

1

00:00:00,000 --> 00:00:05,000

UFO phenomena occur all over the world.

2

00:00:05,000 --> 00:00:08,500

Shocking new evidence suggests that alien life on Earth

3

00:00:08,500 --> 00:00:12,500

may be hidden in some of the world's most isolated places.

4

00:00:12,500 --> 00:00:15,500

These locations are often travel restrictive

5

00:00:15,500 --> 00:00:18,500

and signposted off limits.

6

00:00:18,500 --> 00:00:21,500

They say it is for our own protection,

7

00:00:21,500 --> 00:00:26,500

but could it actually be for the protection of alien visitors?

8

00:00:27,500 --> 00:00:32,500

Tonight, we unseal the shocking existence of alien operations

9

00:00:32,500 --> 00:00:36,500

in some of the most remote and forbidden regions on Earth.

10

00:00:38,000 --> 00:00:40,000

A global effort has begun.

11

00:00:40,000 --> 00:00:43,500

Secret files hidden from the public for decades,

12

00:00:43,500 --> 00:00:48,000

detailing every UFO account, are now available to the public.

13

00:00:48,000 --> 00:00:52,500

We are about to uncover the truth behind these classified documents.

14

00:00:52,500 --> 00:00:56,000

Find out what the government doesn't want you to know.

15

00:00:56,000 --> 00:01:03,000

Unseal alien files, exposing the biggest secret on planet Earth.

16

00:01:06,000 --> 00:01:09,500

Ladakh, India, November 2012.

17

00:01:09,500 --> 00:01:11,000

Over the past two months,

18

00:01:11,000 --> 00:01:15,000

more than 150 UFO sightings have been reported

19

00:01:15,000 --> 00:01:18,000

in a remote region near the Indo-Chinese border.

20

00:01:18,000 --> 00:01:22,000

One account in the Times of India describes how

21

00:01:22,000 --> 00:01:26,000

yellowish lights appear to lift off from the horizon on the Chinese side

22

00:01:26,000 --> 00:01:32,000

and slowly traverse the sky for three to five hours before disappearing.

23

00:01:38,000 --> 00:01:40,000

Ladakh lies in the Himalayas,

24

00:01:40,000 --> 00:01:42,000

the world's highest mountain range,

25

00:01:42,000 --> 00:01:46,000

and one of the most inaccessible regions on Earth.

26

00:01:46,000 --> 00:01:49,000

The Indian government investigates the claims,

27

00:01:49,000 --> 00:01:54,000

suspecting the UFOs to be Chinese drone aircraft patrolling the area.

28

00:01:54,000 --> 00:01:59,000

But the UFO descriptions don't match any known model of Chinese drone.

29

00:01:59,000 --> 00:02:03,000

Without explanation, the matter is declared closed.

30

00:02:04,000 --> 00:02:08,000

A number of UFO reports that come in are actually military aircraft

31

00:02:08,000 --> 00:02:11,000

that civilians see and have no idea what they're looking at.

32

00:02:11,000 --> 00:02:15,000

Are the Ladakh UFOs alien spacecraft?

33

00:02:15,000 --> 00:02:18,000

If so, could they have a base somewhere high in the Himalayas?

34

00:02:18,000 --> 00:02:21,000

It seems an ideal place to hide.

35

00:02:21,000 --> 00:02:24,000

The world is filled with remote locations,

36

00:02:24,000 --> 00:02:27,000

virtually inaccessible to the general public.

37

00:02:27,000 --> 00:02:31,000

Are extraterrestrials hiding in some of these remote sites?

38

00:02:31,000 --> 00:02:34,000

If so, who was on Earth first?

39

00:02:34,000 --> 00:02:37,000

Humans or aliens?

40

00:02:37,000 --> 00:02:40,000

They live inside planet Earth.

41

00:02:40,000 --> 00:02:43,000

The weather begins to change, the climate begins to deteriorate,

42

00:02:43,000 --> 00:02:49,000

and the colder and these creatures migrate to warmer and warmer spots inside the Earth.

43

00:02:49,000 --> 00:02:53,000

They survive. They survive for millions of years,

44

00:02:53,000 --> 00:02:56,000

and when they made their way back to the surface of the Earth,

45

00:02:56,000 --> 00:02:59,000

bingo! What did they see? Human beings!

46

00:03:00,000 --> 00:03:02,000

Unsealed case file.

47

00:03:02,000 --> 00:03:05,000

The Kincaid Expedition.

48

00:03:06,000 --> 00:03:08,000

March, 1909.

49

00:03:08,000 --> 00:03:13,000

The Phoenix Gazette publishes two articles chronicling explorer GE Kincaid's

50

00:03:13,000 --> 00:03:16,000

recent expedition into the Grand Canyon.

51

00:03:16,000 --> 00:03:20,000

Kincaid claims to have uncovered a hidden underground city

52

00:03:20,000 --> 00:03:24,000

filled with artifacts that appear to be of Egyptian origin,

53

00:03:24,000 --> 00:03:30,000

hieroglyphic writing, and mummified remains stored in burial chambers.

54

00:03:30,000 --> 00:03:36,000

Experts from the Smithsonian visit the site to verify Kincaid's account.

55

00:03:37,000 --> 00:03:42,000

But on completion of their investigation, the site is suddenly declared off limits,

56

00:03:42,000 --> 00:03:46,000

and the entrance to the cave sealed off.

57

00:03:48,000 --> 00:03:52,000

Public access is banned to this day.

58

00:03:52,000 --> 00:03:56,000

The underground city is never mentioned again.

59

00:03:56,000 --> 00:04:01,000

The two stories printed in the Phoenix Gazette remain the only published accounts.

60

00:04:01,000 --> 00:04:06,000

Why would the Smithsonian cover up such an astounding archaeological find,

61

00:04:06,000 --> 00:04:10,000

and why has public access been banned?

62

00:04:11,000 --> 00:04:17,000

Apache, Zuni, and Hopi legends speak of strange humanoid creatures

63

00:04:17,000 --> 00:04:21,000

living among us in underground cities.

64

00:04:21,000 --> 00:04:25,000

These creatures are said to have saved humanity from a natural disaster

65

00:04:25,000 --> 00:04:28,000

that threatened to wipe out all life on Earth.

66

00:04:29,000 --> 00:04:32,000

These ancient people had wisdom well beyond their years.

67

00:04:32,000 --> 00:04:37,000

So it begs the question, was there outside consultation?

68

00:04:37,000 --> 00:04:42,000

And could that have been from somebody with a bigger perspective on our little world?

69

00:04:43,000 --> 00:04:46,000

These beliefs are not unique to North America.

70

00:04:46,000 --> 00:04:52,000

Many ancient cultures living oceans apart share strikingly similar tales.

71

00:04:52,000 --> 00:04:57,000

Cave drawings and hieroglyphics show ancient people's living and working

72

00:04:57,000 --> 00:05:01,000

with extraterrestrials, often referring to them as gods.

73

00:05:01,000 --> 00:05:05,000

Were these stories told for the protection of humanity,

74

00:05:05,000 --> 00:05:09,000

or to hide ancient alien activity on Earth?

75

00:05:10,000 --> 00:05:13,000

One of the biggest unanswered questions about ancient civilizations

76

00:05:13,000 --> 00:05:17,000

and their connection to extraterrestrials is would they make a record of it?

77

00:05:17,000 --> 00:05:23,000

And I think humans would absolutely make a record of aliens or extraterrestrials

78

00:05:23,000 --> 00:05:26,000

from another planet visiting and helping us.

79

00:05:26,000 --> 00:05:31,000

The Mayans documented their extraterrestrial encounters in great detail.

80

00:05:31,000 --> 00:05:35,000

The best known example is the Pocall sarcophagus

81

00:05:35,000 --> 00:05:40,000

that many believe shows an alien astronaut piloting a spacecraft.

82

00:05:41,000 --> 00:05:47,000

But the Mayans did much more than depict stories of extraterrestrial travel.

83

00:05:49,000 --> 00:05:54,000

Throughout the Mayan region of Mexico, large sinkholes plunged deep into the Earth,

84

00:05:54,000 --> 00:05:58,000

called cenotes. They are sacred to the Mayan religion.

85

00:05:58,000 --> 00:06:02,000

The Mayans believe they can speak to the gods through cenotes,

86

00:06:02,000 --> 00:06:08,000

even travel to the underworld known as Zibalba, or place of fear.

87

00:06:10,000 --> 00:06:14,000

Are cenotes a Mayan vision of the home of the gods?

88

00:06:14,000 --> 00:06:21,000

Or were their gods actually aliens, making the cenotes a portal to an alien world?

89

00:06:22,000 --> 00:06:27,000

Coming up, we investigate possible alien infiltration of remote bases

90

00:06:27,000 --> 00:06:31,000

and their potential influence on modern technological advances.

91

00:06:45,000 --> 00:06:49,000

The world is filled with remote places that are dangerous to reach

92

00:06:49,000 --> 00:06:52,000

and often sealed off by authorities.

93

00:06:52,000 --> 00:06:55,000

Are governments keeping alien visitors a secret?

94

00:06:55,000 --> 00:06:59,000

If so, why are they harboring these extraterrestrials?

95

00:07:00,000 --> 00:07:07,000

Across Europe, cavern networks called Erdstahl tunnels cover vast underground distances.

96

00:07:07,000 --> 00:07:12,000

Loosely translated, Erdstahl means place in the Earth.

97

00:07:12,000 --> 00:07:16,000

The exact number of Erdstahl tunnels remains unknown

98

00:07:16,000 --> 00:07:23,000

as new passages continue to be discovered, including one that reopened a decades-old mystery.

99

00:07:25,000 --> 00:07:29,000

Unsealed case file, the Freiberg Tunnel.

100

00:07:30,000 --> 00:07:33,000

Freiberg, Germany, 2011.

101

00:07:33,000 --> 00:07:37,000

A new Erdstahl tunnel opening is discovered on a dairy farm,

102

00:07:37,000 --> 00:07:42,000

but the location reminds many UFO experts of another infamous event.

103

00:07:43,000 --> 00:07:49,000

In 1936, Freiberg was the site of a mysterious UFO crash.

104

00:07:49,000 --> 00:07:54,000

Nazi scientists are said to have recovered advanced technology from the wreckage.

105

00:07:54,000 --> 00:08:01,000

Then, reportedly probed its secrets to create a new generation of super weapons.

106

00:08:02,000 --> 00:08:08,000

During the 1930s and 1940s, the Nazis were making huge leaps forward with technology.

107

00:08:08,000 --> 00:08:13,000

One of the biggest pieces of technology that they had created was called the V2 Rocket.

108

00:08:13,000 --> 00:08:20,000

Now, the V2 Rocket was so highly advanced, it could actually deliver a weapons payload onto Great Britain.

109

00:08:21,000 --> 00:08:24,000

Was the Freiberg Tunnel a UFO base?

110

00:08:24,000 --> 00:08:30,000

And if it was, were the aliens working with the Nazi government or against them?

111

00:08:31,000 --> 00:08:37,000

Remote locations are ideal places to conduct top-secret experiments away from the public eye.

112

00:08:37,000 --> 00:08:45,000

The unforgiving desert of the Australian Outback offers the kind of deep cover governments seek the world over.

113

00:08:47,000 --> 00:08:51,000

Unsealed case file, Pine Gap.

114

00:08:52,000 --> 00:08:56,000

Its official name is the Joint Defense Research Space Agency,

115

00:08:57,000 --> 00:09:00,000

but it is better known as Pine Gap.

116

00:09:00,000 --> 00:09:08,000

Established in 1970 as a satellite tracking station, it is jointly run by the Australian and American militaries.

117

00:09:09,000 --> 00:09:16,000

But over the years, Pine Gap is said to have been repurposed into a top-secret testing ground for alien technology

118

00:09:16,000 --> 00:09:20,000

retrieved from UFO crash sites.

119

00:09:21,000 --> 00:09:27,000

But is there a difference between what the military tells you it knows and what it really knows?

120

00:09:28,000 --> 00:09:34,000

It's rumored the Pine Gap complex runs as deep as five miles into the earth,

121

00:09:34,000 --> 00:09:38,000

but what goes on beneath the desert remains unknown.

122

00:09:39,000 --> 00:09:47,000

For all the efforts to keep Pine Gap secret, a series of unexplained events has put the base under unwanted scrutiny.

123

00:09:48,000 --> 00:09:56,000

Locals have reported seeing mysterious white discs 30 feet in diameter floating in the sky near the

base.

124

00:09:56,000 --> 00:10:03,000

Experts come to the stunning conclusion that they may in fact be man-made UFOs.

125

00:10:03,000 --> 00:10:11,000

Others believe they were constructed with direct assistance from aliens living and working in the labyrinth beneath the base.

126

00:10:12,000 --> 00:10:20,000

Hard evidence of the top-secret work underway at the base was collected from the most unexpected source imaginable.

127

00:10:20,000 --> 00:10:29,000

On March 15, 1991, the space shuttle Discovery was passing over the area when its cameras picked up something astonishing.

128

00:10:30,000 --> 00:10:38,000

The footage shows a massive UFO curdling over Australia at an estimated speed of over 50,000 miles per hour.

129

00:10:38,000 --> 00:10:43,000

Nearly three times the shuttle's top speed on launch.

130

00:10:43,000 --> 00:10:49,000

Some believe the UFO was the product of top-secret work underway at the base.

131

00:10:49,000 --> 00:10:57,000

But if aliens are working at remote sites like Pine Gap, are they friend or foe?

132

00:10:58,000 --> 00:11:02,000

Coming up, we investigate an isolated base in New Mexico.

133

00:11:02,000 --> 00:11:11,000

Evidence of what goes on in this terrifying facility may reveal the greatest betrayal of public trust in history.

134

00:11:11,000 --> 00:11:18,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

135

00:11:20,000 --> 00:11:24,000

Welcome back to Unsealed Alien Files.

136

00:11:25,000 --> 00:11:35,000

At secret bases like Pine Gap in the Australian Outback, aliens are said to be helping scientists build futuristic aircraft and weapons.

137

00:11:35,000 --> 00:11:39,000

But are these aliens really our allies?

138

00:11:40,000 --> 00:11:50,000

Compelling evidence exists that humans and aliens may have already engaged in combat deep inside one of the most closely guarded bases on Earth.

139

00:11:51,000 --> 00:11:56,000

Unsealed Case Files, The Battle of Dulce.

140

00:11:58,000 --> 00:12:01,000

Dulce, New Mexico, 1977.

141

00:12:01,000 --> 00:12:04,000

Cattle have been discovered mutilated.

142

00:12:04,000 --> 00:12:11,000

The cuts have been made with a surgical precision beyond the capability of any known technology.

143

00:12:11,000 --> 00:12:18,000

The bizarre crimes catch the attention of Albuquerque-based physicist and UFO researcher Paul Benowitz.

144

00:12:18,000 --> 00:12:26,000

During his independent investigation, he is introduced to a woman who claims to know what is behind the bizarre crimes.

145

00:12:26,000 --> 00:12:36,000

Under hypnosis, she reveals to Benowitz that she and her son were abducted by aliens and taken to an underground base.

146

00:12:36,000 --> 00:12:45,000

There, she saw not only cattle being mutilated and drained of their blood, but vats filled with human body parts.

147

00:12:45,000 --> 00:12:54,000

While there, the abductees were fitted with alien implants through which extraterrestrials could control their bodies.

148

00:12:54,000 --> 00:12:57,000

Benowitz is stunned by the woman's account.

149

00:12:57,000 --> 00:13:06,000

He begins monitoring communications in the area and picks up what he believes to be transmissions from an alien spaceship.

150

00:13:06,000 --> 00:13:14,000

Benowitz tracks the UFO to a remote area on the New Mexico-Colorado border that he dubs Dulce Base.

151

00:13:16,000 --> 00:13:25,000

In 1979, UFO insider Thomas Costello infiltrates Dulce and smuggles out shocking photos.

152

00:13:25,000 --> 00:13:31,000

Costello's photos show aliens conducting horrifying genetic experiments on humans.

153

00:13:31,000 --> 00:13:40,000

Even more shocking, Costello says the human subjects were abducted with the full consent of the United States government.

154

00:13:42,000 --> 00:13:53,000

Another theory is the fact that they're genetically engineering humans, that it could serve some purpose in altering our genetic code or the way that we evolve as human beings.

155

00:13:53,000 --> 00:14:05,000

My guess is they could potentially make a life form that they would like us to evolve into, let alone just try and make another lesser being evolve into what they're aiming to create.

156

00:14:06,000 --> 00:14:14,000

In a separate incident, a U.S. government employee, Phil Schneider, was helping to dig a labyrinth of tunnels below the base.

157

00:14:15,000 --> 00:14:23,000

Schneider's team inadvertently opened a large cavern where they stumble upon a group of aliens experimenting on captive humans.

158

00:14:24,000 --> 00:14:32,000

A battle ensues, though severely wounded Schneider escapes, but a number of his colleagues are killed in the conflict.

159

00:14:33,000 --> 00:14:41,000

According to Schneider, the tunnels below Dulce are a fraction of what lies beneath the surface of the United States.

160

00:14:41,000 --> 00:14:50,000

UFO investigators believe the underground network may have been created by a highly advanced drilling craft called a subterine.

161

00:14:51,000 --> 00:15:01,000

Operating like a submarine, the subterine is propelled by nuclear power and bores through the earth, leaving massive tunnels in its wake.

162

00:15:02,000 --> 00:15:14,000

I think when you talk about the sheer technological power in the 21st century that you would need, you start nearing kind of an impossibility to pull this off and they were able to do this. That's an amazing feat.

163

00:15:16,000 --> 00:15:26,000

Once completed, the tunnels are traversed by madlev trains that may travel over 300 miles per hour. But where could they possibly leave?

164

00:15:26,000 --> 00:15:36,000

Experts believe a secret network of tunnels may connect some of the most sinister bases on the planet, like Dulce Base and Area 51.

165

00:15:37,000 --> 00:15:41,000

They may even lead to one of the strangest airports in America.

166

00:15:43,000 --> 00:15:52,000

Denver International Airport. This massive structure is the second largest airport in the world, covering 53 square miles.

167

00:15:53,000 --> 00:16:07,000

The terminals are decorated with art, depicting oppressive military imagery and apocalyptic visions. The strange works of art above ground only hint at what might be going on beneath.

168

00:16:08,000 --> 00:16:24,000

March 21, 2013. A father and son notice strange lights in the sky from their suburban home. The Colorado residents track three glowing lights, flying in a triangular formation in the sky above the Denver Airport.

169

00:16:25,000 --> 00:16:32,000

Authorities at the airport refuse to comment, and an FAA spokesperson insists nothing out of the ordinary happened that night.

170

00:16:33,000 --> 00:16:48,000

Although the airport opened in 1995, construction beneath it has officially never stopped. The buildings reach eight stories underground, deep enough to withstand the force of an atomic bomb.

171

00:16:51,000 --> 00:17:00,000

Connecting the terminals and baggage area is a passenger shuttle system, but at Denver International there is a second, completely separate rail system.

172

00:17:01,000 --> 00:17:09,000

This allegedly links to the maglev tunnels and may allow the movement of alien technology from sites like Dulce.

173

00:17:10,000 --> 00:17:21,000

Coming up, they may have technology that's out of this world, but is extraterrestrial life also penetrating the very heart of American power?

174

00:17:21,000 --> 00:17:30,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

175

00:17:35,000 --> 00:17:43,000

Across the world, aliens are reported to be operating out of remote locations, often with the full cooperation of top secret government agencies.

176

00:17:44,000 --> 00:17:48,000

But they may no longer be content to live on the fringes of our world.

177

00:17:49,000 --> 00:17:55,000

One of the strangest stories about presidents and UFOs involves President Dwight D. Eisenhower.

178

00:17:56,000 --> 00:18:07,000

It is said that Eisenhower had not one, not two, but actually three or four meetings with extraterrestrials to establish an open skies agreement with them.

179

00:18:08,000 --> 00:18:14,000

According to one account, an extraterrestrial may have penetrated the highest office in the land.

180

00:18:15,000 --> 00:18:16,000

His name?

181

00:18:16,000 --> 00:18:17,000

Valiant Thor.

182

00:18:19,000 --> 00:18:26,000

Valiant Thor allegedly went to work at the Pentagon for three years when he was codenamed The Stranger.

183

00:18:27,000 --> 00:18:33,000

To this day, the chilling nature of his work for the United States government remains unknown.

184

00:18:34,000 --> 00:18:40,000

Is Valiant Thor's infiltration of the U.S. government in the guise of friend or foe?

185

00:18:42,000 --> 00:18:50,000

And what will become of the human race when every Earth-bound alien decides the time for hiding is over?

186

00:18:52,000 --> 00:18:58,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

187

00:19:03,000 --> 00:19:05,000

Unsealed Alien Files
