

1

00:00:00,000 --> 00:00:05,000

More than half of the world's UFO sightings happen over water.

2

00:00:05,000 --> 00:00:10,000

Many of these phenomena are seen bursting from the ocean into the sky.

3

00:00:10,000 --> 00:00:17,000

95% of the world's oceans still have yet to be explored,

4

00:00:17,000 --> 00:00:22,000

so there's no telling how much alien activity there may be within its depths,

5

00:00:22,000 --> 00:00:25,000

or what they may be planning.

6

00:00:26,000 --> 00:00:29,000

Do aliens lurk in our oceans?

7

00:00:29,000 --> 00:00:31,000

And if so, what are they doing?

8

00:00:31,000 --> 00:00:35,000

Are they using the ocean's impenetrable depths to hide their faces?

9

00:00:35,000 --> 00:00:41,000

Tonight, we go deeper than ever before to expose the growing thread of

10

00:00:41,000 --> 00:00:44,000

unidentified, submerged objects.

11

00:00:44,000 --> 00:00:48,000

On Unsealed, Alien Files

12

00:00:49,000 --> 00:00:51,000

A global effort has begun.

13

00:00:51,000 --> 00:00:55,000

Secret files hidden from the public for decades,

14

00:00:55,000 --> 00:00:59,000

detailing every UFO account, are now available to the public.

15

00:00:59,000 --> 00:01:04,000

We are about to uncover the truth behind these classified documents.

16

00:01:04,000 --> 00:01:07,000

Find out what the government doesn't want you to know.

17

00:01:07,000 --> 00:01:10,000

Unsealed, Alien Files

18

00:01:10,000 --> 00:01:14,000

Exposing the biggest secret on planet Earth.

19

00:01:15,000 --> 00:01:19,000

Los Angeles, June 14, 1992

20

00:01:19,000 --> 00:01:25,000

Emergency lines are flooded with reports of UFOs in the night sky over Santa Monica Bay,

21

00:01:25,000 --> 00:01:30,000

but the objects didn't enter the city's airspace from above.

22

00:01:30,000 --> 00:01:35,000

Multiple witnesses claim to have seen a fleet of UFOs rising out of the ocean

23

00:01:35,000 --> 00:01:38,000

and shooting into the sky.

24

00:01:38,000 --> 00:01:41,000

One UFO sighting is unusual.

25

00:01:41,000 --> 00:01:43,000

An entire fleet.

26

00:01:43,000 --> 00:01:45,000

Extremely rare.

27

00:01:45,000 --> 00:01:49,000

The city of Los Angeles is famous as the movie capital of the world,

28

00:01:49,000 --> 00:01:55,000

but over the last few decades, it's been gaining a much different reputation.

29

00:01:55,000 --> 00:02:00,000

Thousands of sightings are being connected to California's coastal waters,

30

00:02:00,000 --> 00:02:04,000

and the implications are disturbing.

31

00:02:04,000 --> 00:02:09,000

We live on land, so it's logical for us to assume any visitors to Earth

32

00:02:09,000 --> 00:02:12,000

would be based on land as well.

33

00:02:12,000 --> 00:02:19,000

But is it possible the UFOs plaguing Los Angeles are actually unidentified submerged objects

34

00:02:19,000 --> 00:02:23,000

coming from beneath the sea instead of the sky?

35

00:02:23,000 --> 00:02:29,000

And if they are USOs, what are they doing below the surface?

36

00:02:30,000 --> 00:02:32,000

Unsealed Case File

37

00:02:32,000 --> 00:02:34,000

The Missile Incident

38

00:02:34,000 --> 00:02:40,000

On November 8, 2010, a mysterious object came out of the Pacific Ocean off the coast of California

39

00:02:40,000 --> 00:02:44,000

and seemingly streaked towards the sky towards space.

40

00:02:44,000 --> 00:02:48,000

No one could identify or could see what this object was,

41

00:02:48,000 --> 00:02:52,000

and when the military was questioned about it, they had no idea either.

42

00:02:52,000 --> 00:02:58,000

Frightened onlookers fear the US was under attack from missiles fired by a hostile submarine.

43

00:02:58,000 --> 00:03:05,000

City officials turned to the military for an explanation, but none is forthcoming.

44

00:03:05,000 --> 00:03:09,000

The US Navy reports there were no foreign subs firing missiles,

45

00:03:09,000 --> 00:03:13,000

and also confirms there was no friendly fire.

46

00:03:13,000 --> 00:03:21,000

To this day, neither the military nor the public can explain where the cruise missile-shaped object came from.

47

00:03:21,000 --> 00:03:30,000

Decades of unexplained sightings have left experts wondering if there may be an alien base somewhere nearby.

48

00:03:31,000 --> 00:03:35,000

Compelling evidence of an alien colony would surface in 2010

49

00:03:35,000 --> 00:03:40,000

in the form of a National Science Foundation photo of the sea floor.

50

00:03:40,000 --> 00:03:47,000

This image shows massive domes deep on the ocean floor, some of as big as two football fields.

51

00:03:47,000 --> 00:03:54,000

The National Science Foundation reports that the domes are dormant volcanoes that may have a hollow center.

52

00:03:54,000 --> 00:03:59,000

Some experts believe if underwater aliens wanted to have an undersea base,

53

00:03:59,000 --> 00:04:07,000

these domes would be ideal, and this colony may have existed long before human settlement in the area.

54

00:04:07,000 --> 00:04:13,000

The undersea dome's estimated age could be as much as 40,000 years.

55

00:04:13,000 --> 00:04:20,000

For centuries, the world's oceans have been associated with legends and mysterious sightings.

56

00:04:22,000 --> 00:04:26,000

Los Angeles is under siege by unidentified submerged objects,

57

00:04:26,000 --> 00:04:32,000

or USOs, that emerge from the ocean in front of panicked onlookers.

58

00:04:32,000 --> 00:04:37,000

But the coast of Southern California is just one of many USO hotspots.

59

00:04:39,000 --> 00:04:42,000

Puerto Rico, October 8, 2002.

60

00:04:42,000 --> 00:04:47,000

A glowing red object bursts out of the ocean at incredible speed,

61

00:04:47,000 --> 00:04:52,000

hovering for several minutes before diving back into the water.

62

00:04:52,000 --> 00:04:57,000

Experts consider the UFO extremely unusual for several reasons.

63

00:04:57,000 --> 00:05:04,000

It emerged from the ocean, which is rare, but then it stopped and hovered for some time.

64

00:05:06,000 --> 00:05:10,000

The UFO also behaved as if not afraid of being attacked.

65

00:05:11,000 --> 00:05:16,000

Puerto Rico is known as one of the world's most active UFO hotspots.

66

00:05:16,000 --> 00:05:25,000

To the extent that one of the island's major highways was recently renamed the Ruta Extraterrestre, or UFO Highway.

67

00:05:25,000 --> 00:05:29,000

But are Puerto Rico's UFOs really USOs?

68

00:05:29,000 --> 00:05:34,000

And if they are, do they have a nearby undersea base?

69

00:05:35,000 --> 00:05:44,000

A map reveals that Puerto Rico lies at the southern corner of the world's most infamous ocean expanse, the Bermuda Triangle.

70

00:05:46,000 --> 00:05:52,000

Christopher Columbus, who saw a strange light in the area, made one of the first sightings on record.

71

00:05:52,000 --> 00:06:01,000

For centuries, there have been countless reports of ships and aircraft disappearing mysteriously, or encountering strange phenomena.

72

00:06:02,000 --> 00:06:09,000

One Bermuda Triangle incident remains the biggest case of possible mass abduction in history.

73

00:06:10,000 --> 00:06:14,000

Unsealed case file, Flight 19.

74

00:06:15,000 --> 00:06:17,000

December 5th, 1945.

75

00:06:17,000 --> 00:06:25,000

Five US Navy Avenger torpedo bombers carrying 14 crewmen take off on a routine training mission over the Bermuda Triangle.

76

00:06:26,000 --> 00:06:34,000

But partway through the flight, radio transmissions between the planes reveal that something is very wrong.

77

00:06:35,000 --> 00:06:39,000

Flight 19 reported that they suddenly didn't know where they were.

78

00:06:39,000 --> 00:06:44,000

They didn't know what they were seeing. Everything with a different color. They reported things were just white.

79

00:06:44,000 --> 00:06:48,000

Compasses were spinning wildly, and then they lost contact with the outside world.

80

00:06:49,000 --> 00:06:56,000

Flight 19 disappears off the radar screen. The Navy immediately launches a flying boat on a search and rescue mission.

81

00:06:57,000 --> 00:07:00,000

But this too disappears, along with 13 crewmen.

82

00:07:01,000 --> 00:07:09,000

A passing ship reports seeing a mid-air explosion and finding an oil slick. But no bodies or wreckage are ever found.

83

00:07:10,000 --> 00:07:15,000

What happened to the men of Flight 19 and the rescue plane that followed?

84

00:07:16,000 --> 00:07:25,000

Many experts wonder if the Avenger bombers really did crash. Why did the rescue plane sent out to find them also mysteriously disappear?

85

00:07:26,000 --> 00:07:36,000

To this day, many in the UFO community continue to believe the tragic journey of these pilots may have turned into a close encounter of the third kind.

86

00:07:37,000 --> 00:07:39,000

An alien abduction.

87

00:07:40,000 --> 00:07:53,000

If these iconic events are to be believed and a UFO interfered with the airplanes and abducted the pilots, then this event would go down in infamy as the largest UFO abduction in history.

88

00:07:55,000 --> 00:08:00,000

Did aliens abduct the men of Flight 19? Or was something else at work?

89

00:08:01,000 --> 00:08:12,000

Near the end of World War II, American fighter pilots were encountering floating balls of light called Foo Fighters after the French word Foo or Fire.

90

00:08:13,000 --> 00:08:19,000

Experts could not identify the lights, but thought that advanced enemy technology was being observed.

91

00:08:20,000 --> 00:08:24,000

However, the enemy was seeing the exact same thing.

92

00:08:25,000 --> 00:08:29,000

Many experts believe the Foo Fighters to be of extraterrestrial origin.

93

00:08:30,000 --> 00:08:38,000

To this day, experts have been unable to identify who or what type of technology created the Foo Fighters.

94

00:08:39,000 --> 00:08:49,000

Did Foo Fighters attack Flight 19? And could they be USOs operating from an underwater base like the ancient structures found off Southern California?

95

00:08:50,000 --> 00:08:56,000

The Bermuda Triangle has long been considered a possible location for the lost city of Atlantis.

96

00:08:59,000 --> 00:09:05,000

Atlantis was allegedly swallowed by the ocean in a giant cataclysm about 10,000 years ago.

97

00:09:06,000 --> 00:09:10,000

It is thought to have been home to an otherworldly civilization.

98

00:09:11,000 --> 00:09:21,000

Some experts believe aliens have been on planet Earth developing societies for thousands of years and that they created the Atlantean civilization.

99

00:09:23,000 --> 00:09:28,000

Could Atlantean descendants still be living in the depths of the Bermuda Triangle?

100

00:09:29,000 --> 00:09:33,000

And are they responsible for decades of USO phenomena?

101

00:09:36,000 --> 00:09:43,000

Unidentified submerged objects are reported to be rising from undersea bases off the coast of the United States.

102

00:09:44,000 --> 00:09:48,000

Many hover for a few moments only to disappear into thin air.

103

00:09:49,000 --> 00:09:53,000

Other USOs are said to have a darker purpose.

104

00:09:54,000 --> 00:09:59,000

Shag Harbor, Nova Scotia, October 4th, 1967.

105

00:10:00,000 --> 00:10:06,000

Five friends are driving along a coastal highway at night when they spot a bright object approaching a nearby harbor.

106

00:10:07,000 --> 00:10:12,000

They then hear a loud whistle like that made by a falling bomb, followed by a loud bang.

107

00:10:13,000 --> 00:10:16,000

The group stops and gets out of the car to take a closer look.

108

00:10:17,000 --> 00:10:21,000

They see a large object floating approximately 1,000 feet offshore.

109

00:10:21,000 --> 00:10:26,000

The group assumes they have just witnessed a plane crash and immediately contacts authorities.

110

00:10:27,000 --> 00:10:30,000

Their story is confirmed to by at least six other independent witnesses.

111

00:10:31,000 --> 00:10:34,000

30 minutes later, local fishing boats arrive on the scene.

112

00:10:35,000 --> 00:10:38,000

But they find neither wreckage nor any bodies.

113

00:10:39,000 --> 00:10:43,000

The next morning, authorities confirm that all known aircraft in the area are accounted for.

114

00:10:44,000 --> 00:10:47,000

The Shag Harbor object is classified as a UFO.

115

00:10:47,000 --> 00:10:53,000

The Royal Canadian Navy dispatches a team of divers who comb the area waters for three days.

116

00:10:54,000 --> 00:10:56,000

Only to come up, empty-handed.

117

00:10:57,000 --> 00:10:59,000

The case is officially considered closed.

118

00:11:00,000 --> 00:11:04,000

But according to other reports, the Shag Harbor story doesn't end there.

119

00:11:05,000 --> 00:11:13,000

A military witness later reveals that the object was originally spotted on radar over Siberia and tracked all the way to Canada's east coast.

120

00:11:13,000 --> 00:11:20,000

There, it submerged and followed the shoreline north, where it was joined by another object before disappearing.

121

00:11:21,000 --> 00:11:25,000

The rendezvous site was monitored for another three days by both the American Air Force and Navy.

122

00:11:26,000 --> 00:11:29,000

But the results of this search remain unknown.

123

00:11:30,000 --> 00:11:36,000

There's always a discrepancy between what the military tells you it knows and what the military really knows.

124

00:11:37,000 --> 00:11:46,000

In 2008, America's Defense Advanced Research Projects Agency, better known as DARPA, announced that it was beginning work on a flying submarine.

125

00:11:47,000 --> 00:11:54,000

The stealth aircraft will be able to approach an enemy coastline at lightning speed, submerge and complete the journey underwater.

126

00:11:55,000 --> 00:11:59,000

Once there, it can deploy a special forces team completely undetected.

127

00:12:00,000 --> 00:12:06,000

Could this new aircraft be the product of reverse engineered technology, recovered from the Shag Harbor USO?

128

00:12:07,000 --> 00:12:13,000

And could these USOs have been responsible for the disappearance of Flight 19 in the Bermuda Triangle?

129

00:12:14,000 --> 00:12:19,000

But what is the fate of the disappeared? Where are the abductees taken?

130

00:12:20,000 --> 00:12:23,000

One man claims to have an answer.

131

00:12:25,000 --> 00:12:27,000

Unsealed case file.

132

00:12:27,000 --> 00:12:34,000

Filiberto Cardenas. Miami, January 3, 1979.

133

00:12:35,000 --> 00:12:40,000

Filiberto Cardenas is driving with three friends when his car engine fails.

134

00:12:42,000 --> 00:12:44,000

He gets out to check the engine.

135

00:12:48,000 --> 00:12:51,000

Suddenly, a massive UFO appears over the car.

136

00:12:52,000 --> 00:12:59,000

The passengers watch in horror as it shines a blinding beam of light at Cardenas, pulling him inside.

137

00:13:01,000 --> 00:13:05,000

The UFO then vanishes, taking the terrified motorist with it.

138

00:13:06,000 --> 00:13:13,000

Two hours later, Cardenas is found by a police officer, 16 miles from the abduction site.

139

00:13:14,000 --> 00:13:18,000

But according to the victim, he had traveled much farther.

140

00:13:19,000 --> 00:13:29,000

Cardenas reports the craft was manned by three human-like aliens who flew him to a rocky stretch of coast, which opened into an undersea tunnel.

141

00:13:30,000 --> 00:13:37,000

The aliens spoke Spanish, warning Cardenas of future wars and disasters that will threaten humanity.

142

00:13:38,000 --> 00:13:43,000

At the end of the tunnel, the USO arrived at a massive underwater city.

143

00:13:44,000 --> 00:13:51,000

There, Cardenas met another human abductee, who claimed to have been living with the aliens for years.

144

00:13:52,000 --> 00:13:57,000

Cardenas claims the aliens then conducted a series of medical experiments on him.

145

00:13:58,000 --> 00:14:03,000

A later medical examination reveals over 100 meter marks on his body.

146

00:14:05,000 --> 00:14:08,000

Miami sits at one corner of the Bermuda Triangle.

147

00:14:09,000 --> 00:14:16,000

Did the USO take Filberto Cardenas to the undersea base that has threatened the region for decades?

148

00:14:17,000 --> 00:14:21,000

Is this the fate of all who disappear in the Bermuda Triangle?

149

00:14:22,000 --> 00:14:26,000

And is this the only USO base abducting humans?

150

00:14:28,000 --> 00:14:32,000

Unsealed case file. The Mantis People.

151

00:14:33,000 --> 00:14:36,000

Los Angeles, June 14, 1992.

152

00:14:37,000 --> 00:14:47,000

The notorious UFO hotspot experiences one of the biggest mass sightings on record, with multiple reports of dozens of unexplained lights in the sky.

153

00:14:48,000 --> 00:14:55,000

UFO investigator Preston Dennett conducts a series of interviews with those who called the authorities that night.

154

00:14:56,000 --> 00:15:00,000

In the process, he gets much more than he bargained for.

155

00:15:01,000 --> 00:15:10,000

Eyewitnesses describe chilling close encounters in which they either had missing time, a face-to-face encounter, or an abduction experience.

156

00:15:11,000 --> 00:15:16,000

But unlike other abduction stories, these have a unique twist.

157

00:15:17,000 --> 00:15:22,000

Independent ufologist Preston Dennett reports on how some abductees were taken underwater.

158

00:15:22,000 --> 00:15:33,000

Quote, one gentleman was abducted off of Catalina Island with his friend, and he described how he was taken to this underground area, and that there were preying Mantis Type-ETs.

159

00:15:34,000 --> 00:15:40,000

It's a radically different species than the humanoid aliens described by Filberto Cardenas in the Bermuda Triangle.

160

00:15:41,000 --> 00:15:45,000

Most abduction reports are about different versions of the gray Type-ET.

161

00:15:45,000 --> 00:15:52,000

Short, large gray eyes, white skin, the preying Mantis Type-ET is a rare sighting.

162

00:15:53,000 --> 00:15:59,000

If these reports are true, multiple alien species are operating from bases at the bottom of the ocean.

163

00:16:00,000 --> 00:16:07,000

And in the case of Southern California, this threat could be bigger than anything humanity has ever faced before.

164

00:16:08,000 --> 00:16:19,000

USO experts believe there are so many reports off California's coast that the notion of a massive hidden underwater base may be a definite possibility.

165

00:16:22,000 --> 00:16:26,000

Unidentified submerged objects are rising from the world's oceans.

166

00:16:27,000 --> 00:16:31,000

Planes disappear above the infamous Bermuda Triangle, never to be seen again.

167

00:16:32,000 --> 00:16:40,000

Abductees report terrifying encounters with a preying Mantis Type-alien species, leagues below the ocean's surface.

168

00:16:41,000 --> 00:16:47,000

These incidents are becoming impossible for governments to debunk, but we may not need them to.

169

00:16:48,000 --> 00:16:54,000

The proof may be right in front of our eyes. The question is, are we too late?

170

00:16:55,000 --> 00:17:04,000

Many experts have identified a series of dome-like structures off the coast of Southern California as an underwater alien base.

171

00:17:05,000 --> 00:17:09,000

Others, however, have an even stranger explanation for their purpose.

172

00:17:10,000 --> 00:17:19,000

Many UFO experts believe the California Dome's 7,000 feet down may in fact be an underwater portal.

173

00:17:20,000 --> 00:17:29,000

A portal is a hole in the fabric of space and time, through which alien spacecraft can travel unimaginable distances in an instant.

174

00:17:31,000 --> 00:17:41,000

If there is a portal off the coast of California, then Earth could find itself at the mercy of an alien horde at any moment.

175

00:17:42,000 --> 00:17:55,000

The fascinating thing is, it might mean there's an underwater base in the Pacific Ocean, or in Santa Monica Bay, or in the Redondo Trench, off Southern California.

176

00:17:56,000 --> 00:18:07,000

That has tremendous implications, because when people say, how do UFOs get back and forth from outer space, the answer is, they don't. They're right here in LA.

177

00:18:08,000 --> 00:18:17,000

Could these new sightings be a warning sign that at any moment, aliens could burst from coastal waters and rise again?

178

00:18:18,000 --> 00:18:25,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
