

1

00:00:00,000 --> 00:00:01,400

We've been touched.

2

00:00:01,500 --> 00:00:03,500

Somehow we've been touched.

3

00:00:03,600 --> 00:00:06,640

This time on Unexplained Mysteries,

4

00:00:06,740 --> 00:00:09,600

touched by an alien.

5

00:00:09,700 --> 00:00:13,180

We'll explore the phenomenon of alien contact

6

00:00:13,280 --> 00:00:15,580

and their purpose here on Earth.

7

00:00:15,680 --> 00:00:18,020

They take me right down the streets,

8

00:00:18,120 --> 00:00:20,480

and I see all the bodies and the whole thing.

9

00:00:20,580 --> 00:00:23,560

And I realize that they're trying to give me a message.

10

00:00:23,660 --> 00:00:27,020

With our case studies, you'll hear exclusive testimony

11

00:00:27,080 --> 00:00:29,820

from the victim of the first known abduction.

12

00:00:29,920 --> 00:00:33,320

The exhalant has a long needle.

13

00:00:33,420 --> 00:00:36,320

And he takes a dance into my face.

14

00:00:36,420 --> 00:00:39,160

And the abductees who discovered proof

15

00:00:39,260 --> 00:00:43,360

that aliens are manipulating the entire course of their lives.

16

00:00:43,460 --> 00:00:46,540

They had been abducted since childhood, separately,

17

00:00:46,640 --> 00:00:49,700

brought together and made to interact.

18

00:00:49,800 --> 00:00:52,080

I'm completely convinced that they

19

00:00:52,180 --> 00:00:53,740

have planned clear in my meeting.

20

00:00:53,840 --> 00:00:56,340

We'll investigate the alleged alien implant

21

00:00:56,400 --> 00:00:58,360

used to track humans.

22

00:00:58,460 --> 00:01:01,240

Triangle in the hand is like an identification for them.

23

00:01:01,340 --> 00:01:03,200

There is tissue missing from my hand.

24

00:01:03,300 --> 00:01:05,880

And go into the operating room as surgeons

25

00:01:05,980 --> 00:01:08,940

remove an actual implant.

26

00:01:09,040 --> 00:01:12,520

You'll see our final analysis of the evidence.

27

00:01:12,620 --> 00:01:16,980

In our Unex report, as we uncover the facts about alien

28

00:01:17,080 --> 00:01:20,120

contacts on Unexplained Mysteries,

29

00:01:20,220 --> 00:01:23,560

touched by an alien.

30

00:01:24,320 --> 00:01:27,680

Alien abduction is no longer just a story created

31

00:01:27,780 --> 00:01:29,760

in our science fiction.

32

00:01:29,860 --> 00:01:32,560

More and more psychiatric professionals

33

00:01:32,660 --> 00:01:35,560

refuse to discount the tales they hear

34

00:01:35,660 --> 00:01:40,500

from victims describing hostile encounters with aliens.

35

00:01:40,600 --> 00:01:43,340

The details of most abductees are

36

00:01:43,440 --> 00:01:45,940

striking in their similarity.

37

00:01:46,040 --> 00:01:47,040

I mean, this is terror.

38

00:01:47,140 --> 00:01:47,940

You're being kidnapped.

39

00:01:48,040 --> 00:01:49,640

You don't know what's going to happen.

40

00:01:49,740 --> 00:01:50,840

I thought, this is it.

41

00:01:50,940 --> 00:01:52,980

I'm going to die of a heart attack or something

42

00:01:53,000 --> 00:01:55,000

because it was not human.

43

00:01:55,100 --> 00:01:58,200

Transported to an alien craft, some

44

00:01:58,300 --> 00:02:02,080

report being subjected to horrific experiments

45

00:02:02,180 --> 00:02:04,540

and invasive probes.

46

00:02:04,640 --> 00:02:05,580

I hate what they do to me.

47

00:02:05,680 --> 00:02:07,320

I hate what they do to my mind.

48

00:02:07,420 --> 00:02:08,680

I hate what they do to my body.

49

00:02:08,780 --> 00:02:10,520

And it was not a fun experience.

50

00:02:10,620 --> 00:02:13,260

This is not something I would wish on anybody.

51

00:02:13,360 --> 00:02:16,760

But are the aggressive tactics that a company most UFO

52

00:02:16,860 --> 00:02:21,560

encounters drowning out a more important message?

53

00:02:21,620 --> 00:02:25,460

Every single abductee says over and over

54

00:02:25,560 --> 00:02:29,320

if they would just walk in the front door, not scare me,

55

00:02:29,420 --> 00:02:33,420

not paralyze me, and sit down and say, look, we have a problem.

56

00:02:33,520 --> 00:02:34,920

Would you help?

57

00:02:35,020 --> 00:02:36,560

Practically every abductee said if they

58

00:02:36,660 --> 00:02:38,260

would ask my permission and explain,

59

00:02:38,360 --> 00:02:40,060

I might say, sure, I'll help you.

60

00:02:46,000 --> 00:02:50,000

Northern Wisconsin, Karen Klinger and Dennis Marasqua

61

00:02:50,040 --> 00:02:53,240

sneak away from a family vacation.

62

00:02:53,340 --> 00:02:56,480

The young couple noticed something in the night sky.

63

00:02:56,580 --> 00:03:00,780

This bright orange star that was along the horizon

64

00:03:00,880 --> 00:03:04,820

of the trees on the other side of the lake zipped right

65

00:03:04,920 --> 00:03:07,080

to the top of our heads and looked up.

66

00:03:07,180 --> 00:03:08,880

I think the best way I could describe the flight

67

00:03:08,980 --> 00:03:10,460

is like that of a dragonfly.

68

00:03:10,560 --> 00:03:14,200

It was just it would zip, here, stop, zip, here, stop, zip,

69

00:03:14,300 --> 00:03:16,620

zip, zip, zip, really fast.

70

00:03:16,720 --> 00:03:19,400

And like, what are we watching?

71

00:03:19,400 --> 00:03:22,740

And we finally started calling my folks down from the cabin

72

00:03:22,840 --> 00:03:24,840

so they could watch.

73

00:03:24,940 --> 00:03:27,580

And my mother was a little scared.

74

00:03:27,680 --> 00:03:29,940

Denny's sister's boyfriend went into the house

75

00:03:30,040 --> 00:03:34,720

and got a large beam flashlight and flashed at the UFOs three

76

00:03:34,820 --> 00:03:35,520

times.

77

00:03:35,620 --> 00:03:38,460

Suddenly, they just completely disappeared.

78

00:03:38,560 --> 00:03:40,960

And about maybe a couple of seconds later,

79

00:03:41,060 --> 00:03:43,720

they flashed back at us the same amount of times

80

00:03:43,820 --> 00:03:45,220

as we had flashed at it.

81

00:03:45,320 --> 00:03:47,900

By this time, we knew we were watching something

82

00:03:48,500 --> 00:03:50,640

that we had no explanation for.

83

00:03:50,740 --> 00:03:53,540

It was really strange and definitely

84

00:03:53,640 --> 00:03:56,040

appeared to be intelligently controlled.

85

00:03:56,140 --> 00:03:59,180

After the incident, Marasqua and Klinger

86

00:03:59,280 --> 00:04:02,020

felt disoriented and ill.

87

00:04:02,120 --> 00:04:05,020

Later, when the couple talked about the incident,

88

00:04:05,120 --> 00:04:06,720

they realized that they could not

89

00:04:06,820 --> 00:04:10,260

account for several hours during that night.

90

00:04:10,360 --> 00:04:12,420

At one point, we looked up and the moon

91

00:04:12,520 --> 00:04:17,400

was directly in line with the rear view mirror

92

00:04:17,460 --> 00:04:19,360

of the car.

93

00:04:19,460 --> 00:04:22,900

And by the time we got back to the lake, which

94

00:04:23,000 --> 00:04:28,380

shouldn't have been very long, the moon was setting.

95

00:04:28,480 --> 00:04:31,040

It never occurred to me until that moment

96

00:04:31,140 --> 00:04:34,840

that there could possibly be some missing time involved.

97

00:04:34,940 --> 00:04:36,180

I felt sick.

98

00:04:36,280 --> 00:04:41,020

I felt, I mean, I literally felt nauseated at the thought of it.

99

00:04:41,120 --> 00:04:44,560

In search of more answers, Dennis and Karen

100

00:04:44,580 --> 00:04:47,060

each underwent hypnosis.

101

00:04:47,160 --> 00:04:50,460

Compared to notes later, they corroborated very closely

102

00:04:50,560 --> 00:04:54,260

with some of the points that Karen had brought up under hers.

103

00:04:54,360 --> 00:04:57,060

We both got these images of a grid-like pattern.

104

00:04:57,160 --> 00:04:59,540

The apparent purpose of their abduction

105

00:04:59,640 --> 00:05:04,280

was to make those touched the carriers of a message.

106

00:05:04,380 --> 00:05:08,180

The Earth is connected to the universe.

107

00:05:08,280 --> 00:05:11,080

If you feel that this has happened to you,

108

00:05:11,180 --> 00:05:13,220

by all means, do whatever it takes

109

00:05:13,240 --> 00:05:17,180

to uncover the information, because it's worth the risk.

110

00:05:23,120 --> 00:05:26,660

Jeannie Robinson has been given a message.

111

00:05:26,760 --> 00:05:30,200

She says she has been abducted several times,

112

00:05:30,300 --> 00:05:34,600

dating back to childhood, encounters flooding

113

00:05:34,700 --> 00:05:37,100

her mind with information.

114

00:05:37,200 --> 00:05:41,340

I started getting these thoughts in my head

115

00:05:41,400 --> 00:05:43,900

that didn't seem to belong to me.

116

00:05:44,000 --> 00:05:44,900

But I write it all down.

117

00:05:45,000 --> 00:05:46,240

I've been writing it down.

118

00:05:46,340 --> 00:05:51,740

Jeannie believes she knows why these visitors have come to Earth.

119

00:05:51,840 --> 00:05:54,140

We have researched your physiology

120

00:05:54,240 --> 00:05:57,520

to understand the elements that are parallel to our own.

121

00:05:57,620 --> 00:06:00,520

We mean you no harm, but we must save ourselves

122

00:06:00,620 --> 00:06:02,420

from extinction.

123

00:06:02,520 --> 00:06:04,920

When acceptance of the reality of our kind

124

00:06:05,020 --> 00:06:07,720

is tolerated within your population,

125

00:06:07,820 --> 00:06:10,200

a more open relationship can begin.

126

00:06:10,260 --> 00:06:13,420

For experimenter Steve Neal, the message

127

00:06:13,520 --> 00:06:16,360

was directed toward human beings.

128

00:06:16,460 --> 00:06:20,500

He was told that our race is in need of help.

129

00:06:20,600 --> 00:06:22,200

We've separated ourselves from nature.

130

00:06:22,300 --> 00:06:24,400

We have the sense that nature's over there,

131

00:06:24,500 --> 00:06:27,300

and we're over here, and that really this world was kind of

132

00:06:27,400 --> 00:06:29,440

made for us to do whatever we want,

133

00:06:29,540 --> 00:06:32,540

to trash it in the name of personal gain or profit.

134

00:06:32,640 --> 00:06:35,880

And I think that we're in danger of becoming extinct,

135

00:06:35,980 --> 00:06:37,280

like the dinosaurs.

136

00:06:37,340 --> 00:06:40,900

On many of his abductions, Neal has been shown

137

00:06:41,000 --> 00:06:44,140

horrific images of the future.

138

00:06:44,240 --> 00:06:47,140

They take me into the scene, whether it's the world

139

00:06:47,240 --> 00:06:49,180

after a nuclear war.

140

00:06:49,280 --> 00:06:51,780

They take me right down the streets,

141

00:06:51,880 --> 00:06:54,280

and I see all the bodies and the whole bit.

142

00:06:54,380 --> 00:06:57,020

And I realize that they're trying to give me a message,

143

00:06:57,120 --> 00:07:01,860

and that I'm supposed to take this message and take this possible

144

00:07:01,960 --> 00:07:05,560

future and do something about it, try to prevent it.

145

00:07:05,820 --> 00:07:09,520

For other abductees, similar terrifying visions

146

00:07:09,620 --> 00:07:12,760

have forced them to join a support group.

147

00:07:12,860 --> 00:07:18,760

People have been told that there's going to be devastation,

148

00:07:18,860 --> 00:07:21,700

that there's going to be tremendous earth changes.

149

00:07:21,800 --> 00:07:25,140

They are shown these images.

150

00:07:25,240 --> 00:07:27,780

It's something that's put into their mind by the abductors.

151

00:07:27,880 --> 00:07:29,540

It's very difficult to explain.

152

00:07:29,640 --> 00:07:33,880

Could an alien race actually be abducting human beings

153

00:07:33,900 --> 00:07:37,180

in order to warn us of the Earth's future?

154

00:07:37,280 --> 00:07:40,380

These abductees believe this message

155

00:07:40,480 --> 00:07:43,340

and believe there is a solution.

156

00:07:43,440 --> 00:07:46,180

I think it's very important to point out

157

00:07:46,280 --> 00:07:50,180

that all of these images and so forth of disaster or this

158

00:07:50,280 --> 00:07:52,020

or other can be reversed.

159

00:07:52,120 --> 00:07:53,460

It's not written in stone.

160

00:07:53,560 --> 00:07:57,960

This is our planet, and we are very powerful beings,

161

00:07:58,060 --> 00:07:59,960

and we have to start using that in a positive way,

162

00:08:00,060 --> 00:08:01,760

because then we can create beauty.

163

00:08:01,820 --> 00:08:05,380

Beauty, we can create love, we can create serenity.

164

00:08:05,480 --> 00:08:07,260

Instead of destroying everything and complaining

165

00:08:07,360 --> 00:08:08,460

that there's no serenity.

166

00:08:08,560 --> 00:08:11,160

Members of this group have accepted the knowledge

167

00:08:11,260 --> 00:08:12,720

they have been given.

168

00:08:12,820 --> 00:08:16,160

Now, they want the world to know.

169

00:08:16,260 --> 00:08:18,900

They're trying to not only help out their race,

170

00:08:19,000 --> 00:08:21,400

but help out us in case we can't live in this environment

171

00:08:21,500 --> 00:08:22,600

anymore.

172

00:08:22,700 --> 00:08:24,440

We might need different kinds of bodies.

173

00:08:24,540 --> 00:08:28,040

We might need different kinds of adaptations.

174

00:08:28,140 --> 00:08:31,140

We might need to be able to handle different kinds of climates.

175

00:08:31,140 --> 00:08:36,340

For the abductee community, the debate is only beginning.

176

00:08:36,440 --> 00:08:39,540

What do the aliens really want?

177

00:08:39,640 --> 00:08:42,540

We will continue covert contact for now.

178

00:08:42,640 --> 00:08:45,240

Soon we will be able to establish a more active

179

00:08:45,340 --> 00:08:48,840

and cohesive relationship, an equal partnership

180

00:08:48,940 --> 00:08:53,840

within the alliance of intelligent life forms.

181

00:08:53,940 --> 00:08:57,840

Coming up, what really was behind the otherworldly ordeal

182

00:08:57,940 --> 00:08:59,740

that this woman endured.

183

00:08:59,800 --> 00:09:02,840

He said, don't be afraid.

184

00:09:02,940 --> 00:09:05,140

We're not going to have you.

185

00:09:05,240 --> 00:09:08,440

We just want to do some tests.

186

00:09:08,540 --> 00:09:11,640

Are the clues to the first recorded abduction locked

187

00:09:11,740 --> 00:09:14,540

in the fibers of this dress?

188

00:09:14,640 --> 00:09:16,940

These two women say they've been linked for life

189

00:09:17,040 --> 00:09:18,540

by an alien experiment.

190

00:09:18,640 --> 00:09:21,940

They had been abducted since childhood, separately,

191

00:09:22,040 --> 00:09:25,140

brought together and made to interact.

192

00:09:25,240 --> 00:09:27,840

Are ETs trying to teach us a lesson?

193

00:09:27,840 --> 00:09:31,940

The message is, the sandbox that you're littering

194

00:09:32,040 --> 00:09:33,240

is not your own.

195

00:09:33,340 --> 00:09:36,840

And are aliens tracking us with implanted transmitters?

196

00:09:36,940 --> 00:09:41,640

It's probably between my eyes, up inside my brain.

197

00:09:41,740 --> 00:09:45,540

I have never seen anything such as this come out of anybody.

198

00:09:45,640 --> 00:09:51,640

And later, see exclusive footage of an actual implant extraction.

199

00:09:51,740 --> 00:09:55,040

We'll wrap it all up with a breakdown of the efforts

200

00:09:55,040 --> 00:09:56,640

in our UNEX report.

201

00:09:56,740 --> 00:10:00,140

Stay tuned for more on Unexplained Mysteries.

202

00:10:04,240 --> 00:10:09,240

Unexplained Mysteries, Touched by an Alien.

203

00:10:09,340 --> 00:10:13,640

No solid explanation can be given for the abduction phenomenon.

204

00:10:13,740 --> 00:10:16,940

While the public brushes most cases aside,

205

00:10:17,040 --> 00:10:21,040

many prominent researchers are becoming believers.

206

00:10:21,140 --> 00:10:22,940

When I began studying abductions,

207

00:10:22,940 --> 00:10:25,840

I expected these cases to turn out to be some kind

208

00:10:25,940 --> 00:10:30,340

of psychological phenomenon, possibly hoaxes,

209

00:10:30,440 --> 00:10:34,540

but certainly nothing more serious than that.

210

00:10:34,640 --> 00:10:38,040

There was something really peculiar here.

211

00:10:38,140 --> 00:10:40,040

I kept seeing a consistency in these things

212

00:10:40,140 --> 00:10:41,740

that I didn't expect to see.

213

00:10:41,840 --> 00:10:45,740

And the people seemed so sincere and so normal

214

00:10:45,840 --> 00:10:48,740

that it became very difficult to attribute these reports

215

00:10:48,840 --> 00:10:51,340

to anything other than a genuine experience.

216

00:10:51,340 --> 00:10:56,340

Reports of extraterrestrials may not be a recent occurrence.

217

00:10:56,440 --> 00:10:59,740

Evidence suggests that the alien phenomenon

218

00:10:59,840 --> 00:11:02,740

dates back hundreds of years.

219

00:11:02,840 --> 00:11:06,740

The concept of being abducteded by some strange beings,

220

00:11:06,840 --> 00:11:09,140

column supernatural beings, if you will,

221

00:11:09,240 --> 00:11:13,240

has been with the human species from its beginnings.

222

00:11:13,340 --> 00:11:17,740

Folklore is full of cases where people are kidnapped by fairies

223

00:11:17,840 --> 00:11:20,240

and carried off to a fairy land that is in some ways

224

00:11:20,240 --> 00:11:23,140

very much like the interior of a UFO

225

00:11:23,240 --> 00:11:25,140

or the other world that people see

226

00:11:25,240 --> 00:11:28,140

when they're taken on a UFO otherworldly journey.

227

00:11:28,240 --> 00:11:33,140

They lose a period of time very similar to the stories

228

00:11:33,240 --> 00:11:35,140

of UFO abductions.

229

00:11:35,240 --> 00:11:40,140

Most people have had very few truly unusual things happen

230

00:11:40,240 --> 00:11:42,140

to them that they could not explain.

231

00:11:42,240 --> 00:11:44,140

Most people do not see balls of light

232

00:11:44,240 --> 00:11:46,140

that they can't explain.

233

00:11:46,140 --> 00:11:50,040

Most people don't see small beings

234

00:11:50,140 --> 00:11:52,040

standing around their bed or in their couch.

235

00:11:52,140 --> 00:11:56,040

Most people don't have odd missing time experiences

236

00:11:56,140 --> 00:11:58,040

of two, three, or four hours,

237

00:11:58,140 --> 00:12:00,040

which they cannot account for.

238

00:12:00,140 --> 00:12:02,040

That normally does not happen to people.

239

00:12:02,140 --> 00:12:06,040

But for abductees, they have these experiences often.

240

00:12:06,140 --> 00:12:08,040

They have a lifetime of them.

241

00:12:08,140 --> 00:12:14,040

Famed journalist, CDB Brian, was an abduction skeptic.

242

00:12:14,040 --> 00:12:16,940

It just was inconceivable to me that people were being scooped

243

00:12:17,040 --> 00:12:19,940

up by UFOs and having these strange medical procedures

244

00:12:20,040 --> 00:12:21,940

performed on them.

245

00:12:22,040 --> 00:12:25,940

But after attending an alien abduction conference at MIT,

246

00:12:26,040 --> 00:12:29,940

Brian's views were changed forever.

247

00:12:30,040 --> 00:12:32,940

It sounded to me like a perfect New Yorker piece

248

00:12:33,040 --> 00:12:35,940

of little green man at MIT.

249

00:12:36,040 --> 00:12:38,940

I didn't for a minute take it seriously.

250

00:12:39,040 --> 00:12:42,940

But in the course of the three, four days of the conference

251

00:12:42,940 --> 00:12:46,840

I took, I moved more and more towards accepting

252

00:12:46,940 --> 00:12:50,840

that there might be a phenomenon here that is unexplained

253

00:12:50,940 --> 00:12:52,840

and less and less away from the fact

254

00:12:52,940 --> 00:12:54,840

that they're all stark-weighting men.

255

00:12:54,940 --> 00:12:56,840

These people were quite convincing.

256

00:12:56,940 --> 00:12:58,840

Possibly the most convincing story

257

00:12:58,940 --> 00:13:01,840

came from Indian Head, New Hampshire,

258

00:13:01,940 --> 00:13:04,840

the site of the first recorded instance

259

00:13:04,940 --> 00:13:08,840

of alien contact with humans.

260

00:13:09,740 --> 00:13:14,740

Betty and Barney Hill were driving home one night,

261

00:13:14,840 --> 00:13:18,740

nearly 42 years ago, when they were blinded by a brilliant light.

262

00:13:18,840 --> 00:13:21,740

As it came out over the highway and stopped,

263

00:13:21,840 --> 00:13:25,740

we looked up and we could see a curved picture window,

264

00:13:25,840 --> 00:13:27,740

a red light on each side.

265

00:13:27,840 --> 00:13:31,740

So Barney took the binoculars to get out of the car

266

00:13:31,840 --> 00:13:34,740

to try to identify this craft.

267

00:13:34,740 --> 00:13:39,640

And he could see a group of men standing in the window

268

00:13:39,740 --> 00:13:41,640

looking down at him.

269

00:13:41,740 --> 00:13:44,640

And at that moment he became fearful.

270

00:13:44,740 --> 00:13:47,640

He had the impression they were trying to capture him.

271

00:13:47,740 --> 00:13:50,640

The terrified couple jumped back into their car

272

00:13:50,740 --> 00:13:52,640

and raced away from the scene.

273

00:13:52,740 --> 00:13:56,640

But on arriving home, they discovered several strange marks

274

00:13:56,740 --> 00:13:58,640

on the trunk of their car

275

00:13:58,740 --> 00:14:01,640

and a mysterious substance on Betty's dress.

276

00:14:01,640 --> 00:14:05,540

They also could not account for three hours that had passed.

277

00:14:10,640 --> 00:14:14,540

Somehow we just had a feeling of contamination.

278

00:14:14,640 --> 00:14:18,540

So I said to Barney, this sounds weird.

279

00:14:18,640 --> 00:14:20,540

And I don't know why I'm saying it.

280

00:14:20,640 --> 00:14:22,540

We've been touched.

281

00:14:22,640 --> 00:14:24,540

Somehow we've been touched.

282

00:14:24,640 --> 00:14:28,540

The Hill's experience led them to seek the help

283

00:14:28,640 --> 00:14:31,540

of a noted psychiatrist, Dr. Rees.

284

00:14:31,640 --> 00:14:34,540

And Benjamin Simon, their hypnotherapy sessions

285

00:14:34,640 --> 00:14:38,540

revealed a trauma unlike any on record.

286

00:14:38,640 --> 00:14:41,540

We go deeper and deeper, deeper asleep.

287

00:14:41,640 --> 00:14:47,540

Looks like a big, big pancake.

288

00:14:47,640 --> 00:14:50,540

The cow motor died.

289

00:14:50,640 --> 00:14:54,540

This creature, this leader is telling me something.

290

00:14:54,640 --> 00:14:56,540

Just stay there, he's saying to me.

291

00:14:56,640 --> 00:14:58,540

We're not going to harm you.

292

00:14:58,540 --> 00:15:01,440

We just want to do some tests

293

00:15:01,540 --> 00:15:05,440

and they're taking me up to the object.

294

00:15:05,540 --> 00:15:07,440

I'll take it in my head.

295

00:15:07,540 --> 00:15:09,440

Pull the binoculars away.

296

00:15:09,540 --> 00:15:11,440

God, give me a stretch.

297

00:15:11,540 --> 00:15:13,440

Pull them down.

298

00:15:13,540 --> 00:15:14,440

Run!

299

00:15:14,540 --> 00:15:18,440

If that's what God gives me a stretch, I've got to get away.

300

00:15:18,540 --> 00:15:23,440

One of the alien tests appeared to be a form of amniocentesis.

301

00:15:23,540 --> 00:15:28,440

The exhaler has a long needle.

302

00:15:28,540 --> 00:15:31,440

It's bigger than any needle I've ever seen.

303

00:15:31,540 --> 00:15:36,440

And these things are made with my nails.

304

00:15:36,540 --> 00:15:44,440

And I'm crying and I tell them it's hurting, it's hurting, it hurts, it hurts.

305

00:15:44,540 --> 00:15:48,440

The memories recalled under hypnosis were so traumatic.

306

00:15:48,540 --> 00:15:54,440

Benny and Barney were not allowed to hear their own tapes until months later.

307

00:15:54,540 --> 00:15:56,440

Word of their experience quickly leaked out,

308

00:15:56,440 --> 00:15:59,340

triggering a frenzy over their claims.

309

00:15:59,440 --> 00:16:02,340

Well, we became known almost immediately.

310

00:16:02,440 --> 00:16:07,340

Like Barney and I would go out to eat and people would come up and ask for an autograph.

311

00:16:07,440 --> 00:16:10,340

What did the aliens want with the hills?

312

00:16:10,440 --> 00:16:13,340

And what was the purpose of the tests?

313

00:16:17,440 --> 00:16:22,340

The last remaining piece of evidence of the hill abduction sits in this closet.

314

00:16:22,440 --> 00:16:25,340

Could the dress worn by Betty Hill during her abduction

315

00:16:25,340 --> 00:16:29,240

yield any answers about the alien experiments?

316

00:16:29,340 --> 00:16:38,240

And you can see here the blue, and this is where it became stained by the pink powdery substance.

317

00:16:38,340 --> 00:16:41,240

This is the place I cut out and sent it to a lab.

318

00:16:41,340 --> 00:16:43,240

They were unable to analyze it.

319

00:16:43,340 --> 00:16:46,240

They have no idea what caused the pink stain.

320

00:16:46,340 --> 00:16:53,240

Next, on Unexplained Mysteries, this abductee claims to have been given special powers.

321

00:16:53,240 --> 00:17:01,140

I was told that I would have an energy and that I would be able to help people who are ill.

322

00:17:01,240 --> 00:17:06,140

We'll hear from the co-workers with the mysterious link to their past.

323

00:17:06,240 --> 00:17:15,140

We both neandered away from the picnic area into the woods and were subsequently abducted from that clearing together.

324

00:17:15,240 --> 00:17:17,140

I was that other child.

325

00:17:17,240 --> 00:17:22,140

And later, the horror of being implanted with an alien tracking device.

326

00:17:22,140 --> 00:17:26,040

And I cried and I screamed and I got very scared because I didn't know what was going on.

327

00:17:26,140 --> 00:17:27,040

I got it.

328

00:17:27,140 --> 00:17:28,040

Yeah, that's it.

329

00:17:28,140 --> 00:17:29,040

Triangular.

330

00:17:29,140 --> 00:17:31,040

I wonder what it is.

331

00:17:31,140 --> 00:17:40,040

And finally, we put it all in perspective in our exclusive on X report, coming up on Unexplained Mysteries.

332

00:17:43,140 --> 00:17:46,040

Unexplained Mysteries, Touched by an Alien.

333

00:17:47,040 --> 00:17:54,940

What do experts think is the reason for the spiraling number of reported abductions?

334

00:17:55,040 --> 00:17:57,940

An alarming trend is developing.

335

00:17:58,040 --> 00:18:02,940

Friends and even entire families recall being taken.

336

00:18:03,040 --> 00:18:07,940

Well, the issue of shared abductions is something we should sort out here.

337

00:18:08,040 --> 00:18:12,940

Many, many, many people are abducted with other abductees.

338

00:18:17,040 --> 00:18:23,940

I felt when I first met Diana that I must have met her somewhere before or seen her somewhere before.

339

00:18:24,040 --> 00:18:26,940

I felt that I knew her quite well, but I couldn't explain that.

340

00:18:27,040 --> 00:18:32,940

It was sort of, I know this person and she's very comfortable around the horses.

341

00:18:33,040 --> 00:18:36,940

And it was sort of an instant recognition and I hired her that day.

342

00:18:37,040 --> 00:18:39,940

Claire worked on the ranch for four years.

343

00:18:40,040 --> 00:18:43,940

Then, a nighttime incident on a dark road changed her life.

344

00:18:43,940 --> 00:18:50,840

On my way home, fairly early in the evening, I saw lights.

345

00:18:50,940 --> 00:18:56,840

I pulled over to the side of the road and was blinded by these lights.

346

00:18:56,940 --> 00:18:59,840

But I was frozen to the spot. I didn't know what was happening.

347

00:18:59,940 --> 00:19:04,840

After the encounter, Claire got sick and remained disoriented for days.

348

00:19:04,940 --> 00:19:07,840

I think both of us thought she was going crazy.

349

00:19:07,940 --> 00:19:11,840

Too much stress that maybe she'd had a blackout.

350

00:19:11,840 --> 00:19:17,740

She also could not account for five hours of missing time lost during her short drive.

351

00:19:17,840 --> 00:19:20,740

She was reporting to me that she seemed to have seen some strange things.

352

00:19:20,840 --> 00:19:23,740

She had memories of this weird hand that she drew.

353

00:19:23,840 --> 00:19:28,740

And in another puzzling twist, Diana began to experience physical changes.

354

00:19:28,840 --> 00:19:30,740

Could these events be related?

355

00:19:30,840 --> 00:19:39,740

My eyes had improved dramatically and I could think of no other rational explanation why my eyesight was also improving, unless I too was being abducted.

356

00:19:39,740 --> 00:19:45,640

Claire and Diana decided to undergo hypnotic regression therapy to help explain their mystery.

357

00:19:45,740 --> 00:19:53,640

And sure enough, the first memory I had was screaming because I had alien eyes right in front of my face and I couldn't get away from them.

358

00:19:53,740 --> 00:19:55,640

My heart.

359

00:19:55,740 --> 00:19:58,640

What are they doing to you?

360

00:19:58,740 --> 00:20:00,640

What are they doing to you?

361

00:20:00,740 --> 00:20:02,640

Doing something to my head.

362

00:20:02,740 --> 00:20:04,640

You're okay.

363

00:20:04,640 --> 00:20:09,540

Diana's graphic visions of alien experiments retrieved under hypnosis.

364

00:20:09,640 --> 00:20:13,540

She discovered corresponding scars on her wrists.

365

00:20:13,640 --> 00:20:19,540

A childhood memory may unlock a key piece of evidence about patterns of abduction.

366

00:20:19,640 --> 00:20:29,540

When I was about 12 years old and had been on a picnic with some friends from school, I saw a little girl coming toward me and she was wearing a blue uniform.

367

00:20:29,640 --> 00:20:32,540

She had some kind of an accent that I thought might be British.

368

00:20:32,540 --> 00:20:46,440

Without stopping to think or discuss why we were doing this, we both meandered away from the picnic area into the woods and were subsequently abducted from that clearing together.

369

00:20:46,540 --> 00:20:56,440

And when Claire described to me what this other little English girl was wearing, I then went to the closet and pulled out a jacket that exactly matched her description.

370

00:20:56,440 --> 00:21:07,340

She described to me how she used to dress going to school in England at that time and I didn't know she'd attended school in England when she was 9 years old.

371

00:21:07,440 --> 00:21:09,340

I was that other child.

372

00:21:14,440 --> 00:21:26,340

We found a pattern that they had been abducted since childhood, separately brought together and made to interact as if the aliens were interested in human relationships and human friendships.

373

00:21:26,440 --> 00:21:34,340

I'm completely convinced that they have planned Claire and my meeting since they started since we were such small children.

374

00:21:34,440 --> 00:21:44,340

I think it's amazing that we met again in this life, in this world. I can't explain it.

375

00:21:49,440 --> 00:21:55,340

I woke up in the middle of the night and I felt that there was someone alongside of the bed.

376

00:21:55,340 --> 00:22:00,240

This is Judy. By her request, her real name will not be used.

377

00:22:00,340 --> 00:22:11,240

And I reached my right hand out and I touched the shoulder of someone who was probably the size of a five-year-old.

378

00:22:11,340 --> 00:22:17,240

Like many who report alien contact, her first experience was traumatic.

379

00:22:17,240 --> 00:22:31,140

When I was paralyzed, I couldn't move. It was totally terrible. But I didn't know at the time what was going on because I didn't know about alien abductions.

380

00:22:35,240 --> 00:22:40,140

Judy says years later she was subjected to one final medical procedure.

381

00:22:40,140 --> 00:22:49,040

And he was putting in what appeared to be laser-type objects in my brain.

382

00:22:49,140 --> 00:22:55,040

He put one in each temple, one here, and one in the back.

383

00:22:55,140 --> 00:23:02,040

And I was told that I would be able to help people who are ill.

384

00:23:02,140 --> 00:23:09,040

Some abductees feel that after the return from abduction event that they had increased powers, psychic powers or healing powers.

385

00:23:09,040 --> 00:23:15,940

This is extremely unusual. It's something that we can't dismiss out of hand and it might be related to the abduction phenomenon.

386

00:23:16,040 --> 00:23:19,940

Judy's special abilities have helped many people.

387

00:23:20,040 --> 00:23:30,940

After about three minutes, I noticed. I was beginning to feel very warm and the area under her hands was intensely warm.

388

00:23:30,940 --> 00:23:43,840

And then my whole body began to feel tingly and just relaxed. And gradually the nausea and the sickness was just disappearing even in 12 hours.

389

00:23:43,940 --> 00:23:52,840

Is Judy's gift an indication of the good intentions of aliens or is it an extraterrestrial warning about the future?

390

00:23:52,940 --> 00:23:56,840

It was almost as though they were saying, ready or not, here we come.

391

00:23:56,840 --> 00:24:02,740

Coming up, the touched people who are taken by aliens over and over.

392

00:24:02,840 --> 00:24:09,740

I call myself an experimenter because they're not taking me unwillingly. I go quite willingly.

393

00:24:09,840 --> 00:24:12,740

The message is given to those chosen for abduction.

394

00:24:12,840 --> 00:24:22,740

The message is wake up, row up. The sandbox that you're littering is not your own.

395

00:24:22,740 --> 00:24:26,640

The experts examine the alien agenda.

396

00:24:26,740 --> 00:24:34,640

The human race, as we have known it, is becoming not extinct. It can't survive.

397

00:24:34,740 --> 00:24:40,640

And later, witnesses secret operation to extract an extraterrestrial tracking device.

398

00:24:40,740 --> 00:24:49,640

What makes me think that this is extraterrestrial is the fact that I have never seen anything such as this come out of anybody.

399

00:24:49,640 --> 00:24:53,540

Then you'll get our ultimate roundup of the facts.

400

00:24:53,640 --> 00:25:04,540

Our on X report coming up are unexplained mysteries.

401

00:25:04,640 --> 00:25:09,540

Unexplained mysteries touched by an alien.

402

00:25:09,640 --> 00:25:18,540

Are extraterrestrials trying to send us an urgent message?

403

00:25:18,540 --> 00:25:21,440

I woke up terrified. Absolutely terrified.

404

00:25:21,540 --> 00:25:26,440

Light came in, bed shaking. It's kind of like it all happened at once.

405

00:25:26,540 --> 00:25:31,440

I opened my eyes and up on the wall I saw the face of an ATV very clearly.

406

00:25:31,540 --> 00:25:36,440

For a couple of weeks I was real scared of the dark. It was a real adjustment.

407

00:25:36,540 --> 00:25:42,440

Shannon Hernandez came to terms with her experience with the help of her mother Debbie McGill.

408

00:25:42,540 --> 00:25:46,440

Debbie recalls being taken repeatedly throughout her own life.

409

00:25:46,440 --> 00:25:50,340

She feels her contact with aliens was a positive experience.

410

00:25:50,440 --> 00:25:55,340

Abduct T has a negative connotation to it. It means stolen.

411

00:25:55,440 --> 00:26:00,340

I prefer to call myself an experimenter because they're not taking me unwillingly.

412

00:26:00,440 --> 00:26:02,340

I go quite willingly.

413

00:26:02,440 --> 00:26:06,340

Abduction counselors say that this is an important trend.

414

00:26:06,440 --> 00:26:11,340

Some people's experiences can truly be described as abductions.

415

00:26:11,440 --> 00:26:15,340

They are taken kicking and screaming, struggling against their will.

416

00:26:15,340 --> 00:26:24,240

Others evolve over time as they understand what is happening to come very cooperatively

417

00:26:24,340 --> 00:26:31,240

and become associated with the beings that they're working with in a participatory role.

418

00:26:31,340 --> 00:26:39,240

Over a series of therapy sessions with Dr. Richard Boylan, Shannon explored the visions shared by the aliens.

419

00:26:39,340 --> 00:26:42,240

Do you notice anything about you?

420

00:26:42,340 --> 00:26:44,240

Pictures.

421

00:26:44,240 --> 00:26:48,140

Do you know why you're seeing these pictures?

422

00:26:48,240 --> 00:26:50,140

To learn.

423

00:26:50,240 --> 00:26:52,140

This is about the future?

424

00:26:52,240 --> 00:26:53,140

Yeah.

425

00:26:53,240 --> 00:26:55,140

How far ahead? Way distant in the future?

426

00:26:55,240 --> 00:26:56,140

Not way distant.

427

00:26:56,240 --> 00:26:58,140

Pretty close in the future?

428

00:26:58,240 --> 00:27:00,140

Next few years.

429

00:27:00,240 --> 00:27:05,140

Based on the pictures, what would you say is coming up in the next few years?

430

00:27:05,240 --> 00:27:09,140

Major changes. Geological changes.

431

00:27:09,240 --> 00:27:13,140

Is there some kind of overall message you take from this or lesson?

432

00:27:13,140 --> 00:27:17,040

Yeah, not to worry. Things will be okay.

433

00:27:17,140 --> 00:27:22,040

Boylan sees similarities in the experiences of abductees.

434

00:27:22,140 --> 00:27:25,040

DT's give a variety of different kinds of messages.

435

00:27:25,140 --> 00:27:39,040

Such things as earth changes, cataclysms, geological weather, epidemics, social unrest wars have all been shown to experiences.

436

00:27:39,040 --> 00:27:44,940

Debbie believes the aliens use telepathy to transmit their apocalyptic prophecies.

437

00:27:45,040 --> 00:27:47,940

Did the ETs communicate with you while you were seeing these pictures?

438

00:27:48,040 --> 00:27:49,940

Yes.

439

00:27:50,040 --> 00:27:51,940

What was the flavor of their communication?

440

00:27:52,040 --> 00:27:53,940

A sense of urgency.

441

00:27:54,040 --> 00:27:55,940

Urgency for what?

442

00:27:56,040 --> 00:27:57,940

For me to understand something.

443

00:27:58,040 --> 00:28:05,940

Dr. John Mack, a psychiatrist at Harvard Medical School who works with abductees, believes there is an alien message to be decoded.

444

00:28:05,940 --> 00:28:08,840

I thought this is crazy. I mean, I thought it's not possible.

445

00:28:08,940 --> 00:28:13,840

I'd seen many, many cases and worked for two years before I said, look, there's a mystery here.

446

00:28:13,940 --> 00:28:18,840

I can't explain this. There's something like what they're saying seems to be happening to them.

447

00:28:22,940 --> 00:28:26,840

I had this flashback of being on this table, being surrounded by these beings.

448

00:28:26,940 --> 00:28:29,840

Joe is a patient working with John Mack.

449

00:28:29,940 --> 00:28:33,840

Little grey guys with big, dark eyes and one of them is putting a needle in my neck.

450

00:28:33,840 --> 00:28:37,740

He feels he has been abducted regularly since childhood.

451

00:28:37,840 --> 00:28:40,740

I would have experiences that were so real, that were so lucid.

452

00:28:40,840 --> 00:28:49,740

They were every bit as real as me talking to you now and yet I would dismiss them because there was so out of context.

453

00:28:49,840 --> 00:28:54,740

Joe has also come to identify with his alien abductors.

454

00:28:54,840 --> 00:29:03,740

Because there's a part of me that's terrified and doesn't understand and yet there's this other part of me that they've already explained the procedure to and why.

455

00:29:03,840 --> 00:29:08,740

Once they begin to come to terms with their terror of the trauma, the experience tends to transform.

456

00:29:08,840 --> 00:29:11,740

They feel they're somehow connected to these beings.

457

00:29:11,840 --> 00:29:16,740

It was the most profound experience of my life.

458

00:29:16,840 --> 00:29:28,740

Although the experiences don't fit our notions of reality, there's no reason to believe that they're not telling the truth or that something occurred to them that is real and they're telling it truthfully.

459

00:29:28,840 --> 00:29:30,740

The message is clear.

460

00:29:30,740 --> 00:29:45,640

We are told that the human experience, the human race as we have known it is becoming or soon to be non-viable, not extinct. It can't survive.

461

00:29:45,740 --> 00:29:51,640

And it appears that these future scenes are either probable futures that will happen unless we clean up or act.

462

00:29:51,740 --> 00:29:58,640

My own sense of it, and this is purely speculative, is that we were also given a choice to change our ways.

463

00:29:58,640 --> 00:30:05,540

The message is, wake up, row up.

464

00:30:05,640 --> 00:30:10,540

The sandbox that you're littering is not your own.

465

00:30:10,640 --> 00:30:13,540

That you are not alone.

466

00:30:13,640 --> 00:30:22,540

Next on Unexplained Mysteries, our abductees return with alien devices hidden deep inside their bodies.

467

00:30:22,640 --> 00:30:26,540

There are alien implants. They are tracking us.

468

00:30:26,540 --> 00:30:35,440

This is one that was placed in my ear. It was maybe six or eight inches long. It was a cylinder type thing. It was like a drill and it was very painful.

469

00:30:35,540 --> 00:30:46,440

And are these objects proof of the abduction phenomenon? Watch exclusive footage as one surgeon

removes what many believe to be alien implants.

470

00:30:46,540 --> 00:30:56,440

Finally, we'll analyze the evidence in our Unex report on Unexplained Mysteries.

471

00:30:56,540 --> 00:31:03,440

Unexplained Mysteries, touched by an alien.

472

00:31:03,540 --> 00:31:11,440

Not only are humans reporting to be contacted by aliens, they're being implanted with tracking devices within their bodies.

473

00:31:11,540 --> 00:31:19,440

When you experience an implant, it feels as if something is being put in your body and it was very painful.

474

00:31:19,440 --> 00:31:26,340

I'd have to say it's probably between my eyes, up inside my brain.

475

00:31:26,440 --> 00:31:30,340

And I cried and I screamed and I got very scared because I didn't know what was going on.

476

00:31:30,440 --> 00:31:39,340

The researchers that are studying these phenomena say that there are alien implants. They are tracking us.

477

00:31:39,440 --> 00:31:44,340

What are these devices and why are these people being tracked?

478

00:31:49,440 --> 00:31:53,340

Two women make their way home along a deserted road.

479

00:31:53,440 --> 00:32:04,340

This was a cold November night. We both noticed a large light in the sky. At that point, the light descended at a rapid pace.

480

00:32:04,440 --> 00:32:14,340

It just dropped from the sky. The car just illuminated and I grabbed my friend's hand and I said, oh my God, not again.

481

00:32:14,340 --> 00:32:21,240

This is Wendy. She requested we not use her real name to protect her identity.

482

00:32:21,340 --> 00:32:33,240

Wendy has endured repeated abductions. After the ordeal on the road, she feels aliens can locate her anywhere, anytime.

483

00:32:33,340 --> 00:32:40,240

These pictures show the on-scars that appeared the following day. Are these signs of implantation?

484

00:32:40,240 --> 00:32:46,140

My hand was inflamed with a triangle shape just below my first knuckle.

485

00:32:46,240 --> 00:32:54,140

Triangle in the hand is like an identification for them. There is tissue missing from my hand. It's indented. You can feel this. It's obvious.

486

00:32:54,240 --> 00:33:00,140

For abduction survivors, memories of these procedures are especially traumatic.

487

00:33:00,140 --> 00:33:11,040

These memories made me almost go insane. It led me to a hypnotherapist and she helped me in retrieving the whole picture.

488

00:33:11,140 --> 00:33:19,040

I remember being laid on a table and then being laid down in the air with no table underneath me.

489

00:33:19,140 --> 00:33:25,040

They were doing something to my ear. My brain was jammed and I couldn't function.

490

00:33:25,040 --> 00:33:37,940

I woke up Sunday morning with blood on my pillow and as I went into the bathroom, I flipped on the light and there was blood all over my face and my cheek up to my ear.

491

00:33:38,040 --> 00:33:46,940

It sounds very much like when an animal gets tagged in the sea or the wild. That's what's happening to us also.

492

00:33:47,040 --> 00:33:53,940

There have been many thousands of people coming forward that say they've been implanted.

493

00:33:53,940 --> 00:34:00,840

I was absolutely frightened. I knew exactly what it was. I am afraid. I'm afraid for my family.

494

00:34:00,940 --> 00:34:07,840

So there are very few friends that I have told about the experience and the ones that I have told, they don't come around anymore.

495

00:34:12,940 --> 00:34:16,840

There are doctors who take it seriously but they don't want to go public on it.

496

00:34:16,840 --> 00:34:24,740

There are surgeons around that will do these implant removals. These people who have been abducted will be treated, taken care of.

497

00:34:24,840 --> 00:34:33,740

What we saw when we removed the objects is quite different than anything that I had ever seen before.

498

00:34:33,840 --> 00:34:44,740

This surgeon wishes to keep his identity concealed. He will attempt the removal of three implants from two patients. These are the actual X-rays.

499

00:34:45,740 --> 00:34:54,640

This is a foreign body at the level of the base of the second metacarpal bone. This is the object that we are going to remove.

500

00:34:54,740 --> 00:35:03,640

We were extremely interested in documenting the procedure with all available means. We used video still photography.

501

00:35:03,740 --> 00:35:09,640

In a two hour procedure, three metallic objects are harvested from the two patients.

502

00:35:09,740 --> 00:35:10,640

I got it.

503

00:35:10,740 --> 00:35:11,640

Yeah, that's it.

504

00:35:11,740 --> 00:35:12,640

Triangular.

505

00:35:12,640 --> 00:35:14,540

I wonder what it is.

506

00:35:14,640 --> 00:35:26,540

Initial incision was made to recover the largest of the foreign objects. And upon removal, the patient literally came up off the table.

507

00:35:26,640 --> 00:35:36,540

This was most unusual. The only possible way that this could happen is that the object must have been in some direct connection with a nerve.

508

00:35:36,640 --> 00:35:39,540

Mike Evans assisted in the operation.

509

00:35:39,540 --> 00:35:48,440

What makes me think that this is extra-chorestral is the fact that I have never seen anything such as this come out of anybody.

510

00:35:48,540 --> 00:36:06,440

These objects were encased in a very dense, dark gray cocoon. And it was so dense that when I tried to remove this cocoon to look at the metal inside, I could not cut through it with a surgical blade.

511

00:36:06,440 --> 00:36:10,340

The implants recovered from both subjects were nearly identical.

512

00:36:10,440 --> 00:36:22,340

I think it has some frightening aspects to it. How would an identical object get in a man and get in a woman? Different areas, different times.

513

00:36:22,440 --> 00:36:25,340

The odds of that are so extraordinary.

514

00:36:25,440 --> 00:36:30,340

Can surgery free abductees from the horror of a return visit?

515

00:36:30,340 --> 00:36:36,240

The answers are imperative for those still suffering the trauma of repeated abduction.

516

00:36:36,340 --> 00:36:44,240

If you are tagged, then they will find you. It doesn't matter where you go. You can go anywhere you want to. But the world is round. You cannot hide.

517

00:36:44,340 --> 00:36:50,240

When we come back, the ON-X Report examines the facts and addresses the mysteries.

518

00:36:50,340 --> 00:36:55,240

Is alien contact with humans part of an otherworldly research project?

519

00:36:55,240 --> 00:37:05,140

Are the people who were contacted by aliens carriers of messages about the future? And why are some people being implanted with tracking devices?

520

00:37:05,240 --> 00:37:13,140

We'll bring you everything you learn from their visits in our ON-X Report. Next on Unexplained Mysteries.

521

00:37:19,240 --> 00:37:22,140

And now for the ON-X Report.

522

00:37:22,140 --> 00:37:29,040

The alien abduction phenomenon has exploded. Nowhere is this more apparent than on the World Wide Web.

523

00:37:29,140 --> 00:37:35,040

A simple search on the internet finds hundreds of websites dedicated to alien abductions.

524

00:37:35,140 --> 00:37:39,040

Many display detailed artwork portraying visitors from other worlds.

525

00:37:39,140 --> 00:37:46,040

From the common graying to the less common reptilian, these vivid pictures tell a terrifying story.

526

00:37:46,040 --> 00:37:49,940

And there are sites that explore common symptoms of abductees.

527

00:37:50,040 --> 00:37:53,940

Ask yourself if you've ever experienced missing time.

528

00:37:54,040 --> 00:37:59,940

Head unusual nosebleeds, experienced sleep disorders, or dreamt of catastrophes.

529

00:38:00,040 --> 00:38:03,940

According to this site, you may have been abducted.

530

00:38:04,040 --> 00:38:13,940

As the information increases and the victims continue to come forward, alien abductions can no longer be dismissed as mere hallucinations.

531

00:38:14,940 --> 00:38:19,840

Some people's experiences can truly be described as abductions.

532

00:38:19,940 --> 00:38:24,840

I've seen many, many cases and worked for two years before I said, look, there's a mystery here.

533

00:38:24,940 --> 00:38:28,840

I can't explain this. There's something like what they're saying seems to be happening to them.

534

00:38:28,940 --> 00:38:33,840

And for the taken, it is becoming imperative to share their stories.

535

00:38:33,940 --> 00:38:40,840

I was blinded by these lights. I was frozen to the spot. I didn't know what was happening.

536

00:38:40,840 --> 00:38:46,740

And he could see a group of men standing in the window looking down at him.

537

00:38:46,840 --> 00:38:53,740

And at that moment, he became fearful. He had the impression they were trying to capture him.

538

00:38:54,840 --> 00:38:59,740

To some, these ETs strictly come in peace with warnings for our future.

539

00:38:59,840 --> 00:39:06,740

I started getting these thoughts in my head that didn't seem to belong to me.

540

00:39:06,740 --> 00:39:13,640

I'm supposed to take this message and take this possible future and do something about it.

541

00:39:13,740 --> 00:39:26,640

The message is, wake up, grow up. The sandbox that you're littering is not your own.

542

00:39:26,740 --> 00:39:32,640

Other experts contend that man is the subject of alien research.

543

00:39:32,640 --> 00:39:36,540

I mean, this is terror. You're being kidnapped. You don't know what's going to happen.

544

00:39:36,640 --> 00:39:49,540

We're told that the human experience, the human race, as we have known it, is becoming, or seem to be, non-viable, not extinct.

545

00:39:49,640 --> 00:39:51,540

We can't survive.

546

00:39:51,640 --> 00:39:57,540

They're trying to not only help out their race, but help out us in case we can't live in this environment anymore.

547

00:39:58,540 --> 00:40:05,440

In a more disturbing trend, abductees describe being subjected to cruel and shocking experiments.

548

00:40:05,540 --> 00:40:12,440

They were doing something to my ear. My brain was jammed and I couldn't function.

549

00:40:12,540 --> 00:40:18,440

It was maybe six or eight inches long. It was a cylinder type thing. It was like a drill.

550

00:40:20,540 --> 00:40:22,440

And it was very painful.

551

00:40:22,440 --> 00:40:25,340

I didn't take the days to do my things.

552

00:40:29,440 --> 00:40:34,340

And I cried and I tell them it's hurting. It's hurting. It hurts. It's hurting. It hurts.

553

00:40:34,440 --> 00:40:38,340

And it was not a fun experience. This is not something I would wish on anybody.

554

00:40:38,440 --> 00:40:43,340

And some fear they are under constant extraterrestrial surveillance.

555

00:40:43,440 --> 00:40:50,340

And there have been many thousands of people coming forward that say they've been implanted.

556

00:40:50,340 --> 00:40:56,240

Triangle in the hand is like an identification for them. It's indented. You can feel this. It's obvious.

557

00:40:56,340 --> 00:41:00,240

I hate what they do to me. I hate what they do to my mind. I hate what they do to my body.

558

00:41:00,340 --> 00:41:05,240

If you are tagged, then they will find you. It doesn't matter where you go. You can go anywhere you want to.

559

00:41:05,340 --> 00:41:08,240

But the world is round. You cannot hide.

560

00:41:08,340 --> 00:41:14,240

If so, what does this mean for the future relationship between man and the stars?

561

00:41:14,240 --> 00:41:20,140

Until that time, we can only wonder at what extraterrestrials have in mind for us.

562

00:41:20,240 --> 00:41:25,140

The alien agenda remains an unexplained mystery.

563

00:41:44,240 --> 00:41:47,140

All because he had a warehouse full of bodies.

564

00:41:47,240 --> 00:41:48,140

We didn't believe it.

565

00:41:48,240 --> 00:41:51,140

Crime stories tomorrow and eight only on Bio.
