

1

00:00:00,000 --> 00:00:06,000

The first UFO sighting was recorded in 12,000 BC.

2

00:00:06,000 --> 00:00:14,000

Since then, people across the world have claimed to see flying saucers, terrifying abductions, and frightening alien beings.

3

00:00:14,000 --> 00:00:25,000

Many believe that these close encounters were all lies, but then, a mysterious book surfaced in the 1980s, the Blue Planet Project.

4

00:00:25,000 --> 00:00:35,000

It revealed and alleged sinister government cover-up about alien visitations and a government plan to cooperate with the alien races.

5

00:00:35,000 --> 00:00:40,000

There are projects where human and extraterrestrials are working side by side.

6

00:00:40,000 --> 00:00:45,000

Some people believe that within its pages is the ultimate alien survival guide.

7

00:00:45,000 --> 00:00:49,000

It literally is a fly of UFO conspiracy.

8

00:00:49,000 --> 00:00:50,000

We should be terrified.

9

00:00:50,000 --> 00:00:56,000

Join us as the Blue Planet Project is Unsealed.

10

00:00:56,000 --> 00:00:58,000

A global effort has begun.

11

00:00:58,000 --> 00:01:06,000

Secret files hidden from the public for decades detailing every UFO account are now available to the public.

12

00:01:06,000 --> 00:01:11,000

We are about to uncover the truth behind these classified documents.

13

00:01:11,000 --> 00:01:15,000

Find out what the government doesn't want you to know.

14

00:01:15,000 --> 00:01:18,000

Unsealed. Alien files.

15

00:01:18,000 --> 00:01:23,000

Exposing the biggest secrets on planet Earth.

16

00:01:23,000 --> 00:01:34,000

The Blue Planet Project outlines 160 different alien races, alien technology, experimentation, and underground installations.

17

00:01:34,000 --> 00:01:38,000

All this pointing to a massive government cover-up.

18

00:01:38,000 --> 00:01:44,000

If the Blue Planet Project is real, then that wildly changes our sense of the universe.

19

00:01:44,000 --> 00:01:46,000

It will de-center us.

20

00:01:46,000 --> 00:01:49,000

What if the Blue Planet Project is true?

21

00:01:49,000 --> 00:01:52,000

What if there is a secret government alien cover-up?

22

00:01:52,000 --> 00:01:57,000

Just when did it all begin?

23

00:01:57,000 --> 00:02:00,000

July 16, 1945.

24

00:02:00,000 --> 00:02:04,000

35 miles southeast of Socorro, New Mexico.

25

00:02:04,000 --> 00:02:12,000

Shortly before 5.30 a.m. local time, a large explosion sends shock waves throughout the Southwest United States.

26

00:02:12,000 --> 00:02:18,000

The blast reaches two miles in diameter and flattens five square miles of wasteland.

27

00:02:18,000 --> 00:02:25,000

The Trinity Nuclear Test is detonated and it marks the beginning of the atomic age.

28

00:02:25,000 --> 00:02:33,000

The projects like Trinity and even the Hiroshima and Nagasaki bombings created such a huge impact,

29

00:02:33,000 --> 00:02:37,000

not only on our world, but to anyone who would be able to see our world from far away.

30

00:02:37,000 --> 00:02:42,000

Because these explosions were so massive, it's very clearly seen from space.

31

00:02:42,000 --> 00:02:46,000

If you're in any proximity to our planet, you would have noticed this.

32

00:02:46,000 --> 00:02:50,000

Since the 1940s, when we first started doing nuclear testing,

33

00:02:50,000 --> 00:02:56,000

UFOs all of a sudden appeared and were very interested in the types of energy discharges that were taking place.

34

00:02:56,000 --> 00:02:59,000

July 8, 1947.

35

00:02:59,000 --> 00:03:06,000

Almost two years to the day after the Trinity Test, and only about 150 miles from the test site,

36

00:03:06,000 --> 00:03:11,000

one of the biggest and most widely known UFO events was about to unfold.

37

00:03:11,000 --> 00:03:14,000

Why would the aliens go to Roswell?

38

00:03:14,000 --> 00:03:17,000

You look at what the Roswell Army Air Force Base was.

39

00:03:17,000 --> 00:03:23,000

The 29 bombers that dropped nuclear weapons over Hiroshima and Nagasaki.

40

00:03:23,000 --> 00:03:28,000

It was the home base, the first nuclear weapons base.

41

00:03:28,000 --> 00:03:35,000

Could the heat which emanated from the detonation have given alien nations a telltale sign of advanced human activity on Earth?

42

00:03:36,000 --> 00:03:38,000

These aliens didn't come looking for us.

43

00:03:38,000 --> 00:03:41,000

We ultimately called out to them by detonating these nuclear weapons.

44

00:03:41,000 --> 00:03:45,000

So ultimately, whatever happens to us is kind of our own fault.

45

00:03:45,000 --> 00:03:50,000

The connection between our use of atomic weapons and first contact would not be made

46

00:03:50,000 --> 00:03:55,000

until the mysterious Blue Planet Project book surfaced more than 30 years later.

47

00:03:55,000 --> 00:03:59,000

The book reveals the truth behind secret experimentation, abductions,

48

00:03:59,000 --> 00:04:03,000

and the rise of underground alien cities that had already been carried out.

49

00:04:03,000 --> 00:04:06,000

And all of this without the public's knowledge.

50

00:04:06,000 --> 00:04:11,000

The Blue Planet Project is a compilation of notes from somebody who had seen

51

00:04:11,000 --> 00:04:15,000

some inner workings of the alien and government infrastructure.

52

00:04:15,000 --> 00:04:20,000

It literally is the holy grail, the fiber of UFO conspiracy.

53

00:04:20,000 --> 00:04:25,000

Some UFO theorists believe it was written by scientist Jefferson Sousa.

54

00:04:25,000 --> 00:04:30,000

Sousa was said to be involved in highly covert, top secret projects.

55

00:04:30,000 --> 00:04:35,000

It is believed that his government clearance allowed him access to all military secrets.

56

00:04:35,000 --> 00:04:40,000

He put everything into this document detailing over 160 species of aliens that were visiting Earth,

57

00:04:40,000 --> 00:04:46,000

detailing why they were mutilating cattle, explaining why they were abducting humans.

58

00:04:46,000 --> 00:04:49,000

But Sousa himself has never been found.

59

00:04:50,000 --> 00:04:55,000

No one's been able to really talk to, find, or verify that Jefferson Sousa even existed.

60

00:04:55,000 --> 00:05:00,000

Whether or not he worked for the government or military, there's been no evidence that's ever surfaced.

61

00:05:00,000 --> 00:05:06,000

We hear stories of people who chose to be a whistleblower and come out of some classified project

62

00:05:06,000 --> 00:05:10,000

and raise their hand and say, yes, I was working on a UFO, and then they disappear.

63

00:05:10,000 --> 00:05:16,000

You can't talk about it, because if you do, you will die.

64

00:05:16,000 --> 00:05:22,000

And that's the whole premise of what one scientist says about the Blue Planet Project.

65

00:05:22,000 --> 00:05:25,000

He's a world scientist right from this committee.

66

00:05:25,000 --> 00:05:29,000

No one can deny that the stories have a terrifying message,

67

00:05:29,000 --> 00:05:33,000

and if proven true, we'll change the course of mankind's future forever.

68

00:05:33,000 --> 00:05:38,000

But as we delve deeper into the document, we uncover a more sinister plot.

69

00:05:38,000 --> 00:05:45,000

Coming up next, the Blue Planet Project exposes a supposed government cover-up of epic proportions,

70

00:05:45,000 --> 00:05:49,000

an underground base where the unthinkable is carried out,

71

00:05:49,000 --> 00:05:54,000

and a shadow government that will do anything to silence those who know the truth.

72

00:05:54,000 --> 00:06:01,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

73

00:06:03,000 --> 00:06:07,000

Welcome back to Unsealed Alien Files.

74

00:06:07,000 --> 00:06:10,000

Do we finally have an answer to the alien question?

75

00:06:10,000 --> 00:06:14,000

Are we alone or are aliens secretly walking among us?

76

00:06:14,000 --> 00:06:19,000

30 years after incidents at Roswell, a mysterious book surfaces,

77

00:06:19,000 --> 00:06:23,000

revealing secrets that shock its believers to the very core.

78

00:06:23,000 --> 00:06:26,000

A UFO crashed in Roswell in 1947.

79

00:06:26,000 --> 00:06:31,000

We recovered technology, we recovered alien bodies, we recovered a live alien,

80

00:06:31,000 --> 00:06:34,000

a living extraterrestrial entity.

81

00:06:34,000 --> 00:06:36,000

What do we do with this?

82

00:06:36,000 --> 00:06:40,000

Faced with the alien question and the aftermath of World War II,

83

00:06:40,000 --> 00:06:46,000

President Truman signed the National Security Act effectively shielding the public from the truth.

84

00:06:46,000 --> 00:06:49,000

This embargo still exists today.

85

00:06:49,000 --> 00:06:53,000

Unsealed Case Files, the shadow government.

86

00:06:53,000 --> 00:06:57,000

The U.S. government has no evidence that any life exists outside our planet,

87

00:06:57,000 --> 00:07:02,000

or that an extraterrestrial presence has contacted or engaged any member of the human race.

88

00:07:02,000 --> 00:07:08,000

In addition, there is no credible information to suggest that any evidence is being hidden from the public's eye.

89

00:07:08,000 --> 00:07:12,000

We would embargo the truth about the existence of aliens,

90

00:07:12,000 --> 00:07:19,000

our knowledge of them, our working with them, our reverse engineering alien technology.

91

00:07:19,000 --> 00:07:24,000

None of that we would talk about. We would deny, deny, deny.

92

00:07:24,000 --> 00:07:28,000

According to the Blue Planet Project, the U.S. government set out on a journey

93

00:07:28,000 --> 00:07:32,000

to create the biggest cover-up in history while attempting to discover what could be gained

94

00:07:32,000 --> 00:07:36,000

from the technology and weaponry of these strange new beings.

95

00:07:36,000 --> 00:07:39,000

But it was a job they couldn't do alone.

96

00:07:39,000 --> 00:07:45,000

The Blue Planet Project actually explains that there are a collection of secret societies

97

00:07:45,000 --> 00:07:49,000

who've also been looking into this alien topic and potentially masterminding

98

00:07:49,000 --> 00:07:52,000

the whole interaction of aliens visiting Earth.

99

00:07:52,000 --> 00:07:57,000

For the first time in history, the Blue Planet Project puts a name to these secret agencies.

100

00:07:57,000 --> 00:08:04,000

Project Redlight, the covert military subgroup created to test and fly recovered UFOs.

101

00:08:04,000 --> 00:08:10,000

Blue Team, a group that handled the recovery of downed or crashed alien life forms.

102

00:08:10,000 --> 00:08:18,000

And Project Delta, a security team and task force more commonly known as the Men in Black.

103

00:08:18,000 --> 00:08:22,000

But no group is more notorious than the one behind all the others.

104

00:08:22,000 --> 00:08:27,000

The infamous Magic Group, also known as MJ-12.

105

00:08:27,000 --> 00:08:32,000

I think the closest to a secret society that's keeping the lid on the UFO cover-up

106

00:08:32,000 --> 00:08:35,000

would be the Majestic-12 Organization.

107

00:08:35,000 --> 00:08:40,000

The MJ-12 was basically formed out of the NSO National Security Organization

108

00:08:40,000 --> 00:08:45,000

as a means to deal with this interaction with extraterrestrials or inter-dimensionals

109

00:08:45,000 --> 00:08:47,000

that were interacting with us.

110

00:08:47,000 --> 00:08:52,000

Their response was to come up with a commission of people to interact with these things

111

00:08:52,000 --> 00:08:54,000

and make all the decisions.

112

00:08:54,000 --> 00:08:58,000

All the decisions of what happened between alien and human interaction left to 12 people.

113

00:08:58,000 --> 00:09:00,000

If that's true, that's scary.

114

00:09:00,000 --> 00:09:03,000

According to the author of the Blue Planet Project,

115

00:09:03,000 --> 00:09:08,000

MJ-12 is comprised of scientists, military leaders and government officials,

116

00:09:08,000 --> 00:09:13,000

including luminaries such as former U.S. Defense Secretary James Forrestal.

117

00:09:13,000 --> 00:09:18,000

If the document is proven true, this group was able to hide the alien reality from the public

118

00:09:18,000 --> 00:09:23,000

and lay the groundwork for a hidden agenda that continues to this day.

119

00:09:23,000 --> 00:09:28,000

To keep the truth secrets, MJ-12 has been implicated by UFO theorists

120

00:09:28,000 --> 00:09:32,000

in everything from covering up Roswell to countless alleged murders,

121

00:09:32,000 --> 00:09:38,000

disappearances and so-called accidents of those considered a threat to national security.

122

00:09:38,000 --> 00:09:41,000

Even if those threats were their own members,

123

00:09:41,000 --> 00:09:47,000

leading UFO specialists point to former Secretary of Defense James Forrestal.

124

00:09:47,000 --> 00:09:51,000

Report states President Truman himself asked Forrestal to step down

125

00:09:51,000 --> 00:09:55,000

when he openly objected to the secrecy about the alien problem.

126

00:09:55,000 --> 00:10:01,000

On the morning of May 22nd, 1949, James Forrestal was found dead

127

00:10:01,000 --> 00:10:06,000

after plunging mysteriously from the 16th floor of his hospital room.

128

00:10:06,000 --> 00:10:10,000

The official report declared only that he had died from a fall.

129

00:10:10,000 --> 00:10:15,000

To this day, the government has categorically denied the existence of MJ-12,

130

00:10:15,000 --> 00:10:22,000

but recently two documents have surfaced claiming that MJ-12 and their hidden agenda is very real.

131

00:10:22,000 --> 00:10:26,000

They've actually found the evidence that these secret groups do exist

132

00:10:26,000 --> 00:10:31,000

and that they are operational and they're doing exactly the job they're designed to do.

133

00:10:31,000 --> 00:10:36,000

Keep the UFO secret while investigating UFO technology.

134

00:10:36,000 --> 00:10:39,000

I don't need to believe it. The evidence is there.

135

00:10:39,000 --> 00:10:43,000

It is evidence sustainable in a court of law.

136

00:10:43,000 --> 00:10:47,000

But the most disturbing piece of information hidden within the document

137

00:10:47,000 --> 00:10:50,000

points to an unimaginable possibility.

138

00:10:50,000 --> 00:10:57,000

In the 40s, there were reports where actual coordinated landings of extraterrestrials

139

00:10:57,000 --> 00:11:02,000

took place with our U.S. Air Force and certain treaties were actually formed

140

00:11:02,000 --> 00:11:08,000

with various alien races, where they agreed to give us access to technology.

141

00:11:08,000 --> 00:11:12,000

And the reason I really do believe that we have some sort of interaction with these species

142

00:11:12,000 --> 00:11:17,000

is during the time of those experiments, our industry skyrocketed

143

00:11:17,000 --> 00:11:21,000

starting in like the, you know, 1945, 1947.

144

00:11:21,000 --> 00:11:23,000

A lot of people say, yeah, it's because of the war.

145

00:11:23,000 --> 00:11:26,000

But we're talking about technologies that hadn't existed before.

146

00:11:26,000 --> 00:11:28,000

How did that happen?

147

00:11:28,000 --> 00:11:32,000

We have access to these extraterrestrials to help us with our technology,

148

00:11:32,000 --> 00:11:35,000

but what are we giving them?

149

00:11:35,000 --> 00:11:42,000

Next, we find out what our government allegedly traded for the secrets to advanced alien technology.

150

00:11:42,000 --> 00:11:46,000

What was that agreement? Whose base really is this?

151

00:11:46,000 --> 00:11:50,000

And finally get a glimpse of who or what is behind it all.

152

00:11:50,000 --> 00:11:53,000

Large bulbous eyes, bald head.

153

00:11:53,000 --> 00:11:56,000

They are beings that come and take you in the night.

154

00:11:56,000 --> 00:12:00,000

This is Unsealed Alien Files.

155

00:12:00,000 --> 00:12:05,000

Exposing the biggest secret on planet Earth.

156

00:12:05,000 --> 00:12:09,000

Welcome back to Unsealed Alien Files.

157

00:12:09,000 --> 00:12:11,000

Are there aliens among us?

158

00:12:11,000 --> 00:12:14,000

If so, where did they come from and what do they want?

159

00:12:14,000 --> 00:12:19,000

More than two decades ago, a frightening document began circulating within the UFO community,

160

00:12:19,000 --> 00:12:24,000

outlining extraterrestrials living covertly on our planet.

161

00:12:24,000 --> 00:12:27,000

The book is known as the Blue Planet Project.

162

00:12:27,000 --> 00:12:35,000

The document describes more than 150 species of aliens that have visited or are visiting our planet at this time.

163

00:12:35,000 --> 00:12:41,000

More chilling is how the document describes the alien races in great detail.

164

00:12:42,000 --> 00:12:46,000

Almost as if the author had been on the inside.

165

00:12:46,000 --> 00:12:50,000

The Blue Planet Project talks about over 150 species of aliens visiting Earth.

166

00:12:50,000 --> 00:12:53,000

They start with the grays, the Nordics, and even the reptoids.

167

00:12:53,000 --> 00:12:58,000

Just like here on Earth, we have different species and also different races and humanity.

168

00:12:58,000 --> 00:13:04,000

And we know that many different people who have been abducted describe variations what we call the gray.

169

00:13:04,000 --> 00:13:13,000

These spindly limbs, small beings, usually three to four feet in height, large bulbous heads, black, omen-shaped eyes.

170

00:13:13,000 --> 00:13:17,000

And it seems very interesting that they all seem to look alike.

171

00:13:17,000 --> 00:13:22,000

What happens next depends on the story you listen to, whether or not it be a violent experiment,

172

00:13:22,000 --> 00:13:27,000

or maybe just a kind of a ride around the planet in a spaceship.

173

00:13:27,000 --> 00:13:30,000

Those are the ones that you hear about the most.

174

00:13:30,000 --> 00:13:36,000

Other malevolent species described in the book include the underwater dwelling regelions and reptoids.

175

00:13:36,000 --> 00:13:45,000

The Blue Planet Project describes these beings as perilous creatures, some requiring human blood and fluids to survive.

176

00:13:45,000 --> 00:13:50,000

According to the Blue Planet Project, not all species of aliens want human annihilation.

177

00:13:50,000 --> 00:13:57,000

There are the Nordics, a tall human-like race who are reportedly peaceful and want only human salvation.

178

00:13:57,000 --> 00:14:08,000

And yet, the variety of species described in the book begs the question of how so many extraterrestrials could exist in and around Earth without our knowledge.

179

00:14:08,000 --> 00:14:15,000

The Blue Planet Project book tells us not only what it is these strange creatures are hiding, but where.

180

00:14:15,000 --> 00:14:19,000

Unsealed case files, the Dulce Base.

181

00:14:19,000 --> 00:14:29,000

In or near Dulce, New Mexico, there are reports of a vast underground facility, a secret base with a number of levels that are very, very secret.

182

00:14:29,000 --> 00:14:39,000

If the theorists are right, buried underneath the Hickory Apache Indian Reservation is a hidden city built for extraterrestrials to operate unnoticed by the public,

183

00:14:39,000 --> 00:14:43,000

but side by side with our very own government.

184

00:14:43,000 --> 00:14:51,000

I've been there. When I was out there, I got to spend time with the Hickory Apache Nation, and all of them had very strange stories to tell.

185

00:14:51,000 --> 00:15:00,000

Unexplained lights and unexplained UFOs in the sky. People who have seen weird creatures running around the forest at night.

186

00:15:00,000 --> 00:15:04,000

You have to know that something is going on there.

187

00:15:04,000 --> 00:15:16,000

Seven levels deep and filled with over 18,000 alien beings, this base is reportedly filled with experiments that range from advanced weaponry to the creation of lizard human hybrids.

188

00:15:16,000 --> 00:15:20,000

The deeper you go, pretty much the more secretive it goes.

189

00:15:20,000 --> 00:15:28,000

In some of these levels, the research is more geared towards the extraterrestrials' needs rather than human needs.

190

00:15:28,000 --> 00:15:41,000

We hear projects and things taking place that really are quite disturbing. Potentially a vat of human body parts where these extraterrestrials soak to ingest nutrients through their skin.

191

00:15:41,000 --> 00:15:50,000

Levels where there are in vitro fertilization or test tube versions of extraterrestrials literally being grown.

192

00:15:50,000 --> 00:15:55,000

Are these things actually possibly taking place on a base here on Earth?

193

00:15:55,000 --> 00:16:03,000

According to the Blue Planet Project, this pact between the US military and the alien races allows for human mind control experiments.

194

00:16:03,000 --> 00:16:08,000

Alien housing, genetic testing, and cold storage of humanoids.

195

00:16:08,000 --> 00:16:16,000

What it would come down to is it depends on what the actual pact was between our military and this race of extraterrestrials. What was that agreement?

196

00:16:16,000 --> 00:16:21,000

Whose base really is this? Did we have a choice in the pact or were we forced to do it?

197

00:16:21,000 --> 00:16:29,000

We also set story on exactly how this transpired. The only part of the conspiracy that's really out there is that it transpired.

198

00:16:29,000 --> 00:16:37,000

We agreed to let them abduct a certain percentage of our population for medical research, for experiments that they were interested in.

199

00:16:37,000 --> 00:16:44,000

Now what happened was that they broke that treaty and started to abduct many more people than we had originally agreed to.

200

00:16:44,000 --> 00:16:50,000

Tales of experimentation recount stories of pain, torture, and never-ending fear.

201

00:16:50,000 --> 00:17:00,000

These are human abductees we're talking about. And if the Blue Planet Project is right, then this could be anyone including my family, your family, no one's safe.

202

00:17:00,000 --> 00:17:07,000

But what was the purpose of this experimentation? The Blue Planet Project book provides an unsettling answer.

203

00:17:07,000 --> 00:17:16,000

As the author of the Blue Planet Project tells us, there are various reasons for these abductions, but the most important one does seem to be reproduction.

204

00:17:16,000 --> 00:17:22,000

We have aliens abducting us and doing all these experiments, including interbreeding with humans. Why would they do that?

205

00:17:22,000 --> 00:17:31,000

Why breed a human and an alien together? And the only answer that I can come up with, and that seems very evident in this book, is they're trying to keep their species alive.

206

00:17:31,000 --> 00:17:33,000

They're trying to reproduce.

207

00:17:33,000 --> 00:17:39,000

But the real concern may be what will be done with the human race once they find what they need from us.

208

00:17:39,000 --> 00:17:46,000

When we come back, if the Blue Planet Project recounts the truth, then what does that mean for the human race?

209

00:17:46,000 --> 00:17:52,000

Does the secret alien agenda for mankind involve cooperation or extinction?

210

00:17:52,000 --> 00:17:57,000

And what is the government planning that every human on Earth needs to prepare for?

211

00:17:57,000 --> 00:18:05,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

212

00:18:06,000 --> 00:18:19,000

The Blue Planet Project book recounts horrifying tales of human abduction and experimentation, but most terrifying may be the aliens' final solution for mankind once their research is finished.

213

00:18:19,000 --> 00:18:29,000

Thank you, but from a purely logical point of view, this singularity-born consciousness realizes what's really the infestation on planet Earth.

214

00:18:29,000 --> 00:18:33,000

Who would you go after to eliminate its human beings?

215

00:18:33,000 --> 00:18:40,000

If the Blue Planet Project is right, we have a huge revolution coming, and we need our government to give us full disclosure.

216

00:18:40,000 --> 00:18:58,000

The Blue Planet Project, a real-life alien survival guide, it might hold the tools to keep you alive, but only if you believe this is Unsealed Alien Files, exposing the biggest secret on planet Earth.

217

00:19:03,000 --> 00:19:05,000

Unsealed Alien Files
