

1

00:00:00,000 --> 00:00:05,000

The list of global threats to the human race is long.

2

00:00:05,000 --> 00:00:08,000

What could Earth's armed forces be facing a new enemy

3

00:00:08,000 --> 00:00:12,000

that is literally out of this world?

4

00:00:12,000 --> 00:00:15,000

We have only to open our eyes to see how quickly

5

00:00:15,000 --> 00:00:18,000

our differences worldwide would vanish

6

00:00:18,000 --> 00:00:22,000

if we were facing an alien threat from outside this world.

7

00:00:22,000 --> 00:00:26,000

And yet I ask you, is not an alien force already in the world?

8

00:00:26,000 --> 00:00:30,000

From UFO dogfights to acts of alien aggression

9

00:00:30,000 --> 00:00:34,000

against the planet's most powerful weapons of mass destruction,

10

00:00:34,000 --> 00:00:37,000

we will expose military evidence that could prove

11

00:00:37,000 --> 00:00:42,000

world governments have long been preparing for the next great global conflict,

12

00:00:42,000 --> 00:00:46,000

a real life war of the worlds.

13

00:00:46,000 --> 00:00:50,000

Tonight, we present surprising cases of alien invasion

14

00:00:50,000 --> 00:00:54,000

that will be a major threat to the world.

15

00:00:54,000 --> 00:00:59,000

We present surprising cases of alien engagement and their cover-ups.

16

00:00:59,000 --> 00:01:06,000

Join us as the secrets of aliens and the military are unsealed.

17

00:01:06,000 --> 00:01:08,000

A global effort has begun.

18

00:01:08,000 --> 00:01:11,000

Secret files hidden from the public for decades,

19

00:01:11,000 --> 00:01:16,000

detailing every UFO account are now available to the public.

20

00:01:16,000 --> 00:01:21,000

We are about to uncover the truth behind these classified documents.

21

00:01:21,000 --> 00:01:24,000

Find out what the government doesn't want you to know.

22

00:01:24,000 --> 00:01:26,000

Unsealed.

23

00:01:26,000 --> 00:01:28,000

Alien files.

24

00:01:28,000 --> 00:01:32,000

Exposing the biggest secret on planet Earth.

25

00:01:34,000 --> 00:01:39,000

The Coast of Northern California, September 17th, 2012.

26

00:01:39,000 --> 00:01:44,000

The online newspaper Veterans Today reports a shocking military action.

27

00:01:44,000 --> 00:01:47,000

According to a leaked classified memo,

28

00:01:47,000 --> 00:01:52,000

warships from the United States and China have joined forces in the Pacific.

29

00:01:52,000 --> 00:01:58,000

Their target is cited as a highly unfriendly extraterrestrial threat.

30

00:01:58,000 --> 00:02:05,000

Normally at odds, the unlikely alliance raises fears of a doomsday scenario.

31

00:02:05,000 --> 00:02:09,000

When you look at the evidence, if the planet Earth were to ever face

32

00:02:09,000 --> 00:02:12,000

an invasion from an extraterrestrial race,

33

00:02:12,000 --> 00:02:15,000

and it really wouldn't be a war between this country and that country,

34

00:02:15,000 --> 00:02:19,000

those boundaries would fade away and that we would have to come together

35

00:02:19,000 --> 00:02:21,000

and fight that war together.

36

00:02:23,000 --> 00:02:26,000

The U.S. government has not confirmed the story,

37

00:02:26,000 --> 00:02:31,000

nor does it acknowledge that any evidence of alien spacecraft exists.

38

00:02:31,000 --> 00:02:34,000

But if there is no clear and present danger from aliens,

39

00:02:34,000 --> 00:02:40,000

why are American armed forces preparing for a UFO threat?

40

00:02:41,000 --> 00:02:43,000

Unsealed Case File.

41

00:02:43,000 --> 00:02:47,000

Air Force Instruction 10-206.

42

00:02:47,000 --> 00:02:54,000

In 2011, shattering evidence of the Air Force's belief in UFOs is uncovered.

43

00:02:54,000 --> 00:02:57,000

While investigating whether or not the military in today's world

44

00:02:57,000 --> 00:03:03,000

was still investigating UFOs, I discovered Air Force Manual 10-206.

45

00:03:03,000 --> 00:03:06,000

This was undeniable proof to me that on the books,

46

00:03:06,000 --> 00:03:10,000

there were still instructions for reporting unidentified flying objects.

47

00:03:10,000 --> 00:03:14,000

Although the public story remains that the military and the government

48

00:03:14,000 --> 00:03:21,000

have no interest in UFOs, Air Force Instruction 10-206 proves otherwise.

49

00:03:21,000 --> 00:03:25,000

This was not a manual from the 1960s or 1970s.

50

00:03:25,000 --> 00:03:28,000

We now have a manual, undeniable proof,

51

00:03:28,000 --> 00:03:32,000

that the military was still actively investigating these UFO records,

52

00:03:32,000 --> 00:03:35,000

these UFO reports, and these UFO sightings.

53

00:03:35,000 --> 00:03:39,000

That's very, very significant because that is 100% contradictory

54

00:03:39,000 --> 00:03:42,000

to what the military wants you to believe.

55

00:03:43,000 --> 00:03:46,000

The military built to respond to the world's deadliest threats

56

00:03:46,000 --> 00:03:51,000

has officially placed flying saucers on the threat board.

57

00:03:51,000 --> 00:03:57,000

Even more shocking, they had been there for more than 40 years.

58

00:03:58,000 --> 00:04:03,000

In 1968, cadets at the Air Force Academy in Colorado Springs, Colorado

59

00:04:03,000 --> 00:04:08,000

are issued a textbook titled, Introductory Space Science.

60

00:04:08,000 --> 00:04:13,000

In it is a section that has become known simply as Chapter 33,

61

00:04:13,000 --> 00:04:17,000

its subject on identified flying objects.

62

00:04:17,000 --> 00:04:20,000

This book was not a work of science fiction.

63

00:04:20,000 --> 00:04:25,000

This was an actual military manual that was being utilized by military students,

64

00:04:25,000 --> 00:04:28,000

and they were being trained by this book.

65

00:04:28,000 --> 00:04:33,000

Chapter 33 presents evidence that UFOs are a global phenomenon,

66

00:04:33,000 --> 00:04:37,000

which may have persisted for thousands of years.

67

00:04:37,000 --> 00:04:41,000

It recognizes several explanations for these craft.

68

00:04:41,000 --> 00:04:46,000

Among them, the possibility that these UFOs are either manned

69

00:04:46,000 --> 00:04:51,000

or remote controlled by beings who are alien to this planet.

70

00:04:51,000 --> 00:04:55,000

The military wants us to believe that they are completely closed-minded

71

00:04:55,000 --> 00:04:56,000

to the topic of UFOs.

72

00:04:56,000 --> 00:04:59,000

Maybe this textbook shows that they're a little bit more open to the idea

73

00:04:59,000 --> 00:05:01,000

than they want us to believe.

74

00:05:01,000 --> 00:05:06,000

Could these pages of AF10-206 be a smoking gun

75

00:05:06,000 --> 00:05:12,000

that exposes what the military is secretly preparing for?

76

00:05:12,000 --> 00:05:16,000

The next case shows those preparations were not enough

77

00:05:16,000 --> 00:05:21,000

when the military was attacked by UFOs.

78

00:05:21,000 --> 00:05:26,000

Coming up next, a UFO dogfight exposes human weapons to be useless

79

00:05:26,000 --> 00:05:31,000

against an alien threat.

80

00:05:31,000 --> 00:05:35,000

This is Unsealed Alien Files,

81

00:05:35,000 --> 00:05:40,000

exposing the biggest secret on planet Earth.

82

00:05:40,000 --> 00:05:45,000

Welcome back to Unsealed Alien Files.

83

00:05:45,000 --> 00:05:49,000

From a reported naval battle with UFOs,

84

00:05:49,000 --> 00:05:52,000

to the discovery of an Air Force alien defense plan,

85

00:05:52,000 --> 00:05:55,000

conflicts between extraterrestrials and the military

86

00:05:55,000 --> 00:05:59,000

are happening throughout the world.

87

00:05:59,000 --> 00:06:06,000

The military is not a man-kind's defense's any match for alien weaponry.

88

00:06:06,000 --> 00:06:11,000

Unsealed Case Files, Alien Blackout Weapons.

89

00:06:11,000 --> 00:06:15,000

Iran, September 19, 1976.

90

00:06:15,000 --> 00:06:18,000

Authorities receive multiple reports of a strange object

91

00:06:18,000 --> 00:06:22,000

over the capital city, Tehran.

92

00:06:22,000 --> 00:06:27,000

The Imperial Iranian Air Force dispatches a fighter jet to intercept.

93

00:06:27,000 --> 00:06:32,000

Military records from the incident describe a chilling, close encounter.

94

00:06:32,000 --> 00:06:35,000

When they finally had visual contact, they asked what should we do,

95

00:06:35,000 --> 00:06:37,000

and the base gave them permission to fire.

96

00:06:37,000 --> 00:06:41,000

And just when he was ready to squeeze the trigger and fire a missile at this thing,

97

00:06:41,000 --> 00:06:45,000

his whole dashboard basically went dead. His cockpit went out electronically.

98

00:06:45,000 --> 00:06:48,000

He was still flying, but it was all disarmed.

99

00:06:48,000 --> 00:06:52,000

So he couldn't fire a missile, he couldn't do anything.

100

00:06:52,000 --> 00:06:56,000

The Iranian jets' weapons systems have been completely disabled,

101

00:06:56,000 --> 00:06:58,000

and they're rendering it helpless.

102

00:06:58,000 --> 00:07:03,000

At the time, no craft in existence had that kind of control jamming power.

103

00:07:03,000 --> 00:07:07,000

Even today, it's still the stuff of science fiction.

104

00:07:07,000 --> 00:07:10,000

The object that the pilots described was very luminous.

105

00:07:10,000 --> 00:07:15,000

They also described multiple colored lights flashing very, very quickly on the bottom of the object.

106

00:07:15,000 --> 00:07:19,000

This is an amazing description in a United States government document.

107

00:07:19,000 --> 00:07:25,000

This is an astronomical find when trying to figure out exactly what the military might be hiding.

108

00:07:25,000 --> 00:07:30,000

Can UFOs disarm the world's defenses with little or no effort at all?

109

00:07:30,000 --> 00:07:33,000

It's a terrifying prospect.

110

00:07:33,000 --> 00:07:41,000

But the Tehran incident wasn't the first time alien spaceships were reported to have disarmed our weapons systems.

111

00:07:41,000 --> 00:07:45,000

March 16, 1967.

112

00:07:45,000 --> 00:07:49,000

America's eyes are focused on the war in Vietnam.

113

00:07:49,000 --> 00:07:54,000

Meanwhile, a terrifying scenario is unfolding in its own backyard.

114

00:07:54,000 --> 00:08:02,000

Ten nuclear warheads at Monstrum Air Force Base in Montana are fully operational and waiting for launch commands.

115

00:08:02,000 --> 00:08:09,000

Captain Robert Salas is working 60 feet underground as part of the 490th Strategic Missile Squad.

116

00:08:09,000 --> 00:08:13,000

He suddenly receives a phone call from above.

117

00:08:13,000 --> 00:08:17,000

Hovering over the base is a UFO.

118

00:08:17,000 --> 00:08:26,000

We had multiple military personnel viewing this object that was hovering directly above a missile silo that housed ten nuclear missile warheads.

119

00:08:26,000 --> 00:08:33,000

Suddenly, all ten nuclear warheads have been disarmed, leaving them completely inoperable.

120

00:08:33,000 --> 00:08:42,000

According to the official report for this incident, they do acknowledge that multiple military personnel witnessed a UFO or UFOs above the base.

121

00:08:42,000 --> 00:08:47,000

But it also states that there was no reasonable explanation for the silo to be shut down.

122

00:08:47,000 --> 00:08:54,000

If this report is true and the UFO's presence was connected to this nuclear missile silo being shut down,

123

00:08:54,000 --> 00:09:01,000

what are they trying to tell us about the most dangerous weapons we have in our military arsenal?

124

00:09:01,000 --> 00:09:11,000

The Monstrum is a terrifying example of UFOs disarming humanity's most destructive weapons with no effort at all.

125

00:09:11,000 --> 00:09:16,000

Fifteen years later, they would once again toy with our nuclear weapons.

126

00:09:16,000 --> 00:09:26,000

Only this time, they wouldn't deactivate them, but instead push humanity to the brink of doomsday.

127

00:09:26,000 --> 00:09:30,000

Unsealed case file, the Ukrainian incident.

128

00:09:30,000 --> 00:09:37,000

1982, the Cold War between the United States and the Soviet Union has hit a fever pitch.

129

00:09:37,000 --> 00:09:42,000

Nuclear missile sites on both sides are on constant alert.

130

00:09:42,000 --> 00:09:53,000

On the evening of October 4th, multiple witnesses report strange lights appearing in the sky above the long-range nuclear missile base at Usovo.

131

00:09:53,000 --> 00:10:01,000

They perform a series of acrobatic maneuvers, but suddenly the dazzling light show takes a terrifying turn.

132

00:10:01,000 --> 00:10:06,000

On the ground in the silo, control panels spring to life on their own.

133

00:10:06,000 --> 00:10:09,000

The missiles are preparing to launch.

134

00:10:09,000 --> 00:10:17,000

For fifteen heart-stopping seconds, base personnel watch helplessly as the world teeters on the brink of Armageddon.

135

00:10:17,000 --> 00:10:30,000

But then, just as suddenly as the launch sequence began, the system shuts down, while outside, the mysterious lights have disappeared.

136

00:10:30,000 --> 00:10:35,000

So many UFO confrontations occurring between the world's militaries and UFOs.

137

00:10:35,000 --> 00:10:38,000

Why is the truth being kept secret?

138

00:10:38,000 --> 00:10:46,000

I think if the military were to capture or be given alien technology, I think they would absolutely want to keep that to themselves.

139

00:10:46,000 --> 00:10:48,000

I can only come up with two reasons.

140

00:10:48,000 --> 00:10:55,000

One, to make sure there's no mass hysteria that people aren't going out and trying to shoot these UFOs down with their own guns.

141

00:10:55,000 --> 00:10:59,000

Two, and more importantly, they want to keep this technology for themselves.

142

00:11:26,000 --> 00:11:30,000

Welcome back to Unsealed Alien Piles.

143

00:11:30,000 --> 00:11:40,000

Throughout the twentieth century, militaries around the world have experienced strange and unusual encounters with UFOs that defy explanation.

144

00:11:40,000 --> 00:11:46,000

And the occurrences of these confrontations is rising at an alarming rate.

145

00:11:46,000 --> 00:11:48,000

But where did it all begin?

146

00:11:48,000 --> 00:11:52,000

Was there a landmark first encounter?

147

00:11:52,000 --> 00:11:57,000

Los Angeles, February 24, 1942.

148

00:11:57,000 --> 00:12:13,000

America has just entered World War II, and 100,000 people are awoken in the dead of night, as the army fires over 1,400 anti-aircraft rounds at what photo evidence proves to be an unidentified flying object.

149

00:12:13,000 --> 00:12:17,000

But officials have a very different explanation.

150

00:12:17,000 --> 00:12:25,000

The United States military maintains that the object was simply a weather balloon, and yet not a single piece of evidence was ever to recover.

151

00:12:25,000 --> 00:12:32,000

U.S. military run-ins with UFOs continue through decades, including the ultimate encounter.

152

00:12:32,000 --> 00:12:38,000

The army's alleged recovery of a downed alien aircraft in Roswell, New Mexico.

153

00:12:38,000 --> 00:12:46,000

July 8, 1947. The Army Air Force has announced that a flying disc has been found and is now in the possession of the army.

154

00:12:46,000 --> 00:12:58,000

These encounters bear an uncanny resemblance to other military standoffs with UFOs over South America, Iran, China, Russia, and countless other places around the world.

155

00:12:58,000 --> 00:13:03,000

But why have these incidents been steadily rising since the Second World War?

156

00:13:03,000 --> 00:13:08,000

The answer only seems to raise more disturbing questions.

157

00:13:08,000 --> 00:13:13,000

We've been spending billions of dollars on our military budget for advancing our technology.

158

00:13:13,000 --> 00:13:23,000

It's only now, in the last 10, 20 years, that we've been able to capture evidence of these UFOs, and even, according to some people, engage them in combat.

159

00:13:23,000 --> 00:13:27,000

And maybe the real question is where this technology came from in the first place.

160

00:13:30,000 --> 00:13:35,000

Unsealed case file. America's flying saucers.

161

00:13:35,000 --> 00:13:44,000

Officially, the United States government has never admitted to recovering a UFO or researching alien spacecraft to develop human weaponry.

162

00:13:44,000 --> 00:13:48,000

But new evidence may show otherwise.

163

00:13:48,000 --> 00:13:59,000

Many of the declassified documents that are surfacing even today are showing technology that was on the drawing board and even being built by our military that can only be described as flying saucers.

164

00:14:00,000 --> 00:14:17,000

In 2012, declassified files from the National Archives revealed schematics for a secret U.S. Air Force prototype known as Project 1794, a flying disk capable of vertical takeoff or landing, or VTOL.

165

00:14:17,000 --> 00:14:27,000

If plans for 1794 had actually come to fruition, we could have been looking at the first aircraft capable of actually outmaneuvering other UFOs.

166

00:14:27,000 --> 00:14:34,000

The projections clearly show that it's capable of speeds up to 2600 miles per hour and can shoot through the stratosphere.

167

00:14:34,000 --> 00:14:38,000

It could have flown from New York to Miami in only 24 minutes.

168

00:14:38,000 --> 00:14:49,000

But Project 1794 was not alone. Some designs, like those for Project Silverbug, were also discovered in military files.

169

00:14:49,000 --> 00:14:55,000

And others, like the Avrocar, had test footage revealed to the public.

170

00:14:55,000 --> 00:15:02,000

Think about the power and technology that our military could have utilized if 1794 came off the drawing boards.

171

00:15:02,000 --> 00:15:12,000

It didn't need a runway. You could store them in some underground installation with a small opening where these things would take off straight up in the air and be able to fight in a conflict.

172

00:15:12,000 --> 00:15:19,000

So this technology was something that the military, I think, really wanted, not only at the time, but probably even today.

173

00:15:19,000 --> 00:15:29,000

Some believe the design for these discs was recovered from Nazi aircraft designed to launch from the cratered runways of World War II.

174

00:15:29,000 --> 00:15:35,000

But could these UFO-like military craft have their roots in alien intelligence?

175

00:15:35,000 --> 00:15:42,000

We still see the influence of flying saucers and UFOs in today's military technology.

176

00:15:42,000 --> 00:15:51,000

In fact, many civilians who have seen this military technology being transported on the freeway or even being tested will report these craft as being UFOs.

177

00:15:51,000 --> 00:15:53,000

What does it look like?

178

00:15:53,000 --> 00:15:57,000

A UFO? I mean, I don't know. I don't know. It's a policy to make UFOs on the regular basis.

179

00:15:57,000 --> 00:15:59,000

I mean, does it look like a spaceship?

180

00:15:59,000 --> 00:16:01,000

Yeah.

181

00:16:01,000 --> 00:16:06,000

Everything from stealth technology to sonic weapons could have been extracted from alien knowledge.

182

00:16:06,000 --> 00:16:13,000

The real question here is whether our military should protect us from humans or from some sort of alien threat.

183

00:16:13,000 --> 00:16:20,000

Is it possible the American military is preparing itself to fend off an extraterrestrial menace?

184

00:16:20,000 --> 00:16:24,000

I ask you, is not an alien force already among us?

185

00:16:24,000 --> 00:16:28,000

Many political leaders have talked about the possibility of ET presence here on Earth.

186

00:16:28,000 --> 00:16:31,000

One such political leader is Paul Hellyer.

187

00:16:31,000 --> 00:16:40,000

Hellyer is the former Canadian Minister of Defense and could be one of the most qualified individuals ever to speak on the alien presence.

188

00:16:40,000 --> 00:16:43,000

Hellyer was recently quoted.

189

00:16:43,000 --> 00:16:53,000

The reality is that aliens have been visiting Earth for decades and probably millennia and have contributed considerably to our knowledge.

190

00:16:53,000 --> 00:17:01,000

But could this government insider also know the truth of a looming military conflict with an alien

race?

191

00:17:01,000 --> 00:17:11,000

Paul Hellyer also shared information about the United States that could very well expose the idea that we are preparing for an epic war in the world.

192

00:17:11,000 --> 00:17:22,000

Coming up next, the shocking confession about plans for a real-life Death Star and the distant battlefield where Earth's fate may ultimately be decided.

193

00:17:24,000 --> 00:17:31,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

194

00:17:34,000 --> 00:17:41,000

UFO experts have often speculated about secret preparations to combat a possible alien invasion.

195

00:17:41,000 --> 00:17:52,000

But former Canadian Minister of Defense Paul Hellyer has indicated that the United States may already have a defense outpost for an interplanetary war.

196

00:17:52,000 --> 00:18:01,000

According to Hellyer, Dick Cheney and George Bush were giving permission for the U.S. military and government to build a base on the moon.

197

00:18:01,000 --> 00:18:06,000

Could the moon be Earth's first line of defense from cosmic enemies?

198

00:18:06,000 --> 00:18:11,000

Having a base on the moon might prepare us for a military battle with an ET presence.

199

00:18:11,000 --> 00:18:16,000

Obviously, they're coming from space that might give us a better, a strategic, stronghold to wage battle.

200

00:18:16,000 --> 00:18:22,000

If these stories are true, alien conflict is on the rise around the globe.

201

00:18:22,000 --> 00:18:28,000

Could we soon be under worldwide attack by an extraterrestrial intelligence?

202

00:18:28,000 --> 00:18:39,000

If so, the militaries of the world may one day be called upon to band together for a final stand as

a united army of planet Earth.

203

00:18:39,000 --> 00:18:48,000

This is Unsealed, Alien Files, exposing the biggest secret on planet Earth.
