

1

00:00:00,000 --> 00:00:09,600

From space, Earth appears to be a borderless world dominated by a single, intelligent species.

2

00:00:09,600 --> 00:00:13,080

But looks are deceiving.

3

00:00:13,080 --> 00:00:18,320

Humanity has been plagued by international conflicts and epic power plays since the dawn

4

00:00:18,320 --> 00:00:19,320

of time.

5

00:00:19,320 --> 00:00:24,600

Let's face it, the human race has made some very stupid decisions and as our technology

6

00:00:24,600 --> 00:00:28,660

progresses we're going to have some human that's going to press the button that launches

7

00:00:28,660 --> 00:00:30,660

that nuclear weapon and what's going to happen.

8

00:00:30,660 --> 00:00:32,660

You have a nuclear holocaust.

9

00:00:32,660 --> 00:00:38,060

Could an alien threat force humans to form a united front?

10

00:00:38,060 --> 00:00:45,180

Join us as we investigate why a united Earth may be our only chance for survival in the

11

00:00:45,180 --> 00:00:54,220

face of an alien invasion on Unsealed Alien Files.

12

00:00:54,220 --> 00:00:56,700

A global effort has begun.

13

00:00:56,700 --> 00:01:02,900

Secret files hidden from the public for decades detailing every UFO account are now available

14

00:01:02,900 --> 00:01:03,900

to the public.

15

00:01:03,900 --> 00:01:09,300

We are about to uncover the truth behind these classified documents.

16

00:01:09,300 --> 00:01:12,740

Find out what the government doesn't want you to know.

17

00:01:12,740 --> 00:01:16,260

Unsealed Alien Files.

18

00:01:16,260 --> 00:01:20,820

Exposing the biggest secret on planet Earth.

19

00:01:20,820 --> 00:01:24,020

February 15, 2013.

20

00:01:24,020 --> 00:01:31,900

The 2012 DA-14 asteroid passes within 17,000 miles of Earth, closer than any object in

21

00:01:31,900 --> 00:01:33,940

recorded history.

22

00:01:33,940 --> 00:01:41,300

A hundred feet in diameter, it is 40,000 metric tons of solid space rock.

23

00:01:41,300 --> 00:01:46,620

Its impact would have been almost 200 times the power of the atomic blast that leveled

24

00:01:46,620 --> 00:01:48,860

Hiroshima.

25

00:01:48,860 --> 00:01:53,900

The destruction would be catastrophic.

26

00:01:53,900 --> 00:01:59,500

Over 100 million objects of the same size float in the vicinity of the Earth.

27

00:01:59,500 --> 00:02:04,700

Confronted with devastating possibilities, the United Nations forms a committee on the

28

00:02:04,700 --> 00:02:07,540

peaceful uses of outer space.

29

00:02:07,540 --> 00:02:12,740

They begin planning for emergencies caused by the impact of meteors or other objects

30

00:02:12,740 --> 00:02:14,580

from space.

31

00:02:14,580 --> 00:02:18,780

Cooperation in the face of disaster is one matter.

32

00:02:18,780 --> 00:02:24,780

Can humanity rise above their differences in the face of alien contact?

33

00:02:24,780 --> 00:02:30,860

And if so, who would speak on behalf of humanity?

34

00:02:30,860 --> 00:02:33,140

September 2010.

35

00:02:33,140 --> 00:02:35,660

Rumors circulate through the media.

36

00:02:35,660 --> 00:02:42,500

The UN is allegedly on the verge of appointing the first Earth ambassador in history.

37

00:02:42,500 --> 00:02:49,020

Aslan Othman, a Malaysian astrophysicist, is to be the first point of contact for humanity

38

00:02:49,020 --> 00:02:51,900

and extraterrestrials.

39

00:02:51,900 --> 00:02:57,700

Othman is quoted as saying, we should have in place a coordinated response.

40

00:02:57,700 --> 00:03:03,420

The United Nations are a ready-made mechanism for such coordination.

41

00:03:03,420 --> 00:03:09,940

On the eve of the announcement, Othman suddenly denies she is to be our alien ambassador.

42

00:03:09,940 --> 00:03:13,460

The UN has no comment.

43

00:03:13,460 --> 00:03:15,260

Is this a cover-up?

44

00:03:15,260 --> 00:03:20,500

Could Othman's appointment have been contested by powerful nations seeking to control alien

45

00:03:20,500 --> 00:03:22,020

contact?

46

00:03:22,020 --> 00:03:30,140

However, this is not the first international disagreement regarding extraterrestrial life.

47

00:03:30,140 --> 00:03:31,980

1945.

48

00:03:31,980 --> 00:03:36,700

The United Nations has emerged from the ashes of World War II.

49

00:03:36,700 --> 00:03:42,940

Its very existence is based on promoting peace and global security and preventing another

50

00:03:42,940 --> 00:03:44,980

world war.

51

00:03:44,980 --> 00:03:51,580

This hope is short-lived as another more subversive conflict begins almost immediately.

52

00:03:51,580 --> 00:03:54,140

The Cold War.

53

00:03:54,140 --> 00:03:59,980

Russia and the United States closely monitor each other's military deployments.

54

00:03:59,980 --> 00:04:05,740

This stalemated conflict reveals the terrifying existence of a new inhuman threat to both

55

00:04:05,740 --> 00:04:12,740

nations and the entire human race.

56

00:04:12,740 --> 00:04:14,740

Unsealed case file.

57

00:04:14,740 --> 00:04:17,740

The Kapustin Yar incident.

58

00:04:17,740 --> 00:04:18,980

1948.

59

00:04:18,980 --> 00:04:20,580

June 16th.

60

00:04:20,580 --> 00:04:21,820

Kapustin Yar.

61

00:04:21,820 --> 00:04:23,780

Soviet Union.

62

00:04:23,780 --> 00:04:28,940

An experimental plane is being test-blown when the pilot makes visual contact with a

63

00:04:28,940 --> 00:04:31,180

strange craft.

64

00:04:31,180 --> 00:04:37,540

Radar also picks up the unknown object and orders the pilot to bring it down peacefully

65

00:04:37,540 --> 00:04:41,180

or with force.

66

00:04:41,180 --> 00:04:47,980

A NICAP document states, a banana or cucumber-shaped object with beams of light was tracked on

67

00:04:47,980 --> 00:04:54,380

radar when it descended across the course of the Russian test pilot.

68

00:04:54,380 --> 00:05:00,140

Receiving no response to his demands to land, the pilot prepares to fire.

69

00:05:00,140 --> 00:05:07,700

A beam of light shoots out of the UFO, disabling the aircraft and blinding the pilot.

70

00:05:07,700 --> 00:05:11,340

When his vision clears, the object is gone.

71

00:05:11,340 --> 00:05:15,500

He guides the disabled plane to a safe landing.

72

00:05:15,500 --> 00:05:21,220

The plane is examined and although drained of power, it is undamaged.

73

00:05:21,220 --> 00:05:25,180

The government immediately covers up the event.

74

00:05:25,180 --> 00:05:29,180

Kapustin Yar remained classified for decades.

75

00:05:29,220 --> 00:05:33,980

Despite the agreement by all members of the UN to share information regarding threats to

76

00:05:33,980 --> 00:05:43,260

international security, evidence of alien life is still shrouded in secrecy.

77

00:05:43,260 --> 00:05:49,220

The United Nations represents the closest humanity has ever been to global unity.

78

00:05:49,220 --> 00:05:55,820

Was it formed to save humanity from itself or from an alien threat?

79

00:05:55,820 --> 00:06:02,580

Over years after the formation of the UN, a smaller, more combat-oriented force is created.

80

00:06:02,580 --> 00:06:10,460

NATO, the North Atlantic Treaty Organization, bans the militaries of 14 nations together.

81

00:06:10,460 --> 00:06:17,340

The policy of NATO states, an attack on one NATO country is an attack on all.

82

00:06:17,340 --> 00:06:22,500

Was this organization formed just in time?

83

00:06:22,500 --> 00:06:31,940

In 1952, NATO launches a series of combat drills and scenarios designed to simulate an attack by Soviet forces.

84

00:06:31,940 --> 00:06:36,780

But what they encounter is no simulation.

85

00:06:36,780 --> 00:06:41,860

Operation Main Brace begins September 13, 1952.

86

00:06:41,860 --> 00:06:51,140

The first evening, hundreds of troops aboard the Danish destroyer Willemos observe a glowing triangular object flying over the ship.

87

00:06:51,140 --> 00:06:55,620

The object suddenly accelerates into the night sky.

88

00:06:55,620 --> 00:07:04,700

Military witnesses estimate it took off at over 900 miles an hour, faster than any aircraft of the time.

89

00:07:04,700 --> 00:07:11,180

Despite multiple eyewitnesses, no official acknowledgement of the encounter exists.

90

00:07:11,180 --> 00:07:20,940

But shocking incidents like the one witnessed by hundreds from the deck of the Danish destroyer was only the beginning.

91

00:07:20,940 --> 00:07:25,740

Unsealed case file, the Topcliffe sighting.

92

00:07:25,740 --> 00:07:29,100

September 19, 1952.

93

00:07:29,100 --> 00:07:35,980

Six days after the Willemos sighting, a British RAF pilot returns from a training exercise.

94

00:07:35,980 --> 00:07:42,580

The pilot approaches RAF Topcliffe Base in Yorkshire, as dozens of witnesses watch in horror.

95

00:07:42,580 --> 00:07:48,100

A massive silver disc comes into view, as if pursuing the aircraft.

96

00:07:48,100 --> 00:07:53,820

Civilian and military witnesses report the UFO showed incredible maneuverability,

97

00:07:53,820 --> 00:07:58,300

swinging in behind and underneath the fighter with ease.

98

00:07:58,300 --> 00:08:00,900

Military witnesses are in shock.

99

00:08:00,900 --> 00:08:05,420

No known aircraft can execute those kinds of maneuvers.

100

00:08:05,420 --> 00:08:09,020

The incident alarms the British military and parliament.

101

00:08:09,020 --> 00:08:15,060

The abilities of the UFOs pose possible threats that need to be taken seriously.

102

00:08:15,060 --> 00:08:19,300

Many pilots reported strange objects following them, lighted balls following them,

103

00:08:19,300 --> 00:08:23,460

diving with them, coming up with them and following them back to base.

104

00:08:23,460 --> 00:08:31,460

But the mysterious sightings also shine a spotlight on the political divide that exists between the world's superpowers.

105

00:08:31,460 --> 00:08:36,020

Both sides of the Cold War are engaged in a lethal arms race,

106

00:08:36,020 --> 00:08:39,420

amassing stockpiles of nuclear weapons.

107

00:08:39,420 --> 00:08:44,740

The world hangs dangerously on the edge of mutual destruction.

108

00:08:44,820 --> 00:08:50,540

Jets have been scrambled on several occasions to counter what was believed to be Russian forces,

109

00:08:50,540 --> 00:08:53,780

mounting an aerial assault on NATO targets.

110

00:08:53,780 --> 00:09:01,340

Several encounters are reported not to be hostile military forces, but UFOs.

111

00:09:01,340 --> 00:09:06,260

How many times has the world been brought to the brink of nuclear annihilation?

112

00:09:06,260 --> 00:09:10,020

And how long would it be allowed to continue?

113

00:09:10,020 --> 00:09:15,820

The answer may lie in an above top secret report, classified by NATO.

114

00:09:18,820 --> 00:09:20,820

Unsealed Case File

115

00:09:21,420 --> 00:09:23,420

The Assessment

116

00:09:23,420 --> 00:09:27,060

1963, NATO HQ.

117

00:09:27,060 --> 00:09:33,780

Command Sergeant Robert O. Dean uncovers a puzzling series of over 500 documents titled,

118

00:09:33,780 --> 00:09:35,780

The Assessment.

119

00:09:35,780 --> 00:09:37,380

The document states,

120

00:09:37,380 --> 00:09:44,940

Our planet and the human race have been studied by several different extraterrestrial civilizations.

121

00:09:44,940 --> 00:09:49,940

Four of these races have been identified visually.

122

00:09:49,940 --> 00:09:54,900

The document's title is simple, but its contents are not.

123

00:09:54,900 --> 00:10:02,740

It becomes clear to Dean, the assessment is Earth's plan for countering alien invasion.

124

00:10:02,740 --> 00:10:11,020

According to Dean, the revelations of the assessments were so shocking, only 12 copies were made.

125

00:10:11,020 --> 00:10:15,140

It details an escalating series of human alien encounters,

126

00:10:15,140 --> 00:10:21,780

reporting, a carefully orchestrated program of some kind seemed to be underway.

127

00:10:21,780 --> 00:10:30,020

It began with flybys, then landings, and eventually culminated in contact.

128

00:10:30,020 --> 00:10:34,020

Is this alien agenda about peaceful contact?

129

00:10:34,020 --> 00:10:38,020

Or preparing for an invasion of Earth?

130

00:10:39,460 --> 00:10:47,140

The most terrifying pages of the assessment detail a report of a NATO encounter from 1961.

131

00:10:47,140 --> 00:10:52,980

According to the report, Allied radar stations discovered multiple aircraft above Europe

132

00:10:52,980 --> 00:10:59,940

at an altitude of 100,000 feet, approaching from the direction of the Soviet Union.

133

00:11:00,260 --> 00:11:09,380

But unknown to NATO at the time, the Russians detect a similar force approaching Soviet airspace nine minutes later,

134

00:11:09,380 --> 00:11:16,900

triggering the unimaginable, a countdown to an all-out nuclear war.

135

00:11:16,900 --> 00:11:23,140

The counter-attack launch sequence begins, but suddenly the radar screen is clear.

136

00:11:23,140 --> 00:11:28,740

Pilots on scene report the fleets were not enemy forces, but UFOs.

137

00:11:28,820 --> 00:11:33,060

Total destruction is only narrowly averted.

138

00:11:33,060 --> 00:11:37,380

NATO officially denies the existence of the assessment document.

139

00:11:37,380 --> 00:11:43,460

It would take years before someone would finally come forward.

140

00:11:44,740 --> 00:11:49,620

Despite global coalitions dedicated to the security of the human race,

141

00:11:49,620 --> 00:11:56,260

the public has been left in the dark about events that concern the security of all life on Earth.

142

00:11:56,260 --> 00:12:01,940

But one man finally forced the issue out of the shadows.

143

00:12:03,060 --> 00:12:10,180

Unsealed case file, UN General Assembly Decision 33-426.

144

00:12:10,180 --> 00:12:18,980

1978. Eric Gehry, President of Grenada, brings the issue of UFOs before the UN.

145

00:12:18,980 --> 00:12:23,060

He proposes the establishment of a Department of the UN

146

00:12:23,060 --> 00:12:31,300

for undertaking, coordinating, and disseminating the results of research into unidentified flying objects.

147

00:12:31,300 --> 00:12:36,260

His pursuit of the truth about alien life stems from a personal experience.

148

00:12:37,940 --> 00:12:44,500

President Gehry witnessed a strange body discovered on a Grenada shore outside a small fishing village.

149

00:12:45,540 --> 00:12:49,540

The corpse was humanoid, but certainly not human.

150

00:12:49,540 --> 00:12:54,980

Its height was over seven feet and had six fingers on each hand.

151

00:12:54,980 --> 00:13:02,100

President Gehry lobbies the UN for two years, producing documents and witnesses,

152

00:13:02,100 --> 00:13:05,220

like former NASA astronaut Gordon Cooper.

153

00:13:05,220 --> 00:13:10,740

The UK also tried to block Gehry's UFO proposal at the UN.

154

00:13:10,740 --> 00:13:13,700

What were they attempting to hide?

155

00:13:14,500 --> 00:13:19,940

Or was this done on behalf of the UK's biggest military partner, the United States?

156

00:13:21,940 --> 00:13:27,460

Many documents exist, suggesting the UK's Ministry of Defense and the United States

157

00:13:27,460 --> 00:13:32,260

government both have a great deal to hide on the subject of UFOs.

158

00:13:33,300 --> 00:13:36,180

But all attempts to block Gehry's proposal were futile.

159

00:13:36,740 --> 00:13:41,140

And in an unprecedented vote, the UN finally heeds Gehry's advice.

160

00:13:41,860 --> 00:13:48,020

Quote, the General Assembly has taken note of the draft resolution submitted by Grenada

161

00:13:48,020 --> 00:13:54,980

at the 33rd session of the General Assembly regarding unidentified flying objects and related

phenomena.

162

00:13:56,340 --> 00:14:00,340

But on the verge of the UN passing his historic UFO proposal,

163

00:14:00,980 --> 00:14:03,620

President Gehry is forced into exile.

164

00:14:04,340 --> 00:14:07,540

His government is overthrown by a military coup.

165

00:14:08,500 --> 00:14:13,380

Was his government toppled to prevent a united search for alien life?

166

00:14:15,060 --> 00:14:20,180

Many UFO experts believe alien human treaties are already in place,

167

00:14:20,740 --> 00:14:26,740

arranged by a handful of powerful nations seeking to control the future of humanity.

168

00:14:28,500 --> 00:14:29,460

Is this possible?

169

00:14:30,100 --> 00:14:32,420

Does an alien presence already exist?

170

00:14:32,980 --> 00:14:36,900

And are humans considered too primitive to openly contact?

171

00:14:38,340 --> 00:14:41,860

There is so much evidence that our world is in decline.

172

00:14:41,860 --> 00:14:44,500

We have strange weather patterns, polar shifts.

173

00:14:45,140 --> 00:14:49,300

I mean, it's obvious that we are one step away from total destruction.

174

00:14:49,300 --> 00:14:52,420

Alien races could be here to save us or slaughter us.

175

00:14:53,060 --> 00:14:55,540

As long as we're in the dark, we're at their mercy.

176

00:14:56,740 --> 00:15:00,580

Many world governments may be already aware of this fact

177

00:15:00,580 --> 00:15:05,060

and are taking steps to bring the subject of extraterrestrials into the light.

178

00:15:05,860 --> 00:15:12,500

Since the year 2000, almost 30 nations have declassified information on UFO activity.

179

00:15:13,140 --> 00:15:18,500

There were a number of reasons why the British government decided to release these files.

180

00:15:20,020 --> 00:15:26,420

One reason was that the MOD was getting more UFO requests under the freedom of information

181

00:15:26,420 --> 00:15:27,860

than on any other subject.

182

00:15:28,820 --> 00:15:35,780

It also was the case that in 2007, the French government had declassified their UFO file.

183

00:15:36,660 --> 00:15:40,660

When the government says that they're releasing information about UFOs,

184

00:15:40,660 --> 00:15:42,660

people should sit up and take notice.

185

00:15:43,780 --> 00:15:49,780

If just one of these sightings turns out to be the real thing, our world changes forever.

186

00:15:50,340 --> 00:15:55,700

The moment of full disclosure about alien life on Earth could be close at hand,

187

00:15:56,340 --> 00:16:02,900

but endless global strife makes it clear that world unification doesn't appear to be a priority

188

00:16:02,900 --> 00:16:04,580

for all nations' governments.

189

00:16:08,980 --> 00:16:13,620

The wait for undeniable proof of alien contact may finally be over,

190

00:16:14,580 --> 00:16:17,540

but has it come too late for planet Earth?

191

00:16:18,740 --> 00:16:25,060

Alexei Arbatov is head of the Center for International Security of the Russian Academy of Science.

192

00:16:25,940 --> 00:16:32,340

He believes that President Putin's new vision for Russia expands Russia's military capabilities

193

00:16:32,340 --> 00:16:38,900

by creating a coalition with China, making the United States their number one enemy again.

194

00:16:41,700 --> 00:16:47,140

Putin's alleged fear is that the U.S. and its NATO allies will invade Russia.

195

00:16:48,660 --> 00:16:54,260

Is the threat real or is a larger one looming beyond the borders of our planet?

196

00:16:55,700 --> 00:17:03,460

An Earth divided by war weakens its ability to fight and creates an easy target for alien races

197

00:17:03,460 --> 00:17:05,140

that have us on their radar.

198

00:17:06,260 --> 00:17:13,540

At this very moment, an aggressive alien species may be monitoring Earth for signs of vulnerability.

199

00:17:14,420 --> 00:17:16,820

An invasion could happen at any time.

200

00:17:17,940 --> 00:17:21,540

How would we confront such a monumental event?

201

00:17:22,500 --> 00:17:30,580

The answer may have already been expressed in a famous UN speech made by U.S. President Ronald Reagan.

202

00:17:30,580 --> 00:17:38,580

In our obsession with antagonisms of the moment, we often forget how much unites all the members of humanity.

203

00:17:39,780 --> 00:17:45,780

Perhaps we need some outside universal threat to make us recognize this common bound.

204

00:17:46,740 --> 00:17:57,780

I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world.

205

00:18:00,420 --> 00:18:07,220

This is Unsealed, Alien Files, exposing the biggest secret on planet Earth.
