

1

00:00:00,000 --> 00:00:04,000

Many governments, including the United States,

2

00:00:04,000 --> 00:00:07,000

have gone to great lengths to cover up the truth

3

00:00:07,000 --> 00:00:10,000

about extraterrestrial life.

4

00:00:10,000 --> 00:00:13,000

At the same time, they claim the U.S.

5

00:00:13,000 --> 00:00:15,000

has conducted secret research into

6

00:00:15,000 --> 00:00:19,000

recovered alien technology far from the public eye

7

00:00:19,000 --> 00:00:22,000

and leaked tantalizing hints of its belief

8

00:00:22,000 --> 00:00:24,000

in alien life to the public.

9

00:00:24,000 --> 00:00:27,000

There is a small group of individuals

10

00:00:27,000 --> 00:00:29,000

inside government and outside government

11

00:00:29,000 --> 00:00:32,000

that are controlling this phenomenon.

12

00:00:32,000 --> 00:00:34,000

But these contradictions have left many

13

00:00:34,000 --> 00:00:37,000

both deeply suspicious of the government

14

00:00:37,000 --> 00:00:40,000

and fearful of an alien invasion.

15

00:00:40,000 --> 00:00:44,000

A single incident might tip the balance of terror

16

00:00:44,000 --> 00:00:47,000

and plunge the world into panic.

17

00:00:47,000 --> 00:00:50,000

But do we really have anything to be afraid of?

18

00:00:50,000 --> 00:00:54,000

Or is this fear being carefully orchestrated?

19

00:00:54,000 --> 00:00:58,000

Is the U.S. government hiding the truth about aliens

20

00:00:58,000 --> 00:01:00,000

to prevent pandemonium?

21

00:01:00,000 --> 00:01:04,000

Or using it as a means to tighten its grip on power?

22

00:01:04,000 --> 00:01:10,000

Join us as the secrets of UFO panic are unsealed.

23

00:01:14,000 --> 00:01:16,000

A global effort has begun.

24

00:01:16,000 --> 00:01:19,000

Secret files hidden from the public for decades,

25

00:01:19,000 --> 00:01:24,000

detailing every UFO account, are now available to the public.

26

00:01:24,000 --> 00:01:26,000

We are about to uncover the truth

27

00:01:26,000 --> 00:01:29,000

behind these classified documents.

28

00:01:29,000 --> 00:01:32,000

Find out what the government doesn't want you to know.

29

00:01:32,000 --> 00:01:34,000

Unsealed.

30

00:01:34,000 --> 00:01:36,000

Alien files.

31

00:01:36,000 --> 00:01:39,000

Exposing the biggest secret on planet Earth.

32

00:01:56,000 --> 00:02:00,000

More lines creating an immense electrical arc.

33

00:02:00,000 --> 00:02:02,000

The explosion causes a power outage

34

00:02:02,000 --> 00:02:06,000

and spreads terror throughout the neighborhood.

35

00:02:06,000 --> 00:02:09,000

Yet, despite multiple eyewitness accounts,

36

00:02:09,000 --> 00:02:13,000

authorities dismissed the incident as a case of

37

00:02:13,000 --> 00:02:16,000

wires arcing in high winds.

38

00:02:16,000 --> 00:02:18,000

The conclusion leaves citizens confused

39

00:02:18,000 --> 00:02:23,000

and suspicious of the institutions meant to protect them.

40

00:02:24,000 --> 00:02:27,000

Why would authorities blatantly disregard

41

00:02:27,000 --> 00:02:31,000

the identical testimony of so many eyewitnesses?

42

00:02:31,000 --> 00:02:34,000

Were they really acting in the public's best interest?

43

00:02:34,000 --> 00:02:37,000

Governments have always engaged in propaganda

44

00:02:37,000 --> 00:02:42,000

and carefully directed misinformation to control public opinion.

45

00:02:42,000 --> 00:02:46,000

But the appearance of UFOs in American skies in the 1940s

46

00:02:46,000 --> 00:02:49,000

presented a new challenge.

47

00:02:49,000 --> 00:02:52,000

Sightings left an indelible impression on the witness

48

00:02:52,000 --> 00:02:55,000

and the resulting anxiety spread faster

49

00:02:55,000 --> 00:02:58,000

than any government could control.

50

00:03:01,000 --> 00:03:03,000

Unsealed case file.

51

00:03:03,000 --> 00:03:06,000

Project Sign.

52

00:03:06,000 --> 00:03:10,000

As early as 1948, the United States recognized

53

00:03:10,000 --> 00:03:13,000

the threat UFOs posed to public order

54

00:03:13,000 --> 00:03:17,000

and commissioned a classified study known as Project Sign

55

00:03:17,000 --> 00:03:21,000

that concluded military intelligence should control

56

00:03:21,000 --> 00:03:24,000

the investigation of all sightings.

57

00:03:24,000 --> 00:03:28,000

The task of UFO investigation is handed to the elite

58

00:03:28,000 --> 00:03:32,000

400-second Air Intelligence Squadron.

59

00:03:32,000 --> 00:03:35,000

But the unit's work over the ensuing decades

60

00:03:35,000 --> 00:03:39,000

will call its integrity into serious question.

61

00:03:40,000 --> 00:03:45,000

Oxnard, California, March 1957.

62

00:03:45,000 --> 00:03:49,000

The wife of an officer stationed at nearby Oxnard Air Force Base

63

00:03:49,000 --> 00:03:53,000

spots a group of strange green and red lights in the sky.

64

00:03:53,000 --> 00:03:57,000

They pulse mysteriously, speeding back and forth

65

00:03:57,000 --> 00:04:01,000

in a manner unlike that of any known aircraft.

66

00:04:01,000 --> 00:04:05,000

The eyewitness immediately contacts the nearby base,

67

00:04:05,000 --> 00:04:08,000

whose radar confirms her story.

68

00:04:08,000 --> 00:04:11,000

The objects are UFOs.

69

00:04:12,000 --> 00:04:16,000

Shortly after, a police officer, who also saw the lights,

70

00:04:16,000 --> 00:04:20,000

adds even more corroborating testimony.

71

00:04:20,000 --> 00:04:24,000

The case is handed over to the Air Intelligence Service Squadron.

72

00:04:24,000 --> 00:04:27,000

But their conclusions will leave many wondering

73

00:04:27,000 --> 00:04:31,000

if it actually investigated anything at all.

74

00:04:32,000 --> 00:04:35,000

Despite detailed accounts from multiple witnesses

75

00:04:35,000 --> 00:04:38,000

and supporting evidence from the military's own radar,

76

00:04:38,000 --> 00:04:42,000

the investigators dismiss the encounter as an optical illusion

77

00:04:42,000 --> 00:04:45,000

caused by an atmospheric anomaly.

78

00:04:45,000 --> 00:04:48,000

And they don't stop there.

79

00:04:48,000 --> 00:04:52,000

They cruelly undermine the credibility of the original female witness,

80

00:04:52,000 --> 00:04:55,000

painting her as unreliable, even hysterical,

81

00:04:55,000 --> 00:04:58,000

on account of her pregnancy.

82

00:04:58,000 --> 00:05:01,000

It's a pattern that will play out in case after case

83

00:05:01,000 --> 00:05:03,000

over the following decades.

84

00:05:03,000 --> 00:05:06,000

And according to experts, it's a carefully orchestrated

85

00:05:06,000 --> 00:05:09,000

procedure.

86

00:05:09,000 --> 00:05:12,000

The first thing you do, if somebody's going to start leaking

87

00:05:12,000 --> 00:05:16,000

information, is marginalize them by making them look ridiculous.

88

00:05:16,000 --> 00:05:18,000

But is it true?

89

00:05:18,000 --> 00:05:22,000

Is the government deliberately discrediting UFO witnesses?

90

00:05:22,000 --> 00:05:26,000

According to many official documents, it is.

91

00:05:26,000 --> 00:05:31,000

And one particular memo reveals they were not acting alone.

92

00:05:37,000 --> 00:05:39,000

Unsealed case file.

93

00:05:39,000 --> 00:05:42,000

The Low Memo.

94

00:05:42,000 --> 00:05:47,000

In 1966, the U.S. Government Commission's The Condon Committee,

95

00:05:47,000 --> 00:05:51,000

a gathering of some of America's best scientific minds

96

00:05:51,000 --> 00:05:55,000

to investigate the credibility of UFO reports.

97

00:05:55,000 --> 00:05:59,000

The committee's findings are inconclusive.

98

00:05:59,000 --> 00:06:03,000

But in the years since, a memo written by one of its leading members,

99

00:06:03,000 --> 00:06:07,000

Robert J. Low, reveals experts should focus on

100

00:06:07,000 --> 00:06:10,000

investigation, not of the physical phenomena,

101

00:06:10,000 --> 00:06:13,000

but rather of the people who do the observing,

102

00:06:13,000 --> 00:06:17,000

the psychology and sociology of persons and groups

103

00:06:17,000 --> 00:06:21,000

who report seeing UFOs.

104

00:06:21,000 --> 00:06:27,000

Is the government really using UFO fears to control the American public?

105

00:06:27,000 --> 00:06:32,000

If it is, does it have a plan if aliens do one day invade?

106

00:06:33,000 --> 00:06:38,000

Or is someone else in control of our fears?

107

00:06:42,000 --> 00:06:46,000

Mounting evidence suggests that governments all over the world

108

00:06:46,000 --> 00:06:51,000

have sought to carefully control public opinion on the existence of UFOs,

109

00:06:51,000 --> 00:06:56,000

debunking eyewitness accounts, and discrediting witnesses

110

00:06:56,000 --> 00:06:59,000

in the name of maintaining public order.

111

00:06:59,000 --> 00:07:03,000

But is the government really in control?

112

00:07:04,000 --> 00:07:08,000

If aliens really wanted to wipe us out, I think they could.

113

00:07:08,000 --> 00:07:11,000

So with one fell swoop, it'd be over for us.

114

00:07:11,000 --> 00:07:14,000

So why haven't they done that?

115

00:07:14,000 --> 00:07:16,000

Are aliens friend or foe?

116

00:07:16,000 --> 00:07:21,000

It's a question the United States government has wrestled with for decades.

117

00:07:21,000 --> 00:07:26,000

The public, however, appears to have already made up its mind.

118

00:07:26,000 --> 00:07:30,000

A recent poll revealed that 86% of Americans

119

00:07:30,000 --> 00:07:35,000

believe that aliens are more likely to be friendly than hostile.

120

00:07:35,000 --> 00:07:39,000

But what informs this opinion?

121

00:07:41,000 --> 00:07:47,000

Many experts believe America's UFO intelligence is controlled by the Majestic 12,

122

00:07:47,000 --> 00:07:52,000

an ultra-secret committee of high-ranking science and intelligence officers

123

00:07:52,000 --> 00:07:57,000

assembled by President Truman in the days after America's first reported recovery

124

00:07:57,000 --> 00:08:02,000

of an alien spacecraft, the Roswell incident.

125

00:08:02,000 --> 00:08:09,000

Some also believe the organization quickly went rogue, defying all government authorities,

126

00:08:09,000 --> 00:08:12,000

including the presidency itself.

127

00:08:15,000 --> 00:08:21,000

Today, the Majestic 12 is rumored to regulate everything the public knows about UFOs.

128

00:08:22,000 --> 00:08:25,000

And when they hear about it?

129

00:08:25,000 --> 00:08:32,000

Has the Majestic 12 successfully lulled the American public into a false sense of security?

130

00:08:32,000 --> 00:08:39,000

Many experts believe that aliens know how the world's governments would attempt to maintain order

131

00:08:39,000 --> 00:08:44,000

and are in fact pulling the strings as part of a larger plan,

132

00:08:44,000 --> 00:08:48,000

preparing the Earth for a hidden alien agenda.

133

00:08:48,000 --> 00:08:53,000

And it's the result of covert intervention in our daily lives.

134

00:08:57,000 --> 00:08:59,000

Unsealed case file.

135

00:09:00,000 --> 00:09:02,000

The Hill case.

136

00:09:02,000 --> 00:09:06,000

New Hampshire, September 19, 1961.

137

00:09:06,000 --> 00:09:10,000

Betty and Barney Hill are driving through the New England countryside

138

00:09:10,000 --> 00:09:15,000

when they find themselves pursued by a mysterious craft.

139

00:09:15,000 --> 00:09:20,000

What happens next will change the course of history.

140

00:09:20,000 --> 00:09:26,000

They see a light land on the road ahead of them with small creatures standing in front.

141

00:09:26,000 --> 00:09:30,000

The next thing they realize is that they are in their own driveway,

142

00:09:30,000 --> 00:09:34,000

and they cannot account for the missing time.

143

00:09:34,000 --> 00:09:39,000

The Hill case is the first recorded incident of alien abduction.

144

00:09:39,000 --> 00:09:45,000

But the details of what happened inside the alien craft are only revealed years later

145

00:09:45,000 --> 00:09:48,000

when the couple undergoes hypnosis.

146

00:09:48,000 --> 00:09:54,000

They claim that on board they were subjected to terrifying medical experiments

147

00:09:54,000 --> 00:09:58,000

only to have their memory of the experience white clean.

148

00:09:58,000 --> 00:10:04,000

But an elusive anxiety about that night would haunt them in the weeks and months that followed.

149

00:10:05,000 --> 00:10:12,000

40 years later, a 1991 poll would estimate that some 4 million Americans

150

00:10:12,000 --> 00:10:16,000

have experienced a similar close encounter.

151

00:10:16,000 --> 00:10:22,000

Today, there's no telling how many abductees are walking America's streets,

152

00:10:22,000 --> 00:10:25,000

what alterations their minds have undergone,

153

00:10:25,000 --> 00:10:29,000

and how they might be influencing the rest of the population.

154

00:10:30,000 --> 00:10:36,000

Have the aliens themselves created this culture of complacency

155

00:10:36,000 --> 00:10:40,000

through decades of abduction and mind manipulation?

156

00:10:40,000 --> 00:10:44,000

Is this their only means of controlling the populace?

157

00:10:49,000 --> 00:10:55,000

Decades of mounting evidence have revealed a possible plot by the United States government

158

00:10:55,000 --> 00:11:00,000

to use the threat of alien invasion as a means of controlling the population.

159

00:11:00,000 --> 00:11:05,000

But how would the government react in the face of a large-scale alien invasion?

160

00:11:05,000 --> 00:11:08,000

Would it really be able to maintain order?

161

00:11:11,000 --> 00:11:15,000

Stephenville, Texas, January 8th, 2008.

162

00:11:15,000 --> 00:11:20,000

Multiple eyewitnesses report strange lights in the sky over the small town.

163

00:11:21,000 --> 00:11:25,000

No one, however, could have predicted the events that followed.

164

00:11:28,000 --> 00:11:33,000

Steve Allen is flying a small plane when he sees the same glowing orbs.

165

00:11:33,000 --> 00:11:39,000

But they now appear to be flying in formation with a giant UFO.

166

00:11:39,000 --> 00:11:45,000

Allen estimates the ship to be a mile and a half long and half a mile wide.

167

00:11:46,000 --> 00:11:50,000

It's a huge craft. Experts have dubbed a mothership.

168

00:11:50,000 --> 00:11:54,000

Allen is shocked by the sighting, and he isn't alone.

169

00:11:57,000 --> 00:12:03,000

Rick Soros is out hunting when he witnesses the same mothership, just 300 feet above.

170

00:12:03,000 --> 00:12:09,000

He describes it as being made of smooth metal with strange markings along its hull.

171

00:12:09,000 --> 00:12:14,000

And he estimates its size to be three football fields long.

172

00:12:14,000 --> 00:12:18,000

Soros tells his story to the press, stating,

173

00:12:18,000 --> 00:12:23,000

I hope it's our military. If it's not ours, then we're in trouble.

174

00:12:25,000 --> 00:12:30,000

Federal Aviation Administration radar records back up the eyewitness reports,

175

00:12:30,000 --> 00:12:33,000

revealing tremendous activity in the area that evening.

176

00:12:33,000 --> 00:12:38,000

The U.S. military, however, tells a very different story.

177

00:12:38,000 --> 00:12:43,000

It claims to be unaware of any activity in the area,

178

00:12:43,000 --> 00:12:48,000

but mounting evidence is casting a shadow of doubt on this sweeping denial.

179

00:12:48,000 --> 00:12:55,000

Rick Soros has also claimed he was intimidated and harassed by several government agencies

180

00:12:55,000 --> 00:12:58,000

after talking with the media.

181

00:12:59,000 --> 00:13:04,000

And an independent mutual UFO network study of the events revealed,

182

00:13:04,000 --> 00:13:08,000

the radar report clearly demonstrates that there are in fact,

183

00:13:08,000 --> 00:13:13,000

unknown craft with superior flight capabilities far beyond known technology,

184

00:13:13,000 --> 00:13:18,000

operating and moving at will within controlled airspace.

185

00:13:19,000 --> 00:13:26,000

Muthon also claims that radar records had been deleted from military planes in the area that night.

186

00:13:26,000 --> 00:13:31,000

The motherships of the Stephenville incident mysteriously disappeared.

187

00:13:31,000 --> 00:13:34,000

But what would happen if they didn't?

188

00:13:34,000 --> 00:13:40,000

How would the American people react in the face of a full-scale alien invasion?

189

00:13:40,000 --> 00:13:45,000

And would the government really be able to prevent mass panic?

190

00:13:47,000 --> 00:13:49,000

Unsealed Case File

191

00:13:49,000 --> 00:13:51,000

The War of the Worlds

192

00:13:51,000 --> 00:13:54,000

October 30th, 1938

193

00:13:54,000 --> 00:14:01,000

Six million listeners across America tune into a broadcast of H.G. Wells' classic science fiction novel,

194

00:14:01,000 --> 00:14:08,000

The War of the Worlds, adapted for radio by 23-year-old Orson Wells.

195

00:14:08,000 --> 00:14:12,000

The play is a chilling dramatization of an alien invasion of Earth

196

00:14:12,000 --> 00:14:18,000

that features strikingly realistic news reports of apocalyptic destruction.

197

00:14:18,000 --> 00:14:21,000

This is the most terrifying thing I've ever witnessed.

198

00:14:21,000 --> 00:14:25,000

Coming out of that black hole through luminous disks.

199

00:14:25,000 --> 00:14:28,000

Those strange beings who landed in the Jersey farmlands tonight

200

00:14:28,000 --> 00:14:32,000

are the vanguard of an invading army from the planet Mars.

201

00:14:32,000 --> 00:14:38,000

The War of the Worlds scare only underscores the power of the media to incite panic.

202

00:14:38,000 --> 00:14:44,000

So is it possible the government might manufacture its own UFO scares

203

00:14:44,000 --> 00:14:48,000

as a means of manipulating the minds of the population?

204

Unsealed Case File

205

00:14:53,000 --> 00:14:56,000

Project Bluebeam

206

00:14:57,000 --> 00:15:01,000

Norway, December 9th, 2009

207

00:15:01,000 --> 00:15:08,000

Thousands witness a strange, spiraling anomaly winding its way across the northern sky.

208

00:15:08,000 --> 00:15:13,000

The Ivory Coast, April 20th, 2011

209

00:15:13,000 --> 00:15:18,000

A diamond-shaped UFO is spotted in the West African skies.

210

00:15:18,000 --> 00:15:22,000

At first glance, the two incidents appear unrelated,

211

00:15:22,000 --> 00:15:28,000

but some experts believe they are in fact test experiments of a clandestine plot

212

00:15:28,000 --> 00:15:34,000

to incite UFO panic across the planet known as Project Bluebeam.

213

00:15:36,000 --> 00:15:40,000

Reportedly conceived by a powerful group of world elites,

214

00:15:40,000 --> 00:15:45,000

Bluebeam allegedly employs the latest in satellite and holographic technology

215

00:15:45,000 --> 00:15:49,000

to generate artificial UFOs in the sky.

216

00:15:50,000 --> 00:15:54,000

Some experts believe the shadowy organization's ultimate goal

217

00:15:54,000 --> 00:15:59,000

is to defy the establishment of a totalitarian world state

218

00:15:59,000 --> 00:16:04,000

in the name of protecting the Earth against an alien invasion.

219

00:16:04,000 --> 00:16:09,000

The citizens of Earth appear to be under attack from all sides.

220

00:16:09,000 --> 00:16:11,000

Or are we?

221

00:16:12,000 --> 00:16:18,000

Decades of UFO encounters and carefully orchestrated government cover-ups

222

00:16:18,000 --> 00:16:22,000

have left the public in a state of high anxiety.

223

00:16:22,000 --> 00:16:26,000

But is their goal really to control us?

224

00:16:26,000 --> 00:16:31,000

Recent evidence has surfaced telling a very different story.

225

00:16:32,000 --> 00:16:36,000

November 2011, the Federal Emergency Management Agency

226

00:16:36,000 --> 00:16:41,000

conducts an unexpected test of the emergency broadcast system,

227

00:16:41,000 --> 00:16:47,000

affecting all television and radio transmissions across the country for three minutes.

228

00:16:47,000 --> 00:16:52,000

It's the first time this kind of test has been conducted on a national scale.

229

00:16:52,000 --> 00:16:58,000

At the time, the world had recently paid witness to a series of catastrophic disasters.

230

00:16:58,000 --> 00:17:04,000

But was this mounting anxiety the real reason behind FEMA's national broadcast?

231

00:17:05,000 --> 00:17:09,000

Or did the agency have another agenda?

232

00:17:10,000 --> 00:17:17,000

In April 2013, FEMA held an emergency response drill in Moscow, Idaho.

233

00:17:17,000 --> 00:17:23,000

But it wasn't testing the nation's ability to react to an attack or a natural disaster.

234

00:17:23,000 --> 00:17:29,000

The exercise was intended to test its response to the crash of a UFO,

235

00:17:29,000 --> 00:17:36,000

crewed by zombie-like aliens capable of spreading a deadly virus at frightening speed.

236

00:17:38,000 --> 00:17:42,000

Was the Idaho drill scenario merely fiction?

237

00:17:42,000 --> 00:17:46,000

Or was the government acting on gathered UFO intelligence?

238

00:17:46,000 --> 00:17:53,000

Have decades of fear and manipulation actually been conducted in the public interest?

239

00:17:53,000 --> 00:18:00,000

And if so, are we rapidly approaching a terrifying endgame?

240

00:18:02,000 --> 00:18:09,000

This is Unsealed, Alien Files, exposing the biggest secret on Planet Earth.
