

1

00:00:00,000 --> 00:00:09,000

Nearly 300 million people worldwide claim to have been abducted by aliens.

2

00:00:09,000 --> 00:00:16,000

But even more incredible is what the victims say happens to them while they are in alien hands.

3

00:00:16,000 --> 00:00:26,000

Many report being subjected to torturous medical experiments involving the removal of tissue, eggs, sperm, and blood.

4

00:00:26,000 --> 00:00:31,000

Others return with unwelcome reminders of their ordeal.

5

00:00:31,000 --> 00:00:39,000

There have been people that have come forward with x-rays or physical evidence of something under the skin that defies explanation.

6

00:00:39,000 --> 00:00:45,000

Some female abductees even claim to have become pregnant during these abductions.

7

00:00:45,000 --> 00:00:49,000

Are aliens creating human hybrids?

8

00:00:49,000 --> 00:00:55,000

Or are we becoming a kind of domesticated animal bred for a sinister alien purpose?

9

00:00:56,000 --> 00:01:03,000

Join us as the shocking secrets behind the eminent human harvest are unsealed.

10

00:01:04,000 --> 00:01:06,000

A global effort has begun.

11

00:01:06,000 --> 00:01:14,000

Secret files hidden from the public for decades detailing every UFO account are now available to the public.

12

00:01:14,000 --> 00:01:19,000

We are about to uncover the truth behind these classified documents.

13

00:01:19,000 --> 00:01:23,000

Find out what the government doesn't want you to know.

14

00:01:23,000 --> 00:01:24,000

Unsealed.

15

00:01:24,000 --> 00:01:26,000

Alien files.

16

00:01:26,000 --> 00:01:30,000

Exposing the biggest secret on planet Earth.

17

00:01:50,000 --> 00:02:01,000

Now fully awake, Paizawa watches in stunned disbelief as the light turns ominously red and she sees a creature like a man,

18

00:02:01,000 --> 00:02:08,000

wearing what she describes like diver's clothes, holding a device like a pistol.

19

00:02:08,000 --> 00:02:12,000

The creature fires, causing her searing pain.

20

00:02:13,000 --> 00:02:22,000

The beam holds her motionless, while needle-like instruments pierce her skin, collecting a sample of her blood.

21

00:02:22,000 --> 00:02:29,000

It's a truly terrifying encounter, but far from the only one of its kind in the area.

22

00:02:29,000 --> 00:02:39,000

The incident was part of a wave of similar attacks that struck northern Brazil from late 1977 to mid-1978.

23

00:02:40,000 --> 00:02:42,000

Aliens invade homes.

24

00:02:42,000 --> 00:02:47,000

UFOs blast mysterious beams of light down on an unsuspecting populace.

25

00:02:47,000 --> 00:02:52,000

Two victims die of severe burns within 24 hours.

26

00:02:52,000 --> 00:02:56,000

The attacks cause mass panic throughout the region.

27

00:02:56,000 --> 00:02:59,000

People are afraid to go outdoors.

28

00:02:59,000 --> 00:03:07,000

Villagers remain awake through the night, banging pots and burning bonfires to keep the menacing lights away.

29

00:03:08,000 --> 00:03:12,000

The Brazilian military launches an investigation into the attacks.

30

00:03:12,000 --> 00:03:19,000

It combs the region and makes over 200 UFO sightings of its own over a four-month period.

31

00:03:19,000 --> 00:03:25,000

Alien crafts are seen diving into the waters at the mouth of the Amazon River.

32

00:03:25,000 --> 00:03:36,000

Hundreds of people are interviewed about their ordeals and all agree the extraterrestrials came in search of one thing, human blood.

33

00:03:38,000 --> 00:03:43,000

Not long after the threat disappears in Brazil, it reappears further north.

34

00:03:43,000 --> 00:03:49,000

And this time, the perpetrators take their plan a terrifying step further.

35

00:03:50,000 --> 00:03:54,000

Miami, January 3, 1979.

36

00:03:54,000 --> 00:04:00,000

Filiverto Cardanius is driving with three friends when his car engine fails.

37

00:04:00,000 --> 00:04:03,000

He gets out to check onto the hood.

38

00:04:03,000 --> 00:04:08,000

Suddenly, a massive UFO appears over the car.

39

00:04:08,000 --> 00:04:15,000

The passengers watch in horror as it shines a blinding beam of light at Cardanius, pulling him inside.

40

00:04:15,000 --> 00:04:20,000

The UFO then vanishes, taking the terrified motorist with it.

41

00:04:21,000 --> 00:04:28,000

Two hours later, Cardanius is found by a police officer 16 miles from the abduction site.

42

00:04:28,000 --> 00:04:33,000

But according to the victim, he had traveled much farther.

43

00:04:33,000 --> 00:04:45,000

Cardanius reports the craft was manned by three human-like aliens who flew him to a rocky stretch of coast, which opened into an undersea tunnel.

44

00:04:45,000 --> 00:04:53,000

The aliens spoke Spanish, warning Cardanius of future wars and disasters that will threaten

humanity.

45

00:04:54,000 --> 00:05:00,000

At the end of the tunnel, the UFO arrived at a massive underwater city.

46

00:05:00,000 --> 00:05:08,000

There, Cardanius met another human abductee who claimed to have been living with the aliens for years.

47

00:05:09,000 --> 00:05:14,000

Cardanius claims the aliens then conducted a series of medical experiments on him.

48

00:05:14,000 --> 00:05:20,000

A later physical examination reveals over 100 needle marks on his body.

49

00:05:21,000 --> 00:05:27,000

Not long after his abduction, Cardanius begins to suffer from a litany of strange afflictions.

50

00:05:27,000 --> 00:05:37,000

His body experiences extreme temperature changes, causing him to sweat profusely, and nothing can quench his endless thirst.

51

00:05:37,000 --> 00:05:48,000

Worst of all, he suffers terrifying memory loss that leaves him wondering what is real and what is the work of his alien abductors.

52

00:05:51,000 --> 00:06:03,000

Millions around the world claim to have been abducted by aliens, and many of these victims have a clear memory of blood samples being forcibly taken from their bodies.

53

00:06:03,000 --> 00:06:09,000

Some of these procedures, however, are more invasive than others.

54

00:06:10,000 --> 00:06:15,000

Mark Routley of England is another victim of alien surgery.

55

00:06:15,000 --> 00:06:24,000

Suddenly, out of the blue, I woke up at 3 o'clock in the morning, terrified, panicked, paralyzed. I knew exactly what was going on.

56

00:06:24,000 --> 00:06:33,000

Three entities were in the room. I could see all around the room. I was completely coherent, completely awake, just immobile.

57

00:06:33,000 --> 00:06:41,000

I entered another dimension of fear. All I remember is some kind of thing being drilled into my ear.

58

00:06:42,000 --> 00:06:50,000

Many abductees will say that they put something up the nose with an instrument, and they always describe this cracking sound that they hear.

59

00:06:50,000 --> 00:06:59,000

Well, if you look up the nasal cavity to the base of the brain, there's a bone called the ethmoid, and there's two thin little plates.

60

00:06:59,000 --> 00:07:05,000

Those are called the ethmoid plates, and if you puncture one of those plates, you're right at the base of the brain.

61

00:07:06,000 --> 00:07:13,000

But why are aliens trying to access our brains? What are they trying to extract?

62

00:07:14,000 --> 00:07:23,000

According to some abduction accounts, it isn't what's taken that terrifies the victims. It's what's

left behind.

63

00:07:24,000 --> 00:07:40,000

Palomagordo, New Mexico, 1975. 16-year-old Ted Davenport sets out on a solo backpacking trip in the nearby wilderness, feeling compelled to do so by an indescribable force.

64

00:07:40,000 --> 00:07:45,000

Along the way, he has a constant feeling that he's being watched.

65

00:07:45,000 --> 00:07:54,000

At night, he leaves his tent and is astonished to see a group of small, humanoid beings. He blacks out.

66

00:07:54,000 --> 00:08:06,000

The next morning, he wakes up beside the remains of his campfire with a painful headache, a lump on the side of his head, and no memory of the night before.

67

00:08:06,000 --> 00:08:13,000

Five years later, he is in the Navy, when he's badly injured and sent for emergency medical treatment.

68

00:08:13,000 --> 00:08:23,000

An MRI reveals a metallic implant in his brain. Davenport claims to have been abducted multiple times since the implant's discovery.

69

00:08:23,000 --> 00:08:28,000

Doctors refuse to remove it, despite many opportunities to do so.

70

00:08:29,000 --> 00:08:38,000

Davenport claims that aliens use the implants to control not only his brain, but the brains of the doctors who treat him as well.

71

00:08:40,000 --> 00:08:45,000

A further scan in 2001 reveals the implant is still there.

72

00:08:46,000 --> 00:08:55,000

Dr. Roger Lear is a surgeon who has experienced removing alien implants left behind in victims of alien abduction.

73

00:08:55,000 --> 00:09:07,000

This mark is not in any medical book on dermatology. It looks as if someone took a tiny little teaspoon and just scooped out a little bit of skin.

74

00:09:07,000 --> 00:09:14,000

So in two of the surgeries we did, we actually removed the scoop mark and we submitted it for pathological analysis.

75

00:09:14,000 --> 00:09:24,000

But underneath, we found a little grayish white ball in both of the cases. And so there was an implant associated with the scoop mark.

76

00:09:25,000 --> 00:09:35,000

Are aliens placing implants in people's brains? Are they attempting to monitor or copy all of our thoughts, feelings and memories?

77

00:09:35,000 --> 00:09:39,000

Or is it something else they're searching for?

78

00:09:39,000 --> 00:09:48,000

For all the recent advances in computer technology, the human brain remains the most powerful information processor on the planet,

79

00:09:48,000 --> 00:09:54,000

with a top calculation speed of 100 trillion calculations per second.

80

00:09:55,000 --> 00:10:01,000

Are they after the brain tissue itself to use as an organic microprocessor?

81

00:10:01,000 --> 00:10:09,000

Could the Earth be an intelligence farm for beings from another world? It's a chilling prospect.

82

00:10:09,000 --> 00:10:22,000

But according to reports, there is another, far more precious element being harvested from the human body, one that could jeopardize our species' very survival.

83

00:10:23,000 --> 00:10:34,000

Some female abductees report being subjected to terrifying gynecological procedures, emerging from the ordeal mysteriously pregnant.

84

00:10:34,000 --> 00:10:45,000

Worse still, after a few months gestation, they claim they are abducted yet again, after which the fetus mysteriously disappears.

85

00:10:46,000 --> 00:10:57,000

Is the child some kind of alien human hybrid? Or is the subject being used as a kind of surrogate to gestate a fully alien life form?

86

00:10:57,000 --> 00:11:06,000

Victims are left searching for answers, and an unfortunate few receive them in the worst possible way.

87

00:11:06,000 --> 00:11:14,000

A pregnancy may be interrupted in the second or third trimester of pregnancy, and the fetus is taken.

88

00:11:14,000 --> 00:11:21,000

But later the individual is taken aboard a craft and shown that individual after being born.

89

00:11:21,000 --> 00:11:27,000

And they look partially like the mother and partially like whoever it was that took them.

90

00:11:27,000 --> 00:11:30,000

A hair or sparse, the heads are large.

91

00:11:31,000 --> 00:11:38,000

Are aliens implanting fetuses in human females? And if so, what is their purpose?

92

00:11:38,000 --> 00:11:43,000

Are they simply experiments to satisfy some scientific curiosity?

93

00:11:43,000 --> 00:11:52,000

Some experts believe these pregnancies are an attempt to produce alien human hybrids, capable of surviving in Earth's atmosphere,

94

00:11:52,000 --> 00:11:57,000

and possessing greater immunity to the planet's many diseases.

95

00:11:57,000 --> 00:12:01,000

And it's all part of an insidious plan.

96

00:12:01,000 --> 00:12:09,000

Another theory is the fact that they're genetically engineering humans, that it could serve some purpose in altering our genetic code,

97

00:12:09,000 --> 00:12:18,000

or the way that we evolve as human beings. My guess is they could potentially make a life form that they would like us to evolve into.

98

00:12:18,000 --> 00:12:26,000

Could aliens be trying to hijack human DNA to create a race of hybrids that will one day take over the Earth?

99

00:12:28,000 --> 00:12:35,000

Mounting evidence suggests that extraterrestrials are harvesting human blood, brain power,

100

00:12:35,000 --> 00:12:45,000

and even the product of our reproductive systems as part of a master plan to create a new Earth in a distinctly alien image.

101

00:12:45,000 --> 00:12:56,000

But is it true? Many believe the aliens revealed their hand during an extraordinary series of events in the late 1970s.

102

00:12:56,000 --> 00:13:01,000

Dulce, New Mexico, March 24, 1978.

103

00:13:01,000 --> 00:13:07,000

Cattle rancher Manuel Gomez finds the dead carcass of an 11-month-old bull.

104

00:13:07,000 --> 00:13:13,000

But the condition of the calf's body is something he has never experienced before.

105

00:13:13,000 --> 00:13:20,000

The animal sex organs have been removed with a precision beyond modern capabilities.

106

00:13:21,000 --> 00:13:29,000

Blood samples taken at the scene are an unusual shade of light pink and refuse to clot.

107

00:13:29,000 --> 00:13:34,000

The remains are sent to a lab in Los Alamos for autopsy.

108

00:13:34,000 --> 00:13:39,000

The final police report notes that both the liver and heart were mushy.

109

00:13:39,000 --> 00:13:49,000

It concludes that a probable explanation for the pinkish blood is a control type of radiation used to kill the animal.

110

00:13:50,000 --> 00:13:53,000

Who would commit such a bizarre crime?

111

00:13:53,000 --> 00:13:56,000

Are aliens studying other mammals on Earth?

112

00:13:56,000 --> 00:13:59,000

And if so, why?

113

00:13:59,000 --> 00:14:03,000

Many early civilizations sacrificed cattle to appease the gods.

114

00:14:03,000 --> 00:14:09,000

Could humans have been feeding an alien need for these animals thousands of years ago?

115

00:14:09,000 --> 00:14:17,000

The shocking answer may lie in ancient Egypt and the reign of its most controversial pharaoh.

116

00:14:17,000 --> 00:14:19,000

Unsealed case file.

117

00:14:20,000 --> 00:14:22,000

Akinaten.

118

00:14:22,000 --> 00:14:28,000

He was Akinaten, husband of the legendary Queen Nefertiti.

119

00:14:28,000 --> 00:14:33,000

Before him, ancient Egyptians worshipped many gods and goddesses.

120

00:14:33,000 --> 00:14:37,000

But Akinaten replaced them all with just one.

121

00:14:37,000 --> 00:14:40,000

Akinaten, the sun god.

122

00:14:40,000 --> 00:14:45,000

What's fascinating about Akinaten is you have this powerful being that comes out of seemingly nowhere,

123

00:14:45,000 --> 00:14:54,000

replaces the pantheon of the old gods of Egypt and takes over and gives his blessings to Akinaten.

124

00:14:54,000 --> 00:15:04,000

Why would he choose Akinaten and why would Akinaten choose to change an entire system of belief thousands of years old, just in the blink of an eye?

125

00:15:04,000 --> 00:15:09,000

It was a radical break with untold years of religious tradition.

126

00:15:09,000 --> 00:15:14,000

But this isn't the only controversy surrounding King Akinaten.

127

00:15:14,000 --> 00:15:17,000

There's some connection between him and this deity.

128

00:15:17,000 --> 00:15:28,000

And if we believe in the idea that Aten was some sort of extraterrestrial being, then perhaps Akinaten was actually offspring.

129

00:15:28,000 --> 00:15:32,000

Egyptian pharaohs were always depicted in art in a similar way.

130

00:15:32,000 --> 00:15:36,000

But Akinaten looked radically different.

131

00:15:36,000 --> 00:15:38,000

His skull was elongated.

132

00:15:38,000 --> 00:15:42,000

His body shape was unlike most human depictions of the time.

133

00:15:42,000 --> 00:15:50,000

Why did Akinaten attempt to change religious tradition during his reign and why did he look so different?

134

00:15:50,000 --> 00:15:55,000

Akinaten was the husband of Nefertiti and the father of Tutankhamen.

135

00:15:55,000 --> 00:15:58,000

But UFO theorists today call him the alien king.

136

00:15:58,000 --> 00:16:05,000

Experts point to the striking similarity between the ancient king and modern descriptions of aliens.

137

00:16:05,000 --> 00:16:08,000

Was Akinaten an alien hybrid?

138

00:16:08,000 --> 00:16:15,000

And was his reign an attempt by aliens to take over the human population in one fell swoop?

139

00:16:15,000 --> 00:16:27,000

Some experts believe that if Akinaten was an alien hybrid, then his son, the famed king Tutankhamen, would have carried alien blood in his veins as well.

140

00:16:27,000 --> 00:16:31,000

And this has chilling implications for the entire world.

141

00:16:32,000 --> 00:16:41,000

That's because a recent study has suggested that up to half of all Western European men can trace their ancestry back to Tutankhamen,

142

00:16:41,000 --> 00:16:47,000

confirming what many ufologists consider to be Egypt's hidden alien legacy.

143

00:16:50,000 --> 00:17:00,000

Mounting evidence suggests that aliens may have been genetically manipulating the human population on a fundamental level for thousands of years.

144

00:17:00,000 --> 00:17:08,000

All the evidence shows that the human race is being interfered with by an advanced civilization.

145

00:17:08,000 --> 00:17:16,000

But how long do they intend to continue this chilling plan? What is their ultimate goal?

146

00:17:16,000 --> 00:17:25,000

The harvest phenomenon is happening at a time when the world's population is increasing faster than ever before.

147

00:17:25,000 --> 00:17:37,000

If current trends continue, by 2050 it will reach 10 billion, at which point many experts believe life on Earth will become unsustainable.

148

00:17:37,000 --> 00:17:44,000

Some, however, think this peak is exactly what the aliens and their human co-conspirators are waiting for.

149

00:17:44,000 --> 00:17:51,000

If there is an object planned for taking over our world, it's happening from the inside out.

150

00:17:51,000 --> 00:18:01,000

Is it possible? Is the secret human harvest merely a precursor to an open slaughter when the world reaches peak population?

151

00:18:02,000 --> 00:18:11,000
