

1

00:00:00,000 --> 00:00:04,200

The footage you are about to see is real.

2

00:00:04,200 --> 00:00:09,800

Due to the graphic nature of some images, viewer discretion is advised.

3

00:00:09,800 --> 00:00:18,320

For years, we've heard chilling stories of alien abduction.

4

00:00:18,320 --> 00:00:21,640

Victims dragged from their beds in the dead of night.

5

00:00:21,640 --> 00:00:25,280

Tormented and experimented on.

6

00:00:25,280 --> 00:00:26,800

They take you when you're gone.

7

00:00:26,800 --> 00:00:27,960

Nobody knows.

8

00:00:28,840 --> 00:00:35,880

But some abductees believe that their alien captors may have left something behind.

9

00:00:35,880 --> 00:00:41,600

Astounding evidence surgically planted within their very flesh.

10

00:00:41,600 --> 00:00:44,720

An alien implant.

11

00:00:44,720 --> 00:00:49,600

And tonight, we'll meet the doctor who removes them.

12

00:00:49,600 --> 00:00:56,840

What you are about to witness is incredible real life footage of an alien implant surgeon at work.

13

00:00:56,840 --> 00:00:59,560

The removal of an extraterrestrial object.

14

00:00:59,560 --> 00:01:07,720

And a scientific explanation that could reveal the purpose behind alien abduction on planet Earth.

15

00:01:07,720 --> 00:01:10,600

This is something not of this world.

16

00:01:10,600 --> 00:01:17,240

Prepare yourself for what may be the most crucial extraterrestrial secrets ever to be revealed.

17

00:01:17,240 --> 00:01:24,880

Join us as the mystery of alien implants is unsealed.

18

00:01:24,960 --> 00:01:27,000

A global effort has begun.

19

00:01:27,000 --> 00:01:34,880

Secret files hidden from the public for decades, detailing every UFO account, are now available to the public.

20

00:01:34,880 --> 00:01:39,720

We are about to uncover the truth behind these classified documents.

21

00:01:39,720 --> 00:01:43,200

Find out what the government doesn't want you to know.

22

00:01:43,200 --> 00:01:46,320

Unsealed alien files.

23

00:01:46,320 --> 00:01:51,240

Exposing the biggest secret on planet Earth.

24

00:01:51,240 --> 00:01:53,120

Thousand Oaks, California.

25

00:01:53,120 --> 00:01:58,720

It is just another day at ANS Research Incorporated.

26

00:01:58,720 --> 00:02:03,040

Dr. Roger Lear is preparing to operate on a patient.

27

00:02:03,040 --> 00:02:07,720

But this surgery is like nothing you have ever seen.

28

00:02:07,720 --> 00:02:11,680

This patient has something strange inside him.

29

00:02:11,680 --> 00:02:18,040

Something that neither he nor the doctor believe to be from our planet.

30

00:02:18,040 --> 00:02:22,720

The operation is designed to remove an alien implant.

31

00:02:22,720 --> 00:02:27,360

And the footage you are about to see is real.

32

00:02:27,360 --> 00:02:32,000

Alien implants are very rare, but they have been reported by a number of abductees.

33

00:02:32,000 --> 00:02:35,640

They're usually described to be small in size, often metallic in fact.

34

00:02:35,640 --> 00:02:38,560

They usually appear on X-ray as metallic objects.

35

00:02:38,560 --> 00:02:45,040

They can be found in any part of the body, arm, leg, and even in the brain, middle of the brain.

36

00:02:45,080 --> 00:02:51,480

Dr. Lear has devoted his life to researching and investigating alien implants.

37

00:02:51,480 --> 00:02:56,760

My name is Dr. Roger Lear and I am by profession a podiatric surgeon.

38

00:02:56,760 --> 00:03:05,600

I've donated about the last 30 years of my life to a removal of objects from alien abductees.

39

00:03:05,600 --> 00:03:13,160

Known worldwide for his work, Dr. Lear believes these objects are planted inside humans.

40

00:03:13,160 --> 00:03:16,400

By extraterrestrials.

41

00:03:16,400 --> 00:03:21,880

And the findings of his operations will speak for themselves.

42

00:03:21,880 --> 00:03:27,720

But how did these patients supposedly receive these alien implants?

43

00:03:27,720 --> 00:03:31,920

During a close encounter of the fourth kind.

44

00:03:31,920 --> 00:03:36,520

UFO sightings are usually categorized on a scale of close encounters.

45

00:03:36,520 --> 00:03:42,760

A close encounter of the first kind is when you have a witness or multiple witnesses seeing a craft in the sky.

46

00:03:42,760 --> 00:03:47,000

A close encounter of the second kind is when not only do you have the visual sighting,

47

00:03:47,000 --> 00:03:49,840

but you have physical evidence left behind.

48

00:03:49,840 --> 00:03:54,120

A close encounter of the third kind is when you not only have the visual sighting,

49

00:03:54,120 --> 00:04:00,360

evidence left behind, but you also see occupants either in or around the UFO.

50

00:04:00,360 --> 00:04:05,960

But a close encounter of the fourth kind adds a terrifying element.

51

00:04:05,960 --> 00:04:10,520

The witness is abducted by alien beings.

52

00:04:10,560 --> 00:04:15,160

Reports of alien abduction flourished throughout the 20th century.

53

00:04:15,160 --> 00:04:21,360

But there's evidence that indicates this has been going on for thousands of years and still due to this day.

54

00:04:21,360 --> 00:04:28,160

UFO studies estimate that 4% of the world's population, almost 280 million people,

55

00:04:28,160 --> 00:04:31,080

have experienced an alien abduction.

56

00:04:31,080 --> 00:04:36,240

But perhaps less than half that group are actually aware it occurred.

57

00:04:36,280 --> 00:04:43,200

Just because you can't recall a terrifying abduction in your past doesn't mean it didn't happen.

58

00:04:43,200 --> 00:04:46,280

A lot of things happen inside the human mind when we close our eyes.

59

00:04:46,280 --> 00:04:50,360

We have these dreams, we have these nightmares, we have these night terrors.

60

00:04:50,360 --> 00:04:54,040

Are they really just in our mind or is something else going on?

61

00:04:54,040 --> 00:05:00,800

According to some experts, abductions may be occurring when we are at our most vulnerable.

62

00:05:00,800 --> 00:05:05,880

But how long has this been happening to the human race?

63

00:05:05,920 --> 00:05:11,320

In the 1800s, frightening dreams were blamed on demonic forces known as mares.

64

00:05:11,320 --> 00:05:14,560

And this is the origin of the word nightmare.

65

00:05:14,560 --> 00:05:17,600

But are these beings more than folklore?

66

00:05:17,600 --> 00:05:24,600

Could these visions have been early sightings of alien creatures visiting us in our sleep?

67

00:05:24,600 --> 00:05:28,880

Picture this, you wake up in the middle of the night and you can't move your arms or legs.

68

00:05:28,880 --> 00:05:30,760

You hardly can breathe.

69

00:05:30,760 --> 00:05:35,080

You feel as if there's a pressure on your chest like some unknown force is holding you down.

70

00:05:35,120 --> 00:05:38,120

And you're scared to death and there's nothing you can do about it.

71

00:05:38,120 --> 00:05:40,560

You're alone, it's quiet, it's dark and you're vulnerable.

72

00:05:40,560 --> 00:05:44,800

And they can do it and they can come in without you having any knowledge because you're already asleep.

73

00:05:44,800 --> 00:05:48,200

You're asleep, they arrive, they immobilize you.

74

00:05:48,200 --> 00:05:51,200

You wake up and you're already snared, that's it.

75

00:05:51,200 --> 00:05:53,520

And they take you and you're gone.

76

00:05:53,520 --> 00:06:03,720

Since he was a child, Mark Routley has reported being visited and experimented upon in the night by alien creatures.

77

00:06:03,720 --> 00:06:06,240

Three entities were in the room.

78

00:06:06,240 --> 00:06:10,840

I could see all around the room, I was completely coherent, completely awake.

79

00:06:10,840 --> 00:06:12,640

Just immobile.

80

00:06:12,640 --> 00:06:17,800

With fear, I don't know whether they did something to make me immobile, I don't know.

81

00:06:17,800 --> 00:06:24,200

All else I remember is some kind of thing that drilled into my ear and that was it.

82

00:06:24,200 --> 00:06:25,200

I was awake.

83

00:06:27,200 --> 00:06:31,560

But not all alien abductions take place within the victim's home.

84

00:06:31,560 --> 00:06:39,080

Some of the most famous abductees of all time have been taken on board alien ships for horrific experiments

85

00:06:39,080 --> 00:06:42,760

and have the scars to prove it.

86

00:06:42,760 --> 00:06:44,760

Coming up next.

87

00:06:44,760 --> 00:06:50,120

First-hand accounts of extraterrestrial experimentation lead to an incredible event.

88

00:06:50,120 --> 00:06:54,000

The surgical removal of a real alien implant.

89

00:06:54,000 --> 00:06:57,920

This is Unsealed Alien Files.

90

00:06:57,920 --> 00:07:00,920

Exposing the biggest secret on planet Earth.

91

00:07:02,560 --> 00:07:06,560

Welcome back to Unsealed Alien Files.

92

00:07:08,560 --> 00:07:15,560

For decades, people have reported unexplained alien encounters taken in the night against their will.

93

00:07:15,560 --> 00:07:22,560

Torn from their beds, subjected to horrific experimentations.

94

00:07:22,560 --> 00:07:26,560

But were they abducted by alien beings?

95

00:07:26,560 --> 00:07:29,560

A typical alien abduction usually occurs at night.

96

00:07:29,560 --> 00:07:32,560

The witness is sound asleep in their bed.

97

00:07:32,560 --> 00:07:34,560

They have some type of experience.

98

00:07:34,560 --> 00:07:37,560

Sometimes it starts with a visual sighting of an alien.

99

00:07:37,560 --> 00:07:42,560

Other times they don't even hear, see or feel themselves being taken.

100

00:07:42,560 --> 00:07:49,560

Videos such as this one from Pensacola, Florida claim to show the appearance of an alien figure

101

00:07:49,560 --> 00:07:53,560

entering the victim's bedroom moments before abduction.

102

00:07:53,560 --> 00:07:57,560

According to the victim, he believed he was being abducted.

103

00:07:57,560 --> 00:08:00,560

So we set up a camera to try to capture evidence of what was happening.

104

00:08:00,560 --> 00:08:06,560

If this video is real, then we could be witnessing an alien creeping up on an unsuspecting victim.

105

00:08:12,560 --> 00:08:17,560

Many people claim that these videos of aliens can be faked and they can,

106

00:08:17,560 --> 00:08:20,560

but what you can't argue with is physical evidence.

107

00:08:20,560 --> 00:08:26,560

Another thing that can make an abduction account credible or valuable are multiple witnesses.

108

00:08:26,560 --> 00:08:30,560

Taking, for example, the Travis Walton case.

109

00:08:30,560 --> 00:08:35,560

Unsealed case file, the Travis Walton abduction.

110

00:08:35,560 --> 00:08:40,560

The case of Travis Walton made headlines in 1975.

111

00:08:40,560 --> 00:08:44,560

On the night of November 5th, he was driving home with several friends

112

00:08:44,560 --> 00:08:48,560

from a logging job in Arizona's Apache Site Graves Forest.

113

00:08:48,560 --> 00:08:51,560

There was a group of seven of us, man.

114

00:08:51,560 --> 00:08:55,560

We were working up in the mountains in the woods.

115

00:08:55,560 --> 00:08:59,560

When he notices a strange light in the forest, they stop the car.

116

00:08:59,560 --> 00:09:02,560

Walton gets out and approaches it.

117

00:09:02,560 --> 00:09:04,560

Right at that instant, something hit me.

118

00:09:06,560 --> 00:09:12,560

Next thing I knew, I saw these forms over me and when I finally got it into focus,

119

00:09:12,560 --> 00:09:17,560

I could see this creature looking at me and I was weak.

120

00:09:17,560 --> 00:09:23,560

Days later, Walton reappeared, shocked and confused.

121

00:09:24,560 --> 00:09:28,560

I didn't know how much time had gone by and I said, hey, feel your face.

122

00:09:28,560 --> 00:09:33,560

And I felt and I had this, you know, weak growth of beard and I was just totally shocked by this.

123

00:09:33,560 --> 00:09:35,560

I said, you've been gone five days.

124

00:09:35,560 --> 00:09:41,560

The phenomenon Walton experienced is known in the abductee community as missing time.

125

00:09:41,560 --> 00:09:45,560

Now missing time is again a key component to this abduction phenomenon.

126

00:09:45,560 --> 00:09:49,560

People have reported that they're driving around, they see something strange.

127

00:09:49,560 --> 00:09:55,560

Next thing they know, it's 20 minutes later or it's two hours later or in some cases, days later.

128

00:09:55,560 --> 00:10:04,560

But just because a victim has lost time during abduction doesn't mean the terrifying memories won't come flooding back.

129

00:10:06,560 --> 00:10:10,560

Unsealed case file, memories of an abduction.

130

00:10:13,560 --> 00:10:16,560

I think in the sky.

131

00:10:17,560 --> 00:10:19,560

Shining on us.

132

00:10:19,560 --> 00:10:26,560

In this video, certified hypnotherapist Yvonne Smith conducts a hypnotic regression.

133

00:10:26,560 --> 00:10:32,560

The man recalling his abduction has recently experienced missing time.

134

00:10:32,560 --> 00:10:38,560

I don't like the feeling. I can't do what I want. I'm being held against my will and I don't like it.

135

00:10:38,560 --> 00:10:45,560

The mental scars of these alleged abductees have much to tell us about what occurs on board alien craft.

136

00:10:46,560 --> 00:10:51,560

But some cases are also marked by more physical evidence.

137

00:10:52,560 --> 00:11:01,560

Oftentimes when an abductee awakes or a few days later after the experience, they'll find scoop marks on their body that weren't there before.

138

00:11:01,560 --> 00:11:07,560

They're often very deep as if somebody gouged out a piece of flesh, but then they're healed as well.

139

00:11:07,560 --> 00:11:14,560

So the sudden appearance of these scars and the healing process sort of defy logical medical explanation.

140

00:11:14,560 --> 00:11:20,560

Doctors have studied these scars in hopes of uncovering the purpose behind such mystifying abductions.

141

00:11:20,560 --> 00:11:28,560

But could the ultimate clue to understanding alien motives be found deeper within the flesh of their victims?

142

00:11:28,560 --> 00:11:35,560

When dealing with physical evidence in abduction cases, not only do you have the scoop marks and the physical evidence outside the body,

143

00:11:35,560 --> 00:11:38,560

you also have another piece of evidence inside the body.

144

00:11:39,560 --> 00:11:48,560

Left within the bodies of some abductees is an unknown object with no explanation of purpose or origin.

145

00:11:48,560 --> 00:11:55,560

Could these objects actually be what doctors and investigators have referred to as alien implants?

146

00:11:56,560 --> 00:12:06,560

If alien implants are the key to understanding the abduction experience, then the doctor who's removing those implants is the key to our understanding.

147

00:12:08,560 --> 00:12:20,560

Coming up, the results of an actual alien implant surgery and the alien implant surgeon reveals what he believes is the true purpose behind these extraterrestrial objects.

148

00:12:22,560 --> 00:12:29,560

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

149

00:12:31,560 --> 00:12:35,560

Welcome back to Unsealed Alien Files.

150

00:12:36,560 --> 00:12:44,560

Alien Abductions. They are the driving force behind science fiction novels and Hollywood films.

151

00:12:44,560 --> 00:12:48,560

But to many, it's a horrific reality.

152

00:12:48,560 --> 00:12:53,560

There's definitely no shortage of alien abduction stories that have surfaced around the planet.

153

00:12:53,560 --> 00:12:59,560

But what we really don't have in most of these cases is physical evidence to go along with it.

154

00:12:59,560 --> 00:13:06,560

But in those rare cases that do have it, those are the ones that we really have to focus on and pay attention to.

155

00:13:06,560 --> 00:13:14,560

Now, one California doctor has found the evidence that could explain why aliens are abducting members of the human race.

156

00:13:14,560 --> 00:13:17,560

And it's right under our skin.

157

00:13:18,560 --> 00:13:23,560

Unsealed Case Files, the Alien Implant Surgeon.

158

00:13:24,560 --> 00:13:31,560

Dr. Roger Lear is currently leading a research effort to decode the alien implant enigma.

159

00:13:32,560 --> 00:13:41,560

Basically what we found that in approximately 10% of the cases of alien abduction, individuals wind

up with objects in their body,

160

00:13:41,560 --> 00:13:46,560

which can be seen on an X-ray, a CAT scan, and sometimes an MRI.

161

00:13:46,560 --> 00:13:51,560

There's no portal of entry, there's no scar, there's no way for them to have gotten it in there.

162

00:13:51,560 --> 00:13:56,560

Dr. Roger Lear is a pioneer when it comes to alien implant research.

163

00:13:56,560 --> 00:14:03,560

This is a man with a scientific background, a medical degree, that sees this abnormality inside the human body,

164

00:14:03,560 --> 00:14:12,560

knows that it shouldn't be there, has investigated it for years and realizes the human race is missing the boat by ignoring this evidence.

165

00:14:13,560 --> 00:14:22,560

Dr. Lear was a skeptic of the alien implant phenomenon until he took a chance on a patient

complaining of a foreign object in her foot.

166

00:14:23,560 --> 00:14:28,560

An object she claimed to receive during an alien abduction.

167

00:14:28,560 --> 00:14:38,560

I'd been doing surgery for about 25, 30 years and just to look at it was something quite strange.

168

00:14:38,560 --> 00:14:48,560

We never saw anything that looked like this. There was this perfect T-shaped thing covered with this dark gray coating which you couldn't cut through.

169

00:14:50,560 --> 00:14:59,560

Today Lear and his team have conducted 15 surgeries with the goal of locating and extracting implants from their patients.

170

00:14:59,560 --> 00:15:07,560

To date they have recovered 16 implants. He believes them all to be alien in origin.

171

00:15:08,560 --> 00:15:15,560

These objects have rarely been seen by the public. They display strange physical properties.

172

00:15:22,560 --> 00:15:28,560

Are these implants actually inserted by captors from another world?

173

00:15:29,560 --> 00:15:44,560

What we're looking at here is an object which has been removed from the human body from an individual who alleges alien abduction and contains a material that's not of this earth.

174

00:15:45,560 --> 00:15:52,560

The doctor's certainty that the implants are not from this planet are not unfounded.

175

00:15:52,560 --> 00:16:04,560

According to Lear, the implants were analyzed by multiple research labs. Among them was Los Alamos National Laboratories, home of the Manhattan Project,

176

00:16:04,560 --> 00:16:14,560

and one of only two labs in the United States trusted with U.S. nuclear weapons research. And the findings he reports are astounding.

177

00:16:14,560 --> 00:16:26,560

The lab came back with pages and pages and pages of reports telling us the only conclusion that they could come to in the report was these were meteorite samples.

178

00:16:27,560 --> 00:16:40,560

Then I about fell over because here's one of the world's most famous laboratories. The only finding that they would stand behind was that these were from meteorites.

179

00:16:40,560 --> 00:16:49,560

For a laboratory to say something is extraterrestrial, you have to look at the meaning of that. This is something not of this world.

180

00:16:50,560 --> 00:17:05,560

But a scientific lab has confirmed that an object connected to an alien abduction story by somebody who has no rhyme or reason to have a piece of meteorite in their arm has something that a laboratory labels extraterrestrial.

181

00:17:05,560 --> 00:17:07,560

To me, that's pretty big.

182

00:17:08,560 --> 00:17:18,560

With multiple labs concluding the objects are extraterrestrial. The only question that remains, what is the ultimate purpose of these implants?

183

00:17:20,560 --> 00:17:26,560

It is a question only the doctor himself can answer when we return.

184

00:17:27,560 --> 00:17:35,560

This knowledge should be the knowledge of every man, woman and child on the face of this earth and it's not.

185

00:17:35,560 --> 00:17:42,560

This is Unsealed, Alien Files, exposing the biggest secret on planet Earth.

186

00:17:43,560 --> 00:17:58,560

Dr. Roger Lear may have found the meaning of alien abduction in the form of implants surgically removed from alleged abduction victims. But can he explain their purpose?

187

00:17:58,560 --> 00:18:10,560

In several cases we've had the patient states in so many words that are almost hauntingly exactly the same. They have a new found feeling of freedom.

188

00:18:11,560 --> 00:18:27,560

Could this sense of freedom be the patient's release from the grip of alien control? And if so, are these implants a way for aliens to invade Earth and the human race without ever setting foot on the planet?

189

00:18:27,560 --> 00:18:36,560

If you could control a population with a physical device, you've already invaded using a microchip.

190

00:18:37,560 --> 00:18:49,560

The human race must choose to confront the threat of alien abduction. But if implants have made it under our skin, the choice may have already been made for us.
