

1

00:00:00,000 --> 00:00:05,000

It feels like someone touching me almost on a nightly basis in my bedroom.

2

00:00:05,000 --> 00:00:09,600

This time on Unexplained Mysteries, Extreme Psychics.

3

00:00:09,600 --> 00:00:14,100

He says he tries to touch you to get your attention.

4

00:00:14,100 --> 00:00:17,200

Immediately I felt that I was high.

5

00:00:17,200 --> 00:00:19,400

He stood exactly where the killer was.

6

00:00:19,400 --> 00:00:20,600

Bam, I'm in there.

7

00:00:20,600 --> 00:00:24,400

ESP, second site, the sixth sense.

8

00:00:24,400 --> 00:00:27,800

It is the ability to see what others cannot.

9

00:00:27,800 --> 00:00:33,000

With our exclusive case studies, we'll hear the remarkable stories of ordinary people

10

00:00:33,000 --> 00:00:34,800

touched by a psychic encounter.

11

00:00:34,800 --> 00:00:39,400

She used the term, I'm in the water, and I'm falling.

12

00:00:39,400 --> 00:00:40,400

I hit my head.

13

00:00:40,400 --> 00:00:45,400

I believe the Nancy Meyers will come up with something that truly did it in her heart.

14

00:00:45,400 --> 00:00:50,000

If I knew then what I know now, yes, I would have got there and followed her here.

15

00:00:50,000 --> 00:00:54,200

The expert who may have discovered the secret of second site.

16

00:00:54,200 --> 00:01:00,200

It may be just something about the trauma that allows the psychic information to get

17

00:01:00,200 --> 00:01:01,200

through the surface.

18

00:01:01,200 --> 00:01:05,000

A woman arrested after reporting her telepathic vision.

19

00:01:05,000 --> 00:01:09,400

I don't think I was thinking right, but I knew I had to go see for myself.

20

00:01:09,400 --> 00:01:12,400

The waitress haunted by a dead customer.

21

00:01:12,400 --> 00:01:17,600

The bed was vibrating, and all of a sudden I saw a shadow walk across the front of the

22

00:01:17,600 --> 00:01:18,600

TV.

23

00:01:18,600 --> 00:01:21,600

The Arizona Hotel with someone wanted guests.

24

00:01:21,600 --> 00:01:25,700

There are things that have happened in this building that I can't explain.

25

00:01:25,700 --> 00:01:29,960

The main feeling that I get is energy being pulled out of me.

26

00:01:29,960 --> 00:01:33,240

We'll explore all the paranormal possibilities.

27

00:01:33,240 --> 00:01:37,240

We have no idea what the physiology of the psychic experience is.

28

00:01:37,240 --> 00:01:41,240

I believe in what I can feel and touch and smell and hear.

29

00:01:41,240 --> 00:01:42,240

Life is a mystery.

30

00:01:42,240 --> 00:01:44,400

Sometimes things happen that you can't explain.

31

00:01:44,400 --> 00:01:47,880

Then take you inside the psychic experience.

32

00:01:47,880 --> 00:01:53,040

My whole body would just start sobbing like a little child sobs after they've been crying

33

00:01:53,040 --> 00:01:54,040

for a long time.

34

00:01:54,040 --> 00:02:00,080

And we'll give you the final analysis in our Unexer Fort as we uncover the truth about

35

00:02:00,080 --> 00:02:07,800

ESP on Unexplained Mysteries Extreme Psychics.

36

00:02:07,800 --> 00:02:10,840

Where do the powers of the psychic come from?

37

00:02:10,840 --> 00:02:15,040

Why do some people have this extraordinary gift?

38

00:02:15,040 --> 00:02:16,960

Some are born with it.

39

00:02:16,960 --> 00:02:26,160

For others, it all begins with an accident.

40

00:02:26,160 --> 00:02:30,800

I was in a car and my, it's like I passed out.

41

00:02:30,800 --> 00:02:34,960

My foot went down on the accelerator.

42

00:02:34,960 --> 00:02:38,480

I had all kinds of trauma to my head.

43

00:02:38,480 --> 00:02:40,800

This side of my face was all black.

44

00:02:40,800 --> 00:02:42,720

I had glass in this eye.

45

00:02:42,720 --> 00:02:45,360

The whole side of my head was just a mess.

46

00:02:45,360 --> 00:02:48,280

Joyce Martin's accident nearly killed her.

47

00:02:48,280 --> 00:02:51,480

It also left her with an extraordinary ability.

48

00:02:51,480 --> 00:02:55,360

Dr. Richard Broughton has studied the phenomenon.

49

00:02:55,360 --> 00:03:00,800

It may be just something about the trauma, whether it's electrical trauma or accident

50

00:03:00,800 --> 00:03:07,400

trauma or whatever, that shakes up the brain or changes something that we don't understand

51

00:03:07,400 --> 00:03:11,640

yet, but allows the psychic information to get to the surface.

52

00:03:11,640 --> 00:03:17,320

It's almost like I can tune in to the victim and I can see through their eyes.

53

00:03:17,320 --> 00:03:20,560

It's almost like I become the victim because I can feel the pain.

54

00:03:20,560 --> 00:03:26,160

A few months after her accident, Joyce was driving home from work when she heard a newscast

55

00:03:26,160 --> 00:03:27,840

about a kidnapping.

56

00:03:27,840 --> 00:03:32,480

A little girl named Vicki Lynn Hoskinson disappeared while running an errand on her

57

00:03:32,480 --> 00:03:33,920

bicycle.

58

00:03:33,920 --> 00:03:40,280

I heard on the car radio that she was missing and I drove to the areas that Vicki Lynn had

59

00:03:40,280 --> 00:03:42,120

been abducted.

60

00:03:42,120 --> 00:03:48,520

And when I got over there, I knew that she had gone over the top of her bicycle, that

61

00:03:48,520 --> 00:03:55,120

the car had hit the back of the bicycle and that her hands were in dirt.

62

00:03:55,120 --> 00:03:59,400

Joyce's vision was so real, she was compelled to call the police.

63

00:03:59,400 --> 00:04:01,360

At first, they were skeptical.

64

00:04:01,360 --> 00:04:05,880

I don't necessarily believe in psychics, but the information that I received from her

65

00:04:05,880 --> 00:04:13,840

on the telephone was so accurate that I became very interested in talking to her in person.

66

00:04:13,840 --> 00:04:18,520

They finally agreed to meet Joyce and check up on her premonition.

67

00:04:18,520 --> 00:04:25,880

We went out to Ina Road and as we got just passed Wade, there's a big dip.

68

00:04:25,880 --> 00:04:32,480

And in the middle of the dip is where my whole body would just start sobbing like a little

69

00:04:32,480 --> 00:04:35,400

child sobs after getting crying for a long time.

70

00:04:35,400 --> 00:04:40,280

She made me stop and she looked over to the right and she says, this really looks like

71

00:04:40,280 --> 00:04:41,280

it.

72

00:04:41,280 --> 00:04:42,280

This is what I see.

73

00:04:42,280 --> 00:04:46,680

We got out of the car and we looked around and she said, I cannot understand why she's

74

00:04:46,680 --> 00:04:47,680

not here.

75

00:04:47,680 --> 00:04:49,880

Could her vision have been wrong?

76

00:04:49,880 --> 00:04:51,760

Joyce didn't think so.

77

00:04:51,760 --> 00:04:53,880

Too many things were here.

78

00:04:53,880 --> 00:05:01,600

The windmill, the old wagon, the barn, everything she had seen except the little girl.

79

00:05:01,600 --> 00:05:06,080

Sadly, seven months later, Vicki Lynn's body was found.

80

00:05:06,080 --> 00:05:10,280

Less than 100 feet from the spot Joyce had predicted.

81

00:05:10,280 --> 00:05:13,080

Vicki Lynn's father is now a believer.

82

00:05:13,080 --> 00:05:17,640

He wishes that police would have taken Joyce's vision more seriously.

83

00:05:17,640 --> 00:05:22,480

If I knew then what I know now, yes, I would have got here and followed her earlier.

84

00:05:22,480 --> 00:05:24,040

I would have listened to her more.

85

00:05:24,040 --> 00:05:25,480

I don't know how this works.

86

00:05:25,480 --> 00:05:26,760

I don't know how to stop it.

87

00:05:26,760 --> 00:05:28,880

I don't know how to start it.

88

00:05:28,880 --> 00:05:38,880

I've never really thought that it was because I had a bump on the head.

89

00:05:38,880 --> 00:05:43,840

Grita Alexander can also trace her extra sensory powers to an accident.

90

00:05:43,840 --> 00:05:46,400

As a girl, she was struck by lightning.

91

00:05:46,400 --> 00:05:51,920

And after that thing has begun happening, I would sense and I would know and I would

92

00:05:51,920 --> 00:05:52,920

feel.

93

00:05:52,920 --> 00:06:00,200

And from that moment on, I began dreaming, seeing pictures, which I know now is clairvoyance

94

00:06:00,200 --> 00:06:07,080

and hearing, which is clairaudio and just feeling inside, which is clair sensory.

95

00:06:07,080 --> 00:06:08,400

That's how it all started.

96

00:06:08,400 --> 00:06:14,240

These psychic visions would eventually lead Grita to the swollen river in Kelowna, Illinois.

97

00:06:14,240 --> 00:06:17,160

A flash flood had swept through the city.

98

00:06:17,160 --> 00:06:21,600

Fire Chief John Swan was at the scene alongside Ty Massey.

99

00:06:21,600 --> 00:06:25,040

The last thing I remember is, you know, his patch on the side of his shirt hanging on,

100

00:06:25,040 --> 00:06:27,760

trying to get him above water, which I couldn't.

101

00:06:27,760 --> 00:06:30,240

We both went under.

102

00:06:30,240 --> 00:06:33,800

I couldn't hang on any longer and I had to let him go.

103

00:06:33,800 --> 00:06:36,920

Ty was a respected member of the police department.

104

00:06:36,920 --> 00:06:39,760

He had a wife and a child on the way.

105

00:06:39,760 --> 00:06:41,920

He had everything to live for.

106

00:06:41,920 --> 00:06:45,600

But the rescue call to the river would be his last.

107

00:06:45,600 --> 00:06:48,680

He fell into the water and vanished.

108

00:06:48,680 --> 00:06:56,520

He was in the airline team and he hit the ground and right at the water line and started

109

00:06:56,520 --> 00:06:57,720

floating out into the river.

110

00:06:57,720 --> 00:07:03,960

He became unconscious and that's what caused Ty to not be able to save himself.

111

00:07:03,960 --> 00:07:08,200

The next morning, they started dragging the river for his body.

112

00:07:08,200 --> 00:07:13,680

It seemed hopeless until Ty's spirit seemed to reach out to Grita.

113

00:07:13,680 --> 00:07:20,000

I felt that I was Ty and immediately I had to call to tell them.

114

00:07:20,000 --> 00:07:29,800

As we talked, we went on and she used the terms, I'm in the water and I'm falling.

115

00:07:29,800 --> 00:07:30,800

I hit my head.

116

00:07:30,800 --> 00:07:35,200

I think John was a little mind boggled by the whole thing and you could tell in his voice.

117

00:07:35,200 --> 00:07:37,400

I had more important things I thought at that time.

118

00:07:37,400 --> 00:07:42,320

We had 200 rescuers, we had dive teams, dog teams, we had helicopters in the air.

119

00:07:42,320 --> 00:07:47,040

So we had a lot of things that was going on that I thought was way more important at

120

00:07:47,040 --> 00:07:48,040

that time.

121

00:07:48,040 --> 00:07:53,440

As John searched the river for his friend, Ty's family tried to come to terms with the

122

00:07:53,440 --> 00:07:56,520

fact that his body may not be found.

123

00:07:56,520 --> 00:08:01,800

It was unbelievable to think that you lost a child was unbearable.

124

00:08:01,800 --> 00:08:09,440

But to think that your child was in the river and no one can find him, it's indescribable.

125

00:08:09,440 --> 00:08:16,120

The messages kept coming to Grita and Grita kept trying to convince John Swan to listen.

126

00:08:16,120 --> 00:08:18,320

I was so upset with John.

127

00:08:18,320 --> 00:08:22,120

He just wouldn't do what I told him to do.

128

00:08:22,120 --> 00:08:26,560

I didn't let all this known to everyone because I didn't want to basically the public to

129

00:08:26,560 --> 00:08:31,200

get the wrong question that John Swan uses psychics to do all his rescue.

130

00:08:31,200 --> 00:08:35,400

I said, that's the case, we might as well eliminate a lot of our equipment and just have

131

00:08:35,400 --> 00:08:37,000

Grita come to the fire station.

132

00:08:37,000 --> 00:08:40,920

And I just felt like I got to go up there and do this because he wasn't doing it.

133

00:08:40,920 --> 00:08:44,520

I picked up the cell phone and I was talking and it was Grita again.

134

00:08:44,520 --> 00:08:47,720

She says, John, she stopped for a second.

135

00:08:47,720 --> 00:08:49,440

She says, you're near the water aren't you?

136

00:08:49,440 --> 00:08:52,200

And I'll stand right at the river.

137

00:08:52,200 --> 00:08:56,840

And I said, yes, I'm next to the river.

138

00:08:56,840 --> 00:09:00,800

She stopped for a second and she says, I'm just down from that big yellow green thing

139

00:09:00,800 --> 00:09:07,320

or that big yellow thing or green structure or something big and yellow by you.

140

00:09:07,320 --> 00:09:09,920

I go, hmm, I got her this time.

141

00:09:09,920 --> 00:09:12,760

I said, okay, we're going to go back out.

142

00:09:12,760 --> 00:09:15,120

And thanks Grita, I hung up the phone.

143

00:09:15,120 --> 00:09:17,280

And I said, she's messed up this time.

144

00:09:17,280 --> 00:09:20,880

I turned around and there was a big yellow green fire truck right behind me.

145

00:09:20,880 --> 00:09:23,240

And I go, oh, wow.

146

00:09:23,240 --> 00:09:28,520

You know, I said, at that time, I'm getting very nervous.

147

00:09:29,280 --> 00:09:32,080

Because there's too many things she's saying that made sense.

148

00:09:32,080 --> 00:09:38,440

Now that she had his attention, Grita told Chief Swan exactly where to find Time Massie's

149

00:09:38,440 --> 00:09:39,440

body.

150

00:09:39,440 --> 00:09:43,000

I told one of my new firefighters, get a pike pole, which is a pole with a hook on it, about

151

00:09:43,000 --> 00:09:45,280

12, 15 foot long.

152

00:09:45,280 --> 00:09:50,000

Go down to the third brush pile above the railroad bridge and get inside the brush pile.

153

00:09:50,000 --> 00:09:54,360

And you have to go deep about eight foot down and hook Time Massie and pulling down.

154

00:09:54,360 --> 00:09:58,680

They went up to the North Command post, got a pike pole, went down to that brush pile,

155

00:09:58,680 --> 00:10:01,040

reached in and pulled Ty out.

156

00:10:01,040 --> 00:10:05,400

Can an injury to the brain really bring out psychic powers?

157

00:10:05,400 --> 00:10:09,160

Experts believe the phenomenon needs further study.

158

00:10:09,160 --> 00:10:13,680

We have no idea what the physiology of the psychic experience is.

159

00:10:13,680 --> 00:10:18,400

I don't think we can ignore the fact that trauma seems to be associated with certain psychic

160

00:10:18,400 --> 00:10:20,760

abilities, but it's not the whole answer.

161

00:10:20,760 --> 00:10:25,600

I always thank my angels because they bring it to me.

162

00:10:25,600 --> 00:10:34,760

And I always bless them and the family because I think if that were me, I would want them

163

00:10:34,760 --> 00:10:40,040

to leave no stone unturned in order to close that door.

164

00:10:40,040 --> 00:10:43,560

If the accident had not occurred, no way would I be doing this.

165

00:10:43,560 --> 00:10:48,560

I don't know what I would be doing, but I know I would not be sitting here today.

166

00:10:49,560 --> 00:10:54,560

Coming up on Unexplained Mysteries, more psychic visions reveal.

167

00:10:54,560 --> 00:10:59,200

I feel someone touching me almost on a nightly basis in my bedroom.

168

00:10:59,200 --> 00:11:04,680

He says he tries to touch you to get your attention.

169

00:11:04,680 --> 00:11:09,760

A telepathic vision needs an ordinary housewife to a missing body.

170

00:11:09,760 --> 00:11:12,880

At the end of the object, a white nurse is shooting.

171

00:11:12,880 --> 00:11:16,920

She was brought down by the police department and arrested for the murder of this woman.

172

00:11:16,920 --> 00:11:21,960

What does the average person do when they start having intuitive impressions about,

173

00:11:21,960 --> 00:11:22,960

say, a crime?

174

00:11:22,960 --> 00:11:28,520

We'll talk to an ordinary woman whose life was changed by a gruesome vision.

175

00:11:28,520 --> 00:11:31,120

I knew the police would never tell me.

176

00:11:31,120 --> 00:11:33,000

And I was afraid maybe they wouldn't look.

177

00:11:33,000 --> 00:11:35,960

A psychic tour through a former hospital.

178

00:11:35,960 --> 00:11:41,080

I picked up somebody hanging themselves very clearly in this environment.

179

00:11:41,080 --> 00:11:43,280

Detectives on the Trey 11 Unknown Killer.

180

00:11:43,280 --> 00:11:45,760

This has been a very frustrating case.

181

00:11:45,760 --> 00:11:49,600

I believe in what I can feel and touch and smell in here.

182

00:11:49,600 --> 00:11:52,320

This is someone capable of becoming a serial killer.

183

00:11:52,320 --> 00:11:56,800

And we'll unlock all the secrets with our Unexplained Report.

184

00:11:56,800 --> 00:12:00,400

Stay tuned for more on Unexplained Mysteries.

185

00:12:06,400 --> 00:12:11,520

Unexplained Mysteries, extreme psychics.

186

00:12:11,520 --> 00:12:15,600

Extracellary perception isn't limited to psychics.

187

00:12:15,600 --> 00:12:22,720

Sometimes an ordinary person experiences a paranormal vision that defies all logic.

188

00:12:28,080 --> 00:12:32,240

Edith Smith had never had a psychic experience in her life.

189

00:12:32,240 --> 00:12:34,560

A newscast changed all that.

190

00:12:34,560 --> 00:12:37,280

It was three o'clock in the afternoon.

191

00:12:37,280 --> 00:12:41,240

And I was listening to a radio broadcast while at work.

192

00:12:41,240 --> 00:12:48,920

And they said that they had found the lady's vehicle in Pacoima, I think on a dead end street.

193

00:12:48,920 --> 00:12:52,240

And that they were making a house-to-house search for her.

194

00:12:52,240 --> 00:12:56,800

And as soon as they said house-to-house search and that thought registered,

195

00:12:56,800 --> 00:13:00,640

it was as if someone said to me, she's not in a house.

196

00:13:00,640 --> 00:13:02,040

I saw a picture.

197

00:13:02,040 --> 00:13:05,320

It was as if someone had put a picture right in front of me.

198

00:13:05,320 --> 00:13:08,520

She immediately reported her vision to the police,

199

00:13:08,520 --> 00:13:12,920

giving them a detailed account of what she believed had happened.

200

00:13:12,920 --> 00:13:17,000

I explained exactly.

201

00:13:17,000 --> 00:13:21,200

It'd be the right-hand side with a dirt path tour, a hill behind her.

202

00:13:21,200 --> 00:13:25,960

He suggested that I show him on a wall map where this area was.

203

00:13:25,960 --> 00:13:30,120

And that's when we discovered that it was Lopez Canyon.

204

00:13:30,120 --> 00:13:34,280

I don't think I was thinking right, but I knew I had to go see for myself.

205

00:13:34,280 --> 00:13:36,960

I knew the police would never tell me.

206

00:13:36,960 --> 00:13:39,200

And I was afraid maybe they wouldn't look.

207

00:13:39,200 --> 00:13:44,200

Driving to the spot in her vision, Eda made a shocking discovery.

208

00:13:44,200 --> 00:13:53,480

As my eyes traveled further across the object, at the end of the object were white nurses' shoes.

209

00:13:53,480 --> 00:14:00,480

But once the authorities determined that Eda's vision was accurate, she became their number one suspect.

210

00:14:00,480 --> 00:14:04,080

She went home and then subsequently she was brought down by the police department

211

00:14:04,080 --> 00:14:06,280

and arrested for the murder of this woman.

212

00:14:06,280 --> 00:14:08,280

Her children were kept for 10 to 15 hours.

213

00:14:08,280 --> 00:14:10,040

She was kept for four days.

214

00:14:10,040 --> 00:14:16,280

She was interviewed at 14, 18 hours at a time, taken lie detector test.

215

00:14:16,280 --> 00:14:20,520

It was a grueling four days in a very difficult situation.

216

00:14:20,520 --> 00:14:28,520

Eda was eventually cleared of the crime, but no one was able to fully explain her single psychic vision.

217

00:14:28,520 --> 00:14:39,880

It's possible for living, breathing human beings to come up with some very strong information about distant situations that they could not know about.

218

00:14:44,880 --> 00:14:54,880

Jorian De Frey has been called to the Jerome Grand Hotel in Arizona to unlock the mystery of a haunting that has gone on for years.

219

00:14:54,880 --> 00:14:59,240

As I stop here, this is dense to me. This is heavy. This is thick.

220

00:14:59,240 --> 00:15:01,640

I got goosebumps going up and down my whole body.

221

00:15:01,640 --> 00:15:07,640

Jorian's sixth sense began as a little girl when she received an injury to her head.

222

00:15:07,640 --> 00:15:15,640

Since then, she claims she has been able to predict the future, see into the past, and speak with ghosts.

223

00:15:15,640 --> 00:15:22,120

Has anyone ever felt like somebody, like, psychically coughing on them?

224

00:15:22,120 --> 00:15:30,520

Well, my mother-in-law was staying in the room next door here, and she swears up and down that somebody was walking up and down the hallway up in this area of coughing.

225

00:15:30,520 --> 00:15:35,320

They had had a number of plates hit the valley here with all of your underground mining and stuff.

226

00:15:35,320 --> 00:15:39,320

Some people were more susceptible to lung problems.

227

00:15:39,320 --> 00:15:46,520

Pressions that Jorian has picked up on date back to when this scenic hotel was a hospital.

228

00:15:46,920 --> 00:15:53,920

It was built in the 1920s for the residents of Jerome, who came to work in the prosperous copper mines.

229

00:15:53,920 --> 00:15:58,920

But when the mines closed, Jerome became a ghost town.

230

00:15:58,920 --> 00:16:07,920

It's gone through many, many years of being vacant and somehow remained intact. I don't know what basically protected it.

231

00:16:07,920 --> 00:16:13,320

Larry Altier and his brother Bob bought the property and refurbished it as a hotel.

232

00:16:13,720 --> 00:16:18,520

But shortly after the grand opening, strange things started to happen.

233

00:16:18,520 --> 00:16:27,120

We had one person on the third floor. Nobody came in the building and he says that there was

somebody knocking on his door in an attempt to open it.

234

00:16:27,120 --> 00:16:32,920

And now I can rely on myself because I am the one here. There was no other way to get up there.

235

00:16:32,920 --> 00:16:39,520

That's why Jorian is here, to make contact with whatever haunts this former hospital.

236

00:16:39,720 --> 00:16:44,720

But what she senses is an event that happened after the hospital closed.

237

00:16:44,720 --> 00:16:47,720

I picked up a shooting and a hanging.

238

00:16:47,720 --> 00:16:48,720

You did?

239

00:16:48,720 --> 00:16:49,720

Yes.

240

00:16:49,720 --> 00:16:51,720

I'm telling you, you're scary.

241

00:16:51,720 --> 00:17:01,720

The shooting that you're referring to was an attempt. It wasn't successful. And that happened in the room we just walked through.

242

00:17:01,720 --> 00:17:04,720

The superintendent was successful in his shooting.

243

00:17:04,720 --> 00:17:05,720

Now here's one I don't know about.

244

00:17:05,920 --> 00:17:11,920

As she continues deeper into the hotel, Jorian uncovers a dark secret.

245

00:17:11,920 --> 00:17:18,920

Was there anyone that was involved in a relationship situation at all that kind of drove them, you know, beyond the point and stuff?

246

00:17:18,920 --> 00:17:24,920

Because I'm telling you, something heavy was going on. It was a romantic situation.

247

00:17:27,920 --> 00:17:32,920

The gentleman that lived here was separated from his wife.

248

00:17:33,120 --> 00:17:36,120

By some circumstances that he had no control over at all.

249

00:17:36,120 --> 00:17:40,120

He ended up living here while she was living in Clarkdale.

250

00:17:40,120 --> 00:17:43,120

And I guess at some point it just got to be too much for him.

251

00:17:43,120 --> 00:17:48,120

When Ron Ballator was the sheriff in Jerome, he discovered a body in this room.

252

00:17:48,120 --> 00:17:53,120

I picked up somebody hanging themselves very clearly in this environment.

253

00:17:53,120 --> 00:17:59,120

Jorian found another hotspot of psychic activity, centered around the elevator.

254

00:17:59,320 --> 00:18:04,320

When I was coming into the elevator, I sensed that there was like a heaviness in the air.

255

00:18:04,320 --> 00:18:06,320

It felt like it was thicker, more dense.

256

00:18:06,320 --> 00:18:09,320

She follows this feeling down to the utility room.

257

00:18:09,320 --> 00:18:14,320

This seems to be significant. It felt like activity around this area.

258

00:18:14,320 --> 00:18:18,320

The elevators never get stocked or anything like that also.

259

00:18:18,320 --> 00:18:21,320

In 1935, they were having a problem with it.

260

00:18:21,320 --> 00:18:24,320

See, and even right now, sitting here, I'm getting a little pain in my head.

261

00:18:24,520 --> 00:18:31,520

I don't know if a person got caught up thick here or got stuck or having problems thick here.

262

00:18:31,520 --> 00:18:33,520

Does that make sense? Did they expire?

263

00:18:33,520 --> 00:18:34,520

Yes.

264

00:18:34,520 --> 00:18:35,520

They did expire.

265

00:18:35,520 --> 00:18:42,520

Records prove that in 1935, a maintenance engineer was found here with his head crushed.

266

00:18:42,520 --> 00:18:44,520

His death was ruled an accident.

267

00:18:44,520 --> 00:18:49,520

But there are those who believe that there is more to this death than was originally reported.

268

00:18:50,520 --> 00:18:53,520

There were a lot of questions that weren't asked.

269

00:18:53,520 --> 00:19:00,520

I think they were in a hurry to get as much of the minimum facts in as they could,

270

00:19:00,520 --> 00:19:03,520

so that they could come to that verdict, that it was an accidental death,

271

00:19:03,520 --> 00:19:06,520

and that the company had no responsibility in it.

272

00:19:06,520 --> 00:19:10,520

Jorian also senses that the death was not accidental.

273

00:19:10,520 --> 00:19:17,520

She feels that until this mystery is solved, the spirit will continue to haunt this building.

274

00:19:18,520 --> 00:19:20,520

I believe that he is unsettled.

275

00:19:20,520 --> 00:19:25,520

I believe that there is some restlessness around him and his questionable death.

276

00:19:29,520 --> 00:19:33,520

There's no expression in the eyes of a wooden, nothing will stop him.

277

00:19:36,520 --> 00:19:40,520

I believe the nice-looking eyes will come up with something.

278

00:19:43,520 --> 00:19:45,520

Quite frankly, I didn't know what to expect.

279

00:19:48,520 --> 00:19:52,520

I want to delete, but I don't want to leave Shirley alone with this thing.

280

00:19:52,520 --> 00:19:56,520

The intentions of the spirit may not need to hurt me, but it has hurt me.

281

00:19:57,520 --> 00:20:00,520

And finally, we'll tie it all up in the UNIX Report.

282

00:20:17,520 --> 00:20:22,520

Are probably the last people anyone would expect to call a psychic.

283

00:20:22,520 --> 00:20:28,520

But there are a handful of psychics that detectives turn to when all else has failed.

284

00:20:34,520 --> 00:20:37,520

There's energy in every murder scene.

285

00:20:37,520 --> 00:20:40,520

When I look at stacks of photos of a murder scene,

286

00:20:40,520 --> 00:20:45,520

I am not trying to look at this poor, battered body.

287

00:20:45,520 --> 00:20:51,520

What I'm looking for is somewhere when that photographer moved all the way around the body,

288

00:20:51,520 --> 00:20:55,520

he stood exactly where the killer was at a moment when the killer was open.

289

00:20:55,520 --> 00:20:57,520

Bam, I'm in there.

290

00:20:57,520 --> 00:21:02,520

Nancy Meyer has come to Nag's Head, North Carolina to solve a murder.

291

00:21:03,520 --> 00:21:07,520

Homicide detectives Cliff Midget and Tom Gilliam need help.

292

00:21:07,520 --> 00:21:10,520

They have a body, but very few leads.

293

00:21:10,520 --> 00:21:15,520

Almost every clue in the case was washed away by a hurricane.

294

00:21:15,520 --> 00:21:17,520

This has been a very frustrating case.

295

00:21:17,520 --> 00:21:23,520

The potential suspects that we had early on in this case have been eliminated.

296

00:21:23,520 --> 00:21:29,520

I believe in what I can feel and touch and smell in here, but at this point in investigation,

297

00:21:29,520 --> 00:21:32,520

I'm not going to rule out anything that might provide a lead.

298

00:21:32,520 --> 00:21:39,520

I believe that Nancy Meyer will come up with something. I truly believe in my heart.

299

00:21:39,520 --> 00:21:42,520

It all started at the Port of Call restaurant.

300

00:21:42,520 --> 00:21:48,520

Janet Siklari is celebrating the last day of summer vacation with some friends.

301

00:21:48,520 --> 00:21:55,520

That evening after dinner, Janet and two of her friends went to the Port of Call restaurant

302

00:21:55,520 --> 00:21:59,520

and stayed there for several hours.

303

00:21:59,520 --> 00:22:05,520

Her two girlfriends left an hour or so earlier. Janet stayed until closing.

304

00:22:05,520 --> 00:22:10,520

Janet drove to the Hotel Carolinian where she was sharing a room with her brother.

305

00:22:10,520 --> 00:22:15,520

After checking in with him, she went down to the beach to smoke a cigarette.

306

00:22:15,520 --> 00:22:19,520

Once she left the room, we really don't know what happened.

307

00:22:19,520 --> 00:22:26,520

Between that time and shortly after six o'clock in the morning, she was brutally murdered on the beach.

308

00:22:26,520 --> 00:22:29,520

Just a short distance to east of the motel.

309

00:22:29,520 --> 00:22:36,520

I ran out the door onto the deck. There were police everywhere restraining me,

310

00:22:36,520 --> 00:22:40,520

not letting me up to the beach. And I said my sister hasn't come home.

311

00:22:40,520 --> 00:22:44,520

She hasn't come home. And they wouldn't let me up on the beach.

312

00:22:44,520 --> 00:22:49,520

In my heart, I knew that poor Janet was gone.

313

00:22:49,520 --> 00:22:53,520

The brutal crime shocked this sleepy coastal village.

314

00:22:53,520 --> 00:22:58,520

A massive manhunt began. But within hours, it was called off.

315

00:22:58,520 --> 00:23:01,520

Hurricane Emily was on her way towards Mags Head.

316

00:23:01,520 --> 00:23:07,520

We completed the crime scene investigation and started interviewing potential witnesses.

317

00:23:07,520 --> 00:23:14,520

But on Sunday morning, we were put on a hurricane stand by and watch and started evacuating the area.

318

00:23:14,520 --> 00:23:21,520

Any potential suspect was gone. Any evidence of the crime wiped out by the hurricane.

319

00:23:21,520 --> 00:23:27,520

One year passed and police were no closer to finding Janet's killer.

320

00:23:27,520 --> 00:23:36,520

It's been a very frustrating case. The fact that nobody that we've contacted or we've spoken to has seen anything.

321

00:23:36,520 --> 00:23:38,520

Nobody's heard anything.

322

00:23:38,520 --> 00:23:47,520

With no leads, no suspects and no clues, detectives make the controversial decision to call psychic Nancy Meyer.

323

00:23:47,520 --> 00:23:52,520

He has a longstanding hatred of women. They all come over his face.

324

00:23:52,520 --> 00:23:57,520

There's no expression. The eyes are wooden. Nothing will stop him.

325

00:23:57,520 --> 00:24:02,520

I would say you are dealing with a very disturbed man.

326

00:24:02,520 --> 00:24:07,520

I would suspect this is someone capable of becoming a serial killer if he is not already.

327

00:24:07,520 --> 00:24:11,520

Each photograph brings Nancy closer to the killer.

328

00:24:11,520 --> 00:24:18,520

Photo after photo after photo. There was a personal connection. She has known him for a while.

329

00:24:18,520 --> 00:24:22,520

You said that this was a planned event on his part?

330

00:24:22,520 --> 00:24:26,520

Yes. He seems to have been watching her early in the evening.

331

00:24:26,520 --> 00:24:32,520

But at a good enough distance so that no one, because some of the people she was with might have recognized him.

332

00:24:32,520 --> 00:24:34,520

So he's watching at a distance.

333

00:24:34,520 --> 00:24:38,520

So he had parked his car in the parking lot there at the hotel.

334

00:24:38,520 --> 00:24:41,520

He seems to have walked a little bit to get to where she died.

335

00:24:41,520 --> 00:24:45,520

Nancy is able to describe the killer to a police sketch artist.

336

00:24:45,520 --> 00:24:53,520

He has light brown hair, grayish eyes. They look kind of like a cross between gray, blue and hazel.

337

00:24:53,520 --> 00:24:59,520

Although not all of Nancy's visions were correct, she has inspired the police to keep looking.

338

00:24:59,520 --> 00:25:07,520

Mrs. Meyer's involvement in this case today is the first opportunity that I've had to work one-on-one with a psychic.

339

00:25:08,520 --> 00:25:12,520

And quite frankly, I didn't know what to expect.

340

00:25:12,520 --> 00:25:20,520

She was able to tell us a great deal more information than I had ever hoped for.

341

00:25:20,520 --> 00:25:28,520

The case was solved in May of 2001, leading to a conviction for the rape and murder of Janet Siclari.

342

00:25:29,520 --> 00:25:37,520

Coming up on Unexplained Mysteries, a famous psychic helps a waitress get rid of an unwanted customer.

343

00:25:37,520 --> 00:25:41,520

He used to always say, I'll come back and I said, don't even.

344

00:25:41,520 --> 00:25:46,520

He says he tries to touch you to get your attention.

345

00:25:46,520 --> 00:25:50,520

I want to delete, but I don't want to leave Shirley alone with this thing.

346

00:25:50,520 --> 00:25:56,520

And a Florida psychic locates a missing man from 300 miles away.

347

00:25:56,520 --> 00:26:00,520

I see him in the air going downward.

348

00:26:00,520 --> 00:26:03,520

I was pretty much content that that was the spot.

349

00:26:03,520 --> 00:26:06,520

He says, look, I know he's in the right spot.

350

00:26:06,520 --> 00:26:14,520

You get the ultimate truth about psychic powers with our Unex report on Unexplained Mysteries.

351

00:26:27,520 --> 00:26:42,520

Sylvia Brown's regular guest appearances on the Montel Lodium show have made her into one of the most famous psychics in the country.

352

00:26:42,520 --> 00:26:47,520

Among her talents is the ability to communicate with the spirit world.

353

00:26:47,520 --> 00:26:56,520

Whenever I go out on a, a haunting, usually what happens if it is truly a haunting,

354

00:26:56,520 --> 00:27:00,520

it's about at the approach of where I'm going to be.

355

00:27:00,520 --> 00:27:05,520

A sense of heaviness like now begins to come over me.

356

00:27:05,520 --> 00:27:09,520

It begins to be really heavy in the chest.

357

00:27:09,520 --> 00:27:14,520

Today, she is here to help Shirley get rid of an unwanted visitor.

358

00:27:14,520 --> 00:27:21,520

I feel someone touching me almost on a nightly basis in my bedroom, more or less personal things.

359

00:27:21,520 --> 00:27:25,520

My cover's moving, someone's sitting on the end of my bed.

360

00:27:25,520 --> 00:27:28,520

The intentions of the spirit may not be to hurt me.

361

00:27:28,520 --> 00:27:31,520

It may just want my attention, but it has hurt me.

362

00:27:31,520 --> 00:27:35,520

And I've even told it, you're hurting me and leave me alone.

363

00:27:35,520 --> 00:27:36,520

Don't bother me.

364

00:27:36,520 --> 00:27:44,520

Shirley's nightmare began two years earlier when she struck up a friendship with a customer at the restaurant where she was working.

365

00:27:44,520 --> 00:27:49,520

He lived on a yacht in the harbor and he came in three times a day to eat.

366

00:27:49,520 --> 00:27:54,520

And when he became ill, he called the restaurant and asked that I call him.

367

00:27:54,520 --> 00:28:02,520

It really was more like a friendship on his part more than it was on mine because it seemed like I was constantly helping John.

368

00:28:02,520 --> 00:28:05,520

A few months later, John passed away.

369

00:28:05,520 --> 00:28:11,520

Since he had no family, Shirley was called on to take care of his belongings.

370

00:28:11,520 --> 00:28:16,520

She gave away most everything except for some furniture that she took home.

371

00:28:16,520 --> 00:28:20,520

When I moved the furniture in, that's when the problem started that month.

372

00:28:20,520 --> 00:28:22,520

That's why I think it's John.

373

00:28:22,520 --> 00:28:26,520

And John wasn't the only spirit haunting Shirley.

374

00:28:26,520 --> 00:28:32,520

Another friend of hers had recently died after leaving her with an unsettling message.

375

00:28:32,520 --> 00:28:34,520

I was very close to that.

376

00:28:34,520 --> 00:28:36,520

He was my best friend at that time.

377

00:28:36,520 --> 00:28:41,520

He used to always say, I'll come back and I said, don't even and he'd laugh and everything.

378

00:28:41,520 --> 00:28:46,520

Being alone with two ghosts was more than Shirley could handle.

379

00:28:46,520 --> 00:28:55,520

My best friend Jan lives at the end of the street and I called her one night and told her that I was terrified and I couldn't go to sleep.

380

00:28:55,520 --> 00:28:57,520

So she brought her daughter and she came down.

381

00:28:57,520 --> 00:29:01,520

We were all sitting on Shirley's bed and my daughter could feel it.

382

00:29:01,520 --> 00:29:10,520

The bed was vibrating and I was watching the TV and all of a sudden I saw a shadow walk across the front of the TV.

383

00:29:10,520 --> 00:29:16,520

You could feel it shaking and sometimes you could see its imprint sitting on the bed sheets on our legs.

384

00:29:16,520 --> 00:29:17,520

I wanted to leave.

385

00:29:17,520 --> 00:29:22,520

I mean, I was scared, but I didn't want to leave Shirley alone either, you know, with this thing.

386

00:29:23,520 --> 00:29:25,520

I worry a lot about her.

387

00:29:25,520 --> 00:29:29,520

I tried to find ways to get help for her and we haven't been able to.

388

00:29:29,520 --> 00:29:34,520

It was then that Shirley decided to contact Sylvia Brown.

389

00:29:34,520 --> 00:29:36,520

Oh, hi, I'm Sylvia Brown.

390

00:29:36,520 --> 00:29:37,520

So good to see you.

391

00:29:37,520 --> 00:29:40,520

I hear you've been having some problems here.

392

00:29:40,520 --> 00:29:41,520

A lot of problems.

393

00:29:41,520 --> 00:29:48,520

As she is being led upstairs to the bedroom, Sylvia seems to make contact with one of the spirits.

394

00:29:48,520 --> 00:29:51,520

Oh, somebody was very sick.

395

00:29:51,520 --> 00:29:54,520

Thin oval face, God eyes, male.

396

00:29:54,520 --> 00:29:56,520

There is a pathway.

397

00:29:56,520 --> 00:30:08,520

This entity walks from this area here, about here, limping somehow, and then couldn't walk.

398

00:30:08,520 --> 00:30:10,520

Coming over this way.

399

00:30:10,520 --> 00:30:14,520

The spirit then seems to speak to Sylvia.

400

00:30:14,520 --> 00:30:17,520

He has a voice.

401

00:30:17,520 --> 00:30:28,520

He says, he says he tries to touch you to get your attention in ways that are inappropriate.

402

00:30:28,520 --> 00:30:30,520

Yes, he does.

403

00:30:30,520 --> 00:30:37,520

Brass and below waist and also something in your ear.

404

00:30:37,520 --> 00:30:39,520

Exactly.

405

00:30:39,520 --> 00:30:46,520

He says, he waited around because he wanted to be able to talk and explain to you through me that he's sorry.

406

00:30:46,520 --> 00:30:49,520

He wants you to get rid of his whatever it is.

407

00:30:49,520 --> 00:30:50,520

I did.

408

00:30:50,520 --> 00:30:52,520

He says the property was tainted.

409

00:30:52,520 --> 00:30:57,520

Well, he didn't live long after he got the property that I had.

410

00:30:57,520 --> 00:30:59,520

Now, who was the more slender one?

411

00:30:59,520 --> 00:31:00,520

John.

412

00:31:00,520 --> 00:31:03,520

Okay, and the other big one is that.

413

00:31:03,520 --> 00:31:08,520

The one that's caused you the most problems though is the bigger one.

414

00:31:08,520 --> 00:31:10,520

What does he say what he wants?

415

00:31:10,520 --> 00:31:20,520

He said he made a pact with himself that if there was any way he could get back and prove that there was life after this, he was going to make damn sure it was to you.

416

00:31:20,520 --> 00:31:22,520

I think John's here almost to protect you from Zach.

417

00:31:22,520 --> 00:31:24,520

Isn't that funny?

418

00:31:24,520 --> 00:31:30,520

Not that Zach would hurt you, but I think John came in as sort of protector it because Zach was getting out of hand.

419

00:31:30,520 --> 00:31:31,520

Is he going on Sylvia?

420

00:31:31,520 --> 00:31:32,520

He's going to go on.

421

00:31:32,520 --> 00:31:33,520

I promise you that.

422

00:31:33,520 --> 00:31:38,520

Sylvia attempts to send the spirits of John and Zach to the other side.

423

00:31:38,520 --> 00:31:43,520

By the grace of God and the Holy Spirit, you've got to go.

424

00:31:43,520 --> 00:31:46,520

You've got to go to the other side and be about your business.

425

00:31:46,520 --> 00:31:55,520

Within a few months, the spirits were back, both drawn to Shirley, just as they had been in life.

426

00:31:55,520 --> 00:32:00,520

If I have to live with it, I hope that I'll be able to understand it a little bit better.

427

00:32:00,520 --> 00:32:05,520

And that maybe like I said, I can just get on with my life for a change.

428

00:32:05,520 --> 00:32:08,520

Because I certainly haven't been able to for the last year and a half.

429

00:32:08,520 --> 00:32:12,520

Next on Unexplained Mysteries.

430

00:32:12,520 --> 00:32:15,520

A missing persons case battles the police.

431

00:32:15,520 --> 00:32:20,520

It became pretty apparent that this wasn't your average missing persons case.

432

00:32:20,520 --> 00:32:23,520

A brother desperate for answers.

433

00:32:23,520 --> 00:32:25,520

This was something new that we could try.

434

00:32:25,520 --> 00:32:27,520

We was willing to try anything.

435

00:32:27,520 --> 00:32:29,520

A detective takes a risky gamble.

436

00:32:29,520 --> 00:32:30,520

It should be very simple.

437

00:32:30,520 --> 00:32:34,520

There's railroad tracks, there's a bridge.

438

00:32:34,520 --> 00:32:37,520

And the long distance psychics unusual insight.

439

00:32:37,520 --> 00:32:39,520

I don't need to see you.

440

00:32:39,520 --> 00:32:41,520

I don't need to see the scene of the crime.

441

00:32:41,520 --> 00:32:49,520

And finally, we'll analyze the evidence of these clairvoyant encounters in our Unex report on Unexplained Mysteries.

442

00:32:54,520 --> 00:33:00,520

Unexplained Mysteries, extreme psychics.

443

00:33:00,520 --> 00:33:13,520

One of the more grim talents attributed to psychics is the ability to locate missing bodies.

444

00:33:13,520 --> 00:33:16,520

Williston, Florida.

445

00:33:16,520 --> 00:33:21,520

Destination for seniors looking to escape the cold northern winters.

446

00:33:21,520 --> 00:33:25,520

This is where Norman Lewis came when he retired.

447

00:33:25,520 --> 00:33:33,520

Then one morning, Norman packed up his fishing poles and headed off in his pickup truck and never came back.

448

00:33:33,520 --> 00:33:38,520

Joe Lewis was used to his brother taking off on extended fishing trips.

449

00:33:38,520 --> 00:33:41,520

But this was different.

450

00:33:41,520 --> 00:33:43,520

We couldn't find anything missing.

451

00:33:43,520 --> 00:33:45,520

Everything seemed to be there.

452

00:33:45,520 --> 00:33:51,520

His billfold, his, uh, all of his identification and, and medication.

453

00:33:51,520 --> 00:33:54,520

And he had asbestosis and, uh, glaucoma.

454

00:33:54,520 --> 00:34:03,520

Of course, as the days turned into weeks and the weeks turned into months, it became pretty apparent that, uh, this wasn't your average missing persons case.

455

00:34:03,520 --> 00:34:10,520

Eight months passed and the case was eventually handed off to investigator Brian Hewitt.

456

00:34:10,520 --> 00:34:14,520

Hewitt combed through the old files looking for a clue.

457

00:34:14,520 --> 00:34:19,520

He reinterviewed every witness, every family member.

458

00:34:19,520 --> 00:34:22,520

No lead was too small to follow up on.

459

00:34:22,520 --> 00:34:28,520

People would call in thinking that they possibly had seen him or the truck.

460

00:34:28,520 --> 00:34:34,520

And then I'd track that down and, um, another dead end.

461

00:34:34,520 --> 00:34:38,520

With nothing to lose, Hewitt contacted a psychic.

462

00:34:38,520 --> 00:34:41,520

He had met a year earlier at a police seminar.

463

00:34:41,520 --> 00:34:44,520

This was something new that we could try.

464

00:34:44,520 --> 00:34:46,520

We were willing to try anything.

465

00:34:46,520 --> 00:34:49,520

Hewitt made the two hour drive to Orlando.

466

00:34:49,520 --> 00:34:52,520

There, he met with psychic Noreen Rainier.

467

00:34:52,520 --> 00:34:54,520

I only work with the police.

468

00:34:54,520 --> 00:34:56,520

Uh, I don't need to see you.

469

00:34:56,520 --> 00:34:58,520

I don't need to see the, see the crime.

470

00:34:58,520 --> 00:35:00,520

Let me touch something off the body.

471

00:35:00,520 --> 00:35:01,520

I prefer metal.

472

00:35:01,520 --> 00:35:05,520

I prefer a watch, a ring, an earring, a belt buckle.

473

00:35:05,520 --> 00:35:09,520

Noreen believes objects retained the psychic residue of the owner.

474

00:35:09,520 --> 00:35:11,520

This is known as psychometry.

475

00:35:11,520 --> 00:35:13,520

Each touch reveals a clue.

476

00:35:13,520 --> 00:35:15,520

Each clue brings her closer to Norman.

477

00:35:15,520 --> 00:35:17,520

I see brick.

478

00:35:17,520 --> 00:35:21,520

Don't know what it's associated with, but I just feel the brick very strong.

479

00:35:21,520 --> 00:35:25,520

It appears to be a bridge.

480

00:35:25,520 --> 00:35:30,520

I feel metal around me.

481

00:35:30,520 --> 00:35:37,520

I feel plants.

482

00:35:37,520 --> 00:35:40,520

I've talked about railroad tracks.

483

00:35:40,520 --> 00:35:44,520

I'm driving for a short distance.

484

00:35:44,520 --> 00:35:51,520

Then something happens and I see him in the air going downward.

485

00:35:51,520 --> 00:35:53,520

It should be very simple.

486

00:35:53,520 --> 00:35:56,520

There's railroad tracks, bricks.

487

00:35:56,520 --> 00:35:58,520

There's a bridge.

488

00:35:58,520 --> 00:36:00,520

I'm, I'm seeing from above.

489

00:36:00,520 --> 00:36:04,520

It looks like there's branches or trees or something below there.

490

00:36:04,520 --> 00:36:11,520

Although she had never been to Williston, Noreen had described one of the town's most distinctive features.

491

00:36:11,520 --> 00:36:16,520

And one of Norman's favorite fishing spots, the quarry.

492

00:36:16,520 --> 00:36:23,520

Once I determined that 80% of the elements that she mentioned were in that location,

493

00:36:24,520 --> 00:36:27,520

I was pretty much convinced that that was the spot.

494

00:36:27,520 --> 00:36:34,520

With the location narrowed down, Hewitt called in a police diving team to search the water.

495

00:36:34,520 --> 00:36:38,520

The dive team made their search and came up empty handed.

496

00:36:38,520 --> 00:36:43,520

A lot of people, and maybe even myself included, would have said,

497

00:36:43,520 --> 00:36:45,520

all right, we tried, but Ryan wasn't that way.

498

00:36:45,520 --> 00:36:47,520

He said, look, I know he's in there.

499

00:36:47,520 --> 00:36:52,520

I know we've got the right spot, but we're just not using the right techniques.

500

00:36:52,520 --> 00:36:55,520

So that's when we turned to the Navy.

501

00:36:55,520 --> 00:37:00,520

Although I don't think we'd ever gotten them here had they known that they were acting on a psychics tip.

502

00:37:00,520 --> 00:37:05,520

The diving team wasn't told why they were searching this spot.

503

00:37:05,520 --> 00:37:08,520

All they knew was that Norman was a Navy man.

504

00:37:08,520 --> 00:37:11,520

That was something these men could understand.

505

00:37:11,520 --> 00:37:15,520

I met them the first day they were in there.

506

00:37:15,520 --> 00:37:18,520

And they said, if he's a truck in here, we'll find him.

507

00:37:18,520 --> 00:37:22,520

Determined to end the Lewis's Grief, the divers combed the lake.

508

00:37:22,520 --> 00:37:25,520

Within hours, they locate Norman's truck.

509

00:37:25,520 --> 00:37:29,520

When we found the vehicle, Joe was there. Joe was up on a cliff.

510

00:37:29,520 --> 00:37:33,520

And that's when Brian came up and told us that they had found the truck.

511

00:37:33,520 --> 00:37:37,520

And I asked him, is he in it? And he said, yeah.

512

00:37:37,520 --> 00:37:42,520

It was a sad day because, you know, obviously Norman was deceased,

513

00:37:42,520 --> 00:37:45,520

but on the upside, it was, you know, finally over.

514

00:37:45,520 --> 00:37:51,520

It could get a decent burial and the family could go on with their lives.

515

00:37:51,520 --> 00:37:54,520

Next, the Con-X Report.

516

00:37:54,520 --> 00:37:57,520

We'll examine the evidence and answer the questions.

517

00:37:57,520 --> 00:38:00,520

Where do psychics get their power?

518

00:38:00,520 --> 00:38:03,520

Can a bump on the head bring out telepathic abilities?

519

00:38:03,520 --> 00:38:06,520

Or is this a gift given at birth?

520

00:38:06,520 --> 00:38:10,520

And if you discover you have the power, how would you use it?

521

00:38:10,520 --> 00:38:14,520

We'll bring it all together next with our Con-X Report.

522

00:38:16,520 --> 00:38:19,520

When Unexplained Mysteries returns.

523

00:38:26,520 --> 00:38:29,520

And now, for the Con-X Report.

524

00:38:29,520 --> 00:38:33,520

They have the ability to see what others cannot.

525

00:38:33,520 --> 00:38:36,520

Some can communicate with the dead.

526

00:38:36,520 --> 00:38:41,520

Others appear to pick up psychic impressions of traumatic events.

527

00:38:41,520 --> 00:38:45,520

But no one understands where these powers come from.

528

00:38:45,520 --> 00:38:50,520

See that it can originate with an injury to the brain.

529

00:38:50,520 --> 00:38:54,520

If the accident had not occurred, no way would I be doing this.

530

00:38:54,520 --> 00:38:58,520

A few discover the power within themselves.

531

00:38:58,520 --> 00:39:01,520

Photo after photo after photo.

532

00:39:01,520 --> 00:39:03,520

There was a personal connection.

533

00:39:03,520 --> 00:39:06,520

She has known him for a while.

534

00:39:06,520 --> 00:39:11,520

He wanted to be able to talk and explain to you through me that he's sorry.

535

00:39:11,520 --> 00:39:16,520

Some even speculate that everyone has the ability.

536

00:39:16,520 --> 00:39:18,520

They just haven't developed it.

537

00:39:18,520 --> 00:39:20,520

Maybe there's more to life than you thought about.

538

00:39:20,520 --> 00:39:23,520

Maybe you're capable of more than you thought about.

539

00:39:23,520 --> 00:39:29,520

We've heard from an ordinary woman who experienced a single unexplainable vision.

540

00:39:29,520 --> 00:39:33,520

It was as if someone said to me, she's not in a house.

541

00:39:33,520 --> 00:39:35,520

I saw a picture.

542

00:39:35,520 --> 00:39:38,520

It was as if someone had put a picture right in front of me.

543

00:39:38,520 --> 00:39:43,520

And a psychic who helped police track down a killer.

544

00:39:43,520 --> 00:39:47,520

I would suspect this is someone cable me to become a serial killer.

545

00:39:47,520 --> 00:39:49,520

He is not already.

546

00:39:49,520 --> 00:39:55,520

She was able to tell us a great deal more information than I'd ever hoped for.

547

00:39:56,520 --> 00:40:00,520

As we've seen, each psychic's gift is unique.

548

00:40:00,520 --> 00:40:02,520

Let me touch something off the body.

549

00:40:02,520 --> 00:40:04,520

I prefer a metal.

550

00:40:04,520 --> 00:40:08,520

I prefer a watch, a ring, an earring, a belt buckle.

551

00:40:08,520 --> 00:40:11,520

When that photographer moved all the way around the body,

552

00:40:11,520 --> 00:40:15,520

he stood exactly where the killer was at a moment when the killer was open.

553

00:40:15,520 --> 00:40:17,520

Bam, I'm in there.

554

00:40:17,520 --> 00:40:22,520

But not everyone is convinced that the power is real.

555

00:40:22,520 --> 00:40:26,520

I believe in what I can feel and touch and smell in here.

556

00:40:26,520 --> 00:40:27,520

Life is a mystery.

557

00:40:27,520 --> 00:40:29,520

Sometimes things happen that you can't explain.

558

00:40:29,520 --> 00:40:35,520

Even those who are blessed with second sight aren't sure why.

559

00:40:35,520 --> 00:40:37,520

I don't know how this works.

560

00:40:37,520 --> 00:40:38,520

I don't know how to stop it.

561

00:40:38,520 --> 00:40:40,520

I don't know how to start it.

562

00:40:40,520 --> 00:40:44,520

I always thank my angels because they bring it to me.

563

00:40:44,520 --> 00:40:49,520

In the end, the most compelling evidence comes from the people

564

00:40:49,520 --> 00:40:53,520

whose lives have been touched by a psychic encounter.

565

00:40:53,520 --> 00:40:56,520

He used to always say, I'll come back and I said, don't even.

566

00:40:56,520 --> 00:41:00,520

She looked over to the right and she says, this really looks like it.

567

00:41:00,520 --> 00:41:02,520

This is what I say.

568

00:41:02,520 --> 00:41:07,520

If I knew then what I had known now, yes, I would have got her involved earlier.

569

00:41:07,520 --> 00:41:15,520

It's been said that the human brain has the capacity to figure out everything, except itself.

570

00:41:15,520 --> 00:41:22,520

Which is why the powers of the psychic will always remain an unexplained mystery.

571

00:41:45,520 --> 00:41:50,520

The power of the psychic will always remain an unexplained mystery.

572

00:41:50,520 --> 00:41:55,520

The power of the psychic will always remain an unexplained mystery.

573

00:41:55,520 --> 00:42:00,520

The power of the psychic will always remain an unexplained mystery.

574

00:42:00,520 --> 00:42:05,520

The power of the psychic will always remain an unexplained mystery.

575

00:42:05,520 --> 00:42:09,520

The power of the psychic will always remain an unexplained mystery.
