

1

00:00:00,000 --> 00:00:05,000

Los Angeles, California, known for Hollywood, Disneyland,

2

00:00:05,000 --> 00:00:10,000

and as America's most famous UFO hotspots.

3

00:00:10,000 --> 00:00:12,000

Los Angeles is a major UFO hotspot.

4

00:00:12,000 --> 00:00:16,000

The activity here is constant and seems to be escalating.

5

00:00:16,000 --> 00:00:23,000

From the 1800s to one of the most deadly UFO battles of all time,

6

00:00:23,000 --> 00:00:27,000

the Southern California Metropolis experiences it all,

7

00:00:28,000 --> 00:00:32,000

including lights in the sky and unexplained objects in the ocean.

8

00:00:32,000 --> 00:00:35,000

These sightings mystify the city to this day.

9

00:00:35,000 --> 00:00:38,000

Are they truly coming from the heavens above,

10

00:00:38,000 --> 00:00:42,000

or is there something off the coast of California that we have yet to discover?

11

00:00:42,000 --> 00:00:46,000

What do they want? Why are they here?

12

00:00:46,000 --> 00:00:52,000

The answers to these questions will change the way we see the city of angels forever.

13

00:00:52,000 --> 00:00:56,000

Join us as the shocking source of LA's alien invasion.

14

00:00:57,000 --> 00:01:01,000

Is Unsealed

15

00:01:01,000 --> 00:01:03,000

A global effort has begun.

16

00:01:03,000 --> 00:01:06,000

Secret files hidden from the public for decades,

17

00:01:06,000 --> 00:01:11,000

detailing every UFO account, are now available to the public.

18

00:01:11,000 --> 00:01:15,000

We are about to uncover the truth behind these classified documents.

19

00:01:15,000 --> 00:01:19,000

Find out what the government doesn't want you to know.

20

00:01:19,000 --> 00:01:20,000

Unsealed.

21

00:01:20,000 --> 00:01:22,000

Alien files.

22

00:01:22,000 --> 00:01:26,000

Exposing the biggest secret on planet Earth.

23

00:01:31,000 --> 00:01:33,000

November 1896.

24

00:01:33,000 --> 00:01:37,000

Seven years before the Wright brothers achieved human flight.

25

00:01:37,000 --> 00:01:42,000

Los Angeles is a small mining community of 50,000 people.

26

00:01:42,000 --> 00:01:47,000

When local newspapers report mysterious sightings in the skies of California,

27

00:01:47,000 --> 00:01:51,000

it is the beginning of a phenomenon.

28

00:01:51,000 --> 00:01:54,000

People were scared with what they were reading in the newspapers

29

00:01:54,000 --> 00:01:56,000

and even seeing in the skies above their heads.

30

00:01:56,000 --> 00:02:00,000

Because again, you didn't have anything to compare it to.

31

00:02:00,000 --> 00:02:06,000

They are described as metallic, featureless objects nearly 125 feet long

32

00:02:06,000 --> 00:02:09,000

that hover in the night sky.

33

00:02:09,000 --> 00:02:12,000

The sightings soon move down the California coastline

34

00:02:12,000 --> 00:02:16,000

to the budding metropolis of Los Angeles.

35

00:02:16,000 --> 00:02:19,000

This happened years before LAX was ever a dream.

36

00:02:19,000 --> 00:02:21,000

Human flight had not even taken place yet.

37

00:02:21,000 --> 00:02:25,000

Whatever was in the skies above our heads was absolutely unexplainable.

38

00:02:25,000 --> 00:02:30,000

This started a gigantic UFO wave, which involved not only sightings,

39

00:02:30,000 --> 00:02:37,000

but UFOs chasing cars down the road, UFOs landing, a number of abduction cases.

40

00:02:37,000 --> 00:02:43,000

It was really an extraordinary UFO wave of pretty much unprecedented proportions.

41

00:02:43,000 --> 00:02:48,000

Sightings and accounts of attempted alien abduction are rampant until 1896.

42

00:02:50,000 --> 00:02:53,000

But the phenomenon exists to this day.

43

00:03:02,000 --> 00:03:05,000

June 14, 1992.

44

00:03:05,000 --> 00:03:09,000

Police switchboards in Los Angeles are flooded with calls,

45

00:03:09,000 --> 00:03:12,000

describing a very unusual sighting.

46

00:03:20,000 --> 00:03:24,000

I'm an elegant, high-temperate, walkway, just my life.

47

00:03:24,000 --> 00:03:28,000

Normally when someone sees a UFO, there's maybe one or two UFOs.

48

00:03:28,000 --> 00:03:31,000

What's really unique about this situation in Topanga Canyon

49

00:03:31,000 --> 00:03:34,000

is the number of UFOs that were seen.

50

00:03:34,000 --> 00:03:38,000

I'm not talking 10 or 20, we're talking literally hundreds.

51

00:03:41,000 --> 00:03:45,000

Encountering multiple UFOs is a very rare occurrence.

52

00:03:45,000 --> 00:03:50,000

But what truly makes the sighting unique is how common it is in Los Angeles.

53

00:03:50,000 --> 00:03:54,000

There are regions on this planet that seem to be a magnet for UFO sightings.

54

00:03:54,000 --> 00:03:58,000

In a short period of time, hundreds, if not sometimes thousands of cases,

55

00:03:58,000 --> 00:04:02,000

are reported. We call these UFO hotspots.

56

00:04:02,000 --> 00:04:05,000

These hotspots span the globe,

57

00:04:05,000 --> 00:04:07,000

Beijing, China,

58

00:04:07,000 --> 00:04:09,000

Brussels, Belgium,

59

00:04:09,000 --> 00:04:11,000

Washington, D.C.

60

00:04:12,000 --> 00:04:15,000

And Los Angeles, California.

61

00:04:15,000 --> 00:04:18,000

Los Angeles is a major UFO hotspot.

62

00:04:18,000 --> 00:04:21,000

The National UFO Reporting Service in Washington,

63

00:04:21,000 --> 00:04:23,000

the mutual UFO network,

64

00:04:23,000 --> 00:04:25,000

each receive reports on a daily basis.

65

00:04:25,000 --> 00:04:30,000

We've got over 5,000 reports for California alone.

66

00:04:30,000 --> 00:04:34,000

But one element makes LA unlike any other hotspot on the globe.

67

00:04:34,000 --> 00:04:38,000

A history of encounters occurring from Los Angeles to Long Beach

68

00:04:38,000 --> 00:04:40,000

and out to Catalina Island.

69

00:04:40,000 --> 00:04:43,000

Together, these locations form an activity-rich area

70

00:04:43,000 --> 00:04:47,000

that has become known as the Devil's Triangle of the West.

71

00:04:47,000 --> 00:04:50,000

UFO sightings over Los Angeles have occurred

72

00:04:50,000 --> 00:04:53,000

pretty much since the inception of Los Angeles as the city itself.

73

00:04:53,000 --> 00:04:55,000

They started in the late 19th century,

74

00:04:55,000 --> 00:04:58,000

and they continue all the way to this day.

75

00:04:58,000 --> 00:05:02,000

Now that Los Angeles is this huge, sprawling, megalopolis,

76

00:05:02,000 --> 00:05:07,000

we are having tens of thousands of reports of UFOs coming in.

77

00:05:07,000 --> 00:05:09,000

So many that we can't handle.

78

00:05:09,000 --> 00:05:12,000

But one event in particular made worldwide history,

79

00:05:12,000 --> 00:05:15,000

the night we went to war with a UFO.

80

00:05:15,000 --> 00:05:20,000

Coming up next, the Battle of Los Angeles has just begun,

81

00:05:20,000 --> 00:05:24,000

revealing the most crucial evidence of a UFO conflict in our history.

82

00:05:24,000 --> 00:05:28,000

This is the first time that the US military has opened fire on a UFO.

83

00:05:28,000 --> 00:05:31,000

We did not know what this object was.

84

00:05:31,000 --> 00:05:35,000

And possibly exposing the true purpose of this hotspot.

85

00:05:36,000 --> 00:05:39,000

How do UFOs get back and forth from outer space?

86

00:05:39,000 --> 00:05:43,000

The answer is they don't. They're right here in LA.

87

00:05:43,000 --> 00:05:47,000

This is Unsealed Alien Files,

88

00:05:47,000 --> 00:05:50,000

exposing the biggest secret on planet Earth.

89

00:05:52,000 --> 00:05:56,000

Welcome back to Unsealed Alien Files.

90

00:05:56,000 --> 00:06:00,000

Widespread sightings from the 1800s to the present

91

00:06:00,000 --> 00:06:03,000

have earned Los Angeles, California the unique title

92

00:06:03,000 --> 00:06:06,000

of a UFO hotspot.

93

00:06:06,000 --> 00:06:09,000

Where are these craft coming from?

94

00:06:09,000 --> 00:06:12,000

But why is this sprawling metropolis

95

00:06:12,000 --> 00:06:14,000

the second largest city in the US

96

00:06:14,000 --> 00:06:17,000

victim of an apparent alien invasion?

97

00:06:17,000 --> 00:06:21,000

The answer dates back over 50 years.

98

00:06:23,000 --> 00:06:27,000

Unsealed Case Files, the Battle of Los Angeles.

99

00:06:27,000 --> 00:06:30,000

February 25, 1942,

100

00:06:30,000 --> 00:06:33,000

only three months after the attack on Pearl Harbor,

101

00:06:33,000 --> 00:06:36,000

the city of Los Angeles is on the razor's edge.

102

00:06:36,000 --> 00:06:39,000

We had just entered World War II.

103

00:06:39,000 --> 00:06:43,000

Los Angeles was fearing another Pearl Harbor type attack,

104

00:06:43,000 --> 00:06:48,000

but in Los Angeles itself, people were afraid they were next.

105

00:06:50,000 --> 00:06:54,000

But on the night of February 25th, their fears become a reality.

106

00:06:54,000 --> 00:06:56,000

Suddenly in the dead of night,

107

00:06:56,000 --> 00:07:01,000

100,000 people are awakened in a startling city-wide blackout.

108

00:07:02,000 --> 00:07:04,000

Air raids sirens begin to blow,

109

00:07:04,000 --> 00:07:06,000

and citizens emerge from their homes

110

00:07:06,000 --> 00:07:09,000

to witness something in the skies over Los Angeles.

111

00:07:09,000 --> 00:07:12,000

The city appears to be under attack.

112

00:07:12,000 --> 00:07:15,000

Nobody knows what this unidentified object is,

113

00:07:15,000 --> 00:07:18,000

and the military steps in and does what it does best.

114

00:07:18,000 --> 00:07:20,000

It tries to bring it down.

115

00:07:20,000 --> 00:07:21,000

And the aircraft's gone,

116

00:07:21,000 --> 00:07:23,000

one into action against unidentified aircraft

117

00:07:23,000 --> 00:07:25,000

in the Los Angeles area.

118

00:07:25,000 --> 00:07:28,000

Good slides closely follow the object down the coast

119

00:07:28,000 --> 00:07:30,000

and kept it centered in their glare.

120

00:07:30,000 --> 00:07:32,000

The military conversion on the scene,

121

00:07:32,000 --> 00:07:34,000

they focused searchlights on it,

122

00:07:34,000 --> 00:07:36,000

and they actually tried to shoot it down.

123

00:07:36,000 --> 00:07:38,000

The soldiers at Fort MacArthur

124

00:07:38,000 --> 00:07:41,000

fire more than 1,400 anti-aircraft shells

125

00:07:41,000 --> 00:07:45,000

in a barrage that should cripple even the strongest aircraft.

126

00:07:45,000 --> 00:07:48,000

But the object appears unscathed.

127

00:07:48,000 --> 00:07:51,000

No matter what the military throws at this object,

128

00:07:51,000 --> 00:07:54,000

we can't penetrate whatever is protecting it.

129

00:07:54,000 --> 00:07:56,000

We can't bring it down.

130

00:07:56,000 --> 00:07:59,000

This setting is called the Battle of Los Angeles for a reason.

131

00:07:59,000 --> 00:08:01,000

There was shrapnel falling.

132

00:08:01,000 --> 00:08:04,000

This was a total blackout, so there was a virtual panic.

133

00:08:04,000 --> 00:08:06,000

Actually, five people died.

134

00:08:06,000 --> 00:08:08,000

It was a big, big deal.

135

00:08:08,000 --> 00:08:10,000

This was a state of war we were in.

136

00:08:10,000 --> 00:08:14,000

Watchers could hear the concussion of the guns more clearly,

137

00:08:14,000 --> 00:08:17,000

and the flash of bursting shells was brightened.

138

00:08:17,000 --> 00:08:21,000

Then the ship disappeared for the second time over the ocean.

139

00:08:22,000 --> 00:08:25,000

After 1,400 rounds are fired at this thing,

140

00:08:25,000 --> 00:08:29,000

presumably it was undamaged because it just simply flew away

141

00:08:29,000 --> 00:08:31,000

out of the side of the spotlights.

142

00:08:31,000 --> 00:08:33,000

We were continually shooting at this object

143

00:08:33,000 --> 00:08:36,000

when it just drifted off back to the ocean

144

00:08:36,000 --> 00:08:38,000

over the way that it had arrived.

145

00:08:38,000 --> 00:08:41,000

What invaded Los Angeles that night,

146

00:08:41,000 --> 00:08:43,000

and why couldn't we destroy it?

147

00:08:43,000 --> 00:08:45,000

Was it a Japanese warplane,

148

00:08:45,000 --> 00:08:49,000

or could it have been a craft from another world?

149

00:08:49,000 --> 00:08:52,000

Even today, people will tell you, it never happened.

150

00:08:52,000 --> 00:08:54,000

It was a bunch of people panicking.

151

00:08:54,000 --> 00:08:56,000

Wrong.

152

00:08:56,000 --> 00:08:59,000

Go back to February 1942

153

00:08:59,000 --> 00:09:01,000

and look at the headlines in the LA Times.

154

00:09:01,000 --> 00:09:03,000

It was a real object.

155

00:09:04,000 --> 00:09:08,000

Is this photograph from the next morning's Los Angeles Times

156

00:09:08,000 --> 00:09:13,000

proof that the craft we went to war with was not of earthly origin?

157

00:09:13,000 --> 00:09:15,000

If you look at this photo, you can clearly see

158

00:09:15,000 --> 00:09:18,000

this very large, round glowing object.

159

00:09:18,000 --> 00:09:22,000

You can actually see the rounds of ammunition exploding next to it.

160

00:09:22,000 --> 00:09:25,000

It's a remarkable photograph that shows what's clearly

161

00:09:25,000 --> 00:09:27,000

an unexplained object of some kind.

162

00:09:27,000 --> 00:09:30,000

I think the best theory that we have, honestly,

163

00:09:30,000 --> 00:09:32,000

is an extraterrestrial craft.

164

00:09:34,000 --> 00:09:36,000

The day after the Battle of Los Angeles,

165

00:09:36,000 --> 00:09:39,000

President Franklin D. Roosevelt receives a secret memorandum

166

00:09:39,000 --> 00:09:41,000

detailing the event.

167

00:09:41,000 --> 00:09:43,000

It wasn't until years later, actually,

168

00:09:43,000 --> 00:09:45,000

through the Freedom of Information Act

169

00:09:45,000 --> 00:09:48,000

that we were able to get a copy of this memorandum,

170

00:09:48,000 --> 00:09:52,000

which basically proves that this event did in fact take place.

171

00:09:52,000 --> 00:09:55,000

Shortly after Roosevelt reviews the report,

172

00:09:55,000 --> 00:09:57,000

a statement is released to the general public,

173

00:09:57,000 --> 00:10:00,000

one that tells a different story entirely.

174

00:10:00,000 --> 00:10:04,000

The military can't identify what exactly this object was,

175

00:10:04,000 --> 00:10:07,000

but they had to explain it to the public.

176

00:10:07,000 --> 00:10:10,000

What did they do? They simply claimed it was a balloon.

177

00:10:10,000 --> 00:10:14,000

When you look at how much firepower was thrown at that thing

178

00:10:14,000 --> 00:10:16,000

and nothing touched it,

179

00:10:16,000 --> 00:10:19,000

that's not any type of balloon that exists even today.

180

00:10:19,000 --> 00:10:23,000

So you can't just simply dismiss this event

181

00:10:23,000 --> 00:10:27,000

with the military's explanation because it doesn't make sense.

182

00:10:27,000 --> 00:10:31,000

Countless experts deny that any balloon could withstand such an attack,

183

00:10:31,000 --> 00:10:36,000

but the U.S. military sticks to their explanation to this day.

184

00:10:36,000 --> 00:10:38,000

But for those who were there that night,

185

00:10:38,000 --> 00:10:42,000

the question remains, where did the craft come from

186

00:10:42,000 --> 00:10:44,000

and where did it go?

187

00:10:44,000 --> 00:10:47,000

In the decade to come, demands for an explanation

188

00:10:47,000 --> 00:10:50,000

would be met with government silence.

189

00:10:50,000 --> 00:10:53,000

In 1947, Truman signed the National Security Act,

190

00:10:53,000 --> 00:10:56,000

which essentially concealed events like this

191

00:10:56,000 --> 00:11:00,000

and potentially future UFO events from the public's eye.

192

00:11:00,000 --> 00:11:03,000

It wouldn't be until over a decade later

193

00:11:03,000 --> 00:11:06,000

that a charismatic young president would take office

194

00:11:06,000 --> 00:11:09,000

and demand that the truth be made public,

195

00:11:09,000 --> 00:11:14,000

a demand that may have cost him his life.

196

00:11:14,000 --> 00:11:18,000

Coming up next, military officials expose an incident

197

00:11:18,000 --> 00:11:22,000

taking alien contact in Southern California to the next level

198

00:11:22,000 --> 00:11:27,000

and evidence that the 1942 Battle of Los Angeles may not be our last,

199

00:11:27,000 --> 00:11:32,000

a secret so shocking the government may kill for it.

200

00:11:32,000 --> 00:11:36,000

This is Unsealed Alien Files,

201

00:11:36,000 --> 00:11:41,000

exposing the biggest secret on planet Earth.

202

00:11:41,000 --> 00:11:45,000

Welcome back to Unsealed Alien Files.

203

00:11:45,000 --> 00:11:49,000

Since 1896, rampant sightings of unidentified objects

204

00:11:49,000 --> 00:11:53,000

have caused Los Angeles to be known worldwide as a UFO hotspot.

205

00:11:53,000 --> 00:11:57,000

LA's most famous encounter took place in 1942,

206

00:11:57,000 --> 00:12:01,000

when the city witnessed a military attempt to gun down an unknown craft.

207

00:12:01,000 --> 00:12:05,000

But the true identity of who invaded California skies that night

208

00:12:05,000 --> 00:12:08,000

has never been revealed.

209

00:12:08,000 --> 00:12:11,000

You're John Fitzgerald Kennedy, who solemnly swear.

210

00:12:11,000 --> 00:12:14,000

I, John Fitzgerald Kennedy, who solemnly swear

211

00:12:14,000 --> 00:12:19,000

that I will face the lead execute the office of president of the United States.

212

00:12:19,000 --> 00:12:22,000

Two decades later, newly elected president John F. Kennedy

213

00:12:22,000 --> 00:12:28,000

allegedly writes NASA, asking for UFO information to solve the enigma.

214

00:12:28,000 --> 00:12:33,000

Ten days later, he was shot and killed, assassinated.

215

00:12:33,000 --> 00:12:39,000

This UFO subject was so tough secret that even at the presidential level,

216

00:12:39,000 --> 00:12:42,000

he had trouble finding out the truth.

217

00:12:42,000 --> 00:12:44,000

Kennedy was a transitional president,

218

00:12:44,000 --> 00:12:49,000

a potential to really change the course of the 20th century.

219

00:12:49,000 --> 00:12:55,000

And what we have learned is that his private agenda was a lot more radical

220

00:12:55,000 --> 00:12:57,000

than people knew at the time.

221

00:12:57,000 --> 00:13:00,000

He had big plans.

222

00:13:00,000 --> 00:13:06,000

Could the need for UFO secrecy have led to the assassination of a president?

223

00:13:06,000 --> 00:13:10,000

A year later, we may have received an answer.

224

00:13:14,000 --> 00:13:18,000

In 1964, at the height of the Cold War,

225

00:13:18,000 --> 00:13:22,000

officer in charge Robert Jacobs heads the photographic squadron

226

00:13:22,000 --> 00:13:25,000

at Vandenberg Air Force Base in Lompoc, California.

227

00:13:25,000 --> 00:13:30,000

Robert Jacobs is one of the more important witnesses that have come forward

228

00:13:30,000 --> 00:13:34,000

from out of the military and agencies and even NASA

229

00:13:34,000 --> 00:13:40,000

with experiences regarding events that seem to clearly indicate an extraterrestrial presence here.

230

00:13:40,000 --> 00:13:44,000

According to Jacobs, his mission was to film an Atlas missile test

231

00:13:44,000 --> 00:13:49,000

through all three stages of flight off the coast of Big Sur, hours north of Los Angeles.

232

00:13:49,000 --> 00:13:50,000

We have ignition.

233

00:13:50,000 --> 00:13:55,000

The Atlas was an intercontinental ballistic missile, or ICBM,

234

00:13:55,000 --> 00:13:59,000

developed and deployed by the U.S. military to deliver a warhead

235

00:13:59,000 --> 00:14:04,000

100 times more powerful than the bomb dropped over Nagasaki.

236

00:14:04,000 --> 00:14:08,000

The missile he would film was outfitted with a dummy warhead.

237

00:14:08,000 --> 00:14:13,000

It was his job to actually track this Vandenberg missile that was shot off

238

00:14:13,000 --> 00:14:15,000

and he was filming it.

239

00:14:15,000 --> 00:14:18,000

He did his job just as he was ordered to do.

240

00:14:18,000 --> 00:14:22,000

The missile failed. It mysteriously failed.

241

00:14:22,000 --> 00:14:27,000

In his story, Lieutenant Jacobs states he returned to Vandenberg with the film to be developed.

242

00:14:27,000 --> 00:14:32,000

Immediately following their processing, Jacobs was ordered to report to his superior officer.

243

00:14:32,000 --> 00:14:36,000

He was called into his superior's office, Major Mansman,

244

00:14:36,000 --> 00:14:42,000

and there were two plainclothes people there who wanted to question him about what had occurred.

245

00:14:42,000 --> 00:14:46,000

And they showed him actually the film he took of this missile being shot.

246

00:14:46,000 --> 00:14:49,000

This is where it gets really interesting.

247

00:14:49,000 --> 00:14:55,000

According to Lieutenant Jacobs, at this stage, a saucer-shaped craft entered the frame.

248

00:14:55,000 --> 00:15:00,000

It's maneuvering around this rocket, which is traveling at many thousands of miles an hour.

249

00:15:00,000 --> 00:15:05,000

And all of a sudden, it shoots a beam of light into the warhead at the tip of the missile.

250

00:15:05,000 --> 00:15:10,000

Moves around, does another one, moves around, does another one, and the warhead falls off.

251

00:15:10,000 --> 00:15:15,000

The agents in the room take the footage, and Jacobs is told by his ranking officer

252

00:15:15,000 --> 00:15:19,000

that he is never to speak of the incident again.

253

00:15:21,000 --> 00:15:30,000

Could it be that Robert Jacobs and his team witnessed an alien presence defending their territory off the coast of Southern California?

254

00:15:30,000 --> 00:15:39,000

Like the Battle of 1942, this encounter exposes an alien craft seeming to protect the border between California's land and sea.

255

00:15:39,000 --> 00:15:44,000

Perhaps our most recent encounter can answer what these craft may be protecting.

256

00:15:45,000 --> 00:15:49,000

Unsealed case file, the Hidden UFO Portal.

257

00:15:49,000 --> 00:15:55,000

On November 8, 2010, an event occurred striking fear in the heart of Los Angeles.

258

00:15:55,000 --> 00:16:01,000

An unidentified object came from the ocean and launched over the city up into the sky.

259

00:16:01,000 --> 00:16:05,000

When the military was asked about it, they had no idea what it was.

260

00:16:05,000 --> 00:16:12,000

They couldn't identify it. The Pentagon, which usually gives an explanation for a UFO event, this time, didn't have one.

261

00:16:12,000 --> 00:16:19,000

So remember, there's always a discrepancy between what the military tells you it knows and what the military really knows.

262

00:16:19,000 --> 00:16:27,000

So all we have to go on is the military said they knew nothing, but witnesses definitely omitted coming out of the Pacific.

263

00:16:27,000 --> 00:16:33,000

But the images captured on tape by LA locals reveal a much deeper secret.

264

00:16:33,000 --> 00:16:41,000

When the object's source is triangulated, it is shown to have launched right from the center of Los Angeles's Devil's Triangle.

265

00:16:41,000 --> 00:16:47,000

Its origin, what many believe is a UFO portal off the coast of Los Angeles.

266

00:16:47,000 --> 00:16:59,000

The fascinating thing is it might mean there's an underwater base in the Pacific Ocean, or in Santa Monica Bay, or in the Redondo Trench, off Southern California.

267

00:16:59,000 --> 00:17:08,000

That has tremendous implications, because when people say how do your photos get back and forth from outer space, the answer is they don't.

268

00:17:08,000 --> 00:17:10,000

They're right here in LA.

269

00:17:10,000 --> 00:17:18,000

Is it possible that an extraterrestrial base is located under the water just outside Los Angeles?

270

00:17:18,000 --> 00:17:21,000

If so, why has it never been found?

271

00:17:21,000 --> 00:17:28,000

Could it be that this UFO portal is the evidence of an alien city just off the coast of California?

272

00:17:28,000 --> 00:17:33,000

A city that has only just now been discovered.

273

00:17:33,000 --> 00:17:44,000

Coming up next, a recent scientific discovery reveals that extraterrestrials may not just be hiding beneath our waves, but within the Earth itself.

274

00:17:44,000 --> 00:17:52,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

275

00:17:53,000 --> 00:17:55,000

Los Angeles.

276

00:17:55,000 --> 00:18:08,000

From the sightings of 1895 to the Battle of Los Angeles and present day encounters, the secret behind this UFO hotspot may be that aliens have been among us the entire time.

277

00:18:08,000 --> 00:18:13,000

Maybe instead of coming from above, they're simply off the coast of California.

278

00:18:13,000 --> 00:18:22,000

In 2010, scientists revealed this thermal image of structures discovered on the ocean floor off the shore of Los Angeles.

279

00:18:22,000 --> 00:18:30,000

It's a photo of strange, dome-like structures, and that whole area is the size of a football field.

280

00:18:30,000 --> 00:18:34,000

Could this be part of an alien city beneath the sea?

281

00:18:34,000 --> 00:18:40,000

This photo shows exactly what they would need, a structure big enough to house a base or even a city.

282

00:18:40,000 --> 00:18:50,000

Los Angeles has always been known as a paradise of beaches, but in the future, it may be known as the place we discovered aliens right beneath our waves.

283

00:18:50,000 --> 00:18:57,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
