

1

00:00:00,000 --> 00:00:04,000

What he has captured on tape, we feel is authentic.

2

00:00:04,000 --> 00:00:08,000

This time on Unexplained Mysteries,

3

00:00:08,000 --> 00:00:11,000

UFO best evidence.

4

00:00:13,000 --> 00:00:19,000

You'll hear the best evidence that UFOs exist from real eye witnesses.

5

00:00:19,000 --> 00:00:23,000

In the sky was a great golden globe.

6

00:00:23,000 --> 00:00:25,000

It was a ship as big as my house.

7

00:00:25,000 --> 00:00:31,000

We'll probe the famous crash of an alleged alien spacecraft at Roswell.

8

00:00:33,000 --> 00:00:37,000

The creatures were laying like this side by side.

9

00:00:37,000 --> 00:00:40,000

The live one was over here.

10

00:00:40,000 --> 00:00:46,000

And he'll show you what happened to the wreckage and the victims of the crash.

11

00:00:46,000 --> 00:00:49,000

He said we have the bodies from the crash.

12

00:00:49,000 --> 00:00:51,000

Alien bodies are still here on his face.

13

00:00:51,000 --> 00:00:55,000

You'll hear UFO evidence from the military itself.

14

00:00:55,000 --> 00:00:58,000

Actual ground to air transmissions.

15

00:00:58,000 --> 00:01:01,000

Edward, you're driving it, you've got to stay.

16

00:01:01,000 --> 00:01:03,000

No way you could have caught it.

17

00:01:03,000 --> 00:01:08,000

The unknown object witnessed throughout the western United States.

18

00:01:08,000 --> 00:01:11,000

Right light up the entire sky.

19

00:01:11,000 --> 00:01:14,000

When he got home, he looked like he had seen a ghost.

20

00:01:14,000 --> 00:01:18,000

The unidentified intruder that flew into military airspace.

21

00:01:18,000 --> 00:01:23,000

This craft shows up. That's scary.

22

00:01:23,000 --> 00:01:27,000

We'll show you new settings of rarely seen daytime UFOs.

23

00:01:27,000 --> 00:01:30,000

They said come out to mid with us UFOs out here.

24

00:01:30,000 --> 00:01:33,000

And you'll get the most convincing testimony yet.

25

00:01:33,000 --> 00:01:37,000

Our exclusive interview with a former astronaut.

26

00:01:37,000 --> 00:01:41,000

They saw put down three little landing gear and landed right on the dry lake.

27

00:01:41,000 --> 00:01:45,000

We'll give you the final lowdown in our On-X report.

28

00:01:45,000 --> 00:01:48,000

It's all here on Unexplained Mysteries.

29

00:01:48,000 --> 00:01:51,000

UFO best evidence.

30

00:01:54,000 --> 00:01:57,000

Nowhere in the world is safe from UFOs.

31

00:01:57,000 --> 00:01:59,000

Branford, Connecticut.

32

00:01:59,000 --> 00:02:01,000

Tucson, Arizona.

33

00:02:01,000 --> 00:02:04,000

Topeka, Kansas.

34

00:02:04,000 --> 00:02:06,000

Gulf Breeze, Florida.

35

00:02:06,000 --> 00:02:08,000

Kanazawa, Japan.

36

00:02:08,000 --> 00:02:11,000

Ontario, Canada.

37

00:02:11,000 --> 00:02:14,000

UFOs captured on tape.

38

00:02:14,000 --> 00:02:16,000

It was a ship as big as my house.

39

00:02:16,000 --> 00:02:21,000

It was a total feeling of awe and knowing that I was looking at something

40

00:02:21,000 --> 00:02:23,000

that I didn't know what it was.

41

00:02:23,000 --> 00:02:28,000

I think there's no doubt about the fact that it's the most dramatic thing

42

00:02:28,000 --> 00:02:32,000

and the most astounding thing, the most important thing

43

00:02:32,000 --> 00:02:34,000

that could happen here on Earth.

44

00:02:34,000 --> 00:02:36,000

Branford, Connecticut.

45

00:02:36,000 --> 00:02:39,000

George Bennett was taping an ordinary football game.

46

00:02:39,000 --> 00:02:41,000

But when he focused on the sunset,

47

00:02:41,000 --> 00:02:46,000

he recorded something not just beautiful, but extraordinary.

48

00:02:51,000 --> 00:02:53,000

Bellevue, Wisconsin.

49

00:02:53,000 --> 00:02:57,000

TV cameraman Dave Hooker was shooting a feature about a farm.

50

00:02:57,000 --> 00:03:02,000

When the tape was played back, it revealed more than just a windmill.

51

00:03:02,000 --> 00:03:05,000

Here you can see an object moving behind a windmill.

52

00:03:05,000 --> 00:03:10,000

Here, right there, it disappears into a cloud just before it goes behind this windmill.

53

00:03:11,000 --> 00:03:14,000

Clouds that day were at 25,000 feet, service clouds.

54

00:03:14,000 --> 00:03:16,000

You know where the camera was put.

55

00:03:16,000 --> 00:03:18,000

You know the distance to the windmill.

56

00:03:18,000 --> 00:03:21,000

You can determine its size by looking at the image size here.

57

00:03:21,000 --> 00:03:27,000

Go through some trigonometry and you'll find out that that UFO was about 10 miles away

58

00:03:27,000 --> 00:03:31,000

up at 25,000 feet and the size works out to about 500 feet long

59

00:03:31,000 --> 00:03:34,000

and doing 14,000 miles an hour, which is, again,

60

00:03:34,000 --> 00:03:36,000

nothing that a conventional aircraft is capable of doing.

61

00:03:36,000 --> 00:03:40,000

Gulf Breeze, a quiet seaside town in Florida.

62

00:03:40,000 --> 00:03:44,000

A place with an alarming number of sightings.

63

00:03:50,000 --> 00:03:55,000

We had it drop these little objects out and they would go out at an angle

64

00:03:55,000 --> 00:03:58,000

from the red object we were looking at.

65

00:03:58,000 --> 00:04:02,000

Stop and turn red and we would have two red objects sitting there.

66

00:04:02,000 --> 00:04:06,000

It gives you the impression of sometimes of fireworks.

67

00:04:06,000 --> 00:04:11,000

Sometimes it looks like a string coming out with a white ball on the end of it.

68

00:04:14,000 --> 00:04:16,000

Kanazawa, Japan.

69

00:04:16,000 --> 00:04:20,000

This is tape of an extremely rare incident.

70

00:04:20,000 --> 00:04:22,000

A daytime UFO.

71

00:04:22,000 --> 00:04:26,000

The object descends then accelerates away.

72

00:04:26,000 --> 00:04:28,000

Watch carefully.

73

00:04:28,000 --> 00:04:30,000

The camera zooms in.

74

00:04:30,000 --> 00:04:33,000

Check out the shape of the craft.

75

00:04:33,000 --> 00:04:37,000

It's the classic shape of a flying saucer.

76

00:04:37,000 --> 00:04:39,000

Carbonterio.

77

00:04:39,000 --> 00:04:41,000

Another disc.

78

00:04:41,000 --> 00:04:43,000

Much closer.

79

00:04:43,000 --> 00:04:49,000

And this time, on the ground, the object was photographed behind this house.

80

00:04:49,000 --> 00:04:53,000

On my property, I was looking for a place to hide.

81

00:04:54,000 --> 00:04:59,000

On my property, I've seen lots of bright flames.

82

00:04:59,000 --> 00:05:02,000

They were not like spreading fires.

83

00:05:02,000 --> 00:05:08,000

They were more individual flames going extremely high and a lot of smoke.

84

00:05:08,000 --> 00:05:11,000

I saw this bright, bright light.

85

00:05:11,000 --> 00:05:15,000

Right on top of it was like a beak and it was blue light pulsing.

86

00:05:15,000 --> 00:05:23,000

And it had a light right on the bottom and a light right in the middle of it.

87

00:05:23,000 --> 00:05:30,000

And I've seen a ship just coming down over the tree and going very closer to the flames.

88

00:05:30,000 --> 00:05:33,000

That night was a very traumatic night for me.

89

00:05:33,000 --> 00:05:36,000

I can always, always remember that night.

90

00:05:36,000 --> 00:05:38,000

I will never be forgotten.

91

00:05:39,000 --> 00:05:50,000

I looked out the back window and in the sky was a great golden globe with a thin red rim.

92

00:05:50,000 --> 00:05:53,000

The only thing that came to mind quickly was that it was lightning,

93

00:05:53,000 --> 00:05:56,000

but I'd never seen lightning in a circular form.

94

00:05:56,000 --> 00:06:00,000

There was one specific area, a circular pattern, really,

95

00:06:00,000 --> 00:06:06,000

where all of the plant life had been exposed to some form of radiation.

96

00:06:06,000 --> 00:06:08,000

And by that, I mean it just kind of melted.

97

00:06:08,000 --> 00:06:11,000

Real healthy bushes just melted to the ground.

98

00:06:11,000 --> 00:06:15,000

You can see some indication that there's a solid craft there

99

00:06:15,000 --> 00:06:18,000

that you can see the top of and also see something underneath.

100

00:06:18,000 --> 00:06:22,000

But at least there is the hint of a cylindrical object here.

101

00:06:22,000 --> 00:06:24,000

It was a ship. It was a ship as big as my house.

102

00:06:24,000 --> 00:06:27,000

Real eyewitness evidence.

103

00:06:27,000 --> 00:06:33,000

But studies prove that eyewitnesses are not always reliable.

104

00:06:33,000 --> 00:06:38,000

It gets to the point when you have 40,000 reports of UFOs per year,

105

00:06:38,000 --> 00:06:43,000

of which about a quarter of them aren't easily explainable

106

00:06:43,000 --> 00:06:46,000

to assume that all of those are misidentifications,

107

00:06:46,000 --> 00:06:50,000

frauds, hoaxes, secret aircraft.

108

00:06:50,000 --> 00:06:52,000

It just doesn't add up.

109

00:06:52,000 --> 00:06:57,000

Next on Unexplained Mysteries, the Roswell UFO Crash.

110

00:06:57,000 --> 00:07:01,000

We just don't have the technology to produce material

111

00:07:01,000 --> 00:07:04,000

like I brought in from that range.

112

00:07:04,000 --> 00:07:08,000

The eyewitness who says he came face to face with an alien.

113

00:07:08,000 --> 00:07:11,000

My dad was kind of worried about it here.

114

00:07:11,000 --> 00:07:13,000

He was talking to this creature.

115

00:07:13,000 --> 00:07:17,000

The extraterrestrial autopsies at a top secret base.

116

00:07:17,000 --> 00:07:19,000

One of the most interesting discoveries, I think,

117

00:07:19,000 --> 00:07:22,000

has to be the alleged alien jawbone that we uncovered.

118

00:07:22,000 --> 00:07:25,000

The military's own evidence of UFOs.

119

00:07:25,000 --> 00:07:29,000

Radar tracks unknown objects.

120

00:07:29,000 --> 00:07:32,000

I saw three little guys there, you know,

121

00:07:32,000 --> 00:07:35,000

and I say that they're three definite objects.

122

00:07:35,000 --> 00:07:37,000

I know it was not an air cream.

123

00:07:37,000 --> 00:07:39,000

I know it was not a hill or a cloud.

124

00:07:39,000 --> 00:07:40,000

It was not a weather.

125

00:07:40,000 --> 00:07:44,000

The strange moving light that was seen over large parts of the U.S.

126

00:07:44,000 --> 00:07:46,000

The object was tracked on radar,

127

00:07:46,000 --> 00:07:49,000

both surveillance radars and height finding radars.

128

00:07:49,000 --> 00:07:53,000

The craft that somehow intruded into secure military airspace.

129

00:07:53,000 --> 00:07:56,000

It seemed to move in whichever direction it wanted to go

130

00:07:56,000 --> 00:07:59,000

whenever it wanted to, contrary to any aircraft

131

00:07:59,000 --> 00:08:01,000

that I've seen in the past.

132

00:08:01,000 --> 00:08:04,000

Footage of rare daytime UFOs.

133

00:08:04,000 --> 00:08:08,000

Every time we get a new tape and we find some new kind of object in there,

134

00:08:08,000 --> 00:08:11,000

there's an excitement that builds, and it's just like incredible.

135

00:08:11,000 --> 00:08:16,000

And the astonishing UFO sighting by an American hero.

136

00:08:16,000 --> 00:08:18,000

I say we're flying quite high.

137

00:08:18,000 --> 00:08:22,000

How high we couldn't tell because we couldn't get anywhere near there out there.

138

00:08:22,000 --> 00:08:29,000

All this amazing testimony, plus the ultimate UFO summary in our ONIX report.

139

00:08:29,000 --> 00:08:32,000

Coming up on Unexplained Mysteries.

140

00:08:37,000 --> 00:08:41,000

Unexplained Mysteries. The best evidence of UFOs.

141

00:08:41,000 --> 00:08:43,000

Physical contact.

142

00:08:44,000 --> 00:08:48,000

Roswell, New Mexico.

143

00:08:48,000 --> 00:08:51,000

Local headlines announced shocking news.

144

00:08:51,000 --> 00:08:56,000

The Army Air Force reported they had captured a flying saucer.

145

00:08:56,000 --> 00:09:00,000

Debris was found on a nearby ranch in Corona.

146

00:09:04,000 --> 00:09:10,000

This building here, building number 84, is a building I believe I've been in.

147

00:09:10,000 --> 00:09:17,000

Building number 84 is a building I believe that they brought materials from the Corona crash

148

00:09:17,000 --> 00:09:20,000

and stored them in here temporarily.

149

00:09:20,000 --> 00:09:25,000

Major Jesse Marcell Sr., the base's chief intelligence officer,

150

00:09:25,000 --> 00:09:28,000

recovered the wreckage and took it to headquarters.

151

00:09:28,000 --> 00:09:35,000

But when papers published the news of the UFO crash, the military changed its story.

152

00:09:35,000 --> 00:09:41,000

By the time the B-29 with Jesse Marcell and some of the wreckage got to the headquarters

153

00:09:41,000 --> 00:09:44,000

two hours after they left in Fort Worth, Texas,

154

00:09:44,000 --> 00:09:49,000

the fix was already in to kill the story.

155

00:09:49,000 --> 00:09:54,000

The second press release stated the wreckage came from a weather balloon.

156

00:09:54,000 --> 00:10:01,000

Somehow, one of the most significant UFO sightings became an ordinary weather balloon.

157

00:10:01,000 --> 00:10:08,000

Some experts feel Brigadier General Roger Ramey, the base commander, ordered a massive cover-up.

158

00:10:08,000 --> 00:10:14,000

And what he did was arrange for the wreckage of a weather balloon, the radar reflector, on a weather balloon.

159

00:10:14,000 --> 00:10:19,000

Right before Marcell died, he allegedly told Walder Hout the truth.

160

00:10:19,000 --> 00:10:22,000

The weather balloon story was a lie.

161

00:10:22,000 --> 00:10:26,000

An alien spacecraft really did crash near Roswell.

162

00:10:26,000 --> 00:10:30,000

He made statements to the effect that it was nothing of this world.

163

00:10:30,000 --> 00:10:37,000

It couldn't be bent, torn, cut, pierced, burned.

164

00:10:37,000 --> 00:10:39,000

He went through a whole list of them.

165

00:10:39,000 --> 00:10:45,000

He said we just don't have the technology to produce material like I brought in from that ranch.

166

00:10:45,000 --> 00:10:54,000

And some UFO experts maintain that a mid-air collision caused a second crash that day, 200 miles from Roswell.

167

00:10:55,000 --> 00:11:10,000

When I first came up to the craft, the creatures were laying like this in a line, side by side.

168

00:11:10,000 --> 00:11:16,000

And the live one was over here.

169

00:11:16,000 --> 00:11:22,000

When he was five years old, Gerald Anderson says he came face to face with an extraterrestrial.

170

00:11:23,000 --> 00:11:28,000

And my dad was kind of right about here, he was sitting like this.

171

00:11:28,000 --> 00:11:34,000

My uncle Ted was standing more over here, kind of leaned over like this, and we're talking to this creature.

172

00:11:34,000 --> 00:11:41,000

He describes the aliens as four feet tall with gray skin, large eyes, and thin arms.

173

00:11:41,000 --> 00:11:49,000

Two of them were dead. One was dying, but one was still alive, trying to communicate.

174

00:11:50,000 --> 00:11:53,000

Then just suddenly he turned and he looked at me.

175

00:11:53,000 --> 00:11:59,000

And when that happened, all kinds of things just started happening inside my head.

176

00:11:59,000 --> 00:12:04,000

I started getting sensations of tumbling and falling and an awful loneliness,

177

00:12:04,000 --> 00:12:08,000

like there was no way he could possibly get back to where he came from.

178

00:12:08,000 --> 00:12:16,000

Witnesses say the military soon showed up and threatened any civilian who went public with the amazing story.

179

00:12:16,000 --> 00:12:20,000

But now, many of them are speaking out.

180

00:12:20,000 --> 00:12:27,000

We have testimony from over 200 people concerned with these events, people who handled the wreckage, people who described the bodies,

181

00:12:27,000 --> 00:12:33,000

people who had direct orders, military orders to do this, that, or the other thing.

182

00:12:33,000 --> 00:12:38,000

We have consistent testimony that in a court of law would convict anybody of a crime.

183

00:12:39,000 --> 00:12:46,000

Wright-Patterson Air Force Base in Ohio, where ufologists believe the military took the Roswell crash debris.

184

00:12:46,000 --> 00:12:53,000

Well, recently we investigated the rumors about Hangar 18 and in particular the Roswell connection to Wright-Patterson.

185

00:12:53,000 --> 00:12:57,000

The military claimed they brought a crashed weather balloon to Wright-Patterson.

186

00:12:57,000 --> 00:13:02,000

What happened to it? We couldn't find any record of that, and we found that was sort of interesting.

187

00:13:03,000 --> 00:13:08,000

Experts maintained that the crash wreckage was stored in the base's secret tunnels.

188

00:13:08,000 --> 00:13:14,000

The exact spot where Officer Jack Donahoe claimed he saw an alien autopsy.

189

00:13:18,000 --> 00:13:24,000

My uncle Jack had a top secret security clearance when he worked at Wright-Patterson the complete time.

190

00:13:24,000 --> 00:13:36,000

The strangest story that he ever accounted to me was the day that he asked me if I had heard of a UFO crash out in Phoenix, Arizona.

191

00:13:36,000 --> 00:13:40,000

He said we have the bodies from the crash.

192

00:13:40,000 --> 00:13:48,000

Donahoe allegedly went to a secret room where a scientist was working on a dead body. It wasn't human.

193

00:13:48,000 --> 00:13:54,000

There was a stainless steel table in this room that was arranged a little bit like a laboratory.

194

00:13:54,000 --> 00:14:02,000

The man said, look at this. Jack looked at the body. Jack told me that at the time they were doing full autopsies on the bodies.

195

00:14:02,000 --> 00:14:07,000

The head was shaped basically like a human head, only it was small.

196

00:14:07,000 --> 00:14:12,000

He said, you better not spend very much time here, and they left the room.

197

00:14:13,000 --> 00:14:20,000

I tried to bring it up at a later date. He said, forget him. Just forget about the whole incident.

198

00:14:22,000 --> 00:14:28,000

But there are still people that absolutely believe that alien bodies and UFO wreckage are still here on this base,

199

00:14:28,000 --> 00:14:34,000

and that the bodies are kept in cryogenic suspension somewhere underneath Wright Field.

200

00:14:34,000 --> 00:14:40,000

They had 30 alien bodies underground at Wright-Patterson Field alone.

201

00:14:40,000 --> 00:14:46,000

Witnesses state that scientists performed anatomical research on the aliens for years.

202

00:14:46,000 --> 00:14:53,000

Officials within the Air Force intelligence community have told me that they had determined back in the 70s,

203

00:14:53,000 --> 00:14:59,000

possibly before that, that this was an alien job. I think the Air Force is hiding a lot of things.

204

00:14:59,000 --> 00:15:06,000

They did issue a statement, though, that there are no aliens or UFO pieces on this base now.

205

00:15:06,000 --> 00:15:12,000

Coming up on Unexplained Mysteries, the military tracks UFOs on radar.

206

00:15:20,000 --> 00:15:25,000

I, Witnesses in Oregon, see something incredible in the night sky.

207

00:15:28,000 --> 00:15:32,000

An unknown object flies over an airbase.

208

00:15:32,000 --> 00:15:37,000

In the Air Force, if they can't stop UFOs, then they clearly can't do their mission.

209

00:15:37,000 --> 00:15:42,000

A cameraman goes public with rare footage of daylight sightings.

210

00:15:42,000 --> 00:15:44,000

I've never seen anything like this in my life.

211

00:15:44,000 --> 00:15:49,000

An astronaut tells of his encounter with a fleet of UFOs.

212

00:15:49,000 --> 00:15:56,000

Yes, it was flying quite high. How high we couldn't tell because we couldn't get anywhere near there or out of the day.

213

00:15:56,000 --> 00:16:06,000

The plane will clear it all up for you. In the Unexplained Report, there's more UFO evidence next on Unexplained Mysteries.

214

00:16:11,000 --> 00:16:15,000

Unexplained Mysteries, UFO, best evidence.

215

00:16:15,000 --> 00:16:20,000

Excellent evidence of UFOs comes from a surprising source.

216

00:16:21,000 --> 00:16:29,000

Declassified tapes of Air Force transmissions tracking unknown objects.

217

00:16:37,000 --> 00:16:44,000

This is the actual recording of an Edwards Air Force Base radar man who sees strange aircraft on his screen.

218

00:16:44,000 --> 00:16:49,000

That's those three little dots out there.

219

00:16:49,000 --> 00:16:54,000

You know, say that there are three definite objects. It is not weather, it's not clutter.

220

00:16:54,000 --> 00:17:00,000

Edwards Air Force Base was on alert for any sign of Soviet aircraft or missiles.

221

00:17:00,000 --> 00:17:09,000

What they found was startling, possibly as many as 12 unidentified craft flying very high and very fast.

222

00:17:10,000 --> 00:17:15,000

Also on the tapes is proof that the Air Base had a UFO officer.

223

00:17:15,000 --> 00:17:20,000

Surprising after years of denying the existence of UFOs.

224

00:17:25,000 --> 00:17:29,000

Okay, they finally got a new officer, Edwards, out of bed.

225

00:17:29,000 --> 00:17:34,000

And he said yes, he would like to have a look.

226

00:17:34,000 --> 00:17:41,000

We're getting plenty of live data as per visuals on these things.

227

00:17:41,000 --> 00:17:45,000

It's about 40 miles south of Edwards. There are a lot of them.

228

00:17:48,000 --> 00:17:53,000

I know it was not an aircraft. I know it was not a helicopter. I know it was not a weather blitz.

229

00:17:53,000 --> 00:18:03,000

There were a lot of things that was not. It was not anything that we know of as a flying object that could do the maneuvers that this did.

230

00:18:03,000 --> 00:18:06,000

And what it was, I do not know.

231

00:18:06,000 --> 00:18:12,000

When he saw the objects on his screen, here, he informed his superiors.

232

00:18:12,000 --> 00:18:17,000

They immediately ordered an F-106 alert bird to check it out.

233

00:18:17,000 --> 00:18:21,000

Edwards, you still have any of these UFOs in sight?

234

00:18:21,000 --> 00:18:26,000

Okay, tower, take out one you want in the steps and we'll take a zero one in on it.

235

00:18:26,000 --> 00:18:31,000

But one of the Air Force's most advanced planes could not catch the object.

236

00:18:31,000 --> 00:18:34,000

This thing is rising.

237

00:18:34,000 --> 00:18:36,000

Tower, how things look now?

238

00:18:36,000 --> 00:18:39,000

It's low. Look, search high, search high.

239

00:18:39,000 --> 00:18:46,000

Search very high. It's rising. It's rising rapidly.

240

00:18:46,000 --> 00:18:51,000

Sorals watched helplessly as the UFO was getting away.

241

00:18:51,000 --> 00:19:02,000

The way it rose as fast as it went up an altitude and you passed under the 40,000 feet, not a fur. Not a fur, not a chance. No way he could have caught that.

242

00:19:02,000 --> 00:19:05,000

No, we're in as much of a dark light as you are.

243

00:19:05,000 --> 00:19:13,000

I think the possibility very strongly exists that yes, there is something beyond what we know.

244

00:19:14,000 --> 00:19:26,000

UFO sightings are usually confined to a limited area, but one was reported over several western states, starting in Oregon.

245

00:19:26,000 --> 00:19:34,000

That night we were probably just driving up and down Main Street, which is what we did most of it.

246

00:19:34,000 --> 00:19:41,000

And we stopped at the east end of the Main Street in Eureka, pulled off the road and we're sitting there.

247

00:19:41,000 --> 00:19:46,000

The first thing I remember about the incident was the light.

248

00:19:46,000 --> 00:19:51,000

It was a bright light that lit up the entire sky from horizon to horizon.

249

00:19:51,000 --> 00:19:57,000

That I could see the mountain across the valley and see the trees on that mountain, see the sagebrush.

250

00:19:57,000 --> 00:20:05,000

The strange light sent out an electromagnetic pulse that switched off the photoelectric cells in the street lights.

251

00:20:05,000 --> 00:20:08,000

When he got home, he looked like he had seen a ghost.

252

00:20:08,000 --> 00:20:13,000

Betty Robinson's husband Bob and his friend were coming home from a hunting trip.

253

00:20:13,000 --> 00:20:21,000

They were outside the truck and they could hear this noise.

254

00:20:21,000 --> 00:20:24,000

And they stood there for a few seconds and listened.

255

00:20:24,000 --> 00:20:31,000

It kept getting louder and louder and he said it was just a very, very hoosy noise.

256

00:20:31,000 --> 00:20:36,000

It was just hoosy, hoosy, hoosy.

257

00:20:36,000 --> 00:20:38,000

It was just deafening.

258

00:20:38,000 --> 00:20:43,000

They dove under the truck. Then things got really strange.

259

00:20:43,000 --> 00:20:47,000

When they got out of the truck, they had left the motor running.

260

00:20:47,000 --> 00:20:56,000

And as the object started to approach them, the headlights started to dim and the motor began to sputter.

261

00:20:56,000 --> 00:21:01,000

As the object passed over, everything returned to normal.

262

00:21:01,000 --> 00:21:07,000

All they wanted to do was hurry up and get home and get away from them because they didn't know if it was going back.

263

00:21:07,000 --> 00:21:14,000

The object was tracked moving from Eureka to Reno, Nevada, then south to Las Vegas.

264

00:21:14,000 --> 00:21:23,000

Near Nellis Air Force Base, it blew up. More than a thousand people witnessed the explosion.

265

00:21:23,000 --> 00:21:29,000

The fighters were scrambled from Nellis in Las Vegas, Luke, near Phoenix, Arizona.

266

00:21:29,000 --> 00:21:33,000

The object was tracked on radar, both surveillance radars and height finding radars.

267

00:21:33,000 --> 00:21:38,000

And that's important. It's on two separate kinds of radar so you don't have weather-related phenomena.

268

00:21:38,000 --> 00:21:40,000

You have a real solid object.

269

00:21:40,000 --> 00:21:48,000

Randall believes the Air Force tried to turn the Eureka sightings and the Nellis explosion into two different incidents.

270

00:21:48,000 --> 00:21:57,000

What really happened was we have a single event that took place over a space of about 16 minutes from the Eureka end of the sightings until it was seen to explode over Las Vegas.

271

00:21:57,000 --> 00:22:02,000

Officially, the Air Force claimed the Eureka object was a bow-like meteor.

272

00:22:02,000 --> 00:22:08,000

And the Nellis explosion was either a U-2 spy plane or a weather balloon.

273

00:22:08,000 --> 00:22:16,000

What kind of radar operator couldn't tell the difference between a balloon drifting at the whim of the winds and an intelligently controlled U-2 aircraft?

274

00:22:16,000 --> 00:22:21,000

I estimate that this object probably was traveling more than 2,000 miles an hour at times.

275

00:22:21,000 --> 00:22:26,000

We can't pretty much rule out most existing aircraft and missiles at that time.

276

00:22:26,000 --> 00:22:29,000

Why would the Air Force cover this up?

277

00:22:29,000 --> 00:22:35,000

The Air Force has been charged with keeping our skies clear of enemy craft.

278

00:22:35,000 --> 00:22:40,000

If they can't stop UFOs, then they clearly can't do their mission.

279

00:22:40,000 --> 00:22:48,000

I believe it was an object under control, intelligent control, and just possibly not from around the neighborhood.

280

00:22:49,000 --> 00:22:55,000

Later on Unexplained Mysteries, the intruder at Nellis Air Force Base.

281

00:22:55,000 --> 00:22:59,000

21.3 degrees, 18.5 degrees elevation.

282

00:22:59,000 --> 00:23:01,000

We've fired this unknown object.

283

00:23:01,000 --> 00:23:04,000

C-1 control doesn't know what type of aircraft it is either.

284

00:23:04,000 --> 00:23:08,000

I don't think you'd really see many objects wandering in bags.

285

00:23:08,000 --> 00:23:12,000

The rare daylight sightings captured on tape near Roswell.

286

00:23:12,000 --> 00:23:15,000

I got a call and they said come out to mid with us.

287

00:23:15,000 --> 00:23:19,000

What he has captured on tape, we feel is authentic.

288

00:23:19,000 --> 00:23:24,000

The famous astronaut who had an extraordinary encounter with a UFO.

289

00:23:24,000 --> 00:23:31,000

It was a saucer came flying over their heads, put down three little landing gear and landed right on dry lake bed.

290

00:23:31,000 --> 00:23:35,000

And will condense all the best evidence into our Unex report.

291

00:23:35,000 --> 00:23:39,000

Coming up right here on Unexplained Mysteries.

292

00:23:40,000 --> 00:23:45,000

Unexplained Mysteries, UFO, best evidence.

293

00:23:47,000 --> 00:23:52,000

Nellis Air Force Base has been the scene of other credible sightings.

294

00:23:52,000 --> 00:23:57,000

21.3 degrees, 18.5 degrees elevation.

295

00:23:57,000 --> 00:23:59,000

We've fired this unknown object.

296

00:23:59,000 --> 00:24:03,000

C-1 control doesn't know what type of aircraft it is either.

297

00:24:03,000 --> 00:24:08,000

What kind of craft could trespass onto a highly secure air base?

298

00:24:08,000 --> 00:24:12,000

I don't think you'd really see many objects wandering in bags.

299

00:24:15,000 --> 00:24:21,000

The object seemed to be more advanced than anything in the military's arsenal.

300

00:24:21,000 --> 00:24:28,000

This craft shows up and it's like they're playing with kids.

301

00:24:28,000 --> 00:24:32,000

It's like do whatever they want and buy now.

302

00:24:32,000 --> 00:24:34,000

That's scary.

303

00:24:34,000 --> 00:24:38,000

It seemed to move in whichever direction it wanted to go whenever it wanted to.

304

00:24:38,000 --> 00:24:42,000

Contrary to any aircraft that I've seen in the past.

305

00:24:42,000 --> 00:24:45,000

In my first look at that tape, I said wow.

306

00:24:45,000 --> 00:24:47,000

And I continue to say wow.

307

00:24:47,000 --> 00:24:50,000

There are only three things that could be on that tape.

308

00:24:50,000 --> 00:24:53,000

One is a very elaborate and very expensive hoax.

309

00:24:53,000 --> 00:24:55,000

I don't think that's what we're seeing.

310

00:24:55,000 --> 00:24:59,000

The second is some kind of a black project, a secret project,

311

00:24:59,000 --> 00:25:02,000

that has some very unusual aerodynamic characteristics.

312

00:25:02,000 --> 00:25:06,000

And the third, if you can eliminate all those aerodynamic answers,

313

00:25:06,000 --> 00:25:09,000

could be a true unknown.

314

00:25:09,000 --> 00:25:12,000

And if that is an unknown, if you can come to that conclusion,

315

00:25:12,000 --> 00:25:14,000

you get a pretty interesting piece of history right there.

316

00:25:14,000 --> 00:25:16,000

The video appears to be genuine.

317

00:25:16,000 --> 00:25:20,000

Specifically, it was taken by contractor personnel

318

00:25:20,000 --> 00:25:26,000

that are operating tracking sites for the United States Air Force.

319

00:25:26,000 --> 00:25:29,000

Did the cameras pick up one of the military's black projects?

320

00:25:29,000 --> 00:25:31,000

Like a stealth bomber?

321

00:25:31,000 --> 00:25:33,000

Perhaps a top secret aircraft,

322

00:25:33,000 --> 00:25:37,000

reverse engineered from alien technology.

323

00:25:37,000 --> 00:25:39,000

The camera operators and the tracking sites

324

00:25:39,000 --> 00:25:45,000

are not exposed to those highly classified aircraft on a typical basis.

325

00:25:45,000 --> 00:25:49,000

What's startling about it is that it doesn't resemble any shapes

326

00:25:49,000 --> 00:25:51,000

that I would know immediately.

327

00:25:51,000 --> 00:25:54,000

And that's why I thought it was interesting to start with.

328

00:25:54,000 --> 00:25:58,000

It almost appears to be like spherical in the center

329

00:25:58,000 --> 00:26:01,000

and with a appendage on the bottom and on the top.

330

00:26:01,000 --> 00:26:03,000

You don't see any evidence of rotors.

331

00:26:03,000 --> 00:26:08,000

And also the startling thing is it seems to change shape.

332

00:26:09,000 --> 00:26:13,000

A frame by frame analysis

333

00:26:13,000 --> 00:26:18,000

reveals the changes the object's shape goes through.

334

00:26:18,000 --> 00:26:25,000

The physical profile of the object changes almost frame to frame.

335

00:26:25,000 --> 00:26:31,000

And sometimes it appears almost to be a fuzzy, gassy cloud.

336

00:26:31,000 --> 00:26:34,000

In some portions of the video,

337

00:26:34,000 --> 00:26:41,000

it appears to be several spherical objects surrounding a dark mass.

338

00:26:41,000 --> 00:26:44,000

When something starts to change shape like that in the air,

339

00:26:44,000 --> 00:26:47,000

you become very, very puzzled

340

00:26:47,000 --> 00:26:50,000

because you realize that you're looking at something

341

00:26:50,000 --> 00:26:54,000

that appears to involve a whole new technology that we don't understand.

342

00:26:54,000 --> 00:27:00,000

The superior technology intimidates seasoned professionals.

343

00:27:00,000 --> 00:27:04,000

Like us viewing an ant farm.

344

00:27:04,000 --> 00:27:08,000

And the ants think, they're it.

345

00:27:08,000 --> 00:27:10,000

That's the scary part.

346

00:27:12,000 --> 00:27:16,000

The first report of UFOs came from Roswell, New Mexico.

347

00:27:16,000 --> 00:27:19,000

Unusual craft are still being videotaped there.

348

00:27:19,000 --> 00:27:23,000

We began taping UFOs on March 5th.

349

00:27:23,000 --> 00:27:24,000

And I got a call and they said,

350

00:27:24,000 --> 00:27:26,000

come out to Midway, there's UFOs out here.

351

00:27:26,000 --> 00:27:29,000

Midway, a short distance from Roswell.

352

00:27:29,000 --> 00:27:37,000

UFO experts believe there is a connection between the first crash and today's sightings.

353

00:27:37,000 --> 00:27:41,000

New Mexico as a whole has had a lot of sightings.

354

00:27:41,000 --> 00:27:46,000

And I think that there is a tremendous interest by our visitors, we say,

355

00:27:46,000 --> 00:27:53,000

as to the activities that have taken place here in the past.

356

00:27:53,000 --> 00:27:57,000

We have a piece of film of a jet, I think it was a citation.

357

00:27:57,000 --> 00:27:59,000

It flew right over the property.

358

00:27:59,000 --> 00:28:02,000

I guess it must have been about five or six hundred feet.

359

00:28:02,000 --> 00:28:06,000

And we captured an object that comes from upper screen right on TV.

360

00:28:06,000 --> 00:28:10,000

And it goes right up behind the jet and it seems to tag it on a tail or bump it.

361

00:28:10,000 --> 00:28:13,000

And you can see the object taken off away from the jet.

362

00:28:13,000 --> 00:28:17,000

A local news team independently confirmed the sightings.

363

00:28:20,000 --> 00:28:23,000

Given the history of Roswell and the crash,

364

00:28:23,000 --> 00:28:28,000

we thought it was interesting that here is a man who is capturing something unexplained on videotape.

365

00:28:28,000 --> 00:28:33,000

So we went out and videotaped in the same place that he videotapes.

366

00:28:33,000 --> 00:28:35,000

And we got identical objects on our video.

367

00:28:35,000 --> 00:28:42,000

So we feel that he's not tricking us with any video scam or anything.

368

00:28:42,000 --> 00:28:47,000

What he has captured on tape, we feel is authentic.

369

00:28:47,000 --> 00:28:55,000

With over five hundred hours of tape, Eskimea compiled the most complete record of rare daytime UFO sightings.

370

00:28:57,000 --> 00:29:00,000

Every time we get a new tape and we find some new kind of object in there,

371

00:29:00,000 --> 00:29:03,000

there's an excitement that builds and it's just like incredible.

372

00:29:03,000 --> 00:29:06,000

I've never seen anything like this in my life.

373

00:29:06,000 --> 00:29:11,000

From the film footage I have seen, there appears to be some type of intelligence behind the phenomena.

374

00:29:11,000 --> 00:29:17,000

They represent a true enigma deserving of scientific scrutiny.

375

00:29:17,000 --> 00:29:24,000

The Eskimea video is an excellent cross-section of the kinds of things that I see on videotapes.

376

00:29:28,000 --> 00:29:34,000

Delitoso analyzed the Eskimea tapes and discovered something very unusual.

377

00:29:35,000 --> 00:29:41,000

What we find, you'll see, is that the object comes right in front of this telephone pole

378

00:29:41,000 --> 00:29:46,000

and then moves right up here and over top of the wires and out of the frame.

379

00:29:46,000 --> 00:29:50,000

Now in calculating this distance from where it comes in over the trees

380

00:29:50,000 --> 00:29:56,000

and by analyzing the edges and going up over the poles, it's about nine hundred yards.

381

00:29:56,000 --> 00:30:02,000

And in that period of time, it's moving well over three thousand miles an hour.

382

00:30:02,000 --> 00:30:08,000

Midway is close to a number of military bases, including Area 51.

383

00:30:08,000 --> 00:30:14,000

The military may be using alien technology in their top secret aircraft.

384

00:30:15,000 --> 00:30:22,000

When it comes to trying to get this information, the Air Force will come back on an initial generic request

385

00:30:22,000 --> 00:30:25,000

stating that they have no information. This is a lie.

386

00:30:25,000 --> 00:30:35,000

The proximity to military bases in New Mexico and Eskimea making these videotapes is not just a coincidence.

387

00:30:35,000 --> 00:30:37,000

It follows a pattern.

388

00:30:37,000 --> 00:30:45,000

Some believe Eskimea's sightings are military aircraft, while others think they're alien craft observing the Air Force.

389

00:30:47,000 --> 00:30:50,000

I'd like to find out what they are, period.

390

00:30:50,000 --> 00:30:54,000

The top secret military aircraft that the military is testing,

391

00:30:54,000 --> 00:30:59,000

I want to answer why they're doing such dangerous things out there, like bumping their own jets.

392

00:30:59,000 --> 00:31:05,000

That's number one, but if they are not, I'd like to know what they may be.

393

00:31:06,000 --> 00:31:15,000

Next on Unexplained Histories, a legendary astronaut goes after a massive fleet of unknown objects.

394

00:31:15,000 --> 00:31:21,000

Yes, they were flying quite high. How high we couldn't tell because we couldn't get anywhere near their health.

395

00:31:21,000 --> 00:31:24,000

He divulges more UFO secrets.

396

00:31:24,000 --> 00:31:27,000

He looked out and his big saucer was sitting right off their wing.

397

00:31:27,000 --> 00:31:39,000

And we'll put it all together for you in our Unex Report with more fascinating effects of unidentified flying objects coming up on Unexplained Mysteries.

398

00:31:40,000 --> 00:31:48,000

Unexplained Mysteries, UFO best evidence.

399

00:31:52,000 --> 00:31:55,000

Gordon Cooper is an American hero.

400

00:31:55,000 --> 00:31:59,000

One of the Mercury 7, our first astronauts.

401

00:31:59,000 --> 00:32:03,000

He was the last American to travel into space alone.

402

00:32:04,000 --> 00:32:10,000

Before he became an astronaut, Cooper was an elite Air Force test pilot.

403

00:32:10,000 --> 00:32:17,000

That's when he witnessed an amazing sight, a fleet of hundreds of UFOs.

404

00:32:20,000 --> 00:32:26,000

Yes, they were flying quite high. How high we couldn't tell because we couldn't get anywhere near their health.

405

00:32:27,000 --> 00:32:33,000

Following standard procedure, Cooper filed a report. The official response puzzled him.

406

00:32:33,000 --> 00:32:36,000

They were probably high flying seed pods.

407

00:32:36,000 --> 00:32:39,000

Which didn't sound very logical.

408

00:32:39,000 --> 00:32:44,000

The military often claims that UFO sightings are simply weather balloons.

409

00:32:44,000 --> 00:32:49,000

I chased one at one time in an airplane. Boy, it really looked like a big saucer, very high.

410

00:32:49,000 --> 00:32:53,000

And I had an afterburner going and got as high as I get in this airplane.

411

00:32:53,000 --> 00:33:01,000

As I started pulling up along close to it, I had a very shame-faced look on my face when I realized it was a big weather balloon with the radio package hanging under it.

412

00:33:02,000 --> 00:33:08,000

A few years later, at Edwards Air Force Base, Cooper had another UFO experience.

413

00:33:08,000 --> 00:33:12,000

This time, his camera crew actually filmed it.

414

00:33:13,000 --> 00:33:21,000

As they were sitting there filming, a little saucer came from, I say a little saucer, it was a saucer came flying over their heads,

415

00:33:21,000 --> 00:33:25,000

put down three little landing gear and landed right out on the dry lake bed.

416

00:33:25,000 --> 00:33:31,000

And they picked up their cameras and started over toward it, filming as they went.

417

00:33:31,000 --> 00:33:38,000

And when they got in fairly close to it, it lifted up, put the gear back in the wheel wells, tipped up and took off at a great rate of speed.

418

00:33:39,000 --> 00:33:46,000

I sent them over to develop the film and then had to go through all the proper regulations of reporting this.

419

00:33:46,000 --> 00:33:53,000

And we wound up having to send the film forward to Washington in the base jet airplane.

420

00:33:53,000 --> 00:33:56,000

I don't know whether anyone's ever seen it.

421

00:33:56,000 --> 00:34:02,000

The alien craft was strikingly similar to the ones he saw a few years before.

422

00:34:02,000 --> 00:34:08,000

Basically the same plan for a vehicle, they were double saucer, lenticular.

423

00:34:08,000 --> 00:34:17,000

But if you're going to be going in and out of atmospheres like Earth or other places might have, you certainly need a little more aerodynamic type of vehicle.

424

00:34:17,000 --> 00:34:25,000

And the saucer has the capability of going through the air at tremendous rate of speed and handling the bow and trailing wave without making a shock wave.

425

00:34:25,000 --> 00:34:30,000

So it can be very silent while traveling at big rates of speed through the atmosphere.

426

00:34:31,000 --> 00:34:33,000

Cooper has yet another account.

427

00:34:33,000 --> 00:34:37,000

I got a friend of mine who's a captain on a major airline.

428

00:34:37,000 --> 00:34:43,000

At night he was flying along, noticed this suddenly big glow came off his left wing.

429

00:34:43,000 --> 00:34:47,000

And he looked out and his big saucer was sitting right off their wing.

430

00:34:47,000 --> 00:34:53,000

And so he turned slightly toward him, it moved away, turned back and it moved back in position.

431

00:34:53,000 --> 00:34:57,000

Turned to his co-pilots and he said, do you see what I see?

432

00:34:57,000 --> 00:35:00,000

And he said, oh, yeah, I do.

433

00:35:00,000 --> 00:35:05,000

And it traveled along with him for quite a period of time and tipped up and climbed very steeply away.

434

00:35:05,000 --> 00:35:13,000

Astronauts have reported several UFO sightings from space, but Cooper believes only one of them is true.

435

00:35:13,000 --> 00:35:23,000

To my knowledge the only thing that was ever seen on any of our space flights, and believe me all of us would like to have seen something,

436

00:35:23,000 --> 00:35:32,000

was on Jim McDivitt's Gemini 7 mission where they saw this glint of something metallic off in the distance.

437

00:35:32,000 --> 00:35:37,000

And he reported it and nobody had it listed on the ground so he tried getting a picture of it.

438

00:35:37,000 --> 00:35:42,000

But the sun unfortunately was glinting off of it so right off you got it just a glint.

439

00:35:42,000 --> 00:35:44,000

There was no detail on what it was.

440

00:35:44,000 --> 00:35:48,000

But never any further sightings.

441

00:35:48,000 --> 00:35:53,000

In a letter to the UN, Cooper laid out his opinion on UFOs.

442

00:35:53,000 --> 00:35:57,000

I would like to think they're going to really release all the information.

443

00:35:57,000 --> 00:36:00,000

Cooper believes we are not alone.

444

00:36:00,000 --> 00:36:03,000

No, I've always felt that there are a lot of other planets that have life on.

445

00:36:03,000 --> 00:36:11,000

With all those numbers of potentially habitable planets out there, I think we're kind of vain to think that God would have only one of them.

446

00:36:11,000 --> 00:36:17,000

Coming up on Unexplained Mysteries, it's the Unex Report.

447

00:36:17,000 --> 00:36:20,000

We sum up all the evidence for you.

448

00:36:20,000 --> 00:36:24,000

The people who witnessed UFOs in their backyards.

449

00:36:24,000 --> 00:36:26,000

The infamous Roswell crash.

450

00:36:26,000 --> 00:36:29,000

And the military's subsequent cover-up.

451

00:36:29,000 --> 00:36:33,000

Alleged autopsies of extraterrestrials.

452

00:36:33,000 --> 00:36:37,000

The shape-shifting object that hovered over an air force base.

453

00:36:37,000 --> 00:36:45,000

And more from an American hero's brush with alien craft.

454

00:36:45,000 --> 00:37:01,000

Stay tuned for the Unex Report here on Unexplained Mysteries.

455

00:37:01,000 --> 00:37:07,000

The Unex Report, UFO, best evidence.

456

00:37:07,000 --> 00:37:13,000

Numerous eyewitnesses across North America have seen unidentified objects.

457

00:37:13,000 --> 00:37:20,000

It was a total feeling of awe and knowing that I was looking at something that I didn't know what it was.

458

00:37:20,000 --> 00:37:31,000

I think there's no doubt about the fact that it's the most dramatic thing and the most astounding thing, the most important thing that could happen here on Earth.

459

00:37:31,000 --> 00:37:36,000

You'll find out that that UFO was about 10 miles away, up to 25,000 feet.

460

00:37:36,000 --> 00:37:41,000

And the size works out to about 500 feet long and doing 14,000 miles an hour.

461

00:37:41,000 --> 00:37:47,000

I've seen a ship just coming down over the tree and going very closer to the flames.

462

00:37:47,000 --> 00:37:59,000

UFO reports date back to the incident at Roswell where some say alien technology and alien creatures were recovered from a crash.

463

00:37:59,000 --> 00:38:03,000

He made statements to the effect that it was nothing of this world.

464

00:38:03,000 --> 00:38:10,000

It couldn't be bent, torn, cut, pierced, burned.

465

00:38:10,000 --> 00:38:24,000

When I first came up to the craft, the creatures were laying like this in a line, side by side.

466

00:38:24,000 --> 00:38:29,000

And there's the evidence from the airbase in Ohio.

467

00:38:29,000 --> 00:38:36,000

This is the sort of division that would have been appropriate to use for the investigation of UFO research.

468

00:38:36,000 --> 00:38:41,000

They had 30 alien bodies underground at Wright Patterson Field of Rome.

469

00:38:41,000 --> 00:38:46,000

My uncle Jack had a top secret security clearance when he worked at Wright Patterson.

470

00:38:46,000 --> 00:38:50,000

He said, we have the bodies from the crash.

471

00:38:50,000 --> 00:38:58,000

He said, we went down to the cold story, Jerry, where the military may have been conducting alien autopsies.

472

00:38:58,000 --> 00:39:03,000

The head was shaped basically like a human head, only the small.

473

00:39:03,000 --> 00:39:09,000

One of the most interesting discoveries I think has to be the alleged alien jaw bone that we uncovered.

474

00:39:09,000 --> 00:39:11,000

This was an alien jaw bone.

475

00:39:11,000 --> 00:39:19,000

Some of the most compelling evidence comes from the military's own tapes of pilots chasing unknown objects.

476

00:39:19,000 --> 00:39:26,000

We have confirmed reports of some identified flying objects in your area.

477

00:39:26,000 --> 00:39:31,000

Objects so advanced, our fastest jets couldn't catch them.

478

00:39:31,000 --> 00:39:34,000

The way it rose, no way into the contact.

479

00:39:34,000 --> 00:39:39,000

The UFO that witnesses saw from Oregon to Nevada.

480

00:39:39,000 --> 00:39:43,000

The bright light that lit up the entire sky.

481

00:39:43,000 --> 00:39:52,000

What really happened was we have a single event that took place over a space of about 16 minutes from the Eureka end of the sightings until it seemed to explode over Las Vegas.

482

00:39:52,000 --> 00:39:56,000

The numerous sightings at Nellis Air Force Base.

483

00:39:56,000 --> 00:40:00,000

It seemed to move in whichever direction it wanted to go whenever it wanted to.

484

00:40:00,000 --> 00:40:04,000

Contrary to any aircraft that I've seen in the past.

485

00:40:04,000 --> 00:40:07,000

So the styling thing is it seems to change shape.

486

00:40:07,000 --> 00:40:13,000

The unique videotape catalog of rare daytime UFO sightings.

487

00:40:13,000 --> 00:40:18,000

We captured an object that comes from upper screen right on TV.

488

00:40:18,000 --> 00:40:22,000

And it goes right up behind the jet and it seems to tag it on a tail or bump it.

489

00:40:22,000 --> 00:40:26,000

We went out and videotaped in the same place that he videotapes.

490

00:40:26,000 --> 00:40:28,000

And we got identical objects on our video.

491

00:40:28,000 --> 00:40:30,000

What he has captured on tape.

492

00:40:30,000 --> 00:40:32,000

We feel about that.

493

00:40:32,000 --> 00:40:35,000

And what may be the best evidence of all?

494

00:40:35,000 --> 00:40:39,000

Eyewitness testimony from a totally credible source.

495

00:40:39,000 --> 00:40:42,000

Former astronaut Gordon Cooper.

496

00:40:42,000 --> 00:40:49,000

It was a saucer came flying over their heads, put down three little landing gear and landed right

on the dry lake.

497

00:40:49,000 --> 00:40:56,000

Eyewitnesses, military transmissions, actual physical contact with alien beings.

498

00:40:56,000 --> 00:40:59,000

Could all of these reports be wrong?

499

00:40:59,000 --> 00:41:01,000

Or are they true?

500

00:41:01,000 --> 00:41:04,000

And do UFOs exist?

501

00:41:04,000 --> 00:41:11,000

For now, the answer behind the evidence must remain an unexplained mystery.

502

00:41:11,000 --> 00:41:18,000

The moment he gave me that injection, I could feel my throat closing.

503

00:41:18,000 --> 00:41:20,000

I realized something was really wrong.

504

00:41:20,000 --> 00:41:23,000

It flipped the bar that fast. It was over.

505

00:41:23,000 --> 00:41:25,000

Oh my God, I'm dead.

506

00:41:25,000 --> 00:41:27,000

I woke up one morning and I could not breathe.

507

00:41:27,000 --> 00:41:33,000

I was literally, literally taking the last breath of my life.
