

1

00:00:00,000 --> 00:00:05,000

UFO sightings have exploded into a worldwide phenomenon,

2

00:00:05,000 --> 00:00:09,000

but America Southwest is without a doubt ground zero

3

00:00:09,000 --> 00:00:13,000

to the greatest UFO hot spots of all time.

4

00:00:13,000 --> 00:00:17,000

Roswell, New Mexico and Area 51.

5

00:00:17,000 --> 00:00:20,000

These two sites and the events surrounding them

6

00:00:20,000 --> 00:00:25,000

represent the most hotly-depleted UFO mysteries in history.

7

00:00:25,000 --> 00:00:29,000

And thanks to the United States government's unprecedented secrecy,

8

00:00:29,000 --> 00:00:34,000

the public knows dangerously little of what really happened.

9

00:00:34,000 --> 00:00:42,000

Now, new evidence has surfaced that will blow this decades-long UFO conspiracy wide open,

10

00:00:42,000 --> 00:00:48,000

all revealing the shocking story the government doesn't want you to hear.

11

00:00:48,000 --> 00:00:54,000

From rogue CIA agents to startling accounts of advanced UFO technology,

12

00:00:54,000 --> 00:01:01,000

join us as the secrets of Roswell and Area 51 are unsealed.

13

00:01:03,000 --> 00:01:05,000

A global effort has begun.

14

00:01:05,000 --> 00:01:09,000

Secret files hidden from the public for decades,

15

00:01:09,000 --> 00:01:13,000

detailing every UFO account are now available to the public.

16

00:01:13,000 --> 00:01:18,000

We are about to uncover the truth behind these classified documents.

17

00:01:18,000 --> 00:01:21,000

Find out what the government doesn't want you to know.

18

00:01:21,000 --> 00:01:24,000

Unsealed. Alien files.

19

00:01:24,000 --> 00:01:28,000

Exposing the biggest secret on planet Earth.

20

00:01:29,000 --> 00:01:32,000

Quantico, Virginia, April 2011.

21

00:01:32,000 --> 00:01:36,000

The FBI's official website is overwhelmed by traffic

22

00:01:36,000 --> 00:01:40,000

triggered by the release of a mysterious 60-year-old memo

23

00:01:40,000 --> 00:01:44,000

addressed to former FBI director J. Edgar Hoover.

24

00:01:44,000 --> 00:01:48,000

Its explosive contents may at last reveal the truth

25

00:01:48,000 --> 00:01:52,000

behind the biggest alien conspiracy of all time.

26

00:01:54,000 --> 00:01:56,000

Unsealed case file.

27

00:01:56,000 --> 00:01:58,000

The Guy Hotel Memo.

28

00:01:58,000 --> 00:02:04,000

Guy Hotel was a former special agent in charge of the FBI's Washington field office.

29

00:02:04,000 --> 00:02:07,000

In a memo dated March 22, 1950,

30

00:02:07,000 --> 00:02:11,000

he records an eyewitness account of an incident in 1947

31

00:02:11,000 --> 00:02:14,000

that would change the course of human history.

32

00:02:14,000 --> 00:02:19,000

The recovery of flying saucers crashed in the New Mexico desert.

33

00:02:19,000 --> 00:02:22,000

In the memo, Patel states,

34

00:02:22,000 --> 00:02:26,000

they were described as being circular in shape with raised centers

35

00:02:26,000 --> 00:02:29,000

approximately 50 feet in diameter.

36

00:02:29,000 --> 00:02:33,000

Each one was occupied by three bodies of human shape,

37

00:02:33,000 --> 00:02:36,000

but only three feet tall.

38

00:02:39,000 --> 00:02:42,000

The 2011 release of this previously classified document

39

00:02:42,000 --> 00:02:46,000

sends shock waves throughout the UFO community.

40

00:02:46,000 --> 00:02:50,000

It finally confirms what independent investigators have long suspected,

41

00:02:50,000 --> 00:02:54,000

that the U.S. government knows about the existence of extraterrestrials

42

00:02:54,000 --> 00:02:58,000

and has deliberately kept it hidden from the public.

43

00:02:58,000 --> 00:03:01,000

Many conclude the memo to be the first official account

44

00:03:01,000 --> 00:03:04,000

of the most infamous UFO case of all time.

45

00:03:04,000 --> 00:03:07,000

The Roswell Incident.

46

00:03:08,000 --> 00:03:10,000

Unsealed case file.

47

00:03:10,000 --> 00:03:13,000

The Roswell Incident.

48

00:03:14,000 --> 00:03:17,000

Roswell, New Mexico, 1947.

49

00:03:17,000 --> 00:03:21,000

On the night of July 2nd, the Wilmots, a local couple,

50

00:03:21,000 --> 00:03:24,000

see a glowing disc-shaped object plummet from the sky

51

00:03:24,000 --> 00:03:27,000

at a blistering speed.

52

00:03:27,000 --> 00:03:31,000

It disappears beyond a line of trees northwest of town.

53

00:03:31,000 --> 00:03:34,000

The Wilmots aren't sure they believe their eyes.

54

00:03:34,000 --> 00:03:37,000

The next morning, ranch worker Mac Brazell

55

00:03:37,000 --> 00:03:40,000

discovers a trail of metallic debris

56

00:03:40,000 --> 00:03:43,000

in approximately the same place where the Wilmots' flying disc

57

00:03:43,000 --> 00:03:46,000

disappeared the night before.

58

00:03:46,000 --> 00:03:49,000

Brazell collects some of the strange material

59

00:03:49,000 --> 00:03:52,000

and brings it to the local sheriff's office.

60

00:03:52,000 --> 00:03:56,000

The sheriff quickly notifies officials at Roswell Army Air Force Base

61

00:03:56,000 --> 00:03:59,000

that there has been some kind of air crash,

62

00:03:59,000 --> 00:04:03,000

and the base sends Major Jesse Marcell to the site to investigate.

63

00:04:03,000 --> 00:04:06,000

His son Jesse remembers the event

64

00:04:06,000 --> 00:04:08,000

in vivid detail.

65

00:04:08,000 --> 00:04:11,000

He came back real late one night, about two o'clock in the morning,

66

00:04:11,000 --> 00:04:14,000

as I recall. Very excited because he worked myself,

67

00:04:14,000 --> 00:04:19,000

my mother up saying they found parts of a UFO or a flying saucer.

68

00:04:21,000 --> 00:04:24,000

The wreckage is unlike anything Marcell has ever seen.

69

00:04:24,000 --> 00:04:27,000

Nonetheless, the investigation under base commander

70

00:04:27,000 --> 00:04:31,000

Colonel William H. Blanchard starts out as routine.

71

00:04:31,000 --> 00:04:35,000

People always talk about the cover-up of the crash at Roswell.

72

00:04:35,000 --> 00:04:39,000

But actually, from the very beginning there wasn't a cover-up.

73

00:04:39,000 --> 00:04:43,000

The Army stepped right up and admitted that there was a crash

74

00:04:43,000 --> 00:04:45,000

of a flying saucer at Roswell,

75

00:04:45,000 --> 00:04:49,000

and that they retrieved that actual disc itself.

76

00:04:49,000 --> 00:04:52,000

I was instructed by Colonel Blanchard to put out a press release,

77

00:04:52,000 --> 00:04:58,000

which in effect stated that we had in our possession a flying saucer.

78

00:04:58,000 --> 00:05:02,000

July 8th, 1947, the Army Air Force has announced

79

00:05:02,000 --> 00:05:06,000

that a flying disc has been found and is now in the possession of the Army.

80

00:05:06,000 --> 00:05:09,000

The announcement is a bombshell.

81

00:05:09,000 --> 00:05:12,000

America has recovered a bona fide UFO.

82

00:05:12,000 --> 00:05:16,000

The story, naming the Wilmots as witnesses,

83

00:05:16,000 --> 00:05:19,000

quickly goes national and then international.

84

00:05:19,000 --> 00:05:22,000

The military is caught completely off guard.

85

00:05:22,000 --> 00:05:25,000

The next day, in a sudden about face,

86

00:05:25,000 --> 00:05:27,000

they retract the statement,

87

00:05:27,000 --> 00:05:31,000

declaring the Roswell wreckage to be that of an ordinary weather balloon.

88

00:05:31,000 --> 00:05:35,000

It's a stunning reversal that raises many questions.

89

00:05:35,000 --> 00:05:38,000

Why did the military change their story?

90

00:05:38,000 --> 00:05:41,000

What did they really have on their hands?

91

00:05:41,000 --> 00:05:43,000

What were they trying to hide?

92

00:05:43,000 --> 00:05:46,000

Now, over 60 years later,

93

00:05:46,000 --> 00:05:50,000

eyewitnesses have come forward with stunning new details

94

00:05:50,000 --> 00:05:55,000

that will uncover the devastating truth behind the Roswell incident.

95

00:05:55,000 --> 00:05:59,000

This is Unsealed Alien Files,

96

00:05:59,000 --> 00:06:02,000

exposing the biggest secret on planet Earth.

97

00:06:04,000 --> 00:06:08,000

Welcome back to Unsealed Alien Files.

98

00:06:08,000 --> 00:06:13,000

Roswell, New Mexico, July 1947.

99

00:06:13,000 --> 00:06:17,000

A mysterious object crashes in the desert outside town.

100

00:06:17,000 --> 00:06:20,000

The US military announces to the world

101

00:06:20,000 --> 00:06:23,000

it has recovered the wreckage of a flying saucer,

102

00:06:23,000 --> 00:06:26,000

only to retract the statement the following day.

103

00:06:26,000 --> 00:06:29,000

Many believe the military is hiding something.

104

00:06:29,000 --> 00:06:32,000

The question is, what?

105

00:06:32,000 --> 00:06:35,000

The Pentagon holds a press conference

106

00:06:35,000 --> 00:06:40,000

at which Major Jesse Marcell presents a sample of the material he allegedly recovered.

107

00:06:40,000 --> 00:06:44,000

Marcell is asked to pose in front of that debris,

108

00:06:44,000 --> 00:06:47,000

and the Army then retracts the story of the crash.

109

00:06:47,000 --> 00:06:50,000

Roswell, he says it's actually a weather balloon.

110

00:06:50,000 --> 00:06:54,000

In other words, Colonel Bransher had to agree

111

00:06:54,000 --> 00:07:00,000

to make Major Marcell look like a fool in the eyes of all the media,

112

00:07:00,000 --> 00:07:07,000

basically putting his black mark on a career intelligence officer's military career.

113

00:07:07,000 --> 00:07:13,000

This is my father holding up what is very obviously parts of a radar target with a balloon debris.

114

00:07:13,000 --> 00:07:18,000

This is not what was seen on the floor of our kitchen that evening

115

00:07:18,000 --> 00:07:21,000

or that late early morning hours in 1947.

116

00:07:21,000 --> 00:07:23,000

This is totally different.

117

00:07:24,000 --> 00:07:28,000

The press conference is just one of many cover-ups surrounding Roswell,

118

00:07:28,000 --> 00:07:31,000

and some have deadly implications.

119

00:07:31,000 --> 00:07:37,000

The original news article cited the Wilmots as the only eyewitnesses to the crash.

120

00:07:37,000 --> 00:07:40,000

In reality, they were far from alone.

121

00:07:40,000 --> 00:07:43,000

There were multiple eyewitnesses that night,

122

00:07:43,000 --> 00:07:47,000

and unlike the Wilmots, many set out for the crash site to investigate,

123

00:07:47,000 --> 00:07:53,000

only to discover all routes cut off by military roadblocks.

124

00:07:53,000 --> 00:07:57,000

The troops on hand had a chilling message for any who approached.

125

00:07:57,000 --> 00:08:03,000

He said, you never saw anything. You were not there. You don't know anything.

126

00:08:03,000 --> 00:08:06,000

And he said, we can just take you out in the middle of this desert,

127

00:08:06,000 --> 00:08:09,000

and no one will ever find your bodies.

128

00:08:09,000 --> 00:08:13,000

He said, you'll be nothing but bones, and nobody will ever know what happened to you.

129

00:08:13,000 --> 00:08:19,000

What secrets could drive the military to resort to cold-blooded threats?

130

00:08:19,000 --> 00:08:24,000

The answer comes from a man who was on the actual crash response team.

131

00:08:24,000 --> 00:08:27,000

We learned right then and there it wasn't a plane.

132

00:08:27,000 --> 00:08:32,000

The craft was opened halfway, and one body was inside the craft.

133

00:08:32,000 --> 00:08:38,000

Then we radioed it, have a truck, a flatbed, and a crane, and everything else just come out to the site.

134

00:08:38,000 --> 00:08:40,000

Clear everything off.

135

00:08:40,000 --> 00:08:45,000

As the years pass, fewer and fewer witnesses to the original events remain,

136

00:08:45,000 --> 00:08:50,000

but some refuse to take their secrets to the grave.

137

00:08:50,000 --> 00:08:56,000

Unsealed case file, The Roswell Confessions.

138

00:08:56,000 --> 00:09:04,000

2002, Walter Hout, the man behind the Roswell press release, produces a sworn affidavit,

139

00:09:04,000 --> 00:09:08,000

revealing the details behind the original cover-up.

140

00:09:08,000 --> 00:09:14,000

In it, he provides a compelling first-hand account of his viewing of both the Roswell wreckage

141

00:09:14,000 --> 00:09:18,000

and the bodies of the UFO's alien crew.

142

00:09:18,000 --> 00:09:25,000

Here's what we really have in the aftermath of the Roswell crash, from the outskirts.

143

00:09:25,000 --> 00:09:31,000

With any, Walter Hout, public information officer, and this was an affidavit,

144

00:09:31,000 --> 00:09:36,000

in a court of law, this carries the enormous burden.

145

00:09:36,000 --> 00:09:43,000

In 2012, a 35-year veteran of the CIA's clandestine services, with high-level security clearance,

146

00:09:43,000 --> 00:09:50,000

is working in one of the CIA's many vaults, when he discovers a box simply marked, Roswell.

147

00:09:50,000 --> 00:10:00,000

Inside, he discovers a startling collection of papers and photos that reveal what really happened that fateful night in 1947.

148

00:10:00,000 --> 00:10:06,000

Rather than continue the deception, he decides to tempt fate and go public.

149

00:10:06,000 --> 00:10:13,000

In his words, I absolutely know that there was a craft from beyond this world that crashed at Roswell,

150

00:10:13,000 --> 00:10:22,000

that the military picked up remains of not just that wreckage, but cadavers, and all of that was made public for a short while.

151

00:10:22,000 --> 00:10:29,000

But what happened to the wreckage? And more importantly, what became of the alien bodies?

152

00:10:29,000 --> 00:10:38,000

Coming up next, answers to the biggest questions of our time may lie deep inside America's most infamous military base.

153

00:10:38,000 --> 00:10:40,000

Area 51.

154

00:10:41,000 --> 00:10:48,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

155

00:10:50,000 --> 00:10:54,000

Welcome back to Unsealed Alien Files.

156

00:10:55,000 --> 00:11:03,000

What happened to the debris from the Roswell crash? And where are the alien bodies rumored to have been recovered from the wreckage?

157

00:11:03,000 --> 00:11:08,000

The truth may lie in the most heavily guarded place on Earth.

158

00:11:10,000 --> 00:11:15,000

Unsealed Case File, Area 51, Declassified.

159

00:11:16,000 --> 00:11:24,000

Deep in the Nevada desert, 83 miles northwest of Las Vegas is an unidentified American Air Force Base.

160

00:11:24,000 --> 00:11:29,000

Some call it Dreamland. Others call it Paradise Ranch.

161

00:11:29,000 --> 00:11:40,000

The only official record of its existence lies deep inside a top secret CIA file, where it is simply known as Area 51.

162

00:11:41,000 --> 00:11:51,000

Originally, the site was an airfield for bomber training units during the Second World War, and abandoned in 1946.

163

00:11:51,000 --> 00:11:56,000

But it wasn't long before the military finds a new use for the remote base.

164

00:11:56,000 --> 00:12:05,000

Area 51 began as actually a research and assembly facility, an Air Force assembly facility, for the development of the first spy plane.

165

00:12:06,000 --> 00:12:11,000

Today, the area is cordoned off, and the airspace overhead restricted.

166

00:12:11,000 --> 00:12:17,000

On Mark Security vehicles patrol the perimeter, anyone daring to cross will be shot.

167

00:12:17,000 --> 00:12:21,000

Anyone daring to violate its airspace will be shot down.

168

00:12:23,000 --> 00:12:29,000

This place is so secret that you couldn't even admit you were in Area 51.

169

00:12:29,000 --> 00:12:36,000

UFO experts believe Area 51 is the research and test facility of the Roswell crash debris.

170

00:12:36,000 --> 00:12:40,000

Was the Roswell wreckage really taken to Area 51?

171

00:12:40,000 --> 00:12:46,000

Has anyone who worked inside dared to go public to reveal the research going on inside the perimeter?

172

00:12:46,000 --> 00:12:51,000

According to Los Angeles Times writer Annie Jacobson, they have.

173

00:12:52,000 --> 00:12:59,000

Recently, she conducted an extensive series of interviews with former Area 51 employees.

174

00:12:59,000 --> 00:13:10,000

One engineer who worked at the site in 1978 confirmed the debris and bodies from Roswell were in fact taken to Area 51 for testing.

175

00:13:10,000 --> 00:13:16,000

But in a stunning twist, he goes on to say that they were in no way alien in origin.

176

00:13:17,000 --> 00:13:22,000

Unsealed case file, the Soviet Stratagem.

177

00:13:24,000 --> 00:13:32,000

1945, the war is over. Germany and Japan are defeated. But lasting peace remains elusive.

178

00:13:32,000 --> 00:13:40,000

America and the Soviet Union are now at odds, and the threat of another war is very real.

179

00:13:41,000 --> 00:13:47,000

Stalin knows the US holds the upper hand with its new arsenal of nuclear weapons.

180

00:13:47,000 --> 00:13:52,000

To win, he must chip away at America's will to fight.

181

00:13:52,000 --> 00:14:03,000

Stalin devises an extraordinary plan. He intends to land an alien-looking aircraft flown by alien-looking pilots in the heart of the United States.

182

00:14:04,000 --> 00:14:15,000

His goal is to incite a UFO panic, like that caused by Orson Welles with his 1938 radio adaptation of H.G. Wells' War of the Worlds.

183

00:14:15,000 --> 00:14:22,000

The Soviet saucer will be a modified version of a captured German aircraft known as a flying wing.

184

00:14:22,000 --> 00:14:26,000

But how to create plausible-looking alien pilots?

185

00:14:26,000 --> 00:14:34,000

For this, Stalin turns to the unlikeliest of allies, Nazi doctor Joseph Mengele.

186

00:14:34,000 --> 00:14:43,000

During the war, Mengele performed unspeakable experiments on human subjects at Auschwitz, where he became known as the Angel of Death.

187

00:14:43,000 --> 00:14:52,000

Stalin's agents seek out Mengele and ask him to put his terrible skills to work to create plausible-looking alien pilots.

188

00:14:53,000 --> 00:15:05,000

According to Annie Jacobson's source, Mengele experiments on teenagers producing hideous deformities that bear a striking resemblance to the aliens described in the Guy Hotel memo.

189

00:15:06,000 --> 00:15:12,000

It's an evil plot, foiled only at the last minute by a bizarre twist of fate.

190

00:15:13,000 --> 00:15:21,000

Crossing into American airspace, the remote-controlled craft is caught in a storm that sends it falling from the sky near Roswell.

191

00:15:22,000 --> 00:15:26,000

Was Roswell really a Soviet plan to win the Cold War?

192

00:15:26,000 --> 00:15:31,000

Could the mountains of alien evidence at Roswell and Area 51 all be false?

193

00:15:31,000 --> 00:15:38,000

More was Jacobson's source, a government plant, in yet another elaborate cover-up scheme.

194

00:15:39,000 --> 00:15:43,000

Another Area 51 insider tells a very different story.

195

00:15:44,000 --> 00:15:55,000

Bob Lazar claims to have worked inside Area 51 during the 1980s, where he conducted research on technology recovered from nine different flying saucers.

196

00:15:57,000 --> 00:16:06,000

Bob Lazar, I think that he was an engineer there and that his job was to reverse engineer the propulsion system of one of these craft.

197

00:16:06,000 --> 00:16:12,000

He had friends that he would bring out from the room like on certain nights of the week so that they could see these things going up in the air.

198

00:16:13,000 --> 00:16:22,000

Lazar has also revealed that the military wasn't just working with alien technology, it was actually working with the aliens themselves.

199

00:16:23,000 --> 00:16:29,000

And his description of them bears an uncanny resemblance to the aliens in the Guy Hotel memo.

200

00:16:30,000 --> 00:16:37,000

But if Lazar is telling the truth, then what has become of the futuristic aircraft built using alien technology?

201

00:16:38,000 --> 00:16:47,000

Coming up, we will hear the final terrifying truth about Area 51 from one of America's most respected aerospace engineers.

202

00:16:49,000 --> 00:16:56,000

On Unsealed, Alien Files, exposing the biggest secrets on planet Earth.

203

00:16:59,000 --> 00:17:08,000

What is going on inside Area 51? Is the military really experimenting with alien technology like that recovered at Roswell?

204

00:17:09,000 --> 00:17:19,000

Ben Rich was a director at Lockheed Martin's legendary Skunk Works production facility in Palmdale, California from 1975 to 1991.

205

00:17:20,000 --> 00:17:33,000

In an interview conducted shortly before his death in 1995, Rich would reveal that American aerospace engineers have long been working with what he called, hand-me-down alien technology.

206

00:17:34,000 --> 00:17:43,000

His famous first statement he made, whatever you see out there flying in the sky, cruising across the desert, we're 50 years ahead of that.

207

00:17:44,000 --> 00:17:47,000

It was already way ahead of what you think we have.

208

00:17:49,000 --> 00:17:53,000

Okay, that's interesting. Now let's sort of be ET component into it.

209

00:17:54,000 --> 00:17:59,000

If they've had one or more crash vehicles they've been studying for decades, then who knows how many years they are ahead.

210

00:18:00,000 --> 00:18:02,000

Maybe Ben Rich's statement is based on that.

211

00:18:03,000 --> 00:18:16,000

Rich alleges this research was conducted under the direct oversight of the United States government until 1969, when Richard Nixon handed it over to an unidentified international board of directors.

212

00:18:17,000 --> 00:18:24,000

In his final days, Ben Rich realized this placed too much power in the hands of an elite few.

213

00:18:25,000 --> 00:18:31,000

The public had a right to know the disturbing legacy of Roswell and Area 51.

214

00:18:32,000 --> 00:18:39,000

Could the identity of Nixon's shadowy board of directors have been none other than the infamous Majestic 12?

215

00:18:39,000 --> 00:18:50,000

And if so, will they ultimately choose to use this advanced technology for the benefit of mankind or their own hidden agenda?

216

00:18:51,000 --> 00:18:58,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
