteries.

436

00:32:23,120 --> 00:32:26,120

Unexplained Mysteries Undercover UFOs.

437

00:32:28,120 --> 00:32:31,120

Reports are increasing of UFOs spotted at air bases.

438

00:32:31,120 --> 00:32:36,120

But with a striking difference, these craft are on the ground.

439

00:32:37,120 --> 00:32:46,120

McDill Air Force Base, Florida 1967. An officer witnesses an inconceivable sight.

440

00:32:47,120 --> 00:33:01,120

We were near a restricted area of the base and all of a sudden we saw four aircraft parked out there and our immediate reaction to each other was, my gosh, those are flying saucers. Those things really do exist.

441

00:33:01,120 --> 00:33:10,120

Pickett published the Air Force Base newspaper. He wanted to do an article about the craft he'd seen, including photos.

442

00:33:11,120 --> 00:33:19,120

I was called up to the Adjutant General's office. He went over to a file cabinet and got out a whole bunch of photographs.

443

00:33:19,120 --> 00:33:25,120

And he proceeded to lay these photographs out on a large table so that I could look at them.

444

00:33:25,120 --> 00:33:35,120

Well, of course, my interest perked up instantly when I began to see literally hundreds of photographs of all types of quote-unquote flying saucers.

445

00:33:36,120 --> 00:33:46,120

The Air Force refused to allow Pickett to publish the article. That night, eyewitnesses in Miami reported a large number of UFO sightings.

446

00:33:46,120 --> 00:33:51,120

At the air base the next day, the flying saucers were gone.

447

00:33:51,120 --> 00:34:02,120

The images have haunted Pickett for years. Desperate for some kind of explanation, he recently contacted former Air Force Intelligence Officer George Filer.

448

00:34:03,120 --> 00:34:14,120

A lot of people say, well, how can something be kept secret for 50 years? Well, I point out that the F-117 stealth fighter was kept secret for approximately 10 years.

449

00:34:15,120 --> 00:34:20,120

And most of us didn't know that it existed until the government released the information.

450

00:34:20,120 --> 00:34:30,120

I pointedly asked him, not only are these where the flying saucers stories came from, is this what they were? And he said, yes, well, I was awestruck.

451

00:34:30,120 --> 00:34:36,120

I couldn't really believe I was seeing what I was seeing. Some of those photographs had many, many aircraft in them.

452

00:34:37,120 --> 00:34:48,120

And they were all easily identifiable as Air Force photographs are. And I asked him, well, how high and how fast could these things go? You hear all these stories.

453

00:34:48,120 --> 00:34:56,120

And he said, well, this particular aircraft could go fast enough and high enough to actually achieve space flight.

454

00:34:56,120 --> 00:35:03,120

And I had no idea when he was telling me this story that wouldn't be too long before they were declared non-existent.

455

00:35:04,120 --> 00:35:08,120

To this day, Pickett is determined to prove what he saw was real.

456

00:35:09,120 --> 00:35:17,120

This is an illustration of one of the largest ones parked down. In fact, it was the largest. It was

nearly 100 feet across.

457

00:35:17,120 --> 00:35:25,120

But when Pickett tried recently to get the photographs and documentation of the craft, the Air Force said no.

458

00:35:26,120 --> 00:35:32,120

When I initially wrote, I began to get answers back. They had the, didn't have the faintest idea of what I was talking about.

459

00:35:32,120 --> 00:35:41,120

I got letters from high ranking officers that they had no record of such an aircraft ever existed. So I knew that it was top secret again.

460

00:35:41,120 --> 00:35:52,120

Many UFO experts believe the technology for the saucer shaped aircraft came from an alien spaceship that crashed near Roswell, New Mexico in 1947.

461

00:35:53,120 --> 00:36:02,120

At that time, if the military had recovered a downed UFO, they would have transported it to Wright-Patterson Air Base in Ohio.

462

00:36:02,120 --> 00:36:13,120

Wright-Patterson had something unique to our government and that was the technical intelligence organization, so-called T2, or what became the Foreign Technology Division.

463

00:36:14,120 --> 00:36:20,120

This is the sort of division that would have been appropriate to use for the investigation of UFO research.

464

00:36:21,120 --> 00:36:32,120

Three former Wright-Patterson employees filed aircraft patent requests. The designs looked suspiciously like flying saucers.

465

00:36:32,120 --> 00:36:38,120

Some people think their inspiration was the extraterrestrial craft that crashed near Roswell.

466

00:36:39,120 --> 00:36:44,120

So there's something out there that people are seeing. And the question of course is who do they belong to?

467

00:36:44,120 --> 00:36:52,120

A lot of people say they're from deep space, you know, but they could just as easily be from this world.

468

00:36:53,120 --> 00:37:09,120

Next, the ONIX Report. The answers you want to hear about UFOs. Are they alien spacecraft, military aircraft, or advanced Air Force vehicles based on harvested alien technology?

469

00:37:10,120 --> 00:37:16,120

You'll hear the final word on the possible UFO threat and military cover-up.

470

00:37:17,120 --> 00:37:23,120

And we'll take one last look at the military's intimidation of innocent UFO eyewitnesses.

471

00:37:24,120 --> 00:37:31,120

We'll wrap it all up for you with our ONIX Report when Unexplained Stories returns.

472

00:37:39,120 --> 00:37:46,120

And now for the ONIX Report.

473

00:37:48,120 --> 00:37:58,120

Experts believe the U.S. government is conducting a massive conspiracy to keep evidence about UFOs and aliens from the public.

474

00:37:59,120 --> 00:38:09,120

The military has established a pattern of denial concerning these highly capricious wild aircraft, beginning in the late 50s and continuing to this day.

475

00:38:10,120 --> 00:38:15,120

Thousands of witnesses have reported seeing unknown flying craft with similar details.

476

00:38:16,120 --> 00:38:21,120

A 36 foot object, which is basically almost the same size as our aircraft, a 36 foot wingspan.

477

00:38:21,120 --> 00:38:25,120

This is a full-sized craft, 35 feet diameter. This is your classic flying saucer.

478

00:38:26,120 --> 00:38:30,120

Something comes into the frame and chasing it. It comes in like this and fires at it.

479

00:38:31,120 --> 00:38:36,120

And goes around like this and fires at it and fires at it and fires at it and goes back out that way. What the hell could do that?

480

00:38:37,120 --> 00:38:41,120

The government UFO conspiracy begins with denial.

481

00:38:42,120 --> 00:38:48,120

And he said, what was that? And I said, it looks to me like we got a UFO.

482

00:38:49,120 --> 00:38:57,120

And he said, you are never to say that again. As far as you're concerned, Lieutenant Jacobs, this never happened.

483

00:38:58,120 --> 00:39:04,120

The government even has a word for its systematic pattern of lies. Disinformation.

484

00:39:05,120 --> 00:39:12,120

Our government does it all the time. There are even printed guidelines for how cover stories, disinformation, are supposed to work.

485

00:39:13,120 --> 00:39:20,120

This is... That's disinformation. That's lying through your teeth to the American people.

486

00:39:21,120 --> 00:39:27,120

The conspiracy uses threats and intimidation, even targeting military personnel.

487

00:39:28,120 --> 00:39:30,120

The powers of being knew I was talking to you. It would be a high price for me to pay.

488

00:39:30,120 --> 00:39:39,120

They've threatened people and intimidated people. They've spied on UFO groups, infiltrated UFO groups, spied on researchers, compiled dossiers.

489

00:39:40,120 --> 00:39:42,120

Their response is bordered on paranoia.

490

00:39:43,120 --> 00:39:49,120

And they said, well, the government doesn't like the information being released and to continue it could be detrimental to you.

491

00:39:50,120 --> 00:39:55,120

The military cover-up conceals UFO breaches of national security.

492

00:39:55,120 --> 00:40:05,120

That when one object came low over a weapon storage area, it appeared to demonstrate a clear intent over this area, meaning it seemed to have intelligence.

493

00:40:06,120 --> 00:40:14,120

The conspiracy withholds reports of radio signals from outer space that confirm the existence of alien life.

494

00:40:15,120 --> 00:40:24,120

It's very hard to believe that the government would allow something this extraordinary to be released to the general public without scrutiny and censorship.

495

00:40:25,120 --> 00:40:31,120

And the government denies the reverse engineering of their infamous black projects.

496

00:40:32,120 --> 00:40:38,120

I think there's a strong possibility that we have recovered some sort of alien technology and are trying to incorporate that into military program.

497

00:40:39,120 --> 00:40:43,120

I got letters from high-ranking officers that they had no record of such an aircraft ever existing.

498

00:40:44,120 --> 00:40:50,120

Secrets can be kept. Secrets are kept. And every time they've asked about those planes, they've been told there is no such thing.

499

00:40:50,120 --> 00:40:55,120

Why does our government hide information on extraterrestrial life from us?

500

00:40:55,120 --> 00:41:01,120

The reason being that it could cause widespread social unrest and possible deterioration of government control.

501

00:41:02,120 --> 00:41:11,120

How do you prove a government cover-up when their tools are denial and disinformation? Only facts made public will verify the conspiracy.

502

00:41:12,120 --> 00:41:17,120

Until then, it will remain an unexplained mystery.

503

00:41:17,120 --> 00:41:22,120

Our government has flat-out lied to us for 40 years or more.

504

00:41:47,120 --> 00:41:52,120

The government has been able to make a new law that will be passed on to the public.

505

00:41:53,120 --> 00:41:58,120

The government has been able to make a new law that will be passed on to the public.

506

00:41:59,120 --> 00:42:04,120

The government has been able to make a new law that will be passed on to the public.
