

1

00:00:00,000 --> 00:00:07,000

All around the world, UFO sightings are increasing in record numbers.

2

00:00:07,000 --> 00:00:19,000

Some experts believe in the not too distant future, the day may come when aliens decide to step out of the shadows and invade planet Earth.

3

00:00:19,000 --> 00:00:23,000

But what shape will this hour of reckoning take?

4

00:00:23,000 --> 00:00:28,000

Is our military prepared for an alien threat? My answer is no.

5

00:00:28,000 --> 00:00:33,000

If they have the technology we believe they have, and we don't, we don't stand a chance.

6

00:00:33,000 --> 00:00:45,000

Join us as we reveal the coming alien apocalypse and how planet Earth might survive on unsealed alien files.

7

00:00:45,000 --> 00:00:56,000

A global effort has begun. Secret files hidden from the public for decades, detailing every UFO account, are now available to the public.

8

00:00:56,000 --> 00:01:01,000

We are about to uncover the truth behind these classified documents.

9

00:01:01,000 --> 00:01:04,000

Find out what the government doesn't want you to know.

10

00:01:04,000 --> 00:01:11,000

Unsealed alien files, exposing the biggest secret on planet Earth.

11

00:01:11,000 --> 00:01:15,000

November 9th, 1965.

12

00:01:15,000 --> 00:01:22,000

Hundreds of people in America's northeast observe a glowing dome-shaped fireball streak across the sky.

13

00:01:22,000 --> 00:01:30,000

Meanwhile, a small aircraft flying near Tideout, Pennsylvania finds itself pursued by two UFOs.

14

00:01:30,000 --> 00:01:34,000

Air Force Checks scramble to aid the endangered aircraft.

15

00:01:34,000 --> 00:01:41,000

They open fire on the objects, only to watch them disappear at an unbelievable rate of speed.

16

00:01:41,000 --> 00:01:47,000

Within an hour, UFOs have spread fear across much of the northeast.

17

00:01:48,000 --> 00:01:54,000

But what happens next throws the region into a state of emergency.

18

00:01:54,000 --> 00:02:02,000

Just after 5 p.m. Eastern Standard Time, a massive blackout strikes the northeast United States and Canada.

19

00:02:02,000 --> 00:02:07,000

30 million people are left powerless for up to 13 hours.

20

00:02:07,000 --> 00:02:15,000

Despite dozens of eyewitness accounts, the American government denies any UFO connection to the blackout.

21

00:02:15,000 --> 00:02:21,000

In the end, authorities claim it was human error on the part of a power plant worker.

22

00:02:21,000 --> 00:02:24,000

But the blackout raises an alarming question.

23

00:02:24,000 --> 00:02:30,000

Could humanity cope in the face of a large-scale technological collapse?

24

00:02:30,000 --> 00:02:36,000

What would happen if all the world's power suddenly switched off?

25

00:02:36,000 --> 00:02:43,000

With resources to last only a few days, experts believe the world would descend into anarchy

26

00:02:43,000 --> 00:02:49,000

and provide the perfect moment for an alien force to strike.

27

00:02:49,000 --> 00:02:53,000

But while blackouts are allegedly caused by a distant threat,

28

00:02:53,000 --> 00:03:02,000

a frightening incident in Brazil reveals how a hands-on invasion could quickly become a living nightmare.

29

00:03:03,000 --> 00:03:08,000

Unsealed case file, the Colores Incident.

30

00:03:08,000 --> 00:03:12,000

1977, northern Brazil.

31

00:03:12,000 --> 00:03:20,000

A violent wave of UFO attacks blast mysterious beams of light down on an unsuspecting small town.

32

00:03:20,000 --> 00:03:25,000

35 people are treated for injuries that resemble radiation burns.

33

00:03:25,000 --> 00:03:29,000

Two of them die within 24 hours.

34

00:03:29,000 --> 00:03:32,000

Panic spreads quickly throughout the region.

35

00:03:32,000 --> 00:03:40,000

Villagers stay awake through the nights, banging pots and burning bonfires to keep the menacing lights away.

36

00:03:40,000 --> 00:03:43,000

The Brazilian military launches an investigation.

37

00:03:43,000 --> 00:03:51,000

Over 200 UFOs, some plunging into the Amazon River, have been reported over a four-month period.

38

00:03:51,000 --> 00:03:57,000

The victims are interviewed about their ordeals, but the attacks leave officials baffled.

39

00:03:58,000 --> 00:04:04,000

Noted ufologist Jacques Vallée launches his own investigation into the Colores Encounters.

40

00:04:04,000 --> 00:04:12,000

He concludes the mysterious light was in fact a complex combination of ionizing and non-ionizing radiation,

41

00:04:12,000 --> 00:04:19,000

and that many of the injuries were consistent with the effects of high-power, pulsed microwaves.

42

00:04:19,000 --> 00:04:26,000

The Colores Incident is one of the largest reported mass encounters with extraterrestrials in history.

43

00:04:26,000 --> 00:04:32,000

Yet all evidence collected by the official investigation remains classified,

44

00:04:32,000 --> 00:04:37,000

and no official report into the incident has ever been released.

45

00:04:37,000 --> 00:04:41,000

Some experts are gravely concerned.

46

00:04:41,000 --> 00:04:51,000

A.J. Gavarde, the Brazilian director of MUFON, discusses the Colores Incident at the 2013 Citizen Hearing in Washington, D.C.

47

00:04:51,000 --> 00:05:02,000

The situation went so intense that the community leaders went to the governor of the state of Pará

48

00:05:02,000 --> 00:05:10,000

to ask that something is done about it, and the government asked the Brazilian Air Force

49

00:05:10,000 --> 00:05:14,000

to start an investigation to give answers to the population.

50

00:05:14,000 --> 00:05:24,000

The Guas already, and this is in the document, the Guas already acknowledged that there was an intelligence beyond that phenomenon,

51

00:05:24,000 --> 00:05:26,000

and that phenomenon was not perfect.

52

00:05:26,000 --> 00:05:33,000

Was the Colores Incident the precursor to a wave of future attacks on humanity?

53

00:05:33,000 --> 00:05:39,000

Will they cut us down one by one in a series of violent confrontations?

54

00:05:39,000 --> 00:05:47,000

Or is there an easier way to eliminate the human race?

55

00:05:47,000 --> 00:05:56,000

Many experts believe that aliens are plotting an apocalyptic event that will render us vulnerable to a full-scale invasion

56

00:05:56,000 --> 00:06:00,000

and potentially kill off the human race.

57

00:06:00,000 --> 00:06:08,000

Yet some experts believe there is a much simpler way to bring the human race to its knees.

58

00:06:08,000 --> 00:06:10,000

Unsealed Case File

59

00:06:10,000 --> 00:06:13,000

Red Rain

60

00:06:13,000 --> 00:06:18,000

Kerala State, India, July 25, 2001

61

00:06:18,000 --> 00:06:26,000

Daily life is interrupted by a bizarre event that unfolds like a chapter from the Book of Revelations.

62

00:06:26,000 --> 00:06:30,000

A blood-red rain begins pouring from the sky.

63

00:06:30,000 --> 00:06:32,000

The local population is terrified.

64

00:06:32,000 --> 00:06:40,000

They believe it to be the first sign of Kali Yuga, the end of days as described in Hindu scripture.

65

00:06:40,000 --> 00:06:46,000

It isn't long before people of other faiths are seized by the same apocalyptic fear.

66

00:06:46,000 --> 00:06:54,000

The Bloody Deluge continues for two months, baffling scientists and the populace alike.

67

00:06:54,000 --> 00:06:59,000

The townspeople nearby got sick. They were throwing up. They thought they had been poisoned.

68

00:06:59,000 --> 00:07:09,000

When placed under a microscope, the rain is found to contain particles that look disturbingly like human red blood cells.

69

00:07:09,000 --> 00:07:13,000

If you think the idea of aliens trying to wipe us out sounds absurd.

70

00:07:13,000 --> 00:07:18,000

Just look at what we've done to ourselves in the last hundred, two hundred, even thousands of years.

71

00:07:18,000 --> 00:07:25,000

Yet despite years of study, science is still in the dark about the composition of the red particles.

72

00:07:25,000 --> 00:07:35,000

The biggest surprise about the red rain is that when they analyzed it, they found organic material inside the particles that was not terrestrial.

73

00:07:35,000 --> 00:07:39,000

Its source remains a mystery even today.

74

00:07:39,000 --> 00:07:52,000

It would be incredibly easy for an extraterrestrial race to send some type of biological agent or manufactured virus to the planet Earth without ever stepping foot on the planet Earth.

75

00:07:53,000 --> 00:07:57,000

Unsealed Case File, Fatima, Portugal

76

00:07:57,000 --> 00:08:08,000

In the summer of 1917, the villagers of Fatima were allegedly visited by a mysterious apparition they believed to be the Virgin Mary.

77

00:08:08,000 --> 00:08:18,000

The Fatima event was seen by huge numbers of people and so it was extremely well known and has gotten enormous attention ever since.

78

00:08:18,000 --> 00:08:27,000

Three young girls claimed that this entity imparted a number of prophecies to them that they kept secret well into the 20th century.

79

00:08:27,000 --> 00:08:36,000

There's a very strong case trying to be made that what these children saw was not a divine event but rather an extraterrestrial event.

80

00:08:36,000 --> 00:08:44,000

Witnesses describe the sun as a kaleidoscope of colors creating an ever-shifting pattern in the sky

81

00:08:44,000 --> 00:08:49,000

and on several occasions during the mass sighting as the crowd stood in awe.

82

00:08:49,000 --> 00:08:54,000

Clouds pounded on lookers with a torrential downpour of rain.

83

00:08:54,000 --> 00:09:01,000

For several days, the local media headlines read, The Miracle at Fatima.

84

00:09:01,000 --> 00:09:06,000

But disaster followed just three months later.

85

00:09:06,000 --> 00:09:16,000

In January 1918, the world was infected by one of the deadliest plagues in history, the Spanish flu.

86

00:09:16,000 --> 00:09:26,000

It is said to have claimed over 100 million victims, ravaging an estimated 5% of the world's population.

87

00:09:26,000 --> 00:09:34,000

Were the rains at Fatima a method of transmitting a deadly extraterrestrial virus to the Earth?

88

00:09:34,000 --> 00:09:39,000

And if so, what is to prevent it from happening again?

89

00:09:39,000 --> 00:09:49,000

Many who have encountered extraterrestrials, whether during an abduction or maybe a sighting, feel that whatever entities are visiting Earth are violent in nature.

90

00:09:49,000 --> 00:09:57,000

That they're not good, they're not here to spread love and light, that they're here for destruction and really here to harm the human race.

91

00:09:57,000 --> 00:10:04,000

Now if that's true, then what's the best way that an alien race could combat the human race?

92

00:10:04,000 --> 00:10:06,000

And that would be through biological warfare.

93

00:10:06,000 --> 00:10:13,000

They would never lose one of their alien soldiers, if that's what they had, with the use of a biological agent in our atmosphere.

94

00:10:13,000 --> 00:10:22,000

Their capabilities to fight a war in that way would so far surpass human technology, they would win in an instant.

95

00:10:22,000 --> 00:10:24,000

I don't think that we would have a fighting chance.

96

00:10:24,000 --> 00:10:34,000

Are aliens seeding the Earth with deadly diseases? Will humanity succumb to a series of lethal plagues, leaving the planet open for conquest?

97

00:10:34,000 --> 00:10:43,000

Many ufologists believe the human race presents a resource much too valuable for alien invaders to destroy.

98

00:10:43,000 --> 00:10:47,000

They may have another use for us.

99

00:10:48,000 --> 00:10:59,000

Many experts believe that aliens may be plotting an apocalyptic event to kill off the human race, leaving the Earth open for the taking.

100

00:10:59,000 --> 00:11:09,000

Some point to a full-scale invasion, while others think the invaders will use biological weapons to infect humanity with a deadly plague.

101

00:11:10,000 --> 00:11:17,000

But recently, ufologists consider humanity may also be a valuable resource of slave labor,

102

00:11:17,000 --> 00:11:23,000

and aliens may already be testing a plan that would force us into submission.

103

00:11:24,000 --> 00:11:26,000

Unsealed Case File

104

00:11:26,000 --> 00:11:29,000

Ted Davenport

105

00:11:29,000 --> 00:11:33,000

Alamogordo, New Mexico, 1975

106

00:11:33,000 --> 00:11:42,000

16-year-old Ted Davenport is compelled by a strange, indescribable force to embark on a solo backpacking trip.

107

00:11:42,000 --> 00:11:47,000

But early in the journey, he starts to feel he's being watched.

108

00:11:47,000 --> 00:11:57,000

At night, he is compelled to leave his tent and witnesses an unbelievable sight, a group of small, humanoid beings.

109

00:11:57,000 --> 00:12:00,000

Then Davenport blacks out.

110

00:12:00,000 --> 00:12:06,000

He wakes the next morning beside a smoldering campfire with a painful headache.

111

00:12:06,000 --> 00:12:12,000

He's disoriented, with a lump on the side of his head and no memory of the night before.

112

00:12:13,000 --> 00:12:21,000

Five years later, Davenport is badly injured while in the Navy and sent for emergency medical treatment.

113

00:12:21,000 --> 00:12:28,000

Davenport is stunned to discover an MRI scan shows a metallic implant in his brain.

114

00:12:28,000 --> 00:12:37,000

After coming to terms with encountering aliens, Davenport now claims to have been abducted multiple times since the implant's discovery.

115

00:12:37,000 --> 00:12:42,000

Despite many opportunities to remove it, doctors refuse.

116

00:12:42,000 --> 00:12:44,000

But why?

117

00:12:44,000 --> 00:12:53,000

Davenport claims that aliens use the implants to control not only his brain, but the brains of the doctors who treat him as well.

118

00:12:53,000 --> 00:12:59,000

A further scan in 2001 reveals the implant is still there.

119

00:12:59,000 --> 00:13:03,000

But he is far from alone in this experience.

120

00:13:03,000 --> 00:13:15,000

Well, in the abduction phenomena, there is apparently 10 to 15% of those who we believe are true abductees that might have been implanted.

121

00:13:15,000 --> 00:13:22,000

Now, we're talking about implants that are visible on an X-ray or a CAT scan.

122

00:13:22,000 --> 00:13:26,000

Not those that some believe they have, but cannot be seen.

123

00:13:26,000 --> 00:13:33,000

Ted Davenport is just one of thousands discovered to have possible alien technology implanted in their bodies.

124

00:13:33,000 --> 00:13:36,000

The question is, what is it used for?

125

00:13:36,000 --> 00:13:46,000

Many theories exist, but the most terrifying may have its origins in a secret underground government military complex in New Mexico.

126

00:13:46,000 --> 00:13:53,000

The Dulce base is an alleged military complex inside the Archuleta Mesa in northern Dulce, New Mexico.

127

00:13:53,000 --> 00:13:56,000

There's no guard towers, no tanks outside.

128

00:13:56,000 --> 00:14:03,000

The conspiracy says that there is a base deep within this mountain that not only our United States military operates in,

129

00:14:03,000 --> 00:14:12,000

but after a deal that we've made with aliens, allegedly they are there too, conducting whatever operations they are inside Archuleta Mesa.

130

00:14:12,000 --> 00:14:22,000

Thousands of humans claim to have been abducted and brought to one of Dulce base's seven levels,

each of which is more terrifying than the last.

131

00:14:22,000 --> 00:14:28,000

On level four, the experiments allegedly focus on hypnosis and telepathy,

132

00:14:28,000 --> 00:14:34,000

but it's the experiments involving brain waves that are the most chilling.

133

00:14:34,000 --> 00:14:44,000

Have aliens discovered a way to tap into human brain waves, essentially creating a door through which we could easily be controlled?

134

00:14:44,000 --> 00:14:51,000

A recent study by neuroscientist Norman S. Don points to a terrifying conclusion.

135

00:14:51,000 --> 00:14:59,000

Don measured the brain waves of subjects who had all claimed to have been abducted or had close encounters with a UFO.

136

00:14:59,000 --> 00:15:06,000

In all cases, abductees were able to achieve non-ordinary or trance-like states while awake,

137

00:15:06,000 --> 00:15:10,000

something they were not able to do prior to being abducted.

138

00:15:10,000 --> 00:15:18,000

If this is true, Don may have uncovered the primary reason aliens are abducting humans in record numbers.

139

00:15:18,000 --> 00:15:25,000

If aliens can change the way our brains function, they could gain control of our thoughts entirely.

140

00:15:25,000 --> 00:15:31,000

Will aliens colonize the Earth and enslave its inhabitants in a brutal apocalypse,

141

00:15:31,000 --> 00:15:39,000

or are they simply preparing our civilization for a new master?

142

00:15:39,000 --> 00:15:47,000

Many experts believe aliens could be plotting a future catastrophe to wipe the human race off the face of the Earth.

143

00:15:47,000 --> 00:15:52,000

But how could aliens achieve their ultimate goal with the least amount of effort?

144

00:15:52,000 --> 00:16:00,000

In 2004, three astronomers at the Kit Peak National Observatory in Arizona made a chilling discovery.

145

00:16:00,000 --> 00:16:08,000

A massive asteroid measuring nearly a thousand feet across would enter Earth's neighborhood in 2011.

146

00:16:08,000 --> 00:16:11,000

Astronomers named the object a Pulfis.

147

00:16:11,000 --> 00:16:19,000

Weighing in at 20 million tons, had it struck the Earth, the asteroid would have exploded with the equivalent force

148

00:16:19,000 --> 00:16:25,000

of a billion tons of TNT, causing a doomsday scenario.

149

00:16:25,000 --> 00:16:30,000

In astronomical terms, it was an uncomfortably close shave.

150

00:16:30,000 --> 00:16:34,000

But a Pulsar isn't finished with us yet.

151

00:16:34,000 --> 00:16:43,000

Its current trajectory will bring it back to Earth in 2029, passing within only 20,000 miles of our planet,

152

00:16:43,000 --> 00:16:46,000

close enough to destroy satellites in orbit.

153

00:16:46,000 --> 00:16:55,000

But what if someone or something nudges a Pulsar closer to Earth, locking it into a gravitational keyhole only half a mile wide,

154

00:16:55,000 --> 00:17:01,000

effectively placing it on a direct collision course with our planet?

155

00:17:01,000 --> 00:17:06,000

Now you're in advanced civilization so you can be very precise about how you change the trajectory.

156

00:17:06,000 --> 00:17:10,000

They don't need super advanced laser weapons.

157

00:17:10,000 --> 00:17:13,000

They just bump a few asteroids. We're finished.

158

00:17:13,000 --> 00:17:18,000

Unless we have a way to, you know, catch asteroids, it's over.

159

00:17:18,000 --> 00:17:22,000

NASA has never publicly acknowledged the existence of aliens,

160

00:17:22,000 --> 00:17:28,000

despite dozens of sightings by personnel and all existing photographic evidence.

161

00:17:28,000 --> 00:17:35,000

But since the appearance of a Pulfis, the agency has suddenly shifted its focus to asteroids.

162

00:17:35,000 --> 00:17:46,000

In April 2013, it unveiled plans for an unprecedented mission into deep space to lasso an asteroid and tow it back into Earth orbit.

163

00:17:46,000 --> 00:17:53,000

There, according to officials, NASA spacecraft will land on the object for the purpose of study.

164

00:17:54,000 --> 00:18:00,000

Does the space agency possess vital intelligence about alien plans for a Pulfis?

165

00:18:00,000 --> 00:18:10,000

Experts believe this mission could be an attempt to develop technology that would save the world from an asteroid on a collision course with Earth.

166

00:18:10,000 --> 00:18:15,000

Can humanity defend itself against the ultimate alien threat?

167

00:18:15,000 --> 00:18:20,000

Or will an apocalyptic event change the course of our planet's history?

168

00:18:20,000 --> 00:18:21,000

Forever.

169

00:18:21,000 --> 00:18:28,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
