

1

00:00:00,000 --> 00:00:07,640

For decades, dedicated civilians have attempted to prove the existence of aliens, putting

2

00:00:07,640 --> 00:00:11,200

their reputations and lives at risk.

3

00:00:11,200 --> 00:00:14,600

When witnesses are visited by men in black, they're interrogated, they're made to feel

4

00:00:14,600 --> 00:00:18,040

scared either for their lives or their safety.

5

00:00:18,040 --> 00:00:21,800

How far will governments go to hide their agenda?

6

00:00:21,800 --> 00:00:25,720

And what price do whistleblowers pay to reveal it?

7

00:00:25,720 --> 00:00:33,640

Join us as we investigate the war on truth and the watchmen who fight it on Unsealed

8

00:00:33,640 --> 00:00:36,280

Alien Files.

9

00:00:36,280 --> 00:00:38,480

A global effort has begun.

10

00:00:38,480 --> 00:00:44,960

Secret files hidden from the public for decades, detailing every UFO account, are now available

11

00:00:44,960 --> 00:00:45,960

to the public.

12

00:00:45,960 --> 00:00:50,400

We are about to uncover the truth behind these classified documents.

13

00:00:50,400 --> 00:00:55,400

Find out what the government doesn't want you to know.

14

00:00:55,400 --> 00:00:58,320

Unsealed Alien Files.

15

00:00:58,320 --> 00:01:02,160

Exposing the biggest secret on planet Earth.

16

00:01:02,160 --> 00:01:04,760

April 2013.

17

00:01:04,760 --> 00:01:09,560

Record numbers of UFO sightings pour in across the USA.

18

00:01:09,560 --> 00:01:17,120

Over 50 sightings of glowing orbs and triangle-shaped crafts are reported in California alone.

19

00:01:17,120 --> 00:01:24,360

In 30 days, over 200 reports flood in across seven states.

20

00:01:24,360 --> 00:01:30,880

MUFON, the mutual UFO network, is on alert three status, the highest existing warning

21

00:01:30,880 --> 00:01:32,520

level.

22

00:01:32,520 --> 00:01:40,040

So many UFO sightings in such a short period of time might be a disturbing warning sign.

23

00:01:40,040 --> 00:01:46,440

But if the US government will not investigate or alert the public, who will?

24

00:01:46,440 --> 00:01:51,640

MUFON is America's largest private UFO organization.

25

00:01:51,640 --> 00:01:58,160

They investigate in place of the authorities who claim no branch of the United States government

26

00:01:58,160 --> 00:02:04,160

is currently involved with investigating unidentified flying objects.

27

00:02:04,160 --> 00:02:09,680

MUFON dispatches field operatives to investigate reports of UFOs.

28

00:02:09,680 --> 00:02:14,120

Antonio Parris has led many MUFON investigations.

29

00:02:14,120 --> 00:02:19,800

He also heads up his own organization, the Aerial Phenomenon Investigations Team.

30

00:02:19,800 --> 00:02:25,760

The intent of Aerial Phenomena is to investigate UFOs from a nuts and bolts perspective.

31

00:02:25,760 --> 00:02:30,920

That is to look at what people are reporting and try to identify what that person saw.

32

00:02:30,920 --> 00:02:37,040

Parris and his team have uncovered evidence that UFO witnesses have more to fear than

33

00:02:37,040 --> 00:02:40,360

contact with alien life.

34

00:02:40,360 --> 00:02:46,720

Niagara Falls, Canada, October 14th, 2008.

35

00:02:46,720 --> 00:02:52,240

Employees of a popular hotel witness a large triangular object in the sky.

36

00:02:52,240 --> 00:02:57,480

It hovers for some time and then silently vanishes.

37

00:02:57,480 --> 00:03:02,000

But perhaps the most disturbing encounter was still to come.

38

00:03:02,000 --> 00:03:07,520

The witness recontacted us and told us that several months later his hotel was visited

39

00:03:07,520 --> 00:03:10,560

by two unidentified men in black.

40

00:03:10,560 --> 00:03:15,560

And these two came into the hotel, harassed the staff for about 30 minutes and simply

41

00:03:15,560 --> 00:03:18,280

walked out.

42

00:03:18,280 --> 00:03:23,920

The men in black are an unidentified group or an organization that would go around to

43

00:03:23,920 --> 00:03:27,600

alleged sightings of where there was some type of UFO report.

44

00:03:27,600 --> 00:03:33,440

And in most cases they try to collect the information that was reported by the witness.

45

00:03:33,440 --> 00:03:36,560

Sometimes they actually threaten the witness for the information, especially if there's

46

00:03:36,600 --> 00:03:38,040

some type of evidence.

47

00:03:38,040 --> 00:03:41,440

Who do these unidentified men work for?

48

00:03:41,440 --> 00:03:46,120

And what would they gain by intimidating UFO witnesses?

49

00:03:46,120 --> 00:03:53,560

Hotel employees describe the men as terrifying, almost alien in behavior.

50

00:03:53,560 --> 00:04:00,320

The hotel manager reports the incident to police, but they launch no investigation.

51

00:04:00,320 --> 00:04:04,600

Parris and his team break the story.

52

00:04:04,640 --> 00:04:09,120

Civilian investigators like Antonio Parris have often broken through the barriers of

53

00:04:09,120 --> 00:04:12,880

secrecy and forced by the government.

54

00:04:12,880 --> 00:04:18,960

Elite government communique indicates civilian investigations present a threat to their monopoly

55

00:04:18,960 --> 00:04:22,040

on UFO investigation.

56

00:04:22,040 --> 00:04:29,280

Numerous alleged UFO sightings are reported directly to or collected exclusively by unofficial

57

00:04:29,280 --> 00:04:33,080

UFO groups.

58

00:04:33,080 --> 00:04:35,320

Unsealed case file.

59

00:04:35,320 --> 00:04:37,960

The Pixley Case.

60

00:04:37,960 --> 00:04:43,200

July 23, 1956, Pixley, California.

61

00:04:43,200 --> 00:04:48,040

A C-131 transport plane takes off from Hamilton Air Force Base.

62

00:04:48,040 --> 00:04:54,640

A massive impact, followed by a flash of light, knocks the pilot, major Stenvers, completely

63

00:04:54,640 --> 00:04:56,320

unconscious.

64

00:04:56,320 --> 00:05:02,200

The plane spirals into a 9,000-foot nose dive.

65

00:05:02,200 --> 00:05:06,200

Stenvers regains consciousness and seizes the controls.

66

00:05:06,200 --> 00:05:12,760

He pulls the plane out of its downward spiral and brings it to an emergency landing.

67

00:05:12,760 --> 00:05:19,040

Stenvers is interviewed by the local papers, saying, it was as if we struck a brick wall.

68

00:05:19,040 --> 00:05:23,560

The story quickly disappears from the media entirely.

69

00:05:23,560 --> 00:05:27,880

Even though an Air Force spokesman confirms the plane looked like something had struck

70

00:05:27,880 --> 00:05:30,640

it from above.

71

00:05:30,640 --> 00:05:35,560

Stenvers the story suppressed because the Air Force jet collided mid-air with an alien

72

00:05:35,560 --> 00:05:37,800

craft.

73

00:05:37,800 --> 00:05:39,920

1952.

74

00:05:39,920 --> 00:05:46,640

UFO reports begin flooding in from southern Canada to Texas.

75

00:05:46,640 --> 00:05:51,800

The U.S. government denies that any are UFO phenomenon.

76

00:05:51,800 --> 00:05:56,440

Civilians are forced to search for the truth through a smoke screen of alleged government

77

00:05:56,440 --> 00:05:59,840

cover-ups and secrecy.

78

00:05:59,840 --> 00:06:07,560

But an incident in July of 1952 would be nearly impossible to deny.

79

00:06:07,560 --> 00:06:13,560

Unsealed case file, the Washington, D.C. UFO incident.

80

00:06:13,560 --> 00:06:19,200

Multiple objects are detected on radar by military bases across the Capitol.

81

00:06:19,200 --> 00:06:24,240

They are grouped in formation and moving fast.

82

00:06:24,240 --> 00:06:29,800

Phenomena has passed from one radar screen to another with a fair degree of certainty.

83

00:06:29,800 --> 00:06:32,080

This was the same phenomena.

84

00:06:32,080 --> 00:06:40,360

In July 1952 on two successive weekends, a fleet of UFOs invaded the airspace over Washington,

85

00:06:40,360 --> 00:06:44,640

D.C. They flew over the Capitol, they flew over the Pentagon.

86

00:06:44,640 --> 00:06:46,880

They were seen by hundreds of people.

87

00:06:46,880 --> 00:06:50,920

They were chased by United States Air Force jet interceptors.

88

00:06:50,920 --> 00:06:53,520

They were seen by air traffic controllers.

89

00:06:53,520 --> 00:06:59,360

And the whole event over these two successive weekends was reported in the Washington Post,

90

00:06:59,400 --> 00:07:00,400

the New York Times.

91

00:07:00,400 --> 00:07:05,720

You can even see photos of UFOs over the Capitol today in photo archives.

92

00:07:05,720 --> 00:07:12,960

Witnesses describe the UFOs as large balls of light moving at incredible speeds, leaving

93

00:07:12,960 --> 00:07:15,920

a streak behind them.

94

00:07:15,920 --> 00:07:22,360

An Air Force Colonel confirms the jet pilots are and have been under orders to investigate

95

00:07:22,360 --> 00:07:29,040

unidentified objects and to shoot them down if they can't talk them down.

96

00:07:29,080 --> 00:07:35,360

Despite a rapid deployment of fighter jets, no combat engagements are recorded.

97

00:07:35,360 --> 00:07:39,600

President Truman meets with a team from Project Blue Book.

98

00:07:39,600 --> 00:07:45,040

Without even conducting an investigation, Blue Book informs President Truman the strange

99

00:07:45,040 --> 00:07:52,280

lights and photograph UFOs are nothing more than temperature inversion, warmer air occurring

100

00:07:52,280 --> 00:07:55,200

beneath a bed of cooler air.

101

00:07:55,360 --> 00:08:00,160

Blue Book's explanation is questioned by virtually everyone.

102

00:08:00,160 --> 00:08:05,640

Was Truman's government concealing the truth, even from him?

103

00:08:05,640 --> 00:08:11,520

Not satisfied with Blue Book's explanation, Truman assembles the Robertson Committee.

104

00:08:11,520 --> 00:08:18,120

At the time, their findings and existence are kept secret from the public.

105

00:08:18,120 --> 00:08:23,160

What did the Robertson Committee learn that demanded top-level secrecy?

106

00:08:23,160 --> 00:08:27,440

And would their true findings ever be made public?

107

00:08:27,440 --> 00:08:33,600

Internal rumors of the existence of the Robertson Committee forced NICAP, the National Investigations

108

00:08:33,600 --> 00:08:42,280

Committee on Aerial Phenomenon, to publicly demand access to all existing UFO documentation.

109

00:08:42,280 --> 00:08:48,480

NICAP members include high-ranking military officers, among them the director, Donald

110

00:08:48,480 --> 00:08:50,320

Kehoe.

111

00:08:50,320 --> 00:08:53,840

These men aren't just challenging the establishment.

112

00:08:53,840 --> 00:08:59,640

They are the establishment, and they are demanding answers.

113

00:08:59,640 --> 00:09:05,240

The release of censored documents proves the government officially does not believe UFO

114

00:09:05,240 --> 00:09:08,320

phenomena to be real.

115

00:09:08,320 --> 00:09:14,120

Was the Robertson Committee looking for answers, or was it a smokescreen, maintaining a secret

116

00:09:14,120 --> 00:09:18,880

government alien agenda?

117

00:09:19,360 --> 00:09:22,800

January 22, 1958.

118

00:09:22,800 --> 00:09:28,280

Armed with evidence he feels will disprove the Robertson Report, Donald Kehoe appears

119

00:09:28,280 --> 00:09:33,400

on television to discuss the UFO phenomenon.

120

00:09:33,400 --> 00:09:35,080

Kehoe is adamant.

121

00:09:35,080 --> 00:09:41,320

Evidence exists that will absolutely prove that the UFOs are machines under intelligent

122

00:09:41,320 --> 00:09:43,320

control.

123

00:09:43,320 --> 00:09:49,840

But as Kehoe attempts to tell the world what he knows, TV executives cut the audio of the

124

00:09:49,840 --> 00:09:52,080

live broadcast.

125

00:09:52,080 --> 00:10:00,200

A television executive explained, this program has been carefully cleared for security reasons.

126

00:10:00,200 --> 00:10:04,720

What was Kehoe trying to tell the public?

127

00:10:04,720 --> 00:10:11,960

Later the same year, Kehoe appears on ABC with Mike Wallace to again expose evidence of the

128

00:10:11,960 --> 00:10:15,200

reported government UFO cover-up.

129

00:10:15,200 --> 00:10:21,160

While on air, Kehoe claims it wasn't CBS censoring him on the earlier broadcast.

130

00:10:21,160 --> 00:10:26,480

He states, it's the United States Air Force trying to silence him.

131

00:10:26,480 --> 00:10:33,480

How far would those in power go to hide the truth about aliens?

132

00:10:33,480 --> 00:10:39,040

Government secrecy surrounding alien contact forces civilian groups to investigate the

133

00:10:39,040 --> 00:10:41,640

phenomena on their own.

134

00:10:41,640 --> 00:10:49,760

In 1958, UFO activist Donald Kehoe exposes the government's Robertson Panel as a front

135

00:10:49,760 --> 00:10:56,880

to debunk the UFO question and accuses the military of trying to silence him.

136

00:10:56,880 --> 00:11:03,720

Kehoe publicly challenged those in power and that challenge would inspire someone else

137

00:11:03,720 --> 00:11:08,640

to take on the American intelligence community.

138

00:11:08,640 --> 00:11:15,160

1957, Ground Saucer Watch or GSW is formed.

139

00:11:15,160 --> 00:11:22,400

A small UFO activist group headed by Arizona engineer William Spaulding.

140

00:11:22,400 --> 00:11:27,520

Spaulding is investigating a government research installation that had allegedly recovered alien

141

00:11:27,520 --> 00:11:35,480

technology from a 1953 UFO crash site in Kingman, Arizona.

142

00:11:35,480 --> 00:11:41,440

Spaulding claims to have two signed affidavits from Air Force personnel who were driven four

143

00:11:41,440 --> 00:11:48,040

hours north of Phoenix in the dead of night to investigate a disc-shaped craft half buried

144

00:11:48,040 --> 00:11:50,000

in the earth.

145

00:11:50,000 --> 00:11:57,280

The men allegedly saw two four-foot-tall alien corpses with large heads and brownish skin

146

00:11:57,280 --> 00:12:00,840

being retrieved from the cockpit.

147

00:12:00,840 --> 00:12:06,520

Spaulding lobbied the government for years to access information about the Kingman crash.

148

00:12:06,520 --> 00:12:10,000

His efforts yield nothing.

149

00:12:10,000 --> 00:12:15,940

How long would the veil of national security prevent him and other ufologists from accessing

150

00:12:15,940 --> 00:12:20,080

information in restricted files?

151

00:12:20,080 --> 00:12:27,800

An unlikely chain of events would open the door to a brief moment of government transparency.

152

00:12:27,800 --> 00:12:33,640

In the wake of the Watergate wiretapping scandal, a shamed Richard Nixon is forced to resign

153

00:12:33,640 --> 00:12:35,360

from office.

154

00:12:35,360 --> 00:12:41,240

The American public watch in shock as their elected leader is discredited and his cabinet

155

00:12:41,240 --> 00:12:43,920

dismantled.

156

00:12:43,920 --> 00:12:50,080

To win back the trust of the people, Congress passes the Privacy Act under the direction

157

00:12:50,080 --> 00:12:53,160

of President Gerald Ford.

158

00:12:53,160 --> 00:12:57,440

Spaulding's quest for the truth now has serious leverage.

159

00:12:57,440 --> 00:13:04,240

He has given access to the restricted documents the CIA had denied him for so long.

160

00:13:04,240 --> 00:13:08,920

What Spaulding finds shocks him to the core.

161

00:13:08,920 --> 00:13:11,160

Unsealed case file.

162

00:13:11,160 --> 00:13:13,800

The Durant Report.

163

00:13:13,800 --> 00:13:20,320

The government publicly states UFOs are not worth investigating, but secretly monitors

164

00:13:20,320 --> 00:13:25,040

civilian watch groups in search of extraterrestrial life.

165

00:13:25,040 --> 00:13:30,320

Such organizations should be watched because of their potentially great influence on mass

166

00:13:30,320 --> 00:13:35,080

thinking if widespread sightings should occur.

167

00:13:35,080 --> 00:13:42,040

If aliens do not exist, why is the government spying on those who seek the truth?

168

00:13:42,040 --> 00:13:48,040

Secretary of the Robertson Committee and author of the Durant Report is CIA operative Frederick

169

00:13:48,040 --> 00:13:49,040

Durant.

170

00:13:49,040 --> 00:13:55,720

It's revealed that both Durant and the Robertson Committee were tasked not with investigating

171

00:13:55,720 --> 00:14:04,440

evidence but with establishing a protocol for debunking UFO sighting claims.

172

00:14:04,440 --> 00:14:09,320

The conclusions of the Durant Report raise one key question.

173

00:14:09,320 --> 00:14:16,400

Why has the U.S. intelligence community gone to such great lengths to debunk UFO phenomena?

174

00:14:16,400 --> 00:14:20,280

If they are convinced it is pure fiction.

175

00:14:20,280 --> 00:14:27,560

In 1977, William Spaulding, with the backing of the Citizens Against UFO Secrecy Group,

176

00:14:27,560 --> 00:14:36,760

files a lawsuit against the CIA for violating the Freedom of Information Act and wins.

177

00:14:36,760 --> 00:14:43,160

The CIA is forced to release over 9,000 pages of UFO files.

178

00:14:43,160 --> 00:14:48,200

As they insisted on multiple occasions, they did not have.

179

00:14:48,200 --> 00:14:54,360

Among the files are several sanitized versions of both the Durant Report and the Robertson

180

00:14:54,360 --> 00:14:57,400

Panel Report.

181

00:14:57,400 --> 00:15:05,800

The released CIA files expose a systemic policy of ridiculing witnesses and watchmen, spying,

182

00:15:05,800 --> 00:15:12,840

intimidation tactics and control of public information on UFOs.

183

00:15:12,960 --> 00:15:17,400

If there was any doubt that the government was taking the business of UFO investigations

184

00:15:17,400 --> 00:15:24,280

seriously, the release of the CIA files proves they were deadly serious.

185

00:15:24,280 --> 00:15:30,280

At the 2013 Citizen Hearing in Washington, D.C., Richard Dolan looks at a post-disclosure

186

00:15:30,280 --> 00:15:34,360

world and the price the watchmen have been forced to pay.

187

00:15:34,360 --> 00:15:39,720

Throughout our major news organizations in which an open belief in UFOs is a third rail

188

00:15:39,800 --> 00:15:44,520

for one's career, throughout our scientific establishment for sure, and also throughout

189

00:15:44,520 --> 00:15:46,960

our political structure.

190

00:15:46,960 --> 00:15:50,800

All of these institutions and others have treated the UFO topic as nothing more than

191

00:15:50,800 --> 00:15:54,440

a joke, something suitable for immature minds.

192

00:15:54,440 --> 00:15:59,920

Can it really be that the professors throughout the United States uniformly have dismissed

193

00:15:59,920 --> 00:16:04,920

this phenomenon without any cooperation from the intelligence community?

194

00:16:04,920 --> 00:16:08,600

Ditto the world of science, politics and media.

195

00:16:08,600 --> 00:16:14,760

The unending fight to reveal the truth about extraterrestrials has become more advanced

196

00:16:14,760 --> 00:16:17,760

and more dangerous.

197

00:16:17,760 --> 00:16:23,760

Modern whistleblowers often risk their lives to bring the truth to light.

198

00:16:23,760 --> 00:16:29,800

In 2002, Gary McKinnon hacked one of the most sensitive systems in the American intelligence

199

00:16:29,800 --> 00:16:31,600

infrastructure.

200

00:16:31,600 --> 00:16:35,000

What he uncovers shocks the world.

201

00:16:35,000 --> 00:16:40,480

Gary McKinnon is a British computer hacker that allegedly got into NASA computer systems

202

00:16:40,480 --> 00:16:45,440

and found evidence that they were actively covering up an extraterrestrial presence in

203

00:16:45,440 --> 00:16:48,080

the reality of the UFO phenomenon.

204

00:16:48,080 --> 00:16:53,200

One of the documents that he said he saw was labeled non-terrestrial officers, which then

205

00:16:53,200 --> 00:16:55,000

listed quite a few personnel.

206

00:16:55,000 --> 00:16:57,920

The question is, what did this mean?

207

00:16:57,920 --> 00:17:04,360

Could the reference to non-terrestrial officers refer to agents from another world?

208

00:17:04,360 --> 00:17:07,320

And if so, where are they?

209

00:17:07,320 --> 00:17:09,760

And what are they doing?

210

00:17:09,760 --> 00:17:15,960

Some experts believe the reference to non-terrestrial agents is evidence of a long held theory that

211

00:17:15,960 --> 00:17:21,320

a secret base exists on the dark side of the moon.

212

00:17:21,320 --> 00:17:28,760

Identified and eventually arrested, Gary McKinnon faces a possible 70 year prison sentence

213

00:17:28,760 --> 00:17:33,000

for breaching American secrecy acts.

214

00:17:33,000 --> 00:17:39,040

Gary McKinnon, an independent ufologist, uncovered proof that the United States government has

215

00:17:39,040 --> 00:17:46,440

not only made contact, but is dealing regularly with extraterrestrials.

216

00:17:46,440 --> 00:17:52,280

Without McKinnon's efforts, the public would still be in the dark about alleged non-terrestrial

217

00:17:52,280 --> 00:17:56,600

agents engaged by government agencies.

218

00:17:56,600 --> 00:17:59,020

We are the game changers.

219

00:17:59,020 --> 00:18:06,060

One day, and it won't be too long in the future, something is going to force someone's hand.

220

00:18:06,060 --> 00:18:12,380

Who will be the next civilian to risk everything and expose the truth?

221

00:18:12,380 --> 00:18:16,740

Will it be you?

222

00:18:16,740 --> 00:18:22,820

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
