

1

00:00:00,000 --> 00:00:04,000

Pyramids are found all over the world.

2

00:00:04,000 --> 00:00:10,000

It is almost impossible for these cultures separated by thousands of miles to have known

3

00:00:10,000 --> 00:00:12,000

what each other was doing.

4

00:00:12,000 --> 00:00:16,000

But could these separations be only an illusion?

5

00:00:16,000 --> 00:00:21,000

Did humans build the pyramids by themselves or did they have help?

6

00:00:21,000 --> 00:00:28,000

Some experts believe pyramids across the world are part of a grand alien design that connects

7

00:00:28,000 --> 00:00:32,000

to a mysterious global energy grid.

8

00:00:32,000 --> 00:00:37,000

But could arise in UFO sightings along key grid points?

9

00:00:37,000 --> 00:00:41,000

Hint had a monumental earth change in the near future.

10

00:00:41,000 --> 00:00:47,000

And could a similar event thousands of years ago have shrunk the total human population

11

00:00:47,000 --> 00:00:51,000

to an astounding 2,000 people?

12

00:00:51,000 --> 00:00:57,000

Join us as we investigate alien secrets of the pyramids and the world of the pyramids.

13

00:00:57,000 --> 00:01:03,000

And the world energy grid on Unsealed Alien Files.

14

00:01:03,000 --> 00:01:06,000

A global effort has begun.

15

00:01:06,000 --> 00:01:13,000

Secret files hidden from the public for decades detailing every UFO account are now available to the public.

16

00:01:13,000 --> 00:01:18,000

We are about to uncover the truth behind these classified documents.

17

00:01:18,000 --> 00:01:22,000

Find out what the government doesn't want you to know.

18

00:01:22,000 --> 00:01:25,000

Unsealed Alien Files.

19

00:01:25,000 --> 00:01:30,000

Exposing the biggest secret on planet Earth.

20

00:01:30,000 --> 00:01:35,000

North America's polar zones are wild, untamed landscapes.

21

00:01:35,000 --> 00:01:42,000

Extreme weather and rugged terrain provide some of the most beautiful and deadly areas on Earth.

22

00:01:42,000 --> 00:01:48,000

The North is home to America's northernmost city, Anchorage, Alaska.

23

00:01:48,000 --> 00:01:52,000

Anchorage International Airport is a major hub for the movement of goods

24

00:01:52,000 --> 00:01:56,000

and is one of the busiest cargo airports in the world.

25

00:01:56,000 --> 00:02:01,000

But in 1986, after refueling en route from Iceland,

26

00:02:01,000 --> 00:02:06,000

a Japan Airlines cargo plane encounters a UFO.

27

00:02:06,000 --> 00:02:09,000

Unsealed Case File.

28

00:02:09,000 --> 00:02:12,000

Flight 1628.

29

00:02:12,000 --> 00:02:16,000

Eastern Alaska, November 17th, 1986.

30

00:02:16,000 --> 00:02:23,000

Japan Airlines Flight 1628 is starting its long journey across the Pacific.

31

00:02:23,000 --> 00:02:29,000

Through the night sky, two objects emerge to follow Flight 1628's trajectory.

32

00:02:29,000 --> 00:02:34,000

They quickly accelerate, gaining on the Japan Airlines plane.

33

00:02:34,000 --> 00:02:38,000

A NICAP document states that while flying over Alaska,

34

00:02:38,000 --> 00:02:42,000

Captain Terouji checked a white light behind the plane

35

00:02:42,000 --> 00:02:46,000

and saw a silhouette of a gigantic spaceship.

36

00:02:46,000 --> 00:02:51,000

It was walnut-shaped, symmetrical above and below.

37

00:02:51,000 --> 00:03:01,000

Even more disturbing is Terouji's claim that one of the UFOs had what looked like special nozzles extending out from the side of the craft.

38

00:03:01,000 --> 00:03:05,000

What could these nozzles have been used for?

39

00:03:05,000 --> 00:03:11,000

Captain Terouji radios to an American military base as a third UFO appears.

40

00:03:11,000 --> 00:03:17,000

Terouji reports this new ship is twice the size of an aircraft carrier.

41

00:03:17,000 --> 00:03:23,000

Military radar allegedly confirms the objects and orders fighter jets to engage.

42

00:03:23,000 --> 00:03:27,000

All three objects vanish into the night sky.

43

00:03:27,000 --> 00:03:31,000

Media coverage of the event is worldwide.

44

00:03:31,000 --> 00:03:37,000

Captain Terouji insists what Flight 1628 encountered was a UFO.

45

00:03:37,000 --> 00:03:42,000

He is immediately grounded for speaking to the press.

46

00:03:42,000 --> 00:03:48,000

The FAA launches an investigation into the matter, but produces no results.

47

00:03:48,000 --> 00:03:53,000

Speaking at the 2013 Citizen Hearing on UFO Disclosure,

48

00:03:53,000 --> 00:03:58,000

former division chief of the Accidents and Investigations branch of the FAA,

49

00:03:58,000 --> 00:04:02,000

John Callahan, has a very different story.

50

00:04:02,000 --> 00:04:09,000

Callahan is ordered to give a debriefing to the CIA and Air Force about his investigation.

51

00:04:09,000 --> 00:04:14,000

When they get done, the CIA guy standing next to me says to the people,

52

00:04:14,000 --> 00:04:20,000

this event never happened. We were never here.

53

00:04:20,000 --> 00:04:26,000

We're confiscating all this data and you're all sworn to secrecy.

54

00:04:26,000 --> 00:04:29,000

And the encounter remains unexplained.

55

00:04:30,000 --> 00:04:34,000

What is the reason for UFO activity near the North Pole?

56

00:04:34,000 --> 00:04:41,000

Could the spaceships' nozzles have been used to gather energy from Earth's electromagnetic field?

57

00:04:41,000 --> 00:04:47,000

The Earth's magnetic field protects the Earth from solar flares, radiation, and solar storms.

58

00:04:47,000 --> 00:04:55,000

If our electromagnetic field disappeared, life on Earth as we know it would cease to exist.

59

00:04:55,000 --> 00:05:01,000

Magnetic energy flows in lines and collects in meridians along the surface of the Earth.

60

00:05:01,000 --> 00:05:08,000

Some experts believe these lines coincide with many of the world's significant architectural wonders.

61

00:05:08,000 --> 00:05:13,000

Is this alignment accidental or is it deliberate?

62

00:05:13,000 --> 00:05:18,000

Many ancient civilizations believe these sites possess spiritual power

63

00:05:18,000 --> 00:05:23,000

and constructed massive temples and pyramids where the energy lines intersect.

64

00:05:23,000 --> 00:05:31,000

Is it possible these massive structures stabilize or even harness the Earth's electromagnetic energy?

65

00:05:31,000 --> 00:05:42,000

Pyramid structures in China, Mexico, Bolivia, Peru, Sudan, and Cambodia all rest along these energy lines.

66

00:05:42,000 --> 00:05:49,000

Modern satellite technology has allowed scientists to scrutinize the Earth like never before.

67

00:05:49,000 --> 00:05:57,000

New evidence suggests the network of the world grid may have been larger than experts first theorized.

68

00:05:57,000 --> 00:06:05,000

Sudan, Africa. What appear to be 35 small pyramids are discovered.

69

00:06:05,000 --> 00:06:14,000

Mexico. An entirely new series of what could be Mayan pyramid structures are identified.

70

00:06:14,000 --> 00:06:23,000

Egypt. 17 previously undiscovered pyramid shapes are detected in the desert sands.

71

00:06:23,000 --> 00:06:30,000

One of which is three times the size of the Great Pyramid at Giza.

72

00:06:30,000 --> 00:06:36,000

Some experts claim a grid of electromagnetic energy circles the Earth.

73

00:06:36,000 --> 00:06:44,000

Where these energy lines intersect, ancient civilizations build some of the world's most revered and mysterious structures.

74

00:06:44,000 --> 00:06:48,000

Could this ancient energy alignment have occurred by chance?

75

00:06:48,000 --> 00:06:57,000

Or could these ruins be evidence of an attempt to harness the Earth's magnetic field by an advanced alien race?

76

00:06:57,000 --> 00:07:02,000

If this is true, this could absolutely change and alter everything we believe.

77

00:07:02,000 --> 00:07:08,000

Compelling evidence has been unearthed that has turned the scientific community upside down.

78

00:07:08,000 --> 00:07:22,000

Slag used in copper smelting recovered from a 5,000-year-old mine in Israel shows the Earth's magnetic field was stronger and more variable than scientists ever imagined.

79

00:07:22,000 --> 00:07:28,000

Some paleo magnetists believe the Earth's magnetic field changed gradually.

80

00:07:28,000 --> 00:07:34,000

But the Israel discovery shows changes may also be dramatic and sudden.

81

00:07:34,000 --> 00:07:40,000

The sample dates from a time when Israel was a part of ancient Egypt.

82

00:07:40,000 --> 00:07:44,000

How could the Earth's magnetic field change so drastically?

83

00:07:44,000 --> 00:07:49,000

Was this change natural? Or was it engineered?

84

00:07:49,000 --> 00:07:56,000

It was like the ancient Egyptians already knew it thousands of years before the rest of us kind of discovered it.

85

00:07:56,000 --> 00:08:01,000

Some experts believe the pyramids are more than just temples.

86

00:08:01,000 --> 00:08:14,000

Building upon previous theories, a man named Edward Malkowski claims the Great Pyramid at Giza performed a function that may have influenced the entire world.

87

00:08:14,000 --> 00:08:18,000

Malkowski's theories stem from the pyramid's interior design.

88

00:08:18,000 --> 00:08:25,000

He speculates that if the lower chamber were only a burial vault, immense space has been wasted.

89

00:08:25,000 --> 00:08:35,000

But if the chamber was an integral part of the overall design and performed a function, what could that function possibly be?

90

00:08:35,000 --> 00:08:45,000

He theorizes the Great Pyramid could have been a compression wave generator which produced a vibratory effect.

91

00:08:45,000 --> 00:08:53,000

Pressure generated by pumping water from the Nile may have created a deafening sound inside the pyramid.

92

00:08:53,000 --> 00:09:01,000

Malkowski claims the pyramids may have been designed to connect as a network, harnessing sound waves.

93

00:09:01,000 --> 00:09:12,000

The pyramids were electrical generators, amplifying the Earth's natural electromagnetic frequencies, and maybe even strengthening its magnetic field.

94

00:09:12,000 --> 00:09:17,000

Did aliens control the Earth's magnetic field with a pyramid machine?

95

00:09:17,000 --> 00:09:24,000

And if so, does this manipulation have unforeseen side effects at the poles?

96

00:09:24,000 --> 00:09:31,000

The answer may have arrived decades ago in the frozen skies of Antarctica.

97

00:09:31,000 --> 00:09:33,000

Unsealed case file.

98

00:09:33,000 --> 00:09:36,000

Antarctic UFOs.

99

00:09:36,000 --> 00:09:44,000

NICAB ufologist Richard Hall produced a report on an astounding number of sightings around the South Pole.

100

00:09:44,000 --> 00:09:55,000

Scientific observers at Antarctic research stations, manned by personnel of three nations, observed brightly colored objects maneuvering in the sky.

101

00:09:55,000 --> 00:10:03,000

July 1965. UK scientific outpost, Deception Island, Antarctica.

102

00:10:03,000 --> 00:10:12,000

For 20 minutes, five meteorologists observe a green and red light, occasionally turning yellow to the north.

103

00:10:12,000 --> 00:10:18,000

The objects zigzagged, hovered, and at times accelerated.

104

00:10:18,000 --> 00:10:22,000

Argentinian base, Laurie Island, Antarctica.

105

00:10:22,000 --> 00:10:29,000

Two scientists witness a round bluish-white object moving across the sky for 15 seconds.

106

00:10:29,000 --> 00:10:36,000

Two variometers registered sudden and strong disturbances of the magnetic field.

107

00:10:36,000 --> 00:10:41,000

Chilean base, Deception Island, Antarctica.

108

00:10:42,000 --> 00:10:47,000

Nine people watch in terror as something streaks across the sky.

109

00:10:47,000 --> 00:10:56,000

The object traveled at high speed with an oscillating motion, hovering at one point, leaving a steam-like trail in its wake.

110

00:10:56,000 --> 00:11:05,000

The UFO sightings in the north and south poles be a sign that extraterrestrials are manipulating the world grid.

111

00:11:05,000 --> 00:11:13,000

You can actually see openings in Antarctica where the entrance to inner Earth would be.

112

00:11:13,000 --> 00:11:23,000

The satellite images for Google Earth show a polar mountain in the South Pole, 230 feet high, and 180 feet wide.

113

00:11:23,000 --> 00:11:27,000

Certainly such a mountain could fit a flying saucer.

114

00:11:28,000 --> 00:11:33,000

Scientists have been studying the North Pole for close to 200 years.

115

00:11:33,000 --> 00:11:41,000

Their findings reveal the pole may have shifted an astounding 10 kilometers per year toward Siberia.

116

00:11:41,000 --> 00:11:49,000

And even more disturbing, as the pole shifts, Earth's magnetic field is weakening drastically.

117

00:11:49,000 --> 00:11:56,000

Is this occurrence natural or a manipulation on a more sinister level?

118

00:11:56,000 --> 00:12:03,000

Groundbreaking research shows the Earth's magnetic field weakening multiple times throughout history.

119

00:12:03,000 --> 00:12:08,000

This reversal could mean a realignment of the entire planet.

120

00:12:08,000 --> 00:12:13,000

Would an event of this size be catastrophic to humanity?

121

00:12:13,000 --> 00:12:16,000

Strange weather patterns, polar shifts.

122

00:12:16,000 --> 00:12:21,000

I mean, it's obvious that we are one step away from total destruction.

123

00:12:21,000 --> 00:12:27,000

Evidence of what this may look like can be found in one of the most common religious texts on Earth.

124

00:12:27,000 --> 00:12:29,000

The Bible.

125

00:12:29,000 --> 00:12:32,000

Joshua 10:13

126

00:12:32,000 --> 00:12:38,000

So the sun stood still in the midst of heaven and hastened not to go down.

127

00:12:38,000 --> 00:12:40,000

About a whole day.

128

00:12:40,000 --> 00:12:46,000

Some experts believe the Earth's poles need to reverse in order to recharge.

129

00:12:46,000 --> 00:12:51,000

But could this monumental undertaking be done by an alien design?

130

00:12:51,000 --> 00:12:58,000

And if so, what would be the cost of such a disaster?

131

00:12:58,000 --> 00:13:06,000

Geologists have determined that 40,000 years ago, the Earth's magnetic field suddenly reversed.

132

00:13:06,000 --> 00:13:13,000

During this period, the largest volcanic activity of the last 100,000 years occurred.

133

00:13:13,000 --> 00:13:23,000

The eruption of the Compi Fleckri, a supervolcano, blasted 350 cubic kilometers of rock and lava into the atmosphere.

134

00:13:23,000 --> 00:13:31,000

This massive cloud of heat and debris may have been instrumental in the annihilation of Neanderthal man.

135

00:13:31,000 --> 00:13:37,000

Lake Toba in Sumatra erupted into a supervolcano about 70,000 years ago,

136

00:13:37,000 --> 00:13:43,000

throwing heat and lava into the atmosphere that killed off much of the Earth's creatures.

137

00:13:43,000 --> 00:13:51,000

But even more chilling, DNA scientists have discovered it was during this time that the human population on Earth

138

00:13:51,000 --> 00:13:57,000

may have dropped to an unbelievable total of only 2,000 people.

139

00:13:57,000 --> 00:14:06,000

Could a pole shift cause another genetic bottleneck and bring mankind to the brink of extinction?

140

00:14:07,000 --> 00:14:16,000

If the pyramid machines have been strengthening the Earth's magnetic field, why were they taken offline?

141

00:14:16,000 --> 00:14:24,000

One answer may be found in a top secret military operation at the South Pole in the late 1940s.

142

00:14:24,000 --> 00:14:26,000

Unsealed case file.

143

00:14:26,000 --> 00:14:29,000

Operation High Jump.

144

00:14:30,000 --> 00:14:42,000

In 1947, the highly decorated Admiral Richard E. Byrd led troops from Britain, Australia and the U.S. on an expedition to the South Pole.

145

00:14:42,000 --> 00:14:52,000

Admiral Byrd declared today that it was imperative for the United States to initiate immediate

defense measures against hostile regions.

146

00:14:52,000 --> 00:14:57,000

Byrd's fleet is armed with the latest in magnetometer technology.

147

00:14:57,000 --> 00:15:03,000

Their mission is to search the South Pole for anomalies in the Earth's electromagnetic field.

148

00:15:03,000 --> 00:15:10,000

But no one was prepared for what they would encounter in the icy wastelands of Antarctica.

149

00:15:10,000 --> 00:15:16,000

Admiral Byrd's fighter squadron found the entrance to inner Earth.

150

00:15:16,000 --> 00:15:25,000

This was a wide enough entrance where the planes flew in in fighter formation that were attacked by flying saucers.

151

00:15:25,000 --> 00:15:32,000

Most of them were shot down. Byrd was actually captured and he was told, we will let you go.

152

00:15:32,000 --> 00:15:43,000

You go back to your leaders and you say you found nothing, the planes crashed in the ice, they simply disappeared and never come down here again.

153

00:15:43,000 --> 00:15:49,000

After returning to America, Admiral Byrd was quoted by a journalist about his mission.

154

00:15:49,000 --> 00:16:00,000

In case of a new war, the continental United States would be attacked by flying objects which could fly from pole to pole at incredible speeds.

155

00:16:00,000 --> 00:16:06,000

Is the government hiding an alien presence by limiting all those who are allowed to visit?

156

00:16:06,000 --> 00:16:13,000

Recently in 2012, an eight-man expedition consisting of American and European scientists

157

00:16:13,000 --> 00:16:19,000

allegedly uncovered a series of pyramids on the frozen Antarctic landscape.

158

00:16:19,000 --> 00:16:26,000

Experts speculate the pyramid's appearance is due to melting caused by global warming.

159

00:16:26,000 --> 00:16:30,000

The discovery has shocked the scientific community.

160

00:16:30,000 --> 00:16:36,000

Are these pyramid structures the alien base encountered by Operation High Jump?

161

00:16:36,000 --> 00:16:43,000

Could they reveal the final step in an alien plan to reset the Earth's magnetic field?

162

00:16:43,000 --> 00:16:46,000

And if so, why?

163

00:16:48,000 --> 00:16:57,000

Is an alien intelligence tapping into the electromagnetic energy that powers the Earth through a network of ancient structures?

164

00:16:57,000 --> 00:17:01,000

And could this have all happened before?

165

00:17:01,000 --> 00:17:09,000

Evidence suggests our world is not the first to be subjected to this terrifying alien process.

166

00:17:09,000 --> 00:17:17,000

The Curiosity rover is essentially a moving laboratory and we can collect evidence off of Mars that we've never been able to collect before.

167

00:17:17,000 --> 00:17:25,000

In the middle of this barren planet, there stand three structures that resemble almost exactly our pyramids in Egypt.

168

00:17:25,000 --> 00:17:29,000

The pyramids on Mars seem to align to the north-south axis of the planet,

169

00:17:29,000 --> 00:17:34,000

much as the pyramids at Giza also line up with Earth's north-south axis.

170

00:17:34,000 --> 00:17:38,000

Is this only a coincidence? I don't believe in coincidence.

171

00:17:38,000 --> 00:17:48,000

Evidence suggests Mars' atmosphere was once oxygen-rich, supporting not just life, but possibly intelligent life.

172

00:17:48,000 --> 00:17:54,000

Were the Mars pyramids tapping into the Martian magnetic field, like the pyramids on Earth?

173

00:17:54,000 --> 00:17:57,000

And if so, why did they fail?

174

00:17:57,000 --> 00:18:02,000

And are there even more pyramids on other planets in our solar system?

175

00:18:02,000 --> 00:18:10,000

The ruined pyramids on Earth and those of the now desolate Martian landscape could be a dire warning.

176

00:18:10,000 --> 00:18:15,000

The human race may already be living on borrowed time.

177

00:18:15,000 --> 00:18:24,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
