

1

00:00:00,000 --> 00:00:04,000

If you start looking to the sky with an open mind,

2

00:00:04,000 --> 00:00:07,000

you are going to see things that you never expected before.

3

00:00:07,000 --> 00:00:13,000

This time on Unexplained Mysteries, global UFO warning.

4

00:00:13,000 --> 00:00:17,000

A wave of sightings breaks out around the world.

5

00:00:17,000 --> 00:00:22,000

I saw blue lights and orange lights passing very quickly,

6

00:00:22,000 --> 00:00:24,000

so very close to the plane.

7

00:00:24,000 --> 00:00:29,000

You'll hear actual radio transmissions of an encounter above New Mexico.

8

00:00:29,000 --> 00:00:35,000

A pilot of America's West Airlines has seen an object between 300 and 400 feet long.

9

00:00:35,000 --> 00:00:40,000

The lightning in the cloud at some distance caused the object to be visible.

10

00:00:40,000 --> 00:00:42,000

Who'll bring you the case study?

11

00:00:42,000 --> 00:00:46,000

Unknown craft causes emergency landing.

12

00:00:46,000 --> 00:00:51,000

My landing gear was in transit, barely coming down.

13

00:00:51,000 --> 00:00:55,000

I'm making my turn, then I felt a very hard hit.

14

00:00:55,000 --> 00:00:59,000

A UFO harassed a plane over Argentina.

15

00:00:59,000 --> 00:01:03,000

What I always ask myself is how they could know the maneuvers I was going to make

16

00:01:03,000 --> 00:01:06,000

and if the object knew what I was thinking.

17

00:01:06,000 --> 00:01:10,000

And you'll find out why airlines want to keep their pilots quiet.

18

00:01:10,000 --> 00:01:15,000

It is a commercial judgment that pilots shouldn't speak about this.

19

00:01:15,000 --> 00:01:21,000

Military personnel report encounters with strange flying objects.

20

00:01:21,000 --> 00:01:26,000

Since the light was flying in a very strange way, it didn't fly like a normal plane.

21

00:01:26,000 --> 00:01:29,000

You know, this flying object is following them.

22

00:01:29,000 --> 00:01:32,000

And British officers saw something huge in the sky.

23

00:01:32,000 --> 00:01:37,000

Other officers came across the radio as well to say that they'd seen the lights as well.

24

00:01:37,000 --> 00:01:39,000

That didn't show up on radar.

25

00:01:39,000 --> 00:01:43,000

We never even got our air defense aircraft into the air.

26

00:01:43,000 --> 00:01:47,000

A strange shining object hovered over the Rockies.

27

00:01:47,000 --> 00:01:53,000

At times it appeared to be a boomerang shape too, or a slight arc.

28

00:01:53,000 --> 00:01:57,000

And the amazing mass sighted in Mexico City.

29

00:01:57,000 --> 00:02:00,000

Hundreds of thousands of people went to the streets.

30

00:02:00,000 --> 00:02:05,000

And you'll get the ultimate run-down in our next report.

31

00:02:05,000 --> 00:02:11,000

Here are unexplained mysteries. Global UFO warning.

32

00:02:12,000 --> 00:02:21,000

You are about to hear an actual radio transmission of an extraordinary UFO sighting over New Mexico.

33

00:02:21,000 --> 00:02:27,000

The eyewitnesses are remarkably commercial airline pilots.

34

00:02:27,000 --> 00:02:33,000

I work as an air traffic controller and pilot of a Miracle West Airlines team.

35

00:02:33,000 --> 00:02:36,000

An object between three and four hundred feet long.

36

00:02:37,000 --> 00:02:41,000

These audio tapes were released through the Freedom of Information Act.

37

00:02:41,000 --> 00:02:46,000

An America West pilot talks to air traffic control in Albuquerque.

38

00:02:54,000 --> 00:02:57,000

But nothing appeared on air traffic control's radar.

39

00:03:07,000 --> 00:03:10,000

What's the altitude about?

40

00:03:10,000 --> 00:03:13,000

I don't know, probably around thirty thousand or so.

41

00:03:13,000 --> 00:03:16,000

And the length is unbelievable.

42

00:03:16,000 --> 00:03:20,000

Albuquerque air traffic control called NORAD.

43

00:03:20,000 --> 00:03:23,000

The North American Aerospace Defense Command.

44

00:03:23,000 --> 00:03:26,000

To see if they were tracking anything unusual.

45

00:03:26,000 --> 00:03:28,000

Hannah, go ahead.

46

00:03:28,000 --> 00:03:31,000

I don't know if there was anything like a tethered balloon or anything released.

47

00:03:31,000 --> 00:03:33,000

It should be above Tyvan.

48

00:03:33,000 --> 00:03:35,000

No, we haven't heard nothing about it.

49

00:03:35,000 --> 00:03:37,000

Okay.

50

00:03:37,000 --> 00:03:41,000

The length is unbelievable and it has a strobe on it.

51

00:03:41,000 --> 00:03:42,000

Uh huh.

52

00:03:42,000 --> 00:03:44,000

This is not good.

53

00:03:44,000 --> 00:03:45,000

What does that mean?

54

00:03:45,000 --> 00:03:47,000

I don't know, it's a UFO or something.

55

00:03:47,000 --> 00:03:50,000

It's right in Tyvan. No, we haven't seen anything like that.

56

00:03:50,000 --> 00:03:51,000

Okay, keep your eyes open.

57

00:03:51,000 --> 00:03:53,000

I'll start Keela.

58

00:03:56,000 --> 00:04:00,000

The tapes were analyzed by a NASA expert.

59

00:04:01,000 --> 00:04:03,000

This aqua initially spotted it.

60

00:04:03,000 --> 00:04:06,000

It was between the weather and when that lightning.

61

00:04:06,000 --> 00:04:09,000

You can see a dark object.

62

00:04:09,000 --> 00:04:11,000

And it was pretty eerie looking.

63

00:04:11,000 --> 00:04:16,000

Well, the pilot had just discussed and citing again in a little more detail

64

00:04:16,000 --> 00:04:19,000

with air traffic control at Albuquerque.

65

00:04:19,000 --> 00:04:24,000

And he said that he saw a dark object because it was back illuminated.

66

00:04:24,000 --> 00:04:27,000

Attempts to interview the pilots and air traffic controllers

67

00:04:27,000 --> 00:04:31,000

were denied per airline policy.

68

00:04:31,000 --> 00:04:35,000

They don't encourage you reporting it, that's for sure.

69

00:04:35,000 --> 00:04:42,000

A former United Airlines pilot of 35 years had a comparable encounter.

70

00:04:42,000 --> 00:04:49,000

When it was ready to leave, it departed at a very high rate of speed.

71

00:04:49,000 --> 00:04:54,000

The other crew members never come forward.

72

00:04:54,000 --> 00:04:58,000

It is a commercial judgment that pilots shouldn't speak about this.

73

00:04:58,000 --> 00:05:05,000

Unfortunately, it's a fact of life that any UFO alliance with a UFO sighting

74

00:05:05,000 --> 00:05:10,000

or anything unusual about a particular crew member

75

00:05:10,000 --> 00:05:15,000

will downgrade the potential of that airline to a maximum profit.

76

00:05:16,000 --> 00:05:22,000

In Albuquerque, Nared called air traffic control with an interesting development.

77

00:05:23,000 --> 00:05:28,000

We had some a call here earlier about a pilot spotting an unidentified flying object.

78

00:05:28,000 --> 00:05:29,000

Yep, that's us.

79

00:05:29,000 --> 00:05:34,000

Okay, well hey, we're tracking a search-only track kind of up where that might have happened.

80

00:05:34,000 --> 00:05:37,000

It's tracking about 390 knots.

81

00:05:37,000 --> 00:05:40,000

We've been tracking it for about three, four minutes now.

82

00:05:40,000 --> 00:05:43,000

I mean, to be going that fast has got to be up kind of high.

83

00:05:43,000 --> 00:05:45,000

And we got no code on it, huh?

84

00:05:45,000 --> 00:05:47,000

Nope, it's search-only.

85

00:05:47,000 --> 00:05:54,000

It seems that the radar controller was tracking an object, an unknown, that wasn't transponding.

86

00:05:54,000 --> 00:05:58,000

And by law, any craft in controlled airspace must have a transponder.

87

00:05:58,000 --> 00:06:03,000

But it's very interesting that ultimately it was seen by the radar controller.

88

00:06:04,000 --> 00:06:09,000

Experts believe this report is real because it was reported by a pilot,

89

00:06:09,000 --> 00:06:13,000

and tracked by air traffic control and NORAD radar.

90

00:06:14,000 --> 00:06:20,000

I've listened to the American West tape, and my opinion is that it's absolutely authentic.

91

00:06:20,000 --> 00:06:24,000

If handled correctly, this tape could be something of a breakthrough.

92

00:06:24,000 --> 00:06:27,000

Thirty times in 15 years everything seems to like it.

93

00:06:27,000 --> 00:06:37,000

Coming up on Unexplained Mysteries, the mid-air collision between an airliner and an unidentified flying object.

94

00:06:37,000 --> 00:06:40,000

I'm making my turn when I felt a very hard hit.

95

00:06:41,000 --> 00:06:44,000

I've never felt a hit as strong as this.

96

00:06:45,000 --> 00:06:49,000

A mysterious craft that terrorized a plane load of passengers.

97

00:06:50,000 --> 00:06:54,000

People were very nervous. They didn't know what was happening.

98

00:06:55,000 --> 00:06:59,000

The bizarre encounter between the Iranian Air Force and a mothership.

99

00:07:00,000 --> 00:07:05,000

So I was so scared what was going to happen and what happened to the pilots.

100

00:07:06,000 --> 00:07:09,000

The possible US Iran cover-up of the event.

101

00:07:10,000 --> 00:07:17,000

Certain agencies, including the CIA, have gone on record as having information on this particular case.

102

00:07:17,000 --> 00:07:22,000

And a British defense official who tried to get to the bottom of a mass sighting.

103

00:07:23,000 --> 00:07:26,000

I drew a complete blank. This was a genuine unknown.

104

00:07:26,000 --> 00:07:31,000

The police officers who saw the UFO hover above their car.

105

00:07:31,000 --> 00:07:34,000

It was probably an overview for about 30 seconds.

106

00:07:34,000 --> 00:07:39,000

The sleepy Colorado town, shaken by an incredible sight.

107

00:07:40,000 --> 00:07:44,000

I could see the three flashes come off the light boomerangs and it was bright white.

108

00:07:44,000 --> 00:07:49,000

The sightings that astonished hundreds of thousands of eyewitnesses in Mexico City.

109

00:07:50,000 --> 00:07:53,000

The people were coming out of their homes.

110

00:07:53,000 --> 00:07:58,000

Automobiles were stopping in the streets and everyone was looking up at the sky.

111

00:07:59,000 --> 00:08:03,000

And you'll get the full wrap up with our Unexplained Mysteries.

112

00:08:03,000 --> 00:08:08,000

All this and more coming out on Unexplained Mysteries.

113

00:08:15,000 --> 00:08:19,000

Unexplained Mysteries. Global UFO Warning.

114

00:08:20,000 --> 00:08:26,000

When a passenger plane encounters a UFO, the result can be dangerous.

115

00:08:28,000 --> 00:08:29,000

Mexico City.

116

00:08:30,000 --> 00:08:33,000

My landing gear was in transit, barely coming down.

117

00:08:34,000 --> 00:08:37,000

I'm making my turn when I felt a very hard hit.

118

00:08:40,000 --> 00:08:45,000

At that moment, I didn't know what it was. I've never felt a hit as strong as this.

119

00:08:46,000 --> 00:08:49,000

RUANO declared an emergency landing.

120

00:08:51,000 --> 00:08:58,000

Immediately, maintenance checked the airplane and found that the shock absorber had been torn off.

121

00:08:59,000 --> 00:09:04,000

The amount of damage was so severe, landing the plane was a risk.

122

00:09:05,000 --> 00:09:13,000

When I left the plane, I was in contact by phone with radar patrol and they told me that the moment I was making my turn, there were two UFOs.

123

00:09:13,000 --> 00:09:16,000

It's out of control, call us, you know, excited.

124

00:09:16,000 --> 00:09:25,000

When you said it was a UFO, we just had an accident, over DC-9, and we had to have an emergency landing.

125

00:09:25,000 --> 00:09:28,000

The pilot is coming, he wants to talk to you.

126

00:09:29,000 --> 00:09:35,000

After RUANO went public with his UFO report, other pilots reported similar encounters.

127

00:09:37,000 --> 00:09:45,000

In the next 10 days, we have six sightings of pilots who are almost landing in Mexico City. They have these sightings.

128

00:09:45,000 --> 00:09:49,000

But many pilots are reluctant to file their reports.

129

00:09:50,000 --> 00:09:55,000

In many ways, they are connected to the FAA in the United States.

130

00:09:55,000 --> 00:10:04,000

And that's one reason they are worried because in your country, this is a difficult matter. This is a very delicate matter.

131

00:10:05,000 --> 00:10:11,000

Well, if I were a pilot, I'm not sure I would want to complicate my life by making a report either.

132

00:10:11,000 --> 00:10:14,000

Many pilots have made unofficial reports.

133

00:10:15,000 --> 00:10:20,000

I have commercial cases from almost every country in the world, by the way.

134

00:10:20,000 --> 00:10:30,000

Military sightings, test pilot sightings like the X-15, for instance, and NASA kind of test aircraft, and also private pilots.

135

00:10:31,000 --> 00:10:38,000

Yet, the Mexican Association of Pilots has established procedures for collisions between planes and alien craft.

136

00:10:38,000 --> 00:10:44,000

What we are doing now, the pilots, is to be more attentive in coordination with radar control.

137

00:10:50,000 --> 00:10:54,000

The close encounters between passenger jets and UFOs are spreading.

138

00:10:54,000 --> 00:10:57,000

Bariloche, Argentina.

139

00:10:57,000 --> 00:11:03,000

Erlinas, Argentina's flight number 674 was coming in for a landing.

140

00:11:03,000 --> 00:11:06,000

Only two planes were in the sky.

141

00:11:07,000 --> 00:11:11,000

A passenger flight and a military jet several miles away.

142

00:11:12,000 --> 00:11:14,000

Then, something else appeared.

143

00:11:15,000 --> 00:11:19,000

Our worries began when we saw the light.

144

00:11:19,000 --> 00:11:24,000

We consulted with the tower and they said they didn't know of any other craft in the area.

145

00:11:25,000 --> 00:11:30,000

Air traffic control asked Polanco if he was talking about the military jet.

146

00:11:30,000 --> 00:11:35,000

He wasn't. The passengers could see something outside.

147

00:11:37,000 --> 00:11:40,000

The first impression was shock from the people inside the plane.

148

00:11:41,000 --> 00:11:43,000

The lights of the object were well-defined.

149

00:11:43,000 --> 00:11:49,000

There was an orange light on top of it, green lights on the side, and the solid part of the object was dark.

150

00:11:50,000 --> 00:11:52,000

And it was close.

151

00:11:54,000 --> 00:12:04,000

I was looking through the window and I saw blue lights and orange lights passing very quickly, very close to the plane.

152

00:12:05,000 --> 00:12:09,000

We heard the AA pilot saying that there was something flying parallel to them.

153

00:12:10,000 --> 00:12:14,000

The controller said it couldn't be. They couldn't see anything.

154

00:12:14,000 --> 00:12:17,000

The control tower then called us to ask if we didn't see anything.

155

00:12:17,000 --> 00:12:21,000

It was in feet above the AA flight and paying attention to its communication.

156

00:12:21,000 --> 00:12:24,000

We told the controller that we couldn't see anything.

157

00:12:24,000 --> 00:12:29,000

Just after that, we heard the AA pilot say that the lights of the airport had gone off.

158

00:12:31,000 --> 00:12:36,000

Ground crews struggled to turn the lights back on in time for the plane to land.

159

00:12:37,000 --> 00:12:44,000

There was a general power cut throughout the city which made us use the emergency services at the airport.

160

00:12:45,000 --> 00:12:48,000

I told the control tower that we couldn't generate electricity anymore

161

00:12:48,000 --> 00:12:51,000

and that they should tell the plane to start an escape maneuver

162

00:12:51,000 --> 00:12:54,000

because we couldn't keep even the emergency lights on properly.

163

00:12:55,000 --> 00:13:00,000

Without airport lights, Polanco had to abort his landing.

164

00:13:01,000 --> 00:13:08,000

That's when Colonel Sapuzak claims he saw blinking amber light race by at about 800 miles an hour.

165

00:13:08,000 --> 00:13:13,000

Suddenly, the light flew up above his jet.

166

00:13:15,000 --> 00:13:17,000

The lights at the runways on the airport were gone.

167

00:13:17,000 --> 00:13:21,000

We started our escape maneuver and I noticed that the crew started getting nervous.

168

00:13:22,000 --> 00:13:26,000

People were very nervous. They didn't know what was happening

169

00:13:26,000 --> 00:13:32,000

and they were asking, wondering what was happening that we couldn't land.

170

00:13:32,000 --> 00:13:37,000

Polanco says the object seemed to wait for his plane over a nearby lake.

171

00:13:38,000 --> 00:13:41,000

We saw the UFO again waiting for us in our trajectory.

172

00:13:42,000 --> 00:13:46,000

Once we finished our turn toward the airport, the UFO disappeared below us.

173

00:13:47,000 --> 00:13:52,000

Suddenly, the airport lights came back on and Polanco was able to land.

174

00:13:53,000 --> 00:13:58,000

We were approached by the airport director who asked me for the report of what had happened.

175

00:13:58,000 --> 00:14:00,000

He had to take it to the authorities.

176

00:14:00,000 --> 00:14:04,000

But the Air Force refused to conduct an official investigation.

177

00:14:04,000 --> 00:14:07,000

Polanco took matters into his own hands.

178

00:14:09,000 --> 00:14:14,000

I decided not to keep quiet about it, so I decided to let the public know what happened that night.

179

00:14:17,000 --> 00:14:21,000

I would like to know what it was since the light was flying in a very strange way.

180

00:14:21,000 --> 00:14:23,000

It didn't fly like a normal plane.

181

00:14:24,000 --> 00:14:30,000

Polanco is obsessed with what he saw because he claims he could sense an alien intelligence.

182

00:14:32,000 --> 00:14:36,000

I had the impression that this object could foresee what I was thinking.

183

00:14:36,000 --> 00:14:40,000

This is an experience that has changed me for the rest of my life.

184

00:14:41,000 --> 00:14:48,000

Next on Unexplained Mysteries, Iran takes on an enemy more powerful than anything they've ever encountered before.

185

00:14:49,000 --> 00:14:53,000

And it was coming toward them, they tried to shoot him down.

186

00:14:53,000 --> 00:14:57,000

When they squeezed the trigger, it didn't work.

187

00:14:58,000 --> 00:15:00,000

And the obvious cover-up.

188

00:15:00,000 --> 00:15:06,000

I don't know why this information was transmitted from the public.

189

00:15:07,000 --> 00:15:12,000

The UFOs reported by hundreds of British police and military personnel.

190

00:15:12,000 --> 00:15:18,000

The object was black and it appeared to be shaped something like a wedge shape.

191

00:15:18,000 --> 00:15:22,000

And the one man who tried to find out what they had seen.

192

00:15:23,000 --> 00:15:29,000

It couldn't be explained and there may well be some extraterrestrial explanation.

193

00:15:29,000 --> 00:15:33,000

The family who saw something strange in the Colorado sky.

194

00:15:34,000 --> 00:15:42,000

I looked up again and I see a very intense, bright, shimmering, white light.

195

00:15:43,000 --> 00:15:47,000

You'll hear about one of the most amazing mass sightings in history.

196

00:15:47,000 --> 00:15:52,000

I was looking to an object that I have never seen before.

197

00:15:52,000 --> 00:15:56,000

And we'll give you the complete analysis in our next report.

198

00:15:56,000 --> 00:16:01,000

It's all coming up here on Unexplained Mysteries.

199

00:16:04,000 --> 00:16:10,000

Unexplained Mysteries Global UFO Warning

200

00:16:14,000 --> 00:16:17,000

Military sightings around the world are skyrocketing.

201

00:16:19,000 --> 00:16:21,000

Tehran, Iran

202

00:16:22,000 --> 00:16:30,000

Air traffic controllers track a giant object in the night sky near Marabot Air Force Base.

203

00:16:31,000 --> 00:16:34,000

It was larger than an airliner.

204

00:16:35,000 --> 00:16:43,000

When I saw this object flying that fast, then I thought this is not a helicopter and this is not an aircraft.

205

00:16:43,000 --> 00:16:46,000

By that time I thought, oh, should be some kind of UFO.

206

00:16:47,000 --> 00:16:53,000

The Air Force scrambled an F-4 with their best pilot to get a closer look.

207

00:16:53,000 --> 00:16:59,000

At 23,000 feet, the pilot radioed that he saw a bright object.

208

00:17:00,000 --> 00:17:06,000

Then he got closer. His instruments became magnetized and unreadable.

209

00:17:07,000 --> 00:17:14,000

It may suggest a deliberate kind of control mechanism such that when the airplane is no longer a threat,

210

00:17:14,000 --> 00:17:19,000

it can change the radiation so that the systems onboard the airplane come back to normal.

211

00:17:21,000 --> 00:17:26,000

I put down my phone and I went to my body to see if I can see that object.

212

00:17:27,000 --> 00:17:35,000

I saw a big star among the other stars, which was at least twice as large as the normal star.

213

00:17:35,000 --> 00:17:40,000

I asked the car what happened and he said we lost communication again.

214

00:17:40,000 --> 00:17:45,000

So I was so scared what's going to happen and what happened to the pilot.

215

00:17:45,000 --> 00:17:50,000

When the plane moved away, communication and instrument control returned.

216

00:17:51,000 --> 00:17:57,000

So I asked from the car controller to tell them to continue their mission

217

00:17:57,000 --> 00:18:02,000

and see if they can get more information from the line up.

218

00:18:02,000 --> 00:18:09,000

The pilot reported that a smaller object had separated from the large one and was bearing down on him.

219

00:18:10,000 --> 00:18:14,000

And it was coming toward them. They tried to shut them down.

220

00:18:14,000 --> 00:18:22,000

When they squeezed the trigger, it didn't work and the trigger was inoperative.

221

00:18:22,000 --> 00:18:25,000

They couldn't shut the message.

222

00:18:25,000 --> 00:18:31,000

We understood that the ejecting instrument also didn't work.

223

00:18:31,000 --> 00:18:38,000

So in this case, I said to God, oh God save them.

224

00:18:38,000 --> 00:18:47,000

The pilot tried to evade the object. When he got 10 miles away from the mothership, his instruments were restored.

225

00:18:47,000 --> 00:18:52,000

The small object veered off and landed on a nearby mountain.

226

00:18:52,000 --> 00:18:58,000

While they were landing, the car was screaming on the phone to me.

227

00:18:58,000 --> 00:19:02,000

There was this flying object, it's following them and it's going to land in there.

228

00:19:02,000 --> 00:19:07,000

The larger ship followed the F-4 back to the base and flew by the tower.

229

00:19:07,000 --> 00:19:11,000

All the power on the base went out.

230

00:19:11,000 --> 00:19:18,000

That was strange for us and we asked each other why the power went out for some seconds.

231

00:19:18,000 --> 00:19:29,000

There are other cases well documented where power has been disrupted on the ground over fairly large areas during UFO presence.

232

00:19:29,000 --> 00:19:32,000

The mothership flew off to the west.

233

00:19:32,000 --> 00:19:38,000

Later that same night, it was seen over Cairo, then Lisbon.

234

00:19:38,000 --> 00:19:44,000

It could be a spy airplane, I really have no idea but maybe from some other world.

235

00:19:44,000 --> 00:19:49,000

Iranian newspapers immediately got hold of the story.

236

00:19:49,000 --> 00:19:59,000

At first it was front page news, but then the apparent cover-up began as the military put a clamp on any interviews.

237

00:19:59,000 --> 00:20:07,000

I don't know why the appropriate authority prohibited me to interview with the press.

238

00:20:07,000 --> 00:20:15,000

As the story got around that the whole thing was a hoax, General Yusefie continued to search for evidence.

239

00:20:15,000 --> 00:20:23,000

I asked from the pilot of the F-4 to go and to look after that flying object.

240

00:20:23,000 --> 00:20:29,000

But their instruments registered a strange electronic sound.

241

00:20:29,000 --> 00:20:34,000

The beeping sound that was picked up could be one of a number of things.

242

00:20:34,000 --> 00:20:38,000

It might be technology.

243

00:20:38,000 --> 00:20:44,000

In fact, depending on the frequency stability and interfrequency pulse and other factors like that,

244

00:20:44,000 --> 00:20:49,000

it very likely is the technology of some sort as opposed to a natural phenomenon.

245

00:20:49,000 --> 00:20:56,000

And the US spy satellite also tracked unknown signals that same night over Tehran.

246

00:20:56,000 --> 00:21:04,000

We saw something, that's an independent confirmation that an event of some type occurred at that time and place.

247

00:21:04,000 --> 00:21:06,000

What it was, we don't know.

248

00:21:06,000 --> 00:21:14,000

There are agencies including the CIA have gone on record as having information on this particular case.

249

00:21:14,000 --> 00:21:19,000

Was US intelligence involved in a cover-up with the Iranian military?

250

00:21:19,000 --> 00:21:23,000

That somebody thought this case was very, very important when it happened.

251

00:21:23,000 --> 00:21:26,000

And the American people deserve to know what happened.

252

00:21:26,000 --> 00:21:33,000

Former Iranian generals claimed they shared information on the UFO with the US government.

253

00:21:33,000 --> 00:21:35,000

I was convinced that was a UFO.

254

00:21:35,000 --> 00:21:45,000

As far as my experience is concerned, it can be American airplane, it can be Russian.

255

00:21:45,000 --> 00:21:55,000

It can be any technology to be like that, except some super technology, which is only UFO.

256

00:21:55,000 --> 00:22:07,000

The highlight of the information that we gave to the US government was the high rate of crime and

high rate of extradition that we saw from the UFO.

257

00:22:07,000 --> 00:22:12,000

Whether or not there was a cover-up, the generals believe what they saw.

258

00:22:12,000 --> 00:22:15,000

I don't have any doubt about UFO.

259

00:22:15,000 --> 00:22:24,000

UFO exists and they're trying to find somebody to get contact with all of them.

260

00:22:24,000 --> 00:22:30,000

Later on unexplained mysteries, the strange incidents that occurred one night in England.

261

00:22:30,000 --> 00:22:37,000

And it was without doubt one of the most major waves of sightings that Britain had ever seen.

262

00:22:37,000 --> 00:22:40,000

The policeman who saw the flying object.

263

00:22:40,000 --> 00:22:44,000

The timing of their sighting was exactly the same as the timing of our sighting.

264

00:22:44,000 --> 00:22:48,000

The Salita encounter, a rare daytime UFO.

265

00:22:48,000 --> 00:22:52,000

At first I thought those guys were crazy. I was like, that's a bomb.

266

00:22:52,000 --> 00:22:56,000

Then when it started moving around, I was like, I couldn't believe it.

267

00:22:56,000 --> 00:23:05,000

In Mexico City, an unprecedented mass sighting, thousands of witnesses, hundreds of UFOs.

268

00:23:05,000 --> 00:23:08,000

This was a massive phenomenon.

269

00:23:08,000 --> 00:23:16,000

And we put all the facts together for you in our Unex Report, coming up on Unexplained Mysteries.

270

00:23:23,000 --> 00:23:29,000

Unexplained Mysteries, Global UFO Warning.

271

00:23:36,000 --> 00:23:42,000

Nick Pope was a flying saucer skeptic when he started working in Britain's Ministry of Defence.

272

00:23:42,000 --> 00:23:46,000

What he learned there changed his mind forever.

273

00:23:47,000 --> 00:23:57,000

I'd been doing the UFO job for a year or so when a case came along which really changed my perception on the whole UFO mystery.

274

00:23:57,000 --> 00:24:03,000

And it was without doubt one of the most major waves of sightings that Britain had ever seen.

275

00:24:03,000 --> 00:24:11,000

Hundreds of police and military personnel saw a huge UFO. But defence radar did not detect it.

276

00:24:11,000 --> 00:24:21,000

The object was black and it appeared to be shaped either something like a wedge shape or a delta wing shape,

277

00:24:21,000 --> 00:24:30,000

or indeed like a catamaran, a twin hulled craft. There were lights on this craft which appeared to be at either end of it,

278

00:24:30,000 --> 00:24:34,000

which they described as about 500 feet apart.

279

00:24:34,000 --> 00:24:37,000

Pope fielded numerous reports of the object.

280

00:24:37,000 --> 00:24:44,000

I checked aircraft movements, satellite tracks, airships, weather balloons.

281

00:24:44,000 --> 00:24:51,000

But after an extremely detailed inquiry, I drew a complete blank. This was a genuine unknown.

282

00:24:51,000 --> 00:24:59,000

But Pope was particularly intrigued by the account of two Devon policemen who saw the unidentified craft up close.

283

00:25:00,000 --> 00:25:01,000

Look at that.

284

00:25:06,000 --> 00:25:13,000

Gus and I both sort of looked at each other and Gus stopped the car and we got out.

285

00:25:15,000 --> 00:25:20,000

Certainly the three lights that we saw, I certainly found the opinion that they were fixed to the same object,

286

00:25:20,000 --> 00:25:27,000

but I couldn't see any object. Traveling at the same speed and had it been a conventional sized aircraft,

287

00:25:27,000 --> 00:25:33,000

it would have been a deafening noise. It was probably in our view for about 30 seconds.

288

00:25:33,000 --> 00:25:42,000

It was really really strange. Those are the three lights in the position and that's our vehicle.

289

00:25:42,000 --> 00:25:47,000

You just don't know what to say, do you? It's the first time you come across something like that.

290

00:25:47,000 --> 00:25:53,000

They found out that others had witnessed the strange silent lights in the sky.

291

00:25:53,000 --> 00:25:58,000

Another officer in Cornwall came up over the radio and said that he had seen these lights.

292

00:25:58,000 --> 00:26:04,000

And then other officers came across the radio as well to say that they'd seen the lights as well.

293

00:26:04,000 --> 00:26:09,000

Calls were coming into headquarters from officers all over Southern England.

294

00:26:09,000 --> 00:26:17,000

The other officers who sold these lights, albeit some of those officers were in excess of 60 or 70 miles away from where we were,

295

00:26:17,000 --> 00:26:21,000

the timing of their sighting was exactly the same as the timing of our sighting,

296

00:26:21,000 --> 00:26:26,000

which putting the whole thing together makes it even bigger mystery.

297

00:26:26,000 --> 00:26:33,000

Police officers are reliable and they're not given to flights of fancy as far as we're concerned.

298

00:26:33,000 --> 00:26:38,000

Hulk discovered the Royal Air Force had no clue what the object was either.

299

00:26:38,000 --> 00:26:44,000

He realized that something had happened and he seems to have gone out of his way

300

00:26:44,000 --> 00:26:51,000

to be as helpful as he possibly could by sending me a letter with the map on it, of course.

301

00:26:51,000 --> 00:26:55,000

We've never had this before from anybody in that position.

302

00:26:55,000 --> 00:27:01,000

Pope also sent out a list of military bases that had reported the UFO.

303

00:27:01,000 --> 00:27:11,000

We got reports from military personnel of a sizeable craft operating very low over two of our military bases.

304

00:27:11,000 --> 00:27:19,000

And there was nothing on radar, so we never had any warning and we never even got our air defense aircraft into the air.

305

00:27:19,000 --> 00:27:27,000

But the fact is that an unknown craft crossed right across these counties and the RAF do not appear to have hit enough on their radar.

306

00:27:27,000 --> 00:27:34,000

The Air Force's sophisticated technology did not detect a giant craft in their airspace,

307

00:27:34,000 --> 00:27:39,000

but expert suspect alien vessels are able to move above the Earth at will.

308

00:27:39,000 --> 00:27:48,000

That's got to be extremely worrying and that's got to mean that this whole UFO sighting is a matter of extreme defense significance.

309

00:27:48,000 --> 00:27:57,000

It couldn't be explained and there may well be some extraterrestrial explanation to a hard core of these UFO sightings.

310

00:27:58,000 --> 00:28:08,000

Salida, Colorado, a quiet town 7,000 feet above sea level. The call was disrupted by a UFO.

311

00:28:11,000 --> 00:28:22,000

Approximately 930, me and my daughter Brandi came out here and she has said that she looked up in the sky to see if it was going to rain that day.

312

00:28:23,000 --> 00:28:30,000

If it was going to rain or lightning or something, we couldn't go camping so I looked up and I saw it.

313

00:28:30,000 --> 00:28:32,000

What they saw was amazing.

314

00:28:32,000 --> 00:28:40,000

I looked up again and I see a very intense, bright, shimmering, white light.

315

00:28:40,000 --> 00:28:46,000

At times it appeared to be a boomerang shape too or a slight arc.

316

00:28:47,000 --> 00:28:53,000

Edwards called the restaurant he owned and asked if anyone there saw the object.

317

00:28:55,000 --> 00:29:04,000

I come out here about right here, a little beyond the door and I can see the three flashes come off that look like boomerangs and it was bright white.

318

00:29:05,000 --> 00:29:13,000

At first I thought those guys were crazy. I was like, that's bomb. Then when it started moving around I was like, I couldn't believe it.

319

00:29:13,000 --> 00:29:21,000

Mr. Edwards' video is some of the best footage that I've seen. Purely for the fact that number one it's a daylight sighting.

320

00:29:21,000 --> 00:29:30,000

There are multiple witnesses. It's a very large object or appears to be a very large object and we just don't get that many creditable good daylight sightings.

321

00:29:34,000 --> 00:29:39,000

Computer analysis on the videotape reveals undeniable evidence.

322

00:29:39,000 --> 00:29:43,000

So after you stabilize the image you can see its motion much more clearly.

323

00:29:43,000 --> 00:29:48,000

Based on what I know of atmospheric flight it doesn't look like any conventional aircraft.

324

00:29:48,000 --> 00:29:53,000

Could it be otherworldly technology? Yes it could. Could it be military aircraft? Yes it could.

325

00:29:53,000 --> 00:29:57,000

Could it be some unexplained weather phenomena? That's also possible.

326

00:29:58,000 --> 00:30:03,000

Tim Edwards needs to find out what his family saw that day.

327

00:30:04,000 --> 00:30:10,000

I've been obsessed trying to get the information, the facts out of this case and the truth.

328

00:30:11,000 --> 00:30:17,000

Coming up on Unexplained Mistakes. An epidemic of sightings rocks Mexico City.

329

00:30:20,000 --> 00:30:23,000

Hundreds of UFOs caught on tape.

330

00:30:25,000 --> 00:30:32,000

I looked at the sky and there were some bubbles. While I'm taping I observe through the lens that it split or separated.

331

00:30:33,000 --> 00:30:37,000

I was looking to an object that I have never seen before.

332

00:30:38,000 --> 00:30:46,000

Any man, our un-nosed report, recorded the answers to all your questions about the global UFO phenomenon.

333

00:30:46,000 --> 00:30:49,000

Coming up on Unexplained Mysteries.

334

00:30:50,000 --> 00:30:54,000

Un-nosed report.

335

00:30:58,000 --> 00:31:02,000

Unexplained Mysteries. Global UFO warning.

336

00:31:09,000 --> 00:31:13,000

Mexico City, a day of widespread sightings, makes history.

337

00:31:14,000 --> 00:31:18,000

Thousands, I would say hundreds of thousands of people went to the streets of Mexico.

338

00:31:19,000 --> 00:31:24,000

And all of them looked at very strange things. This was a massive phenomenon.

339

00:31:25,000 --> 00:31:28,000

Hundreds of UFOs were captured on tape.

340

00:31:32,000 --> 00:31:38,000

We are so small and the universe is something so big we cannot begin to understand all that is out there.

341

00:31:38,000 --> 00:31:42,000

Residents saw different objects throughout the city.

342

00:31:43,000 --> 00:31:49,000

It was an object that was flying at a low altitude in the area in which I live.

343

00:31:49,000 --> 00:31:55,000

It was an object in the form, say, of a top and it was suspended over a tower revolving around.

344

00:31:55,000 --> 00:32:00,000

It stopped spinning and began to move across. Then it hid itself behind a building.

345

00:32:04,000 --> 00:32:11,000

I looked at the sky and there were some bubbles. To me it looked like a pearl, so I shot it with my camera.

346

00:32:13,000 --> 00:32:17,000

While I'm taping I observe through the lens that it's split or separated.

347

00:32:18,000 --> 00:32:23,000

Many of the UFOs were far away, but some flew close by.

348

00:32:25,000 --> 00:32:36,000

Just in front of me, approximately 1500 feet, I was looking to an object that I have never seen before.

349

00:32:36,000 --> 00:32:41,000

I can tell you that it was not normal. It was suspended in the air.

350

00:32:41,000 --> 00:32:47,000

It was moving just a little bit to the sides, up and down, and left and right.

351

00:32:47,000 --> 00:32:52,000

In the same place for almost 15 minutes.

352

00:32:52,000 --> 00:32:58,000

Many of the most reliable eyewitnesses were reporters trained to observe detail.

353

00:32:59,000 --> 00:33:06,000

We went to the building next door in order to take some lights that all the people were watching.

354

00:33:06,000 --> 00:33:13,000

The journalists and the camera. First there was one object and then two.

355

00:33:17,000 --> 00:33:25,000

The people were coming out of their homes. Automobiles were stopping in the streets and everyone was looking up at the sky.

356

00:33:26,000 --> 00:33:32,000

A long time ago there was disbelief. I think among the media professionals, the journalists.

357

00:33:32,000 --> 00:33:37,000

But now with so many occurrences we believe and we accept things the way they are.

358

00:33:37,000 --> 00:33:48,000

Photos, videos, people's comments. They have shown us that something else exists. Right? Not just us.

359

00:33:49,000 --> 00:33:55,000

Although the sightings made headlines in Mexico, the US media seemed uninterested.

360

00:33:55,000 --> 00:34:01,000

I believe that American people should learn from this experience.

361

00:34:01,000 --> 00:34:09,000

I think that if you start looking to the sky with an open mind, you are going to see things that you never expected before.

362

00:34:09,000 --> 00:34:17,000

If you want to really be really truthful and you believe this is real, you have to tell it.

363

00:34:18,000 --> 00:34:24,000

A department of defense scientist analyzed the tapes. His conclusions were surprising.

364

00:34:24,000 --> 00:34:33,000

Initially we took some time to look at a blow up and enlargement of the object that everybody sees in the motion video.

365

00:34:33,000 --> 00:34:38,000

And happened to see a flash of light down in this area of the screen.

366

00:34:38,000 --> 00:34:45,000

He enlarged the flash of light and noticed that it didn't follow the geometry of the rest of the image.

367

00:34:45,000 --> 00:34:50,000

It seemed to be another spot right in here.

368

00:34:50,000 --> 00:34:56,000

This area in here was flashing or strobing occasionally.

369

00:34:56,000 --> 00:35:04,000

And here we saw again something that didn't seem to be sensible with the rest of the image.

370

00:35:04,000 --> 00:35:10,000

It's pretty much not anything that we can readily identify as an existing aircraft or helicopter.

371

00:35:10,000 --> 00:35:17,000

The US media may be reluctant to pursue UFO stories for fear of public ridicule.

372

00:35:17,000 --> 00:35:23,000

If you have the courage and you believe in it and it's true, you will be supported by people.

373

00:35:23,000 --> 00:35:31,000

And to do that is very risky and I know that's why many of my partners probably in the United States don't do that.

374

00:35:31,000 --> 00:35:36,000

Many feel the stories brought to the Mexican media have a hopeful message.

375

00:35:36,000 --> 00:35:40,000

If they are here, we will be there tomorrow.

376

00:35:40,000 --> 00:35:45,000

They are proving with their presence here that it's possible to travel through the stars.

377

00:35:48,000 --> 00:35:50,000

Next, the UNIX Report.

378

00:35:51,000 --> 00:35:53,000

We'll give you the final wrap up.

379

00:35:53,000 --> 00:35:57,000

The civilian pilots who encountered strange crimes.

380

00:35:58,000 --> 00:36:02,000

The unknown object that attacked an Iranian F-4.

381

00:36:03,000 --> 00:36:08,000

Police officers who saw a large silent vehicle in the skies over Inca.

382

00:36:08,000 --> 00:36:12,000

And more on the mass sighting in Mexico City.

383

00:36:15,000 --> 00:36:19,000

You'll get the lowdown in the UNIX Report.

384

00:36:19,000 --> 00:36:20,000

Next.

385

00:36:33,000 --> 00:36:35,000

The UNIX Report.

386

00:36:35,000 --> 00:36:39,000

Here are the facts behind the Global UFO Warning.

387

00:36:42,000 --> 00:36:46,000

Real-life radio transmissions detail an incredible sighting.

388

00:36:47,000 --> 00:36:54,000

High above New Mexico, an American West flight crew saw a giant object flying below them.

389

00:36:55,000 --> 00:36:58,000

Yeah, up to three o'clock.

390

00:36:58,000 --> 00:37:00,000

Got some strokes up there.

391

00:37:00,000 --> 00:37:02,000

Did you tell us what it is?

392

00:37:02,000 --> 00:37:07,000

But when the pilot called air traffic control, he heard something unexpected.

393

00:37:07,000 --> 00:37:09,000

There's something on the radar.

394

00:37:09,000 --> 00:37:11,000

Well, that object is something else.

395

00:37:11,000 --> 00:37:15,000

Radar tracking at NORAD could only guess at what it was.

396

00:37:15,000 --> 00:37:16,000

This is not good.

397

00:37:16,000 --> 00:37:18,000

Hey, wait, what does that mean?

398

00:37:18,000 --> 00:37:20,000

I don't know. It's the UFO.

399

00:37:20,000 --> 00:37:25,000

The lightning in the cloud at some distance caused the object to be visible.

400

00:37:25,000 --> 00:37:28,000

He then said, look, eerie.

401

00:37:28,000 --> 00:37:33,000

It seems that the radar controller was tracking an object, an unknown.

402

00:37:33,000 --> 00:37:35,000

It wasn't transponding.

403

00:37:35,000 --> 00:37:39,000

And by law, any crafting control airspace must have a transponder.

404

00:37:39,000 --> 00:37:45,000

A Mexican flight turned dangerous when an unknown object slammed into the plane.

405

00:37:45,000 --> 00:37:47,000

Was it a UFO?

406

00:37:48,000 --> 00:37:52,000

I'm making my turn when I felt a very hard hit.

407

00:37:52,000 --> 00:37:56,000

At that moment, I didn't know what it was.

408

00:37:58,000 --> 00:38:00,000

There were two UFOs.

409

00:38:00,000 --> 00:38:03,000

Another incident occurred over Argentina.

410

00:38:03,000 --> 00:38:09,000

An unusual craft was seen by a plane's terrified passengers and flight crew.

411

00:38:09,000 --> 00:38:13,000

The first impression was shocked from the people inside the plane.

412

00:38:13,000 --> 00:38:18,000

People were very nervous. They didn't know what was happening.

413

00:38:19,000 --> 00:38:26,000

Halfway across the world, the Iranian Air Force encountered objects that posed a serious threat to their security.

414

00:38:26,000 --> 00:38:30,000

It was coming toward them. They tried to shoot them down.

415

00:38:30,000 --> 00:38:34,000

When they squeezed the trigger, it didn't work.

416

00:38:34,000 --> 00:38:42,000

When I saw this object flying that fast, then I thought this is not a helicopter and this is not an aircraft.

417

00:38:43,000 --> 00:38:47,000

I said to God, oh God save them.

418

00:38:48,000 --> 00:38:54,000

In England, hundreds of police and military workers saw an enormous UFO.

419

00:38:54,000 --> 00:38:56,000

Was it an alien ship?

420

00:38:56,000 --> 00:39:01,000

It was without doubt one of the most major waves of sightings that Britain had ever seen.

421

00:39:01,000 --> 00:39:11,000

The object was black and it appeared to be shaped either something like a wedge shape or a delta wing shape.

422

00:39:11,000 --> 00:39:18,000

There was nothing on radar, so we never had any warning and we never even got our air defense aircraft into the air.

423

00:39:19,000 --> 00:39:25,000

In Colorado, a family was alarmed when they saw a strange object in the sky.

424

00:39:25,000 --> 00:39:32,000

I see a very intense, bright, shimmering, white light.

425

00:39:32,000 --> 00:39:37,000

At times it appeared to be a boomerang shape too or a slight arc.

426

00:39:37,000 --> 00:39:41,000

Then when it started moving around, I was like, I can't believe it.

427

00:39:41,000 --> 00:39:46,000

I looked beyond the door and I could see the three flashes come off. It looked like boomerangs and it was bright white.

428

00:39:46,000 --> 00:39:49,000

Could it be otherworldly technology? Yes, it could.

429

00:39:50,000 --> 00:39:54,000

The most spectacular mass sighting of all, Mexico City.

430

00:39:54,000 --> 00:40:02,000

I would say hundreds of thousands of people went to the streets of Mexico and all of them looked at very strange things.

431

00:40:02,000 --> 00:40:05,000

I looked at the sky and there were some bubbles.

432

00:40:06,000 --> 00:40:17,000

Just in front of me, approximately 1500 feet, I was looking to an object that I had never seen

before.

433

00:40:17,000 --> 00:40:21,000

I can tell you that it was not normal. It was suspended in the air.

434

00:40:23,000 --> 00:40:27,000

And what about the evidence that points to a possible cover-up?

435

00:40:28,000 --> 00:40:38,000

I don't know why the appropriate authority prohibited me to interview with the press or news reporter.

436

00:40:38,000 --> 00:40:45,000

The party line, the Ministry of Defence standard view, is that UFOs are of no defence significance.

437

00:40:46,000 --> 00:40:57,000

Eyewitnesses all over the world are seeing unidentified flying objects, civilians, pilots, policemen, military personnel.

438

00:40:57,000 --> 00:41:02,000

The evidence of a global UFO phenomenon stands for itself.

439

00:41:02,000 --> 00:41:08,000

But the final answer must remain an unexplained mystery.

440

00:41:08,000 --> 00:41:16,000

UFOs exist and they're trying to find some way to get contact with all world.

441

00:41:16,000 --> 00:41:20,000

If they are here, we will be there tomorrow.
