

1

00:00:00,000 --> 00:00:05,000

This photograph pictures young Elizabeth Templeton posing

2

00:00:05,000 --> 00:00:09,000

in an area known as the Solway Firth.

3

00:00:09,000 --> 00:00:13,000

She is six years old and appears alone.

4

00:00:13,000 --> 00:00:18,000

But you are not seeing the entire image.

5

00:00:18,000 --> 00:00:22,000

Some believe that there was an alien figure there

6

00:00:22,000 --> 00:00:25,000

and that this is captured on film.

7

00:00:25,000 --> 00:00:29,000

Tonight we expose what could be the first photograph

8

00:00:29,000 --> 00:00:32,000

of an extraterrestrial being.

9

00:00:32,000 --> 00:00:35,000

An incredible true story that connects alien encounters

10

00:00:35,000 --> 00:00:39,000

around the world reveals the real men in black.

11

00:00:39,000 --> 00:00:42,000

These people might not have even been human.

12

00:00:42,000 --> 00:00:45,000

And uncovers an extraterrestrial battle

13

00:00:45,000 --> 00:00:50,000

or the most powerful weapon on planet Earth.

14

00:00:50,000 --> 00:00:55,000

This is a tale like nothing you have ever heard.

15

00:00:55,000 --> 00:01:00,000

Join us as the mystery of the Solway Firth spaceman

16

00:01:00,000 --> 00:01:03,000

is Unsealed.

17

00:01:06,000 --> 00:01:08,000

A global effort has begun.

18

00:01:08,000 --> 00:01:11,000

Secret files hidden from the public for decades,

19

00:01:11,000 --> 00:01:16,000

detailing every UFO account are now available to the public.

20

00:01:16,000 --> 00:01:20,000

We are about to uncover the truth behind these classified documents.

21

00:01:20,000 --> 00:01:24,000

Find out what the government doesn't want you to know.

22

00:01:24,000 --> 00:01:26,000

Unsealed.

23

00:01:26,000 --> 00:01:31,000

Alien files exposing the biggest secrets on planet Earth.

24

00:01:33,000 --> 00:01:35,000

Nuclear winter.

25

00:01:35,000 --> 00:01:39,000

Plants have been scorched from the Earth.

26

00:01:39,000 --> 00:01:42,000

Water has turned to acid.

27

00:01:42,000 --> 00:01:44,000

Man has perished.

28

00:01:44,000 --> 00:01:49,000

The victim of his own devastating weapons.

29

00:01:49,000 --> 00:01:54,000

Alien theorists believe this could be the future of planet Earth.

30

00:01:54,000 --> 00:01:58,000

A fate that may have been determined decades ago

31

00:01:58,000 --> 00:02:03,000

by a mysterious being in a most unlikely location.

32

00:02:03,000 --> 00:02:07,000

The city of Carlisle, United Kingdom.

33

00:02:07,000 --> 00:02:12,000

This quiet working community rests near the border of England and Scotland.

34

00:02:12,000 --> 00:02:17,000

It is May of 1964 and four young men from Liverpool,

35

00:02:17,000 --> 00:02:21,000

nearly 80 miles south, are taking over the world.

36

00:02:21,000 --> 00:02:25,000

On a Saturday afternoon, local firefighter Jim Templeton

37

00:02:25,000 --> 00:02:29,000

takes his wife and his daughter Elizabeth on an outing to the park

38

00:02:29,000 --> 00:02:33,000

near a quiet inlet known as the Solway Firth.

39

00:02:33,000 --> 00:02:37,000

They hike to a clearing stopping to take a picture.

40

00:02:37,000 --> 00:02:41,000

But what he is also about to photograph is believed to be

41

00:02:41,000 --> 00:02:46,000

the first evidence of an alien being caught on film.

42

00:02:47,000 --> 00:02:50,000

So as Jim Templeton headed to the marsh,

43

00:02:50,000 --> 00:02:54,000

the only thing out of the ordinary he noticed was that the animals,

44

00:02:54,000 --> 00:02:56,000

the sheep and the cows that were there,

45

00:02:56,000 --> 00:02:58,000

were huddled together and acting frightened.

46

00:02:58,000 --> 00:03:00,000

But of what?

47

00:03:00,000 --> 00:03:05,000

The girl poses with a little bouquet and her father snaps the shot.

48

00:03:05,000 --> 00:03:09,000

A week later he picks up the developed film at the chemist.

49

00:03:09,000 --> 00:03:13,000

The result is chilling.

50

00:03:13,000 --> 00:03:18,000

Jim Templeton took a series of three photographs of his daughter

51

00:03:18,000 --> 00:03:21,000

on a single lens reflex camera.

52

00:03:21,000 --> 00:03:25,000

On two of the photos, nothing unusual was seen.

53

00:03:25,000 --> 00:03:31,000

But on the middle picture, what seems to be a strange figure,

54

00:03:31,000 --> 00:03:36,000

white clad and wearing some sort of space suit and helmet,

55

00:03:36,000 --> 00:03:38,000

is visible in the background.

56

00:03:38,000 --> 00:03:41,000

The image runs in the local paper,

57

00:03:41,000 --> 00:03:44,000

creating an international sensation.

58

00:03:44,000 --> 00:03:48,000

People around the world identify the figure as a being,

59

00:03:48,000 --> 00:03:50,000

not from our planet.

60

00:03:50,000 --> 00:03:56,000

It becomes known as the Solway Firth Space Man.

61

00:03:56,000 --> 00:04:00,000

In 1964, a case like this was gold dust.

62

00:04:00,000 --> 00:04:02,000

Lots of people had a story,

63

00:04:02,000 --> 00:04:06,000

but very few people actually had their story backed up with a picture.

64

00:04:06,000 --> 00:04:10,000

This really does look like something either from a sci-fi movie,

65

00:04:10,000 --> 00:04:13,000

or real cutting-edge technology.

66

00:04:13,000 --> 00:04:19,000

But the figure does not appear to be wearing any space suit of the era.

67

00:04:19,000 --> 00:04:26,000

Could this be the first evidence of an alien being caught on camera?

68

00:04:28,000 --> 00:04:31,000

Skeptics have said that the creature wasn't really a creature.

69

00:04:31,000 --> 00:04:35,000

It was a beekeeper, a beekeeper and a beekeeping outfit, right?

70

00:04:35,000 --> 00:04:38,000

With a mask and protective garments and stuff.

71

00:04:38,000 --> 00:04:41,000

But if it's a beekeeper, and Templeton, as he said,

72

00:04:41,000 --> 00:04:44,000

reeled off those three photos in succession,

73

00:04:44,000 --> 00:04:48,000

how could a beekeeper appear in the middle photo, but not in the first two?

74

00:04:48,000 --> 00:04:50,000

It makes no sense.

75

00:04:50,000 --> 00:04:55,000

Nowadays, we're used to the idea that it's easy to fake a photograph with computer programs.

76

00:04:55,000 --> 00:05:00,000

Back in 1964, it was a very different story.

77

00:05:00,000 --> 00:05:07,000

Indeed, authorities at Kodak, who made the film, were sent this and were asked,

78

00:05:07,000 --> 00:05:09,000

is this a fake?

79

00:05:09,000 --> 00:05:13,000

They came back and said, no, we see no evidence of any trickery here.

80

00:05:13,000 --> 00:05:17,000

In fact, the image is so eerie, so incredible,

81

00:05:17,000 --> 00:05:25,000

that Kodak offers a lifetime supply of film to anyone who can debunk or otherwise explain the image.

82

00:05:25,000 --> 00:05:29,000

That prize has never been claimed.

83

00:05:29,000 --> 00:05:33,000

But if this figure was in fact an alien being,

84

00:05:33,000 --> 00:05:39,000

what was he doing on the Earth that day, and what could it mean to our planet?

85

00:05:39,000 --> 00:05:45,000

The answer could reveal the true identity of the Solway Firth spaceman,

86

00:05:45,000 --> 00:05:51,000

and it all begins with a visit from the man in black.

87

00:05:51,000 --> 00:06:00,000

This is Unsealed Alien Files, exposing the biggest secret on Planet Earth.

88

00:06:00,000 --> 00:06:04,000

Welcome back to Unsealed Alien Files.

89

00:06:04,000 --> 00:06:12,000

In 1964, Englishman Jim Templeton photographed a figure that would forever be known as the Solway Firth spaceman.

90

00:06:12,000 --> 00:06:17,000

It would ignite a firestorm of media speculation about aliens among us.

91

00:06:17,000 --> 00:06:23,000

And the next clue to the spaceman's true identity would come in a chilling visit

92

00:06:23,000 --> 00:06:28,000

from two of the most frightening figures in UFO history.

93

00:06:29,000 --> 00:06:32,000

Unsealed Case Files, the men in black.

94

00:06:32,000 --> 00:06:37,000

Shortly after this incident, Jim Templeton was visited by two men.

95

00:06:37,000 --> 00:06:42,000

They claimed to be from the authorities and quizzed him about the whole incident.

96

00:06:42,000 --> 00:06:47,000

These two individuals were very smartly dressed and all in black.

97

00:06:47,000 --> 00:06:50,000

Furthermore, they referred to themselves by numbers.

98

00:06:50,000 --> 00:06:54,000

All of this looked very strange.

99

00:06:54,000 --> 00:06:59,000

Templeton would later recall these beings as eerie and sinister.

100

00:06:59,000 --> 00:07:04,000

They demand that Templeton drive them to the site where the photo was taken.

101

00:07:04,000 --> 00:07:09,000

They took him to the marsh so that he could show them where he took the photo,

102

00:07:09,000 --> 00:07:14,000

as if they were investigating what could have happened on the marsh to get that image in the photo.

103

00:07:14,000 --> 00:07:19,000

But when Templeton asked the men for identification, they never showed it.

104

00:07:19,000 --> 00:07:22,000

All they said was they worked for Her Majesty's government.

105

00:07:22,000 --> 00:07:27,000

Out on the Solway Firth, the men asked Templeton where he stood

106

00:07:27,000 --> 00:07:30,000

and where his daughter sat for the photo.

107

00:07:30,000 --> 00:07:34,000

They then asked a surprising and unsettling question.

108

00:07:34,000 --> 00:07:39,000

They want to know where he saw the second spaceman.

109

00:07:39,000 --> 00:07:43,000

But Templeton never saw a second spaceman.

110

00:07:43,000 --> 00:07:49,000

When he insists there was only one, they become strange and hostile.

111

00:07:49,000 --> 00:07:52,000

Why would they have asked him about a second spaceman?

112

00:07:52,000 --> 00:07:56,000

Did they know something Templeton did not know?

113

00:07:56,000 --> 00:08:00,000

Templeton's suspicions went all the way up to the top of his head.

114

00:08:00,000 --> 00:08:05,000

He was bothered by the fact that they said he saw a second spaceman when he didn't,

115

00:08:05,000 --> 00:08:08,000

bothered by the fact that they showed him no identification,

116

00:08:08,000 --> 00:08:14,000

and bothered by the fact that they seemed to intimidate him and tell him not to talk about this.

117

00:08:14,000 --> 00:08:19,000

Templeton refused to give them anything, refused to cooperate with them,

118

00:08:19,000 --> 00:08:22,000

and they simply left without doing anything.

119

00:08:22,000 --> 00:08:27,000

The British Ministry of Defense denies ever having investigators on the case.

120

00:08:27,000 --> 00:08:33,000

But sightings of these strange men are not limited to the United Kingdom alone.

121

00:08:33,000 --> 00:08:37,000

The interrogation Jim Templeton experienced is frighteningly familiar

122

00:08:37,000 --> 00:08:43,000

for those who report their alien sightings to the public.

123

00:08:43,000 --> 00:08:48,000

Looking back over the years, a number of UFO sightings have been followed

124

00:08:48,000 --> 00:08:54,000

by reports of strange black clad figures interviewing the witnesses

125

00:08:54,000 --> 00:09:00,000

and suggesting very strongly that they don't talk to anyone about what happened.

126

00:09:00,000 --> 00:09:04,000

These sinister figures have been dubbed the Men in Black.

127

00:09:04,000 --> 00:09:08,000

Could the strange investigators who questioned Templeton on the Solway Firth

128

00:09:08,000 --> 00:09:12,000

have been the real Men in Black?

129

00:09:12,000 --> 00:09:16,000

Almost every event in Templeton's experience matches those of other people

130

00:09:16,000 --> 00:09:18,000

that have experienced Men in Black throughout the years.

131

00:09:18,000 --> 00:09:20,000

They usually travel in groups of two or three.

132

00:09:20,000 --> 00:09:23,000

They're dressed in black. Oftentimes they have large eyes.

133

00:09:23,000 --> 00:09:28,000

They're very, very aggressive in the way they handle UFO witnesses.

134

00:09:28,000 --> 00:09:31,000

And the similarities do not end there.

135

00:09:31,000 --> 00:09:36,000

Almost every reputable Men in Black sighting over the last 60 years

136

00:09:36,000 --> 00:09:38,000

happened within days of a UFO encounter.

137

00:09:38,000 --> 00:09:41,000

But how did they even know where Templeton lived?

138

00:09:42,000 --> 00:09:46,000

These Men often show intimate details about their subjects

139

00:09:46,000 --> 00:09:49,000

as though they've been under surveillance.

140

00:09:49,000 --> 00:09:55,000

A fact that supports the theory that these investigators are part of an elite government unit

141

00:09:55,000 --> 00:10:00,000

controlling the public's knowledge of alien secrets.

142

00:10:00,000 --> 00:10:03,000

According to documents like the Blue Planet Project,

143

00:10:03,000 --> 00:10:07,000

these Men in Black are a splinter group of the Air Force known as the Delta Team.

144

00:10:07,000 --> 00:10:12,000

This group's sole purpose is to suppress any public information of UFOs

145

00:10:12,000 --> 00:10:14,000

recovered by our government.

146

00:10:14,000 --> 00:10:18,000

But no government agency has ever confirmed their existence.

147

00:10:18,000 --> 00:10:22,000

The way Templeton described these Men, it doesn't sound like they're from the government.

148

00:10:22,000 --> 00:10:25,000

They were awkward and clumsy. They lacked social graces.

149

00:10:25,000 --> 00:10:27,000

Their grammar was a little bit broken.

150

00:10:27,000 --> 00:10:30,000

They referred to one another as numbers rather than names.

151

00:10:30,000 --> 00:10:34,000

Very strange. But if they're not government, who are they?

152

00:10:34,000 --> 00:10:39,000

The investigators who have met them face to face also describe strange details

153

00:10:39,000 --> 00:10:42,000

that seem decidedly unhuman.

154

00:10:43,000 --> 00:10:47,000

They acted very robotic. They acted almost mechanical.

155

00:10:47,000 --> 00:10:52,000

So it leads one to believe, as other people have described these individuals,

156

00:10:52,000 --> 00:10:55,000

that these people might not have even been human.

157

00:10:55,000 --> 00:10:58,000

Who are these creatures? Are they extraterrestrials?

158

00:10:58,000 --> 00:11:03,000

Are they here to intimidate people, to keep them from talking about UFO sightings?

159

00:11:03,000 --> 00:11:06,000

Are they here to find out what the UFO sightings were?

160

00:11:06,000 --> 00:11:09,000

Are they an ET investigation team?

161

00:11:09,000 --> 00:11:16,000

Not human, but aliens trying to keep human beings from spreading the truth about UFOs.

162

00:11:17,000 --> 00:11:20,000

What could they have been out to find?

163

00:11:20,000 --> 00:11:22,000

And did they discover it?

164

00:11:22,000 --> 00:11:28,000

The answer could not only reveal the identity of the Solway-Firth spaceman,

165

00:11:28,000 --> 00:11:34,000

it might just save every human life on planet Earth.

166

00:11:34,000 --> 00:11:41,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

167

00:11:43,000 --> 00:11:47,000

Welcome back to Unsealed Alien Files.

168

00:11:47,000 --> 00:11:53,000

In 1964, Jim Templeton photographed a figure perceived around the world

169

00:11:53,000 --> 00:11:57,000

as evidence of an alien among us on planet Earth.

170

00:11:58,000 --> 00:12:03,000

But who is this mysterious being known as the Solway-Firth spaceman?

171

00:12:03,000 --> 00:12:05,000

And was he alone?

172

00:12:05,000 --> 00:12:11,000

The answer begins more than half a world away in Wumerra, Australia.

173

00:12:12,000 --> 00:12:17,000

Wumerra was the test facility running trials with the Blue Streak,

174

00:12:17,000 --> 00:12:22,000

which was Great Britain's first intercontinental ballistic missile.

175

00:12:22,000 --> 00:12:27,000

The Blue Streak missile was designed by the British to serve as a nuclear deterrent weapon

176

00:12:27,000 --> 00:12:29,000

in the Cold War.

177

00:12:29,000 --> 00:12:37,000

The Blue Streak missile program was without doubt a program of extreme significance for the British government.

178

00:12:37,000 --> 00:12:43,000

The crucial first test for this missile is scheduled for May 24, 1964.

179

00:12:43,000 --> 00:12:47,000

The launch team has prepared months for this moment.

180

00:12:47,000 --> 00:12:50,000

But during the countdown, the unthinkable happens.

181

00:12:50,000 --> 00:12:53,000

The launch is halted.

182

00:12:53,000 --> 00:13:00,000

The reported cause? Two unknown figures suddenly appearing on the launch pad.

183

00:13:00,000 --> 00:13:08,000

There was ostensibly a video of two white-garb, quote-unquote, spacemen

184

00:13:08,000 --> 00:13:13,000

running across the launch pad of this British missile.

185

00:13:13,000 --> 00:13:20,000

Now, what's so strange is that these individuals look just like the Solway-Firth spaceman

186

00:13:20,000 --> 00:13:25,000

Templeton himself said that the creatures that were described in the video

187

00:13:25,000 --> 00:13:29,000

looked exactly like the creature that was in the photograph.

188

00:13:30,000 --> 00:13:36,000

Men in black had asked Templeton about a second spaceman that did not appear on camera.

189

00:13:36,000 --> 00:13:42,000

Could there be a connection to this pair of figures interfering with the missile launch?

190

00:13:42,000 --> 00:13:46,000

Why were these creatures, assuming they were actually there,

191

00:13:46,000 --> 00:13:52,000

interrupting a highly classified missile test launch? What was their objective?

192

00:13:53,000 --> 00:13:58,000

When the missile is finally launched, the test is determined to be a failure.

193

00:13:58,000 --> 00:14:02,000

But is this exactly what the alien beings desired?

194

00:14:02,000 --> 00:14:10,000

A relationship seemed nonexistent until a shocking connection between the two incidents came to light.

195

00:14:11,000 --> 00:14:18,000

The Blue Streak rocket, tested in Womera, Australia, had been assembled at RAF Spadedom Base,

196

00:14:18,000 --> 00:14:22,000

less than 30 miles from Solway-Firth.

197

00:14:23,000 --> 00:14:29,000

So is there a connection between the Solway-Firth spaceman and the Blue Streak missile launch?

198

00:14:30,000 --> 00:14:35,000

Blue Streak is exactly the sort of thing that back in 1964,

199

00:14:36,000 --> 00:14:40,000

any visiting extraterrestrials would have been most interested in.

200

00:14:42,000 --> 00:14:51,000

For decades, there have been countless incidents, connecting man-made ballistic weapons with UFO and alien sightings.

201

00:14:51,000 --> 00:14:58,000

Since we first detonated our nuclear weapon in the 1940s, many people and experiencers have believed

202

00:14:58,000 --> 00:15:05,000

that whether it be a nuclear weapon or some type of missile that is going to deliver that nuclear weapon,

203

00:15:05,000 --> 00:15:07,000

that they're drawn to that.

204

00:15:07,000 --> 00:15:12,000

Less than three weeks later, a UFO sighting off the coast of California

205

00:15:12,000 --> 00:15:18,000

could explain the connection between these mysterious spaceman and lethal missiles.

206

00:15:19,000 --> 00:15:23,000

Unsealed case file, the UFO missile attack.

207

00:15:24,000 --> 00:15:32,000

Big Sur, California, June 10th, 1964, just 17 days after Jim Templeton's photograph was taken.

208

00:15:32,000 --> 00:15:36,000

Another alien form is caught on camera.

209

00:15:36,000 --> 00:15:42,000

This time, it is captured by a U.S. Air Force team, filming an Atlas test missile.

210

00:15:43,000 --> 00:15:49,000

The similarities between the American Atlas rocket and the British Blue Streak missile

211

00:15:49,000 --> 00:15:55,000

were both intercontinental ballistic missiles. They were launch vehicles for ICBMs.

212

00:15:55,000 --> 00:15:59,000

They were both launched even though they weren't armed at the time,

213

00:15:59,000 --> 00:16:05,000

but both had reported interferences with strange phenomena.

214

00:16:05,000 --> 00:16:10,000

Leading the crew is a Lieutenant Colonel named Robert Jacobs.

215

00:16:10,000 --> 00:16:14,000

According to Jacobs, the missile test fails in the final stage.

216

00:16:14,000 --> 00:16:17,000

He has the test footage developed for review.

217

00:16:18,000 --> 00:16:23,000

As soon as the footage is processed, Jacobs is ordered to report to his superior officer.

218

00:16:23,000 --> 00:16:29,000

And he saw these two strange men in dark suits, and they asked him what he saw.

219

00:16:29,000 --> 00:16:36,000

Well, all Jacobs saw, of course, was the missile rising off its launch pad and arcing over the horizon.

220

00:16:36,000 --> 00:16:39,000

Then they showed him the film.

221

00:16:40,000 --> 00:16:46,000

And all of a sudden, it shoots a beam of light into the warhead at the tip of the missile,

222

00:16:46,000 --> 00:16:50,000

moves around, does another one, moves around, does another one, and the warhead falls off.

223

00:16:50,000 --> 00:16:57,000

According to Jacobs, the footage and the men in dark suits disappeared, never to be seen again.

224

00:16:57,000 --> 00:17:04,000

Were these men the same men in black who had questioned Jim Templeton only days before?

225

00:17:04,000 --> 00:17:12,000

And were they attempting to hide evidence of UFOs attacking our nuclear capable weapons?

226

00:17:12,000 --> 00:17:17,000

It could mean basically that there's an extraterrestrial culture that's surveilling our planet

227

00:17:17,000 --> 00:17:21,000

very concerned about our use of nuclear weapons and telling us point blank,

228

00:17:21,000 --> 00:17:27,000

we will not let you use nuclear weapons, we will interfere with your missiles.

229

00:17:27,000 --> 00:17:33,000

The Solway Firth Space Man may have been on our planet to disarm nuclear weapons.

230

00:17:33,000 --> 00:17:38,000

But what is their goal? And who is hiding under their helmets?

231

00:17:38,000 --> 00:17:49,000

The answer will shock you. When we return, this is Unsealed Alien Files, exposing the biggest secret on planet Earth.

232

00:17:52,000 --> 00:17:59,000

The image of the Solway Firth Space Man revealed strange visitors attempting to disarm our nuclear weaponry.

233

00:17:59,000 --> 00:18:04,000

But what creatures could be under the helmet of this mysterious space man?

234

00:18:05,000 --> 00:18:10,000

It's the 1960s. The world was on the brink of war.

235

00:18:10,000 --> 00:18:16,000

Who would be most interested in keeping humans in the 1960s from destroying themselves?

236

00:18:16,000 --> 00:18:23,000

Well, the answer is simple. It's other human beings, but other human beings from the future.

237

00:18:23,000 --> 00:18:30,000

Could the space man have been a human sent back from the future to prevent nuclear annihilation?

238

00:18:30,000 --> 00:18:36,000

If we invent time travel in the future, wouldn't we try to fix our mistakes in the past?

239

00:18:36,000 --> 00:18:42,000

If true, we may have been saved from an apocalypse of our own design,

240

00:18:42,000 --> 00:18:49,000

and owe our very existence to the being known as the Solway Firth Space Man.

241

00:18:50,000 --> 00:18:57,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

242

00:19:00,000 --> 00:19:03,000

Unsealed Alien Files
