

1

00:00:00,000 --> 00:00:05,000

Ancient Egypt.

2

00:00:05,000 --> 00:00:13,440

Could it be that the hieroglyphs left behind by this mysterious culture detail a history

3

00:00:13,440 --> 00:00:17,120

of visitors from another planet?

4

00:00:17,120 --> 00:00:23,720

And the story of an advanced alien race assisting people on Earth thousands of years ago?

5

00:00:23,720 --> 00:00:28,480

If this is true, this could absolutely change and alter everything we believe about the

6

00:00:28,480 --> 00:00:32,360

human race.

7

00:00:32,360 --> 00:00:37,880

From stories of visitation buried within ancient texts to evidence that Egyptian structures

8

00:00:37,880 --> 00:00:40,160

did not begin on Earth.

9

00:00:40,160 --> 00:00:47,440

Tonight we reveal the incredible tale of strange beings behind one of the most advanced civilizations

10

00:00:47,440 --> 00:00:49,320

in human existence.

11

00:00:49,320 --> 00:00:56,760

Join us as the alien history of the Egyptian gods is unsealed.

12

00:00:56,760 --> 00:00:59,240

A global effort has begun.

13

00:00:59,240 --> 00:01:05,400

Secret files hidden from the public for decades detailing every UFO account are now available

14

00:01:05,400 --> 00:01:06,400

to the public.

15

00:01:06,400 --> 00:01:11,840

We are about to uncover the truth behind these classified documents.

16

00:01:11,840 --> 00:01:15,560

Find out what the government doesn't want you to know.

17

00:01:15,560 --> 00:01:18,800

Unsealed alien files.

18

00:01:18,800 --> 00:01:23,080

Exposing the biggest secret on planet Earth.

19

00:01:23,080 --> 00:01:29,200

Stories throughout the world suggests that a connection may exist between aliens and

20

00:01:29,200 --> 00:01:32,240

ancient human civilizations.

21

00:01:32,240 --> 00:01:36,960

The celestial calendar known as Stonehenge.

22

00:01:36,960 --> 00:01:43,280

The ancient Indian tales of piloted ships called Vimanus.

23

00:01:43,280 --> 00:01:48,680

What we're discovering is that ancient societies that suddenly blossomed and bloomed out of

24

00:01:48,680 --> 00:01:56,040

nowhere learned that information from older, much older cultures.

25

00:01:56,040 --> 00:02:00,480

Probably human but possibly not human.

26

00:02:00,480 --> 00:02:06,400

No civilization in human history may reveal more about our connection to the stars than

27

00:02:06,400 --> 00:02:10,480

a race beginning over 5,000 years ago.

28

00:02:10,480 --> 00:02:14,880

The people of ancient Egypt.

29

00:02:14,880 --> 00:02:19,600

Ancient Egypt is almost like a well of our own human past.

30

00:02:19,600 --> 00:02:25,520

The more we explore the mysteries of ancient Egypt, the monuments, the pyramids, the stings,

31

00:02:25,520 --> 00:02:33,320

the more we realize that there's more to learn about ancient Egypt and its potential relationship

32

00:02:33,320 --> 00:02:36,200

to other extraterrestrial races.

33

00:02:36,200 --> 00:02:38,080

Dendera Egypt.

34

00:02:38,080 --> 00:02:44,360

Among the many ruins here, the Great Temple of Hathor serves as the central temple of worship

35

00:02:44,360 --> 00:02:52,840

for the goddess Hathor, mother, wife and daughter of Ra, the sun god.

36

00:02:52,840 --> 00:02:58,360

What's fascinating about the Temple of Hathor is that it has this beautiful celestial image

37

00:02:58,360 --> 00:03:05,640

on the ceiling and it proves that the ancient Egyptians were fascinated with astronomy.

38

00:03:05,640 --> 00:03:11,560

But hieroglyphics in the Temple of Hathor also reveal what could be a scientific understanding

39

00:03:11,560 --> 00:03:14,480

thousands of years ahead of its time.

40

00:03:14,480 --> 00:03:19,480

The most mysterious etchings appear to show a device that wouldn't be invented by modern

41

00:03:19,480 --> 00:03:23,760

man for another three millennia.

42

00:03:23,760 --> 00:03:28,080

So you have these hieroglyphics that depict this reptile-like creature or creatures giving

43

00:03:28,080 --> 00:03:31,360

these gifts to humans.

44

00:03:31,360 --> 00:03:36,880

And the gifts really upon looking at it are bulbous in nature, they're emitting a light.

45

00:03:36,880 --> 00:03:39,280

You can even argue that there's a filament inside.

46

00:03:39,280 --> 00:03:40,560

It looks like a light bulb.

47

00:03:40,560 --> 00:03:42,720

Some people say that it's a light bulb.

48

00:03:42,720 --> 00:03:48,120

Did ancient Egyptians possess the knowledge of electric light bulbs over 3,000 years before

49

00:03:48,120 --> 00:03:50,040

Thomas Edison?

50

00:03:50,040 --> 00:03:55,320

And can the records of ancient Egypt reveal the true identity of the strange creatures

51

00:03:55,320 --> 00:03:59,040

passing their knowledge to mankind?

52

00:03:59,040 --> 00:04:02,960

Unsealed Case File, the Tule Papyrus.

53

00:04:02,960 --> 00:04:07,920

One of the most recent accounts of possible interaction between Egyptians and extraterrestrials

54

00:04:07,920 --> 00:04:11,320

comes from the Tule Papyrus.

55

00:04:11,320 --> 00:04:16,720

According to reports, the Tule Papyrus was discovered in a Cairo antique shop by Alberto

56

00:04:16,720 --> 00:04:21,120

Tule, a director of the Vatican Museum's Egyptian studies.

57

00:04:21,120 --> 00:04:26,080

The message's alleged translation reveals a shocking account of unidentified visitors

58

00:04:26,080 --> 00:04:32,360

over the sands of ancient Egypt more than 3,500 years ago.

59

00:04:32,360 --> 00:04:33,360

It reads,

60

00:04:33,880 --> 00:04:41,160

In the year 22, a strange fiery disk was coming in the sky.

61

00:04:41,160 --> 00:04:47,520

After several days had passed, they became more numerous in the sky than ever.

62

00:04:47,520 --> 00:04:52,480

They shined in the sky more than the brightness of the sun.

63

00:04:52,480 --> 00:04:58,000

Powerful was the position of the fiery disks.

64

00:04:58,000 --> 00:05:03,560

The Tule Papyrus describes fiery disks that were flying through the sky.

65

00:05:03,560 --> 00:05:05,240

What do we call these now?

66

00:05:05,240 --> 00:05:12,400

We call these UFOs and it almost looked like an alien fleet, a fleet of extraterrestrials

67

00:05:12,400 --> 00:05:16,480

were flying over the skies of ancient Egypt.

68

00:05:16,480 --> 00:05:23,920

Many believe these fiery disks could be the arrival of alien beings depicted in the Temple

69

00:05:23,920 --> 00:05:24,920

of Hathor.

70

00:05:25,680 --> 00:05:32,280

If this is true, then we have an actual documented account of UFOs descending upon ancient Egypt.

71

00:05:32,280 --> 00:05:36,600

And on top of that, we could have evidence of technology thousands of years ahead of

72

00:05:36,600 --> 00:05:37,600

its time.

73

00:05:37,600 --> 00:05:43,200

Is it possible that what we thought of as gods were in fact extraterrestrials that

74

00:05:43,200 --> 00:05:45,640

the ancient Egyptians were communicating with?

75

00:05:45,640 --> 00:05:49,960

And if so, then why were they here and what do they want from us?

76

00:05:49,960 --> 00:05:54,880

Coming up next, the answer to these mysteries could reveal the greatest alien secrets.

77

00:05:54,920 --> 00:06:02,200

In human history and uncover the tomb of an ancient ruler known to some as the alien

78

00:06:02,200 --> 00:06:11,320

king Unsealed Alien Files exposing the biggest secret on planet Earth.

79

00:06:11,320 --> 00:06:16,000

Welcome back to Unsealed Alien Files.

80

00:06:16,000 --> 00:06:23,800

Ancient Egyptian records prove an undeniable link between the people of Egypt and mysterious

81

00:06:23,800 --> 00:06:31,880

beings that have been interpreted as gods.

82

00:06:31,880 --> 00:06:38,080

But were these gods mere folklore or could they have been actual creatures visiting our

83

00:06:38,080 --> 00:06:42,800

planet and sharing their secrets with mankind?

84

00:06:42,800 --> 00:06:49,240

If the ancient Egyptians had had contact with extraterrestrials, maybe all of the hieroglyphs

85

00:06:49,240 --> 00:06:55,600

that we see today of their gods are actually their interactions with extraterrestrials.

86

00:06:55,600 --> 00:07:03,040

Abadous Egypt, carved into the walls of the famed Temple of Seti, are incredible images

87

00:07:03,040 --> 00:07:08,520

that some believe could connect ancient man and alien life.

88

00:07:08,520 --> 00:07:18,240

On the walls of these Egyptian edifices, there seem to be a terrific depiction of an aircraft.

89

00:07:18,240 --> 00:07:23,240

There's a helicopter, another type of aircraft.

90

00:07:23,240 --> 00:07:25,240

It looks like there's a submarine.

91

00:07:25,240 --> 00:07:32,600

What can explain that in inscriptions that were carved into stone 8,000 years ago?

92

00:07:32,600 --> 00:07:38,240

If these are recordings of machines a millennia before their time, could ancient man have

93

00:07:38,240 --> 00:07:43,240

been exposed to advanced technology by a superior race?

94

00:07:43,240 --> 00:07:48,320

Do you have to wonder were these flying machines in the sky during ancient Egyptian times?

95

00:07:48,320 --> 00:07:50,840

Is this something that they built themselves?

96

00:07:50,840 --> 00:07:55,640

Or this could be proof that something was in our skies thousands of years ago?

97

00:07:55,640 --> 00:08:01,440

If these carvings are evidence of alien contact with ancient humans, what were they here to

98

00:08:01,440 --> 00:08:02,560

accomplish?

99

00:08:02,560 --> 00:08:09,200

The answer could be, in the tomb of an Egyptian ruler, some believe may not have been human

100

00:08:09,200 --> 00:08:10,840

at all.

101

00:08:10,840 --> 00:08:16,640

Unsealed case file, Akanatan, the alien king.

102

00:08:16,640 --> 00:08:23,600

Pharaoh Abinhotep IV became ruler of Egypt in 1353 BC.

103

00:08:23,600 --> 00:08:31,120

But five years into his reign, he changed his name to Akanatan, the living spirit of

104

00:08:31,120 --> 00:08:32,600

Akanatan.

105

00:08:32,600 --> 00:08:37,880

In Egyptian mythology, Akanatan is described as this solar disk, sometimes depicted with

106

00:08:37,880 --> 00:08:40,240

hands and rays coming out of it.

107

00:08:40,240 --> 00:08:47,800

And this makes Akanatan the living embodiment of that sun disk.

108

00:08:47,800 --> 00:08:54,280

Akanatan ruled for 17 years, changing the traditional religion of the land to only worship

109

00:08:54,280 --> 00:08:56,400

Aten.

110

00:08:56,400 --> 00:09:03,920

According to the king, Aten, the sun disk, was more powerful than mere gods.

111

00:09:03,920 --> 00:09:09,360

Because Akanatan was able to come in and change all of the beliefs of Egypt in a matter

112

00:09:09,360 --> 00:09:16,040

of just years, that tells me that there's some connection between him and this deity.

113

00:09:16,040 --> 00:09:22,480

And if we believe in the idea that Aten was some sort of extraterrestrial being, then

114

00:09:22,480 --> 00:09:28,000

perhaps Akanatan was actually offspring.

115

00:09:28,000 --> 00:09:34,520

Hieroglyphics of Akanatan reveal him to be anything but normal.

116

00:09:34,520 --> 00:09:38,680

His arms and fingers are long and slender.

117

00:09:38,680 --> 00:09:45,480

His chin stretches low and his head strangely elongated.

118

00:09:45,480 --> 00:09:51,840

Certain characteristics of these aliens would be portrayed in the genetic structure of the

119

00:09:51,840 --> 00:09:53,120

royal family.

120

00:09:53,120 --> 00:09:57,720

And one of those is cranial elongation.

121

00:09:57,720 --> 00:10:05,400

Analysis of Akanatan's skull has led researchers to imagine a head of inhuman length and eyes

122

00:10:05,400 --> 00:10:08,120

of unusual size.

123

00:10:08,120 --> 00:10:13,960

This trait was also seen in daughters of the pharaoh, as well as his famous son, King

124

00:10:13,960 --> 00:10:16,160

Tutankhamun.

125

00:10:16,160 --> 00:10:20,920

But could this family have descended from an extraterrestrial race?

126

00:10:20,920 --> 00:10:25,440

Skeptics believe that Akanatan's skull shape could be the result of skull binding or tying

127

00:10:25,440 --> 00:10:27,920

something around the head to misshape it on purpose.

128

00:10:27,920 --> 00:10:33,000

But there is absolutely no evidence that supports that Akanatan's skull shape has anything to

129

00:10:33,000 --> 00:10:34,560

do with skull binding.

130

00:10:34,560 --> 00:10:40,560

Some claim Akanatan and his descendants suffered from a biological disorder.

131

00:10:40,560 --> 00:10:46,720

But alien theorists insist the explanation lies in something far more shocking.

132

00:10:46,720 --> 00:10:53,240

Akanatan in fact have been the first recorded attempt at alien human hybridization.

133

00:10:53,240 --> 00:11:03,000

If an alien race were dying, how would they invade another planet to sustain their race

134

00:11:03,000 --> 00:11:07,280

to keep themselves alive through successive generations?

135

00:11:07,280 --> 00:11:13,960

One way would be to hybridize with that species to create a new species, a synthesis of that

136

00:11:13,960 --> 00:11:20,560

species and their own, and therefore their civilization could be sustained.

137

00:11:20,560 --> 00:11:26,720

If aliens were successful in interbreeding with humans, their genes could still be present

138

00:11:26,720 --> 00:11:29,560

in the human race today.

139

00:11:29,560 --> 00:11:31,800

But where did they come from?

140

00:11:31,800 --> 00:11:34,160

And where did they go?

141

00:11:34,160 --> 00:11:41,920

The answer may be within messages left behind at their greatest achievement.

142

00:11:41,920 --> 00:11:44,760

The Pyramids

143

00:11:44,760 --> 00:11:51,160

Coming up next, the hidden codes of the pyramid reveal incredible evidence of alien architects

144

00:11:51,160 --> 00:11:58,720

and expose a shocking secret that could change everything we've ever believed about the origins

145

00:11:58,720 --> 00:12:00,480

of man.

146

00:12:00,480 --> 00:12:09,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

147

00:12:09,000 --> 00:12:13,600

Welcome back to Unsealed Alien Files.

148

00:12:13,600 --> 00:12:19,480

Ancient records and the remains of a pharaoh known as the Alien King may prove that the

149

00:12:19,480 --> 00:12:24,320

gods of Egypt were more flesh and blood than ever imagined.

150

00:12:24,320 --> 00:12:28,920

But could these strange beings have been visitors from another world?

151

00:12:28,920 --> 00:12:33,240

A lot of believers feel that that is evidence, that they were visited.

152

00:12:33,240 --> 00:12:38,840

That is evidence that they knew more than we know now about life out there in the universe.

153

00:12:39,680 --> 00:12:41,560

The Pyramids

154

00:12:41,560 --> 00:12:47,280

What many would call impossible structures, the pyramids may be man's greatest early

155

00:12:47,280 --> 00:12:54,920

feat of engineering, but was the feat accomplished by mankind alone?

156

00:12:54,920 --> 00:12:59,880

You can see examples of this all over the globe, but the most impressive and fascinating

157

00:12:59,880 --> 00:13:02,080

is the great pyramid of Giza.

158

00:13:02,080 --> 00:13:09,960

The great pyramid of Giza was partially constructed using 130 granite blocks that each weighed

159

00:13:09,960 --> 00:13:14,280

between 12 and 70 tons.

160

00:13:14,280 --> 00:13:20,680

Each massive piece was nearly impossible to move with sheer manpower alone, and yet each

161

00:13:20,680 --> 00:13:26,560

one was transported incredible distances.

162

00:13:26,560 --> 00:13:32,800

These large stones of granite were hauled 500 miles away to build the great pyramids

163

00:13:32,800 --> 00:13:33,800

of Egypt.

164

00:13:33,800 --> 00:13:39,720

They needed to be hoisted over 240 feet into the air by the time they reached their capstone.

165

00:13:39,720 --> 00:13:47,840

So how did any race do this and accomplish this, especially when they came 2,000, 3,000

166

00:13:47,840 --> 00:13:50,280

years before the time of Jesus?

167

00:13:50,280 --> 00:13:56,200

According to historians, the great pyramid took only 20 years to construct.

168

00:13:56,400 --> 00:14:04,600

If true, workers would have had to quarry, craft, and fit a multi-ton block every two

169

00:14:04,600 --> 00:14:07,880

and a half minutes.

170

00:14:07,880 --> 00:14:11,680

That's an amazing feat even when you're talking about 21st century technology.

171

00:14:11,680 --> 00:14:14,400

So how did the ancient Egyptians do it?

172

00:14:14,400 --> 00:14:19,880

Really the only answer to that that you could come up with that makes sense today is they

173

00:14:19,880 --> 00:14:21,080

had help.

174

00:14:21,080 --> 00:14:22,280

They had to have had help.

175

00:14:22,280 --> 00:14:26,680

How could the human race do this by themselves?

176

00:14:26,680 --> 00:14:34,520

The degree of accuracy found in the pyramid's construction also indicates a higher intelligence.

177

00:14:34,520 --> 00:14:38,040

The positioning of the pyramid is absolutely precise.

178

00:14:38,040 --> 00:14:41,840

It points due north within five hundredths of a degree.

179

00:14:41,840 --> 00:14:45,120

No other structure on earth has that kind of precision.

180

00:14:45,120 --> 00:14:50,720

Constructed with what the Egyptians referred to as sacred geometry, the pyramids are said

181

00:14:50,760 --> 00:14:58,560

to have once been polished to reflect sunlight, enough to be visible from space.

182

00:14:58,560 --> 00:15:01,840

But what was the purpose of such a beacon?

183

00:15:01,840 --> 00:15:07,760

And could the answer be buried within this sacred geometry?

184

00:15:07,760 --> 00:15:13,280

The equations and the mathematics required to have figured that out were so advanced

185

00:15:13,280 --> 00:15:20,360

that only someone looking at the earth from the sky or from space would have figured out

186

00:15:20,480 --> 00:15:22,560

the mathematics of the great pyramid.

187

00:15:22,560 --> 00:15:29,480

Analysis indicates that the height of the great pyramid, when multiplied by one billion,

188

00:15:29,480 --> 00:15:35,360

measures the average distance of the earth from the sun.

189

00:15:35,360 --> 00:15:42,000

The full base circumference of the great pyramid is a near to scale match for the circumference

190

00:15:42,000 --> 00:15:45,160

of the earth at the equator.

191

00:15:46,120 --> 00:15:53,160

When you take all this into consideration, how did the Egyptians get all this advanced information?

192

00:15:53,160 --> 00:15:58,320

It was way beyond the technology of ancient Egypt and way beyond the civilization itself.

193

00:15:58,320 --> 00:16:06,000

That's why many ancient alien theorists believe that ancient Egypt was actually in part

194

00:16:06,000 --> 00:16:09,240

an ancient extraterrestrial civilization.

195

00:16:10,240 --> 00:16:18,240

If extraterrestrial intelligence influenced these great structures, it implies that alien beings

196

00:16:18,240 --> 00:16:21,240

may have felt a kinship with mankind.

197

00:16:21,240 --> 00:16:27,240

Otherwise, why did they leave behind the great pyramid or the structure that could explain

198

00:16:27,240 --> 00:16:30,240

to us where they came from?

199

00:16:30,240 --> 00:16:33,240

The Sphinx

200

00:16:33,240 --> 00:16:41,240

At 66 feet high and 240 feet in length, it is the largest monolith statue in the world.

201

00:16:41,240 --> 00:16:51,240

And within it is a secret that may prove that the structures of ancient Egypt did not originate from our planet.

202

00:16:51,240 --> 00:16:58,240

The Great Sphinx contains a number of mysteries beyond our understanding, but the greatest of which is right on its surface.

203

00:16:58,240 --> 00:17:07,240

In 1991, geologists from Boston University discovered erosion and weather patterns on the Sphinx

204

00:17:07,240 --> 00:17:15,240

that dated its construction thousands of years before the existence of the Egyptian civilization.

205

00:17:15,240 --> 00:17:21,240

Then that means that the Sphinx would predate the Egyptian culture by thousands of years.

206

00:17:21,240 --> 00:17:26,240

If the Egyptians didn't build the Sphinx, then who or what did?

207

00:17:26,240 --> 00:17:31,240

Coming up next, a chilling possibility is revealed by NASA.

208

00:17:31,240 --> 00:17:39,240

These great structures may not be from Earth at all, and the photographs that could prove it will shock the world.

209

00:17:39,240 --> 00:17:49,240

When we return, this is Unsealed Alien Files, exposing the biggest secret on planet Earth.

210

00:17:50,240 --> 00:18:02,240

Scientific evidence could prove that the great monuments of ancient Egypt were collaborations between mankind and visitors from another planet.

211

00:18:02,240 --> 00:18:07,240

But from what planet did these visitors originate?

212

00:18:07,240 --> 00:18:15,240

New NASA photographs have revealed what appears to be several pyramids and even a Sphinx buried on the sands of Mars.

213

00:18:15,240 --> 00:18:21,240

Were the original pyramids and Sphinx built by an ancient Martian race?

214

00:18:21,240 --> 00:18:26,240

Now that we have rotors on Mars, a lot of these questions will be answered.

215

00:18:26,240 --> 00:18:34,240

If we find the remains of ancient civilizations under the surface of Mars, would we have to rewrite human history?

216

00:18:34,240 --> 00:18:45,240

If ancient Egypt was visited and inspired by Martian founders, our exploration of the red planet could put us face to face with our ancestors

217

00:18:45,240 --> 00:18:51,240

and finally unravel the truth behind Ancient Egypt.

218

00:18:51,240 --> 00:18:58,240

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
