

1

00:00:00,000 --> 00:00:07,000

Encountering life from another world can be a terrifying and deadly experience.

2

00:00:07,000 --> 00:00:12,000

Abductees claim to have been captured and experimented on.

3

00:00:12,000 --> 00:00:19,000

Encounters with extraterrestrials may have even unleashed some of mankind's most virulent scourges.

4

00:00:19,000 --> 00:00:23,000

What are extraterrestrials seeking here on Earth?

5

00:00:23,000 --> 00:00:25,000

Are they coming for our planet?

6

00:00:25,000 --> 00:00:29,000

Or are they coming for us?

7

00:00:29,000 --> 00:00:34,000

Join us as we confront the truth about alien encounters

8

00:00:34,000 --> 00:00:40,000

and discover why your first contact with extraterrestrial life could be your last.

9

00:00:40,000 --> 00:00:44,000

On Unsealed, Alien Files

10

00:00:44,000 --> 00:00:47,000

A global effort has begun.

11

00:00:47,000 --> 00:00:55,000

Secret files hidden from the public for decades, detailing every UFO account, are now available to the public.

12

00:00:55,000 --> 00:01:00,000

We are about to uncover the truth behind these classified documents.

13

00:01:00,000 --> 00:01:03,000

Find out what the government doesn't want you to know.

14

00:01:03,000 --> 00:01:06,000

Unsealed, Alien Files

15

00:01:06,000 --> 00:01:10,000

Exposing the biggest secret on planet Earth.

16

00:01:10,000 --> 00:01:15,000

Alien encounters occur in every corner of the globe.

17

00:01:15,000 --> 00:01:22,000

Many occur at a distance, glowing lights in the sky, a shadowy figure in the woods.

18

00:01:22,000 --> 00:01:28,000

But those who have experienced a close encounter have found it can have deadly consequences.

19

00:01:28,000 --> 00:01:34,000

The abduction phenomenon is at the furthest end of believability for most people,

20

00:01:34,000 --> 00:01:37,000

but it yields the most physical evidence.

21

00:01:37,000 --> 00:01:45,000

We're talking about things left behind, footprints, we're talking about scars, implants, all kinds of things.

22

00:01:45,000 --> 00:01:46,000

Dayton, Texas

23

00:01:46,000 --> 00:01:49,000

December 29th, 1980

24

00:01:49,000 --> 00:01:57,000

Betty Cash, Vicky Landrum and her 7-year-old son Colby are driving on a lonely stretch of Texas highway.

25

00:01:57,000 --> 00:02:03,000

In the distance, above the approaching tree line, a light appears in the sky.

26

00:02:03,000 --> 00:02:13,000

The women stop the car, and all three get out to take a better look at what appears to be a diamond-shaped craft hovering above the trees.

27

00:02:13,000 --> 00:02:21,000

As the shock wears off, the three return to the car, but the door handle is too hot to touch.

28

00:02:21,000 --> 00:02:32,000

The craft suddenly emits a beam of light directly at the car, catching Betty Cash, Vicky Landrum and her son Colby in its intense heat.

29

00:02:32,000 --> 00:02:35,000

The three are frozen with terror.

30

00:02:35,000 --> 00:02:44,000

Until a deafening sound splits the night air, as military helicopters suddenly appear and chase the UFO off into the night.

31

00:02:44,000 --> 00:02:56,000

Almost immediately, the three victims of the UFO encounter begin to experience nausea, vomiting, weakness and a burning sensation on their skin.

32

00:02:56,000 --> 00:03:01,000

Betty Cash suffers the worst, losing patches of hair and skin.

33

00:03:02,000 --> 00:03:10,000

She is admitted to the hospital on January 3, 1981, where she remains for 15 days.

34

00:03:10,000 --> 00:03:18,000

An examination by a radiologist determines the three were exposed to high doses of ionizing radiation.

35

00:03:18,000 --> 00:03:28,000

What was a UFO doing hovering over a desolate Texas forest, and why did it attack three people without provocation?

36

00:03:28,000 --> 00:03:33,000

Perhaps the most disturbing of all is the response by the American military.

37

00:03:33,000 --> 00:03:42,000

How could they have responded so quickly and with such force, unless they were already prepared for just such an encounter?

38

00:03:42,000 --> 00:03:48,000

Amazingly, the Cash Landrum encounter is anything but an isolated incident.

39

00:03:49,000 --> 00:04:01,000

4% of the world's population, 280 million people claim to have not only encountered aliens, but many of those victims have experienced horrifying scenarios.

40

00:04:03,000 --> 00:04:07,000

Unsealed case file, the Travis Walton incident.

41

00:04:07,000 --> 00:04:11,000

Arizona, November 5, 1975.

42

00:04:11,000 --> 00:04:16,000

Travis Walton is working on a logging crew in the forests of Arizona.

43

00:04:16,000 --> 00:04:26,000

After his shift ends, the crew are driving back to camp, when a bright light is spotted just off the road, partially obscured by trees.

44

00:04:26,000 --> 00:04:36,000

As the crew approaches, a large silver disc, roughly 20 feet in diameter, can be seen as the source

of the blinding white light.

45

00:04:36,000 --> 00:04:40,000

Walton and his fellow workers stop to investigate.

46

00:04:40,000 --> 00:04:46,000

It's a decision Travis Walton would come to regret for the rest of his life.

47

00:04:46,000 --> 00:05:02,000

Closer I got to, you know, and it wasn't going anywhere, and I was thinking about how foolish it was for me to be doing this, but it was kind of showing off for the crew a little bit, and they were getting pretty excited and yelling at me to get back in the truck.

48

00:05:02,000 --> 00:05:07,000

When I got up to it, I was making this sort of a rocking motion.

49

00:05:07,000 --> 00:05:11,000

Right at that instant, something hit me.

50

00:05:11,000 --> 00:05:17,000

The next thing I knew I was regaining consciousness, but I was in a lot of pain.

51

00:05:17,000 --> 00:05:28,000

I saw these forms over me, and when I finally got it into the focus, I could see this creature looking at me, and I just flipped out.

52

00:05:29,000 --> 00:05:39,000

I looked around, there were three of them. The one that was closest to me, I tried to hit him, I could hardly move, and my arm felt real heavy, and I was weak.

53

00:05:39,000 --> 00:05:43,000

Somehow got the strength to get off of the table.

54

00:05:43,000 --> 00:05:51,000

Travis was found several miles from the site of the abduction, and could only recall a few hours of his close encounter.

55

00:05:51,000 --> 00:05:57,000

But even more disturbing is that five days had passed.

56

00:05:57,000 --> 00:06:03,000

Shortly after, he and his crew underwent a polygraph test. They were asked,

57

00:06:03,000 --> 00:06:09,000

Did you tell the truth about seeing a UFO last Wednesday when Travis Walton disappeared?

58

00:06:09,000 --> 00:06:11,000

All answered yes.

59

00:06:11,000 --> 00:06:19,000

Travis Walton's encounter left him un-scarred physically, but emotionally, he may never fully recover.

60

00:06:20,000 --> 00:06:30,000

Emotional shock is common among abductees. Their traumatic experience is often something that haunts them for the rest of their lives.

61

00:06:30,000 --> 00:06:36,000

Encounters with life forms from other worlds can be terrifying and deadly.

62

00:06:36,000 --> 00:06:39,000

Victims are often traumatized for life.

63

00:06:39,000 --> 00:06:46,000

But while psychological damage is common, some abductees exhibit disturbing physical damage.

64

00:06:46,000 --> 00:06:53,000

Victims are often taken when at their most vulnerable, asleep in bed.

65

00:06:53,000 --> 00:07:00,000

Mark Routley, a victim of multiple abductions, is no stranger to the horrifying experience.

66

00:07:00,000 --> 00:07:07,000

Suddenly, out of the blue, I woke up at 3 o'clock in the morning, terrified, panic-stricken, paralyzed.

67

00:07:07,000 --> 00:07:11,000

I knew exactly what was going on. Three entities were in the room.

68

00:07:11,000 --> 00:07:16,000

I could see it all around the room. I was completely copier, completely awake.

69

00:07:16,000 --> 00:07:18,000

Just a mobile.

70

00:07:18,000 --> 00:07:24,000

They were fear, I don't know, whether they did something to make me a mobile. I don't know.

71

00:07:24,000 --> 00:07:30,000

Routley claims one of the entities crossed the room, walking like a normal human.

72

00:07:30,000 --> 00:07:34,000

But what happened next is the stuff of nightmares.

73

00:07:34,000 --> 00:07:38,000

Approached me at the bed and lent down right into my face.

74

00:07:39,000 --> 00:07:44,000

I entered another dimension of fear that I could not even begin to describe.

75

00:07:44,000 --> 00:07:47,000

It was like primal war.

76

00:07:47,000 --> 00:07:53,000

All else I remember is some kind of thing being drilled into my ear. And that was it.

77

00:07:53,000 --> 00:07:58,000

I was awake. It was 8 o'clock in the morning. That was it.

78

00:07:58,000 --> 00:08:04,000

That amount of missing time. 4 or 5 hours missing. I don't know what happened.

79

00:08:04,000 --> 00:08:11,000

One moment he was alone, asleep in his bed, and the next, a vulnerable victim.

80

00:08:11,000 --> 00:08:17,000

They arrive. They immobilize you. You wake up and you're already snared. That's it.

81

00:08:17,000 --> 00:08:24,000

And they take you and you're gone. Nobody knows. Nobody but an eye lets because they're going to sleep.

82

00:08:25,000 --> 00:08:32,000

Over a period of several years, the Roper organization surveyed almost 6,000 adult Americans

83

00:08:32,000 --> 00:08:38,000

who claimed to have experienced alien abductions, many in the dead of night.

84

00:08:38,000 --> 00:08:44,000

The results, published in 1992, were deeply disturbing.

85

00:08:45,000 --> 00:08:49,000

Unsealed case file. The Roper Poll.

86

00:08:50,000 --> 00:08:53,000

The Roper Poll document states,

87

00:08:53,000 --> 00:09:00,000

these patients might also have dreams or vague remembrances of hospital operating rooms,

88

00:09:00,000 --> 00:09:04,000

bright lights, and huge-eyed alien beings.

89

00:09:04,000 --> 00:09:08,000

Careful questioning, especially under hypnosis,

90

00:09:08,000 --> 00:09:14,000

may reveal that these patients have specific memories of having been immobilized

91

00:09:14,000 --> 00:09:20,000

by impassive alien beings who remove them typically from a car or home

92

00:09:20,000 --> 00:09:24,000

and then transport them into a UFO.

93

00:09:24,000 --> 00:09:29,000

Physical damage extends beyond examination of the victim.

94

00:09:29,000 --> 00:09:35,000

An alarming number of abductees have discovered alien implants under their skin,

95

00:09:35,000 --> 00:09:39,000

inserted during these horrifying surgeries.

96

00:09:39,000 --> 00:09:44,000

These objects are small in size and metallic in nature.

97

00:09:44,000 --> 00:09:51,000

Often abductees are unaware of the presence of the implant until a routine scan for an unrelated ailment

98

00:09:51,000 --> 00:09:55,000

reveals a foreign object inside their bodies.

99

00:09:55,000 --> 00:10:00,000

Implants have been found in feet, hands, arms, and legs.

100

00:10:00,000 --> 00:10:08,000

But unbelievably, in many cases, there are no physical scars marking where the device was inserted into the body.

101

00:10:09,000 --> 00:10:12,000

Some victims remain awake through the entire procedure,

102

00:10:12,000 --> 00:10:17,000

and others have only vague recollections of what was done to them.

103

00:10:17,000 --> 00:10:23,000

Have these people been recruited into a long-term experiment against their will?

104

00:10:23,000 --> 00:10:26,000

What is the purpose of these implants?

105

00:10:26,000 --> 00:10:31,000

Symptoms associated with alien implants range from nosebleeds and migraine headaches

106

00:10:31,000 --> 00:10:38,000

to reproductive problems and repeated spells of missing time.

107

00:10:38,000 --> 00:10:45,000

Many victims are abducted multiple times, forced to endure strange and painful experiments.

108

00:10:45,000 --> 00:10:50,000

What would an extraterrestrial hope to gain from these procedures?

109

00:10:50,000 --> 00:10:56,000

American Dr. Roger Lear is one of the few experts in the field of alien implants.

110

00:10:56,000 --> 00:11:01,000

Lear's discoveries have stunned the scientific world.

111

00:11:01,000 --> 00:11:09,000

The size of the implants, the largest one that I've taken out was about a full sonometer by a sonometer.

112

00:11:09,000 --> 00:11:12,000

It was a T-shaped object.

113

00:11:12,000 --> 00:11:18,000

In the 16 cases that we have performed for the removal of these objects,

114

00:11:18,000 --> 00:11:27,000

we have never seen one case in which there was an evident portal of entry or means of which it penetrated the body.

115

00:11:27,000 --> 00:11:32,000

Laboratory tests of these implants reveal startling findings.

116

00:11:32,000 --> 00:11:38,000

Many of these objects allegedly contain radioactive isotopes that match meteorite fragments,

117

00:11:38,000 --> 00:11:44,000

leading experts to chillingly conclude the objects are not of this earth.

118

00:11:44,000 --> 00:11:50,000

There are still many unanswered questions about the nature and origin of alien implants.

119

00:11:50,000 --> 00:11:56,000

Are implants tracking devices, or do they serve an even darker purpose?

120

00:11:56,000 --> 00:12:01,000

Many ufologists believe understanding the reason behind these implants

121

00:12:01,000 --> 00:12:08,000

may be the key to understanding why extraterrestrial life could be interested in our planet.

122

00:12:08,000 --> 00:12:17,000

H. G. Wells' book, War of the Worlds, is a tale of the invasion of earth by a race of aliens from Mars.

123

00:12:17,000 --> 00:12:22,000

In the end, the salvation of mankind is a small virus.

124

00:12:22,000 --> 00:12:32,000

The Martians have no immunity to the common cold, and so the destruction of the human race is prevented by a simple microorganism.

125

00:12:32,000 --> 00:12:36,000

But the same principle could also be applied in reverse.

126

00:12:36,000 --> 00:12:41,000

Are abductees returned to earth carrying more than just a metal implant?

127

00:12:41,000 --> 00:12:46,000

If alien life is coming to earth on a mission of war and not peace,

128

00:12:46,000 --> 00:12:54,000

the easiest and most effective way to attack might be using disease as a weapon.

129

00:12:54,000 --> 00:12:59,000

Infecting an abductee with a virus is not a complex process.

130

00:12:59,000 --> 00:13:04,000

Human biological warfare goes back hundreds of years.

131

00:13:04,000 --> 00:13:12,000

In 1763, one of the first recorded uses of bio-warfare occurred in Pittsburgh, Pennsylvania.

132

00:13:13,000 --> 00:13:17,000

After a conflict between Aboriginal warriors and British troops,

133

00:13:17,000 --> 00:13:24,000

the British dispatched a small group of emissaries with blankets as a sinister gift of peace.

134

00:13:24,000 --> 00:13:27,000

The Journal of a Local Trader records,

135

00:13:27,000 --> 00:13:32,000

we gave them two blankets and a handkerchief out of the smallpox hospital.

136

00:13:32,000 --> 00:13:35,000

I hope it will have the desired effect.

137

00:13:35,000 --> 00:13:40,000

The disease proved almost unstoppable among the Aboriginal people.

138

00:13:40,000 --> 00:13:45,000

Waves of smallpox epidemics killed untold numbers.

139

00:13:45,000 --> 00:13:48,000

If humans could deploy disease as a weapon,

140

00:13:48,000 --> 00:13:53,000

what could a scientifically superior alien agenda unleash?

141

00:13:53,000 --> 00:14:00,000

If an alien race really did want to deliver some type of biological agent or a virus to the planet earth,

142

00:14:00,000 --> 00:14:01,000

they could easily do it.

143

00:14:01,000 --> 00:14:05,000

All they would have to do is find some type of delivery method,

144

00:14:05,000 --> 00:14:08,000

and they wouldn't even have to visit the planet itself.

145

00:14:08,000 --> 00:14:13,000

We've had at least two documented cases where a meteorite has crashed on the surface of earth

146

00:14:13,000 --> 00:14:19,000

and brought with it something else, like a virus or a bacteria, that we couldn't explain.

147

00:14:19,000 --> 00:14:25,000

Many diseases that have ravaged the world have seemingly come from nowhere.

148

00:14:25,000 --> 00:14:37,000

H1N1, SARS, polio, HIV, and AIDS appear suddenly and spread across the earth, devastating the population.

149

00:14:38,000 --> 00:14:44,000

Do these and other virus strains share a common, unearthly point of origin?

150

00:14:44,000 --> 00:14:50,000

Was this unidentifiable bacteria an attempt to introduce a deadly disease here on earth?

151

00:14:50,000 --> 00:14:53,000

Not all of these attempts occur in secret.

152

00:14:53,000 --> 00:15:02,000

A famous UFO sighting witnessed by thousands may have triggered one of the deadliest diseases in modern history.

153

00:15:02,000 --> 00:15:07,000

Unsealed Case File, Fatima, Portugal

154

00:15:07,000 --> 00:15:15,000

Well, a few hundred years ago, there was an apparition, and the religious belief that it was the Virgin Mary,

155

00:15:15,000 --> 00:15:20,000

the Virgin Mary gave a number of prophecies to three little girls.

156

00:15:20,000 --> 00:15:28,000

These little girls kept the secret of what those prophecies were all the way into the 20th century.

157

00:15:28,000 --> 00:15:34,000

And this is a UFO theory that polio Fatima, the vision that appeared in Portugal,

158

00:15:34,000 --> 00:15:38,000

was actually not the Holy Mother, the Blessed Virgin.

159

00:15:38,000 --> 00:15:48,000

That feature was an extraterrestrial imparting prophecies about the future to the believers who were there.

160

00:15:48,000 --> 00:15:54,000

Witnesses described the event as though the sun had become a kaleidoscope of colors,

161

00:15:54,000 --> 00:15:57,000

an ever-shifting pattern in the sky,

162

00:15:57,000 --> 00:16:03,000

and on several occasions during the mass sighting, as the crowd stood in awe,

163

00:16:03,000 --> 00:16:07,000

clouds pounded on lookers with a torrential downpour of rain.

164

00:16:07,000 --> 00:16:14,000

For several days, the local media headlines read, The Miracle at Fatima.

165

00:16:14,000 --> 00:16:20,000

Then in January 1918, just three months after the last sighting at Fatima,

166

00:16:20,000 --> 00:16:25,000

the world was infected by one of the deadliest plagues in history,

167

00:16:25,000 --> 00:16:27,000

the Spanish flu.

168

00:16:27,000 --> 00:16:32,000

It is said to have claimed over 500 million victims,

169

00:16:32,000 --> 00:16:37,000

ravaging an estimated 5% of the world's population.

170

00:16:37,000 --> 00:16:46,000

Were the rains at Fatima a method of transmitting a deadly extraterrestrial virus to the earth?

171

00:16:46,000 --> 00:16:51,000

Fatal encounters with alien life could be growing in scale.

172

00:16:51,000 --> 00:16:56,000

Extraterrestrials may be attacking the earth from great distances,

173

00:16:56,000 --> 00:17:00,000

effectively removing the need for face-to-face combat.

174

00:17:00,000 --> 00:17:06,000

By bombarding the planet from a safe distance with meteor fragments containing microorganisms,

175

00:17:06,000 --> 00:17:11,000

an alien attack could occur without our knowledge.

176

00:17:11,000 --> 00:17:18,000

Evidence may also exist that alien technology could control the very environment in which we live.

177

00:17:18,000 --> 00:17:27,000

Are extraterrestrials powerful enough to turn other ecosystems on our planet into a weapon against us?

178

00:17:27,000 --> 00:17:30,000

There is so much evidence that our world is in decline.

179

00:17:30,000 --> 00:17:34,000

We have strange weather patterns, polar shifts.

180

00:17:34,000 --> 00:17:39,000

I mean, it's obvious that we are one step away from total destruction.

181

00:17:39,000 --> 00:17:44,000

Are alien life forms preparing to destroy all life on this planet?

182

00:17:44,000 --> 00:17:50,000

UFO sightings are commonly reported at areas just before natural disasters occur.

183

00:17:50,000 --> 00:17:57,000

UFO experts claim sightings increased in the months and weeks leading up to the 2011 earthquake and tsunami

184

00:17:57,000 --> 00:18:03,000

that brought the island of Japan to the brink of an uncontrollable nuclear disaster.

185

00:18:03,000 --> 00:18:09,000

Do these incidents reveal a darker purpose to alien activity on earth?

186

00:18:09,000 --> 00:18:17,000

And is there any way we can survive if even mother nature is at the mercy of alien control?

187

00:18:17,000 --> 00:18:25,000

This is Unsealed Alien Files, exposing the biggest secret on planet earth.
