

1

00:00:00,000 --> 00:00:09,800

Los Angeles, Texas, the United Kingdom, these three places are home to some of the most

2

00:00:09,800 --> 00:00:13,400

terrifying UFO hotspots in the world.

3

00:00:13,400 --> 00:00:20,400

UFO hotspot means a place where people see a lot of UFOs and have a lot of alien encounters.

4

00:00:20,400 --> 00:00:25,240

But over the years, we have thousands upon thousands of sightings.

5

00:00:25,240 --> 00:00:28,360

So something's going on in our skies.

6

00:00:28,360 --> 00:00:34,000

These are locations where people are constantly reminded we are not alone.

7

00:00:34,000 --> 00:00:39,600

And they are places where people often live with an ever-present fear.

8

00:00:39,600 --> 00:00:42,360

What makes a UFO hotspot?

9

00:00:42,360 --> 00:00:45,080

Is there a pattern to where they occur?

10

00:00:45,080 --> 00:00:49,640

And if there is, what danger does it pose to humanity?

11

00:00:49,640 --> 00:00:57,760

Tonight, we reveal the world's greatest UFO hotspots on Unsealed Alien Files.

12

00:00:58,760 --> 00:01:01,360

A global effort has begun.

13

00:01:01,360 --> 00:01:09,160

Secret files hidden from the public for decades, detailing every UFO account, are now available to the public.

14

00:01:09,160 --> 00:01:13,960

We are about to uncover the truth behind these classified documents.

15

00:01:13,960 --> 00:01:17,560

Find out what the government doesn't want you to know.

16

00:01:17,560 --> 00:01:20,560

Unsealed Alien Files.

17

00:01:20,560 --> 00:01:24,560

Exposing the biggest secret on planet Earth.

18

00:01:25,360 --> 00:01:28,560

Los Angeles is a major UFO hotspot.

19

00:01:28,560 --> 00:01:31,560

The activity here is constant and seems to be escalating.

20

00:01:31,560 --> 00:01:36,560

Los Angeles, California, January 21, 2013.

21

00:01:36,560 --> 00:01:44,560

The International Business Times prints the unsettling story of a recent UFO sighting over the San Fernando Valley.

22

00:01:44,560 --> 00:01:50,560

A man is taking photos in his backyard when he sees a police helicopter flying overhead.

23

00:01:51,560 --> 00:01:55,560

He quickly adjusts his camera lens and takes a picture.

24

00:01:55,560 --> 00:02:02,560

Later, when reviewing his photos, he notices a tiny object high in the distance above the helicopter.

25

00:02:04,560 --> 00:02:11,560

Expert analysis of the photo reveals it to be a textbook example of a flying saucer.

26

00:02:12,560 --> 00:02:22,560

For decades, citizens of the Los Angeles area have reported an astonishing number of UFO sightings, higher than any other city in the U.S.

27

00:02:22,560 --> 00:02:27,560

1992, Topanga Canyon, Los Angeles County.

28

00:02:27,560 --> 00:02:35,560

Sometime after midnight, the police receive a frantic call from a driver and his girlfriend on the Pacific Coast Highway.

29

00:02:36,560 --> 00:02:44,560

He claims that a beam of light appeared from the sky and surrounded his car, pulling the vehicle into the air.

30

00:02:44,560 --> 00:02:54,560

After a few moments, the light vanishes and the car drops back to Earth, leaving the couple frightened and shaken.

31

00:02:57,560 --> 00:03:01,560

Topanga Canyon is a small community and there's a large park here.

32

00:03:01,560 --> 00:03:10,560

In July, 1492, the skies must have opened up or something, some sort of portal, I don't know, but hundreds of UFOs were seen.

33

00:03:10,560 --> 00:03:18,560

I mean, to this day, I've talked to 120 separate adult witnesses who have confirmed the sighting on just that one evening alone.

34

00:03:19,560 --> 00:03:23,560

Why is Los Angeles a magnet for alien activity in North America?

35

00:03:24,560 --> 00:03:32,560

Many UFO experts trace the Los Angeles alien phenomenon back to an often forgotten chapter of the Second World War.

36

00:03:35,560 --> 00:03:39,560

Unsealed case file, The Battle of Los Angeles.

37

00:03:40,560 --> 00:03:46,560

February 24, 1942, America has just entered the war.

38

00:03:46,560 --> 00:03:51,560

An unidentified aircraft suddenly appears in the night sky over Los Angeles.

39

00:03:53,560 --> 00:03:58,560

Fearing a Japanese attack, anti-aircraft batteries open fire.

40

00:04:00,560 --> 00:04:08,560

The Battle over Los Angeles was an event in 1942 in which multiple witnesses observed an unidentified craft over LA.

41

00:04:08,560 --> 00:04:12,560

The military quickly went into action. They tried to figure out what the object was.

42

00:04:12,560 --> 00:04:16,560

They lit it up with their spotlights. They couldn't figure it out.

43

00:04:16,560 --> 00:04:23,560

Witnesses watch in horror as the US Army fires over a thousand rounds at the hovering UFO.

44

00:04:24,560 --> 00:04:32,560

The Battle of Los Angeles is such an important case because as the military engaged this object, fired rounds at it, they weren't able to touch it.

45

00:04:32,560 --> 00:04:37,560

As quickly as the UFO appeared, it vanishes without a trace.

46

00:04:37,560 --> 00:04:41,560

The infamous incident is known as the Battle of Los Angeles.

47

00:04:42,560 --> 00:04:53,560

The following morning, Secretary of the Navy Frank Knox claims it was a false alarm and the UFO was in fact a weather balloon.

48

00:04:53,560 --> 00:05:04,560

The Army's explanation was that it was a weather balloon and of course if you're firing that many artillery shells at a weather balloon and you can't bring it down, you've got a problem with your defense.

49

00:05:05,560 --> 00:05:13,560

Is it possible that a highly trained American Defense Force launched an all-out assault on a harmless weather balloon?

50

00:05:13,560 --> 00:05:23,560

Even more alarming, if this were a genuine UFO, could the aliens have interpreted this unprovoked

aggression as an act of war?

51

00:05:23,560 --> 00:05:30,560

Up next, an entire state in America has been a focal point of UFO activity for decades.

52

00:05:30,560 --> 00:05:37,560

We'll reveal where and possibly why on Unsealed Alien Files.

53

00:05:37,560 --> 00:05:40,560

Exposing the biggest secret on planet Earth.

54

00:05:43,560 --> 00:05:46,560

Welcome back to Unsealed Alien Files.

55

00:05:48,560 --> 00:05:53,560

Los Angeles, California has been the site of countless documented alien encounters.

56

00:05:54,560 --> 00:05:57,560

But it isn't America's only UFO hotspot.

57

00:05:58,560 --> 00:06:05,560

The entire state of Texas has seen hundreds of UFO incidents dating as far back as the 19th century.

58

00:06:06,560 --> 00:06:12,560

I really do think there is some sort of a basement just because of the huge number of reports.

59

00:06:12,560 --> 00:06:16,560

This is a major flat area hotspot.

60

00:06:18,560 --> 00:06:21,560

Aurora, Texas, 1897.

61

00:06:21,560 --> 00:06:26,560

A UFO crashes into a windmill as reported by the Dallas Morning News.

62

00:06:28,560 --> 00:06:34,560

Locals recover an alien body and bury it with Christian rights in Aurora Cemetery.

63

00:06:35,560 --> 00:06:40,560

A plaque at the cemetery identifies the alien burial to this day.

64

00:06:42,560 --> 00:06:44,560

Lubbock, 1951.

65

00:06:44,560 --> 00:06:49,560

Three professors from Texas Tech photograph a fleet of UFOs.

66

00:06:49,560 --> 00:06:53,560

The incident becomes known as the Lubbock Lights.

67

00:06:54,560 --> 00:06:57,560

Devenville, 2008.

68

00:06:57,560 --> 00:07:05,560

Over 30 witnesses, including law enforcement, see a mile wide UFO fly overhead in the middle of the day.

69

00:07:05,560 --> 00:07:09,560

The incident receives worldwide media coverage.

70

00:07:09,560 --> 00:07:14,560

Why is the Lone Star State the focus of so much alien attention?

71

00:07:16,560 --> 00:07:22,560

The search for answers begins 60 miles northeast of the Mexican border in the South of Texas.

72

00:07:23,560 --> 00:07:26,560

A small town of Marfa, Texas.

73

00:07:26,560 --> 00:07:32,560

For over a century, residents have reported eerie, ghost-like lights in the sky.

74

00:07:32,560 --> 00:07:36,560

Many believe the lights to be of extraterrestrial origin.

75

00:07:38,560 --> 00:07:40,560

Unsealed case file.

76

00:07:40,560 --> 00:07:44,560

Marfa, Texas, 1957.

77

00:07:44,560 --> 00:07:48,560

Coronet Magazine publishes a report on the Marfa Lights phenomenon,

78

00:07:48,560 --> 00:07:54,560

describing them as brightly glowing basketball-sized spheres floating above the ground.

79

00:07:54,560 --> 00:08:03,560

Scientists are quick to dismiss the phenomenon as everyday automobile lights appearing to float due to atmospheric reflections.

80

00:08:03,560 --> 00:08:10,560

But this explanation is met with skepticism in the UFO community for one simple reason.

81

00:08:11,560 --> 00:08:15,560

The Marfa Lights occur in a region called the Mitchell Flat,

82

00:08:15,560 --> 00:08:20,560

an area known for its rugged terrain and private property.

83

00:08:22,560 --> 00:08:27,560

Ufologists contend that car traffic could never be the source of its enigmatic lights.

84

00:08:27,560 --> 00:08:33,560

Why are authorities so quick to dismiss the Marfa Lights as an atmospheric anomaly?

85

00:08:33,560 --> 00:08:39,560

And is there a price to be paid for covering up the heavy presence of aliens in the Marfa Lights?

86

00:08:40,560 --> 00:08:45,560

In Texas skies, as it turns out, there is.

87

00:08:46,560 --> 00:08:49,560

Dayton, Texas, 1980.

88

00:08:49,560 --> 00:08:53,560

Betty Cash and Vicky Landrum are driving along the highway

89

00:08:53,560 --> 00:09:00,560

when suddenly their car is enveloped in an intense beam of light emanating from the night sky.

90

00:09:00,560 --> 00:09:03,560

Above them is a UFO.

91

00:09:03,560 --> 00:09:09,560

Out of nowhere, a fleet of combat helicopters appear and surround the UFO.

92

00:09:09,560 --> 00:09:12,560

It vanishes in an instant.

93

00:09:12,560 --> 00:09:16,560

Cash and Landrum suffer severe burns from the UFO's beam,

94

00:09:16,560 --> 00:09:21,560

commonly associated with exposure to high levels of radiation.

95

00:09:21,560 --> 00:09:24,560

Why did aliens attack two innocent women

96

00:09:24,560 --> 00:09:30,560

and how did a squadron of military helicopters appear out of nowhere in the nick of time?

97

00:09:30,560 --> 00:09:35,560

Was the government already aware of UFO activity?

98

00:09:35,560 --> 00:09:39,560

And why did they not warn the public?

99

00:09:39,560 --> 00:09:45,560

A series of deadly events from six years earlier suggests they did.

100

00:09:47,560 --> 00:09:52,560

Unsealed case file, the Corpus Christi Object.

101

00:09:52,560 --> 00:09:56,560

August 24th, 1974.

102

00:09:56,560 --> 00:10:02,560

U.S. Air Defense Radar detects a UFO speeding northwest from the Gulf of Mexico toward Corpus Christi

103

00:10:02,560 --> 00:10:08,560

at an impossible speed of 2,500 miles per hour.

104

00:10:08,560 --> 00:10:14,560

At the same time, a small passenger plane takes off from El Paso bound for Mexico City.

105

00:10:14,560 --> 00:10:24,560

For unknown reasons, the UFO suddenly changes course and collides with the plane over Coyame, Mexico.

106

00:10:24,560 --> 00:10:28,560

U.S. military locate the wreckage of the plane,

107

00:10:28,560 --> 00:10:31,560

but the UFO is nowhere to be found.

108

00:10:31,560 --> 00:10:40,560

Nearby, the responders also discover a Mexican army chief with the lifeless bodies of four Mexican soldiers inside.

109

00:10:40,560 --> 00:10:43,560

There are no signs of trauma.

110

00:10:43,560 --> 00:10:46,560

They do not appear to have fired their weapons.

111

00:10:46,560 --> 00:10:48,560

Official cause of death?

112

00:10:48,560 --> 00:10:50,560

Asphyxiation.

113

00:10:50,560 --> 00:10:55,560

The proximity of the Dayton and Corpus Christi locations is alarming.

114

00:10:55,560 --> 00:11:01,560

Just outside Corpus Christi is the Naval Air Station, Troll Field.

115

00:11:01,560 --> 00:11:09,560

Dayton is part of Metropolitan Houston, which is also home to mission control for NASA's space shuttle flights.

116

00:11:09,560 --> 00:11:16,560

Could the military and space exploration facilities be attracting UFOs?

117

00:11:16,560 --> 00:11:23,560

At the time of the Dayton incident in 1980, NASA was preparing to launch the first space shuttle.

118

00:11:24,560 --> 00:11:32,560

Some experts believe extraterrestrials are trying to send a message that would bring an abrupt halt to any further space exploration.

119

00:11:32,560 --> 00:11:49,560

For reshadowing, who was director of NASA communications, he became famous in UFO circles because he was the first NASA insider to talk publicly about UFOs and say NASA knew about the presence of UFOs.

120

00:11:49,560 --> 00:11:55,560

It was NASA's most closely-filed secret on the reshadowing of the planet.

121

00:11:55,560 --> 00:12:04,560

Coming up, we reveal another UFO hotspot where 12,000 sightings have been recorded over the next experiencing this phenomenon.

122

00:12:04,560 --> 00:12:11,560

In 2008, the British government declassified decades of eyewitness accounts of UFOs.

123

00:12:11,560 --> 00:12:15,560

The sheer volume of information was overwhelming.

124

00:12:16,560 --> 00:12:25,560

From the 1950s to the termination of the British government's UFO project, around 12,000 UFO sightings were investigated.

125

00:12:25,560 --> 00:12:35,560

Nick Pope is a former official with the British government's UFO desk, a department dedicated to the investigation of UFO sightings.

126

00:12:36,560 --> 00:12:40,560

These incidents date from World War II to modern day.

127

00:12:40,560 --> 00:12:46,560

Many of these UFO encounters are unpredictable and dangerously close calls.

128

00:12:48,560 --> 00:13:01,560

The Civil Aviation Authority and the Ministry of Defense have on their case files several instances where there were near collisions between UFOs and commercial aircraft.

129

00:13:01,560 --> 00:13:08,560

In one instance, the pilot had time only to shout, look out, look out, before the UFO rapidly passed.

130

00:13:08,560 --> 00:13:13,560

Fortunately, there wasn't a collision and the UFO narrowly missed the aircraft.

131

00:13:13,560 --> 00:13:20,560

There were perhaps half a dozen or a dozen cases of near collision between UFOs and commercial aircraft.

132

00:13:22,560 --> 00:13:27,560

These incidents bear an uncanny resemblance to the Corpus Christi collision.

133

00:13:27,560 --> 00:13:33,560

But Britain's hotspot similarities with Texas go far beyond near misses in the air.

134

00:13:33,560 --> 00:13:41,560

Here too, aliens target military bases, posing a serious threat to national security.

135

00:13:41,560 --> 00:13:47,560

One event in particular has achieved legendary status among British UFO investigators.

136

00:13:47,560 --> 00:13:50,560

The Randall-Shem Forest Incident.

137

00:13:51,560 --> 00:14:03,560

Over a series of nights in December 1980, United States Air Force personnel based at Bent Waters and Woodbridge in the United Kingdom saw UFOs.

138

00:14:03,560 --> 00:14:17,560

On the first night of activity, numerous witnesses, including John Burroughs and Jim Peniston, saw strange lights in the forest which were unlike anything they'd seen before.

139

00:14:18,560 --> 00:14:29,560

The two airmen set out to investigate. They discover the flashing lights are emanating from a large, triangular-shaped UFO resting on the forest floor.

140

00:14:29,560 --> 00:14:36,560

Jim Peniston approached the UFO and at one point actually touched the side of the craft.

141

00:14:37,560 --> 00:14:50,560

He's described how this touching of the craft led to some effect where he was jolted and received what he can only really describe as some sort of telepathic download.

142

00:14:53,560 --> 00:15:02,560

Later he felt a compulsion to write in his police notebook pages and pages of ones and zeros.

143

00:15:02,560 --> 00:15:12,560

These ones and zeros have been theorized to be binary code and many people speculate that this is a message of some sort.

144

00:15:15,560 --> 00:15:30,560

There's huge controversy about the binary code and the Randall-Shem message and indeed there's a lot of discussion, debate about whether this is a message and if it is, what this message says, what it all means.

145

00:15:31,560 --> 00:15:38,560

Decoding the message may reveal why aliens are targeting hotspots like Britain and Texas.

146

00:15:38,560 --> 00:15:47,560

It may be that further revelations are yet to come. Not everything that I've seen has yet seen the light of day.

147

00:15:47,560 --> 00:15:53,560

There may be some revelations that will be made in the future. There may be some things that will never be released.

148

00:15:54,560 --> 00:16:04,560

Coming up, we investigate the next frontier of alien hotspots and learn if it might in fact be the last.

149

00:16:08,560 --> 00:16:14,560

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

150

00:16:15,560 --> 00:16:24,560

Both the US and the UK are inundated with intense UFO activity. Many of these hotspots occur near military installations.

151

00:16:24,560 --> 00:16:40,560

But what are these alien reconnaissance missions for? The answer may lie on the opposite side of the planet, inside the world's rising superpower, the People's Republic of China.

152

00:16:41,560 --> 00:16:53,560

Hungs Oh, July 7th, 2010. Thousands watch in stunned disbelief as a flaming UFO streaks across the night sky over the eastern city.

153

00:16:53,560 --> 00:17:04,560

Many capture vivid images of the object. Authorities immediately close the Oshan International Airport, thrusting the story into the worldwide media spotlight.

154

00:17:05,560 --> 00:17:13,560
