

1

00:00:00,000 --> 00:00:04,000

Signals from deep space.

2

00:00:04,000 --> 00:00:06,000

Mysterious crop circles.

3

00:00:06,000 --> 00:00:11,000

Messages hidden in the very building blocks of our planet.

4

00:00:11,000 --> 00:00:16,000

Since the dawn of time, humans have looked to the heavens and studied nature

5

00:00:16,000 --> 00:00:20,000

in an effort to understand our place in the universe.

6

00:00:20,000 --> 00:00:26,000

But one elusive question remains, are we alone?

7

00:00:27,000 --> 00:00:31,000

People have seen UFOs, people have even seen extraterrestrials.

8

00:00:31,000 --> 00:00:36,000

But to communicate with an alien, that would ultimately be the key

9

00:00:36,000 --> 00:00:39,000

to unlocking the secrets of life in the universe.

10

00:00:39,000 --> 00:00:44,000

Some believe we have been receiving extraterrestrial messages for millennia.

11

00:00:44,000 --> 00:00:50,000

Recent evidence may reveal signs of alien life attempting to communicate.

12

00:00:50,000 --> 00:00:55,000

Are they goodwill ambassadors or masters of war?

13

00:00:55,000 --> 00:00:59,000

And are we even capable of understanding?

14

00:00:59,000 --> 00:01:06,000

Join us as we expose what may be the most devastating alien messages for all mankind.

15

00:01:06,000 --> 00:01:10,000

On Unsealed, Alien Files

16

00:01:10,000 --> 00:01:12,000

A global effort has begun.

17

00:01:12,000 --> 00:01:18,000

Secret files hidden from the public for decades, detailing every UFO account,

18

00:01:18,000 --> 00:01:20,000

are now available to the public.

19

00:01:20,000 --> 00:01:25,000

We are about to uncover the truth behind these classified documents.

20

00:01:25,000 --> 00:01:28,000

Find out what the government doesn't want you to know.

21

00:01:28,000 --> 00:01:31,000

Unsealed, Alien Files.

22

00:01:31,000 --> 00:01:35,000

Exposing the biggest secret on planet Earth.

23

00:01:35,000 --> 00:01:39,000

Colorado Springs, Colorado, 1899.

24

00:01:39,000 --> 00:01:45,000

Nikola Tesla, one of the pioneers of modern electricity, tests a device he hopes

25

00:01:45,000 --> 00:01:49,000

will harness the power of lightning produced by a thunderstorm.

26

00:01:50,000 --> 00:01:53,000

The machine is receiving radio signals as he tracks the storm

27

00:01:53,000 --> 00:01:57,000

in an attempt to better understand weather patterns.

28

00:01:57,000 --> 00:02:02,000

Suddenly, a bizarre series of signals are received by Tesla's machine.

29

00:02:02,000 --> 00:02:06,000

Allegedly, the signals are no longer static-covered blips.

30

00:02:06,000 --> 00:02:10,000

Two voices speaking in a strange language become audible.

31

00:02:10,000 --> 00:02:16,000

Tesla described the event as, one planet greeting another.

32

00:02:16,000 --> 00:02:23,000

At the time of Tesla's signal interception, the world was no stranger to UFO activity.

33

00:02:23,000 --> 00:02:30,000

In 1896, there was a rash of reported sightings in the Los Angeles area.

34

00:02:30,000 --> 00:02:33,000

This happened years before LAX was ever a dream.

35

00:02:33,000 --> 00:02:35,000

Human flight had not even taken place yet.

36

00:02:35,000 --> 00:02:39,000

Whatever was in the skies above our heads was absolutely unexplainable.

37

00:02:39,000 --> 00:02:44,000

The signals received by Nikola Tesla's machine are thought to be the earliest

38

00:02:44,000 --> 00:02:49,000

recorded communication with an alien intelligence in the mechanical age.

39

00:02:49,000 --> 00:02:53,000

Did Tesla accidentally communicate with aliens?

40

00:02:53,000 --> 00:03:00,000

Those first signals laid the groundwork for an obsession that has haunted humanity ever since.

41

00:03:00,000 --> 00:03:07,000

The largest and most complex attempt to communicate with extraterrestrial life began in the 1960s.

42

00:03:07,000 --> 00:03:11,000

Named SETI, Search for Extraterrestrial Intelligence.

43

00:03:11,000 --> 00:03:16,000

The organization was funded by the American government until 1995.

44

00:03:16,000 --> 00:03:20,000

From their radio telescope at the AeroCibo station in Puerto Rico,

45

00:03:20,000 --> 00:03:26,000

SETI broadcasts its signal reaching 25,000 light-years into deep space.

46

00:03:26,000 --> 00:03:31,000

When we decide to send a message to the heavens in hopes to communicate with an alien civilization,

47

00:03:31,000 --> 00:03:36,000

binary code was decided by scientists because it really is that universal language.

48

00:03:36,000 --> 00:03:39,000

So when we sent the AeroCibo message to the heavens,

49

00:03:39,000 --> 00:03:44,000

we gave details about where we were in the universe, what our human DNA was like,

50

00:03:44,000 --> 00:03:48,000

and some other details about who we are as humanity.

51

00:03:48,000 --> 00:03:51,000

It was the most powerful message we've ever sent.

52

00:03:51,000 --> 00:03:57,000

Along with the AeroCibo message, NASA launches four probes carrying Earthly Greetings,

53

00:03:57,000 --> 00:04:02,000

an unusual course of action for an agency that reportedly denies the existence of aliens.

54

00:04:02,000 --> 00:04:06,000

Soon after, Voyager 1 and 2 are also launched,

55

00:04:06,000 --> 00:04:10,000

carrying 12-inch gold records containing greetings in Earth languages

56

00:04:10,000 --> 00:04:13,000

and information on human civilization.

57

00:04:13,000 --> 00:04:19,000

The messages have been sent, but are experts really prepared for an answer?

58

00:04:20,000 --> 00:04:24,000

Unsealed Case File, The Wow! Signal.

59

00:04:25,000 --> 00:04:30,000

Ohio State University, August 15, 1977.

60

00:04:30,000 --> 00:04:35,000

SETI is shocked to receive a brief burst of radio waves at 11.16 p.m.

61

00:04:35,000 --> 00:04:41,000

The signal is recorded at 30 times louder than naturally occurring deep space signals.

62

00:04:41,000 --> 00:04:45,000

It is tracked for 72 seconds before it disappears.

63

00:04:47,000 --> 00:04:51,000

The unexpected burst of sound from space is so rare,

64

00:04:51,000 --> 00:04:57,000

the message is dubbed the Wow! Signal by one of the technicians on duty that day.

65

00:04:57,000 --> 00:05:01,000

The Wow! Signal was dismissed as an anomaly.

66

00:05:01,000 --> 00:05:05,000

The fact that it never occurred again led many to believe it may have been

67

00:05:05,000 --> 00:05:09,000

simple equipment malfunction or human error.

68

00:05:09,000 --> 00:05:14,000

But recent evidence suggests a constant signal is unlikely to occur.

69

00:05:14,000 --> 00:05:17,000

The amount of energy required to beam the signal would be immense,

70

00:05:17,000 --> 00:05:23,000

which is exactly why SETI now sends bursts like the Wow! Signal back into space.

71

00:05:24,000 --> 00:05:28,000

But has there been another signal since the one in 1977?

72

00:05:28,000 --> 00:05:33,000

Or has SETI been in constant contact with alien life forms ever since?

73

00:05:35,000 --> 00:05:39,000

In 1997, SETI discovered another extraterrestrial signal.

74

00:05:39,000 --> 00:05:44,000

It was tracked for over 13 hours until an official statement was released stating

75

00:05:44,000 --> 00:05:47,000

the signal was a European satellite.

76

00:05:47,000 --> 00:05:50,000

But was that really the case?

77

00:05:50,000 --> 00:05:54,000

Prominent ufologist Dr. Stephen Greer believes otherwise.

78

00:05:55,000 --> 00:05:58,000

Greer stated in a 2006 interview,

79

00:05:58,000 --> 00:06:01,000

they have had numerous extraterrestrial signals.

80

00:06:01,000 --> 00:06:05,000

The signals were so numerous that they began to have their systems

81

00:06:05,000 --> 00:06:09,000

externally jammed by some sort of human agency that did not want them to

82

00:06:09,000 --> 00:06:12,000

continue receiving those signals.

83

00:06:13,000 --> 00:06:17,000

What government agency could possibly be responsible for covering up a message

84

00:06:17,000 --> 00:06:19,000

from an alien world?

85

00:06:19,000 --> 00:06:24,000

And what would they stand to gain from keeping the public in the dark?

86

00:06:27,000 --> 00:06:32,000

Communication with alien intelligence has become an obsession for many in the UFO community.

87

00:06:33,000 --> 00:06:39,000

Answering the question, are we alone, is paramount to many UFO investigations?

88

00:06:39,000 --> 00:06:43,000

But one answer may have already arrived.

89

00:06:49,000 --> 00:06:53,000

Early in the morning of the 27th of December 1980,

90

00:06:53,000 --> 00:06:58,000

two United States Air Force security patrolmen saw unusual lights outside the back gates

91

00:06:58,000 --> 00:07:00,000

at RAF Woodbridge.

92

00:07:00,000 --> 00:07:04,000

Sgt. John Burroughs and Jim Peniston investigate.

93

00:07:04,000 --> 00:07:08,000

They discover a strange glowing craft on the forest floor,

94

00:07:08,000 --> 00:07:11,000

covered in bizarre writing.

95

00:07:12,000 --> 00:07:15,000

The air around the object was electrified.

96

00:07:15,000 --> 00:07:18,000

It was like dancing our skin, our clothes.

97

00:07:18,000 --> 00:07:21,000

At that point in time, I knew it was an aircraft crash.

98

00:07:21,000 --> 00:07:24,000

I knew I had an unknown object in front of me.

99

00:07:24,000 --> 00:07:29,000

Peniston is compelled to reach out and touch the symbols etched into the side of the craft,

100

00:07:29,000 --> 00:07:33,000

a decision that would change his life forever.

101

00:07:34,000 --> 00:07:39,000

I took my hand and ran him over the bottom of the symbols all the way across.

102

00:07:39,000 --> 00:07:47,000

It felt like going from the smoothness of the metal to like feeling sandpaper on each of them.

103

00:07:47,000 --> 00:07:51,000

Out of all the glyphs, there was one that was larger than all the other ones.

104

00:07:51,000 --> 00:07:54,000

And so I decided to go ahead and touch that one.

105

00:07:54,000 --> 00:08:00,000

When I touched that symbol, I had an explosion of white light where I couldn't see.

106

00:08:00,000 --> 00:08:01,000

I was blinded.

107

00:08:01,000 --> 00:08:05,000

I started seeing ones and zeros flashing.

108

00:08:05,000 --> 00:08:08,000

They were like inside my mind.

109

00:08:08,000 --> 00:08:14,000

The two sergeants report the incident and describe how the UFO vanished into the night sky.

110

00:08:15,000 --> 00:08:20,000

Some time later, Peniston transcribes the message that was burned into his brain.

111

00:08:20,000 --> 00:08:25,000

Computers were in their infancy at the time Peniston received this telepathic message.

112

00:08:25,000 --> 00:08:31,000

It would be years before he would finally realize the ones and zeros were a common computer language

113

00:08:31,000 --> 00:08:34,000

that could be translated binary code.

114

00:08:35,000 --> 00:08:39,000

In 2012, I was given six pages from Jim Peniston's notebook.

115

00:08:39,000 --> 00:08:43,000

They contained binary and I was asked to see if there was a message contained inside.

116

00:08:43,000 --> 00:08:47,000

So I was skeptical I'd find anything in these binary notebook pages,

117

00:08:47,000 --> 00:08:52,000

but I started typing the ones and zeros into my computer, running them through my translator,

118

00:08:52,000 --> 00:08:55,000

and I was shocked to find a short message.

119

00:08:55,000 --> 00:08:58,000

Once decoded, the Peniston message reads,

120

00:08:58,000 --> 00:09:03,000

Exploration of Humanity for Continuous Planetary Advance.

121

00:09:04,000 --> 00:09:06,000

A chill ran down my spine.

122

00:09:06,000 --> 00:09:10,000

I was honestly not expecting to find anything in the binary.

123

00:09:10,000 --> 00:09:16,000

And here was what appeared to be a message that would come from aliens if they were trying to communicate with us.

124

00:09:16,000 --> 00:09:19,000

Coordinates also accompanied the message.

125

00:09:19,000 --> 00:09:25,000

They indicate a location off the coast of Ireland known as High Brazil,

126

00:09:25,000 --> 00:09:31,000

the site of a legendary sunken island similar to the lost continent of Atlantis.

127

00:09:31,000 --> 00:09:37,000

The island still exists, but now lies more than 2,000 feet below the ocean's surface.

128

00:09:38,000 --> 00:09:42,000

Did Peniston receive a direct telepathic message from the alien craft?

129

00:09:42,000 --> 00:09:48,000

And what is the significance of the sunken island that lies off Ireland's coast?

130

00:09:48,000 --> 00:09:52,000

Experts are still wrestling with these questions today.

131

00:09:52,000 --> 00:09:58,000

But not all messages from extraterrestrial sources are as cryptic as the Rendlesham incident.

132

00:09:58,000 --> 00:10:02,000

Some are displayed for all the world to see.

133

00:10:03,000 --> 00:10:09,000

Crop circles have fascinated experts since they were first noticed in the 1970s.

134

00:10:09,000 --> 00:10:16,000

Over 26 countries reported more than 10,000 crop circles toward the end of the 20th century.

135

00:10:16,000 --> 00:10:23,000

They appear quickly and mysteriously in often very intricate patterns and designs.

136

00:10:23,000 --> 00:10:27,000

What are these geometric patterns trying to tell us?

137

00:10:28,000 --> 00:10:33,000

Famous Russian cosmonaut Marina Popovich and her scientist colleagues,

138

00:10:33,000 --> 00:10:39,000

Victoria Popova and Lydia Andrianova, believe they have decoded the crop circles' message.

139

00:10:39,000 --> 00:10:46,000

Their translation reveals a chilling warning to humanity of impending disaster.

140

00:10:46,000 --> 00:10:51,000

They claim the circles speak of the impact man has had on the biosphere

141

00:10:51,000 --> 00:10:56,000

and the catastrophic effects on the Earth's magnetic field is reaching a critical point.

142

00:10:57,000 --> 00:11:02,000

They believe the circles can tell us how we can escape this fate.

143

00:11:02,000 --> 00:11:06,000

Are crop circles apocalyptic warnings?

144

00:11:10,000 --> 00:11:18,000

Messages captured by radio telescopes and alarming warnings in deciphered crop circles may be signs of alien life.

145

00:11:20,000 --> 00:11:23,000

Are extraterrestrials trying to reach out to us?

146

00:11:23,000 --> 00:11:26,000

And why have they come to us now?

147

00:11:27,000 --> 00:11:34,000

The technological leaps made by geniuses like Nikola Tesla in the late 1800s were only the beginning.

148

00:11:34,000 --> 00:11:41,000

Our scientific advancement is moving at an alarming pace and shows no signs of slowing.

149

00:11:41,000 --> 00:11:46,000

Is there extraterrestrial concern about our scientific progress?

150

00:11:46,000 --> 00:11:51,000

If so, are they seeking to take control of all human life?

151

00:11:53,000 --> 00:11:57,000

What might be their long-term plans for Earth?

152

00:11:57,000 --> 00:12:05,000

The answer may be found in a disturbing set of rules etched into one of the most mysterious stone monuments in America.

153

00:12:07,000 --> 00:12:11,000

Unsealed case file, the Georgia Guidestones.

154

00:12:11,000 --> 00:12:19,000

These guidelines have proven extremely controversial, causing speculation and mystery that go far beyond Northeast Georgia.

155

00:12:20,000 --> 00:12:26,000

They were built by human hands, but were they designed with an alien agenda in mind?

156

00:12:27,000 --> 00:12:38,000

Commissioned by a man using the alias RC Christian in 1979, the Georgia Guidestones still stand outside Elbert County, Georgia, 90 miles east of Atlanta.

157

00:12:39,000 --> 00:12:43,000

Inscribed on the massive stones are messages for humanity.

158

00:12:43,000 --> 00:12:47,000

Let these be guide stones to an age of reason.

159

00:12:48,000 --> 00:12:52,000

Many of the writings speak of living in harmony with the Earth and each other,

160

00:12:52,000 --> 00:12:58,000

but further inscriptions depict an age of reason that is based on an ominous agenda.

161

00:13:00,000 --> 00:13:02,000

Guide reproduction wisely.

162

00:13:03,000 --> 00:13:06,000

Unite humanity with a living new language.

163

00:13:07,000 --> 00:13:10,000

Maintain humanity under 500 million.

164

00:13:11,000 --> 00:13:13,000

In perpetual balance with nature.

165

00:13:14,000 --> 00:13:17,000

The current population of the Earth is over 7 billion.

166

00:13:18,000 --> 00:13:24,000

Does this age of reason begin with a massive genocide to limit the Earth's population to 500 million?

167

00:13:26,000 --> 00:13:33,000

One of the assumptions about an alien invasion of planet Earth is it's very basic.

168

00:13:33,000 --> 00:13:39,000

If you're going to invade a place, why would you wreck the place you're going to invade?

169

00:13:39,000 --> 00:13:42,000

So why would you bomb something to rubber?

170

00:13:42,000 --> 00:13:51,000

Use lasers? Use photon bombs? Use whatever exotic weapons you want to use to simply break the planet out?

171

00:13:51,000 --> 00:13:55,000

Why do that? This is a planet you want. Why destroy it? What's the point?

172

00:13:55,000 --> 00:14:03,000

Some experts believe the best method to destroy large swaths of the Earth's population would be by an alien plague.

173

00:14:04,000 --> 00:14:12,000

We bombarded the planet in various areas with meteors, without the amount of space in which you know would decompose

174

00:14:12,000 --> 00:14:19,000

when entering the Earth's atmosphere and release certain kinds of gases and kill segments of the population.

175

00:14:21,000 --> 00:14:26,000

Similar to Stonehenge, the Georgia Guidestones are aligned with the stars.

176

00:14:27,000 --> 00:14:34,000

Are the stones alignment to the heavens an alien message warning humanity?

177

00:14:35,000 --> 00:14:41,000

While many experts have been looking out into the universe to find possible messages of alien design,

178

00:14:41,000 --> 00:14:47,000

some scientists have been drilling down into the very fabric of life's building blocks.

179

00:14:48,000 --> 00:14:56,000

Researchers in Kazakhstan decoded what they believe is a message embedded in our very DNA.

180

00:14:56,000 --> 00:15:03,000

A recent online news article reports scientists who claim that human DNA is ordered so precisely

181

00:15:03,000 --> 00:15:10,000

that it reveals an ensemble of arithmetical and ideographical patterns of symbolic language,

182

00:15:11,000 --> 00:15:17,000

which leads them to conclude that humans may have been invented outside the solar system.

183

00:15:18,000 --> 00:15:23,000

They refer to this discovery as a biological seti.

184

00:15:24,000 --> 00:15:29,000

The mathematical code in human DNA cannot be explained by evolution.

185

00:15:29,000 --> 00:15:34,000

We are living breathing vessels for some kind of alien message.

186

00:15:35,000 --> 00:15:44,000

This evidence suggests the very building blocks of life on Earth originated or were designed from outside our solar system.

187

00:15:44,000 --> 00:15:51,000

Alien-human hybridization is when extraterrestrials have taken human DNA

188

00:15:51,000 --> 00:15:58,000

and somehow been able to pair it with their own in order to procreate, because a lot of these beings are sterile.

189

00:15:58,000 --> 00:16:06,000

Is planet Earth part of a larger galactic agenda beyond the current scope of scientific understanding?

190

00:16:07,000 --> 00:16:18,000

We have these sacred texts, the Bible, the Torah, the Koran, and in those we have representations of things that are extremely supernatural.

191

00:16:18,000 --> 00:16:27,000

Mixed in with all of the cultural traditions of indigenous populations and large civilizations like Sumeria,

192

00:16:27,000 --> 00:16:37,000

we have an unbroken record of some sort of contact from beyond the stars from the very beginning of humanity.

193

00:16:38,000 --> 00:16:43,000

Humans have received messages from extraterrestrials since the dawn of time.

194

00:16:44,000 --> 00:16:54,000

But shocking new evidence suggests what many modern ufologists have been anticipating, an alien message that might be the final piece of the puzzle.

195

00:16:55,000 --> 00:17:03,000

Recent revelations of Kazakhstan scientists illustrate that our genetic structure defies a natural explanation.

196

00:17:04,000 --> 00:17:12,000

Is the very biological mechanism of our evolution merely a path designed by an alien hand?

197

00:17:13,000 --> 00:17:24,000

So one theory is that ET human encounters began when ET itself manipulated the DNA of three early hominids.

198

00:17:24,000 --> 00:17:36,000

And they manipulated it to create a structure because they were creating a race of people who were going to do their bidding, the use of tools, and the use of language.

199

00:17:37,000 --> 00:17:44,000

If we have been designed, is it possible the very environment we occupy is also a construct?

200

00:17:45,000 --> 00:17:47,000

Is humanity part machine?

201

00:17:48,000 --> 00:17:51,000

Or are we simply inside one?

202

00:17:52,000 --> 00:17:58,000

Some experts believe our entire universe might exist in a kind of biological hard drive.

203

00:17:59,000 --> 00:18:10,000

And that Earth, and all life on it, is nothing more than a sophisticated extraterrestrial software program.

204

00:18:11,000 --> 00:18:18,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.

205
