

1

00:00:00,000 --> 00:00:05,000

Many UFO sightings are solitary events that leave witnesses

2

00:00:05,000 --> 00:00:08,000

scrambling to prove their story.

3

00:00:08,000 --> 00:00:11,000

But what happens when the same object is seen by many people

4

00:00:11,000 --> 00:00:12,000

at the same time?

5

00:00:12,000 --> 00:00:16,000

In 1965, pundits watch an amazement as a fireball crashes

6

00:00:16,000 --> 00:00:19,000

in rural Pennsylvania.

7

00:00:19,000 --> 00:00:22,000

But as eyewitnesses struggle to understand what they see,

8

00:00:22,000 --> 00:00:25,000

they are unable to understand what they see.

9

00:00:25,000 --> 00:00:29,000

The US government establishes one of the most elaborate cover-ups

10

00:00:29,000 --> 00:00:31,000

in UFO history.

11

00:00:31,000 --> 00:00:34,000

Is it a spectacular meteor?

12

00:00:34,000 --> 00:00:37,000

A casualty of the space race?

13

00:00:37,000 --> 00:00:42,000

Or is it something out of this world?

14

00:00:42,000 --> 00:00:48,000

Join us as we expose the hidden secrets of the Kecksburg Incident

15

00:00:48,000 --> 00:00:50,000

on Unstable.

16

00:00:50,000 --> 00:00:53,000

A global effort has begun.

17

00:00:53,000 --> 00:00:56,000

Secret files hidden from the public for decades,

18

00:00:56,000 --> 00:01:01,000

detailing every UFO account, are now available to the public.

19

00:01:01,000 --> 00:01:06,000

We are about to uncover the truth behind these classified documents.

20

00:01:06,000 --> 00:01:10,000

Find out what the government doesn't want you to know.

21

00:01:10,000 --> 00:01:11,000

Unsealed.

22

00:01:11,000 --> 00:01:13,000

Alien files.

23

00:01:13,000 --> 00:01:16,000

Explained by the US government.

24

00:01:16,000 --> 00:01:17,000

Unsealed.

25

00:01:17,000 --> 00:01:19,000

Alien files.

26

00:01:19,000 --> 00:01:23,000

Exposing the biggest secret on planet Earth.

27

00:01:46,000 --> 00:01:50,000

Mark Matney of NASA's Orbital Debris Program says,

28

00:01:50,000 --> 00:01:56,000

it's very hard to determine what might have hit UARS.

29

00:01:56,000 --> 00:01:59,000

Though the main body of the satellite is intact,

30

00:01:59,000 --> 00:02:02,000

pieces fly off in all directions.

31

00:02:02,000 --> 00:02:08,000

It takes a further three years for the satellite's orbit to fully decay.

32

00:02:08,000 --> 00:02:11,000

Controlled descent is part of NASA's duties.

33

00:02:11,000 --> 00:02:14,000

They alert the media and the populace

34

00:02:14,000 --> 00:02:17,000

as they monitor the satellite's trajectory.

35

00:02:17,000 --> 00:02:22,000

As what remains of UARS breaks the atmosphere,

36

00:02:22,000 --> 00:02:26,000

it's observed speeding toward the Earth as a giant ball of fire.

37

00:02:26,000 --> 00:02:30,000

It plunges harmlessly into the Pacific.

38

00:02:30,000 --> 00:02:33,000

Was the UARS satellite crash an accident?

39

00:02:33,000 --> 00:02:38,000

Or was it caused by a sinister alien force?

40

00:02:38,000 --> 00:02:43,000

NASA routinely monitors events like this all the time.

41

00:02:43,000 --> 00:02:48,000

But years earlier, another object made its way to the surface of our world,

42

00:02:48,000 --> 00:02:53,000

but under very different circumstances.

43

00:02:53,000 --> 00:02:58,000

December 9th, 1965, 4.45 p.m.

44

00:02:58,000 --> 00:03:02,000

US Air Force radar command receives multiple reports of a fireball

45

00:03:02,000 --> 00:03:06,000

streaking east across the skies over Michigan.

46

00:03:06,000 --> 00:03:08,000

It's falling at a tremendous speed.

47

00:03:08,000 --> 00:03:11,000

Witnesses take photos of the object

48

00:03:11,000 --> 00:03:14,000

and the smoke trail it leaves behind.

49

00:03:14,000 --> 00:03:18,000

Grass fires are reported as debris drops in its wake.

50

00:03:18,000 --> 00:03:22,000

The object is believed to be a meteor.

51

00:03:22,000 --> 00:03:27,000

But this meteor attracts the attention of more than just the scientific community.

52

00:03:27,000 --> 00:03:33,000

NASA, the Air Force Special UFO office, and the Pentagon take notice.

53

00:03:33,000 --> 00:03:37,000

The fireball crashes near a small town in rural Pennsylvania,

54

00:03:37,000 --> 00:03:42,000

sparking one of the biggest UFO controversies in American history.

55

00:03:42,000 --> 00:03:45,000

Unsealed case file.

56

00:03:45,000 --> 00:03:49,000

The Kecksburg Incident.

57

00:03:49,000 --> 00:03:53,000

A UFO crashes in the woods outside Kecksburg, Pennsylvania,

58

00:03:53,000 --> 00:03:58,000

but the alleged meteor is believed to have exhibited strange behavior.

59

00:03:58,000 --> 00:04:02,000

A witness reports, it appeared to maintain a certain altitude,

60

00:04:02,000 --> 00:04:09,000

then all of a sudden made a sharp dip downwards from roughly 500 or 600 feet to 300.

61

00:04:09,000 --> 00:04:13,000

The military, along with state police, seal off the area

62

00:04:13,000 --> 00:04:18,000

and turn away curious onlookers at gunpoint.

63

00:04:18,000 --> 00:04:23,000

And when they gathered, what they noticed was that almost instantly

64

00:04:23,000 --> 00:04:29,000

a group, a unit of American soldiers who were knowing Signia

65

00:04:29,000 --> 00:04:35,000

and came with a flatbed truck were there to retrieve this object and take it away.

66

00:04:35,000 --> 00:04:40,000

People were warned, keep your mouth shut, don't talk about this.

67

00:04:40,000 --> 00:04:44,000

What did the army recover from the Kecksburg crash site?

68

00:04:44,000 --> 00:04:47,000

And why did the army threaten eyewitnesses?

69

00:04:47,000 --> 00:04:52,000

According to those who say the army transported something out of the Kecksburg woods that night,

70

00:04:52,000 --> 00:04:54,000

it wasn't a meteor.

71

00:04:54,000 --> 00:04:59,000

Residents report seeing a large bell shaped object under a tarp.

72

00:04:59,000 --> 00:05:06,000

One witness described it as, a large solid metallic object, large enough for a man to stand inside.

73

00:05:06,000 --> 00:05:10,000

The media reports nothing was found at the impact site,

74

00:05:10,000 --> 00:05:14,000

and the Department of Defense denies any involvement.

75

00:05:14,000 --> 00:05:18,000

But this does little to end public speculation,

76

00:05:18,000 --> 00:05:23,000

especially in the 1960s when the space race is on everyone's mind.

77

00:05:23,000 --> 00:05:29,000

The exploration of space will go ahead, whether we join in it or not.

78

00:05:29,000 --> 00:05:33,000

And it is one of the great adventures of all time.

79

00:05:33,000 --> 00:05:39,000

And no nation, which expects to be the leader of other nations,

80

00:05:39,000 --> 00:05:43,000

can expect to stay behind in this race for space.

81

00:05:43,000 --> 00:05:49,000

At the time, America and the Soviet Union are in a space race to be the first nation to put a man on the moon.

82

00:05:49,000 --> 00:05:55,000

But NASA does not officially reveal any possible explanation for the Kecksburg incident.

83

00:05:55,000 --> 00:05:59,000

NASA keeps its UFO secrets very close.

84

00:05:59,000 --> 00:06:04,000

When I spoke to astronauts myself about UFOs,

85

00:06:04,000 --> 00:06:11,000

they've said, pointedly, that one of the things that they are not just instructed to do,

86

00:06:11,000 --> 00:06:17,000

but what is never to disclose to the public UFO sightings they have.

87

00:06:17,000 --> 00:06:23,000

The official government explanation is that Kecksburg was the site of a meteor impact.

88

00:06:23,000 --> 00:06:27,000

But how could a meteor change direction as witnesses report?

89

00:06:27,000 --> 00:06:31,000

And what did the military take from the Kecksburg site?

90

00:06:31,000 --> 00:06:38,000

1965. A fireball crashes to Earth outside the small town of Kecksburg, Pennsylvania.

91

00:06:38,000 --> 00:06:45,000

Authorities insist the object is a meteor, but witnesses report possible evidence of a UFO.

92

00:06:45,000 --> 00:06:49,000

What really fell to Earth in Kecksburg?

93

00:06:49,000 --> 00:06:57,000

Some experts believe the answer lies in tracing the whereabouts of the most important man in America at the time.

94

00:06:57,000 --> 00:07:04,000

It is alleged that President Lyndon Johnson's vacation at his private Texas ranch is interrupted.

95

00:07:04,000 --> 00:07:08,000

A group of VIPs wait for him in his living room.

96

00:07:08,000 --> 00:07:13,000

The meeting is reportedly about budget issues concerning the Vietnam War.

97

00:07:13,000 --> 00:07:22,000

But the list of visitors that day indicates the emergency meeting may have been about something completely different.

98

00:07:22,000 --> 00:07:29,000

Along with the Joint Chiefs of Staff are the Director of NASA and the Governor of Pennsylvania.

99

00:07:29,000 --> 00:07:36,000

The topic of discussion that day remains unknown, but the President immediately returns to Washington,

100

00:07:36,000 --> 00:07:42,000

where he calls an urgent meeting with the Director of the Office of Emergency Planning at the Pentagon.

101

00:07:42,000 --> 00:07:50,000

Could the recent spike in UFO sightings indicate something bigger and more threatening to come?

102

00:07:50,000 --> 00:07:57,000

It's a disturbing thought. Since the Roswell incident in 1947, less than 20 years earlier,

103

00:07:57,000 --> 00:08:02,000

UFO sightings seem to be increasing in numbers that are staggering.

104

00:08:02,000 --> 00:08:08,000

Many government insiders believe that unless a tight lid is clamped down on the UFO phenomena,

105

00:08:08,000 --> 00:08:13,000

panic could quickly spread across the country.

106

00:08:13,000 --> 00:08:18,000

I think it's rather obvious that the United States military and government would keep it a secret

107

00:08:18,000 --> 00:08:22,000

if there was a conflict or connection between them and extraterrestrials.

108

00:08:22,000 --> 00:08:29,000

I think the reason is simple. Fear. If we were to let the public know that we, meaning America,

109

00:08:29,000 --> 00:08:34,000

the strongest military in the world is no longer number one, how many people would fear that?

110

00:08:34,000 --> 00:08:41,000

Was Kexburg the site of a UFO crash? Did President Johnson fear alien contact?

111

00:08:41,000 --> 00:08:48,000

Back in Kexburg, a local radio reporter is preparing an in-depth story on the incident,

112

00:08:48,000 --> 00:08:51,000

complete with eyewitness interviews.

113

00:08:51,000 --> 00:08:58,000

But shortly before airtime, the station is allegedly paid a visit by the Men in Black.

114

00:08:58,000 --> 00:09:04,000

The Men in Black are an unidentified group or an organization that would go around to

115

00:09:04,000 --> 00:09:08,000

elect sightings of where there was some type of UFO report.

116

00:09:08,000 --> 00:09:15,000

The Kexburg story eventually goes to air, but the story is a heavily censored version of the original.

117

00:09:15,000 --> 00:09:22,000

Following the broadcast, the reporter refuses to discuss Kexburg ever again.

118

00:09:22,000 --> 00:09:29,000

Sometime later, he is tragically killed in a hit-and-run while on vacation in California.

119

00:09:29,000 --> 00:09:34,000

The driver of the hit-and-run vehicle is never found.

120

00:09:34,000 --> 00:09:42,000

What really happened to the reporter? Could he have been the target of a government cover-up?

121

00:09:42,000 --> 00:09:47,000

But government attempts to maintain secrecy surrounding Kexburg prove unsuccessful.

122

00:09:47,000 --> 00:09:54,000

Over the next few decades, witnesses will continue to break their silence at great personal risk

123

00:09:54,000 --> 00:10:00,000

to reveal the truth about what really happened that fateful night.

124

00:10:00,000 --> 00:10:05,000

Unsealed case file. The Kexburg Witnesses.

125

00:10:05,000 --> 00:10:11,000

In December 1990, on the 25th anniversary of the Kexburg incident,

126

00:10:11,000 --> 00:10:20,000

military personnel present the night of the crash come forward and confirm they were given orders to use deadly force.

127

00:10:20,000 --> 00:10:27,000

Other witnesses reveal that men wearing protective spacesuits bearing NASA logos were seen at the crash site,

128

00:10:27,000 --> 00:10:36,000

handling a bell-shaped object. Some also claim that overseeing the operation were men in black suits.

129

00:10:36,000 --> 00:10:42,000

Kexburg resident Bill Bulabash was close enough that night to examine the crash site.

130

00:10:42,000 --> 00:10:49,000

The object he saw was 12 feet long and at least 7 feet in diameter, in the shape of an acorn.

131

00:10:49,000 --> 00:10:58,000

There were no visible doors, windows, or entry points of any kind. The metal was completely seamless.

132

00:10:58,000 --> 00:11:04,000

Perhaps the strangest feature is the writing covering the outside of the fallen object.

133

00:11:04,000 --> 00:11:13,000

Several witnesses, Bulabash among them, claim the outside was covered with a hieroglyphic style of pictures and symbols.

134

00:11:13,000 --> 00:11:22,000

Are the markings on the Kexburg object an alien language? If so, what could the symbols possibly mean?

135

00:11:22,000 --> 00:11:29,000

Witnesses say the cargo's final destination was Wright-Patterson Air Force Base, the home of Project Blue Book,

136

00:11:29,000 --> 00:11:36,000

a government operation mandated to identify and monitor extraterrestrial activity.

137

00:11:36,000 --> 00:11:44,000

The Blue Book team is alleged to have studied the Kexburg object, hoping to unravel its secrets.

138

00:11:44,000 --> 00:11:52,000

1965. A fiery object falls to Earth outside the small American town of Kexburg, Pennsylvania.

139

00:11:52,000 --> 00:11:55,000

Authorities claim it is a meteor.

140

00:11:55,000 --> 00:12:01,000

Eye witnesses, however, report a bell-shaped UFO was removed from the site.

141

00:12:01,000 --> 00:12:06,000

But this isn't the first bell-shaped flying object to appear in modern history.

142

00:12:06,000 --> 00:12:15,000

Two decades earlier, a similar top-secret craft was reported being developed by the greatest evil the world has ever known.

143

00:12:15,000 --> 00:12:17,000

Unsealed case file.

144

00:12:17,000 --> 00:12:21,000

Deglaka, the bell.

145

00:12:21,000 --> 00:12:31,000

The piece of technology known as Deglaka, or the Nazi bell, was something that right up into the final days of the war, Hitler wanted to make it.

146

00:12:31,000 --> 00:12:41,000

Deglaka is alleged to be the brainchild of Hans Kamler, a high-ranking Nazi engineer who oversaw many of Hitler's special construction tasks.

147

00:12:41,000 --> 00:12:48,000

He's most infamous for building concentration camps and underground bunkers for secret weapons manufacturing.

148

00:12:49,000 --> 00:12:53,000

His most valuable resource? Slave labor.

149

00:12:53,000 --> 00:13:03,000

Not surprising that at the peak of his career, he was also involved in a deadly V-2 rocket program that would claim thousands of lives.

150

00:13:03,000 --> 00:13:08,000

But death camps and world domination were not the only interests he shared with Hitler.

151

00:13:08,000 --> 00:13:15,000

Some experts believe Kamler may have been working with materials of an extraterrestrial origin.

152

00:13:15,000 --> 00:13:20,000

Deglaka was also rumored to be experimenting in time travel.

153

00:13:20,000 --> 00:13:30,000

Imagine a time machine that could win a war before the war even started. That was the theory behind the Wonder Weapon, Deglaka.

154

00:13:30,000 --> 00:13:39,000

If this machine was even capable of what the reports said it could do, then I have a hard time believing that it was running on any known earthly substance at the time.

155

00:13:40,000 --> 00:13:49,000

Were the Nazis really working on a time machine? And was its inventor working with recovered alien technology?

156

00:13:49,000 --> 00:13:56,000

In the end, Hitler is defeated, but the fate of his superweapon remains a mystery.

157

00:13:56,000 --> 00:14:02,000

Deglaka allegedly disappeared from the German mountains in the spring of 1945.

158

00:14:03,000 --> 00:14:14,000

After the war, Nazi scientists are brought to the United States as part of Operation Paperclip to work on top secret military and space projects.

159

00:14:14,000 --> 00:14:20,000

Among them is Hans Kamler, father of Deglaka.

160

00:14:20,000 --> 00:14:27,000

The reported similarities between Deglaka and the Kecksberg object are uncanny.

161

00:14:27,000 --> 00:14:34,000

The designs for the Nazi bell showed that it was about 15 feet in height, shaped like a bell, hence its name, cylindrical in shape.

162

00:14:34,000 --> 00:14:39,000

Was the Kecksberg object a descendant of the Nazi time machine?

163

00:14:39,000 --> 00:14:46,000

Did Hans Kamler trade the plans for Deglaka to the American government in return for his freedom?

164

00:14:46,000 --> 00:14:54,000

Many experts believe Nazi scientists were attempting to create technology that the human race had never seen before.

165

00:14:55,000 --> 00:15:03,000

The fate of the Kecksberg object remains unknown, along with the Nazi technology behind Deglaka.

166

00:15:03,000 --> 00:15:09,000

But the timing of the incident in the 1960s presents another very plausible theory.

167

00:15:09,000 --> 00:15:14,000

The Cold War was a huge barrier to the truth being brought forward.

168

00:15:14,000 --> 00:15:17,000

For obvious reasons, I mean it was a pretty dangerous time.

169

00:15:17,000 --> 00:15:22,000

So between that and the technology, the truth embargo is still in place.

170

00:15:22,000 --> 00:15:30,000

Russia and the United States are not only competing for supremacy on Earth, they are also racing to the moon.

171

00:15:30,000 --> 00:15:34,000

Is the Kecksberg object a Soviet spacecraft?

172

00:15:34,000 --> 00:15:39,000

December 9th, 1965.

173

00:15:39,000 --> 00:15:45,000

The Russian spacecraft Cosmos 96 is launched on an incredibly ambitious mission.

174

00:15:45,000 --> 00:15:50,000

It is designed to orbit and explore Venus.

175

00:15:50,000 --> 00:15:59,000

The Cosmos mission is aborted in low Earth atmosphere as the craft loses control and begins a free fall back to Earth.

176

00:15:59,000 --> 00:16:07,000

Russia would need to inform the American government to avoid this being seen as an attack that could lead to nuclear war.

177

00:16:07,000 --> 00:16:17,000

In that event, the secrecy surrounding the Kecksberg incidents could be the result of American desire to recover Soviet space technology.

178

00:16:18,000 --> 00:16:25,000

The Russian Cyrillic alphabet could also explain the strange symbols most of the witnesses report on the object.

179

00:16:25,000 --> 00:16:31,000

It's a compelling case that would explain a great deal except for one inconsistency.

180

00:16:31,000 --> 00:16:37,000

Cosmos 96 landed 13 hours earlier north of the Canadian border.

181

00:16:37,000 --> 00:16:44,000

A fact that has been confirmed by US Space Command and NASA's chief orbital debris scientist, Nicholas Johnson.

182

00:16:44,000 --> 00:16:49,000

Seeking answers for the incident at Kecksberg, ufologists turned to NASA.

183

00:16:49,000 --> 00:16:55,000

But all disclosure requests for information are met with resistance.

184

00:16:55,000 --> 00:17:01,000

In fact, NASA claims the files on the incident do not exist.

185

00:17:04,000 --> 00:17:10,000

The truth behind the Kecksberg incident has remained a mystery for almost 50 years.

186

00:17:10,000 --> 00:17:19,000

But in 2007, NASA is taken to court in an attempt to force the administration to release its files on the incident.

187

00:17:19,000 --> 00:17:28,000

But while under questioning, NASA spokesman David Steitz reveals that all of its Kecksberg records are missing.

188

00:17:28,000 --> 00:17:34,000

In light of this new development, NASA considers the case closed.

189

00:17:34,000 --> 00:17:40,000

What really happened that fateful night in Kecksberg in 1965?

190

00:17:40,000 --> 00:17:46,000

One witness saw more than he should have and was told by a military officer to keep his mouth shut.

191

00:17:46,000 --> 00:17:50,000

He did for over 25 years.

192

00:17:50,000 --> 00:17:58,000

A laborer who made a delivery to Wright-Patterson Air Force Base saw a body lying on a workbench covered in a white sheet.

193

00:17:58,000 --> 00:18:03,000

It appeared to be 4 to 5 feet tall, 80 pounds.

194

00:18:03,000 --> 00:18:08,000

The witness describes a hand sticking out from under the sheet.

195

00:18:08,000 --> 00:18:12,000

And the skin was lizard-like.

196

00:18:12,000 --> 00:18:19,000

Is the Kecksberg cover-up disturbing evidence of an alien visitor to planet Earth?

197

00:18:19,000 --> 00:18:22,000

The public has a right to know.

198

00:18:22,000 --> 00:18:32,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
