

1

00:00:00,000 --> 00:00:06,000

It is said we are living in the golden era of human technology.

2

00:00:06,000 --> 00:00:12,000

Mankind went from the right brothers to the moon in under a century.

3

00:00:12,000 --> 00:00:17,000

Is this staggering progress simply the product of human ingenuity?

4

00:00:17,000 --> 00:00:21,000

Or have we received help from another world?

5

00:00:21,000 --> 00:00:25,000

There's enough evidence out there that there's a UFO cover-up.

6

00:00:26,000 --> 00:00:32,000

Could alien intelligence be the driving force behind humanity's greatest advances?

7

00:00:32,000 --> 00:00:35,000

And will it be the cause of our demise?

8

00:00:35,000 --> 00:00:42,000

Tonight, we explore the secret behind mankind's astonishing scientific achievements.

9

00:00:42,000 --> 00:00:49,000

Join us, as the secrets of alien technology are unsealed.

10

00:00:49,000 --> 00:00:51,000

A global effort has begun.

11

00:00:51,000 --> 00:00:59,000

Secret files hidden from the public for decades detailing every UFO account are now available to the public.

12

00:00:59,000 --> 00:01:04,000

We are about to uncover the truth behind these classified documents.

13

00:01:04,000 --> 00:01:07,000

Find out what the government doesn't want you to know.

14

00:01:07,000 --> 00:01:10,000

Unseal alien files.

15

00:01:10,000 --> 00:01:14,000

Exposing the biggest secret on planet Earth.

16

00:01:15,000 --> 00:01:20,000

June 14th, 2012, Washington, D.C.

17

00:01:20,000 --> 00:01:27,000

Residents are shocked to see what looks like a UFO passing on the back of a flatbed truck.

18

00:01:27,000 --> 00:01:31,000

Hundreds of calls flood 911 dispatch.

19

00:01:31,000 --> 00:01:36,000

The city is buzzing with UFO fever.

20

00:01:36,000 --> 00:01:39,000

Yes, sir, this is the 911 operator.

21

00:01:39,000 --> 00:01:41,000

It looks like a UFO.

22

00:01:41,000 --> 00:01:43,000

What is it look like?

23

00:01:43,000 --> 00:01:45,000

A UFO, I mean, I don't know what you know.

24

00:01:45,000 --> 00:01:47,000

I don't see too many UFOs in the regular days.

25

00:01:47,000 --> 00:01:50,000

I mean, does it look like a... does it look like a spaceship?

26

00:01:50,000 --> 00:01:52,000

Yeah.

27

00:01:52,000 --> 00:02:02,000

Everybody was scared because all of a sudden they saw this craft that was shrouded with some type of covering that looked exactly like a UFO.

28

00:02:02,000 --> 00:02:09,000

The government reports it is an X-47B drone, a next-generation aircraft.

29

00:02:09,000 --> 00:02:15,000

But does this cutting-edge technology have its roots in science from another world?

30

00:02:15,000 --> 00:02:22,000

When you look at the technology that we have in our United States military, it really does look like it's out of the pages of science fiction.

31

00:02:22,000 --> 00:02:28,000

But this isn't the first highly advanced piece of technology that we've wondered about its origin.

32

00:02:28,000 --> 00:02:32,000

Could this technology have come from alien intelligence?

33

00:02:32,000 --> 00:02:37,000

To answer that, we must go back to ancient India.

34

00:02:37,000 --> 00:02:44,000

To the stories of highly advanced flying machines known as the Vimanas.

35

00:02:44,000 --> 00:02:50,000

The first account of Vimanas dates back almost 2,500 years.

36

00:02:50,000 --> 00:02:56,000

It tells of kings riding on glowing chariots that come from the sky.

37

00:02:56,000 --> 00:03:02,000

Chariots that shine like the sun and are piloted by gods.

38

00:03:02,000 --> 00:03:15,000

Common sense tells you that if it's 3,000 BC and something turns up in the sky and even perhaps lands and entities get out of them, they are going to be viewed as gods.

39

00:03:15,000 --> 00:03:25,000

What could it be, as alien theorists believe, that the beings reported by this ancient civilization were in fact visitors from another world?

40

00:03:25,000 --> 00:03:37,000

From a blind context, you'd come away from that with the idea that these were in gods, these were in deities, these were in strange sun-sharings that they were flying.

41

00:03:37,000 --> 00:03:42,000

These were actual UFOs, open on a Earth.

42

00:03:42,000 --> 00:03:48,000

These descriptions may be the first evidence of mankind's obsession with craft from outer space.

43

00:03:48,000 --> 00:03:51,000

But they are far from the last.

44

00:03:51,000 --> 00:03:54,000

Avidos, Egypt.

45

00:03:54,000 --> 00:04:05,000

Within the Temple of Seti are ancient hieroglyphs, amazing pictures that tell a story defying logic and human history.

46

00:04:05,000 --> 00:04:15,000

On the walls of these Egyptian edifices, there seem to be hieroglyphic depiction of an air crack.

47

00:04:15,000 --> 00:04:23,000

There's a helicopter, another type of air crack. It looks like there's a submarine. What could explain that?

48

00:04:23,000 --> 00:04:29,000

Could the inspiration for our technology have come from alien intelligence?

49

00:04:29,000 --> 00:04:42,000

Are these ancient records of UFO sightings? Or, as some experts believe, are they crude blueprints of technology that would not be invented for another 3,000 years?

50

00:04:42,000 --> 00:04:49,000

You have to wonder, were these flying machines in the sky during ancient Egyptian times? Is this something that they built themselves?

51

00:04:49,000 --> 00:04:54,000

Or this could be proof that something was in our skies thousands of years ago.

52

00:04:54,000 --> 00:05:01,000

But is the strongest evidence of alien intelligence within the technology we use every day?

53

00:05:01,000 --> 00:05:08,000

Coming up next, were the greatest inventions of our lifetime stolen from a crashed alien spacecraft?

54

00:05:08,000 --> 00:05:13,000

Army officers say the missile found sometime last week has been inspected at Roswell, New Mexico.

55

00:05:13,000 --> 00:05:19,000

And could the secrets we uncovered be the beginning of the end for all mankind?

56

00:05:19,000 --> 00:05:26,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

57

00:05:26,000 --> 00:05:32,000

Welcome back to Unsealed Alien Files.

58

00:05:32,000 --> 00:05:34,000

Jet Propulsion.

59

00:05:34,000 --> 00:05:36,000

Genetic Engineering.

60

00:05:37,000 --> 00:05:39,000

Computer Science.

61

00:05:39,000 --> 00:05:47,000

It's possible that the greatest technical leaks in human history happened in the last six decades.

62

00:05:47,000 --> 00:05:54,000

But who, or what, is responsible for our sudden evolution?

63

00:05:54,000 --> 00:06:02,000

If alien theorists are correct, the answer may be found in the biggest UFO cover-up of the 20th century,

64

00:06:02,000 --> 00:06:07,000

and the events that took place the day after Roswell.

65

00:06:07,000 --> 00:06:09,000

Unsealed Case File.

66

00:06:09,000 --> 00:06:12,000

The day after Roswell.

67

00:06:12,000 --> 00:06:16,000

1947, Roswell, New Mexico.

68

00:06:16,000 --> 00:06:21,000

A quiet, all-American town, home to local Air Force personnel.

69

00:06:21,000 --> 00:06:28,000

In early July, troops investigate reports of a crashed saucer in the hostile desert.

70

00:06:29,000 --> 00:06:37,000

Allegedly, the site is quickly secured, but not before soldiers, firemen, and local residents

71

00:06:37,000 --> 00:06:41,000

reportedly see what appears to be a downed alien craft.

72

00:06:41,000 --> 00:06:44,000

And its occupants, dead.

73

00:06:44,000 --> 00:06:47,000

But are the stories true?

74

00:06:47,000 --> 00:06:55,000

Just after the wreckage was found in Roswell, New Mexico, the military came out and said that they had captured a flying saucer.

75

00:06:55,000 --> 00:06:57,000

Newspapers ran the story.

76

00:06:57,000 --> 00:07:01,000

Radio reports were blasted out through the airwaves.

77

00:07:01,000 --> 00:07:07,000

The Army Air Force has announced that a flying disk has been found and is now in the possession of the Army.

78

00:07:07,000 --> 00:07:12,000

Army officers say the missile found sometime last week has been inspected at Roswell, New Mexico,

79

00:07:12,000 --> 00:07:17,000

and sent to Wright Field, Ohio for further inspection.

80

00:07:17,000 --> 00:07:24,000

The relationship between the Roswell event in July, 1947,

81

00:07:24,000 --> 00:07:30,000

and ETs and E.T. technology is very complicated.

82

00:07:30,000 --> 00:07:38,000

This 1950 document from the FBI vault could prove that we not only recovered flying saucers in the New Mexico desert,

83

00:07:38,000 --> 00:07:45,000

but that we found three small bodies inside the craft, dressed in metallic cloth.

84

00:07:45,000 --> 00:07:51,000

Did the military know that the flying disk they reportedly found was technology from out of this world?

85

00:07:51,000 --> 00:07:56,000

And if so, what was done with the recovered craft?

86

00:07:56,000 --> 00:07:59,000

This is hangar 84.

87

00:07:59,000 --> 00:08:06,000

And this is where the craft and the bodies were actually brought into this hangar.

88

00:08:06,000 --> 00:08:09,000

There was a lot of activity in this area here.

89

00:08:09,000 --> 00:08:16,000

Inside the hangar was the craft and also the bodies were laid out and were fired.

90

00:08:16,000 --> 00:08:19,000

So what happened after the crash at Roswell?

91

00:08:19,000 --> 00:08:24,000

Well, on the one hand it was totally covered up, but it remained covered up for at least the next 31 years,

92

00:08:24,000 --> 00:08:26,000

but other things happened.

93

00:08:26,000 --> 00:08:32,000

In the decades that follow, U.S. military technology begins to advance.

94

00:08:32,000 --> 00:08:37,000

Faster rockets, more sophisticated machinery.

95

00:08:37,000 --> 00:08:42,000

In less than a decade, America has a man in space.

96

00:08:42,000 --> 00:08:47,000

And just 20 years after Roswell, a man walks on the moon.

97

00:08:47,000 --> 00:08:56,000

Look at the boom in technology that occurred after Roswell in fiber optics, in integrated circuits.

98

00:08:56,000 --> 00:09:02,000

Stealth technology came around. All these things happened within a very, very short time after Roswell.

99

00:09:02,000 --> 00:09:07,000

The military never acknowledges any technology stolen from alien craft.

100

00:09:07,000 --> 00:09:13,000

That is, until the world is introduced to Colonel Philip J. Corso.

101

00:09:13,000 --> 00:09:18,000

Colonel Philip Corso died in 1998, but before he did, he wrote a book called The Day After Roswell.

102

00:09:18,000 --> 00:09:25,000

In it, he described how a craft went down in Roswell, that this was a fact, that the craft was recovered,

103

00:09:25,000 --> 00:09:32,000

alien bodies were recovered, and that he eventually was placed in charge of figuring out a way to reverse engineer that technology

104

00:09:32,000 --> 00:09:34,000

so that we could use it.

105

00:09:34,000 --> 00:09:42,000

Colonel Corso, a highly decorated officer, is considered the first in history to disclose the connection between our military

106

00:09:42,000 --> 00:09:45,000

and extraterrestrials.

107

00:09:45,000 --> 00:09:51,000

During his career in the U.S. Army, he works as chief of the Pentagon's foreign technology desk.

108

00:09:51,000 --> 00:10:01,000

He made it clear that while he was there, one of the projects that came under his purview was the fact that alien technology

109

00:10:01,000 --> 00:10:10,000

from the Roswell crash was being dealt with, and they wanted to see if there was a way that they could benefit by passing hardware they had to the right places.

110

00:10:11,000 --> 00:10:20,000

Reportedly, Corso is given remnants of computer circuitry, propulsion systems, indestructible fabric, and strange headgear.

111

00:10:20,000 --> 00:10:28,000

According to his story, he is asked to develop a program that would research and develop this alien technology.

112

00:10:28,000 --> 00:10:35,000

So, allegedly, companies like Lockheed Martin, Lytton, these various large corporations were given this technology and saying,

113

00:10:35,000 --> 00:10:43,000

look, you guys take this stuff, reverse engineer it, develop it, and we'll allow you to have the patents on that technology and benefit from it.

114

00:10:43,000 --> 00:10:48,000

In exchange for that, the U.S. government, what do they get? Weaponry and control.

115

00:10:48,000 --> 00:10:59,000

But could the discoveries made from this alien technology not only win wars of the past and present, but wars of the future?

116

00:10:59,000 --> 00:11:08,000

Coming up next, from Particle Beams to Area 51, was our modern-day technology pried from dead alien hands?

117

00:11:08,000 --> 00:11:13,000

We're about to expose the secret projects that still haven't gone public.

118

00:11:13,000 --> 00:11:22,000

Until now, this is Unsealed Alien Files, exposing the biggest secret on planet Earth.

119

00:11:24,000 --> 00:11:28,000

Welcome back to Unsealed Alien Files.

120

00:11:28,000 --> 00:11:41,000

From ancient visions of futuristic design to the incredible machines of tomorrow, could the technological leaps of mankind's past actually have been the invention of an advanced alien race

121

00:11:41,000 --> 00:11:47,000

and a secret allegedly hidden by the U.S. government for over 60 years?

122

00:11:47,000 --> 00:11:53,000

Did the Joint Chiefs of Staff talk to you or concern you about the unknown and unidentified flying applications?

123

00:11:53,000 --> 00:11:56,000

Oh yes, we discussed it with every conference that we had.

124

00:11:56,000 --> 00:12:04,000

There's enough evidence out there that there's a UFO cover-up happening in the U.S. government, but the question is, what is it that they're covering up?

125

00:12:05,000 --> 00:12:15,000

Some debris from Roswell was allegedly taken to a top-secret military test facility, the very existence of which the government would deny until 1995.

126

00:12:15,000 --> 00:12:19,000

A base known as Area 51.

127

00:12:19,000 --> 00:12:25,000

Area 51 is a top-secret military installation about 90 miles northeast of Las Vegas, Nevada.

128

00:12:26,000 --> 00:12:35,000

People have come out to claim that they worked inside the facility and there's a lot of operations going on, which includes back-engineering alien technology.

129

00:12:35,000 --> 00:12:43,000

The government has never disclosed its exact purpose, but obviously testing of weaponry and the development of advanced technology is what goes on there.

130

00:12:43,000 --> 00:12:46,000

The place is so fantastic that pilots have nicknamed it Dreamland.

131

00:12:47,000 --> 00:12:51,000

132

00:12:52,000 --> 00:13:01,000

In the 50s and 60s during the Cold War, one of the deciding factors was all on the shoulders of the people developing stealth technologies.

133

00:13:01,000 --> 00:13:08,000

A lot of UFO reports claim that these craft are not seen on radar, so it's obvious that they have some sort of stealth technology.

134

00:13:08,000 --> 00:13:13,000

Is it possible that the craft recovered at Roswell also had stealth technology?

135

00:13:14,000 --> 00:13:21,000

According to alien theorists, the U.S. military worked with government contractors to adopt the technology.

136

00:13:21,000 --> 00:13:29,000

In 1958, a decade after Roswell, the Lockheed Corporation announced the A-12 Oxcart.

137

00:13:31,000 --> 00:13:37,000

An aircraft that surfaced suddenly with technology designed to make the plane invisible to enemy radar.

138

00:13:38,000 --> 00:13:42,000

Perhaps the same way saucers at Roswell were invisible to us.

139

00:13:44,000 --> 00:13:53,000

What was amazing about the technology during Project Oxcart and the creation of the A-12 is the way that the craft was built on the outside.

140

00:13:53,000 --> 00:13:59,000

It would actually absorb and in a very little way reflect the radar waves, ultimately making it invisible.

141

00:13:59,000 --> 00:14:03,000

This was really on the cutting edge of stealth technology.

142

00:14:03,000 --> 00:14:10,000

Was this next generation design adapted from the flying saucers reportedly found in New Mexico?

143

00:14:10,000 --> 00:14:18,000

And could further advances have come from the bodies or metallic cloth allegedly found inside those UFOs?

144

00:14:18,000 --> 00:14:25,000

One of the great mysteries of what was discovered in the Roswell's debris was the strange kind of fiber.

145

00:14:25,000 --> 00:14:32,000

In terms of these creatures, they didn't get into their jobs, they were no zippers, they were no button.

146

00:14:32,000 --> 00:14:35,000

It seemed that they were spun into their junctives.

147

00:14:35,000 --> 00:14:38,000

What was the material they were wearing?

148

00:14:38,000 --> 00:14:42,000

This was taken to a number of research facilities.

149

00:14:42,000 --> 00:14:52,000

So they began to work on kind of a fibrous material that so strong it could stop bullets.

150

00:14:52,000 --> 00:14:56,000

That material became known as Kevlar.

151

00:14:56,000 --> 00:15:03,000

Coincidentally, the American chemical engineering firm DuPont introduced Kevlar in 1971.

152

00:15:03,000 --> 00:15:11,000

It is said to be five times as strong as steel, able to stop a bullet and yet light enough to be used as a boat sail.

153

00:15:11,000 --> 00:15:17,000

But extraterrestrial influence may reach far beyond what was found in the UFO.

154

00:15:17,000 --> 00:15:22,000

Alien technology may also have been discovered within alien bodies.

155

00:15:22,000 --> 00:15:29,000

Another piece of technology that came out of the Roswell crash actually came out of the aliens in the Roswell crash.

156

00:15:29,000 --> 00:15:30,000

It was night vision.

157

00:15:30,000 --> 00:15:37,000

But did military doctors discover night vision technology during an alien autopsy?

158

00:15:37,000 --> 00:15:46,000

According to one witness, a doctor allegedly removed a lens from one of the deceased aliens of this crash.

159

00:15:46,000 --> 00:15:52,000

When they removed the lens, they could see images in the dark.

160

00:15:52,000 --> 00:15:57,000

The lens was a light collected about it. It was night vision.

161

00:15:57,000 --> 00:16:06,000

This theory reminds us that one of the most fascinating details of alien technology is what it can teach us about extraterrestrial life.

162

00:16:06,000 --> 00:16:11,000

What else could we learn from technology still kept secret from the public?

163

00:16:11,000 --> 00:16:18,000

One of the most significant things that Corso found about this technology was that there were no controls in the craft.

164

00:16:18,000 --> 00:16:26,000

According to Corso, the alien craft was not steered by alien hands. It was steered by their brains.

165

00:16:26,000 --> 00:16:32,000

Here's what Corso discovered. That there was a head piece that was part of the crash debris at Roswell.

166

00:16:32,000 --> 00:16:42,000

And the pickups, these dislike pickups on that head piece corresponded to the nose on the alien head.

167

00:16:42,000 --> 00:16:45,000

And that type of ship was navigated.

168

00:16:45,000 --> 00:16:53,000

If machines controlled by our brains sounds like science fiction, prepare to have your mind changed.

169

00:16:53,000 --> 00:17:07,000

What scientists have done over the past 30 years is find ways to link the electrodes in a head piece directly into the brains of a test subject.

170

00:17:07,000 --> 00:17:18,000

The US government is working on technology that allows sensors to read the minds essentially of pilots and translate that into the flight controls so that you have completely handsless flight.

171

00:17:18,000 --> 00:17:21,000

Sounds like science fiction, but it's science fact.

172

00:17:21,000 --> 00:17:28,000

Coming up next, will the next evolution in alien technology save the human race or destroy it?

173

00:17:28,000 --> 00:17:35,000

The final secret of UFO mechanics could reveal an element that will blow mankind to the stars.

174

00:17:35,000 --> 00:17:41,000

We could be the victims, just such a weapon and we would never know.

175

00:17:41,000 --> 00:17:48,000

This is Unsealed, Alien Files, exposing the biggest secret on planet Earth.

176

00:17:51,000 --> 00:18:00,000

Modern history's greatest scientific advancements may have been found within an alien craft recovered from Roswell, New Mexico.

177

00:18:00,000 --> 00:18:04,000

But could the ultimate discovery have been a new element?

178

00:18:04,000 --> 00:18:14,000

There was a story that surfaced that during the back engineering there was an element called Element 115 that was the key to understanding alien propulsion.

179

00:18:14,000 --> 00:18:21,000

Everything connected to this captured UFO that they had inside Area 51.

180

00:18:21,000 --> 00:18:26,000

Scientists have recently named Element 115 Ununpentium.

181

00:18:26,000 --> 00:18:33,000

But if this element truly is from another world, what power could it hold?

182

00:18:33,000 --> 00:18:41,000

Extraterrestrial intelligence may advance the inventions of mankind, but we must ask if we are prepared to use it.

183

00:18:41,000 --> 00:18:51,000

If not, the ultimate key to our survival on planet Earth could be allowing some alien technologies to remain secrets.

184

00:18:51,000 --> 00:18:58,000

This is Unsealed, Alien Files, exposing the biggest secret on planet Earth.
