

1

00:00:00,000 --> 00:00:05,640

This beast has molested, raped, choked,

2

00:00:05,740 --> 00:00:08,580

and I just feel like it's getting stronger.

3

00:00:08,680 --> 00:00:11,880

This time on Unexplained Mysteries,

4

00:00:11,980 --> 00:00:14,820

the young and the haunted.

5

00:00:14,920 --> 00:00:16,420

I feel like it's here.

6

00:00:16,520 --> 00:00:18,220

The male voice was frightening.

7

00:00:18,320 --> 00:00:20,020

It was almost demonic sounding.

8

00:00:20,120 --> 00:00:22,020

When I heard the voices, I said,

9

00:00:22,120 --> 00:00:24,120

I'm not taking my baby anywhere.

10

00:00:24,220 --> 00:00:28,360

You'll hear the terrifying tales of ordinary people living

11

00:00:28,420 --> 00:00:29,760

with ghosts.

12

00:00:29,860 --> 00:00:31,300

There were dead birds laying on the floor,

13

00:00:31,400 --> 00:00:32,860

and there was blood on the walls.

14

00:00:32,960 --> 00:00:36,760

A little girl shares a room with an apparition.

15

00:00:36,860 --> 00:00:39,440

I'm trying to play with my dolls and stuff.

16

00:00:39,540 --> 00:00:43,380

A renovation reveals a gruesome discovery.

17

00:00:43,480 --> 00:00:45,380

And then we went down, and then we started digging,

18

00:00:45,480 --> 00:00:46,740

and then we saw this hand.

19

00:00:46,840 --> 00:00:49,840

A psychic uncovers a mystery.

20

00:00:49,940 --> 00:00:51,380

Some would die in the basement.

21

00:00:51,480 --> 00:00:54,180

We'll hear from the investigators.

22

00:00:54,280 --> 00:00:57,160

Everything that we saw could be raffling explained.

23

00:00:57,180 --> 00:00:59,260

This house is haunted, yes.

24

00:00:59,360 --> 00:01:01,460

Is it the spirit of a dead person?

25

00:01:01,560 --> 00:01:03,660

There's no way that I can tell that.

26

00:01:03,760 --> 00:01:05,860

We can't point a meter at these ghosts

27

00:01:05,960 --> 00:01:07,100

and say that they're there.

28

00:01:07,200 --> 00:01:10,260

And visit a haunted neighborhood.

29

00:01:10,360 --> 00:01:15,440

I hear the noise, and I said to myself, it's a little girl.

30

00:01:15,540 --> 00:01:16,680

She's doing it.

31

00:01:16,780 --> 00:01:18,240

I looked out the window, and there's

32

00:01:18,340 --> 00:01:19,580

those little girls' face.

33

00:01:19,680 --> 00:01:22,780

A lot of people have come to my house, sat in my house,

34

00:01:22,880 --> 00:01:25,080

and left believing there's something in my house.

35

00:01:25,100 --> 00:01:27,780

And in an exclusive kiss study, we'll

36

00:01:27,880 --> 00:01:32,080

bring you the horrifying story of the ghost molester.

37

00:01:32,180 --> 00:01:37,580

He said in a room deep woods, he was like, make love to me.

38

00:01:37,680 --> 00:01:41,120

I know without a doubt that it was trying to have sex with me.

39

00:01:41,220 --> 00:01:45,020

I still feel there's a lot of evil in this house,

40

00:01:45,120 --> 00:01:46,560

and I don't think it's finished.

41

00:01:46,660 --> 00:01:50,800

And we'll give you the final analysis in our unexperienced

42

00:01:50,860 --> 00:01:55,300

report, as we uncover the truth about haunted houses

43

00:01:55,400 --> 00:02:00,700

on Unexplained Mysteries, the Young and the Haunting.

44

00:02:00,800 --> 00:02:04,980

Most people think of their home as a safe place to be.

45

00:02:05,080 --> 00:02:06,980

Sometimes they're wrong.

46

00:02:13,420 --> 00:02:15,320

When we first moved in with the house,

47

00:02:15,420 --> 00:02:20,420

I got this strange feeling like we were never alone.

48

00:02:21,120 --> 00:02:25,080

When Caroline Brown moved into this two-story house,

49

00:02:25,180 --> 00:02:28,960

it seemed like the perfect place to raise her children.

50

00:02:29,060 --> 00:02:33,720

What she didn't know was that the house had a tragic history.

51

00:02:33,820 --> 00:02:37,560

A husband and father of five shot his wife here,

52

00:02:37,660 --> 00:02:42,840

then took his own life, leaving behind five children.

53

00:02:42,940 --> 00:02:45,900

I decided, OK, it happened.

54

00:02:46,000 --> 00:02:47,840

We'll just forget about it.

55

00:02:47,860 --> 00:02:51,600

When things started happening, I started really wondering,

56

00:02:51,700 --> 00:02:52,800

was it them?

57

00:02:52,900 --> 00:02:55,800

It had to have been them, husband and a wife.

58

00:02:55,900 --> 00:03:00,740

Caroline's daughter, Cassie, was the first to make contact.

59

00:03:00,840 --> 00:03:03,980

A strange woman tucked her into bed,

60

00:03:04,080 --> 00:03:07,820

as a dark figure lurked in the shadows.

61

00:03:07,920 --> 00:03:15,520

He just stood there like he was watching her duck man

62

00:03:15,620 --> 00:03:17,160

or something.

63

00:03:17,220 --> 00:03:20,620

I decided to kind of check while they were asleep,

64

00:03:20,720 --> 00:03:22,260

check their beds to see.

65

00:03:22,360 --> 00:03:23,220

And it was.

66

00:03:23,320 --> 00:03:24,820

It was tucked in between the mattresses.

67

00:03:24,920 --> 00:03:26,320

I don't do that.

68

00:03:26,420 --> 00:03:29,120

At first, Caroline was skeptical.

69

00:03:29,220 --> 00:03:31,360

But over the next several months,

70

00:03:31,460 --> 00:03:34,960

a series of bizarre incidents took place.

71

00:03:35,060 --> 00:03:41,540

Lights turning on and off, disembodied voices, footsteps.

72

00:03:41,640 --> 00:03:45,540

Then one night, she was confronted by an apparition

73

00:03:45,620 --> 00:03:47,740

in her bedroom.

74

00:03:47,840 --> 00:03:53,540

I woke up and I saw a silhouette of a man coming towards me.

75

00:03:53,640 --> 00:03:55,240

My first thought is intruder.

76

00:03:55,340 --> 00:03:59,540

So I'm scrambling, looking for that, keeping this sight,

77

00:03:59,640 --> 00:04:02,640

this person in sight, ready to fight, ready to do anything

78

00:04:02,740 --> 00:04:07,560

I needed to do, got the light on, is gone.

79

00:04:07,660 --> 00:04:11,460

Caroline now believes that these ghosts are the husband

80

00:04:11,560 --> 00:04:15,300

and wife who died so tragically here.

81

00:04:15,320 --> 00:04:19,560

I feel like the couple is somehow grounded here.

82

00:04:19,660 --> 00:04:21,360

I feel like maybe they missed their own kids.

83

00:04:21,460 --> 00:04:24,200

I think that with a situation of murder, suicide,

84

00:04:24,300 --> 00:04:26,140

you have obviously heavy emotion that's

85

00:04:26,240 --> 00:04:27,500

put into play here.

86

00:04:27,600 --> 00:04:30,140

Whether they're really ghosts there or not,

87

00:04:30,240 --> 00:04:33,080

we can't prove from the perspective of we can't point

88

00:04:33,180 --> 00:04:35,840

a meter at these ghosts and say that they're there.

89

00:04:35,940 --> 00:04:40,220

A lot of the things that have happened here, he can't explain.

90

00:04:40,320 --> 00:04:42,580

Even though you get nervous, you just decide,

91

00:04:42,680 --> 00:04:43,680

hey, this is my house.

92

00:04:45,320 --> 00:04:47,260

I want to live here.

93

00:04:47,360 --> 00:04:48,260

And you deal with it.

94

00:04:54,060 --> 00:04:58,600

Tony Adams lives in this home with her daughter Yolanda.

95

00:04:58,700 --> 00:05:02,840

It was an ordinary existence until shortly after the birth

96

00:05:02,940 --> 00:05:06,540

of Yolanda's daughter, Alyssa.

97

00:05:06,640 --> 00:05:08,980

She was about a year old.

98

00:05:09,080 --> 00:05:12,580

And she would start having conversations,

99

00:05:12,640 --> 00:05:16,040

like mostly gibberish, you know, but she would say like a name.

100

00:05:16,140 --> 00:05:18,580

I would say, Alyssa, who are you talking to?

101

00:05:18,680 --> 00:05:20,740

She'd say, Bobby.

102

00:05:20,840 --> 00:05:22,440

And I'd say, there is Bobby.

103

00:05:22,540 --> 00:05:24,280

And then she would point to him.

104

00:05:24,380 --> 00:05:26,080

I asked her what was wrong.

105

00:05:26,180 --> 00:05:28,720

She said, I'm scared of the monster.

106

00:05:28,820 --> 00:05:30,860

And I said, what monster?

107

00:05:30,960 --> 00:05:32,860

And she won't talk about it.

108

00:05:32,960 --> 00:05:38,500

Then one night, Tony saw the apparition herself.

109

00:05:38,600 --> 00:05:41,460

There was a white, white mass.

110

00:05:41,520 --> 00:05:43,680

And I almost looked like a cloud.

111

00:05:43,780 --> 00:05:49,220

It seemed to be taller than I was.

112

00:05:49,320 --> 00:05:52,220

And it seemed to go right through me.

113

00:05:52,320 --> 00:05:54,360

I was very scared at that point.

114

00:05:54,460 --> 00:05:59,960

Soon, whatever was haunting the house became more aggressive.

115

00:06:00,060 --> 00:06:02,160

The stove would turn on.

116

00:06:02,260 --> 00:06:04,800

The flames would go up really high.

117

00:06:04,900 --> 00:06:06,400

I went into the bathroom.

118

00:06:06,500 --> 00:06:08,540

And the trash can was on fire.

119

00:06:08,640 --> 00:06:10,940

I tried to leave the house.

120

00:06:11,020 --> 00:06:12,320

And I couldn't leave.

121

00:06:12,420 --> 00:06:15,120

It was like there was something pushing me back into the house.

122

00:06:18,520 --> 00:06:22,320

Electronic voice phenomenon expert, Al Roeber,

123

00:06:22,420 --> 00:06:27,500

believes he can capture the sound of a ghost on audio tape.

124

00:06:27,600 --> 00:06:32,340

We're going to be addressing the gentleman who's been,

125

00:06:32,440 --> 00:06:34,540

for some reason, an anonymous family.

126

00:06:34,640 --> 00:06:38,380

And what we're going to know is why are you doing this?

127

00:06:38,420 --> 00:06:43,960

Roeber plays the tape back and discovers something remarkable.

128

00:06:44,060 --> 00:06:47,500

We hear him on the tape when I'm asking about someone

129

00:06:47,600 --> 00:06:49,200

moving out of the house.

130

00:06:49,300 --> 00:06:51,660

I hear him saying the baby is staying.

131

00:06:51,760 --> 00:06:54,500

As if he's demanding that, the baby is staying.

132

00:06:54,600 --> 00:06:56,100

Are you upset that a man is leaving?

133

00:07:02,600 --> 00:07:04,180

The male voice was frightening.

134

00:07:04,280 --> 00:07:06,140

It was almost demonic sounding.

135

00:07:06,180 --> 00:07:10,080

When I heard the voices, I said, he's not taking my baby anywhere.

136

00:07:10,180 --> 00:07:11,480

You know?

137

00:07:11,580 --> 00:07:12,580

I was scared.

138

00:07:12,680 --> 00:07:14,980

My reaction was to just keep her away from the house.

139

00:07:15,080 --> 00:07:17,020

The only thing that worries me is

140

00:07:17,120 --> 00:07:22,820

that if my daughter tries to move and take the baby,

141

00:07:22,920 --> 00:07:24,820

that he's going to become fine.

142

00:07:24,920 --> 00:07:28,240

Because at one point, he was moving the furniture,

143

00:07:28,340 --> 00:07:32,640

knocking things over when we had mentioned about her moving out.

144

00:07:32,680 --> 00:07:36,480

Psychic Jane Doherty visits the house.

145

00:07:36,580 --> 00:07:40,180

She senses that there was once a barn here,

146

00:07:40,280 --> 00:07:45,320

that it burned down with a man named Bob inside.

147

00:07:45,420 --> 00:07:48,260

There is definitely a fire motif that is going on.

148

00:07:48,360 --> 00:07:50,160

That is what my concern was.

149

00:07:50,260 --> 00:07:52,460

I think of all the cases I've worked on,

150

00:07:52,560 --> 00:07:56,360

this was the most frightening in many aspects

151

00:07:56,460 --> 00:07:58,240

because you have the poultry geist aspect

152

00:07:58,340 --> 00:08:00,800

and you have some real danger going on,

153

00:08:01,060 --> 00:08:07,100

or the real possibility of danger because of the fire and the child.

154

00:08:07,200 --> 00:08:09,600

As Yolanda is being interviewed,

155

00:08:09,700 --> 00:08:13,740

baby Alyssa is distracted by what she perceives

156

00:08:13,840 --> 00:08:16,340

as an entity in the room.

157

00:08:16,440 --> 00:08:17,340

Where is he?

158

00:08:20,020 --> 00:08:21,020

Is he here?

159

00:08:23,880 --> 00:08:24,760

Bobby's here?

160

00:08:27,260 --> 00:08:28,420

Where does Bobby stay?

161

00:08:30,860 --> 00:08:32,300

He stays in the house.

162

00:08:32,400 --> 00:08:33,500

He stays in the house?

163

00:08:33,600 --> 00:08:35,000

Yeah.

164

00:08:35,100 --> 00:08:38,800

The terror that Tony and her daughter are living through

165

00:08:38,900 --> 00:08:43,040

has been overwhelming, and they are willing to do anything

166

00:08:43,140 --> 00:08:45,780

to get rid of the spirit.

167

00:08:45,880 --> 00:08:48,420

If there were one question I could ask,

168

00:08:48,520 --> 00:08:52,620

the spirit I would say, what would you like us to do?

169

00:08:52,720 --> 00:08:54,020

How can we help you?

170

00:08:54,120 --> 00:08:56,360

If there's some reason they can't go back,

171

00:08:56,460 --> 00:09:00,060

we'd like to help so that we can all live calmly again.

172

00:09:00,120 --> 00:09:03,460

Coming up on Unexplained Mysteries,

173

00:09:03,560 --> 00:09:05,660

more ghostly encounters.

174

00:09:05,760 --> 00:09:07,560

It was like a hand-bored box was open.

175

00:09:07,660 --> 00:09:11,160

I hear the noise, and I said, it's a little girl.

176

00:09:11,260 --> 00:09:12,500

She's doing it.

177

00:09:12,600 --> 00:09:16,440

A detective uncovers an unimaginable crime.

178

00:09:16,540 --> 00:09:18,500

What happened in this house to those two children

179

00:09:18,600 --> 00:09:20,080

is an absolute nightmare.

180

00:09:20,180 --> 00:09:25,940

A mother and three daughters are brutalized by an unseen force.

181

00:09:26,040 --> 00:09:29,620

And it was saying, your family can pay it's respects now

182

00:09:29,680 --> 00:09:31,240

because you're mine.

183

00:09:31,340 --> 00:09:34,980

I know without a doubt that it was trying to have sex with me.

184

00:09:35,080 --> 00:09:37,380

A psychic's foreboding challenge.

185

00:09:37,480 --> 00:09:39,560

And if someone dug up that basement,

186

00:09:39,660 --> 00:09:43,120

then you'd find a full skeleton remains of a body.

187

00:09:43,220 --> 00:09:46,860

And then we started digging, and then we got halfway through,

188

00:09:46,960 --> 00:09:48,600

and then we saw this hand.

189

00:09:48,700 --> 00:09:52,760

And we'll uncover more secrets without Unexplained's report.

190

00:09:52,860 --> 00:09:56,900

Stay tuned for more on Unexplained Mysteries.

191

00:09:56,960 --> 00:10:01,660

Unexplained Mysteries, the Young and the Haunted.

192

00:10:01,760 --> 00:10:05,060

When evil infests a house, some believe

193

00:10:05,160 --> 00:10:06,560

that it lives on forever.

194

00:10:13,400 --> 00:10:17,940

Glenburnie, Maryland, along the Chesapeake Bay.

195

00:10:18,040 --> 00:10:23,320

Years ago, something happened in this quiet middle class town.

196

00:10:23,340 --> 00:10:26,440

In this house, only two young brothers

197

00:10:26,540 --> 00:10:29,180

knew the horrifying secret.

198

00:10:29,280 --> 00:10:32,720

What happened in this house to those two children

199

00:10:32,820 --> 00:10:34,160

is an absolute nightmare.

200

00:10:34,260 --> 00:10:38,720

The boys were savagely molested, not by a stranger,

201

00:10:38,820 --> 00:10:41,060

but by someone they trusted.

202

00:10:41,160 --> 00:10:44,600

They weren't safe because of the danger that lived within,

203

00:10:44,700 --> 00:10:48,100

and that danger lied in their own father.

204

00:10:48,200 --> 00:10:51,280

The brothers also witnessed what they described

205

00:10:51,340 --> 00:10:55,040

as the ritualistic murder of an infant.

206

00:10:55,140 --> 00:10:56,740

I don't think it's far-fetched to believe

207

00:10:56,840 --> 00:11:00,380

that a baby could be stabbed repeatedly, dismembered,

208

00:11:00,480 --> 00:11:05,380

and then decapitated, and then literally tossed into a creek.

209

00:11:05,480 --> 00:11:06,880

And of course, that's what we believe

210

00:11:06,980 --> 00:11:09,780

happened in this particular circumstance.

211

00:11:09,880 --> 00:11:15,680

Nobody was ever found, but the father went to prison,

212

00:11:15,780 --> 00:11:20,140

and the house on Judy Road was sold.

213

00:11:20,200 --> 00:11:22,900

When Margaret Castagnara and her three daughters

214

00:11:23,000 --> 00:11:27,240

moved into the house, they had no idea of the horror

215

00:11:27,340 --> 00:11:29,400

that was waiting for them.

216

00:11:29,500 --> 00:11:31,700

The first time something had happened to me,

217

00:11:31,800 --> 00:11:36,300

I was laying in my bed, and I woke up for no reason.

218

00:11:36,400 --> 00:11:40,740

And I heard this breathing, and I could feel it in my ear.

219

00:11:40,840 --> 00:11:44,740

It was like, ah, ah, ah, ah.

220

00:11:44,840 --> 00:11:50,040

He said, in a real deep voice, he was like, make love to me.

221

00:11:50,140 --> 00:11:54,040

It was pinching my breast very hard,

222

00:11:54,140 --> 00:11:57,040

and it just squeezed me on my behind.

223

00:11:57,140 --> 00:12:00,040

It was like I was being sexually assaulted by it.

224

00:12:00,140 --> 00:12:04,040

Like, it was taking itself and entering into my body.

225

00:12:04,140 --> 00:12:05,540

A hand came through.

226

00:12:05,640 --> 00:12:07,340

It started crushing my right breast.

227

00:12:07,440 --> 00:12:10,040

It was going over my nipple, and I remember

228

00:12:10,140 --> 00:12:12,540

that the fingers felt bony.

229

00:12:12,640 --> 00:12:17,040

I'm embarrassed because I was enjoying it.

230

00:12:17,040 --> 00:12:20,940

When it started to physically take me,

231

00:12:21,040 --> 00:12:24,940

what I thought was a pleasant experience turned to terror.

232

00:12:25,040 --> 00:12:27,940

The thing pushed me back on the bed,

233

00:12:28,040 --> 00:12:32,440

and when it did, I felt this extreme weight on me.

234

00:12:32,540 --> 00:12:36,940

It started screaming at me, very raspy, very deep voice,

235

00:12:37,040 --> 00:12:40,440

and it was like, wah, wah, wah.

236

00:12:40,540 --> 00:12:42,440

And it just kept doing it and doing it.

237

00:12:42,540 --> 00:12:44,440

And of course, at this point, I'm screaming.

238

00:12:44,440 --> 00:12:48,840

I was laying in the bed next to her, and her body,

239

00:12:48,940 --> 00:12:51,840

it was like her heels were in the bed,

240

00:12:51,940 --> 00:12:54,840

and her head and shoulders were in the bed.

241

00:12:54,940 --> 00:12:58,840

But the rest of her body was arched up like a bridge.

242

00:12:58,940 --> 00:13:02,840

I know without a doubt that it was trying to have sex with me,

243

00:13:02,940 --> 00:13:06,340

and it was trying to rape me, and I was just powerless.

244

00:13:06,440 --> 00:13:08,340

There was just nothing I could do.

245

00:13:08,440 --> 00:13:13,340

This V has molested, raped, choked.

246

00:13:13,340 --> 00:13:16,240

He's touched, he's punched, he's scratched,

247

00:13:16,340 --> 00:13:19,240

and I just feel like it's getting stronger.

248

00:13:19,340 --> 00:13:24,240

Not even Deborah's youngest daughter was immune to the attacks.

249

00:13:24,340 --> 00:13:29,240

First, it scratched me on the side of my face, and it hurt bad.

250

00:13:29,340 --> 00:13:31,240

Then it scratched me on the side of my face,

251

00:13:31,340 --> 00:13:34,240

and it actually broke the skin down there, and it was bleeding.

252

00:13:34,340 --> 00:13:37,240

And I was just crying hysterical,

253

00:13:37,340 --> 00:13:41,240

and it was saying, your family can pay it's respects now

254

00:13:41,340 --> 00:13:43,240

because you're mine.

255

00:13:43,340 --> 00:13:46,240

It was saying, you can run, but you can't hide.

256

00:13:46,340 --> 00:13:52,240

The women fled the house and haven't been back until now.

257

00:14:01,340 --> 00:14:03,240

When we go into a home to investigate,

258

00:14:03,340 --> 00:14:06,240

we look at, first and foremost, the environmental factors

259

00:14:06,340 --> 00:14:08,240

that are contributing to the situation.

260

00:14:08,340 --> 00:14:10,240

We look at the physiological elements,

261

00:14:10,240 --> 00:14:14,140

and we look at the psychological elements of all those in the family.

262

00:14:14,240 --> 00:14:18,140

Christopher Chacon arrives with his team of investigators

263

00:14:18,240 --> 00:14:24,140

to find out who or what was terrorizing these women.

264

00:14:24,240 --> 00:14:26,140

To make the women feel safer,

265

00:14:26,240 --> 00:14:30,140

surveillance cameras were placed around the house.

266

00:14:30,240 --> 00:14:34,140

The teams set up their electronic equipment,

267

00:14:34,240 --> 00:14:38,140

monitoring everything from gravitational fields

268

00:14:38,140 --> 00:14:41,040

to surface radiation.

269

00:14:41,140 --> 00:14:44,040

The women huddled together in one bedroom

270

00:14:44,140 --> 00:14:46,040

and tried to sleep.

271

00:14:46,140 --> 00:14:51,040

Still terrified, they asked to keep the lights on.

272

00:14:51,140 --> 00:14:53,040

Okay, that's lighting off.

273

00:14:53,140 --> 00:14:54,040

Good night.

274

00:14:54,140 --> 00:14:55,040

Good night.

275

00:14:55,140 --> 00:14:57,040

Everyone say their prayers.

276

00:14:57,140 --> 00:14:59,040

It's two o'clock.

277

00:14:59,140 --> 00:15:03,040

Alicia can't sleep and goes into the living room.

278

00:15:03,140 --> 00:15:06,040

This usually seems to be the time when it'll start building up

279

00:15:06,040 --> 00:15:08,940

and you'll start hearing sounds in the house

280

00:15:09,040 --> 00:15:10,940

if anything's going to happen.

281

00:15:11,040 --> 00:15:14,940

And by three, usually when it gets to the peak.

282

00:15:15,040 --> 00:15:16,940

If everybody's sleeping in the house, it's quiet.

283

00:15:17,040 --> 00:15:19,940

That's when it seems like it's the strongest.

284

00:15:20,040 --> 00:15:22,940

I feel like it's here, and I wish if it was,

285

00:15:23,040 --> 00:15:25,940

it would just show itself or do something.

286

00:15:26,040 --> 00:15:29,940

Throughout the night, Chacon keeps a vigil at the monitors,

287

00:15:30,040 --> 00:15:33,940

searching for any abnormal activity.

288

00:15:33,940 --> 00:15:36,840

But the house remains silent.

289

00:15:36,940 --> 00:15:38,840

Everything that we saw in the house on Judy Road

290

00:15:38,940 --> 00:15:41,840

and everything that's been told to us by the family members

291

00:15:41,940 --> 00:15:44,840

could be rationally explained in one way or another

292

00:15:44,940 --> 00:15:46,840

according to the laws of nature and physics.

293

00:15:46,940 --> 00:15:50,840

I still feel as strongly as we did in the first interview

294

00:15:50,940 --> 00:15:52,840

that those things happened in reality.

295

00:15:52,940 --> 00:15:56,840

They actually did happen, and they happened the way that I explained them.

296

00:15:56,940 --> 00:16:00,840

Although the investigation failed to prove anything,

297

00:16:00,840 --> 00:16:04,740

Margaret Castagnera and her three daughters

298

00:16:04,840 --> 00:16:07,740

are convinced the beast is still here,

299

00:16:07,840 --> 00:16:10,740

waiting for them to return.

300

00:16:10,840 --> 00:16:14,740

I still feel there's a lot of evil in this house.

301

00:16:14,840 --> 00:16:17,740

I think that it's the devil personally,

302

00:16:17,840 --> 00:16:20,740

and I don't think it's finished.

303

00:16:20,840 --> 00:16:24,740

Coming up, a woman moves into her dream house

304

00:16:24,840 --> 00:16:27,740

only to discover she's not alone.

305

00:16:27,840 --> 00:16:28,740

I was scared.

306

00:16:28,740 --> 00:16:29,640

I didn't know what it was.

307

00:16:29,740 --> 00:16:32,640

I mean, I knew what it was, but I just wanted to stop.

308

00:16:32,740 --> 00:16:35,640

A neighborhood with a terrible secret.

309

00:16:35,740 --> 00:16:37,640

I don't go down there very often.

310

00:16:37,740 --> 00:16:39,640

That's the one place that really kind of bothers me.

311

00:16:39,740 --> 00:16:41,640

A psychic makes contact.

312

00:16:41,740 --> 00:16:43,640

Somebody use me less right now.

313

00:16:43,740 --> 00:16:45,640

Somebody use right here.

314

00:16:45,740 --> 00:16:47,640

A family under attack.

315

00:16:47,740 --> 00:16:48,640

She had blood down her blouse.

316

00:16:48,740 --> 00:16:50,640

Blood was coming from her throat.

317

00:16:50,740 --> 00:16:53,640

Maybe now you're gonna hear something like screaming.

318

00:16:53,740 --> 00:16:56,640

And finally, you put together all the pieces

319

00:16:56,640 --> 00:17:01,540

in the un-utra-port on unexplained mysteries.

320

00:17:05,640 --> 00:17:11,540

Unexplained mysteries, the young and the haunted.

321

00:17:11,640 --> 00:17:15,540

There are haunted houses around the world.

322

00:17:15,640 --> 00:17:20,540

But what happens when an entire neighborhood is haunted?

323

00:17:26,640 --> 00:17:31,540

Beacon, New York, located in the Hudson Valley.

324

00:17:31,640 --> 00:17:36,540

Unchanged for decades, it is a quiet slice of Americana.

325

00:17:36,640 --> 00:17:41,540

It attracts people looking to escape the fast pace of city life.

326

00:17:41,640 --> 00:17:47,540

People like Julie Kahn, who thought she had found the house of her dreams.

327

00:17:47,640 --> 00:17:53,540

Julie and her husband bought the house and started renovating.

328

00:17:53,540 --> 00:17:58,440

The house was in dire need and some pretty hefty work.

329

00:17:58,540 --> 00:18:02,440

It had wood-burning stove, the dining room floor had been cemented,

330

00:18:02,540 --> 00:18:07,440

the floors were painted red and everything had to be done.

331

00:18:07,540 --> 00:18:09,440

So we did that and we worked day and night.

332

00:18:09,540 --> 00:18:14,440

And the last step was sanding the floors before we could move our furniture in.

333

00:18:14,540 --> 00:18:19,440

Julie's husband stained the floors and added a coat of urethane.

334

00:18:19,440 --> 00:18:23,340

The house was locked up to give it time to dry.

335

00:18:23,440 --> 00:18:31,340

But when the couple returned, they found a set of small, dusty footprints running through the house.

336

00:18:31,440 --> 00:18:35,340

At first, they thought someone had broken in.

337

00:18:35,440 --> 00:18:40,340

But when Julie examined the prince, she discovered something odd.

338

00:18:40,440 --> 00:18:47,340

I brushed away the dust, the dirt from the floor and it was tacky, but there was nothing there.

339

00:18:47,340 --> 00:18:51,240

There was no more imprint. No foot. It was gone.

340

00:18:51,340 --> 00:19:02,240

What I felt was there, strange about the whole thing, was whoever walked on the floor would have left an imprint in the floor.

341

00:19:02,340 --> 00:19:04,240

Because the floor was wet and tacky.

342

00:19:04,340 --> 00:19:08,240

And the urethane. And there was nothing there.

343

00:19:08,340 --> 00:19:11,240

There was no imprint. There was nothing.

344

00:19:11,240 --> 00:19:17,140

This was just the beginning. At night, strange sounds would wake Julie up.

345

00:19:17,240 --> 00:19:25,140

A child crying. Doors opening and shutting. Footsteps coming up the stairs.

346

00:19:25,240 --> 00:19:29,140

It continued until the renovation was complete.

347

00:19:29,240 --> 00:19:35,140

Then suddenly it stopped until the birth of Julie's son.

348

00:19:35,140 --> 00:19:42,040

I was breastfeeding and I'd walk into his room and the crib would be down.

349

00:19:42,140 --> 00:19:47,040

The rails, it was a brand new crib and the crib rails, I would be down.

350

00:19:47,140 --> 00:19:55,040

So I'd look and I'd lift it up and I'd feed him and I'd put him back to bed and it'd be up.

351

00:19:55,140 --> 00:19:58,040

And in the morning I'd go in and the crib would be down.

352

00:19:58,140 --> 00:20:02,040

The crib was chained, but there was nothing wrong with it.

353

00:20:02,040 --> 00:20:06,940

And finally I'm feeding him my oldest.

354

00:20:07,040 --> 00:20:11,940

I'm sitting in the rocking chair and the closet door opens a little bit.

355

00:20:12,040 --> 00:20:19,940

And I hear the noise and I said to myself, it's a little girl. She's doing it.

356

00:20:20,040 --> 00:20:22,940

Julie didn't fear the curious spirit.

357

00:20:23,040 --> 00:20:28,940

And I said, it's okay. I know you love the baby.

358

00:20:28,940 --> 00:20:34,840

And I know you want to be with the baby, but you can't put the crib side down anymore

359

00:20:34,940 --> 00:20:36,840

because the baby could get hurt.

360

00:20:36,940 --> 00:20:41,840

And you can sit with me while I feed the baby and you don't have to be afraid

361

00:20:41,940 --> 00:20:44,840

and we don't want you to go anywhere. It's okay.

362

00:20:44,940 --> 00:20:49,840

And the crib never opened again after that.

363

00:20:49,940 --> 00:20:55,840

Julie fashioned a homemade talisman, intended to calm the spirit in her home.

364

00:20:55,840 --> 00:21:03,740

She placed sage and votive candles in a St. Francis of Assisi bird feeder along with some holy water.

365

00:21:03,840 --> 00:21:08,740

It seemed to attract whatever was haunting Julie's house.

366

00:21:08,840 --> 00:21:15,740

I was laying on the couch and I was looking at St. Francis and watching the light.

367

00:21:15,840 --> 00:21:22,740

I mean, it was so pretty. And all of a sudden as I looked up at it, it just started turning.

368

00:21:22,740 --> 00:21:25,640

It started moving in a circular motion.

369

00:21:25,740 --> 00:21:28,640

And I just watched it for a few minutes thinking, am I really seeing this?

370

00:21:28,740 --> 00:21:33,640

And it stopped. And it looked again and it went the other direction.

371

00:21:33,740 --> 00:21:41,640

But Julie's house wasn't the only one on the block experiencing strange phenomenon.

372

00:21:41,740 --> 00:21:45,640

The knaps were also having a problem. Just across the street,

373

00:21:45,640 --> 00:21:52,540

daughter Amanda was the first to feel the presence of something unusual.

374

00:21:52,640 --> 00:21:56,540

Friends looked over and she like passed out. So I was just sitting there and I couldn't sleep.

375

00:21:56,640 --> 00:21:58,540

And the typewriter just started like flipping out.

376

00:21:58,640 --> 00:22:02,540

Like all the buttons were going, but it wasn't plugged in and it wasn't turned on.

377

00:22:02,640 --> 00:22:06,540

And then there was like shuffle papers underneath. They were just like flying around.

378

00:22:06,640 --> 00:22:12,540

And then I just like tried going to sleep and it wouldn't go away and I started screaming and it stopped.

379

00:22:12,540 --> 00:22:17,440

Amanda feels the source of the haunting is in the basement.

380

00:22:17,540 --> 00:22:24,440

While she was helping her stepfather do some renovations, they made a shocking discovery.

381

00:22:24,540 --> 00:22:28,440

And then we went down there and we started digging and then we got like halfway through it.

382

00:22:28,540 --> 00:22:34,440

And then we saw this hand. It was exactly like this. It was all bones, like no skin, just like a straight bone.

383

00:22:34,540 --> 00:22:39,440

You could see it tell it was a hand. And then after that he just like stopped digging.

384

00:22:39,440 --> 00:22:42,340

And then that was it.

385

00:22:42,440 --> 00:22:48,340

The kids have told me about it. I have to admit I didn't believe them at first, but he's never touched the basement again.

386

00:22:48,440 --> 00:22:51,340

And as you've seen, I still have a large hole in my basement.

387

00:22:51,440 --> 00:22:56,340

I don't go down there very often. That's the one place that really kind of bothers me.

388

00:22:56,440 --> 00:23:03,340

Amanda's daughter also seems to bring out the supernatural forces within the house.

389

00:23:03,440 --> 00:23:06,340

It was early in the morning, my daughter was gone.

390

00:23:06,340 --> 00:23:11,240

Like you could hear someone crying. Like it was like an older person crying, not a baby crying.

391

00:23:11,340 --> 00:23:14,240

And then all I heard is, help me, help me.

392

00:23:14,340 --> 00:23:19,240

I looked at the window and there's this little girl's face. She had like curly hair.

393

00:23:19,340 --> 00:23:24,240

And then I went upstairs and got my mom and then I came back downstairs and she was gone.

394

00:23:24,340 --> 00:23:31,240

Could this unexplained activity be a part of a larger haunting throughout the entire neighborhood?

395

00:23:31,240 --> 00:23:36,140

I have heard about a lot of houses in the area that have, they say that things go on in their home.

396

00:23:36,240 --> 00:23:40,140

Everybody at one time has felt something.

397

00:23:40,240 --> 00:23:43,140

And still are. But they just don't want to talk about it.

398

00:23:43,240 --> 00:23:46,140

Because they don't want people to think they're crazy.

399

00:23:46,240 --> 00:23:52,140

Coming up on Unexplained Mysteries. The Young and the Haunted.

400

00:23:52,240 --> 00:23:56,140

The paranormal investigation into the Hudson Valley Haunte.

401

00:23:56,140 --> 00:24:01,040

The most common cause for a haunting is a sudden violent death.

402

00:24:01,140 --> 00:24:07,040

I can't think of anything that could cause that except for your classical imagery of a ghost.

403

00:24:07,140 --> 00:24:09,040

A psychic shocking revelation.

404

00:24:09,140 --> 00:24:11,040

Someone died in the basement.

405

00:24:11,140 --> 00:24:14,040

A spirit makes contact.

406

00:24:14,140 --> 00:24:17,040

Cold, it's very cold right here.

407

00:24:17,140 --> 00:24:23,040

And later a family becomes the target of an unseen force.

408

00:24:23,040 --> 00:24:25,940

There were dead birds laying on the floor and it was blood on the walls.

409

00:24:26,040 --> 00:24:28,940

Sometimes she runs to the house and giggles.

410

00:24:29,040 --> 00:24:30,940

It was like a Pandora's box was open.

411

00:24:31,040 --> 00:24:39,940

And you'll get the ultimate conclusion about these haunted houses with our Unex reports on Unexplained Mysteries.

412

00:24:43,040 --> 00:24:46,940

Unexplained Mysteries. The Young and the Haunted.

413

00:24:47,940 --> 00:24:55,840

The most common cause for a haunting is a sudden violent death.

414

00:24:55,940 --> 00:25:07,840

Certainly if there's a body buried in the basement, it would be a significant reason for a haunting to take place in that environment.

415

00:25:07,840 --> 00:25:19,740

Julie Cohen needs to know who or what invaded her home.

416

00:25:19,840 --> 00:25:23,740

She calls paranormal investigator Randy Liebeck.

417

00:25:23,840 --> 00:25:28,740

On his initial tour he witnesses something he can't explain.

418

00:25:28,840 --> 00:25:33,740

I was here from the other investigator and we were setting up some surveillance equipment in the dining room.

419

00:25:33,740 --> 00:25:38,640

I turned a look and I saw the incense burner spinning around in a circular arc.

420

00:25:38,740 --> 00:25:43,640

And I told my colleague who saw it, he thought I had pushed it trying to fool him.

421

00:25:43,740 --> 00:25:46,640

And I told him I wasn't me.

422

00:25:46,740 --> 00:25:51,640

We physically stopped it with our hands, stopped the movement, stood back and started spaying again.

423

00:25:51,740 --> 00:26:00,640

After spending time in the house and interviewing Julie about her experiences here, Liebeck is convinced.

424

00:26:00,740 --> 00:26:03,640

This house is haunted, yes.

425

00:26:03,740 --> 00:26:08,640

There are a variety of explanations and definitions of the word haunted.

426

00:26:08,740 --> 00:26:11,640

The phenomena that's occurring here is real.

427

00:26:11,740 --> 00:26:16,640

The question is, the causes of factors? Is it the spirit of a dead person?

428

00:26:16,740 --> 00:26:19,640

There's no way that I can tell that.

429

00:26:19,740 --> 00:26:25,640

To delve deeper into this mystery, a more in-depth investigation is planned.

430

00:26:25,740 --> 00:26:30,640

Surveillance cameras are placed throughout the cone and nap homes.

431

00:26:30,640 --> 00:26:36,540

In the areas with the most activity, Randy Liebeck supervises the investigation.

432

00:26:36,640 --> 00:26:41,540

Armed with a magnetometer to pinpoint any supernatural phenomenon,

433

00:26:41,640 --> 00:26:47,540

sunkick Peter James arrives to attempt contact with the entities.

434

00:26:47,640 --> 00:26:53,540

Peter is immediately drawn to the room where the talisman had been seen swinging.

435

00:26:53,540 --> 00:27:03,440

There's a cold spot here and that to me would be an indicator if you will that this is like a vortex.

436

00:27:03,540 --> 00:27:08,440

Something is with us right now. Something is right here.

437

00:27:08,540 --> 00:27:12,440

Listen, listen.

438

00:27:12,540 --> 00:27:18,440

There's a young, there's also I think a child here as well.

439

00:27:18,440 --> 00:27:27,340

Peter next makes his way to the nursery, the same room where Julie had seen the spirit of the little girl.

440

00:27:27,440 --> 00:27:37,340

This room there is yet a separate energy and I strongly feel that someone died in this room.

441

00:27:37,440 --> 00:27:44,340

There's a lot of sadness. I'm saddened by the way this person died in this room.

442

00:27:44,340 --> 00:27:53,240

I think the death that I'm feeling in this room was unexpected and young.

443

00:27:53,340 --> 00:27:55,240

I feel very young about this energy.

444

00:27:55,340 --> 00:28:04,240

There's like, I think about three or four people have died in this house over the years.

445

00:28:04,340 --> 00:28:11,240

With Peter and the investigative team upstairs, Julie bursts in visibly shaken.

446

00:28:11,340 --> 00:28:12,240

I can feel her.

447

00:28:12,340 --> 00:28:13,240

He's right here, right now.

448

00:28:13,340 --> 00:28:14,240

Hello?

449

00:28:14,340 --> 00:28:15,240

I can hear him.

450

00:28:15,340 --> 00:28:16,240

I can hear him.

451

00:28:16,340 --> 00:28:17,240

Whoa, he's right here.

452

00:28:17,340 --> 00:28:18,240

I can feel him.

453

00:28:18,340 --> 00:28:19,240

Right here. Put your hand right here.

454

00:28:19,340 --> 00:28:20,240

It's okay. I can leave.

455

00:28:20,340 --> 00:28:22,240

Calm down. Yeah, calm down here.

456

00:28:22,340 --> 00:28:35,240

Of my investigators detected an electrical tingling sensation in the air at this spot and about this elevation and I detected a magnetic flux in this area.

457

00:28:35,340 --> 00:28:39,240

The team next moved the investigation to the nap home.

458

00:28:39,240 --> 00:28:47,140

Peter goes immediately to the exact spot where Amanda claims to have unearthed a human hand.

459

00:28:47,240 --> 00:28:58,140

Some would die in the spacemen. Some would die down here and I think, again, I'm getting that kind of a mystery death syndrome.

460

00:28:58,240 --> 00:29:00,140

There's something unusual in the spacemen.

461

00:29:00,240 --> 00:29:05,140

I'm reading a fluctuating magnetic field stronger than any of the other places we've come across yet.

462

00:29:05,240 --> 00:29:07,140

Are they walking in the house?

463

00:29:07,140 --> 00:29:14,040

Peter and the crew hear footsteps upstairs, even though the home was supposed to be empty.

464

00:29:14,140 --> 00:29:20,040

He calls Stephanie back inside to confirm that no one has entered the house.

465

00:29:20,140 --> 00:29:22,040

We heard distinct sounds, right gentlemen?

466

00:29:22,140 --> 00:29:23,040

Yeah, there was no doubt about it.

467

00:29:23,140 --> 00:29:24,040

No doubt.

468

00:29:24,140 --> 00:29:25,040

Heavy feet.

469

00:29:25,140 --> 00:29:26,040

Heavy, heavy, heavy feet.

470

00:29:26,140 --> 00:29:27,040

Heavy feet.

471

00:29:27,140 --> 00:29:29,040

No, we were outside.

472

00:29:29,140 --> 00:29:30,040

Okay.

473

00:29:30,140 --> 00:29:35,040

Already, Peter senses that the basement is the epicenter of the haunting.

474

00:29:35,040 --> 00:29:39,940

But I feel that someone died in your basement. A man died in the basement.

475

00:29:40,040 --> 00:29:40,940

A male.

476

00:29:41,040 --> 00:29:47,940

Julie arrives again, drawn by the premonition that something is in the house.

477

00:29:48,040 --> 00:29:48,940

Anybody got?

478

00:29:49,040 --> 00:29:50,940

We hear footsteps above us.

479

00:29:51,040 --> 00:29:51,940

Above us.

480

00:29:52,040 --> 00:29:52,940

On the stairs.

481

00:29:53,040 --> 00:29:55,940

It's cold. It's very cold right here.

482

00:29:56,040 --> 00:30:02,940

There's someone here right now. Hello? Who's here? Identify yourself now.

483

00:30:03,940 --> 00:30:05,840

He's at my knees.

484

00:30:05,940 --> 00:30:09,840

Yeah, I just experienced a significant e-uplot short fire.

485

00:30:09,940 --> 00:30:10,840

Relax.

486

00:30:10,940 --> 00:30:13,840

No, I'm okay. I've had this in this house before.

487

00:30:13,940 --> 00:30:19,840

When his investigation was complete, Peter James is left with only one conclusion.

488

00:30:19,940 --> 00:30:27,840

I would wager to say that if someone did some kind of excavating, if you will, and dug up that basement,

489

00:30:27,840 --> 00:30:33,740

that you'd find a full skeleton remains of a body down there.

490

00:30:37,840 --> 00:30:41,740

And I think that's the nature of your haunting.

491

00:30:41,840 --> 00:30:48,740

That's what's causing the anomalous activity, the sounds, the cold spot.

492

00:30:48,840 --> 00:30:54,740

You can't make anybody believe unless they're here to feel it.

493

00:30:55,740 --> 00:31:03,640

Because I gotta tell you, I've watched people on television and I've said, oh yeah, their house is haunted. Uh-huh.

494

00:31:03,740 --> 00:31:08,640

Sure. But they've gotta be here.

495

00:31:08,740 --> 00:31:15,640

Next on Unexplained Mysteries, a little girl who sees dead people.

496

00:31:15,740 --> 00:31:23,640

Sometimes she runs to the house and giggles and sometimes she'll play with my dolls and stuff.

497

00:31:23,640 --> 00:31:26,540

A father trying to understand.

498

00:31:26,640 --> 00:31:28,540

Like we had to start rethinking everything.

499

00:31:28,640 --> 00:31:31,540

A mother with a terrifying secret.

500

00:31:31,640 --> 00:31:34,540

Part of the run for your dreams, the harder they run after you.

501

00:31:34,640 --> 00:31:39,540

The expert who believes the answer lies within the human mind.

502

00:31:39,640 --> 00:31:45,540

Subconscious energy builds up and builds up and be unbeknownst to the person. It just lets go.

503

00:31:45,540 --> 00:31:54,440

And finally, we'll analyze the facts behind these unerfated counters in our Onyx Report on Unexplained Mysteries.

504

00:31:58,540 --> 00:32:02,440

Unexplained Mysteries, the young and the haunted.

505

00:32:04,540 --> 00:32:10,440

In the heart of the Midwest, an ordinary family is being terrorized.

506

00:32:16,540 --> 00:32:21,440

Ron and Doretta Johnson live here with their daughter Ashley.

507

00:32:21,540 --> 00:32:27,440

Their nightmare began with a series of annoying incidents.

508

00:32:27,540 --> 00:32:32,440

Everything that we fixed just about came undone. It's about as fast as we could fix it.

509

00:32:32,540 --> 00:32:37,440

When we put paint on the walls, it went on, it seemed to go on, and then it suddenly began to bubble.

510

00:32:37,540 --> 00:32:42,440

And it was almost like blisters developed on the wall and then the paint ran off.

511

00:32:42,540 --> 00:32:44,440

There were electrical problems.

512

00:32:44,440 --> 00:32:52,340

Light bulbs exploded, appliances shorted out. There was an electrical arcs on the wall from power surges.

513

00:32:52,440 --> 00:32:56,340

A plague of insects invaded the home.

514

00:32:56,440 --> 00:33:00,340

It was a battle. You carry a plice water around with you half the time so you could kill all of it that was flying around.

515

00:33:00,440 --> 00:33:03,340

We would kill them off and then more would come.

516

00:33:03,440 --> 00:33:08,340

And one day, the couple returned to find something even more disturbing.

517

00:33:08,440 --> 00:33:14,340

There were dead birds laying all over the floor and it was blood on the walls, on the drapes, on the carpet, on the furniture.

518

00:33:14,440 --> 00:33:20,340

Every now and then I hear something like scream and then I ask my mom if she said she didn't hear anything.

519

00:33:20,440 --> 00:33:25,340

I didn't believe in hauntings. I didn't believe in paranormal, actually.

520

00:33:25,440 --> 00:33:28,340

So how could you see what you don't know exists?

521

00:33:28,440 --> 00:33:40,340

It's not like Casper, but sometimes you can see something. Sometimes it looks like a solid person.

522

00:33:40,340 --> 00:33:47,240

As the Johnson's searched for a rational explanation, the incidents became more dangerous.

523

00:33:47,340 --> 00:33:53,240

A suspicious fire broke out that not even the fire department could explain.

524

00:33:53,340 --> 00:33:58,240

They couldn't believe the intensity of the room, the heat, everything that had melted in the house.

525

00:33:58,340 --> 00:34:04,240

The incident created stress with the household and Dorita blamed her husband.

526

00:34:04,240 --> 00:34:10,140

My mom, she believed me when I told her that my dad didn't start the fire when the ghost did.

527

00:34:10,240 --> 00:34:18,140

When I first told him that I thought something was happening, he was not open to it at all. He accused me of being crazy.

528

00:34:18,240 --> 00:34:24,140

We were having some really bad fights. It was like, well, you know, don't you believe me? I'm trying to tell you these things.

529

00:34:24,240 --> 00:34:31,140

By accepting the supernatural possibilities, Dorita seems to have made things worse.

530

00:34:31,140 --> 00:34:41,040

It was like a Pandora's box was open because the moment that I opened myself and said, okay, it could be something paranormal, then it moved very quickly.

531

00:34:41,140 --> 00:34:47,040

Soon, Dorita came face to face with one of the spirits from the attic.

532

00:34:47,140 --> 00:34:53,040

The very first aberration that I experienced was a little girl standing at my bedroom door.

533

00:34:53,140 --> 00:34:57,040

I now know that that was the same little girl that visited my daughter in her room.

534

00:34:57,040 --> 00:35:04,940

Sometimes she runs to the house and giggles and sometimes she'll play with my dolls and stuff.

535

00:35:05,040 --> 00:35:15,940

You could hear people walking, noises you couldn't explain, objects moving, disappearing, coming back.

536

00:35:16,040 --> 00:35:19,940

I mean, it was almost a joke, but it wasn't funny anymore.

537

00:35:19,940 --> 00:35:27,840

The activity escalated, growing more and more threatening, and Dorita seemed to be the target.

538

00:35:27,940 --> 00:35:33,840

Well, I was just taking a shower and suddenly it went black. I mean, just totally dark in there.

539

00:35:33,940 --> 00:35:37,840

I looked up and when I looked up, I could see light at the top where the ceiling should have been.

540

00:35:37,940 --> 00:35:41,840

And I was looking up through dirt and a hole and I knew I was in a grave.

541

00:35:41,940 --> 00:35:48,840

Ron discovered his wife stumbling out of the bathroom, terrified and in shock.

542

00:35:48,840 --> 00:35:58,740

When she got out, she was looking at her ankle and it looked like almost a cat scratch or a claw mark right down the side of her ankle and outside and it was bleeding.

543

00:35:58,840 --> 00:36:04,740

You know, the first thing I thought, well, what was in the shower that she just rubbed her foot against?

544

00:36:04,840 --> 00:36:10,740

The only thing that was in the tub was a bar of soap wash dragging her tail. There was nothing in there.

545

00:36:10,740 --> 00:36:18,640

Afraid for the safety of their daughter, Dorita desperately tried to find someone who could help her.

546

00:36:18,740 --> 00:36:27,640

I've had demonologists involved, scientists, parapsychologists, psychologists.

547

00:36:27,740 --> 00:36:34,640

I've had so many churches involved from Catholic to Pentecostal Mormon Baptist.

548

00:36:34,640 --> 00:36:40,540

Dorita's search for an answer led to a dark secret from her past.

549

00:36:40,640 --> 00:36:46,540

As a child, I went through an entire life of a lot of emotional abuse.

550

00:36:46,640 --> 00:36:52,540

Everything that had happened, I had buried it deep and I wouldn't allow it to come up. I wouldn't deal with it.

551

00:36:52,640 --> 00:36:56,540

And it began to manifest itself and eventually came out.

552

00:36:56,640 --> 00:37:01,540

Could the turmoil within Dorita have caused the haunting?

553

00:37:01,540 --> 00:37:10,440

If a person is molested as a child and his feeling is suppressed, in their later life it will come to the surface

554

00:37:10,540 --> 00:37:17,440

and this subconscious energy builds up and builds up and be unbeknownst to the person, it just lets go.

555

00:37:17,540 --> 00:37:22,440

Slowly, Dorita was able to face her demons to begin the healing process.

556

00:37:22,540 --> 00:37:29,440

And while the spirits are still here, they seem to be a little more restful.

557

00:37:29,440 --> 00:37:34,340

You know, I always say, the harder you run from your demons, the harder they run after you. It's true.

558

00:37:34,440 --> 00:37:37,340

You're going to deal with it.

559

00:37:37,440 --> 00:37:40,340

Next, the UnX Report.

560

00:37:40,440 --> 00:37:43,340

We'll examine all the evidence.

561

00:37:43,440 --> 00:37:46,340

Why are some houses haunted?

562

00:37:46,440 --> 00:37:49,340

Is it the uneasy spirits of the dead?

563

00:37:49,440 --> 00:37:52,340

Psychic energy trapped in this world?

564

00:37:52,440 --> 00:37:57,340

Or could it be the projection of a troubled psyche?

565

00:37:57,340 --> 00:38:04,240

We'll put it all together next with our UnX Report when Unexplained Mysteries returns.

566

00:38:11,340 --> 00:38:14,240

And now for the UnX Report.

567

00:38:14,340 --> 00:38:19,240

What do you do if the house you live in is haunted?

568

00:38:19,340 --> 00:38:22,240

Some try to confront the invader.

569

00:38:22,240 --> 00:38:30,140

He had knocked the holy water across the floor and as if to symbolize, I don't like this. Don't bring this here again.

570

00:38:30,240 --> 00:38:33,140

Others try to reason with the spirits.

571

00:38:33,240 --> 00:38:41,140

One question I could ask the spirit, I would say, what would you like us to do? How can we help you?

572

00:38:41,240 --> 00:38:44,140

A few learn to live with the haunting.

573

00:38:44,240 --> 00:38:49,140

Even though you get nervous, you just decide, hey, this is my house.

574

00:38:49,140 --> 00:38:53,040

I want to live here and you deal with it.

575

00:38:53,140 --> 00:39:00,040

And then there are forces within a house that seem to feed off the fear they inflate.

576

00:39:00,140 --> 00:39:06,040

And the typewriter just started like flipping out, like all the buttons were going, but it wasn't plugged in and it wasn't turned on.

577

00:39:06,140 --> 00:39:14,040

It started screaming at me, very raspy, very deep voice, and it was like, wa, wa, wa.

578

00:39:14,140 --> 00:39:18,040

Me and I just felt like my whole body just lifted right off the bed and I fell down.

579

00:39:18,040 --> 00:39:19,940

He was very frightening.

580

00:39:20,040 --> 00:39:23,940

One expert suggests communicating with the entities.

581

00:39:24,040 --> 00:39:26,940

I say, have you tried talking with the ghost?

582

00:39:27,040 --> 00:39:29,940

I'm going to explain to you that this is your house.

583

00:39:30,040 --> 00:39:31,940

You're the boss here.

584

00:39:32,040 --> 00:39:36,940

But sometimes accepting the idea can be overwhelming.

585

00:39:37,040 --> 00:39:42,940

When I first told him that I thought something was happening, he accused me of being crazy.

586

00:39:43,040 --> 00:39:45,940

Researchers look for a logical explanation.

587

00:39:45,940 --> 00:39:50,840

We look at, first and foremost, the environmental factors that are contributing to the situation.

588

00:39:50,940 --> 00:39:56,840

While others believe that traumatic events can infect a house.

589

00:39:56,940 --> 00:40:02,840

I think that with a situation of the murder, suicide, you have obviously heavy emotion that's put into play here.

590

00:40:02,940 --> 00:40:08,840

Sometimes a psychic can bring new insight into the cause of a haunting.

591

00:40:08,840 --> 00:40:17,740

You have some real danger going on, the possibility of danger because of the fire and the child.

592

00:40:17,840 --> 00:40:26,740

But no matter what you believe, the most compelling evidence comes from those who have lived in these houses.

593

00:40:26,840 --> 00:40:33,740

I heard her wake up screaming and I came upstairs and she just, she was flipping out.

594

00:40:33,840 --> 00:40:37,740

And I was looking up through dirt and a hole and I knew I was in a grave.

595

00:40:37,740 --> 00:40:45,640

We've examined the evidence, heard from the experts and listened to the young and the haunted.

596

00:40:45,740 --> 00:40:53,640

But no one is entirely sure what causes the phenomenon or how to end the terror.

597

00:40:53,740 --> 00:41:02,640

That is why, for now, these hauntings must remain an unexplained mystery.

598

00:41:02,640 --> 00:41:09,540

Sometimes you can see through them and sometimes they look like, like a solid person.

599

00:41:32,640 --> 00:41:35,540

True Story
